A Valentine party will be held next Wednesday evening at Irene Rebekah Lodge following the business meeting on February 15. Members of Baldwin Lodge, IOOF, are invited.

Miss Shirley McKenzie of Sparrow Hospital, East Lansing, and Jerry McKenzie of Michigan State University spent the week-end with their parents, Mr. and Mrs. Russell McKenzie.

Miss Jean Hertzler of Midland spent the week-end with her parents, Mr. and Mrs. Herbert Hertzler.

Sally's Shop Moves to New Location; Next Door

Sally's Shop in Tawas City, owned by Maori and Charles Kurtzrock, is moving to a new location, next door in the Tawas City Recreation Building. The shop had been located in the Docket building since its establishment here.

The new store, which offers more floor space, is now being redecorated. Business will go on as usual during the move. A grand opening will be held later, the owners stated.

"Our new location will offer better display for new, larger and more complete apparel lines to our customers," Mrs. Kurtzrock stated.

Reaches Semi-Finals for General Motors Scholarship

David W. Butterfield, a senior at Tawas Area Schools, was notified this week that he was one of 1,000 semi-finalist candidates who were selected to enter the final competition for the 100 General Motors national scholarships to be awarded in 1956.

Finalist candidates were selected on the basis of high academic promise through a written test which was given last month.

He is the son of Mr. and Mrs. Ronald Butterfield of East Tawas.

1956 Silver Valley Carnival Brings Out Large Number

Described as one of the most successful winter sports carnivals in its 10-year history, the annual Silver Valley Winter Sports Carnival, which opened Saturday evening, closed Sunday night with an estimated 10,000 people jamming the area over the week-end.

With perfect weather conditions on Friday, Saturday and Sunday, all facilities at the park were in top operating condition during the carnival. Toboggans operated from early morning to late evening, tin pan slides and skating proved popular and a check of receipts Monday night indicated that Sunday's crowd at the new ski area broke all previous records.

Highlight of the three-day festival was the crowning and coronation of Miss Judy Stanton of Saginaw as Miss Silver Valley of 1956. Queen Judy was crowned during ceremonies Saturday night at the Tawas Area School gymnasium in Tawas City by Bob Reynolds, popular WJR-Detroit sportscaster.

This Sunday the winter sports committee will be host to a group of friends from the Bay City Orthopedic Girl Scout Troop. Several of the girls are unable to walk and the committee has made arrangements to transport them to Silver Valley and also tour through Perchville.

The selection of Miss Stanton as the new ruler was made by Russell Church, chairman of the queen's contest committee, shortly after the 13 finalists made their appearance on the stage which was beautifully decorated with a winter sports background. The crowd which jammed the building for the event was estimated as the largest in the history of the affair.

After the 1955 queen, Miss Barbara Young, turned the crown over to Reynolds, he placed the crown on the new queen's head and declared her ruler during the next year.

Members of her court included Mrs. Martha Bolen of East Tawas, Dixie Lee Osterman of Flushing, Donna Groff of Tawas City, Marilyn Baldwin of

Saginaw, Donna Marsh of Bay City, Betty Lungner of Bay City, Harriet Fortune of Whittemore, Shirley Proper of Tawas City, Delores Fiori and Dorothy Stewart, both of Flint, Sharon Sweeney of Oscoda and Peggy Busha of East Tawas.

In winning first place in the popularity-personality contest sponsored by the winter sports committee during the past six weeks, Miss Stanton was awarded her grand prize a seven-day, six night trip via Pan American Airways to Bermuda and gifts of clothing, a ski outfit, a record player, a clock, a modeling course, dancing lessons, a two-week vacation courtesy the Avis Rent-A-Car System.

All contestants were awarded prizes at the conclusion of the coronation, including wrist watches to Mrs. Bolen, Miss Osterman, Miss Groff, Miss Baldwin and Miss Marsh for their extra sale effort during a 10-day period prior to the closing of the contest. All contestants received a percentage of the receipts from the sale of tickets and special gifts donated by the businessmen.

During the ceremony, ex-Queen Barbara Young was sworn into the United States Navy as a WAVE by representatives of the Detroit Lions, and Robert Powell of a Detroit advertising agency and former "Perch King" of the Tawas.

Reynolds made his 6:30 o'clock sportscast from the East Tawas Community Building Saturday night. Interviewed on the program were George Baldwin, chairman of the winter sports committee; Russell Church, chairman of the queen's contest committee; John Pinter, member

Cederberg Will Speak at Republican Banquet

Iosco County Republicans will hold their first Lincoln Day dinner in 10 years at the Barnes Hotel in Tawas City Monday, February 13. The plantation style dinner will be served at 7:00 p. m.

Guest speaker for the affair will be Congressman Elford A. Cederberg. Special guests include Mrs. Ray C. Hooker, Republican national committee woman; State Senator Charles T. Prescott and State Representative James Mielock.

The Iosco County Republican Committee has invited three surrounding counties to participate in the dinner, which include Alcona, Ogemaw and Arenac.

Tickets may be purchased from: William Curtis, Whittemore; Bert Stickney, Oscoda; George Myles, Tawas City; Mrs. Lutie O'Loughlin, chairman of the Iosco County Women's Republican Committee; George Prescott, county clerk; Grace Miller, county treasurer; Dale Bradley, Hale, and Elmer Werth and Gordon Everett of East Tawas.

New Owners Take Over Operation of Restaurant

Announcement of the sale of McNeil's Restaurant in Tawas City to Mr. and Mrs. Ivan Castagnier of Flint was made this week by Mr. and Mrs. Norman McNeil, former owners. The new owners took over the business Tuesday morning.

The Castagniers have been in the restaurant and tavern business for many years and formerly had businesses in Flint, Vassar, Arizona and New York. Mr. Castagnier said Tuesday that at present he does not plan to change the name of the restaurant. The transaction was negotiated by William Borosch Realty of Tawas City.

The Castagniers are the parents of a daughter, Darlene, who is a senior this year. Mr. and Mrs. McNeil are the owners of a cabin court, formerly Goffs, in Tawas City.

Dated: February 7, 1956.

Seriously Injured When Car Crashes Into Bridge

Reported in critical condition at St. Mary's Hospital, Saginaw, is Harold Colby, 43, of Tawas City, who was seriously injured early Saturday morning when his car crashed into a concrete abutment on the Tawas River Bridge.

A report from the hospital Wednesday stated that there was little change in his condition and that he was still unconscious.

Colby suffered a depressed skull fracture and other head injuries. He was driving alone when the accident occurred.

