

TAWAS CITY

A. P. Klinger is a patient at the Veterans Hospital at Dearborn for a couple of weeks. Mr. and Mrs. George Sermon and family were Sunday guests of Mrs. Sermon's parents, Mr. and Mrs. Leo Hosbach.

Several members of the Tawas City Garden Club attended the meeting of the Tawas Garden Club on Tuesday evening. Mr. and Mrs. Carl Schaaf were recent week-end visitors in Lansing.

Mr. and Mrs. Newton Bowen have returned from a three-month vacation at Lakeland, Florida.

Mr. and Mrs. Julius Musolf and daughters of Saginaw spent Sunday with Mr. and Mrs. C. L. McLean.

Mr. and Mrs. Lester Libka of Alpena spent the week-end in the city with relatives.

John Groff of Detroit came Tuesday to spend a few days with his sisters, Mrs. Joseph Stepanski and Miss Viola Groff. Several from here attended the funeral of John Bellon at Whittemore on Wednesday morning.

Miss Emily Long spent the week-end at the Donald Long home.

John Ristow of Springfield, Illinois, is home for a couple of months with his parents, Mr. and Mrs. Ray Ristow.

Mr. and Mrs. James Boomer and daughter, Sharon, and Mr. and Mrs. Alfred Boomer of Midland returned Wednesday from a Florida vacation.

The annual "10-cent" supper served by the Ladies Auxiliary of the Jesse C. Hodder Post, American Legion, will be held Saturday evening, April 2, from 5:30 to 8:00 p. m., at the Legion Hall. A splendid variety of food can be chosen at 10 cents a serving. Everybody is welcome.

The Tawas City Garden Club will meet next Tuesday afternoon, April 5, at the Isoco County Building. The response will be a garden couplet. Members are requested to report names for the May baskets. A talk on the care of roses will be the main feature of the meeting.

Mr. and Mrs. Martin Long celebrated their 53rd wedding anniversary on March 26 with a family dinner for their sons, Glenn and Alton Long, and families.

Misses Irma Kasichke and Helen Meinhardt of Muskegon spent the week-end with Mrs. Olga Kasichke.

Mr. and Mrs. Kenneth Christian and son of Saginaw spent the week-end with Mrs. Christian's parents, Mr. and Mrs. Arthur Allen.

Mr. and Mrs. Merton Clute of Flint attended the funeral of the former's niece, Mrs. Winifred Beane.

EAST TAWAS

Mr. and Mrs. Stuart White and three daughters have been vacationing in North Carolina. Grace Luther League will enjoy a bowling night next Sunday evening.

Mr. and Mrs. Bud Fisher of Charlevoix spent the week-end with Mr. and Mrs. Roy Applin. The Besser Male Chorus of Alpena will give a concert at the Tawas City auditorium on April 21, sponsored by the Order of the Eastern Star.

Gifford's which re-opened last Saturday is celebrating 20 years in the business this week. George and Harriet Gifford purchased the property from O'Keefe and Forward of Standish in 1935. Previous to that time Miss Mary Gardner operated a sandwich shop there.

John Moran will enter the Odd Fellows Home at Jackson on April 6.

Mrs. Grace DeGrow and Mrs. Rhea Donahue of Bay City were guests of Mrs. Grace Miller last week-end.

American Legion Auxiliary regular meeting will be held next Monday evening. A Pan-American and Child Welfare program will be given, and April birthdays observed.

A missionary club has been organized in Grace Lutheran Ladies Aid and is having regular meetings for sewing help at the home of Mrs. Charles Nash. Monday evening the ladies worked on baby garments for African hospitals. The date for the annual spring tea to be held at Grace Lutheran Church was set for Tuesday, April 19.

Mrs. Rowena Jones has entered the Odd Fellows Home at Jackson. Ernest Mielock was taken to the Tawas Hospital for medical attention.

Mrs. Raymond Harrison and son of Royal Oak visited over the week-end with Mrs. Harrison's parents, Mr. and Mrs. Edward Baker.

NUMBER 13

Two City Water Boards Discuss Possibilities of New Filtration Plant

At a meeting of the Tawas City Water Board Monday, the following statement was issued relative to the proposed water-purchase plan presented to councilmen and water board members at a meeting with the East Tawas Water Board last Thursday evening. "After considerable study and discussion of the two proposals, the water proposal as presented can not be accepted or rejected by the Tawas City Water Department without additional factual information, which information would have to be cleared and gathered by Clifford Spicer." This action was taken after comparing the 1953 proposal in which Tawas City would purchase water from the City of East Tawas with the proposal presented last week.

The city's present water supply can be supplemented by a well which would produce water unconditionally approved by the Michigan Department of Public Health. The present daily consumption is 130,000 gallons per day and raises proportionately during summer months.

Since the proposed filtration plant at East Tawas would not be available for at least two years and Tawas City is in need of more water now, an underground water storage tank was discussed. This could be used to give the city more water by utilizing the pumps during the night when consumption is down.

The board approved a motion by Cecil Cabbie, supported by Arthur Wendt, to hold a special meeting of the city council and water board with Clifford Spicer, city engineer, as soon as it could be arranged to discuss with the city's engineering water problems.

Present at the joint meeting of the East Tawas City Council, Tawas City Council and water board members last Thursday night was John Vogt of the Michigan Department of Public Health, who is in charge of William DeGrow, chairman of the East Tawas board.

Mr. Vogt stressed the urgency of the water situation at East Tawas by stating that unless the City of East Tawas conformed to health department requirements of a new filtration plant, the state health department, which is responsible for such matters, would order that it be built.

The reason for the immediate need for construction of a proposed plant was stated in an outline of "Information Relative to the Proposed Water Filtration Plant at East Tawas, Michigan," as follows: "Why is a new filtration plant necessary?"

"At the present time the water supply is obtained through an intake which extends out into Tawas Bay approximately 1,400 feet. The water is pumped into the mains without any treatment other than disinfecting with chlorine. The water in Tawas Bay is subject to contamination from the bathing beach and the outfall sewer from the treatment plant. During periods of high wind the water becomes discolored and carries considerable sediment in suspension. When the water carries sediment or dirt in suspension it is very liable to, and probably does, carry harmful bacteria. Such water is said to be high in turbidity and the application of chlorine is not always a sure way to kill all the bacteria because sometimes chlorine does not penetrate the particles in the water."

"Under such conditions it is possible for an outbreak of dysentery or typhoid fever to occur in the city. A modern filtration plant will remove the sediment from the water and in so doing remove to large extent bacteria. The bacteria not removed by filtration will easily be killed by the application of chlorine when the water is clear."

"Needless to say, the greatest damage occurs during summer months when the resort season is in full swing. The State Department of Public Health has for years recommended that the water be filtered before it is put into the mains and the situation is becoming more critical with each passing day."

In an estimate prepared by the Spicer Engineering Company of Saginaw, the cost of the water filtration plant was \$220,000. Contrary to recent news articles in other publications, the quality of the water at Tawas City, which is supplied by wells, meets the health department requirements. However, the City of Tawas City is in need of additional water. This fact was confirmed by Mayor George W. Myles, who said, "We do need water and hired Spicer two years ago to plan an expansion program."

The hardness of the Tawas City water, due to the mineral content, is an objectionable quality for household usage. Mr. Vogt pointed out that detergents lessened the objections. Mr. DeGrow requested a letter from the Tawas City Council (See Filtration, Back Page)

Pictured above looking at one of Tawas City's new all-metal street marking signs is Matthew Pfeiffer, public works foreman. The new signs arrived last week and will be placed as soon as metal pipe standards are finished. The signs are 24 inches long and have black, four-inch letters on a white background.—TAWAS HERALD PHOTO.

Heart Attack Fatal to John Bellon City Valuation Set at \$1,674,200

John S. Bellon, Whittemore druggist and prominent Isoco County citizen, died Sunday at Tawas Hospital following a heart attack. He had been ill about three hours and was stricken while in his place of business. Mrs. Virginia Meloche of Berkeley, a brother, Albert Bellon of East Tawas and Edwin Bellon of Wyandotte, a daughter, Mrs. Virginia Meloche of Berkeley, a brother, Albert Bellon of Bay City, four sisters, Mrs. Susan Prieur, Mrs. Della Dion and Mrs. Lydia Garcia of Bay City and Mrs. Josephine Benson of East Tawas, and eight grandchildren.

Solemn High Mass was held Wednesday morning at St. James Catholic Church, Whittemore, with the Rev. Fr. John Bellon, celebrant; the Rev. Fr. Michael Maher, deacon, and the Rev. Fr. Joseph Castaner, sub-deacon. Interment was in the St. James Cemetery at Whittemore.

He was born December 31, 1891, at Bay City. Surviving are the widow, the former Marie G. Gillespie; three sons, the Rev. Fr. John Bellon of Carlisle, Kentucky, Hubert Bellon of East Tawas and Edwin Bellon of Wyandotte, a daughter, Mrs. Virginia Meloche of Berkeley, a brother, Albert Bellon of Bay City, four sisters, Mrs. Susan Prieur, Mrs. Della Dion and Mrs. Lydia Garcia of Bay City and Mrs. Josephine Benson of East Tawas, and eight grandchildren.

The tentative 1955 city budget as set up by the city council is as follows: Contingent fund, 12 1/2 mills; street fund, 2 mills; park fund, 1/2 mill; bond retirement fund, 2 mills; bond interest fund, 1 mill.

Tawas C. of C. Has \$1,627.42 Balance

A balance of \$1,627.42 was reported by L. G. McKay, treasurer of the Tawas Chamber of Commerce, at the regular meeting of the board of directors last Wednesday night. Payment of bills amounting to \$336.41 was authorized.

A report on the booth at the Detroit Sports, Travel and Boat Show was read and the cost to date is \$880.43, with contractors and hotel bills still outstanding. Cecil Cabbie reported that many fine comments were made on the booth at the show from both management and spectators. President Elwood Bronson thanked all those who worked in the show.

As the booth occupied more room than had been allowed the chamber, Mel Curry, director of the show, stated that next year three spaces would be reserved for Tawas at the show.

A letter from the Rogers City Chamber of Commerce was read and many of those who were present at the meeting stated that they are planning to attend the meeting concerning the promotion of US-23 to the straits. It was announced that the new county chairman for Michigan Week is Richard Hodges of Osceola.

The East Tawas Literary Club will meet at the club rooms next Wednesday afternoon, April 6, at 2 o'clock. A report of the state federation held in Detroit this week will be given. The hospital committee will be Mrs. E. Cole, Mrs. Kate Evans, Mrs. Lawrence LaPorte and Mrs. William Krumm.

Figures compiled by the Tawas City board of review reveal that the city's assessed valuation is approaching the \$2,000,000 mark. The valuation of real estate and personal property in the three wards for 1955 totals \$1,674,200 according to City Clerk Albert H. Buch. The board completed its work last Friday.

The assessed valuation totals in the wards are: First ward, \$520,400; second ward, \$402,400; third ward, \$751,400. For a number of years there has been a continuous increase in valuation, reflecting a healthy growth in business and residential property in the city as well as an increase in property values. Assessed valuations for the city during the past five years were: 1950, \$940,950; 1951, \$1,061,300; 1952, \$1,193,450; 1953, \$1,524,600; 1954, \$1,580,300.

The tentative 1955 city budget as set up by the city council is as follows: Contingent fund, 12 1/2 mills; street fund, 2 mills; park fund, 1/2 mill; bond retirement fund, 2 mills; bond interest fund, 1 mill.

Like one of America's foremost painters today, Mr. Schermerhorn did not start painting until 10 years ago. During the past winter, he completed several landscapes showing scenes in the Western United States and Michigan.

A special process is used by Mr. Schermerhorn to insure that the quality of the oils will last indefinitely. He uses special liquid gums and vegetable extracts for color, the end result being a painting which is water proof and washable.

