## Tawas City Post Office Goes to New Building Wednesday

The Tawas City post office will move into its new building next Wednesday, it was announced yesterday by Martin Kasichke, postmaster. Equipment and furniture in the old quarters are being prepared for the move this week.

The new building, located just east of the present site, was constructed by the Northern Construction Company of East Tawas. Donald Pringle, manager, said that the laying of asphalt tile flooring would be completed sometime this week.

Ground was broken for the new building last October. Of cement block construction, the 30 by 60 building has a brick, stone and redwood front. The building is owned by the Northern Construction Company and leased on a 10-year basis to the postal department.

The new building contains 1,800 square feet of floor space and the lobby will be separated from the work space by a new low, bank-type screen lining of lime oak.

Postmaster Kasichke said this week that the new screen lining would not arrive until later this spring. The lobby partition in the old office will be used until the new one arrives.

Heat in the building will be furnished by a forced-air furnace and will have fluorescent lighting. Floors will be asphalt tile and a loading ramp will be located at the rear of the building.

The new quarters will provide much needed additional space for efficient handling of mail.

## 536,550 People Use East Tawas State Park Last Year

The Michigan Department of Conservation announced this week that attendance at Michigan's 57 state parks and recreation areas in 1955 saw the heaviest use in history. The department reported that an increase is expected in 1956 over last year's attendance.

Records indicated that 4,044 camping permits were issued at the East Tawas State Park last year with a total attendance of 536,550 persons. The East Tawas park was second in number of camping permits issued in the Northern Lower Peninsula, being surpassed by Ludington with 4,979 permits.

Earl Gentry, park supervisor at East Tawas, stated Tuesday that the new 12 by 20 contact office in the park was nearing completion. The new two-room building is being varnished on the inside this week and the outside walls will be painted later.

Mr. Gentry said that the park will be laid out in 30-foot lots this year, each lot numbered and assigned to a camper. He said that 250 lots were being planned.

In setting new park attendance records last year, Mr. Gentry said that for 11 straight days more than 800 camp permits were issued. During 22 successive days, more than 250 camp permits were issued. High point of the season came over the July Fourth week-end where more than 478 camp permits were issued.

The phenomenal growth of the state park at East Tawas was pointed out by Mr. Gentry, who stated that in 1945, his first year on the job as supervisor, saw an attendance of 1,700 persons for the entire year.

Charles Kane, well known resident of this city, died Wednesday morning. Mr. Kane had been in poor health for several years. Funeral arrangements were incomplete Wednesday evening.

## WINNERS OF WOMEN'S BOWLING TOURNAMENT

Winning team entry in the Tawas Women's Bowling Tournament was the Trudell Body Shop squad, pictured above. Back row, left to right, are Darlene Bariger, Lydia Nelkie and Leitha Bariger. Front row, left to right, Joann Forney and Pat Price. (Other pictures on page 7.)—Tawas Herald Photo.

Winners of the Tawas Women's City Bowling Tournament were announced this week by Bea Wilbur, association secretary. The tournament was held on February 4 and 5 and February 11 and 12, doubles and singles events being rolled at the Tawas City Recreation and team events at the East Tawas Recreation.

First place winners were: Trudell Body Shop, team event, 2,964 pins, \$25 prize; Bernice Oates-Erna Reaman, doubles, 1,259 pins, \$16; Patsy Herman, singles, 963 pins, \$10, and Dolores Sietloff, 1,587 pins in all events, \$9.

Other winners were: Team events—Fuelgas Company, 2,879, \$20; Army-Navy Surplus, 2,875, \$15; 10 team winners. Doubles—Shirley Prescott-Audrey Staudacher, 1,222, \$13; Cele Phillips-Rita Dillon, 1,221, \$10; 13 winners. Singles—Florence Bartlett, 657, \$8; Cory Langolis, 630, \$7; 27 winners.

Actual all events—Audrey Staudacher, 1,546, \$7; Marion Toska, 1,466, \$9; 30 winners.

## To Regulate Truck Parking on Lake Street

Steps were taken Monday night by the Tawas City Council to eliminate "blind" intersections on US-23 (Lake Street) and to regulate parking of trucks and commercial vehicles in the business district.

The council approved several recommendations by the street committee and city police aimed at eliminating parking on hazardous intersections. The plan is scheduled to go into effect in the spring.

Among the recommendations as set forth by the committee were these:

1. Eliminate one parking space on all corners at Lake Street at First Street, Lake Street at Whittemore Street and Lake Street at Mathews Street.
2. Eliminate the parking of commercial vehicles on Lake Street from Wheeler Street to First Street.
3. Parallel parking on Court Street to Lake Street and on both sides of Whittemore Street.
4. No commercial parking on Mathews Street to bridge.

Adoption of a budget of 14 mills for city operation was made by the common council Monday night. This is a reduction of one mill over last year when the city received \$25, 113 from 15 mills. The city will receive approximately the same amount of money this year as last due to the increased valuation.

A break-down of the budget indicated that the contingent fund would receive 1 1/2 mills; street fund, two mills, and the park fund, one-half mill. In addition to this, two mills are set aside for bond retirement and one mill for interest. The latter two figures are special voted taxes to finance the municipal sewer and water system.

Also included in the program will be the cutting out of several "islands" between the sidewalk and Lake Street from Whittemore Street to the city hall, in front of Carl's Market and the east side of Mathews Street to the bridge.

The latter recommendations were suggested by Police Chief George Ruth who stated that the additional parking space would relieve traffic congestion.

Chief Ruth said that about five or six less parking spaces would be the result of enforcing the no parking on corners for one additional space.

Although no serious accidents have occurred on these three intersections in recent years, a definite traffic hazard has existed. Chief Ruth stated that during heavy traffic it was very dangerous for motorists to enter US-23 from these streets under existing conditions.

Off-street parking was also discussed by the council. It was pointed out that the parking situation could be relieved to an extent by utilizing the city hall grounds, both front and back.

The council also authorized the purchase of parking regulation signs to be placed on the corners of these intersections in the spring. A blinker "No U Turn" sign will be installed at the intersection of Lake Street and Mathews Street.

The street committee also reported that plans were being

prepared for the widening of East Tawas for the past 44 years, died at Tawas Hospital last Friday afternoon, February 17. He had been taken to the hospital on Monday morning after a paralytic stroke. He was 69 years old.

A retired railroad man, he was born in Germany, February 25, 1886. On August 27, 1907, he married the former Miss Bertha Prinz in Halle, Germany. The family came to East Tawas in 1912 and became citizens of the United States in 1916.

Mr. Roper was employed by the Erie and Michigan Railroad Company and by the Detroit and Mackinac Railway Company from which he retired in 1946. He had also been employed by the Rowley Manufacturing Company.

He held the position of financial secretary of the Brotherhood of Railway Carmen of America from 1943 until his death. He was a member of Baldwin Lodge, IOOF, and was financial secretary of the lodge for several years. He was also a past noble grand.

Surviving are his widow; three sons, Erick of Rapid City, South Dakota; Paul Jr., of East Tawas, and Arthur of Tawas City; two daughters, Mrs. Elizabeth Clardy of Lincoln Park and Mrs. Emma Schuening of Detroit. He also leaves nine grandchildren.

Funeral services were held at the Moffatt Funeral Home on Monday afternoon with the Rev. Robert Nelson of Grace Lutheran Church officiating. Interment was in Greenwood Cemetery. Rites at the grave were under the auspices of Baldwin Lodge, IOOF. Pallbearers were Thomas White, Richard Price, Richard Small, Harry Rollin, Lawrence Jones and Russell Small.

