Second Oldest Iosco County Resident-- Celebrates 100th Birthday

Although Mrs. Hannah V. Rogers of Tawas City has no secret formula for living a long life, she has adhered to one personal motto: "Enjoy life and keep yourself busy doing the small things." Last Thursday, May 31, she celebrated her 100th birthday anniversary.

Still in fairly good health despite her advancing years, Mrs. Rogers' mind and memory are remarkable. She enjoys visiting with friends and relates many interesting stories of early Michigan history. She lives with her daughter, Mrs. Capitola McCormick, on Lake Street.

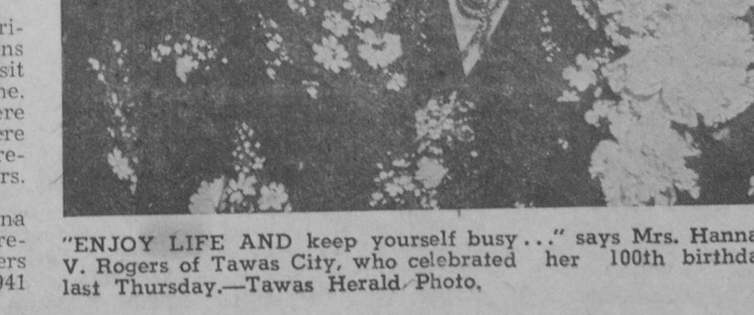

Tawas Legion Posts to Sponsor Boys' Baseball

Two American Legion posts in the Tawas this week prepared for a summer program of baseball for area youngsters. Any youngsters interested in participating in the Pony League are urged to attend the meeting and practice at the East Tawas Athletic Field Friday, June 8, at 6:30 p. m.

Dwyanne Leslie, member of the Jesse Hodder American Legion Post, Tawas City, sponsor of the league, invites any adult interested in supervision of the league to be on hand. The local post took steps to organize the baseball league for boys in the 13-16 year age group at its regular meeting last week.

A practice session was held Tuesday night. The Knothole League, for boys from nine to 12 years of age, sponsored by the Audie Johnson American Legion Post, East Tawas, will hold its first practice session Monday, June 11, at the East Tawas Athletic Field at 6:00 p. m.

Deloise "Dewey" Durant, post commander, said Tuesday that the first league game is scheduled for June 25.

"ENJOY LIFE AND keep yourself busy..." says Mrs. Hannah V. Rogers of Tawas City, who celebrated her 100th birthday last Thursday.—Tawas Herald Photo.

Park Concession Open--

The Tawas City Park concession opened for the summer season this week. Operated by Mr. and Mrs. Frances Yaklin of Flint, the drive-in will serve A. and W. root beer, hot dogs, hamburgers and coffee. A formal opening will be held later.

## Christian Science

The safety and abundance which can be experienced through reliance on God will be a theme developed at Christian Science services this Sunday.  
Keynoting the lesson-sermon entitled "God the Preserver of Man" is the Golden Text from Psalms 37 (39, 40): "The salvation of the righteous is of the Lord: He is their strength in the time of trouble. And the Lord shall help them, and deliver them."  
From "Science and Health with Key to the Scriptures" by

Mary Baker Eddy will be read the following (494:10-11): "Divine Love always has met and always will meet every human need."  
Selections to be read from the King James Version of the Bible will include the following (Psalms 121:8): "The Lord shall preserve thy going and thy coming in from this time forth, and even for evermore."  
Summer reading classes at the Tawas City Branch Library will start Monday, June 11, at 10:00 a. m.

### Family Council Held at East Tawas Church

Last week Tuesday evening a program on family council was held at the East Tawas Methodist Church following a family dinner. Mrs. D. A. Evans was in charge of the meeting.

Tables were festive with bouquets of white trillium and bouquets of pink flowers decorated the room. Flower singing entertaining to children and adults was led by Rev. Ralph Edwards.

After the singing, the children's groups went to separate rooms with their leaders for study. The leaders were: Mrs. Ralph Edwards, pre-school children; Mrs. Lloyd Souci, grade children; and Thomas White, junior high school. They were called "adventure groups" who would bring back their findings to report to the adult group.

A panel discussion was held by the adult group with Mr. Edwards as moderator. Those taking part were D. A. Evans, William Lyon, Ellen Evans, Marjorie Lyon and Mr. Edwards. Several others entered into the discussion. Mr. Edwards introduced problems in our national family life from excerpts from our daily papers on crime, poverty and labor troubles.

Mrs. Lyon talked on family councils and new ways of dealing with children.

Mr. Evans discussed how to interest indifferent parents on the study of religion in the home.

Mr. Lyon talked on church programs to help build the character of youth, emphasizing Scout programs and other youth activities. He also presented thoughts on the United Nations.