Although moving to Tawas City only five years ago, Mr. Schermerhorn was at one time before the turn of the century a co-publisher of The Tawas Herald. His father, the Rev. Peter Schermerhorn, was pastor at the Congregational Church.

A former optometrist at Pontiac, Mr. Schermerhorn married Mabel Murphy, daughter of the late Mr. and Mrs. William Murphy, pioneer residents of Tawas City. Mrs. Schermerhorn passed away last year.

Commenting on his one-man display of paintings shown at the church last Sunday, Mr. Schermerhorn said that his principal objective in painting was to create a little beauty by showing places that the average person does not see.

Special Senate Hearing on Deer Question

A special hearing on S-1213, a bill before the Michigan Senate which would allow the conservation commission to continue to set the seasons, sex and bag limit for the taking of deer, will be held in the senate chamber on Thursday, April 7, at 7:30 p. m.

The Michigan United Conservation Commission urges all sportsmen's clubs to either attend the meeting or send in letters, cards, resolutions or petitions. A spokesman for the MUCC said this is the most important hearing that the organization will probably ever have. Some legislators have said that none of their people are interested in the passage of this bill.

They point out that in spite of all the protests that the deer herd was reduced too much during last year's hunting season, evidence to the contrary is now available that this is not so.

Bernard W. Ansley, president of the commission, said that lack of deer is simply not in evidence; "in fact, there are localities where the deer are so numerous that starvation has occurred," Ansley said.

Dr. Mann Speaker at Community Council

Principal speaker at the meeting of the Tawas Community Council on Tuesday night of last week was Dr. W. A. Mann of Michigan State College.

Dr. Mann stressed factors of building a better community. These factors, he pointed out, are attitudes, emotions, knowledge and religion.

Dr. Mann stated that all people have emotional problems to some degree and therefore it is important for the person to know himself.

To gain greater knowledge, Dr. Mann said that a person must state his problem, collect all information and study data, set up possible solutions, select the best possible solution and start action. He then must evaluate what has been done.

A study committee report by Mrs. Charles Mercer was read. Group discussion followed the report and plans for future work were made.

A committee with the Rev. Benjamin Whaley as chairman was appointed to further survey the community and to get opinions.

The next meeting of the council will be held on April 19.

New Chevrolet Trucks Now Being Shown

Chevrolet's new line of "Task Force" trucks went on display for the first time last Friday at McKay Sales Company in Tawas City.

"For the first time in any truck line, two distinctly different styling treatments are offered, light and medium duty models, another in heavy duty," said L. G. McKay Jr., as the new trucks were displayed last week.

The new "Flite-Ride" cab is everything a driver could wish for from its big sweep-sight windshield to its concealed safety step that keeps clear of mud or snow. The new instrument panel and controls are the last word in convenience.

Mr. McKay sends out a personal invitation to everyone interested in trucks to stop in at the salesroom on US-23 for a first-hand inspection.

Club Directors Meet April 7

A meeting of the board of directors of the Isoco Sportsmen's Club will be held Thursday, April 7, at the Tawas Chamber of Commerce office at 8:00 p. m.

Zion Lutheran Church Rev. E. E. Bickel, pastor

The Palm Sunday Service will be at the regular time. Communion service will be held on Maundy Thursday at 7:30 and Good Friday service in the evening at 7:30.

The annual Easter sunrise service will begin at 6:30 followed by a breakfast at the school. The regular Easter service will begin at 10 o'clock.

Emanuel Lutheran Church Rev. Leonard Newman, pastor

The Emanuel Lutheran Church will begin its observance of Easter with the Palm Sunday service at 10 o'clock. Communion will be held at the Maundy Thursday service at 7:30 and Good Friday service will start at 1:30.

The Easter services begin with a sunrise service at 6:30 with regular service at 10 o'clock. The Easter service will be held at 7:30.

Good Friday service will be held from 1:30 to 3 o'clock. A sermonette, "The Words from the Cross," will be given by the pastor. Special music is planned. Easter Sunday service begins

City, Township and State Offices and Amendments Up to Voters Monday

As well as naming township and city officers, Isoco County voters will go to the polls next Monday to vote on five state races, four constitutional amendments, and local issues in two townships.

On the state ballot are partisan races for University of Michigan regents, state superintendent of public instruction, state board of education and state board of agriculture. The non-partisan race is for justice of the supreme court.

In addition to the \$100,000,000 school bond proposal, there are two amendments effecting the conduct of non-partisan elections for judicial officers and the qualifications of justices of the supreme court and circuit judges.

Justices of the supreme court and circuit judges would be required to be under 70 years of age at time of election and licensed to practice law in this state.

The fourth proposal provides that a state board of canvassers shall be established by law. Tawas City, City of Whittemore and Plainfield Township have Republican and Democratic tickets on their ballots.

Tawas City Republican — George Myles mayor; Albert Buch, clerk; John Hosbach, treasurer; Frank Walker, justice of the peace; Clement Stephan, Fred Brabant and Clarence Everett, supervisors; Roy Wright, Earl Davis and Hugo Keiser Jr., aldermen.

Democratic Ticket — Clarence King, mayor; Walter Schuchmacher, Harlan Thompson and Clarence Schneider, supervisors; Charles Roulier, Walter Wegner and James Brown, aldermen.

Whittemore Democratic Ticket — Russell Williams Jr., mayor; Henry Hasty, clerk; J. C. Monroe, treasurer; Edward Graham Jr., assessor; Octave St. James and Charles Bailey, aldermen; Lulu Dahne, justice of the peace.

Republican Ticket — Edward Dickey, mayor; Ruth Bailey, treasurer; Mae Miller, assessor; Richard Small and Roy Leslie, aldermen.

Plainfield Township Republican Ticket — George Webb, supervisor; Gilbert Follett, clerk; Charles Attwell, treasurer; George Lake and Herman Drenberg, trustees; Serge Thomson and Andrew Matthews, justices of the peace; T. G. Scofield, member board of review.

Democratic Ticket — George Webb, supervisor; Delbert Hewitt, clerk; Forrest S. Streeter, treasurer; Enos LaBerge and Elwood McMurray, trustees; Joseph Bannister and Roy Parkinson, justices of the peace; Kenneth Salisbury, member of the board of review.

The City of East Tawas and 10 Isoco townships lack ballot opposition. However, in Osceola and AuSable Townships sticker candidates will provide interest for the election.

COMING EVENTS— Monday, April 4—Music Appreciation program, Methodist Church, East Tawas, sponsored by Tawas Women's League.

Tuesday, April 6—Regular meeting of Quota Club of Isoco County, 12:00 noon. Barnes Hotel, preceded by board meeting at 11:00 a. m.

Tawas Honor Students Announced

Two girls, Sharon Czaka and Nerita Hock, won top honors for the 1955 graduating class of Tawas Area Schools, it was announced this week by Ronald Butterfield, principal. Both students have an average of 3.63 out of a possible 4.

Other honor students in the class are George Binder, Patricia Conklin, Elina Forsten, Virginia Haglund, Helen Klinger, James Laidlaw, Rosalie Lambert, Gene Parent, Kenneth Rollin and Barbara Sagen.

Sharon Czaka, daughter of Mr. and Mrs. Joseph Czaka, has participated in the student council, future homemakers, future nurses club and band. She plans to attend the Mercy Central School of Nursing.

Nerita Hock, daughter of Mr. and Mrs. Leon Hock, transferred from Saginaw High in her junior year, took part in both junior and senior plays, is president of the senior class and the dramatic club. She will attend Central Michigan College of Education and study secondary education.

Takes Part on Dealers Planning Committee

Lloyd G. McKay Jr. of McKay Sales Company has just returned from Detroit where he took part in a meeting of the Chevrolet Dealer Planning Committee for this region.

Mr. McKay was elected to the committee by fellow dealers under a nationwide program by which Chevrolet keeps in close touch with retail selling problems. In his position he acted as spokesman for other Chevrolet dealers in this state.

The dealer committee system was pioneered in 1937 by Chevrolet and has since been widely used in the automotive and other merchandising fields. The program serves as another means by which dealers and the company exchange views on industry developments and discuss mutual problems.

Mr. McKay is one of a group of 86 committeemen who represent more than 7,600 Chevrolet dealers in the United States. These 86, representing dealers in the company's eight regions, elect 16 from their group, or two each region, to meet with Chevrolet officials in Detroit as the National Dealer Planning Committee. Earlier, Mr. McKay was named as one of 20 committeemen to serve on his zone dealer planning committee, from which he was elected to the regional committee. A total of 860 dealers have been elected to zone committees, 20 from each of the 43 zones and branches.

While in Detroit, Mr. McKay saw the Silver Valley queen, Miss Barbara Young, off on her trip to Mexico by plane.

Mrs. Reginald J. Barnett, past president of the Tawas Women's League, is attending the state convention of the Michigan State Federation of Women's Clubs this week at the Sheraton-Cadillac Hotel, Detroit, as delegate from the local club.

Britain's gold and dollar reserve fell of \$82,000,000 during February.

Easter Services in Tawas Churches

at regular time, 11:15. The sermon title is "The Light from the Open Tombs." Special music is planned.

Assembly of God Church Rev. William MacFarlane, pastor

The Palm Sunday service begins with Sunday School at 10 o'clock and morning service at 11:15, sermon topic is "King for a Day." Evening service is at 7:30.

Good Friday Union Service will be held in this church from 1:00 to 2:30.

At the regular service on Easter Sunday, the morning sermon topic will be "Christ Both Died and Rose," sermon topic in evening, "Condemnation in Hell." Special music will be presented at all services.

P. N. THORNTON and SONS, PUBLISHERS

108 Fathers and Sons Attend Banquet Last Thursday

About 108 fathers and sons attended the annual father-son banquet last Thursday evening at the East Tawas Methodist Church. The banquet was prepared and served by the WSCS. D. A. Evans was toastmaster and gave a welcome address. Fred Teeple Jr. gave a toast to the fathers which was responded to by P. H. Mulholland with a toast to the sons.

Marvin Davenport introduced the speaker, Donald Mason, who gave an illustrated lecture with movies on "The High Lights of Games of the Big Ten." Mr. Mason is football coach at Michigan State College. He also talked to the sons on clean sportsmanship and Christian living. Ronald Butterfield and James McCamant were in charge of the program. The tables were beautiful with bouquets of cut flowers and favors of miniature kites.

LOOKING BACKWARD

40 Years Ago—April 1, 1915. Mr. and Mrs. John Preston were at Bay City several days this week.

Mrs. Fay Jacobs of Oakfield, New York, is visiting relatives at Alabaster.

A. C. Brown, photograph studio, East Tawas.

Miss Maude Sloan spent a few days at her home in Emery Junction this week.

Harry and Miss Dorothy Chinn returned to their home at Waveril, Illinois, after a visit at the Scoggin home.

Fur coats, robes and horse blankets, 50 percent off. E. Louks, Whittemore.

James McCue of Alabaster is busy selling Aladdin lamps in the county.

John Haywood of Monroe County was a guest at the De-Land home at Hale a few days last week.

O. S. Nicholls of Long Lake is at Detroit on business this week.

S. D. Kinsey of Sherman was at Bay City Monday.

William Saffel and Roland Kelchner left Tuesday for Bay City where they have employment.

Will Syze of Bronson, Michigan, was a visitor in Reno Township last week.

L. W. Oviatt of Bay City is spending the week at Hale.

Mrs. John Scholer of East Tawas is spending a few days at Detroit.

Irving Cater of Detroit is visiting relatives at East Tawas.

Dewey King is making a two-week visit in Bay City with relatives.

The Monday Musical Club will meet with Mrs. Samuel Anker.

Mrs. N. D. Murchison left Tuesday for Scales Mound, Illinois, where she will visit her sister.

Mrs. James McMurray returned Monday from a visit in Saginaw.

Charles Johnson, who is employed in Flint, spent a few days at his home here.

