2 Oscoda Canoeists Climax Season With AuSable River Marathon Trophy

Set New All-Time Record in 'Big One'

Climaxing a perfect racing record for the season, Tom Gildersleeve and Ralph Sawyer, Oscoda canoeists, won the annual AuSable River marathon last week-end and the coveted Marston trophy.

Setting a new all-time record for the course, Gildersleeve and Sawyer topped 35 minutes of the previous record by completing the 240-mile run in 16 hours and 58 minutes.

Finishing the marathon at 1:23 p. m. Sunday, the winners were greeted at the finish line in Oscoda by about 5,000 spectators, many of whom followed the canoes all the way down the river from Grayling.

Twelve minutes behind the first place winners was the Grayling team of Bernie Fowler and John Stephan, who completed the course in 17 hours and 10 minutes. Fowler was one of last year's winners.

Starting in 10th position at Grayling, Gildersleeve, 22, and Sawyer, 19, passed Stephan's bridge one of the first checkpoints on the river, five minutes ahead of their nearest rivals and were never headed the rest of the way.

Fowler and Stephan worked their way up from the 17th starting position to press the winners all the way along the course. At each bridge, dam or other vantage points along the river, large crowds of spectators cheered their favorite teams. At portages over the dams the teams were met by friends offering hot drinks and leeks of other canoeists.

Arriving at the Oscoda finish line in third place were Irwin Peterson and Tom Estes of Minneapolis, Minnesota, with an official time of 17 hours and 40 minutes. In fourth place were Jack and Bruce Kent of Atlanta.

A new record was forecast Saturday night by race officials at Grayling when they cited uniform high water, no wind, ideal temperature and a minimum of fog along the course.

Officials said that the spectator jam all along the river was the greatest in the 10-year history of the event. A record crowd was on hand at Grayling to watch the race get underway at 8:30 o'clock Saturday night, and at Mio, Five Channels Dam and Foote Dam the highways were jammed with spectators.

At Oscoda the teams were greeted by the largest crowd of spectators to witness the event at any point along the river. A large corps of newspaper and television cameramen were on hand to film the finish. A carnival atmosphere greeted the teams at the finish.

11 Building Permits OK'd by City Council

Eleven building permits were approved by the Tawas City Council at its meeting Tuesday night. The list of building permits includes two new homes and a \$50,000 commercial building.

Permits approved were as follows: George W. Myles, Fifth Street, 24 by 24 garage. Estimated cost \$500.

Frank and Lillian Lansky, 215 Fourth Avenue, remodel back porch. Estimated cost \$300.

Edwin Habermehl, 608 Second Street, 20 by 22 garage. Estimated cost \$1,250.

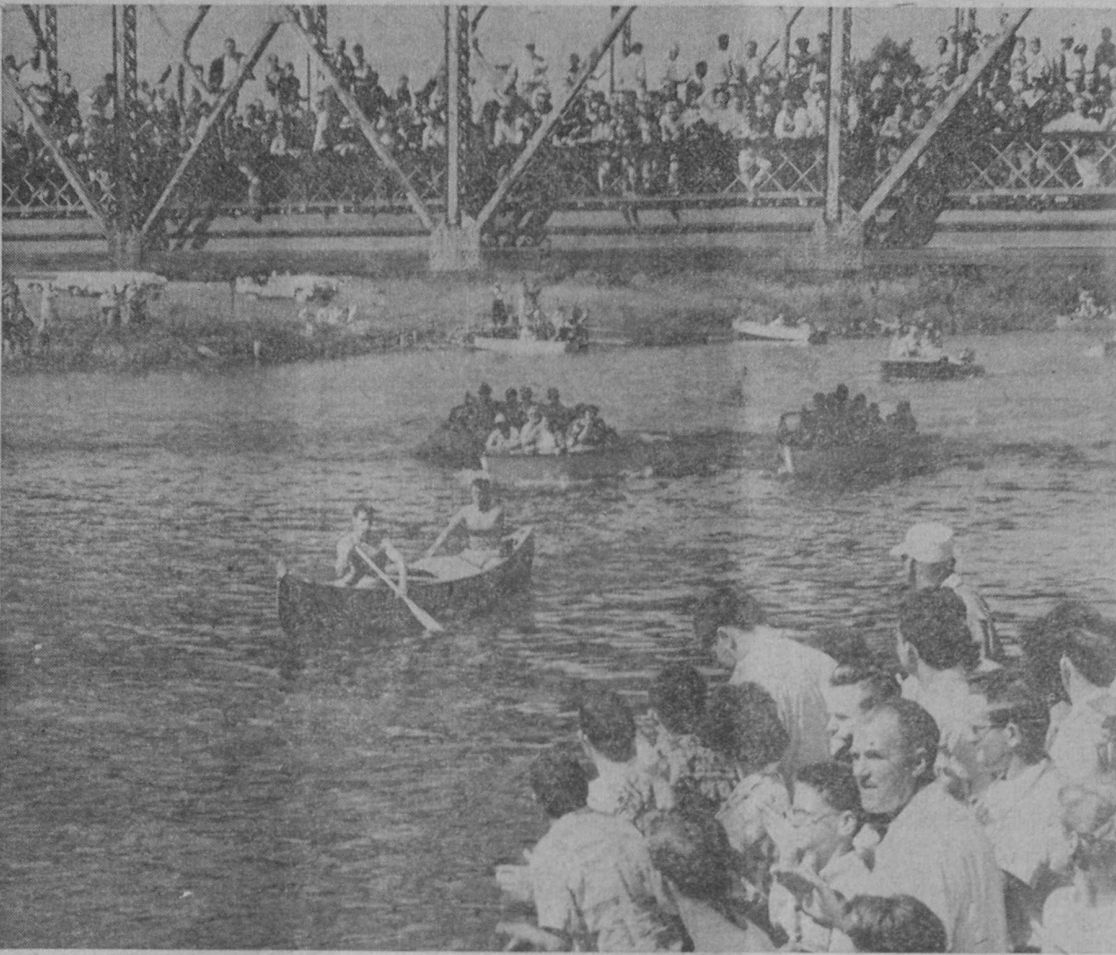

George W. Myles, 221 North Street, 20 by 22 garage and utility room. Estimated cost \$500.

Ronnie Lloyd, Lake Street, between Mathews and Ninth, 22 by 23 garage. Estimated cost \$1,500.

