This Is National Hospital Week---

Tawas Hospital Proves Worth

This is National Hospital week. It has been said that there are more "weeks" than weeks in the year. But this week is something special and meaningful to everyone within the Iosco County area. Here there is a modern, excellently equipped hospital. Ten years ago the Tawas Hospital was an improbable dream of a few Tawas citizens who set out to build a hospital.

From that tragic June night in 1933 when the new hospital opened its doors to admit Iosco County's tornado victims, it has been rendering a continued service in emergencies and accidents in addition to its role of aiding in individual, family and community health. Since that time, nearly 5,000 patients have

been admitted to the hospital's care and it has served in more than 2,000 emergencies. Over 800 babies have been born there.

Statistics of the hospital's activity are revealing. There are 65 full-time and 20 part-time employees with a monthly payroll of over \$11,000. More than 1,000 laboratory tests are made each month and 3,075 x-rays have been taken. Patient-days at the hospital total 25,108 and there have been an estimated 73,000 meals served to patients during the three years of existence.

Under the supervision of Sister Rita Louise and able staff, the Tawas Hospital has proven its worth to the community and taken its place as one of the area's most valuable possessions.

Student Guidance Counselor Speaks at Kiwanis Luncheon

"Whenever you find a youngster who has a purpose in life, you will never have a delinquent," commented Sid S. Geal of Pontiac, guidance counselor, at the Tuesday noon Kiwanis luncheon where he reviewed a student guidance program which will conclude this week at Tawas Area Schools. The Kiwanis Club was instrumental in securing Mr. Geal's services to introduce this four-week program at the school last fall.

Mr. Geal explained that during the program he worked with 87 sophomore students, talking with each individually, following a succession of three guidance measurements.

Outlining the program for Kiwanians, Mr. Geal explained the guidance measurements or examinations given the students, which included a preference record to determine interests of the students, primary mental ability record, youth inventory showing a measurement of their problem areas and a vocational profile.

Stressing the need for a full time counseling program in schools, Mr. Geal said that there were very few problem youngsters, but many youngsters with problems.

As a challenge to the group, Mr. Geal asked, "What are you doing to encourage youngsters?" He made several recommendations to the club, one of which was better coordination between school, community and local groups.

He urged that the school hire two counselors, one for boys and one for girls; recommended occupational courses in the new school; join with other schools in the area for a reading clinic and urged good extension classes in adult and parental education.

The need for a more adequate vocational program in the school system here was emphasized by Mr. Geal. He said that "84 percent of the people in the United States work with their heads and hands; therefore, these students need such training to prepare them for the future. Such a program would help to get youngsters into occupations in which they have an interest."

Offer of Help on Harbor Welcomed by Businessmen

The Tawas City Businessmen's Association acted favorably toward an offer of assistance to investigate means of securing state or federal aid for improvement of the Tawas River mouth as a harbor at last Thursday's meeting.

An offer of assistance was received last week from Joseph Lubaway of the Tawas Yacht Club. Mr. Lubaway has retained a lawyer to check with the State of Michigan and the United States Corps of Engineers to determine what action either of these agencies contemplate in the area.

Members of the businessmen's group said they would welcome any assistance from any individual or group in securing improvements at the river mouth.

'Mac' Rardin Sent to Ionia State Hospital

An order was entered in circuit court last Friday showing adjudication of insanity of Calvin "Mac" Rardin and for his discharge from imprisonment and removal to Ionia State Hospital for commitment until restored to sanity.

Friday's hearing was postponed from a week ago Tuesday to allow further opportunity for physicians to observe Rardin. Testimony taken at the hearing Friday determined that he was incapable of assisting with his own defense against the charge of manslaughter.

Rardin had been held at the Iosco County Jail since May 5, following the death of Jacob E. Miller, 75-year-old retired Wilber Township farmer.

In other cases heard before Judge Herman Dehnke last Friday, Leroy Jones was sentenced to the State Prison of Southern Michigan for not less than six months nor more than five years on a hearing to revoke a previous probation for carrying a concealed weapon.

The sentence came after investigation by the court. A plea of guilty was accepted to charges of assault and battery and judgment of conviction entered. Jones was fined \$100 on this charge.

Jones had been held at the jail on charges of felonious assault, after striking an employee of the Holland Hotel at East Tawas and a sheriff's officer two weeks ago.

Donald L. Sayan was sentenced to the State Prison of Southern Michigan for a period of not less than eight months nor more than two years. This conviction was the result of passing a no-account check.

Work Completed on New County Building Parking Lot

Work was completed this week on the 250-car parking lot to serve the Iosco County Building and Iosco County Jail. Grading and graveling was done by Tawas Sand and Gravel Company.

Entrance to the new parking lot is provided by two driveways, one at the east side of the county building and the other at the west side of the jail.

Additional space for the lot was gained by the county last fall when the board of supervisors authorized the sale of the old jail building to the City of Tawas City and was subsequently demolished and removed during the winter.

Chairman of the Iosco County Board of Supervisors' building and grounds committee, Clement Stephan, said Wednesday that future plans call for the lot to be black-topped.

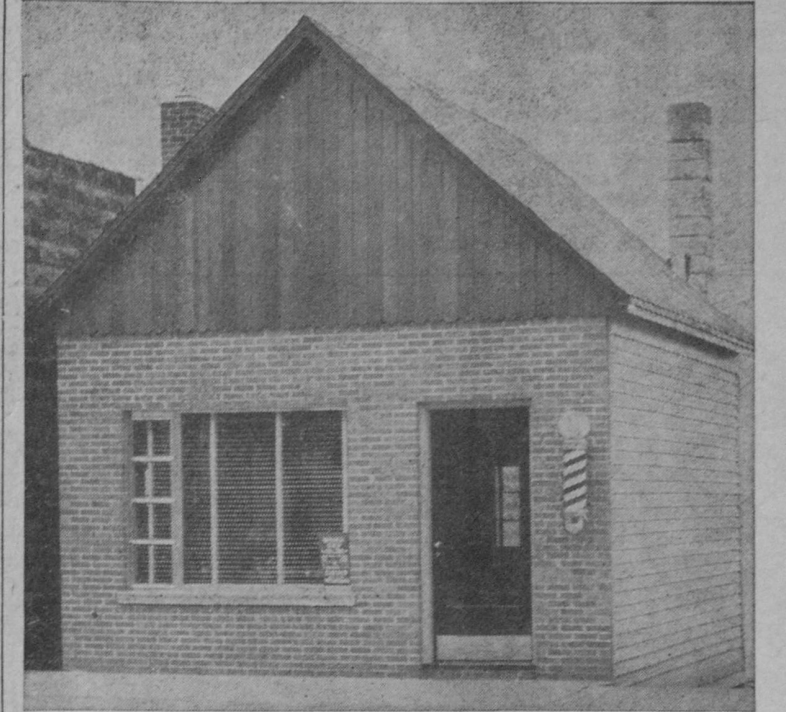

Carl's Market Observes First Anniversary This Week

Carl's Market, located at 450 Lake Street in the Mueller Building, will celebrate its first anniversary in Tawas City this week Thursday, Friday and Saturday.

Mr. and Mrs. Carl Wise thank customers for past patronage and invite all residents of the area to visit the store during the birthday observance.

