

An "old fashioned" Fourth of July celebration was enjoyed by the thousands of vacationers who visited the Tawas area during the long three-day holiday week-end which ended Monday. In the photos above, at left is a portion of the parade which made its way through the business districts of the Tawas Monday morning. The photo on the right shows several Lightning class sailboats in the first heat of the Tawas Bay Regatta Sunday morning. Docking facilities at the Michigan Waterways Commission Dock at East Tawas were filled to capacity with power cruisers from the Tawas Bay Yacht Club, Saginaw Bay Yacht Club and the Detroit Yacht Club. Sailors from these clubs along with entries from the new Bay City Yacht Club, Lake Fenton Yacht Club and Detroit Yacht Clubs participated in the sailboat races. Swimmers enjoyed facilities at the Tawas City Park and state park beaches, as well as nearby Lake Huron and inland lakes.—Tawas Herald Photos.

## THOUSANDS OF HOLIDAY FUN-SEEKERS VISIT TAWAS AREA

### Beaches, Parks and Facilities Jammed

In traditional hot and humid Fourth of July weather, thousands of vacationers jammed the shores of Tawas Bay and inland lakes in Iosco County during the long holiday week-end. No estimate as to the number of persons who visited the area is available but it is thought that 35,000 or 40,000 persons were in the area on Sunday.

All available tourist accommodations in the area were filled by Saturday evening including hotels, motels, cabin courts and tourist homes. Rooms on the SS Overmire, the floating hotel anchored at the Tawas City Park dock, were reported to be filled by Saturday night.

"No Vacancy" signs were posted at every resort along US-23 from the Tawas to Oscoda and many resort owners turned off neon signs early in the evening to signify all accommodations were rented.

The miles of sandy beaches bordering Lake Huron and Tawas Bay were overflowing with vacationers who sought refuge from the week-long heat wave which blistered most of Michigan. Facilities at the state park in East Tawas were filled early Saturday and many campers were forced to seek other parks for camping purposes.

The Tawas City Park was jammed with picnickers and bathers as parking facilities were filled to capacity. The new all-steel fishing cruiser which operates from the park dock, Miss Tawas City, proved to be very popular with perch fishermen.

Here in the Tawas, an "old fashioned" Fourth of July celebration was well received by visitors and local citizens alike. Heading activities during the three-day week-end were sail-

### Retired Detroit Engineer Dead

George B. Walbridge, resident of Ottawa Beach for the past four years, died last Thursday after a month's illness.

A retired engineer and contractor, Mr. Walbridge had been a resident of Detroit for many years. He was a former chairman of the board of directors of Walbridge-Adinger Company of that city. He was a member of the Engineering Society of Detroit, a 32nd Degree Mason and a member of Audie Johnson Post, American Legion. He was born July 6, 1874, at Wellsboro, Pennsylvania.

Surviving are the wife; one son, Joseph Walbridge of Carson City, and two daughters, Mrs. James Sample of Detroit and Miss Jane Walbridge of East Tawas.

Christian Science service was held Sunday at the Evans Funeral Home. The service was read by Mrs. Harry Goldsmith. Interment was in the Greenwood Cemetery.

Returns to Tawas City For Month of July  
The Rev. Fr. C. Campbell, OMI, has returned to Tawas City for the third summer to assist the Rev. Fr. J. A. Castaner during the month of July. Father Campbell is a professor and hockey coach at St. Patrick's College in Ottawa, Canada.

All available tourist accommodations in the area were rented over the long Fourth of July week-end. This multiple exposure night photograph shows three Tawas area motels displaying "no vacancy" signs Saturday night. All reports from businessmen and law enforcement agencies indicate that the past holiday saw more visitors in this area than ever before.—Herald Photo.

### Holiday Accidents Take Two Lives

Two persons have died as results of accidents in Iosco County over the long three-day holiday which ended Monday night. Michigan State Police reported that traffic on US-23 was at a record high this year.

A St. Charles, Michigan, housewife died at 8:15 p. m. last Saturday as result of a traffic accident one-half mile west of the M-55-65 junction earlier the same evening.

Pronounced dead at Tawas Hospital was Mabel Schmitter, 54, who suffered crushed and broken legs and internal injuries. Her husband, William Schmitter, 62, was admitted to Tawas Hospital for treatment of injuries to the right arm and shoulder and possible internal injuries.

Both of the injured persons were riding in a truck driven by Albert Schmitter, 30, when the accident occurred. The driver told Iosco County Sheriff's Officers Charles Kurtzrock and Dennis Chrivia that he was driving east on M-55 when the truck lost control and turned over.

Timothy A. Guest, 10-month-old son of Phillip and Inez Guest of Royal Oak, was electrocuted Friday evening while creeping on the floor of the Harry Guest residence, located four miles south of Oscoda on US-23.

Mrs. Guest told police officers that the boy was crawling over a cold air return register and she believed that he must have touched a floor lamp that was there and the lamp gave him a shock. She said that she and her mother-in-law were in the house and her husband was on the beach.

The boy was rushed to a doctor's office at Oscoda but was dead on arrival. Coroner E. D. Jacques ruled that death was due to electrical shock.

According to statistics released this week, the Michigan State Police arrested 74 drivers for traffic violations in Iosco County during the period from July 1 through July 4. The arrests included three drunk driving charges. The Iosco County Sheriff's Department reports that at one time during the week-end 13 persons were lodged at the jail on charges which ran from assault and battery to larceny.

