Governor Williams Formally Dedicates State Park Dock

Emphasizing a policy of conserving today's natural resources and outdoor recreational facilities for tomorrow's youngsters, in Michigan, Governor G. Mennen Williams formally dedicated and then turned over to the public the new Waterways Commission Dock at East Tawas last Saturday afternoon before a crowd of several hundred spectators who gathered at the base of the new structure for the event.

Governor Williams, whose busy schedule allowed a visit of about an hour and a half, arrived at Wurtsmith Air Force Base, Oscoda, at 4:30 p. m. Saturday. He was met at the base by Isco County's three municipal mayors, Elmer Werth of East Tawas, George W. Myles of Tawas City and Russell Williams Jr. of Whittemore.

The governor's party then drove to East Tawas, escorted by Michigan State Police, where "Welcome, Governor Williams" signs were posted in store windows. As the governor arrived at the state park, the official Michigan State Flag was raised on the yardarm at the harbor-master's building in the park.

After autographing programs for youngsters who met him at the park entrance, the governor was escorted to the speakers platform where he was introduced to the visiting dignitaries who were on hand for the event.

Carl B. Babcock, chairman of the Tawas Harbor Committee, introduced the Rev. Robert Nelson who gave the invocation. Glenn MacDonald, editor of the Bay City Times, then acted as master of ceremonies for the event. He introduced Thomas M. Lott, chairman of the Waterways Commission, who spoke briefly and instructed Harbormaster Joseph Fox to unveil the plaque on the harbor-master's office.

Guests at the dedication ceremony included the three Isco mayors; Harry Aldrich, regional supervisor of state conservation department; Arthur Elmers, chief of the parks division of the state conservation commission; Robert Furlong, executive secretary of the Michigan Tourist Council; Joseph Childs, state police commissioner; Harry Schmidt and Leonard Thompson of the Waterways Commission; Col. Ralph G. Taylor, commanding officer of Wurtsmith Air Force Base; State Sen. Charles T. Prescott; State Rep. James P. Mielock and Capt. Walter J. Klein, United States Army public relations officer for Michigan.

Following Governor Williams' address, Ambrose J. Maxwell, Bay City Chamber of Commerce, presented a dedication plaque to Harbor Chairman Babcock. The flag was then raised by a color guard from Wurtsmith.

A lamp with shade showing the different harbors and navigation routes in Michigan waters was presented to Governor Williams by the Tawas Harbor Committee. The governor was presented with a special "Tawas Harbor" jacket by the Waterways Commission and Mayor Werth presented him with a certificate of honorary citizenship of the City of East Tawas.

Following the dedication ceremonies at the park, a banquet was held at the Holland Hotel in the evening. Editor MacDonald of Bay City served as toastmaster for the event. A cocktail party was held at the East Tawas Club for visitors prior to the evening affair.

Sunday's program started with a pancake breakfast at the Tawas Bay Yacht Club, attended by yacht club members, businessmen and guests.

The afternoon program included a parade of boats at the new dock and sail boat races on Tawas Bay.

Mr. and Mrs. H. Amboy and children, Larry, Charles and Marsha, of Flint were Sunday callers of Mr. and Mrs. A. Amboy.

Kolonich and Kindell Take Canoe Race Honors

Adding another win to their ever growing list of canoe racing conquests throughout Michigan this year, the team of Steve Kolonich of Tawas City and Larry Kindell of Melvor paddled to their second straight victory in the Tawas River Canoe Race held last Sunday. The race was part of the dedication program for the new Waterways Commission dock at East Tawas.

Crossing the finish line at the Tawas River mouth in front of a field of 16 two-man teams, Kolonich and Kindell were awarded first prize of \$30 and a perpetual trophy which will be awarded each year to first place winners. A team winning three years in a row has the privilege of keeping the trophy.

Kolonich and Kindell won last year's race during the Tawas City Centennial celebration and were awarded a special trophy. This year's event was the second annual running of the race and it is expected that next year it will be enlarged.

Following close behind the winners were the Joy Brothers, Carl and David, of Alpena, who won second place prize money of \$10 and fishing rods.

Third place in the six-mile-long race was won by Merle Klein and Jack Kent of Atlanta, Michigan, taking prize money of \$6 and merchandise prizes.

The next three teams to cross the finish line were awarded merchandise prizes. Edward Gauthier of Detroit and George Hall of

Knoxville, Tennessee, were awarded a free tank of gas for traveling the greatest distance to participate in the race.

The annual Tawas River Canoe Race is sponsored by the Tawas City Businessmen's Association in cooperation with the Tawas Chamber of Commerce. Prizes were awarded by Walter Champion of Tawas City, who served as general chairman for the race. He was assisted by Cecil Cable at the finish line and Richard Allen, chamber of commerce secretary-manager, who, along with John Sawyer of Oscoda, checked canoes prior to the race.

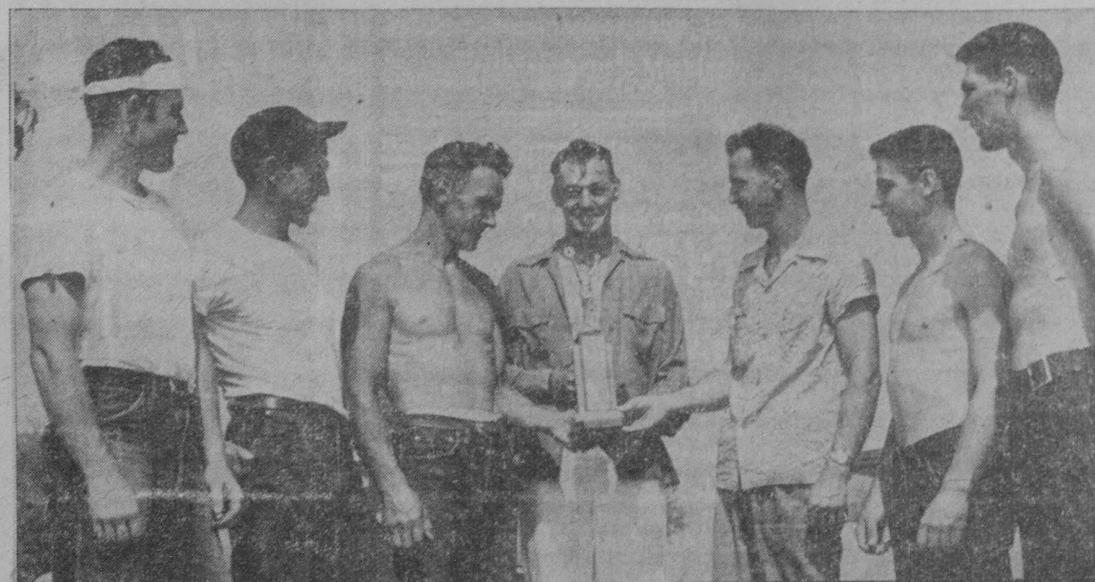

C of C Sponsoring July 4th Parade

The Tawas Chamber of Commerce is sponsoring a parade on the Fourth of July as an added special attraction for the entertainment of summer visitors. The parade will assemble at 10:00 a. m. at the Federal Building in East Tawas, and march through the business districts of East Tawas and Tawas City.

