## City to Crack Down on River Litter-Bugs

The City of Tawas City has started a campaign to crack down on "litter-bugs" who throw refuse into the Tawas River. It was reported Monday by Reginald Bublitz, superintendent of public works.

This latest action came after an incident Sunday. Superintendent Bublitz said that someone had taken boxes of refuse awaiting garbage collection at a Tawas City business place and dumped it in the river at the Mathews Street Bridge.

An investigation was made by Conservation Officer Arthur Leitz and Mayor George W. Myles. Commented Mayor Myles: "In the past, Tawas City has always attempted to keep the river clean. We are going to investigate all reports of trash being thrown in the river and offenders will be prosecuted."

Ordinance No. 36, pertaining to dumping of debris in the river, which has been on the books since 1897, will be enforced to the limit, stated Bublitz. Violators may face the possibility of court action, a \$100 fine and a jail sentence.

## MILLION DOLLAR FIRE HITS TAWASES

## Two Industrial Buildings Go Up in Smoke

A million dollar fire early Wednesday morning destroyed Timco Corporation's furnace division plant and Ottawa Equipment Company's garage at the Detroit and Mackinac Railway yards in Tawas. Origin of the fire has not been determined as yet.

Discovered about 3:15 o'clock by a railroad worker, volunteer fire departments from Tawas City, East Tawas and Osoda battled flames for more than three hours before the fire was finally brought under control. No one was injured.

The blaze destroyed two large industrial-type buildings, one of which contained Timco's entire office and plant having a payroll of 65 persons.

Both buildings were constructed in the early 1900s by the railroad company. The main part of Timco's building was of brick construction. Each end of the building had a Butler metal-type addition. Ottawa Equipment's building was of cement block construction.

Also lost in the blaze were 13 trucks and six passenger cars owned by Consumers Power Company which were stored in the Ottawa building overnight. Several were valued at more than \$10,000 each. Of Consumer's fleet of 21 vehicles at Tawas, only one service truck and a sedan remain, stated Gordon Huck of the local office.

Howard Beck, plant manager at Timco, who was notified of the fire shortly after the alarm, said that all records, work scale drawings for furnaces, dies and templates were lost in the blaze, besides production line equipment being totally destroyed. He estimated the cost of replacing the equipment at about \$250,000, plus the loss of a \$200,000 stock inventory.

All of Ottawa Equipment Company's automotive repair equipment was lost in the blaze, plus personal tools of the workers. Eleven persons are employed by the company. Everett said that \$5,000 worth of 1957 license plates, purchased only this week and not installed on trucks, was lost in the fire. He estimated the total loss at about \$100,000.

"Fortunately, most of our rental truck fleet and rolling stock was on the road," stated Everett. However, 10 vehicles, including a 1956 Cadillac, owned by C. A. Pinkerton, railroad company president, which was stored in the garage, were destroyed by fire.

Although no official word has been received from the railroad company, it is believed its loss will be in the neighborhood of \$150,000.

The fire was discovered by Lloyd Borden, a night worker in the mechanical shop of the railroad company. The Tawas City Fire Department responded within a few minutes, but flames had already broken through the roofs of both buildings. Hundreds of feet of hose

were stretched from hydrants in Tawas City and East Tawas.

While firemen battled the blazing buildings, a strong north wind showered sparks on the railroad company's mechanical shop and threatened Feather-Lite Company's plant, both located a short distance away in the railroad yards. No damage was done to either of these buildings.

A number of small explosions were caused in the flaming buildings when fire reached acetylene and oxygen tanks. Firemen directed streams of water on a 16,000 gallon storage tank filled with about 6,000 gallons of gasoline located between Ottawa Equipment Company and the mechanical shop of the railroad.

Timco Corporation's plant, which produced about 100 different models of oil furnaces, was located in the railroad company's former coach shop. It is a subsidiary of Jackson-Church Company, Saginaw. Ottawa Equipment Company was in the railroad's former wood-working shop.

"The sad part about the fire is that all of these men are now out of work," commented Mr. Beck. "We have no building available to move into and even if we did have one it would take almost six months to make the necessary drawings for furnace production, plus making new dies and templates and getting equipment set up to go into production."

Mr. Beck and Anthony DeFilippi, Tawas City hotel owner, attempted to enter the building to recover valuable records, but after getting to within five feet of an important filing cabinet were forced back because of dense smoke. By the time a smoke mask was available the fire was out of control.

Ottawa Equipment Company manager, Gordon Everett, said that Ottawa's new building on U.S. 23 was nearly completed and that the business would move to its new quarters.

