

TAWAS CITY

Friends will be sorry to hear of the death of Arthur Lickfeldt of Lansing. Mr. Lickfeldt died suddenly of a heart attack. He leaves his wife and two children, Steven and Donna Mae. The funeral will be held Thursday at Lansing. Mr. and Mrs. Guy Lickfeldt and Mrs. Charles Lickfeldt left Wednesday to attend the funeral. Arthur and Harry Lickfeldt, who was killed recently in a car accident, were second cousins.

Harry Toms Jr. left Sunday for Flint where he will be employed at the post office. Mrs. Toms will join her husband the last of the month.

Mr. and Mrs. Frank Rose and daughter of Flint spent the weekend with Mr. and Mrs. Elmer Erickson.

Edward Rolls spent several days in Detroit where he received medical attention.

Mr. and Mrs. S. Lehti and son of Calumet visited with Mr. and Mrs. Elmer Erickson of Alabaster on Sunday.

Mrs. Ella Woodard visited with relatives in Ubley last week.

Mrs. William Tinker has been on the sick list but is improved. Clayton Rapsen of Detroit is visiting his parents, Mr. and Mrs. Harry Rapsen, for a couple of weeks.

Mr. and Mrs. Lester Libka of Alpena called on relatives and friends in the city last Sunday.

Supt. and Mrs. R. E. Mick and sons, James and Donald, leave today (Thursday) for Grand Rapids for a few days. Mr. Mick will attend a meeting of the Michigan Association of School Superintendents while Mrs. Mick and sons will visit her sister.

James E. Charters of Reno and William Charters of Pontiac were in the city Saturday.

Miss Judy Rapp of Detroit spent the weekend with her parents, Mr. and Mrs. William Rapp.

Mrs. Harold Colby has returned from a three-week visit with Mr. and Mrs. A. W. Colby at Boynton Beach, Florida.

Mr. and Mrs. James Boomer left Wednesday for Largo, Florida, to enjoy several weeks vacation. They will also visit at Miami and St. Petersburg with his sisters.

Mrs. Edward Rima and little daughter arrived home Sunday from Palmetto, Florida, where they visited her parents since Christmas.

Mr. and Mrs. Clare Phillips and Mr. and Mrs. William Horen, all of Bay City, enjoyed ice fishing here on Tuesday and also visited relatives.

Miss Shirley Wendt returned last Wednesday from Mercy Hospital, Bay City, where she had surgery on her foot.

Mrs. Martha Krueger of Mt. Morris spent the weekend with Mrs. Charles Curry and also visited her sister, Mrs. Ida Ferguson, at the Huron Rest Home.

Mrs. John Forsten and Mrs. Mary Westfall are attending the Grand Chapter sessions of the Order of Eastern Star at Grand Rapids this week as delegates from Tawas City Chapter, OES.

(See TAWAS CITY, page 8.)

EAST TAWAS

Dr. and Mrs. Norman Payea and family are spending a month in Florida.

Mrs. Marie Hennigar and Mrs. Betty Smith left Tuesday morning to attend a Grand Chapter session of the Order of Eastern Star held at Grand Rapids this week as the regular delegates of Isoco Chapter.

The Rev. W. A. Gregory supplied the pulpit at the East Tawas Methodist Church last Sunday morning in the absence of the Rev. Ralph Edwards.

Mrs. Morse Porter entered the Tawas Hospital Tuesday for an operation.

The Rev. Robert Nelson attended meetings the fore part of the week in Grand Rapids, Chicago and Flint in connection with the Augustana Lutheran Church.

Mr. and Mrs. Wesley Gentry and family of Alpena spent Sunday with relatives in East Tawas.

D. Arthur Evans was in Grand Rapids this week on business.

Mrs. Robert Harmon visited with relatives in Detroit the fore part of the week.

The 10th district meeting of the American Legion and Auxiliary will be held in Sanford next Sunday afternoon, beginning at 2 o'clock.

Eugene Evans, son of Mr. and Mrs. D. A. Evans, celebrated his fourth birthday anniversary at his home last Saturday afternoon.

Friends in the Tawas will be interested to know that Dr. and Mrs. C. F. Klump, formerly of East Tawas, have moved to Bethel, Washington, and family. They have been in Cincinnati, Ohio, the past several years.

Mr. and Mrs. Milton Barkman attended the furniture show in Chicago this week.

Miss Ruby Evans was in Grand Rapids this week attending the Emergent session of Eastern Star Grand Chapter at the Grand Chapter instructor of Isoco Chapter.

(See EAST TAWAS, page 8.)

Ellis Trial Set for Monday, Jan. 28

Hearing Held Monday Before Judge Dehnke

The first degree murder trial of Josie and Jack Ellis of Hale was set to start Monday, January 28, before Circuit Judge Herman Dehnke after an examination was held Monday in the courtroom of the Isoco County Building.

Both have been held at the Isoco County Jail without bond since the September 31 shotgun slaying of Buster L. Shellenbarger of Allen Park, formerly of Hale.

Two motions made by attorneys for the defendants, Frederick Bartholomew and Joseph Colombo of Detroit, were denied Monday by Judge Dehnke. Both Mr. and Mrs. Ellis appeared at the hearing.

One motion asked that the charge against Mrs. Ellis be reduced to manslaughter. The other that Mr. Ellis be dismissed.

Assisting Prosecuting Attorney William R. Barber in the case against the Ellises is Irving B. Beattie, assistant state attorney general.

Originally, Mrs. Ellis had been charged with manslaughter and a charge of felonious assault against Mr. Ellis. After further investigation of the witnesses by investigating officers, the charge was changed to first degree murder against both.

According to statements taken by police from a witness, Alvin Whitehouse, following the shooting, Mrs. Ellis fired the shot gun blast which fatally wounded Shellenbarger.

The shooting took place in a small cabin owned by the Ellises, located near Hale, after what was described by police as a drinking party.

The victim was the son of Mr. and Mrs. Jess Shellenbarger of Hale. He is survived by his widow and three children.

Mr. and Mrs. Paul Chevis spent the weekend in Pontiac with relatives.

HEADS BOARD OF EDUCATION

STUART H. WHITE
Stuart H. White was elected president of the Tawas Area Board of Education at a regular meeting of the board last week Tuesday. He succeeds Randall M. Fox, who resigned January 1.

Skating Rink on Bay to be Ready Soon

A new 100 by 200 foot ice skating rink at the Tawas City Park will be ready for use sometime this week-end, it was announced Monday by Reginald Bublitz, superintendent of public works.

Bublitz said that this year's rink would be constructed just off shore east of the SS Western States. Work on the project started last Thursday.

"We do not believe that there will be any danger to the skater on the rink because of the thickness of the ice," stated Bublitz. "However, we recommend that youngsters stay away from the boat because of the possibility of thin ice there."

Mr. and Mrs. Clarence Bariger and family visited Mr. Bariger's mother at Ann Arbor last week-end.

Sheriff Makes Annual Report To Supervisors

During the year 1956, 487 inmates were confined in the Isoco County Jail, according to Sheriff Ivan L. O'Farrell's annual report to the county board of supervisors.

This number was an increase of 38 over the preceding year.

Break-down of offenses were as follows: Felonies, 38; prisoners held and turned over to other departments, 25; delinquent children, 20; prisoners returned here from other counties, 10; lodgers, 32.

The balance of inmates confined were for misdemeanors, numbering 362. Most of them were confined for drunk and disorderly conduct, numbering 71 offenders.

The chief single factor was furnishing liquor to minors and minors in possession a close runner up.

Most of the felonies were for breaking and entering. Three of the felons were held for murder.

According to the report there were seven violent deaths in the county during 1956. Of this figure there were two each by traffic deaths, murder and suicides. There was one drowning.

Sheriff O'Farrell stated that there was a total of 15 deaths investigated with county coroners during the year. The total deaths for drowning for the year was far below normal, the smallest for the past 20 years.

Traffic deaths were also far below normal, and suicides were (See SHERIFF, page 8.)

Louis Libka Dies After Long Illness

Louis Libka, well-known resident of Tawas City, died Wednesday morning following an illness of several months. Cancer of the pancreas was the cause of death.

Born August 14, 1897, at Oscoda, the son of the late Mr. and Mrs. August Libka, he had been a resident of Tawas City a large portion of his life. He had attended Zion Lutheran School and the Tawas City Public Schools. An employee of Fuelgas Company, Incorporated, at the time he was taken ill, he had previously been with the Detroit and Mackinac Railway Company. For a number of years he was employed at Detroit and he had spent five years in Los Angeles, California.

Surviving are the widow, Madeline; a son, Neil Libka; a daughter, Mrs. Linda Alda; a sister, Mrs. Julia Finch of Somerset Center; three brothers, Edward and Carl of Tawas City and Lester of Alpena, and six grandchildren.

Funeral services will be held Saturday afternoon, 1:30 at the Moffatt Funeral Home and 2:00 at Zion Lutheran Church. The Rev. E. E. Bickel will officiate. Interment will be in Zion Lutheran Cemetery.

Vaughan to Head Isoco Sportsmen

Named president of the Isoco Sportsmen's Club last week was Wayne Vaughan of East Tawas. The meeting was held Wednesday night at the East Tawas Community Building.