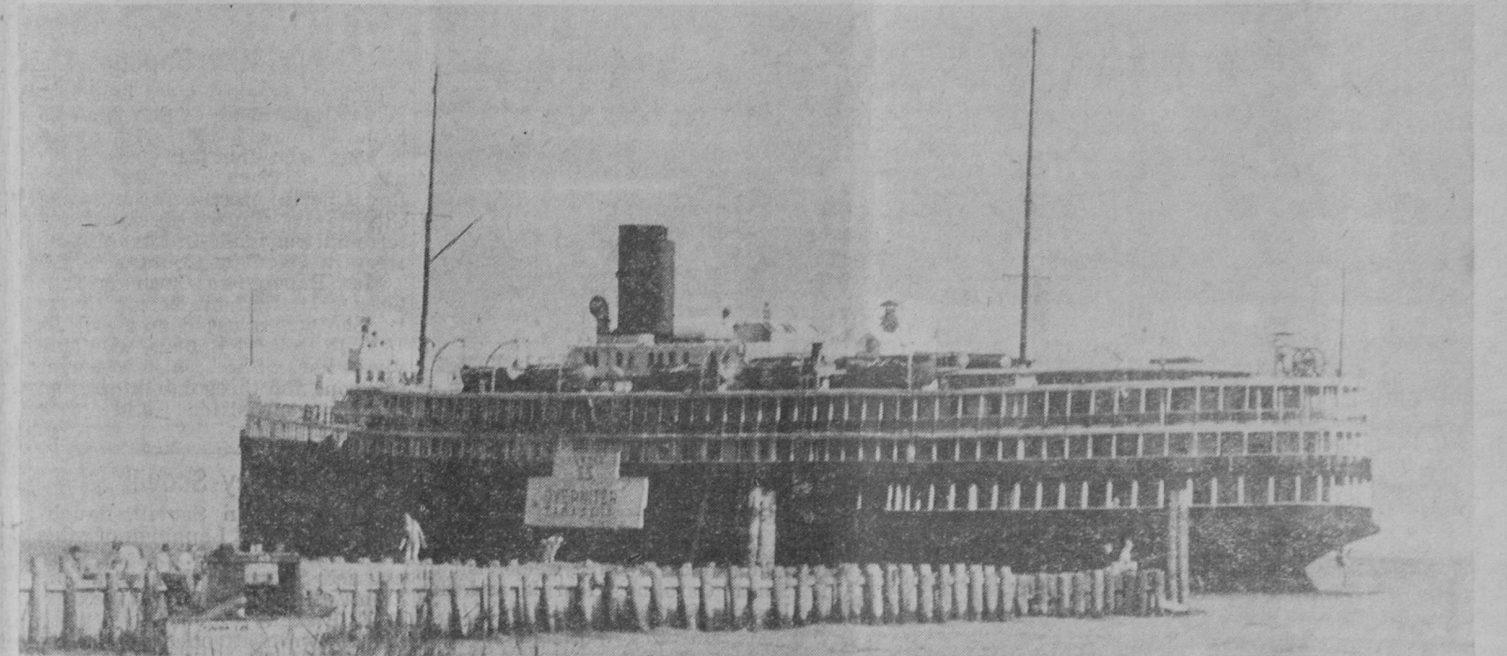

"We would appreciate it very much if businessmen and others would cooperate with the chamber by entering a decorated float or something in keeping with your organization and the season," stated Walter Champion, parade chairman, this week.

Anyone wishing to participate is invited to telephone the chamber of commerce office with information.

The SS Overniter, unique in Michigan's tourist industry as its first flotel, is shown above as preparations were being made to move the ship along side the Tawas City Park dock. The ship was finally inched into place Tuesday afternoon after Monday's storm had interrupted operations.—Tawas Herald Photo.

SS OVERNITER ARRIVES

The SS Overniter, Michigan's first floating hotel, was pushed into its berth at the Tawas City Park dock on Monday and Tuesday of this week and workmen went through preliminary phases to ready the big ship for her opening.

Arriving late Sunday evening at the park dock, traffic was about at a standstill as hundreds of motorists and a good share of the population of Tawas City, East Tawas and Oscoda jammed the park and along US-23 to watch as the 362-foot-long, three decked ship was inched into position.

Towed from Detroit by the tug, John N. Roen III, the big ship

had an uneventful trip through the Detroit River, Lake St. Clair, St. Clair River, Lake Huron and Tawas Bay. The ship is a converted Great Lakes pleasure cruiser, formerly operated by the Detroit and Cleveland Boat Lines as the Western States.

The ship was piloted to Tawas City by two veteran Great Lakes captains, Clarence Doyle of Detroit and Louis Mantell of Belleville. The two men were the last skippers employed by the Detroit and Cleveland Lines, which discontinued service in 1950. Mantell had been with the line 40 years while Captain Doyle started as a bellhop for the line in 1916.

Space for the new flotel was

leased from the City of Tawas City by Charles Bieber, owner-manager, earlier this year. It will be anchored at the end of the park dock, now nearing completion.

During the past few weeks, workmen have been busy getting the city park in shape for the arrival of the ship. The dock is encased with sheet steel and oak piling with broken rock and concrete as a base. It is expected that the remainder of the fill and piling will be completed this week.

The city department of public works has raised the level of the park several inches during the past month. When work is com-

pleted it will include a parking lot, improved roadway and picnic area. The bathing beach has been cleared of driftwood and improved to a great extent.

Preparations to convert the ship into a flotel have been underway since last January. Since that time the interior has been cleaned, redecorated and remodeled.

The Overniter will have 54 first class rooms open to the public when it is ready for business about July 4. The big ship actually has a total of 216 rooms, most of these now in the process of being cleaned and will be open for use as the season progresses.

Negotiations Completed at National

Michigan Local No. 11-239 announced Tuesday that contract negotiations with the National Gypsum Company at National City had been completed. Ray Davidson, publicity director for the local said gains for employees were nine cents across the board. Classification adjustments amounted to a raise from \$1.77 1/2 to \$1.94 per hour for mechanic-extra boiler fireman and mechanic-extra boiler repairman. This was an increase of 16 2/3 cents per hour.

Formerly meeting once a month, the bargaining committee now meets twice monthly. The union spokesman said that improvements were also made in the grievance procedure, vacation plan and seniority set up. A change was made whereby an employee may go to the doctor and report later to his supervisor.

Several changes were made in miscellaneous provisions, one being a clause whereby every effort will be made to use local union people on jobs before contractors are called in.

The committee representing the union consisted of Melvin McCormick, president; Clarence Curry, recording secretary; Burt Fortune, Marvin Warner, Frank Smith, Stacey Simons and Willis Best. The committee was assisted by Victor D. VanEdden, International representative.