Miss Elva Forsten, who attends college at Mt. Pleasant, spent the week-end with her parents, Mr. and Mrs. John Forsten.

## FIRE SIREN SIGNALLED START OF MOTHERS' MARCH ON POLIO

Mrs. Delbert Albertson is shown turning on the fire department siren as a signal to start the Mothers' March on Polio in Tawas City last Thursday night. Mrs. Albertson was one of the volunteer workers who canvassed the city to obtain funds for the campaign.

Looking on are, left to right, Fire Chief Fred Musolf, Russell A. Rollin and George Myles. Similar ceremonies were staged at the city hall in East Tawas.

Nathan Barkman, co-chairman of the polio fund committee, said that \$372.20 was collected during the special drive in the Tawas area. "On behalf of our county committee, John R. Watkins, general chairman, wishes to announce that the annual drive will close this week," Mr. Barkman said.

All organizations and individuals who plan to contribute, and who have not already done so, are urged to send in their donations at this time to aid in this worthy cause. Mail contributions to Nathan Barkman, East Tawas, or E. D. Jacques, Tawas City—Tawas Herald Photo.

## Celebrates Remodeled Store With Open House

Open house of the modern new Tuttle Hardware in Tawas City will be held this week-end, Friday and Saturday, February 24 and 25, with a special "Get Acquainted Days" event.

Prizes will be given to those persons who visit the store during the open house, which include gifts of paint, tools, toys, wallpaper, houseware and sporting goods. Free coffee and donuts will be served.

The modernization of the Tuttle Hardware was completed several weeks ago by Henry Oates, Tawas City contractor, and is an attractive addition to Tawas City's business district.

The front of the store was completely remodeled with larger plate glass windows, masonry, stone and California redwood. A marquee was constructed above the windows. New fluorescent lighting was installed and the interior was completely redecorated.

"A cordial invitation is extended to the people of the Tawas trading area to visit our new and larger store," stated George W. Tuttle, owner. "It is our aim to serve you better with an increased selection of quality merchandise for your shopping pleasure."

## JUDGE DEHNKE DECLINES MEMBERSHIP IN LAW OFFICERS' ASSOCIATION

In a letter to the Northeastern Michigan Law Enforcement Association, Circuit Judge Herman Dehnke of the 23rd Judicial Circuit of Michigan, declined an offer of membership in the organization.

Judge Dehnke stated, "Under our system of government, there are three departments, intended to be separate and independent of each other. Members of legislative bodies form one branch, officers charged with duties in the field of law enforcement comprise another and judges of our courts constitute the third.

"The fundamental function of all courts, 'high' or 'low,' is to decide disputes or controversies, including those which arise between individual citizens and the state. The first and most fundamental requirement for judges and jurors is ability to approach consideration of any such dispute or controversy without bias in favor of one side or prejudice against the other—without any 'strings' pulling him either way.

"An important fact which is so easy to lose sight of is that every criminal prosecution, from beginning to end, is a contest, a struggle of interests, between an individual citizen on one side, and the state, as represented by law enforcement officials, on the other. The first issue to be judicially determined is whether the accused is guilty of the offense charged. If he acknowledges his guilt, or is found guilty after trial, the remaining issue to be determined relates to the penalties which should be imposed.

"Obviously, if a judge or juror has associated himself with either side or group in any form or manner, he may well find his right to sit in any such case questioned and the validity of (See Declines, page 2.)

Christian Science

The power of Christian healing in all ages will be set forth at Christian Science services Sunday in the lesson-sermon entitled "Christ Jesus." Selections from the King James Version of the Bible will include the account of Christ Jesus' healing of the "man whose right hand was withered" as recorded in Luke's Gospel (6:6-12). From "Science and Health with Key to the Scriptures" by Mary Baker Eddy will be read the following (347:14-17): "Christ, as the spiritual or true idea of God, comes now as of old, preaching the gospel to the poor, healing the sick, and casting out evils." The Golden Text is from Psalms (43:2): "Thou art fairer than the children of men; grace is poured into thy lips; therefore God hath blessed thee for ever."

## Gets Chevrolet Sales Agency 40 Years Ago

"Where can you equal this?" questions the first Chevrolet automobile advertisement ever to appear in The Tawas Herald. The advertisement announced the new 1916 model Chevrolet cars and stated that L. G. McKay was agent for Isoco County. Chevrolet sales in this area has been with the McKay organization ever since.

Pictured in the advertisement was a handsome new one-man convertible top touring car. The question "Where can you equal this?" referred to the many improvements emphasized that year and included electric lights, electric self-starter and valve-in-head engine. An 11-inch road clearance was pointed out as an important advantage.

McKay announced that two models of the car were on display. The first cars were exhibited in the old East Tawas Laundry Building. A short time later the business was established in the Fred Adams Building, now used by Tawas Industries, Incorporated, as a warehouse. In 1921 the business was moved to the newly constructed Haglund Garage on Newman Street, East Tawas, on the site of the present William Look and Sons garage and salesrooms.

Now located on Lake Street in Tawas City, with his son, L. G. McKay Jr. in charge, the McKay Sales Company has one of Northern Michigan's best equipped salesrooms and garages. Many Chevrolets have been sold by the McKays during the past 40 years and many changes have occurred in the automobile industry and the cars it produced, but the McKays have kept pace with the trend and the organization, salesrooms and garage are as modern as the sleek new cars they sell.

Other advertisers in the February 25, 1916, issue of The Tawas Herald carrying the Chevrolet advertisement were: W. B. Murray, jeweler; Wilson Grain Company, James E. Dillon, druggist; Fred Steffler, silos; Frank L. Novess, contractor; M. E. Friedman, dry goods; C. H. Prescott and Sons, hardware; J. M. Wuggazer and Company, druggists; A. Blumenau, department store; F. Taylor and Company, dry goods; E. H. Buch, groceries; Richards Hardware; David Stott Milling Company and Barkman Lumber Company.

## DR. LAMBERT SPEAKS ON DRUG ADDICTION AT P-TA

"Recognition of the importance of the danger of drug addiction is the duty of parents and teachers," stated Dr. L. A. Lambert in his address to the Tawas Area P-TA Monday evening. Dr. Lambert pointed out the need for recognition of the symptoms of addiction as a protective measure to prevent the drug habit.

Dr. Lambert's informative discussion followed the showing of the H. film, a picture illustrating the effect of narcotics and the methods used to corrupt young people.

The program was introduced by Russell McKeanie, who as a member of the IOOF, helped to secure the film. The P-TA meeting opened with the salute to the flag and a prayer led by the Rev. William MacFarlane.

During the business meeting, Charles Nash, chairman of the nominating committee, announced the following slate of officers to be voted on at the March meeting. President: Mrs. Milton Barkman, Harold Clark. Mother Vice President: Mrs. R. Harwood, Mrs. H. Staebler. Father Vice President: The Rev. Charles Mercer, Wilbur Roach.

Teacher Vice President: John R. Forsten, Mrs. R. J. Cooke. Historian: Helen Applin, Mrs. Reynold Mick. Secretary: Mrs. John Roiter, Mrs. A. M. Ruckle. Treasurer: Mrs. William Olsson, Mrs. Virginia Frank.

Other nominations may be made from the floor. Mrs. Glenn Biggs, Mrs. Darwin Minard, Mrs. Ray Cross and Chester Moore also served on the nominating committee. January room awards were won by Mrs. Russell Rollin's room and the ninth grade. The social hour was in charge of the following committee: Mrs. Fred Look, Mrs. Lawrence Daley, Mrs. Clifford Wilkinson, Mrs. Duane Street, Mrs. Leonard Gottlieb and Mrs. W. S. Gilfix. Sydney Geal will be guest speaker for the next meeting to be held, March 19 in Tawas City.

