Oscoda Canoeists Take 1st Place in Tawas River Race

Ralph Sawyer and Tom Gildersleeve of Oscoda won the third annual running of the Tawas River Canoe Race last Sunday afternoon by crossing the finish line at the Tawas River bridge first to lead the field of 23 canoe teams.

Sawyer, 19, and Gildersleeve, 22, both veterans in Michigan canoe racing circles, bettered last year's time by nearly two minutes when they finished in 40 minutes, six seconds.

The winning team had a fight on their hands all the way down the course to defeat a strong bid by Steve Kolonich and his son, Gary, of Tawas City, who finished only about four or five lengths behind.

The senior Kolonich, another veteran racer, and his former partner, Larry Kindell, won the race in 1954 and repeated in 1955. In the first year they set a record of 38 minutes, 45 seconds. Kindell entered the army last winter and Kolonich teamed up with his 14-year-old son, who turned in a very creditable performance.

In third place was Meri Klein and Jack Kent of Atlanta, another pair of veterans, who finished only a few lengths behind the second place team to make the race one of the most interesting in its three-year history.

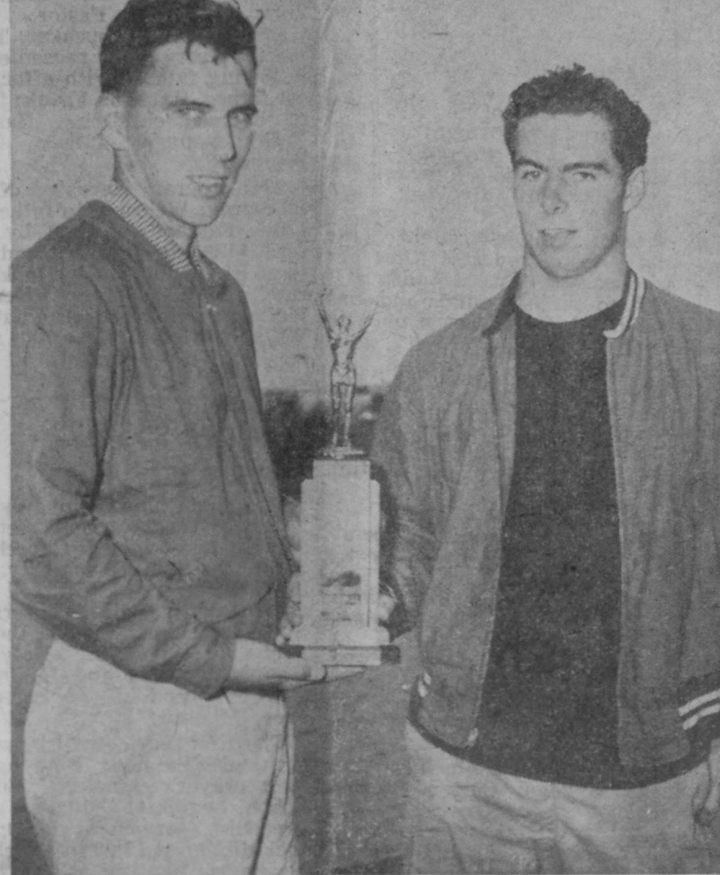

Starting at 2 o'clock at Cliff's Landing on Tawas Lake, several hundred spectators were on hand to watch the 23 teams make a perfect start. All along the course, river bridges were jammed with spectators who cheered their favorite teams.

This race, although only a "short" race, compared to a race like the 240-mile AuSable River marathon, is a good warm-up for the canoeists. Because of the many bends in the river and natural obstacles, plenty of experience and stamina are required to win.

Due to the short length of the course, about six miles, spectators saw many good finishes at the Tawas River bridge at US-23 when the several groups of canoes battled it out in a stretched drive.

First woman to enter the annual race was Mrs. Anna Good, who teamed with her husband, Richard. The Goods are from Parma, Michigan, and made a creditable finish in the race.

Page Foundation Worker Welcomed by Church

Members of Christ Episcopal Church and the Rev. Richard P. Jennings, rector, this week welcomed Herbert Coburn of Peoria, Illinois, as a Page Foundation worker in parish activities.

Coburn, a graduate of Kenyon College, Gambier, Ohio, has completed his second year at General Theological Seminary in New York. He will work in Episcopal mission activities in this area for approximately eight weeks this summer.

St. Paul's Church at Hale to be Dedicated Sunday

St. Paul's Evangelical Lutheran congregation of Hale plans to dedicate its new church at a special service Sunday evening, June 24, at 7:30. Pastor Kenneth W. Vert of Owosso, the first resident pastor of the Lutheran church at Hale, will preach the dedicatory sermon.

Building operations of the new church building were begun last September under the pastorate of the Rev. Arthur J. Clement.

The new church edifice of block construction comfortably seats 150 worshippers. Accordion doors which separate the new church from the old chapel, the present parish hall, make it possible for 100 additional worshippers seated in the parish hall to take part in church services.

Regular Sunday morning church services on June 24 will begin at 10:30. The present pastor, the Rev. Adalbert F. Schultz, will preach the sermon during the morning service.

Whittemore-National City Blacktop Completed This Week

The East Shore Asphalt Company of Alpena is finishing blacktopping the Whittemore-National City road this week. This will hard surface a heavily traveled road for trucks and workers to the National Gypsum Company.

Sargent Construction Company of Saginaw resumed work on M-55 west of M-65 to the Ogemaw County line last week. This is slated for completion by August 1, then it will be sealed.

Mason Construction Company has the Hope Creek bridge on the latter section of road almost completed and will be ready for traffic as soon as the road is completed.

