Back to School for 3,180 Iosco Young People

Most Schools To Open on September 5

It will be back to school for some 3,180 Iosco County youngsters of school age when classrooms open next Wednesday after a three-month vacation period.

County School Superintendent Russell A. Rollin said Wednesday morning that attendance totals in county schools will again take a substantial increase this year.

According to Mr. Rollin, this year's total number of students is 33 more than last year. He said this increase had been anticipated since early last spring and had been a normal trend in recent years.

Meantime, principals and office workers are registering students at the various schools in the county while school custodians are busy putting the finishing touches on classrooms, buildings and equipment in preparation for the annual opening.

Local businessmen, too, are in readiness for the opening of school. Back to school sales are featured this week in The Tawas Herald by several retail merchants.

Students to Register Wednesday and Thursday at Tawas Area

All pupils through grade eight, and high school grades nine and 10, will start to school on Wednesday, September 5, at Tawas Area. Opening day for these students will only be half-day sessions.

Parents of kindergarten youngsters may take their children home after registering Wednesday morning.

Grades 11 and 12 will report to school for a full day's session on Thursday. It will also be a full day of school for grade students. Ninth and 10th graders will not report on Thursday but will come back Friday for the start of full day sessions.

Ernest W. Jordan, high school principal, said Tuesday that it appears that there will be about 400 or more high school students enrolled this year.

Superintendent Rollin said school registration is going along smoothly and that most of the students would be registered before opening day.

During the past week, bus routes have been scheduled and supervised. Re-roland Mick said that only one change has been made. The former Meadow Road-Townline bus will become two separate routes, thereby relieving the M-55 route to some extent.

New courses offered at Tawas Area this year will be guidance for ninth graders, a teacher for further guidance work with high school pupils, vocational agriculture and library.

Whittemore School to Open September 4

School will start at Whittemore Area on Tuesday, September 4. Principal Aaron Manwaring is now registering students from 9:00 to 12:00 o'clock every week-day until school starts.

Superintendent John Halbert said that a letter will be sent to parents regarding bus routes, time school will close and information pertaining to other school matters.

Wednesday Will Be First Full Day at Hale Area School

Schedules for Hale Area School buses will be planned to arrive at school at 9:30 a. m. Tuesday, September 4. Buses will leave school for the day at 12:10 o'clock to return the students to their homes.

No child should be brought a (See SCHOOL, page 8.)

IOSCO DEMOCRATS NAME TWO NEW COMMITTEE MEMBERS

Two new members were elected to the Iosco County Democratic Committee at the annual convention held Wednesday night at the Iosco County Building.

The vice chairman, Mrs. Mary Hull of Oscoda, replaces Mrs. Archie Graham of Whittemore and Walter Schumacher of Tawas City was elected treasurer, taking the position from Mayor E. J. Williams of Whittemore.

Registration Chairman Edward Vaughan of Oscoda predicted an 11 percent increase in the Iosco County Democratic votes this fall. Vaughan cited Oscoda and AuSable Townships for outstanding work in the registrations of their voters.

Wilbur C. Roach of Tawas City was re-elected chairman. Roach was unable to attend the meeting because of his annual two-week tour with the air force as a jet pilot.

Elected as delegates to the state convention at Grand Rapids were Edward Vaughan and Thomas McGinnis of Foote Site. Democratic candidate for county treasurer, Alternates were Wilbur Roach and Donald Watson of Tawas City.

A resolution of approval for the president and vice president choices of the Democratic party for the fall election and the excellent work of the Democratic state officers was adopted by the group.

Expect 25 Canoes In AuSable Race

A new champion is assured in the 10th annual Michigan Canoe Marathon down the famous AuSable River to Oscoda this Saturday and Sunday since Bernie Fowler and Donald Feldhauser of Grayling, champions of the last three years, will not compete.

An expected 25 canoes will embark from Grayling Saturday night and will race non-stop down the 240-mile course in quest of more than \$2,000 in cash prizes, medals and the coveted Marston trophies.

Among sporting events in the county, the Michigan Marathon is considered one of the toughest tests of endurance and sporting skill. Of the 25 starters last year, 15 finished.

The race is jointly sponsored by the Oscoda-AuSable and Crawford County Chambers of Commerce along with the East Michigan (See MARATHON, page 8.)

60 BRAVES' CANDIDATES TURN OUT THIS WEEK FOR FALL FOOTBALL PRACTICE

It was work, work and more work as the Tawas Area Braves buckled down in pre-season conditioning exercises and practice under Howard J. Adams, new football coach at Tawas Area High School.

Beginning with the first practice session Monday morning of this week, Coach Adams had his charges undergoing strenuous blocking, tackling and conditioning exercises.