## Whittemore Cagers Down Atlanta 60-50 Tuesday Night

Whittemore rang up its 17th straight win of the season without a loss Tuesday night by taking a 60-50 decision over Atlanta. The Atlanta team is the winner of the North Star League toga while the Cards are undisputed champions of the Huron Shore League.

With Atlanta's defense concentrated on stopping the Cards' high-scoring center, Frances Pangel, with eight points, Whittemore came up with three players who scored in double figures. Free led the way to the victory with 22 points, followed by Pavlik with 13 and Fuerst, who meshed 11.

Fuerst played his best game of the season at the guard position for Whittemore. Barry led the losers with 18 points. Whittemore took an early lead by outscoring Atlanta 14-6 in the first quarter. In the second quarter the Cards scored 16 points to Atlanta's 10. The Cards set the pace in the third stanza with 20 points to their opponent's 17. Atlanta outscored the winners in the final quarter, 17-10.

Whittemore will meet Harrisville on the latter's home floor this Friday night in the last regularly scheduled game of the season. The Cards will play in the district tournament at AuGres, March 6, 8 and 10.

## Health Council Hears History of Red Cross

The Hale Health Council met for its monthly meeting Tuesday. Miss Ammon Hood, area Red Cross worker, was guest speaker.

Miss Hood explained that 80 percent of Red Cross funds go for disaster relief. Iosco County will be asked to give more in the March roll call owing to the many disasters during the fiscal year.

Miss Hood explained the origin of the Red Cross and told how it has branched out in its 75 years of service. One branch is the home nursing class from which women of the community have been receiving instruction.

A business meeting followed the talk by Miss Hood. The Easter Seals will be in the mail by March 12. The members of the health council will undertake the job of addressing the envelopes. The Kiwanis Club of Oscoda has offered to help in the distribution of the canisters in that area.

A letter of resignation was read and accepted from John Mortenson as chairman of the medical health center study committee.

A letter from the Tawas Hospital Auxiliary was read stating the auxiliary is having its last drive for funds. The members of the council are asked to take this information back to the various groups they represent and report at the March meeting.

**Stepping Out...With His Two Loves!**

It's the hour of twilight!  
And what happier prospect could a man ask for a wonderful evening. For tonight he's stepping out with his two favorite companions—the lady in his life . . . and the car in his life!

And you can rest assured that the "car of cars" will make a contribution all of its own to his evening's enjoyment.

First of all, there will be the inner satisfaction a man always feels as he steps into his Cadillac and settles behind the wheel. All about him will be the inspiration of Cadillac's luxury . . . and beauty . . . and graciousness.

Then there will be the thrill of Cadillac's marvelous performance. Driving will be so easy and so effortless that every mile will be a mile of relaxation and pleasure.

There will be the contentment that comes with Cadillac's great safety . . . and the comforting knowledge that he—and his lady—are surrounded with every comfort and safeguard known to automotive science.

And, finally, there will be the joy of arriving in the "car of cars" . . . and of catching those glances of admiration that will come his way as he pulls to the curbstone at journey's end.

Little wonder, then, that Cadillac owners have so great an affection for their motor cars.

And their sentiments etch themselves all the more deeply in the light of Cadillac's great economy and practicality. For how wonderful it is to know that the satisfactions of Cadillac ownership are coming from motordom's soundest and wisest investment.

Why not come in soon—with your lady—and "step out" for an hour or so at the wheel of a 1956 Cadillac? The car is waiting for you . . . and we'll be delighted to do the honors!

### Large Attendance at East Tawas Methodist Father-Son Banquet

There was a large attendance at the father and son banquet held at the East Tawas Methodist Church parlors last Friday evening. Tables were decorated in a patriotic theme with red and blue crepe paper strips, red and blue striped hatches and short lengths of logs. The toastmaster was Vernon Hughes, president of the men's club.

Douglas Evans gave the toast to the fathers and D. Arthur Evans responded with "A Toast to Our Sons."

The men's quartet gave several selections. Participating were the Rev. Ralph Edwards, Charles Martin, Robert Brookbank and Fred Teeple. Slides were shown of an European tour with informational talk by Ronald Fisher of Bay City, general secretary of the YMCA.

The WSCS served the banquet.

### First Adult Driver Training Class to be Held Feb. 28

The first meeting of the adult driver training class will be held in room 13 of the East Tawas Unit, Tawas Area Schools, on February 28 at 7:30 p. m. Richard Stock will instruct this first driver training group, with R. Thomas helping out with the driving.

To date some 20 people have expressed an interest in this class. It is hoped that all of the people will be present at the first meeting. If you cannot be present, you will please call Robert Deloria at FO 2-2096.

There is still room for a few more people in this class so if you would like to register it is not too late.

### 130 Persons Attend Luther League Banquet

Last Saturday evening the Eastern Michigan District Luther League of the Augustana Lutheran Church held its winter retreat banquet at Grace Lutheran dining hall. About 130 persons were served.

Tables were beautifully decorated in the Augustana colors of yellow and blue. Yellow and blue candles, crepe paper decorations and yellow and blue nut cups were used. Among the decorations was a large sign, "The Lord is My Light," which was the theme of the retreat.

The following program was given: Invocation, Pastor Robert Nelson; group singing led by Vandy Lundeen of Detroit; vocal solo by Beverly J. Parker of Berkley; Pastor Philip Nelson of Bay City spoke on topic, "Light Reflected." The benediction was given by Pastor Robert Nelson.

## Whittemore News

The Burleigh Rural Agricultural School P-TA met at the school Tuesday night with a large attendance. In the absence of the president, Mrs. H. Drengberg, who is vacationing in Florida, the vice president, Mrs. Arden Charters, presided over the meeting.

Founder's day was observed. Eight past presidents were introduced and welcomed. Mrs. C. Sargent of West Branch was present and spoke on the cancer fund. A film was shown on cancer. She then introduced Dr. E. A. Hasty, who spoke on prevention of cancer by a check up and the early signs of cancer.

A quiz contest on cancer was presented by Mrs. Sargent with 10 students of the school taking part. Each pupil did an excellent job and is to be commended on his ability in answering nearly all the questions.

Also present were Mr. and Mrs. Nathan Barkman, Mrs. Kate Evans and Mrs. H. Watson, all of East Tawas, who spoke briefly. Mrs. Henry Hasty was chairman of the program.

A tasty lunch was served later in keeping with the St. Valentine motif.

The WSCS met at the parish house Wednesday for an all day quilting.

A large number of alumni basketball players attended the basketball game and homecoming here Friday night. Each one, when called upon, tried his skill in making a basket.

Mr. and Mrs. Martin Kasischek and family of Tawas City spent Sunday afternoon in town.

The following persons attended the winter meeting of the Alpena Deanery Council of Catholic Women at the Sacred Heart Church in Oscoda Friday: The Rev. Fr. Maher, Mary Whidden, Mrs. Octave St. James, Mrs. Stanley Osinski, Mrs. Archie Graham, Mrs. Leonard Wasilewski, Mrs. Howard Collins, Mrs. Arthur Zemke, Mrs. Joseph Ori and Mrs. Marie Bellon joined them at Tawas.

The Rev. and Mrs. R. Terwilliger, Mrs. Charles Dorcey and Miss Jane Fuerst and Miss Sonna Charters attended a youth rally in the Standish Methodist Church last Sunday afternoon.