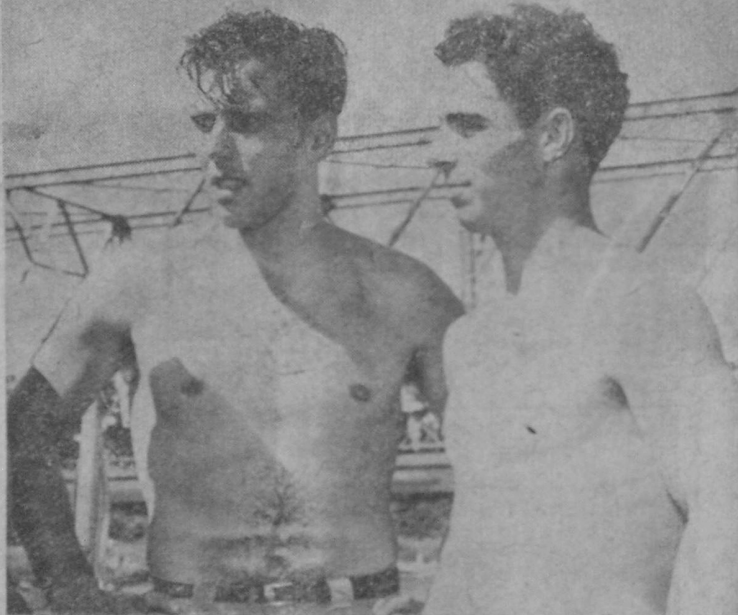

Paul M. Barton, garage and open porch, 1119 Bay Drive. Estimated cost \$200.

Frank Byrd, 219 Second Avenue, 28 by 28 residence. Estimated cost \$5,000.

Orville Leslie, remodel garage, \$800.

AN ESTIMATED 5,000 spectators jammed Oscoda Sunday to watch Tom Gildersleeve and Ralph Sawyer paddle their canoe past the finish line to win the AuSable River Marathon. Part of the crowd is shown in the right hand corner and on the old US-23 bridge.—Tawas Herald Photo.

SETTING A NEW RECORD OF 16 hours and 58 minutes, the winners are shown above as they were being interviewed by Mort Neff at the finish line. Gildersleeve is at left and Sawyer at the right.—Tawas Herald Photo.

SCRAMBLING DOWN the banks of Five Channels Dam, Sawyer and Gildersleeve were pressed during the 240-mile race by Bernie Fowler and John Stephan of Grayling. Spectators were not allowed to assist the paddlers with their canoes.—Tawas Herald Photo.

Centennial Committee Set For Report to Iosco Supervisors

"Plans and arrangements for the coming Iosco County centennial celebration will be pretty well in shape when the committee makes its report to the board of supervisors in October," states Miss Edna Otis, chairman of the citizens committee.

A committee meeting was held Tuesday evening at the Community Building and there was a preliminary discussion of plans. Many excellent ideas were presented and the response from the people of the county is encouraging, states Miss Otis. Everyone seemed pleased and honored to have a part in preparing for the celebration, she said.

Celebrations at Hale, Whitmore, Oscoda and Tawas would be a part of the centennial event. Dates will be designated for programs in each community.

The next meeting of the committee will be held Tuesday evening, September 11, at the Community Building, East Tawas.

Warner Slams Two Homers in Tawas City Win

In a non-league game Monday afternoon, the Tawas City Indies won over league-leading Hale, 12-11, in a hard slugging contest. The win gave the Indies a one-game edge over Hale for the year, each winning one game in the two regular season contests.

Leading Tawas City's 15-hit attack was Mern Warner, who cracked two consecutive home runs over the left field fence and added two singles and a double for a perfect day at the plate. Warner's home run in the seventh inning proved to be the winner for Tawas City after a five-run rally by Hale in the ninth inning fell short by only one run.

Tawas City to Meet Black River Sunday

Tawas City will play at Black River this Sunday, September 7. This game was postponed earlier in the season on account of rain. The two teams are tied for third place in league standings with an identical 8-3 record.

In games last Sunday in the Huron Shore Baseball League, Lincoln defeated league-leading Hale, 15-2. This game was the replay of a protested contest by the Hale nine. Starting from the point of protest, the fourth inning, Lincoln held a 6-0 lead.

Hale will again play Lincoln this Sunday. Both teams have identical 10-2 records, although the league still has made no decision on the game which Lincoln protested against Tawas City. The locals won the game 2-0, but a dispute arose over the calling of a runner safe after missing first base on a home run. Lincoln did not protest the game until two or three days later.

Bay Sailors End Racing Season On Labor Day

Sailboat racing on Tawas Bay officially ended Labor Day, concluding a most successful season regardless of adverse weather conditions. A total of 48 races were held this summer.

According to a report from the Tawas Bay Yacht Club, visiting sailors had many good things to say about the course, considered to be one of the best in Michigan and the best sailing water of any course on the Great Lakes.

Winners Monday were as follows: National Class First—Richard Haglund and Gene Parent. Second—Richard Moss. Third—Arthur Dillon.

Fourth—William and Rhoda Wickert. Fifth—Jack Bronson. First place winner was awarded the Detroit and Mackinac (seasonal) memorial trophy at the yacht club Monday.

Lightning Class First—William and Edward McKinley. Second—Charles Schreck. Third—Herbert Cox, Marvin Mallon and Charles Pinkerton. Fourth—Dewey King. Fifth—L. G. McKay Jr.

First place winner was awarded the Earl BeMont Trophy. Raven Class Ard Richardson and Richard Cross.

All races will be held if weather permits.

ALERT CITIZENS SAVE FOUR FROM DROWNING

Through the alertness and quick thinking of several citizens of the Sand Lake area, the lives of four Bay City people were saved Sunday evening.

Rescued after the boat in which they were riding capsized in Sand Lake, were Clayton July and wife, Marie; daughter, Carol Ann, and Michael Fisk.

Through the quick thinking of George Meranuck and others, the four people were rescued. Dr. Earl Hasty, who owns a cottage near by the mishap, was called and treated the victims.

A witness told Iosco County Sheriff's Department officers that a speed boat had just passed the July boat and had kicked up large waves which may have caused the boat to turn over.

As his first committee appointment, Pinter named the same members as last year on his queue committee.

A letter from Bert Leidecker, chairman of the annual East Detroit Lutheran caravan, was read. The group will make its annual trip to Silver Valley on January 27, one week prior to the winter sports carnival.

Silver Valley received publicity at the recent Michigan State Fair at Detroit when the Lutheran Carnival queen appeared in the parade riding in a convertible.

Next meeting of the group will be held September 17.

NEW DRIVE-IN SELF-SERVE MARKET NOW OPEN

A NOVEL IDEA in grocery store marketing, drive-in self-service started two weeks ago at King's Place Market, US-23, Tawas City. Clarence King, owner, said Wednesday that grocery men from Alpena and other Michigan cities had stopped in to see the new drive-in department. Customers may drive their car right into the store through a 15-foot door to pick up purchases, then drive right out the back of the store. King said that many of his customers have commented about the convenience of the service in rainy weather. There is enough room in the building to serve three cars at a time. The store now has a 70-foot frontage with the new addition.—Tawas Herald Photo.