Assisted by William H. McIntosh and Thomas Pinkowski, Adams plans to have the Braves in top physical condition before the season opener with Houghton Lake on September 14.

This fall will be the first season in the Northeastern Michigan Conference for the Braves. Other teams in the loop include, besides Houghton Lake, Arenac Eastern, West Branch and Beaverton. The Braves will also meet Oscoda in a non-league tilt.

Sixty candidates turned out for the first sessions. The varsity squad, now with a total of 30 players, will be pared down to 22 by the time season starts. The remainder of the players will go to the junior varsity squad, which has seven games scheduled this year. The JV's will play the day before scheduled varsity games.

Explaining fundamentals of blocking to members of his squad, who showed up for the first day of practice, is Coach Adams. Flanking the head football coach at Tawas Area in the bottom photo is McIntosh (left) and Pinkowski (right) as they discuss training procedures to be followed during the pre-season workouts. Both Adams and McIntosh are new members of the school staff this year.—Tawas Herald Photo.

Indies Run Win Streak to Seven Straight

Blasting out a total of 23 hits, including four home runs, the Tawas City Indies ran its victory streak to seven straight wins by taking both ends of a double header against Mikado last Sunday.

The Indies' string of wins, which began July 15, saw victories over Oscoda, two from Harrisville, and single games from Hale and Lincoln. The team's season record now stands at nine wins and three losses.

Sunday's hitting barrage by the locals was one of the heaviest ever displayed by a Tawas City team. It included two home runs by Jerry Grack and one each by "Casey" Cavell and Russ Anschuetz. Grack led his mates by connecting for three singles to give him five hits in nine trips to the plate.

Mikado also staged a display of power in the plate with J. Everett connecting for two home runs. The losers had a total of 17 hits in the two games.

Receiving credit for the victories were Don Westcott in the first game and Mern Warner in the second game. This was the former's fifth straight win of the season.

After Frayer led off the bottom half of the first inning with a home run and one more run scored on two singles, Westcott settled down to limit Mikado to one remaining run in the game.

While the big righthander was having trouble on the mound during the first few innings, his mates were finding it equally as tough to solve the slants of Good, pitcher for Mikado.

After the Mikado pitcher threw six batters in a row, Ed Anschuetz singled after two men were out in the third inning. Lorenz followed with a walk. Cavell then blasted a three-run homer to take the lead.

Mikado tied the game again in the bottom of the third inning. Tawas City scored what was to be the winning run in the fifth inning when Westcott walked, Ed Anschuetz filed out and Lorenz singled to drive in a run.

Other priests taking part were Father Henry DuRusell, Father Charles Mahoney, Father Henry Eicholt, Father Sturmowski, Father Robert Neuman, Father Michael Maher and Father Sydenward.

The program ended with Benediction of the Most Blessed Sacrament in Thanksgiving.

The new church is expected to be completed in November or December of this year. Formal dedication will be held in August of 1957.

Former Tawas Boy Now Successful Horse Trainer

An interesting story about a former Hemlock Road boy, Jack Austin Allen, 35, son of Mr. and Mrs. Austin Allen, now of McVior, appeared in a recent issue of The Cleveland (Ohio) Plain Dealer.

According to the article, Allen has been a farm boy, side show rider, jockey and miner, but now is confining operations to training thoroughbred racing horses.

He is currently dispatching his Double L Farm horses in pursuit of Randall Park (Ohio) purses and doing all right. Prior to that he was successful at the Thistle Down course, where he won eight races, finished second five times, third twice and gained fourth money four times in 32 efforts.

His Coliseo captured Randall's Inaugural Handicap at a healthy 25 to one and Jack calls that his greatest thrill at the track. His other candidates at Randall are Philip's Pal, Jafran, War Whirl (See ALLEN, page 8.)

Half-Year License Plates On Sale September 1

George A. Prescott, branch manager, secretary of state department, announced today that half-year automobile license plates will go on sale September 1.

No immediate conclusion could be drawn from the hearings. The legislators stressed that they would report their findings back at Lansing. A complete transcript

Tawas Delegation Attends Thumb Hearing

After two days of hearings with officials at Tawas and Port Austin, a special Michigan legislative committee left yesterday (Wednesday) with findings gathered concerning a proposed Saginaw Bay ferry service between Port Austin in the "Thumb" and Tawas.

First meeting of the committee was held at Port Austin Tuesday morning and the concluding session was held at East Tawas Wednesday morning.

Principal reason for the hearings was for the purpose of gathering information pertaining to the possible use of state-owned ferries, now in use at the Straits of Mackinac, after the new bridge is completed.