Alabaster Wins from Rhodes in 11 Inning Game

An 11th inning one-two punch by Alabaster's Jerry Grack and Clare Herriman settled the issue Sunday in an extra inning game as the Isco County baseball team won a 2-1 decision over Rhodes. The Alabaster club's record in league play now stands at three wins and one loss.

In the top half of the 11th, Grack blasted a double to lead off the inning and Herriman followed on his heels with a single to push him across the plate with the winning run.

Up until that time, Herriman and Ingle of Rhodes had hooked up in a real pitcher's duel with the Alabaster twirler allowing five hits and the loser limiting Alabaster to three.

Receiving credit for the win, Herriman fanned 10 batters and walked three. Ingle struck out 13 batters and walked three.

Rhodes scored their lone run in the second inning on an error, a sacrifice and a single.

Alabaster tied up the contest in the sixth inning when John Erickson reached first on an error.

Miss Ardith Wigan of Bay City and Mrs. L. D. Norton of Big Rapids attended the Gwynn-Boomer wedding on Saturday.

New Charter Cruiser Launched Thursday

The all steel charter cruiser, Miss Tawas City, owned by the Tawas Boat Company of Tawas City was launched last Thursday afternoon in the Tawas River. Owners William Borosch and George Clute supervised the launching ceremony with members of the Tawas City Businessmen's Association looking on.

The new cruiser, built at the Clute Sheet Metal fabrication plant near the river mouth, will operate from the Tawas City Park dock this summer. Ticket sales for charter cruises will be sold at the park concession building.

Grand-Slam Homer Wins Sunday Game

A grand-slam homer by Centerfielder Russ Anschuetz in the bottom half of the third inning spelled the second win of the season for the Tawas City Independents Sunday as they turned in a neat 8-1 victory over West Branch. The game was played at the local diamond.

Anschuetz's drive over the left field fence came after the locals had scored two runs off the slants of Sanback earlier in the inning. The West Branch pitcher walked two men to start the inning and two fielding errors, one by himself, allowed the Indies to score two runs and set the stage for the bases-loaded home run.

After the third inning eight-run uprising by Tawas City, Wiltzie, who took over mound duties for West Branch, settled down and shut out the Indies. Only one hit figured in the third inning scoring attack.

Receiving credit for the victory was Don Grady who allowed West Branch only three hits in the eight innings he pitched. Warner (See Grand Slam, Back Page.)

Council Approves New US-23 Sewer Extension

The Tawas City Council approved a building permit request by Edwin Habermehl of Fuelgas Company for the construction of a new sewer line at its regular meeting Monday night. The new building will be built on US-23 next to the K. W. Bublitz residence.

The council also gave approval to a drive approach at the new Dairy Isle on US-23 at River Street.

In other business taken up during the meeting, the council adopted a resolution approving the construction of sewer extension of the west side of US-23 to the south city limits.

The Immaculate Heart of Mary Church will hold a turkey dinner at the parish grounds in Tawas City on Saturday and Sunday, July 2 and 3, beginning at 12:00 noon. Admission prices are adults \$1.50, children 75 cents.

Guests of Michigan Bell at Luncheon

Local civic and business leaders joined representatives of the Michigan Bell Telephone Company Monday noon to mark an historic advance in telephone communications in the Tawas area.

At 2:06 a. m. Sunday, East Tawas and Tawas City telephones were switched to dial operation and placed on a metropolitan system that will eventually become part of a nationwide network.

As announced earlier, the cut over was scheduled to take place at 2:01 a. m., but telephone technicians in charge of the conversion stood by for five minutes while an emergency hospital call was being handled. When that call was completed, a signal was flashed to Bell workmen in the old and new telephone offices to cut out the manual lines and open switches that set dial service into operation.

Following the Sunday morning event, a commemorative luncheon was held in the Holland Hotel where Mayor Elmer Werth of East Tawas and Mayor George W. Myles of Tawas City officially proclaimed the communities' acceptance of the new system.

T. C. Maher, area manager here for Michigan Bell, was the master of ceremonies at the luncheon attended by some 90 local residents, businessmen and civic heads. Maher in his talk traced telephone history here from the era when one line was in operation to the present time in the Tawas, now served by some 2,200 telephones.

Bell officials reported that the conversion took place "without too many hitches" as users began to dial their own calls. At the luncheon, Maher pointed out that some dialing errors were being made by subscribers confusing the number "zero" with the letter "O", on the dial. He explained that when the number is dialed instead of the letter, the call auto-

matically is intercepted by the operator and an unnecessary delay is caused.

"This is not unusual in exchanges where the central office name has the letter 'O' in it as in Tawas where FOREST is the prefix," said Maher. "A good way to keep in mind the difference is to remember that the 'zero' is the last slot in the dial where the word 'operator' appears."

In his visits through the area just before the conversion, Maher met with police and fire chiefs to point out that the new telephone directory contains specially provided spaces where subscribers can write in their police and fire numbers.

"Write these numbers in," urged Maher, "because in an emergency you have quick reference to the number without having to look it up in an excited moment."

Crocker Opens Elms Gardens Subdivision

The opening of the new Elms Gardens Subdivision in the Third Ward is the fourth subdivision developed by N. J. Crocker in Tawas City and his 21st in Isco County. Some of the finest homes in the city are in the three Elms Subdivisions developed by Crocker during the past few years.

Streets in the Elms Gardens have been graded and given a course of crushed rock. In a beautiful woodland of hardwood and pine, it is one of the beauty spots of the city. Three new homes are now under construction there.

Several hundred cottages and homes have been constructed in other subdivisions developed by Crocker during his past 30 years in the Tawas area. He said, "I don't know of anyone who has bought a lot in my developments who is dissatisfied with the purchase."

Youthful Ohio Fisherman Killed by Lightning

A youthful Lancaster, Ohio, fisherman was killed Monday afternoon when he was struck by a bolt of lightning while fishing from a rowboat at Tawas Lake.

Bruce L. Clemons, 15, son of Mr. and Mrs. Kensel Clemons, was casting from the boat when the bolt struck him and knocked him into the lake. Fred Rader of Columbus, Ohio, his fishing companion in the boat, was unhurt.

After the bolt struck the youth and knocked him into the lake, Rader pulled him back onto the boat and called to Lee Clemons, Bruce's grandfather, and Stanley Brown of Quincy, Illinois, who were fishing from a nearby boat. Brown applied artificial respiration and an inhalator squad from East Tawas worked on the boy for an hour. Dr. Lawrence A. LaPorte of East Tawas said the boy was killed by the bolt, due to

acute cardiac arrest, and did not drown.

The Isco County Sheriff's Department, Michigan State Police and local police helped with the resuscitation. Police Chief Harry Pelton and T. S. Dimmick of East Tawas rushed adrenalin to the scene of the accident but it was to no avail.

Get into the Fine-Car Class...

STAR CHIEF CUSTOM CATALINA

... at a cost you can easily afford!

What is a fine car? What sets a certain few apart in the world's esteem . . . wins them first place in most people's desire?

First and foremost, a fine car is a style-setter—a real advance in smart appearance.

Naturally, it's also a pace-setter—a fundamental forward step engineering-wise. At the wheel you should know that you've reached the peak of performance—experienced an all-new kind of flashing, vigorous, smoothly delivered power.