Other officers elected were: Donald Hogaboom, vice president; Irwin Ruppert, secretary-treasurer, and Val Fallu, membership chairman.

Named to the board of directors of the group were Edward Nelkie, William Robey and Ruppert.

As a club project this year, it is planned to place litter barrels at public fishing spots where there are no containers.

The group went on record as supporting legislation to require a fishing license in Michigan waters of the Great Lakes.

Among the projects sponsored by the club is a pistol shoot every Monday night at the sheriff's office and a fly tying class at the community building every Friday night.

Included in the program were three films, "Michigan Deer Story," by the conservation department; "Bow Hunting in Africa," and "Bow Hunting in North Dakota," both furnished by Bear Archery Company.

OLD-FASHIONED SLEIGH RIDES at Silver Valley have again proven to be popular this year. The concession is operated by Arthur Thorne, shown driving the team. Pictured above is a group from Mackenzie High School, Detroit, which spent last week-end in Tawas. During their visit here they stayed at the SS Western States. Nearly 200 members of the school's graduating class enjoyed the winter sports facilities here and were accompanied by 14 chaperones.—Tawas Herald Photo.

Fair Week-End Crowd, but Silver Valley Needs Snow

While many down-state areas have been nearly immobilized recently by a heavy snow fall, here at Silver Valley the winter sports committee is in near despair due to the lack of snow.

It was even suggested this week that a special message be sent to Chief Blue Cloud of Oscoda to make some of his "medicine" to help the cause along.

Last week-end all facilities at the valley were in good condition, with the exception of ski slopes. The fairly large crowd on hand was bolstered by the group from Mackenzie High School, Detroit, which spent the week-end here.

The lack of snow on the ski slopes, which was no problem at all last year, has created a financial problem at the winter sports area this winter. A considerable amount of money was spent to improve these facilities last fall with the expectation of another favorable season. Funds are now growing short through these expenditures, along with normal operating expenses of the valley.

This has brought on a call by Chairman John Pinter for the assistance of volunteer labor from interested Tawas citizens, in order to keep the payroll down. Paid workers will perform the actual operation of the toboggan slides and as guards along the slides. Anyone interested in assisting an afternoon or a day is asked to contact the chamber of commerce office or Chairman Pinter.

At Monday night's meeting of the winter sports committee, plans were heard for the annual East Detroit Lutheran Caravan which will visit Silver Valley February 10. About 48 Greyhound buses have been reserved, leaving Detroit Sunday morning at 4 o'clock and arriving here about 8 o'clock. Bert H. Leidecker, who is in charge of the annual affair, wrote that the group has discussed the possibility of holding church services that day at the Lumbermen's Monument.

Due to the cost of operation, it was decided to construct a snow fence around the ice skating rink and charge an admission of 25 cents.

O. E. Ostrander, committee member, stated that Silver Valley is competing with 66 other areas in the state and it must have equal facilities at a minimum amount of labor.

He suggested putting up snow fences along the toboggan slides to eliminate guards, thereby keeping spectators off the slides.

He also suggested moving the warming shelter from the AuSable Ski Bowl, which the committee recently changed to use as a rental house at Silver Valley. The building is 24 by 30 feet with a glass front. A special meeting will be held this week to determine if this can be done this year.

Tawas Youth Center Now A Reality; Opens Saturday

"The Tawas area has again come through with actions rather than words, and this time it is in the form of a youth center or canteen being established for the young people of the locality from the eighth grade to and including the 12th grade and from all schools," so stated a spokesman for the Ladies Literary Club this week.

This club has lent the guiding hand, and with the unlimited cooperation of the East Tawas Council, the community building has been made available for the headquarters.

While the idea only originated in October, in the public relations committee of the club, of which Mrs. John Elliott is chairman, the canteen will open the night of Saturday, January 19, from 7 to 11:30 o'clock. Eighth grade children may attend between the hours of 7 to 9:30 o'clock.

The canteen will continue to operate each successive Saturday or more often if the demand warrants.

The establishment of this activity meant considerable work and effort on the part of the youth canteen committee headed by Mrs. Cecil Cabbie. She was assisted by Mrs. T. S. Dimmick, Mrs. T. M. O'Loughlin, Mrs. Reginald Barnett, Mrs. William Krumm, Mrs. Charles Schreck, Mrs. Clarence McMullen, Mrs. L. A. LaPorte, Mrs. Herman Moehring, Mrs. John Sass, Mrs. Frank Wilkusi and Mrs. Gordon Penman.

Actual operation of the canteen, as well as the policies of such operation, is directly under the young people of the Tawas, with the assistance of two students from each of the four high school grades.

Appointed to a board of directors by the students were: David Featheringill, chairman; Judy Nelkie, vice chairman; Jean Schauf, secretary; Marti Westcott, treasurer. Other members of the board are Wayne Bischoff, Randall Fox, Carolyn Rose, Robert Cabbie, Nancy Allen and William Armstrong.

There will be an annual \$1 membership charge for the use of the facilities with an additional charge of 25 cents for any guests.

While there will be adult supervision, the canteen will be run entirely by the student members as will the snack bar which will be operated as a non-profit venture.

A need for youth entertainment in this area has long been realized and the ladies back of this idea found very willing reception and cooperation from the local merchants and organizations when they were approached for assistance, either cash, equipment or help, which enabled them to accumulate and provide for ping pong, cards, pool, dancing and games.

The lounge is also being furnished for student chat as well as reading. This activity has no direct connection whatever with the Tawas Area Schools.

An appeal is being made by the committee for further assistance from anyone in the area desiring to donate either time or money to the furtherance of this plan. Its success will now depend on the people of this community interested in action, rather than words when the subject is mentioned, "we should provide entertainment for our young people."

It is hoped that more adults will drop in to acquaint themselves with the work that is being done and lend a hand in its development.

New Contract Signed by USG and Union Workers

A new wage contract was signed last Thursday between Local 11-371, Oil, Chemical and Atomic Workers, AFL-CIO, and the United States Gypsum Company, Alabaster.

The new one-year contract which is retroactive to January 1, expiration date of the old contract, gives United States Gypsum workers a 10, 12 and 14-cent hourly pay raise, plus double time and a half for holiday work.

President of the local is Earl Bischoff. Walter Bischoff Sr. is vice president; Gordon Redfield, committee man, and Stanley Lazverwicz, recording secretary.

Signing for the company was Maynard VanOrnum, works manager at Alabaster. Victor VanEtten, Detroit, international representative, assisted in negotiating the contract.

Temple Association Officers Named Monday Night

At the annual meeting of the Tawas Masonic Temple Association, held in the Masonic Temple last Monday evening, the following officers were elected to serve for the year 1957: President, Byron W. Brooks; vice president, Clifford F. Guyette; secretary, James F. Mark; treasurer, Russell H. McKenzie.

Plans were made to do more work on the interior of the building in the near future.

Alois L. Fisher of East Tawas escaped injury last Wednesday when the car in which he was riding struck a deer two miles north of East Tawas on US-23. The vehicle was removed by a wrecker.

Police Clear Up Auto Accessory Thefts

A series of petty larcenies, dating back two or more years, were cleared up this week with the arrest of five Tawas area youths. The charge involved thefts of hub caps, tires, wheels, car radios and other auto accessories. Much of the stolen articles were returned to the owners.

The youths were assessed \$5.65 court costs and suspension of driver licenses for 30 days by Justice H. E. Friedman.

In the process of investigation several larcenies from out of the county were also included in the statements from the five boys, said Deputy Sheriff Gene Ballinger.

Jurisdiction has been waived in probate court over a 16-year-old Tawas City youth, who, with another Tawas City youth, are now charged with larceny from a building. Both boys will be arraigned in Justice Friedman's court. Larceny from a building is a felony.

Six Gould Drug Stores File for Incorporation

A new corporation, The Gould Drug Company, has been formed by the six drug stores bearing that name at West Branch, East Tawas, Mt. Pleasant, Shepherd, Au Gres and Hemlock. Headquarters of the new corporation will be at West Branch, where a central office and warehouse will be located.

Officers of the new corporation are: Harold L. Gould, president; Clayton L. Gould, first vice president; Stuart Gillison, second vice president; Harold G. Gould, third vice president; Donald F. Gould, treasurer, and Edward Gould, secretary-assistant treasurer.

There are no new owners in this corporation structure and no plans have been made for any change in management in any of the Gould or any of the five affiliated stores.

The incorporation of the six stores was carried out to provide a central office for accounting purposes, to provide a joint buying program and to maintain a good inventory control.

The stores have been buying together for many years and have, for the past years, maintained a warehouse at Hemlock operated by the Gould Distributing Corporation.

The articles of incorporation were filed December 31 and have been approved by the state.

Retired Mill Owner Died In Chicago

Richard W. Stark, retired Tawas City mill operator, died last Thursday at the home of his daughter, Mrs. Gertrude Kosary, in Chicago. Eighty-eight years old, Mr. Stark had been very active all of his life.

Born November 2, 1869, at Lauenberg, Germany, he came to Tawas City with his father and sisters in 1883. In addition to operating the Stark Saw and Planing Mill in this city for more than 35 years, Mr. Stark in his younger years had been a contractor and builder in Chicago and here. The present plant of the Huron Rustic Furniture Company is the former Stark Mill.