BUILDING SERVES AS BARBER SHOP FOR 66 YEARS

REMODELING OF THE Hutton Barber Shop in Tawas City was completed recently by Henry Oates, contractor. The building was completely remodeled with a knotty pine interior in 1953. A new brick and redwood front was added last month. Owned and operated by Howard Hutton, the building has been used as a barber shop since 1890. His father, William Hutton, who retired from barbering in 1943, purchased the shop in April 1917 from Raymond Smith. Other barbers who owned the shop before Mr. Smith were Marshall Smith and Oliver Dupraw. Prior to that time it had been used as a lumber office by Spileman Lumber Company. Howard started to work with his father in the barbering trade after his graduation from Tawas City High School in 1923.—Tawas Herald Photo.

Mail Box Improvement Week, May 21-26

The United States Post Office Department has designated the week beginning with the third Monday in May of each year as Rural Mail Box Improvement Week.

This year the week of May 21-26 will be observed, it was announced this week by Postmaster Martin Kasischke of Tawas City.

"Rural delivery is referred to as a post office 'on wheels' and many times these postal services are taken for granted and are not fully appreciated," stated Postmaster Kasischke.

Rural route boxes are frequently referred to as the highway billboard of the postal service. Many become unsightly due to their leaky condition, broken doors or no lids, missing signals, no names, supports bent or rotted.

"Everyone's mail box is the front door to his home, please look at it, everyone else does," commented the Tawas City postmaster.

Each rural route patron will receive, or has received, a letter from his carrier with irregularities checked. The carrier then must report to the postmaster as to the boxes improved and not improved and he, in turn, must make a report to the district manager.

"I feel certain that patrons will cooperate and improve mail box equipment, if needed, during this period," stated Mr. Kasischke. "This very important program will be extended through June 2 so everyone will have plenty of time to improve mail boxes and by doing so will make the route a source of pride to the carrier, rural patrons and all others traveling the highways, to the post office department and to the county highway department."

Peter Vallier of Flint called on friends in the city Saturday.

20th Century Club Installs Officers

The regular meeting of the Twentieth Century Club was held Wednesday evening, May 2, at the American Legion Hall with Mrs. George Leslie presiding. The program was conducted by Mrs. A. E. Giddings.

The roll call was evaluation of year's program. George Myles showed slides of Hawaii which were enjoyed by everyone. Mrs. C. L. McLean installed the following officers for the ensuing year:
President—Mrs. George Leslie.
First Vice President—Mrs. Charles VanHorn.

How strong is
the weaker sex?

Strong enough to carry a 3-ton elephant in daily installments. That's about how much laundry the average woman carries to and from her clothesline every year.

Wish you could get out of that heavy work? Well, you can—with an electric clothes dryer. And for just a few cents a day.

There are dozens of other electric servants that can make your life easier and more enjoyable for pennies worth of electricity—a dishwasher, for instance, or an automatic washing machine. You can afford to let electricity do all your work—for it's the biggest bargain in your family budget!

Consumers Power Company

Second Vice President—Mrs. Douglas Ferguson.
Secretary—Mrs. Reynold Mick.
Treasurer—Mrs. William Groff.
Each officer was presented with a corsage.

After the meeting the members participated in a "cake walk," in charge of the ways and means committee. The lucky cake winners were Mrs. Arnold Bronson, Mrs. George Leslie, Mrs. Giddings, Mrs. Ferguson and Mrs. Mick.

John Link

Funeral services were held Wednesday morning at the St. Joseph Church for John Link, 80, who passed away suddenly Sunday afternoon at the home of his daughter, Mrs. Rose Halligan, in East Tawas.
John Link was born December 24, 1875, in Hungary and married 59 years ago coming to the United States 10 years later. He came to Isosco County 34 years ago and settled on a farm.
He was a member of St. Joseph Church, where funeral services were held Wednesday with the Rev. Fr. Robert Neuman officiating. Burial was in St. Joseph Cemetery.
He is survived by his wife, Anna; four daughters, Mrs. Katherine Himmon and Mrs. Anna Straw, both of Independence, Iowa, Mrs. Rose Halligan and Mrs. Mary Cornet, both of East Tawas; three sons, Anthony of Montana, Frank of Tawas City and William of East Tawas; 10 grandchildren and three great grandchildren.

Free Birthday Cakes Being Given in May

Three free birthday cakes are being given in May by Hamilton's Tawas Bakery, as the result of a program which got underway this month.

For the past several weeks, registrations have been made at the bakery. More than 80 were received in April.

Mrs. Marie Batzloff of National City, who was in the bakery at the time, drew the name of Howard S. Case of East Tawas out of the bowl first. His birthday is May 11, and he will receive the first cake. Second name was that of Mrs. Frances Alexander of Tawas City, whose birthday is May 31. Third name was Carol Miller of Tawas City, whose birthday is May 22. Each will receive a birthday cake.

In the future one cake will be awarded each month, James Hamilton, states.

Braves Lose to Arenac Eastern

Still looking for their first win of the season, the Tawas Area Braves baseball team went down to defeat before Arenac Eastern Thursday afternoon, 16-14. The two teams peppered 27 hits in the game, 13 by Tawas and 14 by the winners.

The game was an endurance contest, going eight innings and lasted three hours and 15 minutes. Included in this heavy slugfest were four home runs.

Tawas Area jumped off to a six-run lead in the first inning aided by a grand slam home run by Bill DeLosh. Arenac Eastern picked up two runs in its half of the first inning.

Tawas came back with three more runs in the third inning, one in the fourth and fifth innings. Arenac countered with four runs in the fourth inning and exploded with an eight-run barrage in the fifth, topped by a grand slam homer by Van Horn, to take a 14-11 lead.

Tawas picked up two runs in the sixth inning and Darwood Lepard tied the ball game in the seventh inning with a home run. Earlier in the inning, DeLong belted a home run for Arenac Eastern.

In the eighth inning Arenac Eastern came up with one hit, good enough for two runs, to win the game.

In the opening game of the season Tawas played at Sterling and went down 14-11. Grabow started for Tawas on the mound, allowing six hits, and was relieved in the third inning by L. Frank. Sterling picked up four hits off the slants of Frank. Bob Richardson led the Tawas hitting attack with three hits in four times at bat. Lepard and LeClair each collected two.

In the second game of the season, the Braves fell victim to a no-hit pitching stint by G. Meldrum of Pinconning. Scoring two runs on two walks and two errors, Tawas came out on the short end of a 5-2 score. Grabow started on the mound for the Braves and went the distance.

Hale Cow Completes

Official Production Record

A registered Guernsey cow, Betty of Cleveland, owned by Muriel Graves and Henry and Karl Luitje, Hale, has completed an official production record in the advanced registry division of the American Guernsey Cattle Club.

This record was for 11,400 pounds of milk and 571 pounds of fat, which is equal to 5,300 quarts of high-quality milk.

"Betty" was a six-year-old, met calving requirements and was milked two times daily for 305 days while on test.

This official production record was supervised by Michigan State University.

Monday, May 14—Regional ABA Meeting, 7:00 p. m., Barnes Hotel, Tawas City.

Tuesday, May 15—Cooperative Extension Service Advisory Board, 8:00 p. m., at Grant Township Hall.