Mr. and Mrs. Harold Wice and five daughters of Flint spent the week-end here with relatives.

Mr. and Mrs. Henry Jackson of West Branch spent Thursday afternoon in town.

Mr. and Mrs. Norman Schuster and daughter, Sue Ann, of Saginaw spent the week-end here and at their cottage at Sand Lake. They also attended the basketball game here Friday evening.

Mr. and Mrs. William Ross of Bay City spent Thursday in town looking after their home.

Mrs. Lulu Dahne and son

## Legislative News Letter . . .

From the Desk of James P. Mielock, House of Representatives, Lansing, Michigan.

In a 1955 act, legislative approval is required before the university can go ahead and let contracts for self-liquidating projects. By adoption of House Concurrent Resolution No. 24, the legislature has given its stamp of approval to the Michigan State University to go ahead with its contemplated enlargement of Macklin Field.

In H. B. No. 113, passed unanimously by house, the sanctity of jury proceedings is protected by making it a misdemeanor for any unauthorized person to intentionally listen to or record the deliberations of a jury.

Another bill to receive the unanimous approval of the house was H. B. No. 112, which authorizes the county road commissions to invest public money deposited to its credit in government securities. It was successfully argued by proponents of the bill that boards of supervisors and boards of county auditors in those counties having a board of auditors, now enjoy this privilege, and therefore the county road commissions should also have the same right.

H. B. No. 163, extending for three years the time counties may receive \$5,000 a year to help pay for a full time professional engineer, received house approval by a 97 to 0 vote.

H. B. No. 38 creating a new type financial institution to aid small business, provides for the organization and regulation of development credit corporations. Permissive legislation, this bill passed easily with only three dissenting votes.

By an 84 to 2 vote, the house passed H. B. No. 60 which adds a new section to the Motor Vehicle code, setting up qualifications as to the mental, physical and moral fitness for drivers of school buses and their substitutes.

H. B. No. 86, granting township boards, with voter approval, the authority to use any unexpended balances in the contingent or general fund of the township for the purchase and operation of snow removal equipment ran into trouble, but after considerable debate and the adoption of an amendment of-

fered on the floor requiring voter approval, the bill passed with a 70 to 17 vote.

Adult relatives are permitted in H. B. No. 41 to make irrevocable gifts of securities to minors without requiring an interim guardian. This bill passed with a 73 to 17 vote.

Sauger, now a rough fish, was added to the list of game fish in H. B. No. 118, which received unanimous house approval.

The present \$200,000 maximum which a village may deposit in any one bank, had the dollar limitation removed in H. B. No. 80, which passed in the house with an 85 to 2 vote.

The slogan "Water Wonderland" will be plainly printed on each car license plate if the senate goes along favorably with H. B. 23, which the house passed this past week with only six dissenting votes.

Macomb County is given a third circuit judge in H. B. 110 which passed with an 84 to 0 vote in the house. Under the provisions of this bill, the third judge will be elected in the November 1956 general election, assume his duties on January 1, 1957, and serve until the time providing for the regular election of circuit judges. Because nominating petitions must be filed early in June to qualify a candidate for a place on the November ballot, immediate effect was given to the bill.

An important bill to receive unanimous favor in the house was H. B. No. 1, a codification of the insurance laws of the state. There are no substantive changes in the insurance laws, but merely the reorganization in a sensible manner into one code, the insurance laws of this state.

The house also passed H. B. 123 which removes the need for the commissioner of agriculture to submit approved audited bills of the agricultural marketing conference to the state administrative board as at present. In the future, if the senate sees fit to go along with the house on this measure, the approved, audited bills will be submitted by the agricultural commissioner for payment in accordance with the accounting laws of the state.

H. B. 161 amending the Michigan Public School Employees' retirement act, also received favorable action in the house. This bill would permit refunds of school employees' retirement money to members earlier than previously allowed.

On February 22, a public hearing will be held in the house chambers on H. B. No. 104 and

H. B. No. 105, the gift and inheritance tax acts.

On February 23, the house agricultural committee will hold a public hearing at 7:30 p. m. in the house chamber on H. B. No. 117, which provides for the promotion of agriculture by encouraging proper labeling of Michigan products with a "Michigan's Best" label.

It is expected that the public hearings listed above will draw good sized crowds on those two evenings.

### Irene Rebekah Lodge Observe St. Valentine's Day

Last Wednesday evening, February 15, the members of Irene Rebekah Lodge celebrated St. Valentine's Day after the regular lodge session. Members of Baldwin Lodge, IOOF, were guests.

A social time followed with refreshments served in the dining hall. Tables were beautifully decorated with a valentine centerpiece and red and white lighted candles. A valentine at each place read by guests added a humorous touch to the occasion. Hostesses were Mrs. Fedora Nelem, Mrs. Anna Hanson and Mrs. Pearl Wickert.

(It's the Buick SPECIAL—and you really ought to try it!)

This is the one that's going to town in a BIC way. And you'll know what we mean when you take its measure—by any yardstick you choose.

By the pound and inch, it's the biggest bundle of high-powered action and high-fashion luxury ever offered in Buick's lowest-priced Series.

By the dollar sign, it's a value so big that Buick outsells every other car in America except two of the well-known smaller ones.

But not till you've put this 1956 Buick SPECIAL to the road can you know what a big-time performer it really is.

You'll know it by the instant response and purring might of a 322-cubic-inch V8 engine that's been lofted to new peaks of power and compression.

You'll know it by the flash-away action of a new Variable Pitch Dynaflo\* that steps up getaway and gas mileage in normal situations—and zooms to full-power acceleration for a needed safety-surge when you floor the pedal and switch the pitch.

You'll know it by your complete mastery of a big car that handles like a dream—steers like a wish—and rides like a cloud in the blue.

**BIG**—that's the word for this Buick SPECIAL . . .

**BIG**—coming, going, or standing still . . .

**BIG**—in its stretch-out roominess—in its sweeping beauty—in its solid steadiness . . .

**BIG**, most of all, in the way it makes your money talk . . .

Come in—soon—and let this Buick speak for itself. We think you'll find it sweet listening.

### 'Farmers Fight for Survival,' Farm Bureau Tells Unions

The Grant Farm Bureau met at the Grant Township Hall with Mr. and Mrs. Clarence Herriman as hosts.

The business meeting was opened by chairman, Lawrence Ball. Roll call, given by Mrs. V. Bietz, found 27 present. Reports were given by Mr. Lloyd Little, stating at their meeting, the Farm Bureau women were asked to bring "Fennies for Friendship" from the group, and that the women's group would put the roll call dinner on February 20.

A discussion was opened by Mrs. Earl Herriman on the subject, "Farmers Cooperatives Fighting for Survival." A lively discussion followed with most of

the group not knowing what a big part it has played in a farmer's life, as far as saving him money when he makes use of the cooperatives.

Mr. Little brought before the group a feeling that is growing among the CIO and AFL that Farm Bureau is fighting them. It was a surprise to all members of the group who do not belong to either union. It was decided to ask the members of the county committee of the unions to meet with the Farm Bureau at the next meeting to assure the unions that the Farm Bureau members are working for what is good for the farmer and his survival alone.

Mr. and Mrs. Lloyd Finley were guests. They came to show films of the Watt school children and parents enjoying the Finley's winter sport project they have for their own children.

Mr. and Mrs. Clarence Herriman will be hosts at the next meeting March 14.

### Lower Hemlock

Henry McLeod of Cabri, Saskatchewan, who spent several weeks with the Glen McLeods and friends, left last Monday. He will visit along the way en route to his home.