John Goodall of Flint spent the week with his family at East Tawas.

George Stocks of Sherman is home from Flint where he had spent several months.

Reuben Smith of the Hemlock Road is visiting relatives at Clio.

Miss Sylvia Porter of Ellake left Saturday morning for Hillman where she expects to spend a few weeks.

Mrs. Fred Fiedler and son returned to Detroit after a visit at the Rudolph Rempert home.

Mrs. Frank Styles and daughter left Tuesday for Battle Creek where they will spend a few weeks.

10 Years Ago—March 30, 1945. A forest fire Wednesday laid waste to 21 square miles of plains land in Wilber, AuSable and Oscoda Townships.

Mr. and Mrs. Russell Long of Bay City are spending the week with relatives here.

Mr. and Mrs. James Nisbet, accompanied by their son, Herbert, arrived home from Detroit.

Mr. and Mrs. Ernest Burtzloff are visiting at Utica.

Mrs. Archie Archambeau left Monday for Detroit where she will spend a few days.

Mr. and Mrs. Arthur Harmening of Bay City are guests of Mrs. Harmening's parents, Mr. and Mrs. John Coyle.

Misses Edith and Cora Davey are visiting in Midland.

Misses Wacie and Regina Halligan have returned from a visit at Detroit.

Gordon McGirr of Bay City is spending a few days with his father at Hale.

Ervin Kuhle of Detroit is at his farm near Whittemore.

Clarence Dedrick of Holland spent the week-end with his family at National City.

Mrs. August Lorenz is visiting relatives at Sebewaing.

We are already worrying about hauling off the large crop from our vegetable garden, the worries stemming from pictures in the seed catalogues.

ST. MARY'S GUILD

St. Mary's Guild of Christ Episcopal Church met at the parish hall last Tuesday. Twenty-two women attended.

Devotionals were led by Mrs. Dwight Wood and her meditations were on "The Life of Christ." The program was on "Hymns We Love" and was presented by Mrs. Edna Cozadd. Mrs. Cozadd told the story of the writing of several hymns and verses of each hymn discussed were sung by the ladies with Mrs. Louis Besancon, accompanist. Mrs. Grant Shattuck gave a report of overseas work.

The business meeting was conducted by Mrs. George Rice, the president.

A fish supper was planned for April 29. The food sale held on March 26 was handled by Mrs. Minnie Chandler, Mrs. George Rose and Mrs. Gladys Lundy.

Birthday greetings were extended to Mrs. Rice and Mrs. Rose.

Hostesses were Mrs. Rose, Mrs. G. G. Hoffman and Mrs. B. J. Moss. Table decorations were in St. Patrick motif.

East Tawas WSCS Meet—

The WSCS of the East Tawas Methodist Church met last week Tuesday at the church parlors. Mrs. Joseph Hamell had charge of devotionals and program. Her topic was "A Young Woman Moves to the Wesleyan Service Guild for Young Women and Working Girls."

At the business session plans were made for a bazaar on July 30. Plans for circle meetings were also discussed.

A letter was read from Mrs. Paul Norris, missionary in India. She formerly talked in East Tawas. Mission sent her was used for sewing supplies.

Hostesses were Mrs. Elwyn McCall, Mrs. Benjamin Whaley, Mrs. Fred Teeple and Miss Ruth Blake. Table decorations were green candles and a centerpiece of hyacinths.

CHRISTIAN SCIENCE

How spiritual understanding of God brings freedom from the futility of materialism will be brought out in the lesson-sermon entitled "Unreality" at Christian Science services Sunday.

Selections to be read from the King James Version of the Bible will include the following from Jeremiah (2:5): "Thus saith the Lord, What iniquity have your fathers found in me, that they are gone far from me, and have walked after vanity, and are become vain?"

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy the following passage will be among those read: "The perfect Mind sends forth perfect, for God is Mind. Imperfect mortal mind sends forth its own resemblances, of which the wise man said, 'All is vanity'" (239:29).

The Golden Text is also from Jeremiah (4:14): "O Jerusalem, wash thine heart from wickedness, that thou mayest be saved. How long shall the vain thoughts lodge within thee?"

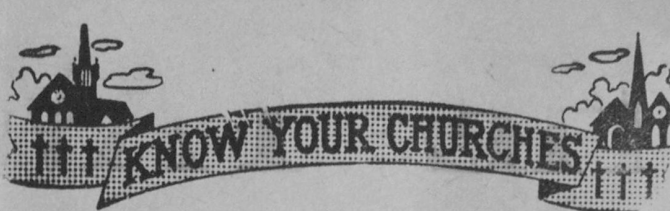

PRESERVE THE FREEDOM OF OUR EDUCATIONAL SYSTEM IN MICHIGAN PRESERVE THE INDEPENDENCE OF OUR COURTS IN MICHIGAN

The election, April 4th, of these candidates will insure continuance of Michigan's free educational system and the independence of Michigan's Supreme Court.

The Political Bosses of the CIO are plotting to take over the direction of Michigan schools and to "pack" our Supreme Court.

Spring is here, and you are busy as a bee with regular household tasks, house cleaning and social activities. But this is no time to go buzzing around like a bee. Shop locally and save valuable time and money.

Fashions in shopping, like car styles, have changed—both for the better! These days it's considered "old hat" to travel many miles on shopping "expeditions."

On this page and throughout the pages of this week's Herald is a line-up of bargains in spring needs for happy Easter shopping. Gay clothing, household items, garden supplies and taste tempting foods make it easy to compile your shopping list in advance.

Smart moderns are shopping at home. So, don't make a tiresome safari to distant places. Why juggle with marathon driving, parking headaches and jangled nerves? Make it fun and make your next shopping jaunt truly pleasant. Shop your community merchants and save the difference!

There is a rumor out that an official in the CIA knows a fellow who knows whether we will defend Quemoy and Matsu Islands.

President Eisenhower wants a larger number of nationwide civil defense tests held on a more realistic basis. Civil Defense Administrator Peterson recently asserted.

**HE WON'T
HAVE A CHANCE**

**LEGION BIRTHDAY OBSERVED
BY EAST TAWAS POST**

Sunday afternoon the 36th birthday of the American Legion was celebrated with a 5 o'clock dinner for Audie Johnson post and auxiliary, their wives and husbands. About 70 people attended.

The dinner was served by the auxiliary with Mrs. Dorothy Harmon, chairman. Those assisting her were Irene Ludwig, Eleanor Meyer, Gladys Butterfield, Florence Bartlett and Florence Merschel.

Tables were decorated with lighted red, white and blue candles and floral centerpieces of red, white and blue. The speaker's table was centered with a large cake frosted with an American flag. Favors were decorated nut cups.

Norman Anshuetz acted as master of ceremonies. John Mielock gave the invocation.

The program opened with the salute to the flag and Mr. Anshuetz gave introductory remarks on the work of the Legion and its organization in Paris, France, in March 1919.

Mrs. Evelyn Price, president of the auxiliary, was introduced and welcomed guests.

March being community service month, Mrs. Price told of the work of the auxiliary for the city. About 35 or 40 children were attending the dancing parties on Wednesday evenings at the Legion Hall.

Commander Robert Harmon gave remarks welcoming those present and stated that the post project for youth was sponsoring the Boy Scouts. He presented a large American flag to the Boy Scouts, making the presentation to Carl Eckman, director, who accepted the flag with appropriate remarks. Mr. Eckman talked on the work of the troop.

Richard Price, secretary of the troop committee, gave a talk. He stated that financial help would be needed to complete the building on the seven acres at Tawas Point for use of the Boy Scouts. Work had been done on roads leading to the project. Furniture had also been donated.

Edward Siefert Jr. gave some remarks, also Dewey Durant, who is working with the baseball project for boys from nine to 12 years of age. Help was needed for the group ages 12 to 15.

The program closed with the singing of "America."

**CEDERBERG REQUESTS AID
FOR PSYCHIATRIC CASES**

An urgent request that a section of the Veterans Administration Hospital at Dearborn be set aside for treatment of Michigan veterans awaiting psychiatric care has been made by Congressman Elford A. Cederberg in a letter to Dr. William S. Middleton, chief medical director of the Veterans Administration.

Congressman Cederberg made his request as the result of findings in a survey especially prepared for him showing that there are 839 pending applications for psychiatric treatment at the Veterans Administration Hospital in Battle Creek.

In addition to the plea to the Veterans Administration, Congressman Cederberg is arranging a conference of the entire Michigan delegation in congress to discuss the problem with officials of the Veterans Administration in an attempt to expedite treatment of veterans in this category.

Referring to recent claims of the Veterans Administration that it was unable to secure adequate personnel to staff psychiatric units, Congressman Cederberg wrote Dr. Middleton, "I realize that the problem of staffing hospitals for psychiatric patients is a difficult one. However, I believe that with proper cooperation from the Wayne University Medical School at Detroit and the University of Michigan Medical School at Ann Arbor that it may be possible for us to secure adequate psychiatrists as well as other personnel needed to carry out treatment for psychiatric patients at Dearborn."

**Tree Farm Added
To Michigan System**

The Michigan Tree Farm Committee announced that 55,103 acres of crop-producing timberland were added to the Michigan Tree Farm System by the committee's action recently.

The new tree farm areas are widely scattered throughout the state and range from an 11-acre Cass County farm woodlot to a 43,440-acre industrial forest ranging across the eastern Upper Peninsula.

Charles G. Allen of Detroit, chairman of the Michigan Forest Industries, urged woodland owners throughout the state to follow the example of the 357 Michigan woodland owners who already are certified members of the American Tree Farm System. Michigan Forest Industries sponsors the tree farm program in the state in cooperation with the national sponsors, American Forest Products Industries, incorporated of Washington, D. C.

AFPI reports that 6,094 private woodland owners in 36 states now have 343,018,616 acres of well-managed timber enrolled in the voluntary program of good forest management. All tree farms are inspected by trained foresters at no charge to the owner and must meet rigid forest management standards to become certified.

Woodland owners interested in joining the program are urged to contact Bruce G. Buell, chairman, Michigan Tree Farm Committee, Amasa, Michigan.

**New Openings in
Corps of Engineers**

The Detroit district, corps of engineers, has many career opportunities for professional construction and design engineers. The corps of engineers is responsible for all the construction work for the army and much of the heavy construction required by the air force. The civilian work performed by the corps involves construction of dams and reservoirs, levees, floodwalls, locks, powerhouses and other projects.

The career opportunities are open at Mount Clemens, Alpena, Oscoda, Marquette, Sault Ste. Marie and Detroit. The positions have an entrance salary ranging from \$4,035 to \$5,060 yearly plus all the many outstanding fringe benefits enjoyed by federal employees.

If you are interested in starting on a rich and rewarding engineering career then visit or write The Corps of Engineers, 910 Cadillac Tower, Detroit 26, Michigan.

Helmeted Belgian police struggle with demonstrator in the streets of Brussels as some 30,000 Catholics demonstrate in protest against a proposed cut in state aid to Catholic schools.

**Democrats Will
Hold 'Get Out
Vote' Rally**

A "get out the vote" rally of the Iosco County Democrats will be held Thursday, March 31, at 8:00 p. m. at the Union Hall, McIlvor, with Attorney John J. Mack of Alpena as the principal speaker.

The importance of a large vote at each election and Governor Williams' program will be discussed by Mr. Mack.

"A large vote turnout is essential for good government," stated County Chairman Wilbur C. Roach Monday. "The important thing is that everyone votes, not how he marks his ballot," Roach added.

Contests are being held in Tawas City and Plainfield Township for the first time in many years, in addition to Whittemore, Iosco County's Democratic stronghold.

Although unsuccessful in their first bid for county offices in 16 years last fall, the Democrats polled approximately 1,250 votes to the Republican 2,975 tallies. A voter registration drive during the past winter is expected to show results in the spring election next Monday, stated Roach.