On November 27, 1892, he married Miss Marie Gessche at the Tawas City Emanuel Lutheran Church. Mrs. Stark passed away in 1942.

In October of last year Mr. Stark accompanied his daughter, Mrs. Kosary, to Chicago where he passed away after a short illness at the Kosary Convalescent Home, owned by Mrs. Kosary.

He is survived by two sons, Walter Stark of Alpena and Arthur Stark of Tawas City; four daughters, Mrs. Kosary and Mrs. Frieda Berndt of Chicago, Mrs. Edna Tomberg of Belvidere, Illinois, and Mrs. Clara Wehofer of Alpena; 26 grandchildren, and 31 great grandchildren.

Funeral services were held Tuesday afternoon at the Stark residence and from Emanuel Lutheran Church of which he was a charter member. The Rev. L. W. Newman officiated at the services and burial was in Emanuel Lutheran Cemetery. Mr. Stark's grandchildren acted as pallbearers.

Tawas School Wins Mention In Ad Contest

Tawas Area Schools won an honorable mention award in state class B school competition for its preparation of a full page advertisement which appeared in The Tawas Herald during last year's Michigan Week celebration.

The advertisement, built around the theme "It's Great to Live in Michigan," was prepared by fifth grade students, under supervision of Mrs. Isabelle Leslie and Chester Roberts, teachers.

The special advertisement called attention to business, industry, agriculture, churches and schools of the area, along with historical notes. The page was illustrated with several Tawas Herald photographs.

Sponsors of the contest were the Michigan Week school-college activities board and the Michigan Press Association.

Tawas Area was among three schools to win honorable mention in class B. Sharing first place honors were Lowell High School and Vicksburg Community Schools.

Superintendent Reynold Mick said Tuesday that the school would again participate in the Michigan Week project this year.

HIGHLY PLEASED with the performance of the F-102A is Col. Thomas N. Wilson, group commander at Wurtsmith Air Force Base, Oscoda. Colonel Wilson, who maintains flying proficiency in both the F-102A and F-89s, is pictured above with one of the super-sonic all-weather fighter-interceptors in the background. He had just completed a flight before posing for the picture. Civilians from Northeastern Michigan will have the opportunity to view this latest addition to the nation's air arm at Wurtsmith at an open house scheduled January 19. If weather is favorable, there is a possibility that the F-102As will make high speed passes over the flight line.—Air Force Photo.

THE TAWAS HERALD

ESTABLISHED 1884

Tawas City, Michigan

408 Lake Street

Entered at the Tawas City Postoffice July 12, 1884, as Second Class Matter, under Act of March 1, 1879.

P. N. THORNTON and SONS, PUBLISHERS

LETTERS TO THE EDITOR

Editor,
The Tawas Herald.
Dear Mr. Thornton:

Please accept our thanks for the help you and the staff of your newspaper gave the 1956 Christmas Seal sale. At the moment, the seal sale is running slightly behind the record of last year, but we hope that late returns will make up the difference. Each year we ask many things of many people—and each year we are truly impressed with the response in time and effort so freely given by so many. May we, therefore, thank you not only for your help during the seal sale but

also for your cooperation throughout the year.

We will continue to try to keep you up to date on the problems and progress in tuberculosis control. The legislature this spring will be asked to strengthen the TB law to reduce the number of people with active tuberculosis who are not hospitalized. The Michigan Department of Health has requested funds to assist your local health jurisdiction and others in providing drug care for patients after they have completed sanatorium treatment. The Michigan Tuberculosis Association is also working with other official agencies to explore the possibility of utilizing available hospital beds in some sections of the state while insuring that necessary TB control facilities are maintained.

Michigan Tuberculosis Association,
Robert C. Hereth,
Public Information.

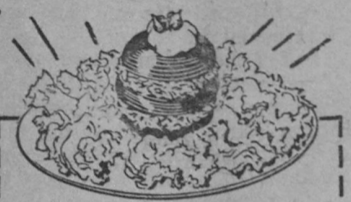

CHRISTIAN SCIENCE

How spiritual understanding of God as divine Life brings strength and freedom will be brought out Sunday at Christian Science services.

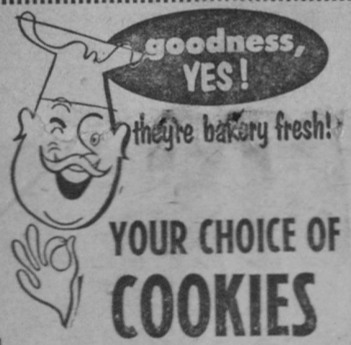

Scriptural selections in the lesson-sermon on "Life" will include the following from John (17:3): "And this is life eternal, that they might know thee the only true God, and Jesus Christ, whom thou hast sent."

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy will be read the following (487:27): "The understanding that Life is God, Spirit, lengthens our days by strengthening our trust in the deathless reality of Life, its almightiness and immortality."

The Golden Text is from Proverbs (16:22): "Understanding is a wellspring of life unto him that hath it."

On Highway US-23 — One Mile North of State Park

Swept-Wing Dodge... only 4 1/2 feet low and all dynamite!

Step into the wonderful world of AUTODYNAMICS

It breaks through the vibration barrier!

It unleashes a hurricane of power
It tames a tornado of torque
It is swept-wing mastery of motion

Right off the bat, you'll realize there's something entirely different about driving the new Swept-Wing Dodge. You know it's the slickest piece of live action you've ever driven. The most responsive and easiest handling, too.

But the thing that really hits you is the silence! Why, all the irritating noises, all the annoying road sounds common to automobiles have vanished!

For Autodynamics has introduced a revolutionary new suspension system—Dodge Torsion-Aire—

that cushions you in a "Realm of Silence." Thick cushions of "live rubber" isolate engine vibration, noise and road shock at its source.

Actually, everything is new in the Swept-Wing Dodge—from new race car torsion bars to new Push-Button TorqueFlite, from new 310 hp. V-8 engine to new Total-Contact Brakes.

This is Autodynamics in action... yours in the most exciting car that's ever come up the pike. See and drive the Swept-Wing Dodge today!

Father and Son Jailed—

Under authority of a law passed by the last session of the New Mexico Legislature, District Judge E. T. Hensley Jr. sent J. B. Martinez and his 16-year-old son to jail because of the boy's repeated run-ins with the law. Father and son were sentenced to 10 days in jail in connection with a theft. They were locked in the same cell.

Daylight saving is founded on the old Indian idea of cutting off one end of the blanket and sewing it on the other end to make it longer.

Outstanding Titles for Winter Reading at Regional Library

Patrons will find outstanding titles in the Iosco-Arenac Regional Library's collection for winter reading.
Gardening, sports, music, travel, interior decorating to name a few of the varied material to be found in your branch library. These books are helpful as well as interesting to those seeking further information on their favorite subject or hobby.
This being the time of year when the constellations can best be viewed and because of the number of recent requests for such material, the following books are excellent sources of information for amateur astronomers. Baker's "Introducing the Constellations," Barton's "Starcraft," which gives descriptions of the constellations and instructions for finding them with the naked eye. This book is useful for students, scout troops and camp counselors.
Davidson's "Astronomy for Everyone," Zim's "Stars," Hickley's "Introducing the Universe" and Kahn's "Design for the Universe," a survey of the universe in terms of matter, energy and time in a language a technically uninformed reader can understand. The illustrations add dramatic clarity to this exciting book.
Readers interested in the out-of-doors will enjoy Edwin Teale's new book, "Autumn Across America." Arm-chair travelers can go for a 20,000-mile journey through the bright colored autumn, poking into out-of-the-way places and discovering fascinating mysteries of nature. Audubon Society members will like the section of Teale's story devoted to Michigan and a rare variety of warbler native to our state.
Those going south for the winter and interested in shells as a hobby will find Evans' "Adventure Book of Shells" most helpful. This is written in a chatty, informal manner and tells how to start a shell collection and how to build and furnish an aquarium. One of the most fascinating chapters describes the wonderful things you can make with shells.
Flower lovers will like these books that are guides to garden-making, including flowers, lawns, shrubs and also plants in the home. Hottes' "1001 Garden Questions Answered," Northern's "Secret of the Green Thumb" which explains that you acquire a green thumb only when you understand what goes on in the plants themselves, what they need in order to live and how they can be helped. Small-fry gardeners will enjoy Kirkus' "First Book of Gardening."
Bring your knowledge up-to-date with the excellent sources of reading material to be found in your regional library.

National defense costs money but it is cheaper than defeat.

Propose Increase in Driver's License Fee

An increase in the driver's license fee from \$1.50 to \$3, with \$2 of the amount reverting to the respective cities and counties for law enforcement use has been proposed by the permanent legislative committee of the Michigan associations of chiefs of police, sheriffs, judges, justices of the peace and prosecutors and the attorney general's department and Michigan State Police.
The proposal will be written into a bill which the committee will ask to have introduced at the present session of the legislature. Sheriff Robert Russell of Gratiot County, president of Michigan Sheriffs Association, said the \$2 would provide for more adequate law enforcement on the county and local levels.
License renewals now cost \$1.50, of which 50 cents is returned to the city or county for conducting the driver examinations. Both county sheriffs and municipal police have long complained they have lost money on the operation.
The fee for a beginner's license is \$3, of which \$2 is now returned. Chauffeur licenses are \$2 a year. These fees would remain unchanged.

