WHAT IS YOUR ANSWER?

What's a child worth? What is your answer? Suppose its your child? How often have you said, or hear friends say, "I wouldn't take a million for that kid?" Yes, our children are priceless; the school facilities to educate them, the citizens of tomorrow, are not.

On May 17 the voters of the Tawas Area School District will again be presented the prescription to remedy the ailing school system. Filling the prescription for better schools, a big job that only YOU can do, is a satisfying and rewarding one.

The needs of the children of the school district have long been recognized. The quality of their education is threatened with over-crowding, lack of proper facilities to meet academic requirements and poorly ventilated classrooms. The school has been placed on the tentatively accredited list.

It stands to reason that if the area is to grow and prosper, the children, the leaders of the future, must get the best possible training under the best possible conditions.

The best training under the best possible conditions calls for construction of the school on the best available site, the Neumann-Reinke site, which has the endorsement of the citizens site committee; Michigan Department of Public Instruction; Michigan Drilling Company; H. E. Beyster and Associates, architects and engineers; R. J. Cooke, surveyor, and City Engineer Clifford Spicer, who serves Tawas City and East Tawas in that capacity.

The Neumann-Reinke site was selected by the board of education after weighing facts and viewing the whole school area, with particular interest in the best possible school environment for the children wherever they might live in the district.

Outspoken fairground supporters deny the merits of the Neumann-Reinke site today as they have repeatedly since its selection in October 1953. They could offer no factual information to substantiate their objections then-and they offer none now.

When you step into the voting booth Tuesday, May 17, to give your answer, fill the prescription for the ailing school system with the findings of experts. Your best, your children, deserve the best.

THE TAWAS HERALD **Our Neighbor's Flowers** I WISH THEY WOULD GROW ON MY SIDE OF THE FENCE CU U.S. TAX PAYER 5/10 POPULAR PRESS FEATURE ----Letters to the Editor

May 9, 1955 ld: ty News Thornton) by of the let-not received d you would it. lot said on lot said lot Editor, Tawas Herald: Copy to Iosco County News Attention: Nelson Thornton) Enclosed is a copy of the let-

ter you claim was not received and that you stated you would rint if you received it. There has been a lot said on both sides of this controversey, however, I believe when you the sites and use their own good common sense in making their decision. A word of caution here, stepped down to personal attack on me it was the first time anyne had done so. To me that merey denotes frustration upon your part. What I mean by this is that t proves your inability to cope with the line of thought my letter carried and the reasons put forth

support of it. As far as your personal attack s concerned, it does not bother me except for two points. One is the charge you advance that I am against schools, and thereore do not dare face the chil-

dren. If I stood idly by and allowed about \$100,000.00 (property \$12,-500, sewer and water \$40,000, clearing, leveling and fill \$15,000 to \$20,000, Drainage \$20,000 to \$30,000 for the Neumann-Reinkel (none of this except a small fill for the Fairgrounds-Nursery) to be needlessly buried, and I mean literally buried, because the wrong site was selected, all be-cause the public was propagan-

you will, but let's look at your record. First, in your editorial col-umns you have given much more space to school site than you have to any other phase of our school program. Now, as in the past, you unqualifiedly endorse the Neu-mann-Reinke. The fact that is located on rough and undevel-oped, undrained land, where only a handful of students can walk to school, leads any thinking person to readily see that the school program here would not only cost more to build but to op-erate. You repeatedly stress the facts of size, expert recommendations

only cost more to build but to op-erate. You repeatedly stress the facts of size, expert recommendations and such. Where were all these when you were whole-heartedly supporting the Dead Creek site, a site compares to the Nursery in size? You worry about footing on the Fairgrounds-Nursery, why were you not concerned with the artificial fill on the Dead Creek site? As for surroundings, what could be worse than to have it ov-erlooking, or rather maybe I should say underlooking, an auto-motive boneyard? As for general-suitability it is a well-known fact that the Dead Creek property has a history of several inundations by flash floods. You tried to justify your stand with false economy claims stating that the present gym was ade-quate. Again I think this further

The Firemen's and Policemen's Retirement Act was amended in H. B. 197, setting their retire-ment at 65 percent of the average pay at time of retirement. bill also received unanimous ap-

proval. H. J. Res. "P", proposing an amendment to the constitution to remove the office of superintendent of public instruction from an elective office, and mak-ing it appointive by an expanded elected board of education, ran into trouble and proponents were unable to muster the necessary two-thirds vote, and it was de feated 59 to 50.

