Cornerstone Laying Ceremony and Open House at New Jail Next Tuesday

Cornerstone laying ceremonies for the new \$165,000 Iosco County Jail will be held next Tuesday afternoon at 1 o'clock, it was announced this week by Clarence Everett, Tawas City member of the Iosco County Board of Supervisors and chairman of the new jail committee. Following the ceremonies the public will be invited to inspect Iosco County's new jail facilities in an open house observation. The board of supervisors extends an invitation to everyone in the county to attend the observance and to see one of Northern Michigan's most modern detention institutions.

Following is a program for the events Tuesday:
Master of Ceremonies—H. Read Smith, Iosco County Judge of Probate.
Invocation—The Rev. Richard Jennings, pastor, Christ Episcopal Church.
Music—Selections by Tawas Area Band, Edward Rima, director.
Address—John R. Watkins, attorney, East Tawas.
Laying of cornerstone—Iosco County Board of Supervisors, Theodore Bellville, chairman 1955.
Benediction—The Rev. Fr. Joseph Castanier, pastor, Immaculate Heart of Mary Church.
Open House—Public invited, 2:30 to 4:00 p. m.
Requiring a little more than a year to complete, Iosco County's new jail and sheriff's residence is modernly designed with the latest in jail equipment available.

Designed along the same lines as the Iosco County Building, the new jail is of concrete and reinforced steel construction faced with Indiana limestone. The architect was Joseph Goddard of Bay City.
In a letter to the board of supervisors this week, W. H. Nestle, state inspectors of jails, said that he recently had made a preliminary inspection of the new jail and that "there is no question but what it is one of the outstanding jails in the state."
General contractor for the construction was the Davison-Rose Builders, Incorporated, of Tawas City. Northern Plumbing of East Tawas and R. A. Meyers and Company of East Tawas had the heating contract.
Other contractors were Fries and Son, Covington, Kentucky, jail equipment, and York Electric Company, Bay City, electrical work.

Fronting Lake Street is the sheriff's residential quarters and extending to the rear from the main entrance at the central east side of the building are the departmental offices, cell blocks and garage. The building is 193 feet long by 49 feet wide.
At the east side entrance the visitor enters the lobby, separated from the main office by screen lining. A private office for the sheriff is to the left of the entrance and a booking room, where prisoners are to be fingerprinted, is connected with the main office.
A long corridor is located in the center of the building with three six-man cells on the east side and the women's department, and three maximum security cells on the west side. The bullpen or tank is located at the rear of the building.

The building has a concrete roof with a three-car garage. Doors on the garage are radio controlled. An electric solenoid, controlled from the main office, operates the heavy steel door leading from the garage.
Floors in cell blocks and corridors are terrazzo. Cell blocks are separated from outside walls by guard walks. Each cell is equipped with shower and toilet facilities.
The building is heated by two furnaces, one for the jail proper and one for the residential section. A laundry room, storage room and furnace room are located in the basement.
Sheriff Ivan L. O'Farrell said Tuesday that he hoped that the new building would be ready for occupancy immediately after the open house.

Local duck hunters described last week-end's opening day one of the best in years. Pictured above are Dale and Edward Seward of Midland with their bag of eight teal at Tawas Lake. —Herald Photo.

NEW BUILDING INCREASES PRODUCTION AT TAWAS PLATING

Workers at Tawas Plating Company prepare to place a plastic drum containing small parts into a cadmium electroplating solution at the company's new plant on Industrial Street in Tawas City. The plastic drums are moved to the various solutions by an overhead hoist. At present Tawas Plating employs 13 men in two shifts. —Herald Photo.

On the floor are boxes containing parts which have been plated and ready for shipment. (See page four for additional photo.) —Herald Photo.

350 Attend Urban-Farm Meet at Hale

The Rural Urban Farm Bureau Convention held at Hale was attended by a capacity crowd of about 350 people.
Harold Clark, chairman of the public relations committee for the county farm bureau, was in charge of the program.
Mr. De Reimer of Bay City with his Youth Guild furnished the entertainment which consisted of tap dancing and singing. Everyone enjoyed these numbers.

The high light of the evening was the enlightening address by Jack Yeager, executive secretary of the state farm bureau from Lansing. Mr. Yeager explained the relationship between rural and urban folk as being very close with each dependent on the other. He pointed out that although less than 12 percent of our population live on the farm the purchasing power of this small percent is greater than that of any other industry. Seven million tons of steel, and 50 million tons of chemicals are used by the farmers each year. These were only a few of the things he mentioned, others were essentially as general as stated that with the present low farm income the trend is toward larger farm units resulting in larger farm debts. The farm picture is anything but bright. With the present farm product prices going down and the things the farmer must buy going up.

THREE 'LOST' HUNTERS FIND OWN WAY BACK

Three hunters were reported lost in Iosco County during the first week-end of the fall hunting season, it was reported this week by the Michigan State Police at East Tawas. All three men turned up later.

Two men were reported lost in Oscoda Township Saturday. The two hunters, Robert Droope, 29, of Inkster and Eugene C. Herman, 26, of Detroit failed to return to their car after hunting during the fall of Cooke Swamp.

When officers arrived at the location where the hunters entered the swamp, the men drove up in their car and said that after they became lost they found their way to M-65 and then to their cottage.

Sunday afternoon a 17-year-old Livonia hunter, Ronald Bulman, was reported lost one-half mile east of the East Tawas dump. Upon arrival at the spot where the hunter was reported to have entered the woods, the young man was found waiting for his hunting companions.

Alabaster Hunter Victim of Shotgun Blast

A 23-year-old Alabaster man, Bernard Blust, was accidentally wounded in the stomach by a shotgun blast while hunting Saturday afternoon in Alabaster Township. Blust was treated at Tawas Hospital where a single pellet from the shotgun charge was found to have entered his stomach.

Hunting with William Smith and Gerry Kendall, Blust was wounded when Smith fired at a rabbit and some shot apparently ricocheted.

The injured man was treated by Dr. V. W. Kershul.

Forest Operations and Osmose Plant Inspected

Some 30 Northeastern Michigan agricultural agents, representatives of industries in Huron and Bay Counties and United States Forestry supervisors visited three cutting operations in the Huron National Forest and viewed operations at the new Osmose Wood Preserving Corporation plant here last Wednesday.

Made possible through the cooperation of the Osmose Corporation, United States Forest Service, the Ausable Forest Products Association and the Iosco County Agricultural Agent's office, the visitors spent the entire morning watching the cutting of pulpwood and thinning plantations where trees were being cut for fence posts during a field trip through Huron National Forest.

In the afternoon the group visited the Osmose plant, located at the Detroit and Mackinac Railway yards in this city. Here they saw the new low pressure retort plant in operation. This plant, the only one of its type in Michigan, treats fence posts, railroad ties and lumber against rotting.

At noon the group was served a buffet lunch at the warming shelter at Silver Valley.

Among those present were the following agricultural agents: George Lansburg and his assistant, Boyd Wiggins, of Saginaw; Casper Blummer, Alcona County; Paul Gibson, Clare County; Paul Penneck, Arenac County; Ralph Coulter, Ogemaw County; Walter Kirkpatrick, Antrim County; Jesse Hueston, Gladwin County; Gleason Rohlfis, Huron County; and Marvin Davenport, Iosco County.