The Laidlawville Home Demonstration Group met with Mrs. Charles Koeppel Tuesday of last week with 17 ladies present.

Friends of Mrs. Johanna Staudacher are sorry to hear of her being at Tawas Hospital with a broken ankle caused by a fall.

Friends are pleased to hear Mrs. Leo Welina, who is a patient at Tawas Hospital, is much improved in health.

Mr. and Mrs. Clayton Ulman returned home Friday from Fort Bragg, North Carolina, where they spent a week with their son, Robert Ulman, who is stationed there.

Little Kim Simons, who was a patient at Tawas Hospital, returned to his home Saturday.

Waldo I. Curry was a Sunday visitor of Mr. and Mrs. Arthur Leitz in Wilber.

Mrs. Elizabeth Miller, who spent several weeks in Midland with her daughter, came home and is staying at the Henry Schatz home.

Saturday and Sunday visitors of the Walter Millers were: Mr. and Mrs. Donald Coates of Flint, Mr. and Mrs. Harold Coates and Danny of Sand Lake, Dorothy Elliott of the Meadow Road and Mr. and Mrs. Martin Mueller of Tawas City.

Mr. and Mrs. Victor Bouchard and Mrs. Otto Kobs Sr. of Tawas City spent Sunday in Bay City with Mr. and Mrs. Richard Reinke and daughters.

There was no school at Vine district Monday on account of the furnace being out of order.

Mrs. Walter Miller is very much improved in health after her recent illness. Her daughter, Mrs. Nancy King, who spent three weeks with them, returned to her home in Detroit.

Mr. and Mrs. Waldo J. Curry entertained five couples at their home Saturday evening in honor of Waldo's birthday anniversary. Canasta was played and a delicious lunch was served by Mrs. Curry.

Little Rodney Proulx, 20-month-old son of Mr. and Mrs. Ennis Proulx, fell down a few steps at the Waldo J. Curry home and fractured his collar bone.

Mr. and Mrs. Wilfred Youngs, who spent a month in California and Arizona, arrived home Sunday evening accompanied by their son, Donald Youngs, who was discharged from service in the United States Air Force after serving four years.

Paul Anschuetz, who spent a month at the Wilfred Youngs home during their absence, returned to his home Sunday evening.

Young peach and apple trees need to be pruned differently. Apples need to be pruned by the modified leader method while peach trees require the open-center method. Most other fruit trees should be pruned according to the modified leader method.

Bearing fruit trees also need to be pruned regularly. Prune vigorously growing trees less severely than slowly growing trees.

Peach trees should be pruned yearly and more severely than other fruit trees, but again, wait until the danger of freezing is past.

Here is news from up Hale way.

A registered Guernsey cow, Plainfield D. Lynda, owned by Muriel Graves and Henry and Karl Luitje, has completed an official advanced registry record of 9,199 pounds of milk and 427 pounds of fat in two times daily milking for 305 days, and meeting requirements. She started her record as a junior two-year-old. This production represents approximately 4,400 quarts of high-quality milk.

"Lynda" is the daughter of the registered Guernsey sire, Cowham Farm Maxine's Don, which has two tested daughters in the performance register of the American Guernsey Club.

This record was supervised by Michigan State University and was reported to the American Guernsey Cattle Club for approval and publication.

Do you know how to tell good hay from poor hay? That is not as silly a question as it sounds. It sometimes stumps the experts when the only clue is how the hay looks after harvest, say Michigan State University crops specialists.

You are liable to make a bad guess when you just rely on how green the hay is, they contend. The reason: Alfalfa that is cut in the early bloom stage usually is better than green hay that was harvested in full bloom without rain damage.

So the specialists say, old bossy really is not "off her rocker" when she sometimes passes up the green hay for the brown.

A group of 14 Michigan State University staff members recently found out how deceiving the appearance of hay can be when they judged some samples. And they knew the harvest date and the amount of rain that hit the hay.

Most of the staffers placed the medium quality hay in the right category. But most of them overrated the poor hay and underrated the top quality forage.

### Civil Service Announces Vacancies in Professions

There is an urgent need for chemists, mathematicians, metallurgists, physicists and electronic scientists in the Washington, D. C., area, the United States Civil Service Commission has announced. Vacancies are in various federal agencies and pay salaries ranging from \$4,345 to \$11,610 a year.

Further information and application forms may be obtained from Joseph Dimmick at East Tawas, or from the United States Civil Service Commission, Washington 25, D. C. Applicants should ask for Announcement No. 46 (b). Applications will be accepted by the board of United States Civil Service Examiners, National Bureau of Standards, Washington 25, D. C., until further notice.

The National Safety Council reported an eight percent increase in traffic fatalities last year, though the total fell short of 1941, the worst year in history.

## Telephone Lines of the Tawas

CHET MAHER  
Michigan Bell Manager

ADDITIONAL TELEPHONES make life easier for the entire family. Telephones in the kitchen, the playroom, the bedroom—wherever they are needed—save time and steps. These additional telephones are especially important if you have a baby or two in the house. With a telephone at your finger tips, you don't have to leave your tots even for a minute when the phone rings. (And a minute is all they need for harm or mischief!) Why not ask about those additional phones today? They only cost a few pennies a day.

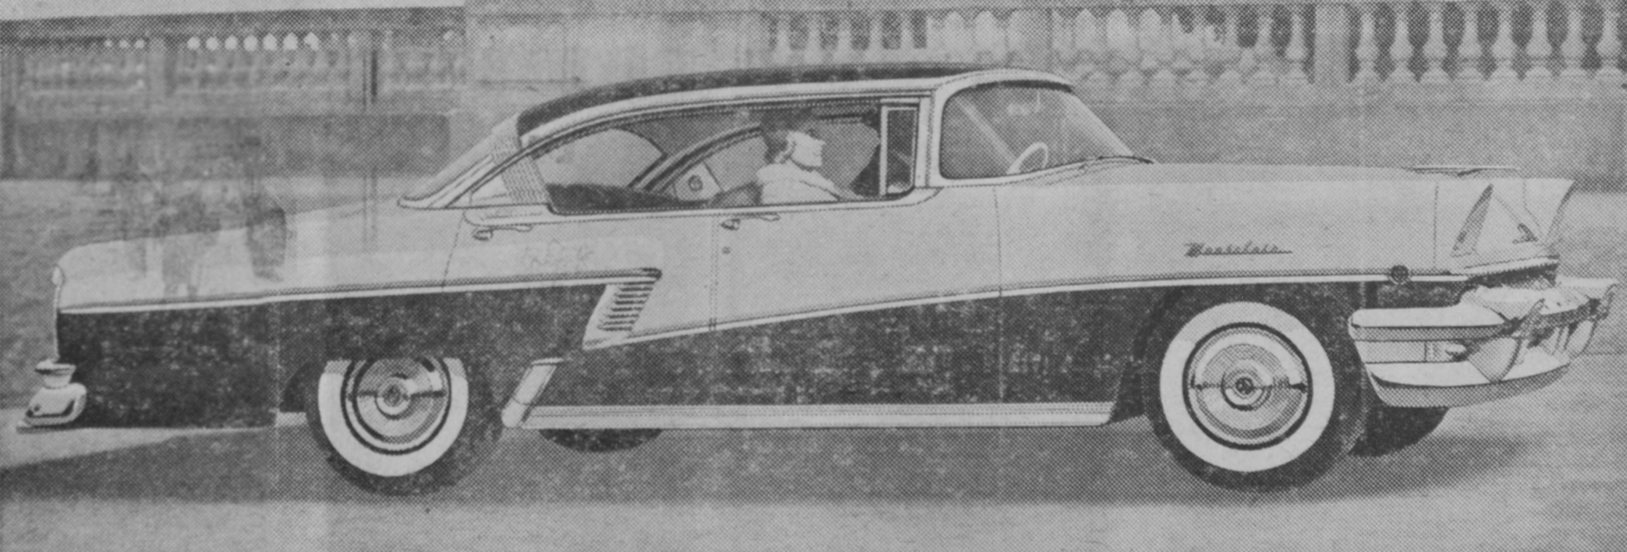

THERE SEEMS TO BE no end to the value of the telephone! New uses for it are turning up almost every day. For instance, a supermarket recently requested Michigan Bell to install telephone outlets at the end of the shelves, with lines running to the stock room. As soon as the merchandise runs low, the shelves can be immediately replenished. So the chances are when you walk into this store, you'll find just what you're looking for, right where it belongs. The telephone does serve in so many ways, doesn't it?

