

BUSINESS DISTRICTS OF THE TAWASES took on a yuletide look this week with colored lights suspended over US-23 and Newman Street, gay Christmas wreaths beautified electric light poles and store fronts were decorated with evergreen branches and a good many Santa Claus displays. A lighted nativity scene graces the lawn in front of the Tawas City City Hall. While wide-eyed youngsters viewed toy displays, dropping hints to their own personal "Santa" now and then, the annual early rush of Christmas shoppers filtered through bright gift displays at the various stores. The pictures above were snapped at 6 o'clock last Saturday night, the one on the left showing part of the US-23 business district in Tawas City and at right is Newman Street in East Tawas. All police agencies in the area urge motorists to be particularly cautious during the month of December. Records prove that it is the most dangerous month of the year. Drivers should be alert for pedestrians while driving through business districts, especially at dusk.—TAWAS HERALD PHOTOS.

BRIEFS—

TAWAS CITY

Miss Kay Frank, student at the Northeastern School of Commerce, Bay City, spent the week-end with her parents, Mr. and Mrs. Kenneth Frank.

William Mallon was a business visitor in Muskegon and Lansing all last week.

Mrs. Clyde Stewart of Port Huron spent Thursday and Friday with her parents, Mr. and Mrs. Abram Frank.

Mrs. Leroy C. Johnson and Mrs. S. H. Klinkhamer of Pontiac were business visitors in the city the first of the week.

Mr. and Mrs. Frank Schreck and daughters have moved back to Bay City where he has employment.

Abram Frank is a patient at Marilyn Memorial Hospital, Au Gres, for a couple of weeks.

Mr. and Mrs. A. W. Colby left the first of the week for Kissimmee, Florida, to spend the winter months.

Family night was observed at the Tawas City Methodist Church Sunday evening with 65 attending. A pot-luck dinner was served at six o'clock in memorial hall followed by a program led by the Rev. Ralph Edwards. Christmas carols were sung with Mrs. A. E. Giddings at the piano.

SP-3 Gerald Donahue, son of Mr. and Mrs. Fred Donahue of Tawas City, arrived home Saturday after being discharged from the army at Fort Belvoir, Virginia. He recently returned from a tour of duty in Northern Canada at Fort Churchill.

Mr. and Mrs. Kenneth Beitz, Mr. and Mrs. Wade Montgomery and three children, all of Flint, spent the week-end here visiting their parents, Mr. and Mrs. Clyde Montgomery, and other relatives. Clyde returned home from Tawas Hospital on Monday.

Miss Patricia Conklin of Bay City spent the week-end at her home in the city.

Miss Judy Rapp of Detroit spent Saturday and Sunday with her parents, Mr. and Mrs. William Rapp.

The Dorcas Society will hold its regular meeting and Christmas party next Tuesday evening at the Tawas City Baptist Church. Bring secret pal gift or one to exchange.

Mr. and Mrs. Dale Landon and daughter, Patti, of East Lansing were recent guests of his parents, Mr. and Mrs. Fred Landon. (See TAWAS CITY, page 10.)

EAST TAWAS

Mrs. Emma Sloan was hostess to the missionary sewing group of Grace Lutheran Ladies Aid at her home at Otawase Beach Monday evening. Refreshments were served by the hostess.

Grace Lutheran Ladies Aid will meet at the home of Mrs. J. J. Austin next week Thursday afternoon. Members are asked to bring their favorite Christmas cookies for exchange.

W. S. Cowan has returned from Ford Hospital, Detroit, where he recently had medical attention. His daughter, Mrs. Jack Blackwell, and husband returned with him for a visit. Mrs. Cowan also made the trip to Detroit.

Mrs. Lois Kienholz will entertain the Past Noble Grand's Club at her home Thursday evening this week for the annual Christmas party and exchange of gifts. The dinner will be held at Wicket's Restaurant before going to the Kienholz home.

Mrs. Gertrude Boersma, who has been spending the past year with her daughter in Caro, has returned to East Tawas and is now residing on South Smith Street.

Mrs. Minnie Chandler and her two sisters, Mrs. Major Jones and Miss Florence Staley, left this week to spend four months in Florida. They will tour Florida and expect to locate at Fort Meyers.

Members of Iosco County, Order of Eastern Star, are taking part in a meet in the city at the Whittemore Chapter Thursday evening of this week for the late Mrs. Ethel Pringle, mother of Mrs. Georgina Johnson, one of their members.

Mrs. Roy Applin was in Bay City the forepart of the week on business.

Mr. and Mrs. Wesley Gentry and family of Alpena visited with relatives in East Tawas over the week-end.

Mr. and Mrs. Donald Bennett and Mr. and Mrs. Earl Hester attended the funeral of Mrs. Bennett's brother, William Lindsley, at East LeRoy, Michigan, last Thursday. (See EAST TAWAS, page 10.)

SEVENTY-SECOND YEAR Five Cents Per Copy TAWAS CITY, MICHIGAN, THURSDAY, DECEMBER 6, 1956 Two Dollars Per Year NUMBER 49

FIRST SUPERSONIC JETS BASED IN MICHIGAN---

Wurtsmith Gets New F-102As

New Jet Planes Guard Nation Against Attack

Striking across Northeastern Michigan skies Wednesday were the first of three delta-winged F-102A all-weather jet interceptors now stationed at Wurtsmith Air Force Base, Oscoda.

The F-102As, the first supersonic jet fighters ever to operate from a home base in the state, will form the nucleus of the 31st Fighter-Interceptor Squadron at Wurtsmith.

The three planes were flown to Wurtsmith by 1st Col. John M. Patton, 31st FIS commander; Major John Odiorne, 31st operations officer, and Captain Russell Brown.

Local residents were invited to Wurtsmith to see the aircraft Wednesday by Colonel T. N. Wilton, base commander. An official open-house is being planned for January, but no definite date has been announced.

Built by Convair Division of General Dynamics Corporation at San Diego, California, the F-102A is the world's first supersonic all-weather jet interceptor. Its mission is to seek out, intercept and destroy invading enemy bombers before the hostile aircraft can reach intended targets on the North American continent.

This unique and formidable airplane is the result of extensive aeronautical engineering and technological development, the culmination of more than a decade of research, design and flight testing. Its distinctive triangle-shaped delta wing, deriving its name from a letter of the old Greek alphabet, provides the stability and maneuverability its mission demands.

The F-102A is a member of the new family of military aircraft known as all-weather interceptors, or "homer" destroyers.

The F-102A's development history stretches back to the year 1945. Men of foresight in the air force even then looked to the day when bombers would attack at (See NEW JETS, page 10.)

Two Tawas Men Injured In Collision, Improving

Reported as "improving" Tuesday at St. Mary's Hospital, Saginaw, were two Tawas City residents who were injured when the ambulance in which they were riding was involved in a crash with a passenger car last Saturday in Saginaw.

E. D. Jacques, Tawas City undertaker, who suffered a head and chest injuries in the collision, was reported in improved condition. Charles R. Donley, a Michigan Bell Telephone Company employee, who received cuts about the legs and body, was reported in good condition.

Iosco Agricultural Society To Hold Annual Meeting

The Iosco County Agricultural Society will hold its annual meeting Thursday, December 13, at 8 o'clock at the Plainfield Township Hall, Hale.

Several new directors are to be elected and a report of the 1956 fair will be given. A euchre party will follow the meeting. A lunch of pie and coffee will be served. Everyone is welcome to attend.

Names of New C of C Directors Told This Week

Names of seven new directors elected to the Tawas Chamber of Commerce's board of directors were announced at the organization's regular meeting last Wednesday night. The annual election was held recently when chamber members returned their ballots indicating their choice of candidates.

Those elected to two-year terms were Charles Schreck, Gerald Bronson, Richard Newman, Joseph Allen, Gordon Penman, Charles Kurtzrock and Richter Lixey. At the next regular meeting an election of officers will be held.

At Wednesday night's meeting, it was announced that 166 members of the chamber of commerce had paid dues totaling \$5,091. Of this number 119 are regular members, representing an increase of 25.

Asking for a clarification as to what stand the chamber had taken toward the SS Western States, a marine resort anchored at the Tawas City municipal pier, John Pinter, East Tawas hotel owner, said (See DIRECTORS, page 10.)

Services Held Wednesday For Dr. Hess

Dr. Hilton R. Hess of East Tawas died suddenly of a heart attack early Monday morning.

An osteopathic physician, Dr. Hess was a native of Saginaw. He was born there October 25, 1908. He graduated from Saginaw Arthur Hill School and later received his Doctor of Osteopathy degree at Kirksville, Missouri, in 1933.

On April 14, 1934, Dr. Hess and the former Ruth Fordney were married in Saginaw. He is survived by the widow; two daughters, Mrs. Myron E. Smith of Detroit and JoEllen, 10, at home, and a sister, Mrs. Cornelius M. Schrems of Grand Rapids. His parents were the late Mr. and Mrs. H. O. Hess of Saginaw.

Funeral services were held Wednesday at Christ Episcopal Church, East Tawas, with the Rev. Richard P. Jennings officiating. Burial was in the East Tawas cemetery.

Dr. Hess practiced in Saginaw and Mt. Pleasant before moving to East Tawas in 1941. He was a member of Christ Episcopal Church, East Tawas Club and a former director of the Tawas Bay Yacht Club. His favorite sports were power boating, hunting and fishing.

Mr. and Mrs. Bruce Leslie of Bettsville, Ohio, were recent guests of his parents, Mr. and Mrs. George Leslie.

WINS TWO-YEAR SCHOLARSHIP AT MSU

John A. Mielock Jr. student at Michigan State University, has earned the first two-year transportation scholarship sponsored by Lansing Motor Carriers Association.

The scholarship is for \$1,100 and is to be an annual award administered by Michigan State University scholarship committee. Purpose of the scholarship is to help strengthen education in motor transportation training, according to a spokesman for the motor carriers association.

He is the son of Mr. and Mrs. John A. Mielock Sr. of East Tawas. While in the service he was a transportation specialist in Paris, France.

Police Investigate Slashing of Hunter's Convertible Top

Police are investigating the slashing of a 1955 Ford convertible top owned by a Marine City deer hunter, Marvin Kemmer, owner, told officers he parked his car on the National City Road last Saturday and went hunting. On his return he found that someone had slashed the fabric top of his car with a knife to gain entrance and smashed out the back window. Damage was estimated at about \$150.

REPUBLICAN WOMEN TO MEET FRIDAY AFTERNOON

The Iosco County Women's Republican Club will hold a business meeting Friday, December 7, at 3:00 p. m. at the county building.

NEW ICE on Tawas Bay usually means good fishing and last week-end was no exception. Fred Musolf of Tawas City is shown sorting out his catch of perch after a successful afternoon last Sunday at the bite of the bay.—Photo by Neil Luedtke.

\$2,500 in Prizes Will be Awarded in Queen Contest

Plans announced Monday night by Elwood L. Bronson, chairman of the Silver Valley queen's committee, revealed that the 1957 winter sports carnival in the Tawas area has prospects of being the biggest and best ever.

In what he described as "the largest contest ever undertaken by the queen's committee," Bronson said that prizes totaling \$2,500 would be awarded to the successful contestants, plus a 10-day trip to Mexico which awaits the winter sports queen as first prize.

In addition to making plans for the queen's contest, the Silver Valley committee reported Monday the addition of several new features to be included in the 1957 winter sports carnival.

Included will be a wiener roast and skating party at the Tawas City 1st & 2nd night, February 1. An ice roast and skating party is scheduled the following night at the East Tawas State Park. James Hamilton will be in charge of the latter event and Silver Valley buttons will be sold as admission tickets at \$1 apiece to pay expenses.

Also being planned is a marathon dance for youngsters starting Saturday afternoon and continuing through the evenings. Prizes will be awarded winners. The committee said these new features in the three-day carnival were aimed at furnishing additional entertainment for out-of-town visitors, who normally do not attend the banquet.

