Barber and Mielock Winners

Light Vote Cast in Iosco County During Primary

With little or no campaign activity on the part of the few contesting candidates, Tuesday's primary election brought out only a small portion of the registered voters in Iosco County.

Another drawback for a large farmer vote was the fact that Tuesday was one of the four or five dry haying and wheat harvesting days since the season started in June. Apparently the farmers spent the day in the hay and wheat fields. Only a small percentage of city voters showed up at the polls.

Approximately 1,720 ballots were cast by Iosco County voters. Divided between the two parties, the vote was 1,417 Republican and 301 Democratic.

William R. Barber defeated Reginald J. Barnett for prosecuting attorney by a vote of 939 to 476. This was the only contested nomination for county office. Barber is candidate for a second term.

James P. Mielock, seeking the Republican nomination for a second term as representative in the state legislature for the Alpena district, defeated Walter V. Weinkauff of Alpena. The vote was Mielock 2,846; Weinkauff 1,497. The vote in the county, Mielock 1,101; Weinkauff 227.

Thirteen hundred fifty-four votes were cast for governor in Iosco County. William J. Keey received 962 votes and Donald S. Leonard 392.

Dale Vaughan of Oscoda, Democratic candidate for the nomination for 10th district congressman, received a vote of 184. His competitor, William J. Keey of Bay City, received 101 votes.

In the contested spot in the Democratic ticket for the nomination for member of the legislature, Alpena district, William S. McGurn received 141 votes and John E. Norkowski received 100. Both men are from Alpena.

Uncontested nominations were: Republican—Clarence A. Reid, lieutenant governor; Elford A. Cederberg, representative in congress, 10th district; Charles E. Prescott, state senator, 23rd district; Ivan O'Farrell, sheriff; George A. Prescott, county clerk; Grace L. Miller, county treasurer; Albert H. Buch, register of deeds; Richard Elliott, drain commissioner; E. D. Jacques and E. John Moffatt, coroners; Carl R. Small, county surveyor.

Democratic—G. Mennen Williams, governor; Philip A. Hart, lieutenant governor, and Thomas McGinnis, county treasurer.

Iosco Republicans, Democrats Issue Biennial Convention Calls

Iosco County convention calls were issued this week by the county Republican and Democratic committees.

The Republican convention will be held Wednesday, August 13, and the Democratic convention, Wednesday, August 22. Both conventions will be held at the court house starting at 8:00 p. m. Delegates for these conventions were selected by ballot at Tuesday's primary election.

Delegates will be selected at these two conventions to attend state party conventions to be held at Grand Rapids. The Democratic state convention will convene Friday, August 24. The Republican state convention will meet Saturday, September 1.

Candidates for state offices not selected by primary election will be nominated at these two conventions. The offices are: Secretary of state, state treasurer, auditor general, attorney general, two justices of the supreme court and 20 presidential electors.

SS WESTERN STATES GETS 'NEW LOOK'

PAINTERS ARE BUSY on the SS Western States giving the big ship a face lifting. Painting of the big ship is under the direction of Walter Nelson (center) of Tawas City. The crew working on the ship numbers 38 persons.—Tawas Herald Photo.

The SS Western States, berthed at the Tawas City Park dock, is gradually taking on a new look in its rebirth as a resort center as busy crews of painters swarm over the entire ship.

Sherman Rosen, one of the owners who purchased the 362-foot-long former Great Lakes pleasure cruiser from the Detroit and Cleveland Navigation Company just three weeks ago, said Tuesday that work is going along on schedule and expects that they will open for business in a few weeks.

Although the amount of paint required to cover the ship could not be accurately estimated, Mr. Rosen said that several hundreds of gallons would be used before the job is completed.

The superstructure is being painted colonial buff while the hull will be painted a contrasting color of royal blue. The crew aboard the big ship now numbers 38 persons.

Painters have completed work on the new dining room-dance hall on the ship's main deck. Work is progressing well on the galley and other sections of the ship's interior. The new owners are utilizing materials from two other ships which they purchased recently from the D. and C. in the complete renovation of the old SS Western States. Shore connections are being made this week with the municipal water supply of Tawas City and sewer mains are expected to be completed in the near future.

Mr. Rosen said that between 100 and 125 rooms would be ready when it is open for business. Describing the ship as a resort center instead of hotel or motel, he said that activities aboard the ship would include dining and dancing. The uppermost part of the ship will be utilized as a sun deck. Members of the Tawas City Park Board and city council were guests of the new owners during a tour of the ship last Wednesday night.

