Tawas Area to Occupy New School February 18

Contractors, Davison-Rose, Builders, Northern Plumbing and Krown Electric, have stated that the new Tawas Area Junior and Senior High School will be ready for occupancy with the exception of the gymnasium-auditorium and possibly the band room, by Monday, February 18, if no unforeseen obstacles arise.

This date is being planned by the board of education as the long awaited moving day. On Monday and Tuesday, February 18 and 19, freshman boys and girls and sophomore girls will not be required to attend school. Other pupils will go to their regular classes on Monday morning and moving operations will begin. It is hoped that all materials can be moved during the two days.

Only grades nine through 12 will be housed in the new building this year. The board of education believes that the seventh and

eighth grade will gain educational advantages by not disturbing its program.

Sufficient bus transportation will be provided so no pupil will need to drive a car to school except for those participating in after school activities.

Existing school buildings will be loading areas to transport pupils to the new building. If a suitable number of pupils on a bus route and from school can arrange for a loading area in places other than the school buildings, these places will be designated as loading and unloading areas.

The board of education wishes to announce that no pupil will be allowed to drive during school hours except with the specific permission of the principal. The pupils should understand that this privilege will only be granted in emergency cases.

The lunch program will be installed in the school when the building is occupied or very shortly thereafter. Pupils will be able to purchase their lunches at the school and a place will be provided for those who carry lunches.

Visitors to the school will be aided if they call at the administration office for instructions and secure a pass to visit classes. This procedure will also eliminate confusion within the building.

Student and visitor parking areas are provided at the east side of the school building. The drive in front of the school building is to be reserved for school bus transportation only.

The telephone number at the new building will be FOREST 2-2381. This is the telephone number in the present principal's office. All calls to the new building will go through this number.

Community groups who wish to make reservation for use of the new building are asked to call at the administration office and sign reservation forms. Every effort should be made to get reservations well in advance of anticipated events and a two-week notice should be given in all cases so proper arrangement can be made. The board of education feels that these rules and regulations are for the best interests of the whole Tawas area. They are pleased with the building about to be occupied and feel sure that the community will enjoy it for educational purposes and as a center for activities in the Tawas.

The Tawas Area Board of Education believes that the Tawas area residents can feel justly proud as they occupy this new building, also that this is another step in the development of the Tawas.

Drive for Fight Against Polio Starts in Iosco

Iosco County's annual drive to raise funds for the March of Dimes campaign will start this week, it was announced by John Watkins of East Tawas, county chairman. Letters will be mailed out with inserts for return mailing to campaign headquarters.

The annual "Mothers' March on Polio" in the Tawas will be held Thursday night, February 14, starting at 7 o'clock. Signal for the start of the house to house canvass by various women's organizations of the communities will be the sounding of fire and police sirens.

In charge of the "Mothers' March" is Sgt. Frank Roti, commander of the Michigan State Police post at East Tawas. George W. Myles and Russell Rollin are in charge of making arrangements for Tawas City while Louis Gorham and Gordon Hueck are in charge at East Tawas.

Albert H. Buch, county campaign treasurer, reports that during 1956 Iosco County raised \$5-276.21, which included a contribution of \$1,100 from Wurtsmith Air Force Base.

Each year the county has received more money from the National Foundation for Infantile Paralysis than has been raised locally. In 1956 the national headquarters sent \$12,925 to take care of current and past bills.

The county chairman and his co-chairmen, Nathan Barkman of East Tawas and E. D. Jacques of Tawas City, urge citizens of the county to contribute as much as possible as the need for cooperation from everyone is great. Several organizations have already mailed in their contributions. Canisters are to be placed in the business sections of each city and will also be placed in the schools of the county.

The county-wide program is under the sponsorship of the Tawas Kiwanis Club.

Mich. Luther Leaguers Here This Week-End

On February 8, 9 and 10, the Grace Lutheran Church of East Tawas will be host to 125 Luther Leaguers from the Eastern Michigan District of the Augustana Lutheran Church for a winter retreat.

Registration and a mixer party will take place Friday evening at 8 o'clock at the church. Leaguers will be coming from churches in Detroit, Pontiac, Berkley, Waterford, Flint, Lansing, Bay City and Oscoda. The Lutheran Women's Society of Hope Lutheran Church in Oscoda will serve refreshments Friday night.

Saturday morning there will be a Bible study and discussion groups on teen-age problems. The afternoon will be spent at Silver Valley. A banquet will be held at the church at 6:00 p. m. The Rev. Edward Carlstrom from Manistee will be the guest speaker. The theme of the week-end retreat will be "The Power of Paul." This theme is based upon both the Apostle Paul and Paul Bunyon. Following the Paul Bunyon banquet (See LEAGUERS, page 8.)

Miss Linda Hudson Reigns Over 3-Day Carnival as Queen

LINDA HUDSON, MISS SILVER VALLEY OF 1957

Another three-day winter sports carnival came to an end Sunday on a note of success as an estimated 5,000 persons jammed the popular winter sports area in Iosco County on the final day.

Although an accurate count was not available at the park for the two days, it is thought that Saturday and Sunday's crowd of winter sports enthusiasts was one of the largest in the history of the event.

One of the top drawing cards for the carnival was the demonstration of combat tactics presented by the 15-man army ski troop from Camp Hale, Colorado. Two programs were presented on slopes near the Silver Valley ski chalet by these expert ski instructors.

Featuring the big week-end was the selection of Miss Linda Hudson, 17, of Bay City as Silver Valley Winter Sports queen. The slender, blond high school senior was crowned during ceremonies at the Tawas Area School gymnasium Saturday night by Bob Reynolds of WJR-Detroit. Reynolds filled in for Ross Mulholland, who was unable to attend because of the sudden illness of his wife.

Runner-up in the six-week popularity-personality contest which decided the selection was Jerry

Cushion of East Tawas. Other members of the court were Catherine Ball, Tawas City; Carole L. Egelus, Cadillac; Sally Jones, Midland; Mary Jo McBrearty, Pontiac; Nancy Moreau, Saginaw; Shirley Richert, Flint; Kay Wheatley, East Tawas, and Jean Echold, Detroit.