Meeting at state police headquarters in East Lansing, the committee also went on record as favoring the following measures:
Remodel outmoded provisions of the law governing the handling of traffic violation offenses.
Chemical test for intoxication. The measure will be the same as that recommended in the national uniform vehicle code and is now the law in 22 states.

Revision of the muffler law to require that no muffler shall be replaced, changed or altered in any manner so as to increase the noise or smoke emitting from the exhaust system.
Revision of the motor vehicle code to include as a second offense in the revocation of a driver's license for violation of the state traffic laws any offense in which conviction was under a city ordinance.

Permitting probate courts to transfer jurisdiction over minors more than 15 years of age but under 17, who violate motor vehicle laws or ordinances, to courts having criminal jurisdiction.
Former State and Detroit Police Commissioner Donald S. Leonard, committee chairman, and State Police Commissioner Joseph A. Childs, secretary, were reelected.

Some prophets are without honor unless they toot their own horns.

WITH THE IOSCO—4-H Clubs

By Dorothy Scott Home Demonstration Agent
Peaceful Valley handicraft project met on Saturday, January 5, at the home of leader, Lloyd Finley. Members report learning about the use and safety of tools; how to use a square in making a sanding block.
Girls enrolled for the food preparation project in Peaceful Valley 4-H Club met with the leader, Mrs. Yvonne Finley, on Saturday morning, January 5. Enrolled are four members in the first project, three in the second project. Everyone will do a demonstration at the next meeting. Preparing and serving a meal for 4-H Club members is one goal of the project group.

Skating is a recreation attraction for 4-H Club members when they have meetings at the Finleys. An initiation of new members is being arranged for the February Community 4-H Club meeting at Raymond Biggs' home.

Four food preparation projects are on the schedule of Hale Happy Husters 4-H Club. Two mothers will help Mrs. Ira Scofield, who has been leader for this project up to now. Mrs. Stanley Shellenbarger is leader for Foods 2, and Mrs. Fred Holzheuer for second year baking.

Friendship 4-H Club met at the Durant home on January 2 with 10 members present. Past vice president, Kenneth Herriman, conducted this meeting including an election of officers. Elected were: President, Phyllis Watts; vice president, Kenneth Herriman; secretary, Bonnie Fahselt; treasurer, Charles Anschuetz; reporter, Irvin Durant; recreation leader, Carol Anschuetz.

Clothing and tractor maintenance are two projects decided on. At another meeting other projects will be planned. Two members will be junior leaders. Committees and a program for the year are partly planned and will be finished at the January 15 meeting.

Ottawas 4-H Community Club elected officers at its January meeting on Thursday, January 10, in the Federal Building, East Tawas.

GEORGE SAYS ---

The bookmobile schedule for the next week is as follows:
January 21—Hale Area School.
January 22—Vine, Watt, Singing Bridge, Alabaster downtown.
January 23—AuSable.
January 24—Twining, Arenac Eastern, fifth and sixth grades.
January 25—Oscoda elementary.
Contentment is really just a matter of reducing your wants and desires.

Elected were: President, Lynn Klenow; vice president, Joyce Steinhurst; secretary, Ruth Klenow; treasurer, Carol Miller; reporter, Esther Wojahn.
Members in addition to officers are: Kenneth Kolonich, Kenneth Davenport, Geraldine Redfield, Patricia Davenport, Eileen Hatch, Maureen Miller, Kathleen Kolonich and Faye Rice.

the Snapshot Guild

A scrabble game provides a fine "activity" center of interest for this informal family group shot.

"Doing What Comes Naturally"
Are you looking for an easy way to get better pictures of your family and friends? Well, you'll have a superior snapshot of a person every time if you just try catching him in the midst of some activity he enjoys—or if you give him something to do that's natural and typical for him to be doing.
In that way, you can be sure even the most self-conscious or reluctant subject will relax and be himself. Although your camera's aimed right at him, his attention remains on the task he's performing—and you'll be spared a stiff-necked pose or a glassy-eyed stare in your viewfinder.
By letting activities keynote your snapshots of people, your reputation as a picture-taker is bound to grow. Your prints will show more than just what your subjects look like. Rather, they'll reveal what each person is like—what he likes to do—what it's like to be with him. This result won't be simply a shot of someone having his picture taken. It will be a picture of him doing something that reveals a facet of his character and personality.
Of course, there are other points to remember, too, when you snap your friends and family. Check the background carefully before you shoot. Make sure it's not so cluttered and confusing that your subject will be lost in a welter of detail. In some cases, you may want to use a narrow depth of field and no additional light to give the effect of a dark backdrop rather than a detailed background for your subject.
Camera viewpoint can also make a world of difference in your pictures of people. In general, you'll do well to snap your subject on his own level or from slightly below. Naturally, your choice of camera angle will depend on the particular elements you want to emphasize in your picture. If, for example, you were shooting a person reading a book, a low angle would completely bury the person behind the book, while a high one would highlight the book rather than the reader.
When you're picturing people, study and select background, viewpoint and lighting carefully. But most important of all, catch your subjects "in action."
—John Van Guilder

MERCURY BOOSTS PRODUCTION TO A MERCURY A MINUTE TO MEET DEMAND
A record 40,000 Big M's being built in January... a 43% increase over December. A Mercury a minute, every minute of the day and night! All Mercury assembly plants are working overtime with the largest work force in Mercury history to meet the tremendous buyer demand. The landslide swing to Mercury is solid evidence that the new Big M is the most exciting car value of 1957. Never before has so much bigness and luxury cost so little. Prices for America's most beautiful and advanced car are just an easy step above the low-price three.

Whittemore News

WHITTEMORE JUNIOR LEAGUE MET WEDNESDAY NIGHT

The Whittemore Junior League met Thursday night at the parish house for its regular meeting. It was also past presidents night and the league's 20th anniversary. All charter members were honored. A 7 o'clock banquet preceded the meeting. The table was very pretty with a centerpiece of cut flowers. Miss Mae Miller, president, presided over the meeting.

Mrs. Edgar Hanson of Saginaw, who is director of junior clubs, was the guest speaker and spoke about Girlstown, the progress that had been made in the last five years and announced the site has been chosen at Belleville for Girlstown.

Mrs. William Curtis, who is sponsor of the junior club, was a guest, and she spoke on the progress the club made in its 20 years of work.

Charter members present were: Esther Schneider, Gladys Freil, Ruth Bailey, Effie Pipes and Doris O'Farrell of Tawas City. Each charter member was presented with a scroll making her an honorary member.

The following past presidents were present: Leah O'Farrell, Ruth Bailey, Leila Charters, Lois C. Fuerst, Lucille Drengberg, Ardath Hall, Doris O'Farrell, Gladys Freil, Verna Snyder, Lillian Armstrong, Betty Dorey, Harriet Fortune and Madeline Collins of Flint.

A poem was read by Harriet Fortune pertaining to each past president and each was presented with a gift. A poem was also composed by Miss Miller about each past president and was read by Harriet Fortune. The poems were very interesting and humorous.

Hostesses were: Mina Bellville, Jean Dorey, Doris Halbert, Mildred Bero and Violet Valent.

The next meeting of the club will be Thursday evening, January 29, at the home of Mrs. Raymond Dorey. Films will be shown by Joseph Drzewiecki that he took while overseas.

TWELVE MEMBERS ATTEND WSCS MEETING WEDNESDAY

The WSCS met at the parish house Wednesday afternoon with 12 members present. The Rev. R. Terwilliger gave the lesson.

Hostesses were Mrs. George Jackson and Mrs. Fred Morin.

The next meeting will be on Monday evening, January 21.

Mr. and Mrs. George O'Farrell of Rose City spent last Monday in town with relatives.

Carol Smith, who is employed at Traverse City, spent the Christmas holidays here with her parents, Mr. and Mrs. Marshall Smith.

Mr. and Mrs. Robert Burkholder and daughter and Mr. and Mrs.

State Makes Fourth Apportionment of Aid

Russell Rollin, Iosco County superintendent of schools, announced this week that the fourth apportionment of state aid to Iosco County is divided among the school districts as follows:

Iosco-Alcona	\$26,890.00
Hale Area	8,600.00
Sherman	2,330.00
Tawas Area	28,160.00
Whittemore Area	9,830.00
Reno No. 1	480.00
Reno No. 2	90.00
Total	\$76,320.00

IOSCO COUNTY-- SchoolNews

★Tawas Area Schools

The Tawas Area Band, under the direction of Edward Rima, will present its annual winter concert January 23 and 24 in the Tawas Area gymnasium at 8:00 p. m. The prices will be 65 cents for adults and 25 cents for children.

The following selections will be played: "Star Spangled Banner," "Overture," "Cathedral Canyon," "Overture," "Eroica," "Marche Militaire" by Francaise; "Three Sketches for Band," and "Song of Jupiter."

Marches: March from "The Love for Three Oranges" by Prokofieff, "The New Colonial," "Washington Post," "The Stars and Stripes Forever," "Drums and Bells," "Anchors Aweigh" and the "Marines Hymn."

