Sportsmen's Club to Hold Work Bee Again Sunday

Officers of the Iosco Sportsmen's Club were disappointed with the turn-out of members at a scheduled work bee last Sunday morning at the site of the Kids' Fishing Project on Cold Creek. Dr. E. B. Cavell, president of the club, said Monday that only Val Fallu, secretary, and himself were on hand to work.

"We must finish brushing the project next Sunday morning in order to have the area ready for Memorial Day," said Dr. Cavell. "Members were very conspicuous by their absence at the last work bee and it will take the cooperation of everyone to complete the project."

The fishing project, located on Cold Creek at the M-55 cut-off is now open to all youngsters. The conservation department will plant trout in the creek as soon as the project is completed. The club has already begun to feed the trout with a special mixture perfected by Edward Parker.

The project is open to all youngsters up to and including 16 years of age. Cavell said this week that anyone who would like to help finish the project would be more than welcome next Sunday.

## \$775,000 Bond Proposal and Neumann-Reinke Site Approved by Tawas Area Electors

### 3,000 Vote in Tuesday's School Election

At Tuesday's special school election, voters of the Tawas Area School District approved a \$775,000 bond proposal for the construction of a new junior and senior high school. At the same time the board of education and site committee endorsed Neumann-Reinke site on M-55 was selected by the voters as the site for the new school.

It is believed to be the largest turn-out of voters in an election in the Tawas Area, the bond proposal won by a majority of 1,507 "Yes" to 1,047 "No" ballots. Unofficial tabulations on the site selection show that the Neumann-Reinke site was favored by a 1,561 to 1,399 vote.

Returns from the four voting precincts indicate that both the bond proposal and the Neumann-Reinke sites were favored by voters in three out of four voting precincts. A breakdown of the unofficial figures is as follows:

BOND PROPOSAL		
	Yes	No
Tawas City	661	155
Alabaster-Whitney	120	71
Tawas-Grant	360	140
East Tawas	366	681
Totals	1,507	1,047

ADVISORY SITE VOTE		
	N-R	FG
Tawas City	826	141
Tawas-Grant Twp.	445	96
Alabaster-Whitney	179	60
East Tawas	111	1,102
Totals	1,561	1,399

Tuesday's total of 2,960 votes cast on the site advisory vote and 2,554 ballots on the bond proposition was more than any of the previous elections. The largest number of voters to cast ballots prior to this election was in December of last year when 2,114 voters cast ballots on the bonding proposal and 2,238 voted on the increase in tax limitation.

The board of education recently stated that the new school would be ready for use by September of 1956 and could expect to have it at least by January of 1957, if the voters favored the bonding proposition.

Board President Randall M. Fox said Wednesday morning that it is the intent of the board of education to get the new school under construction as soon as possible. Mr. Fox said that he presumed that a representative of H. E. Beyster and Associates, architects of the new school, would be on hand for the meeting next Tuesday.

Tuesday's special school election was the fourth bonding proposition presented to Tawas Area electors in the past 15 months. The first election, held in February of 1954, was turned down by a small margin. The other two bonding proposals presented to the voters later in the year were defeated by majorities of 100 votes or less.

During the more than two years since consolidation of the Tawas Area School District in September, 1952, a heated controversy had arisen over a school site selection. A site committee, composed of representatives of each voting precinct, and the board of education favored the Neumann-Reinke site.

### Open House to be Held at Wurtsmith

Armed Forces Day will be observed in Iosco County with an open house at Wurtsmith Air Force Base on Saturday, May 21. Personnel of the air base extend a cordial invitation to all citizens of Iosco County and Northeastern Michigan to visit the base on that day.

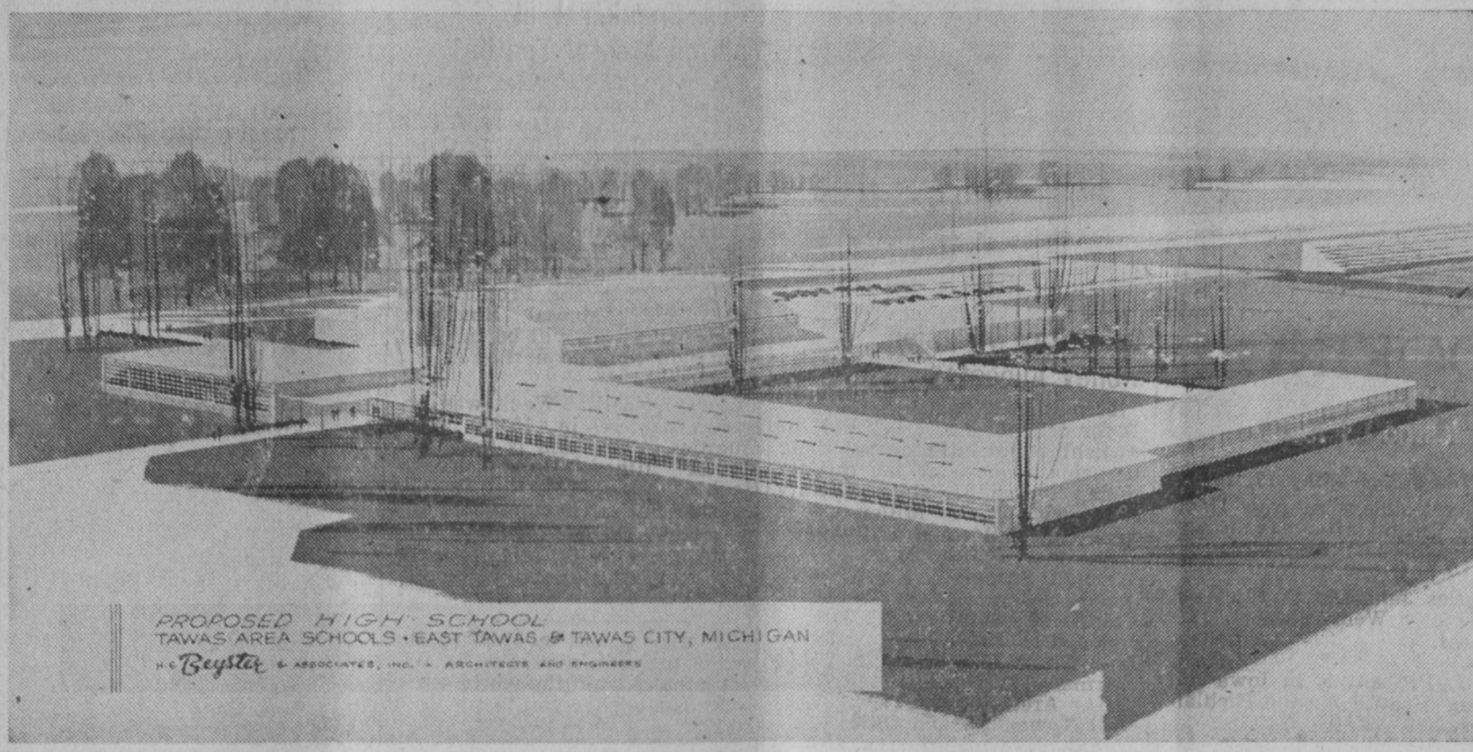

Highlighting the day's activities will be a flying demonstration of the new Northrup F-89D "Scorpion." This jet airplane will be one of a group that will perform for the visitors. The program will be held from noon until 4 o'clock.

Also included in the program is a rescue demonstration utilizing the Wurtsmith helicopter, a fire fighting demonstration and a static (standing) display of aircraft and equipment.

The Wurtsmith helicopter has also proved to be a valuable asset to the civilian population of this area in recent months. Besides assisting law enforcement agencies in time of accidental drownings or rescue work on Lake Huron and Tawas Bay, the helicopter was used recently to fly Dr. Perry Brucker from the base to Hale where he administered Salk polio shots to grammar school students.

Wurtsmith Air Force Base is commanded by Colonel Ralph Taylor Jr.

### NEW SCHOOL WHICH VOTERS APPROVED

Shown above is the architect's sketch of the new Tawas Area junior and senior high school which voters approved Tuesday. Nearly 3,000 voters cast ballots in the advisory vote on the site issue.