Others present were: C. W. Carlson, Tawas district ranger; Newell A. Eddy, president, and Fred Cobitt, general manager of the Habitant Fence, Incorporated, Bay City; Lee Warschewsky, Huron County 4-H leader; Reuben Kaare, Alcona 4-H leader; Al Bolter, district forester, Sag-

inaw; E. B. Cook, Saginaw; Will Stump, former state forester now connected with a Wisconsin lumber firm; Lester Bell, extension forester of Michigan State University; Orville Moore, manager of the Tawas Osmose plant; Oscar Anderson of Farm Bureau Services, Lansing; V. B. Shults, manager of the Ausable Forest Products Association; Gordon Hatch, head of the Iosco Soil Conservation district, and W. Storer, regional manager of the Osmose Corporation.

TAWAS AREA SENIORS PRESENT COMEDY SOON

Rehearsals are now in progress at the Tawas Area High School auditorium for the senior play, "Papa was a Preacher," by Alyene Porter. The play is a three-act comedy and is being presented by the same group that did last season's farce, "Ramshackle Inn."

The story tells of a minister's family, and the troubles that the children have because the community expects them to be perfect. Through the pranks and troubles there flows a lively stream of movement that will insure a wonderful play for the audience.

The cast for the play includes: The Reverend Porter, Robert Jones; Mrs. Porter, Carol Kysner; Hugh Porter, Paul Fisher; Cecil Porter, Donald Phillips; Raybon Porter, Hector Pond; Janette Porter, Joyce Moore; Groom, Joseph Woolhiser; Edd Porter, William LaPorte; Bride, Sharon Rose; Alyene Porter, Judy Webster; Miss Jones, Carol Bolen; Hicler, Ludlow Marlene Sederman; Jeffery Cole, Terry Beddie; Lucy Smith, Doris Philpot; Jenny Smith, Marilyn Smith.

The play is being directed by Jerold McEwen.

Braves Win Over Alpena C.C. Reserves

By virtue of a brilliant pass play in the third quarter which went for a touchdown, the Tawas Area Braves jolted the Alpena Catholic Central Reserves 13-6 Tuesday afternoon and ended their two-game losing streak during the fall football season.
Action in the third quarter found Tawas Area deep in Alpena territory, but were four yards away from a first down with only one down left to play.
With Alpena expecting a punt, quarterback Carl Nemeth gambled on a pass play and connected with Halfback Gary Stephan on a beautiful 40-yard toss. The play covered 60 yards as Stephan scampered into the end-zone for what amounted to the winning touchdown. Austin carried the ball for the extra point.
Alpena drew first blood during the afternoon when the fullback crashed through center and right guard for a touchdown. The try for extra point failed.
In the second quarter the Braves tied the game at 6-6 when Quarterback Justus Austin carried the ball over for a touchdown on a quarterback sneak. The point after touchdown failed and the first half ended with both teams knotted at 6-6.
Both teams were held scoreless in the fourth quarter.
Game statistics showed that Tawas Area led Alpena on first downs 8 to 2; passes tried: Tawas Area 7, Alpena 3; passes completed: Tawas Area 1, Alpena 0; penalties: Tawas Area 35 yards, Alpena 10 yards.
This win by the Braves helped to overshadow a dismal start in play thus far this season. In two previous games, both shut-outs, Tawas Area lost to Gladwin 12-0. (See Braves Win, page eight.)

Iosco Farmer Dies While Cutting Wood

The body of Frank Gordon, 70-year-old Whittemore farmer, was found early Saturday morning in the woods, three miles northwest of Whittemore where he had gone to cut wood.
Attracted by the howling of his dog two hunters, Mr. and Mrs. John Smith of Flushing, found the body, the dog standing beside it.
Coroner E. D. Jacques of Tawas City said death resulted from a cerebral hemorrhage. The coroner said that he had been dead approximately 24 to 30 hours.
Gordon, who has lived alone since the death of his wife three months ago, was last known to have been alive when a neighbor saw him last Thursday.
Born in Sanilac County September 2, 1885, Gordon had moved with his parents to Cedar Valley, near Tawas, 57 years ago. He was married November 6, 1904, to Alemania Henn.
After working 14 years at the Buick factory in Flint, Gordon returned to Whittemore and settled on a small farm a half-mile west of that city. He drove a Whittemore school bus for eight years.
Services were held at 2:00 p. m. Monday from the Latter Day Saints Church. Burial was in Cedar Valley Cemetery.
Surviving are: Two daughters, Mrs. Thelma Kerr and Mrs. Donna St. James, both of Flint; two sisters, Mrs. Lulu Haslit of Tawas and Mrs. Mae Stuart of Prescott; four grandchildren, and four great grandchildren.

Emmett Cecil of East Tawas is pictured above with the black bear which he killed last Saturday during a hunt sponsored by the Rogers City Sportsmen's Club in Presque Isle County. Cecil Lamb of Tawas City accompanied him. —Herald photo.

Gospel Artist to Appear Here October 6 through 9

The Rev. Ding Teuling, nationally known Gospel artist, will present a series of meetings at the East Tawas Community Building, beginning Thursday, October 6, and continuing through Sunday, October 9. The meetings will be nightly at 8 o'clock.

During each meeting Mr. Teuling will draw a full-color picture on his large illuminated drawing board. The picture is then exposed to black-light rays which bring out hidden details and produce sensational effects.

Mr. Teuling has been a speaker at many nationally known Bible conferences and churches of many denominations. Before entering the ministry, he was a commercial artist employed on a number of national accounts.

Promoted by Army--

Pfc. Harry Morley Jr. was promoted to corporal last June 28 and is stationed at Camp Hanford, Washington, with the 518th Anti-Aircraft Artillery Battalion, Company C. Corporal Morley enlisted for three years September 29, 1953, and is taking an advanced course in heavy artillery. His basic training was at Fort Knox, Kentucky, where he trained in tanks and was a tank gunner. He was married to the former Miss Yvonne Graham of Richland, Washington, January 2 of this year.

New Dodge on Display at Bronson's

One of the newest, most exciting automobiles to appear on the American motoring scene in recent years is the glamorous 1956 Dodge Four-Door Lancer hardtop. All of the youth and vigor of hardtop styling has been skillfully combined with the comfort and convenience of the four-door sedan. While the car shown above is in the Custom Royal series, the same body style is being offered in the lower priced Royal and Coronet series.

The new 1956 line of Dodge passenger cars will be introduced to the public Friday, October 7, in dealer showrooms throughout the country, it was announced this week by Arnold Bronson Motor Sales of Tawas City.

Viewers of the new cars were promised the first glimpse of an entirely new era in automotive design, both in exterior and interior appearance and in mechanical advancements, by Mr. Bronson.

Outstanding among many mechanical improvements is the revolutionary new "Magic Touch" push-button drive selector which completely eliminates the necessity for any kind of a gear-shift or drive control lever, and brings the automatic driving dreams of yesteryear to today's reality.

In the radically new body design for 1956 Dodge has carried the forward look into an even bolder, more dramatic form. Unique high-sweep rear fender tail fins lend an aircraft-like effect and mold the flavor of speed into every line of the car, giving

at the same time a pronounced directional appearance.

Forward-pointing body shapes and moldings, tastefully proportioned hood, body and deck areas, gracefully tapering hood and front fenders, and the wide, slightly swept-back effect of the divided grille, all combine to give slimmest and tautness of line and a distinct feeling of motion to the new Dodge cars.