### VOTERS TO PICK TWO TRUSTEES JULY 11

Tawas Area School electors will go to the polls next Monday, July 11, to select two persons to fill the position of trustees on the Tawas Rural Agricultural School District board of education.

Candidates for the three-year terms of trustee are Waldo J. Curry of Tawas Township and Stuart White of Baldwin Township, incumbents; and Mardis Turner of East Tawas.

The two candidates selected by the electors of the district at large will fill the vacancies created by the completion of terms by the incumbents.

To be eligible to vote in the election, the voter must be a citizen of the United States, above the age of 21 years and have resided in the State of Michigan six months, and in the school district 30 days next preceding the election.

Only persons registered as electors in the city or township in which they reside are eligible to vote.

Voting places are as follows: Precinct No. One, consisting of the City of East Tawas and the territory of the school district in Baldwin Township east of Sections 19, 18, 7 and 6. Voting place, East Tawas City Hall.

Precinct No. Two, consists of the City of Tawas City, that portion of the school district in Wilber Township and portions of the school district in Baldwin Township. Voting place Tawas City Hall.

Precinct No. Three, all of the territory of Tawas and Grant Townships. Voting place Tawas Township Hall.

Precinct No. Four, consists of all of the territory of the school district of Alabaster and Whitney Townships. Voting place, Alabaster Township Hall. The polls will open at 7:00 a. m. and close at 8:00 p. m., Eastern Standard time.

The annual school meeting will be held in the Tawas Area gymnasium at Tawas City at 8:00 p. m. to perform the legal requirements of the school district and such other business as may legally come before the assembly.

### Big 3-Day Week-End of Racing Events

A big three-day week-end of sailboat racing on Tawas Bay came to an end Sunday afternoon with the presentation of trophies to winners at the new Tawas Bay Yacht Club clubhouse on Coast Guard Road. Only one sailor from the local fleet managed to capture a first place in the annual Fourth of July regatta.

Hern Nickels of Lake Fenton Yacht Club annexed top Lightning honors by outpointing Dr. Gerald Murphy of the same club, 29-23. Murphy was the defending champion, having won top honors here last year. Third place was won by Charles Schreck of East Tawas with 21 points.

In the National class, Dick Haglund won first place trophy by outpointing second place winner, William Welkert, 13-9. Third place went to Peter Stoll.

Richard Fletcher of Bay City won first place in Class A with 16 points, followed by Hayes with 14 and Smith with 12.

Top racing honors in the 110 class were won by William Mossgrove of Bay City with 13 points. He was followed by Jack Tyrer of Saginaw in a close second place with 12 and Robert Maier of Bay City in third place with 11.

Weather for the three-day racing program was near perfect. The only heat to have any difficulty was on Sunday afternoon when an almost dead calm slowed the race to a standstill.

Visiting sailors, members of the local yacht club and their families were entertained at the new clubhouse on Coast Guard Road Saturday and Sunday evenings.

Miss Elaine Erickson has returned home from spending two weeks at Camp Maqua on Loon Lake and her brother, Donald, is attending Camp Iroquois at Sand Lake for two weeks.

### Harness Racing Featured at Coming Iosco County Fair

Harness racing is one of the main attractions at Iosco County's four-day fair at Hale which will open Wednesday, July 27. Purses for the races have been increased to \$3,600. Other attractions will be parades, band concerts, agricultural and farm exhibits, domestic arts and home economic exhibits, 4-H Club show, FFA show and athletic events.

Presented under the auspices of the Iosco County Agricultural Society, the officers, board of directors and department heads have been working several months to make this year's fair the time and place to have a grand time with your friends and neighbors.

A large premium list is being published this week with hundreds of awards listed. To make it more attractive for exhibitors the premiums in several departments have been materially increased.

There is ample space for commercial exhibits and dealers and merchants throughout the area are invited to participate.

The department superintendents are: Livestock, George H. Lake and Larry Provoost; poultry, Eugene Burnside and Adolph Siegrist; farm produce, John Dooley; flower and plants, Mrs. Addie Scofield and Mrs. G. Mott; home economics, Hilda Barnes and Dorothy Mielock; domestic arts, Mrs. A. Hendrickson; contests, Warren Britt; conservation, Lyle Bielby and Gordon Hatch; 4-H Club projects, Dorothy Scott and Marvin Davenport; FFA Division, Lucien Hatfield; harness racing, Delbert Hewitt.

Last year's fair had the largest attendance in its history. "Pick out your department and bring some exhibits," says Thurman Scofield, secretary-manager. "You'll have some fun competing with your neighbor." Exhibits will be assembled from 9:00 a. m. to 4:00 p. m. Wednesday, July 27.

Another Win—  
Steve Kolonich of Tawas City and Larry Kindell of McVoor were crowned winners of the Thunder Bay-Midwestern Canoe championship at Alpena Monday afternoon. With temperatures nearing 100 degrees, the local team topped a field of 16 other crack canoe teams.

The pair of canoeists, who have won every race they have competed in this season, won prize money totaling \$500 and championship trophy. They completed the race in six hours, 41 minutes and 21 seconds.

More than half of the 17-team field dropped out along the way due to the blistering heat.

### THREE RESCUED FROM LAKE HURON FRIDAY

Three persons were rescued Friday afternoon from Lake Huron, 3 1/2 miles south of Oscoda, after the airplane in which they were riding was struck by a sudden rain squall and turned over in the water.