Thursday, May 17—Poultry Tour, 10:00 a. m. until 2:30 p. m., Oscoda County, poultry specialist, Mr. Moore, from Michigan State University.

Monday, May 23—Lumber dealers and carpenters workshop at Standish, 7:00 p. m. until 10:00 p. m.

The May meeting of the Isosco-Tawas ABA board of directors was one of the best I ever attended. Why? Because all were present with one exception. Their business conducted by William Herriman, included the election of Victor Herriman of Grant Township to fill out the unexpired term of Julius Anderson, who recently resigned.

Thomas Nelkie gave a report of ABA services in April. Rupert Bentley and Mr. Nelkie extended a special treat for the board of directors at their June meeting. It will be a special occasion for kicking off "June, our dairy month." Warren Britt, Charles Timreck, William Herriman, Lyle Long, George Waters, Mr. Bentley and Mr. Nelkie attended the meeting.

Frank Suggett, tourist and resort specialist at Michigan State University, indicated that only Mr. and Mrs. Cecil Cabbie of Isosco County were at the workshop last month. Might I suggest that you ask Mr. Cabbie about this three-day annual meeting? A chance to exchange views about the tourist and resort business could help increase Isosco's share of the tourist's dollar spent.

Soil samples are rolling in. Our soil laboratory is swamped. This can be the reason your test results are slow in coming.

As a result of these soil tests, our farmers and gardeners are able to intelligently and economically apply fertilizers and lime. Most of our grain elevator operators and fertilizer dealers have supplied me with a list of the fertilizers they have on hand. This enables me to recommend an analysis that is available to you.

Dr. Roy Cook, head of the soils science department, issues a warning to farmers who consistently use the 1-1-1 ratio fertilizer (such as 10-10-10 or 12-12-12).

He states that crop yields will be reduced. Experiments are continuously being made to find the best analysis of fertilizer to be used for different crops on different soils.

"As yet we haven't come up with one analysis that does the job."

A farmer who uses the 1-1-1 ratio consistently will be shorting his soil on phosphorus. Phosphoric acid is probably the greatest need in our Isosco soils.

As for the best ways of applying fertilizer, plowing down the material is a good practice if there is enough fertilizer in bands beside the seed or below the seed.

"If a farmer is going to use less than 500 or 600 pounds of fertilizer," he said, "I believe it should be all placed in the bands. If a farmer is going to use more fertilizer than that, then the amount he does not put in bands could just as well be plowed under."

The herbicide, CMU, may now be used for controlling weeds in grapes. The pure food and drug administration and the United States Department of Agriculture have both approved CMU for this purpose.

F. Carlson, horticulturist at Michigan State University, tells me the recommended rate of application for Michigan vineyards will not exceed residue tolerance allowed.

Carlson says that CMU may be applied during May when weeds are emerging or when they are still small. The soil should be moist. The spray should be applied at the base of the canes and not between the rows.

Use three to four pounds per acre, depending on how bad the weeds are. Use the low rate, if few weeds are expected, the higher rate if many weeds are present.

Extension folder F-190 has additional information on weed control in the vineyard and in other fruits. Copies of the folder are available from our office in the Federal Building.

Office callers this week were: Will Waters, Emerson Frank, Mrs. Victor Herriman, Elwood Ruckie, Ernest Bellen, Mary Byrd, Gene Champagne, Mrs. Lester Robinson, Harry Heeg, Ronald Green, Harold Hammond, Casper Blumer, Reuben Kaare, Mr. and Mrs. Earl Daugharty, Lorne Drury, Darwood Lepard, Mrs. Keith McLean.

Two guests, Mrs. Perry Tennis and Mrs. Bessie of Turner, were present.

Mrs. Marjorie Murringer and new baby, Gloria Jean, spending a few days with her parents, Mr. and Mrs. Milford Blakely.

POWER EQUIPMENT HANDY AROUND HOUSE

Consistent with their policy of carrying the most complete line of garden supplies, the Clark Farm Store has now in stock a wide line of garden and lawn power tools.

Included in this line is the new TORO POWER HANDLE, the amazing lift-off engine unit that drives a whole family of yard machines. Equipped with a 2 1/2 h. p. four cycle Briggs and Stratton motor, it offers the most economical source of power tools. Instead of several motors, each of which does only one job in a short season, the Toro Power Handle does eight different jobs and is in use the year around. In seconds it is lifted from one implement to another ready to do a different job. To date the Toro Power Handle family includes a 21 inch reel mower at \$74.95; a 20 inch self propelled rotary mower at \$109.95; generator for hunting lodge, trailer house, power saw, power failures, etc., generates 110 volts and 1000 watts, \$199.95; a water pump to irrigate lawns and gardens, \$69.95; a 10 gallon power sprayer for spraying home orchards, lawns, shrubs, buildings, livestock, camping area, etc., \$119.95 and a Snowblower, \$79.95.

The Toro Manufacturing Corporation has in blue prints many other implements to add to the POWER HANDLE family including a power wheel barrow and a power roller.

Visitors are welcome to see the interesting power show at CLARK FARM STORE, THE GARDEN CENTER, 115 W. State, East Tawas. (Adv.)

Dillon-Bronson

Miss Arlene Joyce Bronson, daughter of Mr. and Mrs. Arnold Bronson of Tawas City, became the bride of Willard L. Dillon, son of Mr. and Mrs. Arthur Dillon of East Tawas, in rites at St. Joseph Church Saturday morning.

The Rev. Fr. Robert Neuman celebrated the 10 o'clock high mass in the presence of about 200 guests. Baskets of snapdragons and daffodils banked the altar. Mr. Bronson gave his daughter in marriage.

The bride chose a crystallette dyed taffeta gown fashioned with a molded bodice, portrait neckline encrusted with iridescent and pearls, wrist point sleeves touched with iridescent. Her full bouffant skirt ending in a court train fashion highlighted her gown. Her pearl encrusted half hat was topped with white orchids and lily of the valley. During the ceremony a bouquet of white carnations was presented at the Blessed Virgin's altar.

Mrs. Matthew Haglund of East Tawas, sister of the bridegroom, was matron of honor, and Mrs. Gerry Bronson of Tawas City and Miss Rita Dillon, sister of the bridegroom, were bridesmaids and bridesmaid, respectively. Their identical waltz length dresses were fashioned of cotton blue crystallette, to feature bouffant skirts with butterfly accents at the back and strapless bodices with brief mandarin jackets. Matching headbands completed their ensembles and they carried an arrangement of yellow roses and yellow daffodils.

Arthur Dillon Jr. was best man for his brother. Ushers were Jack and Gerry Bronson, both brothers of the bride.

Mrs. Bronson chose a yellow nylon dress with matching accessories, complemented by a corsage of yellow roses and white hyacinths, for her daughter's wedding. The bridegroom's mother was attired in a pink dress with matching accessories. Her corsage was pink roses and white hyacinths.

Out of town guests were present from Detroit, Bay City, Mt. Pleasant and Gaylord.

Breakfast was served the wedding party and immediate families at the Barnes Hotel and an afternoon reception for 200 guests was given at the St. Joseph Social Center, after which the young couple left for a trip through Northern Michigan. For travel, Mrs. Dillon wore a gray lined tuxedo ensemble with black accessories.