During the coronation ceremonies Judy Stanton, 1956 Silver Valley queen, ended her reign when she turned over the crown to Reynolds, who in turn placed it on the head of Miss Hudson.

The 11th annual East Detroit Lutheran Caravan will visit Silver Valley Sunday, February 10, for winter sports activities. More than 1,000 persons will make the trip. The group will also hold vesper services Sunday afternoon at Lumbermen's Monument.

As first prize in the contest, the new queen was awarded a 10-day expense paid trip to Mexico City and Acapulco. She plans to take the trip later in the month or early in March. Other merchandise prizes were awarded to the queen and her court.

Tawas Bay Aerie Observes Tenth Anniversary Sunday

Nearly 100 persons attended the banquet on Sunday afternoon, February 3, at the Eagles Hall commemorating the 10th anniversary of the local Tawas Bay Aerie No. 2588 and the 59th anniversary of the Grand Aerie.

Honored guests were Mrs. Mary Lixey, auxiliary president; Thomas Harris, Tawas Bay Aerie president; Lionel Butler, secretary; John Applin, chaplain, and Roy Bergeron, trustee.

Mrs. Lixey presided at the program. Miss Helen Applin gave the invocation appropriate to the anniversary and chaplain's day.

A welcome was given by the auxiliary president and introduc-

tory remarks by President Harris.

John Applin, speaker of the occasion, gave an inspirational talk on the accomplishments and the history of the Grand Aerie of Eagles. He reviewed the different phases of Eagles work, especially for the aged and the youth. He stressed their work in the care and education of the children of Eagles who died in action in the World Wars. Through the memorial foundation many have received college training. The fund now nears the two million dollar mark. He listed many historical characters who have given of their time, talent and means to further the work. He closed by saying, "This

is not just a social organization but it is doing great work for the good of humanity."

Secretary Butler gave the history of the local aerie. It was organized January 19, 1947, with 110 members. The organizer was Joseph Carl of Detroit. Assisting were Paul Pinkerton, Stanley Conley and William Coos of Alpena.

The first local officers were: President, William May; secretary, Lionel Butler, and treasurer, Frank Blust. The auxiliary was organized in December 1948.

The president presented Mr. Butler with an honorary certificate of membership to the Grand Aerie (See EAGLES, page 8.)

Open House Sunday at Immaculate Heart Church

Open house will be observed at the new Immaculate Heart of Mary Church Sunday, February 10, and an invitation has been extended to the community to attend the event by the parishioners and pastor.

Established in 1952, the parish has grown steadily, climaxing this year with the completion of the new church. During 1956 the parish spent more than \$187,000, which included money spent on the church plus improvements and running expenses.

Work started Wednesday of this week on installation of new pews. This work is expected to be completed Friday.

The Rev. Fr. Joseph Castanier, pastor of the church, received a letter this week from Mayor George W. Myles, who congratulated the parish for its beautiful new church.

"The citizens of Tawas City are proud of the new church which is a major contribution to the modern buildings that have been constructed in the past few years," commented Mayor Myles. "The location being on US-23 overlooking Tawas Bay will add considerably to the architectural beauty of the church, as well as improvement of the city."

The parishioners and Fr. Castanier join to extend a welcome to all who would like to see the newest church in the diocese of Saginaw. The first Mass will be celebrated Sunday, February 17.

Melvin Groff and son, Allen, of Flint spent Saturday and Sunday with Mr. and Mrs. Charles Groff. Richard Berube, also of Flint, accompanied them and visited his mother, Mrs. Ora Berube.

Tawas Reserve Unit To Activate Soon

A year-long attempt to organize an army reserve unit in the Tawas will bear fruit next month. Between March 1 and 15 the new unit will activate.

Since the first meeting was called a year ago in March, weekly sessions have been held by prior servicemen and young men who had not yet fulfilled their military obligation. Early organizers were Jack Bronson of Tawas City, Captain Samuel Fortune of Bay City and Sgt. John Smith, local army recruiter.

At present the unit consists of 29 enlisted men and two officers. For pay purposes they are assigned to the Midland reserve unit. The local unit is working toward a complement of 175 men.

To be organized as a transportation terminal service company, the group includes men from the Tawas, Hale, West Branch, Oscoda and AuGres.

(See RESERVES, page 8.)

Lloyd Borden Loses Hand in Accident Sunday

Lloyd Borden, night watchman at the Detroit and Mackinac shops, had his hand severed from his right arm in a power saw accident last Sunday morning. The accident occurred just before quitting time while he was preparing kindling for the way car. He was rushed to the Tawas Hospital by Carl Steinhurst where he received immediate treatment by Dr. L. A. LaPorte.

Born to Mr. and Mrs. Bruce Leslie of Bettsville, Ohio, a daughter, Catherine May, on February 2.

CASTAGNIER'S PLAN OPEN HOUSE FRIDAY

Open house will be held at the newly remodeled Castagnier Restaurant in Tawas City Friday, February 8, from 2:00 to 7:00 p. m. Regular business hours will resume Saturday.

Remodeling of the building's interior has been underway since January 1. A new redwood front was completed last fall.

Sidewalls of the interior of the restaurant are lined with a wainscoting of ponderosa pine in natural finish. White planking finishes off the upper walls. Ceilings are of white acoustical squares and floors are of asphalt tile.

New fluorescent lighting fixtures were installed and windows decorated with white curtains. Blond color formica top tables and chairs complete the decorations.

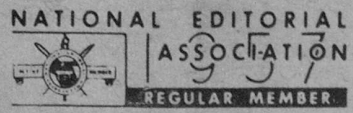

February also marks the Castagnier's first anniversary of business in Tawas City. They purchased the local restaurant a year ago from Mr. and Mrs. Norman McNeil.

JUSTICE REED RETIRES

Associate Justice Stanley Reed packs up some papers in his Washington office after the White House announced that he is retiring from the United States Supreme Court at the end of this month. Reed, a Democrat, has served on the nation's highest tribunal for 19 years. In a letter to the president, he gave his age, 72, as reason for his retirement.