New in its basic concepts and exciting in its beauty and appeal is the four-door Lancer by Dodge. All of the youth and vigor of true hardtop styling have been skillfully combined with the comfort and convenience of the four-door sedan. Full-width rear doors provide easy access to the rear passenger compartment while full side vision is assured by a unique design which allows the use of full rear door windows.

Significant of Dodge's traditional consideration of the car buyer's freedom in price selection is the fact that the new four-door sedan, four-door Lancer hardtop, Lancer hardtop and

Lancer convertible. Finally, a new station wagon line offers a wide choice of seven Suburban two-doors and Sierra four-door models.

Important engine news of the year is the new Dodge Super Red Ram V-8 engine which has been added to a total displacement of 315 cubic inches, resulting in vastly increased power and torque. Horsepower is up to 218, while even more significant is the new "break-away" from standing start performance.

For a new adventure in motoring enjoyment, the 1956 Dodge has available an automotive record player, the Highway Hi-Fi. Played through the car radio, it provides from 45 minutes to one full hour of music from each side of the seven-inch records.

One of the most advanced body features of the new Dodge is the revolutionary new safety door latch, introduced for use with Dodge's exclusive self-tightening rotors. The safety-latch minimizes the possibility of doors flying open under crash impact.

Christian Science

How spiritual understanding of divine law brings freedom from discord of every kind will be explained at Christian Science services Sunday.

Keynoting the lesson-sermon, "Are Sin, Disease, and Death Real?" is the Golden Text from Romans (8:2): The law of Spirit in Christ Jesus hath made me free from the law of sin and death.

The importance of coping with sin is emphasized in selections to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy including the following (315:16): "The likeness of God we lose sight of through sin, which beclouds the spiritual sense of Truth; and we realize this likeness only when we subdue sin and prove man's heritage, the liberty of the sons of God."

Readings from the Old and New Testaments of the Bible will include Christ Jesus' parable of the prodigal son (Luke 15).

Private United States investments rose by \$3,000,000,000 last year, according to the Office of Business Economics of the United States Department of Commerce.

Social Security Facts Explained in Booklet

"How Social Security Covers Farmers," a booklet recently issued by the Social Security Administration, explains in easy-to-understand language the rights and obligations of farm people under the social security law, according to Paul M. Ellifritz, manager of the Bay City Social Security Office.

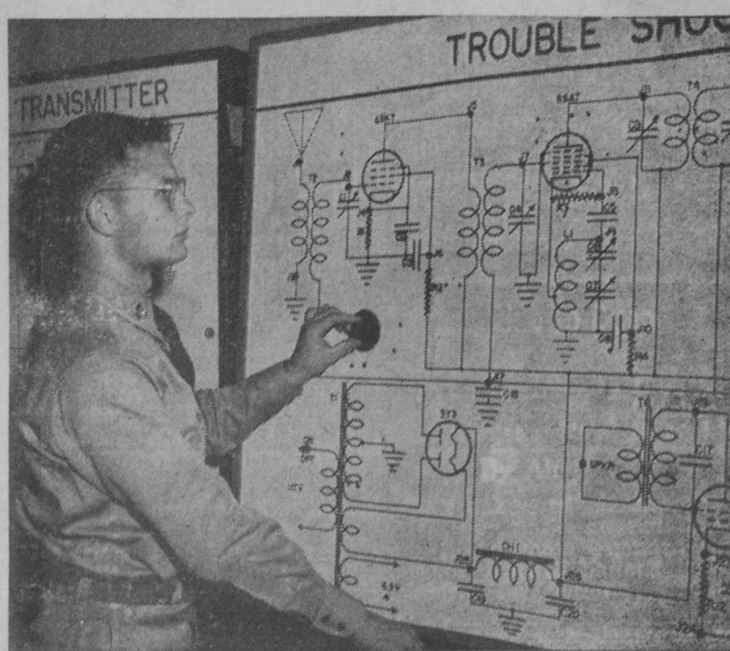

The booklet is intended to help a farmer determine whether he is employed or self-employed, especially in relation to the farming of land leased on a cash rental or share of the crop basis. A section of the publication is devoted to income reporting requirements for self-employment farm income and the paying of the social security tax will be a part of the federal income tax return for 1955 which is due April 15 of the coming year.

Anyone can get a free copy of the booklet at the Bay City Social Security Office, 210 Federal Building, Bay City, Michigan.

Largest class in the school is the seventh grade with 46 students enrolled and the smallest is the 11th grade with 20 members.

There will be no school Friday, October 7, as the teachers will be attending teachers' institute at Mt. Pleasant that day.

Those present were Mr. and Mrs. Howard Cole and son of Ann Arbor, Mr. and Mrs. Earl Sams and son and Mr. and Mrs. William Karr of Saginaw and Mr. and Mrs. William Wereley Jr. and family of Hale. They enjoyed a birthday dinner Sunday in honor of their father's birthday, and also it was the wedding anniversary of Mr. and Mrs. Howard Cole.

William Latham was called here from Detroit Friday due to the serious illness of his brother, Arthur.

Mr. and Mrs. Loren Lindsay of Sterling spent Tuesday and Wednesday here with his sister, Mrs. Alma Pake.

Mrs. Roy Charters spent Wednesday afternoon and night in Saginaw with Mr. and Mrs. Norman Schuster.

Mrs. Leo Snook of Cumings called on Mrs. Reuben Edie Wednesday enroute to the Augres hospital to visit her husband, Mr. Snook, who is a patient there.

Burleigh Notes

The Burleigh Rural Ladies Club met Thursday at the home of Mrs. Isabella Earhart, with Mrs. Mary McLean, assisting hostess. Seventeen members were present. The next meeting will be held at the Whittemore school at which time the club will entertain the town clubs.

Randy Gay, son of Mr. and Mrs. Raymond Gay, suffered second degree burns when his pant leg caught on fire. He was playing around the embers where his mother had recently burned papers. He was taken to West Branch for treatment.

Mr. and Mrs. James Brush and family of Jackson were week-end guests at the Martin Siegrist home.

Mr. and Mrs. Paul Siegrist Jr. of Saginaw spent the week-end with their mother, Mrs. Caroline Siegrist.

A. B. Schneider, accompanied by Frank Bernard of Prescott, attended the card party at Turner Sunday evening.

Orville Bellor took a truck load of hogs to Bay City last Wednesday.

John Miller of Nestor Corner visited at the home of Pat Corrigan Friday.

Henry Siegrist built a new silo on his farm.

A number from here attended the card party at Hale Friday evening.

Friends were sorry to hear of the death of Frank Gordon, whose body was found in the wood Saturday morning by Mr. and Mrs. John Smith who were hunting at the time. The howling of Gordon's dog standing by the body attracted their attention.

Mr. and Mrs. Glen Schneider of Bay City visited with relatives here Sunday.

Jack Bellor of Flint spent the week-end at the home of his parents here.

Charles Corrigan attended church services at Hale Sunday morning.

WHITEMORE

Mr. and Mrs. Russell McKenzie of East Tawas spent Sunday afternoon with their mother, Mrs. Emma McKenzie.

Mr. and Mrs. Gerald Bronson of Mt. Pleasant are the proud parents of a six pound, seven ounce son, Mark Charles, born Saturday evening. Mrs. Bronson is the former Jeannette Bellville.

Mr. and Mrs. John O'Farrell spent Saturday in Rose City with Mr. and Mrs. George O'Farrell.