LEGAL NOTICE

ZONING ORDINANCE OF TAWAS TOWNSHIP, IOSCO COUNTY, MICHIGAN
AN ORDINANCE to establish zoning districts and regulations governing the unincorporated portions of Tawas Township, Iosco County, Michigan, including the administration thereof, in accordance with the provisions of Act 184 of the Public Acts of 1943, as amended.

THE TOWNSHIP BOARD OF TAWAS TOWNSHIP, IOSCO COUNTY, MICHIGAN, ORDAINS:

ARTICLE I PREAMBLE
Section 1.01 TITLE
This Ordinance shall be known as the "Tawas Township Zoning Ordinance."

Section 1.02 PURPOSE
The purpose of this Ordinance is to:

1. Improve the public health, safety, morals and general welfare;

2. Promote the use of lands and natural resources of the township in accordance with their character and adaptability;

3. Reduce hazards to life and property;

4. Lessen congestion on the public roads and streets;

5. Provide, in the interests of health and safety, the minimum standards under which certain buildings and structures may hereafter be erected and used;

6. Facilitate the development of an adequate system of transportation, education, recreation, sewage disposal, safe and adequate water supply and other public requirements;

7. Conserve life, property and natural resources, and the expenditure of funds for public improvements and services to conform with the most advanced uses of land, resources and properties.

Section 1.03 CONTINUED USE OF NONCONFORMING USES AND BUILDINGS
The lawful use of any land, building or structure existing on the date of enactment of this Ordinance, although such use does not conform with the provisions of this Ordinance, may be continued at the discretion of the owner.

ARTICLE II DISTRICTS
Section 2.01 KINDS OF DISTRICTS

For the purpose of this Ordinance, Tawas Township is hereby divided into the following Zoning Districts:

(a) Residential Districts, R-1
(b) Agricultural and Residential Districts, A-R
(c) Commercial Districts, C-1
Section 2.02 LOCATION OF DISTRICTS

(a) Residential Districts, R-1, shall comprise those parts of Sections 24 and 25 not included in Agricultural and Residential Districts, A-R, and Commercial Districts, C-1.

(b) Agricultural and Residential Districts, A-R, shall comprise Section 24, except South 660 feet thereof; Section 25, except the North 1,320 feet thereof; and the remainder of the Township not included in Residential Districts R-1 and Commercial Districts, C-1.

(c) Commercial Districts, C-1, shall comprise those parts of Sections 19, 20, 29 and 30 forming a 660 foot square the center of which is the Section corner common to all four said sections; those parts of Sections 23, 24, 25 and 26 forming a 660 foot square the center of which is the Section corner common to all four said sections; that part of Section 24 comprising a 330 foot square located in the Southeast corner of said Section; the East 330 feet of Section 25; and that part of Section 2 within a distance of 660 feet from US Highway No. 23.

(d) Industrial Districts may hereafter be established by due amendment to this Ordinance.

ARTICLE III RESIDENTIAL DISTRICTS R-1
The following provisions shall apply to all Residential Districts, R-1:

Section 3.01 USES
No land shall hereafter be used and no building or structure erected or used for other than one or more of the following uses:

1. One-family and two-family dwellings.

2. Home occupations, including handicrafts such as dressmaking and millinery, and the sale of products produced on the premises by such handicrafts; and the office of a physician, surgeon, chiropractor, osteopath, dentist, teacher, architect, engineer, lawyer, magistrate, artist, and other professional occupations, PROVIDED, however, That such occupation shall be situated entirely within the dwelling, and that there be no externally visible display of stock, goods, or facilities relating to the occupation on the premises, and that

not more than one name-plate not exceeding four (4) square feet in area containing the name and occupation of the person be displayed.

3. Churches, schools, libraries, parks, playgrounds, hospitals, clinics, community-center buildings, publically-owned buildings, and truck gardens, PROVIDED, however, That approval for the location and such use of the premises shall first be obtained from the Board of Appeals following a public hearing thereon. Application for such approval shall be made in writing by the owner of the property to the Township Clerk, who shall give notice of a public hearing on the application in a newspaper of general circulation in the township, the cost of which shall be borne by the applicant. If it shall appear, all conditions considered, that the proposed location or use shall be contrary to Section 1.02, then such application shall be denied.

4. Accessory buildings, structures and uses customarily incidental to any of the above permitted uses, including detached garages not exceeding a capacity for two (2) passenger automobiles when located not less than fifty (50) feet from the front lot (Continued on page 7.)

WITH THE IOSCO—

4-H Clubs

By Dorothy Scott
County Agent

Calendar—

Monday, May 14—Ottawa 4-H Club open house, Federal Building, East Tawas.

We hear of plans for two 4-H Club Sunday observances. Members of Friendship 4-H Club invited members of Laidlawville 4-H Club to attend the Hemlock Road Baptist Church service with them. They plan to participate in the service by singing.

Hale Happy Hudlers are making themselves 4-H armbands. The 4-H members and leaders will sit together in their church.

Program at the Happy Hudlers meeting included a demonstration about preparing a "spreading" board to use in their entomology project work. It was given by the Jacobs brothers. They have a good idea for a demonstration started. Next step will be to add to it information to answer the questions which were asked of them at the meeting.

These 4-H Club members and leaders asked to have assistance in learning how to go about taking part in a judging contest. Miss Scott attended their meeting to help them.

They learned that there is a scorecard (measuring guide) for every kind of product (called "class") judged. It contains many of the words (judging vocabulary) which will be useful to the judging contestant in planning the reasons for the placing decision. Every good judge learns the scorecards well.

An orderly method for presenting reasons was discovered. We call it the "reasons skeleton" because the same phrases and order of giving them is used for all judging contests.

If your 4-H Club would like to have a community meeting program on learning how to take part in judging contests and be a winner, please contact your extension agents. They will be glad to visit your meeting to give you this kind of help.

4-H Club members and families have heard about the 4-H sponsored IFYE program (International Farm Youth Exchange). Briefly, it means that arrangements are made for young people from Michigan to visit families in other countries and for young people from other countries to come to Michigan and visit families here.

The purpose is to help us learn to better understand people from other lands; for them to better understand us.

Notice this statement: "young people from other countries to come to Michigan and visit families here."

Would your family like to be host for the visit of a young man or woman from one of these other countries? If so, please let us know very soon of your interest. We should talk over the possibilities together. Then if you wish to go ahead, your family can be enrolled as one interested in working with the IFYE program.

Marshal Tito is going to Moscow in June, which is the usual month for marriages.

IOSCO QUOTA CLUB INSTALLS OFFICERS

An impressive candlelighting installation ceremony was conducted by Nyda Bronson for Quota officers and directors during the 1956-57 year. The place was their regular noon luncheon meeting at the Barnes Hotel.

The officers are: President, Leonora Hass; first vice president, Arvilla Fairfield; second vice president, Leola Frank; recording secretary, Dorothy Scott; corresponding secretary, Helen Jordan; treasurer, Neva Moffatt. The four directors are Catherine Swartzbaugh, Grace Quattlebaum, Jerry Kimball and Leona Benson.