LP Gas Escapes From Fuelgas Storage Tank

Helpless workers could only stand by and watch as 10,000 gallons of liquefied petroleum gas vanished into thin air Monday morning at Fuelgas Company of the Tawas bulk plant in this city. A broken pipe was finally capped by workmen shortly after noon, saving gas which remained in the tank.

The accident occurred when a company employee backed a bulk tank truck away from the storage tank without disconnecting a filler line pipe. The pipe snapped off at the top of the tank and the liquefied gas, under about 120 pounds pressure, escaped.

As the liquid gas escaped into the air it expanded to form a white stream of vapor, which at one time reached about 100 feet in height above the company's storage tank. The tank was about 60 percent full when the pipe broke off.

After an unsuccessful attempt to close the break the Tawas City Fire Department was called to stand by in case of fire. Police officers were stationed along US-23 to caution motorists not to smoke in the area.

Edwin Habermehl, manager of the local plant, said Tuesday that much of the gas was saved by pumping directly to smaller storage tanks and tank-trucks.

Sawyer and Gildersleeve won Oscoda Canoe Classic. The veteran Oscoda canoe team of Ralph Sawyer and Tom Gildersleeve won the First Annual Oscoda Canoe Classic down the AuSable River last Sunday. Nineteen two-man teams were entered.

Sawyer and Gildersleeve completed the course from Five Channels Dam to Oscoda in an elapsed time of three hours and 48 minutes. For their efforts they won first place prize money of \$200.

In second place was Steve Kolonich and his son, Gary, of Tawas City, who won a \$50 cash prize.

Third place was won by a second Oscoda team comprised of Tom Halero, 18, and Dick Brohl, 18, with the accompanying \$50 in prize money.

An estimated 2,000 spectators watched the river contest, which started at 11 o'clock Sunday morning and finished a 2:48 o'clock in the afternoon.

NEW RESCUE EQUIPMENT TO BE DISPLAYED SUNDAY

The Plainfield Township Fire Department will display its new water rescue equipment at a picnic scheduled to be held Sunday afternoon, August 12, at the Railway Park on the AuSable River. The public is invited to attend.

Plainfield's fire department recently acquired the equipment, which includes a boat, motor trailer, life jacket, aqua lung and drag.

A lunch of barbecued beef and coffee will be furnished by the department. The balance of the lunch will be pot-luck.

Water battles, greased pig contests, races and other contests for the children will feature a full afternoon of entertainment.

GRAYLING MEN LOSE FIGHT TO SHERIFF'S 'BILLY' CLUB SUNDAY

Five Grayling men were arrested by Iosco County sheriff's officers Sunday night after a wild fight in an Oscoda restaurant in which three of them were subdued with night sticks.

Two of the men, Charles Gierka, 29, and Fritz Golinick, 27, paid a fine of \$50 and costs of \$4.50 on charges of drunk and disorderly in justice court.

The other three men, Delbert Case, 30; Eugene Case, 27, and James Kitchen, 23, plead guilty to charges of assault and battery and will appear in court this week.

The arrest of the five men came about when Sheriff Ivan L. O'Farrell was called to Sie and Gert's Restaurant in Oscoda in answer to a call from Deputies Henry Hoppe and Vern Amy.

Questioning the owner of the restaurant, the sheriff learned that the men had been creating a disturbance in the restaurant, which was filled with customers at the time. O'Farrell said the men were intoxicated.

After the men refused to leave, O'Farrell took one of the subjects, Kitchen, by the arm and proceeded to take him out to the patrol car. Before getting him there, however, it was necessary to handcuff him.

When the sheriff returned to the restaurant, the four other men were battling with the two deputies. Several tables were tipped over and dishes broken on the floor.

The fight ended when the sheriff hit two of the men on the head with a wooden club. Kitchen ran back into the restaurant and attempted to join in the fight, only to go down from a blow to the head.

Further investigation by the officers revealed that the men were reported to have been disorderly along the AuSable River from Five Channels Dam to Oscoda during the canoe race. They are alleged to have tried to pick a fight with several of the contestants.

Tawas Kiwanis Club Wins Team Golf Toga

Tawas Kiwanis Club golfers won the team trophy in the Division 13 annual golf tournament at West Branch Tuesday, nosing out other teams from Bay City, Midland, Standish, Harrison, Clare, Oscoda and West Branch.

Members of the local Kiwanis Club team were Herbert Ritzler, E. D. Jacques, Edward Rima, Cecil Cable and Gordon Huck.

These members, along with George Myles, club president, and Albert H. Buch, treasurer, attended the district lieutenant governor nominating dinner which followed.

Charles Kurtzrock Resigns Deputy Sheriff Post

Charles Kurtzrock, deputy sheriff for the past three years, has resigned. He was succeeded by Eugene Ballinger of Wilber Township. Deputy Sheriff Ballinger has recently returned home from serving in the security branch of the United States Army.

