Hale Couple Now Face First Degree Murder Charge

First degree murder charges were lodged Monday against Jossie and Jack Ellis of Hale in the September 30 gun shot slaying of Buster L. Shellenbarger of Allen Park. Both were arraigned before Justice A. J. Goulet of East Tawas and were returned to their separate cells at the Iosco County Jail where they are being held without bond.

Iosco County Prosecuting Attorney William R. Barber said Tuesday that the lesser charges of manslaughter against Mrs. Ellis and felonious assault against her husband were dismissed and both were charged on the same warrant Tuesday for murder in the first degree.

The prosecuting attorney said this change came about as the result of further investigation of the case and re-questioning of witnesses by investigating officers.

Preliminary examination has been set for October 23.

According to statements taken

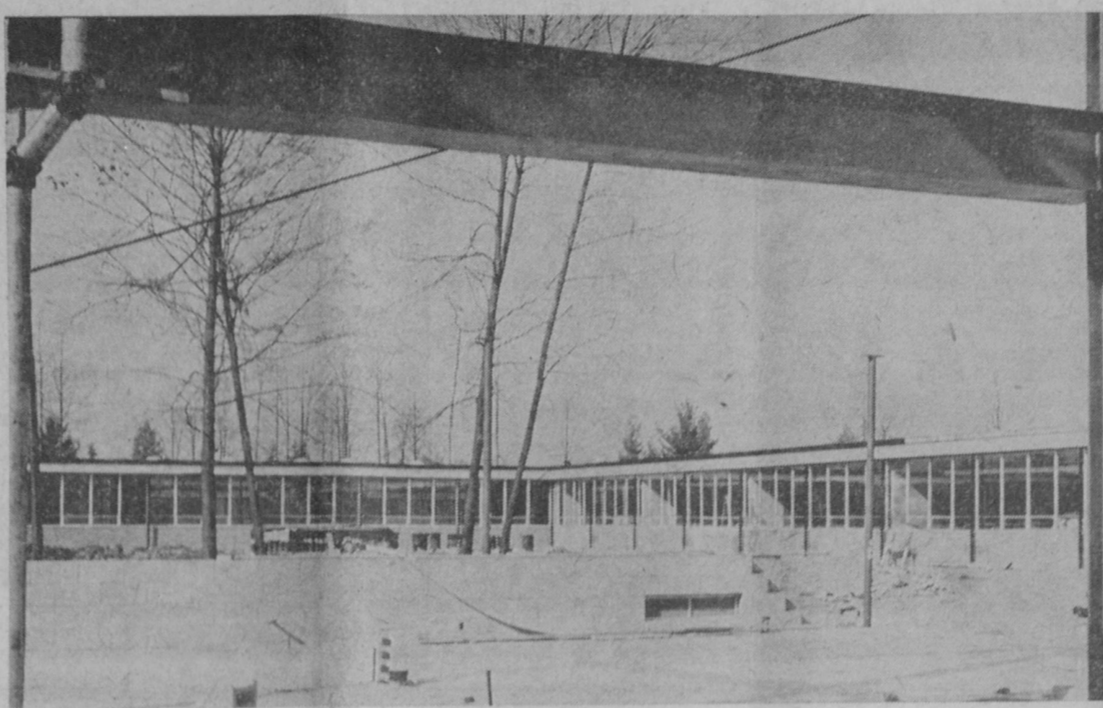

by police from a witness, Alvin Whitehouse, a townswoman shooting, Mrs. Ellis fired the shot gun blast which fatally wounded Shellenbarger.

The shooting took place in a small cabin owned by Mr. and Mrs. Ellis, located three miles west and a half-mile north of Hale, after what was described by police as a drinking party.

Assisting the prosecuting attorney in preparing the case against the Ellises is Irving B. Beattie, assistant state attorney general. Attorneys for Mr. and Mrs. Ellis are Bartholomew and Colombo, a Detroit law firm.

The Ellises' three children, Joyce, 14; Wayne, 11, and William, seven, all witnesses to the tragedy, were taken to Alabama where they are living with relatives.

The shooting victim was the son of Mr. and Mrs. Jess Shellenbarger of Hale. Shellenbarger's widow and three children are living in Allen Park.

CONTRACTORS ARE RUSHING construction of the new Tawas Area Junior and Senior High School in an effort to have the building enclosed before the end of favorable weather. Shown above is the west classroom wing which is nearing completion. Framing the structure are steel beams which will support the roof of the auditorium. Additional steel arrived this week. Last night (Wednesday) the board of education met with Davison-Rose Builders, Incorporated, general contractors, and Northern Plumbing, plumbing contractor, to discuss building plans. A representative of H. E. Byster Associates, architects of the new school, also attended the meeting.—Tawas Herald Photo.

Gould Elected President East Michigan Tourist Association

Harold L. Gould, East Tawas druggist, well known throughout Northern Michigan as a sportsman and civic leader, was elected president of the East Michigan Tourist Association during the 46th annual convention at Bay City last Thursday.

Succeeding James V. Murphy, vice president and general traffic manager for Great Lakes Greyhound Lines, Gould received the shield symbolic of the presidency from the outgoing president at a banquet at the Wenonah Hotel attended by more than 300 members and guests.

Gould is a past president of the Tawas Chamber of Commerce, Tawas Area Board of Education, Tawas Kiwanis Club, Silver Valley

Winter Sports Committee and the East Michigan Winter Sports Council.

He is the second East Tawas man to become EMTA president. The late Herman N. Butler held the post in 1934.

EMTA in resolutions went on record in support of the Michigan Tourist Council's request to the legislature for a \$575,000 appropriation in furthering promotional efforts in face of rising costs and other states' competition; for other requested legislation appropriations for state park expansion and new facilities; and a movement to mark historical sites.

Frank Davis, secretary-manager of EMTA, stressed in his annual report that even though tourist

business this year dipped five or six percent because of unfavorable weather, association revenue gained. Membership gain was 200. The funds spent totaled \$100,000, half in direct advertising. He advised the association oppose the proposed increase in non-resident hunting license fee, asked for by the state conservation department, which will come before the state legislature in the next session.

Among guests were Robert T. Furlong, executive secretary, Michigan Tourist Council; Congressman Elford A. Cederberg of Bay City; Senator Lynn O. Francis of Midland; Senator Frank Andres of Hillman and Representative Walter Nakkula of Gladwin.

Farmer Jailed For Shooting at Two Youths

A Tawas Township farmer pleaded guilty to reckless use of firearms and was fined \$92 plus costs and sentenced to 15 days in the county jail on arraignment in justice court last Saturday.

Otto Berg of Route 1, Tawas City, was arrested Saturday by Michigan State Police. He was charged with shooting at two youths who had stopped their car near his farm house and moved several bales of his hay into the road Friday night.

One of the youths, Lloyd Stitcheck of Ferndale, 19, was struck by several of the pellets and required treatment at Tawas Hospital. Police said that 29 pellets had struck the car.

The other youth, James A. Smith, 19, of Alabaster was arraigned in justice court for obstructing a roadway and paid a fine of \$25 and \$30 costs. Police said that Stitcheck had been in the area but would be arrested upon his return on the same charges.