The committee also conducted similar hearing at Frankfort to determine the feasibility of a state-operated ferry service across Lake Michigan.

IN COLORFUL CEREMONIES SUNDAY, the cornerstone for the new Immaculate Heart of Mary Church was put in place. Shown above is the Right Rev. Msgr. John L. Sonefeld of Saginaw, the Rev. Fr. Sturmowski of St. Joseph Church and the Rev. Fr. Charles Mahoney of Saginaw. An estimated crowd of 1,000 persons attended the ceremonies.—Tawas Herald Photo.

More Than 1,000 Witness Cornerstone Ceremonies

Proud parishioners of Immaculate Heart of Mary Church and many residents of the Tawas area were on hand Sunday afternoon to watch the Right Rev. Msgr. John L. Sonefeld officiate at cornerstone laying ceremonies for the new \$180,000 Catholic church. Located on US-23 in Tawas City, the new church overlooks Tawas Bay.

In centuries-old ceremonies, the Saginaw Diocese vicar general officiated at rituals which began with a procession to the new church. An honor guard from the Bay City Council No. 414, Knights of Columbus, added color to the occasion.

Following the cornerstone laying ceremonies, those present heard a talk by Father George Artman of Gladwin and comments by Monsignor Sonefeld. This part of the program took place inside the church.

Other priests taking part were Father Henry DuRusell, Father Charles Mahoney, Father Henry Eicholt, Father Sturmowski, Father Robert Neuman, Father Michael Maher and Father Sydenward.

The program ended with Benediction of the Most Blessed Sacrament in Thanksgiving.

The new supervisor purchased property in Whitney Township 12 years ago and had been a week-end resident there until his retirement.

Mr. and Mrs. William Leslie and family of Reed City spent several days with their parents, the C. C. Harwoods of East Tawas and the William Leslies of Tawas City.

Solons Hear Support of Thumb-Tawas Bay Ferry

After two days of hearings with officials at Tawas and Port Austin, a special Michigan legislative committee left yesterday (Wednesday) with findings gathered concerning a proposed Saginaw Bay ferry service between Port Austin in the "Thumb" and Tawas.

The committee also conducted similar hearing at Frankfort to determine the feasibility of a state-operated ferry service across Lake Michigan.

Legislators who attended the Thumb and Tawas were State Representatives George Dunn of Pigeon, Harold Hungerford of Lansing, James Goulette, chairman of Iron Mountain, and James Mielock of Whittemore. Representatives C. E. Boyer and Louis Mezano were not able to attend the meetings.

Also in attendance were Mayor George W. Myles of Tawas City, Mayor Elmer Werth of East Tawas and a large group of Tawas businessmen.

No immediate conclusion could be drawn from the hearings. The legislators stressed that they would report their findings back at Lansing. A complete transcript

Former Tawas City ball players will again take the field Labor Day, Monday, September 2, in the annual old timer's ball game at the Tawas City athletic field. The game is scheduled to get underway at 1:30 o'clock.

Although advance preparations for the game were not made until this week, a good representation of former players is expected to be fielded against the 1956 Tawas City Independent team.

Managing the old-timers will be Harold Wegner, long-time Tawas city infielder. He will be assisted by other ex-players.

Manager Wegner, earlier this week, invited old-time baseball fans to be on hand for the game. He also urged that those "young" old-timers who wished to participate in the game should be at the ball diamond by 12:30 or 1:00 for a practice session.

Following the old timer's game, Manager Olen Herriman's Tawas City Indies will hold a practice game with another team not yet announced. This game will get underway around 2:30 o'clock.

ANNUAL REUNION—
The Townline School, district number 2, will hold its annual school reunion Saturday, September 1, at Silver Valley.

SGT. GRIMASON TO RETIRE IN OCTOBER

Sgt. Hiram Grimasom, 29-year veteran of the state police, will retire in October. Commissioner Joseph A. Childs announced this week. Grimasom, commander of the Houghton Lake post, was at one time commander of the East Tawas post. He also had commands at West Branch and Sandusky. He joined the state police May 13, 1927. He is a native of Isabella County and attended Clare High School.

For some automobile companies, the fact that a guaranteed annual program, agreed to last year, did not take effect in the first year has been a life-saver.

CHRISTIAN SCIENCE—
Man's real status as a child of God, possessing unlimited freedom and happiness, will be emphasized at Christian Science services Sunday.

Scriptural selections in the lesson-sermon entitled "Man" will include the following from Galatians (3:26, 29): "For if ye are all the children of God by faith in Christ . . . And if ye be Christ's, then are ye Abraham's seed, and heirs according to the promise."

