Hale Woman Held on Slaying Charge

A 32-year-old Hale mother of three children is being held at the Isosco County Jail on a second degree murder charge in the Sunday morning shotgun slaying of a 38-year-old Allen Park man. Her 60-year-old husband is being held on charge of assault with a deadly weapon.

Held under \$25,000 bond after being arraigned before Justice H. E. Friedman Tuesday afternoon is Mrs. Josie Ellis, who is charged with fatally wounding Buster L. Shellenbarger during a scuffle between her husband and the victim early Sunday morning.

Examination has been set for October 16 before Justice Friedman. The warrant for Mrs. Ellis' arrest, issued by Prosecuting Attorney William R. Barber, was signed by the father of the victim, Jess Shellenbarger of Hale. Warrant for Mr. Ellis' arrest was signed by Alvin Whitehouse, 40, companion of the victim and witness to the tragedy.

The shooting took place in the cabin owned by Mr. and Mrs. Ellis, located three miles west and a half-mile north of Hale, after what Whitehouse termed an argument over a broken banjo string.

According to statements taken by investigating officers from Whitehouse, he and Shellenbarger had left Allen Park Saturday for Hale where they planned to go duck hunting the opening day of season. The two men were employed by the Ford Motor Company and Whitehouse was the victim's boss.

Reaching Whittemore late in the evening, the two men stopped at two bars in that city. At the latter establishment they met a friend of Shellenbarger's, Harry Lake of Hale, who was with Mr. and Mrs. Ellis.

After the bars closed at 2:30 a. m. Lake invited the two men to join them at the Ellis home. Lake owns a neighboring cabin.

Whitehead told officers that he and Shellenbarger took five bottles of beer and a bottle of whiskey into the Ellis home. After a while the Ellis' fixed some coffee and began to play on a banjo and guitar.

According to Whitehead, Shellenbarger tried his hand at playing the banjo. The Ellis' claimed that he broke one of the strings, while tuning it, which Shellenbarger denied, and this angered them. Afterward, while Shellenbarger was in the kitchen, Ellis demanded (See Slaying, page 8.)

State Board Hears Sherman Transfer Issue

"As soon as property transfers can be settled in the Sherman Township School District, action can be taken on reorganization requests," it was stated Tuesday by John Halbert, superintendent of schools at Whittemore, and a supporter of the proposed reorganization of several school districts in Western Iosco and Eastern Ogemaw Counties.

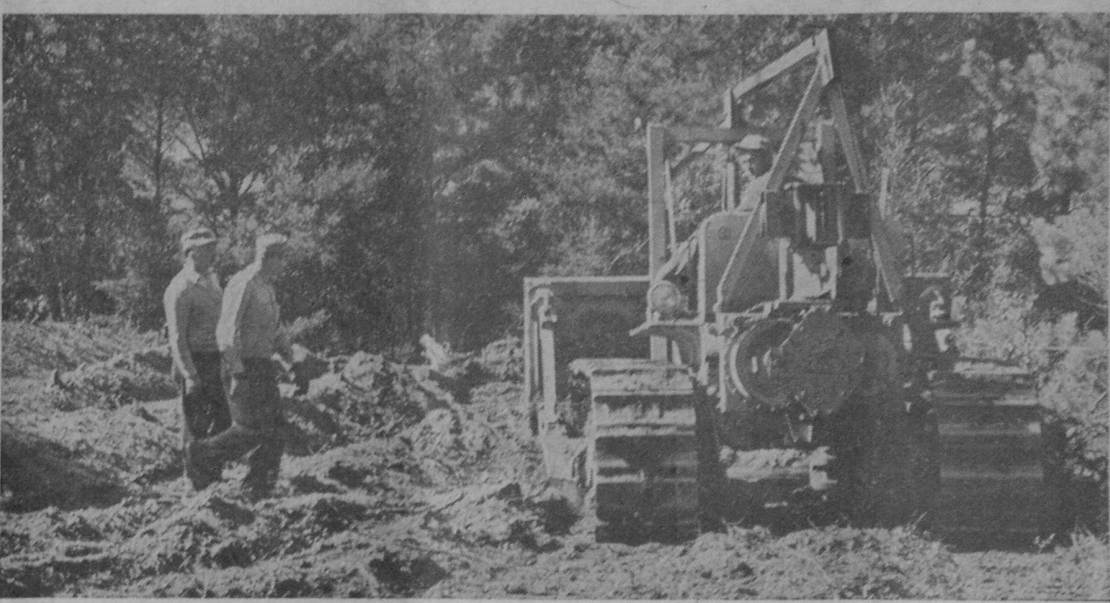

This information was learned at a meeting held in Lansing last Friday with representatives of the Michigan State Department of Public Instruction.