TAWAS CITY MAN ESCAPES INJURY IN FIRE FRIDAY

A 22-year-old Tawas City man, Charles Bergquist, escaped burns early last Friday morning when the mattress on his basement apartment bed caught fire. A roomer in the Capitola McCormick home on Lake Street, Bergquist was found sleeping on the smoldering mattress.

After smelling smoke in the upstairs part of her home, Mrs. McCormick went down to the basement and found Bergquist's door locked from the inside. She broke the lock and entered the room, filled the room and found the man asleep. The fire was extinguished by Mrs. McCormick and another roomer with a few pails of water.

The Tawas City Fire Department was called but in relaying the message to the department the wrong name was given. Several minutes were lost trying to locate the house number.

Miss Helen Applin and Mrs. Dorothy Harmon returned Sunday evening from Benton Harbor and St. Joseph where they attended the fall conference meetings of the American Legion and Auxiliary.

Mrs. Rollin Receives State Elementary Certificate

Among 126 students representing 43 counties in Michigan and the States of Illinois, Ohio and California, who received degrees and certificates at Central Michigan College October 1, was Mrs. Hildur H. Rollin of Tawas City.

The wife of county school superintendent, Russell A. Rollin, Mrs. Rollin, received her state elementary permanent certificate.

The granting of October degrees and certificates was established by the state board of education mainly to aid in the certification of teachers who became eligible after the regular summer session through off-campus classes.

State Inspector Finds Iosco Jail in 'Excellent Condition'

Reporting on his recent inspection of the Iosco County Jail W. H. Nestle, state jail inspector, said he was pleased to report that he found the jail in excellent condition. "Sheriff O'Farrell is doing an outstanding job in the overall supervision of this modern jail and has a very complete set of records."

"We are quite proud of Mr. Nestle's report after one year of operation," Sheriff O'Farrell stated. "It is some job to keep a large institution like this clean and operating with what help we have. We rely on trusty labor to help see that this building is kept clean."

Plans Being Made for Halloween Party Oct. 31

Plans are being made for the community Halloween party to be held October 31 at the Tawas Area School gymnasium, Tawas City. The party is being sponsored by the Twentieth Century Club and Tawas City businessmen.

Whittemore Plans Halloween Party

The Whittemore Chamber of Commerce held its second meeting of the fall at the Whittemore Methodist Parish House, Tuesday evening, October 16.

Plans were completed for the Halloween party to be held at the community building, through the joint sponsorship of the Whittemore Afa School and the chamber of commerce, on Wednesday evening, October 31.

Tentative plans are for a party for the children from pre-school age through the seventh grade, from 7:00 p. m. to 8:30 p. m., and a party for the young people from the eighth through the 12th grades from 9:00 to 11:00 p. m.

Initial planning and appointment of committees for the sixth annual Buck Derby was in the order of business at this meeting.

Gene Burnside gave a short talk on his stay at Boys State this summer. While there Gene was a member of the Boys State Band and attended government and legislative classes.

Adult Education---

First class in beginning typing was held Tuesday evening with other classes scheduled to start next week in the adult education program at Tawas Area School.

Driver training will begin Tuesday evening at 7 o'clock in room 13 of the East Tawas union. Arts and crafts class will begin on the same evening at 7:30 p. m. in the shop. There is still room for a few more in each class, so if anyone is interested and has not yet enrolled, plan to attend the first meeting next week.

Librarians to Confer Here This Saturday

Iosco-Arenac Regional Library will be host to the teacher-librarian conference sponsored by the school and children's section of the Michigan Library Association on October 20.

The conference is the annual meeting for teacher-librarians in Northern Michigan.

Mrs. Lurissa Forsten, Oscoda High School librarian; Mrs. Laurie Brown, Harbor Springs High School librarian; Herman Henckow, Rogers City High School librarian; and Miss Hazel Brown, chairman of the school and children's section of the Michigan Library Association, compose the planning committee.

The program will start with a dinner at the Barnes Hotel at 7:00 p. m., Friday, October 19. A "kaffee klatsch" will be held at the home of Mrs. Forsten at 9 o'clock.

Registration will take place Saturday morning at 9 o'clock at Iosco-Arenac Regional Library Headquarters in the county building.

The meeting will be called to order at 9:30 o'clock and Miss Leonora Hass, director of the regional library, will give the welcome. A report of the membership committee will be given by Mrs. Annette White.

At 10 o'clock a work shop on reference materials will be conducted by Miss Eugenie Schmitz and Miss Norma Jones, Creston High School, Grand Rapids. A report on new books will be presented by Miss Elinor Yongmeyer, school library consultant, Michigan State Library. Exhibits will be viewed at 11:30.

After luncheon at the Barnes Hotel, a business meeting will be held at 2:00 p. m., conducted by Miss Brown, chairman, school and children's section, Michigan Library Association.

A talk, "Periodicals in the High School Library," will be given at 2:30 by Miss Margaret Robinson, Eastern College, Ypsilanti.

"The High School Library as a Materials Center" will be given by Miss Brown at 3:00, and evaluation of conferences at 3:15 by Laura Long, chairman-elect, school and children's section, MLA, will conclude the conference.

County Budget Set at \$161,404 by Iosco Supervisors

At the six-day session of the Iosco County Board of Supervisors which ended Tuesday, a budget of \$161,404 was set up for county and departmental operation expense.

The October meeting is required by statute for the purpose of preparing the county budget, making appropriations and apportioning county taxes to the tax rolls of the several cities and townships of the county.

County officers were given substantial increases in their salaries at this meeting of the board. Increases of \$500 a year were given to the county clerk, county treasurer, register of deeds and sheriff.

The prosecuting attorney's salary was increased from \$2,700 a year to \$3,700.

Among the special appropriations made by the board were: Iosco County Fair, \$500; Silver Valley, \$300; East Michigan Tourist Association, \$500.

The board voted to lease and take over Old Orchard Park from the Consumers Power Company for a consideration of \$1 per year to the company. This popular park was established by the Consumers Power Company and has been in operation for many years.

An appropriation of \$2,750 was made to the Iosco County Airport site and construction fund. This is an effort to match state and federal money now available for purchasing land and enlarging the present airport.

The board authorized County Treasurer Grace Miller to invest \$28,000 of the courthouse and jail bond reserve money in United States bonds.

Following a report of Miss Edna Otis on the progress of the proposed Iosco County Centennial Celebration, Chairman Clarence Everett appointed a committee of seven members to work with the centennial committee of which Miss Otis is chairman. The members appointed were: Theodore Bellville, Lew Rodman, Glenn Long, Edward Burgess, Blaine C. Christeson, William White and George Prescott.

The board re-elected Harold Black member of the Iosco County Road Commission and William Curtis, member of the Iosco County Welfare Board. Mr. Everett, Mr. Black and P. N. Thornton were renamed members of the board of county canvassers.

Discuss Better Traffic Control for School Buses

The Tawas Area P.T.A. at its meeting Monday night at Alabaster School, passed a recommendation presented by the legislative committee for control of traffic in relation to the school buses.

A recommendation pertaining to laws regarding traffic approaching school buses was passed by the P.T.A. Mrs. Reginald Barnett presented the proposal to investigate the particulars of municipal laws governing the control of traffic in relation to school buses.

The legislative committee, Charles Nash, Russell Rollin, Mrs. Barnett and Mrs. Emma Sloan, gave detailed reports of past legislation affecting schools and proposed bills. The driver education program was presented by Richard Stook.