Saturday night's program during the carnival week-end will include the coronation ball and dance as in past years, but the queen will be crowned at Silver Valley on Sunday. The committee is making arrangements to construct a huge ice throne at the winter sports area later in the winter.

The Silver Valley winter sports area will officially open for the season this week-end, weather permitting, it was announced this week by John Pinter, general chairman of the winter sports committee. One tow will operate at the ski area, while the toboggan runs are not expected to operate until later in the month.

Outlining his report from the executive committee, Bronson said that most of the prizes have been donated to the committee, through the efforts of Miss Evan of Avis-Rent-A-Car System, Detroit. Miss Evan was instrumental in making last year's contest a record success.

The grand prize will be 10 glorious days in Mexico City and Acapulco, made possible by Thomas Cook and Son Travel Agency, Detroit. The winter sports queen will fly to Mexico City by way of Guest Airlines.

Among the \$2,500 worth of prizes in the contest will be golf clubs, cameras, radios, clothing and other gifts, the largest share of them contributed by Detroit merchants.

The new winter sports queen will be crowned by Bud Davies, popular radio disc jockey and television star of CKLW, Detroit. Arrangements to have Davies here for the carnival week-end, February 1, 2 and 3, were made by the committee last week.

Chairman Bronson said that Davies is making plans to bring a bus caravan of Detroit youngsters to visit Silver Valley during the carnival week-end. Entries in the queen's contest are also expected to be received from Detroiters through promotion by Davies.

The contest is open to any girl or woman, single or married, 17 years of age or older, and a resi-

A report on last week's Great Lakes Ski Convention held at the Statler Hotel, Detroit, was made by Sherman Rosen, manager of the SS Western States, at a meeting of the Silver Valley Winter Sports Committee Monday night. The Western States sponsored a booth at the show and included in the display were pictures of the Silver Valley area and other promotional material. About 3,000 persons attended the event, which was described by Rosen as being "very successful." The Western States is promoting week-end "package" accommodations at the marine resort on Tawas Bay during the winter sports season.

Would Expand Publicity Program for EMTA Area

Expansion of the publicity and public relations program of the East Michigan Tourist Association was the topic discussed by members of the EMTA's publicity committee meeting in Bay City Tuesday, December 4.

After hearing reports on the publicity activities of the EMTA and the Michigan Tourist Council the committee, under the chairmanship of Glenn MacDonald of Bay City, editor of the Bay City Times, proposed the use of more locally produced tourist publicity stories of national and state-wide interest and that the cooperation of the local press be sought to aid publicity efforts.

The committee cited the need for expanded efforts in publicizing the area's year around tourist attractions and it plans to experiment with new methods of fulfilling this need.

Members of the committee included EMTA President Harold Gould of East Tawas; Robert Furlong and Knight McKesson of the

Tawas City Council Gives OK to 3 Building Permits

Three building permits were approved by the Tawas City Council at Monday night's regular meeting. Those approved were:

Joseph S. Brooks, Court and River Streets, addition to home, 14 by 18, estimated cost \$700.

Carl W. Libka, 315 Third Avenue, 23 by 23 garage.

Byron Brooks, Ninth Avenue, 14 by 22 warehouse, estimated cost \$800.

In other business discussed, Mayor George W. Myles brought the council up to date on legal action started by the state against the city and the SS Western States.

Plans Made for Annual Christmas Party Last Week

The regular meeting of the Immaculate Heart Altar Society was held during the past week with Mrs. Lawrence Ball in charge. Mrs. Matthew Pfeiffer reported the proceeds from the last bake sale totaled \$57.50. Plans were made for the Christmas party which is to be held on Monday, December 10. The officers of the group will be in charge of the affair. Mrs. George Tuttle will be program chairman. The ladies decided to feast on roast turkey

with the rest of the menu to be pot-luck. Gifts are to be exchanged. Plans were made to open the religious goods store each afternoon of the two weeks prior to Christmas. In addition, there will be a fancy booth opened. The Rev. Fr. Joseph Castanier reviewed the progress of the new Immaculate Heart of Mary Church. He urged everyone to take advantage of the new book and magazine rack on display in the back of the church. Father Castanier also showed an interesting movie. Mrs. Fred Brabant, Mrs. Alex Ball and Mrs. John Brugger were hostesses for the evening.

High or Low Road?

LOOKING BACKWARD

40 Years Ago—December 8, 1916.

William Rutterbush, a United States Marine, is with the battleship, Arizona, at the Panama Canal. He is the son of Mr. and Mrs. Paul Rutterbush of Tawas Township.

Twenty-eight hunters were slain in Michigan during the recent deer hunting season.

Judge Albert Widdis has introduced a new species of potatoes in Isosco County. Tried out during the past season, they produced a successful acreage of plains land. Recently introduced in the west they are known as the Idaho Baker.

Charles Carleton of Port Austin is spending a few days with his parents in East Tawas.

Mr. and Mrs. T. D. Shepard of the Townline are visiting their children in Flint and Detroit.

Miss Elena Groff, teacher in the schools at Mason, spent a few days at her home here last week.

Mr. and Mrs. Golie Crum moved their household goods from Detroit this week and will occupy the Boldt house.

Henry Bucholz, engineer at the Sabling and Hansen Flooring Mills at Grayling, is spending a few days with relatives here.

Barney Blust of the Meadow Road grew a crop of potatoes this year which averaged more than 310 bushels to the acre. They were sold to William McCaskey for \$1.50 per bushel.

Ernest Wright has purchased the Henry Grabow house in this city.

Miss Jessie Robinson returned Wednesday from a visit with friends and relatives in Bay City.

Irl Baguley of Linwood is spending a few days at his home here.

Mrs. Andrew Cooper and daughter, Eva, of Reno Township ate guests at the Luke Murray home.

Mrs. Ernest Bellen of Whittemore returned Wednesday from a visit at Merrill.

M. Jensen, manager of the Whittemore Creamery, was in the city Wednesday.

Elgin Glendenin of Flint is spending a few days with relatives at Hale.

Mr. and Mrs. John Alstrom spent the week-end in Pinconning.

Alfred Boomer of Tawas City is plastering the Red Hall in Wilber Township.

Mrs. Clifton Scott of Hale was a business visitor here Monday.

10 Years Ago—December 6, 1946.

Ground was broken for six new homes in the Riverside Gardens Development in Tawas City. The project is being developed by Ernest Mueller and Douglas Ferguson.

Dr. and Mrs. R. C. Pochert of Owosso were visitors here during the past week-end.

Mrs. C. J. Creaser of East Tawas has returned from a visit in Chicago.

Mr. and Mrs. Charles Morgan of Rising Sun, Ohio, are visiting friends at Hale.

Mr. and Mrs. John Daugherty of Columbus, Ohio, are guests of Hale relatives.

Edward Curtis, who is attending school at Sault Ste. Marie, spent a few days at Whittemore with relatives.

Osman Ostrander of East Tawas was a business visitor at Detroit during the past week.

George Prescott is attending the International Live Stock Show at Chicago.

Mrs. Nona Giroux and son, Philip, left Saturday for Detroit where they will make their home.

TAWAS HOSPITAL

BIRTHS—

Born to Mr. and Mrs. Ferdinand Heinrich, AuGres, November 26, a girl, Donna Mae, weight seven pounds, 14 ounces.

Born to Mr. and Mrs. Allen Ulman, Tawas City, November 27, a girl, Valerie Charlotte, weight six pounds, 15 1/2 ounces.

Born to Mr. and Mrs. Florian Bourque, Mikado, November 26, a boy, Martin Junior, weight seven pounds, 7 3/4 ounces.

Born to Mr. and Mrs. Howard Anders, Oscoda, November 25, a boy, Howard J., weight eight pounds, three-eighths ounces.

Born to Mr. and Mrs. John W. Eddy, Oscoda, November 29, a girl, Kim Marie, weight six pounds, 5 1/2 ounces.

Born to Mr. and Mrs. Joseph Pelletto, Tawas City, December 2, a boy, Peter Joe, weight eight pounds, 1 1/2 ounces.

Born to Mr. and Mrs. Herbert Saunders, South Dease Lake Resort, December 2, a girl, Carol Jean, weight eight pounds, 8 3/4 ounces.

Born to Mr. and Mrs. Edward Sterling, Tawas City, November 29, a boy, Timothy Joel, weight seven pounds, 12 ounces.

Born to Mr. and Mrs. John Hinkley, Tawas City, November 26, a girl, Wanda May, weight seven pounds, one ounce.

Born to Mr. and Mrs. John Edwin Voss, Oscoda, November 30, a boy, John Michael.

Born to A2-c and Mrs. Robert Huff, Templeton, Oscoda, November 26, a boy, Dennis Lynn, weight four pounds, 8 3/4 ounces.

Born to Mr. and Mrs. James Ash-brenner, AuGres, December 3, a boy, weight seven pounds, nine ounces.

Born to Mr. and Mrs. Lawrence Braham, Oscoda, November 30, a girl, Margaret Lynn, weight seven pounds, 14 1/2 ounces.

Born to Mr. and Mrs. Clair Eugene Schall, Oscoda, November 29, a boy, Joseph Eugene, eight pounds, eight ounces.

Born to Mr. and Mrs. Donald Joseph Boudreau, AuSable, November 30, a boy, Michael Paul, weight six pounds, 14 ounces.

Born to Mr. and Mrs. Victor K. Stefanowicz, Oscoda, November 30, a boy, Anthony Joseph, weight seven pounds, one-half ounce.

Born to Mr. and Mrs. Read Earl, Tawas City, a girl, Charlene Marie, December 1, weight five pounds.

Born to Mr. and Mrs. DeLare Gwynn, Tawas City, a girl, Debra Joy, December 1, weight eight pounds, 7 1/2 ounces.

Born to Mr. and Mrs. William Hamlin, Oscoda, a girl, JoAnn Lorraine, December 1, weight nine pounds, 7 1/4 ounces.

Born to Mr. and Mrs. Richard Moss, East Tawas, a girl, December 2, weight nine pounds, 4 1/4 ounces.

Born to Mr. and Mrs. Edward August Schmidt, East Tawas, a girl, Debby Jo, November 28, weight eight pounds, 1 1/2 ounces.

Born to Mr. and Mrs. George Henry Schlagel, Turner, a boy, George Henry Jr., November 30, weight eight pounds, 13 1/2 ounces.

Born to Mr. and Mrs. Gaylen Dean Dafeo, Glennie, November 28, a boy, Daniel Lee, weight eight pounds, 11 1/4 ounces.

Born to Mr. and Mrs. Walter H. Buck, Hale, November 26, a boy, Russell Clarence, weight seven pounds, seven ounces.

Born to Mr. and Mrs. John Rescoe, Tawas City, November 30, a girl, Lynette Mae, weight seven pounds, 3 3/4 ounces.

ADMITTANCES—
Clyde Montgomery, Tawas City; Mrs. Sophie M. Lorenz, Tawas City; Mrs. Mabel Bigelow, Tawas City; Kenneth McArdle, Tawas City; Mrs. Gwendoline R. Gum, Oscoda; Clarence W. Watts, Tawas City; Harry Dotter, East Tawas; Harry G. Russ, East Tawas; Mrs. Lucille Simons, Tawas City; Donna S. Proudfoot, Tawas City; Mrs. Edith Dorsey, Hale; J. Henry Greenwood, East Tawas; Arietta Patterson, East Tawas; Mrs. Frances L. Sawyer, Detroit; Tommy Smyczynski, Tawas City; Ernest Sonnenberg, Hale.

Mr. and Mrs. William Sugden of Birmingham were Reno Township visitors during the past week.

Miss Betty Latter of Reno Township, who has been attending Bible school in New York, arrived home Saturday.

Bishop Crowley to Confirm Candidates

The Rt. Rev. Archie H. Crowley of Detroit, suffragan bishop of the Episcopal Diocese of Michigan, will confirm a class of 11 candidates at Christ Episcopal Church in East Tawas and eight candidates at St. Mark's Episcopal Mission at Hale next Sunday morning, December 9.