The matter of property transfers in Sherman Township was discussed at the meeting. There have been a number of such requests filed with the Isosco County Board of Education following the reorganization proposal which won in a preferential election September 21.

Those from this area who attended the Lansing meeting were Warren Britt, president of Sherman Township board of education; Almeda Norris, secretary of the Sherman Township board of education; Russell Rollin, county superintendent of schools; Reynold Mick, Tawas Area superintendent; John Halbert, Whittemore superintendent; Ronald Korthal, Isosco County board of education; Wayne Soper, Ogemaw County board of education; Emil Szytano, Prescott board of education; Mrs. John Jordan and Walter Smith, residents of Sherman Township.

Play-off Game Set for This Sunday Afternoon

Hale and Lincoln will meet this Sunday afternoon in a sudden-death play-off to decide the championship of the Huron Shore Baseball League. The game will be played at the Tawas City baseball diamond and will get underway at 2:30 o'clock. The game had been scheduled to be played last Sunday but was postponed due to wet grounds.

HEAVY EARTH-MOVING EQUIPMENT, from Wurtsmith Air Force Base, was hard at work last week-end building new ski slopes at the Silver Valley winter sports area. In the photo above, a bulldozer is shown smoothing out a new hill for advanced skiers, which will be a great attraction this winter. Under the supervision of Robert LaVoy, park supervisor, crews have been brushing out the area this week. Wurtsmith also plans on developing an area separate from the main ski area for the use of personnel assigned there.—Tawas Herald Photo.

Tentative Approval Given New 1st Ward Subdivision

Tentative acceptance was given by the Tawas City Council for a new 87-lot subdivision now under construction south of M-55 and adjacent to the Tawas River west of the M-55 bridge.

Elmer Burrell, formerly of Midland, presented plans for his Burrell Subdivision to the council Monday night. Roads and streets are to be completed by the owners before final approval can be given, as required by the city.

The council authorized Clifford Spicer, city engineer, to prepare plans and specifications for extension of water main along First Avenue to serve the new subdivision. Material for construction of the main through the Burrell property will be purchased by the owner.

Accepted deeds for property bordering First Avenue from two adjacent property owners, Herman Fahselt on the east and Doris Brugger Zaharias, for widening of that street. First Avenue will be widened starting at the Tawas City baseball diamond and the road is to be extended to M-55.

Besides servicing the new subdivision, the new water main will provide facilities for the development of property on both sides of First Avenue.

Among seven building permits approved by the council, two were for construction of residences in the new subdivision by Mr. Burrell. One house is to be 23 by 32 feet and cost is estimated at \$10,000, while the other dwelling will be 24 by 32 and would cost an estimated \$12,000.

Other permits approved by the council were as follows: William J. Leslie, 324 Second Street, patio on southwest side of garage, concrete slab, addition to garage, estimated cost \$125.

George W. Ruth, 211 Third Avenue, remodel and repair front porch and vestibule, \$300.

Conrad L. Roth, 1109 Bay Street, erect tool shed, 10 by 14, \$1,000. Jacob G. Weber, 325 Oak Street, 32 by 36 garage, \$800. George E. Tuttle, 416 Sixth Avenue, 20 by 28 garage, \$1,200.

Congressman Elford A. Cederberg will be the principal speaker at the official program dedicating the new Tawas City post office Saturday, October 6, stated Postmaster Martin Kasischke this week.

Accompanying Congressman Cederberg will be Ralph T. Willis, special assistant to the assistant postmaster general, and Bruce W. Baughman, district operations manager of the department.

The program will begin at 3 o'clock with music by the Tawas Area High School Band. Following this Postmaster Kasischke will introduce Clarence Everett, chairman of the program. The invocation will be given by the Rev. Charles Mercer.

After welcoming visitors, Mr. Everett will introduce prominent guests. Remarks will be given by Mayor George W. Myles; Cecil Cabbie, president of the Tawas City Businessmen's Association, and Donald Pringle, representing the Northern Construction Company, owner of the building.

Following Congressman Cederberg's talk, he will present the Tawas City postmaster with an American flag. The flag will be turned over to the Wurtsmith Air Force Base color guard for the flag raising ceremony. The congressman will also present Mr. Kasischke the key to the facilities.