Small groups of instruments and soloists will be featured.

Reynold Mick, superintendent of the Tawas Area Schools, spoke at the high school teachers' meeting held last Thursday morning.

One of the things discussed was the near completion of the new Tawas Area High School. He told the teachers to prepare to move early in February. Students will help with the moving. Everything but the cafeteria, gymnasium and band room should be completed by that time.

The junior high will remain in Alabaster for the remainder of this school year, joining the senior high next year.

The Tawas Area teachers are having a dinner this Thursday evening in honor of Miss Georgianne Klosowski, who will be leaving Friday to attend Columbia University in New York to complete her master's degree in business administration.

Miss Klosowski, a Central Michigan College graduate, had been at Tawas for four years working in the commercial department as typing and shorthand instructor.

★Whittemore Area Schools

The seniors of Whittemore Area School are planning a ham supper January 22 at 5:30 p. m. at the school cafeteria.

The prices are as follows: Adults, \$1.25; high school students, nine-12, \$1; under high school, kindergarten-nine, 75 cents; special family rates for families of four or more.

Pre-school children can get their tickets at the door.

Driving carefully may not get you anywhere as fast as possible, but it will probably get you there safely.

Building together for a better NORTHLAND

Modern progress depends upon power. Standing by with power to spare is the Alpena Power Company which has served its area for 75 years. The Norway Point Dam is indicative of the company's extensive expansion in capacity designed to provide surplus power for the future industrial growth of the area.

DIETROLIT & MACKINAC

The Draper Redi-Mix Concrete Company, of Oscoda, is typical of the many northland area firms that have grown from a small beginning. Operated by Bud and Jim Draper, the company now serves the needs of the building and construction industries with their own up-to-date plant and fleet of trucks.

For more than 50 years the Besser Company, of Alpena, has represented our northland area in the building markets of the world. "Vibrapacs", the automatic concrete block-making machines manufactured by Besser, have saved time and speeded construction in such far-distant lands as France, New Zealand and Morocco.

RAILWAY

This is the first in a series of advertisements featuring the industries of this area who are building together for a better Northland. Some were here when our old wood-burning steamers toled timber to the mills. Others joined the growth story during our present era of modern and powerful diesels. For young and old alike the D & M Railway is a vital link in the transportation chain economically connecting this area of industrial "supply" with the nation's markets of consumer "demand".

Hemlock News...

Mrs. Clare Herriman and family spent one day last week with her parents, Mr. and Mrs. Allen Brown.

A very lovely bridal shower was held at Grant Township Hall last Thursday evening in honor of Doris Herriman, a bride-elect of this month. Games were played after which Doris opened some very nice gifts. Lunch was served by the hostesses, Bernice Herriman, Gladys Herriman, Edith Herriman and Sophia Herriman.

Mr. and Mrs. Fred Pfahl left Friday for Florida. They were joined in Belleville by Mr. and Mrs. Adison Featheringill and son.

Mr. and Mrs. Henry Smith were supper guests of Mr. and Mrs. Phillip Watts recently.

Mrs. Charles Brown received word that her sister, Mrs. William White, was in the West Branch hospital. All hope for a speedy recovery.

Mr. and Mrs. Henry Smith are staying at the Pfahl home while they are in Florida.

William Herriman received a painful thumb injury while cutting logs.

The Rev. Charles Mercer called on Harvey Melvor and mother Friday afternoon.

Mrs. John Wehrman has returned home from Tawas Hospital, much improved in health.

Mr. and Mrs. Gene Morrison are the proud parents of a baby boy born in Ithaca, New York. Mrs. Morrison is the former Marian Herriman.

Mr. and Mrs. William Herriman are improving their home with a new siding, garage and bath room.

Ralph Burt called on Harvey Melvor and mother, Mrs. Clara Smith, Friday evening.

SHERMAN NEWS

Mr. and Mrs. Robert Dickson and family of Midland spent the week-end at the home of her parents.

Mr. and Mrs. Walter Smith spent Saturday in Bay City.

Leroy Schlagel of Flint spent Sunday in town.

Mrs. Mary Turrell of Tawas City visited at the Frank Smith home Sunday.

Mr. and Mrs. Harold Hammond of Saginaw were Saturday evening callers at the George Smith home.

Mr. and Mrs. Victor St. James of Whittemore were Sunday callers at the William Bamberger home.

Mr. and Mrs. Stephen Lewicki of Bay City spent the week-end at the home of her parents.

W	9	Sterling	1
W	10	Beaverton	0

By EARL WRIGHT

Two of the five outfits tied for top place last week slipped a half game off the pace when they suffered setbacks last Friday night. The three teams now tied for the lead suffered their defeat at the hands of Friday's contests. Rosebloom, Stanish and Archie Eastern slipped by West Branch, 58-51. Stanish squeaked past Beaverton in a low-scoring duel, 35-28. Tawas Area handed Houghton Lake its second loss of the year, 51-47. Preceding made it two in a row, downing Beaverton, 49-34, and Sterling emerged from the cellar by tripping up Gladwin, 60-54.

Top man for the point getters of the evening was Doug Hall, Gladwin forward, who tossed in eight field goals and seven free throws for 23 points. In second spot were Bill McCormick, Eastern's center, and Jim Wells, Piny forward, who with 20 each. McCormick picked up his tally on a six and eight count, while DeLong made his total on eight and four.

Lacey, East Tawas; Mrs. Minnie Nelson, East Tawas; Richard Shover, Tawas City; Paul Onitela, East Tawas; Joan Shuster, Osceola; Patricia Conklin, Tawas City; Mrs. Gola M. Roberts, Tawas City; Emil Christenson, Tawas City; Robert A. Haley, Tawas City; Mrs. Rudy H. Kay, Osceola; Henry L. Lacey, East Tawas; Mrs. Jean D. Chapman, Osceola.

Tire Slashers Now Face Circuit Court

A tire slashing spree last Halloween night at Hale was solved this week by Iosco County Sheriff's Department officers and Michigan State Police with the arrest of two 17-year-old boys and a 16-year-old girl. Before Justice H. B. Bird was over to circuit court, they were released to the custody of their parents until trial.

The three boys were arrested after admitting to officers that they had cut tires amounting to over \$400. The Hale Hardware suffered the largest amount of damage to the excess of \$275. George Grabow, \$80, and other tires of lesser amounts.

Farm Events

By Marvin Davenport
County Agent

Tuesday, January 22—4-H Club and Home Demonstration Council meetings, Standish.

Monday through Friday, January 28-February 1—Farmers' Week at Michigan State University in East Lansing.

Wednesday, February 6—Poultry clinic on poultry house management, 1:00 to 3:00 p. m. Grandview County Court House.

Thursday, February 7—ABA Board of Directors, Federal Building, East Tawas.

Thursday, February 14—North-eastern Michigan lamb marketing program annual meeting, 1:00-3:30 p. m.

Wednesday, February 20—Poultry housing, Standish court house, 1:00 to 3:00 p. m.

Without a single penny of extra cost, you can increase your corn earnings by as much as \$44 per acre.

You can do this by selecting the "right" corn hybrid variety for your growing conditions.

And, your growing conditions have been tested in your area during the past corn growing season by researchers at Michigan State University.

E. C. Rossman of Michigan State University's farm crops department reports that high yielding hybrid corns cost no more than seed of low yielders.

High yielding corns produce as much as 33 extra bushels per acre

in recent tests. Some produce 15 more bushels per acre than average varieties.

When you figure these higher yields at today's market prices, it is easy to see where per acre income can jump another \$44.

Another point shown in test is that you do not need late maturing varieties to make high yields.

The best early maturing corns produce as much as late maturing varieties.

Because so many Michigan farmers lost 10 or more bushels per acre this past season due to the September 20-21 frost, Rossman feels that it is a money-in-the-pocket choice when farmers select medium varieties this year.

Here are the best medium early varieties as shown by test:

In Northcentral Michigan these recommended varieties are Michigan 250 and 350; DeKalb 63; Funk Brothers G18; Pioneer 338; and Kingscrest K55.

In Northern Michigan these recommended varieties are Michigan 250 and 350.

A complete report of these corn trials will be available in my office after February 1. Ask for folder F-67, "Corn Hybrids Compared for 1957." These folders are available without charge.

You may get even colder than you are, just thinking about pruning your trees and shrubs, but now is a good time to do so.

George Kessler of Michigan State University's horticulture department says that you should prune shrubs every year if it is at all possible. The best time to prune, from the standpoint of the plants is in the spring, just before growth starts. However, that time of year is one of the busiest on the gardener's calendar anyway, and most of the other jobs can not be done at any other time. Pruning, however, can be done during the winter without much injury to the plants.

The exceptions to this rule are plants on which the buds form the season before. If these plants are pruned just before flowering, they will not produce many blooms. Therefore, plants such as lilac, spirea and flowering plum should be pruned just after flowering.

How severely you will want to prune will depend on the age and species of the plant. The older the plant, the more wood will probably need to be taken from it. If the plant has been neglected, a very drastic pruning may be needed to rejuvenate it. Old lilacs and honeysuckles can even be cut back to the ground and rebuilt from the new growth sent up from the roots.

This is the season of the year when wet laying houses are a problem to many Isosco poultrymen. The cold, humid weather of the Michigan winter causes ventilation problems, unless the laying houses are properly set up.