Witnesses told investigating police officers that he had attempted to pass a vehicle while headed south and continued across the road, smashed into the bridge and then broke off four guard rails and rolled down an embankment.

He was rushed to the Tawas Hospital where emergency treatment was performed and then removed to Saginaw by the Jacques ambulance and police escort.

The car in which Colby was driving was completely demolished. He is an automobile salesman for the McKay Sales Company of Tawas City.

Linda Schreiber Winner in Creative Writing Contest

Linda Schreiber, 10-year-old daughter of Mr. and Mrs. Leonard Schreiber of Oscoda, California, was informed this week that she had been one of four children selected as winners out of 150 entries in a "creative writing" contest. The contest was sponsored by the Schooltime TV program on the local San Diego television channel.

DeGraff Stanley, organizer of the program, has requested Linda to appear on the program February 16 to present her poem. He states that Linda's work shows unusual talent in the poetry field.

Iosco Schools Receive Michigan Bell Allocation

The Tawas Area School system received \$7,575 of \$8,286-848 paid to the state primary school fund by the Michigan Bell Telephone Company in 1955 as the company remained the largest single contributor.

T. C. Maher, area manager for Michigan Bell, reported that the payment to the local school system was based on a school census of 1,596, as compared by the Michigan Department of Public Instruction.

Schools throughout Iosco County were allocated \$16,623 for 3,507 pupils.

Michigan Bell's tax payment, the largest in the company's history, amounted to \$4.74 for each of the 1,746,789 youngsters in the state between the ages of five and 19 who are on the census rolls.

The company in common with railroads, Pullman, railway express, telegraph and other telephone companies, pays a state property tax earmarked for the primary fund in lieu of other property taxes.

Study Recent Changes in Election Law

Several recent changes in election laws which will go into effect in Michigan this year were studied at a meeting of some 40 township and city clerks and supervisors Tuesday morning at the Iosco County Building. The meeting was called by George A. Prescott, county clerk.

Those who attended heard Bernard Apol of the state director of elections office, Lansing, explain the many changes which the state legislature approved during recent sessions.

One of the most important changes is the establishment of a new election commission. Mr. Apol pointed out. This election commission shall consist of the supervisor, clerk and treasurer in each township. In cities it consists of the city attorney, city clerk and city assessor. Trustees may not serve on the commission.

The new election commission performs the duties of the old board, namely preparing ballots and the polling place. The commission also selects the election inspectors and appoints them to sit on election days from those people who have submitted written applications.

Applications must be fully completed, must designate party affiliations and must be turned into the local clerks before the county clerk calls a local school of instruction.

Another innovation this year is the establishment of a canvassing board, consisting of the same officials as mentioned above. The duty of this board is to certify the results as determined by the election board before it becomes official.

The chairman of each election board is selected by the election commission. Size of the election boards must be at least three, but large enough to do the job efficiently.

Mr. Apol told the group that there will be no more initialing of ballots by inspectors. He pointed out that it was proven unnecessary and that in the case

Area Band Concerts Start Friday Night

The Tawas Area Band will present a mid-winter concert on Friday and Saturday, February 10-11, at the Tawas Area auditorium. The time of each concert is 8:00 p. m.

The program will feature a variety of numbers that are sure to please everyone, stated Edward J. Rima, band director. Featured will be a cornet duet, Sharon Staebler, a junior, and Helen Philpot, a sophomore, will be soloists. They will play "The Pals" polka with band accompaniment.

Tickets for the concert are available from all band members. The adult tickets are 65 cents, and the student tickets are 35 cents.

Mr. Rima said that it is hoped that all people approached to buy a ticket will be more than willing to support the school band.

Included on the program will be the following: "Hall of Fame" concert march; "Carnival of Roses," overture; "The Pals" polka, cornet duet; "Colonel Bogey," march; "Prelude and Fugue in F Minor," "Aurora," overture; "Emblem of Unity," concert march; "Overture in Classical Style," "A Tribute to Glenn Miller," "Si! Trocadero," mambo; "Colorama," a fantasy in color; "You're A Grand Old Flag," and "The Stars and Stripes Forever," march.

Mr. and Mrs. Richard Bergeron of Hazel Park spent the week-end with his parents, Mr. and Mrs. Roy Bergeron.

MEMBERS OF METHODIST YOUTH FELLOWSHIP MEET CONGRESSMAN

Washington—Miss Jean Schaaf and James Hanna of Tawas City and Miss Peggy White and Fred People of East Tawas were among the group of members of the Methodist Youth Fellowship from the Bay City-Midland area who visited Congressman Elford Cederberg as a part of their Washington-New York United Nations study trip. They spent the morning in the office of Congressman Ceder-

berg, visited the sessions of the house and senate, went sightseeing in the afternoon and heard Bishop Bromley Oxnam at an evening service. In New York they studied the UN in action.

The young people will report on their trip to their churches and in school classes.

Shown above with Congressman Cederberg, they are, left to right: Robert Seaman, Midland; Robert Wood, Bay City; Beverly Hill, Midland; Phyllis Davis, Bay City; Jill Houghteling, Akron; James Hanna, Tawas City; Geneva Gould, West Branch; Malcolm Clever, Bay City; Peggy White, East Tawas; Congressman Cederberg; Patricia Fraser, Akron; Judy Kennedy, Midland; Jean Schaaf, Tawas City; Donald Judson, Bay City; Sandra Whalen, Akron; Harriet Forshae, Akron; DeWaine VanEvery, Bay City; the Rev. William H. Fraser, Akron; Fred Teele, East Tawas; and Nancy Roe, Midland.

Dissatisfied with Political Action

A Washington press conference heard three union members from Michigan criticize the use of their union dues money for political purposes a few months ago and the repercussions of their appearance is likely to be felt in the political campaigns to come. According to the February issue of Inside Michigan Magazine, the three men were high in their praise of unionism "from the standpoint of economic advantages and benefits" and confined their complaints wholly to "union political action in the field of partisan politics."

Harry F. Brothers of Ypsilanti, Walter Brauning of Chelsea and Clarence Bridgeman of Marquette, who have a total of 35 years of union membership among them, were the men who appeared before the gathering of newsmen at the request of United States senators. Brothers who is a Republican, said that he is bitterly opposed to "being compelled to make involuntary contributions through the use of my dues to finance the party which I vote against at the polls." Brauning charged that "it appears to be unwritten law within the UAW-CIO never to acknowledge the existence of a CIO Republican." Bridgeman, who was a candidate on the Republican ticket in Marquette, protested that his dues money was used to promote the candidacy of his Democratic opponent. The three men said they were not opposed to union political action supported by voluntary contributions. "It is a compulsory payment for political purposes that we are concerned about."

