# WANT THE TRUTH?

Up to 6,000 traffic-accident deaths this year won't be "accidents" at all!

Forty thousand Americans will die in traffic accidents this year, according to the present mounting rate. And nearly six thousand of those deaths will be crimes—because of driver negligence—according to the FBI!

#### HERE'S HOW YOU CAN HELP STOP THESE TRAGEDIES

- 1. Drive safely and courteously yourself. Observe speed limits and warning-signs. Where drivers are careful and obey the law, deaths go DOWN!
- 2. Insist on strict enforcement of all traffic laws! Wherever traffic laws are strictly enforced, death, go DOWN!

# Bronson Sales Presents 1957 Dodge-Plymouth Models

1957 Dodge Lancer Hardtop Five Inches Lower

THE 1957 SWEPT-WING DODGE, lower and longer, has the most exclusive styling and engineering improvements in history. Height of the two-door Lancer hardtop models like the Custom Royal Lancer shown above, has been reduced by five full inches so that the new Dodge stands barely four and a half feet high. Rear fenders sweep upward and backward to keynote the car's swept-wing styling, accenting a sport car appearance that is also a mark of the jet aircraft age.

# SWEPT-WING '57 DOQQE

How do you describe a car so daring in concept, so revolutionary in features and advances, so rewarding in beauty and performance? How do you explain its newness when everything about it is new? On display today is just such a car-the Swept-Wing '57 Dodge that steps you into the wonderful world of Autodynamics.

What is this wonderful world of Autodynamics? It is a world where everything is new from road to roof to achieve absolute mastery of motion.

Here's what it does in the Swept-Wing Dodge:

- It unleashes a hurricane of power from a thundering new aircraft-type Super Red Ram V-8 engine that's a spitfire in action!
- It tames a tornado of torque with a new TorqueFlite Push-Button Drive for the greatest get-away on the road!
- It breaks through the vibration barrier with a revolutionary new rubber-mounted suspension system-Dodge Torsion-Airethat features race car torsion-bars. You ride in a "Realm of Silence," isolated from vibration, noise and road shock.
- It is swept-wing mastery of motion in a sleek, low-slung beauty barely 41/2 feet high that has no equal in the way it corners, handles and rides.

You have never seen, felt or owned any car that compared with this new Swept-Wing Dodge. See and drive it today . . . now at your Dodge dealer's!

"Being this far from home really
makes you appreciate the privilege
of voting in our national election.
Seeing some of the bombing ruins
still remaining here and some of
the restrictions imposed on
Europeans really impresses on us
the true meaning of the liberty
and freedom we Americans take
for granted, and especially the
privilege of voting.

"Thank you for sending our ballots and making it possible for
us to vote in the Tawas City election, just as we would if we were
bore."