A successful chain saw clinic on the operation and maintenance of the McCullough Chain Saw was held at the Aulerich Machine Shop on Wednesday, September 28.

Jerry Langford and Harry Nunn of the Langford McCullough Company of Detroit were present to conduct the clinic. They showed slides on the care and operation of the saws and discussed in particular the adjustment of the diaphragm carburetor.

The many things learned about the McCullough saws should enable the men present to make minor adjustments on their own saws. Among those present were Consumers Power representatives from Tawas City and Bay City and Michigan State Highway officials of the Alpena district.

POLIO—

Dr. C. C. Dauer, United States Public Health Service official, recently predicted that the polio toll this year would fall far short of the 1952 epidemic figure, but would top the "mild" polio years of 1950 and 1951. This year's total, as of September 1, was 14,140 cases.

Mrs. William Denstedt

Mrs. William Denstedt of Grant Township died early Wednesday morning of last week. She had been in ill health for the past two years.

Born October 20, 1891, at Minden City, she married William Denstedt on November 23, 1938.

Surviving are the husband; one son, Frank Stoddard, and a daughter, Mrs. Helen Whitford, both of Tawas City; three sisters, Mrs. Clara Wall and Mrs. Julia Belounger of Detroit and Mrs. Louise Blaylock of Bad Axe; 11

grandchildren and three great grandchildren. One granddaughter, Mrs. Robert (Patsy) Brinkman, resides at Fairbanks, Alaska.

Funeral services were held Friday morning at St. James Catholic Church, Whittemore. The Rev. Fr. Michael Maher officiated. Interment was in Greenwood Cemetery, Hale.

Fighter pilots of the Royal Air Force are being equipped with small portable radar transmitters capable of signaling the position of a downed plane to rescue craft.

Hale News ...

A large party of bear hunters left for the Upper Peninsula Friday for a week of hunting.
William Glendon, a long time resident of this town, was found lying on the floor of his home Friday night, seriously ill. He became steadily worse and was taken to Tawas Hospital Sunday afternoon where he passed away Monday afternoon of pneumonia.
Elmer McGirr received word that his oldest son, Cecil, of Arizona had been bitten by a rattlesnake and was in serious condition. He has responded to treatment and is nearing the time when he can return to his teaching.
Mrs. Ross Bernard returned last week from a two-month visit with her daughter in Flint and relatives in Ohio.
Mrs. Anna Peters is on the sick list.
Mrs. Paul Deubner is able to be out again after a long illness.

Tawas City Garden Club

The Tawas City Garden Club met at the home of Mrs. Delbert Albertson Tuesday afternoon. Twenty-three members and two visitors were present.
In the absence of the president, Mrs. Annie Metcalf was in charge. After the business session a report of the Tawas Area Community Council was given by Mrs. Walter Schuhmacher, touching on the vice through the use of wrong comics by youth.
Roll call response was "My favorite perennial." Flash items on gardening were presented by Mrs. Walter Schuster. She also conducted a flash game to acquaint the members with proper names of flowers. Mrs. R. Atkinson talked on putting the garden to sleep.
Table flower arrangement was by Mrs. Harry Goodale, Mrs. Albert Howitson and Mrs. William Leslie. A snack tray with light refreshments was served at the close of the meeting.

State Police Arrest 11,784 During August

Michigan State Police made 11,784 arrests in August, of which 10,629 were for traffic offenses. The figures do not include 482 juveniles, of whom 234 faced traffic violation charges.
Troopers made 20,331 property and 2,900 liquor inspections. Total mileage traveled in all departmental activities was 1,081,049.
There were 10,938 sets of fingerprints received, 4,852 of them non-criminal. Checking of fingerprints of 916 persons seeking permits to carry concealed weapons revealed that 74 had criminal records.

Community Council Met With Mrs. Schuhmacher

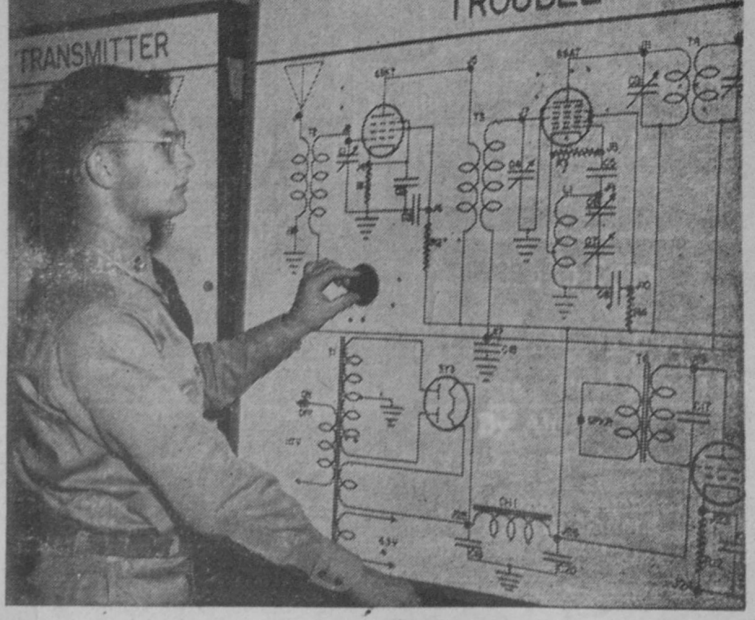

The membership committee of the Tawas Area Community Council held its monthly meeting, Thursday evening, September 29, at the home of the chairman, Mrs. Walter Schuhmacher. All members including the Rev. Charles Mercer, William Lyon, Mrs. Nita Grear, Mrs. Marvin Davenport, Mrs. Schuhmacher and the council's president, Frank Wilkusi, were present.
The purpose of the meeting was to bring the membership list up to date and to add several new clubs or organizations to the council.
Since this month's meeting is open to the public, the committee will mail cards to each delegate urging him or her to bring several other persons to the meeting thus getting the importance of the community council to all the people of the area.

Social Security Facts Explained in Booklet

"How Social Security Covers Farmers," a booklet recently issued by the Social Security Administration, explains in easy-to-understand language the rights and obligations of farm people under the social security law, according to Paul M. Ellifritz, manager of the Bay City Social Security Office.
The booklet is intended to help a farmer determine whether he is employed or self-employed, especially in relation to the farming of land leased on a cash rental or share of the crop basis. A section of the publication is devoted to income reporting requirements for self-employment farm income and the paying of the social security tax will be a part of the federal income tax return for 1955 which is due April 15 of the coming year.
Anyone can get a free copy of the booklet at the Bay City Social Security Office, 210 Federal Building, Bay City, Michigan.

Largest class in the school is the seventh grade with 46 students enrolled and the smallest is the 11th grade with 20 members.
There will be no school Friday, October 7, as the teachers will be attending teachers' institute at Mt. Pleasant that day.

NAMED HONOR STUDENT AT ARMY RADIO SCHOOL

Pvt. George R. Nagy, son of Mr. and Mrs. Joseph Nagy of Tawas City, was named honor graduate of the Artillery Radio Maintenance Course which he recently finished at the Artillery and Guided Missile School, Fort Sill, Oklahoma.
Private Nagy finished the 16-week course, which trains men in the maintenance and operation of radio equipment as used by army units, on September 23.
A graduate of Bay City Junior College, Private Nagy entered the army in January 1955. He has been assigned to Europe.

