

TAWAS CITY

Summer was still prevailing at Mrs. Ora Berube's home last week. She brought a bush of ripe raspberries to the Herald office to prove it.

Mr. and Mrs. Raymond Stein of North Branch and Paul Anshuetz of the Hemlock Road were Sunday guests of Mr. and Mrs. Chris Hosbach.

Born to Cpl. and Mrs. Harry Morley Jr. of North Richland, Washington, a daughter, Salli Lynn, on October 2.

Mr. and Mrs. Clarence King visited their son, Kenneth, and wife in Detroit last week-end. They also attended the Benson wedding in Grand Rapids.

Mrs. Barbara Klass and daughter, Mary, of Sebewaing spent Saturday and Sunday with Tawas relatives and friends. Mrs. Klass is the former Barbara Blust of the Meadow Road.

Mr. and Mrs. J. F. Mark and Mrs. Carl Schaaf are in Grand Rapids this week, in attendance at the Grand Chapter Session of the Order of Eastern Star. Mr. Mark gave the tribute to the Michigan Flag on Tuesday evening and is to install the incoming grand patron and present the outgoing grand patron with his past grand patron's jewel this evening. Mrs. Schaaf, worthy matron of Tawas City Chapter, is the delegate from this chapter.

Mrs. I. R. Horton is visiting Mr. and Mrs. Alfred Shaw (Edna Worden) in Fenwick this week. She will attend Grand Chapter, O.E.S. in Grand Rapids for part of the session.

Mrs. Mildred McClure and Mrs. E. Youngs of Lansing spent a couple of days with the former's mother, Mrs. W. H. Pringle. They returned on Thursday, Mrs. Pringle accompanying them. They went to Indiana where they visited friends and also in Geline, Michigan. They returned to Lansing on Saturday and Mrs. Pringle arrived home on Sunday.

Mr. and Mrs. Karl Eueschen of Hale, Mr. and Mrs. Ben Heine of Birch Run spent one afternoon last week with Mr. and Mrs. Chris Hosbach.

Miss Barbara Young of Bay City spent the week-end at her home here.

Mr. and Mrs. A. Amboy are visiting in Flint this week.

Mr. and Mrs. Rudolph Betsch, and daughter, Anna, of Gackle, North Dakota, and son, Arthur Betsch of Great Falls, Montana, visited with Mr. and Mrs. Arthur Stark and family a few days last week. Mr. and Mrs. Betsch are the parents of Mrs. Stark.

Mr. and Mrs. Arthur Thomas of Battle Creek spent two weeks at the Dixon cabin and enjoyed the perch fishing. Mrs. Lydia VanTassel spent a week with her sister, Mrs. Thomas.

Miss Arlene Bronson of Mt. Pleasant spent the week-end with her parents, Mr. and Mrs. Arnold Bronson, Mr. and Mrs. Bruce Goupil of Detroit were also week-end guests.

(See Tawas City, page two.)

EAST TAWAS

Mr. and Mrs. Earl Weaver left last Saturday on a vacation trip to Montana.

Mr. and Mrs. Roland Wight and daughter, Debbie, of Centerline spent the week-end with Mr. and Mrs. Earl Wight. The Roland Wights are niece and nephew of Mr. and Mrs. Earl Wight.

Mr. and Mrs. Elvin Anderson of Rock Island, Illinois, have been visiting this week at the home of their daughter, Mrs. Robert Nelson.

Mr. and Mrs. Theodore Wanderwerven of Ann Arbor visited over the week-end with Mrs. Gertrude Boersma.

Mr. and Mrs. Richard Buc and baby spent a few days in Cleveland, Ohio. Mrs. Mae Buc, who had been visiting them, accompanied them to Cleveland.

The following delegates are attending Grand Chapter of the Order of Eastern Star representing Iosco Chapter: Mrs. Emma McCall, worthy matron; Mrs. Vergil Butler, associate matron; and Mrs. Marie Hennigar, conductress. The sessions are held in Grand Rapids Tuesday, Wednesday and Thursday.

Mr. and Mrs. Donald Bennett leave Thursday on a trip to Grand Blanc, Grand Rapids, Fenton, and points in Indiana where they will visit relatives and friends.

Mr. and Mrs. E. R. Harmon and daughter, Joyce, spent the week-end with Mr. Harmon's mother in Battle Creek. Mrs. A. E. Wickert accompanied them and visited her son, Wayne, at Lansing.

Mrs. Deloise Durant and Mrs. R. H. Botsford went to Saginaw visitors the fore part of the week.

The Past Noble Grands of Irene Rebekah Lodge will meet at the home of Mrs. Lois Kienholz Thursday, October 13, for a pot-luck dinner at 1 o'clock. A business meeting will follow.

Mr. and Mrs. Richard Price are attending the Postmasters Convention at Detroit this week.

Mr. and Mrs. Chester Shepherd of Albion spent the week-end with Mr. and Mrs. J. A. Carlson.

Earlene Weaver celebrated her birthday anniversary last Friday, October 7, with a party at the home of her parents, Mr. and Mrs. Earl Weaver. The party was at 5:00 p. m. and several of her school friends attended. Lunch was served and Earlene received many lovely gifts.

NUMBER 41

## Choirman Bellville Lays Cornerstone

### John Watkins Gives Address at Ceremony

With the laying of the cornerstone at the new Iosco County Jail Tuesday, construction of new public buildings in this county during the past three years has reached a milestone in its history. This fact was pointed out by John Watkins, attorney at East Tawas, as he addressed several hundred persons who were on hand to watch Theodore Bellville, chairman of the Iosco County Board of Supervisors, place the cornerstone in position at the new \$165,000 building.

Mr. Watkins drew attention to the fact that not only had the new jail and county building been completed, but that two new churches and a \$665,000 hospital had been constructed in the community through private donations and that only recently the people of the area had voted to construct a new high school.

He said that this county now had public buildings which surpass any county of its size in the State of Michigan and that every person here should be proud of them.

Mr. Watkins complimented Ivan L. O'Farrell's sheriff department for the fine job which it has performed during his term in office.

He pointed out that in 1954 more than 400 persons were confined at one time or another in the old jail and he said that with the new jail, the department can operate much more efficiently.

During Mr. Watkins' address he compared conditions today with those of five years ago and pointed out the fact that this new construction was necessitated not only by the condition of the old buildings but an increase in population in this county as well.

Prior to the address by Mr. Watkins, Judge H. Read Smith, master of ceremonies, introduced members of the new jail committee, including Clarence Everett, chairman, Glenn Long and Clement Stephan. Other members on the committee, who were not present for the ceremonies, are Edward Burgeson and Edward Lixey.

Also introduced by the master of ceremonies were Joseph C. Goddoyne, architect of the new jail; Olaf Rose, member of Davison-Rose Builders, Incorporated, general contractors for the new building; Sheriff Ivan L. O'Farrell and Mrs. O'Farrell.

The Rev. R. P. Jennings, pastor of Christ Episcopal Church, gave the invocation while the Rev. Fr. J. A. Castanier of Immaculate Heart of Mary Church gave the benediction. Musical selections were played by the Tawas Area High School band.

Sealed in a copper box in the cornerstone were three copies of The Tawas Herald and the Iosco County News; four Iosco County Board of Supervisors directories and four programs of the cornerstone laying ceremony.

Immediately following the ceremonies an open house was held at the new jail and several hundred persons visited the building.

Construction on the new jail and sheriff's residence began in September 1954, requiring slightly more than a year to complete. Contractors were Davison-Rose Builders, Incorporated, of Tawas City, general contractors; Northern Plumbing and Heating of East Tawas, plumbing; R. A. Meyers and Company of East Tawas, heating; Fries and Son, Covington, Kentucky, jail equipment; and York Electric Company, Bay City, electrical work.

The 193 by 49 foot building is of concrete construction with Indiana limestone facing. It is designed along the same lines as the new Iosco County Building which was completed in 1953.

### Two-Car Crash Injures Six Persons

Six persons were injured in a two-car collision on US-23 at the Benson Road in Alabaster Township at 3:15 o'clock last Sunday afternoon. The injured persons were taken to Tawas Hospital by the Jacques ambulance of Tawas City.

Injured were: Donald W. Langley, 44, Detroit, driver of one of the cars, chest injuries; his wife, Jane, 36, leg and hip injuries; Cheryl Sue Langley, 3, daughter, leg and hip injuries; Sue Newell, 58, mother of Mrs. Langley, fractured wrist, cuts on leg and hip; John Maxwell, 67, driver of the other car, bruise on top of head; injured persons were taken to Tawas Hospital by the Jacques ambulance of Tawas City.