Among the passages to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy is the following (227:24-26): "Citizens of the world, accept the 'glorious liberty of the children of God,' and be free! This is your divine right."

The Golden Text is from John (3:1): "Behold, what manner of love the Father hath bestowed on us, that we should be called the sons of God."

State Police to Use NG Troops Over Holiday

The Michigan State Police are crossing their fingers and fervently hoping that the improved traffic record since April 1 will continue over the Labor Day week-end and have made preparations to keep it that way.

They will have 922 officers on duty assisted by 217 National Guardsmen. Another 122 guardsmen will be assigned to sheriffs. Because the use of guardsmen has become the practice on holidays, they have been receiving training in traffic work at schools conducted at their armories by state police officers.

Each has also been provided with a training manual compiled from courses taught at the state police recruit school. Included are such subjects as traffic patrol procedures, accident investigation, power of arrest and courtney. The guardsmen, however, do not have the power of arrest, but may assist a state police officer in making one.

Pass days of all state police officers have been canceled from noon Friday until midnight Monday. The guardsmen will work with them during this period as the second man in a patrol car or on point control.

The department will use seven airplanes and two helicopters for traffic observation. The guard will furnish the helicopters and two planes. The other five planes will include two from the department of aeronautics, one from the conservation department and the two state police ships.

Traffic is expected to reach its peak for the year. This will be the first and only week-end holiday of the year and the last summer vacation trip for many persons. Thousands of others will be returning from vacations in time for the start of school.

State Police to Use NG Troops Over Holiday

"Contrary to the rising death toll throughout the nation, Michigan has reduced deaths in each of the last four months and so far in August as compared to the same months in 1955," said Commissioner Joseph A. Childs. "We are certainly hoping this continues."
 "Up to August 19 there were 1,031 persons killed. In the same period last year the total was 1,164. The decrease of 133 deaths is despite the fact that during January, February and March of this year there were 65 more persons killed than in the same months of 1955."

According to state police records, a total of 129 persons were killed during the last five Labor Day week-ends. The lowest number was in 1951 with 14, the highest in 1952 and 1953, when 32 died each week-end. Last year 25 were killed.

Six persons were killed on Memorial Day this year and nine on the Fourth of July. Both holidays fell on Wednesday, and the traffic was computed beginning with 6:00 p. m. Tuesday, a 30-hour period.

"Drivers should try hard to keep up the present trend," Childs said. "They should take a little longer to get there, observe

the rules of the road and watch out for other drivers. As the record shows, safety does save lives."

IOSCO FARMERS HARVEST OATS BETWEEN RAIN STORMS

IN SPITE OF A WET SUMMER, many Iosco County farmers say that the oats crop now being harvested is better than anticipated. This picture was taken last Saturday at the Theodore Anschuetz farm on M-55. His son, Russell, and Marshall Proper are shown pitching the grain into a threshing machine. Rain caused considerable delay in harvesting this year.—Tawas Herald Photo.

Speedway to Stage Final Race of Season

Final race of the 1956 season will be held at the Whittemore Speedway Saturday night, September 1. All cars that have raced at Whittemore during the 1956 season will be entitled to enter the special feature race.

Highlight of the seven event program will be a 56-lap feature race. Trophies will be awarded to the winner.

Last Saturday night two cars were demolished and stock car racing fans saw four roll-overs in an exciting night of races.

With 27 cars entered, Donald Armstead won the 20-lap feature race and also crossed the finish line first in the consolation race.

Heat race winners were Ed LaDuke of West Branch, K. Ewart of Rose City, Louis Tremble of Standish and Cliff Burkholder of Whittemore. Rex Zettle of West Branch won the Australian pursuit.

East Tawas Girl Injured in Accident

A 19-year-old East Tawas girl was injured in a two-car collision early Sunday morning on the Meadow Road, three miles west of US-23.

Injured and treated at Tawas Hospital was Beverly Engle. She was a passenger in a car driven by Jack Alverson of Route 2, Tawas City.

Police said that Alverson made a U-turn in the road and his car was struck by a car driven by Darrel Bessey of Route 1, Tawas City.

Morley-Lightowler

In a double ring ceremony conducted by the Rev. Warren B. Maxwell at the Methodist Church in Auburn, the former Miss Iris Lightowler, daughter of Mr. and Mrs. Arnold Lightowler of Bay City, became the bride of Thomas Morley, son of Mr. and Mrs. Harry Morley of Battle Creek, formerly of Tawas City.

White gladioli and greens graced the chancel for the candle-light service.

Given in marriage by her father, the bride chose a gown of white nylon over taffeta with lace shoulders and an Italian neckline. A Juliet cap secured her tiered veil and she carried an arrangement of white gladioli.