Army Pfc. George D. Revord, son of Mr. and Mrs. Charles Revord, Turner, recently was transferred from Fort Meade, Maryland, to Fort Eustis, Virginia, with the 763rd Transportation Railway Shop Battalion.

The battalion, which will provide maintenance for the army's railway equipment at Fort Eustis, received on-the-job training in the shops of the Baltimore and Ohio Railroad while at Fort Meade.
Revord, who was a farmer in civilian life, entered the army in May 1953 and completed basic training at Camp Chaffee, Arkansas.
His wife, Gladys, and son, Gordon, also live in Turner.

the Snapshot Guild

Mirror pictures are easy to make, nice to have, and fun to show and impress your friends.

It's Almost Like Seeing Double

Yes, when you picture your subject reflected in a mirror, it's almost like seeing double... but it also can give you a very striking and effective snapshot.

Mirror pictures are for the most amateur photographers—using the simplest of equipment, as well as for the professionals who are well aware of the effectiveness of this technique.

A simple camera with flash attachment enables you to take these pictures. There are only two things which you have to keep in mind that don't apply to other pictures.

First of all, be sure that neither your camera nor the flash is reflected in the mirror. Secondly,

when you figure the distance, you add that between camera and mirror to that between subject and mirror.

This means that if you have a camera that won't let you shoot a picture closer than six feet—and your subject looks best posed a foot from the mirror, you will keep the camera five feet from the mirror. That's all there is to it.

Find a pretty mirror, a good subject, and take camera in hand to make some snapshots that are "different" and make a terrific impression on people who aren't "in the know."

—John Van Guilder

"Hot Flashes Stopped" or strikingly relieved

in 63-80% of cases in doctors' tests

If you're miserable from the "hot flashes" and accompanying irritable, restless feelings of "change of life"—you may be suffering unnecessarily!

For... in tests by doctors... Lydia Pinkham's Compound and Tablets brought relief from such functionally-caused suffering to 63% and 80% (respectively) of the women tested! Complete or striking relief!

Yes! Research has proved these medicines thoroughly modern in action... has shown you where to look for relief from those distressing, nervous, "out of sorts" feelings of mid-life "change."

So... get Lydia E. Pinkham's Vegetable Compound—or new improved Tablets with added iron! (Wonderful, too, for the functional pains of menstrual periods.)

It acts through a woman's sympathetic nervous system to relieve distress of those awful "heat waves"!

Mrs. Ruckle to Present Book Review Thursday

The Baptist Women's Missionary Society will meet on Thursday, October 13, at 2:00 p. m. at the church in Tawas City. Mrs. Archie Ruckle will give a book review on "The Indian American" which is the Home Mission Study theme for this year. Also, a color movie, "Morning Star," depicting the life of sheep herders in Arizona, will be shown as part of the program. Mrs. Roy DePotty will have the devotions. Refreshments will be served following the program.

East Tawas Garden Club

Mrs. Harvey Watson was hostess to the East Tawas Garden Club last Monday. The ladies spent the day at her cottage on North Lake at Glennie arriving at 10 o'clock in the morning and enjoying a pot-luck luncheon at noon. The afternoon was spent with a hike over the country side and games following.

Hemlock News

The neighborhood was grieved to hear of the death of Mrs. William Densted. She had been ill for a number of years. The community extends sympathy to the family.

Everyone was pleased to have the Rev. Charles Mercer in the pulpit again Sunday. He and his family were on vacation for a month.

Mr. and Mrs. Kenneth Herriman and family of Melvindale, Mr. and Mrs. Donald Webb and small daughter of Bay City spent the week-end with their parents. Mr. and Mrs. Fred Pfahl and Mr. and Mrs. Earl Herriman.

Quite a number from here attended the funeral at the St. James Church at Whittemore Friday morning for Mrs. William Densted. Interment was in Hale cemetery.

The Friendship 4-H Club had an oldtime dance at Grant Township Hall Saturday evening with music by Anschutz. Mrs. Yaeger of Sand Lake is driving a new Buick car.

Mr. and Mrs. Victor Herriman spent Saturday in Bay City. Callers on Harvey McIvor and his mother, Mrs. Clara Smith, Saturday were Mrs. Elizabeth Miller, Mrs. Walter Miller and children and Mr. and Mrs. Phillip Watts. Sunday callers were Mr. and Mrs. Charles Miller of Alabaster and Paul Brown.

Mrs. Walter Miller spent a few days last week in Detroit. Mr. and Mrs. Glenn Biggs spent Sunday evening with Mr. and Mrs. Lester Biggs.

Hale Health Council Holds Year's First Meeting

Hale Health Council held a meeting in September after a two-month vacation. Eleven organizations were represented. The medical aid fund shows a balance of \$87.75, realized from bake sales. Anyone wishing to contribute to this fund can do so by contacting Mrs. Elmer Graves, president.

Nothing further has been learned concerning buying an oxygen tent which is badly needed in the area. The fire department has loaned its equipment but it only serves the purpose for a short period. A home nursing course has been discussed for the area. Anyone interested should contact Mrs. Attwell. This course will be given as a day course to instructors and as a night course later on. Courses will begin in January.

Any group not represented at the previous meeting is urged to attend the October meeting which will be held Tuesday, October 13, at 1:30 p. m. at the community building.

Organizations are asked to have both their delegate and alternate at the October meeting as an election of officers will be held. If representatives are unable to attend, two other members should be selected to take their places.

LOOK AT ALL THE CHECKERED FLAGS CHEVROLET'S COLLECTED!

Great Features back up Chevrolet Performance: Body by Fisher—Ball-Race Steering—Outrigger Rear Springs—Anti-Dive Braking—12-Volt Electrical System—Nine Engine-Drive Choices.

Let's translate these Chevrolet victories into your kind of driving. You've got to have faster acceleration to win on the tracks. And that means safer passing on the highways. You've got to have better springing and suspension. Again, safer and happier motoring for you. You've got to have big brakes that act fast and smooth... and easy, accurate steering. More things that make your driving safer. But it's more fun to try these things out than just to talk about them. So come in and let's take a ride.

Every checkered flag signals a Chevrolet victory in official 1955 stock car competition—not only against its own field but against many American and foreign high-priced cars, too!

Calendar—
Thursday, October 6—Isoco Artificial Breeders Cooperative Board of Directors meeting, 8:00 p. m. conference room, Federal Building, East Tawas, William Herriman, Lyle Long, James McCloud, Julius Anderson, Warren Britt, George Waters and Joseph Barnes. First board member present gets \$10.
Wednesday, October 12—Brucellosis, Whittemore High School adult class, 8:00-10:00 p. m., "Your Days are Numbered."
Thursday, October 20—Hereford Calf Sale at West Branch. Here's the place to get some of these herd replacements.
Tuesday, October 25—Lamb pool at West Branch, all sheep raisers are invited to come see the operation, bring lambs if you desire.
Tuesday, November 8—Lamb pool.
November 15-18—I will be ill at that time. I will be back on the job Monday, November 21.

seedings of red clover. Alfalfa must have an established stand before you can use MCP on it, otherwise you'll probably lose the alfalfa. Clover seems to be tougher.
The treatment will have to be repeated in the fall of 1956, to make sure yellow rocket doesn't make a return visit the following year, is the advice of Boyd Churchill, crops specialist at Michigan State University.
Be sure to use the amine form of MCP. The ester form is too strong for legumes.