H. B. 8, providing for validat-ng check marks on the ballot, went back to committee after a short debate when opponents successfully argued all education and publicity has been directed at using only crosses. Another election bill which

failed of passage and which was returned to committee, was H. B. 463, which permitted a legisla-tive candidate to file a \$100 fee in lieu of nominating petitions, but approved by an 32 to 17 vote, H. B. 370, allowing candidates for city offices to file \$100 in lieu of Iominating petitions, In H. B. 250, the public service

commission is given the power and duty to regulate water com-panies. The bill received a 95 to vote and has gone to the senate H. B. 409 not only designate Armistice Day as Veteran's Day but also permits Saturday closing of county or municipal offices received a unanimous vote. The house turned thumbs down

on H. B. 462 replacing the racing commissioner with a three-man racing commission, who would appoint a director of racing. The house also returned to committee a bill increasing the deer license fees a dollar with the extra do lar to be used by the conservatio department to feed the deer herd

Budget bills totaling \$268,628, 271, including \$19,000,000 fo capital outlay, were reported to the floor. This is an increase over last year's appropriations which were \$251,481,591. The 1955 budget bills are \$23,615,362 under the \$292,243,633 recommended by

The diffculty with most laws numan and divine, is the interpretation.

-AND ALL YOURS

for only \$2260.88

TOU certainly can throw out your chest and call this strapping big Buick yours.

Because-as any comparison shows-the dollar difference between this brawny beauty and the well-known smaller cars is now virtually erased. So if you've been holding back, thinking a Buick was out of reach-let yourself go. You can afford a Buick if you can afford any new car-and the price we show here proves it.

Buick Sales Are Soaring To New Best-Seller Highs

That's a major reason for the phenomenal success of Buick today. So much so, that production and sales are hitting new peaks to move Buick more firmly into the tight circle of America's best sellers.

And a companion reason for this soaring popularity is Buick's full line of cars to give you a choice in any price class-the bedrock-priced SPECIAL, the high-powered CENTURY, the extra-roomy SUPER, and the custom-built ROADMASTER.

But pure and simple, it's all the automobile you get for your money that's winning so many new owners to Buick.

It's the extra pride you feel, the extra room you enjoy, the extra comfort you get, the extra safety you sense - from Buick styling, Buick size, Buick ride-engineering, Buick solidity of structure.

or, 6-passenger buick srectIAL Sedan, Model 48, illustrated. Optional equipment, accessories, state and local taxes, if any, additional, Prices may vary slightly in adjoining communities. Even the factory-installed extras you may want are bargains, such as: Heater & Defroster-\$81.70; Radio & Antenna-\$92.50. 1000

delivered locally!

It's the extra lift and snap and ginger you get from Buick high-compression V8 power-and the fun and thrill of bossing such eager might.

As we said-if you can afford any new car, you can afford a Buick-even with the spectacular performance of Variable Pitch Dynaflow[†] at modest extra cost.

So why settle for anything less than a Buick? Drop in on us, take the wheel, press that pedal, and see for yourself what a whale of an automobile -and a whale of a buy-today's Buick really is.

+Dynaflow Drive is standard on Roadmaster, optional at extra cost on other Series

	- that the Buick SPECIAL is priced below any other car of 188 horsepower and 122-
DID	inch wheelbase?
DID	that the Buick SPECIAL is priced below
YOU	 some models of the three well-known smaller cars?
KNOW-	— that the Buick SPECIAL gives you more pounds of automobile than any other car at its low price?

Thrill of the year is Buick

the Ladies Literary Club of East Tawas met at the club rooms for a 1 o'clock luncheon last Wednes-get their cabin built on property day afternoon, May 4. Honored guest of the luncheon was Mrs. Ben Wilson, who has served as president of the Ladies Literary Club for two years. Mrs. C. S. Everett, newly elected president, uses also a guest

from Detroit.

After the luncheon a short business session was held. Mrs. R. W. Elliott Sr. was elected president of the club to follow the late Mrs. C. A. Pinkerton Sr., who had held the office of presi-dent several years. Mr. and Mrs. Ola Severson en-tertained their little granddaugh-tar for a week. Her parents, Mr. and Mrs. Harold Severson of Flint, came for her on the week-end. Mr. and Mrs. John Putnam were guests of Mr. and Mrs. Fred Burnett recently. They have

moved from Drayton Plains to

home they bought on Huron, US-23 near Oscoda. Lake Mrs. Rueben Buss of Jose Lake came home from the hospital Thursday. Her friends hope she

will soon be well again. Mr. and Mrs. William Widing have part of their lunch room It is located by the Evergreen Motel. Mr. and Mrs. Lloyd Sabin and

sons, Eugene and Stephan, of F'int spent the week-end with her mother, Mrs. John Ulman, and his parents, Mr. and Mrs James Sabin.

