## Lutheran Caravan Here This Week-End

Final preparations to entertain some 1,500 members of the East Detroit Lutheran Caravan this Saturday and Sunday were made Monday night by the Silver Valley Winter Sports Committee.

General Chairman George Baldwin said that 40 chartered Greyhound buses would be required to transport the Detroit winter sports fans here. This is the 10th anniversary caravan to Silver Valley and Bert Leidecker, who first originated the trip, is in charge of the group.

An estimated 2,500 winter sports fans visited Silver Valley last week-end. This figure included 147 members of Explorer Post No. 126, Detroit, Boy Scouts of America, who camped there from Friday until Sunday, and 150 members of Mackenzie High School, Detroit.

A three-inch snow fall late last week made conditions ideal for skiing. Toboggan slides were in perfect condition and the skating rink was filled all day Sunday.

One bus load of winter sports fans will arrive here Saturday night and the remainder will be here early Sunday morning. One bus load will be from Alpena.

Spending Sunday morning and early afternoon at the winter sports area, the buses will return to Tawas at 3:00 when open air church services will be held at the state park. Prior to the services the group will be welcomed to the Tawas by L. G. McKay Jr., president of the East Michigan Winter Sports Council and treasurer of the Silver Valley Winter Sports Committee.

After the services stores and business place in the Tawas will be open for the convenience of the visitors. The buses will leave at 5:30 for the return trip to Detroit.

New attendance records at Silver Valley are being set each week-end of operation and receipts from the area are at an all-time high, reported McKay at Monday night's meeting. He said that receipts last week-end were even higher than the previous record set during a carnival week-end.

### HOLY LAND FILM TO BE PRESENTED SATURDAY AT BAPTIST CHURCH

"The Stones Cry Out," an inspiring expedition into Holy Land ruins, visual evidence of fulfilled Bible Prophecy, a unique film with a powerful Gospel message. Here is a film in fourth dimension, Time! It is a pioneer exploration into the marvels of fulfilled prophecy. This is a recording of prophetic truths that powerfully presents the infallible Word of God.

Its message is made doubly effective by the crushing weight of evidence revealed through archaeology in Bible countries. Ancient historians testified to the truth of their writings by sealing them with a signet ring. So God has placed an indelible signature in the clay of history through fulfilled prophecy.

"The Stones Cry Out," carries an inescapable message of God's relentless war against sin. It presents inspiring proof to Christians of the unbreakable promises of God, the unsaved are brought face to face with their own sin and the inevitable consequences of rejecting Christ.

This film will be shown this Saturday evening, January 28, at 8:00 at the Tawas City Baptist Church. A free-will offering will be taken to cover the rental of the film.

### City Starts to Raze Old Isosco County Jail

Workmen from the Tawas City Department of Public Works began tearing down the old Isosco County Jail this week. Supt. Reginald J. Bublitz said that the job is expected to be completed by April 1.

Old brick and debris from the building will be used as fill for the Tawas City Park dock. The city purchased the building last fall from the county.

Anyone interested in purchasing the steel bars or "bull pens" from the jail should contact Bublitz during the next few days.

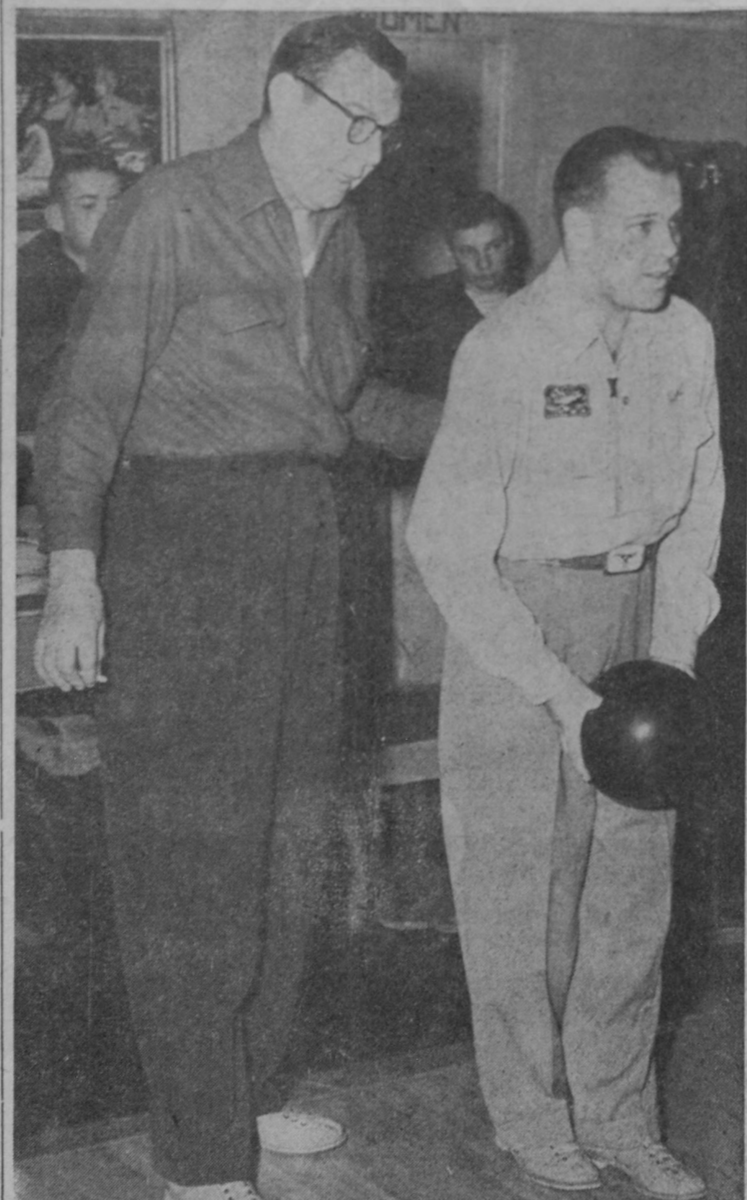

### Chamber Approves 1956 Budget of \$6,000

The Tawas Chamber of Commerce gave approval to a tentative budget of \$6,000 for 1956 at last Wednesday night's meeting. An earlier membership drive was discussed by the members.

The board also announced that due to the lack of funds, the services of Richard O. Allen, who has served as secretary-manager for the past six months, were discontinued.

The board voted honorary membership in the chamber for army and navy recruiters and the commandant of Wurtsmith Air Force Base, Oscoda.

### BOWLS AGAIN DESPITE LOSS OF EYESIGHT

Earl Parsons is shown getting into position to deliver his bowling ball in a practice session at the East Tawas Recreation Saturday. Ralph Jackson, left, spots the pins for the blind bowler.—Tawas Herald Photo.