At the close of the program, open house will be held in the new building and visitors and patrons of the post office will inspect the new facilities.

Postmaster Kasischke and all department employees in Tawas City extend a welcome to people of the Tawas and outlying areas to attend the program and the open house which follows.

Braves Lose to Pinny, 19-0, Friday Night

Pinconning led by a trio of hard-running backs, rolled up a 13-0 halftime bulge Friday night over Tawas Area High School and then went on to score one more touchdown in the second half as they trounced the Braves, 19-0. This was the third loss of the season in conference play for the local high school team.

Played under the lights at the Bay County school, a good crowd of Tawas fans saw Pinconning march 61 yards in 11 plays to hit pay dirt after the opening kickoff to take a lead which was never threatened during the rest of the game.

Displaying a crushing ground attack which battered the Tawas defensive line in the first half, Pinconning coupled a strong defense with a trip to Berkeley last Sunday to attend the District Luther League rally. The Rev. Robert Nelson accompanied them.

Mr. and Mrs. Carl Millson returned to their home in Saginaw last Saturday after visiting for the week with Mr. and Mrs. Morse Porter.

Mrs. Emil Jarovetz visited for a week with her sister, Mrs. D. M. Dunn, at Flint. Mrs. Dunn is from Williamsport, New York, and was visiting her daughter in Flint.

IT'S FOR REAL--YOUNGSTERS STAGE CIRCUS AT PARSONAGE SATURDAY

THE PRODUCTION OVER, these young performers drink lemonade which remained after staging a circus last Saturday afternoon at the Methodist Church parsonage in East Tawas. The circus was a benefit to raise money for the Tawas Hospital. From left to right are: Holly Defibaugh, clown; Janice Pollard, "bearded lady"; Lynn Doak, puppeteer; Joan Moehring, clown, and Priscilla Edwards, in charge of lemonade sales. Seated at left is Barbara Edwards, the circus "fat lady." Three performers, Nicki Blake, Jan Thompson and Annette White, were not present when the picture was taken.—Tawas Herald Photo.

Although the big top came down for the last time recently, the circus is not dead... at least not in the heart of youngsters.

Nine East Tawas children kept circus days alive last Saturday afternoon with a "three-ring" production of their own at the East Tawas Methodist Church parsonage.

Lemonade and popcorn, clowns, acrobats, puppets and even a "fat lady," the youngsters had them all

in their show presented as a benefit to raise money for the Tawas Hospital.

Charging two cents admission to the "grounds," (the parsonage back yard) the youngsters netted \$5 from their production. There were about 35 children and a number of parents who turned the turnstiles.

The idea of a benefit for the hospital came about during a discussion at school and the children spent several nights planning acts and costumes. With the help of the Rev. and Mrs. Ralph Edwards the show was finally presented Saturday.

This is National Newspaper Week

Your Newspaper—Freedom's key to better living, is the theme for this year's National Newspaper Week, October 1-8, and every week of the year soon.

10,000 American newspapers help to make those words mean more than a high-sounding slogan.

In this country the concepts of a free press and a free society developed together. Because it is free the American newspaper has been able to broaden its activities and to meet new demands as the nation has grown.

Today, as we take rightful cognizance of the contribution of your newspapers to the vitality and health of our nation, this theme is more of a challenge than ever before in our history.

If the nation's enemies had the opportunity to choose which to destroy, our arsenal of nuclear weapons or our free press, they would not hesitate to select the latter. The reasons are obvious. Our newspapers comprise the most powerful force for maintaining our way of life, our better living standards, and the free and full flow of information necessary to sustain and nurture both.

The success of the nation's newspapers is best exemplified by the fact that 56 million people spend \$3,189,000 daily in nickles and dimes for their daily newspapers, and 18 million grass roots Americans subscribe annually for their hometown weeklies. This is the highest net paid circulation of American newspapers in history.

Color films of a big game hunt in British Columbia taken by Dr. Earl Hasty of West Branch and Harold Gould of East Tawas will be shown at a meeting of the Plainfield Conservation Association Thursday, October 11, at the Plainfield Township Hall.

Speaking on conservation will be Harry R. Gaines, secretary-manager of the Michigan United Conservation Clubs. The program will start at 8 o'clock.

Refreshments will be served in the basement of the hall by ladies of the Order of Eastern Star. A contribution of 50 cents will be taken at the door and children under 12 years of age will be admitted free.