Iosco Highways 'Safe' Over Holiday; Airman Killed Tuesday

Iosco County highways again escaped from having any serious accidents during the four-day Labor Day week-end. However, an airman from Wurtsmith Air Force Base was killed Tuesday morning when the car in which he was riding rolled over four miles south of Oscoda on US-23.

Airman 2c Jewell F. Reed, 20, of Cleveland, Ohio, driver of the car, was killed in the crash. Airman 2c Benjamin F. Cain Jr., 20, a passenger, suffered lacerations, and Clyde Stark, 20, Chittanooga, Tennessee, the other passenger, was uninjured.

Reed was a member of the 31st Fighter Interceptor Squadron, as is Cain. Stark is a member of material squadron.

Investigating officers said Reed is thought to have gone to sleep while traveling at a high rate of speed. His car went off the right side of the road and skidded 225 feet. It then crossed to the left side and skidded 180 feet, rolling over several times.

Minor property damage accidents occurred last Thursday and Friday.

Sgt. Frank Roti, commander of the East Tawas post, said that a total of 76 traffic tickets were issued by troopers from August 31 to September 3 in this area. He cited the number of state police, sheriff's department and city police patrol cars on highways in this area as one of the main factors in keeping the number of accidents to a minimum.

Tawas City and Wilber Area In Black-Out

Tawas City and Wilber Township were completely blacked out Sunday night for nearly two hours when an unidentified driver struck a guy wire supporting a utility pole with his car and several power lines were knocked down.

City police officers, George Westcott and William Groff Jr., said that the driver struck a guy wire at the Consumers Power Company's Tawas sub-station near the Detroit and Mackinac Railway yards.

After the wires went down, the driver got out of his car to look at the damage and then drove to a nearby house to report the accident. His license number was noted as he drove off.

Police Chief George Ruth said that the Michigan State Police are conducting an investigation. Within a short time after the wires went down, Consumers Power Company crews were on the job making repairs.

Good Crowd Attends Season's-End Races

Rex Zettle of West Branch won the 56-lap championship trophy race at Whittemore Speedway last Saturday night. The largest crowd of the season was on hand to watch the final night of racing in the racing season.

Heat race winners were Donald Armstead, Whittemore, Vic LaBerto, Angres, William Zettle, West Branch, and Edward LaDuke, West Branch.

Louis Tremble of Standish won the Australian pursuit, while Dorcye LaBeau of Omer topped the field in the special event four-car dash.

With a total of 28 cars entered, stock car racing fans saw three cars roll over on the track. There were no injuries.

Although wet weather has curtailed racing to some extent at the Whittemore oval this season, Stanley Osinski, secretary, said that the races have attracted good crowds throughout the season.

50 Former Pupils Attend Townline School Reunion

The reunion of the Townline School, District No. 2, held at Silver Valley on Saturday was attended by 50 former pupils. After a pot-luck dinner, games with prizes were enjoyed. Wesley Groff and Mrs. Sarah Proper received prizes for being the oldest persons present that attended the school and Mrs. Nedra Rehl of Hale as the youngest. Mr. and Mrs. Harrison Frank received a prize for having the largest family that attended the school.

Wurtsmith Again Host to Children...

On Saturday, September 22, Wurtsmith Air Force Base will again be host to children in the local area on National "Kids' Day."

National "Kids' Day" is sponsored by Kiwanis International and General Nathan Twining, USAF chief of staff, has accepted an invitation for the air force to participate in the program.

Major Lyle L. Jewell, 412th air base squadron commander, has been appointed project officer for this year's program and he will be working with local Kiwanis leaders.

Last year approximately 1,300 children from East Tawas, Oscoda, Harrisville, Tawas City, West Branch and Alpena visited the base on "Kids' Day." It is anticipated that this year's show will attract an even larger crowd.

Thursday Night Church League Softball Results

Thursday, August 30—

Immaculate Heart 15, Baptist 3. Immaculate Heart trounced the Baptist last Thursday night in a game which brought their season's average up to the 500 percentage mark. After losing four out of their first five games, Immaculate Heart came back strong to take third place in the league.

Sunday, September 2—

Lutherans 8, St. Joseph's 6. In a game which gave them a tie for first place, the Lutheran team gave St. Joseph's its third loss in a row. Leading 5-2 going into the last half of the sixth inning, St. Joseph's gave up six runs on two walks, three errors and two base hits to end the season in a tie for first place. The comeback for the Lutherans was almost spectacular, considering they lost their first three games of the season. The tie will be played off in the best of three game series.

The play off series will be played at the East Tawas diamond on Newman Street and will start September 4 at 6 o'clock. The second game will be played at the same diamond on Thursday, September 6, at 6 o'clock, and the third game, if necessary, will be played Friday or Sunday afternoon.

Librarians Attend Workshop at Marquette for Week

Staff members of the Isoco-Arenac Regional Library who attended a week of library workshop at Northern State Teachers College, Marquette, are: Miss Arlene Leslie, Tawas City librarian; Mrs. Genevieve Lomas, East Tawas librarian; Mrs. Marye Sproule, Bookmobile librarian; Mrs. Helen Curtis, Whittemore librarian; and David Fortune. Workshops are a part of the State of Michigan's requirements for annual renewal of librarian's certificates. Books are being readied for the schools of Isoco and Arenac Counties. Collections will be delivered to each school room during the first two weeks of school. The regional library's collections of recordings, film strips, pictures and viewmaster slides are also available to schools as a supplementary aid to study and recreation and are loaned out on special request. The summer reading clubs have ended after many pleasant story hours with the boys and girls of two counties. The Whittemore enrollment was so large that the club was divided with a membership of 51 younger children, and 18 in the teen-age club. Alabaster club members met for a picnic, and the 18 boys and girls of the Omer club gathered at the school for a story hour and ice cream. A summer adult stop and story hour was held at Hammell Beach this year with a fine response from the children and parents. Children took a lively interest in the summer Great Lakes cruise and learning about Michigan. Alger club wrote original Paul Bunyan stories, and the Greenwood club studied birds, fish and wild animals of the state. Yvonne Valley of Saganing wrote a history of the Soo Canal. Robert Carter of Long Lake wrote an original lumberjack story. Steve Zapytowsky of Hammell Beach made a squadron of paper jet planes and the members of the Moffatt club received special recognition for perfect attendance at all meetings.