"Gee, this is just like being home again," stated Earl Parsons Saturday after he fired a perfect strike on alley two at the East Tawas Recreation. Parsons could hear the familiar crack of a "perfect hit," but he could not see the pins drop; he is totally blind.

Saturday afternoon was the first time the 29-year-old East Tawas man stepped out on a bowling alley since last March. He was forced to quit bowling at the time because of failing eyesight.

To watch Parsons deliver the ball it was hard to believe that he could not see the pins. He uses a four-step approach and throws the ball with plenty of power. When one realizes that he was once a 180 average bowler in Detroit, it was quite evident that he is still "at home" on a bowling alley.

With the help of Ralph Jackson, co-owner of the recreation, Parsons rolled a creditable 132 game, which included four strikes. Jackson assisted by positioning him on the alley, "spotting" the pins, assisting in ironing out difficulties in his approach.

"The only thing I have to worry about is to keep the ball between the gutters," quipped Parsons after one of his practice shots rolled right into the gutter. His main difficulty to overcome was a tendency to "drift" to the right during his approach to the foul line.

Before coming to East Tawas in 1954, Parsons was in the plumbing business in Detroit. He now lives with his mother and stepfather in East Tawas.

Possessing a remarkable sense of humor, Parsons, after rolling his final ball, said, "I'll take anyone on in the house... if we bowl with the lights out."

### Legion to Send Delegate to Boys' State

Members of Jesse Hodder Post, American Legion, Tawas City, voted Monday night to send a delegate to Wolverine Boys' State on the campus of Michigan State University, June 21 to 28.

A committee of Tawas Area School faculty members, headed by Edward Rima, will select an 11th grade boy as the delegate.

Mr. Rima said Monday night that for a boy to be eligible for the trip he must have the following qualifications:

1. Good character.
2. Mentally alert and physically clean.
3. Vigorous and enthusiastic and of good personality.
4. Honest and thrifty.
5. Able to get along with others.
6. Good sportsman.
7. A leader.

"Wolverine Boys' State is not a school room activity, but is designed as a practical experience, for the boys who attend, in the problems of self government as in operation in Michigan," stated James Dillon, commander of the local post.

"It is not meant to take the place of the course in civics or government, as taught in the high schools of the state, but is planned so that the boys may put into actual practice the theories of American government as taught in the class room through the actual control of the city and state offices," Dillon said.

The local post will pay all expenses of the trip including transportation costs if needed.

### BOARD SELECTS BRICK FOR NEW SCHOOL

Contracts for construction of the new Tawas Area Junior and Senior High School were formally signed at a meeting of the Tawas Area Board of Education Tuesday night. Representatives of the successful contractors, Davison-Rose Builders, Incorporated, general contractors; Northern Plumbing and Heating, East Tawas, and Crown Electric Company of Saginaw were present.

The board selected the brick for the new school according to recommendations by the architects, Lincoln Brick Company, through its local representative, Barkman Lumber Company, was the successful bidder.

A spokesman for the architectural firm emphasized the fact that the color of the brick that was recommended would blend in well with the surrounding area and would also allow any possible future expansion.

The board authorized an insurance policy on the new building in accordance with the program presented by the Tawas Bay Insurance Company of East Tawas.

Future wage policies were discussed by the board and members of the teaching staff. Recommendations will be drawn up by the teachers for presentation at a future meeting.

### SAILORS LIKE TAWAS BUT REGATTA SET FOR DETROIT

Members of the Tawas Bay Yacht Club were pleased to hear many compliments by Michigan sailors at a mid-winter meeting held last Sunday at Lake Fenton about the district Lightning regatta which was held here two years ago.

Although this year's district Lightning regatta will be held at the Bay View Yacht Club at Detroit, many of the downstate sailors enjoyed the hospitality of the local club and sailing on Tawas Bay so much two years ago, they attempted to change the location of this year's regatta to Tawas.

"This was a high compliment to the Tawas club but it put me in a rather ticklish situation," commented L. G. McKay Jr., McKay is the district commodore and the site for the race is determined each year by the previous year's champion sailor, Wesley Weidrick of Bay View won the title in 1955.

"We came home feeling pleased to know that many of the members were in favor of holding the regatta here and it is a compliment to all local fleet members," stated McKay.