Attend Methodist Youth Fellowship

Five young people of the Methodist Youth Fellowship of the Tawas Methodist Churches attended the Saginaw Bay district mid-winter institute in Saginaw over the week-end. The young people attending were: Jean Schaff, Carolyn Evans, Karen Hunter, Mark Sedgeman and Sharon Crutts.

Dr. Hoover Rupert from Jackson was the speaker, using "Being a Christian in an un-Christian World" for his topic.

Local members were guests in different homes in Saginaw during their stay at the institute.

IHM Altar Society Holds Regular Monthly Meeting

The regular monthly meeting of the Immaculate Heart of Mary Altar Society was directed by Mrs. Lawrence Ball, vice president. Proceeds of the last bake sale were sold, and Mrs. Sanford LeClair and Mrs. Joseph Homberg were named to head the next bake sale.

The next reports concerned the card party groups. Plans for the pre-Lenten card party in the game room of the SS Western States were discussed. Mrs. Dorothy Crown volunteered to check further arrangements. Samples of chinaware with church pictures were shown and Mrs. Frank Lansky gave some information about stationery with a picture of the new IHM Church thereon. Plans were formulated to have this stationery sold.

The group was the recipient of four large Indian baskets which were donated by Mrs. Florence LeClair, Mrs. Mary Nemeth, Mrs. Mary Lazurewicz and Mrs. Shirley Deering were named to the nominating committee for the selection of candidates for the presidency of the altar society.

The Rev. Fr. J. A. Castanier asked the ladies to give the new church a general cleaning February 9 in preparation for the open house on February 10. Father Castanier also informed the ladies that February 16 is "moving day." On that Saturday the parish will move from the theater building which has served the IHM parish as a church for the past 4 1/2 years to the new church. The first Mass in the new edifice will be celebrated on Sunday, February 17.

The refreshment committee was composed of the following members: Mrs. Irene DeLosh, Mrs. Deering and Mrs. Cassie Dillon.

BAPTIST CHURCH NOTES

The Baptist Dorcas Society will meet Tuesday evening, February 12, at the home of Mrs. James Roach.

The Baptist Missionary meeting will be held at the church Thursday afternoon, February 14.

Clings to the road like a stripe of paint!

The '57 Chevy can give lessons on taking curves and holding the road to just about any car going. Few cars at any price are so beautifully balanced and so smooth, sure and solid in action.

A car has to have a special kind of build and balance to keep curves under control. And nobody outdoes Chevrolet in that department! It "corners" with all the solid assurance of an honest-to-goodness sports car. Chevy doesn't throw its weight around on turns because it carries its pounds in the right places.

And if the road should turn upward, Chevy can take care of that nicely, too—with up to 245 h.p.*

ABOUT TOWN

Plenty of 'Braves' But Not Enough 'Chiefs' at Youth Canteen

Attendance at the new Tawas Youth Canteen, located in the East Tawas Community Building, during the past three Saturday nights has been very good, but the project is in definite need of additional adult chaperones.

"To see this project through to success we must have the cooperation of parents and other adults to act in a supervisory capacity," remarked Mrs. Cabbie, who is chairman of the Ladies Literary Club's special committee for this program. She would appreciate hearing from anyone who would spend some time on the project.

Opening night, January 19, saw more than 100 young people enjoying the new facilities. The

second night hit the peak of 150 and the third night, February 2, about 100.

Mrs. Cabbie said that the organization hopes to add more equipment this week-end. The snack bar has been very successful so far.

The young people want to thank the organizations, business places and individuals for making the youth canteen possible.

Short History of D and M Told in Railroad Magazine

The December issue of Railroad Magazine carried this short history of the Detroit and Mackinac Railway:

"The D and M was started as a logging road about 1878, at a point south of Tawas, and ran through the forest. The rails were 38-inch gauge of narrow strap iron screwed to two by fours and laid on flat timbers. Later, the line purchased the Bay City and Alpena logging road. In 1905 it began operating through trains from Bay City north to Cheboygan, connecting with a boat for Mackinac Island. At first it was known as the Turtle Road and all equipment carried a turtle picture emblem. Passenger business declined about 1930 and in March 1951 it was discontinued.

"Steam power gave way to diesels in 1947, the D and M being America's first all-diesel railroad. Today it is a 230-mile freight line."

Detroit Newsmen and Families Here for Winter Sports Week-End

Among the out-of-town visitors to the Tawas and Silver Valley last week-end were several staff members of the Detroit Free Press. They were guests of Robert and Sherman Rosen aboard the SS Western States in Tawas City. The group included Mr. and Mrs. James Pooler, Miss Kay Savage, Mr. and Mrs. Thomas Venaleck, Mr. and Mrs. Morgan Oates and family, Mr. and Mrs. H. E. Kennedy, D. W. Lindsay and family, J. H. Beck, Mr. and Mrs. John Allen, Mr. and Mrs. Kenneth Armstrong, Mr. and Mrs. James Schiazone and Harvey W. Beuth.

Slopes Too Slow for Troopers; Ski Down Toboggan Slides

Ski slopes at Silver Valley proved to be too slow for several of the army ski troopers who were here for the week-end. They remedied this by going down the iceed 1,500 foot toboggan slides. This feat is not recommended for the amateur skier, however. By the time the troopers reached the base of the slide they were traveling at speeds upward of 50 miles an hour.

California Has Triplet Calves, Too, Says Former Tawas City Resident

A recent note from Richard T. Zollweg of Garden Grove, California, revealed that Isoco County is not the only place in the nation which boasts a set of triplet calves. Several weeks ago the Herald reported that identical triplet calves were born to a Holstein cow owned by Ronald Green of Baldwin Township. Mr. Zollweg sent a clipping from his local paper, The Garden Grove Daily News, which told of a set of triplet calves born there. The newspaper reported that it was the first set of triplets born in that area in 30 years.

Former Isoco Banker Died in California

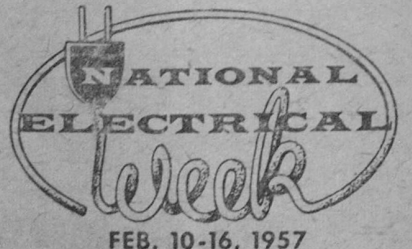

L. A. Chichester, one time banker at Whittemore, died last Wednesday in California. Before his retirement in 1949, Mr. Chichester had been assistant secretary and credit manager of the Dow Chemical Company at Midland. He had been with the company since 1918.