Information About Social Security May be Secured

Representatives from the Bay City Social Security Office will be at the Federal Building, East Tawas, Thursday, September 13, at 10:30 a. m. Anyone interested in applying for benefits or needing information about social security should contact them. A large number of applications are now being received in the Bay City office from women between ages 62 and 65. Applications will also be received at the above locations. However, the change provides that payments cannot be made until December at the earliest, since the law does not become effective until November. Many will be paid later. All women applying should bring with them evidence of their age when the application is made. Birth and baptismal certificates are the best proof of age. In addition, widows should provide marriage certificates. Widows' payments will be at the regular rate of three-fourths of the husband's benefit. However, wives and women workers will receive a reduced rate according to the number of months under 65. Women workers rate will be reduced slightly more than one-half of one percent for every Wives benefits will continue at the reduced rate so long as the husband lives. At his death, payment will be made at the regular rate of three-fourths of the husband's benefit. Whether the ladies take the benefits at the reduced rate or wait until they are 65 must be their own choice.

Wilber News

(Too late for last week.) Mrs. William Phelps, Mrs. Henry Dorey and another lady from Lansing were callers at the Jesse Sibley home at Taft one day last week. Mrs. Phelps and Mrs. Sibley were schoolmates some 70 years ago. Although both have lived in the county most of the time since, they had not met for at least 59 years. Mr. and Mrs. Lester Hyzer and son of Swartz Creek visited at the Herschel Hyzer home over the week-end. Miss Joan Newberry, who is now employed in Flint, spent the week-end at her home here. Miss Delores Abbott has gone to Lansing where she has employment. Mrs. Henry Dorey and a friend from Lansing spent a couple of days with Mrs. William Phelps the forepart of last week. The two-week session of Bible school which had been held in the church parlors closed Friday afternoon. In the evening a program was given by those who had been in attendance. There was group singing and a display of the things the little folks had made. A lunch consisting of cake, coffee and lemonade was served. Mrs. Louis Alverson, secretary of children's work in the WSCS, was in charge with the Rev. and Mrs. Fennell. Mrs. Alden Phelps and Mrs. Herschel Hyzer as helpers. Mrs. Herbert Phelps and Mrs. Ray Cross did their bit by caring for babies while their mothers were busy elsewhere. There were about 30 enrolled, with an average attendance of 30. The Sunday School and WSCS wish to thank all those who helped to make the school the success it really was. Mrs. Mary Scott of Flint is visiting in the neighborhood. Maynard Abbott, who spent the week-end across the Straits, returned home Sunday.

The WSCS meeting held at the Newberry home last Thursday evening was well attended. Mrs. Harry Cross of Tawas City and Mrs. Charles Cross of Muskegon were visitors. Mr. and Mrs. Clarence Earl spent Sunday with Mr. and Mrs. Roy Sims. **TRAFFIC TOLL** Motor vehicle fatalities for the first half of 1956 broke a record set in 1937, the figures being 16-120 and 17-320, respectively. Traffic deaths in June were 3,400, as compared with the peak for the month set in 1952 of 3,119. An average increase of seven percent in deaths was reported by cities while the nation-wide jump was 14 percent.

Be Alert! Your Children are Going BACK TO SCHOOL

DRIVE CAREFULLY

School Time is Safe Driving Time --The Child You Save May Be Your Own!

More and more children are on the streets again — some of them going to school for the first time. Children will be crossing the streets, walking along country roads, waiting for school buses. Children are sometimes unpredictable, and it is up to drivers to stay alert and in full command of their vehicles in case an emergency arises.

PLEASE drive extra carefully. Watch for children crossing and on streets. Give the right of way to school buses. Be alert. The children may not see you, be sure to see them.

FOLLOW THESE RULES FOR SAFE DRIVING

- Be doubly careful near schools or where children play. Children don't realize the danger and may take chances. That's why you, the driver, must take extra care.
- Slow down. Speed is dangerous at any time—doubly dangerous when visibility is cut by rain, fog, or darkness.
- Keep lights and windshield wipers in good condition during rainy or snowy weather. You have to see danger to avoid it.
- Keep your car in top mechanical condition. Use chains when roads are slippery.
- Obey traffic laws. Know the traffic laws wherever you travel and don't break them.
- If you drive, don't drink—if you drink, don't drive. Remember, death takes no holiday.
- Be a courteous driver. Yield right-of-way, even when it should be yours. It's better to stay alive than to be dead right.

Sunday, September 9—County 4-H Club Picnic, AuGres Park on M-55, 1:30 p. m.

Does an event suddenly descend upon you, now and then? That is what has happened with the county 4-H Club picnic. When the date, September 9, was selected at the last county meeting it seemed so far away. Now it will be this coming Sunday and not too much planning has been done for the recreation and activities.

However, picnic dinner time is 1:30 p. m. and the place the new roadside park on M-55 at the bridge across the AuGres River. Basket picnic dinner is the plan, which means each family provides itself, or perhaps each 4-H Club will want to plan among the families who belong.

Let's hope for fine weather and everyone present.

Big news from the State 4-H Club Show is that William Laidlaw was named one of eight finalists in the 4-H Club dairy judging contest.

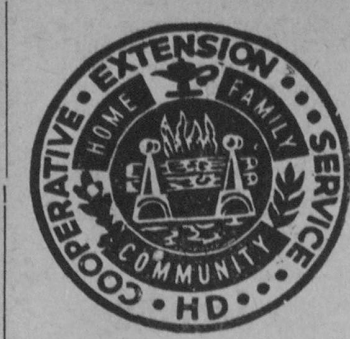

He will compete again at a state fair contest in Detroit the first week-end in September. That contest will determine which of the eight will attend the National Dairy Cattle Congress event in Waterloo, Iowa, and which will go to the International Livestock Show in Chicago.

Exhibitors at the State 4-H Club Show this past week were awarded these recognitions: Patricia Davenport, muffins B; Martha Smith, cookies, C; Mary Alice Waters, cupcakes B; Neva Daugharty, knitted sweater A; Jean Sugden, dress C; Janice Sturtevant, 4-H Club Girl B; Ronald McCormick, photography C; Peter Bolen, photography C; Charlotte Webb, entomology B.

Attending the State 4-H Club Show were William Laidlaw and Ronald McCormick. Ronald competed in the rifle shoot and gun safety demonstration contests which he allows offered real learning opportunities. Already he is making plans for next year's competitive activities.

On Thursday 10 4-H Club members and one leader visited the show and evening program. Mrs. George Waters says this is her first visit to the annual event at Michigan State University and she believes more parents and leaders should avail themselves of the opportunity to visit the campus and see the wonderful accomplishments of boys and girls. Accompanying her were Lorna Mott, Janice Sturtevant, Martha Smith, Jean Sugden, James Smith, Mary Alice Waters, Robert Waters, Dewayne Durant, Patricia Davenport and Gale Durant.