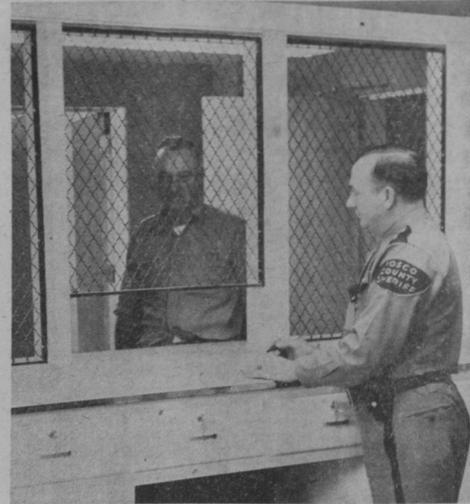

Langley told officers that he had stopped in southbound traffic lane to allow a car ahead of him to make a left turn. Maxwell said he was approaching the Langley car and he applied his brakes but was unable to bring his car to a stop and crashed into the back end of the other car.

Sheriff Ivan L. O'Farrell and Undersheriff Leon Putnam are shown inspecting the maximum security cells in the new Iosco County Jail building. At the left are bars which separate the prisoners from the outside walls in each cell block.—Tawas Herald Photo.

This view is looking down the main corridor of the building from the main office. Facilities in the new jail are such that it will handle 34 prisoners with ease. Three six-man cells are located on the east side and the women's department and three maximum security cells on the west side. The bullpen or tank is located at the rear of the building.—Tawas Herald Photo.

This picture shows the main office where drivers licenses and other public business will be transacted. Looking through the screen which separates the office from the lobby is Olaf Rose, a member of the general contracting firm. Undersheriff Putnam is at the counter.—Tawas Herald Photo.

### 'NOT GUILTY' VERDICT BROUGHT IN BY JURY

After deliberating for a little more than one hour Tuesday, a six-man jury brought in a verdict of "not guilty" in the justice court trial of Lorenzo D. Walker, 50, chief of police of the City of Alpena, vs. the People of the State of Michigan.

The trial in Arthur Goulet's justice court was the result of a three-car collision south of Tawas City on September 18. Chief Walker had been charged with drunk driving by the prosecution. Charges were brought about following the accident by William R. Tite of East Detroit, one of the drivers involved in the crash, who demanded that action be taken.

Prosecution for the trial was performed by William R. Barber, Iosco County prosecuting attorney. Defending Mr. Walker was Donald Habermehl and Mandenberg of Alpena.

### Late William H. Parker to be Honored by Masons

Candidates' class in the fall Scottish Rite reunion at Consistory Cathedral in Bay City October 25-28 will be named in honor of the late William H. Parker of East Tawas, who passed away last February 2.

Parker, a 33rd degree Mason, was a past grand master of the Michigan Masons. He never missed a reunion at Bay City.

### New Jail Goes Into Operation This Morning

According to an announcement made Tuesday by Sheriff Ivan L. O'Farrell, Iosco County's new jail will go into operation this morning, Thursday, October 13. Sheriff O'Farrell said that all departmental business would be handled in the new offices and that prisoners would be moved to the new cell blocks.

"Mrs. O'Farrell has had all of our personal belongings packed for quite some time in anticipation of the move to the new quarters," the sheriff stated. New office furniture and other jail supplies have not all arrived yet.

The sheriff said that the furnace in the old building was defective and that it had not been turned on for the winter. This is one reason for the early move," he stated. Until the new kitchen range is installed in the new building, preparation of food will be handled in the old quarters.

Prior to the cornerstone and dedications for the new jail this week, The Tawas Herald made a photographic tour through the new building Saturday.

The sheriff's residential quarters front Lake Street and extending to the rear from the main entrance at the central east side of the building are the departmental offices, cell blocks and garage. A second entrance is located on the west side of the building.

Terrazzo floors are in cell blocks and corridors while the business offices have asphalt tile on the floors. The building is heated by two furnaces, both located in the basement.

At the rear of the building is a three-car garage. Doors are operated by radio from the sheriff's car.

### SUPERVISORS AUTHORIZE EQUIPMENT PURCHASE

The Iosco County Board of Supervisors authorized the purchase of equipment costing about \$4,000 for the new jail at the October meeting which is now in session. The board convened Monday.

The purchasing committee was authorized to furnish the sheriff's department office and jail kitchen with all new equipment. Much of this will be purchased from local dealers.

The board authorized landscaping of the jail site, grading and graveling driveway and arranging a parking space at the rear of the county buildings. It was thought that the board would authorize the removal of the old jail building at this session.

The principal business at the October session of the board of supervisors is apportioning the county tax to the various townships and cities by the finance and apportionment committee. Members of this committee anticipated that a report would be brought out Thursday or Friday. The apportionments made by the committee will be based on assessment figures as equalized by the Michigan State Board of Equalization.

### To Tell P-TA Members of United Nations Visit

Youth takes the lead at Tawas Area P-TA on Monday, October 17, at 8:00 p. m. at the auditorium in the Alabaster School.

Judy Barkman and David Butterfield will speak about their experiences at the United Nations while Joan Lake will entertain with an accordion solo.

Parents are urged to show their interest in the young people of the community by supporting the P-TA. Sixth and seventh grade mothers will be in charge of the social hour.

Mrs. Guy Lickfelt entered the University Hospital at Ann Arbor on Monday for medical treatment.

### CITY STARTS WORK AGAIN ON SEWER EXTENSION

Written permission from the Iosco County Road Commission was received this week by the City of Tawas City for the extension of the Harris Avenue sewer project to the site of the new Tawas Area Junior and Senior High School, it was reported at the regular meeting of the water board Monday night.

Department of public works crews began work again this week after a lay-off of several weeks. When completed, the new sewer project will have been extended from the city limits on Harris Avenue to the school site.

Reginald Bublitz, superintendent of public works, said Wednesday that when the project is completed more than 4,855 feet of sanitary sewer will have been laid, 2,955 feet outside the city limits. At one point the depth of the sewer was 20 feet.

Water board members heard a report from the department of public works which revealed that \$12,637.48 had been received from 37 property assessments along Bay Drive for the installation of sanitary sewer. This sewer project was started in 1953 and completed this year. The amount represents about a 90 percent property owner participation in that area.

New increased water rates which will help pay for the construction of a new iron filtration plant, well and water tank, became effective July 1 and bills were sent out by the water department to consumers during the past week. Construction of these new facilities will get underway during the next year.

### East Tawas Man Crashes Into Truck

Daniel L. Clapp, 107 Evans Street, East Tawas, was ticketed last Wednesday on charges of disregard of traffic control device.

Clapp was involved in a collision with a Mulvena Truck Lines tractor driven by Bernard Darling, Alpena, at the corner of Bay Street and Church Street in East Tawas. Clapp's wife, Hazel, a passenger in the car, received lacerations on the right lower leg.

Mr. and Mrs. Mark Edwards of Flint were week-end guests of the A. Amboys.

### Meeting Held to Organize U. of M. Club

Formation of a University of Michigan Club of Iosco County was held last night (Wednesday) at the office of John R. Watkins of East Tawas. Some 50 or more persons were expected to join the organization.

"Purpose of this new club is to effectively promote better relationship between the alumni in Iosco County and the university," Mr. Watkins said. "The club will work toward securing extension courses in this area from the university."

The club will hold a banquet Wednesday, October 19, at the Barnes Hotel in Tawas City honoring Hulan Hatcher, University of Michigan president, and his party.

Inaugurated as the eighth president of the University of Michigan in 1951, Dr. Hatcher is nationally recognized as an educator, author and scholar.

Dr. Hatcher has traveled extensively throughout the state and nation, meeting with Michigan alumni and other friends of the university. He has devoted much time to the inauguration of the new development council and alumni fund, units designed to assist in the university's financial program with alumni, other friends and corporations.

He has long been especially interested in the history and development of the Great Lakes region. He is the author of several novels and volumes of history dealing with this region and especially with his native state of Ohio.

Dr. Hatcher has been awarded honorary doctoral degrees by the University of Michigan, Miami University, Bowling Green State University, Ohio State University, University of Cincinnati, University of Toledo, Albion College, University of Akron and Ohio Wesleyan University.

He is a member of the Modern Language Association, American Association of University Professors, National Council of Teachers of English, Great Lakes Historical Society, Phi Beta Kappa and several clubs.

## 100 Anderson Dealers Will be Here to View 1956 Coach

More than 100 members of the Anderson dealer family will be welcomed to the showing of 1956 models of Anderson Mobile Homes at East Tawas this week-end. It was announced today by President J. E. Jensen of the Anderson Coach Company.

Registration of visitors will take place at Huron Sales Company office Thursday afternoon. Dinner will be served at the Wabun, the meeting headquarters, from 6:00 to 9:00 p. m. Thursday.

Breakfast will be served Friday morning at the Wabun from 8:00 to 10:30 and registration will continue at the Huron Sales office.

Friday's program will open with inspection of 1956 models, a buffet lunch from 12:00 to 2:30 p. m., a dealer meeting with William H. Johnson, sales manager for Huron Sales Company, in charge, aided by Anderson officials, from 3:00 to 5:00 p. m. A reception and cocktail hour will be held from 5:30 to 6:30 p. m., dinner from 6:30 to 9:00 and social evening and dancing from 9:30 to 1:00 a. m.