There's more, of course. It must be enviable for sheer luxurious comfort, for restful roadability, for thought-quick handling ease.

And it must, above all, be wholly dependable,

for only a trustworthy car can be called "fine."

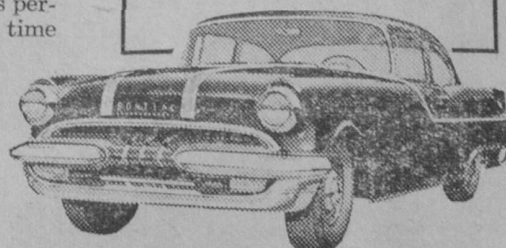

If this meets your definition of a fine car and you want it, there's nothing in your way. For this description is right off the Pontiac score sheet—a short but perfect picture of this big, powerful, future-furnished car. And Pontiac's prices fit comfortably into anybody's new-car buying plans!

Come in for the rest of the reasons why this is the fastest-selling Pontiac in history—such as the inside story of America's most modern and efficient automotive power plant, the sensational Strato-Streak V-8. And get the trade-in appraisal this great success permits. We're sure we can prove that now's your time to move into the fine-car class!

Sunday, July 17—4-H Club Family Picnic.

A gypsy's (Mrs. Pat Nardizzi) crystal ball helped tell the 4-H Club Dress Revue story at Plainfield Township Hall on Monday evening, June 13.

Thirty-five girls modeled aprons, skirts, dresses, slacks, blouses, a tailored wool suit as well as knitted sweaters and a cap. All have been made by these girls within the past 10 months (some may say, 10 days), with the guidance of volunteer 4-H Club leaders.

Selected to represent Iosco County in the Club Week Dress Revue contest at Michigan State College June 28-July 1 is Judith Grabow, member of Whittemore's Burleigh Wizards 4-H Club. Judy made and modeled black corduroy slacks and yellow cotton blouse.

Chosen as alternate is Neva Daugharty, member of Reno Topnotchers 4-H Club.

Others in the Dress Revue group are: Mary Jane Douglass, Janice Sturtevant, Lorna Mae Mott, Shirley Smith, Donna Coates, Gloria Siegrist, Jean Sugden and Neva Daugharty in her wool sweater.

4-H Club tours are planned during the next month. Remember to have project reports completed for those projects you are now completing so that Certificates of Achievement can be presented.

Planning on 4-H Camp this year? Made your reservations? First come, first served, so be sure to make a reservation early.

Christmas is in the Air at Frankenmuth

Christmas is in the air in Frankenmuth, Michigan, today and also 364 other days of the year.

Nativity scenes, carolers, Christmas bells, Santa Claus and reindeer were beaming yuletide joy to Walter Champion, vice president of the Tawas Chamber of Commerce, who visited Frankenmuth on Saturday, June 18.

The year 'round display of Christmas decorations is at the showrooms of the Bronner Display and Sign Advertising Company where a special showing of Christmas decorations is being conducted for purchasers of outdoor yuletide equipment.

The annual Early Bird showing ends its six-day run Sunday. Municipal and chamber of commerce officials, chairman of civic decorating committees and company representatives from Michigan, Ontario, Ohio and Indiana have already inspected what is new in outdoor Christmas decorations, according to Wallace Bronner, owner of the unique company.

A large portion of the Bronner firm's work is in large outdoor Christmas equipment. The yearly showing is presented to show cities, towns and private organizations the type of decorations that will be available for their outdoor displays in December.

Christmas decorations plants in such widely-scattered parts of the nation as Wisconsin, Missouri, New York, California, Minnesota and Illinois are channeled through the Frankenmuth company into scores of bright, colorful holiday displays throughout Michigan, Ohio, Indiana and Ontario.

Pot-Luck Supper to Feature Hale Meet

The Hale Community Council will hold election of officers at the next regular meeting June 27 at 7:30 p. m. in the high school home economics room. A pot-luck supper will be held. Each person is to bring a dish to pass and his own dishes.

Officers of each organization are asked to see that their representatives and alternates are at this meeting and each following meeting.

A number of things have been accomplished during the first year, but more can be accomplished if all organizations participate. It is up to the head of each organization to see that the report is given at meetings.

Attempts to locate a speaker for this month's meeting have not as yet been successful.

Summer Music Camp Opens August 16

A summer music camp, known as the Wheaton-Barakel Summer Music Camp, will enter its second season on August 16 through 28 under the combined leadership of the Wheaton College Conservatory of Music, Wheaton, Illinois, and Camp Barakel at Fairview,

Michigan. A variety of courses to interest school and church musicians will be offered this year including choral conducting; piano workshop; fundamentals of music; choir and ensemble work for orchestral and instrumentalists. College credit will be offered in piano musicianship and choral conducting.

Edward A. Cording, executive director of the Wheaton College Conservatory of Music, has set up the music program for the camp. His teaching staff will consist of Paul Warren Allen, director of Wheaton College choir; Reginald R. Gerig, professor of piano; John Maltese, instructor in strings and first violinist for the college symphony orchestra; and Elton Dreselhaus, teacher of wind instruments.

Holman Johnson, resident director of Camp Barakel, which he operates the year round as one of Michigan's northwoods camps, conceived the idea of combining the music camp with his recreational facilities when he invited Wheaton College to sponsor the program last year.

MOST Modern V8 FOR YOUR JOB!

NOW...THE SHORTEST STROKE V8's
IN ANY LEADING TRUCK!

Now new Chevrolet Task-Force trucks bring you the industry's most advanced V8 engines* with an ultra-short stroke for reduced friction and wear. Here are some of the modern features they bring you.