Borgnine Receives Award

Ernest Borgnine received the New York Film Critics best actor award for 1955 for his portrayal of a Bronx butcher in Paddy Chayevsky's "Marty," which was voted the best film by the critics.

Enjoy Demonstration of Hair Styling

The Ladies Literary Club met at the club rooms in East Tawas last Wednesday evening. The president, Mrs. C. S. Everett, was in charge of the business session.

Mrs. Dan Cater was program chairman. The ladies enjoyed a fine demonstration of hair styling by Mrs. Arvilla Fairfield. About 20 Camp Fire Girls and their mothers were guests. The Ladies Literary Club has been sponsoring the Camp Fire Girls for many years.

Hostesses who served punch and cookies were Mrs. L. G. McKay, Sr. Mrs. William Krumm, Mrs. R. J. Cooke and Mrs. Herbert Hertzler. Tables were decorated in St. Valentine's motif.

The next meeting of the club will be held Wednesday afternoon at 2 o'clock and will be a Lenten Discussion by the Rev. Richard Jennings. Mrs. Russell McKenzie is program chairman.

Auxiliary Honors Gold Star Mothers

Audie Johnson Unit, American Legion Auxiliary, honored its Gold Star members at a 6:30 dinner served at Wickert's Restaurant Monday evening. The tables were beautifully decorated with a centerpiece arrangement of various yellow flowers and with yellow candles in crystal candelabra. The gold star suggestion was carried out in ice cream served for dessert.

Gold Star members wore corsages of yellow chrysanthemums and yellow roses. Mrs. Cassie Parker won the centerpiece as a door prize.

At the meeting at the Legion Hall following, Mrs. Mildred Gardner, Gold Star chairman, presented a program in their honor. Mrs. Gertrude Kunze recited several poems appropriate to the occasion and Mrs. Gardner presented gifts to the Gold Star members. Those honored were Adda Freeland, Ruth Stump, Ann Porter, Anna Siglin and the Klingers.

Award Honorary Memberships

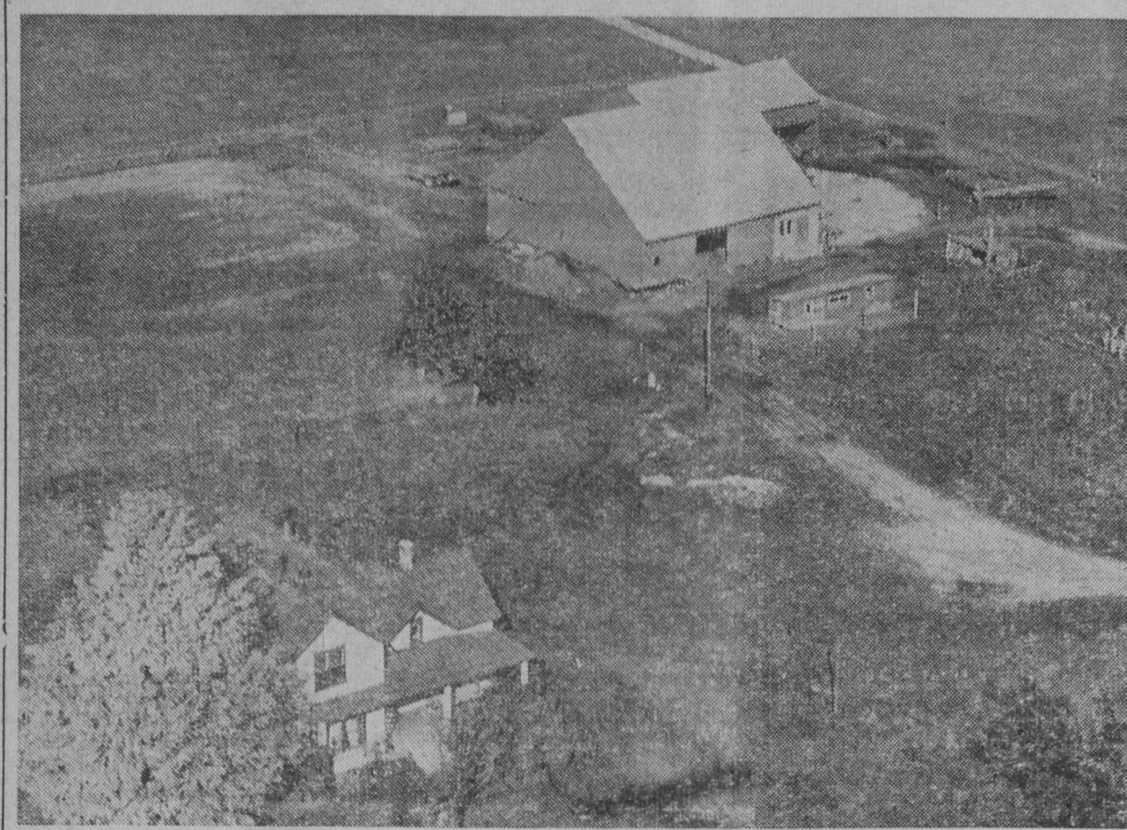

At a meeting last Friday evening of Isoco Chapter, OES, held at the Masonic Temple, honorary membership certificates were presented to Archie Colby, Lula Colby, Elmer Freeland, Ada Freeland, Nyda Bronson and Cassie Parker. They were also presented with red rosebuds by the worthy matron, Vergil Butler.

Robert Harmon was presented with a proficiency certificate.

A special offering was taken for the worthy patrons project for the use of scholarships for high school seniors.

After the meeting the following hostesses served refreshments appropriate for St. Valentine's Day: Marie Hennigar, Clara Belle Eckman, Laura McKenzie and Betty Smith. The table was beautifully decorated with Valentine suggestions.

LESTER ROBINSON FARM PICTURED LAST WEEK AS MYSTERY FARM NO. 7

Last week's "Mystery Farm" photo in this newspaper proved to be difficult for readers to identify. It was finally recognized as the Lester Robinson farm in Reno Township.

This was the first week, since the beginning of the contest on December 22, in which less than 40 persons named the farm correctly. Of the 11 persons who attempted to identify the farm, only six came up with the correct answer.

Contest winners this week were Mrs. Claude Wilson of Tawas City and Arthur Ropert of Tawas City, Route 1. Each received a one-year subscription to The Tawas Herald.

Others who called during last week's contest were as follows: William Herriman, Tawas City, Route 1; Harvey Abbott, Tawas City; Mrs. Harold Goedecke, Tawas City, Route 1; Hazel Miller, Tawas City; John Brugger, Tawas City; Sarah Arnatt, Tawas City; Marvin Davenport, Tawas City; Donna Bellville, Whittemore; and Mrs. Lester Robinson.