## Council to Proceed With Plans for \$90,000 Water Expansion Program

The Tawas City Council unanimously voted to proceed with a proposed \$90,000 iron removal plant and 200,000 gallon elevated water tank at a joint meeting with the Tawas City Water Board Monday night. The council authorized City Engineer Clifford Spicer to prepare preliminary plans for the new water project and to negotiate prices with well drillers for the drilling of a new 10-inch well to augment the municipal water system.

The move by the council followed recommendations by the water board to go ahead with the project. The proposed water system would be financed by one-third general obligation bonds and two-thirds revenue bonds. The general obligation bonds would require a vote of the taxpayers and would result in an increase of about two mills on taxes.

City Engineer Spicer, who was present at the joint meeting, told members that the iron removal plant would require a building 20 by 30 feet. He explained that the water would be pumped directly from the well into a tower where it is then sprayed down into trays, aerated by air currents and then pumped into the proposed 200,000 gallon elevated tower and the present 50,000 gallon tower.

The new well, iron removal plant and elevated tank is tentatively planned at the north-west corner of the Tawas City baseball diamond. The council authorized the legalizing of an option for the land with Miss Doris Brugger, owner.

The first step, Mr. Spicer said, would be to drill a six-inch test well on the property to make sure there is an adequate supply. The site of the proposed new well is approximately 1,000 feet away from the city's present main producer.

The city engineer said that construction of the new iron removal plant would remedy the present iron discoloration in the city water supply. He said that odor in dead-end mains would be eliminated.

### PARK CONCESSION COMPLETED

Shown above is the new Tawas City Park Concession building owned by William Borosh and Gordon Clute of this city. The 30 by 16 foot building is of cement block construction. It will serve as a ticket office for the charter boat at the dock, bait shop and hamburger drive-in.

### VETERAN NEWSMAN ANNOUNCES RESIGNATION

Bert Stoll, veteran outdoor writer for Booth Newspapers, announced his resignation, last week, effective June 1. He plans to open his own news bureau here dealing chiefly with feature material designed for newspaper and magazine publication.

Stoll started in the newspaper business 30 years ago with The Detroit News immediately following his graduation from the University of Michigan. He came to Tawas nearly 20 years ago as a correspondent for The Bay City Times.

Shortly after the end of World War II he began servicing the eight Booth papers, with most of his writing dealing with conservation matters. In his new capacity he will continue his residence in East Tawas.

Mrs. Robert Murray of Marlette is spending a few days at her home here.

### Reynold Mick Memorial Day Speaker Here

Reynold E. Mick, superintendent of Tawas Area Schools, will give the Memorial Day address at services which will be held Monday, May 30, at the Tawas City Cemetery. The program is under the auspices of Jesse C. Hodder Post, American Legion, with Earl Davis as post commander.

The program will be as follows: 8:00 a. m.—Assembly at the Legion Hall.

8:45 a. m.—Parade on Lake to the Mathews Street Bridge, where a ceremony will be given in honor of the men who served in the navy.

9:30 a. m.—Services at the cemetery. Selection by Tawas Area School Band. Invocation by the Rev. Fr. Joseph Castaner.

Decoration of the Mound. Memorial Address by Reynold E. Mick. Benediction by the Rev. Fr. Castaner.

National Anthem by Tawas Area School Band. Salute to the Dead by Jesse C. Hodder Post Firing Squad. Taps.

Decoration of the graves. James Dillon will act as officer of the day and Donald Westcott will be in charge of firing squad.

R. F. Look Home Improvement Opens New Office in East Tawas. The new office of R. F. Look Home Improvement is now located across from the Tawas Trailer Sales, 830 West Bay Street, East Tawas. Mr. Look invites all of his old customers and friends to visit him at his new place of business.

Representing the Royal Alumac Company, Mr. Look is displaying a complete line of three-channel aluminum combination screen and storm windows and doors.

### POPPY DAY PROCLAMATION

Whereas: The annual sale of Poppies by the Veterans of Foreign Wars and American Legion of the United States has been officially recognized and endorsed by the President of the United States and Veterans Administration; and

Whereas: Poppies are assembled by disabled veterans, and the proceeds of this worthy fund-raising campaign are used exclusively for the benefit of disabled and needy veterans, and the widows and orphans of deceased veterans; and

Whereas: The basic purpose of the annual sale of Poppies by American Legion and Veterans of Foreign Wars is eloquently reflected in the desire to "Honor the Dead by Helping the Living;" therefore,

I, George W. Myles, Mayor of the City of Tawas City, and Elmer Werth, Mayor of the City of East Tawas, do hereby urge the citizens of the community to recognize the merits of this cause by contributing generously to its support through the purchase of Poppies, on the days set aside for the distribution of these symbols of loyalty. We urge all patriotic citizens to wear a Poppy as mute evidence of our gratitude to the men of this country who have risked their lives in defense of the freedoms which we continue to enjoy as American citizens.

(Signed) George W. Myles, Elmer Werth, Mayors.

### Services Held Monday for Harold Lixey

Harold Lixey of East Tawas died instantly in an automobile accident last Thursday evening near his home on US-23. While driving to work in a light truck, it was hit by an automobile driven by M. W. Catto of Oscoda and thrown in the path of a northbound Greyhound bus. Catto suffered severe injuries and two passengers in the bus received lacerations and bruises.

Lixey, who was an employee of the Anderson Coach Company, had been identified with the commercial fishing industry here the most of his life. He was the son of Mr. and Mrs. Henry Lixey. Born October 3, 1896, he had been a lifelong resident of East Tawas. He was a veteran of World War I. On May 19, 1939, he married Mrs. Marian Spalding of Traverse City.

Surviving are the wife, Marian; his parents; two sisters, Mrs. Gladys Klenow and Mrs. Lucille Michaels; four brothers, Ralph, Richter, Mervin and Donald; and two step-daughters, all of East Tawas.

Funeral services were held Monday morning from St. Joseph's Catholic Church. The Rev. Fr. Robert Neuman officiated. Interment was in St. Joseph Cemetery.

Catto, owner of the Wabun resort at Oscoda, was hurrying to Flint, called there by the serious illness of his mother, Mrs. Catto. He died a few minutes before the accident and Michigan State Police was seeking to inform him at the time of the crash. He was treated for injuries at the Tawas Hospital and later released to go to the home of his father in Flint.

### Iosco Cities Exchange Mayors for a Day

During the week-long observance of "Michigan Week," May 15-21, Tawas City and Unionville exchanged mayors in the annual exchange of mayors day Monday.

Mayor Wesley Schember of Unionville was guest of honor at the Tawas City Businessmen's Association luncheon Monday noon at the Vic and Zel Restaurant. Mayor Schember was introduced to the group by Russell Church, president.

Mayor Schember commented that Tawas City and Unionville were "neighbors just across the water." Unionville being in the "thumb" area of Michigan. He drew a parallel between activities in his home city with those of this community.

Speakers at the luncheon were Carl Babcock and L. G. McKay Jr., who commented about the progress of Tawas City and East Tawas during the past 25 years. Mr. Babcock said that this program could only have been attained through the close cooperation of the two communities, due largely to the efforts of the joint chamber of commerce and the Tawas Kiwanis Club.

Mr. McKay pointed out the advantages of the state and said that it leads in automobile production, is the largest producer of furniture, cereal, cherries, peaches and many other items.

After the luncheon the visiting mayor was taken on a tour of industries in the Tawas and later visited the United States Gypsum Company plant at Alabaster, where the group inspected mining operations.

Mrs. Schember was guest of honor at a luncheon Monday noon at McNeill's Restaurant. Wives of the members were hostesses. Meanwhile, Mayor George W. Myles was honored at a luncheon

at Unionville and later visited several farms in that area. Included in his itinerary was a tour through the Michigan Milk Producers' Plant. Later in the evening Mayor Myles pitched the first ball to open a night baseball game between Unionville and Sebewaing high schools. Unionville recently completed a new lighted field and a \$325,000 addition to its school system.