Services at St. Mark's in Hale will start at 9:15 a. m. and at Christ Church in East Tawas at 11:15 a. m. with the Rev. Richard P. Jennings officiating.

Bishop Crowley was elected in May 1954, and consecrated as suffragan bishop four months later. Prior to that he was rector of St. James Church, Grosse Ile.

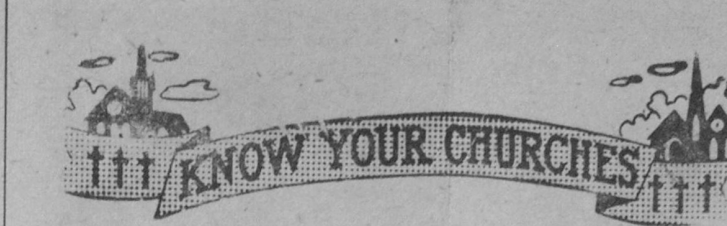

Christian Science

Man's God-given protection and power will be brought out at Christian Science services Sunday.

Keynoting the lesson-sermon entitled "God the Preserver of Man" is the Golden Text from Ephesians (2:8): "By grace are ye saved through faith, and that not of yourselves; it is the gift of God."

Selections to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include the following (215:12): "Whatever is governed by God, is never for an instant deprived of the light and might of intelligence and life."

Scriptural passages will include the following from Psalms (16:5, 6, 8): "The Lord is the portion of mine inheritance and of my cup; thou maintainest my lot. The lines are fallen unto me in pleasant places; yea, I have a goodly heritage. I have set the Lord always before me; because he is in my right hand, I shall not be moved."

How Santa Claus, Ind., Got a Famous Name

A familiar looking old gentleman with a red suit and a white beard was partially responsible for naming the town of Santa Claus, Indiana. Except for a lucky break, the town might have had another name and thus would not have enjoyed the annual fame that it enjoys with each Yuletide season. Originally the name Santa Fe was chosen, but officials in Washington suggested another name be chosen, since there already was a Santa Fe in New Mexico.

So it was that on Christmas Eve, in 1882, citizens of the nameless town gathered to select another name. Suggestions were tossed about for some time, until Santa Claus, making his yearly visits in the neighborhood strode in to get warm. He was attired in proper costume and his arrival seemed to put one name in every mind. And so the town was named Santa Claus.

EARLY FESTIVALS

Prior to the fourth century, the Christians observed only Epiphany (the commemoration of the Baptism) and Easter with festivals and religious rights; the physical birth of Christ not being widely recognized. In such countries as Spain and Armenia, the month prior to Epiphany was a time of fasting and repentance.

BARKMAN OUTFITTING CO.
TAWAS CITY

GOVERNOR G. MENNEN WILLIAMS buys his annual supply of tuberculosis Christmas Seals from Michigan's Christmas Seal children, Peggy and Willie Farrell of Ionia. Governor Williams reminds Michigan citizens not to forget their Christmas Seal letter. "For 49 years Christmas Seals have led the way in the fight against this disease," Williams said. "The year-round work of the seals is more important than ever. Every Michigan citizen is urged to continue and to step-up the fight against tuberculosis by buying and using Christmas Seals."

SEND CONTRIBUTIONS NOW TO MICHIGAN TB ASSOCIATION

Tuberculosis Christmas Seal contributions from the citizens in Iosco County are being received daily by the Michigan Tuberculosis Association.

However, Theodore J. Werle, executive secretary of the MTA, said that many regular contributors have not as yet been heard from. He appealed to the thou-

sands of friends of Michigan's voluntary TB movement to send their contributions as soon as possible if they have not already done so.

"We can take an idea from the children on this year's Christmas Seals," Werle said. "They're marching forward and not looking back on 50 years of progress. They're looking ahead at all that must be done before Michigan people are safe from tuberculosis. With 100 new cases being found every week in our state, we cannot think of letting up."

The TB association is mailing cards saying, "Don't Forget," to Iosco County residents. "We ask all our friends not to forget that TB still kills more people in Michigan than all other communicable diseases combined despite the life-saving gains that have been made. We ask them not to forget that more than 4,000 Michigan citizens are fighting for their lives in our TB sanatoriums," Werle said.

"We also ask them to remember that 94 cents out of every Christmas Seal dollar remains in Michigan to fight tuberculosis year-round. A major portion of the money used on a national level supports medical research."

Werle said funds are needed to step-up educational programs on the danger of unsanitized tuberculosis and to increase case-finding efforts aimed at demonstrating ways of finding the people sick with TB early before they spread their germs to others.

General Gruenther, stepping down as supreme allied commander in Europe, warned that the Soviet Union and its satellites would be destroyed if they attacked the West.

Four Book Exhibits Held in Area by Regional Library

Four book exhibits in observance of National Book Week were held by the Iosco-Arenac Regional Library in East Tawas, Standish, Whittemore and Au Gres during the months of October and November.

All new books purchased have been sorted and divided among branch libraries and the bookmobile and are now ready for distribution.

Titles to watch for in adult fiction are "The Rosemary Tree" by Elizabeth Goudge. This is a delightful English story about John Wentworth, vicar of Belmar, his wife and three daughters. An inspiring book, with humor about people and situations for which Goudge is famous.

"Cargo of Brides" by Rucker is historical fiction. The story of Marianna Bancroft, who left her well-bred Boston home to sail with the group known as the Mercer girls to be brides for the lonesome, womanless men of Puget Sound. While waiting in New York for the ship to sail Marianna meets Scotty Campbell. She did not know he was one of the leading traders of the booming Northwest and would return to Seattle with the Mercer group would take. The appearance of his wife when the ship reaches San Francisco makes this an exciting tale of suspense, romance and the early turbulent days of Seattle.

Nevil Shute's new book "Beyond Black Stump" is about the Regan family of Australia and written in Shute's usual masterful way. "Let My Name Stand Fair" by Shirley Seifert is historical fiction of Revolutionary War days. This is the story about happening behind the roaring guns and a life which had to go on if war was to be won. The story of Catherine Greene, a charming, witty, beautiful woman and her Valley Forge home.

"Wind in His Fists" by Jennings is also historical fiction set in the sixteenth century in the Mediterranean at the time of the Turkish corsairs. It is a brilliant story of historical details and human emotions. "Teen-agers will also find many interesting books to their liking. New titles in both fiction and non-fiction to cover every interest. Stories of high school students in the field of sports, romance, mystery and adventure.

There are classics such as "Around the World in 80 Days" which appeal to all readers and never grow old.

Younger boys and girls have a large selection from which to choose. Animal stories, mysteries, etc., all in beautiful new pre-bound editions.

Visit your branch library for the best in books.

The navy icebreaker, Glacier, has reported sighting in Antarctica an iceberg more than twice the size of Connecticut, and the largest on record.

Soviet officials are carrying out a mass deportation of Hungarian youths to the Soviet Union. Partisans were reportedly trying to stop the prison trains and free the captives.

General Lauris Norstad has assumed the supreme command of the North Atlantic Treaty Organization's European forces.

TWIN SERVICE
Dry Cleaning Laundry
115 Main St. East Tawas

YOU ENJOY INCREASED HEADROOM...made possible by recessing the floor within the frame, and by the unique, straight-line design of the roof. Mercury's outside height is a sleek, shoulder-high 4 feet 8 inches.

Texas-big all over! Far longer, wider! Bigger in every important dimension!

Here, by far, is the most spacious Mercury ever built. Even with 6 big passengers, there is no "hemmed in" feeling. There's move-around comfort for all.

BIGGEST SIZE INCREASE IN THE INDUSTRY—The new Mercury is over 17½ feet long, more than 6½ feet wide. Close to 2 tons big. The doors are much wider for easier entrance and exit. The passenger compartment alone is almost 9 feet long. Headroom has been generously increased. THE BIG M is family-car big—with much more leg room, shoulder room, and elbow room for all the family.

FAR GREATER VISION—You are surrounded with up to 4,122 square inches of glass—more glass area than a picture window 3 feet high and 9 feet long. The corner posts are so slim you scarcely know they're there.

DREAM-CAR STYLED—An entirely new look—shared by no other car. Clean-cut, lean, dynamic, it will influence the shape of cars for years to come.

BIGGEST VALUE INCREASE IN THE INDUSTRY—Never before has so much bigness and luxury cost so little. Check the price tags—and our easy terms—at our showroom. You will be amazed at how little more it costs down—and per month—for a big new Mercury than for the lowest priced cars.

YOU'LL SEE DREAM-CAR FEATURES WHEREVER YOU LOOK

- V-angle Tail-lights, Jet-Flu Bumpers, Color-keyed Rear Projectiles
- Merc-O-Matic Keyboard Control that outdates ordinary push-button transmissions
- Power seat that "remembers" your favorite driving position
- Power-Booster Fan, in Montclair series, saves power other cars waste
- Full-Cushion shock absorbers and 3 other bump-smothering advances give you Mercury's exclusive Floating Ride
- New 290-hp Turnpike Cruiser V-8 engine (optional), 255-hp Safety-Surge V-8 engine (standard)

STRAIGHT OUT OF TOMORROW MERCURY for '57 with DREAM-CAR DESIGN

210-Pound Buck Takes First Prize in Whittemore Derby

The buck derby, sponsored by the Whittemore Chamber of Commerce, was considered to be very successful again this year. Seventy-seven bucks were registered, with quite a number of local hunters reporting success in their hunting but not registering their bucks.

Orville Brown of Twining received \$10 by registering his 210-pound buck. A 194-pound buck was the next heaviest. At the drawing of register cards, Eugene Carrick of Whittemore received the first prize of \$10.

Charles Ward, Whittemore; Percy Joyce, 10345 Pardee, Dearborn, and Wesley Nyswaner, 7134 East Mt. Morris Road, Otisville, each received \$5.

Cards of appreciation for their interest in the buck derby are being mailed to all those who registered.

Hale to Seek New Signs; C of C Makes Plans for Future

The Hale Chamber of Commerce met Thursday, November 27, for a dinner-meeting at Dean's Evergreen Restaurant with President Ira Scofield presiding. It was reported that \$672.95 was paid to Plainfield Township for sidewalks, \$205.21 was paid for Christmas decorations, \$25 for Halloween prize money and \$9.79 for miscellaneous expenses.

A committee composed of President Scofield, Alvin Dorey, Alvin Forshee, Earl Bielby and Dean Loveless was appointed to see what can be done about additional large signs for Hale.

Information was presented from the state highway department. Plans for one clear-view corner in Hale have been canceled by chamber of commerce request.

Kenneth Salisbury was appointed to visit with the township board to see what can be done about snow removal from sidewalks.

Suggestions presented for future consideration included: Development of pathways wherever sidewalks are needed and construction of sidewalks later when more funds are available, employment of a part-time publicity secretary and the feeding of hay to deer to attract winter tourists.

McIVOR NEWS

Mr. and Mrs. LaVerne Koepke and family of Detroit spent last week-end visiting her mother, Mrs. Edith Pierson, and brother, Floyd.

Mr. and Mrs. Charles Daniels and family of Bay City spent the week-end with her parents, Mr. and Mrs. George Kohn.

Mr. and Mrs. Jordan Newvine and son of Merrill spent the week-end with his parents, Mr. and Mrs. Lloyd Newvine.

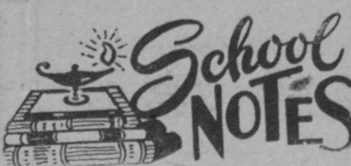

Jerry Jordan, who is attending college at Pine Acres, spent the week-end with his parents, Mr. and Mrs. John Jordan, and family.

Mr. and Mrs. Neal Revord of Tawas visited his parents, Mr. and Mrs. Charles Revord, and family Sunday.

