

## BRIEFS—

## TAWAS CITY

The Rev. and Mrs. Charles E. Mercer and family are attending the Baptist camp at Lake Louise. Also attending this week are Wahmeta Kendall, Linda Kiley and Patricia Davenport. Each week several young people from the Tawas City Baptist Church plan on attending the sessions.

Mr. and Mrs. Harold St. Martin of Detroit spent the week-end here with relatives.

Mr. and Mrs. Wallace Leslie and children, Marcia and Thomas, of Capac were week-end guests of his parents, Mr. and Mrs. William Leslie.

Mrs. Anna Beardslee of Kissimmee, Florida, is spending a few weeks at the McLean home. Miss Geneva Ulman left Saturday for Independence, Missouri, after a month's vacation with her parents, Mr. and Mrs. Elva Ulman. Geneva begins her junior year of nurse's training at the Independence Sanitarium and Hospital.

Mr. and Mrs. Billie Biggs are leaving this week-end to make their home in Bay City where he is employed at the Dafee Ship-building Company.

Mrs. C. I. Beard is spending a few days in Detroit with her daughter, Mrs. Dee Rinz, and family.

Norman Anschuetz of South Bend, Indiana, spent the week-end in the city. Mrs. Anschuetz and two children, Lori and Kurt, who have been visiting her parents, Mr. and Mrs. Walter Schumacher, for two weeks, returned with him.

Mrs. Walter Miller, Judy and Bonnie Miller and Miss Dorothy King visited Mr. and Mrs. Kenneth King of Wyandotte last week.

Mrs. Frank Jessberger, Misses Frances Upton and Barbara Young of Detroit spent the week-end with Mr. and Mrs. Peter Young. Barbara represented the Silver Valley Winter Sports at the Oscoda Homecoming on Sunday.

Mrs. Gordon Carey and two children of Detroit are spending a week's vacation with relatives.

Mrs. Billie Biggs was the guest of honor at a farewell party Monday night at the home of Mrs. Dallas Kowalsky. Fifteen ladies attended. Lunch was served by the hostess.

## EAST TAWAS

The Past Matrons Club of Tawas Chapter, Order of the Eastern Star, had a picnic luncheon Tuesday afternoon at the Carlson cottage at Indian Lake. The business meeting following was led by the president, Mrs. Edna Hughes.

Mr. and Mrs. William Deckett visited recently with Mr. and Mrs. Espie at Lincoln.

Mr. and Mrs. C. A. Bonney are spending the week with Mr. and Mrs. Charles Christensen at Killarney Beach.

Mrs. Joseph Svok and children of Gaylord spent a few days with her parents, Mr. and Mrs. Arthur Dillon.

Mr. and Mrs. Welby Haines of Detroit have been vacationing in East Tawas. Mrs. Haines is a sister of Mrs. Edmund Gagner.

A baby girl was born last Thursday to Mr. and Mrs. Rupert Charters of North Main Street.

Mrs. William Parker has been visiting in Otisville with her sister who is seriously ill.

Mrs. Johannah Staudacher, who has been residing with her son, Kenneth, in California, has returned to East Tawas.

Mrs. J. A. Carlson was hostess to a party for members of the Methodist WSCS at her Indian Lake cottage last Sunday.

Miss Helen Applin attended the wedding of her nephew at Warren, Michigan, last week-end. She also visited her brother, Philip, and family in Detroit and attended the Surbrook reunion at Marysville Park.

The McClure and Slye families held a reunion at Marysville Park last Sunday. Several members of both families have been residents of the Tawas for many years.

## 250 Michigan Network 'Hams' Attend Picnic at State Park

Last Sunday 250 persons attended the "Buzzards Roost" and Michigan Emergency Network's annual picnic at the East Tawas State Park. Seventy-five amateur radio operators registered for the meeting.

Officers elected for the coming year included: President, Charles Ledtke, W8LNE, Saginaw; vice president, Cyrus C. Jenks, W8FJY, Ypsilanti; secretary-treasurer, Robert B. Cooper, W8AQA, Grand Rapids.

Host to the visiting radio hams was the Tawas Short Wave Club, C. Warren Wagner, W8ZXE, chairman, with Frank Ridgeway, W8KWW, and Albert H. Buch, W8AMS, assisting.

A complete amateur station was erected by the members in the park. This station was used to direct members to the picnic grounds by radio.

W8LNE of Saginaw won the picnic table which was donated by W8ZXE.

These amateur radio nets operate on a frequency of 2,990 Kcs. every evening except Sunday. The Michigan Emergency Network is on at 9:00 a. m. Sundays.

The above is a view of the backwaters of the AuSable River, up-stream from the Lumbermen's Monument. (Infrared film was used to penetrate haze, causing off-color of trees)

This picturesque stream was once an important waterway during the lumbering era and today is the playground of thousands of vacationers. Each fall the annual AuSable River Canoe Race is held, starting at its headwaters at Grayling and ending at Oscoda where the mighty river meets Lake Huron. Below and above the Mio dam it is the favorite haunt of trout fishermen. The river is also a valuable source of power to the

Northeastern Michigan area through the Consumers Power Company's hydroelectric dams. (Third in a series of photographs depicting interesting places to visit while vacationing in Isosco County.)—Tawas Herald Photo.

## National Class Regatta on Tawas Bay July 30-31

The Tawas Bay Yacht Club will again be host to visiting sailors next week-end when the Great Lakes Area National One Design Association sailboat regatta is held on Tawas Bay, Saturday and Sunday, July 30-31.

Entries in the two-day event have been received from other National Class sailors in Michigan as well as from members at Milwaukee, Cleveland, Chicago and Akron.

A total of 100 boats makes up the combined fleets and it is expected that about 20 or 25 will participate in the regatta here.

The local sailors will entertain visiting members at a dinner Saturday evening at the Tawas Bay Yacht Club clubhouse. Following the meal, election of officers for the Great Lakes area will take place.

Starting at 10:00 a. m. and 2:00 p. m., two races will be held on Saturday. A single heat will be held Sunday morning with starting time scheduled for 10 o'clock.

This is the second such sailboat regatta of Great Lakes area importance held on Tawas Bay during the past two sailing seasons. Last summer the local yacht club was host to the Michigan Lightning Fleet during a week-end regatta.

Five boats make up the local National Class fleet which will participate in the races next week-end. Skippers are: William Wickert, fleet captain; Peter Stoll, fleet secretary; Thomas and Arthur Dillon, Richard Haglund and Dick Moss.

Entries have been received from some of the top National Class sailors in the nation for the regatta. Included are Ken Gustafson, area governor, Chicago; John D. Niland, Milwaukee; Donald Pendergast and Douglas Drake.

The racing events will be filmed by Virgil O'Dell of WYEM-TV, Bay City, and will be shown over the station at a later date.

Commodore Clarence Everett's cruiser, the Sarah Jane, will be anchored off the Michigan Waterways Dock at East Tawas as the official starting boat. Other power cruisers in the Tawas squadron will act as judge's boats.

One heat completed, local yachtsmen are shown readying sails for race on Tawas Bay.—Tawas Herald Photo.

## West Branch Firm Awarded Grace Lutheran Church Contract

At a special meeting of the Board of Administration of the Grace Lutheran Church, East Tawas, held June 15, a contract was signed with Frosh Better Builders of West Branch for the completion of the super-structure.

Services have been held in the church basement during the past week on the super-structure. August 14 has been set for the laying of the cornerstone. The date of completion will be November 1.

Construction is to be of layite blocks on the interior and a light brick on the exterior. Laminated wooden arches are being shipped from the west coast. Stained glass memorial windows and the bell from the old church will be worked into the design.

The present church basement, including all the equipment, furnishings, is valued at \$20,000. The total cost of the building will be approximately \$50,000, not including the furnishings. About one-half of the funds have been raised through generous contributions of the members of the congregation and the work of the Ladies Aid. The other half will be raised through loans and special donations.