President Hass spoke briefly about Quota work this year and that ahead of members in the coming year, naming committees to carry it on: Membership, Arvilla Fairfield, Grace Quattlebaum, Freda Ewing, Catherine Swartzbaugh, budget, Neva Moffatt, Bertha Montgomery, Aura Lamb; ways and means, Ada Marie Killmaster and Leola Frank, Aura Lamb, Leona Benson, Helen Jordan, Jerry Kimball; service, Nyda Bronson and Dr. Zella Mullenburg, Olive Barnett, Martha Schreck, Dorothy Scott, Arvilla Myles; program, Helen Collier, Maori Kurtzrock, Grace Miller, Alta Bassett, Irene DeFilippi; historian, Dorothy Scott; parliamentarian, Olive Barnett; hospitality, Marie Nash, Grace Miller, Alta Bassett, Neva Moffatt; by-laws, Grace Miller, Edna Otis; publicity, Bertha Montgomery, Edna Otis, Dorothy Scott; auditing committee, Leona Benson, Maori Kurtzrock, Martha Schreck.

An anniversary party is planned for the evening of June 6 with the hospitality committee in charge. On June 27 there will be a business meeting with the international convention report. That will be the last meeting until September.

Convention delegates to the Quota International meeting in Miami, June 14-16, will be Miss Hass. Alternates selected are Miss Scott, Mrs. Barnett and Mrs. Miller.

LECTURES ILLUSTRATED WITH COLOR FILMS

"The Shepherd's Valley" near Jerusalem, Palestine, will be shown in color on the screen Sunday night at 8 o'clock at the Community Building, East Tawas. The colorful scenes will show the life of the oriental shepherds, illustrating the immortal "Shepherd Psalm" which is sacred to all three major faiths. These pictures have been acclaimed by the National Geographic Society for the significance and beauty. The Rev. Gordon S. Anderson, television preacher from New York City, will present the illustrated lecture.

Thursday and Friday of this week, the visiting speaker will show his colored films of scenic and wild Alaska, "America's Last Frontier." These films also include Lutheran, Presbyterian, Salvation Army and Methodist missions served by Mr. Anderson's ministry throughout Alaska.

Saturday evening the color-television film titled, "The People's Steeple," just released for America's television stations public service programming, will be shown on the screen at 8 o'clock. This film preview was produced by Telemissions, Incorporated, and directed by Mr. Anderson. This telefilm features: The Gettysburg Lutheran College Choir, 52 voices; the Steeple Ensemble; Metropolitan Television Choir singing three favorite American hymns; Virgil Hale, symphonic soloist of sacred song; Clifford Tucker, radio organist of New York City; Carrie Frick, children's Bible story teller; Marion Anderson, Bible presentation; The Anderson Ambassadors, the Rev. James Anderson, program moderator, and Mr. Gordon Anderson, telecasting a Bible message illustrated by a personal visit to the Statue of Liberty in New York City's harbor.

Each evening the audiences enjoy a community hymn-sing of old favorites under the direction of Philip Somers, musical director from Detroit, assisted by the voluntary youth choir. The public is cordially invited to attend these educational and inspirational programs every night this week in the Community Crusade sponsored by Inter-Church Fellowship at the Community Building, East Tawas. Admission is free.

Christian Science

How spiritualization of thought brings men enlarged ability and opportunity will be brought out in the lesson-sermon entitled "Mortals and Immortals" at Christian Science services Sunday.

Selections to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include the following (285:15): "Mortals must gravitate Godward, their affections and aims grow spiritual, they must near the broader interpretations of being, and gain some proper sense of the infinite, in order that sin and mortality may be put off."

"This scientific sense of being, forsaking matter for Spirit, by no means suggests man's absorption into Deity and the loss of his identity, but confers upon man enlarged individuality, a wider sphere of thought and action, a more expansive love, a higher and more permanent peace."

In Cuba, they recently had a three-hour revolution. Even for a Latin rebel leader, this is short-lived glory—180 minutes.

Ogemaw Telephone Co. Announces Recent Mergers

Lawson F. Chambers, president of the Ogemaw Telephone Company, announced today the purchase of both the Sterling Telephone Company at Sterling, formerly owned and operated by S. A. Dryer, and the Prescott Telephone Company at Prescott, formerly owned and operated by Carl Toland. According to Mr. Chambers, the Sterling exchange is scheduled for conversion to dial operations during the early summer months of 1957, and the Prescott exchange later that year in the fall.

The rehabilitation and dial modernization program calls for the construction of new dial central office buildings in Sterling and Prescott. The installation of new dial instruments, the rebuilding of outside plant facilities where required, and the construction of new rural and urban lines to reach new customers are scheduled.

According to Mr. Chambers total plant investment for the Ogemaw Telephone Company will be increased from \$80,000 to \$286,000 when the proposed overall construction program is completed.

Few politicians have sense enough to retire when they are still on top and still able to retire undefeated.

It's Bigger than Both of 'em

-but its price makes it one of
America's 3 best sellers!

It's as simple as this:

Only two cars in all creation outsell Buick. And they are two of the well-known smaller cars.

So maybe it will pay you to ask how come Buick has zoomed to the No. 3 spot with such fast-selling company.

Well, one answer is the beautiful and brawny Buick Special you see pictured here—and the low price it carries.

It's the biggest bundle of high-powered performance and high-fashion luxury ever offered in Buick's lowest-priced Series.

And that means more people want it and can afford it because it's priced only a few dollars more than its two smaller-car rivals—even less than some models of those very same cars.

But the big answer comes from a sure fact more folks have discovered: you get more pure automobile for your money in Buick than you get elsewhere.

Here, you get the extra wallop of big new Buick power

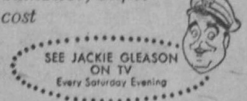

raised to a new high—and pouring in smooth whisper from a brand-new 322-cubic-inch V8 engine of true high compression.

Here, you get the matchless buoyancy of Buick's great new ride—the extra-safe feeling of Buick's new handling ease—the extra stretch-out comfort of Buick roominess—the extra solidity and strength of Buick structure—the extra pride and prestige of Buick's new styling and dash.

Here, too—and nowhere else—you can get the silk-smooth performance and flash-fast response of Buick's advanced new Variable Pitch Dynaflo®—the world's only transmission "with the gas-saving mileage and switch-pitch action of the modern airplane propeller.

This week—this very day, if you wish—you can sample all these Buick blessings to your heart's content and your pocket's joy. Why not drop in on us and do just that?

*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

(a) Every one-family dwelling hereafter erected shall contain not less than five hundred seventy six (576) square feet of floor area at the first floor level exclusive of any area in an attached garage, open porch or other open attached structure.

(b) Every two-family dwelling hereafter erected shall contain not less than eleven hundred fifty-two (1,152) square feet of floor area exclusive of any area in an attached garage, open porch or other open attached structure.

(c) The minimum floor area for any other permitted building shall be determined by the Board of Appeals upon written application to the Board by the owner as provided under paragraph 3 of Section 3.01 as may be reasonable for such use and be in conformity with Section 1.02.

Section 3.04 SETBACK AND YARDS

(a) Setback. The front line of every building hereafter erected shall be set back not less than forty (40) feet from the highway right-of-way or front lot line as the case may be.