Previous to going to Midland he had been cashier of the McPhail and Macomber Bank at Whittemore until 1916 when he was transferred to the Midland bank of that firm. He was succeeded at Whittemore by C. H. Ridgely. Mr. Chichester was a native of Coleman.

Imagine what your life would be like without electricity. Imagine a world without electric lights, radio, television, motion pictures... without electric appliances... without X-ray and electrocardiograph equipment... without whole industries that are dependent on electric power.

How different a world it would be from the one we know! So different it's hard to realize that it has been only 77 years since Thomas A. Edison invented the first practical incandescent lamp and paved the way for the harnessing of electricity.

During this week people in all the various groups that make up the electrical industry join together to pay tribute to Edison and to other pioneers of electrical progress and to rededicate their industry to continuing progress and service to the nation.

Are you one of those gardeners who is fascinated by something new to raise in your home garden? Well, here is a real challenge—blueberries. Of all the fruit plants grown in Michigan, the cultivated highbush blueberry is probably the most difficult to raise, according to David Dille of Michigan State's horticulture department.

The reason that most attempts to grow blueberries in the home garden fail is that the blueberry has a special soil requirement. It is one of the few plants that grows in an acid soil. Since most plants like a neutral soil, gardens are limed until the soil is much too sweet to grow the blueberry.

You can get a properly acid soil by mixing two parts of acid peat with one part of garden soil. This also gives the soil plenty of organic matter. Dig a hole about two feet square and a foot and a half deep. Fill this with your peat-soil mixture and then plant the blueberry bush.

Besides producing fruit, the blueberry is also an ornamental bush, and can be planted in hedges, mass plantings or as individual shrubs. Why not try growing one in your garden?

Some of our lamb producers have lambing operations under way in February and March. They are interested in catching the high lamb prices in July and August. All lamb raisers may have orphan lambs. Orphan lambs should be put on a grain ration as soon as possible.

Lambs can be put on grain in about two weeks after they are born and will nibble at hay in that time, too. As a substitute for the ewe's milk during these two weeks, we recommend using a milk replacer instead of cow's milk to get lambs started.

Tests at Michigan State University have shown that milk replacers fortified with a B vitamin are better than cow's milk for feeding orphan lambs. The milk replacer helps lambs make more efficient use of the grain when they become old enough to eat grain.

In some cases, according to the Michigan State University researchers, milk replacers fed in addition to ewe's milk can also boost the efficiency of grains made by nursing lambs.

More and more homemakers are using planters and large foliage plants in the decoration scheme of their homes. Plants are beautiful, and they add interest to a room.

Unfortunately, however, house plants are not always an unmixed blessing. Practically all house plants are susceptible to attack by insects.

Julius Hoffman of the entomology department at Michigan State University, says that the most common attackers of plants in the home are spider mites, aphids, mealy bugs and scale insects.

The spider mite is extremely small and is often overlooked until the leaves of the infested plant appear light and then speckled. The leaves eventually dry and fall off. Hoffman says you can sometimes control a light infestation of spider mites by spraying a stream of water on them. For heavier infestations, use aramite, kelthane or malathion. Another pest is the cyclamen mite, which is even smaller than the spider mite. The foliage of a plant attacked by this insect is usually deformed and often thickened. The best control is removing the plant and destroying it.

Aphids are small, soft-bodied pests. They produce living young

and they can build up a large population in a short time. They excrete a material which gives the leaves of the plant a shiny, sticky look. These spots will eventually get a black sooty mold. Hoffman recommends malathion or nicotine sulfate as a spray or dip. These are also the most effective chemicals for controlling bugs and scale insects. Both mealy bugs and scale insects produce the same type of honeydew as do aphids, but they are harder to get rid of. In fact sometimes the easiest way is to pick or scrape the pests from the plants.

Marine Legislation to be Studied

The marine affairs committee of the house of representatives has begun a series of joint meetings with the Michigan State Waterways Commission to determine what legislation, if any, is necessary in the marine field.

The waterways commission has gained considerable experience in the recreational boating field and is proposing certain legislation to the committee. One of these proposals is a combination boat registration-boat licensing statute designed to integrate the present licensing statute with an overall registration and identification statute.

This proposal calls for the licensing of all boats operated by inboard or outboard motors and the license would be carried on both sides of the boat to provide for easy identification of this boat. The license plates will be similar in size to those presently carried on automobiles.

Representative James P. Mielock of Whittemore, chairman of the marine affairs committee, has requested that all interested constituents inform him of their attitude toward both the idea of boat registration and the proposal of the commission. Letters should be addressed to him in care of the House of Representatives, Lansing, Michigan.

Cadillac

His Golden Anniversary at the Wheel!

In Texas, there is a gentleman who is currently driving out his fiftieth year at the wheel of a Cadillac car.

In New Jersey, there is another gentleman who has purchased every yearly model that Cadillac has produced over the past fifty-three years.

These are simply dramatic examples of one of the most remarkable truisms in all motordom: that once a man takes the wheel of a Cadillac, he usually remains at the wheel of a Cadillac!

To be sure, a motor car would have to offer many unique virtues in order to win so generous a place for itself in the affections of so many.

And, in the case of Cadillac, we think these virtues are self-evident.

There is, first of all, quality. No effort of styling or design or craftsmanship is ever spared

to make Cadillac the finest possible motor car.

There is beauty and luxury and performance. The car's magnificent styling and interior coachwork have, over the years, brought Cadillac an inbred majesty and elegance that are entirely its own . . . and Cadillac engineering has been the industry's constant inspiration.

Finally, there is reputation. Never in automotive history has another motor car sustained such an abiding public conviction in its own goodness.

And, certainly, these basic Cadillac ingredients have this year reaped their richest harvest.

So whether you've been at the wheel of a Cadillac for half a century . . . or have yet to spend your first hour in the "car of cars" . . . you should see and drive this newest of Cadillacs.

Need we say more?