Honored at a "welcome home dinner" last Friday night was B. F. (Sandy) Coggan, graduate of East Tawas High School, class of 1935, and now manager of the Convoir Division of the General Dynamics Corporation, San Diego, California.

After introducing members of his staff, who were here for the first public showing of the F-102A at Wurtsmith Air Force Base, Coggan related a number of humorous incidents connected with construction and operation of a propeller-driven ice sled which he and Harold Staudacher built back in 1935.

Other guests included three schoolmates of Coggan, Wayne Polard, George Staudacher and Joseph Hennigar, all of East Tawas. Harold Staudacher, now of Bay City, met him at Tri-City Airport but a sudden illness in the family prevented him from attending the dinner.

Present for the dinner were 24 of the 27 Northeastern Michigan businessmen, newspapermen and industrialists who made the trip to Colorado Springs and met Coggan at the Convoir plant in San Diego last November. Others who attended were Col. Thomas N. Wilson, commanding officer of Wurtsmith, and Lt. Col. John M. Patton, commander of the 31st Fighter Interceptor Squadron.

Coggan was presented with a framed enlargement of a picture of the ice sled at the dinner, plus an enlargement of a photograph of the 1934-35 basketball team of the East Tawas High School, for which he was cheer leader.

Mayor Elmer Werth welcomed guests and Harold L. Gould introduced others. Toastmaster was Berkeley Smith.

John Brugger was named chairman of a committee to arrange for feeding the group of 1,560 persons.

Plans for the 21st annual Silver Valley winter sports carnival, February 1, 2 and 3, were made at Monday night's meeting of the winter sports committee. A complete program will be announced sometime next week, stated Chairman John Pinter.

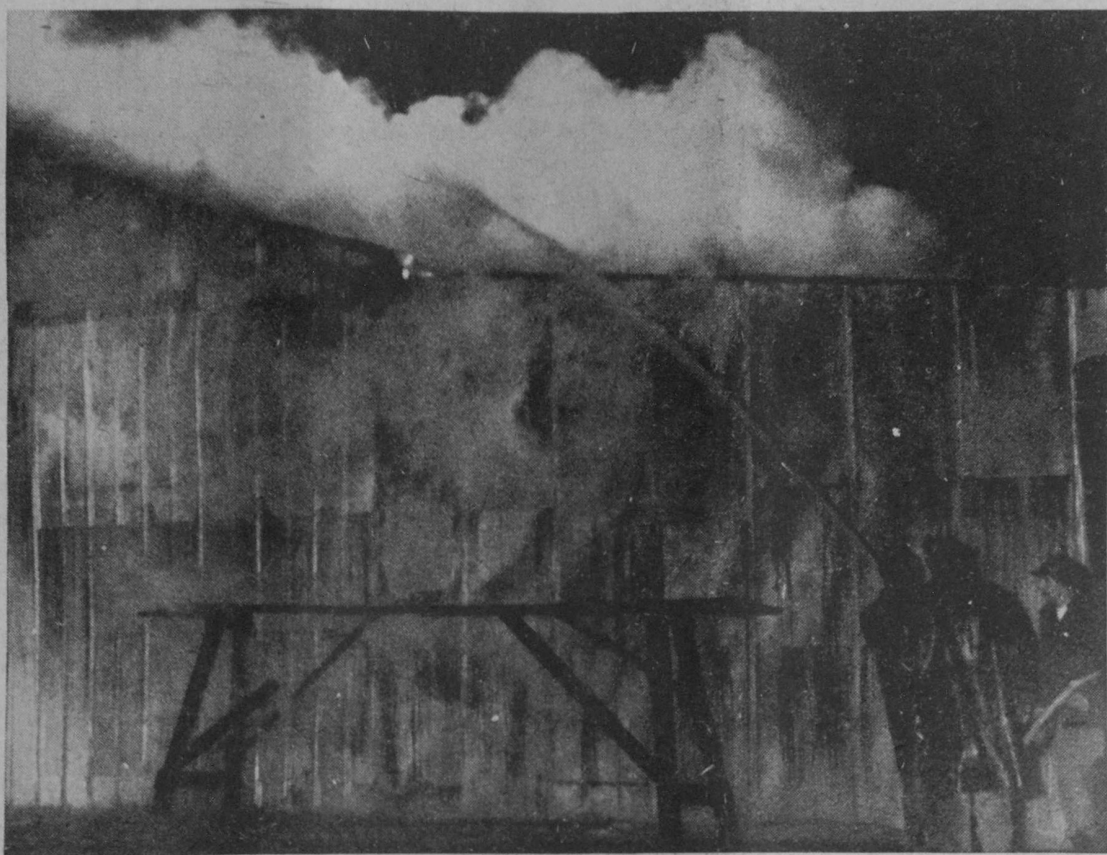

Although weather conditions for a successful carnival were anything but encouraging this week, hope for cold weather and snow was received in a long-range weather forecast.