"We want to show the people of the area what we're building and at the same time give the men who build them, their families, and neighbors an opportunity to see the completed mobile homes manufactured right here at home," J. E. Jensen, president of the Anderson Coach Company, said today in announcing that two of the 1956 models will be on display in the East Tawas business district Saturday and Sunday afternoon and evening.

The public showing will follow the Anderson dealer family showing which will be held Friday at the Wabun. Dealers from the United States and Canada will be guests of the company.

Greatest change in the 1956 models is the new-type picture window which is made especially for the new Anderson. Instead of the former relatively small picture windows, which opened, the 1956 model will have four large fixed picture windows, with smaller windows underneath which open for ventilation.

Interior changes include a wide-

er use of combinations of wood in trim, full-length drapes at windows, and a new lighting assembly which provides greater light than in any previous models.

William H. Johnson, sales manager for Huron Sales Company, national distributors of Anderson Mobile Homes, says that today the firm has a policy of providing greater color in the exteriors. "Where we sold four of the original Lake Huron Blue to one of the other the first years we offered colors, we are now selling four to one in colors. Most popular today is the Vista Green. Other colors available are Concord Yellow, Victoria Red, and this year a new Bikini Coral," Mr. Johnson said.

"Popular demand has limited the firm's production to the 36-

42 and 44-foot models and the discontinuance of the former 32-foot model, Mr. Johnson added.

During the eight years which Anderson Coach Company has been located in East Tawas, it has built 9,000 coaches, which have been delivered all over the United States and Canada and even to Alaska. The firm has paid out more than \$5,000,000 in wages. It presently has a weekly payroll of more than \$19,000 going to 147 men and women.

"We're proud of the mobile homes which we are building. We are proud of the men and women who build them. We invite the people of the community to inspect our mobile homes and meet the people who build them Saturday and Sunday," Mr. Jensen said.

Bird hunters in the Michigan Lower Peninsula will take to the fields Thursday, October 20, the opening day of Pheasant season. All indications point to one of the best seasons in history in Iosco County. Not usually thought of as a pheasant producing area, the population of 1 this fine game has been reported on the increase here for several years. Pictured above is Earl Goupil of Tawas City with his limit on opening day last year.—Tawas Herald Photo.

## TWL HOLD FIRST MEETING OF CLUB YEAR AT BARNES

The opening meeting of the Tawas Women's League was held Tuesday night of this week at the Barnes Hotel. Mrs. Mardis Turner welcomed the members and guests.

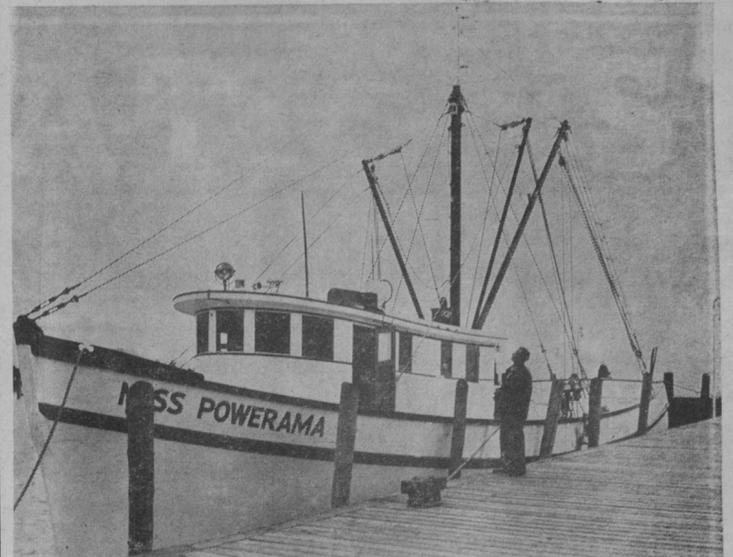

Mrs. Robert Richter introduced Mrs. George Francis of Saginaw who gave a dramatic book review of the recent autobiography of Grandmother Moses. Mrs. Francis used a background of Grandmother Moses' paintings and told her story in an artist's setting in the first person, using a costume impersonating Grandmother Moses.

Table decorations were carried out in an autumn theme using square candles in autumn colors centered on colorful fall leaves. The speakers tables had a centerpiece of chrysanthemums, straw flowers, cattails and candles of fall colors. The theme of the decorations was carried out in corsages for each person.

Mrs. George Morat and her committee was in charge of decorations.

## Tawas Area Braves Play at Rogers City Friday Night

The Tawas Area Braves will play their fourth football game of the fall season Friday night when they meet Rogers City on the northerner's home field. The game will be played under the lights starting at 8 o'clock.

## Shrimp Boat Visits Tawas Bay

Great Lakes fishermen and fresh water sailors in the Tawas Bay region were very surprised to see a salt water shrimp boat tie up at the Michigan Waterways Dock in East Tawas last week.

The skipper of this sturdy little ship did not get off course during one of the recent hurricanes on the Atlantic, he was taking her from the General Motors Powerama show at Chicago to her new home at Daytona Beach, Florida.

Constructed at St. Petersburg, Florida, especially for the big show of diesel power by General Motors at Chicago, the ship was used as an example of diesel power for the fishing trade.

The ship is 73 feet in length with an 18 foot beam. It is equipped with storage tanks holding 4,000 gallons of fuel oil and 1,000 gallons of fresh water and is built to stay three weeks

offshore during the fishing season.

The skipper of the ship told Carl Babcock of Tawas City that he was forced to seek refuge in the local harbor because of rough weather on Lake Huron. Although the ship has two inch yellow pine planking with double oak frames, the skipper said that it was not constructed to withstand the rough weather such as the Great Lakes experience.

Estimated cost of the ship is \$50,000. It will be sold when it reaches its new port in Florida.

with her parents, Mr. and Mrs. Chris Hoshbach, and other relatives.

Mrs. Alice Goupil was the guest of honor at a birthday dinner party Saturday evening at the home of her daughter, Mrs. Arnold Bronson. Her family helped her celebrate her 75th birthday anniversary. Present were Mr. and Mrs. Bruce Goupil of Detroit, Mr. and Mrs. Octave St. James of Whittemore, 10 grandchildren and two great grandchildren.

Mr. and Mrs. Irwin Burtzloff have returned to their home at San Francisco, California, after a visit with their parents, Mr. and Mrs. Edward Burtzloff. On their way home they visited relatives at Saginaw and Chicago. Mr. and Mrs. Edward Burtzloff accompanied them to Saginaw.

# BUICK SALES CIRCUS

They're Going, Going, *almost* Gone — the Greatest New Buicks in History on Deals You Won't Believe!

We don't have to tell you that the Buick Sales Circus has been the greatest car-selling event that's ever hit this town! Look at all the brand-new Buicks on the street—listen to all the talk about our fabulous trade-in allowances. Yes, we're record-crazy. We've gone overboard. But we're having fun, and you're getting the buy of a motoring lifetime.

Just forget our price tags—it's the allowance that counts. Come right in and pick out that dazzling new Buick you want—then you crack the whip! You make us perform on the deal you want.

But hurry, hurry, hurry—they're going fast, and you can't wait another day! So bring in the wife and kids while the Circus is going on—it's dollars to peanuts you'll be driving home in the Buick you've chosen.

\*Variable Pitch Dynaflo is the only Dynaflo Buick built today. It is standard on Roadmaster, optional at modest extra cost on other Series.

You really own the star of stars in ROADMASTER. It's practically yours right now — with Variable Pitch Dynaflo\* to silken the miles away.

Calendar— Thursday, October 13—Tawas Homemakers Group meets with Mrs. Harold Hammond. Thursday, October 13—Home Demonstration Group meeting with Mrs. Walter Miller at 7:45 p. m. Wednesday, October 19—District Rally at West Branch, 10:00 a. m. Monday and Thursday, October 17 and 20—Winter bouquets training meetings. "Togs for Tots" workshops in November will give 15 women an opportunity to make a garment for one of the children using materials salvaged from other garments; or, in a few instances, new material may be used. Classes will be instructed by Miss Lola Belle Greene, clothing specialist from Michigan State University. First workshop is to be at the Federal Building, East Tawas, on Tuesday, November 1. Next day, November 2, the workshop will move to Hale because half the class will be in that area. Anyone interested in more information about these workshops is invited to contact the Cooperative Extension Service office, call FO 2-3751.

"If you have clothes in your wardrobe not worn for a year, do something about it," suggests Lola Belle Greene, clothing specialist from Michigan State University and instructor for the leaders meeting, "Good Taste in Dress," this past week. Doing something about it may result in garments more wearable for the women themselves as a result of suggestions in the lesson. If that should not be possible, keep them in mind as possible make-overs for the children and join the "Togs for Tots" workshop, or put them with your collection of materials for "Braided Rugs," a lesson planned for later in the winter.

Sure as anything, somebody is going to be sorry if she fails to have collected materials to use in making winter bouquets. The time is already late, so do not put it off any longer. Enjoy one of the finer days we hope will follow the rainy spell, take a tramp through the fields and woods, picking up interesting materials you think can be used. And, while you are at it, gather some cones, especially small ones, they may come in handy for a Christmas gift or wrapping.