A report from Mr. Bellville stated that the farm was located three-quarters of a mile west of the Reno Township Hall. Mr. Robinson's farm has 440 acres, he does general farming and milks 20 Holstein cows. He also has about 50 head of beef cattle and 100 head of sheep.

Assisting Mr. Robinson in the operation of the farm is his son, Donald. He has another son, Leonard, now in the United States Army in Japan. He expects that he will be discharged in March.

Another Mystery Farm is pictured above. If you recognize it, telephone The Tawas Herald with your answer. This is the only way that the publishers have of identifying the farm. A free five by seven inch picture is given to the owner.

Timco Sends Nine to Golden Glove Tourney

Timco Corporation Athletic Club sent nine fighters to the Bay City Times Golden Gloves Tournament, held February 1-2, 6-7.

One of the fighters, Francis Harris, Wurtsmith Air Force Base, went into the semi-finals Monday night and was the only boxer to win two fights in one night.

Harris was eliminated Tuesday night when he dropped a decision.

The other eight boxers were all from the Wurtsmith Air Force Base.

The young fighters were trained by Frank Misko of Tawas City, former state champion. Timco Corporation presented Misko with a white jacket-sweater for his work with the club.

Discuss Plans for Scout Camporee

At a meeting at the American Legion Hall in East Tawas last week, plans were discussed for a spring camporee at Twin Lakes near Gladwin for Boy Scouts.

The plans were made by the Paul Bunyan Council, Boy Scouts of America.

Present were Arthur Henry of Midland, council executive, and council members from Midland, West Branch, Roscommon, Standish, Houghton Lake and East Tawas.

William Lynn of East Tawas, Northland District chairman, and the Audie Johnson Post, sponsor of the local Scout troop were hosts for the evening.

Christian Science

The availability of true joy and harmony in spite of seeming discord will be emphasized at Christian Science services this Sunday.

"Soul" is the subject of the lesson-sermon, a word which when capitalized is used in Christian Science as one of the synonyms for God.

Scriptural selections will include the following from Romans (8:5-6): "For they that are after the flesh do mind the things of the flesh; but they that are after the Spirit the things of the Spirit. For to be carnally minded is death; but to be spiritually minded is life and peace."

Among the passages to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will be the following (390:7): "It is our ignorance of God, the divine principle, which produces apparent discord, and the right understanding of Him restores harmony. Truth will at length compel us all to exchange the pleasures and gains of sense for the joys of Soul."

World Day of Prayer Friday, February 17

The World Day of Prayer sponsored by the United Church Women of the National Council of Churches will be held at Christ Episcopal Church in East Tawas Friday afternoon, February 17, at 2 o'clock. Churches participating in the program are East Tawas Methodist, Tawas City Baptist, Alabaster Community, East Tawas Assembly of God, Christ Episcopal, Tawas City Methodist, Hemlock Road Baptist, East Tawas Grace Lutheran and Wilber Methodist.

Soloists will be Mrs. Nyda Campbell Leslie and Miss Ruby Evans.

Men of the community who are interested are welcome to attend.

Watershed Problems Heard At Isosco SCD Meeting January 20

The fourth annual meeting of the Isosco County Soil Conservation District was held January 20, at the Plainfield Township Hall in Hale. There were 54 persons present.

Two movies were shown. The first was "Return to Eden" about soil conservation with the assistance of the soil conservation district. The second was a safety film, "Hands Off," which pointed out the damages of corn picking.

The meeting was opened by County Agricultural Agent Marvin Davenport, who gave a short summary of how the ACP program helps financially in carrying out conservation practices. He then introduced Mrs. Mary Byrd, county office manager of the Isosco County ASC office. He next introduced Harry Krueger, chairman of the SCD, who then took charge of the meeting.

Norman Brown, land use specialist of the fish division, Michigan Department of Conservation, was presented by Gordon Hatch as speaker of the meeting. His talk was "The Story of a River." The river he referred to was the Pine River that runs through Lake, Osceola and Wexford Counties, along which there is a watershed problem.

The election of two three-year term members to the board of directors was conducted by chairman of the election committee, Wendell Scofield. Thirty-two ballots were cast, with Krueger and Bielby receiving the majority.

After the meeting was adjourned oyster stew was served by the refreshment committee, consisting of: Chairman, Mrs. Marvin Davenport, assisted by Miss Dorothy Scott, Mrs. Dale Rosenquist and Mrs. Harry Krueger.

As a special convention of the Northwestern synod of the United Lutheran Church met in the Holy Trinity Church in Minneapolis, Minnesota, to consider the fate of three pastors who were tried last summer for heresy. The three men, (R-L) the Rev. John Gerberding, the Rev. George Christ Jr. and the Rev. Victor Wrigley, chat in an ante-room of the church. The convention has already voted to unrock the Rev. Christ.

LEGISLATIVE NEWS LETTER

From the Desk of James P. Mielock, House of Representatives, Lansing, Michigan.

The tempo of the legislature greatly accelerated this past week as we headed into the first of the automatic deadlines. With Wednesday, February 8, the last day for introduction of bills other than those on tax and appropriations, bills were rushed in so that in the past five days approximately as many bills were handed in as were introduced in the first three weeks of the session. Committee action also was stepped up, with committee meetings called for not only the mornings, but also for afternoons following adjournment of the daily sessions. At that quite a few bills died in committee when they failed to reach the floor in time to beat their respective deadline for being reported. One of the casualties was the capital punishment bill.

Passed unanimously by the house and transmitted to the senate was HB 31, amending the penal code to provide that any additional sentence imposed on a prisoner because of a successful or an attempted prison break, would be served after termination of any sentence or sentences being served at the time

of his breaking out of prison, or his attempt to do so.

Also receiving a unanimous vote and immediate effect, was HB 34 making it a high misdemeanor to circulate obscene literature. Amended to include moving pictures in the obscene category, the bill provides a penalty upon conviction of a violation, of a year imprisonment in the county jail or a fine of not less than \$100 or more than \$1,000, or both fine and imprisonment. It has now been sent to the senate where similar favorable action is hoped for.

HB 33 amending the vehicle code to authorize "emergency vehicles" to include privately owned vehicles of volunteer and paid firemen, passed without a dissenting vote.