(b) Sideyards. The side lines of every building hereafter erected shall be located not less than ten (10) feet from the side lines of the parcel on which the building is located.

ARTICLE IV AGRICULTURAL AND RESIDENTIAL DISTRICTS-A-R

The following provisions shall apply to all Agricultural and Residential Districts, A-R:

Section 4.01 USES

No land shall hereafter be used and no buildings or structures erected or used for other than one or more of the following uses, except as hereinafter provided:

1. Agriculture.

2. All uses permitted under paragraphs 1, 2 and 3 of Section 3.01 and without the approval provided by paragraph 3.

3. Motels.

4. Private clubs, and other fraternal organizations.

5. Boarding and lodging-houses and tourist homes.

6. Institutions of a philanthropic and eleemosynary nature.

7. Funeral homes.

8. Overnight cabins.

9. Accessory buildings, structures and uses customarily incidental to any of the above permitted uses.

Section 4.02 SIZE OF PREMISES

(a) Every parcel of land upon which a one-family or two-family dwelling is hereafter erected shall contain not less area than that specified under paragraph (a) of Section 3.02.

(b) The minimum size of parcel required for all other permitted uses shall be determined by the Board of Appeals upon written application by the owner to the Board as may be reasonable for such use and be in conformity with Section 1.02.

Section 4.03 FLOOR AREAS

Every one-family and two-family dwelling hereafter erected shall contain not less floor area than provided by paragraphs (a) and (b) of Section 3.03.

Section 4.04 SETBACKS AND YARDS

The setback and yard requirements of every building hereafter erected shall conform to the corresponding requirements as specified in paragraphs (a) and (b) of Section 3.04.

ARTICLE V COMMERCIAL DISTRICTS, C-1

The following provisions shall apply to all Commercial Districts, C-1:

Section 5.01 USES

No land shall hereafter be used and no building or structure erected and used for other than one or more of the following uses, except as hereinafter provided:

LEGAL NOTICE

1. Retail and wholesale establishments.

2. Personal service shops, such as barber shop, and beauty parlors.

3. Banks, theatres, assembly halls, dance halls, recreation buildings, restaurants, mortuaries, animal hospitals, garages, gasoline stations, parking lots, outdoor advertising signs, public utility buildings, service shops such as radio repair and dry cleaning, trailer courts, storage buildings, bakeries and similar generally recognized commercial establishments, but not including the manufacture or processing of any items resulting in the emission of objectionable odor, smoke, dust, noise, fumes or vibration, or constituting a health or safety hazard.

Section 5.02 SETBACKS AND YARDS

The front line of every building hereafter erected shall be set back not less than Twenty (20) feet from the front lot line or highway right-of-way line as the case may be.

ARTICLE VI GENERAL PROVISIONS

Section 6.01 SCOPE OF ORDINANCE

Except as otherwise provided, no land or existing building and no new building or structure, or part thereof, shall hereafter be located, erected, used or altered in conformity with the provisions of this Ordinance.

Section 6.02 NONCONFORMING USES AND BUILDINGS

(a) Extension of Uses. Extension of any nonconforming use throughout a building, or addition of new use to an existing building for the purpose of extending a nonconforming use, or the extension of any nonconforming use into or throughout a parcel of land not fully occupied by such nonconforming use, may be granted by the Board of Appeals upon written application filed with the Township Clerk. Said Board may hold a public hearing upon such application. If it shall appear that the proposed extension or change of use is in conformity with the provisions of Section 1.02, then such application shall be denied.

(b) Discontinuance of Nonconforming Uses. If the nonconforming use of any parcel of land, building or structure is discontinued or abandoned through vacancy, lack of operations or otherwise for a continuous period of twenty-four (24) or more months, then any further use thereof shall conform to the provisions of this Ordinance.

(c) Change of Nonconforming Uses. The nonconforming use of any parcel of land, building or structure shall not be changed to any other nonconforming use, nor shall any use be reverted to the former nonconforming use after such use has been changed to a conforming use.

(d) Repair and Improvement of Nonconforming Buildings and Structures. Nothing in this Ordinance shall prevent such repairs or improvements of a nonconforming building or structure existing on the date of enactment of this Ordinance as may be necessary to secure continued advantageous use thereof during its natural life, PROVIDED, such repairs or improvements shall not include enlargement or change of use thereof, and PROVIDED, further, that the owner first obtain a Certificate of Approval as hereinafter provided.

Section 6.03 GENERAL LOT AND YARD LIMITATIONS

(a) Non-Duplication. In determining lot and yard requirements, no area shall be counted as accessory to more than one dwelling or main building or use, and no area necessary for compliance with the open-space requirements for one building or use shall be counted in the calculation of requirements for any other building or use.

(b) Front and Side Yards. Every part of every front and side yard shall be open and unobstructed from the ground up to the sky, except for unenclosed porches, chimneys, pilasters, sills, belt courses, cornices, eaves and gutters, PROVIDED, however, that no such structures shall project more than twenty-four (24) inches into any yard.

(c) Dwellings per Lot. No more than one (1) dwelling shall be erected on any lot.

Section 6.04 WATER SUPPLY AND SEWAGE DISPOSAL FACILITIES

(a) General Standards. Every building hereafter erected or moved upon any premises and used in whole or in part for dwelling, recreational, business, commercial or industrial purposes, including churches, schools and other buildings in which persons customarily congregate shall be provided with a safe and sanitary water supply system, and with means of collecting and disposal of all human excreta and of all water-carried domestic, commercial, industrial and other wastes that may adversely affect the public health. Such wastes shall be treated and disposed of according to applicable standards of the Michigan Department of Health, and the Michigan Water Resources Commission.

(b) Dwellings. Every dwelling hereafter erected or moved upon a premises shall be provided with

LEGAL NOTICE

an adequate and safe septic tank-type of sewage disposal system, PROVIDED, however, that an earth-pit or chemical toilet may be used for farm dwellings, and for nonfarm dwellings when such nonfarm dwellings are situated on parcels of land not less than one acre (1) acres in area and not less than one hundred sixty-five (165) feet in width, where there is no congestion of population, and where the location thereof is approved in writing by the Zoning Administrator as not affecting general health conditions.

Section 6.05 GRADING

No premises shall be filled or graded so as to discharge surface runoff on abutting premises in such a manner as to cause ponding or surface accumulation of such runoff thereon.

Section 6.06 PUBLIC AND UTILITY BUILDINGS AND STRUCTURES

The erection, alteration and maintenance of public utility buildings and structures, and of power, communication, supply, disposal, distribution and similar public utility facilities, including accessories essential therewith, as authorized and regulated by law shall be permitted in every zoning district, it being the intent hereof to exempt such buildings, structures and systems from the application of this Ordinance when not in conflict with the provisions of Section 1.02.

When in conflict, the Board of Appeals shall have the power to determine reasonable conditions under which such facilities shall be erected.

Section 6.07 FARM BUILDINGS AND STRUCTURES

All buildings and structures customarily erected and used on farms in the township, except dwellings, shall be exempt from the provisions of this Ordinance, PROVIDED, however, that no such building or structure shall hereafter be erected less than fifty (50) feet from the highway right-of-way line, or less than twenty-five (25) feet from any side line of the premises.