District rally is October 19 at West Branch. When your group meets this month be sure to plan an outing to take in this event. Plan, too, the pot-luck dinner you will have.

Use a heating cord, not a lamp cord, on electrical heating appliances to increase heating efficiency. The thicker, heavier cord can carry a heavier load and will heat faster, too.

Has your hunter brought you a wild duck, asking that it be roasted? Wild duck meat is dark and dryer than domestic duck. Strips of bacon on the breast help retain and add moisture. Roasting covered is another way to reduce dryness. And, while duck is usually served rare, it can be roasted to the well done stage by adding more to the cooking time. A stuffing made with apples will also increase moisture present to help with the cooking.

A recipe for roasting wild duck and other varieties of small game, including rabbit, squirrel, opossum, grouse and pheasant are in a bulletin, "Good Feasting from Woods and Fields." There are also tips on dressing game. All the recipes have been tested by the foods and nutrition department at Michigan State University. A copy is yours for the asking. Write or call your Cooperative Extension Service.

Services Held for

W. E. Glendon Thursday

Funeral services were held last Thursday afternoon for Willard E. Glendon of Hale. Death occurred Monday, October 3, from a cerebral hemorrhage followed by pneumonia. He had been taken to Tolfree Memorial Hospital, West Branch.

Born October 26, 1871, in Baldwin Township, he was a member of one of Isoco County's pioneer families. He had been a resident of Plainfield Township for the past 38 years where he operated a farm near Hale. Previous to that he had been an employee of E. L. King, managing the furniture store at Tawas City.

Surviving are the widow, Alice; a daughter, Mrs. Eva Black of Akron, Ohio; a son, Eugene Glendon of Bad Axe, and two sisters, Mrs. Charles Bennington and Mrs. George Stag of East Tawas.

Services were held at the Porshee Funeral Chapel with the Rev. R. R. Terwilliger officiating. Interment was in the Evergreen Cemetery.

Mrs. John Silas Speaker at WSCS Meeting Here

The WSCS of the Tawas City Methodist Church met Thursday evening at the home of Mrs. J. F. Mark. Thirty-four women attended.

Mrs. Mark led the worship service and Mrs. Ira Horton had charge of the program. The guest speaker was Mrs. John Silas of the Indian Mission; she spoke of her work among the Indian people throughout the Saginaw-Bay District.

The date for the Quiet Day service was set for Friday, October 28, at 8:00 p. m.

Three names were added to the membership list, Mrs. Howard Staebler, Mrs. Howard George and Mrs. Matthew Hoag. Assisting the hostess were Mrs. Wilbur Roach and Miss Ferne Mark.

HOME ECONOMIST TO PRESENT LECTURE

Speaker at the District Home Demonstration Rally on Wednesday, October 19, in West Branch, is Louise Halladay Carpenter.

Mrs. Carpenter is coordinator of "Adventures in World Understanding" and director of the

LOUISE H. CARPENTER

international festival. Since 1952 she has been assistant counselor of foreign students at Michigan State University.

She returned in April 1954 from a seven-month air trip to the Far and Middle East for 75 foreign Michigan State University alumni in 14 countries visited. It is from these experiences that she is planning her talk for the rally which is titled, "A Midwest American Looks at Asia." In addition, there will be a display of articles acquired during her visit in these countries.

Prior to beginning her work with foreign students in 1952, Mrs. Carpenter was war foods assistant in Pontiac and Oakland Counties and was assistant director of the American Hotel Association testing laboratory.

Mrs. Carpenter is a home economist, having degrees from Michigan State University.

LIFE EXPECTANCY—

The average length of life among America's wage earners and their families has reached an all-time high of 69.6 years, according to statistics compiled by the Metropolitan Life Insurance Company. This is a gain of almost a full year over 1953. The average length of life in the wage-earner group will probably pass the 72-year mark within a year or two.

## Arthur Latham

Funeral services were held Wednesday for Arthur Latham, age 72 years, from the Forshee Funeral Home in Twining.

Mr. Latham, a retired postal worker of Detroit, died Sunday evening in Samaritan Hospital, Bay City, where he had been taken on Saturday. He had been ill with a heart ailment for several years.

Mr. Latham was born in Windsor, Ontario, October 16, 1883, and moved to Detroit with his parents when a child. He

was married to the former Miss Bessie Morin in Detroit on June 25, 1907. They moved to Whittemore in 1943 and have resided here since. Survivors are his widow, two sons, Jack and Arthur Jr., both of Detroit, and a brother, William of Detroit. The Rev. R. R. Terwilliger of the Whittemore Methodist Church officiated and burial was in the Saints Cemetery at Whittemore.

Out of town relatives attending the funeral were: Mr. and Mrs. Dornis Morin, Eber Morin and Mr. and Mrs. H. Trombley, all of Detroit; Ralph Jennings of Bay City; George Morin and Mrs. Helen Furrman of Point Sanilac.

Whittemore Chapter, OES, held its regular meeting Thursday night and election of officers. The following officers were elected for the coming year:

Worthy Matron—Leah O'Farrell.  
Worthy Patron—John Barrington.

Associate Matron—Stella Wallace.  
Associate Patron—L a u r e l Lawe.

Secretary—Lelia Barrington.  
Treasurer—Alma Pake.  
Conductress—Ethel Spafford.

Associate Conductress—Muriel Fitzpatrick.  
Installation of officers will be held Friday night, October 28.

The Whittemore Women's Club held its first fall meeting last Tuesday evening at the home of Mrs. John O'Farrell. Mrs. N. Boies and Mrs. Roy Charters were assisting hostesses. Mrs. August Miller, president, presided at the meeting. Eighteen members answered to roll call.

The revealing of secret sisters and the drawing of names for the coming year was part of the program. Mrs. Belle Earhart and Mrs. Lulu Dahne explained some of the work they

did at the home demonstration meeting at Hardwood Lake this summer.

The next club meeting will be a morning breakfast on Tuesday morning, October 18, at the home of Belle Earhart.

The fire department was called to the home of William Austin Sunday evening. The refrigerator motor had burned out.

Howard Collins, who has been a patient in West Branch hospital from a heart attack suffered 10 days ago, is a little improved.

Mr. and Mrs. George O'Farrell of Rose City were Sunday dinner guests of Mr. and Mrs. John O'Farrell and also visited other relatives.

Mrs. Edith Earhart is visiting relatives in Saginaw.

Mr. and Mrs. John Dickey and two daughters spent the weekend in Lansing with Mr. and Mrs. Merton Turk.

Mr. and Mrs. John Barrington are attending Grand Chapter of the OES in Grand Rapids this week.

Mr. and Mrs. Joseph Lomason left Tuesday for Florida to spend the winter.

The Rev. Rolland Brooks, a former pastor here, Harold and Howard Ulich of St. Clair Shores were dinner guests of Mr. and Mrs. Herman Wesenick Tuesday. They hunted here Tuesday and Wednesday.

Mr. and Mrs. William Fuerst visited Mr. and Mrs. Donald Haddix at West Branch hospital Thursday evening. Mrs. Haddix underwent surgery there Wednesday morning.

Janice Schneider, who has been a patient in West Branch hospital the past week, was able to return home Saturday and is gaining nicely.

Mr. and Mrs. George Jackson spent the past week in Lansing with relatives.

Mr. and Mrs. Archie Gay of Long Beach, California, are visiting relatives here while he is on a two-week furlough enroute to Washington, D. C., where he will be stationed.

Terry Haddix of Midland spent a few days here over the week-end at the William Fuerst home while his mother was in the West Branch hospital.

May Miller, Harriet Fortune, Lucille Drengberg and Jean Dorcy attended the Junior League District Convention in Saginaw Monday. Harriet Fortune was appointed on the installation committee for the spring meeting which will be held in Sturgis.

# Alpena Man Speaks at Tawas Community Council Meeting

Howard J. Hoffman, former president of the Alpena Community Service Council, spoke to the Tawas Community Council on Monday, October 10. He reminded each person that "anyone interested in his community is a social worker," and "any group performing a community service should belong to a community council, in order to avoid duplication of activities."

Mr. Hoffman said that a community council was invaluable in acquainting the various organizations in a community with each other, their activities, needs and services available to the community.

Mr. Hoffman commended the Tawas Community Council on the progress it had made in the short time it has been organized and recommended continued action under a four-point program now used by the community council. The four points are:

1. Find and state our problems.  
2. Study information concerning these problems.  
3. Set up possible solutions, select and start action on one.  
4. Evaluate results.

Lists of recommended comices were made available to council members by President Frank Wilkusi.

**Laidlawville Farm Bureau**  
The October meeting of the Laidlawville Farm Bureau group was held at the Laidlawville school, Sunday afternoon, October 9.

A turkey dinner was enjoyed by the members and guests. A business meeting followed the dinner. Mrs. May Laidlaw and Mr. and Mrs. Don Huey were welcomed as new members.