Mrs. Evans presented ideas of prayer life in the home and how to teach the very young child to pray.

Following the discussion, the "adventure groups" returned and gave demonstrations by their stories and talks on their findings.

The program closed with a devotional period by the Forest Stump family, with Mary Lou Stump giving the Bible reading; Mrs. Stump devotional thoughts; Armin prayer service, and ending with the trio singing "The Old Rugged Cross."

### Hemlock News

The Friendship 4-H Club held its mother-daughter, father-son banquet at the Grant Township Hall May 23 with a large attendance. A nice time was had by all.

Mrs. Clifford Hayes entertained a number of ladies with a Stanley party. A lovely lunch was served by the hostess.

Memorial Day was dampened by an electrical storm. Consumers Power Company and Bell Telephone Company lines were out of commission for a while.

Callers Memorial Day at the home of Harvey McIvor and mother, Mrs. Clara Smith, were Mr. and Mrs. Floyd Dinzer of Midland and Mr. and Mrs. Davis of Virginia.

Mr. and Mrs. Lester Biggs called on Henry Durant at the Huron Rest Home recently.

A number of farmers have sold their farms on South Sand Lake Road to National Gypsum Company.

Mr. and Mrs. Walter Peters and son spent last Thursday evening with Mr. and Mrs. Lester Biggs.

Mr. and Mrs. Dale Rich of Traverse City spent the weekend with Mr. and Mrs. Lester Biggs.

Mr. and Mrs. Ronald Herriman of East Tawas spent Sunday with his parents, Mr. and Mrs. William Herriman.

### Officers Honor Past Matrons and Patrons

Last Friday evening at a meeting of Isoco Chapter, Order of Eastern Star, a beautiful ceremony was held honoring past matrons and patrons by chapter officers.

Presenting matron; Robert Harmon, as worthy patron; star point officers, and the history by Gladys Lundy, acting secretary. Mrs. Marjorie Lyons was the soloist with Mrs. Nyda Bronson at the piano.

Presenting matrons and patrons were presented with gifts. The members of Tawas City Chapter were guests and their past matrons and patrons were also presented with gifts.

The important thing for space chapters at Battle Creek, Birmingham and other points.

Refreshments were served by the following hostesses: Anna Hanson, Jean Blake, LeAnn Carlson, Pearl Spencer and Betty Brookham. The table was decorated with orchid and white candles in candelabra and the room was festooned with crepe paper in star colors.

### State Police Make 13,796 Arrests in April

Michigan State Police made 13,796 arrests during April, not including 544 juvenile traffic offenders and delinquent and wayward minors, according to the department's monthly report. Included were 12,634 traffic arrests.

Troopers made 25,966 property and 3,224 liquor inspections. Department cars traveled 1,199,961 miles.

The East Lansing headquarters identification bureau received 9,061 sets of fingerprints, of which 3,831 were non-criminal. Wanted persons identified numbered 30.

Of 1,032 applicants to carry concealed weapons, 111 were identified with criminal records.

### Church Building

Approximately \$219,000,000 was spent in the first four months of this year for construction of churches and other religious buildings, according to the department of commerce. This was more than double the amount spent for such construction in the entire year of 1946, and is about two percent above the same period of last year. Total spending for 1956 is estimated at approximately \$850,000,000.

Britain is reducing her armed forces by 72,000 to a total of 700,000, her minister of defense told parliament.

In the annual battle against flies, it helps to know the odds you are up against.

Did you now that there can be at least 40 different species of flies around the barns? Entomologist Gordon Guyer and his associates found that many around the various barns at Michigan State University campus last summer.

### Many farmers will have to use more than one method to do a good fly control job, if there is grass silage around, the job will be harder.

There is no known safe way to prevent flies breeding in grass silage, but it helps to prevent seepage from collecting.

Farmers who want to store wheat under government loan this year will find the rules stiffer.

Men from the county agricultural stabilization and conservation committee office will examine the grain closely to see if it meets the new standards specified by the food and drug administration.

If your grain does not meet the standards on sanitation, you will not get a loan.

The loan application can be rejected because of contamination from mice, rats, birds, cats or other animals; damage by insects; or because the grain may have some treated seed mixed with it.

Under the law passed by the last session of the legislature, all seed grain that has been chemically treated and sold must be stained or dyed. That means such seed can be detected easily in other grain.

The rules on grain sanitation are administered by the Michigan Department of Agriculture's food and standards division. The division handles all cases where there is a misbranding of products or where there is adulteration of food.

The department already has seized a large quantity of grain being shipped in Michigan. The grain was not up to food and drug administration standards.