I see some of Isoco County farmers are having trouble with downy brome in their clover and alfalfa fields. Right now is the time to eliminate the grassy weed that some call Michigan wild oats. It can be done with dalapon.

Two to four pounds of dalapon powder mixed in 20 gallons of water to cover an acre will do the job. The lower rate should be used on a new seeding.

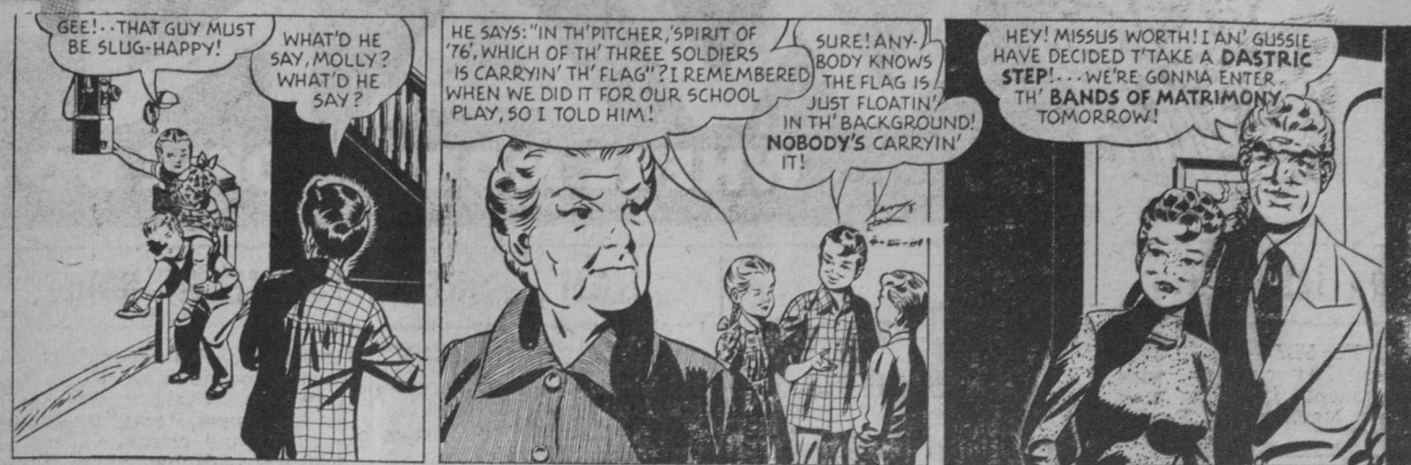

Downy brome is one of the worst pests on the farm, according to Grigsby, specialist at Michigan State University. Livestock do not like to eat it and the seeds of the plant stick to sheep's wool.

Michigan State University sprays fence rows as well as legume fields to eliminate the pest.

Brucellosis in Michigan can be eliminated. Promising results of a brucellosis eradication program over several years have convinced program leaders the state can be freed of the disease.

Complete eradication of the disease means teamwork between educational and regulatory parts of the program, according to George Parsons, extension dairyman at Michigan State University. "We have

MARY WORTH'S FAMILY

KERRY DRAKE

never been able to legislate a disease out of existence," he says.
There are four important things people need to know about the disease and its prob-

lems: How the cows pick up the disease, what it does to her, how it escapes from infected cows and gets into others and how it gets from one herd to the other. Complete understanding of these problems and wise use of calf-hood vaccination along with constant re-testing will be needed to achieve the goal of a brucellosis-free state.
Here are the facts learned from the long-time testing. A continuous program of retesting cattle for brucellosis will reduce the amount of infection.
If the periods between retests are unusually long the infection rate will increase.
Sufficient funds must be available to operate the program. Laws are to protect and aid people in their fight against brucellosis. And finally, there must be a continuous education program in high schools, youth organizations, farmer meetings and organizations and colleges and universities.

Wednesday, October 19—District Home Demonstration Rally at West Branch.

It's a brand new home demonstration group in Wilber community this week, 13 women were present for the organization meeting and another six or seven have said, "count me in."

Officers elected are: Mrs. John Newberry, chairman; Mrs. Hershil Hyzer, vice chairman; Mrs. Lawrence Trevelyan, secretary; Mrs. Harry Krueger, reporter; Mrs. Walter LaFave, recreation chairman. One leader, Mrs. Norman Howarth, was selected.
For each lesson a second leader will be chosen. Hilda Howarth will be the leader for October's lesson, "Good Taste in Dress."

Second Tuesdays were decided upon as meeting evenings and 7:30 p. m. the time to begin. The October meeting will be on the 11th at the Hyzer home.

Is there a home demonstration group in your community? If not, why not? Can we help make it possible for one to be organized? Call FO 2-3751 for information.