Following considerable discussion and some opposition, HB 8 was passed and sent to the senate. This bill proposes to repeal war time powers granted the state board of registration in medicine, whereby the board could modify educational requirements in an effort to recruit more doctors in the state at a time when they were badly needed. It was contended by some that the section was obsolete since the war was over and proponents of the bill in answer to an opponents statement that the section should be left in as a safety valve in the event of another outbreak of war, contended that the section applied only to the last World War be-

cause of the wording used in the act, and that if a new war broke out, it would be another emergency. During the debate it was brought out that the state board while it had not sponsored it in the beginning, had no objection whatever to the passage of the bill.

In HB 16, also passed by the house, the state will return to the City of Grand Blanc, land the city gave to the state way back in 1941 as a site for a police post. The post was located elsewhere. If the senate acts favorably on HB 4, passed by the house, and the governor subsequently approves it, a township or townships acting jointly in maintaining a fire department, will be able to contract with other townships, villages or cities for the mutual exchange of fire equipment.

The house approved HB 43 known as the "Uniform Federal Lien Registration Act" which makes provision for recording of federal tax liens and discharge thereof, with the register of deeds in the individual counties.

Another bill receiving favorable house action was HB 46, which permits circuit court service by certified mail instead of registered mail.

HB 3, the drain code, the result of an interim committee's intensive work over a long period of time, and reportedly having the approval of the drain commissioners of the state, came in for rough sledding and final action was postponed until February 7 to permit some members to discuss it with interested parties back home over the week-end.

House Resolution 6, creating a study committee to examine non-partisan volunteer citizen organizations and their influence in non-partisan elections, out on the floor several days, was overwhelmingly defeated when only 25 votes could be mustered in favor of it.

The house and senate approved two house concurrent resolutions, setting up joint conventions for February 7 and 8. On Tuesday, February 7, Governor Goodwin S. Knight of California addressed the house and senate. On Wednesday, February 8, Dr. Louis A. Warren, director of the Lincoln National Life Foundation, addressed the legislature in observance of the 147th birth of Abraham Lincoln.

The house took favorable action quickly on HCR 17, memorializing the United States Senate to reject the Fulbright-Harris bill which would strip the people of federal protection against monopolistic exploitation in the supplying of whole-

sale natural gas, which could result in unjustified price increases. Both United States senators from Michigan oppose the passage of the bill and our resolution, if approved by the senate, will simply give moral support by letting them know their action on the bill has the approval of the people's representatives in the state legislature.

Hanged by Mistake

A recent article in a weekly newspaper told of the restoration

of Boot Hill Cemetery, outside Tombstone, Arizona. The cemetery got its name from the fact that so many early settlers were buried in this cemetery with their boots on—which cowboys of those days sought to avoid.

Since Boot Hill Cemetery is the cemetery of famous Tombstone, at one time the roughest mining camp in the West, and perhaps the richest, it has a place in Western and American history. But, the recent newspaper article noted, some of the grave markings are disturbing. One reads: "George Johnson—hanged by mistake."

PUBLIC VOTES MERCURY "BEST VALUE IN ITS FIELD"

19th annual nationwide survey of car owners—by independent research organization*—shows Mercury leads its price class as "best value for the money." Whether you pick a Montclair, Monterey, or Custom, you get more car in four big ways!

- 1. NEW REFLEX-ACTION PERFORMANCE**—Go, stop, pass, climb, turn. THE BIG M responds instantly to your every command, adjusts instantly to every road. We call it "reflex action"—a new kind of performance that makes all your driving easier, safer—and far more comfortable than ever before.
- 2. NEW BIG M BEAUTY**—Here is fresh, clean, graceful beauty for the young-minded. Mercury's lines are long, sleek, road-hugging. New Flo-Tone color styling is radiant and dramatic. You enjoy a distinction in THE BIG M that is unmatched in Mercury's price class.
- 3. NEW SAFETY-FIRST DESIGN**—You get the widest choice of safety features in the field. At no extra cost, there's an impact-absorbing safety steering wheel (an exclusive in Mercury's field) and triple-strength safety door locks. And optional features such as seat belts and padded instrument panel.
- 4. PROVABLE VALUE**—Here's value you can see, and measure! Low first cost. Low operating costs. High resale value. And Mercury trade-in value has remained consistently high. No wonder Mercury was voted "best value in its field." Better see us soon.

Icy February makes streets and highways dangerously slippery. Cars often need seven times as much stopping distance as they do on dry pavement. Pedestrians may slip and fall on ice-coated pavement. Therefore, Automobile Club of Michigan urges pedestrians to be extra cautious when crossing streets. Firstly, they should look all ways before crossing and then make sure they have plenty of time to reach the other side of the street. To bring this message to Michigan children, Auto Club has distributed almost 11,000 full-size copies of this poster to schools throughout the state.

Michigan State Police at East Tawas reported Tuesday that four drivers had been arrested since last Friday for violation of the new Michigan speed limit law. All arrests were made during the daytime.

Quota Club Calendar for February and March

The Quota Club calendar of meetings for February and March is as follows:

February 15—Program luncheon at Barnes Hotel.

February 22—Special plans for hard of hearing program with Howard Harvey, vocational rehabilitation representative, as speaker.

March 13—Business meeting and board meeting. The annual visit of the district governor, Edith Steel.

President Leonora Hass announced the dates for Quota International convention as June 14 to 16 in Miami. Interesting pre and post-convention trips are suggested. Members should start making plans now for a different and interesting vacation trip next summer.

The mobile hearing test unit is to be in this area of the state soon. Anyone may go to have a hearing test, even though he may not live in the county where the unit is located. The dates are February 9 and 10 in Alcona County, one day at Lincoln and one day at Harrisville. For further information, call Miss Hass.

US-23 Boosters to Meet February 15 at Standish

The next regular meeting of the US-23 Highway Boosters is scheduled for February 15 at the Tradish Post Restaurant in Standish. Dinner will be served at 7:00 p. m.

The meeting is being sponsored by the Standish Chamber of Commerce. Alfred LaPorte, Standish, is chairman of arrangements. All community directors as well as lay people are urged to attend. Much headway has been accomplished.

Plans for the 1956 season will be discussed. The organization is made up of communities along US-23 and adjoining areas from Standish to Cheboygan. Officers of the organization are: Lou Kramer, Hubbard Lake, president; Stanley Sterling, Greenbush, treasurer; Mrs. Henry Laube, secretary.

The government has restored the 30-year maximum repayment limit for home loans. Officials said the inflation danger had eased.

SOCIAL SECURITY MEN HERE FEBRUARY 15

Representatives from the Bay City Social Security Office will be in the Federal Building, East Tawas, Wednesday, February 15, from noon until 2:00 p. m. Anyone wanting to apply for social security payments or needing information about social security should contact one of them.