Ketoaia, perhaps better known as pregnancy disease or milk fever, is one of the most serious conditions among dairy cattle in this country. Some Isoco County farmers have reported cases of it this spring.

Dr. Clyde Cairy, Michigan State University veterinarian, says that ketoaia is a failure to maintain a normal blood sugar level in the cow's system. Just what causes it is not known, but the large amounts of energy needed by the cow just before calving seem to bring on attacks.

Ketoaia is rarely fatal, but it is nevertheless an expensive disease. The cow's production of milk is cut in half and air off flavor develops. The annual loss from this disease has been estimated at over 10 million dollars. One of the worst features of

You'll see when you try Buick's new Variable Pitch Dynaflow!

IT TAKES a new word to describe the magic at your command when you drive a '56 Buick—with the newest transmission of them all.

It's full power go-ahead on the instant. You can get where you're just looking in a shaved second's time—with the most modern and most thrilling surge of safety acceleration in the land today.

It's smoothness, too. Complete freedom from the "bump" and lag of gears shifting. Only with Dynaflow can you go winging away with so smooth a sweep.

And only with a '56 Buick can you enjoy Dynaflow's newest marvel. It's something the engineers call "double regeneration." Lets you start off like an Olympic sprinter, with the pedal pressed just an inch or less. (And driving that way, you get better gas mileage.)

There's more big news, too, that goes with this new Buick magic. And that covers a lot more than styling.

### Memorial Day Services

A large number attended the Memorial Day services at the cemetery here. The services were held by all singing "America," the flag salute and a prayer by the Rev. R. Terwilliger.

Readings and several vocal selections were given by members of the Grange, Rural Club and Farm Bureau. The speaker was Elder Robert Ball of Harrison, who gave a very impressive and interesting address which was followed by the benediction by Mr. Terwilliger.

Several members of the American Legion placed flags on all the veterans' graves.

Word was received the past week of the death of Joseph Bellville in Detroit. Mr. Bellville was born and grew to manhood here and is a brother of Theodore Bellville. Those attending his funeral in Detroit were Mr. and Mrs. Theodore Bellville, Mr. and Mrs. Clarence Bellville, Dornice Bellville and Mrs. Charles Bellville; also his sister, Mrs. Alice Long of California, and a son, William Bellville of the Upper Peninsula.

Mr. and Mrs. James Doddard of Detroit spent the week-end with her cousins, Mrs. Celia Smith and Mrs. J. Barrington.

The Whittemore Women's

Club picnic has been changed from Friday, June 8, until Friday, June 15, at the Curtis cottage at Sand Lake with a pot-luck supper.

Mr. and Mrs. Henry Provost and Mr. and Mrs. Edward Bowlsby attended the funeral of their cousin in Sandusky on Memorial Day.

Mr. and Mrs. William Fuerst and family, Mr. and Mrs. Arden Charters and three daughters, Mrs. Charles Bailey and two daughters, Mrs. Roy Charters and Kenneth Schuster attended the baccalaureate services of the senior class of Saginaw High School Sunday afternoon. Their niece and granddaughter, Sharon Schuster, was one of the graduates of a class of 495.

Mr. and Mrs. Otto Fuerst entertained a number of friends at pot-luck dinner Wednesday evening in honor of Mrs. Bess Latham.

Mr. and Mrs. Harrison Snyder and daughter, Joann, and Mr. and Mrs. Donald Armstead and son attended the auto races in Indianapolis, Indiana, over Memorial Day. They were joined in Owosso by Mr. and Mrs. Basil Goupil and son, Theodore, who also attended the races.

Mr. and Mrs. Charles Bailey and family spent Memorial Day at Houghton Lake with his parents, Mr. and Mrs. Bailey.

Mrs. Clarence Peck and grandson of Muskegon spent a few days' visit here with his parents, Mr. and Mrs. Earl Goupil and Mrs. Simon Goupil spent last Sunday afternoon here and worked on their lot in the cemetery.

Carol Smith, daughter of Mr. and Mrs. Maxine Smith, will graduate from the school for the deaf in Flint this coming week.

### DEFORMED ALBINO FAWN FOUND NEAR OSCODA

THIS NEARLY ALL WHITE albino fawn was found along a road on the north side of the AuSable River west of Oscoda last Sunday. It was turned over to Conservation Officer Jack LaFear of Oscoda after it was found to be suffering from "clubbed" feet and a crooked spine. Officer LaFear put splints on the tiny doe-fawn's legs. He plans to keep it for a few weeks and release it in the Ogemaw Game Refuge when it is stronger. LaFear said that the fawn's deformity was probably caused at birth, or through a deficiency in the doe's diet last winter. He points out that, although this instance was an exception, people should not pick up "lost" fawns found in the woods. He said that its mother is usually near by. Does usually do not return to a fawn which has been handled by a human.