Airman Held on Felonious Assault Charge

A 21-year-old Wurtsmith airman is being held under \$5,000 bond at the Isoco County Jail on charges of felonious assault after being arraigned in the court of Justice A. J. Goulet Monday.

Airman I-C Charles E. Smith, a Korean veteran and a baker at the base, was arrested Saturday night at Oscoda by Oscoda Township Officer Harvey Amo and Deputy Sheriff William McCoy. Airman Smith led the two officers on a wild chase through AuSable and Oscoda which ended when the two officers fired four times at his car.

The chase began when the two police officers were called to River Street in AuSable where Airman Smith had seven cars stopped by blocking the road with his car. Witnesses said that Airman Smith told them he was looking for a "murderer."

When police arrived the airman was arguing with Lt. E. F. Smith, base legal officer. When Deputy McCoy attempted to take him into custody the airman jumped into his car, slammed the car into reverse, nearly knocking down McCoy, and wildly pulled away toward Oscoda.

Amo and McCoy gave chase and were aided by townspeople who pointed out the direction in which Airman Smith sped in his car. They finally located his abandoned vehicle in front of his home. Thinking that he may have gone inside to get a weapon, the two officers radioed

Knot Holers to Start Schedule Next Monday

With the season schedule complete and player rosters filled, youngsters (and adult managers and coaches, too) eagerly await the opening games in the Knot Hole League, scheduled to start Monday, June 25.

The baseball loop, comprised of players from nine to 12 years of age, will officially start its 1956 season next Monday evening when the Braves and Jets fight it out on the north diamond and the Indians take on the Little Trailers on the south diamond. All of the league games are to be played at the East Tawas athletic field.

Four teams comprise the league and each team will play two games a week during the five-week schedule, closing on July 23.

"We urge everyone in the area to come out and give these kids a boost," Deloise "Dewey" Durant stated this week. Durant is commander of the Audie Johnson Post, American Legion, sponsor of the league.

"A ball game is incomplete without a crowd of enthusiastic fans who lend their support along the sidelines and not only these youngsters enjoy the game, but the parents and other adults have an interesting and entertaining evening watching them play," said Durant.

Teams, their sponsors, managers and coaches are as follows:

Little Trailers, sponsored by Anderson Coach Company; manager, Gale Wojahn; coach, Robert Richardson. Player list: James Gettner, Michael Sass, Douglas Hanna, Michael Koch, Louis Werth, Donald Evans, Paul LaPorte, James Herman, Richard Herman, Clifford Allen, Donald Youngs, Thomas Merschel, Neil Katterman, David Wojahn, James Streeter, George Wojahn, Jerry Young.

Indians, sponsored by William Look and Sons and Tawas Bay Insurance Agency; manager, Robert Elliott Jr.; coach, Norman Klenow. Player list: James Campbell, Thomas Morat, Butch LaVoi, Patrick Oulette, Robert Erickson, James Mick, Richard

(See Schedule Set, page 12.)

Legion Loop to Start Season Schedule Friday

The four-team Tawas Legion League will open its season Friday night with two games. One game will be played at the Tawas City athletic field and the other at the East Tawas field.

At present, finishing touches are being made on a new field at the Tawas Area School grounds in Tawas City. This field, along with the Tawas City athletic field, will be used for all league games.

A complete list of players and managers is not available as yet, but will be published next week along with the season schedule. Names are still to be selected for the teams.

Players range in age from 12 to 16 years. The league is sponsored by the Jesse Hodder Post, American Legion, Tawas City.

Schedule
Friday, June 22—
No. 2 vs. No. 4, at Tawas City.
Monday, June 25—
No. 2 vs. No. 3, at athletic field.
No. 1 vs. No. 4, at school diamond.

Grand Opening of Brugger's Market This Week-End

Grand opening of the new and enlarged Brugger's IGA Super Market in Tawas City will start today (Thursday) and run through Friday and Saturday. John N. Brugger, owner, said earlier this week that a special welcome awaits customers to the store during these three big days.

"We are very proud of our new enlarged quarters and modern equipment and extend a cordial invitation to everyone in the area to come in and visit us during our grand opening," said Mr. Brugger.

As a special feature of the grand opening, 10 heaping bushel baskets filled with groceries will be awarded to lucky visitors during the three-day event. Customers may register at the check-out counter and baskets will be awarded Saturday night at 7 o'clock. Winners are not required to be present to win.

Other attractions during the grand opening include free potted plants for the ladies, free coffee and doughnuts, free balloons and suckers for the kiddies. Other special prizes will be awarded to customers when an alarm clock signals the winner at the check-out counter.

One of the most modern super markets in the Tawas and the general area, Brugger's Super Market is equipped with the latest in self-service conveniences for the public.

Construction on enlarging the building, remodeling and re-equipping began last April. The store now has a salesroom of 91 by 30 feet with a 10 by 32 foot storage area at the rear. Overall dimension of the building is 102 by 32 feet.

A modern conveyor belt check-out counter is located at the front of the store which adds greatly to the speed and accuracy of checking out orders. When the customer places his purchases on the motor-driven belt the clerk totals the purchase and the entire order moves to a special divided wrapping counter, contained in the unit.

The market's frozen food department consists of a new 10-foot long Koch "Sell-O-Vision" self service case plus an additional seven-foot case for a complete display in the frozen food line.

A 21-foot Koch "Sell-O-Vision" self service case is a special feature of the store's enlarged meat department. This case is used for pre-packaged and pre-priced meats and poultry. The department also has a 10-foot case for fresh meat display and a new six-foot by 15-foot walk-in refrigerator.