Wurtsmith's departing commander is from Durham, North Carolina. He attended Durham High School and is an alumnus of Duke University, entering the military service from there in 1941.

Col. Taylor Leaves Soon for Iceland

Colonel Ralph G. Taylor Jr., 36, commander of Wurtsmith Air Force Base for the past 19 months, will leave Wurtsmith on August 17 for an overseas assignment to Iceland, it was announced today by Brigadier General Benjamin J. Webster, 30th Air Division commander. Colonel Taylor will assume command of the Air Force Operational Forces in Iceland.

In a change of command on Friday, August 17, Colonel Taylor will turn his command over to Colonel Thomas Wilson,

who is presently assigned to 30th Air Division Headquarters at Willow Run Air Force Station, Belleville.

Wurtsmith Air Force Base is charged with the air defense of the Michigan industrial area. It is one of the key air defense bases in the Eastern Air Defense Force.

Colonel Taylor came to Wurtsmith in January 1955 after serving two years as deputy for operations of the 4708th Air Defense Wing which was headquartered at Selfridge Air Force Base.

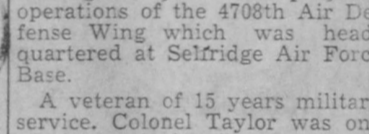

A veteran of 15 years military service, Colonel Taylor was one of the nation's first aces in World War II. He served in North Africa and Italy as a fighter squadron commander and destroyed 13 enemy aircraft.

He returned to Germany in 1946 where he served as a fighter squadron and group commander until 1950. He was then assigned the duties as director of operations and training at Headquarters, Ninth Air Force.

He also served in the Korean conflict as deputy for operations for the famed Fourth Fighter Wing.

Colonel Taylor has earned the Legion of Merit, the Distinguished Flying Cross, the Soldier's Medal, the Air Medal with 15 oak leaf clusters and two Presidential Citations.

Wurtsmith's departing commander is from Durham, North Carolina. He attended Durham High School and is an alumnus of Duke University, entering the military service from there in 1941.

FIRE DESTROYED BEMENT SAW MILL ON M-55 LAST FRIDAY

ONLY TWISTED METAL ROOFING and debris remains of the Bement sawmill on M-55 in Tawas City after fire consumed the main mill section last Friday morning. A huge pile of sawdust and one building is all that was left standing.—Tawas Herald Photo.

Fire of undetermined origin swept through the main mill section of the Bement sawmill in Tawas City last Friday morning. Firemen battled to save one building which remained and to keep the flames from spreading to nearby homes and piles of lumber in the mill yard.

By the time firemen reached the scene the blaze was out of control. Firemen battled to save one building which remained and to keep the flames from spreading to nearby homes and piles of lumber in the mill yard.

Fire Chief Fred Musolf was overcome by smoke and heat and was treated at home by his family physician. He was able to return to work the following day.

The plant manufactured wood pallets and was engaged in custom lumber operations. Ten men were employed at the mill at the time of the fire. The crew numbered 25 at times.

Earl BeMont, owner of the mill, said this week that no future plans had been made at yet.

### Christian Science

How Christ healed sickness and discord of every kind will be set forth at Christian Science Services Sunday.

The Master's reply to the messengers of John the Baptist will be included in the Scriptural readings in the lesson-sermon entitled "Soul" (Luke 7:22): "Then Jesus answering said unto them, go your way, and tell John what things ye have seen and heard, how that the blind see, the lame walk, the lepers are cleansed, the deaf hear, the dead are raised, to the poor the gospel is preached."

Among the correlative selections to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy is the following (210:11-16): "Knowing that Soul and its attributes were forever manifested through man, the Master healed the sick, gave sight to the blind, hearing to the deaf, feet to the lame, thus bringing to light the scientific action of the divine Mind on human minds and bodies and giving a better understanding of soul and salvation."

On August 14, 1900, an army of 8,000 American, British, French, German and Japanese troops captured Peking, the Chinese capital. This sounds interesting in 1956, when it would probably take several hundred times that number of troops to do the job. This, however, was the time of the Boxers, who were committing outrages against foreign representatives in Peking.

## FREEZING SCHOOL LUNCHES AHEAD...

## MEANS 30 MORE MINUTES IN BED!

### A REFRIGERATOR-FREEZER Means More Leisure and Less Work

Mothers, how would you like to sleep an extra 20 or 30 minutes in the morning? You probably could if you didn't have to fix school lunches for the children—or for Dad. If you had a combination Freezer-Refrigerator you could prepare lunches days in advance. On a week-end you could make, in a few minutes, enough sandwiches for a week or two and store them in your freezer section. Baked goods and even complete meals can be stored in the same manner. An old-fashioned refrigerator just wasn't designed to give you such convenience.