Members of the building committee are: W. D. Nunn, chairman; Charles Nunn, treasurer; Richard Haglund, Erwin Kreber, Ernest Larson, Richard Harwood, Victor Johnson, Richard Lee, Jack Johnson, William Ludwig, Harold Gould and Claude Nash.

## RACES THRILL FANS AT WHITTEMORE SPEEDWAY

In what proved to be the most exciting racing of the entire season, seven cars rolled over and two went over the embankment to give the stock car racing fans at the Whittemore Speedway a night of thrills and chills last Saturday night.

Drivers who rolled over included Red Edgett, Bay City, and Elgin Sperry, both two roll-overs, and single roll-overs by Doug Blanchard, Turner; Gil LaBerta, AuGres, and Vic LaBerta, AuGres.

Winners of heat races were George Ice, Bay City; Ed LaBerta, Standish; Bob LaBerta, Standish, Earl Favel, Saginaw.

Australian pursuit races were won by Ed LaBerta of Standish and George Ice of Bay City.

Feature races were won by Doree LaBean, Omer, road car 15-lap; Earl Favel, Saginaw, stock car, 20-lap.

Racing is held every Saturday night at the Whittemore oval. Time trials start at 7:30 and racing at 8:30. All entries are accepted.

## Win Twin Bill Against Rhodes Here Sunday

Will Play at Oscoda Under Lights Tonight (Thursday)

The Tawas City Indies rang up their fifth and sixth wins of the season last Sunday when they look both ends of a twin bill from Rhodes, 8-0 and 8-2, at the local baseball diamond. Tawas City's record now stands at six wins and two losses in Northeastern Michigan League standings.

On the mound for the locals was Mern Warner, right-handed fire baller, who received credit for both wins. The games were seven inning affairs by mutual consent of the managers.

Warner pitched the entire first game and allowed Rhodes only one hit, a single by Collins in the third inning. In the second game, Warner hurled until the fourth inning when he was tagged for two runs. At this point Grady took over the mound duties and allowed only one hit during his stay on the mound.

Manager Olen Herriman of Tawas City used a total of 13 players in the first game and 14 in the second when it became apparent that his charges had complete command of the field. The Indies gathered eight hits in the first game and nine in the second and managed to hit at the most opportune time with men on the bases.

Only Tawas players to collect more than two hits were Warner and Bernie Lorenz, who each had a double and two singles to their credit.

The only other extra-base blows by Tawas players were by Art Anschuetz and Ghry Humphrey, who each connected for doubles.

In the first game Tawas City scored the eventual winning run in the second inning on two hits and a walk. They scored three (See Twin Bill, Back Page.)

## Forestry Observes 50th Anniversary

This year the United States Forest Service is observing its 50th anniversary. Fifty years ago, in 1905, the forest service was established in the United States Department of Agriculture with Gifford Pinchot as its first chief.

William B. Piper, the second supervisor of the Huron National Forest, is one of the original 72 people who began work with the forest service in 1905. He is still active in forestry work in the Tawas area as manager of AuSable Forest Products Company.

In 1909, four years after the forest service came into being, a national forest in the Lower Peninsula of Michigan was created by presidential proclamation. It later became known as the Huron National Forest, and today is part of the Lower Michigan Forests, with headquarters at Cadillac.

At the time the forest service was created, the United States was using up timber or letting it be destroyed by fire much faster than it was growing. Today, the depletion of forest lands has been greatly checked and 87 percent of the area is under organized fire protection.

Progress in forestry throughout the nation has been great during these 50 years. In celebrating its golden anniversary, the forest service is stressing not only federal contributions to progress, but also the activities of the various states, industry, private forestry organizations and individuals.

## Iosco County Fair at Hale Opens Next Wednesday With Four-Day Program

"There is no place like a good old fashioned fair to meet your neighbors and have a good time," Thurman Scofield, secretary-manager of the Iosco County Fair, said yesterday. "There will be three days of harness racing, agricultural and other exhibits, 4-H Club show, band concerts, parades and contests for your enjoyment at next week's Iosco County Fair which opens Wednesday.

The first day will be devoted to arranging exhibits. The increased cash prizes in several departments should give an added interest and bring out a large number of exhibitors. There will be commercial exhibits by merchants, farm implement and automobile dealers throughout the area.

"The time is getting short to secure space for commercial exhibits," Scofield said. "A fair gives an excellent opportunity to show your merchandise and meet the buying public. Last year's Iosco County Fair had a record attendance from all over Iosco and adjoining counties."

Exhibits will be judged Thursday morning. The three-day racing program starts Thursday afternoon. A feature attraction of the Iosco County Fair, the management has increased the racing purse to \$3,500. Each year Iosco County Fair patrons have witnessed some excellent races. This year's fair will be no exception, as a large field of good racing horses is anticipated.

Some of the top exhibits at the fair during the past years have been in the 4-H Club department. Iosco County has always been active in 4-H Club work and special emphasis is being placed on this department and the exhibits of the Future Farmers of America. Premium money amounting to \$325 has been allotted to the FFA department.

The Tawas Area Band will present Sunday night at the East Tawas State Park, starting at 7 o'clock.

Band Director Edward Rima announced early this week that the program Sunday would include:

"The Show Boy" march, Huff; "Them Basses," march, Huffine; "Hall of Fame," concert march, Oilvadoti; "Four Episodes for Band," suite, Morrissey; "Lexington," march, King; "The Victorious," overture, Frankiser; "Copa Cabana," samba, Walters; "Burma Patrol," Oriental march, King; "Scenes from Operaland," overture, Arr. Hayes; "Military Escort," march, Bennett; "The Star Spangled Banner."

The Tawas Area Summer Band has several players who have graduated from Tawas schools in past years. Band Director Rima said that membership is open to anyone in the area who plays an instrument; they need not be in school.

Rehearsals are held every Monday night preceding each concert in the Tawas City gymnasium at 7:00 p. m. The next rehearsal is on July 25.

Tawas Radio and TV Sales and Service is now located at 830 West Bay Street, East Tawas, Martin Luedtke announces.

The Iosco County Fair has established a reputation for its excellent harness racing program. A large field of good horses is assured. Races each afternoon, Thursday, Friday and Saturday.

## Improvements Totalling \$14,882 Made to Park

Improvements totaling \$14,882 have been made at the Tawas City Park since June 1954, it was reported by Supt. of Public Work Reginald Bublitz at Monday night's Tawas City Council meeting.

"The important factor in this financial report, moreover, is that the money has been raised through donations, leases and penal fines, not by the use of tax dollars," Bublitz stated.

Actually, the value of the work and material used on the park amounts to \$25,000 or more over the past two years. This includes fill for the dock, obtained from the old county courthouse, the Barnes Hotel and the Detroit and Mackinac Railroad, the only costs being transportation of broken rock to the park using city-owned equipment.

Improvements at the park during the past year include enclosing the park dock with steel and white oak piling, raising the level several inches with fill, and expansion and improvements to the parking lots.

Additional donations to the park not included in this figure include approximately 5,000 feet

Construction on the new Tawas City Park bathhouse will start today (Thursday) after final plans were made by the Tawas City Park Board last night with council authorization.

The new 17 by 30 foot concrete block building will house both bathhouse and toilet facilities. General contractor will be George Green.

Located in the center of the park, the new building will be along the same lines as the concession building. A driveway through the park will separate the beach and picnic areas.

(See Park, Back Page.)