Taft 4-H Gun Club has begun its second project in gun safety. Secretary Elsie Liebelt, evidently some new members are doing project one of gun safety because Elsie is not a member of the first project) says six members were present for the August 27 meeting and another meeting is planned for September 6 at the home of the club leader, Norman Sibley.

Calendar—
Monday, September 10—Home Demonstration Council Meeting.
Thursday, September 20—Washer-dryer meeting, Midland.

Adjusting calorie needs for folks of varying ages and activities so each will have his calorie's worth from the same protective menus was subject for the training school for home demonstration group leaders on September 4. Most local groups will have this lesson for their regular September meeting.

The next lesson for the 1956-57 agenda has to do with the selection of hard surface floor coverings.

May we repeat an invitation extended last week to every Iosco County homemaker—plan to join a home demonstration group this month. Homemakers need a professional organization and this is it!

The home demonstration council meeting on September 10 is to be held at Tawas Township Hall, beginning at 7:30 p. m. Chairman, vice chairman and council delegates will attend. This is the time when the agenda of lessons, workshops and other activities is arranged for fall, winter and spring.

Do not neglect too long telling us if you wish to attend the washer-dryer equipment meeting in Midland on September 20.

Specially trained persons will discuss water conditioning equipment, quality water, detergents, bleaches and package water conditioners. Michigan State University specialists will demonstrate the washing action of various machines and explain just how washers and dryers work.

This is a real learning experience for the woman who wants to be an intelligent buyer of this new automatic equipment which can do so much to save labor and time for her. yet is one of the more expensive investments the family makes. Be sure you are right before signing the agreement.

A shower of stars certainly describes the display of fruits and vegetables at local stores and markets these days. Even tomatoes are beginning to look like they should be at the peak of their goodness.

The unmatched flavor of tomatoes in season seems reason enough to use them often in menus—sliced, in tossed salad, in combination with cottage cheese, meat, fish or eggs, tomatoes are a nutritive taste delight.

An apple a day with a new variety each time seems indeed possible as more and more varieties ripen.

There is a bumper crop of peaches in Michigan. Hale Havens are a favorite canning peach. Elbertas are another top canner peach. A bushel yields from 18-25 quarts canned or frozen.

When freezing vegetables, blanch them if the directions call for it. Vegetables contain certain substances known as enzymes which cause spoilage and loss of flavor. Their action must be stopped in most vegetables to assure proper preservation and this is accomplished by blanching them in hot water. Chill instantly after blanching and then hasten the vegetable into the freezer.

You get your money's worth pound for pound, when you buy small eggs these days. If large eggs sell for more than one-third above the price of small eggs, then the small eggs are the better buy. And, if dad has two eggs for breakfast, just be different and give him three for the very same amount of egg.

"MASTERMIND" OF ACID BLINDING—John (Johnny Dio) Diogardia is escorted into federal court in New York for arraignment on charges that he was the "mastermind" who ordered and paid for the acid blinding of labor columnist, Victor Riesel. Diogardia, a notorious labor racketeer who has been under almost constant investigation for months, was arrested with his brother and two other men and charged with conspiring to obstruct justice.

Farm Events

Calendar—
Wednesday, September 5—Everett Elwood in county to visit farm account cooperators.
Monday, September 10—Photography contest, 8:00 p. m., conference room, Federal Building, East Tawas, sponsored by Soil Conservation District board of directors.
Thursday, September 20—Northeastern Michigan Hereford Calf Association yearling sale at West Branch.
Tuesday, September 25—"Forest Tree Tour" at Lumbermen's Monument from 1:00 p. m. until 4:00 p. m.
Tuesday, October 2—Lamb, ram and ewe day at railroad yards in West Branch from 9:00 a. m. until 3:00 p. m.
Tuesday, October 2—Iosco County Farm Bureau annual meeting, Hale, at 8:00 p. m.

If you are out to kill rats and mice on the farm you will have the best luck if you mix your own bait. That, is because baits have to be fresh and attractive to keep the pests nibbling. The newest, most effective baits are made from the anti-coagulant poisons. The rodents have to eat this bait every day for several days to be killed.

The most commonly available anti-coagulants are warfarin, pival and fumarin—sold under many different brand names. You can buy them as ready-mixed bait or in the concentrate form which allows you to mix your own. Warfarin and pival also are sold as a water-soluble powder that can be used as a liquid bait. This is a good one to use, if cereal grains are easy for the rodents to find or where water is scarce or distant from the grain storage.

The United States Fish and Wildlife Service suggests either of these two recipes for effective rodent poisoning: 1. Corn meal, 65 percent; rolled or ground oats, 20; powdered sugar, vegetable or mineral oil, 15 percent; 0.5 percent concentrate of anti-coagulant poison. 2. Corn meal, 45 percent; rolled or ground oats, 45; vegetable or mineral oil, five, and a 0.5 percent concentrate anti-coagulant poison.

To protect grain in storage, put some of the stations near the natural travel routes leading to the storage bins are usually along buildings, fence rows or rubbish piles, not across clear areas.

If a station never has any bait removed while others do, then move that station.

Remember, the poison is dangerous to all warm-blooded animals. Since cats and dogs often find rodents which have consumed some of the poison, the pets can be poisoned, too.

It is wise to confine pets for a week or 10 days, starting about two days after the poison is placed, if rodents are numerous.

And it is important to keep the sweetened cereal bait away from livestock or dogs. That is one of the reasons for having a covered bait station.

More details on the best way to eliminate rodents are available at my office.

A large number of chemical weed killers now can be used on many crops at a cost below that of cultivation.

Our newly-published Extension Folder F-222, "Weed Control in Field Crops" will tell you.

The new publication has a table listing various crops and weed killing chemicals that are safe to use in those plantings, and when to use them.

The new Michigan State University folder also gives some pointers on cultivation for weeds, some principles of chemical, how to use weed sprayers, how to calibrate a sprayer and some pre-

cautions to follow. It is available free at our office. Legal insecticide residues for fruits are outlined in a new Michigan State University extension folder, available at the office, too.

Authorized by Extension Entomologist A. C. Dowdy, the publication, Extension Folder F-223, relieves doubts about how to use insecticides safely on fruit crops. Recent legislation allows certain amounts of pesticides to remain in or on harvested fruit.

The publication lists on a table the pesticides, their tolerance, the maximum dosage per 100 gallons of water, the days that should elapse between the final spray and the harvest and additional tips.

The folder also lists alterations in the "Spraying Calendar, 1956 Supplement," to jibe with recent information from the United States Department of Agriculture.

Fertilizer is the cheapest factor in low cost production of farm crops. Costs of farm machinery and farm labor have both risen much faster than fertilizer costs. That is why farmers today are using more fertilizer than ever before, according to Paul Rood, soils scientist at Michigan State University.