CRIME IN U.S. -For the seventh straight year, crime in the United States was on the increase. The new high of 2,-267,25 major crimes topped the 1953 record high by 108,170 crimes. Increases in robberies, burglaries and larcenies were principally responsible for the five percent overall increase in crime nationally.

People without responsibility re usually anxious to solve treandous problems.

Coffee advertised for 27c a pound today would send you flying to the store. But back in 1940 that was not an unusual price for it.

Today, even your electric bill is higher, because you are using a lot more of it. Actually, the average price you pay per kilowatt-hour has gone down, but you have added more electrical appliances to make your job easier, your life more pleasant.

How many work-saving appliances have you added? A freezer or range perhaps. Possibly an automatic washer and dryer. Maybe a water heater.

In the future you'll be using more electricity in even more wonderful ways. And your electric company is working and planning now for plenty of low-price power for tomorrow.

"YOU ARE THERE"-CBS television-witness history's great events

The provide sector of the destruction and a sector and a sector of the s

FARM EVENT MARVIN DAVENPORT

County Agricultural Agent Wednesday, May 11-Agricul-

tural Agency Council meeting, Federal Building, East Tawas, 4:00 to 5:00 p.m.

Thursday, May 26—Soil Sam-pling Demonstrations on Harry Krueger farm at 10:30 å. m.; Lyle in late April and May. Long farm, 1:30 p. m.; a twilight tour at Lyle Bielby's, 7:00 p. m. Friday, May 27—Beef cattle cause cattlemen want these able to return to the Huron Rest

tour at Lyie Bielbys, 7:00 p.m. Friday, May 27—Beef cattle cause cattlemen want these feeders to put out on grass. Then, lars later. I have one farmer who is thinking about controlling spit-tlebug in his alfalfa fields. Think-about it now, as Herbert Oates of Allabaster Township is doing, is none too soon. Spittlebugs, who make and live part of their lives in their own bubble baths, can damage and reduce yields of alfalfa (and clovers, too). Control of the frothy pests pays off if they are working fields in large numbers. Spittlebug control will not cor-

Spittlebug control will not cor-feeders flexible in their cattle

Spittlebug control will not correct faults of a normally poor crop, however, and the treatment time is important. Spittlebugs can be spotted early in legume fields—when the tall. The orange youngsters are in the tiny specks of foam or froth in crowns or on growing plants. Treatment should take place within 10 days after the eggs hatch, before plants grow more than five inches tall, and lindane spraying should be at least 35 days before fields are cut and the failly liberal supplies. The the set fairly liberal supplies. The the set f

days before fields are cut and these fairly liberal supplies. The Lemuel and family, Mr. and Mrs. pastured. wheat fields in the West failed to Clifford Anschuetz and child of

AGRICULTURAL CLASSES Morley. Mr. and Mrs. Alfred Boomer of Mr. and Mrs. Alfred

PLANT SEEDLINGS Members of Tawas Area's two general agricultural classes are currently studying conservation and re-forestation projects as part of an overall plan to ac-quaint students with the advan-tages of such projects on farm lands. Mr. and Mrs. Alfred Boomer of Midland and Mr. and Mrs. Alfred Simmons were Monday supper guests of Mrs. Hamy Buck and Mrs. Ralph Graves and children at Hale. The American Legion Auxil-iary, Jesse Hodder Unit, will honor its Gold Star Mothers at a 6:30 dinner at the Legion Hall next Monday evening. An invi-

lands.
Class instructor, Richard Stock, and his 21 students in Agriculture Two and 27 boys in Agriculture One have planted more than 1,100 trees this year. Of these, 850 were red pine and 250 were Scotch pine seedlings.
Mr. Stock said that through such classes, the students learn
6:30 dinner at the Legion Hall next Monday evening. An invitation is extended to all gold star mothers to attend. Poppy Day will be Thursday, May 26, in Tawas City. Members of the Legion Auxiliary, Jesse Hodder Unit, will sell poppies on the streets of this city.
Mrs. Fred Luedtke has re-tword free a new blastication.