George Strauer of Flint spent the week-end with his parents, Mr. and Mrs. Orville Strauer, and family.

Mr. and Mrs. Edward Magelski and daughter visited her sister, Mr. and Mrs. Clyde Wood, Saturday evening.

Sixty-six juniors and seniors of Tawas Area High School attended

TAWAS AREA SCHOOL

The 43rd annual conference of Michigan Secondary School Association and National Association of Secondary School Principals was attended by Ernest Jordan, Tawas high school principal, at the Olds Hotel, Lansing, November 28, 29 and 30.

The Wednesday meeting was highlighted by a speech by Dr. Paul Witte, professor of education, Northwestern University, Evanston, Illinois, on "Developing a Reading Program in High School."

Thursday's meeting dealt primarily with high school athletics. Albert L. Willis spoke on "What do We Really Believe in Inter-scholastic Athletics?" In the afternoon the group was divided into 10 discussion groups. The evening meeting was highlighted by an excellent speech by Alan Carty, executive director, Psychopathic Clinic, Recorder's Court, Detroit. His speech was entitled "The Criminal Mind."

Friday's program was of utmost importance to the high school curriculum. Dr. Roger Leatherman, assistant to the director Michigan Memorial Phoenix Project University of Michigan, spoke concerning implications of the atomic energy program in the high school curriculum.

The three days spent at Lansing were very informative and of great value to the Tawas Area School.

Tawas Area FFA Chapter is sponsoring a square dance and box social at the Tawas City gymnasium on December 8 at 8 o'clock. One of the main events of the evening will be the drawing for the door prize. Harry Krueger is donating a turkey which will be given as the first prize and Donald Grabow is donating a large duck to be given as second door prize.

Tickets for the occasion are being sold for 50 cents each by all the FFA members. The ladies, of course, who bring boxes will be admitted free and also receive a free ticket at the door which will entitle them to a chance on the door prize.

This is the chapter's first money raising activity and it is hoped that a good crowd will turn out for the dance. The proceeds will go towards paying for the chapter meeting room, equipment and banner, as well as, the expenses connected with the chapter charter night program which is to be held on December 19.

Ernest Jordan, principal of the Tawas Area High School, attended a principal-freshman conference Tuesday, November 27, at Michigan State University. The three students participating were Carol Bolen, Sharon Rose and Frank Bowman, all of whom are freshmen at MSU. All three are active in such extra-curricular activities as chorus, Jazz Club, Les Gourmet and departmental clubs.

When asked what high school course had been most beneficial to their college life the answer was unambiguously English. They wished they had taken while in high school two said speech and one said chemistry.

All rated their high school education as having been satisfactory or better.

The Tawas Area High School debaters were very thrilled with their first wins of the season from Alpena Catholic Central. Both the negative and affirmative teams won last Tuesday.

Representing Tawas on the affirmative team were Peggy White and William Laidlaw; on the negative team, Carolyn Evans and Paula Davison.

This Friday Jerold McEwen will take two teams of debaters to Big Rapids for their second scheduled league debate.

EAST TAWAS

GIVE THE FINEST—A LASTING "HOME" GIFT

FACILITIES OF SCHOOLS TO PLAY BASKETBALL

A basketball games has been planned for Thursday, December 13, between the Tawas Area faculty and the Oscoda School faculty. The game will be held at the Ta-

was Atea gymnasium and game starts at 6:30. Proceeds of the game will be donated to the Tawas Area Varsity Club.

The Soviet plan to reduce armaments would look better if Russia demonstrated some faith in the process.

Team	W	L
Standish	1	0
Tawas Area	1	0
Gladwin	1	0
Houghton Lake	1	0
Roscommon	1	0
West Branch	0	1
Sterling	0	1
Eastern	0	1
Pinconning	0	1
Beaverton	0	1

BY EARL HAIGHT

In the opening games of the Northeastern Michigan Conference last Friday night, Standish showed surprising strength and established themselves as a title contender by handing West Branch its first defeat in some 20 games, 39-30; Tawas Area held off a fourth quarter rally by Sterling to drop the Hawks, 42-40; Gladwin dropped Arenas Eastern with a big third quarter, 43-41; Houghton Lake made a mark in points scored for an opening contest by running roughshod over Pinconning, 67-41, and Roscommon, with the aid of a good first period, stopped Beaverton, 58-43.

Houghton Lake had two of the top three individual point getters for the first night's play. Arnold Goupil, from his center post, tallied 20 on seven field goals and six charity tosses to lead the parade. His running mate at guard, Dave Lee, tied with Doug Hall, Gladwin forward, for the second spot, with 19 each. Lee on eight and three while Hall picked up his total on four and 11. In the third spot was Keith Hanna, Roscommon forward, with 17 points on a six and five count.

Defending champs, West Branch, ran into a stumbling block in its first encounter of the season. After taking a 6-4 lead at the end of the first period, the Orioles fell behind in a low scoring first half, and left the floor at the intermission on the short end of a 13-12 count. The Golden Arrows came back strong in the third quarter running up a 13-4 advantage which gave the winners a 10 point bulge at the three quarters mark. The losers salvaged the fourth quarter, outscoring the down starters, 14-13, but the advantage picked up was not enough to overcome the lead built up by the winners. Dennis O'Keefe, forward, was high for both squads, dropping in 13 points on four and five. Don Finerty, Oriole center, was high for the losers with eight points. Standish made a sweep of the evening by taking the preliminary game as Don Dudley led them to a 39-38 win.

Gladwin used a big third period count to eke out its two point win over Arenas Eastern. Eastern

jumped off to an 11-8 lead in the first quarter and survived a 10-8 setback in the second period to hold a 19-17 bulge at the half. The Flying G's piled up an 18-11 nod in the third stanza which was enough for the victory even though the users came back in the final period with an 11-7 count to narrow the margin to 43-41 as the game ended. Hall was high man for both teams with his 19 points while Elmer Hollenbeck and Bill McCormick were high for the Eagles. Hollenbeck, from his forward spot, tossed in six points from the floor for a count of 12 while McCormick, Eastern center, dropped in four goals and three free throws for 11. Gladwin also won the reserve contest, 42-36, at Dick Stone dropped in 22 points for the winners.

Houghton Lake established a high mark for the rest of the league teams to shoot at in outscoring Pinconning throughout every period to win going away. The Lakers were able to build up a 10-9 lead in the first period, which they increased with a 20-10 count in the second quarter. The Bobcats picked up two more points for their lead in the third stanza and ran away from the losers in the final eight minutes with a 21-9 tally. The winners had three men in the double figures: Lee, Goupil and Howard Holloway, another forward, who had 11 points in a winning cause. Ron Serafin led the losers from a guard position with 10 points. Houghton Lake also won the preliminary contest, 22-17, in overtime after knotting the score at 17 all in regulation time.

Roscommon took a commanding 18-8 lead in the first quarter and then played even-steven with Beaverton the last three quarters to win its first conference test. The Bucks had three players in double figures while Beaverton could muster but one. Hanna was high with 17 while second place went to Marlin Spencer, Beaver forward, who tallied 15 points on six field goals and three charity tosses. Jim Papefus, forward, and Lyle Mead, center, had 12 each to take over third place in scoring. Beaverton took the preliminary, 42-22, behind a 14 point stint by Brown.

Games on tap this Friday include Tawas at Beaverton, Roscommon at Standish, Sterling at Eastern, Gladwin at Houghton Lake and Pinconning at West Branch.

WORLD PREMIERE OF NEW FILM ON WNEM-TV

In another television "first" for Northeastern Michigan, Station WNEM-TV, Channel 5, Bay City, will present the world premiere of a new television film, "Miracles From the Earth," on Sunday, December 9, at 2:00 p. m. Dr. W. R. Collins, president and general manager of Dow Corning Corporation, Midland; Ted Malone, New York radio-television commentator and film producer, and Tom Mathews, WNEM-TV program director, will appear on Channel 5 in a special half-hour program to tell the story behind the making of the new film, and then present the film for the first time anywhere on television.

The film, which tells the story of silicones, their development by Dow Corning, and their hundred and one uses in our everyday life, was produced and narrated by Malone in New York City for television use throughout America. Malone is flying to Bay City this week-end for the special television premiere, and will join Dr. Collins and Mr. Mathews on WNEM-TV Sunday, to bring Channel 5 viewers the "behind-the-scenes" story of how television films are created and produced.

A rocket-powered escape seat for pilots of supersonic jet airplanes has been tested and described as promising a chance of survival even in ground-level ejections. Test ejections were made from a rocket-propelled sled moving on tracks, at Edwards Air Force Base, California.

ISRAEL MINISTER—Israeli foreign minister, Mrs. Golda Meir, reading from notes, addresses the United Nations General Assembly during a debate on the Middle East crisis. Iraq's UN delegate, Mohamed Fadhil Al-Jamali, denounced Israel as the main instigator of the Middle East crisis and said that the replacement of Israeli Foreign Minister Moshe Sharett by Mrs. Meir was "an act of preparation for aggression."

WITH THE IOSCO— 4-H Clubs

By Dorothy Scott
Home Demonstration Agent

Seventeen members, two leaders and one visitor attended the November 2 meeting of Hale Happy Hustlers 4-H Club. Phyllis Holzheuer was hostess.

Business included selection of a handicraft project leader, a program for December, when and where to have it.

From a man's point of view, read about the junior leadership camp in November attended by Joyce Coates and David Sturtevant.

David says, "On November 7, a Wednesday, I started out to enjoy three of the most interesting days of my life."

"Joyce Coates and I arrived at the East Tawas Federal Building

about 8:15 a. m. From Tawas Mr. Davenport drove us to Harrisville where we met Reuben Kaarre, the 4-H Club agent, and three other junior leaders. Mr. Kaarre drove us to our destination, Higgins Lake. The time of our arrival was approximately 11:00 a. m.

"We checked in, unloaded our luggage, picked up the material we would use in the next three days and started to find the names of the leaders and counselors. Soon we had lunch which was out of this world."

"After lunch we had what was called 'Musical Mixers' (games in which you get acquainted with most of the other junior leaders). There were several lectures on organizing meetings, recreation before and after meetings and keeping a meeting interesting. We also had classes on demonstrations, ways of keeping older members and how to get adult leaders."

"I believe that this was one of the most informative and enjoyable trips I have taken in 4-H."

BURLEIGH NEWS

Mrs. Joy Bellen was hostess to the Burleigh Rural Ladies Club Thursday with Mrs. Beryl Ward as co-hostess.

Arrangements were completed for the Christmas party to be held at the Grange Hall December 13. Each person is asked to bring a 50-cent gift for exchange. An interesting demonstration was given on gift wrapping by Mrs. Jean Doresey.

This was followed by the social hour with Mrs. Leona Chipps winning the prize on the Thanksgiving and Christmas quizzes. At the close of the afternoon, a delicious lunch of chicken and biscuits was served by the hostesses.

The Burleigh Gadabouts held their home demonstration meeting Friday evening at the home of Mrs. Earl Partlo. After the regular meeting installation of officers was held.

The following members were installed with Mrs. Martin Siegrist acting as installing officer: Mrs. Gerald Ruckle, chairman; Mrs. Raymond Gay, vice chairman; Mrs. Keith McLean, by proxy, secretary-treasurer, and Mrs. Orville Bellor, recreation leader.

The candlelight ceremony closed with the singing of "God Bless America."

The lesson on Christmas gifts was presented by Mrs. Ruckle and Mrs. Gay. On display were table centerpieces, ornaments, door chimes, angels, candles and many other items to be used as decorations or gifts. Directions were given for the making of all items.

Mrs. Gay and Mrs. Bellor will take the next lesson and will present it at the January 4 meeting at the home of Mrs. Mabel Colvin.

A Thanksgiving quiz was given by Mrs. Bellor with the prize going to Mrs. Gay.

Gerald St. James of Pontiac spent the week-end at the home of his parents here.

Mr. and Mrs. Ernest Bellen were at the Tawas on business Friday.