In the mayor's exchange program at East Tawas, Mayor Fred Rowden of Lapeer was honored at a noon luncheon at the Holland Hotel by the East Tawas Retail Merchants Association. Later, the group toured the Anderson Coach Company plant and other industries in the area. Mayor Elmer Werth of East Tawas was honored at a similar program at Lapeer.

At Whittemore, Mayor Russell Williams was in Clinton in the exchange of mayors.

### Kindell-Kolonich Team Wins Canoe Race

A Tawas City team of Steve Kolonich and Larry Kindell emerged victorious last Sunday in the fifth annual Bear River canoe race at Walloon Lake. Covering the 12-mile course from Walloon Lake to Petoskey in two hours, 27 minutes and 57 seconds, the pair won first place money of \$160.

In second place was Ralph Sawyer and Tom Gildersleeve of Oscoda, who won \$80. Also placing among the first seven winners was a third Iosco County team, Bill Dingman and Tom Halcro of Oscoda.

### Golf League to Organize

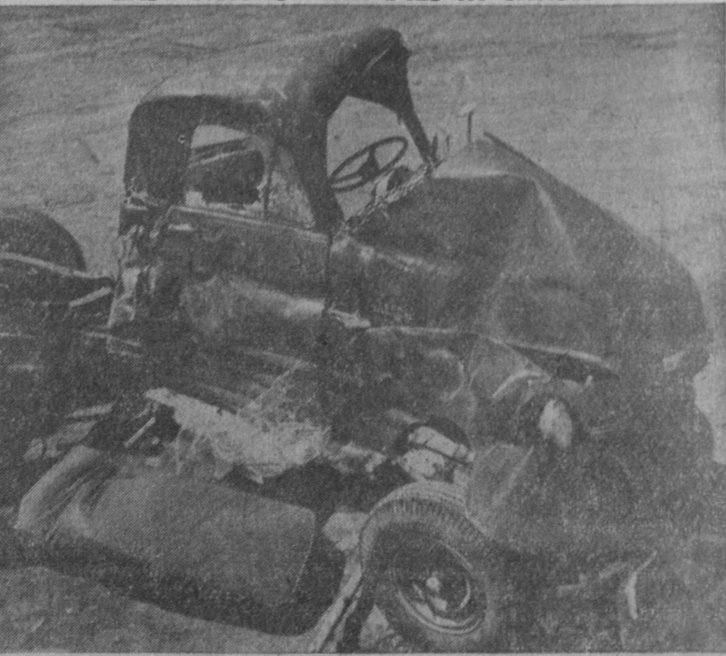

A golf league meeting will be held at 8:30 Friday evening at the Country Club to organize for the coming season.

**Your Dream to Become Reality--**

A new school, the dream of the residents of the Tawas Area School District, will soon be a reality. Now Tawas Area will have a first-rate school to match its first-rate pupils. Congratulations, kids!

The magnificent job accomplished by public-spirited volunteer residents of the district was largely responsible for the unexpected turnout at the polls—and the approval of the bond proposal.

An equal expression of gratitude is due the voters who, in exercising their voting privileges, gave the school system a warming vote of confidence. The destiny of the school building program is now in the hands of the board of education.

The fine program set forth by the board can now progress at an accelerated pace toward a common goal—a full educational life for our children.

**Flight To Peace?**

**Christian Science--**

The fact that lasting beauty is gained through spiritual understanding of God's radiance and strength will be stressed at Christian Science services Sunday.

The lesson-sermon entitled "Soul and Body" includes the following verse from the Bible (Psalms 96:8): "Honour and majesty are before him: strength and beauty are in his sanctuary."

Among the correlative passages to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will be the following (247:10-12, 13-15): "Beauty, as well as truth, is eternal; but the beauty of material things passes away, fading and fleeting as mortal belief. Immortality, exempt from age or decay, has a glory of its own, the radiance of Soul."

The Golden Text is from Psalms (104:1): "Bless the Lord, O my soul. O Lord my God, thou art very great; thou art clothed with honour and majesty."

**P-T-A Speaker Will Talk on Mental Health**

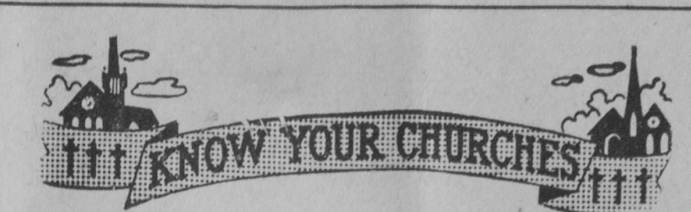

When the Tawas Area Parent-Teacher Association meets on Monday evening, May 23, at 8 o'clock in the East Tawas Community Building, a program on mental health will be presented. Ohmer J. Curtiss, case worker supervisor of the Traverse City State Mental Hospital, will be the speaker and will show two films, "It's a Big Problem" in color, and "Mental Illness in Children." There will be time for discussion and a question and answer period.

Mental Health Week was observed May 1-7 in 10,000 communities. The aim is to "Fight Mental Illness—Build Mental Health." Mental illness is the nation's most serious problem and yet one of the most neglected.

Mrs. Terrence O'Loughlin is the program chairman. Refreshments will be served.

Television will not bring the world to your doorstep. It will bring that part of the world somebody else wishes you to see.

**Foreign Missionary Work Dramatized**

At a meeting of Grace Lutheran Ladies Aid held at the church on May 12, a missionary theme was used. Mr. devotionals and program, Miss Helen Applin, program chairman, had charge of the service. Taking part in devotionals were the Rev. Robert Nelson, Patience Nash, Edna Nunn, Leona Benson and Irene Ludwig.

A missionary dramatization was given in which a globe of the world with colored streamers attached to several nations was used. The following women took part: Leader, Miss Applin; Africa, Shirley Nelson; India, Luella Anderson; China, Emma Sloan; Korea, Elsie Weber; Japan, Pearl Rose; America, Edna Nunn, and a prayer by Patience Nash. Mrs. Nash also told of the work accomplished by the missionary society of the aid.

Refreshments were served by Mrs. Rose Christeson, Mrs. Blaine Christeson and Mrs. Oscar Christeson. The serving table was decorated with spring flowers and yellow candles.

**VFW Sponsors Poppy Sale in County**

"The proud and symbolic product of the unsteady hands of our hospitalized and disabled veterans" was the way Commander Harlin Thompson of Veterans of Foreign Wars Post No. 5678, described the Buddy Poppy which his organization will put on sale in Isosco County May 26-27, 28. "The sale here will be just one of many thousand sales being held throughout the nation during the month of May," Commander Thompson said.

In the hospital wards and hobby rooms of Veterans' Administration Homes and Hospitals all over the country men in pajamas and bath robes have been busy for many months now making the artificial memorial flowers symbolic of those who gave so much during time of war. They are hoping and praying that all Americans will give the symbolic flower of remembrance when Buddy Poppies are placed on sale May 26-27-28.