Rescued were Mr. and Mrs. Albert A. King of Allen Park and Charles B. Smith of Dearborn. The plane was en route to Sturgeon Point at Harrisville.

The pilot told police officers he observed a squall approaching while flying in a northerly direction. He turned the plane around and headed south in an effort to avoid it. Seeing that he could not fly out of the storm he landed the pontoon-equipped plane on the lake and was en route to shore to beach it.

While taxiing the plane toward shore the squall hit the plane and turned it over. Several small boats arrived on the scene and the occupants were removed safely.

Aiding the rescue was the air force crash boat, stationed at Oscoda. Mr. and Mrs. King were removed from the plane into an outboard boat operated by William Mioduck of East Tawas.

Services for Charles H. Harris Held Saturday  
Charles H. Harris, highly respected resident of this city, passed away last Thursday morning at his home following a heart attack. He had been in poor health for several years.

Born December 14, 1871, at Tawas City, he was a member of one of the early pioneer families. One of the city streets was recently renamed in his honor. Until his retirement, he had been an employee of the Tawas City Department of Public Works for many years.

He is survived by his wife, Ann; three sons, Temple of Houghton Lake, Leland of Flint and Glenn of Kenmore, New York; two daughters, Mrs. William MacDonald and Mrs. Muriel Shink of Flint; four grandchildren, and two great grandchildren.

Services were held Saturday afternoon at the Jacques Funeral Home. The Rev. William Gregory officiated. Interment was in the Harris family lot at the Tawas City Cemetery.

The pall bearers were: Harry Rollin, Matthew Pfeiffer, James Robinson, Edward Burtzloff, David Blair and Ervin Gauthier.

Nelkie Receives District K. of C. Appointment  
Edward J. Nelkie of this city has been reappointed district deputy of the Knights of Columbus, according to an announcement made by Walter Graveline of Bay City, state deputy. The district consists of Tawas, West Branch, Standish and Pinconning councils.

Winners of the annual Tawas Bay Regatta are shown receiving trophies at the conclusion of racing Monday afternoon at the Tawas Bay Yacht Club clubhouse. Left to right are: Hern Nickels, Lightning class, Lake Fenton; Richard B. Fletcher, Class A, Bay City; Gene Parent, crewman for Dick Haglund, National Class, East Tawas; Sam Vasold, Class C, Bay City, and William Mossgrove, 110 class, Bay City. Standing in back is Commodore Clarence Everett of the host fleet who made the presentations.—Tawas Herald Photo.

General Maxwell D. Taylor (left), World War II paratroop commander and a Korean War leader, became the army's new chief of staff as he was sworn in at the Pentagon in Washington, D. C. After the swearing-in Taylor was congratulated by Army Secretary Robert Stevens (right) as retiring Army Chief of Staff Gen. Matthew B. Ridgway looks on.

**New Army Program Goes Into Effect**

As previously announced by the United States Department of Army, the army's new noncommissioned officer-specialist program goes into effect on July 1. The program provides that noncommissioned officer identification and status be given only to enlisted personnel holding leadership positions. A separate category of enlisted personnel, called specialists, includes those who have technical and administrative skills.

Designed to increase the prestige of the noncommissioned officer by restoring him to his traditional position as the backbone of the army, the program will also preserve the respect properly due the specialist. Separation of the NCO from the specialist is made in the top four pay grades. On the conversion no one will lose pay. Effective July 1, titles in the

top four enlisted grades are as follows: Master Sergeant becomes Master Specialist (MSP); Sergeant First Class, Specialist First Class (SP1); Sergeant, Specialist Second Class (SP2); Corporal, Specialist Third Class (SP3).

Private and Private First Class ratings remain the same. New rank insignia will accompany the change for the specialists. The present noncommissioned officer stripes will remain.

**JELLY TRAPS BURGLAR**

Frank Spicker, 38, broke into a Los Angeles, California, market and, being hungry, proceeded to make himself a jelly sandwich from the market's stocks. Then he dropped the jelly glass. In the dark he stepped on it, slipped, fell and knocked himself out. Joseph Bennish, market manager, found him, out cold, and called police.

**SFC John J. Smith, station commander of the United States Army Recruiting Station of East Tawas, announces that seven men were accepted for enlistment in the army in June.**

They were enlisted for two and three years for the assignment of their choice as follows:

United States Army assigned—Wesley A. Hobart, Star Route A, East Tawas. Army Security Agency—Leroy C. Krueger, 708 East State Street, Tawas City. Vernon E. Sanders, 146 East Piper Street, Flint.

Third Armored Division—Jerome F. Tesarz, Standish; Leonard J. Tesarz, Standish; Edward G. Dufort, Standish; Lorn O. Matthews, Lupton. Anyone who may be interested in obtaining information about the opportunities available in the army may contact Sergeant Smith in Room 216, Federal Building, East Tawas, or by calling Forest 2-3107.

Serving aboard Attack Squadron 16, NAS, Oceana, Virginia, is Ronald William Herriman, personnel third class, USN, son of Mr. and Mrs. William E. Herriman of Tawas City and

husband of the former Miss Ernestine Y. Newman of 1027 Jackson Avenue, Huntington, West Virginia.

Recently reported aboard Attack Squadron-16, NAS, Oceana, he was assigned to the personnel office.