By EARL HAIGHT
Roscommon strengthened its grasp on first place last Friday night by removing one of the runner-up teams, Standish, 50-31, while Tawas Area remained in contention with a 54-44 win over Beaverton. West Branch and Houghton Lake stayed a full game behind with victories at Pinconning and Gladwin and Sterling climbed into a tie with Eastern by turning back the Eagles, 42-41. The Orioles dumped Pinny, 63-38, as the Lakers were downing Gladwin, 44-38.

Individual scoring honors for the night went to Bob Fassett, Beaverton forward, who tossed in 10 from outcourt and two from the free throw line for 22 points. In the runner-up spot was Keith Hanna, Roscommon forward, with 17 on eight and one, while Gary Huey, West Branch guard, was a close third with 16.

Games on tap for this Friday include: Eastern at Beaverton; Tawas at Roscommon; Sterling at Houghton Lake; Gladwin at West Branch, and Pinconning at Standish.

At Roscommon, with first place at stake, both teams played cautious, conservative ball, with the Bucks holding a 10-7 first quarter lead. An 8-6 second period count gave the winners an 18-13 lead at the intermission. The greatest scoring in the contest came during the third stanza with Roscommon holding the edge with a 19-12 score and a 37-25 bulge at the start of the final eight minutes of play. A 13-6 tally in the fourth quarter iced

the game for the winners. The absence of Pete LaMont, playmaker guard for Standish, had much to do with the final outcome of the game.

Hanna was high for both squads followed by Dennis O'Keefe, Golden Arrow forward, with 13 on five and three. Jim Granlund, winner's guard, and Jim Pappenfus, Buck forward, also hit in double figures with 11 and 10, respectively. Roscommon also won the reserve contest, 51-35, as Gary Siderman hit for 24.

Houghton Lake worked out a 10-8 first quarter lead in its game at Gladwin and increased the lead to 22-14 at half-time with a 12-6 second period count. Following the intermission, the Lakers took the third stanza with a 15-12 showing but lost the final quarter's scoring to Gladwin, 13-7, as reserves took over the last few minutes of play.

Phil Kemp, Laker forward, topped both fives with 15 points picked up on seven field goals and one free throw while his teammate and guard, Dave Lee, was next in line with 11. Gladwin had three men hit for 10 each in Doug Hall and Ken Heath, forwards, and Dick Stone, a guard. The Bobcats JV five remained in a tie with Standish for reserve team honors at 9-2, with a 51-41 win over the host school's reserve quint.

West Branch powered its way to a 25-point win at Pinconning, taking the scoring honors in all periods of play. A 13-10 first quarter score and a 20-12 second period count gave the Orioles a 33-22 intermission lead. Fourteen more points were added to the count with a 17-8 third stanza tally and a 13-8 final quarter score.

The winners had three men in the double figures class while the losers could muster but one. Huey was high with 16 while Joe Reiger, center, picked up 12 and Dave Walsh, guard, had 11. For the Pinconning quint, Kent Guski, forward, was high with 11. West Branch also won the reserves contest, 53-26.

Eastern had three men over 10 in the scoring column while Sterling had but one, but the Eagles had to be satisfied with a one-point loss to the Hawks. Sterling grabbed an early first quarter lead of 15-10 which they increased to a half-time lead of 27-17 with a 12-7 second period score. A 9-8 third quarter tally in favor of Sterling added one more point to its margin which

Braves Eye First Place in Game Friday

All eyes of Northeastern Michigan Conference followers will be focused on Roscommon this Friday night when the Tawas Area Braves meet the league-leading Bucks in a basketball game which could go a long way in determining the league championship.

As it now stands, Tawas Area trails Roscommon by a half game. In the first meeting of the two teams this season, the Braves came out on top with a 50-46 win.

Last Friday night the Braves again showed a well-balanced offense in their 54-44 defeat over Beaverton. With the Braves playing ball control and stall tactics, Tawas Area had four men hitting in double figures with Dick Lanski on top with 15, followed by his running mate at forward, Ray Guyette, with 14.

Others who hit in double figures for Tawas Area were Dave Featheringill, guard, who picked up 12 while Ken Bublitz, center, meshed 11. For the losing Braves, Fassett led both squads with 22 points while Marlin Spencer, also a forward, chipped in with 10.

Although Tawas was able to get but a 7-4 lead at the end of the first quarter's play, when the Braves held the ball in front court until they were sure of a good shot, the Braves took a 15-10 advantage in the second period to give them a 22-14 first half edge.

was needed as Eastern came through with a 16-6 fourth period count, almost enough to catch the winners. The reserve game, won by Eastern, was also a close game, the final score being 41-40.

Scott Allen, Sterling forward, was high man for both squads with 15 on five and five. Top scorer for the losers was Bill McCormick, fine pivot man, with 13, followed by Jim DeWald, guard, with 12, and Gene Steward, forward, with 10.

Schedule for Tuesday night, February 12: Beaverton at Houghton Lake; Roscommon at Eastern; Standish at Tawas; West Branch at Sterling; Gladwin at Pinconning.

The third quarter found the Braves racking up a 21-12 count which decided the ball game's outcome as the losers took the final quarter's scoring at 18-12.

The Tawas Area JV squad won its eighth game of the year by downing the Beaverton JVs, 50-32. Top scorer for the winners was Bill Hill with 16 points.

Cards Win to Stay in Race With Oscoda

The Whittemore Cardinals kept on the heels of the Oscoda Owls in the Huron Shore League with an easy 52-32 win over Au Gres Friday night. Au Gres made a close race of it only in the first quarter, trailing the Cards by only one point as the second period started.

The Cards started connecting and had built up a 10-point lead by half-time. Au Gres was able to make but three field goals in the last half as the Cards continued to hold complete control of the game.

The Wolverines scored 16 of their 32 points on charity tosses connecting on 70 percent of them. Orval Fuerst led the Cards with 20 points, with Jack Graham doing a very good job at forward scoring 13. Schultz led the Wolverines with nine points.

The reserve contest was a different story, with Au Gres leading all the way. Chartier scored 12 points for the winners and Aulrich dropped in nine for the Cards. Final score was 37-22.

CARDS DROP FAIRVIEW IN TWO GAMES TUESDAY

The Whittemore Cardinals defeated Fairview Tuesday night, 84-51. The Cards took a 26-14 lead in the first quarter and were never headed.