Mr. and Mrs. Clifford St. James were at Bay City Wednesday.

A. B. Schneider was at Tawas Thursday.

A number from here attended the card party at the community building at Hale Friday evening.

No matter how criminal they are, they always stand on their constitutional rights.

Henry J. Dotter

Henry Jerry Dotter of Tawas Lake died last Friday morning at Tawas Hospital where he had been taken the day previous for treatment. He had been ill for nearly a year. Mr. Dotter had been a resident of East Tawas for the past 10 years.

The body was taken to the Evans Funeral Home where funeral services were held Monday afternoon with the Rev. Robert Nelson of Grace Lutheran Church officiating. Burial was in St. Joseph's Catholic Cemetery. Pallbearers were members of the Tawas Bay Aerie, FOE, of which he was a member.

Harry Dotter was born in Lebanon, Pennsylvania, on September 11, 1891. He was married on April 14, 1914, in Detroit and in 1930 moved to Vassar. He was a former Feather-Lite employee.

Surviving are his wife, Helen of East Tawas; two sisters, Mrs. Minerva Sunberg and Mrs. Helen Bilek, both of Detroit, and two brothers, James Dotter of East Tawas and Clayton Dotter of Harrison.

MEMORIAL SERVICE GIVEN WEDNESDAY

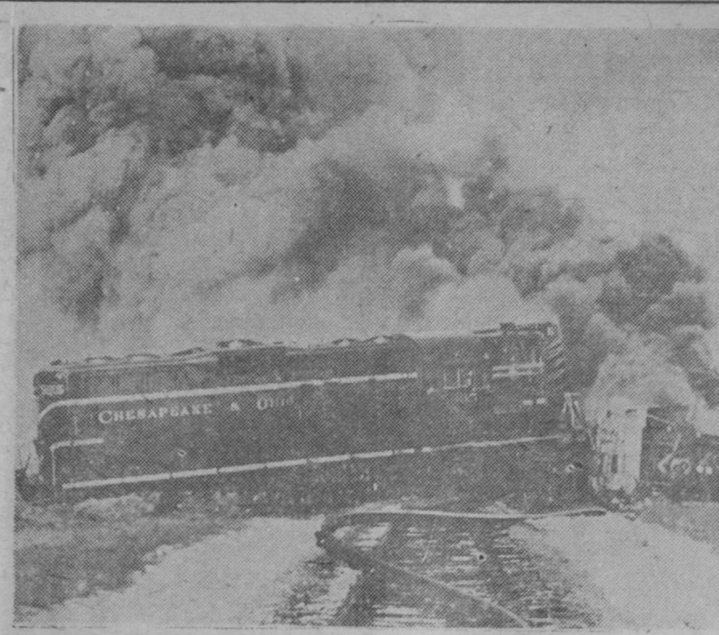

Last Wednesday evening, November 28, a beautiful memorial service was given at the regular meeting of Irene Rebekah Lodge. Mrs. Laura McKenzie and Mrs. Nyda Bronson planned the memorial which was given by past noble grands for those of their number who had passed away during its history. Mrs. Lula Colby officiated at the piano.

Members in white formal formed a cross before an altar. Others placed seven white candles in golden candle sticks on the altar and held seven silver stars. Mrs. McKenzie read passages from Revelations ending with the words of "The Holy City" while those in cross formations advanced to the altar and placed names on the Bible of each past noble grand who had passed away.

After the meeting refreshments were served in the dining hall. Table centerpieces were of evergreen and Michigan holly.

The serving committee was Mrs. Carrie Swales, chairman; Mrs. Clara Wilder, Mrs. Mildred Jarovetz and Mrs. Dora Jean Hughes.

Christmas packages for local delivery should be mailed by December 15 and all Christmas cards for nearby destinations by at least a week before Christmas.

WRECK KILLS THREE—THEN TWO MORE—Three men were killed near Michigan City, Indiana, when a Chesapeake and Ohio freight train was hit by a trailer truck at a crossing. The engine is shown lying across the tracks after it was hit broadside by the truck which was carrying gasoline. Later, two men were killed while working on the wrecking crew which was clearing the track. Their deaths were caused by the explosion of the diesel locomotive fuel tanks which were accidentally ignited by welding torches.

Club Observes 50th Anniversary Nov. 28

The Twentieth Century Club celebrated its 50th anniversary Wednesday evening at the American Legion Hall. The club was organized in 1906 at the home of Mrs. James Nisbet. Mrs. C. B. Chaffee was the first president.

Mrs. George Leslie presided at the business session. Twenty-five dollars was voted to the Girl Scouts. This organization is sponsored by the club.

The following program was presented by Mrs. A. E. Giddings, program chairman: Meditation, Mrs. J. F. Mark; roll call, club reminiscences; piano selection, Mrs. Giddings; echoes from past presidents; club history, Mrs. Ira Horton and Mrs. W. J. Leslie; vocal selections, Mrs. George Leslie.

Mrs. Leslie's numbers were: "The Friendly Beasts," an old Christmas carol; "Lass of Mine" and "A Perfect Day."

The past presidents were presented with corsages. They were Mrs. J. F. Mark, Mrs. C. L. McLean, Mrs. I. R. Horton, Mrs. W. J. Leslie, Mrs. George Leslie, Mrs. George Liske and Mrs. A. E. Giddings.

Hostesses for the evening were Mrs. Glen Schlaack, Mrs. Charles Vanhorn, Mrs. William Ulman and Mrs. Nelson Ulman. Table decorations consisted of a Santa Claus centerpiece and red tapers, in keeping with the Christmas season. Refreshments included a beautiful birthday cake decorated with gold color roses.

Lower Hemlock

Mrs. Charles Simons Jr. returned home from Tawas Hospital where she was a patient from Thursday until Sunday.

Mr. and Mrs. John McArdle Jr. were in Saginaw Saturday where they attended the wedding of Sharon Schuster, daughter of Mr. and Mrs. Norman Schuster.

Mrs. Deloise Rapp, Mrs. Joseph Wainwright and Mrs. Walter Wegner were Bay City visitors Monday of last week.

The euchre club was entertained at the Victor Bouchard home Sunday evening.

Henry Fahselt visited relatives in Tawas City Sunday.

Mrs. Louise McArdle of Tawas City attended church on the Hemlock Road Sunday. She visited at the McArdle and Grabow home during the day.

Mrs. Julia Youngs of East Tawas was a Saturday overnight visitor at the Wilfred Youngs home.

IOSCO SERVICEMEN

Charles Beer to Talk On Farm Problems

Charles L. Beer

Can you bank on the soil bank to increase your farm income for 1957? Come to the Barnyard Economics meeting being held on Wednesday, December 12, at 8:00 p. m., in the Whittemore High School, and find out. Marvin Davenport, county agricultural agent, has scheduled this meeting to help farmers figure out if they can make more money by placing land under a soil bank contract. Some can increase their income, while others will decrease theirs. How about you?

Several other important topics will be discussed by Charles Beer, extension economist specialist, from Michigan State University. These are the "Social Security Law for 1956," the outlook for farm commodity prices, and minor changes in federal income tax.

Serving in Japan with the First Marine Aircraft Wing is Marine Sgt. Neil G. Poland, son of Mrs. Fern E. Poland of Loud Drive, Osoda.

Before entering service in June 1954, he attended Michigan State University.

He arrived in the Far East October 19 and has been assigned to the United States Naval Air Station, Iwakuni, Japan.

Cadillac

Surpasses its Own Great Reputation!

You're looking at a mighty surprised man.

Almost all of his adult life he has owned and driven Cadillac cars. And so, when he decided to take an hour out from his busy schedule to see and drive the new 1957 Cadillac, he thought he knew about what to expect.

Well, here he is—barely under way in the city—and already he is learning the startling truth.

He is learning that *nothing* could adequately prepare a man for the new "car of cars"—not even Cadillac ownership itself!

He suspected it, in fact, the instant he stepped into the showroom and caught his first glimpse of this newest Cadillac creation. This was an entirely new kind of Cadillac beauty—brilliantly fresh in line and in contour.

And then he opened the door and swung into

the driver's seat—and found added evidence all around him. On every side were new miracles of interior beauty and comfort and convenience.

And when he turned the key and put his foot on the accelerator, his sentiment grew to conviction. The car was incredibly nimble and quiet and smooth of ride.

Surprised, did we say? Just wait until he hits the open highway and receives the final verdict.

No question about it—*this is the Cadillac that literally surpasses its own great reputation!*

We suggest that you come in soon to see and drive this most surprising new Cadillac in fifty-four years. It's an experience you shouldn't postpone—and one you'll not soon forget.

Amendments in Laws Extend Old Age Benefits

The 1956 amendments to social security made a number of important and far reaching changes in the law. It extended coverage to new groups, provided for payments to women at age 62, to disabled workers at age 50 and to disabled children over age 18. It also changed the way in which farmers may report their earnings as well as changing the requirements for reporting their employees.

Starting with the year 1956 lawyers, dentists, osteopaths, veterinarians, chiropractors, naturopaths and optometrists are covered by the law. In fact, the only group not covered by social security or some other federal retirement program is doctors of medicine. Some of the other coverage is optional. Policemen and firemen covered by state or local retirement systems are still excluded from coverage.

Representatives from the Bay City Social Security office will be at the Federal Building, East Tawas, at 10:30 a. m. December 13. Persons desiring to file for benefits or requiring information relative to the program may call on them.

Tuesday, December 11—Lamb pool at West Branch.

Wednesday, December 12—Barnyard economics, Whittemore High School at 8:00 p. m. Social security, soil bank, income tax and you.

Friday, December 21—North-eastern Michigan Sheep and Lamb Marketing Association meeting, board of directors, West Branch, 1:00 to 3:00 p. m.

The barn feeding season is here for the dairyman. It is very important during this period to feed cows properly to maintain production.

Frank Gendron, extension dairy specialist at Michigan State University, has some tips on the fall feeding of your dairy herd that may help you increase your dairy profits.

Gendron discourages the practice of "hoarding" in feeding cows. By this he means saving the best feeds you have until the last, hoping to keep the cows from going down in production late next spring. It has been proven many times that it is easier and more profitable to keep a cow producing at a high level than it is to bring her back after she goes down.

The specialist offers another tip on silage feeding. Many dairymen argue over the relative merits of hay silage and corn silage. Some of them have experienced a drop in milk production when switching from hay crop silage to corn silage. Gendron says that the different protein may be the cause for this drop. If the hay crop was good quality and contained a high proportion of legumes, the chances are the hay silage contains a higher percentage of protein than the corn silage. When the cows are given corn silage instead of hay silage their production falls. Gendron says that increasing the protein in your grain mix should help maintain production.

Naturally, the difference in protein could also be in the quality of the silages and their quality should be compared before making feeding adjustments.

A new manufacturing plant, a

school, shop or store springs up in or near your community. Every day you can see these and other indications that the city is overflowing into the country.

These trends are pointed out by Louis A. Wolfanger, Michigan State University zoning specialist.

These developments, brought about by the great growth of population and industry in America, have been gathering force for many years, Wolfanger notes.

Unless we are careful, unwise use of our land may accompany this urban expansion, Wolfanger says. Here he names some of the consequences of unplanned and unguided developments.

Frequently, unwise land uses pop up near our homes, farms or business enterprises. These developments should be in their own part of the community just as a living room table should be in the living room.

When homes are crowded into rural area, safe water and safe sewer disposal become problems because the soil can not properly absorb the increased sewage.

Building standards are often low and fire protection inadequate.

Rural schools overgrow. When new schools are built or old ones enlarged, taxes go up. Farmers' taxes go especially high because of their above-average property values, Wolfanger says.

Unless he is protected by careful planning, the suburban resident is in an unstable position. He never knows what may happen to his home or business. Thus, he may be unable to get credit at reasonable rates.

As towns and cities overflow into the surrounding area, they occupy good farmland that we may need to help feed our ever-increasing population.