Herriman, who entered the naval service April 7, 1952, reported aboard from the USS Intrepid (CVA-11).

Before entering the navy, he graduated from Tawas City High School in 1951 and his employer was Arnold Bronson, located at Tawas City.

**SERIOUS PROOF-READING**

An editor and three proof-readers were reportedly jailed in a Russian satellite country recently because of a slip-up on the job. The slip-up caused great embarrassment in East Germany where the newspaper involved in the incident is located.

The mistake was a simple one. Instead of announcing that so many thousand people had signed a petition for the prevention of atomic war, the Communist paper announced that so many thousand Communists had signed a petition for the preparation of atomic war.

While this was probably more accurate, Communist bosses took a dim view of the mistake and instead of reprimand, the editor and three proof-readers were reportedly jailed. Only in Communist countries is accuracy punishable by jail sentences. The Communists, or the Russians, admittedly have a first here, another Russian invention.

*Twin Pipes that play sweet music!*

**Chevrolet's "Super Turbo-Fire V8" with 180 hp.**

You can spot this one by the twin tailpipes. No matter what you drive, you're going to see twin-exhaust Chevrolets pulling away—in traffic, on the toughest hills, on the long straightaways.

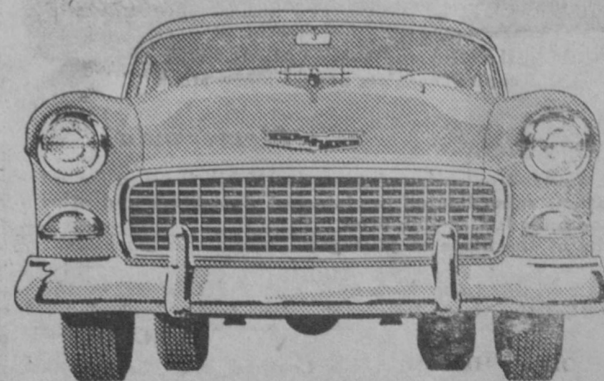

... Unless you have a "Super Turbo-Fire V8" of your own. And then you'll know what it's like to pilot the car that sets the pace for everything else—and doesn't pause to read the price tags!

What makes the Super scat? Chevrolet's superb valve-in-head V8, with the shortest stroke in the industry, the most power per pound, and the only

12-volt electrical system in its field—all this plus a four-barrel carburetor and free-breathing twin exhausts.

Want to sample this silk-lined cyclone? Just give us a call, any day this week, and we'll be proud to show you just how hot a V8 can be.

\*Optional at extra cost. †Station wagon models have single exhaust pipes.

**Gingrich-Wice**  
Miss Grace Wice, daughter of Mr. and Mrs. Ezra Wice of Whittemore, and Edwin Gingrich, son of Mr. and Mrs. Daniel Gingrich of Freeland, were united in marriage Saturday afternoon, June 18, at 4 o'clock at the Whittemore Baptist Church. The Rev. Robert Hale, pastor of the church, officiated. The bride, given in marriage by her father, wore a white marquisette dress with white accessories. The bridesmaid, Mrs. Evelyn Ferns, sister of the bride, was dressed in a pink and white nylon dress. The groomsmen were Theodore Ballein of Freeland. Evidences Hosbach of Prescott sang "God Gave You to Me" and was her own accompanist at the piano. The bride's mother was attired

in a sheer lilac dress. The groom's mother wore a flowered silk dress. Both wore corsages of rosebuds. Ushers were the Misses Catherine and Joann Laurie, friends of the bride. A reception was held at the church for friends here following the wedding and the same evening a reception was held in the Freeland Hall at Freeland by friends of the groom. They will reside in Freeland.

Attention, boys and girls! The Bookmobile will be at the Whittemore Library Friday, July 8, at 10:30 a. m. to begin the summer reading club. Get your train tickets and travel the reading train through the country. Tickets will be punched for each book read. Come and enjoy the stories told by the Bookmobile librarian, Mrs. Clara Stettner.

 OFFICE OF THE GOVERNOR  
 LANSING  
 G. MENNEN WILLIAMS  
 GOVERNOR  
 March 10, 1955

TO THE OFFICIALS AND PATRONS OF COUNTY FAIRS:

In a highly technical and industrial society, many people tend to lose sight of the indispensable contributions of the farmer. It is more than fitting that your county has decided to hold an annual county fair to insure that our Michigan citizens are made aware of the vital role of the farmer.

The county fairs have made great strides in improving the standards of our Michigan agriculture production. Excellence has always been the by-word of this great event and this excellence has had its impact throughout the state.

It is my hope that all of you who visit the fair to see our products will also enjoy the great recreational facilities offered here.

It is a pleasure to extend to you, on behalf of myself and the people of Michigan, best wishes for a successful and satisfying stay at the fair.