The fresh produce department has a 11-foot open display case and is equipped with a five by 14-foot walk-in refrigerator. Attractive new steel shelving was installed in the store, including two 45-foot islands and 40-foot wall shelving along both sides of the store. See-Ezy lighting fixtures and green and gray vinyl asbestos tile flooring adds to the attractiveness of the store.

No-Hit Bid Spoiled-- Grand Slam Home Run Wins for Hale

During seven innings of baseball last Sunday, Mern Warner, one of Tawas City's pitching mainstays, could do no wrong—his fielder's battery hitless, allowed no runs and only two men reached first base. In the eighth inning the roof caved in on him to scatter any hope of a perfect game when Hale exploded with a four-hit barrage, down the locals, 6-2.

Coming as a dramatic anticlimax to the winner's big inning was a grand slam home run by Johnson, Hale's first sacker which broke a 2-2 deadlock to drop Tawas down to third place in Huron Shore Baseball League standings.

Going into the eighth inning, Warner seemed to have the game in control and was enjoying a two-run lead. L. Bernard, first man up in the inning, promptly burst the no-hitter bubble with a single. At this point Clare Herriman went into pitch.

Armstead followed with a single. B. Bernard was safe on Warner's error, after he re-loaded Herriman at third. L. Bernard, scoring. G. Shellenbarger singled, Armstead scoring. Mousseau walked to load bases.

After Herriman struck out Bellville and P. Shellenbarger tied out, the runners holding their bases, it looked as though the locals might salvage the inning with a tie ball game. Johnson then came up to the plate and belted a grand slam home run off the slants of Herriman to clean the bases and provide Hale with a substantial lead. Look came in to take over the mound duties and struck out Clement to end the inning.

THE NEW AND ENLARGED Brugger's IGA Super Market in Tawas City will hold its grand opening this Thursday, Friday and Saturday. Pictured above is the interior of the new store. In the foreground is a new conveyor belt type check-out counter, the first to be installed in the area. Construction of the new building started in April. The store was modernized with the latest self-service equipment. During the grand opening event, the owner is offering many prizes to customers who visit the store. (See pages 6 and 7 for details.) Hiram Brintnell, 93, died at the home of his niece, Mrs. Harlan Randall, in Twining last Sunday with whom he had been residing for many years.

The body was taken to the Forshee Funeral Home where funeral services were held Wednesday. Burial was in Cedar Valley Cemetery, Twining.

Hiram Brintnell was born in Reece, Michigan, March 14, 1863. He had spent all of his life in Michigan at Reece, Flint and Twining.

His wife and one son preceded him in death. His survivors are his niece at Twining and a niece, Mrs. Dan Rogers of Tawas City; a nephew, Stanley Rodgers of East Tawas; two brothers, and three sisters.

Mr. Brintnell was a member of the Latter Day Saints Church of Twining.

THREE BUILDING PERMITS ISSUED

Three building permits were approved by the Tawas City Council at Monday night's session.

Permits approved included: Purgest Company of the Tawas, 620 Bay Street on leased Detroit and Mackinac Railway Company property, a 24 by 40 Armo steel building. Estimated cost \$1,800.

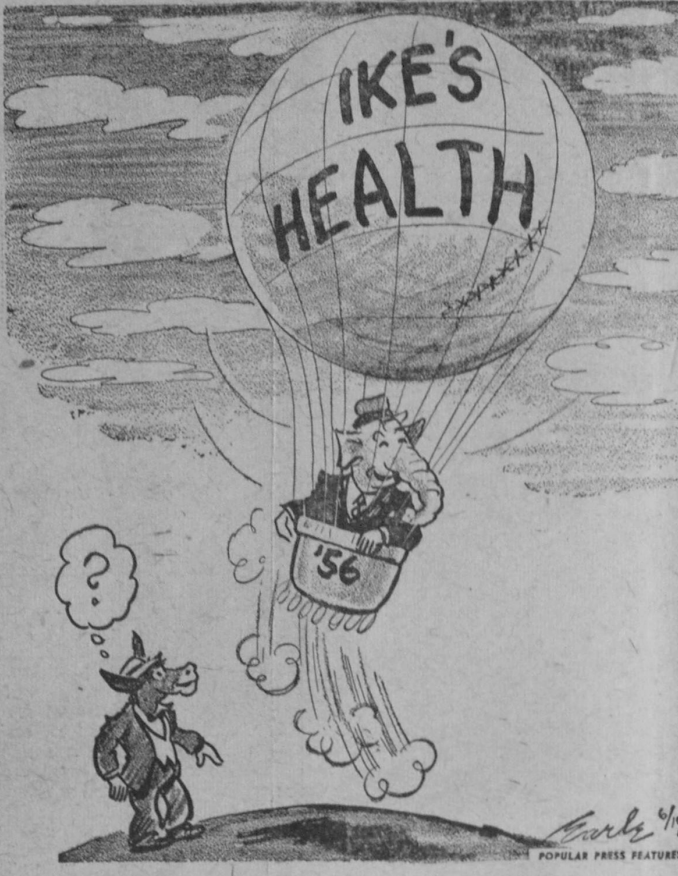

George Smith, 715 Fourth Street, eight by 16 foot porch, estimated cost \$150.

Edward Laskey, make addition to one cabin, five feet by 13 feet, and move one cabin back to commercial zone, as per the zoning ordinance.

A request to construct a trailer park at a commercial zone along US-23 near Sim's motel was tabled until the next meeting.

Lyle McGillvary had applied for a trailer park at the rear of his property but the permit was denied because of a confliction with the zoning ordinance. McGillvary then requested a permit to build on the front 116 by 100 foot part of the lot. He will bring detailed specifications of the proposed trailer park at the council's next meeting.