DO YOU SAVE pieces of string? The telephone company is like that... only more so. Odds and ends of wire and worn parts are carefully collected because they have real value. Tons of this scrap are shipped each year to Western Electric, supply unit of the Bell System. There they are fed into giant furnaces, melted and remade into wire and brand-new parts. This thrifty economy is important to all of us because it helps keep the cost of telephone service down.

# HELP EISENHOWER pass the new farm program

## You will benefit this year if Congress acts before spring planting time

"Although agriculture is our basic industry, farm families find their prices and incomes depressed amid the nation's greatest prosperity. . . . An oversupply of commodities drives down prices as mounting costs force up from below, generating a severe price-cost squeeze. . . . Remedies are needed now, and it is up to the administration and the Congress to provide them swiftly. As we seek to go forward, we must not go back to old programs that have failed utterly to protect farm families. . . . I recommend, therefore, the following nine-point program. I urge the Congress to pass this program with maximum speed, for delay can only aggravate and multiply the difficulties already sorely harassing millions of our rural people."

*Dwight D. Eisenhower*  
From the President's special farm message to Congress.

### The Eisenhower-Republican 9-Point Farm Program

- A VOLUNTARY, 2-POINT SOIL BANK** to take 40 to 45 million acres out of production of your problem crops, get rid of the surplus, raise prices. An Acreage Reserve which uses the surplus to reduce the surplus. A Conservation Reserve to prevent future surpluses and to build back soil for future needs.
- LAWS TO PERMIT FASTER SURPLUS DISPOSAL** especially in foreign markets. Selling, not storage, is the answer.
- STRENGTHEN COMMODITY PROGRAMS** on wheat, corn, dairy products, soybeans, cotton and rice. Ease production controls wherever possible.
- PROTECT FAMILY-TYPE FARMS** by limiting the size of price support loans made to large corporate-type farms.
- EXPAND RURAL DEVELOPMENT PROGRAM** to help low-income farm families live better, earn more.
- PUSH FORWARD THE GREAT PLAINS PROGRAM** to stabilize income in drought-stricken areas, and to prevent another dust bowl.
- INCREASE FARM RESEARCH APPROPRIATION** to find new uses and new markets for farm crops, lower production costs and increase farm profits.
- ASSURE ADEQUATE CREDIT TO FARMERS** to meet capital needs of present farmers, help young farmers get started, tide farmers over emergencies.
- REFUND GASOLINE TAX TO FARMERS** on motor fuel used in farming operations.

### Answers to some of your questions

**Q: Why will it work?**  
A: Because this is a program for farmers by farmers. We asked for, and got, sound advice from hundreds of farm leaders and thousands of farmers everywhere. This program gets at the root of the problem on a practical, non-political basis. It contains no double-talk or bureaucratic theories. It is the most business-like, down-to-earth approach to the business of farming and marketing of farm products this country has ever had.

**Q: Why is it a more practical program than others that have been offered?**  
A: Because it is especially tailored to today's peacetime conditions. It hits right at the problem of price-depressing surpluses built up because of wartime policies too long continued. These surpluses hang over your farm like a hidden mortgage.

**Q: Will all farmers benefit?**  
A: This program will directly benefit all farmers everywhere: producers of food grains, feed grains, oilseed and fiber crops, dairymen and livestock producers. It recognizes the special problems of regional groups and producers of certain crops.

**Q: Will this program help strengthen farm prices?**  
A: Yes. The present mountain of surplus, and the threat of future surplus, now holds down prices. Every farmer realizes that "a government warehouse is not a market." As surpluses are used up prices will inevitably rise. (Marketing people have estimated that net farm income would have been \$2 billion higher in 1955 if it were not for the surpluses.)

**Q: How much will it help?**  
A: Hundreds of millions of dollars in payments to farmers can be made this year under the Soil Bank plan alone if passage is not delayed. This is in addition to its effect in strengthening farm prices. Farmers would also get \$60,000,000 a year tax refund on gasoline used in their farming operations.

**Q: How big is the surplus?**  
A: The government now holds an \$8-billion stock of farm products. We can't shut our eyes to it, throw it into the ocean or plow it under. It costs about a million dollars a day for storage and carrying charges alone.

**Q: Why do surpluses drive down livestock prices as well as grain prices?**  
A: Continued overproduction of grains not only clogs the grain markets but forces continued expansion in an already over-expanded livestock production. Livestock prices as well as grain prices would be higher today if it were not for the surplus.

**Q: Why is the new Soil Bank Plan the most sensible approach to the surplus problem?**  
A: It will get rid of the surplus and prevent future surplus from piling up. It will stop the shift of another farmer's problem crops to your problem crops.

**Q: How does the Soil Bank "Acreage Reserve" use the surplus to reduce the surplus?**  
A: In exchange for placing a portion of their allotted crop acres in the Soil Bank (removing them from production entirely for an agreed period), farmers will receive certificates. These certificates will be good for cash at the bank or for commodities drawn from surplus government stocks. In this way farmers will be using up the surplus instead of adding to it. This part of the program applies to corn, wheat, cotton and rice.

**Q: How will the Soil Bank "Conservation Reserve" keep future surpluses from building up?**  
A: It will take 25 million acres out of all crop and livestock production for several years. This land will be put into grass, trees or water storage. It is voluntary and provides generous incentives for wide-spread participation. It, too, will help livestock producers as well as grain producers since it will reduce the surplus of feed grains that put more and more people into the livestock business.

**Q: Are these programs entirely voluntary?**  
A: Yes. President Eisenhower and the Republican Party believe it is a basic right of every farmer to be free to plan his own farm program and make the best use of his land that he knows how. They also believe that farmers should have the chance to build up their soil without loss of income. The well-being of all Americans, as well as the future prosperity of farmers themselves, depends on maintaining productivity of our soil resources. Farmers who participate will no longer feel that they are forced to farm every acre to the limit, producing crops that aren't needed, in order to keep their income up.

**Q: How do I benefit if I put some of my acres in the Soil Bank?**  
A: You get an opportunity to restore the fertility of your soil and at the same time you are assured of an income from the land you retire. As surpluses are reduced, prices will increase on crops you do produce.

**Q: Why will Soil Bank participation help insure my income?**  
A: It will strengthen your cash position by giving you a guarantee—in effect, income insurance. The acres you take out of production will provide income regardless of drought, flood or other disaster.

**Q: How will the Soil Bank help livestock producers?**  
A: With less feed grains being produced, fewer farmers will feel that they have to raise more livestock to "piece out" their income due to surplus-depressed prices of grain. Participants in the Soil Bank plan will sign an agreement not to graze their diverted acres.