### Woessner-Buch

The Emanuel Lutheran Church was the scene of a beautiful wedding Saturday afternoon when Miss Alberta Erna Buch of this city, became the bride of Harry N. Woessner of Lowell, Massachusetts, in a double ring ceremony. The bride is the daughter of Albert H. Buch and the late Mildred A. Buch of this city. The bridegroom's parents are Mr. and Mrs. Herman Woessner of Lowell.

The young couple spoke their vows before an altar decorated with gladioli. The Rev. Leonard W. Newman officiated at the double ring ceremony. Miss Donna Groff sang "Oh Perfect Love" and "The Lord's Prayer," accompanied at the organ by Miss Victoria Spaude, who also played the wedding march.

The bride, given in marriage by her father, wore a gown of nylon net with lace bodice. Medallions of the lace were scattered down the front of the skirt. The back of the skirt was formed by tiers of nylon tulle ending in a sweep train. She wore matching gauntlets and a coronet of lace and seed pearls which hid the fingertip veil of nylon net. She carried a white pearl-covered Bible topped with a white orchid and stephanotis with streamers.

The maid of honor was Miss Donna Bublitz and the bridesmaids were Mrs. Alice Bethke and Mrs. Gypsy Bailey. Their gowns were of aqua taffeta and they carried bouquets of pink daisies with headdresses to match.

The groom was attended by his brother, Richard Woessner, as best man, James Churchman and David Kwok were ushers.

A reception was held at the Barnes Hotel following the wedding for about 150 relatives and friends. Out of town guests were from Minnesota, Massachusetts, Wisconsin, Ohio and various cities in Michigan.

After a honeymoon in the Virginia's, the young couple will be at home to their friends at 8 Wylly's Court, Midland.

The bride is a graduate of Tawas City High School, class of 1950, and Cleary College. The groom graduated from Lowell High School and the Lowell Institute of Technology, majoring in textile engineering. Both are employed by the Dow Chemical Company, Midland.

The groom's parents, Mr. and Mrs. Herman Woessner, and his brother and wife, Mr. and Mrs. Richard Woessner, all of Lowell, attended the wedding. The bride's grandparents, Mr. and Mrs. Walter R. Zellmer of Waterville, Minnesota, were also present.

### Stoll-Edmunds

Mr. and Mrs. Leslie J. Edmunds of Royal Oak, announce the marriage of their daughter, Louisa, to Peter Stoll, son of Mr. and Mrs. Bert Stoll of East Tawas, on March 27.

The young couple, both seniors at Michigan State University, were secretly married in Indiana.

Their civil vows were solemnized June 2 by a church wedding at the All Saints Episcopal Church in East Lansing. The ceremony was performed by the Rev. Gordon M. Jones Jr., with the parents and the bride's sister, Emily, attending.

After a short wedding trip, the young couple returned to MSC campus to complete their spring terms.

 Director of TB Association

Judge Herman Dehnke of Harrisville and the 23rd Judicial Circuit was re-elected a director-at-large on the board of the National Tuberculosis Association at the group's 52nd annual meeting in New York City May 24.

Judge Dehnke has been associated with the Michigan Tuberculosis Association for many years. As a trustee of the MTA since 1941, and president from 1949 to 1951, he has served on numerous committees of the association's board, including the executive and qualifications committees.

In 1945 he was chairman of the legislative committee which successfully promoted Michigan's model "free care" law, eliminating the "means test" in TB isolation and treatment.

Judge Dehnke's interest in the voluntary fight against tuberculosis stems from a personal experience he had with the disease in his early life. During his 24 years on the bench, he has been assigned to judicial work in about 40 counties in Michigan, including several "one-man grand juries."

The decline in the incidence of poliomyelitis is continuing, according to the Public Health Service. The agency said, however, it is too early to attribute the drop to the Salk vaccine. It will be impossible to tell until well along in the "polio year," which started April 1, whether this is to be just a light year or the vaccine was the chief factor.

What every young bride should know

One thing, certainly, is this: Electricity is the best friend a beginning homemaker ever had!

Electric servants take the work out of housework, add leisure hours to every day. They wash, iron, cook, sew—without straining the thinnest budget. And they're always there when you want them, ready to do any job, no matter how large.

Making sure you have plenty of power at a bargain price is the main job of the men and women at your electric company. It's a job they'll go right on doing year after year.