A two-zone Refrigerator-Freezer is economical, too, because you can buy food in season, in quantity, when the price is right.

Lt. Col. Frank Everest, chief of flight test at Edwards Air Force Base, California, (shown above by the Bell X-2) set a speed mark of more than 1,900 miles an hour in the X-2 rocket plane. The present world record is 1,150 mph, set by a British airplane. Everest's speed cannot be entered as a new world record because the flight was of short duration, was not clocked by official timers, and the plane was carried aloft by a bomber and released at high altitude.

Sometimes it takes a long time for us county agents to answer your requests for bulletins. Willton Finley wrote a letter on October 31, 1947, to Michigan State University asking for a bulletin on earth worms. I received it nine years later!

If the patient person who made the request will kindly let me know his name (or his heirs) I will be glad to forward the bulletin.

Some of you folks who have waited six months for an answer from me, please be patient. We still have 6 1/2 years to go to beat that record! I am sending the original letter written by Mr. Finley to him.

Have box elder bugs paid you a visit yet? Hang out your well-coming card containing a mixture of lindane and nicotine sulfate. It is the best bet to control box elder bugs.

The insecticide mixture must be sprayed on the bugs to be effective; and do not spray the material on the house because it will harm paint.

The mixture is made by using a tablespoon of 25 percent lindane powder and two teaspoons of 40 percent nicotine sulfate per gallon of water. It will kill the bugs if it is sprayed directly on them. They are found in large concentrations in the yard.

The bugs are merely a nuisance. They do no damage.

This is a good time to get rid of those ants and spiders around the house before they get inside.

Extension Entomologist Ray James of Michigan State University says you can put insecticide powder in an inch band around the foundation to keep out the pests. The wettable powder of benzene hexachloride at six percent strength is recommended or the 25 percent lindane, or the 10 percent chlordane. There should be enough applied to whiten the ground.

You can spread the material on any hills near the foundation to make sure there is no trouble later on.

How about a summer seeding of alfalfa? Isoco farmers have asked me that since they were not able to get in their acreage of oats seeded.

**Feels Even Better than He Looks!**

Ever notice how a man looks when he takes the wheel of his new Cadillac and heads for his favorite highway?

Take a good look the next time you have a chance—and we think you'll see a happy man!

There's just no mistaking the pride and satisfaction that show in his face... or the happiness and contentment that reside in his heart.

And, as any experienced Cadillac owner can testify, he feels every bit as wonderful as he looks! For a journey in the "car of cars" is both a marvelous tonic for the spirit... and a wonderful opportunity for physical rest and relaxation.

It starts the instant he slips into the driver's seat and rests his hands on the wheel. Those deep, soft cushions hold him in perfect comfort... and he is surrounded by beauty and luxury.

Even before he sets the car in motion, some of life's care and worry seem to go out of his day.

And then comes the miracle of Cadillac performance. It's an inspiration just to sit at the wheel... to look out over that graceful hood... and to watch the miles flow gracefully by.

And how easy it all is. Just a gesture of his hand on the steering wheel and the car follows effortlessly and obediently. Just a touch of his toe to the accelerator and the car answers instantly to the command. Just a nudge of his foot on the braking pedal and the car comes to a smooth, safe, silken stop.

Sound wonderful? Well, we sincerely urge you to come in at your first convenience—spend an hour at the wheel—and see for yourself.

We'll be happy to give you the keys... and the car... and some wonderful news about the cost and delivery advantages that you will enjoy if you make your decision for Cadillac today.

Why not stop in and see us soon?

Burleigh News

The South Mills Home Demonstration Group met Friday evening with Mrs. E. Currie. Two members, Mrs. Nelson Provoast and Mrs. Harold Siegrist, reported that they would attend camp at Hardwood Lake Wednesday and Thursday of this week. The wishing wells, which were started at the last meeting, were finished except for the shellac. The next meeting will be September 7 with Mrs. Henry Siegrist.

Mrs. William Barnum was hostess Friday evening to a group of relatives, who celebrated the 73rd birthday of Henry Provoast.

The Siegrist family held their annual reunion Sunday at the Siegrist park.

Mrs. Marge Blakely entertained a few neighbors at a brush party at her home Friday evening.

Mrs. George Machulis and family of Bay City spent the past week with the Siegrist families.

The William Provoast family vacationed in Wisconsin last week.

Miss Carol Runyan has employment in West Branch.

Mr. and Mrs. James Woreley of Flint, who are vacationing at Houghton Lake, spent Wednesday with Mrs. Mabel Colvin.