Northeastern Michigan is represented on the Democratic ballot by Dr. Conner Smith of Standish who is a candidate for the State Board of Agriculture.

In the 1953 spring election for Superintendent of Public Instruction, Iosco Democrats showed only 383 ballots. With the critical school situation throughout the state, the county committee expects a total of approximately 750 Democratic ballots this year.

**TAWAS HOSPITAL
ADMITTANCES—**

Bogdan Masich, Glennie, March 4; discharged; Elizabeth Mueck, East Tawas, March 21, discharged; Julie Peltier, Oscoda, March 22, discharged; Mildred Manor, Au Gres, discharged; Mrs. Elaine Howell, Oscoda, March 21, discharged.

Hale News...

Mr. and Mrs. Gerald Herron of Alpena called on their aunt, Mrs. Katie Buck, on Thursday and attended the shower for her cousin, Mrs. Clayton Amley. Mrs. Herron is the former Mary Sutherby of Hale.

Dale E. Johnson has been promoted to supervisor of the Bay City district for the Gardelle Company. He has been employed by the company for the past two years as salesman.

Mr. and Mrs. Glenwood Street were dinner guests of Mr. and Mrs. Arthur Johnson Tuesday and helped Gene celebrate his birthday.

Mr. and Mrs. Roy Garver returned home Sunday from a week's visit with her parents at Dayton, Ohio.

Mrs. Blanche Wagner was pleasantly surprised Thursday evening when answering a knock on her door to find 28 friends

had come to help her celebrate her birthday. Ice cream and cake were served.

Mrs. Fred Humphrey is having a Stanley brush party at her home Thursday afternoon.

Funeral services for Mr. and Mrs. Stanley Healy were held at the Hale Methodist Church on Sunday. Burial was in Evergreen Cemetery with the Rev. Joseph Dibley officiating.

Douglas Johnson spent the week-end with relatives in Turner.

Mr. and Mrs. Deuell Pearsall returned home Thursday from a two-month vacation in Florida.

Mr. and Mrs. William Marfleet of Detroit spent the week-end with her sister and attended the funeral of her niece and husband, Mr. and Mrs. Stanley Healy.

Robert Healy of Flint spent the week-end with his sister, Mrs. Hugh Slosser.

Mrs. Katie Buck and Mrs. Walter Buck entertained a group of relatives and friends Thursday afternoon with a shower for her daughter, Mrs. Bernadine Amley. Several friends of Mrs. Amley from Standish were present. Mrs. Amley received many lovely and useful gifts. A lunch was served after the shower.

Plainfield to Vote on Branch Library

On April 4, the people of Plainfield Township vote on a referendum which will give the township board the power to locate a branch of the county library.

This has come about by the requests of the many patrons of the county Bookmobile service. For the past two years a Bookmobile stop especially designed for adult use has been operating in Hale every two weeks from 2:00 to 4:00 in the afternoon.

The service has grown by leaps and bounds. During the past 12 months, adults have used 3,466 books. The school, which also has been served by the Bookmobile, has used 3,512 books during the same period.

People of Hale feel that a branch library located in the downtown area could give them a great deal more service. Petitions with more than 250 signatures were presented to the township board in January. However, the township board had no authority to establish a branch and thus they are asking the people of the township to grant that authority.

The referendum also will give the board the authority to use a sum not to exceed \$1,000 for the housing and librarian's salary. This money will come from the regular 15 mill tax within the township.

A branch library has many advantages over the Bookmobile service. In Hale, the residents will have 10 hours of service per week in place of the two hours every two weeks. There will be a reading room with current periodicals, reference materials and a book collection of 3,000 to 4,000 titles. The room (equipment and books are provided by the county library) will be equipped with comfortable chairs and tables for those who wish to study and browse among the many books.

When the state safety patrolman stopped a Sidney (Nebraska) high school teacher recently and asked why he was driving with expired license plates, the teacher, who was driving a student driver training car, commented, "I guess I was neglectful." The teacher had to meet court the next week.

Get into the Swing of Spring at Buick's

Spring Fashion Festival

Starting April 1st

SURELY it's time you blossomed out in a big, bold, bright new Buick—just for the extra joy you'll feel.

And there's no better time than right now for you and the whole family to come look things over—because we're holding a Spring Fashion Festival to display the stunning new Buicks in gay new colors rich in Springtime freshness.

You'll see these sleek beauties dressed in new greens, new blues—in other strikingly vivid colors—and in ultra-smart two-tone and tri-tone combinations.

What's more, these gay new hues are available on the whole line of Buicks—Sedans, Convertibles, Estate Wagons, Rivieras—and the newest of the new cars, the long-awaited 4-Door Riviera.

Best of all is the sheer thrill that's yours when you take to the road in any one of these '55 Buicks—for here is walloping new V8 power—and here is the spectacular performance of Variable Pitch Dynaflo,* which is very definitely the "must try" thrill of the year.

So—come be our guest—at our Spring Fashion Festival—and at the wheel of the "hottest" Buick in history.

*Dynaflo Drive is standard on Roadmaster, optional at extra cost on other Series.

Gay Cars that lift your spirits!
 Bright Colors that sing of Spring!
 Smart Prices that baby your budget!

BUICK SALES ARE SOARING—Come see why!

HDA NOTES

By Dorothy Scott
Home Demonstration Agent

Monday, April 4—Home Demonstration Group meets with Mrs. Hattie Kohn.
For eye appeal, colorful packaged carrots are hard to beat. Healthwise, their two cents a serving cost is also hard to beat. The long slender carrot is usually more tender. Bright orange, firm, smooth, clean and free from blemishes, carrots are more tasty, have less waste, too.

Seven ladies living in the Townline community got together at the home of Mrs. Carl Ulman last week to talk with your home demonstration agent about organizing a group of their own. Deciding they like the idea, they have planned a second meeting to feature the "Quick Meals" lesson on April 14 at the home of Mrs. Orval Proper.

Anyone interested is invited to contact Mrs. Proper or me before that time. You may also find out

more about this group by talking with any of the women who were there on Wednesday: Mrs. Burton Freel, Mrs. Arthur Freel, Mrs. Oran Ulman, Mrs. Arthur Goddard and Mrs. Clare Ulman as well as Mrs. Carl Ulman and Mrs. Orval Proper.

Easter is coming, buy your ham early and perhaps save a few pennies. Canned hams are now attractively priced in many stores. These hams are all meat, you pay only for the edible part. Liver is one of the very best buys budgetwise and nutrition-wise. This is true, too, of fresh and frozen fish.

A real vegetable economy is to be found in Michigan potatoes at a per serving cost of one to two cents. Right now the quality of fresh pineapple is tops, with the cost about half that of the canned product.

Meadow Road area women met with Mrs. William Sherman on Wednesday evening to talk to the home demonstration agent about home demonstration groups and activities. A second meeting is planned for April 13 with Mrs.

James Blust and "Quick Meals" will be the discussion topic. If you live in this community, you are invited to talk with one of these women: Mrs. Sherman, Mrs. Grant Bessey, Mrs. James Blust, Mrs. Glenn Long or Mrs. Milton Unkle. They will be glad to learn of your interest in a group organized out there.

To prolong the life of bed linens, use a mattress pad; buy the proper size sheets; reverse the sheets equalizing the wear, and rotate the sheets so that the same ones are not in use all of the time.

Do you know the difference between a spice and an herb? Spices are the roots, bark, stems, leaves, buds or fruit of plants which grow in the tropics. Herbs are leaves of plants which grow only in the temperate zones.

Likely you have one or more herbs in your garden. Speaking of gardens, it is the time when both adults and 4-H Club members are planning for the one they will have this summer.

STEPHEN S. NISBET
candidate for re-election to STATE BOARD OF EDUCATION

A splendid combination of grass-roots school teacher and administrative genius, Mr. Nisbet works only in the best interests of Michigan students and the Michigan school system. A member of the Board since 1943 and currently its President, Mr. Nisbet merits a rousing vote of confidence by Michigan citizens.

Whittemore News

Word was received recently by relatives of the death of Mrs. Nancy Fry at Littlefork, Minnesota, on March 11. Funeral services and burial took place at Littlefork on March 14. Mrs. Fry was the former Nancy Beardslee of Whittemore and is a sister-in-law of Mrs. Court Beardslee.

At the next regular meeting of the Order of Eastern Star on April 7, a white elephant sale will be held after chapter.

The school of instruction which was to be held last Tuesday night by the Masonic Lodge was postponed due to the blizzard which struck that day and night.

Mrs. Arden Charters was hostess to the Whittemore Junior League Thursday night. Mrs. Raymond Dorsey, president, had charge of the business session which was followed by a style show. Marie Nash of East Tawas was present with a number of the new spring dresses and suits from her dress shop which were modeled by several young people. The senior girls of the high school were guests. A very tasty lunch was served later.

Verla Barshaw was pleasantly surprised Tuesday afternoon when a number of her little friends came in after school to remind her of her sixth birthday anniversary. Verla received many pretty gifts.

Mrs. Bert Fortune and mother, Mrs. Ray Ellsworth, spent Tuesday in Bay City.

Arden Charters and John Valant spent Wednesday in Lansing on business.

Jennie Schneider left for Flint Sunday for a month's visit with relatives.

Mr. and Mrs. John Bowen re-

turned Tuesday from a week's visit in Flint with their daughter and family, Mr. and Mrs. Clifford Fresman.

William Fuerst spent Tuesday in Saginaw and Bay City.

Mr. and Mrs. Sam Casaman of Flint spent the week-end with her mother, Mrs. Dugan Catalina.

Mrs. Edith Hunt of Flint spent the week-end here with her parents, Mr. and Mrs. Edward Graham.

Born to Mrs. Evelyn Ferns at Augres hospital Thursday morning, a girl. She will answer to Vickie Lois.

Mr. and Mrs. A. Zemke and Mrs. Murlin McLean were in Saginaw Tuesday. Mr. Zemke remained at the Veterans' Hospital there where he will undergo an operation soon.

The Rev. Wesley Dafeo and Gunnar Brevik spent Monday in Detroit.

William (Bud) Bigas arrived home Saturday from California to spend a 30-day furlough with his parents, Mr. and Mrs. E. J. Williams.

The community was shocked and saddened of the sudden death of John Bellon Sunday noon.

'Farmers Should Keep Good Records'-Sherman

Howard L. Sherman of the Social Security Administration field office in Bay City gave a talk on social security coverage for the farmer at the Whittemore Grange meeting on Monday evening. Mr. Sherman explained the importance of keeping good records and stressed the fact that each farmer should obtain a social security card this year.

A short business session was held with Master Clarence Bellville in charge.

Gerald Bellen passed out petitions prepared by the Grange legislative committee asking that salt, water, chloride and clay not be used on gravel roads in Iosco County during the summer months. These petitions will be circulated throughout the county and then presented to the Iosco County Road Commission.