STATE OF MICHIGAN DEPARTMENT OF AGRICULTURE BUREAU OF ANIMAL INDUSTRY LANSING, MICHIGAN

Department of Agriculture Regulation No. 133
Regulation Relating to the Public Exhibition of Poultry
By virtue of the authority provided by Act 181, Public Acts of 1919, as amended, the following rules and regulations are hereby established:

- 1. Feed and water containers provided for exhibition coops shall be new or properly cleaned.
2. Feed or water containers from which birds have eaten or drunk must be refilled so as not to contaminate the common supply of feed or water. Feed or water containers may not be removed from exhibition coops except for the purpose of cleaning.
3. Exhibition coops must be constructed and placed as to provide adequate light for proper and inspection of poultry or evidence of transmissible diseases.
4. Litter for exhibition coops must be of clean material and renewed daily or oftener as needed.
5. Shipping crates used in shipment of birds by common carrier may not be used as exhibition coop. Shipping crates shall be cleaned and disinfected after birds have been removed for exhibition and before being used again.

IN WITNESS WHEREOF, I have hereunto set my hand and affixed the official seal of the Department of Agriculture this 3rd day of May, 1949.

MICHIGAN DEPARTMENT OF AGRICULTURE by: G. S. MCINTYRE, DIRECTOR

RULES

Exhibitors are requested to read carefully rules and regulations covering exhibition of poultry.
All exhibits shall be (a) purebred; (b) cross bred from purebred parents.

It is suggested, especially for fairs held late in September and October that all birds exhibited go directly from the Fair to market for slaughter so that none of them will be taken back to the farm. The reason for this precaution is that the birds may take back some disease to the farmer and injure his egg production of his farm flock, if such disease is infectious and is of the type which will lower his egg production.

A pen entry shall consist of two females and one male. (Classifications: Cock, Cockerel, Hen, Pullet.)

RULES

The exhibits will be judged and money paid according to placing listed. Only one entry in a class will not mean an automatic blue ribbon placing.

Only one entry per class by any one exhibitor. \$325 is the maximum premium money allotted this department.

Exhibits limited to Iosco County FFA departments. FFA exhibitors may enter open class also, provided there is other open class competition and the entry fee is paid.

All entries must be in by Wednesday at 4:00 p. m. A grand champion cash award will be made to the outstanding breeding animal from dairy, beef, sheep and swine.

There must be at least three entries in any one section. (This is open to FFA, 4-H and open class.)

The judge shall determine those entries that will compete for the grand champion. He will also select only entries he feels worthy of such consideration.

DAIRY

Classification of dairy entries shall be as follows: Junior Calf—Calved since January 1, 1956
Senior Calf—Calved between July 1, 1955 and Dec. 31, 1955
Junior Yearling—Calved between January 1, 1955 and June 30, 1955

STATE OF MICHIGAN OFFICE OF THE GOVERNOR LANSING

March 5, 1956

TO THE OFFICIALS AND PATRONS OF COUNTY FAIRS:

Agricultural fairs are a part of America's most fundamental tradition. Not only are they colorful, entertaining and educational, but the competition which they produce among our farm citizens in exhibiting their best at these fairs is one of the main factors in raising the quality of our already excellent farm produce.

God has favored our state with a soil that is capable of producing a variety of produce unequalled in flavor, color and goodness. Michigan's ever-growing cities provide a ready market for our farmers, and one which we should jealously guard by offering uniformly graded products superior to those of our competitors.

To all fair visitors, officials and exhibitors, let me extend personal good wishes. The Michigan 1956 should represent the best year ever for Michigan county fairs.

Sincerely, Governor

DEPARTMENT XII—HARNESS RACING

Table with 3 columns: Class, 2:30 Trot or pace, 2:16 Trot, 2:22 Pace, 2:19 Trot, 2:25 Pace, 2:14 Pace. Includes dates for Thursday, Friday, and Saturday.

Dear Fair Patron: May your 1956 fair be the best one yet held, giving us in the Michigan Department of Agriculture, as it does, a sense of pride in being a part of it.

The exhibits of animals and fine farm products indicate the continual progress in our agriculture. In the home-making section are to be found displays that disclose how women are in tune with 1956 in making our surroundings and our meals more appealing.

Youth exhibits reveal how an unregimented generation of young people can utilize their ingenuity for betterment and useful citizenship. In youth we have the promise of an even brighter tomorrow for America.

Congratulations on your fair. Very truly yours, MICHIGAN DEPARTMENT OF AGRICULTURE

 The Laidlaw home was host to May's community 4-H Club meeting with Joyce Welna presiding. There was discussion about a second project for some of the members and the girls decided to bring clothing very soon with Mrs. Hazel Brown as leader. A remembrance was planned for Mrs. Roy Atkinson, one of the club's 4-H leaders who has been ill.