Congressman Elford A. Cederberg has announced that he will be at the courthouse in Tawas City from 9:30 o'clock until noon Wednesday, October 10, to meet any residents of Isosco County who wish to discuss federal legislation with him or who have problems in which the federal government is involved.

This practice of making himself available for "grass roots" conferences with the people he represents was begun by Congressman Cederberg during his first term in congress and was so well received that parcels mailed not later than the dates shown below will reach their destination before Christmas.

TWO YOUTHS INJURED IN HUNTING ACCIDENT

Two East Tawas youths were hit with fine shot as the result of a hunting accident Monday, the opening day of the season for bow and arrow hunting and small game.

Injured were Robert Hogaboam, 17, and Wilfred E. Davison, 20. Hogaboam was struck by seven pellets of fine shot and Davison was hit in the elbow with one pellet. Neither of the boys was seriously injured and were treated by a local doctor.

According to Arthur Leitz, conservation officer, the kill of ducks on Tawas Lake was light the first day. Of 25 boats checked at Cliff's Landing after the shooting, hunters had 25 ducks and 20 coots. He also reported two deer killed in the area by bow and arrow hunters.

Hogaboam and Davison were hunting for deer in Wilber Township with bow and arrow. The two youths met Ronald Melvor, 20, of National City and Kenneth Bessey, 16, who were hunting for partridge.

After separating, a bird flew up and Melvor fired, the pellets hitting Hogaboam in the back, arm, chest and neck.

Five hundred guests were present at the surprise reception held to honor the pastor and his family at the Immanuel school auditorium. He was presented a key and check for a new automobile from his congregation and also with a chest of silver for their silver wedding anniversary, which they will celebrate next month.

Attending the reception from Tawas City were: Mrs. Emma Kasischke, Mr. and Mrs. Otto Kasischke, Mr. and Mrs. Walter Kasischke, Mr. and Mrs. Martin Kasischke and two daughters.

FFA CHAPTERS HELD JOINT INITIATION OCT. 3

Hale and Whittemore chapters, Future Farmers of America, held a joint meeting for initiation Wednesday, October 3, in the Hale gymnasium.

By DOROTHY SCOTT Home Demonstration Agent

Thursday, October 11—CES Advisory Board meeting.

Friday, October 19—District Home Demonstration Rally at Glennie.

Thursday, October 25—Iosco Home Demonstration officer training school and rally.

Have you remembered to circle the calendar for October 19 because that is district rally day? Plans and rumors of plans for the day's event have been sounding very interesting. It is hoped that by next week the complete program can be provided for your information.

This is the fifth year a district event has been held and every year has been better than the one before, in participation by group members and in the program given. Start talking with your group members about arrangements to be among those present on October 19.

We are pleased to have a new home demonstration group this week. Women in the Tawas River trailer park community met on Friday afternoon to learn about, discuss and decide whether or not they wished to have a group this year.

Chairman will be Mrs. Kenneth Holmes and secretary, Mrs. Donald Leitz. One leader, Mrs. Arran Kirkendall, was named for the year. A second member will be selected to work with Mrs. Kirkendall each month.

Second Thursday afternoons at 1:30 were selected as the meeting time. The group name is yet to be decided.

How about your community? Is there a home demonstration group? Would you like to belong to one? Let us hear from you so we can help make it possible.

A favorite meal for that hurry-up meal is a minute steak. They are cooked on a lightly greased skillet or griddle about two minutes on each side. Warmed chili sauce added to the drippings and spooned over the hot steak is a delicious and very good way to serve them.

Farm Events

By MARVIN DAVENPORT County Agricultural Agent

Monday, October 8—4-H Club Leaders' Council meeting, 8:00 p. m.

Wednesday, October 10—Advisory board meeting, 8:00 p. m. Tuesday, October 16—Lamb pool at West Branch.

Thursday, October 18—North-eastern Hereford Calf Association sales at West Branch.

One of our urban citizens, John Hosbach of Peoples State Bank, came up with an excellent suggestion. John said, "I read in your column that the Iosco County Farm Bureau is having its annual meeting on Tuesday, October 2, at Plainfield Township Hall. I'd like to go to that. It seems to me,"

John continues, "that many non-farm people would be interested in hearing what the little farmer has to say. We hear a lot and see a lot in newspapers and television about what the big farmer wants. Do you suppose some of us could go to that meeting on October 2?"

I will be the first to agree that it would help our city and country folks to better get acquainted with one another's problems. If we would meet together, I hope John and his wife enjoyed the meeting. They went as my guests.

