Do you know this spanking Buick is new from the

Do you know its roof line is inches lower - yet there's full headroom, legroom, footroom for all six passengers?

THIS NORTHERN PIKE was caught Friday, February 15, on the AuSable River near Hale by Frank Gartner of Sage Lake, Route No. 1, Hale. Weighing 21½ pounds, the pike was caught on a tip-up with golden shiner for bait. Frank was assisted in landing the fish by other members of his party, who were Ray Allen, Merlin Jordan and Lawrence Jordan of National City. This is the largest of several nice pike that have been taken on hook and line near Hale this winter. Gartner did not reveal the exact location where he caught the big fish.—Photo by Al Forshee.