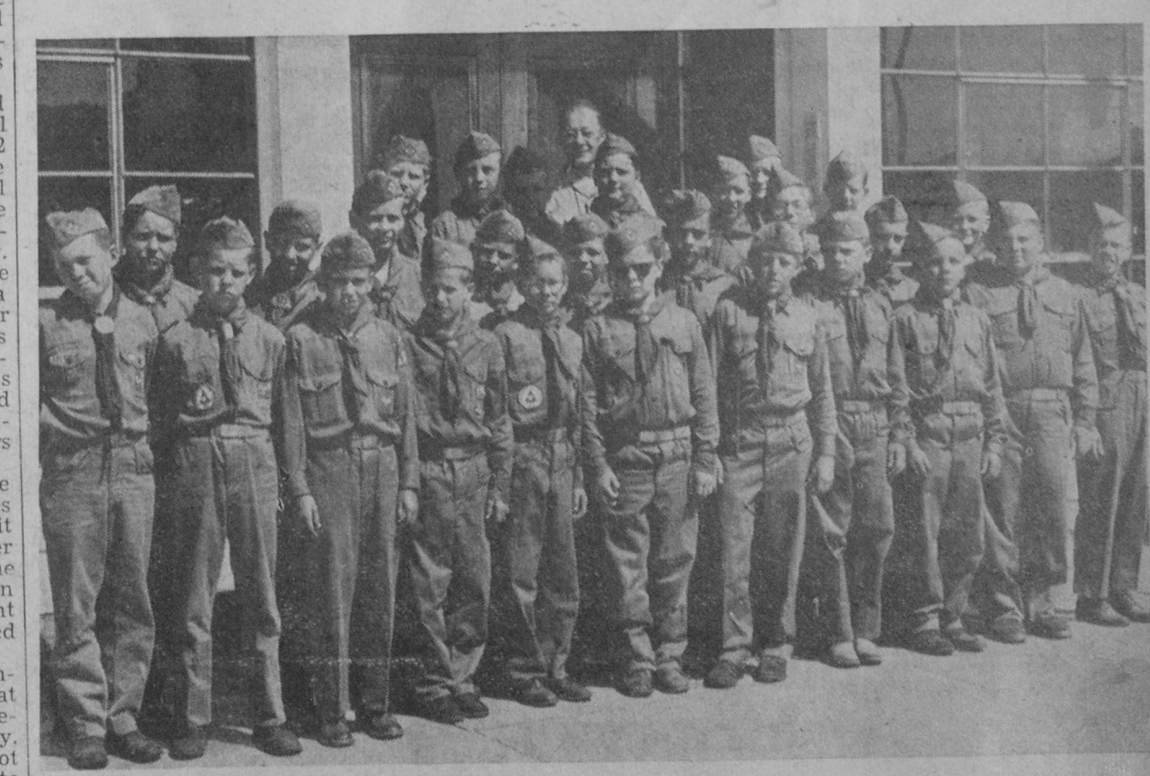

## Here Over Week-End

A naval reserve training ship, Patrol Craft 899, spent the week-end anchored in Tawas Bay while on cruise last week. Commanded by Lt. Commander Frederick L. LaVack, son of Mr. and Mrs. Oliver LaVack Sr. of Oscoda, the ship is one of eight operating on the Great Lakes.

## Seeks Larger Quarters for Post Office

Larger quarters are being sought for the Tawas City post office, according to an announcement received yesterday from H. P. Nelson of Grand Rapids, post office inspector. Bids are being asked for the leasing of a suitable building with about 1,800 square feet of floor space.

Proposals are hereby solicited to be received in the office of Post Office Inspector H. P. Nelson at Grand Rapids, Michigan, up to and including August 14, 1955, to furnish quarters suitable for Post Office purposes at Tawas City, Michigan, under a lease subject to the provisions of the standard form of lease used by the Post Office Department at a stated price per annum. Proposals with or without any combination of fuel, heat, light, water and sewage service will be acceptable. Terms of lease is five or 10 years from date of occupancy. Floor space of about 1,800 square feet is desired. General building requirements, equipment specifications and form of proposal together with information concerning the provisions of the lease may be obtained from the postmaster or write to H. P. Nelson, Post Office Inspector, Grand Rapids, Michigan.

Thirty-one Boy Scouts from Troop 186, Pierce School, Flint, spent 10 days recently camping on property owned by R. G. Schreck on Douglas Drive, south of Tawas City. The scouts, Scoutmaster Ralph Whipple, and leaders enjoyed swimming in Lake Huron and other activities during their visit here. In the above photo they are shown visiting the Tawas Herald office last Thursday, along with W. E. Slaven of Tawas City, who accompanied them.—Tawas Herald photo

## THREE AUTO CRASHES HANDLED BY POLICE

Three property damage auto accidents were handled by members of the Michigan State Police Post at East Tawas over the week-end.

Last Friday night, a 19-year-old East Tawas youth, Robert C. Clayton, escaped injury when his car rolled over one-half mile south of Tawas City and was completely demolished. Clayton told officers that he started to pass a car and was unable to make it because of oncoming traffic. He applied brakes and attempted to cut back in, but lost control of his car and rolled into the ditch. A passenger, Clifford Lonsbury, was uninjured.

A car driven by Marvin Warner of Tawas City was unable to stop when approaching a car driven by Albert Birkenbach last Saturday. Birkenbach was headed north on US-23 and stopped to make a left turn from the highway onto Whittemore Street. His vehicle was struck from the rear by the Warner vehicle.

A Munity, Michigan, motorist

was ticketed for leaving the scene of an accident on July 16 after backing into a truck at Cliff's Store, Tawas Lake. Ralph Johnson struck a parked truck owned by George H. Zajac Jr., East Tawas, and then reportedly drove away from the accident. The vehicle was located later by investigating officers.

## ANSWERS QUESTIONS ON INSECT CONTROL

County Agent Marvin Davenport has been swamped during the past week with calls requesting information about the control of insect infestation of trees.

Davenport said that the best treatment was to spray the infested trees with a solution of DDT. The spray is prepared by mixing three pounds of 50 percent wettable DDT powder with 100 gallons of water, or three level tablespoons to one gallon of water.

Follow the manufacturer's directions, both in handling and application, is the recommendation of the county agent. If in doubt about the treatment, the agent stated that he would assist in any way possible.

## Mark-Wakefield

A beautiful church wedding was solemnized at Warren, Michigan, last Saturday evening when Elva M. Wakefield, daughter of Mrs. Marguerite Wakefield of Detroit, became the bride of Robert Harold Surbrook Mark, son of Mr. and Mrs. James F. Mark of Tawas City. The double ring, candlelight ceremony was performed at 7:30 at the Evangelical Reformed Church where the bride has been organist for several years. The Rev. Melvin Miller officiated.

The altar was decorated with white gladioli and palms and with large bouquets of pink roses. Pews were decorated with pink ribbon bows entwined with smilax and pink candles. Fred Marriott presided at the organ and Robert Hoffelt was soloist.

The bride, given in marriage by her uncle, Dan Wakefield, was gowned in white embroidered nylon organdy. Her fingertip veil of illusion was secured with a tiara of rhinestones. She carried a bridal bouquet of white stephanotis centered with a corsage of pink sweetheart roses.

Matron of honor was Mrs. C. W. MacDonald of Altadena, California. Mrs. Earl Peterson of Kenmore, New York, was the bridesmaid and Miss Carol Ann MacDonald of East Aurora, New York, acted as junior bridesmaid. They all wore similarly styled ballerina length gowns of aqua imported dotted swiss and carried bouquets of pink sweetheart roses. Miss Edora Dee Miller of Fresno, California, was flower girl. Skeleton of Pontiac was ring bearer.

The best man was Jack Mark of Detroit, brother of the groom. Also acting as the groom's attendants and seating the guests were James F. Mark Jr. of Saginaw, brother of the groom, and Irving MacDonald of Buffalo, New York, cousin of the bride.

The bride's mother wore pink lace with a corsage of pink sweetheart roses and Mrs. Mark, mother of the groom, chose a pale blue print with pink accessories and corsage of pink sweetheart roses.

Following the ceremony a reception was held in the church parlors. The bride's table was decorated with a four-tiered wedding cake topped with bride and groom and white net wreaths. Bouquets of pink gladioli and pink roses graced the table.

The couple left on a five-week tour of Western States. For her wedding trip the bride wore a cream color with accessories in coffee frost. On their return Mr. and Mrs. Mark will reside in Detroit where the bride is teacher of music at Longfellow School and the groom will be director of music in Detroit schools. The bride is a graduate of Bad Axe High School, Illinois Wesleyan College and the University of Michigan. The groom is a graduate of the University of Michigan, Central Michigan College and of Tawas City High School. He is a member of the Phi Mu Alpha Fraternity and the bride of Delta Omicron and the American Guild of Organists.