A number of people under age 72 receiving social security payments have received or will receive a form for reporting their earnings for the year 1955. Until this year these forms went only to those who were in business for themselves. Because the Social Security Law was changed to put the income limitation on wages or salary on an annual basis, it has been necessary to have workers for wages also report. These reports should go to all people receiving payments who estimated that their earnings would exceed \$1,200. There may be people who started receiving payments before 1955 who have found their earnings were over \$1,200 but who did not anticipate this earlier. It would be advisable for these people to get in touch with their nearest social security office. The Bay City office is at 210 Federal Building, Bay City.

They Torqued it up for the BEST TAKE-OFF YET

First thing you need in a car, of course, is power to spark performance.

And you get that in a 1956 Buick in plenty—from big 322-cubic-inch V8 engines that hit new highs in horsepower and compression.

But the power under the hood must be carried to the rear driving wheels in the form of twisting force on the drive shaft.

That's torque—the end-product of your transmission.

And the higher the torque build-up—the greater the "torque multiplication" in starting and accelerating—the better the getaway and response.

So if you want to feel take-off that leaves your breath behind you, come try a '56 Buick with Variable Pitch Dynaflo.*

For in this airplane-principled transmission, Buick engineers raised the ceiling on torque to give you the best getaway yet.

They did it with something they call "double

The Williams family, who has lived on the Raymond Warner farm for some time, has moved to the place known as the D. Watts farm in Grant Township.

Mr. and Mrs. Carl Grabow and children were West Branch and Harrisville business visitors Thursday.

Friends were shocked and grieved to learn of the sudden death of Elmer Durant of East Tawas in Saginaw Friday morning.

John Sarason, well known in the vicinity as the Watkins man, passed away at the Huron Rest Home Thursday.

Mr. and Mrs. Billie Biggs son, Terry, and Irvin Biggs of Bay City were week-end visitors of the George Biggs family.

Mr. and Mrs. Willard Bouchard of Flint spent the week-end with the Victor Bouchards and Mr. and Mrs. John Tacker of Hubbard Lake.

Visitors of Mr. and Mrs. John Katterman Sr. during the past week were: John McArdle, Mr. and Mrs. Carl Grabow, Mr. and Mrs. William Struthers and Mr. and Mrs. Austin Allen of McVey.

Betty and Jerry Youngs, Howard Look and Patricia Brown returned home Sunday morning from California and Arizona where they spent two weeks.

Neil Latham and friend of Roseville spent the week-end at the McArdle home.

Farm Events

By MARVIN DAVENPORT County Agent

Thursday, February 16—Fair board meeting, 8:00 p. m., Plainfield Township Hall.

Thursday, March 16, and Friday, March 17—Soil Conservation District Workshop, Higgins Lake.

I wonder what the other 46 farm folks felt about the soil conservation district meeting? Norman Brown from Michigan Department of Conservation was the speaker. He presented some vivid pictures of what and how proper land use can do for fish and stream. It was as though he had taken pictures of Cosco County streams and fields. We have the same problems.

Mr. Brown pointed out how field erosion was polluting streams so fish could not live in them. He described methods the conservation department was using to prevent stream erosion. It served a two-fold purpose. It provided cover for wildlife and kept washing of river and stream banks to a minimum. It was a very worthwhile talk. It was a very worthwhile talk. It was a very worthwhile talk.

February and March lambs are to hit the market before the price drops in late September, they will need to get a healthy start.

Proper feeding of the ewes during gestation, and especially during the last six weeks, is one way to help get off to a fast start.

Good feeding will pay off in both lambing and milk production. Careful attention to the ration is particularly important for young ewes and older ewes.

Ewes should gain from 15 to 25 pounds during gestation, according to L. H. Blakeslee, animal husbandry specialist at Michigan State University.

Ewes being fed corn silage and little hay may need some protein supplement to gain the desired one-quarter pound daily. Two pounds of alfalfa hay or one-quarter pound of soybean oil fed daily should take care of their needs.

Even on legume hay or mixed hay ration, the ewes may not be making satisfactory gains. In this case, add one-half pound of alfalfa hay or one-quarter pound of soybean oil fed daily should take care of their needs.

The ewes I have seen around the county are looking good. Some evidences of ticks and lice means dipping, but do not forget a good healthy ewe is half the fight for a good lamb.

The Eisenhower administration's proposed "soil bank" would give farmers more purchasing power but it would not control production or surpluses for long. That is the opinion of Dr. Arthur Mauch, a Michigan University farm economist.

"But the soil bank plan," said Mauch, "stacks up as one of the best choices for the taxpayer, consumer and the farmer to get a good return on the investment."

The plan calls for storing soil fertility for future use instead of storing grain and other products in government store houses. That includes seeding land to soil building grasses and legumes.

And that is one reason the plan will not control production. The soil removed from cash crop production will yield more when it is again cultivated. That, in addition to more know-how in getting bigger yields, will boost production higher.

No one should accept the soil bank plan to solve the farm problem.

WITH THE IOSCO—
4-H Clubs
 By Dorothy Scott
 County Agent

Tuesday, February 14—4-H Club leaders training school.
 Tuesday, February 28—Adult recreation school.

Guess we should take heed and not plan any more events for the last of January. The icy

roads of January 28 fixed plans for the 4-H officer training school. Our fingers are crossed that the weatherman will not interfere with the replacement date.

Food preparation and livestock project leaders take note. February 14 is the day for the meeting with leaders of these projects in six other counties. Members of the state 4-H Club staff will help these leaders with more and better ways to teach young people and help them learn as much as possible about their project. There will be an

opportunity to exchange ideas with other leaders.

Be sure to let us know right away whether or not you can go to the Standish meeting which is in the daytime. Transportation will be arranged. We hope you can and will go.

On January 18, the Ottawas 4-H Club was officially organized. Mr. Davenport conducted the meeting. We have a line up on projects and the nights on which to have individual meetings. Officers elected are: Beverly Cadorette, president; William Mick, vice president; Joyce Steinhurst, secretary; Tim Fox, treasurer; Clare Stark, reporter. Mrs. Steve Kolonich will be community leader.

The adult recreation school on February 28 is an opportunity for someone from any interested organized group to have a recreation chairman (or whatever other title they use) participate in a full day of fun and learning. He or she will come home "chuck full" of ideas for games to play, stunts to use and other activities useful at meetings. There will have been practices of a good many ideas and take-home directions for these and many others.

The "fun" is to take place at the Trading Post in Standish from 10:00 a. m. until 3:30 p. m. Fifty persons can be accommodated from among the seven counties in the district. That means six to eight persons from each county, first come, first served, so get word to us that you wish to go.