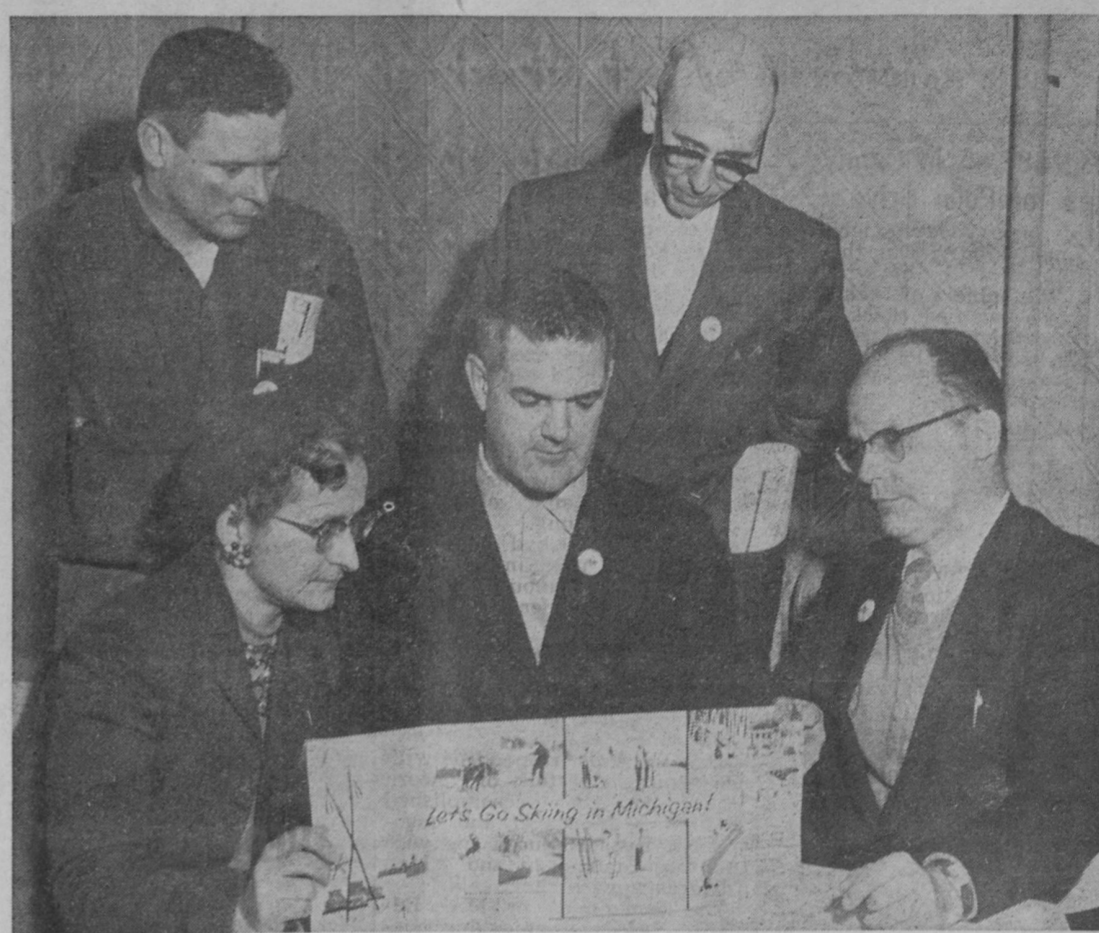

During the meeting Charles Schreck, vice commodore of the Tawas Bay Yacht Club, invited the group to sail in the Fourth of July regatta which will be held Saturday and Sunday, July 7 and 8, on Tawas Bay.

Besides McKay and Schreck, others from here who attended the meeting were Clarence McMullen and Edward McKinley.

## Season One of Area's Best Says Winter Sports Council

This season promises to be one of the best in the history of Northern Michigan winter sports. It was pointed out at a meeting of the East Michigan Winter Sports Council held last Thursday at the Holland Hotel in East Tawas. Members learned that outdoor activities are running far ahead of last season and promises to break all previous records.

Some 60 council members and guests attended the noon luncheon meeting. Communities represented included Pinconning, Standish, West Branch, the Tawas Bay City, Roscommon, Grayling, Alpena, Lewiston and Gaylord.

Encouraging winter sports operators to go after week-long business as well as week-end business, James Murphy, president of the East Michigan Tourist Association, told members that they should gear facilities at winter sports parks to interest more young people, the largest single group of potential users.

Murphy, traffic manager of Great Lakes Greyhound Lines, told the council that his firm's business in charter trips to winter sports parks from Detroit and other Southern Michigan communities had already equaled in January what it had done in January, February and March of last year.

L. G. McKay Jr., president of the council, said that all indications pointed to an overall increase in winter sports business here. As an example he cited the Gaylord area which set a new record over the New Year holiday, and the same at Silver Valley and other winter sports parks.

Booklets explaining the situation in Michigan state parks were distributed by Harry Aldrich of Roscommon, regional chief of the Michigan Conservation Department.

Frank Karoly of the tourist council told the group that some 40,000 winter sports folders had been distributed in the Midwest. The folder lists all winter sports areas and facilities in the state.

Among the local guests who were introduced to the group by McKay were Chester Parker, mayor of Perchville; George Baldwin, Silver Valley Winter Sports general chairman; Edward Bronson, a director of the winter sports council.

"The report on Unidentified Flying Objects" written by Edward J. Ruppelt.

According to the report, the air force checked with the air defense command after publication this week of a book entitled "The Report on Unidentified Flying Objects" written by Edward J. Ruppelt.

An air force spokesman said the object was picked up June 29, 1952, on a radar screen by an ADC station and tracked for about 20 minutes at about 700 miles per hour. An F-94 in the area on a training flight took out after the object.

Ruppelt wrote that the unidentified object looked like the F-94 by making a 180-degree turn "too tight for a jet" and by turning on amazing bursts of speed, ranging up to 1,400 miles an hour.

An aircraft research engineer, Ruppelt contended in his book that the air force has not told the public the full story about unidentified flying objects.

### Flying Saucers in For More Discussion

Flying saucers came in for another round of discussion during the past week, this time in Michigan's daily newspapers.

The daily press said Saturday that the air force insisted "the unidentified object chased by an F-94 jet over Saginaw Bay in June of 1952 was just another jet, despite doubts expressed by its former chief flying saucer investigator."

## Raise \$82.65 in Candy Sales for Polio Drive

"This looks good enough to be an annual affair," was the general opinion of the boys in room eight. The subject of their interest was a certified check to the polio fund for \$82.65 representing proceeds from this year's East Tawas grade school polio fund candy sale held last Thursday.

Last year Mr. Roberts' room eight raised the then unheard of amount \$32. from one candy sale. This year they decided to double that figure. Large billboards, posters, bills and pointers told the polio story and heralded the coming sale. Thirty-five large boxes of candy donated, some weighing over three pounds, almost guaranteed from the start that the goal would be passed.

The splendid spirit and co-operation of students, parents, and teachers made the sale such a gigantic success and the \$82.65 polio donation not only possible but pleasant and educational as well.

ELECTRICITY MAY BE THE DRIVER. One day your car may speed along an electric super-highway, its speed and steering automatically controlled by electronic devices embedded in the road. Highways will be made safe—by electricity! No traffic jams...no collisions...no driver fatigue.

## Power companies build for your new electric living

Your air conditioner, television and other appliances are just the beginning of a new electric age.

Your food will cook in seconds instead of hours. Lamps will cut on and off automatically to fit the lighting needs in your rooms. Television "screens" will hang on the walls. An electric heat pump will use outside air to cool your house in summer, heat it in winter.

You will need and have much more electricity than you have today. Right now America's more than 400 independent electric light and power companies are planning and building to have twice as much electricity for you by 1965. These companies can have this power ready when you need it because they don't have to wait for an act of Congress—or for a cent of tax money—to build the plants.

The same experience, imagination and enterprise that electrified the nation in a single lifetime are at work shaping your electric future. That's why in the years to come, as in the past, you will benefit most when you are served by independent companies like this one.

## Ladies Literary Club Observes 71st Anniversary

The Ladies Literary Club of East Tawas celebrated its 71st anniversary at Christ Episcopal Church last Wednesday evening, January 18, with a pot-luck dinner. Mrs. C. S. Everett presided over a business session which followed. Donations were made to the March of Dimes, the TB Association and to the Penny Art Fund.

The history of the club was given by Miss Edna Otis. She related events in the early history of the club in 1885 and conditions in the city at that time, naming charter members and their connection in the town. She told of humorous incidents which occurred and also of their fine influence on the life of the community.

Mrs. Lottie O'Loughlin was program chairman. A show arriving in East Tawas Monday afternoon to be with her sister, Mrs. D. Arthur Evans, and to attend the funeral of Laurene Evans.