Sincerely,  
*G. Mennen Williams*  
 Governor

STATE OF MICHIGAN DEPARTMENT OF Agriculture  
 LANSING, MICHIGAN  
 February 23, 1955

To Fair Sponsors and attendants:

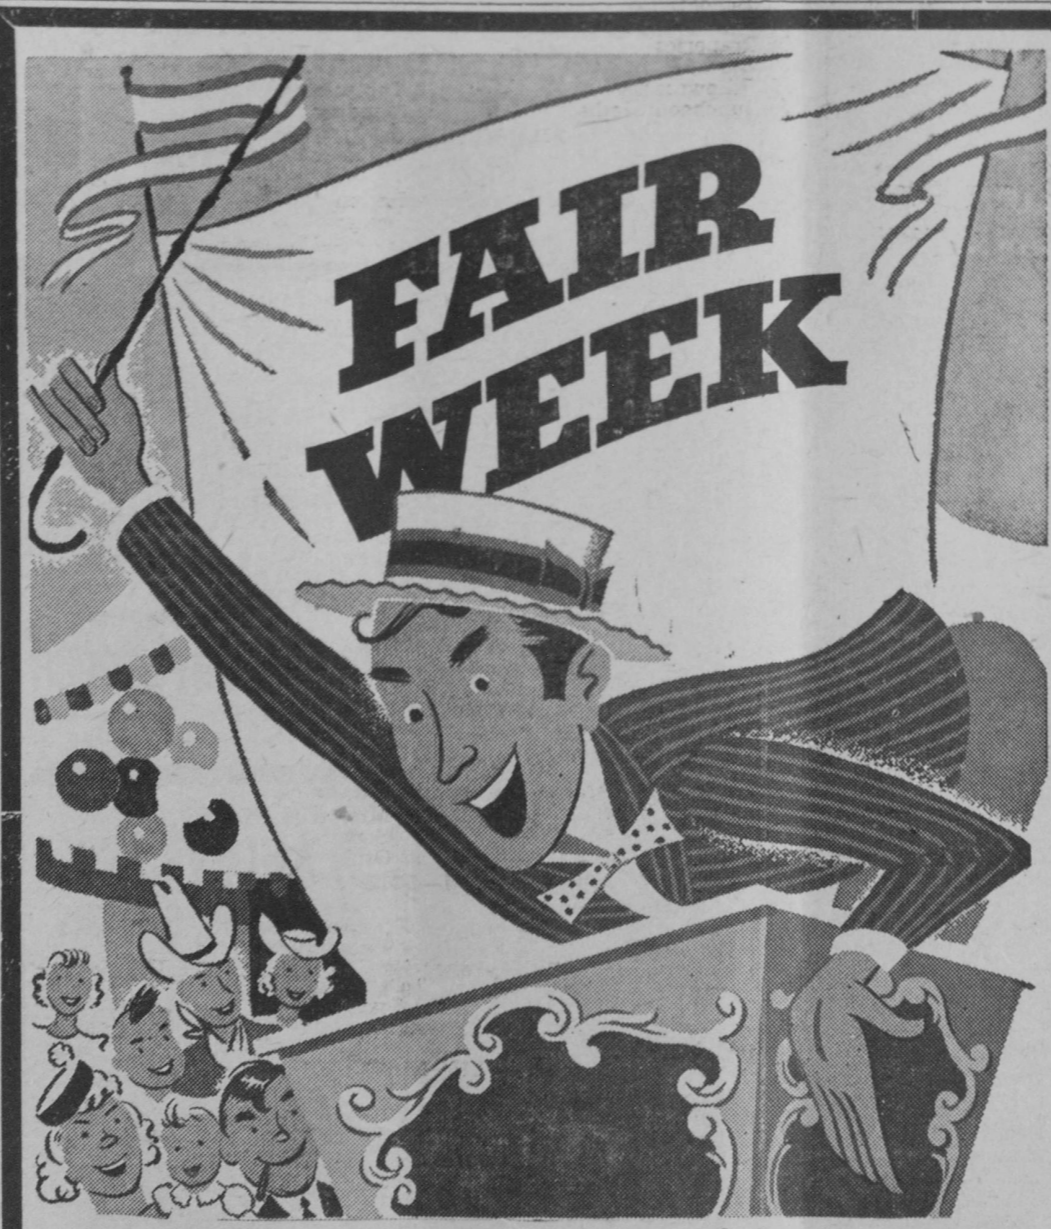

Congratulations and best wishes for your 1955 fair.

Since the earliest beginnings of agriculture in Michigan, fairs have been an important factor in the development of better farm methods and the promotion of better ways of life for everyone.

In 1955 the quality and number of exhibits of agricultural products, handicraft, household arts and others would defy the imagination of the earliest sponsors of our fairs. And the types of machines designed to do the job of farming quicker and cheaper point to the inventive genius that through the decades has made American agriculture the envy of the world.

Your fair is for your enjoyment and enlightenment. It offers much for young and old, and reflects great credit to the civic-minded people who gave unselfishly of time and effort to make it what it is.

Yours truly,  
 MICHIGAN DEPARTMENT OF AGRICULTURE

# Supervisors' Proceedings

JUNE SESSION

June 6, 1955  
Pursuant to April adjournment of the Isoco County Board of Supervisors was called to order in June session on the sixth day of June, 1955, at 10:00 a. m. by the chairman who ordered a roll call. The following supervisors were present: Bellville, Brabant, Burgess, Everett, Jordan, Little, Long, Lixey, Misener, Oates, Rodman, Smith, Webb, White, Williams, Werth, Nays: None.

Upon motion supported and prevailing the board recessed until 9:30 a. m. Tuesday morning.

June 7, 1955  
The Board of Supervisors for the County of Isoco was called to order in continued June session by the chairman who ordered a roll call. The following supervisors were present: Bellville, Brabant, Burgess, Everett, Jordan, Little, Long, Lixey, Misener, Oates, Rodman, Smith, Webb, White, Williams, Werth, Nays: None.