High scorer for the night was Fuerst with 18 points. Others who hit in double figures for Whittemore were: Dorcey, 16; Dunham, 15; Graham, 13, and Provoast, 10. Three players were tied as Fair-

view's top scorers, Finch, Kurtz and Handrich each meshing 12.

The Whittemore JV squad also won its game from the Fairview reserves, 42-32. Ott, with 16 points, led the winners. Top scorers for the losers was Rhodes, with 12 points.

The Cards tangle with the Oscoda Owls at Whittemore on Friday night with a chance to tie the Owls for the Huron Shore lead. Oscoda handed the Cards their

only league loss earlier in the season. Whittemore's overall season record is now seven wins and two losses.

American Legion Auxiliary Met Monday Evening

The regular meeting of the American Legion Auxiliary, Jesse C. Hodder Post No. 189, was held at the Legion Hall, Tawas City,

Monday evening, February 4. Since so few members were present, an informal discussion was led by the president, Miranda Shover.

Some of the members have been assisting the Legionnaires in the operation of the post's refreshment concession at Silver Valley.

Michigan State Police Make Report for Past Year

The Michigan State Police made 235,931 arrests in 1956, an increase of 49 percent over 157,976 in 1955, according to the final summary of the year's activities.

Of the total, 15,358 arrests were for offenses other than traffic. In addition, the figure does not include the arrest of 8,328 juvenile traffic offenders and wayward and delinquent minors, an increase of 44 percent over 5,797 in 1955.

During the year, state police made 370,893 property inspections and 47,706 liquor inspections. Department cars traveled 16,776,171 miles, a 26 percent increase over 1955.

The identification bureau at East Lansing headquarters received 115,902 sets of fingerprints, as compared to 100,952 in 1955.

Of 12,759 sets of fingerprints of persons seeking permits to carry concealed weapons, 1,236 of the applicants were identified with criminal records.

Wanted persons identified through fingerprints totaled 365.

The increased activities of the department reflected a stepped up enforcement program and more personnel. At the close of the year the enlisted strength stood at 1,019.

The air force will unveil the first atomic-powered aircraft "with-in six months," according to a prediction by Representative Patterson, Republican, Connecticut, Donald Quarles, secretary of the air force, has indicated that such a plane is in the development stage, but that it is still several years from being flown.

To Enlist Navy Platoon for All Michigan Company

The recruiter in charge of the local navy recruiting station, announced today the navy is opening a recruiting drive to enlist enough young men from this area to form a platoon to be incorporated in an all Michigan company during February. The company will be known as "The Wolverine Company."

The platoon from this area will contain 25 men and will be known as the Deep Freeze platoon. The Deep Freeze platoon will join two other platoons recruited from cities in Michigan to form the Wolverine company.

The Wolverine company will consist of 75 men and will undergo recruit training at the Naval Training Center, Great Lakes, Illinois.

March 2 and 3—First 4-H Leaders' meeting at Michigan State University.

Leaders, have you thought about plans to attend the first 4-H Leaders' meeting on March 2 and 3? Have you told us you would like to go? Do not delay, do it this week.

The Peaceful Valley 4-H Club foods project met January 18 and 25 at the leader's home.

Salads and cereals were study subjects for the January 18 meeting and plans were made for a pancake and waffle supper on January 25 with handicraft project members as guests. Skating and tobogganing were enjoyed by all later.

Who's got it? Our panel board illustrating electrical wire sizes is missing. We think one of the electrical project groups has borrowed it and forgotten to bring it back. Another group would like to use it now. Call all 4-H Clubs and do a little Sherlock Holmes act and see if the board can be found. It measures about 24 by 30 inches. Thank you.

LOOKING FOR a Valentine gift idea?

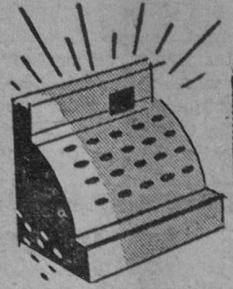

How about an additional telephone—in color? It was a popular gift at Christmas, and it's about perfect for Valentine's Day, too. An attractive phone expresses the right sentiment. It tells your Valentine you want to keep in touch—every day throughout the year. It's a gift, too, that will save steps and time for some lucky person. To order your Valentine phone, call our Business Office. It will be gift-packaged and installed when you wish.

"LET'S GET THE FAMILY TOGETHER if the weather's good."

That "if" used to be a mighty big one. But now you can get the family together no matter what the weather or how far apart all of you live. A Conference Call will do it. You just give the operator the names and addresses or telephone numbers of the members of your family. She'll get them all on the line at the same time, whenever you want. Call the Long Distance operator soon and have her arrange a Conference Call. It'll be fun.

HERE'S A WONDERFUL IDEA for you folks with a son or daughter stationed with the armed forces in Europe.

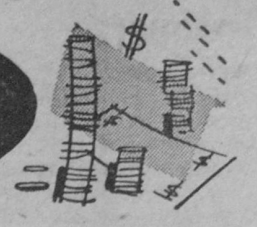

Why not enjoy a telephone visit with them over the new overseas telephone cable. After 6 p.m. or all day Sunday you can call just about any place for as little as nine dollars, plus the 10 per cent federal tax. Would be quite a thrill to talk to loved ones across the ocean, wouldn't it? Lots of people are doing it. More than 15,000 made overseas calls during the first month the cable was in use. And the number is growing every day. To place your call to Europe, just call Long Distance and ask for the "Overseas Operator."

By Dorothy Scott Home Demonstration Agent Friday, February 8—Sewing machine school, Reno Township Hall.

Owning a home has special meaning for most of us. However, it would be unfortunate to overlook investment values in our enthusiasm of acquiring a dream house.

There are many things to consider in relation to the neighborhood you choose. If you are buying, have an architect check an old house as to foundation, walls, roof, plumbing, wiring, heating equipment and insulation. An old house in good condition may offer more in space and living comfort than a new one which can be bought at the same price, but you will want to have assurances that it is in good condition. A house which has been in use for a few years may be a safer bet than one that has just been built. There has not been time for defects to show up in the new house.