Mrs. George Rose entertained friends at her home Monday afternoon in honor of Mrs. Minnie Chandler's birthday. Refreshments were served and gifts presented to her.

Mrs. Herbert Gould and children were in Lansing over the week-end. Mrs. Gould's parents, Mr. and Mrs. I. D. Bass, returned with her for a month's visit.

Mr. and Mrs. George McDonnell and children of Detroit spent the week-end with relatives.

Fourth in a Series—

Getting to Know Us

By Tawas Area High School Journalism Class

Debate season is almost at an end for this school year. For the debate members it has been a wonderful season.

Tawas Area Schools debaters have won three-fourths of the league competition and can enter the finals.

Jerold McEwen, director of the debate team, recently received a letter from Dr. Pfister, executive secretary of the league at Central Michigan College, telling him the team was eligible for the finals.

The finals this year are going to be organized differently than they have been previously. Each school that is debating will pick one team. This team will not

know whether it is to debate on the negative or the affirmative side until the finals begin. The team which Tawas Area has picked is David Butterfield and Judy Barkman.

Here is the record of which the debaters are justly proud:

- Oscoda—Two wins for Tawas Area.
  - Indian River—Two wins for Tawas Area.
  - Gladwin—One win, one loss for Tawas Area.
  - Bay City Handy—One win, one loss for Tawas Area.
  - Cheboygan—One win, one loss for Tawas Area.
  - Mt. Pleasant—One win, one loss for Tawas Area.
  - Alpena—Two losses for Tawas Area.
  - Alpena Catholic Central—One win, one loss for Tawas Area.
- Everyone wishes them the best of luck as they enter the finals the latter part of February.

Rocketing down a cliff that had dissolved into mud, a car twisted this house around and skidded it across a lot. A. C. Pfefferkorn, county fire warden, who has been clearing debris in the area around Bolinas, California, studies the heights behind the house after it oozed down to level ground and left a sea of mud over two feet deep.

January 27—Friday, 7:30 p. m., Federal Building, East Tawas, the training school for home demonstration leaders. Topic is first aid and home nursing.

Questions and suggestions from group members will be the theme of lesson under the direction of Grace Hanna, county health nurse. We can truly say it is a lesson tailored to the wants and needs as expressed by the women themselves.

There will be only one training class this month, an arrangement planned with the leaders. It is to be in the evening because some of the group leaders work during the daytime.

Mrs. Vera Kocher is another Hale homemaker who can "stitch with pleasure" these days because Mrs. Charles Attwell has been using one of her hobbies to good advantage. Mrs. Attwell

learned to clean and adjust sewing machines at a home demonstration workshop some three or four months ago. Every now and then she helps someone in the community learn that her sewing machine can and will operate more efficiently. Mrs. Attwell tells us that this particular machine would scarcely turn a wheel when she began work, and now the lady thinks it performs magic.

Fourteen newly finished footstools will grace the homes of as many women within another week. They have started in with legs and rungs, sanding, finishing, gluing and weaving of a seat, thus learning several skills while at the same time adding an inexpensive extra seat. It will do nicely for television viewing and the children will be partial to using it.

Making stools are Mrs. Walter Kasischke, Mrs. Norman Howarth, Mrs. William Wickert, Mrs. Harold Hammond, Mrs. Donald MacDonald, Mrs. Ben Gabler, Mrs. Otto Kasischke, Mrs. Edward Lempke, Mrs. Albert Ullman, Mrs. Harold Black, Mrs. John Cobb, Mrs. Howard Mott, Mrs. Edward Robinson and Mrs. Hilda Howarth.

Mrs. William Waters is taking on a challenging project in slip cover making. She completed her first slipcovered chair at the workshop held nearly three years ago. This time she will make covers to match for a day-entertainer and chair. The pattern is

a circular floral motif. Planning its use on various parts of the chair is a real problem. By the time this project is completed, Mrs. Waters will be our county slip cover consultant, we guarantee it.

You probably like guests to drop in, but you would not like to have them fall in. This is to make sure your front steps are accident-proof in spite of winter weather.

Eaves gutters are a big aid in carrying water away from the steps area when a roof slope drains in the direction of steps.

Winter weather is hard on wooden steps and porch flooring. Be on the alert for signs of rot or dangerous weathering.

For a sweet treat in place of candy, use dates. Split them lengthwise, pitting if required, and stuff with smooth peanut butter. Roll in finely granulated sugar. These stuffed and sugared dates served with coffee or tea are a treat for guests.

Credit Union Has Assets of \$42,115.01

The Rev. Fr. A. J. LeRoux, president of the Spring Lake Credit Union, was featured speaker at the first annual meeting of the local IHM Credit Union held at St. Joseph School Thursday night. Father J. A. Castanier, president, reported that the IHM Credit Union now had assets of \$42,115.01 and 73 members, a phenomenal growth for five months operation. Frank Byrd and Emory Sylvester added their comments to the report of the president of the board of directors.

The IHM Credit Union was organized in July 1955 to serve the members of Immaculate Heart of Mary Parish. There are 900 credit unions with nearly 600,000 members in Michigan. These credit unions have about \$250,000,000 in assets.

Walter Schuhmacher said a few words regarding the work of the credit committee, composed of himself, William Murray and Grant Bessey.

Mary Byrd represented the supervisor committee, composed of herself, E. D. Jacques and Shirlev Deering. She reported a supervisor audit of the books held January 16.

Guests at the meeting were the Rev. Fr. Edward Szurmowski of St. Joseph Parish and the Rev. Fr. Gerald McCormick, OMI of Port Huron.

Plans were formulated to expand during the coming year. Coffee and donuts were served after the meeting.

FUNERAL SERVICES HELD FOR JOHN BENSON OF WHITNEY TOWNSHIP

John Arthur Benson, age 62, died last Wednesday evening at his home in Whitney Township, Arenac County, near Alabaster after having been ill the past three months.

John Benson was born at Alabaster on November 16, 1893, and was married to the former Miss Mable Brown on January 29, 1916.

He was a resident of Alabaster all of his life and was engaged in commercial fishing. Surviving are his wife, Mable of Alabaster; one son, Robert of Grand Rapids, and three brothers, Oliver and Edwin Benson of Alabaster and Marvin Benson of Bay City.

The body was at the Moffatt Funeral Home until the funeral. Funeral services were held at Grace Lutheran Church Saturday afternoon, January 21, at 2:30 with the Rev. Robert Nelson officiating. Burial was in the Tawas City Cemetery.

Charles Nash sang "The Old Rugged Cross." Mrs. Nash was accompanist. The pall bearers were: Claude Benson, Elmer Benson, Louis Benson, Herman Reiter, Leonard Furst, Harvey Gilbert.