Out of town guests at the wedding were from Saginaw, Pontiac, Ann Arbor, Ypsilanti, East Tawas, Tawas City, Detroit, Buffalo, New York, Kenmore, New York, East Aurora, New York, Fresno, California, and Altadena, California.

## Christian Science

The healing power of true prayer will be set forth at Christian Science services on Sunday in the lesson-sermon entitled "Truth."  
Among the scriptural selections to be read is the account of Christ Jesus' healing of the child with the "dumb spirit" including the answer his disciples received to their questions as to why they did not cure the child: "And he said unto them, This kind can come forth by nothing, but by prayer and fasting" (Mark 9:29).

The practical power of prayer is also brought out in passages to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy including the following (11:27-31): "Prayer cannot change the unalterable Truth, nor can prayer alone give us an understanding of Truth; but prayer, coupled with a fervent habitual desire to know and do the will of God, will bring us into all Truth."

## COMMUNITY COUNCIL HAS LIVELY SESSION

The Tawas Area Community Council had a lively session last week that too many folks missed. The council discussed a method whereby the public could receive ratings of the various movies that are shown throughout the Tawas area and neighboring communities.

A report presented at the meeting was most revealing. Here are the results of that report. The survey covers a five-week period of movies listed in newspapers serving the area:

Advertised in newspapers, Movie House "A," 28; Movie House "B," 34.  
Those listed and reported in "Family Movie Guide" or Parents Magazine: A, 19; B, 17.  
Children - No: A, minus seven; B, minus 13.  
Youth - No: A, minus two; B, minus two.

For Youth, rated as mature or worse: A, minus two; B, minus 6.  
For children, excellent or good: A, plus six; B, plus three.

All ages, excellent: A, plus three; B, plus two.  
As rated in the figures only 19 of 28 films shown at Movie House "A" were listed in the Movie Guide. Of the 19 listed, seven were declared no good for children and two no good for youth.

The community council will have further discussion forthcoming at its Monday, August 3, meeting in the East Tawas school building, home economics room, at 7:00 p. m.

Members present at the meeting included: Sgt. Joseph Chaput, Mr. and Mrs. Walter Schummacher, Mrs. Harold Clark, Mrs. T. O'Loughlin, Gordon Huck, Ronald Butterfield, Reynold Mick, Mrs. John Dodson, George Ruth and Mr. and Mrs. Marvin Davenport.

## FORMER LEGISLATOR EXPLAINS ROAD PLAN

Michigan's accelerated highway construction program, including the multiple-lane, divided arterial system, recently authorized by the legislature, can be doubled next July if congress will make the currently debated federal road bill effective for the 1956 highway construction season.

Gerald W. Graves, executive director of the Michigan Good Roads Federation, speaking in Lansing this week, said that the possibility of congress moving the program up one year is a distinct one. Graves said, "Highway Commissioner Charles M. Ziegler recently announced his two-point, \$1,213,000,000, arterial highway program. It provides that during the next 10 years \$613,000,000 will be spent for 440 miles of rural, four-lane, divided limited access highways, and about 400 miles of similar construction in urban areas at a cost of approximately \$600,000,000. Within the next nine months he will have \$77,000,000 of this under contract. However, if congress makes the federal bill providing for increased funds effective for the 1956 construction program, then the state can have up to \$150,000,000 under contract in 1956 and up to \$225,000,000 under contract in 1957. This would be possible because Michigan could complete its program under the second year of the 1954 act and the program under the new 1955 federal act simultaneously."

Graves pointed out that the

recently announced program is only part of the program underway in Michigan. The revenues for it, he said, were provided by recent action of the legislature, and are limited to new construction on specified routes. In addition to this, there is the regular program which was being carried out according to past legislative acts, and will total 60-80 million dollars annually.

Though optimistic about the inter-state and state trunkline systems, Graves warned that this was only part of the job to be done.

"Many of the city streets are outdated 20 years, and some bridges on the county systems are so bad they are unsafe for loaded school buses to be driven over," he said. "We have in this state dozens and dozens of unsafe, ancient, single lane bridges to be replaced, and hundreds of miles of city streets and county roads to be constructed or reconstructed. Road and street administrators are meeting public demand for changes on present revenues," he added.

He urged that people throughout Michigan take an interest in the present needs survey underway. The survey involved the work of 300 engineers state-wide, he said, and will be completed September 15 of this year. "A fiscal study to bring about plans to fulfill these needs will be completed before December 1," he said.

### New Doctor Welcomed by Whittemore Residents

The Whittemore Chamber of Commerce and the people of Whittemore welcome Dr. D. B. Rice, who has opened his office in the building formerly occupied by Dr. Schuele.

Dr. Rice will have his office hours from 10:00 a. m. to 12:00 noon and from 2:00 p. m. to 5:00 p. m. each Tuesday, Wednesday, Friday and Saturday. Office hours will also be held each Tuesday and Friday evening from 7:00 p. m. to 9:00 p. m.

### Civilian Employment

For the first time in the history of this country, civilian employment reached 64,000,000 during the month of June, according to a department of commerce estimate. This figure represents an increase of about 1,300,000 since May.

The Foreign Operations Administration recently allocated an extra \$30,000,000 in economic aid to Turkey to help combat critical inflation and a foreign exchange shortage.

Chevrolet's got a new honey of a hardtop

...with a lower-than-ever price tag!

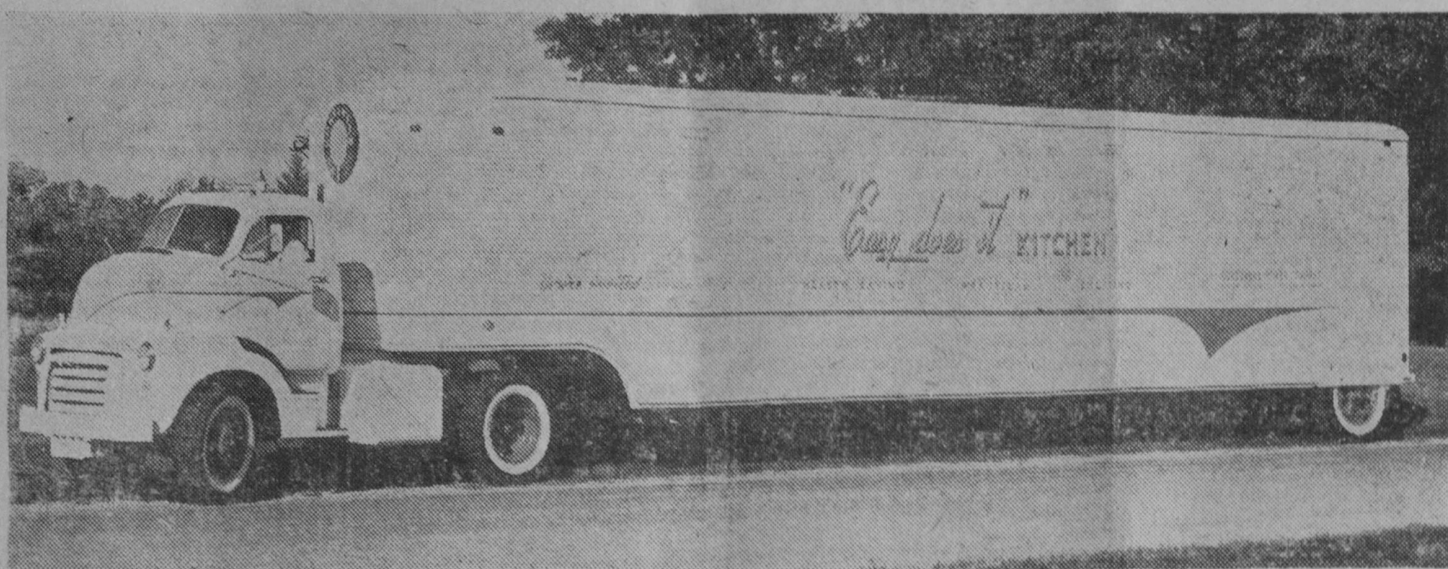

Maybe you've had a yen for a hardtop but couldn't quite squeeze it into your budget. If so, this baby's for you! It's the hardtop as only Chevrolet builds it. Long, low and plenty saucy, like its convertible cousin. It's an honest-to-goodness hardtop, too—no center pillars when you roll down the windows. Nothing but fresh air and a picture-window view. Best of all, this big, beautiful "Two-Ten" Sport Coupe is priced right down with the two-door sedans in Chevrolet's field. It lists for less than any other leading hardtop sold today. Come in and see what a walloping bargain it is.