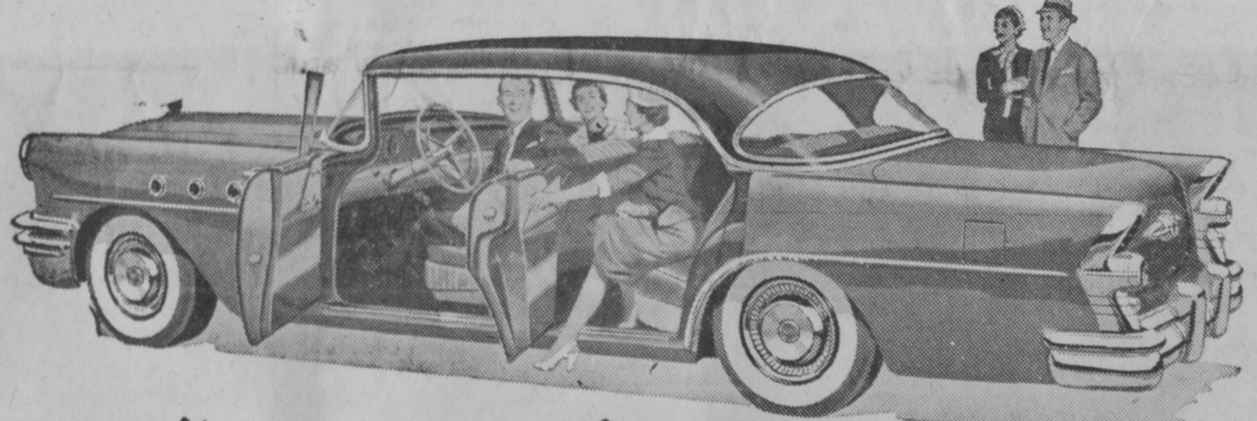

Many of these men are working with partially paralyzed or deformed hands, some in wheel chairs and others yet in bed. They get immense satisfaction from the work. The mechanical ingenuity required by the work takes their minds off their own pain and loneliness. Several of the men work at benches turning out many flowers a minute. But into each Buddy Poppy goes personal attention.

For many years now Veterans Administration hospitals have recognized the making of Buddy Poppies as helpful therapeutic rehabilitation. Each veteran working at making the poppies is paid a nominal amount for each flower he makes. The remainder of money collected from the sales goes to aid them in other ways, and for welfare work among the widows, orphans and dependents of deceased comrades.

Advertisers ought to appreciate that they pay for circulation; circulation worth having is paid for by those who read a newspaper.

It is the quick thinkers who become leaders. He who hesitates is bossed.—Duluth Tribune.

**Hottest news in Hardtops is the 4-Door Riviera**

*Why take anything less than the sensation of the year?*

**WHEN** you learn what's been done in the automobile pictured here, you can easily see why this beauty is winning rave notices coast to coast.

Buick engineers took the hardtop body design that has been growing tremendously in popularity over the past six years—and gave it four doors instead of two.

Simple? Sure—to all outward appearances. But it took a brand-new kind of body with wholly new structural principles to do it—to bring this long-awaited new kind of automobile to the public in volume numbers and at popular prices.

For this is a true hardtop—with the sleek and racy look of a Convertible, because there are no center posts in the window areas on either side.

And now it has front doors for the front-seat passengers—and rear doors for the rear-seat passengers—plus room increased to the size of a full Sedan.

(It took some special kind of engineering magic, you can be sure, to hinge all four doors at their forward edges for greater safety, and more ease of entering and exiting.)

**HOTTEST NEWS IN AUTOMATIC DRIVES IS VARIABLE PITCH DYNAFLOW**

It's the world's first transmission with the switch-pitch principle of the modern airplane's variable pitch propeller. You get better gas mileage in cruising. You switch the pitch just by pressing the gas pedal—and get lightning-like response for getaway, or for a sudden safety-surge of accelerating power. It's the performance thrill of the year. Standard on ROADMASTER, optional on other Series at no more extra cost than earlier versions of this wonder drive.

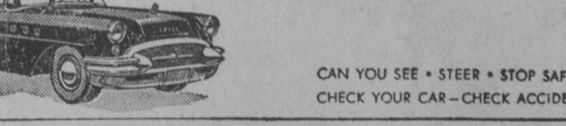

So it looks like Buick has scooped the industry again—and come up with the hottest news in hardtops since Buick originated the first two-door hardtop six years ago.

And you can have it now—in the low-price SPECIAL or the supremely-powered CENTURY—and either one at the modest extra cost of a 4-door model over a 2-door.

Drop in on us today—this week, for sure—and see how easily and how quickly one can be yours.

**Local Delivered Price of the 1955 Buick SPECIAL \$2260.88**  
2-Door, 6-Passenger Sedan, Model 48 (illustrated) is  
Optional equipment, accessories, state and local taxes, if any, additional. Prices may vary slightly in adjoining communities. Even the factory-installed extras you may want are bargains, such as: Heater & Defroster—\$31.70; Radio & Antenna—\$92.50.

LEGISLATIVE NEWS LETTER

Submitted by James Mielock House of Representatives Lansing, Michigan

Budgetary matters and committee meetings shared the limelight in this past week as we headed down the home stretch.

Prospect of Michigan joining the list of states providing executive mansions for their governors, moved a step forward with the passage by the house of H. B. 256, establishing a Michigan Executive Residence Planning Commission.

A unique feature of the bill, and one which its sponsors feel will make the dream of a governor's residence a reality, is that the commission is authorized to offer the people an opportunity to participate in this long-overdue project.

The house, by a vote of 101 to 0, passed H. B. 299 authorizing the state highway commissioner to enter into negotiations with the Wisconsin State Highway Commissioner in the preparation of plans, specifications and designs of an interstate bridge across the Menominee River between Menominee, Michigan, and Marinette, Wisconsin.

With but one dissenting vote, the house passed an already approved senate bill, (S. B. 1351) permitting the continuance of a sufficient toll to cover expense of operation, maintenance and repairs after the Blue Water Bridge bonds have been paid.

Mr. and Mrs. Donald O'Farrell and family spent Sunday in Bay City relatives.

Mr. and Mrs. Wesley Nyswander and family of Davison spent the week-end in town.

Mrs. James Petty of Turner attended the shower for Coralie Dorsey here Wednesday evening.

Mayor R. J. Williams was in Clinton Monday in the exchange of mayors. The Clinton mayor was in Whittemore.

843 for a total of 1955-56 budget of \$270,284,591. This is quite an increase over the total budget of \$251,481,591 in the current fiscal year, 1954-1955.

Broken down into specific bills, the budget is as follows: Bills passed in the house and now under consideration in the senate, are:

H. B. 473 providing \$50,394,373 for public welfare services. This represents an increase of \$558,496 over last year's appropriation.

H. B. 476 carried an appropriation of \$8,689,632 for conservation, agriculture, and recreation. This represents an increase of slightly in excess of \$1,000,000 over the 1954-55 appropriation.

H. B. 477 calls for \$14,970,961 for the Michigan State Police, public safety and defense. This figure is \$925,349 higher than last year's appropriation.

H. B. 478 provides \$7,840,226 for regulatory services, an increase of \$314,065 this year.

The above house bills total \$81,395,712.

Budget bills passed by the senate and received in the house in the last few days, totaling \$154,418,486 are:

S. B. 1426 providing \$13,163,713 for penal institutions and corrections. This is an increase over the current year of \$366,023.

S. B. 1427 appropriates \$15,443,438 for public health.

S. B. 1430 carries an appropriation of \$50,038,220 for mental health and mental hospitals, an increase of \$4,202,526 over last year's appropriation.

S. B. 1432 appropriates \$55,787,057 for education, an increase over the current year of \$4,464,947.

S. B. 1431 provides \$13,626,518 for new construction and \$750,000 for fire protection, while S. B. 1429 gives \$909,937 for special maintenance projects plus \$3,724,203 for remodeling and additions.

This makes a total capital outlay of \$19,003,558 as compared with \$13,536,490 in the current year.

S. B. 1237 appropriates \$750,000 for junior colleges.

S. B. 1203 appropriates \$212,500 as supplemental appropriation to the Michigan aviation supplemental matching fund for the purpose of assisting political subdivisions in the state in matching funds for construction and improvement of publicly-owned airports and landing fields within the state.

THE UNITED NATIONS—Henry Cabot Lodge Jr., chief of the United States delegation to the United Nations, has recommended that this country seek to amend the United Nations Charter to eliminate the veto on admissions of new members.

Lew C. Sturgis

Lew Clay Sturgis, 71, of Long Lake near Hale died suddenly Wednesday at his home after suffering a heart attack. He was born at West Union, Iowa, June 4, 1883, the son of Henry Clay and Dora E. Sturgis and married the former Belle A. Nichol in Oelwein, Iowa, March 2, 1911.

At the time of retiring on August 1, 1945, he was an executive of the Chrysler Corporation of Canada at Windsor, Ontario, for 16 years. Before going to the Chrysler Corporation, January 1, 1929, he was with the Buick Motor Company at Flint from April of 1914, a period of 15 years.