Mrs. Daniel McGuire

Funeral services were held Monday afternoon for Mrs. Daniel McGuire, who died suddenly at her home in Baldwin Township Saturday morning, January 21. She was born in Bay County on November 16, 1902, and was 53 years old. On May 18, 1949, she was married to Daniel McGuire in Bay City. She was the former Miss Alvina Schinler.

The body was taken to the Moffatt Funeral Home and on Saturday was taken to the Gugel Funeral Home in Saginaw where funeral services were held on Monday afternoon at 2 o'clock with the Rev. E. E. Bickel of Tawas City Zion Lutheran Church officiating. Entombment was made in the Saginaw Mausoleum.

Mrs. McGuire was a member of Zion Lutheran Church of Tawas City. Surviving are her husband; three sisters, Mrs. Clara Huber, Mrs. Emily Albrecht, Mrs. Verna Ruppel, all of Saginaw; two brothers, Arthur Schinler of Saginaw and Edmund Schinler of Detroit. She also leaves her parents, Mr. and Mrs. John Schinler of Saginaw.

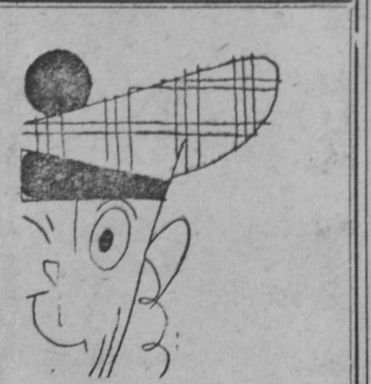

On a recent very cold day, a Coldwater, Michigan, theatre marquee advertised the following double feature: "The Naked Dawn" and "Lady Godiva."

Pilot Robert Francis has suddenly found himself to be a hero and the object of congratulations received from his passengers and crew. Confronted with a failure of his electrical system which knocked out the plane's radio and flying instruments, he guided his Northeast Airline plane, with 22 aboard, to a safe landing at LaGuardia Field in New York, having flown from Boston, Massachusetts, to New York by using only a flashlight and a compass to guide him.

### LEGISLATIVE NEWS LETTER

From the Desk of James P. Mielock, House of Representatives, Lansing, Michigan.

The second regular session of the 68th Legislature convened at noon on Wednesday, January 11. As is usual, the first week of the session is a short one, and confined mostly to offering and adopting routine motions and resolutions necessary in getting a session under way, putting into motion machinery for the joint convention, before which the governor delivered his annual message, listening to the message, introduction of bills and adjournment.

This year a portion of the governor's message dealt specifically with definite recommendations on some problems, while another part was of a general nature with a promise of recommendations for their solution to follow in subsequent messages, and still a third part of his message covered matters of national nature, but throughout the entire message ran the theme of automation and one had the impression that in wanting to do something for everyone, his sights undoubtedly were set in this election year on the national scene.

Dealing at length with the effect of automation on our econ-

omy, he asked for the creation of a statutory commission on the problems of automation with an appropriation of \$100,000 for its administrative purposes, part of which would be to stay on top of all automation developments; facilitate transition of industry into the new technique; adjustment of workers; prepare training and retraining courses in the new skills and serve as liaison with commercial, cultural and recreational groups and agencies.

Without stating a specific amount, he asked for a greatly increased budget for the Economic Development Commission to not only help increase and diversify Michigan industry, but to also provide for a Washington, D. C. office.

As an aid to small business in a period of automation, he recommended the enactment of a Development Credit Corporation.

He urged creation of an Atomic Energy Commission.

In the field of education, he recommended a 20 percent increase in operating appropriations for Michigan colleges and universities; \$150,000,000 college and junior college building expansion program over the next six years; a \$500,000 appropriation annually for \$1,000 scholarships to 500 selected students; a new school aid formula; a \$4,000 minimum salary for teachers; special facilities for the slow learner and the gifted child.

He also recommended an agricultural program of proper land use; a stepped up state

park program; establishment of a state water and sewage authority; a statutory commission to study water rights; increased authority to the state health department to deal with air pollution problems.

For the mentally ill, he urged a 25 percent budget increase for mental hospital operation, and a state matching program for leasing local hospital facilities.

These are but a few of the highlights in his hour long message, and few can deny that later messages giving detailed recommendations, and particularly those dealing with fiscal problems, will be interesting.

Among the bills introduced to date, are:

Certified mail bill applicable to circuit courts; \$1.25 hourly

minimum wage law; creation of an air pollution control commission; a capital punishment bill; creation of a suggestion award board; creation of a safety award board; a development credit corporation bill; establishment of diagnostic centers under direction of the Mental Health Commission; an eight-hour (40-hour week) for police department employees in municipalities over 10,000 population; a package of three bills to strengthen the sex deviate laws; removal of the Boys' Vocational School from Lansing.

Also introduced are joint resolutions proposing to amend the constitution to lower the voting age to 18, and to prohibit use of parking meters in any community unless adopted by a vote of the local electors.

# GM MOTORAMA HERALDS FUTURE

NEW YORK—The possible pattern of highway travel of the future is dramatized in the General Motors Motorama of 1956, shown here as a New York audience watched fast-moving Motorama stage entertainment at the Waldorf-Astoria Hotel. After a Jan. 19-24 public showing in New York the giant admission-free GM display of "dream cars" and other attractions will appear in Miami Feb. 4-12 and later in Los Angeles, San Francisco, and Boston.

### ZIEGLER ANNOUNCES NEW ROAD PROGRAM

State Highway Commissioner Charles M. Ziegler has announced a construction program on state trunklines for the 1956-57 seasons totaling in excess of \$300,000,000.

The total for the two-year period could conceivably be even greater should the congress this year pass a bill to expedite construction of the federal aid systems. Michigan would benefit appreciably from such legislation, perhaps by as much as an additional \$50,000,000 per year.

Included in the construction program announced for Michigan are approximately 450 miles of four and six-lane divided highways on the major trunkline system, to be completed and opened to traffic by the end of 1957. Nearly 200 additional miles of modern divided roads will be under contract next year, but are not expected to be opened to traffic until 1958.

The 1956-57 program also includes 500 miles of construction, reconstruction or resurfacing of two-lane highways on the state trunkline system.

Projects scheduled for construction are in all areas of the state, although emphasis will be placed on multi-lane roads specified in Act 87 of the 1955 legislature. So-called "Act 87 roads" include 965 miles on the Federal Interstate Highway System, and approximately 1,000 additional miles of major trunklines on the federal aid primary system.