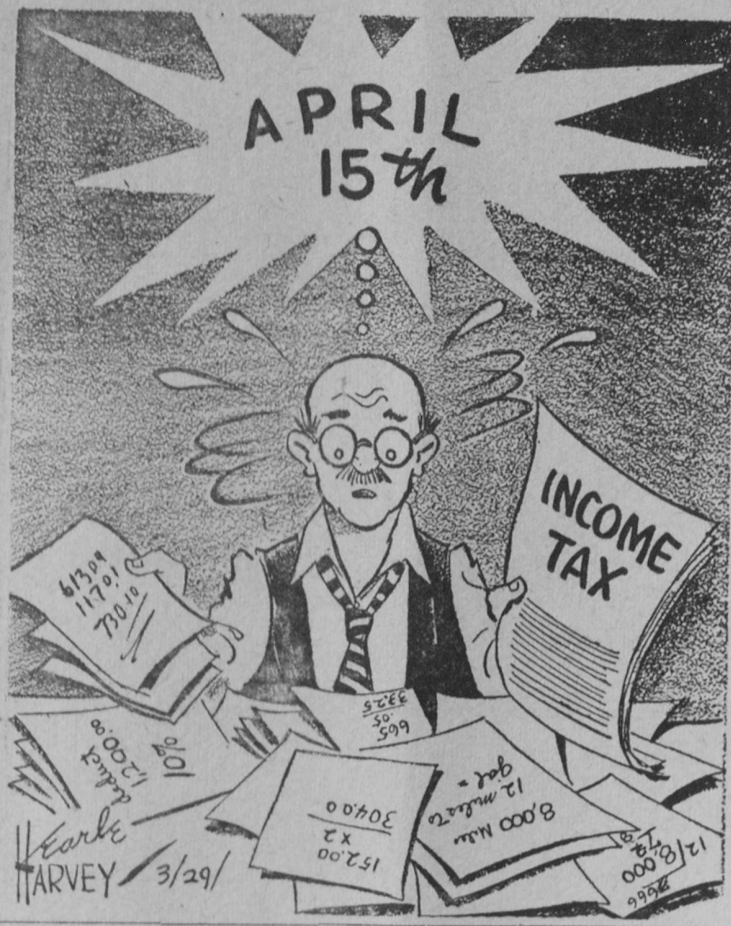

Plans for the future addition to the Grange Hall were discussed. Ardith Bellen gave a declamation, "They Also Serve." Potluck lunch was also served.

Adult Fellowship Holds Meeting Tuesday Night

The Adult Fellowship Group of the Methodist Church met for its regular monthly meeting at the parish house on Tuesday evening. Plans were completed for the annual father-son banquet which the group sponsored on Thursday evening.

Tentative plans were made to hold a family night supper preceding the April 26 meeting. Refreshments of sandwiches, cookies, tea or coffee were served by the committee at the close of the meeting.

Deadline Near!

LOWER HEMLOCK

On Sunday evening, Mr. and Mrs. Edward Nelkie entertained Mr. and Mrs. Waldo Curry, Mr. and Mrs. Wilmer Frank of Tawas Township, Mr. and Mrs. Delbert Albertson, Mr. and Mrs. Arthur Wendt and Mr. and Mrs. Leonard Hosbach of Tawas City in honor of Mrs. Curry's birthday anniversary. Mrs. Nelkie served a nice lunch to her guests.

Visitors at the Henry Fahselt home during the week were: Michael Yacks of Bay City, Mr. and Mrs. Melvin Yacks of Grosse Pointe and Mr. and Mrs. Alfred Gouin of Grant Township.

Deloise Rapp accompanied his brother, Kenneth Rapp, to the Upper Peninsula the first of last week where he delivered a load of new cars.

Mr. and Mrs. Noe Bouchard of Kawkawlin called on the Leonard Bouchards Sunday afternoon.

Mr. and Mrs. Charles Koepke spent Thursday of last week with Mrs. John Jordan and family.

Mrs. Victor Bouchard is spending several days in Bay City at the Richard Reinke home and making the acquaintance of her new granddaughter born Tuesday, March 22.

Mrs. Waldo Curry, Mrs. Edward Nelkie, accompanied by Mrs. Leonard Hosbach, Mrs. Arthur Wendt and Mrs. Delbert Albertson, spent Wednesday in Bay City.

Walter Anschuetz delivered a truck load of lumber from the C. W. Mainer mill on M-35 to Vassar Wednesday of last week. Mr. and Mrs. John Katterman Sr. attended a surprise 35th anniversary party in honor of Mr. and Mrs. Austin Allen at their home at McIvor Friday evening.

Mr. and Mrs. Joseph Bouchard and children spent an evening the past week with his parents, Mr. and Mrs. Leonard Bouchard.

Mrs. Louise McArdle is staying with Mr. and Mrs. John Katterman after a week at Tawas Hospital and several days with Mr. and Mrs. Delbert Albertson in Tawas City.

Mr. and Mrs. William Struthers and Mr. and Mrs. C. E. Earl of Tawas City were Saturday evening guests of Mr. and Mrs. Paul Chevis of Tawas City. Mr. and Mrs. Charles F. Brown were Sunday evening callers of the John Kattermans.

Use of Electricity By Farmers Increasing

Outstate Michigan farmers used 10 percent more electricity in 1954 than ever before, according to Herman J. Gallagher, farm service supervisor of Consumers Power Company.

For the first time, average annual use of electricity by the 102,694 farms served by Consumers exceeded 5,000 KWH. The actual average with 5,207 WKH, about 100 KWH for every week of the year. This was a 10 percent increase for the year and a 55 percent increase in a five-year period.

The 102,694 farms served by Consumers constitute the largest number served by any electric power company in the United States. They are distributed over 60 counties in the Lower Peninsula.

Farmers in the company's Lansing division, which includes Ingham, Eaton, Clinton and Ionia Counties, were the largest users of electricity in 1954. They averaged 118 KWH a week or 511 KWH a month. Farmers of the Grand Rapids division, which takes in Kent, Ottawa and portions of neighboring counties, were a close second with 114 KWH a week.

Of the company's 11 operating divisions with farm customers, central division, with headquarters in Alma, has the largest number, 14,107. The distribution among other divisions is as follows: Battle Creek 7,517; Bay City 9,803; Flint 13,400; Grand Rapids 9,705; Jackson 13,808; Kalamazoo 8,375; Lansing 11,280; Muskegon 3,928; Northwest 6,787; and Saginaw 4,004.

The repeal of federal statutes that form the basis for state "fair trade" acts, which limit price-cutting, will be recommended by a 60-man committee. The group was named by Attorney General Herbert Brownell Jr. to study the situation.

HALE

Mrs. Kenneth Salisbury is in West Branch hospital suffering from a broken leg caused by a fall on the ice.

Mrs. Rose Forey is on the sick list.

Mrs. Ila Bowen of Flint spent the week-end at the home of her aunt, Mrs. Erna Churchill.

Mr. and Mrs. Richard Webb of West Branch called on his grandmother, Mrs. Churchill and his sister, Mrs. Burnside, Sunday evening.

Friends of Mr. and Mrs. William Weryley gathered at their new home Sunday evening for a house-warming party.

Mrs. Paul Deuber is on the sick list.

'Quick Meals' Topic For Demonstration Group

Mrs. Muriel Graves was hostess to the Love District Home Demonstration Group, which met Tuesday evening with "Quick Meals" as its topic for the lesson. Patricia Scofield and Mrs. Joseph Caverly, the instructors, whipped up a quick meal consisting of a meat roll with mustard sauce and salad.

A brief meeting was conducted by the chairman, Mrs. John Dooley. Plans are being made to plant a white pine on the Love Hall grounds on Arbor Day, Miss Scott will receive an invitation to the April meeting.

Plainfield P-TA to Meet

One of the outstanding features of the Thursday, March 31 meeting of the Plainfield Township P-TA, will be a talk by Elmer Knowles of Michigan State College.

Because of this unusual opportunity it is expected there will be a good representation of both fathers and mothers present at the meeting. Mrs. Roy Redmond, president of the P-TA, announced that the general public, including people from neighboring towns and communities, is invited to this meeting.

WHITTEMORE

Mr. and Mrs. Donald Eklund and Robert of Midland spent the week-end with Mr. and Mrs. George Freew and family.

Mrs. Dewayne Hall and sons, Gregory and Dennis, spent a few days last week in Saginaw with her mother, Mrs. Mary Carri-

Sharren Sylvester, who spent five days in the Toifree Hospital at West Branch, was able to return home on Wednesday.

Mr. and Mrs. Louis Ribeaud of Bay City spent Tuesday with Mr. and Mrs. Arthur Johnson and son, Dean.

Members of the Youth Fellowship Group went skating at Tawas on Tuesday evening.

DULLES WARNS REDS

Secretary of State John Foster Dulles, in Formosa, recently warned Communist China of the price the United States would make it pay if it sought to take Formosa and the Pescadores Islands. He said the United States is ready to make an all-out defense of the islands and to strike at the mainland source of any aggression. The secretary was in Formosa for the signing of the mutual defense treaty with the Chinese Nationalists.

With the losco 4-H Clubs
By DOROTHY SCOTT

Calendar—Thursday, April 7—Hale Happy Hustlers openhouse.

Parents, leaders, friends are welcome to visit the 4-H Club at its openhouse meeting where you will see and hear about the activities of these young people.

Seems like we have struck the bottom of the barrel as far as 4-H Club and project meeting reports are concerned. Perhaps it is because everyone is busy with plans for a vegetable and/or flower garden. If that is so, a little information about improved vegetable varieties may be just the thing you want this week. A more complete listing is in a small folder available upon request.

Variety "Firsts." Green beans—Top Crop; wax beans—Puregold; lima beans—Fordhook 242 (large), Peerless (small thick), Henderson (small flat); beets—Crosby; eggplant—Cabbage—Golden Acre, Bonanza, Glory Hollander (by season and Golden Acre, Marion Market, Globe, Wisconsin Ball Head (by season and yellows-resistance); carrots—Nantes; cauliflower—Snowball A (early), Snowball M (midseason), Snowball X (late); sweet corn—North Star (early), Carmelcross (second early), Golden Cross (midseason); cucumbers—Burpee Hybrid or Market for slicing, SMR 12-12 for pickling; lettuce—Great Lakes (crisphead), Bibb (butterhead), Salad Bowl (leaf); muskmelon—Honey Rock; onion—early Yello Globe; peas—Little Marvel (fresh), Surprise (canning), Thomas Laxton (freezing); pepper—Oakview Wonder; radish—Scarlet Globe; rutabaga—Laurentian; squash—Butternut, Buttercup; tomatoes—Valiant (early), Longred and Stokesdale (canning); turnips—Purple Top White Globe; watermelon—Dixie Queen.

Resort Operators School April 4-5-6

All resorts, motel and food service operators in Michigan will soon have an unusual opportunity to brush up on the latest techniques of serving vacationists, Marvin Davenport, county agent, advised today. This unique school, the only one of its kind in the country, will be held on the campus at Kellogg Center, Michigan State College, April 4, 5 and 6.

"Here is an excellent opportunity to learn how to become a more successful manager," Mr. Davenport stated.

"These institutes are very beneficial, not only to the person now in the tourist and resort business, but to those who are contemplating entering this field of endeavor."

The school will be conducted largely by people in the business who have been particularly adept at solving certain problems. Cecil Cabbie, resort operator from Tawas City, is on the program. Other discussion leaders will be specialists in their field.

Anyone who is interested in attending can get further details from the county agent, Marvin Davenport, or some demonstration agent, Dorothy Scott. Inquiries can also be sent to Tourist and Resort Service, 409 Agriculture Hall, Michigan State College, East Lansing.

The CIO Political Bosses are plotting propaganda in his schools

Your hope to stop it depends on your election of these patriotic citizens

J. JOSEPH HERBERT
candidate for UNIVERSITY OF MICHIGAN BOARD OF REGENTS
Chairman of the Board of Regents, former State Commander American Legion, tireless worker for better educational advantages for Michigan students, Mr. Herbert's record qualifies him for re-election.

LEGISLATIVE NEWS LETTER
Submitted by James P. Mielock
House of Representatives
Lansing, Michigan

A packed gallery listened to and received a liberal education in legislative procedure on Monday night and Tuesday when H. B. 156, proposing to change the name of Michigan State College to Michigan State University, was debated at length on general orders and on third reading. A highly controversial bill, debate became a bit heated as proponents successfully fought off all efforts to first recommit the bill and secondly to postpone action for a few days so an informal hearing could be held. Sponsors of the bill maintained nothing was to be gained by delaying house action, contending that a public hearing could be called on the bill in the senate. No one denies that MSC lacked university status, but opponents claimed the proposed name would lead to confusion, principally in the matter of bequests. The bill has now gone to the senate and has been referred to the senate judiciary committee.