Modern 12-volt electrical system

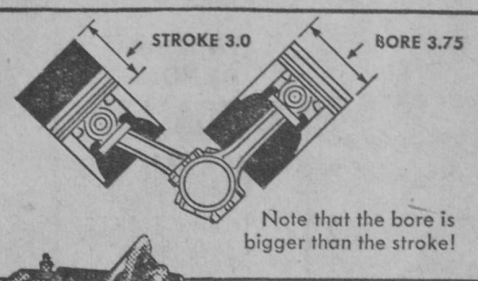

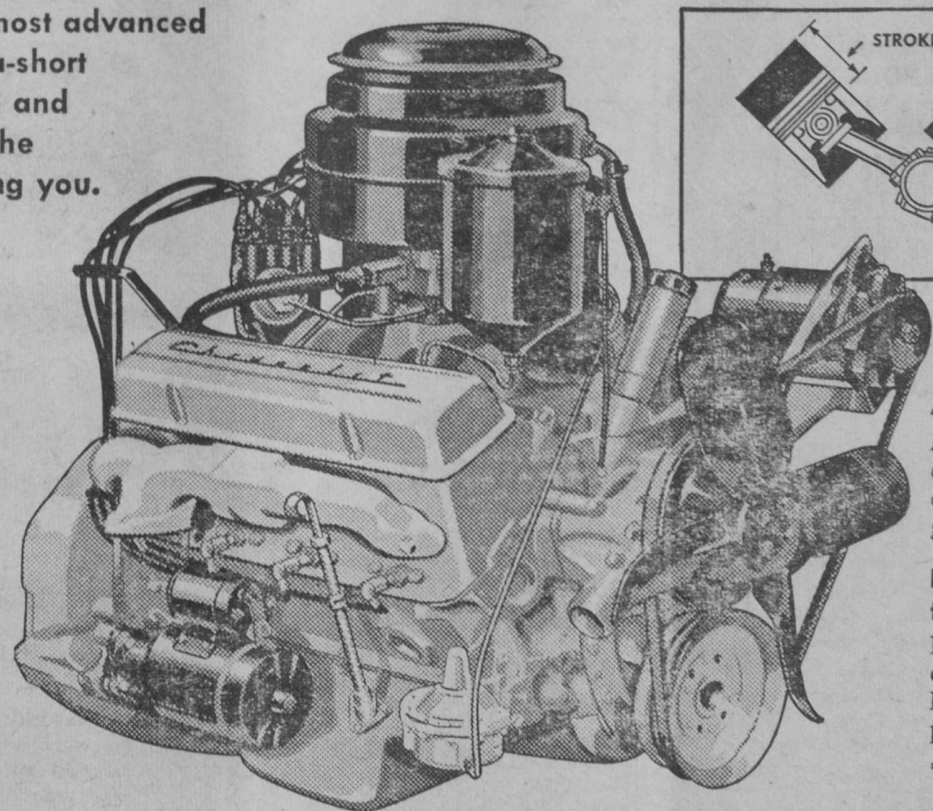

You get double the punch for quicker starting and more efficient ignition. Also, you have a greater reserve of electrical power.

Gas-saving high-compression ratio

With a high 7.5 to 1 compression ratio, Chevrolet's new V8 truck engines squeeze extra power—and work—out of every tankful of gas. Hauling costs go down!

Extra-high power per pound

Compact, super-efficient design results in high power output per pound of engine weight. This means more useable power!

Note that the bore is bigger than the stroke!

Advanced aircraft-type valves

A new valve train design permits each valve to function independently—as in modern aircraft engines. Valve action is more positive.

Floating oil intake... full-pressure lubrication

New floating oil intake selects the cleanest oil for engine lubrication. Full-pressure lubrication provides positive protection.

*V8 standard in the new L.C.F. models, an extra-cost option in all others except Forward-Control models.

Baraca-Philathea Class Rally Held at East Tawas

The Baraca-Philathea Class Rally was held at the East Tawas Methodist Church last Saturday evening. A 6:30 dinner was held in the church parlors preceding the meeting. Tables were lovely with pastel colored cloths and lighted candles.

The altar in the church proper was decorated with bouquets of red roses and lighted white candles.

Distinguished guests were the state president, Mrs. Carrie Bowen of Port Huron; state past president and speaker of the evening, John Black of Detroit; Mrs. Sara

Rae of Detroit, state vice president; Miss Abigail Balgooyen, state secretary of Port Huron, and Del Davis of Detroit, state treasurer.

In charge of arrangements was Mrs. J. A. Carlson, president of the local Philathea Class. The state president opened the meeting with an address appropriate to the setting, "Christ the Light of the World."

Community singing of Baraca-Philathea pep songs followed. Miss Ruby Evans gave a vocal solo, "Jesus Smiled On Me," accompanied Miss Beth Blake. Mrs.

Fern Scott led devotionals with a discourse on the 23rd Psalm. Mrs. Bowen gave a talk on what the letters in Philathea means in leading a Christian life.

Music was furnished by Highland Park members as follows: Vocal duet, Mary White and Martha Fisk; accompanist, Alice Hall. The speaker of the evening, Mr. Black, used for his topic, "Faith of the Christian." He discussed six attributes of Christ to remember: The promised One, the crucified One, the risen One, the ascended One, the living One, the coming One. This theme was used

from notes of his father who died one year after his ordination as a Methodist minister.

Mrs. Ellen Evans gave a recitation of the story, "The Little Clock Maker," bringing out the thought of giving all for Christ. The meeting closed with singing of "Blest Be the Tie That Binds in Circle Formation." Tea and home-baked cookies were served after the meeting.

Mr. and Mrs. Ray Ledsworth and family spent Father's Day in Detroit with relatives.

Gwynn-Boomer

Miss Shirley J. Boomer, daughter of Mr. and Mrs. James Boomer of this city, and DeLore S. Gwynn of Wurtsmith Air Force Base, Oshtemo, were united in marriage last Saturday evening at the Tawas City Baptist Church at a candlelight ceremony.

The double ring ceremony was solemnized by the Rev. Charles E. Mercer before 100 guests at 7 o'clock.

Palms, candelabra and baskets of flowers graced the altar. Miss Elaine Foco sang "Because" and "The Lord's Prayer," accompanied by Miss Arlene Leslie at the organ.

Boomer gave his daughter in marriage. For her wedding, she chose a floor length gown of white satin with Chantilly lace and nylon tulle fashioned with a high neckline, scroll applique, fitted bodice, wrist-point sleeves and full bouffant skirt of nylon net. A lace tiara studded with pearls held her fingertip veil of bridal illusion. Her bouquet was a white orchid, Stephanotis and ivy.

Miss Sharon Boomer was her sister's only attendant. She wore an off the shoulder pink taffeta gown with net overskirt. She carried a bouquet of white stock and rosebuds with a matching floral head wreath of rosebuds.

L. D. Norton from Wurtsmith Air Force Base was best man. Ushers were James Rapp of this city and Grovet Jeffers of Wurtsmith Air Force Base.

The bride's mother wore a dusty rose dress of nylon lace over taffeta with white accessories and a white orchid.

Out of town relatives were present from Birmingham, Bloomfield Hills, Bay City and Big Rapids.

A reception followed in the church parlors for friends and relatives. The young couple left on a two-week trip to Carrington, North Dakota, the home of the groom's parents, Mr. and Mrs. Ivan Gwynn.

The 10th District Convention of the American Legion and Auxiliary will be held in West Branch Sunday, June 26.

"Let us show you how easy it is to drive a CHRYSLER!"

Chrysler owners know it and we'd like you to know it—Chrysler is winning performance honors, hands down!

Come prove it to yourself by taking the "100-Million-Dollar Ride!" It's a driving thrill that no other car can give you... with America's finest family of V-8 engines to choose from... up to 300 hp; mightiest of all! Teamed, mind you, with PowerFlite automatic no-clutch drive... which for honey-smooth take-off power leaves even "second best" out of sight!

Chrysler is a big car. Low, long and sleek. It has fashion

experts coining new terms to fit it, like "tailored steel." Yet, thanks to countless exclusive drive-features (all Chrysler-originated) it handles as easy as a wave of your hand. There's Full-time Power Steering, for one. Chrysler Power Brakes, for another. Extra large... extra easy to apply... extra stopping power!