ARTICLE VII ADMINISTRATION AND ENFORCEMENT

Section 7.01 ZONING ADMINISTRATOR

The provisions of this Ordinance shall be administered and enforced by a Township Zoning Administrator, appointed by the Township Board for such term and subject to such conditions and at such rate of compensation as said Board shall determine as reasonable. For the purpose of this Ordinance, he shall have the power of a police officer.

Section 7.02 CERTIFICATE OF APPROVAL AND COMPLIANCE

1. No building or structure subject to the provisions of this Ordinance shall hereafter be erected, reconstructed, or moved upon any premises until application for a Certificate of Approval has been filed with the Township Zoning Administrator on duplicate forms provided by the Township, and the Zoning Administrator has issued such Certificate.

2. The application shall be signed by the owner of the premises or his agent, and shall certify that all provisions of this Ordinance and other applicable laws are to be complied with. The application shall be filed not less than ten (10) days prior to the intended initiation of any work on the premises, and shall be accompanied by a blueprint or pen and ink sketch to scale in duplicate showing the location and dimensions of the premises, the kind and location of the building or structure including accessory buildings or structures under consideration, and the kind and location of the sewage disposal and water supply facilities.

3. Whenever the buildings, structures and uses as set forth in the application are in conformity with the provisions of this Ordinance, the Zoning Administrator shall issue the owner a Certificate of Approval within ten (10) days of the filing thereof. Where action of the Board of Appeals is required in any case, the Zoning Administrator shall issue such Certificate within ten (10) days of such action. In any case where a Certificate is refused, the cause shall be stated in writing to the applicant.

4. Any Certificate of Approval under which no work is done within six (6) months from date of issuance shall expire by limitation, but shall be renewable upon re-application and on payment of the original fee subject, however, to the provisions of all Ordinances in effect at the time of renewal.

The Zoning Administrator shall have the power to revoke or cancel any Certificate of Approval in case of failure or neglect to comply with the provisions of this Ordinance, or in the case of false statement, misrepresentation or fraud in the application. The owner shall be notified of such revocation in writing.

6. Within five (5) days after receiving written notification of compliance with the provisions of this Ordinance, the Zoning Administrator shall inspect the premises and issue the owner a Certificate of Compliance if the building, structure and use are in conformity with the Ordinance.

7. For each Certificate of Approval the fee of one dollar (\$1.00) shall be paid to the Township Treasurer who shall place the same in a separate fund to be known as the Tawas Township Zoning Ordinance Fund, which fund shall be used solely for the administration of the Or-

LEGAL NOTICE

dinance as directed by the Township Board. No certificate shall be valid until the required fees have been paid. No separate fee shall be required for accessory buildings or structures when application therefor is made at the same time as the principal building or structure. No fee shall be required for a Certificate of Compliance.

8. It shall be the duty of all architects, contractors and other persons having charge of erection, reconstruction or movement of a building or structure, subject to the provisions of this Ordinance, before undertaking any such work, to determine that proper Certificate has been granted therefor; and all such persons performing any work in violation of the provisions of this Ordinance shall be deemed guilty of violation in the same manner and to the same extent as the owner of the premises.

ARTICLE VIII BOARD OF APPEALS

Section 8.01 CREATION

There is hereby created a Zoning Board of Appeals which shall perform its duties and exercise its powers as provided by Act 184 of the public Acts of 1945, as amended, and by the provisions of this Ordinance, and in such a way that the objectives of this Ordinance are observed, public safety, morals and general welfare secured, and substantial justice done.

Section 8.02 MEMBERSHIP

The Board of Appeals shall consist of three members as provided by Section 18 of said Act. Members of said Board shall be removable by the Township Board for non-performance of duty or misconduct in office, upon written charges filed with the Township Clerk and following a public hearing by said Board upon such charges.

ARTICLE IX PENALTIES

(a) Any building or structure which is erected, altered, maintained or used in violation of land which is begun, maintained or changed in violation of any provisions, of this ordinance is hereby declared to be a nuisance per se. Any persons, firms, corporations or other organization which violate, disobey, omit, neglects or refuses to comply with, or resists the enforcement of any provision, shall be fined upon conviction not less than twenty-five (25) dollars nor more than one hundred (100) dollars together with the costs of prosecution, or shall be punished by imprisonment in the county jail for not less than five (5) days nor more than ninety (90) days for each offense, or may be both fined and imprisoned as provided herein in the discretion of the court. Each and every day during which an illegal erection, alteration, maintenance or use continues shall be deemed a separate offense. The imposition of any sentence shall not exempt the offender from compliance with the provisions of this Ordinance.

(b) The Township Board, the Board of Appeals, the Prosecuting Attorney of the County, or any owner or owners of real estate within the Zoning District in which such building, structure or premises is situated may institute injunction, mandamus, abatement or any other appropriate action or proceedings to prevent, enjoin, abate, or remove any said unlawful erection, alteration, maintenance or use. The rights and remedies provided herein are cumulative and in addition to all other remedies provided by law.

ARTICLE X VALIDITY

This Ordinance and the various parts, sections, subsections, sentences, phrases and clauses thereof are hereby declared to be severable. If any part, sentence, paragraph, section, subsection, phrase or clause is adjudged unconstitutional or invalid, it is hereby provided that the remainder of this Ordinance shall not be affected thereby. The Township Board hereby declares that it would have passed this Ordinance and each part, section, subsection, phrase, sentence and clause thereof irrespective of the fact that any one or more parts, sentences or clauses be declared invalid.

ARTICLE XI DEFINITIONS

For the purpose of this Ordinance, certain terms used are hereby defined. When not inconsistent with the context, words used in the present tense include the future, words in the singular include the plural number and conversely. The word, "shall," is always mandatory and not merely directory.

Section 11.01 ACCESSORY BUILDING OR STRUCTURE

A supplementary building or structure on the same premises as the main building or structure occupied by or devoted exclusively to an accessory use, but such use shall not include dwelling or lodging purposes, or sleeping quarters for human beings.

Section 11.02 DWELLINGS

Any building or structure or part thereof, occupied as the home, residence or sleeping place of one or more persons, either permanently or temporarily, but not including trailer coaches, tents, cabins and similar structures.

Section 11.03 ERECTED

Includes built, constructed, reconstructed, moved upon or any physical operations on the land required for a building or structure. Excavations, fill, drainage and the like shall be considered a part of an erection.