Do you have a tractor mounted generator? I would like to know. Please drop me a card. It could save you a serious accident. Just send a post card letting me know you have one and how you use it.

Here is a way I can save every Iosco County farmer some money. Order your grass and legume seeds now! You can figure your forage seed now for next spring's planting and it would be wise to order now to take advantage of present prices. The supply of grass seed is down from recent years.

There is good reason to believe that the supply of red clover and alfalfa seed will not be any higher than during the past year.

With the supply situation of grass seeds below normal and no increase in legume seed, all indications point to future higher prices. Leyton Nelson, farm crops specialist at Michigan State Uni-

versity, says. One of the main reasons Nelson agrees is that seed probably will be in great demand by farmers who put land in the soil bank. Poultrymen would not knowingly send an engraved invitation to a number of diseases that could produce severe losses. But Dr. Glen Reed, extension veterinarian at Michigan State University, says that is about what happens when the young pullets are placed in with the old laying flock. Dr. Reed says that old hens are capable of passing to the younger pullets such diseases as fowl cholera, chronic respiratory diseases and leucosis. Hens often recover from a disease then become a "carrier" of the malady. Strict sanitary management and keeping the old hens separated from the young pullets are ways to avoid losses. Dr. Reed advises poultrymen that if there is an outbreak of disease they should obtain prompt veterinary diagnosis so that protective steps can be taken.

Office callers this week were: C. E. Frisinger, Mrs. Harold Brusel, E. LaFerrer, Thomas White, Earl Partlo, Joseph Nickell, Arthur Stephan, James Mielock, Lester Bell, Robert Reasner, Mrs. Charles Hill, Howard Sherman, Joseph Ritzenheim, Mrs. C. West- enick.

"Monthly Pains" stopped or amazingly relieved

In 3 out of 4 cases in doctors' tests! "Chances are you're putting up — unnecessarily — with the functionally caused pains, cramps and weak, "no good" feelings of menstruation!"

For, in actual tests by doctors, Lydia Pinkham's Compound brought complete or striking relief from such distress in 3 out of 4 of the cases!

Lydia Pinkham's is modern in its action! So get Lydia E. Pinkham's Vegetable Compound — or new, improved Tablets with added iron. See if — taken through the month — it doesn't give relief from those backaches, jitters — help you feel better before and during your period!

Or — if you suffer from functional "hot flashes" of "change of life," find out how wonderful Pinkham's is for that, too!

It has a quieting effect on uterine contractions that often cause "period" pain!

Ruckle-Graves

Miss Eva Marie Graves became the bride of Elwood Roy Ruckle in an evening ceremony at the Hale Methodist Church on September 22. The candlelight ceremony was performed amid decorations of white gladioli, palms and candles. Vocalist was Perry Shellenbarger, accompanied by Mrs. Gerald Wyatt.

The bride is the daughter of Mrs. Alfred N. Graves and the late Mr. Graves. The bridegroom's parents are Mr. and Mrs. Cecil Ruckle of Whittemore.

Escorted to the altar by her brother, the bride chose a gown of imported clipped rose point lace over satin. Fashioned with scalloped Bateau neckline, long fitted sleeves and a molded lace over satin bodice. The lace paneled floor length skirt featured alternate tiers of gathered rose point lace and nylon tulle falling from the hipline. Her matching crown held a silk illusion veil and she carried white chrysanthemums centered with a white rose corsage.

Matron of honor was Mrs. Ralph Graves, sister-in-law of the bride, and bridesmatron was Mrs. Dale Blust. Their dresses of coral and turquoise, respectively, were of crystalet fabric featuring Empire bodices, short gathered sleeves and full tapered waltz length skirts. They carried yellow roses and white chrysanthemums.

The groom was assisted by his brothers, Gerald Ruckle as best man and Robert Ruckle as groomsmen. Seating the guests were William and Robert Dunham, nephews of the bridegroom.

A reception followed the wedding at the Hale Masonic Temple.

Legion Post Campaigns for Cemetery Improvement

Audie Johnson American Legion Post, East Tawas, is spearheading a fund raising campaign in that city to provide water facilities at the Veterans Cemetery, with the possibility of continuing the water main to serve the Greenwood and St. Joseph's Cemeteries.

Post Commander Deloise "Dewey" Durant said Tuesday that the organization is conducting a house-to-house canvass of homes in East Tawas to raise between \$2,000 and \$2,500 to cover construction costs of a basic water system.