The bride's sister, Miss Gayle Lightowler, was maid of honor. Bridesmaids were the Misses Luanne Lightowler, another sister of the bride, and Jane Gonya.

All were attired in dresses of gold, coral and dark green crystals and carried cascade bouquets of white gladioli.

Robert Morley, brother of the bridegroom, was best man. Herbert Wendt and David Hartman seated guests and stood with the groom.

A reception was given immediately following the ceremony in the church parlors.

The couple will reside at 419 Grove Street, East Lansing, where they will continue their studies at Michigan State University prior to a belated honeymoon to Florida at Christmas time.

Oates-Patterson

At a quiet wedding in the presence of their immediate families, Dorothy Patterson and Herbert Oates were married Saturday evening at the Tawas City Methodist Church. The Rev. William A. Gregory officiated.

The bride is the daughter of Mrs. Nellie Lewis of Benson Beach and Mr. Oates is the son of Mr. and Mrs. Michael Oates of Tawas City. They were attended by Mr. and Mrs. Henry Oates.

Following their marriage Mr. and Mrs. Oates left on a wedding trip through the Upper Peninsula. They will make their home at Benson Beach.

AAA ROAD TESTS SHOW:

Blue Sunoco averages 7.67 more miles per dollar than 12 other premiums

On \$3.00 worth of Blue Sunoco, test cars were driven out of town till they ran dry. They couldn't get back on \$3.00 worth of any of the other premium gasolines tested. They never got home! Blue Sunoco averaged 23.0 miles farther!

These tests were conducted by the American Automobile Association in 6 cities under normal city-country driving conditions—using typical drivers in late model high-compression cars whose manufacturers recommend a premium gasoline.

Results of tests confirm, once again, the fact that Blue Sunoco is America's greatest gasoline value. Why not take advantage of it—get more miles for your gasoline dollar? Stop in at your neighborhood Sunoco dealer's today, and try a tankful of Blue Sunoco.

It's the gasoline that meets today's new higher premium octane standards and sells at regular gas price.

THURSDAY NIGHT CHURCH LEAGUE SOFTBALL

Thursday, August 23—Immaculate Heart 10, St. Joseph's 5. Immaculate Heart jumped off to a four run lead in the first inning and were never behind as they won their third game in seven starts. The lone high spot for St. Joseph's was a grand slam home run by Bob Elliott in the fourth inning. This was the only scoring for the losers as they dropped their second game in seven starts. After getting a late start, Baptist and Lutheran called their game after four innings with the score tied 4-4.

TOO REALISTIC

Twice a week Lt. Thomas Logan of the Oklahoma City, Oklahoma, fire department delivers safety lectures at the city airport. Recently, while advising on what to do in case of heart attack, a passenger suffered an attack in the waiting room. Then, just a few days later, while Logan was speaking, a refrigerator gas tank exploded in the basement of the airport. His subject that time was, "Expanding gases and the danger of explosion."

Sticker Candidate Lacks Sufficient Votes

Clayton Dishong of Lincoln, "sticker" candidate for the Democratic nomination for state senator, 28th district, received only 389 votes in the August primary election. The state board of canvassers ruled that this was short of the 15 percent required to be on the November general election ballot. Senator Charles T. Pres-

LIKE THROWING MONEY AWAY!

Ever get a good bargain at the grocery and have it spoil before you could use it? Don't blame the grocer. It's the fault of your old style refrigerator that couldn't keep foods fresh more than a day or two. With a wonderful new Two-Zone Refrigerator-Freezer you can bake and cook ahead for any occasion, and your freezer will safely keep your meals, lunches or snacks until you want them.

AND FOR PRESENT AND FUTURE NEEDS YOUR HOME REQUIRES "HOUSEPOWER"

Due to out-of-date wiring methods, 78% of American homes have inefficient Housepower. Therefore, many homeowners cannot buy or use all the convenient electrical appliances they want. To insure modern electrical living, be sure your home is properly wired to bring you full "HOUSEPOWER." Have your wiring checked today, and . . .

Farmers Come Under New Labor Laws

When the new fall school term opens in September, every commercial farmer and grower whose products move in interstate commerce directly or indirectly, will become subject to the child-labor provisions of the Federal Labor Standards Act.

The complete change in the legal status of employment of children in agriculture the day local schools open was explained here today by William S. Singley, regional director of the United States Labor Department's wage and hour division for Ohio and Michigan.

This law exempts growers of agriculture and horticultural products from its \$1 minimum wage and overtime provisions, but it specifically prohibits employment of children under 16 years of age in agricultural occupations during hours school is in session in the school district in which they reside while working," Mr. Singley said.