The clerk asked if the board would approve the minutes of the last day's meeting of the previous session in April as published and waived the reading thereof. It was moved by Mr. Everett supported by Brabant that the minutes be approved as published and the reading of same be waived. Carried unanimously.

Committees were ordered to their respective duties balance of the board to be at ease subject to the call of the chair.

Upon call to order at 11:45 a. m. Mr. Williams read the following report of the finance and apportionment committee:  
Honorable Board of Supervisors, Gentlemen:  
Your finance committee recommends that the prosecuting attorney's convention to be held at Mackinac Island on July 28 to 30 with the necessary expenses paid.

Edward Burgess  
Russell Williams  
L. S. Little  
Henry Oates  
C. S. Everett

Upon motion by Williams supported by Oates the report was accepted and adopted upon the following roll call: Ayes: Bellville, Brabant, Burgess, Everett, Jordan, Little, Long, Lixey, Misener, Oates, Rodman, Smith, Webb, White, Williams, Werth, Nays: None.

Upon motion supported and prevailing the board recessed until 1:30 p. m.

ATTERNOON SESSION.  
Upon call to order at 1:30 p. m. roll call was ordered by the chairman. The same supervisors were present as at the morning session.

Mr. Everett read the following report of the Aeronautics committee:  
Honorable Board of Supervisors, Gentlemen:  
Your airport committee to whom was referred the matter of purchasing land to lengthen the east and west runways to conform with the recommendation of the state aeronautics committee, recommend the purchase of the south 330 feet of the NW 1/4 of SW 1/4 of Section 16, T22N R8E for the sum of \$1,250.

Clarence S. Everett  
Edward Lixey  
Edward Burgess

Upon motion by Everett supported by Lixey the committee report carried upon the following roll call: Ayes: Bellville, Brabant, Burgess, Everett, Jordan, Little, Long, Lixey, Misener, Monroe, Oates, Rodman, Smith, Stephan, Webb, White, Williams, Werth, Nays: None.

Committees were ordered to their respective duties balance of the board to be at ease subject to the call of the chair.

Upon call to order at 4:30 p. m. A. Don Anderson addressed the board requesting passage of a resolution asking the conservation department to establish a headquarters building in the Tawas area to house fire protection equipment and a general field administration headquarters. Upon motion by Little supported by Lixey the following resolution was unanimously accepted and adopted.

RESOLUTION  
WHEREAS, the conservation of natural resources is of vital interest to the economic life of Isoco County and  
WHEREAS, the administration of conservation laws and suppression of forest fires has become increasingly difficult and complex due to the absence of a conservation department headquarters in the Tawas area and  
WHEREAS, the United States Forest Service has been undertaking a retraining program with the result that the Tawas area will soon have only initial run equipment for fires available locally and  
WHEREAS, it is understood that the forest service will upon completion of pending exchanges of land in the North-eastern portion of Baldwin Township require the state to take over protection of this area in addition to the area they already protect.

Now therefore be it resolved that the Board of Supervisors of Isoco County hereby urge the conservation department to establish and maintain a headquarters for fire suppression and general field administration in the Tawas area.

Conservation Committee,  
L. S. Little  
Stanley A. Misener  
Merlin Jordan.

**Calendar:**  
July 9-13—Hardwood Lake 4-H Club Camp dates.  
July 17—4-H Club Family Picnic at Corsaid Park.  
The Friendship 4-H Club and Alabaster-Whitney Club started the summer tour program off with a bang! The Alabaster-Whitney club members and its leaders planned their session at the Charles McCormick residence. The McCormick two car garage was converted into a little community fairgrounds and

well done, too. Leaders Mrs. McCormick, Mrs. Nita Grear, Mrs. Arlene Vane, Mrs. Melvin Brown and Mrs. Therna Duquette were on hand to hear and discuss the 4-H Club's problems and progress.

Mrs. Carl Libka of Tawas City discussed home economic projects with the leaders in the absence of Miss Scott, who is on vacation.

The Friendship 4-H Club tour had a first. It was the first tour I have ever experienced where only the fathers, Alfred Guoan and Olen Herriman, were present.

Olen has one of the liveliest livestock clubs in the county as evidenced by the halters and blankets made by the 4-H'ers.

We have to hand it to Lloyd Watts for an excellent job on the making of a rope halter. If other livestock clubs want to learn how to make one, I'd recommend Lloyd as an instructor.

We talked about the blood testing tour on Friday, July 8. Any of our dairy members who need their heifers blood tested for Brucellosis (Bang's) disease, check with your leader or our office.

Elmer Barker, janitor at the state house at Des Moines, Iowa, has a shotgun which saves the state at least \$1,920 each year. Barker uses the shotgun to get rid of pigeons which roost on the building. The state recently received a bid from a Des Moines man to scare the birds off permanently for \$1,920 a year.

### Calendar:

July 19-22—Homemakers' Conference, Michigan State College.  
As the old saying goes, "Anything worthwhile is worth repeating," don't forget Homemakers' Conference at Michigan State College, East Lansing, July 19 through 22.

This being the time of the year for more picnics and family reunions, thoughts begin to flow to feed the crowd. Most often making the food dollar stretch farther creates the biggest turmoil in the heads of busy shoppers. At this time many "thanks go to Michigan farmers who produce dry beans, one of the most thrifty foods there is."

Preparing dry beans need not be an all night soaking job. Boil one cup of beans to three cups of water for two minutes. Then remove from heat and soak for one hour. The water used for soaking can be used for cooking, too.