Hand pumps, which now service the Veterans Cemetery, would be replaced with an electric pump capable of producing between 2,000 and 3,000 gallons of water per hour. From this basic system, a three-inch pipe line could be constructed to serve the other two cemeteries.

Durant said that the Legion would handle the fund raising drive to construct the proposed facilities for the Veterans Cemetery, while other organizations and individuals would be needed to handle the other two cemeteries.

Recently, \$750 was appropriated by the Legion for grading and building new roads in the Veterans Cemetery. Through the efforts of Charles Pinkerton, president and general manager of the Detroit and Mackinac Railway Company, the railroad company donated enough gravel to complete the roads.

Working on the project with Commander Durant is a committee chaired by Arthur Dillony East Tawas superintendent of public works. Other committee members include Lloyd Bowman, Robert Harmon, Jay R. Platt, Charles Hunt, Helen Applin, Gertrude Kunze and Dorothy Harmon, the latter three being members of the Legion Auxiliary.

Literary Club Plans to Remodel Building

Plans were made at a meeting of the past presidents of the Ladies Literary Club last Wednesday, September 26, to improve and remodel the Literary Club building. The club has a substantial building fund on hand. Their plans will be submitted at a meeting of the club in the near future.

Mrs. Robert Elliott Sr., president of the club, opened the meeting and Mrs. L. G. McKay Sr. presented the business proposition. Preceding the meeting, the hostess, Mrs. McKay, served a 1 o'clock luncheon, consisting of her usual R. G. Schreck and Mrs. Ben Wilson. The rooms and the table were decorated with yellow chrysanthemums and yellow candles in crystal holders.

Guests of the club were Mrs. C. S. Everett, Literary Club president; Mrs. Misha Kramer, treasurer of the Ladies Literary Club, and Mrs. Schreck, trustee. Past presidents attending were Mrs. Harvey Watson, Mrs. J. A. Carlson, Mrs. E. T. Pierson, Mrs. J. S. Harrington, Miss Helen Applin, Mrs. Kate Evans, Mrs. Elliott, Mrs. Wilson and Mrs. McKay.

Slaying

(Continued from page 1.)
that Whitehead "got him (Shellenbarger) out of here." The Allen Park man said that as he was getting up to go out and get the man out of the kitchen, Ellis grabbed a rifle from the wall and turned on him.

During the scuffle which resulted between Whitehead and Ellis, Shellenbarger charged out of the kitchen and knocked the gun to the floor.

At this moment Mrs. Ellis came out of the kitchen. Whitehead told officers, and picked up a 16-gauge shotgun from the wall and fired at Shellenbarger. The entire charge of six-chill shot struck Shellenbarger in the side. He died almost instantly.

Whitehead said that Mrs. Ellis then turned the gun on him and ordered him out of the house. The blast a few moments earlier had also awakened Lake, who was asleep in the bedroom. He did not see the actual shooting. The tragedy was witnessed by the Ellis' three children, Joyce, 14; Wayne, 11, and William, seven.

Investigating officers said that the shotgun used in the shooting was one of four loaded firearms found in the house.

According to Whitehead's statement, Mrs. Ellis came out of the house and he ran back in. He told Lake to notify a doctor and the police and said he was going to the home of Shellenbarger's parents to notify them of the shooting.

After the shooting Mrs. Ellis drove her car to the home of Deputy Dennis Chrvia in Hale, who in turn notified Deputy Leon Putnam, who had been spending the night at the home of his parents in Hale.

Notifying Sheriff Ivan L. O'Farrell immediately, the two officers went to the Ellis home. Shortly afterward, Sheriff O'Farrell, Sgt. Frank Roti, Detective LeRoy McCluer and Coroner E. D. Jacques arrived at the scene of the shooting.

Both Mr. and Mrs. Ellis, Whitehead, Lake and the 14-year-old daughter of the Ellis' were questioned by police at the Iosco County Building Sunday morning.

Funeral services for Mr. Shellenbarger were held Wednesday afternoon at the Hale Baptist Church. The Rev. Jack Richards officiated and burial was in the Evergreen Cemetery.

He is survived by his widow, Mary; a son and two daughters; his parents, Mr. and Mrs. Jess Shellenbarger; four brothers, Richard of Detroit, Perry and Nelson of Hale and Arnold of Flint; two sisters, Mrs. Rowena Cranshaw and Mrs. Regina Attwell, both of Hale.

He had served 4½ years in military service during World War II, spending much of that time in the Pacific theater. Starting to work at the Ford Motor Company in 1940, he returned there after the war.