There will be recreation leaders from 4-H Clubs, home demonstration groups, Farm Bureau, Grange and other clubs. Any club is welcome to have a representative go, if a reservation is requested early.

Getting to Know Us
 By Journalism Class of Tawas Area Schools

The question was asked, what are the most unusual classes in the Tawas Area School? After thinking about this for some time, it has been decided that there are three classes that offer something unusual for the students.

Driver's training teaches the students the correct driving methods to be used on our highways. In addition, to this, students acquire much knowledge on how a car operates, how to change a flat tire, how to keep a car in good running condition, proper driving methods and things, such as, courtesy, skill and theory.

Another unusual class is band. It teaches responsibility and the ability to further the musical knowledge of young people. It also teaches the students to work together and to get along with one another. An activity of this class is the annual trip to the University of Michigan where every year more than 200 bands gather to play as a massed band.

Art class has its unusual aspect also. It is common here to hear students discussing the carvability of different brands of soap or driftwood. It is really interesting to see a cake of Ivory emerge as a well formed locomotive or a squirrel. Students are often amazed with their own talent and ability.

All of these classes offer the students many opportunities to acquire new knowledge and skills. Even more important is the fact that these new accomplishments can be used throughout the rest of the student's lives.

State Police Report on December Arrests

Michigan State Police made 14,103 arrests during December, according to the department's monthly report. Of these, 13,108 were for traffic offenses. There were also 461 juvenile arrests of which 242 were for traffic offenses.

The identification bureau at East Lansing headquarters received 7,487 sets of fingerprints, 4,747 of them criminal. Wanted persons identified totaled 26. In processing fingerprints of applicants to carry concealed weapons, 33 out of 687 were found to have criminal records.

Thursday, February 9—Leader training meeting, "Efficient Use of Time and Energy."
 Tuesday, February 28—Adult recreation school.

"Lunch was served by the hostesses, Mrs. Dooley and Mrs. Wells," Delores Matthews, reporter.

Recreation leaders of Iosco County home demonstration groups are invited and encouraged to come along to the adult recreation school in Standish (for the seven counties in this district) on February 28, from 10:00 a. m. to 3:30 p. m. There never will be a dull moment, we guarantee it.

"It's just wonderful." That is the comment from Mrs. Alton Durant who has been to at least two of these events.

You will have a chance to practice many of the games, stunts and other activities described in the "take-home" recreation outline. Lots of ideas to use in future group meetings, in meetings of other organizations or at various local and county events that come along during the year. That is what the school is planned to give you and it is what you so often ask for. Do not miss out on a chance to go, each county has a quota of six to eight persons. This means the first to ask will be the ones to go.

Recreation leaders of other organizations, 4-H Clubs, Farm Bureau, Grange, etc., are also invited to send representatives.

Ever hear of potato printing? It is an interesting indoor activity to keep your pre-school child busy for several hours on cold winter days.

Supplies necessary are a large potato, a saucer, a small sponge, some tempera paint and paper.

Cut the potato in half. With a paring knife cut out a circle, a square, or a few slashes in the flat side of the potato. Then, dip some tempera paint in the consistency of coffee cream and put in the saucer. Set in the sponge and let it absorb the paint (this is to eliminate splashing when just the saucer is used).

Put an apron on the child to protect clothing. Seat him at a table with the equipment in the basement or kitchen where an

BOY SCOUTS OF AMERICA

OFFICIAL BOY SCOUT WEEK POSTER

More than 4,100,000 Cub Scouts, Boy Scouts, Explorers, and adult leaders throughout the nation will observe Boy Scout Week, February 6 to 12, marking the 46th anniversary of the Boy Scouts of America.

Since 1910, Scouting has served over 24,500,000 boys and adult leaders.

The new Four-Year Program, "Onward for God and My Country," is launched in 1956 to help prepare America's boys to live in today's world and to prepare them to carry their full share in the years ahead.

Boy Scout Week observances will feature dedication ceremonies to be conducted by each of the nation's 104,000 units at their meeting places on February 8, the actual birthday of Scouting in America. Demonstrations and exhibits will dramatize the purposes of the Boy Scouts of America and its rich heritage.

accident could be wiped up easily.

For paper use brown wrapping paper, newsprint or whatever is available. Show the child how to dip the potato into the dish containing the sponge and paint, then how to place it on the paper. Let him do it alone. He will be thrilled with the pattern that appears on his paper.

The process of making something by himself is very enjoyable to a child. Encourage him by hanging his finished pattern up for all the family to see.

British Prime Minister Sir Anthony Eden (left) looks on as President Eisenhower puts his signature to a joint statement made by the two leaders after a three-day talk in Washington, D. C. The American and British leaders in their "Declaration of Washington" promised to use their full influence to keep Russia's efforts "to inflame old antagonisms," as they put it, from "breaking the peace." Eden also stated, while leaving Washington for Ottawa, Canada, that relations between the United States and Britain "have never been better."

British paratroopers line up against the wall during a search for arms in a cordoned off area in Nicosia, Cyprus. Violent rioting broke out in this area while Governor Sir John Harding was meeting with Archbishop Makarios and offering Britain's latest proposals for Cyprus. The British privately believe that in time the Cypriotes will rather rule themselves in independence or as members of the Commonwealth than to pass to Greek control.

PLAT BOOK AND BUSINESS GUIDE BEING READIED BY IOSCO EXTENSION SERVICE

An Iosco County plat book and business guide which is up to date is being sponsored by the Cooperative Extension Service Advisory Board. It will replace the last one published around 25 years ago. A lot of changes have taken place since then.

Sponsoring the publication of this book is primarily a community service project of the advisory board. It also serves as an opportunity to better acquaint people with the existence and purposes of this organization.

Arrangements have been made for Harold Black to represent the advisory board in the sale of advertisements and preparation of the business guide portion of the book. Experienced persons will prepare the plat portions.

In addition to the plat and business guide sections, a recreational inventory map and other special features are being planned to give the book maximum usefulness to summer tourists, hunters, fishermen and winter sports enthusiasts, as well as, to local people.

Contacts by Mr. Black will begin this week and are to be finished March 15. Advisory board members suggest that anyone interested in a business guide listing call the Cooperative Extension Service Office, phone FO 2-3751, asking for Mr. Black to stop and see him.

A large enough quantity of books is being ordered for distribution, by sale, to all who want one. It is expected they will be available by mid-May. Book orders can be placed with the Cooperative Extension Service office or with Mr. Black. Clubs and organizations can earn treasury funds by pooling orders which will entitle them to a discount. For further details, inquire of Mr. Black or advisory board members.