For that family picnic here are a few suggestions to go with the baked beans: Cole slaw made with horseradish in the dressing, savory deviled eggs, mixtures of bread, milk and fresh fruit for dessert. Penny-wise ham, ground beef, corned beef or frankfurters are good meat additions.

Kidney bean salad is very economical for the crowd. Team cooked kidney beans with pickle relish, chopped celery, minced onion and pimento for a tasty colorful combination.

It takes 3 1/2 quarts of milk to make one pound of cottage cheese. Concentrated into this pound is more than ample quantities of bone-building calcium and high quality protein. Cot-

tage cheese cuts food costs, too. One serving supplies the same amount of protein as in one serving of meat at one-half to one-third the cost.

The peak for Michigan strawberries is over. You can expect to find fewer quarts on display now that the holidays are over. Check carefully for quality in these end-of-the-season berries.

Home grown cabbage heads the parade of fresh vegetables this week in most markets. Prices are very "special," ranging from four to 7 1/2 cents a pound.

This fresher deeper green cabbage can be used in many ways. Just cooked alone and seasoned with butter, it's good. For picnic fare, prepare cabbage salad combined with thrifty crushed pineapple, use sour cream with sugar and lemon juice for dressing.

### TRAFFIC DEATHS ON INCREASE

If current trends continue, Michigan traffic deaths will exceed 2,000 this year as compared with 1,785 in 1954, an increase of 12 percent. It would be the third time on record that this occurred.

The gloomy forecast is contained in the monthly traffic accident report compiled by the Michigan State Police. It shows that in May 157 persons were killed and 5,428 injured in 15,237 reported accidents.

There were eight more deaths than in May last year, an increase of five percent. Injuries increased 651, or 14 percent, and accidents went up 979, or seven percent.

It was the third consecutive month that deaths increased. The record for the first five months of this year is 691 persons killed, a gain of 11 percent over the same period a year ago, 21,649 persons injured, an increase of five percent, and 74,987 accidents, up one percent.

Mileage traveled the first four months of this year, the latest figures available, totaled 8.9 billion, an increase of nearly nine percent over 8.2 billion during the same period in 1954. The death rate of 8.0 per 100 million miles of travel was up three percent over 5.8.

### Calendar:

Friday, July 8—Tour to blood-tests for Brucellosis all cattle over one year of age (unless vaccinated) that will be exhibited at the County Fair.

Wednesday through Saturday, July 27-30—Isosco County Fair.

Tuesday, August 2—First lamb pool for 1955, any and all sheep raisers can sell their lambs through the pool.

Tuesday, September 6—Lamb marketing tour during the day, meeting with sheep raisers at Reno Township Hall at 8:00 p. m.

Tuesday, October 4—Lamb truck and lamb marketing pool at West Branch, order your lambs now.

See the plots demonstrating the control of poison ivy. There are two chemicals used on these plots. One is still in the experimental stage. The plots are located on the Coast Guard Road, north or towards the station from US-23.

Animals is one we have recommended and the plot is marked with four white stakes. Amino Triazole is the new chemical. The plot has been placed there for your observation. This is not yet available through local dealers.

Demonstrations on the control of poison ivy were initiated and encouraged through the cooperation of the Tawas Kiwanis Club in 1954.

This year the Cooperative Extension Service committee from the Isosco County Board of Supervisors added further impetus by supporting more such weed and brush control demonstrations throughout the county. The folks cooperating will be glad to see you observe them.

A letter listing the whereabouts, treatment and degree of control will be mailed to those folks on our mailing list. If you don't receive one by July 10, drop us word. We'll see to it you get a copy.

The Michigan Cooperative Poultry Marketing Agency at Hemlock is now ready to accept all kinds of poultry, in any quantity. Payment is made upon delivery.

The new blast freezer with a capacity of 50 tons of poultry at 35 degrees F. is now in operation. New processing line equipment has been installed and tested and large-capacity holding batteries have been set up.

Marshall Michaels of Alma, president of the board of directors of the farmer-owned cooperative, says that this plant has the greatest potential of any poultry processing plant in Michigan.

Every so often we hear of someone buying dairy cattle without getting a Brucellosis-clean test.

Herd owners who buy an animal that has passed a Brucellosis-clean test can't be sure that the costly disease won't spread in the rest of the herd.

The sales slip that certifies the clean test does not guarantee that the animal has not been exposed before the test was made. And that exposure to the disease is important, because the incubation period of the disease is a long one. Sometimes it runs past 200 days.

An individual test for Brucellosis may indicate that an animal is Brucellosis-clean. But that doesn't mean that it has not been exposed from another animal in the herd and later will come down with the disease.

If the owner of the herd sells the exposed animal he would be complying with the law if he receives a certificate which indicates a clean test.

That means that a herd owner would be wise to use extra care when he buys replacement stock. The buyer can insist on knowing the Brucellosis status of the remainder of the herd from which he plans to buy replacements.

An animal that is to be added to an accredited herd in Michigan must be tested before purchase, then brought to the farm and kept separately from the rest of the herd for 30 days. Then the animal is tested again before allowed to join the herd.

Even these precautions are not fool-proof because of the longer incubation period of the disease.

If you're operating a farm and hiring farm workers, don't wait to set up your social security records. Farmers don't have to report until the end of the year. But record keeping can't wait that long.