**'EASY DOES IT' KITCHEN VAN TO VISIT THIS AREA**

**To Demonstrate Perfect Kitchen to Tawas Women**

Consumers Power Company of Jackson, Michigan, one of America's large public utility companies, is demonstrating to the 3,000,000 people of its service area what it feels to be the nearly perfect "idea" kitchen for today's homemaker, handicapped or healthy.

After years of research by various American colleges and universities, including Michigan State University and Wayne University, Purdue University, Cornell University, New York University and others, the company's home economists have adopted what they hope are the most of the best ideas the researchers have come up with.

These ideas are incorporated

in the company's "Easy Does It" kitchen van—a big, sparkling "idea" kitchen which carries no handicapped label, but which includes countless ideas usable by the heart-trouble victim, the woman in the wheel chair, the woman on crutches or the woman who simply should "take it easy."

When "Easy Does It" van was officially unveiled at showings at Michigan State University recently, homemaking experts from all over the state converged on East Lansing to inspect and evaluate this newest of all idea treasuries. They were generous in their praise.

The van, which represents in shining example a call for a "revolution in the kitchen," is touring Consumer Power's 28,000 square mile service area, which covers most of Michigan's Lower Peninsula outside Detroit, for the next several months.

It is not a kitchen to be copied exactly. It is a demonstration kitchen into which the company has tried to bring as many ways of saving time and energy as practicable.

According to the company's home economists, it was planned in the hope it would stimulate today's housewife to think toward ways to make her kitchen and laundry into a better workshop, to save her health as she works.

There are seven separate centers in the kitchen, each of which contains innovations and details of interest. The centers are: (1) The rest and planning center, (2) The mixing center, (3) The cooking and range center, (4) The cleaning and serving center, (5) The freezing center, (6) The laundry center and (7) The storage center for cleaning supplies, etc.

The company's home experts believe that any kitchen in any existing home can be converted in some way, usually very simply, into an "Easy Does It" kitchen center for the homemaker. For this reason, the "Easy Does It" kitchen is considered by the planners to be the "most usable" demonstration kitchen on the road today.

The Consumers Power Company "Easy Does It" kitchen display will be at the Community Building, East Tawas, Monday and Tuesday, August 1 and 2.

## Mrs. Irene Shellenbarger

Mrs. Irene Shellenbarger, a resident of Hale since childhood, died last Thursday night at Marilyn Hospital, AuGres, after a six-month illness. She had been in the hospital for the past two weeks.

Born April 8, 1890, at Mikado, the daughter of the late Mr. and Mrs. Oliver Ferris, she came to Hale with her parents when five years of age. On June 7, 1909, she married Ervin Shellenbarger. She was a member of the Auxiliary of the Glenn Staley Post, American Legion.

Surviving are the husband, two sons, two sisters, a brother and nine grandchildren.

Funeral services were held Sunday afternoon at the Hale Baptist Church. The Rev. Jack Richards officiated. Interment was in the Evergreen Cemetery.

## Mrs. Matilda Patterson

Mrs. Matilda Patterson, resident of East Tawas for about 18 years, died in Flint July 8. Funeral services were held on Monday, July 11, at the Floral Chapel of Dodds Dumanois Funeral Home, Flint. The service held at 10:30 a. m. was conducted by Herbert N. Barrett. Interment was at Glenwood Cemetery, Flint.

Matilda Patterson was born December 3, 1892, and was 63 years of age. She had resided in Flint, and during the past 18 years while her son, Vane Patterson, was a resident of East Tawas, she spent most of her time at her cottage in East Tawas.

Surviving are one son, Vane of Lansing; one daughter, Mrs. Joanne Nelson of North Carolina, and one sister. She also leaves two grandchildren.

Mr. and Mrs. Norman Merschel attended the funeral. Mr. Merschel acted as a pallbearer.

## Engagement Announced

Mr. and Mrs. Fred Wright of Tawas City announce the engagement of their daughter, Jo Ann Elaine, to Read Clark Earl, son of Mr. and Mrs. Clarence Earl of Tawas City. No date has been set for the wedding.

The Hungarian Communist Government has released Joseph Cardinal Mindszenty, Hungarian Roman Catholic Primate, imprisoned for life in 1949 on charges of treason, espionage and black market dealings. The arrest and conviction of the Cardinal by the Hungarian Communists nearly seven years ago, touched off a wave of protests throughout the western world. The Cardinal was granted an "interruption" of his life sentence "following a petition submitted by the Hungarian bishops because of his bad health condition and his age."

## FINAL PLANS MADE FOR VFW RALLY IN AUGUST

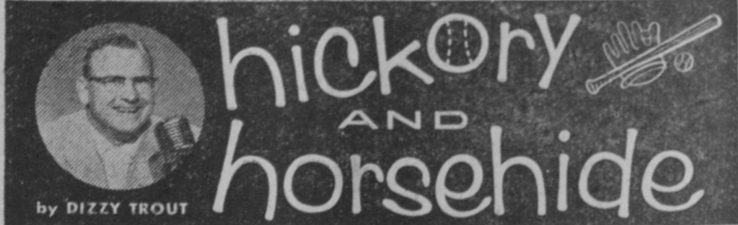

The VFW Auxiliary met Monday evening. During the business meeting final plans were made for the rally to be held in Tawas City on August 7.

After the meeting there were games and prizes and a shower honoring Mrs. Donald McKenzie.

Refreshments were served by the following committee, Mrs. Flora Roberts, Mrs. Naomi Bennett, Mrs. Roy Clark and Mrs. Clara Wilder.

## Put it in Writing

Mrs. Naybe—"You seem rather hoarse this morning, Mrs. Peck."  
Mrs. Peck—"Yes, my husband came home very late last night."

WELL, I SUPPOSE it's only natural to "second-guess" the manager when the team starts slipping a little. It's been going on since baseball was born, and the guy who runs the team is almost always the target of the fans. Bucky Harris, who accepts such things after more than a quarter of a century in the game, finds himself on the pan now that the Tigers, after a very fine start, have slowly but surely fallen back to fifth place in the pennant race.

Ol' Diz admits to a little second-guessing himself now and then, but upon more mature consideration I realize how foolish this is. After all, it's easy to say what should be done when you're in the broadcasting booth or in the stands, but if you're wrong you can forget it and there's nobody to criticize you. If you happen to be right, then you can loudly proclaim it.

**Paid for Knowledge**  
If I were such a hot-shot, I'd be in the dugout running the team instead of Bucky Harris. He's being paid a good salary for his knowledge, and the Tiger management is not in the habit of throwing its money away, so he must know more than Ol' Diz.  
When Bucky's strategy turns out right, there are few to cheer. If something goes wrong, there are those to say he should have played the game differently. Yet who knows if he had played it differently if the game wouldn't have turned out the same anyway?  
The question Bucky most frequently is asked why he apparent-

## No Effective Relief

Bucky maintains he has to string along with his starters as long as he can since he doesn't have an Ellis Kinder or a Hoyt Wilhelm to replace them.

"We don't have an effective reliever pitcher, someone who can come in and put out the fire," Bucky declares. "Al Aber is the best of our relievers, but even with him you can't be sure if he'll be in form on any given day."

As for the Tigers being displaced from fourth, it isn't so much their slipping as Boston getting red hot and surging into the first division, displacing Detroit. At this writing, the Red Sox have taken something like 25 out of their last 30 games and given no indication of running out of gas.  
We've been going along at a fair-to-middling pace but what hurts is our lack of depth. When the regulars are injured, we're in trouble. Also, our fielding has faltered, notably in the infield. The Tigers lead the league in batting but are last in fielding.  
Man, this Hickory and Horsehide game is rough.