When Jeffrey Thompson of Sidney, Australia, hauled in a 40-pound mackerel, the fish clamped its jaws onto Thompson's heel. The wound required 23 stitches.

**Max Stouffer Named to Soil Conservation Board**  
The Iosco County Soil Conservation District Board of Directors named its new secretary at this week's meeting. His name is Max Stouffer of East Tawas, Star Route "A".

Due to foreseen circumstances the board changed the November 14 meeting to Thursday, November 10. Those present included: James Mielock, Lyle Long, Gerald Bellen, Harry Krueger, Norman Sibley, Sid Trevelhan, Dale Rosenquist, Gordon Hatch and Marvin Daverport.

## Iosco Chapter, OES Elects Officers

At the regular meeting of Iosco Chapter No. 71, Order of Eastern Star, election of officers for the ensuing year was held.

Preceding the meeting, a 6:30 pot-luck family dinner was served. Hostesses were Mrs. Pearl Wickert, Miss Norma Wickert and Mrs. Minnie Chandler.

Newly elected officers are: Worthy Matron—Vergil Butler.

Worthy Patron—Glenn Hughes. Associate Matron—Marie Hennigar.

Associate Patron—Robert Harmon. Secretary—Helen Applin.

Treasurer—Ruby Evans. Conductress—Betty Smith. Associate Conductress—LeAra Carlson.

Alternate Delegates to Grand Chapter—Betty Smith, LeAra Carlson, Nettie Hester.

Open installation will be held at 8 o'clock on Friday, October 21.

**Christian Science**  
Man's responsibility to make religion practical in his activities throughout the week will be emphasized in the lesson-sermon entitled "Doctrine of Atonement" at Christian Science services Sunday.

Scriptural selections include Paul's advice to the Hebrews (4:14): "Seeing then that we have a great high priest, that is passed into the heavens, Jesus the Son of God, let us hold fast our profession."

Also pointing up the need for emulating the master Christian is the following passage to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy (37:22-25): "It is possible, -- yes, it is the duty and privilege of every child, man, and woman, -- to follow in some degree the example of the Master by the demonstration of Truth and Life, of health and holiness."

### WHITEMORE

Mrs. Erma Bellville spent the week-end in Mt. Pleasant with Mr. and Mrs. Gerald Bronson and son, Mark.

Howard Collins, who has been a patient in the Toltree Memorial Hospital, is improving.

Mrs. Milo Johnson is a patient in the West Branch hospital.

Mr. and Mrs. Dornice Bellville and sons, Brian, Terry and William, attended the Kraft Junior Dairyman award banquet at Pinconning on Saturday. Brian received a beautiful fountain pen and Terry a lovely wallet for their achievement awards.

Sam Provoast was taken to Saginaw General Hospital by ambulance Saturday suffering from a blood clot and hemorrhage.

Mrs. Verne Norris spent two days last week in Flint.

Mrs. Mahlon Earhart returned home Friday after spending two weeks in Saginaw.

The community was thankful Sunday evening that the fire at the William Austin home turned out to be just a burned refrigerator motor which filled the house with smoke.

Mrs. Stanley Andrews and son, Larry, spent Saturday in West Branch.

Mrs. DeWayne Hall entertained her mother and sister of Saginaw on Saturday.

Mrs. Stephen Barr and grandchildren of Flint spent the week-end in town.

Mrs. ViLeta Karr of Saginaw spent the week-end at her home here.

### Hemlock News

Mrs. Clarence Herriman spent last week in Detroit with her daughter and son-in-law, Mr. and Mrs. Gene Morrison.

Mr. and Mrs. Charles Brown spent Tuesday of last week in Bay City.

Quite a number from here attended the household goods sale of Edward Graham Sr. of Whittemore.

Mrs. Ray Peters and Randy of Saginaw spent the week-end with her parents, Mr. and Mrs. Lester Biggs.

Charles Katterman was taken to a hospital in Bay City for a check-up.

Last week callers at the home of Harvey McIvor and mother, Mrs. Clara Smith, were Mr. and Mrs. Alton Durant, Mrs. Ray Lester Biggs, and Randy of Saginaw.

Mr. and Mrs. Adison Featheringill Jr. and son spent one day last week with her parents, Mr. and Mrs. Fred Pfahl.

Mrs. Nelson Bean is a patient at the Tawas Hospital.

### Army Calls for Rise in Strength

The army has requested a 3,000 increase in monthly draft calls and a 16,000-man rise in over-all strength to help train youthful volunteers under the new six-months reserve plan. The proposed increase in manpower would give the army 1,043,000 men on June 30, 1956, compared with the present goal of 1,027,000 set under the cut-back manpower program.

It is harder to be poor without complaining than to be rich without boasting.—Old Chinese proverb.

COLLEGE EDUCATION—  
The average man with a college education which cost \$9,000 will earn \$100,000 more in his lifetime than the average male high school graduate, studies by two population experts have indicated.

**"Hot Flashes Stopped" or strikingly relieved\***  
in 63-80%\* of cases in doctors' tests  
• If you're miserable from the "hot flashes," and accompanying irritability, restless feelings of "change of life"—you may be suffering unnecessarily.  
• For... in tests by doctors... Lydia Pinkham's Compound and Tablets brought relief from such functionally-caused suffering to 63% and 80% (respectively) of the women tested! Complete or striking relief!  
Yes! Research has proved these medicines thoroughly modern in action... has shown you where to look for relief from those distressing, nervous, "out of sorts" feelings of mid-life "change!"  
So... get Lydia E. Pinkham's Vegetable Compound—or new, improved Tablets with added iron (Wonderful, too, for the functional pains of menstrual periods.)  
It acts through a woman's sympathetic nervous system to relieve distress of those awful "heat waves!"

### Bellville Elected to Head

**Whittemore Grange**  
Clarence Bellville was re-elected master of the Whittemore Grange in its annual election held Monday evening at the Grange Hall.

Officers who will assist Master Bellville in the coming year include: Seth Thompson, overseer; Mrs. Anna Thompson, lecturer; Arthur Aulerich, steward; Gerald Bellen, assistant steward; Mrs. Joy Bellen, lady assistant steward; Mrs. Ethel Bellville, chaplain; Sterling Cataline, treasurer; Mrs. Marie Bellville, secretary; Mrs. Edith Cataline, assistant secretary; Charles Brown, gate keeper; Ardith Bellen, Ceres; Mrs. Mina Bellville, Pomona; Mrs. Louise Sylvester, Flora; Lanson Beardslee, executive committee three-year term; Mrs. Mina Bellville, home economics committee three-year term; Leo Sylvester, Blue Cross secretary; Mrs. Marguerite Aulerich, organist; Mrs. Charlotte Black, juvenile matron.

The Grange will sponsor a bake sale Saturday, October 15, beginning at 10:00 a. m. at the Fuerst and Charters Hardware. Proceeds from the bake sale will go to the Pomona Grange to help pay expenses of the delegates to the State Grange at Ludington.

Pot-luck lunch completed the evening.

### Whittemore Junior Grange Holds Election of Officers

The Whittemore Juvenile Grange held its regular monthly meeting Saturday afternoon with Master Ronald Aulerich in charge of the business meeting.

The following officers were elected to serve for the ensuing year: Brian Bellville, master; Terry Bellville, overseer; Sharon Sylvester, lecturer; Ray Pagel, steward; Dale Runyan, assistant steward; Linda Runyan, lady assistant steward; Marsha Bellville, chaplain; Ann Bellville, treasurer; William Bellville, gate keeper; Vicki Bellville, Ceres; Susan Bellville, Pomona, and Beverly Bellville, Flora.

Plans were made to hold a Hallowe'en party on Friday, October 28, at 8:00 p. m. There will be a prize for the best costume. Pot-luck lunch of hot dogs will be served.

The Juvenile Grangers have Christmas cards to sell again this year.

Pot-luck lunch was served.

### FIRE PREVENTION WEEK - OCTOBER 9th - 15th

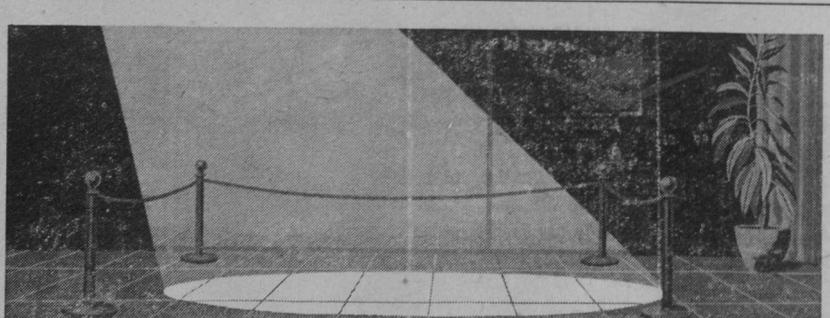

Firemen can put out fires . . . but only you can prevent them. Check your home for fire hazards now . . . tomorrow may be too late. Be careful when smoking or handling inflammables. REMEMBER . . . a little care may save a lot of damage.