Farm hands are covered by social security as soon as they are paid \$100. For records you'll need: Name and social security number, amount of wages paid and social security tax withheld. You can get help and information from the local social security office. Paul Ellifritz and Howard Sherman of the Bay City office come to the Federal Building, East Tawas, every third Wednesday of the month.

It's time to clean out and treat grain bins before storing your new grain crop. Storing new grain in untreated bins, or near old grain, make it easy for insects to travel from old to new grain.

Here are cleaning suggestions from Ray James, Michigan State College entomologist: Sweep up and clean out old grain deposits in a 50-yard radius of the bin. Remove and destroy waste feeds and grain in poultry houses, cattle feed bunkers and areas where bagged grain are stored.

for grain bins. Spray two weeks before putting in the grain. But under no circumstances should you use chlordane or lindane.

Remember, farmers are responsible for keeping their 1955 wheat clean while it is in their home storage.

## This 4-Door Beauty is the Newest Hit in Hardtops

YOU certainly ought to come in and see for yourself why this new kind of hardtop is headed for the best-seller list.

It's a Buick Riviera, of course. Which means the low and rakish look of a Convertible—a solid steel roof overhead—and no center posts in the side window areas to obstruct your view.

But that's only the beginning. Here you get two extra doors. They open to the rear compartment. So no one in the front has to move when someone gets into or out of the rear.

Here you get massive half-pillars on either side on which the front doors latch and the rear doors hinge. (That's why you see no center posts above the door line.)

Here, too, you get wholly new principles in body design and strength that give the extra safety of rock-firm solidity at the top, sides and bottom.

And here—bless those Buick engineers!—you get a lot more room in the rear compartment.

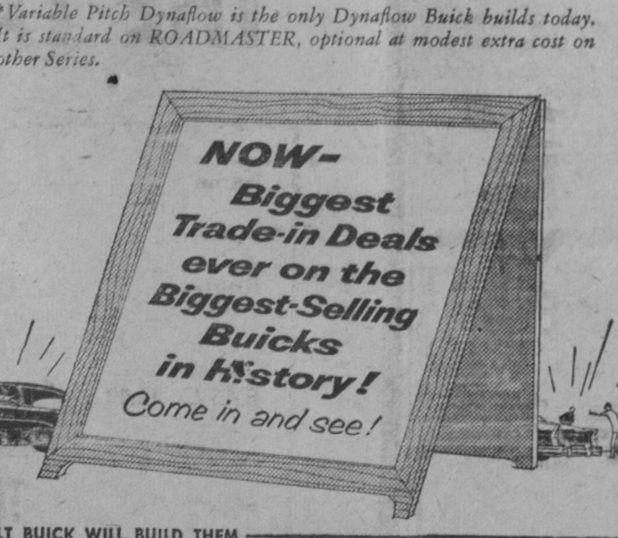

For the 4-Door Riviera gives you over 9 inches more hiproom and 5 inches more legroom—yet with no increase in wheelbase or over-all car length.

So we repeat—you certainly ought to come in and see this stunning new kind of hardtop.

It's the very last word in beauty, comfort, convenience. It's available in Buick's two lowest-priced Series—the SPECIAL and the CENTURY. And it's all Buick—with Buick power, Buick ride, Buick handling—and the spectacular performance of Buick's Variable Pitch Dynaflo.\*

Drop in today—tomorrow at the latest—and learn what Buick's all time record sales year can mean to you in the way of a whopping-big trade-in deal.

\*Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on ROADMASTER, optional at modest extra cost on other Series.

## SMART DOG—

Somehow a dog, of no discernable breed, discovered that an electric eye which opens a grocery store door worked for dogs as well as for people. She made periodic visits to the store, looting the baked goods counter. Finally, Clerk Larry Hirsch solved the problem by adopting the dog, naming her Lucky, and feeding her well at home.

While visiting his beekeeping uncle, Jackie Robles of Santa Barbara, California, aged three, accidentally knocked over a hive. The angry bees swarmed all over him before his sister, Josephine, 9, washed them off with a garden hose. Doctors pulled 250 stingers from Jackie's hands, ears, nose and even his tongue. Only the boy's strong constitution pulled him through.

# A Subscription to The Tawas Herald Does Not Cost . . . IT PAYS! HERE'S WHY!

1. BECAUSE it is prepared to report and photograph news of your community as it happens.
2. BECAUSE it is a legal medium through which your city, township and county notices, regarding things which affect your pocket-book, are published.
3. Because it keeps you posted on all official actions by your board of education, school administration; it reports plans of official bodies which have the authority to levy taxes against your home, business or industry.
4. BECAUSE The Herald is your Shopping Guide, carrying the merchandising messages of bargains offered by your local stores, which saves you time and money by providing you an opportunity to prepare your shopping list in advance.
5. BECAUSE it provides a common meeting place for every reader in your shopping area where community affairs can be discussed and ideas exchanged to benefit all.
6. BECAUSE it sponsors, supports and boosts every worthwhile community project, including those of charitable nature, giving to community leaders the aid and support which they must have in order to keep the community abreast of the times in carrying out the responsibilities of a collective or social nature.

ANY member of a community who does not read the local newspaper is sadly uninformed on: CHURCH AFFAIRS, SOCIAL EVENTS, SCHOOLS, TAXES, GOVERNMENT, POLITICS, and ALL Co-operative Community Projects.

## Last--But Not Least