## With the Iosco 4-H Clubs

July 27-30—Iosco County Fair.

Big event in the offing is our 4-H Club section of the Iosco County Fair. All 4-H Club members will be there themselves, and will have brought their completed projects for exhibit.

They will compete in a judging and demonstration contests on Friday, and stage a 4-H Club program on Friday evening.

A word about "completed projects." The premium list states that 4-H Club members may exhibit completed projects. To be complete a project will have been on display or seen at an openhouse event or on a tour and given an OK by the county extension agent. A report will also have been made about the project and sent to the county extension office. In almost every case, the 4-H Club member will have received a Certificate of Achievement which means that the project is considered "complete."

Some 4-H Club members will have garden and livestock

projects seen on the tour and the report sent in, but may not yet have had time to receive the Certificate of Achievement. These will be considered completed projects, and may be exhibited at the fair.

There are also a few other instances where the 4-H Club member did not have the project quite finished, although the report has been received. In these instances we are still holding Certificates of Achievement. If you have such a project, will you please be sure we see it before fair time, at least talk with us about it? If you have not done so, the project will be considered as "incomplete" and you may not exhibit at the fair. If in doubt, ask—then we will all understand together.

### Calendar:

August 1 and 2—Easy Does It Kitchen, East Tawas.  
August 11 and 12—District Homemakers' Camp, Hardwood Lake.

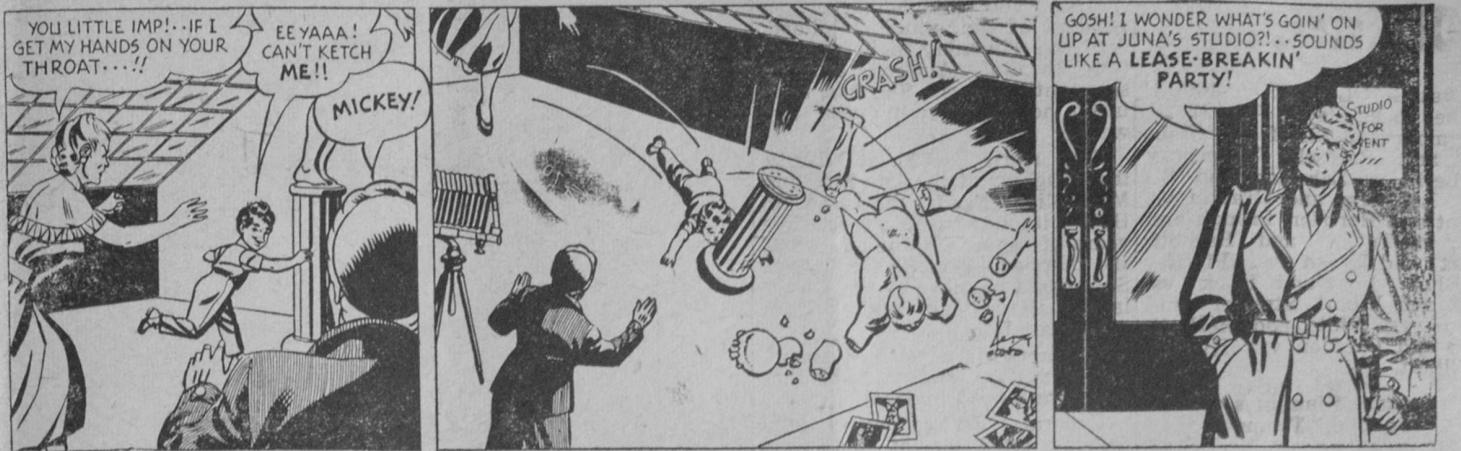

This is Homemaker's Conference Week on the Michigan State University campus. Our county chairman, Mrs. Marvin Davenport, is attending and will have a wonderful time doing all kinds of different things. Would you like to join her for a part of the time? You can, because several of the outstanding talks are to be broadcast by WKAR, the university station. Thursday, 2:15 p. m.—The Challenge of a Hungry World, the Rev. David E. Moluneux. Friday, 10:30 a. m.—It Is For Us, the Living, Dr. Harold Sponberg, continuing education, MSU.

Remember our telling you about the "Easy Does It Kitchen" which is scheduled to visit Iosco County and nearby counties the latter part of this month and early August?

You can plan to see it in any of the following locations: East Tawas, August 1 and 2; West Branch, July 27 and 28, Standish, August 3 and 4. Why not make a few contacts among your home demonstration group members and other friends and get a carload or two to go together?

Our new venture this year is a district homemakers' camp. Every home demonstration group member in Iosco County, and any interested friends, are urged to help make this first camp a success. You will plan to arrive at Hardwood Lake by noon of August 11 and leave for home after lunch on August 12.

## KERRY DRAKE

The 24 hours all of you spend together will be full of fun, fellowship, recreation, craft and good food you won't have to cook yourself. You will meet women from six other counties, Arenac, Gladwin, Clare, Ogemaw, Oscoda and Alcona. Plan to come and make your reservation this week.

The Average Motorist Service station man: "How much gasoline does the tank in your car hold?" Autoist: "I don't know, I've never had enough money to get it filled yet."

## FARM EVENTS

By MARVIN DAVENPORT  
County Agricultural Agent

Wednesday through Saturday, July 27-30—Iosco County Fair.

Tuesday, August 2—First lamb pool for 1955, and all sheep raisers can sell their lambs through the pool.

Tuesday, September 6—Lamb marketing tour during the day—meeting with sheep raisers at Reno Township Hall at 8:00 p. m.

Tuesday, October 4—Lamb truck and lamb marketing pool at West Branch—order lambs now.

I had a recent visit with Arden Charters of Whittemore. He related how the use of E. Q. 335 has grown popular with our sheep raisers recently. He told me about having used it on several occasions recently with nothing but excellent results. E. Q. 335 is used after docking and castrating and prevents blow fly infestation.

This dry weather is doing no good for our pastures. Sheep raisers who have made excellent and economical gains on this year's lambs can now start to lose those gains if supplemental feeding of grain, etc., is not used where needed. A creep where only lambs can feed that offers nice leafy hay and grain will pay dividends. A grain ration consisting of three parts cracked corn, three parts crushed or rolled oats, one part bran and one part of either linseed, soybean or cotton seed is excellent.

We'll sound off the sheep notes by reminding our readers that Tuesday, August 2, at West Branch railroad yards from 9:00 a. m. until 3:00 p. m. is our first 1955 sheep pool. Any and all sheep raisers are invited to bring in their fat lambs. The second pool is scheduled for August 30.

Dairymen often wonder what causes the variation in the butterfat tests in the milk that they ship to the creamery. Pat Ralston, head of the dairy department at Michigan State,

says that there are many factors which affect the tests and some of them are unknown at present. One of the variables in the manner in which the cow is milked. If the cow is irritated, frightened, or excited, she may not "let down" her milk. This will lower the butterfat test, because the "striplings" contain a much higher percentage than the rest of the milk. This also means that if the cow is not completely milked out the test will be lower.

The cow's stage of lactation will cause a test variation. During the first 10 days after freshening the test will be higher than normal. After that, the test will decline until the fourth or fifth month, and then rise as the milk yield decreases until the end of the lactation.

The weather has a definite effect on the butterfat test. In general, as the temperature and humidity rise, the butterfat content falls. This accounts for the low butterfat production in the summer months. Contrary to popular belief, turning the cows onto pasture doesn't usually affect the milk.

Bulk handling can raise the butterfat test in most cases over the can method. This is because the bulk handling eliminates the effect of the butterfat sticking to the sides of the cans.

All cattle herd owners in Michigan should consider vaccination as a help to prevent the spread of Brucellosis.

Any farmer who adopts strict sanitation and careful management can get by for many years without the disease. But, such a farmer should appreciate the danger of spreading the disease when he buys replacement stock. The disease has an average incubation period of 30 to 40 days but it may be more than 200 days.