Superintendent R. E. Mick explained the act which provided Monday as the legal holiday when a holiday falls on Sunday.

The Michigan Public Act dealing with school aid was presented by Mr. Rollin. Mrs. Sloan presented the proposed act of legislation which will provide children entering kindergarten must be five years old by the first of September.

She gave definite proof that this act will be a help to eliminate confusion and frustration among children.

Mrs. George Shaw received the gift subscription to the National Parent-Teacher Association Magazine.

Plans for a square dance on November 19 at the community building were made.

A social hour was under the direction of Mrs. Steinhilber, Mrs. Deering and the room mothers of Mrs. Rollin's room at Alabaster.

Braves Drop No. 5 in Row to Standish

Rebounding from their 19-6 loss at the hand of Gladwin a week ago, the Standish Golden Arrows rolled up a total of 358 yards last Friday afternoon to swamp the Tawas Area Braves, 33-0.

The game was played at the East Tawas athletic field before a large crowd of spectators who were on hand to watch the only day game on Tawas Area's schedule this season.

With only three games remaining on the 1956 football schedule, the Braves will go against West Branch Friday night at the Ogemaw County school's home field. The Tawas JVs will meet the West

Branch JV squad here Friday afternoon.

Playing without the full-time services of their backfield star, Dick Treichel, the Arrows scored once in each of the first three quarters and twice in the final stanza.

Shutout by the opposition for the last three games, the Braves looked like a sure bet to score early in the first quarter Friday afternoon. After recovering a Standish fumble after the kickoff, the Braves racked up two first downs and moved the ball to the Standish 10-yard line. A fumble on the next play saw the Arrows take over possession of the oval and ended any scoring threat by Tawas.

From their own 10-yard line, the Arrows ran six first downs through the Tawas line to their first touchdown and a lead which they never relinquished during the rest of the game. Schmidt went over for the TD and the extra point was missed.

The fourth quarter found Standish scoring two more touchdowns, one by Potts and the other by Treichel, who saw only limited service during the game. Both conversions were completed.

The colorful program at half-time featured precision marching by both the Tawas Area High School Band and Standish High School Band.

Lucky You!—If You Crossed US-23 Lately

Just plain luck the experts would call it—and they would be right. Somehow good fortune has carried us through the summer months when tourist travel was at its peak and our scenic highway did not become the scene of a serious traffic accident.

The national accident rate indicates that 40,000 traffic deaths will inflict suffering and strife upon many families throughout the United States in 1956. In view of this fact and with the busy-hunting season and dangerous winter driving conditions ahead, what lies in store for pedestrians and motorists, alike? How long will our "luck" hold out?

Speed is pointed out as one of the chief causes of accidents. Local efforts to curb speed have produced baseless criticism that the Tawas have become a speed trap.

...something by or in which one is unsuspectingly caught, injured, led astray, discovered in lawbreaking, or the like? is Webster's definition of a trap. How could one be unsuspectingly caught in a speed trap when speed limits are posted at frequent intervals for all to see? How could the enforcement of these speed limits, intended to protect the safety of both motorists and pedestrians, bring "injury" to violators? Certainly a friendly warning, or even the issuing of a ticket requiring a fine of a few dollars, would be welcomed by all violators if they could foresee the pain, suffering and hardships—often the result of speed—awaiting them down the road.

The state highway department's installation of two blinker-caution lights within the Tawas City limits has contributed little toward a solution to the traffic problem. Motorists attempting to turn onto US-23 at Mathews Street find the uncontrolled barrage of horsepower with miles of open highway behind it as difficult to intercept as does the pedestrian attempting to cross US-23 in the heart of the business district.

The Tawas City Council has been unsuccessful in securing a stop-traffic light at the Mathews Street intersection. One can readily see that the installation of a stop-traffic light, replacing the present blinker-caution light at this point, would be very beneficial.

To further aid in this problem which is growing more acute each year, the replacing of the blinker-caution light at the M-55, US-23 intersection with a stop-traffic light should also be strongly considered.

In this election year with candidates proposing the spending of billions of dollars for highway expansion, conservation, health insurance, welfare and countless other programs whose purposes are to improve the living conditions of residents of the state and nation, seems the ideal time for you, Mr. Taxpayer, to join the Tawas City councilmen in bringing this traffic problem and its simple solution to the attention of your candidates for offices in state government and the state highway department.

By failing to recognize the seriousness of the traffic problem and working toward its solution, we are inviting tragedy into our community. Where will it strike? Is the welcome mat out at your house?

Your Name in the Paper

How valuable is local advertising to local business? Here's what the American Bankers magazine, a publication which represents a traditionally hard-headed profession, has to say:

"No businessman or woman in any town should allow a newspaper to go to press without his or her name and business being mentioned somewhere in its columns. This does not mean you should have a whole, half or even a quarter page advertisement in each issue of the paper, but your name and address should be mentioned if you do not use more than a two line space.

"A stranger picking up a newspaper should be able to tell what business is represented in a town... it's the best possible town advertiser. The man or woman who does not advertise does an injustice to himself or herself and definitely to the town." —Editorial reprint from Lapeer County Press.

CHRISTIAN SCIENCE—Mankind's need for spiritual growth and progress will be stressed at Christian Science services this Sunday.

Readings from King James Version of the Bible and "Science and Health with Key to the Scriptures" by Mary Baker Eddy, will comprise the lesson-sermon entitled "Probation After Death."

Scriptural passages will include the following from Psalms (37:37): "Mark the perfect man, and behold the upright; for the end of that man is peace."

Among the selections to be read from Science and Health is the following (291:12-13): "Universal salvation rests on progression and probation, and is unattainable without them."

The Golden Text is from John (5:25): "The hour is coming, and now is, when the dead shall hear the voice of the Son of God; and they that hear shall live."

There is a difference between the man who thinks he is a big shot and the man who is a big shot.

Purchase Rams from University's Ram Truck

Henry Fahselt, Martin Mroek, George Lake and Lee Dunlop purchased purebred rams at West Branch from Michigan State University's ram truck recently.

Isosco County sheep raisers including Henry Fahselt, George Lake, Harold Black and others sold lambs. Here are the prices paid: Prime lambs, \$21.50 per hundred weight; choice lambs, \$20 per hundred weight; good lambs, \$18 per hundred weight; utility lambs, \$16 per hundred weight.

Most shippers to the "pool" have learned to add the \$1 to \$1.25 additional for the shrink saved by not shipping a long distance. The grader and buyer commended the "lamb pool" consignors on the good quality of lambs being sold.

Farm Events

CALENDAR

Thursday, October 18—North-eastern Hereford Calf Association sale at West Branch.

Sheep can make you money. That is Harold Henneman's word to farmers. Henneman, an animal husbandry specialist at Michigan State University, backs up this statement with facts.

Tests have been conducted at a Wisconsin station for the past 10 years using commercial ewes cared for by recommended management practices. During that 10-year period, the average gross return per ewe has been \$39. The labor return, after all expenses have been deducted, averaged \$20 per ewe, per year.

If you are interested in starting a sheep flock, or in expanding your present flock, now is the time. There are more ewes available now at reasonable prices than at any other time of the year.