If and when the governor approves a senate enrolled act (S. B. 1151) approved by the house by a vote of 95 to 0, the state will be in a position to acquire another historical shrine. This bill authorizes the Mackinac State Park Commission to acquire the Old Mission Church on Mackinac Island as a historical site.

Passed by the house are two companion bills, H. 143 and H. 144. The first bill exempts from the provisions of the sales tax act, those motor vehicles sold to non-state residents for out-of-state registration. The other bill amends the motor vehicle act to require dealers to furnish affidavits of such sales to the secretary of state.

H. B. 35 providing for submitting to the people in the November 1956 election, the question of calling a constitutional convention, passed the house following some debate, with one vote to spare. Opposition to its passage centered mostly around the fact that the question would automatically be submitted in 1956, and hence the reluctance on the part of opponents to pass it at this time. It has now gone to the senate. Similar bills have been before the legislature almost every session for several years. In the 1952 session, the legislature succeeded in effecting passage of such a bill, only to see it vetoed by the governor when it reached his desk, and consequently died when a two-thirds vote could not be mustered to

over-ride the executive veto.

H. B. 114, amending the dental examination, registration and licensing act, to increase the fees, as well as provide for an increase in the annual compensation of board members, received house approval by a vote of 95 to 0.

Senate amendments to H. B. 68 were accepted by the house and the bill ordered and presented to the governor. This bill makes Wayne County auditors responsible for auditing the accounts of all county departments, and plugs loopholes which have made possible defalcations which have recently come to light.

The house favorably considered H. B. 102 on general orders, advancing it to third reading for Friday morning, but postponed consideration on H. B. 107 until the 29th. The first bill authorizes the state administrative board to sell Pinecrest Sanatorium to the highest bidder. The bid, however, must be the appraised valuation set by the tax commission. The latter bill (H. B. 107) proposes sale of the Cadillac Square Building, with the proceeds from said sale to be used in building a supreme court building and a senate chamber building.

A concurrent resolution offered by the entire house membership, extending the sympathy of the Michigan Legislature to the family of the late Walter White, outstanding Negro leader in the north, upon his death a few days ago, was adopted by the house and transmitted to the senate, where there is no question but what it will receive immediate approval of that body in the morning.

The house rules and resolutions committee reported out the adjournment resolution, and it is expected it will be adopted by the house Friday morning, and then go to the senate, where, in all probability, it will not be adopted for another week or two. Once the senate adopts it, a series of deadlines go automatically into effect, with adjournment of the session taking place nine weeks after its adoption by the senate. The house will undoubtedly result in a rush of bills being popped into the legislative hopper for introduction, as well as a stepped up committee activity.

Introduction of bill included a series of six bills assuring perpetual care for cemetery lots in both public and private cemeteries, by amending various existing statutes to provide for trust funds to be set up. The state banking department is given jurisdiction over the trust funds.

Another bill introduced is H. B. 332, a fair trade act, which would require a minimum markup of two percent on all mer-

chandise handled by wholesalers and a six percent markup by retailers. Previous fair trade bills of similar nature, to do away with discount sales, met with stiff opposition and got nowhere. It remains to be seen what happens to this bill this year.

The USS Atka's trip of exploration in Antarctica confirmed that the area, which was used by the Germans in World War II, could not be ignored as a defense factor in the event of any future war.

PILES SHRUNK without surgery!

YOUR MERCURY SAVINGS DON'T STOP WITH THE "DEAL"

OUR SHOWROOM IS ONLY THE FIRST PLACE WHERE YOU SAVE. Mercury saves you money the day you buy, every mile you drive, and when you trade again. Shown above, the 188-hp Monterey hardtop Coupe.

1 YOU GET MORE MONEY FOR YOUR PRESENT CAR. Mercury's tremendous popularity permits us to operate on a high-volume basis. We can offer you a really generous allowance.

2 YOU SAVE WHEN YOU BUY. Mercury prices start below those of 13 models in the low-price field.*

3 YOU SAVE ON OPERATING COSTS with Mercury's proven V-8 engines. Mercury is famous for operating economy and low upkeep. And this year's Mercury is even more efficient than last year's model.

4 YOU PROTECT TRADE-IN VALUE. Mercury has consistently led its field for resale value according to independent market reports.

*Based on comparison of manufacturers' suggested list or factory retail prices

NO OTHER CAR OFFERS BIGGER REASONS FOR BUYING IT

- Exclusive styling shared by no other car
- New SUPER-TORQUE V-8 engines on every model (188 and 198 horsepower)
- 4-barrel vacuum carburetor at no extra cost
- Dual exhausts at no extra cost on all Montclairs and Montneys
- Ball-joint front wheel suspension
- Unique high-compression spark plugs
- Consistently highest resale value in its field

"Monthly Pains" stopped or amazingly relieved

In 3 out of 4 cases in doctors' tests

Chances are you're putting up with unnecessary pain with the functionally caused pains, cramps, and weak "no good" feelings of menstruation!

For, in actual tests by doctors, Lydia Pinkham's Oom-poult brought complete or striking relief from such distress in 3 out of 4 of the cases!

Lydia Pinkham's is modern in its action!

So get Lydia E. Pinkham's Vegetable Compound—or new, improved Tablets with added iron. See it taken through the month—it doesn't give relief from those backaches, jitters—help you feel better before and during your period!

Or—if you suffer from functional "hot flashes" of "change of life," find out how wonderful Pinkham's is for that, too!

It has a quieting effect on uterine contractions that often cause "neerid" pain!

New from the Kraft Kitchen!

SPOON IT into hot foods

HEAT IT for cheese sauce

SPREAD IT for snacks

* Pasteurized Process Cheese Spread

meeting of the Dairy Sales Cooperative at West Branch, 2:00 p. m.

I visited George Lake recently and I see George is getting ready to shear his sheep and have a good place for his lambing. Thinking about lambing well ahead of time can sure help your "lamb harvest." Harold Heineman of Michigan State College says the most important item for making more money with sheep is to reduce the death loss of the lamb crop. Every sheep raiser will agree.

The death loss of lambs in Michigan is 25 percent of the total lamb crop. Here are steps which will help to cut down this high death loss. First, clean out the barn and then provide plenty of fresh bedding. It's a good idea to shear around the ewe's udder and flanks before the lambing time. Be present when lambs are born. A loss of a few hours sleep during lambing will be well repaid.

After a lamb is born, remove the mucus from the lamb's nose and make sure that it starts breathing. Give it a form of artificial respiration if necessary. Then disinfect the naval with iodine to prevent infection. It's important that a lamb nurses within 30 minutes after it is born. A stomach full of milk is good insurance against chilling. Another way to prevent chilling is to provide a heat lamp until the lamb is dry. But don't leave the heat lamp on too long—overheating is nearly as bad as chilling.

Place the ewe and the lamb in a lambing pen for two or three days. Make sure these pens are in the warmest part of the barn to avoid drafts.

A ewe giving milk needs more feed than at any other time. However, keep grain from the ewe for the first two days, but give her plenty of hay and fresh water. On the third day, feed some grain and gradually increase the amount until she is eating about one to 1½ pounds of grain a day, depending on her size and weight. Give the ewe all the hay she wants.

If you're going to set out strawberry plants this spring, now is the time to get ready for the job. Strawberries should be set as soon as the soil can be worked. Early planting this year will result in bigger crops of strawberries next year.

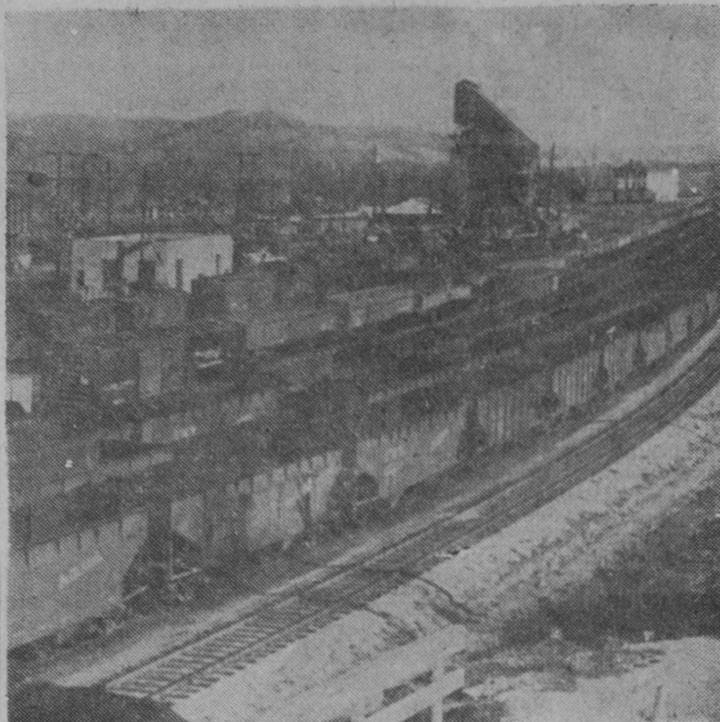

Here are some additional tips—Most growers set their plants 18 to 24 inches apart in rows spaced 3½ to four feet apart. Plants should be set with the crowns flush with the soil surface, and the soil should be firmed well around each plant.

A good starter solution, high in phosphate, such as 10-52-17, 15-52-9, or 10-50-10, will get new plantings established quickly. They should be used according to manufacturers directions on the package.

Blossoms should be removed as they appear, usually removing them about once a week will do the trick. Runners will be reduced in number and yields decreased next year if blossoms are left on the plants.

Save yourself a lot of time and work this spring when you are preparing seedbeds. Raymond Cook, Michigan State College soil scientist, says

RAILROAD STRIKE IDLES FREIGHT YARD

Coal-cars of the Louisville and Nashville Railroad stand idle at the Decoursey trainyard during a strike of non-operating L. & N. employees. A temporary restraining order was received by the L. & N. officials in Louisville, Kentucky, the railroad's headquarters, to stop pickets from interfering with non-striking employees but picket lines at Latonia, Kentucky, were still being respected by trainmen and yardworkers.

Plainfield School on Accredited List

Plainfield Township Rural Agricultural School of Hale has received word from E. L. Grim of the Michigan Department of Public Instruction that the school district has been approved for the collection of tuition for non-resident pupils enrolled in grades nine through 12 for the year ending June 30, 1956. This decision was made as a result of a review of the available data on the total school program.

School authorities have also been informed by Kent W. Leach of the University of Michigan at Ann Arbor, that at a recent meeting of the Executive Committee of the Bureau of School Services this school has been accredited for another two-year period.

that you can save three dollars an acre in preparing a seedbed for corn by using the once-over tillage, that is using equipment that plows and fits a seedbed in one operation.

In the once-over operation, a light tillage unit is hitched behind the moldboard plow. This may be a plow packer, rotary or some other smoothing implement. After plowing, most farmers go over their field twice with a tandem disk and a spring tooth harrow. A plow packer pulled behind a plow will take care of all the tillage necessary for producing top yields of corn.

Once-over tillage not only saves time, money, machinery and a lot of work, but it also saves the soil and water. Too much tillage and pulling heavy machinery over the field packs down the soil. This causes the loss of more water through run-off. That means lower crop yields.

Canadian Hockey Fans Riot

President Clarence Campbell of the National Hockey League, sitting in his seat at the Forum Arena in Montreal, Canada, shortly before he was driven from the place by an enraged mob which showered him with eggs, tomatoes and a tear-gas bomb. The partisan crowd, furious at Campbell's suspension of Montreal's star player, Maurice Richard, for the rest of the season, broke all the windows in the Forum.

Sir Alexander Fleming, discoverer of penicillin, wonder drug that has saved millions of lives, died at his home in London, recently from a heart attack at the age of 73. The Scotsman discovered by accident in 1928 that a mold growth could kill death-dealing bacteria without damaging human organisms. While his discovery meant millions to others, he did not make a penny out of it but gave it freely to the world.