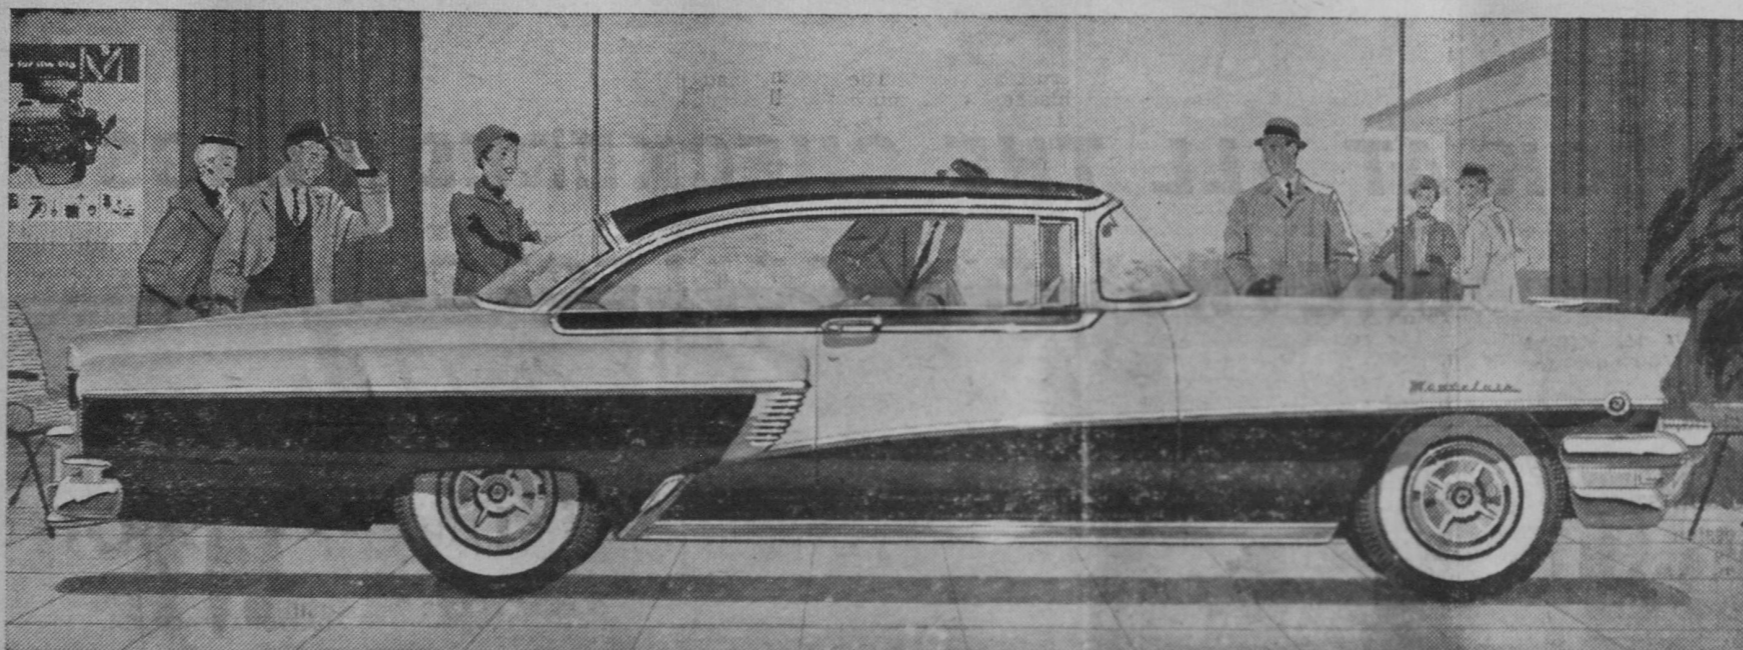

This year's District Home Demonstration rally is to be held at the Episcopal parish house in West Branch on Wednesday, October 19. The hours will be from 10 o'clock until 3, with a noon pot-luck dinner.

Miss Louise Carpenter will be the speaker. Miss Carpenter is a counselor of foreign students on the campus at Michigan State University. She has made wide acquaintances with young men and women from many countries. Not long ago she had an opportunity to visit some of these students in their home countries. Her talk will be titled, "A Midwestern American Looks at Asia," and she will have with her a collection of articles brought back from countries visited.

Rally day is a time of fellowship, fun and program to enjoy and remember. Talk to others, get together a carload from your group and be there October 19.

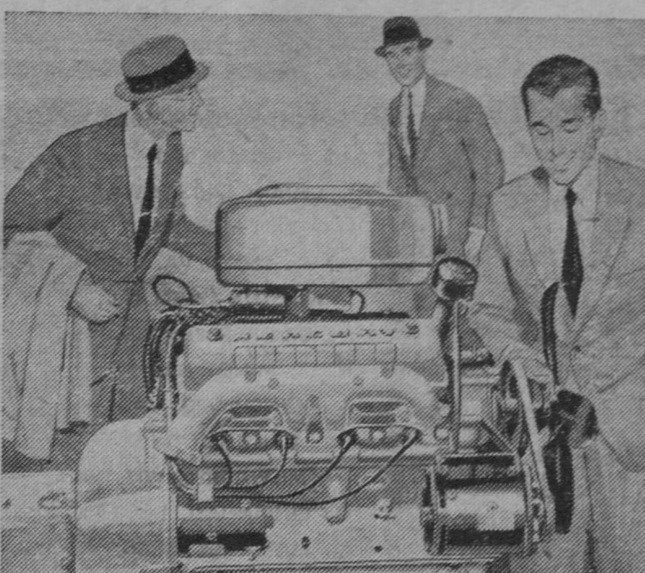

Mrs. Arthur Freel, who lives in the Townline community, and I were visiting the other day and she showed me the picture she has mounted and framed using information learned from the lesson, "Pictures in the Home," studied last spring. The frame is one that may be called old-fashioned as to style, but it is lovely in texture and color with the Japanese picture in it. Her daughter liked the frame and her son had sent the picture from Japan. Putting them together results in a particular pleasure for Mrs. Freel.

August Traffic Toll Worst on Record

Michigan's traffic death toll of 213 in August was the worst fatality record for any month since before Pearl Harbor, the Michigan State Police monthly report reveals.

Not since November 1941, when 219 persons lost their lives, have so many been killed within any month on Michigan streets and highways.

The death figure, which was an increase of 47, or 28 percent, over 166 persons killed during August 1954, also continued an upward trend in Michigan's 1955 toll which was interrupted only during February and July.

Injuries increased 19 percent, or from 4,698 to 5,614, over August of last year, while accidents rose 15 percent from 13,786 to 15,702.

Deaths were up in both rural and urban areas as were injuries and total reported accidents. However, rural areas showed the sharpest percentage increases compared with August 1954 and accounted for 79 percent of the state-wide death toll.

According to provisional figures, most of the August fatality increases resulted from "ran off roadway" type accidents.

The record for the first eight months of this year includes 1,250 persons killed, 38,299 injured and 121,128 reported accidents. Deaths are up 13 percent from 1,104 injuries increased nine percent from 35,029 and accidents gained three percent from 117,075.

MOTHBALL YOUR OUTBOARD FOR WINTER

Before you retire your outboard motor to the mothball fleet for the winter, there are a number of things you can do which will prolong its life and lessen your make-ready chores in the spring.

If you can't take your motor to an authorized outboard service shop for winterizing, you can do the job at home by following these suggestions from one of the leading manufacturers of outboard motors.

1. Place your motor on a stand in an upright position. Take out the spark plugs and ground the spark plug leads. Failure to do this may result in serious damage to the coil in some engines. Pull the starter cord slowly several times to drain out any water trapped in the water pump.

2. Next drain and clean the carburetor bowl, filter bowl and fuel lines.

3. Drain built-in fuel tanks and discard the gasoline mixture since it is likely to deteriorate before spring. You can save fuel in pressure tanks if you maintain the pressure.

4. Squirt enough good grade motor oil in both cylinders to provide adequate lubrication. Don't use penetrating oil which might cause corrosion. Pull the motor over several times to distribute the oil. Utilize the old spark plugs for winter storage.

5. After replacing the motor cover, open both plugs in the lower gearcase and drain the gear lubricant. Check it carefully for traces of water which will appear in the form of bubbles in the oil. If you find numerous water bubbles, it is possible that a gasket or seal in the lower unit is leaking. Have this checked by your local authorized outboard service man.

6. Grease all external moving parts of the motor. Then go over the entire surface with a cloth soaked in gasoline and oil. This will prevent corrosion from forming on the outside of your motor during the winter.

After observing numerous cases of propellers freezing on the shaft during storage periods, one of the manufacturers suggests that the propeller be removed and the shaft cleaned and lubricated. The shear pin, if bent or worn, should be replaced.

The swivel bracket should be lubricated with a good quality oil.

Plating

(Continued from First Page)

Each batch of parts requires approximately 45 minutes to complete the entire plating process, passing through various

cleaning baths and treating solutions. There are some 18 different types of finish which the plants provides to its customers, each requiring a special process. After exhaustion of the plating solution it is piped to a treating plant where it goes through a process which removes the chemicals. Ample safeguards have been provided in the building to prevent contamination of the Tawas River by waste water from the plant. All water is processed and the acids neutralized before leaving the plant.

Among the 160 different parts plated by the plant are vice grips and industrial clamps for the Lapeer Manufacturing Company and automotive door mechanisms for Huron Products Company at Oscoda. The plant also plates various parts for the Bopp-Busch Manufacturing Company of Au Gres and Tawas City.

Tawas Plating operates a truck pick-up and delivery service to its many customers throughout Michigan.

Fund Raising Campaign to be Held October 11

"Dawn to Dusk" is the slogan of friends of scouting as they campaign Friday, October 11, to raise the funds necessary for the operation of the program of the Boy Scouts of America in the Paul Bunyan Council for the next fiscal year. The Tawas Kiwanis Club will lead the drive here.