Fire is no respecter of persons. It pays to take every sensible precaution you can to prevent fire from damaging or destroying your home. If, in spite of everything, fire does strike, it pays to have insurance to cover today's cost of replacing your home and furnishings. See us now!

# American Industry, Know-How Gives Help to Millions of Do-It-Yourself Home Owners

As the wheels of American progress keeps turning on and on, new tools, materials and short-cut methods are being offered to the home owner to help keep his home up-to-date efficiently and economically.

In keeping with the ever-growing "do-it-yourself" trend, major suppliers in the housing and building materials fields are lending their know-how to aid the handyman and woman.

For example, lumber supply houses, working together with national lumber and plywood associations, are now furnishing

the do-it-yourselfer with architectural service, financing counsel, all needed materials and step-by-step instructions for the job to be done—all in one package.

Leading plumbing suppliers are introducing simplified fixtures for remodeling and add-on jobs that require a minimum of tools or specialized skills.

Built-in furniture pieces, extra storage area and other carpentry projects are more and more simplified by new "follow-the-pattern" directions for cutting and completing.

Ready-mixed concrete, interlocking cement block and other innovations help to make handyman masonry jobs simpler to tackle and finish.

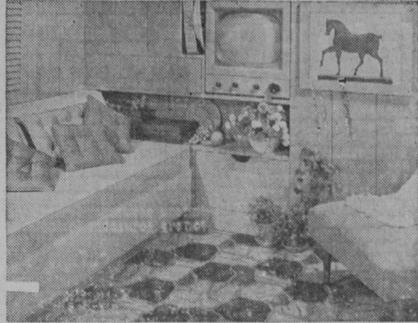

Sheathing for inside or outside, now comes in sheet form, insulation of various sorts is designed with the handyman in mind, interior wallboards, hard-wood plywoods, assorted floor covering tiles, are but a few of the many, many products designed to help Mr. and Mrs. Home-owner keep their home modern and comfortable.

Add on heating equipment for the older home takes shape in modern, smart-looking space heaters, electric or gas radiant panels or extensions of existing plants.

Decorator touches for the home handyman are made with easy-to-hang wallpapers or pre-decorated wallboards. Old paper can be covered with roll-on paint products—and even given textured patterns with a newly designed applicator.

Smart new draperies, handsome coverings for worn furniture, valances for window-dressing are magic tricks that spell the modern touch by the "do-it-yourself" magician!

## DISTINCTIVE ASPHALT TILE LOOKS LIKE FLAGSTONE

ARMSTRONG's new "Flagstone" asphalt tile is made up of two units: A jigsaw-like, grid framework and the irregularly-shaped "Flagstone" tiles which are inserted therein. The "grid" simulates the mortar and the gaily-colored tile inserts: The "Flagstone." This pattern is a perfect choice for modern indoor-outdoor living rooms, basements, rumpus rooms and farm-style kitchens.

## A Good Portable Power Saw Does Many Useful Jobs

If you—Mr. Do-It-Yourself—are a lucky owner of a Skil portable electric saw, or other quality power saw—you can cut practically any substance made these days.

Of course, a good power saw handles wood easily—but there are also metal, stone, concrete and all kinds of composition materials such as glass fiber, hardboard, tile, gypsum boards and "Formica"—among others.

To perform the various cutting jobs on these materials, you should have three basic "blades": (1) a steel blade for wood cutting... (2) an aluminum oxide abrasive disc for cutting metal... (3) a silicon carbide abrasive disc for cutting stone, masonry and similar materials.

Steel saw blades come in a variety of types, in addition to the "combination" which is used for cross-cutting and ripping... there are rip, chisel tooth, miter, friction, groover, dado, metal slitting and other many blades for each to do a special task better.

The mechanic who generally uses his saw for about-the-house repairs and installations, can do most of his cutting chores

## KNOW WHEN TO CALL A PROFESSIONAL

It pays to remember that many of the contractors in the home repair line approve of the do-it-yourself movement. Small jobs are often too expensive for the contractor to handle at low cost.

The wise home-owner should avoid, however, those jobs that represent structural changes in the existing house... or, major plumbing installations and improvements, or major electrical work. These are the jobs for a professional, any time and all the time.

It is advisable, too, to check the various building codes in the community before tackling elaborate home fix-up jobs. Many of the restrictions imposed are for the safety of the house and the homeowner.

## SHERMAN NEWS

Mr. and Mrs. Clarence Dedrick and son, Reginald, of Grayling spent a couple of days at the home of his parents.

Mr. and Mrs. Joseph Schneider Jr. and family of Flint spent a few days at the home of his parents. Joseph is building himself a new home in Flint.

Evelyn Smith and Ellen Wellna of Bay City spent the week-end at their respective homes.

Dorothy Katterman and Grace Anschutz of Tawas City were Sunday callers at the Walter Smith home.

Mrs. Russell Potts and Mrs. Dennis Potts of Alabaster were Saturday shoppers at National City.

Mr. and Mrs. John Eymers of Saginaw spent a few days at their cottage recently.

Mr. and Mrs. Floyd Schneider

of Flint spent the week-end at the home of his parents.

The Earl Harrington family of Mt. Morris spent a couple of weeks at their home here.

The pupils from the fourth grade through the eighth grade of the Sherman school made a trip Wednesday through the National Gypsum Company plant and quarry. They had a most enjoyable time learning what becomes of the gypsum rock from this vicinity.

The teachers of Sherman school spent Friday at teachers' institute in Mt. Pleasant. The pupils enjoyed a day's vacation.

Peter Sokola is building himself a new home in National City.

Mr. and Mrs. George Blust are building a large ranch-type home in Whittemore.

Mr. and Mrs. Frank Smith were business callers in West Branch and Mio Tuesday.

Several members of the K. of C. and their wives attended the Columbus Day banquet at the Barnes Hotel Wednesday evening.

## Valuable Painting

Hanns R. Teichert, Chicago interior decorator, bought a painting in a New York antique shop a year ago for \$450. The painting has been identified by a number of art experts in this country, in Italy, France and the Netherlands, as the work of the master, Leonardo da Vinci, famed for his "Mona Lisa." Teichert, who has been offered \$500,000 for the painting, says he will keep it for a while and then donate it to an American museum.

## Highway Missile

He who travels over 60 miles an hour is not driving his car—he's aiming it.—Dallas Morning News.

## Decorating Tricks With Wallpaper

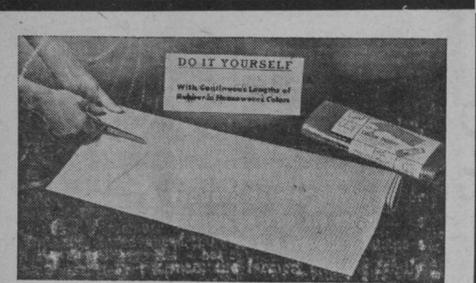

It takes only a little ingenuity, a pair of scissors and a good glue to use wallpaper for decorating tricks.

Using left-overs from rooms lots you can cover wastebaskets, dressing table tops and other small fixtures.

Cutting out a scalloped frame, you can enhance a plain mirror or window against a solid-color wall. Pick-up the dominant design from the wallpaper and continue the pattern on the valance of your venetian blinds.

## VACUUM TIPS

Clean hard-to-get-at places in the home, such as your refrigerator motor, bedsprings and other items, with the blower outlet on your vacuum cleaner. To pick up the dust and lint blown out, use the vacuum hose without any attachments.

## When Remodeling House for Added Space Don't Forget Attic

AFTER

If you are using the attic area in your home for storing hand-me-downs, discarded clothing and can't-be-parted-with items, then there may be at least 3,000 cubic feet or more going to waste in your own home.

This space can be converted to a bedroom, den, workshop or perhaps an income-adding apartment.

The biggest job in attic remodeling is to complete the sheathing of walls and ceilings. New wallboards of wood fibers, or other composition materials give an inexpensive solution to this problem.

There are panels, planks and large-sized boards available in these wallboards to make the job handsome and professional-looking.

The advantage to these modern wallboard installations is that they can be nailed or stapled to the exposed studs and ceiling beams, or they may be cemented in place over existing cracked, chipped or broken plaster walls.

BEFORE

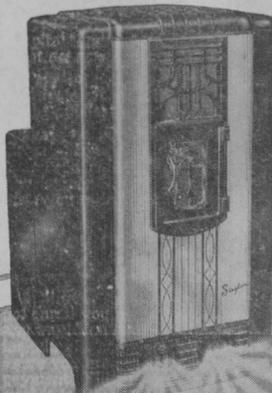

From an "orphan" attic used as a storage room for castoffs, this smart extra room has been created with ARMSTRONG'S "Temlok" interior finish. This is an economical, dry wall construction panel that a handyman can install.

## FURNACE HEAT

No costly pipes or registers to install or clean!

# Siegler

PATENTED AUTOMATIC OIL HEATERS

Tropical Floor Heating

GETS TO THE BOTTOM OF THE COLD FLOOR PROBLEM

Siegler is not a space heater that wastes heat up the chimney and on the ceiling forcing you to live in one or two rooms.