Mr. and Mrs. Nelson Provoast spent Tuesday with relatives at Houghton Lake.

Albert Ross of Flint, who is working on the Consumers Power Company plant at the National Gypsum plant, spent Sunday evening with the Orville Beller family.

Mrs. George Gawne and mother, Mrs. Charles McLean, are spending a few days in Detroit.

Mrs. Clarence Provoast spent Wednesday in Bay City.

Mr. and Mrs. Victor St. James and Mrs. Mary Bowlsby were called to Port Huron Friday by the death of a relative.

A. B. Schneider and Clifford St. James were at Prescott and Sterling Sunday.

FORMER LAIDLAWVILLE RESIDENT DIED TUESDAY

Edward Lavern Kelly passed away Tuesday morning at his home at Forest Glen Beach. At one time a resident of Laidlawville, he had been a summer resident at Forest Glen Beach for many years.

He is survived by his wife, the former Esther Lindholm; a daughter, Jacqueline Soder of Owosso, and a sister, Uneta M. Ross of Detroit.

Funeral services will be held Friday at the Moffatt Funeral Home with the Rev. Ralph Edwards officiating. Burial will be in the Cottage Cemetery near Mt. Morris.

He was born May 12, 1897, and was a member of Drexel Lodge, F and AM, Chicago.

Statistics show that a fatal accident is occurring somewhere in the United States every few minutes during every day of the year. This does not mean much, expressed in these words, but when it comes nearer home and involves a member of your own family, it is a tragedy beyond the power of words to describe.

Home accidents rate surprisingly high on the list of fatal mishaps in the United States. We are all well aware of the terrible toll taken on the highways, but accidents in bathrooms, on staircases, with electricity, involving heat and cooking, and especially the simple are of walking (stumbling and falling) take a huge toll of lives each year.

There is no method of accurately forecasting the future, but the past, if carefully studied, will give you more than a haphazard view.

Thirty-six incorrigible prisoners, swinging 10-pound sledges, broke their legs in protest against work conditions at the State Rock Quarry Prison in Buford, Georgia. State Director of Correction Jack Forrester, who hurried out to the "Little Alcatraz" of the Georgia penal system, demonstrates how prisoners broke their legs. The state government has begun an investigation of this occurrence; however, the rebellious prisoners will receive extended sentences for their acts.

Engagement Announced

Mr. and Mrs. M. J. Sterken of Houston, Texas, announce the engagement of their daughter, Jo Ellen, to Orville E. McDonald Jr., son of Mr. and Mrs. O. E. McDonald Sr. of Tawas City. The wedding has been set for September 15 at the Broadmoor Christian Church in Houston. The couple will reside in Houston where Mr. McDonald will start his studies at the University of Houston.

New Brownie Troop Has Busy Season

The Brownie Lone Troop 2 has had a busy season. The troop was formed in April and has 16 girls and two leaders.

The troop consists of Cheryl Reckman, Donna LaBelle, Janet Grimes, Jo Ann Grimes, Mary Francis Beaubien, Cecile Nelson, Linda Cross, Caroline Rice, Kathy Roach, Sherry Ruppert, Jerry Lu Ruppert, Bonnie Libka, Phyllis Bouchard, Judy Lee and Lois Mallon. Leaders are Mrs. Vernon Beaubien and Mrs. Roxy Willhite.

Lynn Willhite flew up to the Girl Scouts and Debora Mark came into the Brownsies.

The girls made May Day baskets for patients at the Huron Rest Home. They planted seeds in little decorated flower pots for Mother's Day. Fathers were given decorated ash trays for their day.

The girls enjoyed a skating party at the roller skating rink. The troop had a float in the Fourth of July parade. Their sponsors from the auxiliary of the VFW joined them on the float.

The Brownsies made paper flowers. One was chosen to be sent to Mrs. Marion Schmalz, who had her leg amputated.

This is picnic season and the Brownsies held a wiener roast in Ruppert's back yard.

August 1 the troop was shown through Nelkie's Dairy. Edward Nelkie was a very gracious host. He explained everything in detail to the youngsters and treated them to ice cream.

The troop meets each Wednesday in the LDS Church. Each meeting has a hostess who serves cupcakes or cookies.

Lake Huron continued its seasonal rise during July and is believed to have reached the summer high last month with a level of 580.52 feet above the mean tide at New York, corps of engineers statistics showed this week.

The Huron-Michigan level, however, was down from the July 1955 figure of 581.37 and was also below the average July figure of 581.13.