General chairman of the campaign is Arthur Crawford, West Branch, and a vice president of the council. Woodland District chairman is Robert Laraway of West Branch.

The Paul Bunyan Council budget for the fiscal year November 1, 1955, to October 31, 1956, is \$29,990. Of this amount \$15,594 has been included in the approved budget of the Midland Community Fund, leaving \$14,396 to be raised in the area outside of Midland. The council is comprised of the counties of Crawford, Roscommon, Ogemaw, Isosco, Arenac, Gladwin and Midland.

Moneys collected will be used to provide services and opportunity for the 2,102 Cub Scouts and Explorers and 767 men and women leaders who are now registered in the program, as well as to develop opportunities for many of the hundreds of additional boys who are waiting to be served. Expenses cover such items as materials for organization of new units, training of leaders, camping program equipment, office services and professional field services.

Since January 1 of this year new units have been organized in the council as follows: Cub Scout Packs sponsored by Prescott P-T-A, Rose City Lions Club, Twining Civic Club and Markey Baptist Church; Roscommon Scout Troops by Au Gres Lions Club and Twining Recreation Club; and an Explorer Post by the Grayling Kiwanis Club.

Over the council as a whole about one out of four boys who are eligible are reached, but surveys show that nearly three out of four boys would like to join if the necessary funds were provided. Adequate financing will help to provide the manpower to recruit sponsors and leadership to do the job. Professional leadership in the council is given by Edwin C. Reisig, West Branch, and Arthur E. Henry, Midland. Office secretary is Mrs. Shirley Madill and part time work is done by Miss Janice Clark, Sanford. The council office is located at 128 1/2 Rodd Street, Midland.

The idea of the one day "Dawn to Dusk" campaign is to concentrate the effort and conserve the time of the local campaign chairman in follow-up.

Ford Garage Low Bidder on New Truck

The low bid of Orville Leslie and Sons on a new truck for the department of public works was accepted by the Tawas City Council Monday night. Entering bids besides the successful bidder were Ottawa Equipment Company and Arnold Bronson Motor Sales.

The low bid of \$3,896.75 was for a 1956 Ford F-700 truck with 168-horsepower engine. Delivery will be made in about two weeks.

The lone bidder for a scraper blade to be installed on the new truck, Shults Equipment Company of Ithaca, was accepted by the council. Total delivered price was \$1,555.

In other business taken up during the meeting, five building permits were approved by the council. These included two 18 Street and E. Margaret Ziehl, First and North Street, 22 by 26 concrete block garage. Estimated cost \$600.

A spokesman for a group of Tawas City businessmen, Howard Hatton, requested that the council investigate securing property for a parking lot in the downtown district. The council authorized its street committee to investigate the parking situation and work out a plan to be presented at a later meeting.

After a preliminary survey of the northwest section of the city, the street committee reported that it would be advisable for the council to open as many streets in that area as possible this fall. Principal project this fall will be the opening of North Street and E. Margaret Ziehl, Harris Avenue. Other streets in the city which are scheduled to be opened and improved are Sixth, Seventh, Eighth and Ninth Streets.

The council authorized the signing of an easement for Consumers Power Company to extend a power line from the Meadow Road to the Immaculate Heart of Mary Cemetery. The council heard a request from Miss Leona Ross of the Isosco County Library asking for a salary increase for the librarian in Tawas City. The council voted to set the librarian's salary at \$100 per month. This was an increase of \$30.

To Discuss Area Development at Grayling

The new northern Lower Peninsula Development Committee will hold its first meeting Monday, October 10, in Grayling. Invited to attend have been 12 men representing eight economic fields of Isosco and the other 28 counties of Michigan Northern Lower Peninsula.

The new committee will coordinate the efforts of the Northern Lower Peninsula communities in developing the area's economy. The committee members are:

Agriculture—Orville F. Walker, associate county agriculture agent of Kalkaska.

Land Use Planning—C. Dwight Wood, Aus-Coda Development Corporation, Oscoda. Recreation—Herbert S. Wolf, president, Grayling Sportsman Club, Grayling.

Education—Dr. Charles L. Anspach, president, Central Michigan College, Mt. Pleasant, and Les Biederman, president and general manager, Midwestern Broadcasting Company, Traverse City.

Industry—B. D. Hilty, division manager, Consumers Power Company, Traverse City, and P. M. Park, vice president, Besser Company, Alpena.

Transportation—H. A. Osterhart, general traffic manager, Gerber Products Company, Fremont, and Arthur K. Rouse, manager, Rouse Oil Company, Boyne City.

Public Relations—Glenn MacDonald, editor, Bay City Times, and Myrton M. Riggs, editor, publisher, Cheboygan Daily Tribune.

Finance—W. C. Nordell, executive vice president, Cadillac State Bank, Cadillac.

The Northern Lower Peninsula Advisory Board of the Michigan Economic Development Commission first recommended the coordinating committee after an economic study of the area. An area progress conference which met last June in Cadillac approved the recommendation and set up a nine-man organizational committee headed by Arthur E. Steinbrecher, manager of the Northern Michigan Electric Cooperative, Incorporated.

Also expected to attend the meeting are John Beukema, former Muskegon Chamber of Commerce secretary and consultant to the Northern Lower Peninsula Advisory Board; area members of the Michigan State Legislature; representatives of the Michigan Economic Development Commission, and members of the organizing committee. The Crawford County Chamber of Commerce is in charge of arrangements.

Weather

Five-day forecast beginning Tuesday, October 4.

Average temperature three to six degrees above normal. Normal high 58 degrees north, to 64 degrees south. Normal low 41 degrees north, to 45 degrees south.

Little change in temperature except briefly cooler Thursday, followed by warming until turning cooler over the week-end in northern sections.

Precipitation total one-quarter to one-half inch. Showers Wednesday and Thursday and again over the week-end.

Students Learn About Profits in Farming

Sophomores, juniors and seniors in Richard Stock's vocational agriculture classes at Tawas Area High School heard a discussion September 30 on opportunities in agriculture by Forest Strand of the Short Course Department at Michigan State.

Mr. Strand mentioned that with an increasing population in the United States, more food may be needed by 1975. If so, farming should be on a larger scale and more profitable for those who desire to farm.

At present, Mr. Strand mentioned, there is a great demand for trained farm help. Most employers desire farm help that have had farm experience plus additional agricultural training beyond high school.

For those who can not farm but want to go into related agricultural fields, Michigan State

University offers Short Course training in elevator and farm supply service, farm equipment service and sales, floriculture, landscape and nursery management and many other specialized agriculture fields. Additional information may be secured, Mr. Strand said, by contacting Mr. Stock, Tawas Area agricultural instructor; Marvin Davenport, county agent, or writing directly to the Short Course Department, Michigan State University, East Lansing, Michigan.

(Continued from page one.)
up and up, no one knows just how long the farmer can endure. The sad part is, says Mr. Yeager, there is no apparent solution to this problem. This situation, he says, was brought about by the second world war where by the farmer increased his production 70 percent to meet war needs and he has been right on producing at this high level. This has caused surpluses in most all farm goods.

After the address the crowd assembled to the basement where a lunch consisting of dairy products was served. People of the farm bureau believe more such meetings would be very beneficial. They would acquaint the urban folks not only with the so called "farm problem" but as it should be termed "everybody's problem," for the prosperity of the city lies in the buying power of the American farmer.