Section 11.04 FARM

All of the unplatted, contiguous, neighboring or associated land operated as a single unit on which bona fide farming is carried on directly by the owner-operator, manager, or tenant-farmer by his own labor or with the assistance of members of his household or hired employees, PROVIDED, however, that land to be considered a farm hereunder shall include a contiguous, unplatted parcel of not less than three (3) acres in area, PROVIDED, further, that orchards, hatcheries and similar specialized agricultural enterprises may be considered as farms; but establishments keeping fur-bearing animals, game or operated as fish hatcheries, dog kennels, stone yards, slaughter houses, quarries, gravel or sand pits or the removal and sale of top soil, fertilizer works, bone

LEGAL NOTICE

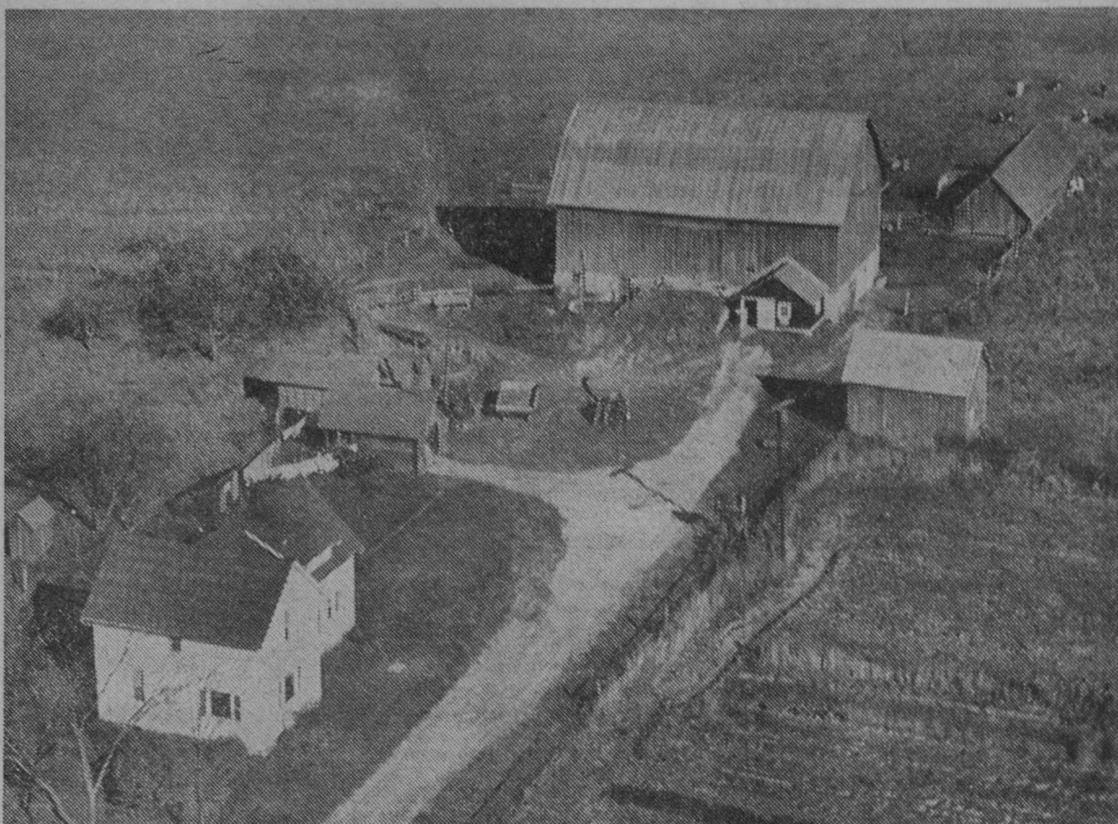

yards, piggeries, or for the reduction of animal matter or for the disposal of garbage, sewer, rubbish, junk, or offal, shall not constitute a farm hereunder.

Section 11.05 HIGHWAY

Any public thoroughfare including roads, and streets but not alleys.

Oren W. Misener

Oren W. Misener, 83, resident of East Tawas since 1881, died Wednesday, May 2, at Samaritan Hospital, Bay City. He had been a patient there the last few months and had been in poor health for the past year.

The body was taken to the Moffatt Funeral Home, East Tawas, where funeral services were held Saturday afternoon with the Rev. Ralph Edwards of East Tawas Methodist Church officiating. Burial was in Greenwood Cemetery under the auspices of Baldwin Lodge, IOOF. Pallbearers were George Herman, Clarence Froyd, Harry Hagstrom, Byron Brooks, Thomas White and Arthur Evans.

Oren Misener was born in Ontario April 24, 1873. He came to East Tawas with the family in 1881. On November 28, 1894, he married Miss Mable Falls in Oscoda. Except for a few years in Alpena, the family resided in Tawas where for many years he was employed by the Detroit and Mackinac Railway Company and at one time served with the coast guard.

He was a 50-year member of Baldwin Lodge, IOOF, and a member of the Methodist church. Surviving are three sons: Evert of Bay City, Walter and Roger of Flint; one daughter, Mrs. Joy Smith of Alpena; nine grandchildren, and three brothers, Wyatt, Joseph and Alva, all of East Tawas. His wife died in 1951.

Arthur Zink

Grave side services for Arthur Zink of Port Huron, who died Monday after a long illness, will be held Thursday (today) at 3:30 p. m. at the Tawas City Cemetery. Funeral services were held at Trinity Lutheran Church, Port Huron, this morning at 10 o'clock.

Arthur Zink was born December 14, 1899, in Tawas City, the son of Mr. and Mrs. Charles Zink. The elder Mr. Zink was employed as an engineer for the Detroit and Mackinac Railway Company for many years and Arthur served his apprenticeship with the railroad company in his youth.

On June 23, 1934, he married Miss Ruth Look, daughter of Mr. and Mrs. Otto Look of Tawas City, and moved to Durand where they made their home. In 1942 the family moved to Port Huron where he was employed by the Grand Trunk Western Railway.

Surviving are the widow; one son, Gary, his mother, Mrs. Charles Zink of Durand; two sisters, Mrs. Dorothy Anderson of Durand and Ruth of Washington, D. C. Those from here who attended funeral services at Port Huron, conducted by the Rev. Otto H. Potentz, were Mr. and Mrs. Otto Look, Mr. and Mrs. Clyde Ervil and daughter, Ann, and Miss Esther Look.

Mrs. Victor Halicki

Tawas City friends were sorry to learn of the death of Mrs. Victor Halicki, nee Sophia Green, of Detroit on May 4.

Mrs. Halicki grew to young womanhood here and went with her parents, the late Mr. and Mrs. John Green, and family to Detroit in 1917.

She is survived by four children; also four sisters, Mrs. Victoria Stepanski, Mrs. Helen Golenberge, Mrs. Cecelia Cashen, Mrs. Margaret Risky; five brothers, Hubert, Bernard, Donald, Frank and Leonard Green.

Funeral services were held at the Verheyden Funeral Home and at the St. Ambrose Church on Tuesday.

District President Speaks
At Auxiliary Meeting

Monday evening a 6:30 chicken dinner was served at the Legion Hall by the Audie Johnson Unit, American Legion Auxiliary. Tables were decorated with rose-pink flowering plants. The hostesses were Mrs. Lois Kienholz, Mrs. Carrie Swales, Mrs. LeAnn Carlson, Mrs. Dorothy Harmon, Mrs. Mary Lixey and Miss Helen Applin.

The regular meeting followed. Tenth district officers present were Mrs. Dorothy Hughes of Bay City, district president, Mrs. Harmon, district vice president, Miss Applin, district historian. Guests were Mrs. Cecelia Blum of Bay City and Mrs. Esther Bailey of Gladwin.

The district president gave an instructive talk. She was presented with a corsage from the unit. Initiation took place, the following officers giving the lectures: Mrs. Evelyn Price, Mrs. Nettie Hester, Mrs. Grace Misener, Mrs. Harmon and Mrs. Kienholz. Mrs. Carlson was sergeant-at-arms and Mrs. Celia Fernette, musician.