Of the total commitment for \$300,000,000, estimated revenues from state fuel taxes and license fees, and federal aid at the present rate of distribution, will account for an estimated \$170,000,000. The remaining \$130,000,000 will be raised through bond issues permitted by existing legislation.

Commissioner Ziegler, in announcing the program, said that the two-year total would put Michigan in the forefront of the states in highway construction expenditures.

The population of the United States will exceed the 200,000,000 mark within 20 years, according to Howard G. Brunsmann, chief of the population and housing division of the census bureau. The present estimated population of 166,000,000 represents an increase of 15,000,000 in the last five and one-half years.

## One take-off for traffic -and- two for the road

You ought to try Variable Pitch Dynaflo! Now!

The light is red and you're ready. It flashes green and you go—but quick.

And that's when you discover the Number One news about Buick's new Dynaflo...

That it gives you brilliant new getaway response for city traffic at only part throttle—even before you switch the pitch of this airplane-principled transmission. (And think of the big gas savings that means!)

Next comes the Number Two discovery—out on the road.

For here—still without switching the pitch—you have plenty more nimble acceleration to surge or spur ahead, to climb hills, to do with almost effortless ease all the things normally called for by highway driving.

But comes an emergency—the need to get out of a tight spot—and you discover the Number Three news...

That you can do what a pilot does. That you can switch the pitch of your Dynaflo blades—just by flooring the pedal. And that you get, instantly, a full-power take-off from cruising pace—an electrifying burst of acceleration—the most thrilling safety measure on four wheels today.

This is performance too good to pass up—and you really ought to try it.

It's performance sparked by the whispered might of big new 322-cubic-inch V8 engines raised to record highs in power and compression.

It's performance that goes with the best ride yet, the best handling yet, the best interiors yet, the best styling yet—and, literally, with the best Buick yet.

Come in and see—and be shown—and learn, in the doing, about prices that make these '56 Buicks the best buy yet.

*\*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.*

### WITH THE IOSCO— 4-H Clubs

**By Dorothy Scott  
County Agent**

Saturday, January 28—Training School for 4-H Club officers, 8:00 p. m. to 9:30 p. m.

Presidents, vice presidents, secretaries, treasurers and reporters of Community 4-H Clubs and projects are being offered an opportunity to take a close look at their job for 1956.

Every 4-H Club sending 100 percent of the officers named and the Community 4-H Club

leader will receive an award to help make meetings more interesting.

An organization meeting for the Tawas City 4-H Club was in progress the other evening and we assume they completed the business of electing officers, selecting and planning for projects and leadership. Perhaps by next week we can tell who is who and what is what.

We hear that Laidlawville 4-H Club plans a March openhouse, while an April event is scheduled for Alabaster-Whitney. When will other 4-H Clubs be having theirs?

### Hale Health Council Met Last Tuesday

The Hale Health Council met Tuesday, January 10. After a short business meeting, the women helped set up the class for home nursing and cleaned up the loan cupboard.

Ruth Guest will take care of the sale of the shampoo. Money derived from this project goes into the treasury to help furnish the loan cupboard.

Articles in this cupboard may be borrowed by anybody who needs sickroom supplies.

The health council will take over the Easter Seal sale in April, sponsored by the Michigan Crippled Children and Adults Society. One-half of the money remains in Iosco County.

Speaker at the February 14 meeting will be Miss Mae Jordan, area Red Cross worker from Cadillac. She will tell of her experiences at disaster areas in the East after hurricane Connie and Diana last year. Delegates and alternates are requested to be at this meeting and bring their friends.

The health council hopes to

get two women from Hale who would attend the Red Cross meetings once a month at Wurtsmith Air Force Base, Oscoda, for the purpose of serving in the canteen.

To perform this service it is not necessary to be a council member.

If you would like to attend these meetings please contact Mrs. Charles Attwell Sr., Route 2, Hale.

### MSU Veterinarian Speaker at Brucellosis Meeting

Take a bow, Iosco County sheep raisers. The leadership and initiative (by too small a percentage) of these men have again molded to a going concern in the Northeastern Michigan Sheep and Lamb Marketing Association.

John Harrington, lamb grader for Michigan Livestock Exchange, gave us the 1955 summary of the "pool" marketing operations. He compared those figures with 1954, our first year to show the increase. Thirty-one Iosco sheep raisers consigned 760 lambs and sheep in 1955 as compared to 275 in 1954. That record led the list for 11 different counties consigning.

What did this mean in the way of dollars and cents to those who consigned? A panel of sheep raisers told us at the second annual meeting last week.

One of the panel members said he weighed two packages of lambs on his farm. The day of the December "pool" he split this package in two with 25 lambs in each package.

One he shipped south, the other went to the West Branch lamb pool operation. Here is what he said.

"The package I shipped south had a shrink of seven pounds per head. Those I sent to the pool had a three pound shrink (a saving of 100 pounds on 25

lamb) and say \$1.00 per head was saved by this cooperative selling through the pool, the 3,534 lambs and sheep so sold gave our Northeastern Michigan sheepmen \$3,534 more net income.

A vote of thanks to our Hale Grange for a real fine lamb dinner.

Armour Packing Company and Michigan Livestock Exchange furnished some prime leg of lamb that made it a real meal to remember.

Space won't permit me to write a summary complete enough of our recent brucellosis meeting. For the 70 Iosco farmers that did attend, comments like these best describe the session.

"I really got my money's worth at that meeting," said Russell Nelkie of Tawas Township. "That was the best meeting I've gone to in a long time." Waldo L. Curry said, "I feel sorry for the livestock raiser who wasn't there!" was another tribute to a real fine session planned by our Iosco-Tawas ABA, George Parsons, dairy specialist, Michigan State University, led a real lively informal discussion. Those on hand to answer questions included: Dr. Thayer from Lupton; Dr. Bruce, in charge of Northern Michigan testing; Dr. Glen Reed, Michigan State University veterinarian; Lyle Long, ABA president, conducted the business session that included a yearly summary report by Thomas Nelkie and the secretary's report by Glenn McLeod.

For those who might like to ask questions about the meeting, here is a partial list of those who attended:

Glenn McLeod, Tawas City; Lyle Long, Tawas City; Dr. Thayer, Lupton; George Lake, Hale; Royden Parkinson, Hale; Rupert Bentley, Whittemore; Fred Pfahl, Tawas City; Charles F. Brown, Tawas City; Waldo L. Curry, Tawas City; John Coppler, Oscoda; Alfred Donovan, Oscoda; Lloyd Little, National City; Dewayne Durant, Tawas City; Donace Bellville, Whittemore; Lester Robinson, Whittemore; Victor St. James, Whittemore.