The program consisted of the following: Welcome to fathers by Louis Farrand, assisted by Clifford Allen, Roy Wright and William Ulman; a solo by Jack Farrand; tribute to sons, Kenneth McLean; tribute to grandfathers, William Ulman. Group singing was led by Mr. Wright.

TAWAS BAY SKIN DIVERS LOOK FOR BURIED TREASURE

The amateur skin divers are at it again—looking for sunken treasure and for just the fun of exploring the bottom of Tawas Bay.

William Elder Jr., student at Pratt Institute, Brooklyn, New York, and summer resident at Iosco Beach, and his pal, John Meyers, from Albion College, have already had a week of skin diving. They would like to form a group of amateur skin divers of young men here in the Tawas. Contact Elder on week-ends by telephone, FOrest 2-5116.

Announce Special Services for July 1

The first Sunday in July will be observed by special services at the Reorganized Church of Jesus Christ in Tawas City. Pastor Elder George Locke will be in charge of the all day services. Special speakers will be the district president, J. Doty of Houghton Lake, and Missionary Charles Mundorf of Independence, Missouri.

The first service will be at 8:45 a. m. with the hour being devoted to a prayer service. Sunday School begins at 10:00 a. m.; preaching service at 11:00; pot-luck dinner at 12:00 in the church basement; baptism at 2:30 p. m.; confirmation at 4:00. The special day will be concluded with a candlelight Communion service at 7:30.

The public is cordially invited to attend the service.

BIBLE VERSE TO STUDY—
"Great peace have they who love thy law."
1. Where may this great statement be found?
2. Who is its author?
3. Is its truth evident today?
4. What is the most pressing need of mankind, other than salvation?

Answers to Bible Verses
1. Psalm 119: 165.
2. The absolute identity of the writer is not known, but probably David.
3. Certainly—those who love and obey God's laws are at peace with themselves, with God and their fellowmen.
4. Peace of mind, which comes only through a right relationship with God.

Calendar— Friday, June 22—Tree growers shearing and shaping demonstration on the Russell Williams Christmas tree plantation, three miles west of Whittemore and one-quarter mile north of Prescott Road, 1:00-2:30 p. m.

Thursday, July 5—ABA meeting, Grant Township Hall, 8:00 p. m. Brucellosis progress report.

Dairymen interested in extra gallons of milk in early spring refer to Joseph Barnes of Reno Township. Joseph and his son-partner, Eiert, sowderye (fifteen-seven pecks per acre approximately) in the last cultivation of corn as a green manure crop and extra pasture.

Joseph told me the other day that besides getting their earlier spring pasture he got an extra five gallons of milk per day from the herd. Said Mr. Barnes, "That extra milk more than paid for the rye!"

You can spread the material on the ant hills, too.

Cereal grains are a major source of cash income to Tosa farmers. Rats and mice are a major source of grain contamination in this state.

That is why it is so important that we get rid of the rats and mice on our farms before the rigid new grain standards set up by the Food and Drug Administration take effect this July 1.

Proper storage facilities are needed for any permanent rodent control program, but it is also necessary to kill the ones already on the farm.

Donald Hayne of the zoology department at Michigan State University says that poison is the best way to kill the rodent population around your granary.

He recommends the anti-coagulant type of poison as the best and easiest to get. Both Warfarin and alival are anti-coagulant poisons.

That means the poison must be where the rats and mice can get to it easily. Set up a series of bait boxes around your grain storage area. These should be

protected so that dogs and other domestic animals can not get to them. The boxes should get fresh supplies of poison regularly.

Place your baits, gentlemen, and remember—dead rats spoil no grain.

Office callers this week were: Mrs. James Hamilton, Mrs. A. Teal, Donald Thayer, Mrs. A. Webb, Harold Hammond, Mr. Webb, Waldo J. Curry, George Strauer, Robert Heintz, William Laidlaw, the Rev. Leonard Newman, Harold Busch, Eugene Wood, Dr. Leslie Thayer.

the Snapshot Guild

This picture won the \$1,000 top prize in the Animals and Pets class of last year's Newspaper National Snapshot Awards.

Pictures and Prizes

This is the time of year we always like to remind our readers of the amateur snapshot contests that are getting under way. Somehow we feel entering a contest is one more opportunity for having fun with your pictures.

During the summer in many cities across the country, newspapers conduct contests especially for amateur photographers. There are weekly prizes, and a grand prize awarded at the end of the season. Then all the grand prize winners from the city competitions vie for giant cash prizes in a national contest.

In selecting a snapshot as your contest entry, first be sure that it's a clear, sharp picture. Secondly, check to see whether it

has a composition that's generally pleasing to the eye. And finally, ask yourself if it has universal appeal—whether it would tell a simple, direct story to another person who may have no familiarity with the subject.

If your snapshot seems to fill these specifications, don't hesitate to enter it in one of the contests. More often than you think, an unplanned picture taken with a simple box camera by a casual Sunday snapshotter is the very one that walks away with top honors.

So start watching for announcements of amateur snapshot contests—and right now begin sorting out your snapshots for suitable entries.

farmers can obtain their federal gasoline tax refund cards from our office. Stop in any time you are in town. If I am not here our secretary, Mrs. Ruth Hebert, can explain them to you.

Our tourist and resort folks are beginning to ask about methods of getting rid of ants and spiders. Here it is. Now is the time to get rid of ants and spiders around the foundation of the buildings, before they get inside.

Put the insecticide powder in an inch band around the foundation to keep out these pests. The wettable powder form of benzene hexachloride at six percent strength, or the 25 percent lindane, or the 40 percent chlordane. There should be enough applied to whiten the ground.