There is only a limited number of native ewes available, and for that reason, many sheep enterprises have been started by purchasing western ewes. These ewes are imported into the state by individuals and marketing agencies and you can buy from one to several hundred.

The western ewes are longer legged and more anular sheep than the mutton type natives, which carry some fine wool breeding. They make good milking mothers and shear well. However, they will not have as many twin lambs and their lambs lack some mutton quality.

Yearling ewes will be available at about \$25 per head, according to Henneman. Solid mouth ewes will be more plentiful than the two and three-year-olds. Gummer ewes are the cheapest, but are good for one lamb crop, and they need more care than younger animals.

If you need help in locating some ewes, let us hear from you.

Weather conditions in Michigan this past summer have brought about the definite possibility of a great deal of soft corn this year.

George Branaman, animal husbandry specialist at Michigan State University, says that livestock will use soft corn almost as well as dry corn. You should remember, however, that they will eat from 10 to 30 percent more feed if the corn is dry. Soft corn contains much more water than the dry corn.

Cattle are no problem when it comes to feeding soft corn. All you have to do is put it up in

silage. You may run into trouble finding silo space, though. Branaman suggests that another good way to store the crop is to put up ear corn silage. To do this, merely remove or cover the husking rolls on your picker and then use a cutter and blower to put the unhusked ears into the silo. The cows will not eat much roughage with this ration, and should get protein supplement.

Sheep and hogs are not as well adapted to utilizing the soft corn as are cattle. Sheep, in particular, present problems. Branaman says to turn your fattening lambs into the field where the corn is standing. They will need to be confined and you may have to cut some down, or otherwise entice them to try it.

Once they do start to eat it, have hay or green pasture available so they can alternate between the two feeds.

When it comes to hogs, just open the gate and get out of the way. The hogs will take right to the corn, but they should also have some good legume pasture and protein supplement.

Minerals for laying hens are just as important as corn and protein.

Philip Schabile, poultry nutritionist at Michigan State University, says in fact, the addition of minerals in a poultry ration makes up for the small amounts of calcium found in grains and plant proteins; such as, soybean and cottonseed oil meal.

Hens with no minerals at all soon die. Some 13 minerals, known and unknown, are necessary to produce bones and muscles, to reduce and release energy. They are especially important for bone and egg shell formation. Minerals of particular concern in formulating poultry rations are calcium, phosphorus, salt, iodine and manganese.

Shabile says that many poultrymen used iodized salt at the rate of one-half to one percent of the total ration. The calcium can easily be supplied in the form of oyster shell, defluorinated phosphate or bonemeal. Manganese may be added as a trace mineral. Hens laying eggs at a high rate eat greater amounts of oyster shells than hens not laying. However, feeding large amounts of oyster shells will not guarantee a high egg production.

As a side dish, provide grit. Most grit is not consumed by the hen's body, but it does aid digestion.

Trees, for the most part, are both beautiful and useful additions to our landscape. They furnish shade for our comfort in summer, protection from wind and snow in winter, and valuable timber for many uses.

Nevertheless, trees can be a nuisance at times. Their roots can heave and crack foundations and tile drains or they sometimes

clog ditches and fence rows. In such cases, you may want to get rid of the offending trees.

Lester Bell, extension forestry specialist at Michigan State University, says that there are two methods of applying chemicals to trees to get the most effective tree kills. The first is basal stem spraying and the second is the frill treatment. In both cases the spray material is the same—the ester forms of 2,4-D and 2,4,5-T. For most farm and home uses, a combination of these two chemicals sold commercially by various companies as "brush killer" is very effective.

For smaller trees, this spray can be simply applied around the base of the tree. Spray all around the base from the ground level to a height of about two feet. Put on enough solution to wet the bark thoroughly to the point of runoff. This is known as basal stem spraying.

The frill cut method is used for larger trees. It consists of making a single line of overlapping downward axe cuts, leaving a frill-cut or notch through the bark and cambium, encircling the tree.

These recommended sprays are available locally.

Farmers do not have to contend with that pesky yellow rocket in alfalfa and clover any longer. MCP applied after killing frosts, will kill the yellow rocket without damage to the dormant legumes.

Yellow rocket is a yellow-flowering perennial weed that has spread over large areas of Lower Michigan. It usually appears in legume hay fields but is often found in grain.

Boyd Churchill, crops specialist at Michigan State University, says the fall application is recommended for use on old plantings of alfalfa or on new or established

stands of red clover. The chemical should not be used on new seedings of alfalfa.

The recommended application is one-half pound of MCP acid equivalent as amine salt per acre. Weeds should be given a good spray coverage.

At least 40 gallons of spray should be applied to dense growth or as little as 20 to 25 gallons will cover areas which have been grazed short. Applications should be repeated annually for a time to kill new seedlings.

Home Demonstration Group Holds First Meeting

The Whittemore Home Demonstration Group held its first meeting of the season at the home of Mrs. Dornace Bellville on Tuesday afternoon.

Chairman, Mrs. John Earhart, presided over the business meeting. Plans for the annual rally day which will be held at Glennie on October 19 were discussed. Anyone wishing to go to this day session should contact Mrs. August Miller or Mrs. Merrill Burnside.

Election of officers was held. Mrs. Burnside will act as chairman for the coming year. Other officers

will include: Vice chairman, Mrs. Robert Dahne; secretary-treasurer and reporter, Mrs. Bellville; recreation leader, Mrs. Ferris Finerty; project leaders, Mrs. Stanley Partlo and Mrs. Burnside, and council member, Mrs. Theodore Bellville.

A special meeting will be held at the home of Mrs. Earhart on October 29 at 8:00 p. m. The club members will display the things they made at the Hardwood Lake camp in the summer. Anyone in the community interested in learning more about home demonstration work is cordially invited to attend.

A dainty lunch was served at the close of the meeting.

Whittemore News

Whittemore Host to 100 Members of State Junior Clubs at Convention October 6

One hundred club members attended the State Convention of Junior Clubs in Whittemore on Saturday, October 6. The morning session began with registration and coffee hour in the community building at 9 o'clock.

Mrs. Edgar Hanson Jr., director of Junior Clubs, called the meeting to order. Miss Mae Miller, president of the Whittemore club, led the assembly in the Pledge of Allegiance followed by the invocation given by Mrs. Harriet Fortune, chairman of the convention.

Mrs. Hanson gave the welcome to the members of the convention. Roll call and minutes were read by Mrs. Ethel Uptegrove of Port Austin. Mrs. Betty Williams of Flint gave the financial report of the year.

The district junior chairman of Detroit spoke for the southeast district, Mrs. C. R. Slack and Mrs. Harriet Fortune spoke for the northeastern district. Junior extension was given by Mrs. Harriet Fortune of Clio who asked for help in starting new Junior Clubs in Michigan.

Meeting was then adjourned for lunch which was served at the Methodist Parish House with members of the Junior Club of Whittemore as the hostesses.

During the lunch hour a program of local talent consisting of a song by Sue Fortune, accompanied by Mrs. G. Youngberg at the piano, a skit by five members of the Whittemore Junior Club entitled "Little Nell," and a song by Ila St. James, accompanied by Diann Heierman at the piano. Mrs. Hanson then introduced guests and presented Miss Helen Harris with a gift.