That's why we say you're not only miles ahead in a Chrysler, but years ahead as well. Isn't now a good time to start pacing the field in the car that's the big news of 1955? We're ready to start you off—the minute you say when!

COME TAKE THE CHRYSLER "100-MILLION-DOLLAR RIDE!"

GOOD DRIVERS DRIVE SAFELY!

July 19-22—Homemaker's Conference, Michigan State College.

You have been asking about the program for Homemaker's Conference this summer. Here is a short preview of things to come:

On the program there are to be nationally known speakers; recreational activities such as square dancing, movies and tours, and a choice from among 20 classes on a great variety of subjects.

Featured speakers include: Edwin C. Kemper, special agent for the FBI; Dr. Cleo Dawson, popular psychologist; Dr. David E. Molyneux, First Presbyterian Church, Flint; Mary Taepke, home lighting specialist with Detroit Edison Company.

Special entertainment will be provided by Doraine and Ellis, a musical team. All in this promises to be "A week no homemaker will want to miss."

At picnics we often hear comments about how good the food is and about how much we are eating because everything tastes "so good" when eaten outdoors. Well, here's a tip to people who are in the habit of over-eating. Your children have an excellent chance of picking the habit up and keeping it the rest of their lives. It's doubtful that all those extra pounds are inherited. Children are expert at copying their elders, and that often holds true for eating.

The youthful habit of over-eating is often carried into old age. And that's when it does the real damage. Older persons do not adjust as well to excesses of food as they did when younger. Poor health is often the result of those eating habits picked up as a child. Proper eating habits may pay you double, both for yourself and your children.

If a quart of milk could talk, it might sound rather boastful, but it would have a perfect right to boast.

A quart of milk could tell that it contains as much calcium as 50 oranges, two large cabbages or 27 pounds of meat. And what would a person's bones and teeth be like without enough calcium? Besides building and repairing bones, calcium helps in clotting blood and helps regulate muscle and nerve action.

The best part of the calcium story is that one quart of milk supplies a person with one and a half times his daily calcium needs. The talking quart of milk might also take credit for a person's smooth skin, glossy hair and good eyesight. This is because a quart of milk contains vitamin A, enough to supply one-third of our daily requirement.

Body growth depends in part on riboflavin (vitamin B-2). A quart of milk supplies three-fourths of our daily needs of this vitamin which also makes for healthy skin and eyes.

This same quart of milk supplies almost half of our daily protein requirements. Protein is responsible for strong, well-built bodies with firm rounded muscles.

Over half of the phosphorus we need for strong bones and teeth is found in a quart of milk. Besides these, it contains thiamin, niacin, fat, vitamin C and calories. And vitamin D-fortified milk fulfills a person's daily requirement for this vitamin.

373 in Isosco Receive Social Security

In Isosco County at the end of last year 373 retired workers were receiving \$22,348 in monthly social security payments, according to figures just released by Paul M. Ellifritz, Social Security Administration district manager in Bay City.

In addition to the retired workers themselves, 287 people were receiving \$10,377 a month as dependents of aged workers or as survivors of those who had died. These amounts represent an increase of 40 percent over benefits being paid at the end of 1953. Mr. Ellifritz pointed out that due primarily to the 1954 amendments to the social security law, which increased all benefits.

One of the changes in the law made it possible for the first time for the survivors of some workers who died after 1939 and before September 1950 to qualify for payments.

Beginning in September 1954 the amendments permit the "dropping out" of up to five years of lowest earnings in figuring the worker's average monthly wage. This has the effect of increasing the average earnings, from which the monthly payments are figured.

Other improvements in the law did not go into effect until the first day of 1955; although these changes had not affected the payments that were being made at the end of 1954, they will contribute to further increases in the total amount of benefits payable in Isosco County during this year.

Among the amendments that went into effect on the first day of the year, one changes the rules for receiving payments while the beneficiary is working. One extends coverage to many kinds of work that did not count toward social security benefits before 1955, and another increases the maximum amount of annual earnings creditable toward benefits from \$3,600 to \$4,200.

Mr. Ellifritz stressed the importance of these benefits as the greatest or the only source of income of the families who received them. "Two out of three people now reaching age 65 can qualify for old-age and survivors insurance benefits," he said, "and nine out of 10 mothers and children in the country are assured of survivors benefits in case of the death of the family breadwinner."

Money to pay these benefits comes from the Old-Age and Survivors Insurance Trust Fund, which is built up from social security tax contributions of workers, their employers and self-employed people.

The Bay City Social Security Office is at 210 Post Office Building and representatives of this office regularly visit East Tawas on the third Wednesday of each month.

Wheat Referendum Will be Held Saturday

A minimum price support for the 1956 wheat crop of not less than \$1.81 a bushel, national average, has been announced by the department of agriculture, according to Lawrence R. Ball, chairman of the County Agricultural Stabilization and Conservation Committee. The announced minimum support rate will be in effect in the commercial wheat states if wheat growers approve marketing quotas in the referendum on June 25.

The price announcement followed an earlier statement by Secretary of Agriculture Ezra Taft Benson that the minimum 1956 wheat support price would be established before the marketing quota referendum. With this announcement, wheat growers have all the necessary facts before voting in the referendum.

The announced minimum support for 1956 reflects 76 percent of the estimated "transitional" wheat parity price of \$2.38 per bushel. The support level is set in accordance with the law which provides for a variable level on the basis of the estimated supply of wheat. The minimum national average rate of \$1.81 per bushel for 1956-crop wheat will not be reduced but will be increased if a combination of the wheat parity price and the supply percentage on July 1, 1956, indicates a higher minimum level of support.

If two-thirds or more of the wheat growers voting in the wheat marketing quota referendum on June 25 approve, marketing quotas will remain in effect for the 1956 crop and price support will average not less than \$1.81 to growers in the commercial wheat states who do not exceed their farm wheat allotments. When quotas are in effect the producer who exceeds his farm wheat allotment, if he has more than 15 acres for harvest, will be subject to a marketing quota penalty of 45 percent of parity on the excess production. Wheat from a farm on which the allotment has been exceeded is not eligible for price support.

If more than one-third of the growers voting in the referendum disapprove, marketing quotas will not be in effect and price support will be available at 50 percent of the transitional parity price, or about \$1.19 a bushel for those

farmers who stay within their farm wheat acreage allotment. Those who exceed their farm wheat acreage allotments will not be eligible for wheat price support.

The polling place for the June 25 wheat referendum has been established at the Isosco County ASC County Office, Room 203, Federal Building, East Tawas. The polls will be open from 8:00 a. m. to 6:00 p. m. The County ASC committee will act as the referendum committee with Lawrence R. Ball, chairman; Victor W. Herriman, vice chairman, and Carl W. Schmalz, member. Two alternates have also been selected. These are Keith McLean of Burleigh Township and Charles Timreck III of Baldwin Township.

According to Chairman Ball, a total of 13 wheat growers is eligible to vote in the referendum, based on records at the County ASC Office. Each of these have been notified of the farm wheat acreage allotment for 1956. Growers not listed may vote and their votes will be counted if they can establish their right to do so.