Howard Zindel, Michigan State University poultry specialist, says that the combination of cold and humidity makes the problem acute. If the house is cold, the poultryman shuts it up to keep in the heat. And in doing so he cuts down the ventilation, so that the moisture given off by the birds remains in the house.

The first step in drying out the poultry house is to clean out the wet litter and replace it with a dry absorbent litter such as chopped corn cobs. Straw is not as good, because it is not very absorbent.

At our recent Isosco-Tawas Artificial Breeders Association meeting we discussed the problem of

getting ABA service to Isosco County's Reno and Plainfield Townships. Ruppert Bentley, who has been serving the area, resigned effective January 11, and will not be in the state on his new job. Board members present are anxious to find someone who will be willing to serve the west side of the county. Anyone interested, contact William Herriman, Victor Herriman, Walter Miller, Charles Timrock, Glen McLeod, George Waters, Thomas Nelkie, Warren Britt or myself.

The annual meeting of our Isosco-Tawas ABA had new members present to see the new movie on our ABA program. E. A. Wenner, recently named general manager of the Michigan Artificial Breeders Cooperative, was the main speaker. Dr. Cyril Spike, dairyman from Owosso and member of the state MACB board, also spoke.

Mr. Nelkie gave his report that indicated seven out of 10 cows bred artificially in his area settled on the first service. He pointed out several dairymen who have even better percentages. Albert Timreck was high with 86 percent (or almost nine out of 10 cows) settling on first service. General thriftiness of the cattle, freedom from disease (such as Brucellosis) and proper timing of the service are essential in artificial breeding.

Clarence Carpenter, our DIHA tester, sent us his report for December 1956.

Scientific Training—

The biggest student increase in American colleges and universities in 1956 went into engineering and teacher-training, according to an eminent educator. Enrollment in the fall of 1956 exceeded the previous peak years of 1947-48, when campuses were swollen with more than a million returning World War II veterans. Total enrollment figures for accredited universities and four-year colleges are: 1,724,897 full-time students, or 6.5 percent higher than 1955, and 559,222 part-time students or 11.5 percent more.

Pat McCormick, winner of three diving gold medals in the 1956 Olympic Games, was named the nation's female athlete of the year in an Associated Press poll.

MARY WORTH'S FAMILY

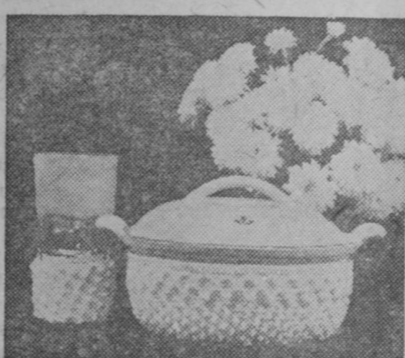

KERRY DRAKE

Needlecraft News by Nancy Baxter

Hobbyists are always looking for new methods, new materials with which to further their favorite pastimes. Crocheters, being no exception, take delight in every novel treatment that helps to enrich their leisure hours. One of the latest needlework ideas to tempt the fingers of the avid crocheter is illustrated here. It is a design, worked with cotton, that assumes the appearance of milk glass.

MILK GLASS MANIA

Since milk glass has made its recent comeback as a collector's item, a crocheted design of the same mood is sure to gain equal popularity. This new look in needlework circles effectively copies the pure white, knobby surfaces of the real thing. Just as milk glass takes time and skill to make, its crocheted likeness took many years to develop. First, a double-thick crochet cotton had to be created to achieve the same full form as milk glass. This cotton had to be mercerized to supply a gloss that could simulate glass. And, to retain a clean, white appearance always, it had to be easily and completely washable. It is doubtful that a milk glass design could have been successfully crocheted before these developments. Now, with this crochet cotton and the right stitches, the crocheter can have her own milk glass collection quickly and inexpensively. Yes, crocheting with double-thick cotton takes half the time.

CROCHETED MILK GLASS SET

A collector of milk glass desires only to display it, while a crocheter of milk glass wants more than that—she wants to show it AND use it. This set of bright, white cotton serves both purposes at the dining table. The casserole and tumbler jackets look like precious milk glass but are as practical as a pot holder. Start your crocheted milk glass collection with these pieces. The instructions are available to you through the Needlework Department of this paper. Simply send a stamped, self-addressed envelope with your request for MILK GLASS CASSEROLE AND TUMBLER JACKETS, Leaflet No. S-798.

By Dorothy Scott
Home Demonstration Agent

Calendar—
Tuesday, January 22—District Home Demonstration Council meeting, Standish.
January 28-31—Farmers' Week, Michigan State University, East Lansing.

The number of Isosco County farm families having freezers increased from 12 percent to 32 percent in the last five-year census period. Many non-farm families also have freezers. Perhaps it is safe to say that one in three Isosco families now have a freezer. It is likely more families plan to get one.

Let's consider costs. There is no economy in an empty or part empty freezer. There are the purchase price, interest, depreciation and electrical costs to account for in figuring out how much must be added to the original price of the product to know the true cost. Here is one example:

A 12-cubic foot freezer (360-pound capacity) costs \$420 new. In tests made this breakdown of costs resulted in storing 360 pounds of food: Depreciation, \$25.59; interest, foregone \$14.90; repairs, \$8.40; electricity for freezing, 90 cents; electricity for maintaining zero temperature, \$27.38; packaging (two cents per pound), \$7.20 making a total cost of \$88.37. Divided by 360 pounds a figure of 25 cents per pound can be added to the original project cost.

This 25 cents per pound can be reduced only by turnover of food stored in it. If 540 pounds are put through the freezer, instead of 360, the total cost to add to the product cost would be 17 cents; a

900 pound turnover would reduce these costs to 11 cents per pound. It is plain to see that the higher rate of turnover, the lower the cost per pound of frozen food. It is also evident that a low rate of turnover results in actual frozen food costs which are high and the consumer might well ask herself whether she gets, or would get, value received from this investment. It all depends on how much food will be put through it.

There are, of course, values other than the investment and operating costs, including: Foods stored and at hand whenever they may be wanted, better and more varied meals, being able to spend less time shopping, family food preferences, possibility of buying bulk amounts of foods at lower prices, less food waste and saving homegrown foods.

Let's assume your family has counted the costs and considered the other values a freezer offers. It is decided a freezer will be profitable and convenient equipment in your home.

The size to purchase can be estimated by multiplying the number of persons in the family by six (allowance is six cubic feet of space per person).

When the dealer delivers the freezer, be prepared to tell him where it is to be installed. From the operating standpoint, the ideal location is a cool, dry, well-ventilated place. From the standpoint of convenience to the homemaker, the kitchen is ideal because it is the center of all food preparation.

Remember, too, the loaded freezer is heavy. Choose a place that will accommodate not only economical operation, convenience and size, but also the weight.

The Baldwin Belles held their monthly meeting Wednesday evening at the home of Mrs. Mabel Roach. The lesson in aluminum craft was continued and a discussion on home nursing was held.

STRICTLY BUSINESS

"He said something about getting a line on one of the employees!"

THESE WOMEN!

"SHE knows what's good for us women—prescribes furs, hats, jewelry for every ailment!"

North Plainfield Farm Bureau—North Plainfield Farm Bureau Group met at the home of Lloyd Guest, chairman.

George Lake, as director, reported a Blue Cross secretary meeting at Grant Township Hall, February 27, at 12 o'clock noon.

A Blue Cross committee meeting will also be held January 21 at Grant Township Hall, starting at 8:00 p. m.

Herman Drengberg was appointed to contact the American Legion on obtaining a flag for the group. A report for the women's com-

mittee was given by ValJean Drengberg.

Ruth Guest reported February 2 as the date of the health council's suggestion for a benefit party.

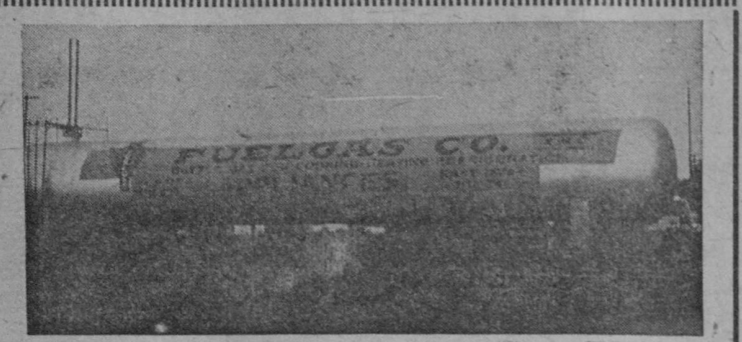

The petroleum program was explained by Thomas Nelkie and a discussion was led by Janice Wilson.

Whenever an individual thinks he is above the law, it is time to set him straight.

News For Mr. Webster

Mr. Webster defines a truck as an "automotive vehicle for... long distance hauling" and this is technically true. But to the millions of Americans whose everyday life is geared to the flow of motor transport, a truck is much more than this.

It's a shipment of supplies for the corner drugstore where you buy; a crate of spare parts for the auto repair garage you patronize; a load of food-stuffs for your favorite grocery; shoes for little Junior, eye-glasses for Mary, paint for that bedroom you're doing over, the TV set you've been waiting for.