The meeting was resumed at the community building at 2:00 p. m. with Chairman Hanson presiding. The Junior Pledge was led by Mrs. Hanson with the assembly assisting, followed by a report of the department chairman.

The awards were then presented for the best scrapbooks in the scrapbook contest, as follows: The Saginaw Reading Club, Clio Junior Club and the Redford Junior Women's Club.

Reports of various committees were given and the club collect was given by the assembly. The parliamentary workshop was presented by Mrs. Edna Brown. She was assisted by Mrs. Kay Benish and Mrs. Kay Buckley.

Miss Miller, president of the Junior Club of Whittemore, is to be commended on a fine job in arranging this convention to be the first state convention to be held in Whittemore. Miss Miller was assisted by the following committees:

LETTERS to the EDITOR

Dear Editor,

I wish to thank you, Elwood Bronson, Superintendent Reynold Mick and the parents for their efforts and interest in making it possible for a large number of students and townspeople to look at the moon through the telescope. We had some adverse weather conditions on Thursday but otherwise we got by very nicely. In the subject of astronomy, one learns the virtue of patience. It has been very nice seeing so many of you folks and I have enjoyed my sojourn among you.

Sincerely,
William Dickman, FRAS,

SENIOR CLASS TO PRESENT ANNUAL HUNTER'S SUPPER

The senior class of Hale Area school plans to have its annual hunter's supper Friday evening, November 15, in the Hale gymnasium at 8 o'clock. This year marks a change in the usual senior policy, which normally includes the junior class as assistants. By taking over the supper on a seniors only basis, the class hopes to exceed the profits gained by its predecessors in other years.

The senior class officers this year are: Advisor, Mrs. Lorraine Knasel; president, Warren Dorcey; vice president, Adam Koledjeski; secretary, Bruce Putnam; treasurer, Carol Buck; student council members, Sandra Hewitt and Dale Malcho.

Top salesmen were Bruce Putnam, Gay Putnam, Jerry Barnes, Robert Smith and William Hall. These boys will receive the official FFA jacket.

Starting in November the FFA chapter will be showing a film each week as noon hour recreation. They have not yet decided on an admission fee, but the proceeds will go to the FFA department.

The FFA members are planning to build a weed sprayer for use this coming year.

ENROLLMENT NOW 437 AT HALE AREA SCHOOL

Official enrollment at the Hale Area School this semester is 206 for grades seven through 12 and 231 for the kindergarten through the sixth grade. With a total of 437, this is 28 more than were enrolled last year at this time.

HIGH SCHOOL STUDENTS TO SUPERVISE KINDERGARTEN

Schedule improvements brought about by having high school students supervise the kindergarten class during fifth, sixth and seventh years was reported to the Hale Area board of education by Carl Bergstrom, principal, at the regular meeting October 8.

During the hours supervised by the students, Mrs. Elizabeth Lackie, kindergarten teacher, will assist in teaching seventh grade mathematics.

Improvements include the elimination of two study hall assignments for teachers, the division of a large eighth grade English class in two sections and better schedules of other junior high classes.

Girls appointed to supervise the kindergarten class are: Fifth hour, Laurelee Heilman and Frances Abbinante; sixth hour, Elsie Liebelt and Mildred Beach; seventh hour, Sharron Brindley and Jo Snide.

CHEERLEADER TRYOUTS HELD THURSDAY

Tryouts for cheerleaders were held Thursday afternoon, October 4, with the student council acting as judges. Everyone who tried was given permission to cheer at the games. The student council, however, maintains the right to withdraw anyone who seems uninterested or who misses a game without a good reason.

This year's cheerleaders are: Junior high, Margo Neff and Ginger Gee; junior varsity, Arlene Koledjeski, Vicki Peters, Nancy Manwell, Sharron Crenshaw; senior varsity, Sandra Hewitt, Ginger Wilson, Pat Deacon, Linda Holzheuer, Faye Huber, Bonnie Clayton and Carol Buck.

MAGAZINE SALES TOTAL \$102 BY FFA MEMBERS

In the past week and a half the Future Farmers of America of Hale Area School have been selling Farm Journal magazines. Their total sales amounted to \$102. From these sales the FFA department will receive \$64 in FFA merchandise.

Roscommon	2	3	0
Beaverton	0	5	0
Tawas Area	0	5	0
Sterling	0	5	0

Games this week:
 Houghton Lake at Arenac Eastern; Tawas Area at West Branch; Sterling at Beaverton; Pinconning at Standish; Roscommon at Gladwin.

By Earl Haight

Pinconning emerged as the sole occupant in the Northeastern Conference football race by dumping Beaverton 32-6 as Gladwin and Houghton Lake were battling to a 6-6 tie. In other league games, Standish ran over Tawas Area, 33-0; West Branch blanked Sterling, 21-0, and Roscommon dropped Arenac Eastern, 20-0.

The Spartans of Pinconning made short work of their job in defeating Beaverton when they rushed across two touchdowns in the first period and added one in the third stanza and two more in the final quarter. Beaverton, meanwhile, failed to hit paydirt until the final quarter, when they picked up their sole TD.

Five different players crossed the goal line for the winners. Mike Wieland hit Roy Warren, right end, from his quarterback post for the first score in the opening quarter. The pass was good for 40 yards and the entire play covered 62 yards. Wieland added the extra point on a kick from placement. Wieland picked up the second touchdown of the quarter on a sneak through the middle from two yards out. That ended the scoring for the first half and Pinconning held a 13-0 lead at the intermission.

The Spartans added six more points in the third period on Bob Druin's drive off tackle from close to the goal line. Mickey Jewell, Piny fullback, made it 25-0 on a four yard drive into the end zone with Jerry King, guard, kicking the extra point. Larry Sape, halfback, finished the scoring for the night on a five-yard plunge. Bill Broka, halfback of the losers, saved his team from a shutout, by scoring on a quick opener from the four-yard line against Piny's reserves.

Houghton Lake and Gladwin battled through a scoreless first half, saw six points racked up by the Lakers in the third period and saw the score tied by the Flying G's in the fourth stanza, with the game ending in a knot.

The Bobcats had a break in the third quarter when they recovered a fumbled punt on their own 28. After working the ball downfield to the Gladwin 30, Phil Kemp, halfback, went the distance around end. The conversion failed and Houghton Lake held its 6-0 lead until the middle of the last quarter.

In the fourth period, after a sustained march upfield, Bob Switzer went through the middle on a quarterback sneak, a distance of one yard. Ken Heath's placement was good for the extra point, but Gladwin was offside on the kick and the second try failed, to leave the contest tied up and Houghton Lake pushed out of a tie for first place in the conference standings.

After a scoreless first period, West Branch went on to score single counters in each of the other three periods. Cooper, Benjamin and Oakes scored the touchdowns for the Orioles while Jim

Benjamin scored all three conversions on line plunges.

Doug Cooper, winners' quarterback, scored the first TD from two yards out in the second quarter. Leo Oakes went three yards from his halfback position for the second six pointer after the intermission while Benjamin counted the third in the final period on a two-yard plunge off tackle.

Roscommon notched its second win of the year in defeating Eastern, although outclassed in first downs, 11-6, by the visitors. The first half was scoreless, although Roscommon had one touchdown called back, a 79-yard run by Wayne Stockton, Buck halfback. The winners scored in the third period when Stockton went 13 yards on a pitchout and Dale Mead kicked the extra point. The score was set up when Eastern fumbled the kickoff when an attempted lateral went astray and was recovered by Roscommon.