The animal can transmit the disease after that time. Dr. Glen Reed, Michigan State University veterinarian, tells me that farmers selling cattle for replacement stock and those having herds near an infection source especially should consider vaccination.

Government agencies go to great lengths to insure that only disease-free animals are shown at exhibitions. But, animals under prolonged exposure may contract the disease. So vaccination is necessary.

If there is infection within a herd, the United States Department of Agriculture and Michigan State Department of Agriculture will furnish vaccination until all the animals are clean. Vaccination, to be official, must be done when a calf is six to eight months old, be done with strain 19 only, be recorded in the Michigan Department of Agriculture.

Clarence Carpenter, DHIA tester, sent in his report of the June tests. This is how they rated during dairy month:

Guided Missiles

The army recently disclosed the fact that more than 100 former German scientists and specialists are now developing guided missiles for the United States at the Guided Missiles project located in Alabama.

In Korea the Communists have been accused by the United Nations command of continued violation of the armistice agreement.

## Soviet Polar Expedition

The Soviet Union recently announced plans for a major expedition to the Antarctic. The Russian scientists will cross 1,600 miles of frozen wilderness and set up three bases, one of them near the South Pole. The other countries planning expeditions reached an accord on the allocation of station sites. The United States plans to set up a polar camp near that of the Soviet's.

No wonder  
this Hardtop is the  
**HIT OF THE YEAR!**

**IT'S 4-DOOR HANDY**  
—and priced for action!

This one you'll just have to see. It's a beauty. It's a brand-new kind of car. It's a Buick Riviera with four doors. And to top it all—it's a SPECIAL—the lowest-priced of all Buick Series.

Know what that means? It means you can have the newest hit in hardtops—the most advanced new body design yet—and you can have it in the price range of America's smaller cars.

It means you can have a steel-roofed car with the long, low, sweeping sportiness of a convertible—with no center posts in the side window areas—and with two separate doors to the rear.

And you can have all this hardtop beauty with sedan comfort and convenience at the easy-to-take modest extra cost of a 4-door model over a 2-door model.

But if you think that's all—listen: This gleaming grace of automobile is a Buick through and through—a '55 Buick, from the hottest-selling line of Buicks in all history.

So here you have the soft, firm steadiness of Buick's all-coil-spring ride and torque-tube stability. Here you have Buick brown, Buick solidity, Buick handling ease, Buick styling and visibility and interior luxury.

And here you have the lift and life of vigorous new V8 power of record might—and coupled to the spectacular performance of Buick's Variable Pitch Dynaflow.\*

Why wait a day longer—when you can come in right now and try the first true hardtop with the extra comfort, room and convenience of a full-sized 4-door sedan?

Drop in tomorrow, first thing—for a look at the price, and an idea of the whopping-big trade-in deal our huge sales volume permits us to make.

\*Variable Pitch Dynaflow is the only Dynaflow Buick builds today. It is standard on ROADMASTER, optional at modest extra cost on other Series.

## LEGAL NOTICE

**ANNUAL MEETING TAWAS RURAL AGRICULTURAL SCHOOL DISTRICT NO. 1, FRL, IOSCO AND ARENA COUNTIES**  
The annual meeting of the Tawas Rural Agricultural School District No. 1, FRL, Iosco and Arena Counties, was held at the Tawas City Unit School Auditorium on Monday evening, July 11, 1955, at 8:00 p. m., with 13 persons in attendance.  
The meeting was called to order by Chairman Fox.  
Roll call: Present, Curry Fox, Niles, White; Absent, Look.  
The minutes of the last annual meeting were read by the secretary. Moved by W. Herriman, supported by G. Killely, that the minutes be accepted as read. Motion carried.  
The treasurer's report was read. Moved by R. Butterfield, supported by M. Pfahl that the treasurer's report be accepted as read and entered in the minutes of the meeting. Motion carried.  
The secretary's report was read. Moved by G. Killely, that the treasurer's report be accepted as read and made a part of the minutes of the meeting. Motion carried.  
In response to a question from the floor regarding disbursements in the Building and Site Fund, the chair pointed out that the Neumann-Reinke Site had been purchased in accordance with the vote of the electors, and that the district now held clear title to the property. The closeness of the balances on hand June 30, 1954, and June 30, 1955, in the general fund was noted which showed that the district was operating in accordance with the budget as submitted to the board of supervisors.  
The next item for consideration was the designation of a depository for school funds. Moved by R. Mick, supported by W. Herriman, that the Peoples State Bank, East Tawas, Michigan, be named as depository for all school funds. Motion carried.  
The chair then called on Prin. Butterfield to explain the situation created in the event of a student leaving town without returning books owned by the district. The principal pointed out that seven students had left school this year and that 74 books were missing. He suggested that a book deposit be required upon enrollment. The proposal would aid in the care of the books by the students even though facilities to handle the books were inadequate at present. He recommended a \$5.00 deposit per high school student be adopted and suggested a rental system be established when adequate facilities are provided in the new building. During the discussion on the matter, it was pointed out that each student was responsible for four or five books valued at more than the deposit and it was suggested that the deposit cover a family rather than an individual. Moved by White, supported by Curry, that the district adopt the policy of a \$5.00 deposit per family on books for high school students as recommended by the principal. Motion carried.  
The chair then pointed out that in the minutes of the last annual meeting, the question had been raised regarding hot lunches, the result being that program was offered at the East Tawas Unit during the past year in addition to Alhambra. Supt. Mick reported that the program had been started in late October and carried on through the close of school. He reported that expenditures were \$2,843.40, and that 7,506 students, 516 adult, and 15,000 C lunches had been served. Lunch charges were 30 cents each for the first two, which together with the federal aid received from the state, left a balance of \$460 in the fund. He stated that the proposal for a year will include a rate of 12.25 per week or 30 cents per day, and making the program area wide.  
The chair then gave a report on the progress of the building program since the successful bond election of May 17. He pointed out that the board had purchased the property and had clear title; that the program had been outlined at a meeting with the architect firm; Cooke had completed the boundary survey and a Detroit crew the topographical survey; a map showing the layout had been received so that brushing could be started; preliminary drawings are in process which will tell what the physical building will be; that the board had authorized White and Fox to make arrangements for the brushing, Trigger and Bissonette having submitted a proposal after AuSable Forest Products had declined to bid; that the bond sale had been approved by Municipal Finance with the bonds to be sold July 28; that construction should be under way by October with the goal being the school open in the fall of 1956; that although getting the program under way seems slow, the preliminaries for getting under way are basically sound.

Supt. Mick reported that the architect would be here on the 26th with a set of plans for board examination.  
Fox: In regard to sewer and water, we have contacted Spicer, engineer for Tawas City and East Tawas, who will plan the project upon receipt of information from the architect on where to bring the sewer and water to the property; the Tawas City extension of sewer and water on Harris Avenue to the city limits is now under way; does the board have anything further to offer.  
White: We might mention that through mutual cooperation of the board and the township, the zoning properties on the Park Road and M-55 has been completed.  
Fox: I'm glad you mentioned that as the reaction in general has been favorable; if anyone has anything further to offer, we always welcome to attend our meetings which are held on the second and fourth Tuesdays of each month; is there any further business.  
In response to a question from the floor regarding the rental disbursement in the report, it was pointed out that the rent consists of payments for the East Tawas Community Building and the East Tawas American Legion Hall which had been used for school purposes.  
The chair pointed out that uniforms have been ordered for the band. The band instructor reported that firm had reported they would be ready by August 15 or earlier. In response to a question regarding summer attendance of the band, he reported that attendance was excellent with 50-60 participating, and that new enrollments consisted of 11 students.  
There being no further business, it was moved by Niles, supported by White, to adjourn. Motion carried.  
Walter H. Niles,  
Secretary.

runs in the third, three in the fifth and a lone run in the seventh inning.

In the nightcap, the Indies jumped off to a four-run lead in the first inning on two singles, two walks and a double. They added one more run in the fourth inning.