Life in Michigan just couldn't go on as it does today without trucks. Agriculture and industry depend on them. So do the butcher, the baker, the candlestick maker. So do you!

Michigan Trucking Association
Fort Shelby Hotel • Detroit

Chevrolet shows you some important differences in low-priced cars just by
the look on its face!

Wouldn't you say that most of the '57 cars look good from 50 feet away, but what about from 50 inches away?

What does a close-up of the grille tell you, for example? Is it solidly made like the new Chevrolet grille? Or, in comparison does it look less rich in design—feel less strong and solid? Compare the quality and construction of the bumpers and headlights, the fit of the chrome trim.

The more closely you look all around the car, the more clearly you'll see that Chevrolet has the edge in the way it's put together. You'll find, for instance, that Chevrolet is the only

car in its field with a laquer finish... that only Chevrolet Bel Air models give you foam rubber cushions in front and rear seats as standard equipment. These are just a few of the advantages of Body by Fisher. And Chevrolet, you know, is the only low-priced car that has a Fisher Body.

We'll be glad to give you a close-up, comparative look at this new Chevy any time you care to come in. This week, maybe?

Only franchised Chevrolet dealers display this famous trademark

LEGAL NOTICE

ORDER FOR APPEARANCE (AND PUBLICATION)

State of Michigan
The Twenty-third Judicial Circuit
Suit pending in the Circuit Court for the County of Iosco in Chancery on the 3rd day of January, 1957, wherein Edward B. Schanbeck, is plaintiff and Dorothy L. Schanbeck, is defendant.
In the above entitled cause is appearing that the defendant, Dorothy L. Schanbeck, is not a resident of the State of Michigan, but that she resides in the State of New York, therefore, on motion of William R. Barber, attorney for plaintiff.

It is ordered that the defendant enter her appearance in said cause on or before three (3) months from the date of this order, and that within forty (40) days the plaintiff cause this order to be published in The Tawas Herald, a newspaper printed and circulated within said County, said publication to be continued once in each week for six (6) weeks in succession.

HERMAN DEHNKE,
Circuit Judge.
William R. Barber,
Attorney for Plaintiff,
Tawas City, Michigan. 2-6b

Pictures of the Week

CONGRESSMAN ELFORD A. CEDERBERG of the 10th Congressional District is shown above with Carl Fogle of the Office of the Architect of the United States Capitol, looking over the seating diagram at the scene of next Monday's inaugural ceremonies. The white columned inaugural rostrum where President Eisenhower will take the oath is shown between Congressman Cederberg and the front of the capitol. Temporary seats have been installed to accommodate about 15,000 persons for the ceremonies.

SEEK APPROVAL OF "EISENHOWER DOCTRINE"—Secretary of State John Foster Dulles (center) is shown as he conferred at the capitol with senate GOP leaders, William Knowland (California), left, and Styles Bridges (New Hampshire). Dulles stressed the importance of speedy congressional approval of the "Eisenhower Doctrine."

HOME BOMBED—The Rev. Ralph Abernathy, one of the leaders of the bus boycott in Montgomery, Alabama, stands with his assistant, the Rev. W. J. Hudson (right) on the porch of the heavily damaged home after a dynamite bomb exploded there.

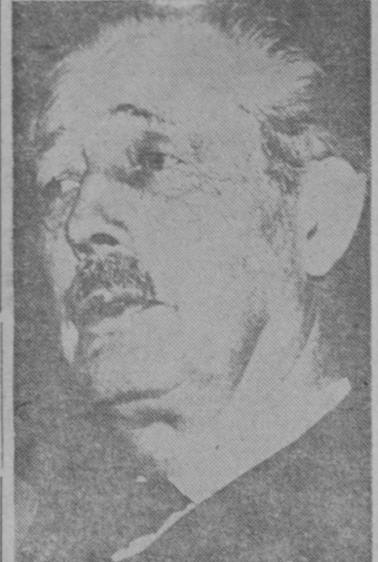

CLAIMS ESTATE—Gladys Torregano Stevens, 52, of New Orleans, Louisiana, (left) petitioned the San Francisco Supreme Court to award her the \$275,000 estate of the late Ernest J. Torregano (right), former San Francisco civic leader. She claims to be his daughter, deserted with her mother and family in 1913 in New Orleans. She claims that Torregano was not as he claimed of French descent but Negro.

"WITNESS"—Behind a sign labeled "witness," former United States Secretary of State Dean Acheson testifies before the House Foreign Affairs Committee in Washington, D. C. Acheson, a cabinet member with the Truman administration, urged congress to reject President Eisenhower's new Middle East policy.

QUESTIONED ABOUT MISSING DOCUMENTS—Col. John C. Nickerson Jr., chief of a branch of the Army Ballistic Missile Agency at the Redstone Arsenal, Huntsville, Alabama, is among the officers being questioned about missing secret documents. The documents contained guided missile information which appears to have fallen into unauthorized hands in an apparent "violation of security regulations."

MAC MILLAN NAMED PRIME MINISTER—Chancellor of the Exchequer Harold MacMillan has been named by Queen Elizabeth to succeed Sir Anthony Eden as Britain's prime minister. The queen made her choice with the advise of elder statesmen like Sir Winston Churchill. MacMillan's appointment was said to be a victory for the right wing conservatives of Britain's government party.

WILBER NEWS

The home demonstration group met on Tuesday, January 8, with Mrs. Lewis Rodman. The lesson on aluminum craft was well presented by the leader, Mrs. Norman Howarth. Each member made an aluminum tray. The group decided on a home nursing lesson to be presented at a later date. Mrs. Robert Reasner from Tawas City was a visitor. A delicious lunch was served by the hostess.

Mrs. Edward Rolls, Mrs. Ella Woodard and John Schreiber were supper guests at the John Newberry home on Friday evening.

About 30 attended the family pot-luck dinner held in the church parlors on Sunday. These dinners are held once a month and every one is invited to attend. Following the dinner there was a meeting of the church board.

Mr. and Mrs. William Howlett and family of Flint spent Saturday and Sunday at the Raymond Cross home. Mr. and Mrs. Harry Cross were also dinner guests on Sunday.

Stanley Brown left last week for Tucson, Arizona, where he plans to attend school.

The Wilber Farm Bureau will meet on Saturday, January 19, at 8 o'clock at the John Newberry home.

Mr. and Mrs. Harold Cholger and family were Sunday guests at the home of Mr. and Mrs. Andrew Anschuetz.

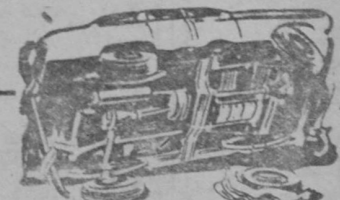

"New Tablet Relieves 'Hot Flashes,' Irritation From Change-Of-Life Without Costly Shots!"

"Shots I took gave no relief," says W. W., Chicago. "But with Pinkham's Tablets—no hot flashes—no 'sorry for myself' spells!"

Science offers women new freedom from much misery of change-of-life, thanks to an amazing tablet developed especially to relieve such functional discomforts. Doctors report sensational results using this home treatment alone—and no costly injections!

Relief for 8 out of 10 tested! Irritability was calmed. Dizziness relieved. Hot flashes subsided. Here's why. This new tablet is a unique combination of special medicines. Acts directly on the cause of these troubles to relieve tense feelings, physical distress that bring unhappiness to so many. Clinical tests prove this. Don't let change-of-life rob you of joy! Ask for "Lydia Pinkham's Tablets", now at drugstores without prescription. Contain blood-building iron. (Also liquid Lydia Pinkham's Vegetable Compound.)

Braves Defeat Cats; Lose to West Branch

Tawas Area kept pace with the leaders in the NEM Conference last Friday night by running away from Houghton Lake in the first half and then hung on after the intermission to take a 51-47 win.

The Braves jumped to a 15-5 lead at the end of the first frame and held a 32-16 margin at half-time. The Lakers came back to take the third period with a 14-8 tally and repeated in the final stanza with a 17-11 count, but the bulge built up in the first half was too much to overcome.

A 54-45 loss to a strong West Branch Oriole Team Tuesday night dropped the Braves out of a tie for first place. The West Branch team, boasting three tall players and not one of the five starters a senior, took a commanding 32-15 lead at the half and were never headed, although Tawas narrowed the gap in the third period.

The Braves were definitely "off" in this latter game, scoring but three points in the first canto although having plenty of scoring opportunities. Of 14 attempts from the field in the first quarter, Tawas connected only once and made but one of 12 shots from the free throw line in the same quarter.

Dave Featheringill led the Braves in a losing cause with 17 points.

Ray Guyette, forward, topped the winners with 16 points on six and four with Dick Lanski in second spot tallying 14 on five and four. High man for the losers was Pat Marts, guard, with 11, followed by Arnold Goupil, center, with 10.

Tawas swept the evening's proceedings against the Bobcats, taking the preliminary contest, 47-39, with Bob Watts leading the way with 18 points. The defeat was the first suffered by the Houghton Lake JV squad this season.

The Tawas Area JVs lost to the West Branch reserve squad Tuesday night, 51-45.

Friday night the Pinconning High School team will play at the Tawas Area gymnasium.