"In other words, children of any age may be employed on the farm by the grower in the planting, cultivating, harvesting or handling of agricultural products during vacation periods, on weekends and before and after school. The grower may use his own children in agricultural work at any time and at any age on his own farm."

"Please note the fact that these are federal restrictions. Each of the 48 states now has a child-labor law of its own. Growers should consult with state officers, local school attendance officials or study these laws to determine their provisions. When the state child-labor standards are higher than those of the federal law, the state law should be observed," Mr. Singley said.

The federal regulations require that each grower subject to it have on file for each employee under 18 a record showing his full name, date of birth, the home address and the local address if the minors are employed on days when school is in session.

Mr. Singley emphasized that the federal law applies to all children, whether they reside in the area or are members of migrant worker families. Also that the grower himself is held liable for any violations even though the under-age children were hired and paid by a labor contractor or processor or others.

Tuesday, September 4—"Getting Your Calorie's Worth" training school for home demonstration group leaders.

Monday, September 10—Home Demonstration Council Meeting.

Arrival of September is a sure sign fall is coming . . . time to get the children ready for school . . . canning and freezing to do . . . and sure enough there will be a home demonstration meeting or two in the offing.

Seven groups chose to postpone the lesson, "Getting Your Calorie's Worth," until early fall.

First groups to need this lesson for September meetings are Tawas Homemakers and South Mills. Their regular meeting dates are September 6 and 7. Plans are underway to teach the lesson for leaders on Tuesday, September 4.

How about your joining a home demonstration group during September? If you are not now a member, talk with someone who is or call me and we will see to it there is an opportunity for you to enjoy membership this year in Iosco County's professional organization of homemakers.

Most groups begin their home demonstration activities in September and that makes it the logical month to join or form a group. Your participation, beginning now, will be enjoyed by you and by us. Let us hear from you today.

Last week it was suggested you try frozen raspberry jam and directions were provided. Since then we have come across another recipe which is a little different. Try each and make your choice as to the best results. For three cups of crushed fruit add six cups of sugar, stir occasionally to dissolve. This will take 20 minutes or more. In the meantime stir a package of powdered pectin into one cup of water, bring to a boil and boil one minute, stirring continuously. Remove from heat, add fruit mixture and stir to blend. Pour into jars, leaving plenty of headspace for freezing. Let stand until it jells about 48 hours. Paraffin is recommended. Freeze to store.

If you have left-over corn-on-the-cob, here is another recipe for it. Squaw corn will delight the children. Fry six slices of bacon. Drain off all but two tablespoons of fat. Chop bacon, add one cup of corn and six beaten eggs. Stir until set. Add one cup of whole pitted olives and it is ready to serve.

Want to get a washer or dryer? Have questions about the laundry equipment you already own? Then you will want to attend the electric automatic washer-dryer meeting to be held in Midland on September 20. Attendance will be limited to the capacity of the UMWA Hall, so it will be wise for you to call your Cooperative Extension Service office and ask for a reservation. In fact, cooperative transportation will be arranged for those who want to go. Here is the program:

9:00 a. m.—Viewing of equipment exhibits.

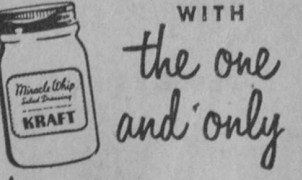

9:30 to 11:30 a. m.—Planning the laundry area, equipment selection, hot water supply, wiring and waste water disposal will be discussed by Lucile Ketchum, Coral Morris, Donald Brown and Robert Maddox from Michigan State University.

11:30 a. m.—Water conditioning equipment and quality water discussion by Margaret Dowdy, Dow Chemical Company home economist.

Afternoon—Discussion of detergents, bleaches, package water conditioners, and the washing action of all machines displayed. All during the day various machines will be in operation. Closing the program will be an opportunity for questions from the audience.

Let us know if you would like to attend this event with us. Phone FOrest 2-3751.

Calendar—

Wednesday, September 5—Everett Elwood in county to visit farm account cooperators.

Monday, September 10—Photography contest, 8:00 p. m., conference room, Federal Building, sponsored by Soil Conservation District board of directors.

Thursday, September 20—Northeastern Michigan Hereford Calf Association yearling sale at West Branch.

Tuesday, September 25—"Forest Tree Tour" at Lumbermen's Monument, 1:00 to 4:00 p. m.

Tuesday, October 2—Lamb, ram and ewe day at railroad yards in West Branch, 9:00 to 3:00 p. m.

Tuesday, October 2—Iosco County Farm Bureau annual meeting, Hale, 8:00 p. m.