Any wheat producer who will have more than 15 acres of wheat for harvest as grain in 1956 is eligible to vote.

TAWAS AREA COUNCIL OBJECTIVES EXPLAINED

The regular meeting of the Tawas Area Community Council was scheduled last week for the home economics room in East Tawas high school. President Frank Wilkusi acknowledged the lack

of a quorum present to conduct business (60 percent of delegates must be present according to its constitution and by-laws.) President Wilkusi explained to the delegates present the objectives of the community council. The quality and types of movies and literature that are available to the youth of the area, received considerable comment.

The July meeting will hear reports from the program, public relations and membership committees. Special committee appointments by the board of directors will be presented to the delegates for their approval. Watch for the announcement of the July meeting.

PEOPLE say success makes success—but we say people make success, and how!

It's people—just like you—who are snowballing Buick sales this year to an all-time peak.

It's people—just like your neighbors down the street—who are snapping up these gorgeous new Buicks almost as fast as we get them from the factory and causing Buick production to climb to new level every month, to handle the unparalleled demand.

And it's people—just about from every walk of life—who keep Buick sales soaring without letup—and

who have moved Buick more solidly than ever into the charmed circle of America's top best sellers.

But why? Why this phenomenal swing to Buick on the part of people who can choose any new car? Because Buick's a buy—definitely.

And because it's a bold beauty that catches the eye and holds it—that's for sure.

And certainly because it's supremely level of ride—and a sweet joy to handle—and a mighty bundle of high-voltage V8 power to melt away the miles and the high hills.

But most of all, because Buick this year is a performer like no earth-bound vehicle ever was before...

Because Buick—and only Buick—has the airplane-principled magic of Variable Pitch Dynaflo® where you switch the pitch for big gas savings in cruising—or for whip-quick getaway response and acceleration when you need a sudden safety-surge.

It's sheer thrill, and pure pleasure, and a big boon to your gasoline budget—and you really ought to try it.

Come visit us soon—this week, at the latest—and see for yourself why this is the car folks just won't do without—the biggest-selling Buick of all time.

THANK YOU

Our thanks to each of you for the welcome you gave the new dial telephones and the new, metropolitan-type telephone numbers that went into service last Sunday morning.

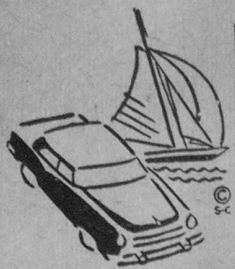

The big telephone change took place quickly and smoothly. Practically everyone remembered to dial the first two letters and figure of the telephone office name, plus the other four figures of the telephone number. Just about everybody remembered to look up the correct telephone number in their new directory before making a call.

We know you'll like the new dial service, and the easy way you and your friends in East Tawas, Tawas City, and Oscoda can dial direct to each other.

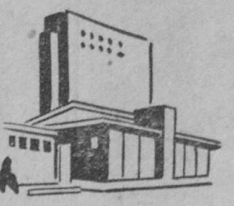

These telephone improvements cost nearly half a million dollars. They represent a major step forward in a long-range program to keep your telephone service fast, dependable, and easy to use... truly a giant stride toward that future day when you'll dial direct to telephones as far away as New York or San Francisco.

Thank you!

Boy Has Dream Come True

An 11-year old Detroit youngster recently had the dream of all boys, young and old, come true when he had the opportunity to meet in person Al Kaline, 20-year-old outfielding sensation of the Detroit Tigers.

During a visit to Briggs Stadium with his father, Mike Jackson, met the Tiger star at the Detroit dugout and the young league-leading slugger gave the youngster a few hints on batting.

Mike, the son of Paul Jackson of Detroit, is the grandson of M. V. Jackson, who with his brother, Ralph, own and operate the East Tawas Recreation.

The Detroit Free Press covered the meeting between the two and a feature story appeared recently in the newspaper's sports section. Mike is now playing in his fifth season of Little League ball at Detroit and like every other American boy who ever swung a bat, Mike, too would someday like to be a major leaguer.

Michigan Boat License Now Due

Your Michigan Boat License is now due.

Under the provisions of Act No. 348, Public Acts of 1947, watercraft having an over-all length of 16 feet or more and owned by a resident of Michigan, or hailing from any port within this state shall, prior to the time it is placed into use or navigated upon the waters lying within and surrounding this state, be licensed by the Michigan Department of State and shall be subject to a specific tax, payable annually by its owner.

Section 2 (a) provides penalties for violation as follows: "Any person liable for the tax imposed under Section 1 (a) of this act who uses or permits the use of any vessel, boat or other watercraft as in Section 1 (a) defined before such license has been issued and attached to said vessel, boat or watercraft shall be guilty of a misdemeanor and upon conviction thereof shall be fined not more than \$100 or imprisoned for not more than 30 days, or both." Exempted from the tax are

commercial fishing boats licensed by the department of conservation, commercial vessels paying the State Tonnage Tax, vessels having an over-all length of less than 16 feet, vessels propelled solely by muscular power and those owned or operated by the United States or the State of Michigan, or by the Boy Scouts of America chiefly for training scouts in seamanship.

Application for licenses may be obtained by writing to the Michigan Department of State, Capitol Building, Lansing 18, or by applying at designated branches.

We're "Sell-a-brating" with Leadership Deals

on brand new '55 **Fords!**

Summer andwagon Sell-a-bration

Now going on!

All year long we've been selling new Fords at a Leadership pace. Now we're "Sell-a-brating" in advance what looks like the most successful sales year in Ford history. We're offering Leadership Deals on all '55 Fords—so you share the benefits.

Why not hop on the Ford Bandwagon—get in on a deal that spells savings to you—now while your present car is worth its top dollar—now while you can enjoy a full summer of fun in America's trend-setting, "CO"-leading, "worth-more" car—the brilliant '55 Ford. Come in at your earliest—come get our "best"!

Sells more because it's worth more **FORD**

V-8 POWER from the V-8 leader . . . that's what you get in a Ford. And Ford's Trigger-Torque "go" means more than just trigger-quick action on take-offs. It gives you a whole new feeling of confidence and security in traffic or on the open road.

YEARS-AHEAD LOOKS . . . you see it in every Thunderbird-inspired line. For, this '55 Ford is truly the styling "trend-setter." Perhaps you've noticed, too, you see more and more Fords in front of homes where formerly only costlier cars were parked.

SMOOTHER GOING . . . and you'll go more places! The reason? Ford's revolutionary Ball-Joint Front Suspension is better than ever. For '55, springs are tilted back to absorb bumps from the front as well as up and down. You'll find even the smooth roads seem smoother!

Catering to conventions, the ship has three lobbies and guests will come into a large main lobby from the dock. The main lobby was completely modernized in 1951 with acoustical ceiling tile and floor tile. The furniture is all modern chrome with deep-padded construction.

Directly off the main lobby is a coffee shop, hotel manager's office and baggage room.

The other two lobbies are as they were when the ship was built with mahogany paneling and heavy mahogany furniture, writing desks and wide stairways. A newspaper and magazine stand is located in the second lobby, also desk and display space for pamphlets and pictures of the area.