Besides the usual festivities during the big carnival week-end, 16 ski instructors from the United States Army's Mountain and Cold Weather Command at Camp Hale, Colorado, will be in the Tawas area February 2 and 3.

On January 18, Michigan was invaded by these ski-troopers when they began a 21-day sojourn through Michigan's snow belt region for a series of demonstrations in winter survival techniques and combat tactics.

The group of ski troopers were airlifted from Colorado by the Michigan National Air Guard and arrived at Traverse City on Thursday, January 18.

They will present demonstrations at Traverse City, Cadillac,

## GROW A BEARD—IOSCO COUNTY WILL CELEBRATE ITS CENTENNIAL IN 1957

Iosco County celebrates its centennial this year and announcement was made this week of a drive to gain members for a "best beard club."

Originator of the drive is Earl Parsons of East Tawas. He said Monday that it was only fitting that men of the entire county should grow beards during the celebration, commenting that he didn't think many people living today would be around to observe the next celebration a 100 years from now.

According to Parsons, who is blind, first, second and third place prizes will be awarded to winners sometime during the celebration.

"Now is the time to start growing that beard," he stated. "Membership cards for the club will be printed this week-end and a list of business establishments where they can be obtained will be published next week."

Anyone interested in assisting Parsons with this drive may contact him at his home at 512 Tawas Street, East Tawas, or inquire at the East Tawas Recreation.

Membership dues of \$1 will go toward the prizes.

East Tawas Family Has Narrow Escape From Burning Home

An early morning fire completely destroyed the Mitchell Nursing Home at the corner of Tawas and Washington Streets in East Tawas last Sunday.

Owners of the home, Mr. and Mrs. Richard Buc, escaped from the burning building with their two children, Joey, seven months old, and John, about 1½ years old.

The Bucs were awakened about 3:30 o'clock by the babies' crying and flames burst in as they opened the door of their bedroom, located at the northeast corner of the house. Fortunately they were near the front door, but saved only the clothing they had on.

Mrs. Buc and the children were taken to Otter Lake to the home of (See HOME FIRE, page 8.)

Former Tawas City Resident President of Cemetery Corporation

Establishment of a commercially-owned cemetery at Midland was announced last Friday by Gerald M. Ogden, president of the new corporation. Ogden, a former resident of Tawas City, is the son of Mrs. Harry Gaul.

Now of Bay City, Ogden plans to move to Midland soon. He said the new cemetery, to be known as Midland Memorial Gardens, will be on M-30 approximately 1½ miles north of M-20.

The board concurred with a resolution adopted by Allegan County for legislation which would require petitioners to deposit \$300 with the county when petitioning for cleaning out a drain. The \$300 would defray cost determining necessity. If the drain was approved the money would be returned to the petitioners.

The board adopted a resolution to the legislature, concurring with Iron and Emmet Counties, asking

for a change of constituency in the membership of the state board of equalization.

Marvin Davenport, county agricultural agent, presented his report on the work of the Cooperative Extension Service in the county. With Davenport was Waldo J. ## Old Orchard Park to be Operated by Iosco County

Popular Old Orchard Park on the AuSable River has been taken over by the county. Negotiations were completed during the three-day meeting of the board of supervisors which ended Friday when a contract was signed with the Consumers Power Company, owners of the park. The contract calls for a payment of \$1 per year to the company for use of the property.

The conservation committee of the board of supervisors was placed in charge of the project. Members of the committee are: Supervisors Merlin Jordan, William White and Edward Burgeson.

Howard A. Becker, a former operator of Old Orchard Park, will be the operator. Old Orchard Park has been in operation for many years and its record over those years indicated that as a tourist attraction it was an asset to the area and that a direct revenue to the county would be realized from the project. The power company planned to discontinue the park if not taken over by the county.

Supervisor Elmer Werth reported that a budget study had revealed that a majority of the county departments had exceeded their budget allotments in their expenditures during the past year. A resolution was passed that each department report on how it stands budget-wise at each meeting of the board.