Wolfanger stresses that urban as well as rural land is available. As with farmland, one area may be fitted for one purpose and a second for an entirely different purpose. It is important that we avoid wasteful intermingling of stores, home and factories.

How can we be sure that our land is used wisely? Michigan counties and townships are entitled to plan and establish zoning ordinances.

If these laws are to work, we must understand them. Wolfanger will discuss these laws in further articles.

Office callers this week were: Grace Quattlebaum, Mary Byrd, Mr. Kiley, Harold Hammond, Casper Blumer, Mrs. Carl Small, Herbert Phelps, Beulah Pringle, James Kube, William Waters and Leon Putnam.

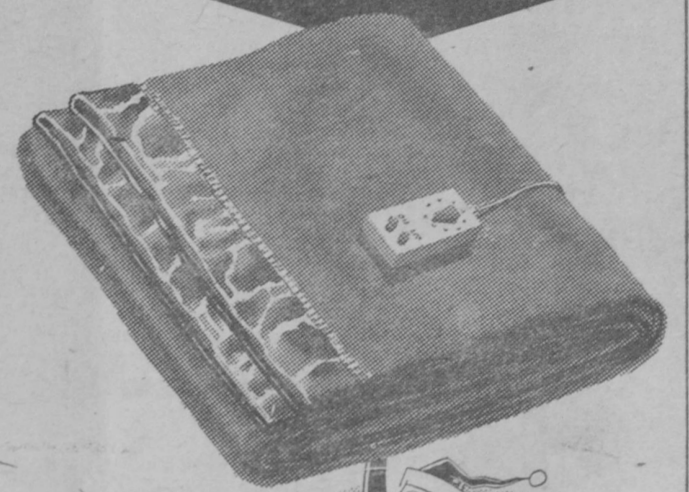

Vandals Damage Cars—Vandals are believed to have hidden in the Pan Pacific Auditorium after closing time of the 34th annual Los Angeles International

Auto Show and damaged the cars showing there to the tune of about \$50,000. Paint was scratched, metal-work dented and upholstery slashed on 46 new cars displayed.

Some of the cars, including a \$25,000 Rolls Royce, were so badly damaged they may have to be shipped back to the manufacturers for repairs.

MAY SEE DECLINE IN TRAFFIC DEATHS

Michigan enters December assured of comfortably achieving its goal of reducing traffic deaths by at least 200 this year, unless there is a sharp reversal during the next month.

This encouraging news is reported by State Police Commissioner Joseph A. Childs on the basis of the department's monthly traffic report for October and provisional figures for November.

But the commissioner warned that December is one of the most deadly months of the year and unless drivers and pedestrians guard against winter hazards the present good record can be cut into deeply.

The October reports lists 141 deaths, a reduction of 63, or 31 percent under 204 in the same month last year. For the first 10 months of the year the death total was 1,426 as compared to 1,614 for the same period of 1955, a saving of 188 lives.

Provisional figures for November show 125 deaths for the month as compared to 203 in November last year, a reduction of 78. This figure, however, is subject to revision downward with adjusted reports. The final saving is estimated at 50 lives which, with the 128 for the first 10 months, gives a total reduction of 238 so far this year. The total death toll in 1955 was 2,004.

While the reduction is attributed to various factors, there also has been more enforcement. State police made 185,298 traffic arrests the first 10 months of the year, compared with 125,789 in the same period a year ago. This is a gain of 47 percent and reflects increased manpower as well as a stepped-up enforcement policy.

A racket is somebody else's formula for making a living without too much work.

Wintery scenes such as this—pictured in their true colors—are just as effective as more colorful views.

Color Doesn't Have to Be Bright

Maybe we can blame it on the deep impression made on us by the traditional red and green Christmas decorations—or the bright red and green crayons we treasured in our kindergarten days—or the constant warnings we heard about watching the red and green traffic lights. But somehow too many of us have a preconceived notion about color film—a misguided idea that it should be used only when the scene is rich in tones of red or green.

Most of us think about color film when the fresh greens of spring first appear—when summer's brilliant sunshine lights up the dark green foliage—when autumn leaves blaze into their annual crimson glory. Not so, however, when November gives the nod to December—then we just let our cameras retreat into a world of black-and-white until spring rolls around again.

Personally, we've always regarded this as a mistake. For there are remarkably beautiful color pictures to be made all through the bleaker months that lack the brilliant tones of other seasons.

Artists have known this for centuries. That's why so many of them have given their best efforts to capturing the mauve-browns and grays of leafless landscapes, ice-blue waters and silvery snow, blue-gray crags and rockbound coasts. And the world would have missed many a masterpiece had the artist's eye not seen the tonal beauty and harmony in these softer, more subtle colorations.

So, our advice to you is: don't drop your color film when the temperature starts dropping. Load your camera and catch the "fair and cooler" palette that Nature provides at this time of year!

—John Van Guilder

It's a Whiz at Everything a car should do

It turns out that the 1957 Buick is far more than just a brand-new automobile.

It turns out that this new '57 Buick is winning the raves with a new kind of going and a new kind of stopping—a new kind of handling and a new kind of road sureness—a new kind of safety and a new kind of comfort.

We'll be specific.

When you press the pedal of a new '57 Buick, the response is literally instant...

Because the high-torque power of a new 364-cubic-inch V8 engine is delivered in the split of a second through a new full-range Variable Pitch Dynaflo* that's immediate in its oil-smooth action.

When you brake to a stop, you and the car stay on a level plane...

Because an ingenious new ball-joint suspension in every '57 Buick virtually ends the down-in-front dip that cars have on sudden stops.

When you take a turn or swing into an "S" curve, you still hug the road like a streamliner on rails—

Because under you is a massive wide-frame new chassis that "nests" the whole car inches closer to the road with the lowest center of gravity in Buick history—yet with no change in road clearance.

And when you sit in the deep comfort of those soft wide seats, you can drive with the pleasant ease of a clear conscience, without watching the speedometer...

Because only in Buick today can you have an ingenious new Safety-Minder* that acts as a warning sentinel for the miles-per-hour you preset for yourself.

There are many other new things that make this gorgeous Buick a car of limitless wonders—from the bigger and more rakish windshield that makes seeing more relieving, to the extra roominess that's so surprising in this beauty with the sports-car lowness.

But there's nothing like a firsthand sampling to know how modern the newest thing on wheels really is. Come in today for your meeting with the newest Buick yet.

*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special Safety-Minder standard on Roadmaster, optional other Series.

PLAN EARLY TO BAKE CHRISTMAS COOKIES

At Christmas time there is confusion and excitement everywhere. The practical housekeeper will see to it that as much cooking as possible is finished and out of the way before the last minute rush demands her attention. Plan for the cookie jar today and fill it in plenty of time for Christmas.

Scotch Date Sticks Filling
Cut 1 1/2 cups of pitted dates in thirds and cook with three-quarter

cup of water to the consistency of marmalade, remove from the heat and add three tablespoons of orange or lemon juice. Cool.

Cookie Mixture
Place one-half cup of shortening and one cup of brown sugar in bowl. Sift 1 1/2 cups of flour with one teaspoon of salt and add to the mixture. Work to a crumbly consistency. Add 1 1/2 cups rolled oats and mix thoroughly. Put one-half the mixture into a shallow baking pan or use a cookie sheet. Spread a thin layer, which should measure about 10 by 14 inches, with the date filling. Sprinkle with the remaining crumbly mixture patting it in place. Bake in an oven 325 degrees for 25 minutes. While warm cut into strips and remove from the pan. These are rich and flaky.

Christmas Wreaths

Beat one-half cup of butter to a cream, gradually beat in one cup of sugar. The grated rind and juice of one lemon; the beaten yolks of two eggs, and the white of one egg, beaten dry. Flour to make a stiff dough. Roll into a thin sheet and cut with a doughnut cutter. Beat the white of one egg and brush over the cakes. Set in baking pan. Sprinkle with chopped pistachio nuts (blanched) and add here and there small round candies. Bake in a moderate oven.

Nut Macaroons
Two egg whites.
One cup brown sugar.
Two cups chopped nuts.

Beat egg whites very stiff. Add sugar and nuts. Drop by teaspoons on a greased cookie sheet. Bake in oven 300 degrees for one hour.

Coconut Cookies

One-half cup butter.
One-half cup sugar.
One-half cup milk.
One teaspoon baking powder.
One-half teaspoon lemon extract.
Two cups grated coconut.
One egg.
1 1/2 cups flour.
Pinch of salt.
Cream butter, add sugar and beaten egg. Mix in the milk slowly. Sift flour, baking powder and salt, add to the first mixture. Add seasoning and coconut. Drop by spoonfuls on a greased baking sheet. Bake in a moderate oven for 15 to 20 minutes.

Rolled Pecan Wafers

One-quarter cup shortening.
One-half cup brown sugar.
One egg.
Two tablespoons vanilla.
One-half cup milk.
One-third cup pecans.
One-quarter teaspoon salt.
Cream shortening and sugar. Add beaten egg, mix well. Add flour, nuts, salt and flavoring. Mix thoroughly. Drop by teaspoons on greased cookie sheet about five inches apart and spread thin with back of spoon. Bake in an oven 300 degrees for 10 to 12 minutes. Remove with a spatula and roll while hot over a round wooden spoon handle. If cookies become too cool to roll, they may be reheated.

Recks

Two pounds pitted dates cut up.
2 1/2 cups nuts, chopped.
One cup butter.
1 1/2 cups sugar.
Two eggs.
One teaspoon soda dissolved in two tablespoons water.
One teaspoon allspice.
One teaspoon cinnamon.
One teaspoon nutmeg.
Three cups flour.
Cream butter and sugar. Add eggs, beat well. Dredge dates with some of the flour. Add flour, spice, nuts and dates. Beat well. Add soda which has been dissolved in water. Drop by spoonfuls on a greased cookie sheet. Bake in oven 350 degrees until done.

GUARD HUNGARIAN BORDER—Hungarian border guards are caught by a camera equipped with telephoto lens as they take time out for a smoke during their search for refugees trying to escape to Austria in a wooded section along the frontier near Pannhagen, Austria. Last week, as the flood of refugees in Austria reached 87,000, the Russians arrested the entire 600-man Hungarian Army garrison at the border town of Hegyashalom, charging them with aiding refugees.

POSTMASTER GIVES TIPS FOR EARLY GIFT DELIVERY

Pointing up the need for your cooperation on his 1956 "Mail Early for Christmas" campaign Postmaster Martin Kasichke says if you will follow these three simple rules, all of your gifts can be delivered before Christmas Day: Wrap them securely, address them correctly and mail them early. Amplifying these rules, the postmaster said, "Avoid the risk of mailing poorly wrapped packages. Use corrugated mailing cartons plenty of heavy brown wrapping paper and be sure that every package is tied with strong cord. Cartons containing several gift packages should be stuffed with tissue or old newspapers to cushion the shocks." He also reminds us that size and weight limitations for parcel post packages vary according to place of mailing and destination, and advises to secure pamphlet No. 2 at the post office, telling all about packages and delivering parcels for mailing, and pamphlet No. 3, giving complete details on domestic postage rates and fees.

Speaking about correct addressing of Christmas gifts and cards, the postmaster said: "Be sure your Christmas mailing list is up to date and that you have the complete name, address, zone number, city and state for everyone on your list. Send all your Christmas cards by first-class mail, because they will be processed and delivered quicker, and they will be forwarded, or returned, if it becomes necessary." Only Christmas cards sent first-class mail may carry written messages, a custom everyone enjoys. Moreover, Christmas card envelopes smaller than 2 1/2 inches by four inches or larger than nine by 12 inches require hand cancellation, and thus, must carry first-class postage.