Whittemore Cards Lose to Fairview

The Whittemore Cardinals lost to Fairview Tuesday night, 63-52. The Cards took a 16-10 lead in the first quarter and held a 26-25 margin at the half. The winners came back with 23 points in the third quarter and 15 in the final to win.

High Scorer for Whittemore was Provoost with 20 points. Gusler and Handrich tied for high scoring honors for Fairview with 15 points each.

The Whittemore JVs lost to Fairview 40-32. Fuert and Aldrich each scored nine points for Whittemore. Frayer led the winners with 20.

This Friday night Hale Area High School will play at Whittemore.

Tawas City

(Continued from page 1.)
Marvin Clements, who attends school at Northeastern School of Commerce, Bay City, spent the week-end with his parents, Mr. and Mrs. Laurence Clements. Another son, James Clements, who is employed at Johnson's Electric at Hale, was also home for the week-end.

Mr. and Mrs. Merlin McLean of Whittemore were visitors in the city Friday.

Mr. and Mrs. William Struthers were dinner guests of Mr. and Mrs. Roger Earl Wednesday night.

Mr. and Mrs. James F. Mark, Mrs. Mary Westfall, Mrs. Ira Horton, Mr. and Mrs. Carl Schaaf, Mrs. John Forsten and Mrs. Marvin Davenport attended an Eastern Star meeting at West Branch last Monday evening. They represented Tawas City Chapter, OES.

Mr. and Mrs. James Leslie received word from Lt. and Mrs. M. J. Leslie of the arrival of twin boys, born January 2, at Hayward, California. The boys weighed seven pounds, six ounces, and six pounds, 13 ounces. They have been named Michael James and Eric George. The Leslies reside at 28228 Fifteenth Avenue, Hayward, California.

The number of people in a community is not nearly as important as the type of people in the community.

A. J. LaPorte

Funeral services were held for A. J. LaPorte of Bay City last Monday at St. Joseph's Church, Bay City. He was the father of Dr. L. A. LaPorte of East Tawas. A nephew, (the Rev. Fr. Angus of Louisville, Kentucky, was the celebrant. Assisting in the requiem were the Rev. Fr. James Sullivan and the Rev. Fr. Francis J. Hass. Grandsons of Mr. LaPorte were pallbearers, Peter, William, Kenneth and Lawrence A. LaPorte of East Tawas and Elrid J. and Lawrence P. LaPorte of Bay City. Burial was in St. Patrick's Cemetery.

Surviving are his widow, Kathryn; one daughter, Mrs. Frank Kennedy of Dearborn; two sons, Dr. LaPorte of East Tawas and Virgil A. of Bay City; 19 grandchildren and a sister, Mrs. A. J. LaFleur of Lorraine, Ohio.

Mr. LaPorte, called dean of shoe retailers in the state, started in the business in 1904. He was also in the sugar beet industry and was a sugar beet chemist at Michigan State Agricultural College at one time.

Mrs. Peter Newwine

Mrs. Peter Newwine, 73, of Tawas City died Saturday at Traverse City following a lingering illness.

Mollie May Sowles was born January 27, 1884, in Eaton Rapids. She married Peter Newwine on July 5, 1924, at Charlotte. They have resided in Isoco County for 21 years, the past 12 years in Tawas City.

Surviving are her husband; three sons, Merton and Martin, both of Saginaw, Frank of Burt; a daughter, Mrs. Alpha Thompson of Saginaw; two brothers; a sister; six grandchildren, and one great grandchild.

Funeral services were held Tuesday afternoon at the Jacques Funeral Home. The Rev. Ralph Edwards officiated and burial was in the Tawas City Cemetery.

Hospital Auxiliary Raised More than \$5,000

To date, more than \$5,000 has been raised by the Tawas Hospital Auxiliary through bake sales, card parties, rummage sales and other activities, for the benefit of the Tawas Hospital Association.

During a reading of annual reports at an auxiliary meeting January 8, it was revealed that the total amount raised by the group was \$5,648.

Mother Rita Louise, hospital administrator, spoke to the group and asked that it become a service organization, now that the hospital debt has been paid. Members are requested to spend two or three hours a week working in the hospital.

Women of this locality who are willing to donate time and service to the group and who wish to join the organization, are requested to attend a meeting which will be held for this purpose February 5. Future plans will be made at that time.

Youths Bound Over on B and E Charge

Four Tawas City youths waived examination when arraigned before Justice A. J. Goulet of East Tawas on charges of breaking and entering. Bound over to circuit court and released on bond were Melvin Timreck, 19; Clyde Simmons, 20; James Rapp, 21, and a 16-year-old youth, jurisdiction of whom has been waived by probate court.

The four youths admitted breaking and entering the Minors Grove Grocery on different occasions and American Legion Hall in Tawas City.

INJURED IN BICYCLE-CAR CRASH ON US-23 FRIDAY

A 12-year-old East Tawas boy was treated at Tawas Hospital and released last Friday after he was struck by a car while riding a bicycle on US-23.

Injured was Gregory Huck, son of Mr. and Mrs. Gordon Huck, 412 Wilkinson Street. He suffered bruises on the left hand.

The boy was riding his bicycle south on US-23 and was hit by a car driven by Robert Freel of Tawas City. Police said injuries were of a minor nature.

The driver stated traffic was heavy at the time and he did not see the bicycle and rider.

Sheriff

(Continued from page 1.)
Slightly below normal. Sheriff O'Farrell said that until 1956 there had been no known murder in the county for a number of years.

In performing its operation the department traveled a total of 49,000 miles during 1956. This does not include part-time deputies of Oscoda Township. Included in this figure were 990 inspections of tourist homes and cabins.

The department issued a total of 4,500 operator and chauffeur's licenses; took 590 sets of finger prints; both applicant and criminal; served 9,690 meals to inmates. There were 138 guns registered by the department.

There were 386 dogs destroyed in the county by the sheriff's department. This shows a drop of 141 over the previous year of 1955 when there were 527 dogs destroyed. The department collected a total of \$831 in dog licenses, the largest amount of dog taxes ever collected.

The department turned over \$18,652.12 to the Isoco County treasurer. Of this figure \$10,746 was for jail fines and sheriff traffic fines, plus \$3,683.62 in costs.

Interesting Meeting Held by Grace Lutheran Ladies Aid

An interesting meeting of Grace Lutheran Ladies Aid was held at the church last Thursday evening. Featured on the program were color slides with interpretation entitled "This is Our Church," showing the work of the Lutheran Church throughout the world in all its phases, presented by the Rev. Robert Nelson.

Mrs. W. D. Nunn, president, led the business session and Mrs. Nelson had charge of devotionals with readings appropriate to the New Year.

Plans were made to take care of meals and banquet for the winter retreat of Luther Leaguers of the eastern district to be held February 8, 9 and 10. About 150 young people of the district and local leaguers will attend. Mrs. Elmer Werth is general chairman.

After the meeting hostesses serving refreshments were Mrs. Nunn, Mrs. Phyllis Stonehouse, Mrs. Emma Sloan and Mrs. Vivian Nash. Table decorations were a centerpiece arrangement of huckleberry greens and white chrysanthemums.

Twentieth Century Club Met at Legion Hall Jan. 9

The Twentieth Century Club members and guests met at the Legion Hall January 9 for the regular meeting.

The following program was presented: Roll call, what are you reading?; federation news, Mrs. R. E. Mick; Miss Leonora Hass, assisted by Mrs. Stewart White and Miss Arlene Leslie, gave an account of the library service and displayed several books.

A group of vocal numbers by Miss Catherine Ball, accompanied by Mrs. George Leslie, were enjoyed.

Hostesses were Mrs. A. J. Sevens, Miss Leslie and Mrs. William Groff.

The next meeting will be January 23 and a panel discussion on "Challenges" will be led by Mrs. Mick.

To Hold Special Meeting

The Mary Jane Goodale Camp No. 50 of the Daughters of Union Veterans held its first meeting of the year recently. It was voted to hold a special meeting Wednesday, January 23, at the East Tawas Community Building for installation of 1957 officers.

A Christmas dinner held at the home of Netra Benson on December 12 was enjoyed by everyone. After a chicken dinner, gifts were exchanged by the nine members present.

COLOR SLIDES TO FEATURE RESERVE MEET

An army highlights program will be presented by the Tawas Army Reserve Unit January 24. All men, 17 to 26, who have not had prior military service or are now in the inactive reserve, are invited to attend.

The program will be presented at the Jesse C. Hodder American Legion Hall in Tawas City. Color slides will be shown of Korea, Japan, Okinawa, Germany and France; also scenes of army maneuvers at Fort Benning, Georgia.

Lasting approximately two hours, the scenes shown will take those who attend around the world via the United States soldier, on duty and on leave, in time of peace and war.

Parents Invited to Hear Dr. Watt at Alabaster

"Are our children of today different?" This will be the subject of Dr. Wallace Watt, consultant of the state mental health department, Lansing, at the forthcoming meeting of the Tawas Area P.T.A. He will be speaking at the Alabaster school Monday, January 21, at 8:00 p. m.

This question is being asked by many and the answer should be of interest to parents and all citizens, who are invited to attend to dispel all the false accusations concerning today's children.