Paul says many Michigan farmers are not getting as much for their fertilizer dollar as they could. He says that fertilizers with equal amounts of phosphorus and potash, such as 2-12-12 and the so called "balanced" fertilizers like 10-10-10 and 12-12-12, have been oversold here.

The results of over 6,000 soil tests taken last year indicate that fertilizers with two parts of phosphate to one part of potash would be more suited to the needs of a great many farmers. Analyses of 3-18-9, 5-20-19 and 6-24-12 would be fortunate choices of fertilizers for the common needs of many Michigan crops, especially on the finer textured soils.

In this age of the cost-price squeeze, farmers can not afford to waste money, and using the wrong fertilizer can be just that. If you use too much of a particular element you are not getting full benefit from part of the fertilizer you paid for. If you use too little, you may starve the plant.

The most significant trend in the use of fertilizers is soil testing. An ever-increasing number of alert, up-to-date farmers are getting soil tests of their fields and then what fertilizer analysis and amount to use. If you want a sample tested bring it to my office. We can tell you what fertilizer to buy, how much to use and what your lime needs may be.

Farming today is undergoing a period of most farmers are going to have to make adjustment in their present programs if they are going to be successful in the coming year.

The agricultural economics department at Michigan State University is making a long-range study of farming in Michigan. Staff members plan to explore the possibilities and the changes that will have to be made to take advantage of them.

A part of this study, says Richard Wheeler, is the farm management research that has been going on in Mecosta County during the last 12 months. Economists worked closely with 12 families to size up opportunities for the future of their individual farms.

The problem was, how could families with limited capital and only 60 to 100 acres of sandy soil boost their net income?

The significant thing is that these farmers stood back, took a long objective look at their farming operations and asked themselves, "Where do we go from here?" That is the first step in solving any problem.

Office callers this week were: Shirley Walker, Gordon Hatch, James Martin, William Laidlaw, Howard Brazier, Victor Herriman, Fred Hohnke, Harold Hammond, Mrs. Melvin Brown, James Larzeler, Judy Bolen, Robert Reasner, Leo and Jan Fry, Chester Clark, August Lange, Mrs. Albert Groff, Darlene Groff and Iva Latter.

Many of those who shout the loudest about prejudice have the most of it.

Good manners can be exhibited by person while driving an automobile.

Bewildering Display of New Ideas at Saginaw County Fair Next Week

To the wondering eyes of an expected 400,000 visitors to America's largest county fair east of the Rockies, will appear a bewildering display of the latest developments in gimmickry and gadgetry, from lipsticks to silos. Row upon row of gleaming display booths are now being displayed by hundreds of merchants and manufacturers, who will travel from far and near to exhibit their goods at the 43rd annual Saginaw Fair, September 9-15.

Fair-goers may expect to see lavish, gaily inappropriate displays of Christmas decorations, with sounds of jingle bells on the soft September breeze. Women will stand wistfully wishing for the futuristic micro-wave and infrared stoves and ovens which boil water in paper cups, bake cupcakes in seconds without affecting the paper containers, turn out a large family roast in 30 minutes on a cake or potato in four, a thick steak in one minute, or merrily pop corn still "on the cob," while metal pots and pans, glass or china stay cool to the touch and food becomes sizzling hot.

A wooden table hides in a 24-inch cabinet, and expands to comfortably seat 10. New, many-hued telephones appeal to mothers by hanging high on the wall, away from small reaching fingers, with switches to control the volume of ring; Soft for baby's nap, loud for hanging out the wash. Other telephone features receiver volume control, for noisy locations or the hard of hearing.

Also for the hard of hearing, a display of hearing aids built into the lightweight frames of 30 minute glasses. For those interested in mobile homes, there is a 10-foot wide beauty built with what is called "basement construction" and attic. Musically-inclined visitors will be invited to try an electronic chord-organ, said to produce listenable music with one left and one right finger and one foot. The organ maker claims it will reproduce the tones of piano, violin, banjo, clarinet, chimes and percussion instrument among others. In yet another booth, students of accordion, guitar and the dance will present periodic "recitals."

Glamour and grooming for the ladies motivate the "beauty clinic" where they will experiment with various tints and pigments, creams and lotions, with helpful advice on hand. For the bookish visitor, a 15-volume set of childhood educational books, all with brightly illustrated dust jackets, will interest the baby-to-teen group, while seniors will peruse the latest adult encyclopedia. Sewing machines will feature simplified operation and fingertip control. Auto seat covers will boast pastel colors and shades to match or blend with new carbody tones.

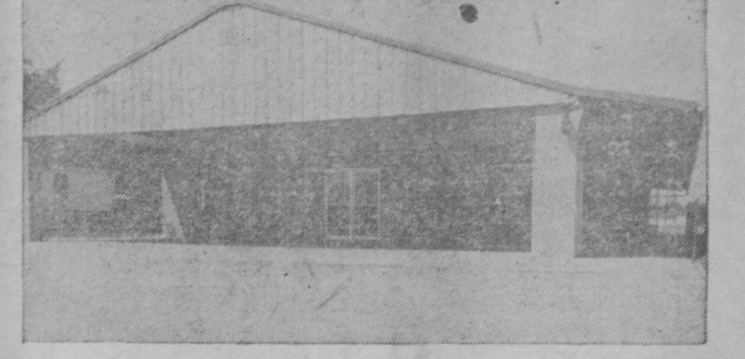

A display of dairy products will prove their relationship to good nutrition, and merchants will proudly show fiberglass awnings, traverse vertical window-blinds, and oven-proof china which claims a guarantee of not less than 100 years for breakage.

For farmers, gardeners and landscape enthusiasts, for anyone who desires to be handy about the house, there will be literally hundreds of tempting new tools, machinery and farm equipment. Power chain saws, plywood exhibits, new types of furnaces, farm and garden tractors, mowers, garage doors, harvester combines, corn pickers, silos and silo unloaders, woodworking tools and welding demonstrations are but a few.

All in all, visitors should be completely satiated with seeing, hearing, and learning during the seven days and nights of the "magnificent mile" of exhibits at the Saginaw Fair, September 9-15.