Admiral Charles Turner Joy, chief United Nations negotiator during the lengthy Korean truce negotiations, died at the San Diego, California, Naval Hospital. The defense department said Joy, a 61-year-old four star admiral, died of leukemia, after a long illness. He served as chief United Nations negotiator in Korea from July 1951 to May 1952. He retired in 1954.

Best Seller that's hard to beat

This '56 Buick is packed with new features—and priced close to the smaller cars!

It cradles a big, new 322-cubic-inch V8 engine that's record-high in power and compression, and crammed with engineering news even the costly cars can't claim.

It makes the most of every bit of power with a new version of Variable Pitch Dynaflo* that's the most efficient yet. With a new development the engineers call "double regeneration," Dynaflo gives you great new acceleration from the first thrifty inch of pedal pressure. Even before you switch the pitch.

And this '56 Buick cushions you in the softest ride ever. Shows an uncanny sense of direction on every curve and turn. Puts a whole new feeling of safety, security and solidity into every mile you drive.

So before you buy any car—catch up on the latest news. Come try a '56 Buick. When you see how much new automobile your money can buy, we don't think you'll ever settle for less.

*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

WANT SOME QUICK FACTS ON the big news in automobiles today—news that can guide you to a smart move and a real smart buy?

Then listen—it won't take long.

The 1956 Buick has so many new developments—in styling—in power—in performance—in ride and handling—that it is, literally, the best Buick yet. That's Fact No. 1.

And Fact No. 2 proves it: Buick today is more strongly entrenched than ever in the top three of the nation's best sellers—outselling all other cars in America except two of the well-known smaller cars.

One big reason for this success is the strapping new Buick SPECIAL—like the one pictured here.

It's priced right close to those smaller cars—but, like every '56 Buick, it's a whale of a lot more new car for the money.

It cools, filters, dehumidifies. Get A Season's Comfort in your new Buick with genuine FRIGIDAIRE CONDITIONING

Vacation time is in full swing and, judging from the experience of other years, 3,500 lives will be lost by accidental drowning these next few months.

The annual death toll in the United States from drowning grows larger each year. More than one-half of those dying in this manner are young persons under 25 years of age. The largest single age group of persons drowned is the group of youths between 15 and 19 years.

Every vacationist should be careful this summer and swimmers should be extremely careful.

Mr. and Mrs. Herbert Schroeder visited his sister, Mrs. Frank Barritt, and Mr. Barritt of Linwood on Saturday.

Rep. James T. Patterson (R., Conn.) recently predicted that the United States fleet would be an atomic-powered one "within the next 15 years." Legislation pending in congress would authorize construction of the first nuclear surface warship—a cruiser designed to fire guided missiles. The navy already has atomic-powered submarines.

Klenow-Ferguson

St. Joseph Church of East Tawas was the scene of a very pretty wedding last Saturday morning when Miss Shirley Ann Ferguson, daughter of Mr. and Mrs. Douglas Ferguson, Tawas City, became the bride of Gerald Joseph Klenow, whose parents are Mr. and Mrs. Edward Klenow of East Tawas.

The double ring service was celebrated by the Rev. Fr. Robert Neuman before an altar decorated with vases of white lilies and spirea. Mrs. Russell Klenow was organist and Miss Donna Groff sang "Ave Maria" and "On This Day, O Beautiful Mother."

The bride, given in marriage by her father, chose a gown of embroidered tulle over satin, styled with a fitted bodice, topped by a mandarin collar. The bouffant skirt was fashioned of scalloped embroidered tiers. A lace Juliet cap with pearls encrusted held her veil of silk illusion. She carried a colonial bouquet of white roses and orange blossoms with satin streamers.

Faye Ferguson was maid of honor for her sister. The bride's cousin, Mrs. George Tuttle, and Mrs. Joseph Whitney, the groom's sister, were bridesmaids. Their dresses were in pastel shades of navy, chiffon over taffeta, styled with a shirred bodice, long torso and scooped neckline. The ballerina skirts were softly gathered at the hip-line. Matching picture hats and colonial bouquets completed their ensembles.

For her daughter's wedding, Mrs. Ferguson wore a dress of pink lace sheath style with white accessories and corsage of pink roses. The groom's mother chose a light blue print dress and her corsage was of red roses.

Following the ceremony, breakfast was served to 110 guests at the home of the groom's parents. In the afternoon a reception was held at the St. Joseph Social Center and a dancing party at the Tawas Golf Club in the evening, after which the young couple left for a trip to Niagara Falls, New York, and Smokey Mountains. For going away the new Mrs. Klenow wore a pink baby cord suit with beige accessories.

Pre-nuptial showers were given by Mrs. Paul Sayles, Miss Donna Groff and Mrs. Arlene Dillon. The rehearsal party was given by Mr. and Mrs. George Tuttle at their home.

Upon their return the young couple will live on State Street in East Tawas.

Walter Reuther of the United Automobile Workers said that the union's next major bargaining goal would be a shorter work week.

HELEN KELLER RETURNS FROM EUROPE VACATION

NEW YORK CAVE-IN TRAGEDY

CAVE-IN TRAGEDY—This is the general view of the excavation site in New York where six children were killed when they were buried under tons of earth while playing in a 25-foot deep pit. Rescue workers can be seen working with pulmotors over one of the victims, a little girl. An investigation is now under way to determine responsibility for the apparently unguarded project.

Anschuetz-Nienaber

On Saturday, June 9, the Zion Lutheran Church in Beaver was the scene of the marriage of Miss Malene Nienaber of Auburn and Allen C. Anschuetz of Tawas City.