Ask mother if you can have space for a milkshake center in the kitchen this summer. Remind her that when the warm weather gets here you and everyone else in the family are going to be thirsty. There is nothing like a cool, refreshing beverage to give you new pep and energy when you feel hot and tired. Here is what you will want to assemble in your milkshake center.

Have plenty of milk in the refrigerator and milk on the shelf, too, dry or evaporated. Keep a quantity of ice cream in the frozen food section. Collect a variety of different flavorings to use for attractive, tasty drinks. Do you like yours foamy and rather thick. Look for the new milkshake mixes in different flavors to add to milk. Non-fat dry milk added to fluid milk gives a "double-rich" value to milk, helps to thicken the consistency. Ice cream is wonderful whipped into milk, try this with many different flavors and color combinations. Keep the mixer handy for this job. Fixing these simple, delicious, nutritious do-it-yourself milk beverages will be fun to do, yummy to drink. Hint to he or she who thinks a milk drink too fattening, make yours with milkshake mixes or dry skimmilk. They rate extra-low in calories, high in taste satisfaction.

June is dairy month. What is your 4-H Club doing to observe it? Hog prices set a high since last July 25.

**McIVOR NEWS**

The Merry Neighbor Club met with Mrs. Charles Koepke Thursday evening for a house warming. They gave her a lovely bedspread. Mrs. Josephine Brigham and Mrs. Walter Anshuetz won the door prizes. They played games. Prize winners were Mrs. Harold Parent, Mrs. Lloyd Newvine, Mrs. Edith Pierson, Mrs. Koepke and Mrs. Brigham. A delicious lunch was served. The next meeting will be held at the home of Mrs. Harold Parent.

Mr. and Mrs. Lloyd Newvine spent Memorial Day with their daughter, Mrs. Ray Borchard, and family at their cabin on AuSable Lake.

Lyle Jordan, who is in the air force, has returned to his base in California. He left by plane Sunday evening.

Mr. and Mrs. Harold Parent visited in Auburn Tuesday evening. Mr. and Mrs. Herbert Schroeder and daughter, Linda, were callers in Whittemore Saturday evening.

Friends and relatives surprised Mrs. Clarence Jordan with a shower at the home of Mrs. William Draeger. She received many lovely gifts. Games were played and prizes were won by Mrs. Elbridge Cataline, Mrs. Earl Spiker, Mrs. Joyce Tressler and Mrs. Herbert Schroeder. A delicious lunch was served by the hostesses, Mrs. Joyce Tressler, Mrs. Herbert Eckstein and Mrs. Donald Schuster.

AM-3 William Allen, who has been home on a three-week leave, returned to his base at Hutchinson, Kansas, Wednesday morning. Several seniors from here went on the senior trip to New York. They returned home Wednesday and they all had a nice time. Mr. and Mrs. Harold Parent and Mr. and Mrs. David Parent went to Mt. Pleasant over the week-end to see their son-in-law and brother-in-law, Patrick O'Neil, graduate from college.

**MONEY IN USE**  
 Total private bank deposits, plus currency in circulation in the United States, amounted to a total of \$215,700,000,000 on January 1. This represented an increase during 1955 of \$6,100,000,000, or 2.9 percent.

 June—"30 days has June" and all of them Dairy Month.

Watch for announcements of June, dairy month, socials. They will help observe the special occasion and provide you an opportunity for extra good eating enjoyment along with the company of your friends. June is the month when the production of milk and dairy products rises to the highest level of the year. That is why the industry has chosen June as the time to call attention to the abundance of fine dairy foods available every day.

Milk and milk products provide quick energy and refreshment through a wide variety of appetite-tempting courses for meals. Milk restores energy fats, so have a glass when worn out from physical activity and heat. Homemakers like summer meals built around dairy products because they save her from a lot of work over the hot stove.

Do you know man's first efforts to domesticate the ancestors of modern cows were made about 50,000 years ago?

Like to try new ideas for serving food? I was skeptical about sour cream with baked potato and butter but, it is good! Now I can be a little more optimistic about trying cottage cheese in place of cream.

Housecleaning in the living room? Have all the pictures down for cleaning? When you put them back, try to hang them as flat as possible, then they will seem like a part of the wall. This can be done by placing the screw eyes near the top of the frame. Pictures hung "blind" (no wire showing) look best. If they must be hung from a molding near the ceiling, one on each end of a long wire that passes across the back of the picture through two screw eyes. It will be easy to adjust the picture and at the same time avoid the triangle of wire. Closest thing to invisibility can be accomplished by painting the wire to match the wall.

There is no end to the way rhubarb can be served—Brown Betty, sherbet, custard, tapioca pudding, pie, punch and molded in salad with oranges. Recipes for different ways with rhubarb are available at your request.

Silicone this and silicone that. Have you noticed the many and varied ways in which silicone is being used on all kinds of products these days?