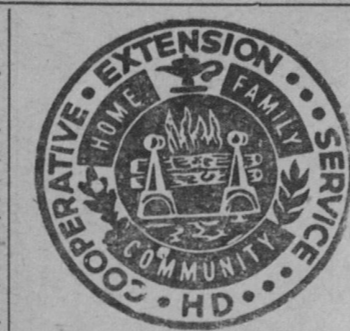

The postmaster urges everyone to secure free labels at the post office, marked "All for Local Delivery" and "All for Out of Town Delivery." Then, sort your Christmas cards accordingly, tie them in two separate bundles with each address facing the same way, and attach the correct label to each bundle. Early mailing of all Christmas gifts and cards is the biggest factor in getting everything delivered before Christmas, according to the postmaster. The whole Christmas mailing period is a battle against time. Delays now in getting your Christmas cards and gift packages to the post office may cause a slow-up along the line. Then, there is always the danger that commercial shipments and incoming Christmas mail will conflict with the outgoing operations.

In conclusion the postmaster said that he was glad to see that many people are getting the Christmas gifts and cards for distant points mailed this week, pointing-out that all mail going long distances should be sent before December 10 at the very latest.

Save Time in Making Holiday Plum Pudding

Plum pudding—rich in tradition and dried fruits but lacking plum—is perhaps one of the oldest and most famous of Christmas dishes. Most plum puddings require four to six hours of steaming, but this time can be cut to about one-third by steaming the dough in a pressure sauce pan. When this method is used, pressure is omitted during the first 30 minutes (because the dough is rising) then 15 pounds of pressure and steam are applied for one-third of the time given in the recipe.

The Soviet Union has promised Poland 1,000,000 tons of wheat to meet a threatened food shortage.

By DOROTHY SCOTT Home Demonstration Agent

CALENDAR

Friday, December 7—Health meeting on "Brucellosis Threat," 7:30 p. m., Grant Township Hall.

We are pleased with the considerable interest being shown in the Friday, December 7, health meeting on Brucellosis.

Home demonstration groups, Farm Bureaus and Granges are co-operating by sending couples to this training meeting for leaders to be conducted by Michigan State University specialists, George Parsons and Dr. Glen Reed.

These leaders will conduct discussions with members of their home community organizations next time they meet together. Well informed families in Isoco County will have the facts. When they know what to do, and how, Brucellosis can and will be eradicated from our county. Counties working together can eradicate its threat from all Michigan.

Believe it or not, you, too, can help. To find out more, talk with a member of one of these organizations.

Just a lot of "thank you" to Eva Siegrist, Irene Provoast, Charlotte Black, Idella Wood, Clarice Davenport, Lulu Dahne, Ethel Bellville and Shirley Nelson for assistance at the aluminum craft training classes last week.

Taught for home demonstration group leaders, aluminum carving and etching will be workshop meetings throughout the winter.

Present at Tuesday's meetings were: Lillian Rodman, Hilda Howarth, Frances Bissonette, Erma Morrison, Edith Nunn, Billie Botsford, Hazel Davidson, Nancy Hackborn, Rhoda Wickert, Betty Hammond, Blanche Cobb, Hyacinth Abhinante, Doris Zaharias, Elina Zaharias, Christine Finerty, Elizabeth Partlo, Marion Ulman.

Secretaries are reminded to supply us a copy of this year's membership, officers and leaders; also a copy of their group's program for the year.

Don't be in a hurry when you are buying books for children's Christmas presents.

But stay in the book store long enough to read and look at the book and judge it on its relationship to the child. Know his interests, explains Mrs. Lemnah Backus, family life specialist at Michigan State University, so you can suit the book to him personally. For example, if the child has a yellow cat for a pet, he will be very interested in a book about cats.

Mrs. Backus claims that this principle of choosing books with subjects which are familiar is important in selecting books for pre-

schoolers. The picture books should also be vivid in color and have pictures which are simple and arranged one on a page.

When considering what material books should be made of, Mrs. Backus says the hard cardboard one will probably last longer and be easier for children to handle and turn pages. However, cloth books, which are now washable, are easy to carry around.

The subject you choose is important in books for pre-schoolers, too. Poetry, like Mother Goose, is a perennial favorite; some books have even devoted the last pages to putting the rhymes to music. Mrs. Backus says that children especially like to hear repetition. A good book for this is "Winnie the Pooh" by A. A. Milne. It is a book that grown-ups can enjoy, too.

Some Way to Do It—

A dental patient at Bluefield, West Virginia, insisted that a local dentist melt down her gold wedding band to use to fill her teeth. When the dentist assured her there was a better and cheaper way she told him that she had promised her first husband that she would always wear his ring. Since she was getting married again, and her second husband had insisted that she wear only his ring, she wanted the dentist to use the first gold ring as filling for her teeth. In that way, she could keep her promise to both.

ARMY "MULE"

The new United States Army "mechanical mule" is only 27 inches high. It can mount the army's 106-mm recoilless rifle, a deadly anti-tank weapon.

Needlecraft News by Nancy Baxter

A problem that persists throughout motherhood is the one of keeping the children comfortably clothed. In winter we wonder if the youngsters are warm enough; in summer we worry about them getting overheated. And all year round we are concerned about the life expectancy of new garments, how they will wash and wear and how long they will last. Today, our thoughts are spent on cold weather clothing that will give the most warmth, wear and comfort to the active, growing child.

HAND-KNITTED WOOLENS
A knowledge of knitting is worth many dollars to any mother, for through the exercising of this knowledge, the children will be well-dressed and the family's economy kept intact. Woolen handknits are the sturdiest and warmest items of apparel you can hope to have for your youngsters. For play, school or dress-up occasions, hand-knitted

apparel of wool yarn offers protection against chills. Wool is absorbent without feeling clammy. It is capable of holding as much as 30 per cent of its own weight in moisture. Wool is thermostatic. It maintains a more even temperature than any other fiber, making it an important health asset. When you knit those little sweaters, socks, caps and mittens yourself, you can select the right yarns and the right patterns that will give the ultimate in comfort and wear. What's more, you can always get a proper fit. Oh, do make the garments large enough to allow for sudden growth, but in the proper proportions to insure freedom of movement, in all areas, during active play. And do save a little of the left-over yarn so that any future mending of the handknits can be done invisibly without having a patched look.

KNITTED ENSEMBLES FOR TOTS
Son and daughter can defy the low-down temperatures when dressed in these warm and comfortable handknit ensembles. The boy in the family favors the helmet-like cap, banded with stripes, and matching mittens. The long-sleeved pullover sweater can be worn over other wools or under jackets. A feminine hat band, that safely protects the ears from cold, is daughter's choice. It is trimmed with braid and pompons as are the matching mittens. Her sweater is a turtle-neck pullover. Instructions for knitting both ensembles in sizes 5-6-7 may be obtained by sending a stamped, self-addressed envelope to the Needlework Department of this paper and asking for Leaflet No. C-181.

See the '57 Chevrolet now on display. It's sweet, smooth and sassy!

Chevy's lower and longer... and every inch a beauty!

It's longer and lower. And livelier, with new power (even fuel injection!) plus Turboglide—the first and only triple-turbine automatic drive.

You'll especially like the new Chevy's remarkable pep and handling ease. New V8 horsepower options range up to 245.* And there's a choice of two automatic drives as extra-cost options: famous, frisky Powerglide, or Turboglide, Chevy's new super-smooth automatic that brings you triple-turbine takeoff. And you'll like the '57 Chevy's new and daring design!

Stop by and pick out your favorite among the 20 sweet, smooth and sassy new Chevrolet models.

LEGAL NOTICE

STATE OF MICHIGAN
The Probate Court for the County of Iosco.

At a session of said court, held at the Probate office in the City of Tawas City, in said County, on the 13th day of November A. D. 1956.

Present: Hon. H. Read Smith, Judge of Probate.
In the Matter of the Estate of Anna Fenton, Deceased.
George H. Stevens having filed in said court his petition praying that the administration of said estate be granted to Myrtle May Root or to some other suitable person, and that the heirs at law of said deceased be determined.

It is Ordered, That the 10th day of December A. D. 1956 at ten o'clock in the forenoon, at said probate office, be and is hereby appointed for hearing said petition.

It is Further Ordered, That notice thereof be given by publication of a copy hereof for three successive weeks previous to said day of hearing, in The Tawas Herald, a newspaper printed and circulated in said county, and that the petitioner shall, at least fourteen (14) days prior to such hearing, cause a copy of this notice to be served upon each party in interest in this estate at his last known address by registered or certified mail, return receipt demanded, or by personal service at least five (5) days prior to such hearing.

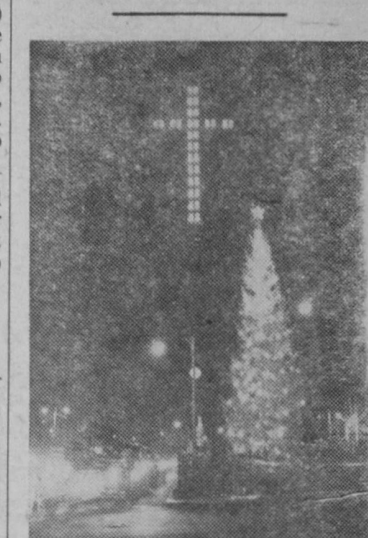

H. Read Smith,
Judge of Probate.
A true copy.
Mabel Kobs,
Register of Probate. 47-3b

Evergreens Mourning Symbols for Finns

Evergreens are never used as decorations in the homes and churches of Finland because the Finns regard them as symbols of mourning.

At Christmas most homes where there are children suspend "heaven" from the living room ceiling. Such "heavens" consist of a cord framework covered with straw and different colors of paper, ribbon, etc., and decorated with paper stars and silhouettes cut in various designs. The effect, when reflecting the freelight and the candles' glow, is mysterious and fascinating.

Candles are used profusely in the churches; the altars are banked and the windows are filled with them, so that before dawn or Christmas morning the church-benches approaching worshippers like brilliant lanterns.

CITY AT NIGHT—Christmas trees and shining lights are traditional along New York's Park Avenue. Dominating the fashionable thoroughfare is the giant cross on the New York Central Building at 46th Street.

Speeches are made for two purposes—to tell the truth or to hide the truth.

LEGAL NOTICE

STATE OF MICHIGAN
The Probate Court for the County of Iosco.

In the Matter of the Estate of Bert Smith, Deceased.

At a session of said court, held on Tuesday, November 27, 1956.

Present: Hon. H. Read Smith, Judge of Probate.

Notice is hereby given, That all creditors of said deceased are required to present their claims in writing and under oath, to said Court, and to serve a copy thereof upon Russell H. McKenzie of East Tawas, Michigan, fiduciary of said estate, and that such claims will be heard by said Court at the Probate Office on Monday, February 18, 1957, at 10:00 a. m.

It is Ordered, That notice thereof be given by publication of a copy hereof for three weeks consecutively previous to said day of hearing, in The Tawas Herald, and that the fiduciary cause a copy of this notice to be served upon each known party in interest at his last known address by registered mail.

The members of the Tawas City water board were present at the meeting.
Clifford Spicer of the Spicer Engineering Company of Saginaw spoke to the group about the water supply for the city. He explained the various plans of the new well, use of old wells, softening system, new building to house the pumps and softener, etc.

He also gave a report on chloride and hardness content of the two wells near the ball diamond including an estimate of cost for the new addition to the present system.

Mr. Spicer advised the council that many of the wells in Michigan do not produce as much water as they have in the past and that there might be a possibility of drilling new wells for the city in the future. He suggested that the best solution would be to use water out of the bay as this would be an unlimited supply and the water would be soft. By using water out of the bay, a filtration plant would have to be built and maintained. No definite action was taken regarding the water supply and distribution.

The matter of garbage collection was discussed.
It was moved, seconded and carried to adjourn.
Albert H. Buch, Clerk
George W. Myles, Mayor. 49-1b

Angry Kitty

Bobcat hunting has become a favorite winter sport for many Michigan outdoorsmen. This cat, backed into a corner, is ready for anything and would probably get his share of eyes, ears and noses if any dogs—or hunters—ventured too close. The Conservation Department has caught, tagged and released a number of bobcats in recent years in a continuing study of this rugged woodland creature.