Free Classes in Work Simplification

Free classes in work-simplification techniques, to teach Isoco County homemakers to do their daily housework simpler and easier with less strain on their hearts, will be offered in East Tawas starting Thursday, April 28. The series will be sponsored by the Michigan Heart Association in cooperation with the Cooperative Extension Service according to L. Paul Ralph, M. D., Grand Rapids, president of the association.

The announcement is of special importance to all women who are incapacitated or disabled by heart disease.

The course is available to every woman in the county, although heart patients will be given first listing.

"Most people can enjoy the luxury of extra time and energy that results from finding better and easier ways of doing things," Dr. Ralph stated, "but for the homemaker with heart disease, the saving of time and energy is an absolute necessity."

The work-simplification classes, which are free community services of the Michigan Heart Association, are designed to fill the doctor's prescription of "take it easy" by showing the homemaker how to save as much as 75 percent of her movements and 60 percent of her reaching. This tremendous saving of time and energy means lessening the strain placed on the heart by reducing the physical effort expended by the homemaker.

Mrs. Ruth C. Kettunen of the Michigan State College Home Management Staff conducts the classes. She emphasized that the classes are designed to benefit any economic level and that it is not necessary to remodel a home in order to conserve the homemaker's time and energy.

"Any homemaker can learn to 'take it easy' while doing her various household tasks," Mrs. Kettunen said, "by merely following the work-simplification techniques, principles and ideas taught in the cardiac homemaker classes."

Homemakers in this area may register for the free classes by writing to Miss Dorothy Scott, home demonstration agent, Federal Building, East Tawas, or by calling East Tawas 641.

Each homemaker attends four (two-hour) lecture-demonstra-

tion classes which will be held on four successive Thursdays, beginning April 28. The first class will be held in the Federal Building at East Tawas from 9:30 a. m. until 11:30 a. m.

Cardiac homemakers are urged to obtain their application blanks this week from Miss Scott in order that they may attend the first class on Thursday, April 28. There is a brief section of the application blank for housewives with heart disease, which must be completed by the attending doctor of medicine, indicating the physical restrictions recommended for the patient. This information is for the guidance of the work-simplification consultant only. No medical advice, diagnosis, treatment or examination is given in the cardiac homemakers classes.

All application blanks must be returned to the County Extension Service office no later than Thursday, April 21, in order for the homemaker to be enrolled in the first class.

The Cardiac Homemakers Program is made possible by the Michigan Heart Association through funds received from the United Fund Raising campaigns conducted in many Michigan communities.

United States corporations in January paid out \$721,000,000 in cash dividends, an increase of \$32,000,000 over the corresponding month of 1954, according to the Office of Business Economics of the Department of Commerce.

PLASTIC HEART VALVE—

If it were not for a device in Sprgeon Cooley's heart that makes his heart tick like a clock, doctors say the Detroit'er could not live. Surgeons installed a transparent plastic valve in Cooley's chest to correct a leaking heart valve. A plastic ball bounces in the valve as regular as the heartbeat, causing the noise.

STATE OF MICHIGAN ORDER FOR APPEARANCE AND PUBLICATION

In the Twenty-Third Judicial Circuit, in Chancery. Suit pending in the Circuit Court for the County of Iosco in Chancery at Tawas City, Michigan on the 22nd day of March, A. D. 1955.

In this cause it appearing that after diligent search and inquiry to learn the place of residence of the said defendants their residence cannot be ascertained and it is not known whether said defendants or either of them are living or dead or where they are living or where they reside if living; that it cannot be ascertained where their last known place of residence was except it be Tawas City, Michigan; that process for their appearance has been duly issued and that the same could not be served by reason of their absence from the State of Michigan, therefore on motion of Wm. R. Barber, attorney for plaintiffs,

It is ordered that the said defendants enter their appearance in said cause on or before three (3) months from the date of this order and that within forty (40) days from the date hereof the plaintiffs cause this order to be published in the Tawas Herald, a newspaper published and circulated within said County, said publication to be continued once in each week for six (6) weeks in succession.

Herman Dehnke Circuit Judge Wm. R. Barber Attorney for Plaintiffs Tawas City, Michigan The said suit pending in the Circuit Court in Chancery aforesaid involves the title to the following described real estate situated and being in the Township of Grant, County of Iosco, Michigan, and described as follows:

The Northeast quarter of Section Thirteen (13), Township Twenty-two (22) North, Range Six (6) East, Grant Township, Iosco County, Michigan.

Wm. R. Barber, Attorney for Plaintiffs 12-6b Tawas City, Michigan

STATE OF MICHIGAN

In the Probate Court for the County of Iosco. In the Matter of the Estate of Napoleon Morin, Deceased.

Order for Publication Final Account At a session of said Court, held at the Probate Office in the City of Tawas City, in said County, on the 10th day of March, 1955. Present: Hon. H. Read Smith, Judge of Probate.

H. Read Smith, Judge of Probate 11-3b

STATE OF MICHIGAN

The Probate Court for the County of Iosco. In the Matter of the Estate of Michael Daniel Metz, deceased.

At a session of said Court, held on March 16, 1955. Present, Honorable H. Read Smith, Judge of Probate. Notice is hereby given, That all creditors of said deceased are required to present their claims in writing and under oath, to said Court, and to serve a copy thereof upon Carl B. Babcock of Tawas City, Michigan, fiduciary of said estate, and that such claims will be heard by said Court at the Probate Office on Monday, June 6, 1955, at 10:00 a. m.

It is Ordered, That notice thereof be given by publication of a copy hereof for three weeks consecutively previous to said day of hearing, in the Tawas Herald, and that the fiduciary cause a copy of this notice to be served upon each known party in interest at his last known address by registered mail, return receipt demanded, at least four (4) days prior to such hearing, or by personal service at least five (5) days prior to such hearing.

H. Read Smith, Judge of Probate. A true copy: Mabel Kobs, Register of Probate. 12-3b

STATE OF MICHIGAN

The Probate Court for the County of Iosco. At a session of said Court, held at the Probate Office in the City of Tawas City, in said County, on the 15th day of March A. D. 1955.

Present, Honorable H. Read Smith, Judge of Probate. In the Matter of the Estate of Thomas Golinske, Deceased. Theophil Golinske and Anna Weir having filed in said Court their petition praying that the administration of said estate be granted to Charles Cottrell of Route No. 1, Turner, Michigan, or to some other suitable person.

It is Ordered, That the 5th day of April A. D. 1955, at ten o'clock in the forenoon, at said Probate Office, be and is hereby appointed for hearing said petition; That notice thereof be given by publication of a copy hereof for three successive weeks previous to said day of hearing in the Tawas Herald, a newspaper printed and circulated in said County, and that the petitioner shall, at least ten (10) days prior to such hearing, cause a copy of this notice to be mailed to each party in interest in this estate at his last known address by registered mail, returned receipt demanded.

Proposed amendment to the constitution providing that the conduct of all non-partisan primary elections and elections for judicial offices shall be prescribed by law. A joint resolution of the 1955 Legislature proposing an amendment to Section 23 of Article VII of the State Constitution, providing that the conduct of all non-partisan primary elections and elections for judicial offices shall be prescribed by law.

Article VII Sec. 23. All primary elections and elections of justices of the supreme court, judges of the circuit court, judges of the probate court, and all county judicial officers provided for by the legislature under section 21 of article 7 of the constitution shall be non-partisan and shall be conducted as prescribed by law. All elections at which candidates for said offices are designated "primary elections." Nominations for justices of supreme court shall be made as now or hereafter provided by law; nominations for all other said judicial offices shall be made at non-partisan primary elections. Except as in the constitution otherwise provided, all primary election and election laws, including laws pertaining to partisan primaries and elections, shall, so far as applicable, govern nominating procedure hereunder. There shall be printed upon the ballot under the name of each incumbent judicial officer, who is a candidate for nomination or election to the same office, the designation of that office.

Provision of existing constitution to be altered by such proposal, if adopted, now reads as follows: Sec. 23. All primary elections and elections of justices of the supreme court, judges of the circuit court, judges of the probate court, and all county judicial officers provided for by the legislature under section 21 of article VII of the constitution shall be non-partisan and shall be conducted hereunder. For the purpose of this section, all elections at which candidates for said offices are designated "primary elections." Nominations for justices of the supreme court shall be made as now or hereafter provided by law; nominations for all other said judicial offices shall be made at non-partisan primary elections. This section shall be self-executing. Except as in the constitution otherwise provided, all primary election and election laws, including laws pertaining to partisan primaries and elections, shall, so far as applicable, govern hereunder.

Nomination petitions for candidates at any primary election hereunder, in form as designated by the secretary of the state, shall be filed at least 35 days before said primary election. Nomination petitions for justices of the circuit court shall be filed with the secretary of state, and for all other judicial offices affected hereby with the county clerk. Petitions shall contain the signatures, addresses and dates of signing of a majority of qualified voters equal to not less than 2 percent, nor more than 4 percent, of the total number of votes cast for secretary of state at the last preceding November election in the judicial district or county, as applicable. One separate judicial ballot containing no party designation shall be used for primary elections and elections hereunder. Such ballots shall contain the names of the candidates certifying to their qualifications as provided hereunder. There shall be printed upon the ballot under the name of each incumbent judicial officer, who is a candidate for nomination or election to the same office, the designation of that office. At any such primary election no voter shall vote for more candidates for any office than the number to be elected thereto. The candidates receiving the largest number of votes at any such primary election, to a number equal to twice the number of places to be filled, shall be nominated. If upon the expiration of the time for filing petitions for the primary election of said judicial officers, it shall appear that as to any such judicial office no nomination ticket there is no opposition, then the officer in whom such petitions are filed shall certify to the proper board of election commissioners the name of such candidate for said judicial office whose petitions have been properly filed, and such candidate shall be the nominee for such judicial office and shall be so certified. As to such judicial office there shall be no primary election and such judicial office shall be omitted from the judicial primary election ballot. The provisions of this paragraph shall likewise apply where more than one candidate is to be nominated for any judicial office and there are no

more candidates than there are persons to be nominated. Proposal No. 2 Proposed amendment to the constitution relative to the qualifications of supreme court and circuit court judges. A Joint Resolution proposing an amendment to Section 17 of Article VII of the State Constitution, relative to the qualifications of judges.

Article VII Sec. 17. The supreme court and the circuit and probate courts of each county shall be courts of record, and shall have a common seal. Justices of the supreme court and judges of all circuit courts in this state elected or appointed after July 1, 1955, shall at the time of such election or appointment be under 70 years of age and licensed to practice law in this state. Provision of existing constitution to be altered by such proposal, if adopted, now reads as follows: Sec. 17. The supreme court and the circuit and probate courts of each county shall be courts of record, and shall each have a common seal.

Proposal No. 3 Proposed amendment to the state constitution authorizing the bonding of the state not to exceed \$100,000,000 for loans to school districts. A Joint Resolution of the 1955 Legislature proposing an amendment to Article X of the state constitution, by adding thereto a new section to stand as section 27, relative to the authorization of the bonding of the state in a sum of not to exceed \$100,000,000 to be used for loans to school districts for purposes of construction and acquiring sites.