Rhodes scored its two runs in the fourth inning on a double by Plummer and three straight singles.

Tawas City's final three runs came in the third inning on a walk and three singles.

In games this week, the Tawas City Indies will play the Oscoda Lakers tonight (Thursday) under the lights at Oscoda. On Sunday Tawas City will play at White Star.

## Tawas City

(Continued from Page One.)

Mr. and Mrs. Melvin Porney and sister, Miss Geneva Ulman, attended the Detroit-Boston ball game last Thursday at Detroit.

Born to Mr. and Mrs. J. S. Shotwell of West Jefferson, Ohio, a son on July 13, Mrs. Shotwell is the former Letty Belle Allen, daughter of Mr. and Mrs. Arthur Allen of this city.

Mr. and Mrs. Richard Mallon of Birmingham visited Mr. and Mrs. Albert Mallon one day last week.

Edward Clapp has returned to Detroit after several days visit with his aunt, Miss Alma Johnson.

Mr. and Mrs. Jack Lennox, little daughter, Pamela, and baby son, Charles, have returned to their home in Detroit after a vacation and visit with Mrs. Lennox's parents, Mr. and Mrs. Charles Randall of "Huron Heights" on South US-23.

Recent callers at the Charles Randall home were Mr. Randall's niece, Mrs. Orton Bescraft of Pottstown, Pennsylvania, and Mr. and Mrs. Joseph Schweiss of Kalamazoo.

Mr. and Mrs. James F. Mark, Miss Fern Mark and Mrs. Elizabeth Holland attended the wedding of Robert Mark to Miss Elva Mielke, of Detroit at Warren last Saturday. They also visited relatives at Detroit and attended the Surbrook family reunion at the Marysville Park on Sunday.

Mrs. Ira Horton, Mr. and Mrs. Carl F. Schaaf and daughters left Saturday for a weeks vacation trip to Fulton, New York, where they will visit Mr. and Mrs. A. Horton.

Mr. and Mrs. Norman Hillier, Mr. and Mrs. Ward Tubbs and two children, all of Flint, are visiting Mr. and Mrs. Howard Hatton and William Hatton this week.

## Anniversary

(Continued from Page One.)

The goals of the celebration have been outlined as a reminder to the public of its determination in 1905 to bring forestry into the national picture and to make national forest management an actuality, to make people aware of what has happened during 50 years of progress, to get a better understanding of the importance of all its phases and encourage future progress.

The Lower Michigan National Forests are public forests comprising an area of over 800,000 acres of federally-owned land. It is land that belongs to the American public.

The national forests are not staffed to adequately police picnic and camping areas. The public can help by keeping recreation areas in good condition and in preventing forest fires. Every fire, however small, robs the forest, and you who own it, of timber, wildlife and beauty.

## Anniversary

(Continued from Page One.)

Mr. and Mrs. Elmer E. Hitt and Mr. and Mrs. Harmon Hitt and families, Dearborn; Mr. and Mrs. R. Bruce Day Jr. and family, Algonac; Mr. and Mrs. Theodore Banish and family, Royal Oak; Mr. and Mrs. Robert Tiedford and family, Wayne; Mr. and Mrs. Richard Mach and family, Inkster.

## THE Resorter

Staying over for their second week at Val's Green Gables Resort are the Howard Fondas of Royal Oak, the Norman Beyers of Detroit, the Ernest Bates of Grand Rapids and Dr. and Mrs. Charles Murray of Saginaw.

Arriving last Saturday to join the fun were Charles Norris and family of Dayton, Ohio, who are here for their fourth year; Dr. Bernard Shuer and family of Toledo, Ohio, third year guests, accompanied by David Drukker of London, England, Mrs. Shuer's sister, Joseph A. Keck and family, Dearborn; Jack Rouse and family, Royal Oak; H. M. Craig and family, Pittsburg, Pennsylvania; Dr. and Mrs. Hugh L. Sulfridge and four children, Saginaw; Vincent O'Toole and family, Davenport, Iowa.

Sunday arrivals at Green Gables were Charles L. Hall and family, Wyandotte; Leo Brisson and family and Mr. and Mrs. M. C. Winters, Detroit.

Many of the visitors at Green Gables have had successful fishing trips in nearby waters. The Schemansky family of Detroit, who left Sunday, July 17, took home 24½ pounds of filleted fish of several different species which were frozen for them in the Fall. The Loumsa family, who left the same day, went fishing twice on the Captain Mac and both times won the "jack pot" for the largest perch caught that day. Ernest Bates broke a strud on one of his amphibian's pontoons when landing his water last Thursday. Luckily the damage was not serious and was repaired at Cholger's Service in Tawas City.

Vacationing at Jerome's Piney Ridge Cabins in Clark's Subdivision are Mr. and Mrs. Earl Boy, Flint; Mr. and Mrs. A. Valley, Mt. Morris; Mr. and Mrs. Joseph Campeau and family, Saginaw.

Enjoying the cool bay breeze at Clayton's Bay Side Cabins are Mr. and Mrs. J. Renfro, Mr. and Mrs. Mary and Stella Conroy, all of Detroit; Mary E. Hufnagle, Ypsilanti; Mr. and Mrs. Kenneth MacDonald, Flint; Mrs. R. Haines and daughter, Ann Arbor.

"Having a wonderful time" at Slaven's Fair Acres are Mr. and Mrs. Donald Witzman and family, St. Clair Shores; Mr. and Mrs. W. Howard Bezenah and family, Midland; Mr. and Mrs. Norman Andres and family, Lexington, Kentucky; Mr. and Mrs. Donald Nesbitt and family, Mr. and Mrs. John Andres and family, Mr. and Mrs. Robert E. Dean and family, all of Detroit.

Many of this week's guests at Allen's Northwood Shores have been vacationing there for the past four or five years. On Thursday the women will attend a luncheon at the Wabun. The guests include Mr. and Mrs. Arthur Brandt and family, Mr. and Mrs. John Sandeen and family, Mr. and Mrs. Robert Ash-

## LOCAL QUOTARIANS ATTEND CONVENTION

Two Isco County Quotarians joined 15 other Michigan members making up the delegation of 531 women from all over the United States, Canada, Alaska and Australia attending the annual Quota Convention in Banff, Alberta, Canada, during the last week of June.

Leonora Hass, president, and Dorothy Scott, secretary, told fellow Quotarians of the convention with its marvelous spirit of fellowship and of their vacation trip combined with attendance at the convention. Mrs. George Myles was hostess for the picnic supper on the lovely river-bank yard which is part of their home grounds.

President Hass reports that Quotarians discussed a number of resolutions and ask support of local clubs to help make better the situation with regard to participation of the community in the civilian defense program, types of comic books printed, observances of traffic laws and to make a study of educational needs. Other resolutions concerned the support of the work of Girl Scouts, Girl Guides, Camp Fire Girls and the YWCA Girl's Service Groups.

At the closing luncheon members of the Australian delegation gave a report of service work "down under," and their efforts to alleviate distress caused by the recent floods in New South Wales. In addition to the Australian delegation, the delegates from Alaska received special recognition.

Bank Springs proved a wonderful host for the large number present, and many delegates left to continue vacation trips and begin planning to attend the next convention in 1956.

Local members, with the help of Mrs. Olive Barnett, had fun and earned some extra funds for the treasury, auctioning a number of convention souvenirs brought back by Miss Hass and Miss Scott.

of steel cable used in the construction of the dock. This sizeable donation was made by the United States Gypsum Company.

The construction of a bath house with toilet facilities is next on the park board's program and it is expected that the board will give the go-ahead on construction at its meeting Wednesday night.

In other business taken up at Monday night's meeting, the council authorized its building and grounds committee to investigate the use of a 40-acre parcel of city-owned property west of US-23 and south of the Townline Road for a city dump.

A letter from the Alabaster Township Board was read which requested a fire protection contract with the city. The council authorized Fire Chief Fred Mulsoll and the city superintendent to contact the Tawas Township Board to find out its opinion as to a mutual fire protection agreement and to attend a meeting of the Alabaster Township Board next month to work out further details.