18.17 miles per gallon on North America's toughest truck run!  
That's the gas mileage reported by the Cameo Carrier after covering the entire length of the Alcan Highway in less than 45 hours! All six new Task-Force trucks that made the run turned in top scores for performance and economy!  
Supervised and certified by the AAA.  
**New Task-Force 57 Chevrolet Trucks**  
Six heavily loaded Chevy trucks ran all the way up the rugged Alcan Highway in less than 45 hours! That's cutting more than a full day off the normal running time! They ran right around the clock, stopping only to refuel.  
But the important fact about this run was that it proved new Chevy trucks through and through. The Alcan Highway is a supreme test of every truck component. Engines had to prove their power up high-climbing grades and through washouts. Frames and suspensions flexed their muscles over axle-deep ruts and miles of pounding gravel. "And not a single truck turned back or dropped out due to mechanical failure," states the official AAA report of the test. Every model proved its over-all economy by its ironclad ability to stay on the job! Stop by; we'll talk about it.  
Proved on the Alcan Highway Champs of every weight class!

**Regional Library to Publish Monthly Book Reviews**

Iosco-Arenac Regional Library hopes that adult patrons have found the recent book reviews helpful. These reviews will be published each month as a guide to what is new in reading.

The regional library services seven branch libraries covering a two-county area. The branches are East Tawas, Tawas City, Oscoda, Hale, Whittemore, Au Gres and Standish. Three and four copies of each new adult title are purchased monthly and are divided among the libraries and Bookmobile. The books are interchanged periodically and the most important are reviewed in the newspapers.

If patrons cannot obtain the book they wish at their library, special requests may be made for it and they will receive it as soon as it is available from one of the other regional library branches.

Numerous requests are made for books given much publicity as "best-sellers" and some of them do receive great attention because of the amount of money used for promotion, but best-seller lists are not necessarily the best books being published.

Careful attention is given at headquarters to all reviews of new books and an attempt is made to bring only the very best publications to readers. Books that may be classed as timeless reading not to grow stale on the shelves.

Non-fiction is often thought of as stiff and uninteresting, but adult non-fiction is extremely well-written these days in an informal manner that most readers find stimulating as well as informative.

A world of books is a lasting world, and free library service is a very important contribution to the community.

Busy adults who are seeking complete relaxation during the long winter months can find no better means than reading and the library offers the way to "get away from it all" with a large selection of books to suit every interest and hobby.

**Farm Events**

By Marvin Davenport  
County Agent

Monday through Friday, January 28-February 1—Farmers' Week at Michigan State University, East Lansing.

Wednesday, February 6—Poultry clinic on poultry house management, 1:00 to 3:00 p. m., Gladwin County court house.

Thursday, February 7—ABA board of directors meeting, Federal Building, East Tawas.

Thursday, February 14—North-eastern Michigan lamb marketing program annual meeting, 1:00-3:30 p. m.

Wednesday, February 20—Standish court house, poultry housing, 1:00 to 3:00 p. m.

Detroit has 3 1/2 million people. Three fourths of the federally graded eggs they buy are supplied by Ohio, Minnesota, Wisconsin, Indiana and Iowa. Why doesn't Michigan produce more for the Detroit market? Competition from farmers in other states, their size of business (laying flocks in the thousands instead of ours in hundreds) are just part of the picture that was presented by "Mac" Moore at our poultry clinic in Harrisville last week. What chicks to buy, where to buy to take the greatest advantage of the market, laying and brooder house problems and the price outlook for 1957 were covered at this first session. Alfred Guonan, Harold Hammond, Robert Reasner, Mrs. Edwin Robinson, Mrs. Henry Chapman, Mrs. Grace Williams, Mrs. John Cobb, Mrs. Donald MacDonald and Mrs. Will Waters were Iosco folks who attended the poultry clinic.

The next poultry meeting scheduled for the Gladwin court house on Wednesday, February 6, will have these folks attending again. Anyone else interested should let me know so I can arrange transportation. The session will start at 1:00 p. m. and be concluded at 3:00 p. m.

Substantial quantities of virus-free strawberry plants will be available to Michigan growers next spring, according to Robert Fulton,

plant pathologist at Michigan State University.

Plants of Robinson, Catskill and Marshall varieties may be obtained from seven nurseries located throughout the state. A list of these nurseries and locations is available from the Michigan Department of Agriculture at Lansing.

This year is the first time that large quantities of virus-free plants have been available since Michigan's virus-free strawberry certification program began in 1955. Michigan Department of Agriculture and Michigan State University are supervising the program which locates and propagates plants that are free of the virus.

Research studies have shown that virus-free strawberry plants put out more runners than infected plants as well as produce higher yields.

Want to make it easier to produce high quality milk in your dairy barn this winter? Then clip the flanks and udders of all your milk cows.