Election

(Continued from page 1.)

of a recount, more than 60 percent of the errors was attributed to improper initialing.

Beginning next election, trustees will be elected for a four-year term. Two trustees will be elected and the man with the highest number of votes shall serve a four-year term and the person with the next highest, a two-year term.

All caucuses shall be held on the same day, and the day set by statute shall be the third Monday in February, in city and township elections.

A voter loses his registration and right to vote if he fails to vote for four years. Each December clerks must weed out cards for those who have passed away.

Other important changes this year include: On election day the county clerk must keep his office open on election day until all results are tallied; votes cast for a candidate who has passed away are null and void; only one ballot will be used in the general election this fall, eliminating the special presidential ballot; challengers must be qualified electors in the city or township in which they are challenging and only one person from one party may challenge in a polling place at one time.

Campaign

(Continued from page 1.)

supervisors will be published next week.

In a statement Wednesday, Mr. Watkins said, "The March of Dimes Campaign in Iosco County has always run behind the campaign nationally. This situation is caused by circumstances beyond the control of the committee.

"However all cards have now been mailed, but due to a shortage all families will not receive one. Will those who did receive them please return them either to E. D. Jacques, Tawas City, or to Nathan Barkman, Box 507, East Tawas. The sooner the cards are returned the better the work of the committee may be completed.

"To those who did not receive cards, the committee requests that those who have not contributed mail their contributions to either of the two named above, or to March of Dimes, East Tawas.

Mr. Watkins said that the Mother's March in Oscoda had a fine response. "Every effort must be made from now until March 1 to make our campaign a complete success," he stated.

Mr. and Mrs. Russell Rollin entertained Mr. and Mrs. Kenneth Rollin and family of St. Helen, Russell J. and John Rollin of Ann Arbor over the week-end.

Whittemore Cards Add Two More Wins To Victory String

The Cards easily won their 13th straight victory Friday night, 85-51, against the visiting AuGres Wolverines. Coach Dudo's first string used a fast breaking offense to score 25 points in the first quarter against eight for the visitors, that decided the outcome of the game. Twenty-three points were added by the Cards in the second quarter to make the half time score 48-16. Coach Dudo used all the players available in the last half with the Wolverines managing to play on fairly even terms through the fine play of Dick Seymour, who was the scoring leader of the evening with 26 points. Bill Dunham again led the Cards with 24 points while AuGres was attempting to control. Pavlik, Freel and Pagel.

The Card Junior Varsity won a thrilling 40-38 victory, coming from behind in the third quarter, then holding off a last minute rally by Coach Bonito's boys.

The scoring in this game was evenly divided. For the Cards, Graham led with nine points followed by Dorey, Grabow and St. Johns with eight each. AuGres scoring was led by Edmonds with 10, Willis nine, Maser eight and Strissman seven.

The Cards rang up their 14th straight game Tuesday night by defeating Pinconning St. Michaels 84-34, on the losers home floor. Whittemore jumped off to an 18-7 lead in the first quarter and were never headed during the rest of the game.

Big guns in the Whittemore line-up were Pagel with 17 points, Pavlik with 17. Trudell topped the St. Michael team with 10 points.

The Whittemore Junior Varsity won by a 40-22 score. High scores were posted by St. Johns for Whittemore with 18 points and Kossiek for Pinconning with 13 points.

In the varsity tilt, Whittemore lost the services of star guard, Bill Dunham, when he was injured in the second quarter.

Injured in Auto Accident

Louis A. Dubovsky, 35, 1040 River Road, East Tawas, received a bruised chest and laceration of nose and right arm, as a result of an auto crash last Sunday.

The driver told police officers another car forced him off on the shoulder and when he put on his brakes he lost control, the car striking a tree.

Officers said skid marks in the snow indicated a distance of 129 feet had been traveled after the brakes had been applied.

Promotions Announced; Corporal Assigned Here

Promotions of 11 troopers are reported by State Police Commissioner Joseph A. Childs.

They are the first to be made from a new promotion register established by the state civil service commission in cooperation with the state police department. The new register is much more expensive and covers every bureau and division individually.

Eight of the 11 also are transferred. In addition, a 12th officer was affected by a straight transfer.

Promotions to corporal and transfers are: Trooper Phillip Charney, Cheboygan to Flint; Trooper Roy J. Collins, Romeo to Grand Haven; Trooper Daniel J. Comrie, Clinton to Ypsilanti; Trooper Donald E. Hermansen, East Lansing to Brighton; Trooper Edward M. Mallette, Newberry to Bridgeport; Trooper Marvin L. Teskha remains at Ionia; Trooper Hans E. Wierbrecht, South Haven to East Tawas.

Kiwanians Hear Talk on Recent UN-Washington Trip by Youths

Tawas Kiwanians heard a description of week-long trip to the United Nations in New York and the nation's capitol at Washington, D. C., by four Tawas youths who returned this week from a tour sponsored by the National Methodist Youth group.

The four members of the Tawas Youth Fellowship who made the trip, Fred Teepie Jr., James Hanna, Peggy White and Jean Schauf, told Kiwanians of their many interesting experiences.

Leaving Tawas on Sunday, January 29, the group arrived in New York on Monday morning. Spending three days in New York, the group toured the United Nations and witnessed a meeting of the UN Economic Security Council.

Later in the week they left for Washington where, after visiting the Methodist Building and an introduction to the Methodist bishop, toured the capitol building. While in Washington they met Congressman Elford Cederberg, United States representative of this district and heard British Prime Minister Sir Anthony Eden address the house of representatives.

The four youths said they were impressed with the workings of the UN, particularly the fact that despite the many different languages spoken by the various representatives the meetings were held in close harmony.

The second portion of the Kiwanis club program Tuesday noon was devoted to the need for zoning rural areas by Dr. Lewis Wolfanger, land use specialist at Michigan State University.

Dr. Wolfanger explained that in the case of many areas, valuable farm land is being lost forever because of improper use, particularly because of converting farm land into new housing development and various other uses. He said through zoning, these lands could be saved for future use as farmland while other less valuable, and perhaps more suitable land, could be used for new expansion.

At times during the four points of reaching the winners, they did not have the drive to turn the trick.

Scoring in the first half found Oscoda out in front at the end of the first quarter by a 21-10.

The Tawas Area Braves rang up a 61-54 win over Hale High Tuesday night. Nelson Shellenbarger garnered 32 points for Hale to lead both teams but an even scoring spread by Tawas spelled the difference. Leading the Braves in scoring were Guyette, 16 and Featheringill, 14. Tawas JVs won