**Q: When does it start?**  
A: Just as soon as the necessary legislation can be enacted. The President has urged all possible speed so farmers can plan their plantings and benefit fully during the present crop year. Your Republican members of Congress are behind the President. They believe the more you know about the program, the more you can help. You can help by writing members of Congress urging immediate action.

Tuesday, February 28—Adult Recreation School in Standish. March 3-11—National 4-H Club Week.

Friday, March 2—4-H Club openhouse at Reno Township Hall for the Topnotchers.

Wonder if those Reno Topnotchers 4-H Club members have discussed that the date of their openhouse is a fitting "kick-off" for National 4-H Club Week which is March 3 to 11.

Members and leaders are busy with plans for this openhouse occasion when parents and others are invited to see the work done and being done on projects. A program of demonstrations and movie is planned. Certificates of Achievement will be presented for completed projects. This is the time, too, when special awards are made for accomplishment in the 1955 4-H Club year, including the pin award for two or more completed projects in the year.

We would like to tell our column readers which 4-H Clubs will make displays during National 4-H Club Week and where they will be placed. Reporters, this is a bit of publicity you can add to your news. Prepare your material for next week's column so folks will know when and where to see what your club has arranged.

We had a short letter from Franklin Bischoff. He is being kept out of mischief doing all sorts of things. Would you like to write him a letter? The address is: Pvt Franklin Bischoff, US 55-55752, Co. B, 8th Quartermaster, Fort Leonard Wood, Missouri.

Can you sight a gun correctly? Do you know what "trajectory" means? Members of the Ottawas gun safety project know now, since their project meeting Monday, February 13. Next meeting is to be Tuesday, February 28, says Robert Cagle, reporter.

Iosco County took honors for the number of leaders present at the training school in Standish last week. In the food preparation class were Mrs. Earl Daugherty, Mrs. William Sueden, Mrs. Ira Scofield and Mrs. Pat Nardizzi. George and Robert Waters and William Laidlaw attended the livestock leadership session. These leaders will share their information with other leaders of these projects within a week or so.

We have several reservations for the adult recreation school in Standish April 29. If you want to join the fun make your reservation right away. The hours are 10:00 a. m. to 3:30 p. m. and the place is the Trading Post Restaurant. Pooled rides will be arranged when all the reservations have been received. Do not delay. ## Police Chiefs Ask Support of Chemical Test

The executive committee of the Michigan Association of Chiefs of Police has sent a communication to State Senator Harry Hittle, chairman of the senate judiciary committee, urging support of a bill now before the committee which would make admissible as evidence the results of chemical tests of drivers for intoxication.

Meeting at Michigan State Police headquarters, the executive group adopted a resolution urging that the bill be enacted and also requested that its members be given an opportunity to appear at a hearing when the judiciary committee has the measure up for consideration.

Police have been seeking passage of such a law for several years, but each time the proposal has failed of approval. Chemical tests are now made but the findings must be supported in court by expert testimony. The bill would eliminate the latter necessity on the ground that the test results are scientifically accurate and do not require supporting testimony.

When Winston Churchill was asked to compare politics with war, he explained: "Politics is almost as exciting as war, and quite as dangerous. In war you can be killed only once, but in politics many times."

### LEGAL NOTICE

**STATE OF MICHIGAN**  
IN THE CIRCUIT COURT FOR THE COUNTY OF IOSCO  
IN CHANCERY  
ORDER FOR PUBLICATION  
Val J. Fallu and Demerise M. Fallu, his wife, Plaintiffs,  
-vs-  
Judson M. Peaslee, Roy E. Hausch, Mrs. Anna G. Woollever, or their unknown heirs, devisees, legatees and assigns, Defendants.  
At a session of said court held at the County Building in the City of Tawas City in said County on the 30th day of January, 1956.  
Present: Hon. Herman Dehnke, Circuit Judge.  
On reading and filing the bill of complaint in said cause and the affidavit of Val J. Fallu and Demerise M. Fallu, his wife, attached thereto, from which it satisfactorily appears to the court that the defendants above named, or their unknown heirs, devisees, legatees and assigns, are proper and necessary parties defendant in the above entitled cause, and,  
It further appearing that after diligent search and inquiry it cannot be ascertained, and it is not known whether or not said defendants are living or dead, or where any of them may reside if living, and, if dead, whether they have personal representatives or heirs living or where they or some of them may reside, and further that the present whereabouts of said defendants are unknown, and that the names of the persons who are included therein without being named, but who are embraced therein under the title of unknown heirs, devisees, legatees and assigns, cannot be ascertained after diligent search and inquiry.  
On motion of Herbert Hertzler, attorney for plaintiffs, it is ordered that said defendants and their unknown heirs, devisees, legatees and assigns, cause their appearance to be entered in this cause within three months from the date of this order, and in default thereof that said bill of complaint be taken as confessed by the said defendants, their unknown heirs, devisees, legatees and assigns.  
It is further ordered that within forty days plaintiff cause a copy of this order to be published in The Tawas Herald, a newspaper printed, published and circulated in said county, such publication to be continued therein once in each week for six weeks in succession.  
HERMAN DEHNKE,  
Circuit Judge.  
Countersigned:  
George A. Prescott,  
Clerk of Circuit Court.

TAKE NOTICE, that this suit, in which the foregoing order was duly made, involves and is brought to quiet title to the following described piece or parcel of land situate and being in the Township of Baldwin, County of Isosco and State of Michigan, described as follows, to-wit: The North half of Lot Nine (9) of the Supervisor's Plat of Pinehurst Subdivision, as recorded in the office of the Register of Deeds of said County on December 9, 1938 and appearing thereon as parcel 26, and the part of Lot Ten (10) of said Subdivision lying South of the following described line:  
From the section corner common to Sections 13, 14, 23 and 24 of Township 25 North, Range 8 East, thence North 88° 30' East 990 feet, thence North 80° 2' East, thence North 88° 30' East 735.2 feet as previously reported and shown on print prepared by the late J. W. Applin, a Registered Land Surveyor and dated 1924, to the point of beginning of disputed line, thence North 88° 30' East 23.42 feet, thence South 46° 30' East to the water's edge, with reinforced concrete monument now set at 94 feet from terminal of last reported line with bearing North 88° 30' East.

RECOGNIZE THIS FARM? If you do, telephone The Tawas Herald office with your answer or jot it down on a post card and mail it in. A free subscription is awarded each week to two winners. The owner of the farm gets a free five by seven inch photograph of his farm.

'MYSTERY FARM' IS NO SECRET TO 25 READERS

Twenty-five persons identified the "Mystery Farm Contest" picture last week as the old McMullen Farm in Wilber Township. The farm is now owned by Mr. and Mrs. Lawrence Trevelan.

Contest winners this week were Mrs. Jack Alda of East Tawas, Star Route, and Harry Goodale of Tawas City. The two winners were each awarded a one-year subscription to The Tawas Herald.

The 10th picture in the 52-week contest is shown at the top of the column. Anyone recognizing the farm should call or write this newspaper office giving the answer.

Mrs. Jack Alda, East Tawas.

13TH ANNUAL BOWLING TOURNAMENT UNDERWAY HERE LAST SUNDAY

The 13th annual Tawas City Open Bowling Tournament got underway last Sunday at the Tawas City Recreation. The tournament will run on consecutive week-ends until March 28.

Top scores rolled in doubles were: W. Neely-A. Pike, Gladwin, 1,329; R. Bushey-J. Chandler, Harrisville, 1,286; H. Moore-J. Caffrey, Gladwin, 1,245; L. Cone-F. Rechthel, Gladwin, 1,229; H. Gauthier-H. Herard, Harrisville, 1,177, and V. Rasche-C. Johnson, Harrisville, 1,163.