Officiating at the double ring ceremony was the Rev. Fred Reimann. "The Lord's Prayer" was sung by Mrs. Bernard Look with Walter Timm presiding at the organ.

Decorating the church were palms and garden flowers.

The bride is the daughter of Mr. and Mrs. Henry Nienaber of Westfalin, Germany, and the bridegroom is the son of Mr. and Mrs. Andrew Anschuetz of Tawas City.

Given in marriage by her father, the bride wore an imported clipped rosepoint lace over satin gown, featuring a scoop neckline and long tapered sleeves. Accents of iridescents and seed pearls trimmed the bodice. The full skirt was fashioned with scalloped lace edging outlined with seed pearls and iridescents. A tiered tulle panel at the front ended in a full sweeping train. A rhinestone tiara from Germany was secured to a silk illusion veil. She carried a cascade bouquet of American Beauty roses.

Mrs. Keith Humbert was matron of honor and wore a coral gown in waltz length fashioned with an empire waist and full circular skirt.

Fashioned in the same style were gowns of aqua and coral worn by the bridesmaids, Mrs. Earl Gerstacker, Mrs. Harold Cholger and Miss Reva Rowe. They carried colonial bouquets of coral, aqua and white carnations. Miss Carol Humbert, niece of the groom, was flower girl and carried a basket of coral, aqua and white carnations.

Best man for the bridegroom

was Keith Humbert and ushers were Herman Nienaber, Harold Cholger and Bernard Look.

A reception was held at the Eagles Hall in East Tawas following a bridal dinner at the home of the bride's uncles, Herman and John Nienaber.

The couple left on a trip through Upper Michigan and will reside in Baldwin.

PROOF! Outside Walls Painted with ROX Are Still Perfect After Several Years

"After using several masonry paints on the walls of our block buildings, we found that within six months to a year the paints would blister and peel. A number of painters and paint experts all suggested Rox Masonry Paint because it was guaranteed not to blister or peel. Our buildings were painted with Rox several years ago and are still in perfect condition."

—Waldo D. Andrews, V. P., Hazel Park Racing Association, Hazel Park, Michigan.

Insist on Rox Masonry Paint in the blue and white can. Easy to use. Requires only water for mixing. No primer necessary. Odorless, in gleaming white and popular colors.

History Students Tour Upper Peninsula

At the close of the school year at Palmer school in Ogemaw County, Mrs. Amy Buck took her eighth grade pupils, four girls, on a trip through the Upper Peninsula with Mr. and Mrs. Francis Streeter accompanying them.

Mrs. Buck has been teaching Michigan history this year and her pupils were determined to see all of Michigan possible with the money they had earned. In four days they visited Mackinac Island, the Pictured Rocks, had a good look at the Soo Locks and new bridge at Cheboygan, Marquette, Arcadian Copper Mine at Hancock, the National Waterfowl Refuge at Seney, both the Upper and Lower Tahquamenon Falls. The girls still had money left to develop the pictures they had taken, a truly wonderful accomplishment for four girls.

Mrs. Buck will be teaching in Hale Area School next year and the community wishes her the best of luck.

Hale Boy Struck by Car After Alighting from Bus

A nine-year-old Hale boy was treated for injuries at Tawas Hospital Friday after being struck by a car 1 1/2 miles north of Hale.

Investigating officers from the Iosco County Sheriff's Department said that the boy, Dana Drengberg, had just gotten off the Baptist Bible school bus in front of his home and started across the road when he was hit by a car driven by Laura B. Pothier of Flint.

The driver of the car claimed she did not see the bus driver signal. After she applied the brakes on her car, the vehicle stopped in about 45 paces, police stated. Young Drengberg was treated for bruises. Examination showed no broken bones, but he is still unable to move and more x-rays will be taken to attempt to determine the full extent of his injuries.

Altar Society Presents \$1,000 Check to Church

Sunday morning Mrs. John Wallace, on behalf of the St. Plus X Altar Society, presented the Rev. Fr. Michael Maher with a check for \$1,000. The money is for the main altar of the Catholic church now being completed in Hale.

Raising the money for the altar has been the main project of the society for the past year. Mrs. Wallace, president, wishes to congratulate the members and thank each one for her cooperation in making the donation possible.

Mrs. Sarah Graves accompanied her daughter, Mrs. Leah Kroc of Saginaw, on a plane trip to Florida last Wednesday where they attended the graduation of Judy Brown, granddaughter of Mrs. Graves. Judy is the daughter of Mr. and Mrs. George Brown of Miami.

Mr. and Mrs. Ralph Graves and Miss Carol Buck attended the ordination of the ladies' brother, the Rev. Leon Buck, at Grand Rapids. Mr. Buck is the son of Mrs. Amy Buck and the late Robert Buck. He passed his examination and expects to enter the missionary field as his life work.

Mrs. Jack Daugherty and family, Mrs. Helen Burnside and son, James Summers, were visitors at the home of their mother, Mrs. Cora Johnson, last week. Mrs. Daugherty and family left Saturday for a week's visit with her brother, Dale E. Johnson, and family at Traverse City.

Both Methodist and Baptist churches held Bible school last week.

Mrs. Delbert Hewitt attended a church conference at Grand Rapids this week.

"WELL AT LEAST YOU WON'T BE TROUBLED WITH THE SEWER BACKING UP INTO THE BASEMENT."

June is Dairy Month—"Bossie" is the real queen during the month of June. It is in June that she provides Michigan people with her peak production and is given credit for producing as much as 7,000,000 quarts per day.

A real variety in choices with an average cost per serving (eight-ounce glass) of 5 1/2 cents. Moving away from the refrigerated dairy counters one finds the shelves well-supplied with evaporated and non-fat dry instant milk, all further evidence that "Bossie" has been on the job.