The body was taken to the Moffatt Funeral Home at East Tawas and then removed Wednesday evening to Hintz Funeral Home in Oelwein, Iowa.

Services were held in Oelwein Saturday afternoon at 2:30 o'clock and burial in Woodlawn Cemetery there.

Since the board re-organizes each April the clerk called for nominations for chairman temporary Mr. Long nominated Mr. Bellville.

Mr. Werth moved that the nominations be closed and the clerk instructed to cast the entire ballot for Mr. Bellville. The motion was supported by Williams and carried unanimously. Mr. Bellville was named temporary chairman and took the chair.

Temporary Chairman Bellville called for nominations for permanent chairman. Mr. Werth nominated Mr. Bellville.

It was moved by Burgess supported by Rodman that the nominations be closed and Mr. Bellville was elected upon the following roll call: Ayes: Brabant, Burgess, Everett, Jordan, Little, Long, Lixey, Misener, Monroe, Oates, Rodman, Smith, Stephan, Webb, White, Wilkusi, Williams, Werth. Nays: None.

The chairman called for nominations for chairman pro-tem. Mr. Everett nominated Mr. Long. It was moved by Werth supported by Wilkusi that the nominations be closed and Mr. Long was elected chairman pro-tem upon the following roll call: Ayes: Brabant, Burgess, Everett, Jordan, Little, Long, Lixey, Misener, Monroe, Oates, Rodman, Smith, Stephan, Webb, White, Wilkusi, Williams, Werth. Nays: None.

Upon motion by Little supported by Brabant the reading of the minutes for the last day of the previous session was waived and unanimously approved as published.

Upon motion supported and prevailing the board recessed until 1:30 p. m.

## AFTERNOON SESSION

Upon call to order at 1:30 p. m. by the clerk the roll call was ordered. The following supervisors were present: Bellville, Brabant, Burgess, Everett, Jordan, Little, Long, Lixey, Misener, Monroe, Oates, Rodman, Smith, Stephan, Webb, White, Wilkusi, Williams, Werth. Absent: None.

Communications were read and referred to the proper committees by the chairman.

Sergeant Gates addressed the board stating that he had been assigned the task of organizing this area for the ground observation corps. The sergeant requested the co-operation of this board in this task. Referred to the finance and apportionment committee.

Chairman Bellville requested the clerk to read the following committee appointments as made by himself and Mr. Long.

Claims and Accounts No. 1: Little, Webb, Jordan, Wilkusi, Williams, Werth. No. 2: Everett, Long, Brabant, Williams, Misener.

Equalization: Everett, Long, Jordan, Webb, Werth.

his attention that the elected officials of the county were definitely excluded from coverage under the existing workman's compensation policy with the Jordan Insurance Agency. He believed that this was an oversight and moved that the clerk be authorized to take the necessary steps to secure coverage for these officials. The motion was supported by Brabant and carried upon the following roll call: Ayes: Bellville, Brabant, Burgess, Everett, Jordan, Little, Long, Lixey, Misener, Monroe, Oates, Rodman, Smith, Stephan, Webb, White, Wilkusi, Williams, Werth. Nays: None.

Mrs. Charles Attwell, accompanied by other members of the Hale Health Advisory Council addressed the board regarding their efforts to secure a home care for the aged of Isosco County. Mrs. Attwell stated that every man and woman is concerned about his or her old age and that the problem today is greater than ever before due to the increased span of living brought about by the miracles of modern medicine. Mrs. Attwell introduced George Getman, director of the Shiawassee County Department of Social Welfare who spoke to the board briefly on the workings of a similar hospital for the aged in his county and the popularity with which it has been received by the residents of Shiawassee County. The matter was referred to the Finance and Apportionment committee.

Mr. Hertzler addressed the board and read a resolution passed by Alcona County which would grant an increase in salary to Judge Herman Dehnke of \$3,000 per year to be paid proportionally by the three counties in the twenty-third judicial circuit. The three counties have long been cognizant and appreciative of the present judge's capabilities and length of service and had only recently been informed that counties could contribute to a circuit judge's salary.

This circuit proved to be one of very few in the state who do not presently so contribute. The matter was referred to the finance and apportionment committee.

Clarence Curry, chairman of the Isosco County Road Commission, introduced Mr. Nunn who presented the annual report of the road commission to the board. The report was referred to the Finance and Apportionment Committee.

Mr. Werth read the following report of the building, grounds and purchasing committee.

Honorable Board of Supervisors, Gentlemen:

In regard to the request of the local bar association for the purchase of a larger table and some chairs for the law library, your committee recommends that an eight foot table and three chairs be purchased as soon as possible.

Signed: Clement Stephan, Elmer Werth.

Upon motion by Werth supported by Brabant the report was accepted and adopted upon the following roll call: Ayes: Bellville, Brabant, Burgess, Everett, Jordan, Little, Long, Lixey, Misener, Monroe, Oates, Rodman, Smith, Stephan, Webb, White, Wilkusi, Williams, Werth.

Upon motion supported and prevailing the board recessed until 1:30 p. m.

Upon call to order at 1:30 p. m. roll call was ordered by the chairman. The same supervisors were present as at the morning session.

There being no committees ready to report the board was recessed to their various duties subject to the call of the chair.

Upon call to order at 2:00 p. m. Mr. Barber addressed the board in regard to the suit pending against the county, Colbath vs. Isosco County Board of Supervisors. Mr. Barber reported that he had progressed to the point where he had prepared and sent to the court one of the suit papers which must have 55 percent of the signatures of the riparian owners around Van Etan Lake which will if completed enable the supervisors to levy against that special assessment district for the purpose of maintaining and repairing erosion damages. The matter was referred to the drains and ditches committee.

Mr. Burgess addressed the board stating that he believed that current drain orders outstanding for the completion of the Addy Drain in Plainfield should be paid even though full collection was not made due to the court order in the case of Stork vs. Isosco County. Mr. Burgess informed the board that uncollected monies due to this court order amounted to \$1,650.46 and that the interest to date is in the amount of \$152.66. Referred to the finance and apportionment committee.

Committees were ordered to their respective duties balance of the board to be at ease subject to the call of the chair.

Upon call to order at 4:45 p. m. Mr. Jordan read the following report of the drain and ditches committee.

Honorable Board of Supervisors, Gentlemen:

Your committee on drains and ditches has examined and concurred with the reports of March 28, 1955, submitted by Spicer Engineering Company, consulting civil engineers of Saginaw, and their report on Van Etan Lake Dam, Van Etan Lake Creek and Van Etan Lake itself, and go on record as approving the presentation of such reports by William R. Barber, prosecuting attorney, as well as other correspondence submitted by him pertaining to this subject.

Your committee recommends that the preparation of petitions be supervised by the supervisor of Osceola Township and that the Osceola Township board send him in bringing about the proper procedure as outlined in Act 194 of the Public Acts of the State of Michigan for the year 1954.

Your committee also recommends that when proper petitions have been submitted to this board for the raising of taxes to pay the costs of the maintenance to Van Etan Lake Dam and Van Etan Lake Creek below the dam as well as possible judgements which may be obtained covering damages to property below the dam that this board will con-

sider such petitions and levy taxes accordingly.

Signed: Merl Jordan, chairman, Lewis Rodman, George G. Webb. Dated: April 14, 1955.

Upon motion by Jordan supported by Rodman the recommendation of the committee was unanimously accepted and adopted.

Little read the following report of the judiciary committee.

Honorable Board of Supervisors, Gentlemen:

Your committee on judiciary recommendations board concurred with the resolution adopted by the Ingham County Board, March 7, 1955, relating to townships having their own police departments which would allow said township to retain fine monies originating in the justice courts to aid in maintaining such police departments.

Signed: L. S. Little, Glenn Long, E. J. Williams.

Upon motion by Little supported by Long the report was unanimously accepted and adopted.

Moved by Brabant supported by Williams that the board recess until 9:30 a. m. Friday morning. Carried unanimously.