### SHEEP AND LAMB POOL TO BE HELD JANUARY 31

Sheep raisers in Iosco, Ogemaw, Arenac and Gladwin Counties have requested that one more pool be operated at West Branch, Marvin Davenport, county agent, said this week that the pool will be held Tuesday, January 31, from 9:00 a. m. to 2:00 p. m. Any and all sheep and lambs can be sold through the pool by any farmer.

lamb). It cost 75 cents per head to ship the lambs south. Shipping the lambs to the pool should account for 20 cents per head. Selling my lambs 175 miles from home cost me \$1.34 per head or \$33.50 for the 25 head."

### "Monthly Pains" stopped or amazingly relieved

In 3 out of 4 cases in doctors' tests!

Chances are you're putting up — unnecessarily — with the functionally caused pains, cramps and weak, "no good" feelings of menstruation!

For, in actual tests by doctors, Lydia E. Pinkham's Compound brought complete or striking relief from such distress in 3 out of 4 of the cases!

Lydia Pinkham's is modern in its action.

So get Lydia E. Pinkham's Vegetable Compound — or new, improved Tablets with added iron. See if taken through the month — it doesn't give relief from those backaches, jitters — help you feel better before and during your period!

Or — if you suffer from functional "hot flashes" of "change of life," find out how wonderful Pinkham's is for that, too!

It has a soothing effect on uterine contractions that often cause "menstrual" pain!

## He's Looking for a Mountain!

You see, he knows what he has down under that beautiful hood—a great, powerful V-8 engine that's pulsing with life—and he's simply itching to give it the word!

But he is a sane and sensible driver, who stays within the regulations and observes the laws of common sense—and he knows he can't unleash that engine on a normal stretch of highway.

So he's looking for a big, long, steep hill. Maybe he can get the throttle down there for a short thrust—just to see what it's like!

Well, maybe so—but even on a mountain, he won't use full throttle for long. For this car is powered far beyond all normal requirements.

Why, you might ask, is this so?

Well, in the judgment of Cadillac engineers, it's done for a number of vital and important reasons.

First of these is safety. A great reserve of power for the quick escape from an emergency is of the essence of highway safety.

Then there's economy. A big, powerful engine that loafs at normal speeds permits the use of an axle ratio that makes for gasoline economy.

There is long life, too—for the absence of strain adds years and years to the life of any mechanism.

And finally, there is the great riding and driving luxury that comes with extra power... the whisper-silent engine, the instant response to the throttle, the sense of safety and security.

Why not come in soon and see for yourself? We will be most happy to supervise a personal demonstration on the highway.

The car is waiting for you—and any time you find the time would be a good time for a date!

WHO IS THE OWNER OF THIS FARM?—Here is another "Mystery Farm" located somewhere in Iosco County. If you recognize this farm call The Tawas Herald office with your answer. You may win a free subscription to this newspaper.

### TRY YOUR SKILL IN FARM PHOTO CONTEST

Mystery Farm number four in The Tawas Herald's current aerial farm photo contest was identified last week as the John Zaharias farm on the Monument Road. Some 47 persons called the Herald office, 43 of them recognizing the farm correctly.

Winners in the weekly subscription contest were Mrs. Arthur Erickson of Route 2, Tawas City, and Robert J. Toska of 506 Church Street, East Tawas. Each received a one-year subscription to this paper.

Each week a new picture is published and readers who identify the farm should call The Tawas Herald immediately. After the farm is recognized a free five by seven inch picture is given to the farm owner.

This series of pictures gives the reader an opportunity to see many of the fine farms in Iosco County.

### Cards Rack Up Two More Wins

The Whittemore Cardinals won their 10th straight game at the expense of the Hale Eagles Friday night. The Cards started off fast and doubled the Eagles score at the half way mark, 38-19. Coach Walke's squad tried to get back in the ball game in the third quarter but could not match the better balanced Cards, who continued to hold a safe lead and coasted home with a 20-point margin.

Shellenbarger led the scoring with 27 points for Hale, his opponent in the center slot for the Cards, Pagel, followed with 23 points. The Cards had three other players scoring in double figures, Dunham with 20, Freese with 19, and Wilson was the only consistent scorer for Hale with 15 points.

The Card JV's lost their first game after nine straight wins, 50-36. The little Cards could not seem to get started until the fourth quarter and then Hale had it all wrapped up. Reimer, Hale's center, led the scoring with 19 points. Dorcy led the Cards with 17.

Whittemore, rated fifth in state Class D teams, edged Bay City St. Joseph Tuesday night, 40-41, in a thriller.

The Cards held a commanding 27-10 lead at the half but Bay City went on a scoring spree in the second half to give Whittemore its worst defeat of the year.

Freel led the Cards with 14 points. Kulas topped the Bay City five with the same number.

The Whittemore JV's lost to St. Joseph 25-19. Charters led Whittemore with nine points.

### STATE POLICE MAKE 1,633 ARRESTS IN 1935

According to the annual year-end report released this week by the East Tawas post, Michigan State Police, a total of 1,633 arrests was made in the three-county area served by the post. Of this figure some 1,284 arrests were of a traffic violation nature.

Fines and costs resulting from the arrests amounted to \$21,447.18, which included charges ranging from traffic offenses to felonies.

Sgt. Frank Roti, post commander, said that approximately 60 percent of the arrests were made in Iosco County.

Heaviest month for fines occurred in April when \$1,825.30 resulted from convictions. Court costs amounted to \$557.10 during that month.

A total of 187,718 miles was traveled by cars from the post, 101,377 of which was spent on traffic patrol. A total of 11,253 miles was traveled on traffic complaints.

A breakdown of the post's patrol record shows that 6,090 hours were spent on patrol; 1,284 traffic offense arrests; 125 other patrol arrests; 410 cars assisted; 1,621 cars investigated; 4,797 property inspections; 1,429 liquor inspections; 3,291 verbal warnings.

Total man hours for the nine men assigned to the post amounted to 26,352 hours. A total of 1,486 complaints was received.

### Farm Bureau Reaches Goal in County Roll Call

Iosco County Farm Bureau reached its 1936 membership goal with 256 farm families enrolled. Last year's membership was 277 families.

Spokesman for the bureau, Thomas Nelkie, roll call manager, said "Farmers of this county have learned the value of unity; the growth of the county Farm Bureau is good evidence of this fact."

Roll call workers report that farmers were eager to join the organization because of the fact that it has grown in service to the farmers.

The Iosco County Farm Bureau now has a complete insurance program, petroleum service, feeds and fertilizer service. It is owned and controlled by farmers and its program is designed to give the members an active part in developing its policies and directing its efforts.