Siegler is not a central heating plant with expensive installations—

### SIEGLER is a revolutionary method of WARM FLOOR HEATING in every room!

JUST LIKE A FURNACE... BUT WITHOUT COSTLY, DIRT COLLECTING PIPES AND REGISTERS!

A FURNACE JOB OF HEATING FOR THE PRICE OF A HEATER!

EAST TAWAS

**DO IT YOURSELF**

**Ease of Tackling Small Repairs About-the-House Made Simpler With Complete, Small Tool Kit**

Even if you do not have a workshop, or do much puttering about your home on do-it-yourself jobs, there are certain small chores about the house you can do quickly and efficiently with a minimum of tools.

Here are the basics for every home:

A claw hammer is the backbone of any tool kit; a tack hammer, a worthy mate. Choose a cross-cut saw for cutting across the grain of wood, a rip-saw for with-the-grain cuts; a coping saw is a versatile tool for minor, fine work.

A good tool kit should contain screwdrivers of various sizes. A ratchet screwdriver with interchangeable blades is an excellent timesaver and good investment.

Choose a firm chisel for both light and heavy work; it can be used for making vertical cuts, splitting wood and other chores.

A brace and bit comes in handy for all wood-boring jobs; bits come in a wide variety of sizes. Equally useful is a hand-drill for making holes in either wood or metal, depending upon the drill point used.

A jack plane is a handy tool for smoothing sticky doors and other minor jobs.

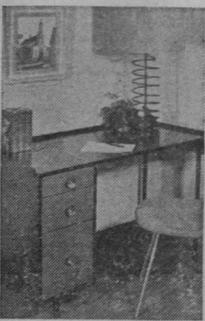

Other handy small tools for use about the house are a wood and metal file; a folding rule, straight edge and steel measuring tape; all make themselves mighty useful. A pair of pliers, a pair of adjustable pliers, a Stilson and monkey wrench—these too, should be in every home tool kit.

Paint scrapers, putty knives, nail sets and drawknives are handy additions.

Keep a supply of sandpaper in both fine and coarse abrasives; steel wool is handy where scratching is to be avoided; pumice stone is fine for polishing jobs.

Don't forget the plumber's friends—the long-handled, rubber-cupped plunger for clearing stopped-up drains and a steel, springed auger or "snake" for clogged-up pipes. These will help you handle the most common plumbing troubles.

You wouldn't call a surgeon to remove a splinter from your finger, so why call a specialist to take care of some of the chores you can learn to do yourself. And, the best way to tackle the little repair jobs as they occur is to be prepared with the right tools to do the job.

DOUGLAS Fir Plywood Association, Tacoma, Washington, will furnish you with easy-to-follow instructions for building this modern desk and applying its gay, colorful spatter-paint finish.

**Linoleum Scraps Prove to be Useful; Save Them**

Don't throw away or burn up those odd-sized scraps of linoleum, rubber or cork floor tiles. Put them to good use about the house!

For the kitchen, cut-out coasters and place mats. Cover your old breadboard with another linoleum scrap.

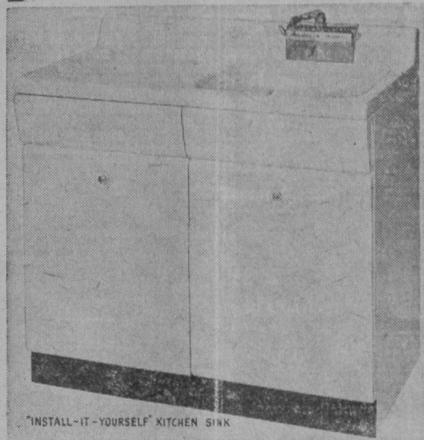

Use strips, circles or squares as bases for the flower pots gracing your window sill.

Make a permanent shelf covering with easy-to-wash and clean linoleum strips. Linoleum drawer bottoms for silverware prevent scratching, and deaden noise.

Dress-up the old battered card table with a new linoleum top! Or, lay a new, handsome top with tile squares.

Use your odd-lot cork tiles or strips to create a handsome top for tables, desks, hobby benches and stools.

**DESIGNED FOR EASY INSTALLATION**

American Kitchen's newest sink is designed for easy home installation. The sink can be assembled by one man in 10 minutes and using only a screwdriver and a pair of pliers. The knock-down assembly is packed in two cartons with complete assembly instructions. The sink measures 42 inches wide, either left or right-hand drainboard. Faucet, strainer and hardware kit are included.

**Tack a New Room Onto Your House**

Only three hours time and \$11.50 built this extra winter room

Hundreds of home owners are discovering an easy, low cost way of turning cold windwept porches and breezeways into warm extra rooms that can be used all winter long.

A pair of scissors, hammer, tacks, molding strips and a roll of crystal-clear Flex-O-Glass, is all that it takes to make

this extra room of plastic.

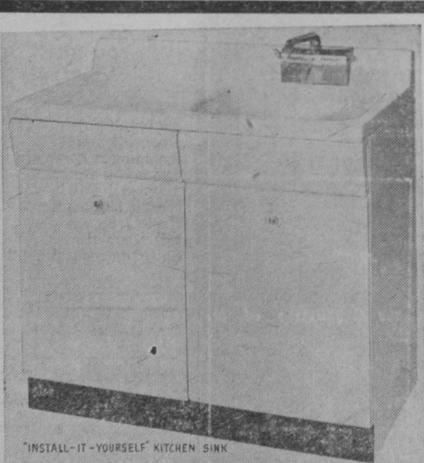

If your porch happens to have screens, leave them up. Just cut to size and tack it right over them. Otherwise, simply tack the shatterproof plastic between uprights. When spring comes, take it down and store it away to be used next season. It's guaranteed two years.

A porch enclosed with this crystal-clear plastic, at a fraction of the cost of common glass, is especially valuable as a children's playroom because Flex-O-Glass is unbreakable and lets in Sunshine Vitamin D (Ultra-Violet Rays) which common glass filters out. Local dealers here carry Flex-O-Glass in rolls.

**COLLECTORS' KITCHENS**

If you are one of the many millions who collect things, try to work in your collection as part of your kitchen.

From copper molds, to trivets, spoons, antique glassware and candy jars—these can be incorporated into your kitchen decor.

**AMERICAN SPECIAL 42 inch SINGLE BOWL SINK**

The Lowest Price in American Kitchens quality Packed line. Available in either right or left hand drainboard (right shown). Double doors open to mammoth 42 inch wide storage cabinet.

Other models with added features and colors on display at our store.

**BARKMAN'S Complete Home Outfitters**

Phone FO 2-3479 Tawas City

**EVEN UN-HANDYMAN CAN DO GOOD TILING JOB NOWADAYS**

Tiling a kitchen, bathroom or utility room is the kind of job even a person who "is all thumbs" can do well.

But whether beginner or expert, the do-it-yourself tile job should be done with the best possible wall tiles.

Tools you need are a coping saw for circular cuts around pipes, etc.; a notched trowel, a scraper, a chalk line and level and rule.

Prepare the walls by removing everything that is loose, such as flaky paint or loose or rotten plaster. Thoroughly wash off grease and oils. Patch all holes with patching plaster or plaster board. Make walls as smooth as possible.

1) Draw a level line around the room at the desired height.

2) Spread the mastic downward in a wavy motion, using a notched trowel. Spread enough mastic for three hours work; do not let it harden.

3) First set the half-tile cap along the level line; where there is an outcorner start setting there. Do not overlap tile edges or leave too much room between tiles.

4) Where tiles meet in corners, cut tiles carefully for a close butt; fill openings with mastic.

5) For making circular cuts

around pipes, bathtubs, etc., use a coping saw. Excess mastic should be cleaned off every few square feet as the job progresses. In

about 10 days after the job is completed, the tile should be washed with a mild soap or detergent and water. Never use an abrasive.

However, if you do not feel that you are up to it, then your wall tile dealer can give you a truly smart, professional installation at a moderate cost.

 Tuesday, November 15—I will be ill at that time. I will be back on the job Monday, November 21.

Dairy farmers now have a simple, easy way to keep milking machine parts sanitary. It is soaking inflations and milk carrying tubes in a cold lye solution—a 13-ounce can of lye in 1½ gallons of water. Research dairyman, J. M. Jensen of Michigan State University, says in-

flations in lye water is no longer necessary. Jensen, who found the easy answer to the cleaning problem, explains that the cold lye solution kills bacteria and does a good job of removing butterfat. Water for the solution should be soft, like rainwater, and it must be stored in a crock or granite ware utensil. Enough of the solution should be made to cover the inflations and tubes. A dairyman can use the lye solution two ways.

The rubber parts can be soaked between milkings, then rinsed off thoroughly in hot water before use. Or the dairyman can use two sets of rubber parts, with one set left soaking for a week. The other can be washed off after use, or it can be stored on a solution rack using a weak lye solution, one pint of the stronger solution diluted with water to make a gallon.