Stockton scored again in the fourth period on a 23-yard dash around left end and Jim Granlund, quarterback, added the last TD when he went three yards on a keeper. Mead missed his second conversion, but connected on his last attempt.

TV Set to be Given Away as Door Prize Saturday Evening

The 1957 Chevrolets go on display at the McKay Sales Company salesrooms in Tawas City Friday, October 19. In making the announcement, L. G. McKay Jr. said earlier this week that a portable television set will be given away free as a door prize and free coffee and doughnuts will be served to visitors.

To be eligible to receive the television set, participants must be 21 years of age or older. Winner will be determined Saturday night at 8 o'clock.

The widest selection in history marks the 1957 passenger car line which Chevrolet dealers show to the public for the first time this week. The local dealer plans to have at least six cars and a pick-up truck on display.

The Chevrolet Motor Division announced this week that fuel injection will be introduced on the Corvette engine, a lively new V8 of 283-horsepower that is to be available as an option throughout the line of Chevrolet passenger cars. Also unveiled for the first time is the new transmission, known as the Turboglide.

Fuel injection, a long-time objective of American automotive engineers in their quest for ideal flexibility in performance, replaces the customary carburetor. Because of quicker power response and faster warm-up, it is expected to gain almost universal adoption within a few years. The company also makes available the gas-saving overdrive and a close ratio manual transmission that assures lightning down-and-up-shifts. In all, 22 power trains are available.

The Turboglide transmission is a Chevrolet exclusive. It carries the principle of torque conversion first introduced in Chevrolet's Powerglide in 1950, to a new peak in efficiency. The triple turbine, with infinitely variable ratio characteristics, produces an uninterrupted driving force at all speeds. There is no feeling of "shift."

In-eye-appeal the 1957 Chevrolets differ strikingly from 1956 models. While two and one-half inches have been added to overall lengths, the horizontal sweep of new styling motifs gives the impression that the car is even longer than its 200 inches. All bodies are lower, with a reduction of an inch and a half in height of the cowl and substantially increased windshield areas.

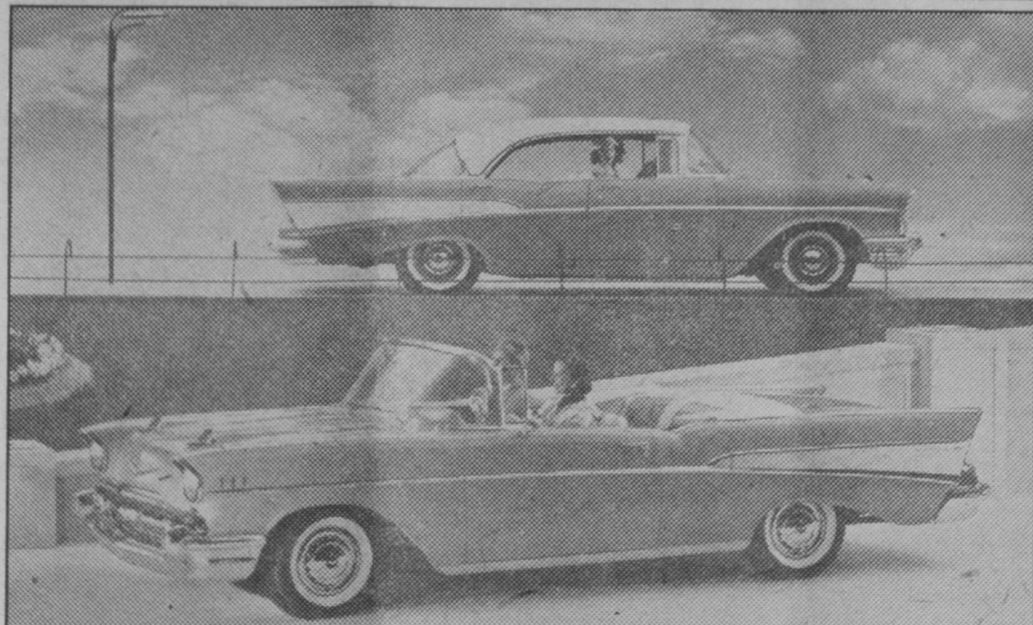

Common to the design of all passenger cars is a rugged front end that combines a massive guard and bumper ensemble with an aluminum grille screen and inset parking lamps. Lance-shaped windspits on the hood add a touch of modernity. However, most of the duplication in the appearance between the three series ends here. Chevrolet again offers exclusive exteriors and interiors in each of its series.

A variety of sparkling new colors in combination with the body selections furnished the customer with 460 choices in the appearance of the Chevrolet he buys. Interiors, marked by rich upholstery in nylon cloth and plastics, have been completely re-fashioned. Seats have added comfort and are of an attractive slender Gothic form. Easily read instruments are sheltered under a cove, with all control knobs recessed as a safety measure. Other body high-spots include a new ventilation system that has inlets under the headlamp hoods and supplies up to 22 percent more air.

To power its 1957 line, Chevrolet will build one six and four new V8s ranging in output from 140 horsepower for the six to a sensational one-horsepower per cubic inch of displacement for the Corvette V8. The Corvette engine develops 283-horsepower with the RAMJET fuel injection system.

Several instances of engineering progress are evident in the new chassis. "Ram's horn" exhaust manifolds aid engine breathing. Four

teen-inch wheels and lower pressure tires (22 pounds) further riding comfort and safety through greater traction. Crankshaft bearings are wider, longer wearing. Front suspensions and shock absorbers benefit from modifications. Powerglide, proved in more than a billion miles of travel, power brakes and power steering, and electric window lifts are again optional. The company also makes available the gas-saving overdrive and a close ratio manual transmission that assures lightning down-and-up-shifts. In all, 22 power trains are available.

SEE THE '57 CHEVROLET FRIDAY! IT'S SWEET, SMOOTH AND SASSY!

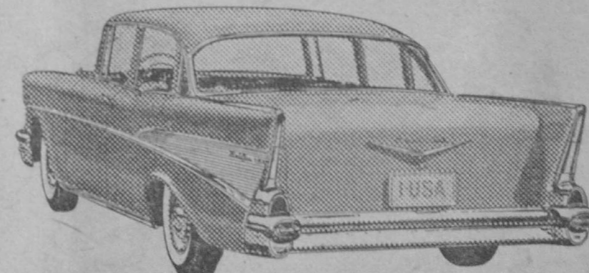

Chevy goes 'em all one better—with a daring new departure in design (looks longer and lower, and it is!), exclusive new Turboglide automatic transmission with triple turbines, a new V8 and a bumper crop of new ideas including fuel injection!

New right down to the wheels it rolls on—that's the '57 Chevrolet!

By now you know it's new in style. You can see that Chevy's longer, lower—and every inch a beauty.

But Chevrolet's new in lots of ways that don't show up in our picture. It's new in V8 power options that range up to 245 h.p.* Then, you've a choice of two automatic drives as extra-cost options. There's an even finer Powerglide—and new, nothing-like-it Turboglide that brings you Triple-Turbine take-off and a new flowing kind of going. It's the only one of its kind!