St. Pius X Altar Society Elects New Officers

Election of officers was held at the August meeting of St. Pius X Altar Society. Elected for the coming year were: President, Mrs. Richard Brindley; vice president, Mrs. Clarence Brindley; secretary, Mrs. Stanley Sheltenbarger; treasurer, Mrs. Buster Dean. Past president, Mrs. John Wallace, was presented with a rosary from the members.

Luncheon was served by Mrs. Richard Harvey and Mrs. Dean.

Reno School Holds Reunion

The Reno School reunion and picnic was held Sunday at the High Roll Ways with about 60 former pupils present. Lester Robinson, president, presided over the business meeting. All the same officers were retained in office for the coming year.

Mrs. Roy Charters was in charge of the program and opened the program with a poem dedicated to the deceased members. Mrs. William Leslie gave a brief history of her school years.

Mrs. Belle Earhart gave a short talk on her work as a teacher in the school. Three readings and poems were given by Mrs. Ella Vance of Cass City, the former Ella Kirkpatrick. This was followed by a short quiz by Mrs. John Earhart.

The oldest pupil present was Alex Robinson. The youngest pupil present was Patty Charters and the pupils coming the greatest distance were Mr. and Mrs. Ralph Anderson of Clawson. All received a gift.

The program closed by singing "God Be With You Until We Meet Again."

Two former teachers, Mrs. John Earhart and Mrs. Russell, were present. This reunion was organized in 1937 when about four families met at the High Roll Ways for a school reunion and each year the attendance has been growing. It was voted to hold the reunion on the first Sunday in August and at the same place in 1957.

Pupils were present from Clawson, Saginaw, West Branch, Flint, Twining, East Tawas, Tawas City and Prescott.

In AAA Road Tests:

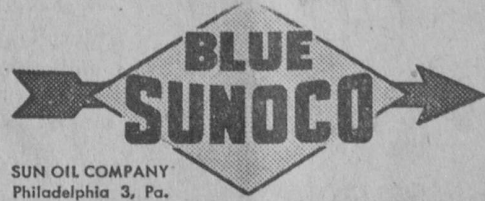

Blue Sunoco averages 7.67 more miles per dollar than 12 other premiums

On \$3.00 worth of Blue Sunoco, test cars were driven till they ran dry. They couldn't get back on \$3.00 worth of any other premium gasoline tested. They never got home! Blue Sunoco averaged 23.0 miles farther!

These tests were conducted by the AAA in 6 cities under normal city-country driving conditions—using typical drivers in late model high-compression cars whose manufacturers recommend a premium gasoline.

Results of tests confirm, once again, a fact that is already well-known by thousands of users of Blue Sunoco—the fact that Blue Sunoco is America's greatest gasoline value. Why not take advantage of it—get more miles for your gasoline dollar? Stop in at your neighborhood Sunoco dealer today, and try a tankful of Blue Sunoco!

Regional Library Offers Free Film Service to Clubs

The Iosco-Arenac Regional Library Board has renewed its film contract with Michigan State University for another year. This service will provide four films each month and another two films for the week the films are in transit.

The library will loan the films free of charge to any organization wishing to use the films for its programs. All films are for 16 mm projectors and are from 10 to 30 minutes in length.

During the past year the films were used by 152 organizations and were viewed by 9,790 people. The films for 1956-57 were selected by librarians of the 16 libraries participating in the film program. The selections were made primarily for the use of adult groups. Program chairmen for men's and women's clubs, P-TA, church groups, fraternal and civic organizations in the two counties will find many fine films for their year's programs.

All films should be scheduled one month in advance whenever possible. Requests may be placed through the branch libraries or directly at headquarters office in the county building, Tawas City. Miss Arlene Leslie, assistant librarian, will have charge of all film schedules.

The following films will be available: September 2-September 30-- "Eskimo Sea Hunters," 20 minutes. Daily life of family of Eskimos in northwestern Alaska on the shores of the Arctic Ocean.

"Ti-Jean Goes Lumbering," color, 16 minutes. A French-Canadian folk tale about the fantastic exploits of a mysterious little boy who rides into a winter logging camp on a big white horse.

"Three Steps to Start," 26 minutes. Points out that by enlisting the resources of an entire town, not only the youth problem but underlying problems can be solved.

"American Farmer," color, 28 minutes. Story of a modern farmer and the changes wrought in his life because of mechanization and scientific farming.

September 30-October 7--

"News Magazine of the Screen," Volume 5, color, 14 minutes. In their 40-foot boat an American family cruises from Rochester to Montreal.

October 7-November 4-- "Great Lakes Highway of Commerce," color, 22 minutes. "Arthur Rubenstein," 29 minutes.

"Joe Turner, American," 29 minutes. Duties and responsibilities of American citizens.