## WHILE YOU SLEEP

TONIGHT, while you are fast asleep, they'll be unloading a truck-trailer at your favorite food store — carting in the refrigerated meat, fresh, iced vegetables and fruit, and all the other choice articles of food you'll find on display when you go marketing tomorrow morning.

Food stores want their customers to have a full selection of fresh merchandise every morning—so they call on trucks to stock their shelves and counters while you and most of Michigan sleep.

Without trucks, food stores just couldn't give the customer this sort of service. Without trucks—well, things just wouldn't be the same at all in any business and the people of Michigan just wouldn't be enjoying the modern comforts and conveniences they're enjoying today.

## With the losco 4-H Clubs

Laidlawville Community 4-H Club girls have recently completed the meetings for their 4-H Club Girl project, and immediately they are starting their clothing project. This is really going to keep the girls busy for the next few weeks because the dress revue is scheduled for June 13.

Janet Nelkie is to be clothing project reporter. She tells us the first meeting was at the home of their leader, Mrs. Roy Atkinson, on Friday, May 6. It was decided to begin regular work meetings on Tuesday, May 10, and have one each Tuesday right after school. Joyce Welna is assisting Mrs. Atkinson as junior leader.

Four Community 4-H Clubs were represented at the May 4-H Club Council meeting at Grant Township Hall on May 9—Burlingame, Reno Topnotchers, Friendship and Laidlawville. Attending were Mr. and Mrs. Harold Black, Mrs. Arthur Aulerich, Mrs. George Waters and Robert, Gale Durant, Mrs. Roy Coates, Mrs. George Kindell, Mrs. Walter Laidlaw, Mrs. Roy Atkinson and Franklin Bischoff.

A fair committee report was presented by Harold Black. 4-H Club members will find that premiums for exhibits have been increased. Mr. Black will attend the fair board meeting this month to discuss with them several suggestions which have been made to improve the 4-H Club department of this year's fair.

Mark July 17 on your calendar! That will be the date for our second county-wide 4-H Club picnic. For the committee, Mrs. Arthur Aulerich recommended Silver Creek as the picnic spot. More information will come along, so be on the watch for it. Before you forget, though, mark this event on your calendar.

One more reminder, today. The plan for project completion in 1955 is that all projects will be complete, meetings held, reports made, exhibits approved and certificates of completion presented before the fair. Very likely this arrangement will call for some special planning in your 4-H Club. Don't put it off until the last minute. Let's get all completions work accomplished by mid-July.

Dairy project members will be wise to check up on whether or not it will be necessary to have their animal blood tested to exhibit at the fair. Do not put this off. This happened to a few livestock project members last year, much to their regret and ours. Do not let it happen to you.

Attention clothing and knitting project members and leaders. By June 1 the dress revue committee will need to receive from you a list of members who will participate in the dress (and knitting) revue together with the following information for each member: Age, year in project, type of garment made and why it was selected as this year's project, also the cost of the project.

The committee will use this information in writing a script for the dress revue which is to occur on June 13 at the Plainfield Township Hall in Hale.

### Church Gives Book Collection to Library

A select collection of 23 books, valued at \$121, on Bible prophecy and other religious subjects, were presented this week to the Losco-Arenac Regional Library by the Seventh-day Adventist Church.

In the collection is a four-volume set of reference works, comprehensively outlining the entire range of prophetic interpretation from pre-Christian times to the present. This set, entitled "The Prophetic Faith of Our Fathers," by LeRoy Edwin Froom, is the product of 20 years of intensive and careful research in all parts of the world. It is already in use in classrooms in a number of leading universities and seminaries.

Another volume in the series is "Drama of the Ages," an outline of Christian doctrine by William H. Branson, past world president of the Seventh-day Adventist denomination.

Other books in the series cover the scope of Adventist work, beliefs and history, and range from volumes of inspirational value to detailed and technical works for the serious student.

The presentation of this collection makes available comprehensive source material on Adventism for those interested in either casual reading or research into the beliefs of various religious bodies.

## Entertains 21 Members of St. Mary's Guild

Mrs. Lewis Besancon entertained 21 members of St. Mary's Guild at her home Tuesday evening. Devotions were led by Mrs. Nick Pappas, and Mrs. Carl Fricke gave an excellent review of the book, "The Song of Ruth." Mrs. George Rice presided at the business meeting, at which plans were made for the summer activities. On June 6, Mrs. Ray Chandler and Mrs. Jennie Carpenter will be hostesses for the guild at the parish hall. Speaker for that occasion are to be Miss Virginia Dee and Miss Virginia Miller of Glennie, home missionaries working with youth groups in Northern Michigan.

St. Ann's Fellowship invited St. Mary's Guild to be their guests June 13 to hear the Rev. Yung Hfun Chou, the Chinese rector of St. Dunstan's Episcopal Church of Davison.

A beautiful leather bound copy of the Revised Standard Version of the Bible was presented to Mrs. G. N. Shattuck in appreciation for the Bible study classes she has taught for the guild.

The May birthdays of Mrs. Jennie Carpenter, Mrs. Emma Lomas, Mrs. S. G. Siglin, Mrs. Roy Hickey and Mrs. Shattuck were recognized by the group, and in their honor the hostess served individual, candlelight birthday cakes. Refreshments also included ice cream, mints and coffee. The table was centered with a bouquet of tulips.

Hale Health Chapter—Hale Health Council met May 10 with six organizations represented.

Twenty-five dollars was made at the April bake sale. Another bake sale and bazaar will be held at Kocher's Store May 28 starting at 9:30 until goods are gone. Bring your bake goods and bazaar items early. Proceeds will be used for the clinic fund.

## East Tawas Girl Wins in Legion Poster Contest

At the 10th District meeting of the American Legion Auxiliary held in Coleman last Sunday, Poppy Posters by school children were judged. Linda Wright, daughter of Mr. and Mrs. Earl Wight of East Tawas won first place in the posters first class. Edward Yoder of Cummings won first place in the second class and Rhea Acker of Coleman first in third class. These posters will now compete for state prizes. Judges were Nell Willy of Mt. Pleasant, Roxanne Brooks, West Branch, and Helen Applin, East Tawas.

Winners of local first prizes were Linda Wight and Darrell Lomas of East Tawas and Helen Klinger of Tawas City.

Mrs. Dorothy Harmon is the 10th District Poppy chairman.

## Entertain Friends on Silver Wedding Anniversary

Betty and Donald Youngs entertained a group of friends and relatives at the Tawas Golf Club, May 15, in honor of their parents, Mr. and Mrs. Wilfred Youngs, on their silver wedding anniversary. The club was decorated in blue and silver with bouquets of spring flower arrangements.

The guests were presented with miniature silver-leaved corsages and match-holders reminiscent of the occasion. Mrs. Youngs, the former Adella Anschuetz, was attired in a teal-blue suit and wore a corsage of pink roses.

Mrs. Evelyn Anschuetz and Elmer Anschuetz, who attended the couple 25 years ago, were present. Mrs. Anschuetz wore a green suit with a corsage of white carnations.

The evening was spent in dancing and playing cards. A late buffet lunch was served from a table centered with a four-tier cake, flanked by white tapers.

Guests were present from Tawas City, East Tawas, Bay City, Saginaw and Arizona.

Thursday, May 19—Cardiac work simplification class, Federal Building, East Tawas, 9:30 to 11:30 a.m.

Fourth and last of the work simplification series of classes will be this week Thursday, May 19, Mrs. Ruth C. Kottum, Michigan State College home management specialist, conducts these classes in cooperation with the Michigan Heart Association. Anyone is welcome to attend.

What are some of the ways women can save on energy as well as time in doing homemaking activities? Suggestions include use of more range-to-table dishes in food preparation; utilizing trays or cart on casters to carry food, silverware, etc.; more comfortable work levels, particularly at the sink where a major portion of work is done; air-drying dishes; locating beds so they need not be moved to make them.