At the recent Northeastern Michigan Hereford Calf Association sale, plans were laid for Thursday, September 20, yearling sale. The Iosco County beef raisers present elected their directors for the board that included: Howard Mott, Elmer Britt, John Dooley, Martin Siegrist and William White. The membership present re-elected Senator Charles T. Prescott its president; Ward Small of Curran, vice president; James Miocok, secretary-manager; Harold Hodgins, assistant secretary-manager, and Willard Crandall, treasurer.

Wilton Finley, our beef specialist from Michigan State University, spoke to the 35 members present about some of their problems, including Brucellosis control.

Mr. Finley also stated that some of our beef raisers were slipping in not dehorning the cattle for the sale. Buyers are interested in dehorned cattle.

Other Iosco beef raisers attending included: Lloyd Murray, Lester Robinson, Charles Timreck, George Lake, Neil Ranger, Earl Daugharty, George Burt and Marshall Smith.

It is hard to believe this year is on its way out. It has been a tough one on the farmers. Haying has not been extended over a season for a good many years, as it has been in 1956.

The weather brought on many problems and one recognized by farmers and other land owners is this business of weed control. Our board of supervisors and the road commission have recognized this problem and are studying a possible plan for controlling weed control along roadsides. But it takes more than just one group of folks to do the job—it takes everyone!

Farmers and other land owners, road commissions, townships and counties need to cooperatively study this problem. Weeds are a

Wherever you go this summer, there'll be plenty of picture inspiration at every turn. Vacation trips can take you to museums, historic churches and distinguished old houses. And from places such as these your camera can help you bring back a fine picture of an art treasure, a picturesque steeple, a gracious old doorway or a huge Colonial brick fireplace. Remember, any of these can express your own personal message of "peace on earth, good will to men" attractively and in a most dramatic way.
If it's a landscape that catches your fancy, you can assure a memorable picture by studying it in your viewfinder and selecting a small section of it carefully. Concentrate on a big tree, or a curving hill, a stream winding through the valley, or an inlet in the shore line. If there's just too much for one view, plan on dividing the scene. Take several shots, concentrating on one main feature of the landscape in each picture.
So we say—whatever the subject and whatever the scene—keep your Christmas card in mind when you do your summer snapshotting.

STATE OF MICHIGAN
The Probate Court for the County of Isoco.
In the Matter of the Estate of Theresa J. Hicks, Deceased.
At a session of said Court, held on August 22, 1956.
Present, Honorable H. Read Smith, Judge of Probate.
Notice is hereby given, That the petition of Florence E. Condrine praying that the most individual, the most personal Christmas card is a photographic one.
Wherever you go this summer, there'll be plenty of picture inspiration at every turn. Vacation trips can take you to museums, historic churches and distinguished old houses. And from places such as these your camera can help you bring back a fine picture of an art treasure, a picturesque steeple, a gracious old doorway or a huge Colonial brick fireplace. Remember, any of these can express your own personal message of "peace on earth, good will to men" attractively and in a most dramatic way.

the Snapshot Guild

It's a summery picture, but that doesn't mean a shot like this isn't just right for your family Christmas card.

DO YOUR CHRISTMAS SHOOTING EARLY

Though the calendar tells us Christmas is still months away, our suggestion to you today is to do your Christmas shooting early!
That's because summer is a snapshotting season that just naturally abounds in opportunities for excellent pictures. The places you visit on weekends or longer vacation trips, the pleasures of outdoor living and leisure hours, the children at play—any and all of these may give you an outstanding shot that could easily make a distinctive photographic greeting for you and the family to send out next Christmas.
We think practically everyone would agree that the most individual, the most personal Christmas card is a photographic one.

Congressman Cederberg Opens Bay City Office

Congressman Elford A. Cederberg has announced that the district office for the 10th Congressional District will be opened for the fall in Bay City beginning Tuesday, September 4.
The office is located in Room 303 Federal Building, Bay City, and the telephone number is Twinbrook 3-7014.
Congressman Cederberg said a part of his staff will be in the Bay City office and part in the Washington office to assure complete service to the district as possible during the time congress is not in session. He said the office will be open from 9:00 a. m. to noon and 1:00 p. m. to 4:30 p. m., Monday through Friday.
In addition to meeting constituents in the district office, Congressman Cederberg has announced that he will again visit every county seat in the 14 counties of the district, making himself available at the courthouses on a designated date to discuss with local residents any problems or questions they have related to the federal government or legislation before the congress.

ADOPT NEW SEWER APPLICATION FORMS

New application forms for sanitary sewer service connections were adopted by the Tawas City Water Board at its meeting Monday night.

The form outlines new regulations which were formulated by the board. Applications are also governed by Ordinance No. 91 which regulates the use of sanitary sewers, installation and construction.