Article X Sec. 27. The state may borrow from time to time such amounts as may be required but not to exceed an aggregate of \$100,000,000, pledge its faith and credit and issue its notes or bonds therefor, for the purpose of making loans to school districts for the payment of principal and interest on school bonds heretofore or hereafter issued for acquiring, constructing, enlarging, improving and equipping school buildings and sites and for the funding or refunding of obligations incurred for 1 or more of the aforesaid purposes. If the minimum amount necessary to be levied in any calendar year for the payment of principal and interest on the bonds of a school district issued prior to July 1, 1962, after deducting any funds pledged to and available for the payment thereof, shall exceed 13 mills on each dollar of its assessed valuation as last equalized by the state, then the state of Michigan shall loan such school district the amount of such excess, but all loans so made shall not exceed in the aggregate the sum of \$100,000,000 and shall be subject to such terms and conditions as shall be prescribed by law. After a school district shall have received such a loan or loans from the state, it shall thereafter levy each year not less than the said 13 mills until the amount loaned has been repaid and any tax collections in any year over and above the minimum requirements for principal and interest shall be used towards the repayment of such loan or loans. The legislature shall prescribe the conditions upon which levies for bond principal and interest shall be included in computing the amount to be loaned by the state under this section, one of which conditions shall be that the maturities on the bonds of any future issue shall conform with statutory requirements, with the last maturity date not less than 25 years from the issuance date on the bonds. The tax limitation prescribed in section 21 of this article shall not apply to tax levies for any future issue of school district bonds issued prior to July 1, 1962, including refunding bonds, and such tax levies shall be without limitation as to rate or amount. Provided, That the bonds of such issue last maturing shall be due in not less than 25 years from date of issuance but may be subject to prior redemption in accordance with the provisions thereof.

Proposal No. 4 Proposed amendment to the state constitution providing that a state board of canvassers shall be established by law. A Joint Resolution of the 1955 Legislature proposing an amendment to Article III of the State Constitution, by adding a section 9 and an amendment to section 20 of article VI of the state constitution, relative to the establishment of a state board of canvassers.

Article III Sec. 9. A board of state canvassers consisting of 4 members shall be established by law. No candidate for an office to be canvassed by the board shall be eligible to serve as a member of said board. A majority of the board shall not be composed of adherents of the same political party. Article VI Sec. 20. The secretary of state, state treasurer and such other state officer as shall be designated by law shall constitute a board of state auditors. They shall examine and adjust all claims against the state not

ELECTION NOTICE

PLAINFIELD TOWNSHIP The following proposals will be submitted to the electors of Plainfield Township at the biennial election, Monday, April 4, 1955. Shall the Township Board of Plainfield Township, Iosco County, Michigan be authorized to sell a triangular parcel of land in SW of SW of Section 14, T23N R5E, on STH No. 65 and lying SWly of County drain in Plainfield Township, Iosco County, Michigan and submit the proposed sale to bids and the Township Board be empowered to reject any and all bids for the sale thereof.

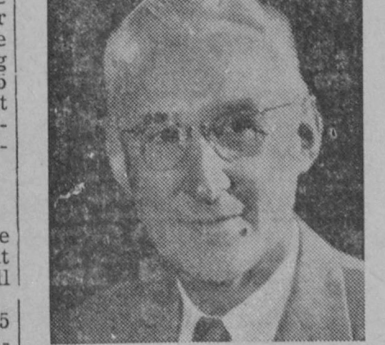

Shall the Township of Plainfield be authorized to establish a branch of the County Library and the Township Board of said Township of Plainfield be authorized to contract and pay therefor a sum of money not to exceed \$1,000 per year and to request the Allocation Board of Iosco County to provide a sufficient amount of the fifteen (15) mill tax limitation for the payment of said sums. DENNIS CHRIVIA, Township Clerk.

Filtration

(Continued from First Page)
stating that the city would be interested in discussing the water problem with the East Tawas City Council further and to discuss a contract for water and terms.

Below is a copy of the basis for dividing the annual costs and water rate study of the City of Tawas City as released at the joint meeting to present the plan for Tawas City's purchase of water from East Tawas:

Basis for Dividing Annual Costs Between East Tawas and Tawas City

Fixed cost per year—Bond issue \$220,000, 30 years, 4 percent; interest \$4,400; principal payment \$7,400. Total cost per year \$11,800.

Cost per capita of combined population is \$11,800 divided by 1,437 and 2,008, equals \$8.252. East Tawas share 3,425.2 times 2,008, \$6,877.91; Tawas City share, 3,425.2 times 1,437, \$4,922.09.

Operating cost (\$17,367 per year)—Per capita cost \$17,367 divided by 3,445, \$5.041219. East Tawas share, \$5.041219 times 2,008, \$10,127.77; Tawas City share, \$5.041219 times 1,437, \$7,244.23.

Plus 50 percent surcharge for outside users, \$6,221.2. Totals per year—Tawas City \$15,788.44; East Tawas \$19,154.68.

Water Study Rate Tawas City, Michigan

The present water rates in Tawas City are as follows:
Flat rate (metered) per quarter—Residential without bath \$3.50, residential with bath \$4.25, commercial, variable.

Metered rate—First 12,000 gallons per quarter \$3.50, next 12,000 gallons per quarter 23 cents per 1,000 gallons, all over 24,000 gallons per quarter 17.25 cents per 1,000 gallons.

Tawas City Water Department for the year ending March 31, 1953, is as follows:

Income—From water sales and penalties \$9,828.14; Service connections, \$1,137.27; Sale of Services and supplies, \$224.41. Total income \$11,189.82.

Expenses—Production expense, \$3,233.03; distribution expense, \$4,031.50; general supervision, \$1,116.09; interest, \$440.00. Total expense \$8,820.62.

Bond payment \$1,000.00. Net gain \$1,369.20. As indicated in the financial statement, the present rates produce about \$10,000 in revenue per year from water sales.

Assuming that water is purchased from East Tawas through a master meter at 25 cents per 1,000 gallons and that the average monthly consumption will be 5,000,000 gallons, the cost of water to Tawas City will be \$15,000 per year. Adding a six percent meter charge of \$800.00 per year results in a total of \$15,800.00.

This represents an increase in production expenses as follows:
Cost of water from East Tawas (unlimited supply) \$15,800; Production expense from wells (limited supply) \$3,400. Increased cost per year \$12,400.

In order to raise this additional revenue it would be necessary for Tawas City to double their water rate which would amount to an additional \$10,000 per year and raise the other \$2,400 by other means such as fire protection charge based upon the number of fire hydrants. There are 40 hydrants on the Tawas City system at present. A charge of \$60.00 per year per hydrant would amount to \$2,400 per year.

We recommend that the residential rate with bath be established at \$9.00 per quarter and the other rates be raised in proportion, also that a hydrant rental charge be adopted in the amount of \$60.00 per hydrant per year.

The contract for the sale of water to Tawas City should contain the following:

1. Contract life of 30 years.
2. Water rate as follows:
Meter charge—4 inch meter \$32.00 per month; 6 inch meter \$66.67 per month; 8 inch meter \$120.00 per month.

Water use charge—First 5,000,000 gallons per month at 25 cents per 1,000 gallons. All over 5,000,000 gallons per month at 20 cents per 1,000 gallons. Minimum charge to be the meter charge plus \$1,250.00 per month. (First step of water use charge.)

Financial Data—East Tawas Revenue Bond Issue—\$220,000 (Plan A)—It has been determined by a previous bond retirement table that financing the project by revenue bonds will require an annual revenue of approximately \$41,000.

Based upon a minimum income from Tawas City of \$15,800 per year the amount to be raised by East Tawas will be \$25,200 which includes about \$4,600 for distribution expense.

There are 36 hydrants on the East Tawas water system. After considering all angles of the problem, it appears that a hydrant rental charge against the city at large of \$50.00 per year per hydrant is equitable. This would amount to \$3,600 per year.

Forensic Contest Held at Whittemore

Last Monday night, March 22, Whittemore high school was host to Tawas Area, West Branch and Oscoda High Schools when the District 1 Forensic Contest of Region D was held at the Whittemore Community Building in Whittemore.

A total of 28 students participated, five of whom took first place honors which allows them the privilege of competing on the regional level in this year's annual Michigan High School Forensic Association Contest.

The contest was judged by a single critic judge, Miss Gloria Vajda of Bay City.

Following is a list of the five events, the first and second place winners in each event and the schools that each student represented:

Declaration: First place, Judy Nelkie, Tawas Area High; second place, Faith Peppel, Oscoda High.

Interpretative Reading: First place, Marion Peurach, West Branch High; second place, Patricia Rich, Oscoda High.

Humorous Reading: First place, Judy Barkman, Tawas Area High; second place, Pat Cohen, West Branch High.

Oratory: First place, Ann Wood, Oscoda High; second place, Marjory Meir, West Branch High.

Extemporeaneous Speech: First place, David Butterfield, Tawas Area High.

East Tawas

(Continued from First Page)

Mrs. John Goddall has been visiting with friends in Flint. Mr. and Mrs. Harvey Watson have been visiting in Flint. Mrs. Watson remained until last Saturday due to the illness of her sister.

Mr. and Mrs. C. C. Harwood attended the funeral of Cyrus Dunham in Flint last Saturday afternoon. Mr. Dunham was a brother of Mrs. Harwood.

It could be raised by a tax levy of approximately two mills for fire protection purposes or taken in part from sales tax revenue.

An average rate of \$9.00 per quarter of \$36.00 per year will produce the balance of the revenue required for a revenue bond issue, as evidenced by the attached bond retirement table.

Combination Issue—\$120,000 General Obligation Bonds; \$100,000 Revenue Bonds (Plan B.)

Under this plan it has been determined by a previous retirement table that the total revenue required per year is approximately \$36,150 at the beginning.

Deducting the revenue from Tawas City leaves \$20,350 to be raised by East Tawas which includes about \$4,600 for distribution system expense.

Producing \$4,300 per year by a hydrant rental charge leaves approximately \$16,000 to be raised by water sales. This would require an average revenue of \$7.50 per quarter or \$30.00 per year.

Women's League to Hold Musical Program

The Tawas Women's League announces the annual presentation of its music appreciation program Monday, April 4, at the East Tawas Methodist Church at 8:00 p. m.

The program this year will feature a quartette, the "Sollars" of Bay City, only recently heard on television in this area. The quartette is composed of Robert Tracy, William Grumbly, Donald Grunder and Martin Musolf.

Mrs. Elwood Bronson is general chairman of the event, which will also feature the Tawas Women's Chorus, under the direction of Mrs. Rex Kochenderfer. The entire program will appeal to audiences of all ages. The affair is open to the public.

Hostesses for the evening include Mrs. Russell Church, Mrs. Bronson, Mrs. Clarence Stevenson, Mrs. Maynard VanOrnam and Mrs. Wayne White. Refreshments will be served in the church parlors following the program. A silver offering will be taken.

The club will also present the initial showing of the "Hither and Thither of Danny Dither," a play by Jeremy Gury, music by Alex North, on the night of April 28 and will repeat the performance on April 29. Mrs. Mardis Turner is directing the play, which is in rehearsal.

Mrs. Winifred Beane

Mrs. Winifred Beane, formerly of East Tawas, died at Ann Arbor last Wednesday, March 23, at the University of Michigan Hospital. She was taken to the hospital from her home in Flint after a long illness.

The body was taken to the Moffatt Funeral Home. East Tawas, and funeral services were held at the Latter Day Saints Church in Tawas City on Saturday afternoon at 2:30. Interment was in the Tawas City Cemetery.

Winifred Clute was born in East Tawas, June 25, 1915, and was 38 years of age.

She is survived by her husband, Eugene Beane of Corunna; one daughter, Beverly of Owosso; one brother, Clifford Clute of Flint, and four sisters, Mrs. Edith Dagostino and Mrs. Lois Hicks, both of Flint, Mrs. Doris Erickson of Alabaster and Mrs. Charlotte Allen of Tawas City.

Out of town relatives were present from Detroit, Flint, Owosso, Saginaw and Corunna for the funeral.

Mrs. Clarence Froyd

Mrs. Clarence H. Froyd, a resident of Tawas City for the past two years, passed away at Tawas Hospital on March 22 after several months illness. Funeral services were held in Detroit at the Cooper Funeral Home on Friday.

Tracy Graf was born in Detroit on September 5, 1894. She married Clarence H. Froyd, who survives her, on September 12, 1925.

Also surviving are a brother, James Graf, and a sister, Mrs. Bessie Schmoock, both of Detroit.

Burial was in the National Garden Cemetery in Detroit.