Studies show that it is possible to reduce the number of trips to clear a table following the meal from 15 to 20 to three; that one-half the motions used in dishwashing can be eliminated with a saving of 16 minutes a day; that changing and making up a bed can be done with one or two trips around the bed saving as much as 40 feet of walking and one-third the amount of time usually used.

Are information and show-how demonstrations about simplifying your work important to you? Plan to attend next week's meeting, even though you may not have been able to come to previous ones.

It is spring and soon we won't be wearing wool clothes for awhile.

Be sure to have woolen things cleaned before storing them away. Clean clothes do not attract moths.

You may want to have a moth-resistant treatment applied

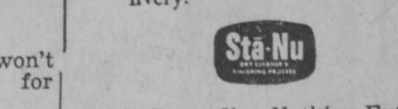

by your dry cleaner. Remember that such treatments are temporary and only give protection between cleanings. However, for washable woolens there is a new product on the market which can be added to either the wash water or the rinse water. This will protect the washed woolens for a year or more, if they are stored, or until they are washed again. This solution is called EQ-53, but it is sold under many trade names. Somewhere on the label it will say it contains EQ-53 if it is that solution. You will probably find it sold at drug stores or department stores. Be sure to read the directions on the label.

After woolen articles are clean, you are ready to store them but be very careful to seal all cracks and crevices with cellophane tape or other gummed tape and leave them sealed. A moth can slip through an opening of one-twelfth of an inch in size.

# FARM EVENTS

By MARVIN DAVENPORT  
County Agricultural Agent

Thursday, May 26—Soil sampling demonstrations on Harry Krueger farm at 10:30 a. m.; Lyle Long farm, 1:30 p. m.; twilight tour at Lyle Bielby's, 7:00 p. m.

Friday, May 27—Seeff cattle tour near Gaylord, more particulars later.

We have had several inquiries the past few weeks regarding weed control. In traveling in the county I see mustard being its ugly yellow head in pasture and hay fields.

Marshall Smith of the Mott stock farm was in the office asking about ways of controlling this pesky weed. Marshall got an early start which is necessary. He had a new seeding and 1/2 pounds of 2-4-D tester applied early in the spring. Old stands of alfalfa may be injured if treated at this time of the year. For pastures showing a lot of broad leaved weeds a fall application of one pound of 2-4-D in 100 gallons of water per acre will take care of them.

Some of our oat fields will begin to show the presence of mustard. Where the mustard weed infestation is heavy it would be wise to use the ester for 2-4-D at the rate of one-quarter pound of actual acid (in 100 gallons of

water) per acre to control it even though some injury to the legume seeding may occur. In all cases check the manufacturers recommendations before making applications.

This weed killing chemical, 2-4-D, is now cheap enough to be handy and useful for weed control in corn, too.

A combination of 2-4-D and cultivation will give better results than 2-4-D alone.

Boyd R. Churchill of the Farm Crops Department at Michigan State College, indicates that tests at the college show that 2-4-D has not helped yields when weeds could be controlled by cultivation alone.

When 2-4-D is used as a pre-emergence spray it will control annual grasses under most conditions. It's a big advantage in a wet year when early cultivation is impossible and the chemical can keep down the weeds until the corn is a foot high or more. Emergence control costs more than the post-emergence because more of the chemical is needed.

A post-emergence spray of 2-4-D can be used when the corn is small or any time between emergence and tasseling. It's handy to have in an emergency. Both pre-emergence and post-emergence sprays should not be used on light sandy soils, and corn sprayed with 2-4-D should not be cultivated for some time after spraying to get the best results. Follow directions on label closely.

For pre-emergence spraying, the ester form of 2-4-D and the amine form of post-emergence treatment are recommended. When post-emergence sprays are used after corn is knee-high the nozzles should be directed downward away from the plants.

Some folks have the idea that since they did not get a soil test they should pile on fertilizer to take care of every possible shortage.

Actually, a study of samples sent to the soil testing laboratory by urban dwellers followed a trend in the need for some plant foods. But don't make heavy applications of lime unless the soil is known to be sour and in the need of lime. Gardens usually get enough calcium and magnesium from waterings without adding lime.

To get a good supply of soil organic matter and avoid that plague of backyard gardens—crusted surfaces which seedlings can't break—put on manure or compost this spring and work it into the seedbed before planting.

At planting time, or in the early stages of growth, apply commercial fertilizer. Like a 5-20-20. Place the fertilizer in a separate trench beside the seed bed. Put a cup of fertilizer in each 10 feet of trench.

Bonding Topic at Municipal League Meet

Municipal bonding and state legislation affecting municipalities will be the main topics for discussion at the 1955 regional meeting of Region IX of the Michigan Municipal League.

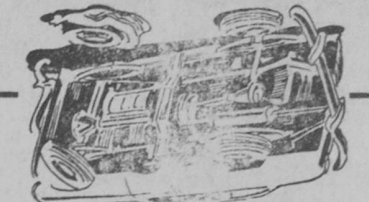

Region IX comprises the counties of Alcona, Alpena, Cheboygan, Crawford, Iosco, Montmorency, Ogemaw, Otsego, Presque Isle and Roscommon.

Beginning the second year of regional organization of the league, city and village officials present will select a regional chairman, regional vice chairman and regional secretary.

At the afternoon session there will be a talk on financing public improvement projects by the issuance of bonds.

The Michigan Municipal League is a cooperative organization of the cities and villages of the state. It is devoted to the preservation and advancement of municipal home rule and the improvement of municipal government in Michigan.

eliminated and that water would be easier to soften.  
According to present plans, the new 200,000 gallon tank would be used for stand-by purposes. Mr. Spicer commented that should the water supply in the new well prove to be softer than the present system, the well would be used as the main supply.  
During the past few years, Tawas City has faced a critical water situation during the summer months. With the increased use of water during June, July and August for sprinkling lawns, the water supply drops dangerously low during that time. Present wells are capable of producing an adequate supply of water but pumps and storage facilities are inadequate to produce the water at such a high rate.  
Pending the outcome of a successful election on the general obligation bonds, amounting to approximately \$30,000, the new water system would be ready for use by the summer of 1956.

Presiding over the joint meeting of the two organizations was Clyde Evril, mayor pro-tem. Mayor George Myles was at Unionville in the exchange of mayors during Michigan Week. Mayor Wesley Schember of Unionville was present at the meeting. Also on hand was Walter Schumacher, First Ward alderman, who was appointed to fill a vacancy created by the resignation of Arthur Ziehl.  
In other business taken up during the council meeting, the council approved a building permit by Norman E. Dale for the construction of a new motel on Lots 12, 13 and 14 in Case's Subdivision. The new motel will be approximately 104 feet long by 21 feet, constructed of cement blocks. Estimated cost of \$21,000 and contracts call for completion in early June.  
The council authorized the purchase of new city limits signs for the Meadow and Plank Roads, new stop signs and yield-the-right-of-way signs.

**Indies Lose to Pinconning, 15-5**

After taking the opening game of the 1955 season, Hurst Wurt-smith Air Force Base a week ago, the Tawas City Indies fell before a heavy-hitting Pinconning team last Sunday 15-5. The winners piled up 17 hits off the slants of two Tawas City pitchers while the locals blasted 11 hits off two Pinconning pitchers.  
Opening the game with an early one-run lead on Wayne Barnock's home run, Tawas City was held to four scattered hits during the next four innings. Meanwhile, Pinconning jumped out starting pitcher Donald West, scoring seven hits and six runs in three innings.  
Taking over mound duties in the fourth inning for Tawas was Mern Warner, who was greeted by a barrage of hits by Pinconning, setting a pair of runs. Later, Pinconning scored five runs in the sixth inning and two in the eighth. Tawas City came up with two runs in the fifth and two in the seventh.

Starting on the mound for Pinconning was Salois, who allowed five hits in as many innings. He was followed by Taylor who allowed six hits and two runs.  
Hitting star of Pinconning was Zuchnik who hit safely in four out of five times at bat. Tawas City was paced by Harry A. Anschuetz and Westcott with two hits each. Barnock's home run was the longest blow of the game.  
This Sunday, May 22, White Star will play at the Tawas City baseball diamond. Game time is 2:30.