According to the new form, the city will not be responsible for restoring headwalls, lights, signs or any other improvements which are on the state highway or city street right of way.

The full cost of construction of sanitary sewers. The water board also sent a recommendation to the city council to issue a negotiable note for \$6,500 to the sewer department to pay off debts accumulated in construction of a new sewer line along Harris Avenue.

This debt by the sewer department was brought about through the construction of a main to the city limits, where the line was extended by the Tawas Area Board of Education to the new school.

A reputation for "knowing" is easily obtained—just keep talking.

HALE LEADS LEAGUE: LINCOLN PROTESTS HOMER

According to league standings compiled by Keith Jung, secretary, Tuesday night, Hale leads the Huron Shore Baseball League with a 10-win, one-loss record.

Lincoln is in second place with a 9-2 record, while Tawas City and Black River are tied for third with identical records of 3-3.

Jung said that the standings did not include the Tawas-Lincoln game of two weeks ago, which Tawas won 2-0, because of a protest lodged by Lincoln. The game between Hale and Lincoln, won by Lincoln 6-5, was protested earlier this season and will be replayed at a later date.

The protest over the Tawas-Lincoln game was reviewed at a special meeting of the league's board of directors last night (Wednesday). The dispute arose over the calling of a play in which a Tawas City player had a foot on the base.

The umpire-in-chief (Lincoln's) of that game allowed the run to score and Tawas City went on to win.

Allen (Continued from page 1.) Martial Song, Black Bikini and Double Devil. Philip's Pal caught Allen's attention at the New Orleans Fair Grounds last winter and he claimed him for \$3,000. A real pal he's been, too, with earnings of more than \$7,500 for the new owner.

When Jack was 16 he left home to barnstorm around the country as a trick rider. At 17 he rode his first fair in Texas.

He continued as jockey until 1954, when the problem of weight finally forced him from the saddle. Allen performed through Kentucky, Ohio, New England, Chicago, New Mexico, Arkansas, Texas, California and Canada.

In 1941, Jack left the track temporarily while in California to work in a gold mine. This lasted until one day he "was lost in the blackest black he ever has known" after his carbide lamp burned out.

He turned to training horses in 1954 and saddled his first winner in March 1955 at Oaklawn Park, Hot Springs, Arkansas.

Jack's interest in horses, thoroughbred racing especially, comes naturally. His father, Austin Allen, is well remembered around here as a jockey at the old Jasco County Fair Grounds. Jack had his first ride on a horse at the tender age of six months, when his father held him in the saddle.

NEW LAW PROVIDES FOR CAR IMPOUNDING

According to a statement by Sheriff Ivan O'Farrell this week, cars can be impounded under a law which went into effect Sunday, August 18, if they are used by minors in possession of alcoholic beverages.

The law states that "no person under the age of 21 years shall purchase or knowingly possess, transport or have under his control in any motor vehicle any alcoholic liquor."

Following a conviction for the offense, the law provides that the arresting officer, or his supervisor, can file a complaint with the court within 30 days to have the vehicle impounded for not less than 15 days nor more than 30 days.

Regarding the impounding, the law states: "The court order authorizing the impounding of a motor vehicle shall authorize any peace officer to take possession without other process of said car wherever located and to store same in a public or private garage at the risk and expense of the owner of said vehicle."

If the car is owned by a non-resident of Michigan, the provisions of the act will be serviced through the secretary of state. The final provision of the law is as follows: "Any person who shall knowingly transport or possess any motor vehicle for the purpose of avoiding the provisions of this act, shall be guilty of misdemeanor."

Indies (Continued from page 1.) to turn the game into a complete rout. Six runs crossed the plate for the locals in the ninth inning.

In the second game, which was shortened to seven innings, Tawas lost no time in taking command by scoring five times. After Ludvig reached first base on an error to lead off, Cavell singled, Grack, who slammed a three-run homer. After Heriman and Youngs were in the field out, Ludwig walked. Russ Anschuetz then connected for a home run and two more runs scored.

In the second inning Tawas City scored three runs on singles by Lorenz and Grack, a walk to Youngs and an infield error. The final run for the locals came in the third inning on two hits and an error.

In the second game Warner limited Mikado to seven scattered hits, besting Silverthorn and Crofoot, who shared mound chores for the losers. A third inning wild streak cost the Tawas City twirler one run and a home run by Everett, with one man aboard, brought in Mikado's final two runs of the game. Warner was relieved by Look in the seventh inning.

This Sunday will be an off-day for the Tawas City Indies. Arrangements were to be made with Wurtsmith Air Force Base for a makeup game, but due to Labor Day holiday this game will be played at a later date.