"Freedom to Learn," 28 minutes. Dangers to democracy of the regimentation of teaching and of avoidance of controversial subjects.

November 4-November 11-- "Roads South," 20 minutes. South and Central America.

"Screw Drivers and Screw Jays," 10 minutes. Shows the poor driver performing feats of poor driving and points out the dangers in such driving.

November 11-December 9-- "Locks of Sault Sainte Marie," color, 30 minutes. "Homespun," color, 20 minutes. "Thursday's Children," 22 minutes.

"How to Conduct a Discussion," 25 minutes. December 9-December 16-- "News Magazine of the Screen, Main Title: This World of Our," color, 11 minutes.

ENROLLMENT--

Enrollment for grades nine through 12 at Tawas Area High School will be held August 20-24 at the principal's office in the Tawas City unit, 9:00 a. m. to 4:00 p. m.

Mr. and Mrs. Harvey Smith were Bay City callers Monday evening.

A large crowd attended the Pipesh-Draeger wedding reception at the Whittemore Community Hall in Whittemore Saturday evening.

Earl Schneider of Whittemore was a business caller in town Saturday.

Mrs. Ida Crosby was a Saturday caller at the Frank Smith home.

The shower at the Sherman Township Hall in honor of Mrs. William Nickell Jr. Wednesday evening was well attended. She was the recipient of many beautiful gifts.

Mr. and Mrs. Clifford Killingbeck and family spent the weekend at their cottage on Saginaw Bay.

There was a good crowd at the school meeting Thursday evening where the voters of the district met with the Tawas Area Board of Education to get their view on consolidation.

NINE INJURED IN FOUR CAR ACCIDENTS

Four auto accidents on Iosco County highways Sunday resulted in injuries to nine persons. Police said that although all of the injured were taken to Tawas Hospital for treatment, none were in serious condition.

One person was slightly injured early Sunday morning as the result of bad road conditions on a narrow road. The driver was treated for a sprained ankle at Tawas Hospital after the car in which he was driving had a blow out. The car went out of control in the muddy road and hit a culvert.

A Bay City driver received a summons for reckless driving after the car which he was driving rolled over Sunday afternoon on M-55. Ticketed was Robert L. Clark, 20, who is to appear before Justice A. J. Goulet on the charge. Clark and a passenger, George Wagman, 19, East Tawas, were both taken to Tawas Hospital for treatment.

Four persons were injured in a two-car crash on the Monument Road Sunday afternoon when Richard T. Makarski of Detroit, driver of one of the cars, swerved to miss a pedestrian standing on a bridge and crashed into the left front fender of a car driven by Donald S. Gosayne of Saginaw. Makarski and two passengers, Joyce and Philip Farhood, and a passenger in the other car, John Puszykowski, were all treated at Tawas Hospital.

Two persons were injured Sunday when a racing car owned by Dorcey LaBean of Standish, which was being towed behind another car, broke loose and crashed into an oncoming car on US-23 north of Oscoda. Injured were John M. Sullivan and his wife, Bea, of Flint. Mrs. Sullivan suffered a broken right leg. LaBean received a summons for defective equipment on his vehicle. One side of the hitch connecting the two cars broke loose, causing the racing car to jack-knife in the path of the other vehicle. LaBean is one of the regular Saturday night drivers at the Whittemore Speedway.

## 4-H Clubs

By Dorothy Scott  
Home Demonstration Agent

One hundred eleven young people, 60 girls and 51 boys, plus six adults filled Hardwood Lake 4-H Club Camp facilities to overflowing from Wednesday, August 1, through Saturday, August 4. Weather being what weather has been this summer, we were most fortunate in not having a bit of rain until Friday evening, but everyone reached for an extra blanket each night. Swimming was the favorite recreation. Conrad Carlson spent part of a day with the young people on tree identification. Charles Nash and Donald Phillips presented an archery demonstration as well as helped those who wanted to learn to shoot. In between times many leather belts and coin purses were assembled. Other crafts were wood finishing and kaleidoscope making. Twenty-nine girls and boys of the 111 were Isosco County 4-H Club members. Other campers were from Alcona, Oscoda, Clare and Gladwin Counties. Mrs. Esther Darling from Clare

County was a wonderful help as counselor. Helping Mr. Davenport and me to conduct camp was Reuben Kaare, 4-H Club agent from Alcona County. Friday evening's program included stunts by each of the four Indian tribes which were organized at the beginning of the camp. In addition there was a gun safety demonstration by Ronald McCormick and Peter Bolen; a good manners demonstration by Neva Daugharty, Janice Sturtevant, Lorna Mott and Shirley Smith; table setting demonstration by Lynn Waters and Jean Sugden. Instrumental solos were played by David Sturtevant and Neva Daugharty, accompanied by Mrs. Marion Daugharty. A number of Reno Topnotchers 4-H Club parents have already asked for bulletins and materials for projects being considered this fall. They examine the requirements and decide whether or not the project is suited to their teaching ability and find out whether there is interest in it among the boys and girls. It is a good idea. Perhaps other 4-H Clubs would like to copy it.