Come see the new car that goes 'em all one better—the new 1957 Chevrolet!

Michigan's livestock judging team placed fifth among 11 at the International 4-H Dairy Cattle Judging Contest in Chicago on October 8.

On the team was William Laidlaw whose individual scores were second high for Ayrshires and ninth for Guernseys. Forty-four boys from 11 states participated.

Laidlaw was presented a plaque by the Ayrshire Association in recognition for his high score judging of this class.

"Five or more new members joined Hale Happy Hustlers 4-H Club this year. The October meet-

ing was held at the home of Mr. and Mrs. Gordon Helmbold.

"President Charlotte Webb called the meeting to order and officers elected for the coming year are: President, Charlotte Webb; vice president, Karen Helmbold; secretary, Darlene Scofield; treasurer, Jewel Goodrow; news reporter, Jacqueline Lovelless.

"Refreshments were served after the meeting which started at 7:15 p. m. and ended at 9:00." Jacqueline Lovelless, reporter.

Mr. Davenport and Harold Hammond met with Melvin K. Tressler, who is to be the leader for an electrical 4-H Club project in Sherman community, to help him plan for the meetings to be held this fall and early winter. Twelve boys are project members: Allen Revord, Kenneth Stoner, Robert L. Jordan, Anthony Rousse, Dale Brown, Kent Kerwin, Presley Ferns, Barth Stoner, Roger Brill, Arthur Wynn, Kenneth Thornton.

The boys already have plans for a gun safety project to begin when the electrical project is completed. Charles Thornton will be the leader.

HEMLOCK NEWS

Mrs. Jerry Whitney entertained a number of ladies at her home with a Stanley party. The hostess served coffee cake, doughnuts and coffee.

The Grant Farm Bureau met at the Grant Township Hall last week Wednesday evening.

Word was received here this week of the death of Mrs. Anne Brown, the former Anne Curry.

Mr. and Mrs. Earl Herriman have moved their home from South Sand Lake Road to M-55 across the East Branch of the AuGres River.

Mrs. Henry Smith is some better. Her sister, Mrs. Switzer of Ontario, Canada, has been with her the past week.

Mr. and Mrs. Donald Webb of Bay City spent the week-end with her parents, Mr. and Mrs. Fred Pfahl.

Mr. and Mrs. Jerry Whitney and Gale spent last Friday in Bay City.

Mr. and Mrs. Earl Herriman spent the week-end in Hillsdale with her daughter and family.

Mr. and Mrs. Clare Herriman spent one day last week with Mr. and Mrs. Jerry Whitney.

Jack Burt Sr. was a dinner guest of Mr. and Mrs. Jerry Whitney recently.

Visitors the past week at the home of Harvey McVior and mother, Mrs. Clara Smith, were: Mr. and Mrs. Martin Long and two sons, Alton and Donald, of Tawas City; Mr. and Mrs. Stanley VanSickle of East Tawas, and Mr. and Mrs. Lester Biggs.

Friends of Mrs. Emma Smith of Whittemore are pleased that her health is improving. She is a

former resident of this community.

Ralph Burt of East Tawas is doing some wiring for Mr. and Mrs. William Herriman.

Mr. and Mrs. Ronald Herriman have moved their trailer house to Flint where he has employment.

Outstanding Films are Available to Clubs

Four outstanding films for the month of October are at Iosco-Arenac Regional Library Headquarters in the county building, Tawas City, and are available to all organizations and clubs.

"Joe Turner, American," is a most timely film, particularly at this time of elections. It stresses the privilege of voting and the duties and responsibilities of American citizens in their government.

"Freedom to Learn" points out the dangers to democracy of destroying freedom of speech, etc., by regimentation of teaching.

"Great Lakes, Highway of Commerce," shows the Great Lakes in its vital role as transportation avenues for grain, limestone, coal, etc.

"Artur Rubenstein" is most interesting and also entertaining, showing this great pianist in a Chopin program filmed in his own home.

Any one of these films would make a valuable addition to club programs and the regional library is proud to offer this service.

Advice to small cities: Acquire some land now, for parking purposes in 1975.

Here! New Task-Force 57 Chevrolet Trucks!

Performance-proved in a history-making test on the ALCAN Highway to Alaska

The Alcan Highway is the road where trucks grow old before their time. The road where gravel endlessly sledgehammers the life out of trucks. Where a fog of superline dust chokes engines, and vicious ruts subject chassis to months of wear in a few hundred miles.

Six new '57 Chevrolet trucks, heavily loaded with cargo, roared north from Dawson Creek, B.C., through 1,520 miles of mountains and mire, rain and hail to Fairbanks, Alaska. Running around the clock, they made this tortuous trip—normally a 72-hour run—in less than 45 hours. As a special test during the run, two of the trucks went the entire distance without once having their engines stopped!

Come in and see how well these new Alcan champs measure up to your job.

FIRST WITH THE MOST MODERN FEATURES:
New 283-cubic-inch Taskmaster V8 is standard in Series 5000, 7000 and 8000, optional in Series 6000 at extra cost. Horsepower ranges up to 210 in Chevrolet's complete line-up of modern V8 and 6 truck engines.

Revolutionary Powermatic Transmission—exclusive with Chevrolet trucks! This six-speed automatic, designed specifically for heavy-duty hauling, is an extra-cost option in Series 5000 and 6000 and all heavy-duty truck models. Hydra-Matic is offered in 3000 and 4000 Series models at extra cost.

L.C.F. models outdate C.O.E. trucks in every way; yet offer all the traditional C.O.E. advantages.

Heavyweight Champs with Triple-Torque tandem are rated at 32,000 lbs. GVW, 50,000 lbs. GCW. Special features include built-in 3-speed power divider.

Alcan fleet reports up to 18.17 miles per gallon! That's the mileage reported by the Cameo Carrier, with Thrift-master 6 and Overdrive (optional at extra cost).

All the way in DRIVE range with Powermatic! This Powermatic-equipped 10000 Series tractor traveled the Alcan Highway in a single forward-speed range!

STATE OF MICHIGAN
In the Circuit Court for the County of Iosco.
IN CHANCERY
Walter E. Banks and Sylvia M. Banks, his wife, Plaintiffs,
vs.
Rossman P. Gustin or his unknown heirs, devisees, legatees and assigns, Defendants.

ORDER FOR PUBLICATION

At a session of said court held at the Courthouse in the City of Tawas City in said County on the 11th day of September, A. D. 1956, Present: Honorable Herman Dehnke, Circuit Judge.
On reading and filing the bill of complaint in said cause and the affidavit of H. Read Smith attached thereto, from which it satisfactorily appears to the court that the defendants above named, or their unknown heirs, devisees, legatees and assigns, are proper and necessary parties defendant in the above entitled cause, and;

It is further appearing that after diligent search and inquiry it can not be ascertained, and it is not known whether or not said defendants are living or dead, or where any of them may reside if living, and, if dead, whether they have personal representatives or heirs living or where they or some of them may reside, and further that the present whereabouts of said defendants are unknown, and that the names of the persons who are included therein without being named, but who are embraced therein under the title of unknown heirs, devisees, legatees and assigns, can not be ascertained after diligent search and inquiry.