The lye solution, used either way, will last for months. As long as it is clear, not muddy, it is certain to be the right strength. If soapy deposits form on the rubber parts when they are left in the solution all week, that is another indication of proper strength. If no soapy deposit forms, the solution has lost strength.

Insect infestation of stored grain is beginning to appear in many Michigan farm grain storages, according to Ray Janes, extension entomologist at Michigan State University.

Farmers should check now for insect infestation as much damage can occur in the early fall months. Control measures aren't completely effective in winter months.

Take a scoopful of grain from the top and sides of the bin to check for beetles. Put a small amount of the grain on white paper to get a better view of the insects. A matted surface of the grain means moths. An infestation by either insect means fumigation is needed. Be sure the bottom and sides of the grain bin are tight before fumigating.

Fumigating is the only way to control insect infestation in farm stored grain. There are two chemical mixtures recommended.

One is a mixture of ethylene dichloride and carbon tetrachloride. The other is the same mixture with the addition of five percent ethylene dibromide.

Extreme caution should be followed in handling these

chemicals. Both can be harmful to the person using them. Follow the manufacturers' directions.

The quality of lambs sold at the lamb pool has increased 10-fold this year. Our farmers are selling only good, choice and prime lambs to collect their top marketing dollars.

In order to keep up that good quality in lambs, six of our raisers purchased rams from the ram truck at West Branch, Clair L. Thompson, Lorraine L. Pickett, Arthur Aulerich, Earl Crown and the Siegrist brothers, Martin and Harold, all of Whittmore, along with Andy Matthews of Hale, took purebred rams home.

Mr. and Mrs. Phillip Watts, Ernest Bellen, Mr. and Mrs. Martin Mrock, Glenn Miller, John Cobb, Arden Charters, Gordon French, George Lake and Edward Robinson were other losco folks whom I saw at the lamb day last week.

## With the Losco 4-H Clubs

**Calendar—**  
 November 1, 2 and 3—Junior Leadership School at Higgins Lake.

Two boys and two girls are the number of delegates invited from each county to attend the junior leadership school.

Last year it was possible for us to send two young people, perhaps this year there will be four who can go.

Joyce Welina and Gale Durant were 1954 delegates. Both of them say it was a wonderful experience and one no boy or girl should miss if given an opportunity to go.

We know that some projects have begun having meetings. Knitting in Laidlawville and Hale Happy Hustlers, canning in Friendship, and very soon there will be foods meetings in Reno Topnotchers 4-H Club. Maybe there are others, too.

Could we please hear from project reporters? Everyone is interested in knowing what is going on. We like to hear from the Community 4-H Club reporters about their meetings each month, too.

TAWAS CITY

**NEW** greatly increased maternity benefits!

**NEW** 20% increase in daily hospital room allowance!

**PLUS** these hospital "extras" with no dollar limit! Operating and delivery room laboratory services • drugs and dressings • physical therapy oxygen • basal metabolism many others, too!

Don't miss this opportunity!

**Blue Cross Blue Shield Non-Group Program**

for people who can not join through a group!

Everyone in Michigan—under age 65—can apply!

Here is the opportunity you've waited for—Blue Cross - Blue Shield Non-Group protection for people who can not join through a group! You, your wife and children—anyone in Michigan under age 65—can apply for this SPECIAL NON-GROUP PROTECTION against hospital and surgical bills! But, you must act now! Offer expires October 22!

Easy to get! No physical exam, no health statement is necessary! Just send in the application form below!

Easy to keep! No Michigan Blue Cross - Blue Shield membership has ever been cancelled because of age or physical condition. Keep your protection after you retire!

You must apply by **OCTOBER 22!**

Mail your application today! It does not enroll you, does not commit you in any way! You'll receive full information, including a complete list of benefits—before you are asked to make your first payment! Fill in your application and send it to Blue Cross - Blue Shield, 441 East Jefferson Ave., Detroit 26, Or call your nearest Blue Cross - Blue Shield office for full details.

Here's how you're protected!

For hospital bills! As much as \$12 a day toward room, board and general nursing care, plus the above "extras" with no dollar limit... for 30 days in the hospital! Another 30 days available when you have been out of the hospital 6 months.

For surgical bills! Generous amounts will be paid directly to your doctor toward the cost of thousands of surgical procedures.

Even chronic and pre-existing conditions (and removal of children's tonsils and adenoids) are covered after 6 months' enrollment.

Increased maternity benefits provide up to \$12 a day for hospital bed and board... and all the above "extras" with no dollar limit... plus a generous allowance toward your doctor's delivery fee, after 9 months' enrollment under the family contract.

Benefits are available in over 200 participating Michigan hospitals... representing 99% of the state's general hospital beds... and in 6000 Blue Cross hospitals in the U.S., Canada and Puerto Rico. Benefits in non-participating hospitals provide \$12 a day toward all regular hospital charges. Benefits in other countries are the same as in Blue Cross hospitals.

**Most Modern Truck Features of All!**

### COMING EVENTS

**BAKE SALE**—Iosco Chapter OES on Saturday, October 15, 10:00 a. m. at Evans Furniture Company. 41-1b

### SEIFERTS CELEBRATE SILVER ANNIVERSARY

Mr. and Mrs. Edward Seifert celebrated their silver wedding anniversary Sunday with open house. Bouquets of fall flowers beautified the home. All their children were present. They are Edward Seifert Jr. and family, Betty Brookbank and family, all of East Tawas; Gladys Spears and her husband, Glenn, and four daughters of Petoskey, and Violet Leonard, her husband, Clarence, and two daughters of Flint. There were also friends present from Bay City.  
Mr. and Mrs. Seifert were married in Bay City October 11, 1930. They have lived in East Tawas since their marriage. They received some lovely gifts and many cards of congratulations.

### 36 Attend Hospital Auxiliary Banquet

Thirty-six members and guests attended the membership banquet of the Tawas Hospital Auxiliary October 4 at the Barnes Hotel. The banquet marked the opening of the auxiliary's winter season activities.  
Among the coming events discussed at the meeting following the banquet were the annual "deer widows" card party and the Christmas dinner dance.  
In the nominating committee for the January election was appointed as follows: Mrs. Joseph Homberg, chairman, Tawas City; Mrs. Frank Wilkusi, East Tawas, and Mrs. Cecil Cable, Tawas City.

### Tawas City

Mr. and Mrs. Otto Look, Miss Esther Look and Ann Evril spent the week-end in Port Huron, Mr. and Mrs. Look remained for a three-week visit with their daughter, Mrs. Arthur Zink, and relatives in Detroit.  
Mrs. Olga Perley and Mrs. Pearl Allan of Muskegon spent the week-end with Mrs. Olga Kassischke.  
Terry Tuttle was hostess at a party held in honor of her ninth birthday anniversary Saturday afternoon. Her guests, Maureen Campbell, Marilyn Hosbach, Terry Ross, Carol Cecil, Holly Debaugh, Cheryl Coyle, Mary Lou Coyle, were entertained at a movie followed by the birthday supper.

### LEGAL NOTICES

# CONGRATULATIONS

## To the People of

# IOSCO COUNTY

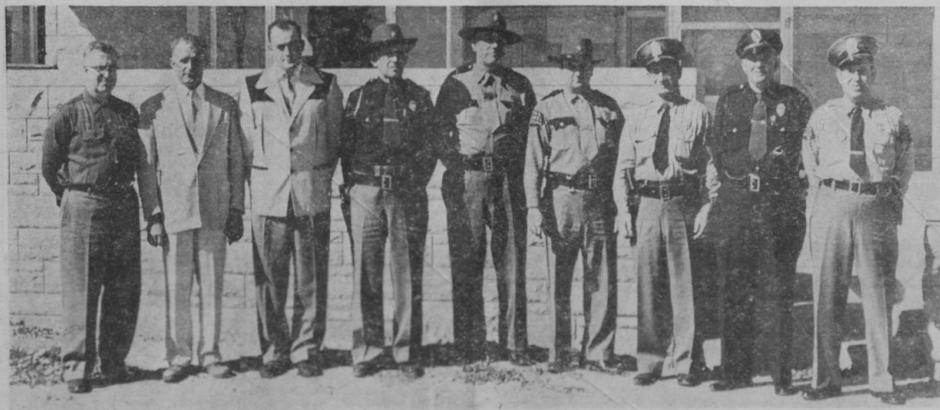

### On the Completion of Your New Jail

IOSCO COUNTY'S NEW \$165,000 JAIL—capable of taking care of 34 prisoners, without crowding, and with modern quarters for the Sheriff, the cornerstone-laying and dedication ceremonies for the structure were followed by "open house" Tuesday afternoon.

This is an inside view of the new \$165,000 Iosco County Jail. Shown in the booking room, are Sheriff O'Farrell and Undersheriff Putnam.

IOSCO COUNTY SHERIFF IVAN O'FARRELL AND HIS DEPUTIES

WE ARE PROUD TO HAVE BEEN OF SERVICE TO YOU IN THE CONSTRUCTION OF THIS FINE NEW BUILDING