Milk and milk products are highly perishable. Keep milk covered, clean, cool and in a dark place. Store it in the refrigerator as soon as it reaches your home.

Thought some of our readers might enjoy a recipe that came to our attention this week, especially during these hot, humid days. It is called chocolate mint flip and here are the ingredients: One-half cup cocoa malt, one cup hot milk, one cup cold milk, one-quarter teaspoon salt, one

teaspoon vanilla, one-quarter teaspoon peppermint extract, one cup vanilla ice cream. Combine cocoa malt and hot milk; stir until dissolved. Add cold milk, salt and extracts. Chill. Just before serving pour into a shaker, add ice cream, shake well until smooth. (Serves six.)

Did you know that butter is made from 100 percent cream? Remember, too, there are 400 varieties of cheese available in the United States—a cheese to suit every taste.

It pays to look clothes over for special stains. Stains are best removed when they are fresh and always before clothes are washed. Hot water and detergent may set stains so they never can be removed.

What to do with rhubarb? Bake it. Combine two pounds of one-inch pieces of rhubarb (four cups, 1 1/2 cups sugar, dash salt and two tablespoons of water. Place in covered baking dish and bake at 350 degrees Fahrenheit until just tender.

Stew it. A new method—sprinkle generously with one-half as much sugar as rhubarb. Permit this to stand for 12 or more hours. Remove it to a sauce pan and cook without using water. Simmer gently until tender.

General Nathan Twining will soon know what the latest showpiece of Soviet military aviation is—how the Russians stage an air show. Chances are the Russians will impress him, else they would not have invited the chief of staff.

It is surprising how few people get in trouble while attending church services.

If you are in good health, you are one of the luckiest among your fellow citizens.

4-H Clubs

County Agent

Calendar—
July 25-28—Isoco County Fair.

It will be important this year to have all projects completed by July 15, because our office secretary will not be available after that time for reports and certificates before the fair.

Remember, 4-H'ers, June is Dairy Month and you never out-grow your need for milk. Drink at least three glasses of milk every day—to sleep better, to help yourself relax, to maintain the calcium level you need all through life.

The Clover Kiddies 4-H Club held its community club meeting June 8 at the Federal Building, East Tawas. All members were present and a new one was added to the list. She is Bonnie Ashmore.

"Our first year knitting project is almost completed. We have made pot holders and learned the different type knitting stitches from our leader, Mrs. Elmina Applin.

One of our members, Eunice MacFarlane, is in Scotland for the summer with her mother and father, but she will be back in the fall." Karen Conklin, reporter.

Present at the recent Ottawas 4-H Club meeting were Grace and Esther Wojahn, Geraldine Redfield, Patricia Davenport and Barbara Green from Hale. The meeting was held Monday evening, June 11, at the Federal Building.

Coming 4-H Club activities discussed were 4-H Club camp August 1-4, and the Isoco County Fair, July 25-28.

Plans were also discussed regarding the Ottawas 4-H Club ice cream social. For lack of the committee's report on the ice cream social, arrangements were postponed. Unless the ice cream social committee has a report within a matter of the next few days, the affair will be canceled.

We had a phone call from Norman Sibley, community and project leader of the Taft Junior 4-H Club, indicating that his members would be getting their second activity under way soon. Of course all 4-H'ers must have a second project well under way if they wish to attend 4-H August 1-4, and the Isoco County Fair, July 25-28.

Indians staged a mammoth reception for Russia's leaders recently and then, just afterward, Nehru sent a minor official to an empty airport to greet John Foster Dulles. The Indians call this "neutrality."

The cotton industry is distressed by the recent slump in the commodity's price. There is fear that cotton may become so cheap that it will have to be used for clothes—Brubaker in The New Yorker.

MARY WORTH'S FAMILY

KERRY DRAKE

Marienne Requires Change on Social Security Card

"A wise bride will protect her future," said Mr. Ellifritz, manager of the Bay City District, "by making some changes."

Many people are familiar with the phrase "after the honeymoon is over." It means that the bride and groom have come down from the clouds and resumed their places in the workaday world.

One of the most important responsibilities which the bride must assume, especially if she continues in the business world, is to see that her name is changed on her social security card. She should realize that this must be done as soon as possible "after the honeymoon is over" in order to avoid later difficulties.

It requires just a short visit to the nearest social security office and her old social security card will be promptly exchanged for a new one—the same number but a brand new last name.

Someday it may be valuable to her, because it may mean that she has a social security account upon which a total of some thousands of dollars in monthly benefits may be paid over the future years to her or to her dependents or survivors.

Representatives of the Bay City District office will be in East Tawas on Thursday, June 22, at the Federal Building at 10:30 a. m.

Anyone wishing to apply for payments or needing information about social security should contact them.

Mrs. Frank Meyers

Mrs. Frank Meyers died at her home at 16171 Freeland Avenue, Detroit, on June 4. Death was due to a heart attack. She had been ill with a heart condition for several years.

Mrs. Meyers was the former Miss Lillian Mattson of East Tawas. She had served here as most office clerk under Postmaster B. F. Oakes. Lillian Mattson was born in East Tawas January 19, 1895, and was 61 years old. She was the daughter of the late Jacob Mattson and Mary Mattson Anderson.

Funeral services were held Wednesday, June 6, at the Neely Funeral Home, Detroit. The Rev. Fine Tuori of Bethlehem Lutheran Church officiated. Burial was in the Aecia Masonic Cemetery, Eastman Star 1 test was given at the service.