**Herriman-Newman**

A ceremony performed April 16 in the Jefferson Avenue Baptist Church, Huntington, West Virginia, united in marriage Miss Ernestine Newman, daughter of Mr. and Mrs. Ernest K. Newman, and Ronald W. Herriman, the son of Mr. and Mrs. William Herriman of Tawas City and is serving in the navy on the USS Intrepid stationed in Portsmouth.  
The Rev. Ernest Pinkenbinder performed the double ring ceremony. The bride, given in marriage by her father, wore a ballerina length wedding gown of nylon tulle with strapless bodice and full skirt. The long sleeved bolero jacket had a scalloped border and was embroidered in a floral pattern. Her veil of French illusion fell from a lace cap adorned with leaves embroidered in seed pearls. She carried a crescent of lilies of the valley, centered with a white orchid.  
She was attended by Mrs. D. H. Shamlin of Pittsburg, Pennsylvania, as maid of honor, Miss Ruth Herriman of Hayward, California, and Miss Mary J. Fink-binder were bridesmaids. The matron of honor wore a ballerina length dress of white lace and tulle over pink with a lace top, sweetheart neckline and full skirt of tulle. She carried a ballerina bouquet of white carnations, tied with pink.  
The bridesmaids wore identical dresses of turquoise and carried bouquets of pink carnations with turquoise streamers.  
Donald Herriman of Royal Oak, brother of the groom, was best man, and ushers were William K. Newman, brother of the bride, and David H. Shamlin, brother-in-law of the bride.  
Following the ceremony a reception was held in the church dining room.  
The groom's parents, Mr. and Mrs. William Herriman of Tawas City, sister, Miss Ruth Herriman of Hayward, California, and Mr. and Mrs. Donald Herriman of Royal Oak were among out of town guests who attended the wedding.

**Myles-Shorkey**

Miss Beverly J. Shorkey, daughter of Mr. and Mrs. Bert Shorkey, became the bride of Delano L. Myles, at a double ring ceremony Saturday evening at the Tawas City Methodist Church. The Rev. Benjamin Whaley performed the ceremony before 150 guests. The groom is the son of Mr. and Mrs. George W. Myles.  
Vases of white gladioli, snapdragons and palms were arranged on the altar. The bride's father gave her in marriage.  
The bride wore an embroidered white organza over taffeta gown with wrist-point sleeves and bouffant skirt. Her matching cap secured a nylon illusion veil and she carried a bouquet of white roses, lilies of the valley and ivy.  
Mrs. James Lansky, sister of the bride, was maid of honor and wore a light green gown. Mrs. Kay Williams and Miss Marlene Myles, sisters of the groom, were bridesmaids and wore pink gowns. They carried bouquets of chrysanthemums and roses.  
Bruce Myles was best man for his brother and Robert Shorkey and Kenneth Myles were groomsmen. James Lansky and Robert Williams acted as ushers.  
A reception was held at Davison's later at the Alabaster Township Hall for relatives and friends.  
The bride's mother wore a navy blue dress with white accessories and the groom's mother also wore a blue dress with white accents. Both wore gardenia corsages.  
Guests were present from Bay City, Detroit, Flint, Lansing and AuGres.  
Mrs. James Lansky, Mrs. Charles McCombs and the operators at Michigan Bell honored the bride with recent parties.  
The couple will reside in Tawas City.

**Braves End Winning Season Monday**

The Tawas Area Braves ended the 1955 spring baseball season with a four win, two loss record. Winding up the schedule on Monday, the local high school team took a 3-2 decision over Oscoda in an extra-inning game. Last Friday afternoon the Tawas Area team won a 16-1 game from Hale in a pitcher's duel. Tuesday afternoon, the Braves scored two runs in the last half of the eighth inning to post the win over Oscoda. Earlier in the inning Oscoda had taken the lead, 2-1. The big eighth inning by Tawas Area found Grabow reaching first base after the catcher dropped his third strike. Durant walked and both runners advanced on an error. Gary Stephan then promptly belted a two-run single which ended the game.  
On the mound for Tawas Area was Grabow, who allowed five hits in the eight innings. His opponent on the mound was Kenyon, who turned in a very creditable six-hit pitching stint.  
It was a pitcher's field day all the way around with both the Tawas Area and Oscoda twirlers leading the hitting attack with two hits each.  
In the Braves' 16-1 win over Hale last Friday, a seven-run outburst in the first inning by Tawas Area proved to be all that was needed for Larry Frank to post the win.  
Leading the Tawas hitting attack were Stephan and LeClair with three hits each.

**May 26, 27, 28 Will be Poppy Days in Tawas**

Poppy Days in the Tawas Area will be May 26, 27 and 28. A poppy day window display will be arranged by Audie Johnson Auxiliary at the Tawas Flower Shop.  
Mrs. Dorothy Harmon, poppy chairman, sold the first poppy to the post adjutant, Joseph Barkman, for \$25.  
Mrs. Lottie Burch is poppy chairman for Tawas City, and with members of the auxiliary, Jesse Hodder Unit, American Legion, will sell poppies on the streets of Tawas City next Thursday.  
The national president of the auxiliary, Mrs. Bess Lainsow, says, "They say in France that where the greatest heroism was shown on the battlefield, there the poppies bloom in greatest profusion."  
"Here in America we know that where the spirit of patriotism burns brightly, there poppies are worn in greatest number. It should be a matter of community pride to have poppies worn over every heart on Poppy Day. Surely no city or town in America is willing to concede that its patriotism is anything less than the highest. Poppies glowing brightly on every lapel on Poppy Day, May 28, will give proof that your town is one which remembers and is grateful for the sacrifices made in America's defense."

mamm-Reinke property, located on M-55 in Tawas Township, is the site for the new school.  
The board of education has estimated the total expense of erecting and furnishing a high school building and acquiring a site to be \$835,000, of which \$775,000 was necessary to raise by borrowing and issuing the bonds of the district.  
The proposal will build a complete junior and senior high school building including a gymnasium-auditorium. It will contain 10 rooms for English, math and social studies; two laboratories and one lecture room for science; three rooms for business education; a suite of rooms for homemaking; six rooms for arts and crafts, shop and agriculture; three rooms for study hall and library; two rooms for band and audio-visual; a gymnasium-auditorium, lockers and showers, with 1,500-2,000 spectator seats.  
Other facilities include a cafeteria, offices, clinic and teacher's rooms. Grades from kindergarten through six will be taken care of by the East Tawas main structure, 12 rooms, the Tawas City annex, four rooms, and Alabaster school, six rooms.  
At present the Tawas Area High School has been temporarily accredited by the University of Michigan, pending on the outcome of the successful bonding election which would replace inadequate and obsolete buildings.

**Tawas City Contractor Appointed New Dealer**

According to an announcement this week by George A. Neumann, general contractor of Tawas City, he has been appointed the authorized dealer in this area for "Permbilt Homes."  
Manufactured in Marshall, Michigan, these are semi-ready cut conventional homes in eight styles from which to choose. Mr. Neumann says that he believes them to be the greatest dollar value on the market today.  
"The buyer can purchase the house from us and we will construct the complete job or he can erect it himself on a do-it-yourself plan," Mr. Neumann said. Construction is FHA approved.  
According to the contractor, Permbilt homes arrive at your building site completely ready to put together. In a day or two the home is fully closed in, with windows and doors fitted and installed. In his finishing can proceed at once.  
"With standardized production, we know in advance the exact size of all materials," commented Mr. Neumann. "These are ordered in large quantities to get the benefit of all discounts. Even more important, we order precisely length to cut with practically no waste material."  
Further information and free literature regarding these homes can be obtained from George A. Neumann, general contractor, 727 Second Street, Tawas City.  
Mr. and Mrs. James McCamant moved this week into the home vacated by Mr. and Mrs. J. E. LaBerge on State Street, Mr. and Mrs. LaBerge have moved into their new home at Forest Glen.