The president's committee which is studying the problems of the nation's higher education, will meet on October 5 to consider the reports of subcommittees studying various phases of the subject. The committee is headed by Devereux C. Josephs.

Harold E. Stassen renewed his current "damp-Nixon" drive with a challenge to Republican party leaders to "punish me if you wish." Speaking out for the first time since he was given a four-week leave of absence from President Eisenhower's cabinet, Stassen said that he "expected to bring down the wrath of the GOP organization leaders on his head when he called for the nomination of Governor Herter as President Eisenhower's running mate.

### Nothing takes to the road like a Chevy!

Once in a blue moon a car like this comes along—a design so advanced in performance, so beautifully balanced that it stands out above every other car on the highway. It has a solid, sure-footed way of going that makes driving safer and more pleasant on any road. And you feel a very special sense of security in its rapid-fire responsiveness to your touch on the wheel, brakes and accelerator. You can see that the '56 Chevy is a standout for style. But until you have driven one you're missing the best part of the news—the fact that Chevrolet is the smoothest, solidest, most wedded-to-the-road automobile you ever bossed. Try it and see.

### NEWS ABOUT IOSCO SERVICEMEN

One man, Kenneth D. Siegrist of Whittemore, will leave on August 7 for induction into the army, according to an announcement from Michigan Local Board No. 36, Iosco County, Selective Service System. Pavo V. I. Bloomquist has transferred to Bay City for pre-induction physical examination in August. Both of these men are volunteers.

Harvey J. Stewart, hospitalman, USN, son of Mr. and Mrs. William C. Stewart of 200 North Street, Oscoda, graduated July 12 from the Naval Hospital Corps School, Great Lakes, Illinois. Corpsmen perform medical assignments; such as, nursing, first aid, ward and operating room duties and the maintenance of medical records.

Chester L. Sprvell, electrician's mate third class, USN, son of Mrs. Frances Webb of Star Route, McIvor, is serving aboard the heavy cruiser, USS Helena, which returned to Long Beach, California, July 9 from a six-month tour as flagship of the Seventh Fleet in Far Eastern waters.

The vessel visited ports in Japan, Formosa, Okinawa, the Philippines, Iwo Jima and Hong Kong.

Pvt. Ray Beaubien Jr., whose parents live on Eleventh Avenue, Tawas City, recently began six months of active duty training at Fort Leonard Wood, Missouri, under the Reserve Forces Act. Beaubien is receiving eight weeks of basic combat training, which will be followed by advanced individual and unit training. Men volunteering for the six-month tour of active duty are permitted to finish their military obligation in local army reserves or National Guard units.

The 18-year-old soldier is a graduate of Tawas Area High School.

Specialist Third-Class Robert B. Uiman has completed a two-year paratrooper course at Fort Bragg, North Carolina, and has received his discharge. He arrived home Monday to visit his parents, Mr. and Mrs. Clayton Uiman.

The Federal Housing Administration will soon celebrate its 20th anniversary.

Sandwiched in between the women fair, 4-H Club camp, Homemakers' Camp and the necessary preparations for each has been another exacting job. The proofs for our new Iosco County plat book arrived. Checking the map plat was a little unexpected on our part, but it has been a liberal education. Every township supervisor has been contacted to help with his area. Mr. Carlson in the forest service and Mary Byrd in the ASC office also have been helping us. We aim to have every possible description correctly identified and spelled, but we suspect there will remain some errors.

Of one thing we are sure—everyone should be more careful to have his property properly and promptly recorded with correctly spelled names.

It will be Homemakers' Camp at Hardwood Lake on Wednesday and Thursday of this week for at least 47 full time campers and a number of others who will come one or the other of the days.

Campers will gather from Alcona, Oscoda, Ogemaw, Clare, Arenac and Iosco Counties for an overnight stay of fun, recreation and crafts. Nine Iosco County women will go full time and at least three others part time.

The Homemakers' Overnight Camp idea started last year when a similar number of women from the seven counties met together. They enjoyed their experience so much that a second camp has been arranged.

Activities will include flower arrangement, leather lacing, sun-burst mat making, aluminum carving, aluminum etching and potato printing. Swimming periods are hoped for, weather permitting. Last night (Wednesday) featured an outdoor chicken barbecue, movies and folk games.