And you might ask, "How is silicone used in textiles?" Silicones are man-made modifications of sand and are being used in resin form as finishing agents on fabrics. They provide advantages of durable, water-repellency and non-oily stain resistance. The amount of silicone applied can result in changing the way a fabric feels to the touch. Silicones improve tear strength and abrasion resistance of fabrics; improves crease-resistance of some materials. Silicone finishes are applied to wool as well as rayon blends, silks and cottons. Silks which have been so-treated will not water-spot—remember that fault of silks?

Have you noticed the extensive collection of very lovely containers to use for flower arrangement work, whether fresh or dry material is used, which is now being shown in a local store? So often it is difficult to find suitable containers that are simple in line, undecorated, and of color that lets the arrangement predominate. You can surely find one of these in a size, shape and color to meet your need.

**Police Use Radar Device to Apprehend Speeders**

An experiment in the use of radar to apprehend speeders having proved successful, the Michigan State Police are putting into operation four more of these units.

A new electrical speed watch timing device also is being used. With this device tubes are stretched across the road to check speeds.

The state police put their first radar unit in service December 18 on US-24, otherwise known as Telegraph Road, and in 57 days of operation made 933 speeding arrests through use of the machine.

The four additional units will be used in high accident areas in the lower part of the state. The new units are entirely concealed in the cars and the cars themselves are in different colors. Two were in service over Memorial Day.

The speed watch was tested in the Lansing area for a period of three days during which 50 tickets were issued.

 When Sam was asked how he budgeted his income, he replied: "Oh, about 40 percent for food, 30 percent for rent, 30 percent for clothing and 20 percent for amusement and incidentals." "But that makes 120 percent." "Don't I know it!" agreed Sam, with a groan. Accidents killed more Americans last year than the Korean War.

"Just want to make sure," explained Johnson, "that I'm cleaning my own weapon."

**FARM JOBS UP**

Farm employment increased by 1,100,000 or 17 percent between March and April, but remained about 4 percent less than a year ago, according to the agriculture department. Family and hired workers totaled 7,654,000 at the end of April.

**Cadillac**

**Expected Much...and Got More!**

He had heard it time and again from his friends who drive Cadillacs. He had heard, for instance, of Cadillac's marvelous performance . . . and of Cadillac's great-comfort and handling ease . . . and of the satisfaction that comes to the man at the wheel. And so, when he took the keys to his first Cadillac just a short while ago, he thought he knew what to expect from the "car of cars". Well, here he is—a few miles out on his maiden journey—and he's learning a great truth about Cadillac: that nothing can adequately prepare a man for Cadillac ownership, save the experience itself. How, for instance, could anyone fully foresee the joys of owning a new Cadillac car? It gives a man a sense of pride and a feeling of achievement and fulfillment that literally defy description.

Or how could anyone anticipate the thrill of driving a new Cadillac? Smooth and quiet . . . eager and responsive . . . restful and relaxing—it simply has no counterpart on the world's highways. And how could anyone foreknow the many other pleasures that await him at the wheel . . . the joy of finding that his Cadillac, with all its quality and character, is among the most practical of motor cars to own and operate . . . and the satisfaction we believe he will find in his relationship with us as his Cadillac dealer—and in our honest concern with his motoring well-being. Why not stop in soon for a personal preview of this wonderful experience? We think you will be delighted to learn how quickly you can get delivery and to find how much your current car is worth to us in trade.

### Time Out For Ice Cream

A moment was taken out for refreshing ice cream when Michigan's Dairy Princess, Louise L. Lagoy, 19, of Albion, called on Governor G. Mennen Williams to discuss June Dairy Month plans and to present him with some of the state's choice dairy products.

**NATO OUTLOOK—"MODERATELY BRIGHT"**—Gen. Alfred Gruenther, retiring NATO Commander, told the Senate Foreign Relations Committee that the outlook for NATO is "moderately bright" but cautioned that the Russian competition is getting keener all the time. Gruenther is shown in front of a map as he made an all-out plea against any cut in the administration's request for military aid in Europe.

Accused of Setting Fire to Own Car Sunday Night

An AuGres man plead not guilty to charges of willful and malicious burning of personal property before Justice Jacques Gaehtl of Standish Monday. Willis N. Dunning is accused by police of setting fire to the seat cushions of his automobile Sunday night near a Turner tavern.

Police said that Dunning owed \$350 on the car and believe the only reason he set fire to the car was to get another one from his insurance company.

Investigating officers said that he was under the influence of alcohol at the time of the fire. The interior of the car was burned. Dunning told officers he had been having mechanical difficulty with the car.