NOTICE

Sealed bids will be received by the Iosco County Road Commission at its office in East Tawas until 4:00 p. m. EST, December 14, 1956, for furnishing three insurance policies:

Fire, lightning and extended coverage on Osceola Garage and contents.
Fire, lightning and extended coverage on storage building behind Osceola Garage and contents.
Fire, lightning and extended coverage, vandalism and malicious mischief on buildings located at stone quarry.

The bids will be opened and read aloud at the aforementioned time.
Additional information can be obtained at the road commission office in East Tawas.
The right is reserved to accept or reject any or all bids.

Iosco County Road Commission
Clarence Curry, Chairman
W. D. Nunn, member
Harold Black, member 49-1b

NOTICE

Accidents now rank first as the cause of death to persons between one and 35 years old. They are fourth as the cause of death in all age groups. Accidents in 1955 killed 93,000 persons, 38,000 in autos.

The post office department has announced that, effective January 2, the minimum fee for insurance on parcel post would be 10 cents, covering loss or damage up to \$10. The present minimum is five cents, which covers loss or damage up to \$5.

LET'S KEEP HOME TOWN MONEY AT HOME THIS CHRISTMAS

Christmas is the season for giving, but let's not "give away" our own home community through short-sighted shopping. Remember, the dollars we spend in our community stay here to support it — to pay taxes, build schools, pave and light streets, and in a hundred ways make our home town a better place to live. Let's give our home town a break this Christmas! Let's do our shopping in our own home town!

- Ample Parking
- Wider Selections
- Bigger Values

Your Tawas City and East Tawas Businessmen Invite You to Visit their decorated stores, filled with Christmas giving values and to see the beautifully lighted and decorated business sections and residences.

JESSE HODDER AUXILIARY PLANS CHRISTMAS PARTY
The Legion Auxiliary, Jesse Hodder Unit, is planning its Christmas party for Sunday, December 16. The party is for

members of the post and auxiliary and their families. A pot-luck dinner will be served at 4 o'clock. There will be a Santa Claus and Christmas tree for the children. The ladies will exchange gifts.

Both Braves and JV Win Season Opener at Sterling

Tawas Area High School opened the 1956-57 basketball season in the Northeastern Michigan Conference last Friday night with a twin win over Sterling High School. The Braves won over their opponents, 42-40, and the Tawas JVs won, 59-28.

Led by Dave Featheringill and Ray Guyette with 14 points apiece, the Braves jumped off to an early lead in the first quarter and were never headed during the rest of the game.

Sterling made a determined bid to undermine Tawas Area's lead in the final quarter but fell short by two points as the clock ran out.

Tawas Area jumped off to a 11-5 lead in the first quarter and then added 12 points in the second stanza to top the losers 32-14 at half-time.

In the second half Sterling switched its defense from zone to man-to-man and held the Braves to eight points, in the meantime piling up 10 markers to cut the Braves lead to 31-23.

The final quarter found Sterling meshing 16 points to the Braves 11.

Final game statistics disclosed that the Braves made only 18 of 52 field goal attempts for a 34.6 average. Coach McIntosh's men seemed to be definitely "off" on their lay-ups under the basket. On the free throw lane they converted six out of 17 attempts.

High scorers for the Hawks were Delong with 10 points and Scannell with nine.

The Tawas Area JVs, paced by Wats, Darling and Brackenbury, with 15, 13 and 11 points, respectively, had an easy time defeating the Sterling quintet. Tawas Area posted a 16-6 lead at the end of the first quarter and then rolled up quarter scores of 16, 19 and 14 points to win going away.

This Friday night's pairings in the NEM conference will find Tawas at Beaverton.

Harry Witte of Flat Rock visited his sister, Mrs. Walter Kasischke, and family for several days during the deer hunting season. He returned with a four-point buck.

Detroit Woman Says Hubby Beat Her With Rifle Butt

A 47-year-old Detroit woman, Mrs. Frances L. Sawyer, was treated at Tawas Hospital last Saturday suffering from bruises and possible broken ribs. Her husband, Lewis B. Sawyer, is being held under \$15,000 bond at the Alcona County Jail, Harrisville, charged with felonious assault with intent to kill.

Mrs. Sawyer told investigating state police officers from East Tawas, who were called to Glennie to assist the Alcona County Sheriff's Department, that after she and her husband returned to their cottage from a Glennie tavern, he beat her with a rifle butt and then broke the rifle stock over her back.

The Sawyers were in the Glennie area deer hunting. Mr. Sawyer, a sub-station operator for Detroit Edison Company, was arrested and his wife was taken by ambulance to the hospital.

Questioning neighbors, police learned that Sawyer had threatened several persons in that area with a loaded rifle, telling them he was looking for the people who had been shooting deer on his property.

Several Reports Made at Legion Auxiliary Meeting

The American Legion Auxiliary of East Tawas met Monday evening, December 3. Reports of the fall conference held at Denton Harbor and St. Joseph were given by Mrs. Dorothy Harmon and Miss Helen Applin.

A report of gifts totaling \$30 sent to the Saginaw Veterans Hospital was given by the rehabilitation chairman, Mrs. Gertrude Kunze. Mrs. Mary Lixey and Mrs. Harmon were to leave Wednesday morning for Saginaw to assist in wrapping and mailing of gifts at the gift shop of the Veterans Hospital.

Gifts are to be sent to servicemen of East Tawas. Final plans for the annual Christmas dinner with treats for children and exchange of gifts were made. The dinner will be held at 5:30 Sunday, December 9. Thirty-five dollars was voted for cigarette fund, canteen service and child welfare.

Will Discuss Hearing Problems December 11

Charles H. Sessler, audiologist for Michigan Association for Better Hearing, will discuss hearing loss and hearing problems at the East Tawas unit school Tuesday, December 11, at 7:30 p. m. Sessler will also test the hearing of interested persons and give counsel on such problems as hearing aids, employment and compensation for hearing as a result of service in the armed forces. The talk will be given to the adult lip-reading class at the school, but others who have a loss of hearing are invited to attend.

Michigan Association for Better Hearing is an agency of the Michigan United Fund. Activities are supported by contributors to local Community Chests. The mobile hearing testing unit, which visited Isosco County last summer, appeared under the sponsorship of the Isosco County Quota Club. The lip-reading class is in the adult education program of the public schools is co-sponsored and supported by the Quota Club.

Someone Goes for Theft in a 'Big' Way; Steals Semi

A tractor and semi-trailer would really be something for a thief to hide from the eyes of the law, but someone tried it last Wednesday night in Omer. He didn't get far, though, apparently he had never driven a tandem rig this size before.

The state police post at East Tawas received a call from the Jefferson Trucking Company at National City Thursday, reporting the theft of a tractor and tandem trailer combination which was parked in Omer. The giant unit is used to transport gypsum board from the National Gypsum Company plant.

Frank VanAlstine, driver, who lives at Omer, told officers that he parked the vehicle on Omer's main drag about 11 o'clock last Wednesday night. When he went to go to work the next morning the unit was gone.

The tractor and tandem trailer were later found abandoned in a ditch on the Old State Road South of Omer by Trooper Jack Barker.

Said police, "It's hard enough to drive one of these units, let alone try to conceal a stolen one."

Register With Sheriff Before Heading South

In a move to hinder vandalism of homes of Isosco County residents who go south for the winter, the sheriff's department asks that anyone who plans to be away from the county during the winter months to register at the jail before leaving.

"If residents register with us we will try to make a weekly check at their homes to see that everything is in order and that no vandalism has been committed," said Sheriff Ivan L. O'Farrell.

New Jets

(Continued from page 1.)

supersonic speeds and launch their mass destruction bombs from high in the stratosphere. The air force planners called for a specialized new type of aircraft to contend with this future threat.

Compared to the fighter plane of yesterday, the F-102A is a big aircraft—about the same size as a World War II medium bomber. The size is necessary because of its space requirements for the massive J-57 jet engine, more than 1,700 pounds of electronic eyes, muscles and brain, and potent armament of guided missiles and rockets.

Wingspan of the F-102A is 38 feet, 1.6 inches; length is 68 feet, 3.3 inches, and the maximum height at top of the vertical fin is 18 feet, two inches with landing gear extended. Sweepback of the delta wing is 60 degrees at the leading edges. Landing gear is tricycle type with steerable nose wheel. A drag parachute is used when required to aid braking on short landing runways.

The remarkable performance of the F-102A includes the ability to fly at speeds over Mach 1 (the speed of sound) in level flight, with gross design loads of jet fuel and armament at altitudes in excess of 50,000 feet. Other data is classified for reasons of military security.

Directors

(Continued from page 1.)

that after going through the minutes of the meetings he had missed, he had found nothing pertaining to this.

The general opinion expressed by the members at Wednesday's meeting was that the chamber did not have to act on a written record to extend a welcome to any new business, as the function of the chamber of commerce is to help with the promotion of the area and to encourage new business. The directors felt the resort ship was an addition to the tourist trade and a much needed convention facility.

Then the question was raised by Anthony DeFilippi Tawas City hotel owner, about chamber funds being used to promote any individual business. It was pointed out that definitely no such funds were available.

Tawas City

(Continued from page 1.)

Mr. and Mrs. Fred Marsh had a narrow escape Monday afternoon when their car slid off the road near Carl Look's farm on the Meadow Road. The car turned over into a 10-foot deep ditch. After several cars had passed, an observing motorist noticed the tracks in the snow and investigating found the Marshes. He helped them out of the car and took them home where they are recovering from shock and bruises. The car was damaged.

The missionary society of the Tawas City Baptist Church will meet Thursday, December 13, at the parsonage at 2 o'clock. There will be a gift exchange.

Out of town relatives who attended the funeral of Mrs. Belle Hamell last Thursday were: Mr. and Mrs. Claude Frank and son, Gary, of Vermontville; Mr. and Mrs. Leo Teichert of Lansing; Basil Doty, Mr. and Mrs. Roy Doty of Grand Rapids; Mr. and Mrs. Otto Draves, Mr. and Mrs. Thomas Smith, Mrs. Esther Powers and Miss Beatrice Hamell of Flint; Mr. and Mrs. Oaklen Frank of Detroit; Mr. and Mrs. George Mueller of Hudson; Mr. and Mrs. Fred Kaiser, Mr. and Mrs. Theodore Rachwal of Port Huron; Mr. and Mrs. Percy Frank and children, Mr. and Mrs. Herbert Cox of Bay City, and Mrs. Harold Timreck of Gladwin.

Mr. and Mrs. Henry Gaines celebrated their 49th wedding anniversary at the home of their daughter, Mrs. George Digby, in Tawas City Monday, November 26. Mrs. Gertrude Boersma of East Tawas was a guest.

East Tawas

(Continued from page 1.)

Recent visitors at the home of Mr. and Mrs. Mathew Keinholtz were Mr. and Mrs. Donald Spencer and son of East Lansing and Mr. and Mrs. Doyle Keinholtz and family of Owosso.

Mrs. Percy Scott was taken to the General Hospital, Bay City, for medical attention.

Mrs. Dorothy Harmon and Mrs. Mary Lixey left Wednesday for Saginaw where they assisted at the Veterans Hospital with

wrapping and mailing Christmas packages for patients. This is a program of the American Legion Auxiliary.

The American Legion Auxiliary and Post and their families will hold their annual Christmas dinner and party at the Legion Hall in East Tawas next Sunday afternoon and evening. There will be exchange of gifts for adults and parents are asked to bring gifts for their children. There will be candy and nuts for the children.

Mr. and Mrs. Paul Klenow and son, Michael, are leaving this Friday for San Diego, California, where they will spend the holiday season with their daughters, Phyllis and Anne.

Mrs. Gladys Lundy is vacationing in Florida.

Mr. and Mrs. Carlton Merschel left the forepart of the week for Florida where they will spend the winter.