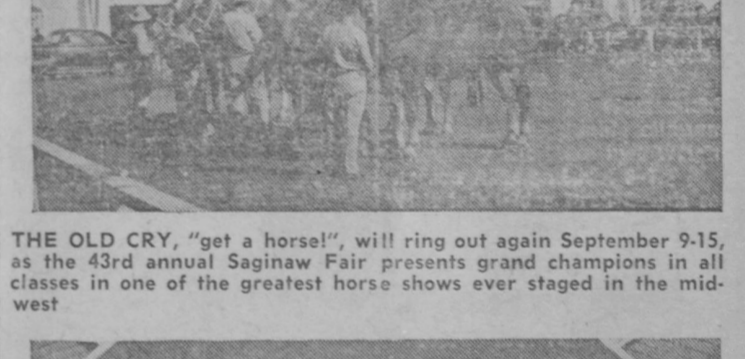

THE NATIONAL Championship 1956 Lightweight Horsepulling Contest, scheduled for 1:00 p. m., Tuesday, September 11, is a highlight of the annual Saginaw Fair, September 9-15.

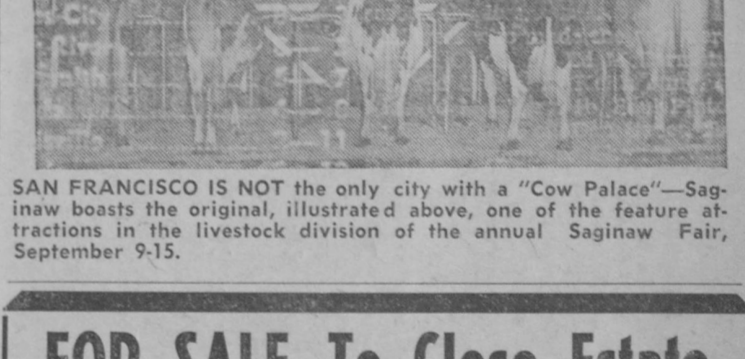

NEW \$40,000 ADMINISTRATION Building at Saginaw Fairgrounds. Building houses manager's office, treasurer, grandstand ticket reservation office, concessions office, public relations. New building will be formally opened and dedicated Sunday, September 9, opening day of the 1956 Saginaw Fair.

HUNDREDS OF NEW exhibits will vie for blue ribbons at the 1956 Saginaw Fair, September 9-15, but interest is still high in the old standby's like this display of needlework.

THE OLD CRY, "get a horse!", will ring out again September 9-15, as the 43rd annual Saginaw Fair presents grand champions in all classes in one of the greatest horse shows ever staged in the Midwest.

SAN FRANCISCO IS NOT the only city with a "Cow Palace"—Saginaw boasts the original, illustrated above, one of the feature attractions in the livestock division of the annual Saginaw Fair September 9-15.

Iosco Sheriff's Department Has Busy Week; 21 Summons Issued

Iosco County Sheriff's officers had a busy Labor Day week-end. The department issued 21 summons for moving traffic violations and 45 motorists were warned of violations.

The sheriff's department is checking a complaint from Mr. Rems, owner of a summer cottage at Jose Lake in Plainfield Township. The Rems' cottage was hit by a .22 caliber rifle slugs some time during the past two weeks. The sheriff warns that anyone shooting any rifle carelessly will be prosecuted.

John Sommers of Cass City was arrested at the intersection of Sand Lake Road and M-55 for reckless driving. Sommers, who officers said had been drinking, drove in a reckless manner past a Sand Lake bar.

Two Flint men were arrested at the High Roll Way camp after creating a disturbance. Lawrence Brown was fined \$100 plus costs of \$13 plus five days in jail by Justice H. E. Friedman. A second man, Orville Bair, was fined \$75 and costs of \$13. Both men were 23 years of age. The sheriff's department said the men were in a drunken condition and after being refused a sale at a beer store challenged several people to a fight.

Roy and Gerald Cole of Oscoda were arrested for creating a disorderly scene in Oscoda. Both men are alleged to have been drinking. Roy's father, Gerald, was driving his car in a public drive in AuSable and ran into the back end of a car owned by Richard Lonsberry. Both men got out of the car and created a disorderly scene. Roy Cole paid a fine and costs of \$50 for reckless driving. Gerald Cole paid fine and costs of \$91 for drunk and disorderly.

Robert Butler, 16, of Flint was sentenced Tuesday before Judge Herman Dehnke to serve two to five years in Jackson prison on the charge of larceny from an auto. Butler's arrest came after sheriff's department and state police investigated the complaint from Allan Herrington of South Branch.

Two other men, Leon Williams and Max Green, both of Hale, still await sentence for the same offense.

Edward Wynn of 106 Erie Street, Bay City, was bound over to circuit court after being arraigned before Justice H. E. Friedman. Wynn was released on \$500 bond. He was arrested after

Ryan-Woizeschke

The former Miss Carol Ann Woizeschke and William Howard Ryan exchanged marriage vows recently in a double ring ceremony performed in St. Joseph Catholic Church by the Rev. Fr. Robert P. Neuman.

The bride is the daughter of Mr. and Mrs. William Woizeschke of Tawas City, and Mr. and Mrs. Oliver Ryan of Columbus, Indiana, are parents of the groom.

Given in marriage by her father, the bride chose an ankle length gown of lace and nylon tulle over satin. The fitted lace bodice featured a Peter Pan collar, designed with rose appliques of iridescent and pearls and the tapered sleeves finished in wrist-point. The nylon tulle skirt front was accented with lace rose appliques. Her fingertip veil of imported illusion was secured by a lace cap outlined with miniature pearls. She carried a cascade arrangement of pink rose buds and delicate Stephanotis tied with white satin streamers.

Mrs. Joseph Bouhard, sister of the bride, was matron of honor, and Miss Reata Ulman was bridesmaid. They wore pink and blue bouquets of pink and blue daisies with matching headpieces.

William H. Cronk Jr., brother-in-law, was best man for the groom and Arnold Drumm was groomsman.

Serving guests were Joseph Bouhard and Theodore Trudell Jr.

A wedding breakfast was served to the immediate family at Lixey's Restaurant and an evening reception was held at the Tawas Country Club.

The couple left later for a southern trip.

Mrs. Johnson Surprised With Birthday Party

Mrs. Arthur Johnson of Whittemore was pleasantly surprised at a dinner party at the Holland Hotel at East Tawas last Tuesday evening in honor of her birthday.

The party was given by Mrs. Johnson's daughter and her husband, Glenda and Louis Ribaead of Bay City.

Guests present to make it a happy and memorable occasion were Mrs. John Barrington, Mrs. Robert Dahne, Mrs. Archie Graham and Mrs. Duncan Valley of Whittemore; Mrs. Earl Hasty and Mrs. Henry Jackson of West Branch. They are charter members of the Whittemore Birthday Club which was organized about 20 years ago.

East Tawas

(Continued from page 1.)
Mrs. Allen Dillon and family, who have been vacationing this summer at Ottawas Beach, were joined last week-end by Mr. Dillon and the family returned to their home in Flint. Mr. Dillon is a brother of Mrs. Earl McElheron.