The budget surplus for this year will be more than \$1,800,000,000, the administration estimated in budget review that was unusual at this time of year.

Garden Club to Campaign Here Against Litter Bugs

The Tawas City Garden Club met at the county building Tuesday afternoon with 23 members and three guests present.

Mrs. W. A. Gregory, president, presided at the business meeting. She gave a report on the state federation of garden clubs that she attended at Grand Rapids last week.

The matter of the "Litter Bug" was discussed and it was voted that the club sponsor a litter bug campaign. Every citizen is asked to become more conscious of the streets and roadside appearance.

Two flower arrangements were displayed, lilies of the valley, the flower for May; tulip, narcissus and golden alyssum, the flowers for June.

Mrs. William Leslie, as program chairman, spoke on the library film service available. She then introduced Miss Leonora Hass, who showed the film on the life and works of Grandma Moses, which was enjoyed.

New Club Officers Elected By Legion Auxiliary

At the regular meeting of Audie Johnson Unit 211, American Legion Auxiliary, held Monday evening, officers were elected for the year 1956-57 as follows:

President—Mrs. Mildred Gardner. Second Vice President—Mrs. Lillian Gadd. Secretary—Miss Helen Appin.

Treasurer—Mrs. Ann Porter. Historian—Mrs. Grace Misener. Chaplain—Mrs. Ruth Stump. Sergeant-at-arms—Mrs. Dorothy Harmon.

Junior Past President—Mrs. Evelyn Price. Delegates to department convention elected were Mrs. Harmon and Mrs. Lois Keinholt; alternate delegates, Miss Appin, Mrs. Freeland. Installation of officers will be held Monday, July 16.

A report of the district meeting held at Grayling was given by Miss Appin. After the meeting, refreshments were served by the following hostesses, Mrs. Nettie Hester and Mrs. Price.

A birthday gift was presented to Miss Appin and the door prize was won by Mrs. Florence Merschel. In charge of the presentations was Mrs. Harmon.

Birthday

(Continued from page 1.) Mrs. Rogers came to Tawas City to live with her daughter, Capitola.

One of her favorite pastimes has been sewing beautiful patchwork quilts. She still possesses a steady hand but her eyesight began to fail about three years ago and had to give up her hobby.

A number of friends helped her celebrate her birthday last week. She received about 80 birthday cards, many bouquets of flowers, telephone calls and two birthday cakes.

Over the week-end, relatives from Midland and Detroit called on Mrs. Rogers. Saturday visitors were Miss Mable and Adney Scott, Mrs. Ruth Scott Newnon and children, Barbara, JoAnn and John Scott. Sunday guests were Mr. and Mrs. Gaylord LaMay and daughter, Mrs. Worthy Burke. Mrs. Cecil Ruhl of Coleman, Mrs. Samuel Swanton and Mrs. Janice Wixon of Midland.

Many Tawas friends also called on her birthday. She enjoyed a tea party Thursday afternoon when five past matrons of Tawas City Chapter, Order of Eastern Star, called to add their birthday greetings.

Senator George, who will become the president's personal representative in dealing with NATO, intends to use his influence toward more flexibility, hopefulness initiative in foreign policy.

Librarians Converge on Petoskey for Meeting

All county, city and township librarians and their trustees of the Michigan Library Association, District Six, met in Petoskey on Thursday, May 24, for the annual conference.

The district covers the northern half of Michigan or all counties north of a line extending from Standish across the state to Manistee.

Mrs. Stuart H. White of the Iosco-Arenac Regional Library was chairman for the librarians, and Miss Ora Thumm of Gaylord, the vice chairman. For the trustees, Fred Brabant, Iosco-Arenac Regional Library, was chairman and Clarence Foster of Cadillac, vice chairman. Miss Lela Osgerby, librarian of public library, Petoskey, with her board members as assistants, were hostesses.

Excellent exhibits were arranged by local organizations in Petoskey. There were displays by the "Petoskey Daubers," an amateur painting group; the "Inkslingers," an amateur group of writers and another display characteristic of the Petoskey region was set up by Miss Harriet Kilborn. There was an extremely interesting one by Cadillac, vice chairman, Miss "Better Books Committee" made up of local citizens.

The speaker for the forenoon session was the Rev. Harold Kohn of Charlevoix on "Care and Feeding of Great Ideas," and the afternoon speaker was Homer Story, high school teacher and director of the local theater group in Alpena, formerly with the Mackinac Bridge Commission, who gave an illustrated talk on "Realization of a Dream; Building the Mackinac Bridge."

Attending from the Tawas were Miss Leonora Hass, director Iosco-Arenac Regional Library; Miss Arlene Leslie; Mrs. Clarence McMullen; Mr. Brabant, and Mrs. White.