On motion of H. Read Smith, attorney for plaintiffs, it is Ordered that said defendants and their unknown heirs, devisees, legatees and assigns, cause their appearance to be entered in this cause within three months from the date of this order, and in default thereof that said bill of complaint be taken as confessed by the said defendants, their unknown heirs, devisees, legatees and assigns.
It is Further Ordered that within twenty days plaintiffs cause a copy of this order to be published in The Tawas Herald, a newspaper printed, published and circulated in said county, such publication to be continued therein once in each week for six weeks in succession.
Herman Dehnke, Circuit Judge.

COUNTERSIGNED:
Margaret Lansky, Deputy, Clerk of Circuit Court.

Take notice, that this suit in which the foregoing order was duly made, involves and is brought to quiet title to the following described piece or parcel of land situate and being in the Township of Osceola, County of Iosco, State of Michigan, described as follows, to wit:

Lot Numbered Seven (7) of Block Number Six (6) of VanEtten Lake Park Subdivision, according to the recorded Plat thereof.

CALENDAR
Friday, October 19—District Home Demonstration Rally, Glenview.
Thursday, October 25—County home demonstration get-together and officers training school.

Friday is the day for the annual district rally of home demonstration group members in Iosco, Arenac, Gladwin, Clare, Ogemaw, Oscoda and Alcona Counties. This year it takes place in the community building at Glenview beginning at 10:30 a. m. with registration. A pot-luck dinner is the noon feature. Several numbers are planned for the afternoon program to be concluded at 3:00 p. m. The speaker will be Miss Ruth Peck, a member of the Michigan State University Cooperative Extension Service staff. Miss Peck will discuss and illustrate her work at the university in Okinawa where she spent two years recently. See you there.

Plainfield Township Hall in Hale will be the place of the get-together meeting for Iosco County home demonstration members on the evening of October 25. An evening's activities is being planned to include helpful hints for the new group officers, recreation, a filmstrip and refreshments. Members of newly organized groups are especially invited to come and get acquainted with members of other groups.

Washing machines, whether conventional or automatic, and dryers are big boons to the homemakers when it comes to getting the laundry done. Wonderful helps they are, too, but even more important is water. Homemakers today have a laundry battle that grandmother solved better than most of us. She knew rain water washed clothes cleaner, easier, so she collected it—in cisterns or barrels. Today we use the same well water supply for laundry work that we use for drinking and other purposes. Practically all well water is hard water (contains minerals), some is harder than others. Water hardness is expressed in "grains."
When enough minerals are present to test more than 3.5 grains of hardness, the water will not do a really good laundry job without special help. Even in the city where water is softened the grains of hardness will usually be as many as five to eight.

Mr. and Mrs. Charles Prescott Observe Golden Wedding

Senator and Mrs. Charles T. Prescott celebrated their golden wedding anniversary at their ranch home in Prescott October 3. They were joined by their family and friends for an afternoon observance.

Members of the family present included: Allan Prescott and Mrs. Prescott of Cleveland, Ohio; C. T. Prescott Jr. and family of Prescott; William Prescott and family of East Lansing; Fitzhugh Prescott and family of Farmington, and Mrs. Ben Wilson and family of East Tawas.

Miss Mary Fitzhugh and Charles T. Prescott were married at Trinity Episcopal Church, Bay City, October 3, 1906. Following their marriage they resided in Tawas City where he was associated with C. H. Prescott and Sons Store.

Later, the family moved to Cleveland where he handled the family lumbering interests and then returned to Prescott, where they now operate one of the largest ranches in the Midwest.

Mr. Prescott was elected to the state senate 10 years ago and is a candidate for re-election to his sixth term.

Tawas Area Band to Participate in Band Day

Making its fifth consecutive appearance at band day at the University of Michigan stadium, Ann Arbor, will be the Tawas Area Band. This year's eighth annual program will be held Saturday, October 20.

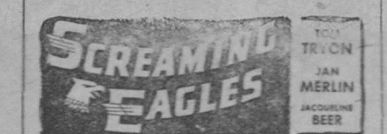

This year's band day will have 171 bands in attendance, numbering over 11,000 bandmen. They will perform at the half time of the Michigan-Northwestern football game.

"The day is a trying one for Tawas bandmen because of the early departure hour," commented Edward Rima, Tawas Area band director. "However, it is believed by all who attended in the past, that the affair is well worth the effort and is one that will be long remembered."

GOC Films to be Shown at Meeting Next Monday Night

A meeting will be held Monday, October 22, at 8:00 p. m. at the Eagles Hall for the showing of films on Ground Observer Corps work. This meeting is sponsored by Tawas Bay Aerie 2588, Fraternal Order of Eagles, and the public is invited to attend.

Sgt. Larry States, GOC field representative, will show films and answer questions people may have. There will be interesting films on the atomic bomb tests in Nevada and of the electronic automatic pilot and rocket mechanisms in new jet fighter aircraft, plus a training film.

The Ground Observer Corps requires a post every eight miles to alert the nation's jet interceptors of unidentified aircraft, which could be on a mission of destruction and death.

Iosco County residents are being urged to support the local GOC posts. Carl Eckman of East Tawas is GOC coordinator for the county.

Joseph Quarters

Joseph Quarters, 63, a resident of East Tawas most of his life, died last Sunday at the Grand Rapids Veterans Facility. The body was taken to the Moffatt Funeral Home and funeral services were held at St. Joseph's Catholic Church Wednesday morning, the Rev. Fr. Robert Neuman officiated. Burial was in St. Joseph's Cemetery.

Mr. Quarters was born in East Tawas August 7, 1893, the son of Esther and John Quarters. He was a veteran of World War I and served with the United States Army in Russia in the "Polar Bear" Division.

He had been in poor health for some time and had been in Grand Rapids for about five years. Surviving are three brothers, Harry of Detroit, John of Caro, Reuben of East Tawas, and three sisters, Mrs. Kate Herrick and Mrs. Genevieve Trudell, both of East Tawas, and Mrs. Mary Monahan of Detroit.

125 Attend Columbus Day Banquet Held at Holland Hotel

One hundred twenty-five members, their wives and guests of Tawas Council, Knights of Columbus, attended the annual Columbus Day banquet at the Holland Hotel, East Tawas, Thursday evening to pay tribute to the patron of the order, Christopher Columbus. The ladies were each presented with a corsage of either white, pink, yellow or bronze chrysanthemums.

Members of the clergy present from neighboring parishes of the council were: The Rev. Fr. Robert Neuman, council chaplain, and the Rev. Fr. Edward Szturmowski, both of St. Joseph's Church, East Tawas; the Rev. Fr. Joseph Castanier, Immaculate Heart of Mary Church, Tawas City, and the Rev. Fr. Henry Dufussell, Sacred Heart, Oscoda.

After a brief remark by Council member, the principal speaker for the evening, following his address were brief remarks by the clergy. "Columbus was a strong Catholic, both by birth and conviction. Most of his biographers agree that he firmly believed that he had been divinely commissioned to carry the Gospel of Christ to the uttermost part of the world," said Father Mulka. "And so, too, the Knights of Columbus are to carry out Columbus' ideals throughout the world today, to fight against communism and all the evils that beset us today, they should fight to uphold the very things Columbus fought for."

Additional entertainment was provided for by group singing, led by Mrs. Russell Klenow.

Robert Toska, council Catholic activities chairman, was in charge of arrangements.