A victory dinner is being planned by the county board to compensate the workers for the job they have accomplished. Time and place for the dinner will be announced later.

### Two Persons Injured in Truck-Car Crash on US-23

Two persons were injured in a car-truck crash last Saturday on US-23, one mile north of East Tawas.

Injured and treated at Tawas Hospital were Elular Bartley, Alpena, lacerations of face and bruises; Margaret Bartley, Route 10, Alpena, bruises of the legs.

Betty Lou Bartley, driver of the car, told officers she attempted to pass an Iosco County Road Commission truck which was sanding the road, and in doing so her car dropped off the pavement, skidding into the rear of the truck. Driver of the truck was Richard Shover of Route 1, Tawas City.

### Braves Lose to Atlanta Friday

Tawas Area dropped two games to Atlanta last Friday night, the Braves losing by a 58-64 score and the JVs were nosed out 48-46. Next on the schedule is a tilt with Oscoda, here, on February 3.

After jumping off to a commanding lead in the first half, Atlanta staved off several threats by the Braves in the third and fourth quarters. Tawas was within three points of tying the score several times during the final half but lacked the extra push necessary to stage the comeback.

Both teams had three players who reached double figures in the scoring column. Dave Featheringill, Braves forward, led both teams in scoring with 19 points. Ron Marlett topped the winners with 18 markers. Other top scorers were Ut of Atlanta with 17, Stephan of Tawas with 16, Ray Marlett of Atlanta with 12 and Leopard of Tawas with 10.

The Tawas Area JV squad lost a thriller to Atlanta in a well-balanced 48-46 game. Tawas held a 28-20 lead at the half.

Leading scorers for Tawas Area were Frank, Mick, Prescott and Lansky, each meshing 10 points, and Ledworth with six. High for Atlanta was B. Barry with 16 points.

### Car Strikes and Kills Deer; Damage Set at \$250

A collision between a car and a deer which attempted to cross US-23 south of Tawas City resulted in \$250 damage to a vehicle owned and driven by Gerald Grack of Route 2, Tawas City. The deer was killed and disposed of by Conservation Officer Arthur Leitz.

Mrs. Mathew Kienholz returned from Ann Arbor last Friday where she had visited with her son, Karl, who had undergone an operation.

### Charles Parker

Charles Parker, 96 years of age, former resident of East Tawas for 31 years, died at Hurley Hospital, Flint, last Wednesday evening, January 18, after a few days illness.

He was born in Brighton, England, April 22, 1859, came to Canada in 1873, and to the United States in 1879. He joined the United States Coast Guard in 1882 and came to the Tawas Station in 1887 where he served until his retirement in 1916. The family moved to Flint in 1918 where Mr. Parker was employed for 12 years at the Buick factory. He was married to Mary A. Randall December 30, 1895, who preceded him in death in 1952.

He was active in Odd Fellow work for many years in East Tawas and was a life member of Friendship Lodge, IOOF, in Flint. He was also a member of the Rebekahs and the Macca-bees.

Funeral services were held last Saturday afternoon at 1 o'clock at the Reitzle Funeral Home, Flint, with the Rev. C. C. Watkins officiating. Interment was in Grace Lawn Cemetery.

Surviving are two daughters, Mrs. Cora Monks of Detroit and Mrs. Carrie Herstrom of Flint; one son, Leland Parker of Flint; three grandchildren, and four great grandchildren.

### Mrs. Mary Green

Mrs. Mary Green, one time resident of this city, died Thursday, January 19, at Mt. Carmel Hospital, Detroit. She was the widow of the late John Green.

Surviving are 10 children, Victoria, Sophia, Helen, Cecelia, Franklin, Herbert, Bernard, Dominic, Margaret and Leonard. Two children, Luanna and Joseph, preceded her in death. Also surviving are a brother, Thomas Daley, 26 grandchildren and 10 great grandchildren.

Funeral services were held from the McCabe Funeral Home, Detroit, at 9:15 Monday morning and from Ephiphany Catholic Church at 10 o'clock. Interment was in the family lot at Holy Sepulchre Cemetery.

### Paul Greggs

Paul Greggs, 83 years old, died last Friday afternoon at his home in the Hewson cabin on Wadsworth Street. He had suffered a paralytic stroke the Tuesday evening previous to his death. Funeral services were held at the Moffatt Funeral Home Monday morning at 10 o'clock with the Rev. Ralph Edwards of the East Tawas Methodist Church officiating. The body was taken to Ewart, Michigan, where burial was made in Forest Cemetery.

The family had occupied the Hewson cabins the past eight winters and had been spending their summers in Florida and al-

so at the Oscoda Trailer Park. The family had resided in Flint where Mr. Greggs was employed by General Motors Corporation.

Paul Greggs was born in Wheelerton, Michigan, February 5, 1852. He was married to the former Miss Pearl Merrell in 1904.

The only survivors are his wife and one nephew in Florida.

### Laurene Evans

Laurene Evans, 18-month-old baby daughter of Mr. and Mrs. D. A. Evans of East Tawas, died suddenly last Sunday morning shortly after 10 o'clock at the family home. She met death accidentally while in her crib. She had been named Laurene Ruby Ellen Evans and was born July 13, 1934.

Surviving are her parents; one sister, Carolyn, and four brothers, Douglas, Donald, Leigh and Eugene, all at home; her grandparents, Mrs. Kate Evans of East Tawas and Mr. and Mrs. Ira J. Turnbull of Detroit.

Funeral services were held Tuesday afternoon at 2 o'clock at the Evans Funeral Home with the Rev. Ralph Edwards of the Methodist Church officiating. Burial was in Greenwood Cemetery.

### Mrs. Kate Charters

Mrs. Kate Charters of Reno Township died Sunday, January 15, at the Tawas Hospital following a short illness.

The former Miss Kate Sortzi was born, November 20, 1908, in Rumania. She had resided in Iosco County for 28 years. She was married to James E. Charters in 1927 at Bay City. She was a member of the Reno Baptist Church.

Surviving are her husband; three sons, Edward of Los Angeles, California, George and William of Pontiac; four daughters, Mrs. Betty Colbeck of Pontiac, Margaret of Bay City, Kathryn and Patricia at home, and her mother, Mrs. Vesaline Sortzi of Tawning.

The funeral was held at the Reno Baptist Church Wednesday at 2 o'clock with the Rev. Charles Mercer of Tawas City officiating. Arrangements were made by the Porshee Funeral Home of Hale.

Really cultured persons never mistake vulgarity for originality.

Occasionally one learns that it is much smarter not to talk so much.