The ship has been the center of much discussion since it was berthed here Sunday. A Dayton, Ohio, man, R. A. Schaeffler, stopped in at the Herald office Monday and said that he had been aboard the ship many times for pleasure cruises years ago. He said, "I am glad to see the old Western States serve a useful purpose again. It is an old friend."

On the other hand, some unfounded rumors have been making the rounds since last November, when the owners were first making plans to bring the ship here. Most of the rumors resulted when the months of preparation required to bring the ship here were overlooked.

Aged Tawas Resident Dies Sunday

Herman Herstrom, 80 years old, who had been a resident of East Tawas since childhood, died at Tawas Hospital Sunday evening, June 19, at 10 o'clock. He had been in the hospital three weeks following an illness of several months.

The body was taken to the Mofatt Funeral Home. Funeral services will be held on Thursday afternoon at 2:30 at the Grace Lutheran Church with the Rev. Robert Nelson officiating. Burial will be made in Greenwood Cemetery.

Mr. Herstrom was born in Gam-lakareby, Finland, on April 15, 1875. He came to East Tawas in 1892 with his parents, Anders and Helena Herstrom, and has resided here since in the family home on Westover and Smith Streets. On July 3, 1908, he was married in East Tawas to Miss Lena Johnson, who preceded him in death September 1, 1952.

Surviving are one brother, Alfred of Flint; five nephews; two nieces, and several cousins. He was a past noble grand of Baldwin Lodge, IOOF, and member of Irene Rebekah Lodge.

During his life he was employed as a carpenter and for several years worked for the Detroit and Mackinac Railway Company. He was a member of the East Tawas City Band and Orchestra and also played in the Oscoda Band and was associated with several other musical groups.

3 Candidates on Tawas School Ballot

The names of three candidates will appear on the ballot in the Monday, July 11, Tawas Rural Agricultural School District election. Candidates for three-year terms of trustee are Waldo J. Curry of Tawas Township and Stuart White of Baldwin Township, incumbents, and Mardis Turner of East Tawas.

Two of the three candidates will be selected for the position of trustee by the district at large to fill the vacancies created by the completion of terms by the incumbents.

Walter H. Niles, secretary of the board of education, notified all electors this week that the last day of registration for this election is Friday, July 1.

United States Army warehouses now have a total inventory of reserve war equipment valued at more than 20 billion dollars. More than three-fourth of the total is stored in the United States and is in addition to the 5 billion dollars worth of equipment in the hands of United States troops here and abroad.

Special Award Goes to Bronson Motor Sales

Arnold Bronson Motor Sales of Tawas City today received official notice from Detroit that it had been singled out for a special award from the Chrysler Corporation.

The award, a bronze plaque, was given in recognition of the completion of two years participation in the Master Technicians Service Conference, a continuous, nationwide training program in the servicing of Chrysler Corporation cars.

Notification came from W. B. Rice, director of service of Plymouth, and administrator of the program under which Plymouth dealers receive, each month, a package of training material consisting of a sound slide film, charts and booklets.

The Master Technicians Conference is the largest and among the most successful mechanical training programs ever attempted by American industry. It assures car owners of expert service by master technicians, men to keep up-to-date on modern service methods.

Individual awards have been made to the service personnel of Arnold Bronson Motor Sales who are participating in this program. "We take our hats off to these master technicians," Rice said. "Many have taken this training on their own time, showing their determination to become experts in their field."

Jack D. Bronson, who has served as the dealer's conference leader in the training program says, "The Master Technicians program takes the guesswork out of automobile service, keeps labor and material expenditure at a minimum, and results in more accurate work at less expense to the auto owner."

Added Attraction for Summer Visitors

As an added attraction for summer vacationers who visit the Tawas area and local residents who are interested in novel recreational facilities, a new "Hobby Lot" has been constructed on US-23 next to the Sunset Motel in Tawas City.

Owned and operated by Edward Stojanowski, a former Centerline resident, the new business features an archery range, a fascinating 18-hole miniature golf course and shuffleboard.

"Later on in the summer we will possibly install a tennis court as an added recreational facility," stated the owner this week. "We offer free archery and golfing instructions to those interested." The new recreational area will be open for business this week-end and a grand opening will be held the week-end of July 4.

Mr. and Mrs. Stanley Hart of Detroit are spending a vacation in East Tawas. Mr. and Mrs. Karl Kienholz and their daughter, Karen, of Ann Arbor visited over Sunday with the Kienholz family. They were here to help celebrate the first wedding anniversary of Mr. and Mrs. Donald Spencer.

Mr. Hazel Hoenshell was taken to Tawas Hospital Tuesday for medical attention.

East Tawas

(Continued from Page One.)

Visitors at the home of Mr. and Mrs. Fred Adams are Mrs. T. M. Foster and daughter, Linda, of Norfolk, Virginia; Mrs. J. M. Austin and three children of Plymouth; their grandson, Robert Lincoln of Traverse City, and their granddaughter, Suzie Lincoln, who arrived this week from Balboa Heights, Panama.

Miss Phyllis Schanbeck of Bloomfield Hills spent the week-end here and attended the wedding of her niece, Miss Shirley Boomer, and DeLare S. Gwynn.

Delegate from the local Methodist Church attending the conference in Detroit the past week was Miss Bernadine Goad.

The Rev. Robert Nelson attended a district meeting of pastors and installation of the new pastor at Flint on Wednesday.

Mathew Kienholz has been at Jackson, Wisconsin, this week attending the funeral of his brother, John Kienholz, who died of a heart attack last Sunday. The funeral was held on Wednesday.

Philip Parker of Saginaw has been visiting this week with his grandmother, Mrs. William Parker.

Mr. and Mrs. Russell McKenzie were in Frankmunth and Akron, Michigan, on Tuesday. At Akron Mr. McKenzie attended a meeting of the IOOF.

Mr. and Mrs. Donald Spencer of Lansing are visiting for a week with their parents, Mr. and Mrs. Mathew Kienholz and Mr. and Mrs. Guy Spencer.

Mrs. Lewis F. Besancon and Mrs. Conrad Carlson have been attending the Episcopal convention at Cranbrook as representatives of Christ Episcopal Church.

Richard Hertzler is attending camp at the Soo in connection with his college work in engineering.

Edward Benjamin and her daughters, Mrs. Noll and Mrs. Bemis of West Branch, were recent visitors at the home of Mrs. Frances Bigelow, who is Mrs. Benjamin's sister-in-law. The ladies spent a day at Rogers City viewing the Caliente quarry.

Mr. and Mrs. William Brooks and children of Bay City spent the week-end with Mrs. C. E. Lickfield.

Mr. and Mrs. Richard Buc and little son are visiting in Cleveland, Ohio. Mr. Buc's mother, Mrs. Mae Buc, who had been visiting with her son in East Tawas, returned home with them.

The Rev. Benjamin Whaley and family have been in Detroit the past week attending the Methodist Conference. Mr. Whaley has been transferred to the Fremont Methodist Church at Bay City.