Surviving are the husband, two half-sisters, Mrs. Anna Rudess of Detroit and Mrs. Anna Ammer of Tecumseh.

Class Initiated by Irene Rebekah Lodge

Last Wednesday evening, June 13, a class was initiated at Irene Rebekah Lodge by the Irene Rebekah degree team.

White carnations were used in an altar ceremony by six officers preceding initiation. A memorial service followed the initiation with several officers giving charges and carrying carnations. Mrs. Laura McKenzie was the soloist. Mrs. Verell Butler had charge of the memorial and initiation and Mrs. Nydia Bronson and Mrs. Lula Colby were organists.

The memorial service was in memory of Lottie Gilbert and Herman Herstrom. Mrs. Carrie Herstrom of Flint, past noble grand, attended and several visitors from Oscoda were present.

Delegates of Irene Lodge elected to Rebekah Assembly were: Nydia Bronson, two-year delegate; Laura McKenzie, one-year delegate; Edith Davey, two-year alternate; Neva Moffatt, one-year alternate; Nydia Bronson, district deputy president.

Christian Science

The ever-present power of Christian healing will be brought out at Christian Science services this Sunday.

Scriptural selections in the lesson-sermon entitled "Christian Science" will include Christ Jesus' instruction to his disciples (Luke 10:9): "And heal the sick that are therein, and say unto them, The kingdom of God is come nigh unto you."

Among the passages to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy, the discoverer and founder of Christian Science, is

VACATION ACCIDENTS

One of the results of the mad rush of Americans to vacation spots during the week-ends, in summer, is a wholesale slaughter on the highways and many unnecessary deaths at summer resort areas.

Experts say the worst traffic jams of vacation week-ends occur Sunday afternoons, and so if you are going away for the week-end, try to avoid Sunday afternoon traffic—if possible—and if you are caught in it, exercise more than the usual amount of caution.

It is also interesting to note that many people, some of whom are good swimmers, drown unnecessarily every summer.

11 PERSONS INJURED IN THREE AUTO ACCIDENTS IN AREA LAST SUNDAY

Eleven persons were injured in three auto accidents on highways in this area last Sunday. In a head-on collision Sunday morning at Sim's Service Station just south of the Arenac-Iosco County line, six persons were injured. Two of the victims, Mr. and Mrs. Charles Sarki, live on Route 2, Tawas City.

State police report that a patrol car driven by Trooper Jack Brouard was following a vehicle driven by George R. Kuykendall, 25, of Bellevue. Kuykendall was cutting traffic and pulled up behind a car towing a boat trailer. Attempting to pass the car ahead, Kuykendall crashed head-on into a north-bound car driven by Mr. Sarki.

Mrs. Sarki received a fractured right knee and lacerations. Mr. Sarki also received lacerations. Four persons in the other vehicle were injured. Mary Lou Garity received a lacerated forehead; Karen Kuykendall, age seven, was cut on the lip; William Kuykendall, 31, received abrasions to the forehead and the driver also was cut on the forehead.

Airman Held

to the Michigan State Police Post at East Tawas for assistance. In the meantime, Airman Smith came out of his residence and jumped into his car and drove north on US-23.

The airman's car was headed south so the police pulled their patrol car directly across in front of the other car. Deputy Arno attempted to grab the airman through an open side window but he jammed his car into reverse, narrowly missing the gasoline station attendant who was filling the car's gas tank. He then backed out on US-23 and started back heading south.

At this point Arno fired twice at the car and McCoy stepped out into the street intending to stop the car. Smith swerved his vehicle and headed directly for him. McCoy shot at the car with his service revolver and Arno fired a third shot. McCoy said Monday that there was no doubt in his mind that Airman Smith had attempted to run him down.

The two police officers again gave chase and finally located his car in downtown Oscoda, abandoned. The car had been struck by three bullets.

The two officers received a call over the car radio that the airman had been found and was being held at the township fire hall, a short distance from where the car was found. They learned

Kiwanis Safety Day Set for June 23

Saturday, June 23, will be Kiwanis Safety Day through Michigan. In the Tawas area, state and local police officers and the sheriff's department will distribute safety-driving pamphlets on that day. Heading the Tawas Kiwanis Club's special safety program is Sgt. Frank Roth, commander of the East Tawas Post, Michigan State Police.

Four persons were injured in a two-car crash on M-55 Sunday. A car driven by Thomas R. Mendenhall, Flint, and a car driven by Lorna M. Clement of Hale collided at the Greenwood Road.

Receiving slight injuries and later released from Tawas Hospital were: Janice Jones, 17, Flint, lacerations to face; Gertrude Mousseau, 23, Hale, lacerated forehead; Mendenhall, 18, bruises, and Mrs. Clement, 17, lacerations to the face.

Apparently Mendenhall was making a right turn off the Greenwood Road on to M-55. He was issued a summons for driving on the wrong side of the highway. Mrs. Clement was ticketed for failure to have a operator's license with her.

Hale Wins

(Continued from page 1.) Hale, allowed eight hits during the game and sent the Tawas batters down without a run scoring in the ninth inning, after R. Anschutz doubled and C. Herriman singled to start the inning.

Only scores by Tawas came in the fifth inning when they turned four hits into two runs. B. Lorenz led off with the second of his two singles during the game, D. Lepard, singled. D. Youngs advanced the runners along with a sacrifice bunt. Look doubled to drive in both runs.

This Sunday Tawas City will play at Lincoln. The Alcona team lost a heartbreaker to Wurtsmith Air Force Base last Sunday when Krantz, speedy left-hander, had a no-hit, no-run game going into the eighth inning. Two hits, two hit batters and an error allowed the airmen to secure three runs.