This is the largest open bowling tournament of its kind northeast of Bay City. It draws teams from the entire Northeastern Michigan area. Last year's prize list totaled \$2,000.

Sanctioned by the American Bowling Congress, the tournament is managed by Edward Sieloff of Tawas City.

Services to be Held Today for Mrs. Cecil Drumm Funeral services will be held Thursday afternoon at the Jacques Funeral Home for Mrs. Cecil Drumm, who passed away February 20 at Grand Ledge from a paralytic stroke.

A prayer service was held Wednesday morning at the Peters Funeral Home in Grand Ledge with the Rev. Richard Duearme of the Methodist Church officiating. The body was brought here and services will be held at 2 o'clock with the Rev. W. A. Gregory officiating. Burial will be in the Greenwood Cemetery.

Mary A. Wright was born May 3, 1889, at Meigs County, Ohio. The family lived in this community for several years before moving to Grand Ledge about four years ago.

She is survived by her husband, Cecil, five daughters, two step-daughters, five sons, two step-sons, two sisters, two brothers, 38 grandchildren and five great grandchildren.

Whittemore Cards Swamp B.C. St Joseph

The Whittemore Cardinals swamped the visiting Bay City St. Joseph Yellowjackets to the tune of 80-50 for their 16th straight win here Friday night.

Whittemore started off fast with the visitors most helpless against the fast-moving attack of the Cards, who racked up 19 points in the first quarter to the visitors' six. They stepped up the pace even more in the second quarter when they poured 27 points through the hoop against a Class C team rated as one of the better teams of the Bay City area.

Leading at halftime by 32 points, the Cards used all the players on the squad in the last half and still played the Jackets on fairly even terms, losing ground only in the final period.

Coach Nixon lost the services of his star center, Weidner, early in the third quarter when he was ejected from the game for unsportsmanlike conduct following the calling of a personal and technical foul on him.

The Cards again showed their well-balanced scoring ability that given them one of the best Class D records in the state. Four players scored in double figure: Pregel with 20, Freel with 18, Pavlik, 16, and Dunham, 15.

Delisle led the losers with 19 points. The Card Junior Varsity also won their game 29-25 with Ott and Graham leading the way with eight and seven points. Daugherty and Alavie also scored eight and seven points for the Jackets.

These games were a homecoming affair for Whittemore with the Card players of former years being honored between games by Supt. John Halbert and Student Council President Sonna Charters.

Parking (Continued from page 1.) made to bring several streets to grade this spring.

Supt. of Public Works Reginald Bublitz gave councilmen a brief outline of the city park and park dock project during the past two years. Bublitz explained that during the past two years, park and dock improvements totaled \$17,883.43, funds for which came from donations, past park funds, boat dockage, traffic fines and a small part from taxes.

He said that an unpaid balance of \$2,427.88 remained with a cash balance of \$291.34 in the park fund.

Bublitz stated that this year it is hoped that a sanitary sewer will be extended to the park and plans at present call for the construction of a road past the new bathhouse which would separate the bathing beach from the picnic area. The park board is also considering the construction of a large concrete slab in the park which can be used for recreational sports such as shuffleboard, volley ball and badminton. The slab would be used as a base for a skating rink in the winter.

The council approved a building permit requested by Howard Hatton for construction of a new front on the Hatton Barber Shop.

Literary Club Observes Ash Wednesday at Meeting

The East Tawas Ladies Literary Club met at its club rooms last week Wednesday. The business session was conducted by Mrs. C. S. Everett.

In observance of Ash Wednesday the program chairman, Mrs. Russell McKenzie, introduced the Rev. Richard Jennings, speaker of the day.

Mr. Jennings' theme was "How the Literature of a People Reflects its Culture." He traced the trend of literature from the early writers and philosophers of ancient history to the present day.

He stated that although we profess to live in a Christian culture our literature of today shows a secular humanistic culture. "We love things and use people for our own ends," he stated.

After the program, business was discussed. The president announced election of officers for the March 7 meeting at 8:00 p. m. There will be a cosmetic demonstration by Mrs. D. M. Small.

After the meeting the following hostesses served refreshments: Mrs. Ben Wilson, Mrs. McKenzie, Mrs. Herman Moehring and Mrs. Thomas McMahon. Mrs. L. G. McKay Sr. presided at the serving table. Decorations were a centerpiece of pink flowers in a pale blue and silver setting.

THREE ESCAPEES FREE ONLY SEVEN HOURS

Three escapees from the Oscoda County Jail at Mio were returned to custody late last Wednesday night after one of the most extensive manhunt in recent years in Northeast Michigan.

The trio had overpowered a deputy sheriff earlier in the afternoon, stopped his service revolver and other arms and made their getaway in a car which was parked outside the jail.

The three convicts, Clayton Yost, 23, of Bay City, Andrew Petrowski, 21, of Auburn and William Rogers, 29, of East Jordan, were awaiting trial on breaking and entering charges before the jailbreak. They had been returned there from prison to stand trial.

Captured at 8:30 Wednesday night, the men were only free for about seven hours for their efforts. After their successful break, the men fled in a stolen car, eluded sheriff's posses from several counties and Michigan State Police. They were finally captured in a field near Barton City, Alcona County, after they abandoned the car.

The three men are now being held at the Arenac County Jail in Standish under solitary confinement.

Flint Men Arraigned on Breaking-Entering Charge

Four Flint men were arraigned before Justice H. E. Friedman on breaking and entering charges this week. They are being held at the Iosco County Jail on default of a \$1,000 bond.

The four men, Allen Gear, 17, Carroll Young, 23, Gaylon Pritchett, 18, and Ernest E. Riley, 20, were charged with breaking and entering the Howard Burlingame cottage at Sand Lake. Their arrest by sheriff's department and state police officers was brought about after questioning Pritchett and Riley, who were serving a 30-day jail sentence for contributing to the delinquency of a minor.

Rogers City Defeat Braves Friday, 61-42

The Tawas Area Braves, unable to find the right defense to stop Rogers City's high scoring forward Paulus, came out second best last Friday night as Rogers City beat them to the post with a 61-42 win.

The Braves' season record now stands at three wins and eight losses. In their last encounter on the hardwood, prior to Friday night's fracas, the Braves scored a 61-54 win over Hale.

Although Forward Paulus, with 22 points for the winners, added much to the woes of Coach Mark Debaugh, his main concern appears to be the lack of a high scorer among his charges.

Lepard and Guyette, two mainstays of the Debaughmen scoring department, fared well, but the Braves did not have the scoring punch to cope with three Rogers City players who scored in double figures.

Earlier this season the Braves edged Rogers City on their home court by a 70-65 score, but Friday night the Northerners were not to be denied after they held a six-point lead at halftime.

Rogers City took an early lead, scoring 12 points to the Braves' 10 in the first quarter. They countered with 16 more points in the second quarter, Tawas scoring 10.

After halftime, Rogers City hooped 17 points in the third quarter to the Braves' 12 and then came back with 18 more markers in the final stanza to the Tawas aggregation's 10.

Leading Rogers City in scoring besides Paulus, were Smolinski with 14 points and Selke with 10. Lepard scored 12 and Guyette, 10, for Tawas.

The Tawas Area JVs won over their Rogers City opponents by a 45-34 score. The local team was led by Bill Mick with 14 points and Ken Bublitz with 10. Andrzejewski led Rogers City with 13.