If you are going to build, take plenty of time to plan. Aside from the pleasure of anticipation, which is not to be overlooked, you are likely to get a more livable house with a well-considered plan. Think not only of the particular preferences of your family, but what will have resale value.

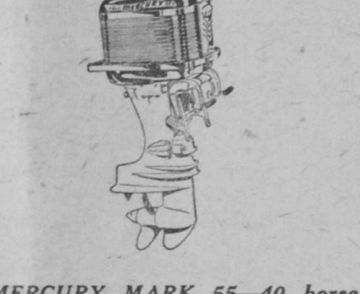

Ask yourself: "Is it a developing area where real estate is likely to increase in value? Or, is it a neighborhood where houses are beginning to run down, or where business establishments are beginning to crowd in?" Zoning regulations and restrictions will affect the kind of house you can build and its future value. If you are planning to build, will the kind of house you want fit in with those that surround it? What are the tax rates and are there special assessments? Are the available utilities satisfactory? Conveniences as to transportation and shopping center will be important, too.

Mention of zoning regulations reminds me—are you aware that townships in Iosco County are preparing to establish zoning ordinances? What do you know about zoning and how it may affect you now or later? Later will be too late as far as anything you can do about it. Now is the time for action—take

part in the work being done and you can do something to help bring about a zoning program that will be a real asset to the future development of your community. Watch for information about meetings which will be taking place and be there to learn, to ask questions, to offer suggestions. The next meeting I have heard about will take place Wednesday evening, February 27, at the Federal Building, East Tawas, at 8:00 p. m.

OUTBOARD MOTORS AVAILABLE FOR ONLY 10 PER-CENT DOWN

A convenient new time payment plan for the purchase of outboard motors has been announced by Trinklein Marine Service, authorized Mercury outboard dealer. An outstanding feature of the new plan is that a new motor may be purchased with only 10 percent down payment. Additional payments may be extended to 20 months. During the payment period, the purchaser automatically is covered by life insurance and the motor also is protected against loss or theft.

MERCURY MARK 55—40 horse power, four cylinder, shown. One of several new 1957 Mercury outboard motors.

"It's easy to understand why this new program has been worked out for outboard motors," stated L. J. Trinklein of Trinklein Marine Service. "Most people today are buying furniture and appliances on time payment plans. It is only natural that a pleasure item like an outboard motor be placed within easy reach of the buying public. Boating is a tremendously popular sport and family boating in particular is growing day by day," he added. Under the new program, a Mercury outboard motor can be purchased for as little as \$23.15 down. Trinklein mentioned that in many cases, a trade-in motor would more than cover the initial down payment and that subsequent payments easily could be arranged using the new terms. The Mercury Time Payment Plan is the first ever to be offered in the outboard motor field and is being underwritten by the manufacturer.—adv.

Launch Campaign to Raise Funds for Band

So that the Tawas Area School band can compare favorably with the best Class B bands in the state, parents of band members are launching a fund raising campaign to purchase needed instruments necessary to complete a well equipped ensemble.
 The parent group met at the Tawas City school unit Thursday night to adopt a constitution and by-laws. The name of the organization will be known as the "Tawas Area Music Booster's Club." The purpose is to give financial and moral assistance to the expansion of the entire music program. Immediately, the parent group is concerned with aiding the band but later will help to improve the facilities of the vocal organizations. As the talent becomes available an orchestra is a foreseen possibility, and will receive aid from the booster club.

Edward Rima, band director, expects the band to expand to 90 members in the next few years. This expansion will require additional instruments and uniforms. Included among the facilities needed are: Timpani, several reed and wind instruments, a concert piano, pianos for rehearsal and activities in several of the class rooms, rigid music stands and risers for concerts.

The boosters club has approved the sale of birthday calendars. Area captains will organize solicitors who will call upon citizens in their respective territories in the next two weeks. The profits from the sale of the calendars will be used to acquire the facilities most needed immediately.

Iosco Realtors Name Borosch as President

An evening dinner and organizational meeting was held by the Iosco County Board of Realtors at Vic and Zel's in Tawas City Thursday evening, January 31.
 William Borosch was elected president for the year 1957 and Earl Bielby of Hale was elected vice president. A. Don Anderson of East Tawas was re-elected secretary-treasurer.
 The Iosco board is composed of the realtors from Arenac, Alcona and Iosco Counties. After election, the members of the board who were present discussed plans for the year's activities. It was decided to place more stress on the matter of training for the salesman as well as making renewed effort to induce brokers who can qualify to become affiliated with the realtors board.

Frank Oates Died Friday at Alabaster

Frank Oates, prominent resident of this area and former employee of the United States Gypsum Company, died Friday at his home at Alabaster.

Albert Frank Oates was born February 14, 1883, in Alabaster Township. He was employed by the United States Gypsum Company until 1937. Since that time he has operated his farm. He married Amelia Anderson on December 31, 1939.

Surviving are the widow; a brother, Michael Oates of Alabaster; a sister, Mrs. Minnie Shover of Lansing; a step-daughter, Mrs. Virginia Frank of East Tawas and four step-grandchildren.

Funeral services were held Monday at the Moffatt Funeral Home. The Rev. Floyd E. Adams officiated. Interment was in Alabaster Cemetery. His nephews were pallbearers.

Airport Report Given at Kiwanis Meeting

An interesting program concerning airports in Michigan was presented at a meeting Tuesday noon of the Tawas Kiwanis Club by William Hamlen, planning engineer of the Michigan Department of Aeronautics since 1944.
 Hamlen outlined progress of air transport during the past 10 years and stressed the necessity for more and better airports to handle feeder lines, particularly in the northeastern section of the state.

He gave a progress report to date on the Iosco County Airport project and pointed out the importance of the airport to business, industry and resort operators of the area.
 The speaker was introduced by Clarence Everett, chairman of the Iosco County Board of Supervisors, who has been a member of that group's aeronautics committee for several years.

Audie Johnson Auxiliary Met Monday Evening

Audie Johnson Unit, American Legion Auxiliary, met Monday evening with Mildred Gardner presiding.