Mrs. Thomas M. Foster and daughter, Linda, who spent the summer here and visited Mrs. Foster's parents, Mr. and Mrs. Fred Adams, have returned home. They stopped in Oklahoma and from there went to Newport, Rhode Island, where Mr. Foster was recently promoted to captain and will attend staff college.

Mrs. Lee Crockett and Mrs. Ruth Topping, both of Cleveland, Ohio, visited for a few days with Mrs. John Austin, Mrs. Austin and children, who spent the summer with her parents, Mr. and Mrs. Fred Adams, returned with her friends to Cleveland and from there took a plane to Seattle, Washington, where the family resides.

Frank Cobbett and his sister, Mrs. Beatrice Wiley, former residents of East Tawas, visited old friends here last week-end. They are now living in Detroit.

The 10th district meeting of the American Legion Post and Auxiliary will be held in Prudenville next Sunday afternoon.

Mr. and Mrs. Robert Haight and children returned to Detroit on Tuesday after spending Labor Day week-end with Mr. and Mrs. Oscar Jarvela.

Mr. and Mrs. Palmer Kilpatrick and two children of Toronto, Canada, have been visiting with Mr. and Mrs. Eugene Hanson, Mr. Kilpatrick is a nephew of Mrs. Hanson.

Mrs. Buelah Middleton, who has been at Ford Hospital, Detroit, is much improved and is now visiting her sister in Detroit.

Grace Lutheran Ladies Aid will meet at the church next Thursday evening, September 13, for a business and social meeting.

Mrs. Karla Rae Weaver and children have returned to their home in Saginaw after spending the summer at their cottage in East Tawas and visiting with Mrs. Weaver's parents, Mr. and Mrs. Robert Elliott Sr.

Visitors for two weeks in the Davey residence were Mr. and Mrs. W. J. Thompson and two children of Chicago, Illinois; Mrs. Donald Shepherd and two sons from Bay City, and Mrs. Agnes Thompson of Midland.

Past Noble Grands of Irene

Rebekah Lodge will meet at the Odd Fellows Temple Thursday

(today) at 1:00 p. m. for a pot-luck luncheon.

Mrs. William J. Burke and daughter, Helen Burke, also granddaughter, Diane Burke, are spending their vacation at Tawas Inn.

Mr. and Mrs. Roy Monahan of Flint spent the week-end at their summer home here.

Mrs. Sofia Sedstrom and son, Charles, of Detroit were guests of Mr. and Mrs. Nestor Niemi.

Fertilize Lawns Now

Everyone admires a deep green, thick and springy lawn. This kind of lawn enhances the beauty of the landscape more than any other item. It is a joy to see and a pleasure to walk on. This kind of lawn will seldom contain weeds and positively crabgrass cannot grow in it. It withstands traffic and the owner need not worry about children romping on it.

The perfect lawn does not just happen and there is no such thing as self maintenance. Starting with a good seed bed and a high quality permanent grass, the grass must be liberally fertilized two or three times a year. There is a constant leaching of plant food, more on sandy soils and in rainy seasons. Removing clippings removes even more.

Fertilizing now will restore a deep green color and cause roots to grow deeper and wider making the lawn thicker and crowding out weeds.

Where the soil is low in humus it is advisable to apply an organic fertilizer, such as Driconure, Sheep Manure, Milorganite or Peat Moss. In many instances best results are obtained by applying both organic and chemical fertilizers. The best chemical fertilizers are those that contain nitrogen, phosphorus and potash. The best buys are the high analysis fertilizers like 12-12-12 (36 percent) or 12-4-6 (24 percent).

The Clark Farm Store of East Tawas carries a complete line of fertilizers including 12-12-12, 12-6-6, Driconure, Sheep Manure, Milorganite and Peat Moss. They will give fertilizer recommendations for specific lawn conditions. adv. 36-1b

Alabaster Garden Club Observes Third Birthday This Week

The third anniversary of the Alabaster Garden Club was observed at a meeting this week. A special program of movies and a speaker was arranged for the occasion by Daisy Smith, president.

Principal speaker at the affair was Harold R. Clark of East Tawas, who gave an interesting talk on landscaping and soil mulching.

Guests were present from AuGres, Tawas City and East Tawas garden clubs. Prize winners were Mrs. H. Waltons of East Tawas and Helen Masner of AuGres. Mrs. Sadie Harrison of Tawas City won the door prize.

The Alabaster club gave Mrs. Clark, wife of the speaker, a bouquet of flowers.

Flowers decorating the tables were from the garden of President Smith. A third anniversary cake was baked by Fannie Waldstead, vice president. Tables were decorated with yellow candles and pink and blue cookie baskets.

Pictures were taken of each club and prize winners.

One of the more spectacular developments at the army's center at Fort Knox, Kentucky, is a vehicle, known as the "mule" which can climb a 72 percent grade with a load of 1,000 pounds. The "mule" is designed so the driver can dismount, swing controls to the side and crawl along fairly well protected from enemy fire while carrying supplies to the front lines.

TRUCK LEASING SYSTEM TO HOLD CONVENTION

National Truck Leasing System has scheduled its 12th annual meeting for September 10-13, at the Congress Hotel, Chicago, Illinois, is the announcement made by Gordon G. Everett, member of the board of directors of the National Truck Leasing System and manager of Ottawa Equipment Company, which leases more than 60 trucks to users in the North-eastern Michigan area.

Three mornings will be devoted to general sessions, four afternoons to workshops, clinics and seminars, and on three evenings social events will be scheduled, according to Miss Martha Dunlap, executive manager of the system, whose offices are in Chicago.

Over a hundred top management executives from all parts of the United States and several Canadian cities will attend the meeting representing the 56 leasing companies in the system whose service facilities are located in 170 major metropolitan areas, and whose aggregate leasing assets are in excess of \$60,000,000.

Marathon

Perhaps the most colorful pair of canoeists to finish was the father-son team of Nicholas Ranco, 65, and Nicholas Jr., 29, Penobscot Indians of Old Towne, Maine. In 1949 the elder Ranco held the international canoe handling championship when he competed in the big event in Boston. The first time they had ever seen the AuSable, Ranco said they lost their way in the backwaters of one of the dams and stopped to rest for a few minutes before proceeding in the race.

Prizes and trophies were awarded in ceremonies Sunday night at Oscoda. First place winners were awarded a check for \$1,000 and the Tom Marston trophy. Second place winners received \$500. Cash prizes were also awarded to third and fourth place winners.

The lone Tawas City entry in the race, Steve Kolonich, and his partner, Carl Joy of Ossineke, retired from the race in the backwaters of Mio dam. Kolonich was the second place winner last year, paddling with Larry Kindell, who now is in military service.