Plans to celebrate the post's birthday in March were discussed. The auxiliary voted to send three girls this year for Girls' State to be held in Ann Arbor. They also voted to sponsor the Bluebird organization of the Camp Fire Girls. The Bluebird committee appointed is composed of Eleanor Meyers, Miss Dillon and Lillian Gadd.
 A contribution to the youth center was voted.

Miss Helen Applin gave a report of the 10th district meeting held at Sanford. The unit will be guests of the Hale unit on February 20 for a 6:30 dinner and meeting.
 After the meeting refreshments were served by the following committee, Dorothy Harmon, Naomi Bennett and Miss Applin. The table was centered with an arrangement of colorful, candies and the color scheme was in yellow.

Reserves

(Continued from page 1.)
 The organization meets each Thursday night for a two-hour session at the Jesse C. Hodder American Legion Hall in Tawas City. Starting this Thursday, a six-week pre-basic training course will get underway, which is a prerequisite for all non-prior service personnel who will attend summer camp this year.
 Young men between the ages of 17 and 18½, either in high school or graduates, are invited to attend the local meetings. A regular army advisor from Bay City attends each meeting to answer any questions which the men may have.

The unit is being set up to assist any two-year army personnel who are released after August 9, 1957, who have a three-year active reserve obligation to fulfill.
 Commanding officer of the unit is First Lt. William Moore; Second Lt. Richard Smith is executive officer and Bronson is first sergeant.

WARNER-MORAN

Margaret Moran and Donald Warner were married Saturday afternoon at a 1 o'clock ceremony by Justice of the Peace John McArdle. The bride is the daughter of Mr. and Mrs. Oriv Rice of Glennie and the groom is the son of Mr. and Mrs. Raymond Warner of East Tawas.

Miss Barbara Kindell of Tawas City was the bride's attendant and Herbert Look of Tawas City attended the groom.

The bride wore a dress of blue acetate covered with white brocade lace. Her accessories were blue and she wore a corsage of yellow roses and white stephanotis.

Miss Kindell wore a pale blue satin dress with blue accessories. Her flowers were red roses and white stephanotis.
 A reception followed for 200 guests at Sand Lake. The couple will reside at Sand Lake.

'Four Nights for God' Is Church Mission Theme

"Four Nights for God" will be the theme of a preaching mission to be held in the Methodist Churches of the Tawas Area, Monday through Thursday, February 11-14.

Evening worship will be held on Monday and Tuesday in the East Tawas church, and Wednesday and Thursday in the Tawas City church. Services will begin at 8 o'clock. Opportunity for give and take discussion will be given over coffee and cookies following the meetings.

Guest preacher will be the Rev. Floyd Ellison, pastor of the Methodist Church in Reese. Mr. Ellison has had a varied background as a civil engineer and as an officer in the United States Navy.

The Rev. Ralph A. Edwards, local Methodist pastor, said "We extend an invitation to residents of the community to attend these meetings whether they are Methodist or not. Surely it is not asking too much to give up four nights for God."

As part of the mission, Mr. Edwards said that he and Mr. Ellison would be in the churches in the mornings for personal counseling, and would make pastoral calls in the afternoon where there is a request. Pastor Edwards said that requests should be telephoned to the parish office, FO 2-3416.

IHM Credit Union Held Meeting at Western States

The annual meeting of the immaculate Heart of Mary Credit Union was held on board the SS Western States in Tawas City during the past week. The shareholders enjoyed a roast beef dinner after which the business meeting was held.

The Rev. Fr. J. A. Castanier, president of the credit union, noted the growth of the credit union and emphasized the aid of the credit union in financing of the new IHM Church which is to open in two weeks. An important fact given by Fr. Castanier was that the shareholders were paid a four percent dividend in 1956 and the borrowers were given a 20 percent rebate on the interest they paid in.

Some of the officers were called on for a few remarks. Joseph Palumbo, a member of the board of directors, suggested the idea of a Christmas club formed by the credit union. Fred Brabant of the board of directors and Emory Sylvester both followed with a few words. Walter Schuhmacher told that the credit committee had passed 151 loans since the credit union has been in existence.
 Election of officers resulted in Donald Gilsky and Fred Brabant being re-elected to the board of directors, along with Arnold Petherick, who was chosen to fill a vacancy. Bernice Oates was named to the supervisory committee and Frank Lansky was selected to fill out an unexpired term on the credit committee.

HIGH SCHOOL TEACHERS MEET

The Tawas Area High School teachers met Wednesday for their monthly meeting. Discussion of the teacher rating charts was the main issue. Teachers would be rated on 10 points to determine their aptitude and efficiency in the teaching field.

Rules for the new building were also a topic of discussion. Since the move will be in a relatively short time everyone is interested in the changes it will involve.

STUDENTS SEE 'SOLID GOLD CADILLAC' at AUGRES

Approximately 100 students attended the play, "Solid Gold Cadillac," in AuGres last Thursday afternoon. The play was presented by the Michigan State University Cap and Gown players and was sponsored by the Lions Club. The play, a satire on big business, was adequately presented but the students agreed almost unanimously that last year's presentation of "Cain Matiny Court Martial" had been much more effective.

Carnival

(Continued from page 1.)
 two big days, because of the lack of snow and thawing weather, winter sports fans visiting the area took part in the many activities, which included tobogganing, ice skating, saddle skis, coasting and sleigh rides.

The demonstration by the ski troopers, who received statewide publicity in all news media during their stay in Michigan, was greatly enjoyed by the huge crowd which visited the area both Saturday and Sunday.

Included in their program were demonstrations of down hill and cross country skiing, techniques of removing an injured person down steep slopes and several "fire-fights" using blank ammunition in their M-1 rifles. A touch of color was added by the use of color smoke grenades thrown on the ski slopes during one of the down hill demonstrations.
 During their stay here the troopers attended all night time entertainment. They were sponsor-

ed by the East Tawas Retail Merchant's Association at the stag fish dinner at the Holland Hotel Friday night and the annual winter sports carnival at the Barnes Hotel Saturday night by the Tawas City Businessmen's Association. Sunday night they were dinner guests at the SS Western States.
 Chairman John Pinter and Queen's Contest Chairman Elwood Bronson expressed their thanks to committee members for their cooperation shown during the event.