Here are five steps to follow in clipping dairy cows:

1. Clip the tail and bob the switch so that it clears the ground at least four inches. Clip the tail head and areas around the switch of the tail.
2. Clip the entire surface of the udder.
3. Clip the belly and hocks. Then make a mark line from the navel to the thurl on both sides. Hold the clippers on edge, with the bottom blade toward the cow's head, to make this mark.
4. Clip the flanks and thighs by running the clippers up from the hock to the mark line.
5. Clip up the backbone to help control lice.

You will still need to wash the cow's udder with a warm water and choline solution before milking. Washing will help keep the milk clean, will stimulate the cow to let down her milk and permit faster milking.

If you learn one thing every day, you will know 365 new things by the end of the year.

**Michigan's Polio Mother of Year—**

**AN AMAZING COMEBACK** despite the handicaps inflicted by the ravages of infantile paralysis has earned for a St. Johns mother of three the title of Michigan's Polio Mother of the Year. Mrs. Howard Woodbury, shown in her kitchen with her daughter, Rhonda, three, does all the baking, cooking, sewing and housework for her family and in addition gives piano lessons to 26 pupils although confined to a wheelchair. She will head the St. Johns Mother's March on Polio for the March of Dimes on January 31.

When polio struck its crippling blow 2 1/2 years ago, it seemed like the end of everything for Mrs. Howard Woodbury of St. Johns.

The dreams of a new home, her husband's plans for a florist business, the future of her own three small children—all seemed to vanish in those first terrifying hours of pain and paralysis.

Yet today, all have been realized for this 28-year-old housewife whose valiant and amazing comeback has earned for her the uncontested right to be Michigan's Polio Mother of the Year.

It was August 1954 when the doctor diagnosed her aches, pains and stiffness as poliomyelitis and ordered her to Sparrow Hospital in Lansing. Then, as the increasing paralysis made breathing impossible and turned her arms and legs in to useless appendages, her world collapsed.

For six endless weeks she breathed with the help of a rocking bed before gaining the strength and courage to do without it. And it was another five months before she was well enough to be discharged.

"I did a lot thinking during that time," she said. "I decided I was entirely too young to waste my life. I was determined I would survive as a wife and mother, crippled or not."

"Everyone has been so wonderful—my neighbors, my friends, the March of Dimes volunteers—actually it has not been too difficult."

She not only prepares the meals, but bakes all the bread, cake and cookies the family uses and even finds time to can and freeze foods.

A lifetime of musical training including a year of music at Michigan State University has been a Godsend for it is not only her recreation but a means of earning a part of the family income. Each day she gives piano lessons to St. Johns boys and girls—26 of them in all are her pupils. And in addition, she plays for weddings and is in demand as a church organist.

Although completely devoted to her new three-bedroom ranch home with its wheelchair ramp and its extra-wide doors, Mrs. Woodbury is not a stay-at-home. Once a week she goes to Lansing for physical therapy and swimming at the YWCA. And she regularly attends meetings of the Child Study Club, Morning Musical and Bridge Club.

## WEARS STEEL BRACE ON NECK AND CHIN AFTER INJURY

William Fuerst is wearing a steel brace on his neck and chin these days due to a dislocated disc in his neck. The injury resulted from lifting on a washing machine.

## AGENT DAVENPORT SPEAKER AT WOMEN'S CLUB MEETING

The Whittemore Women's Club met at the Methodist Parish House Wednesday evening, January 16, with Mrs. John O'Farrell, Mrs. Duncan Valley and Mrs. Celia Smith hostesses. Eighteen members were present. Mrs. A. Miller, president, presided over the meeting.

Speaker of the evening was County Agricultural Agent Marvin Davenport of Tawas City, who gave a very interesting talk on gardening and preparing the soil for the garden. He also showed slides.

It being the birthday anniversary of Mrs. Roy Charters, the members had a card shower for her. She was also presented with a pretty birthday cake by her sister, Mrs. O'Farrell, which had been made by her niece, Joann Snyder.

The birthday remembrances came as a complete surprise to the honored guest.

The next club meeting will be held at the home of Mrs. Helen Curtis.

## SLEIGH RIDE AND WIENER ROAST ENJOYED THURSDAY

The seventh grade class and their guests enjoyed a sleigh ride party and wiener roast at the Currie Farm on Thursday night in spite of the zero weather.

Born to Mr. and Mrs. J. D. Lehman, Wednesday, January 16, a boy, at Tolfree Hospital, West Branch.

Mr. and Mrs. John O'Farrell spent Saturday afternoon in Oscoda.

Mr. and Mrs. Lawrence Fortune and family left Saturday for a three-week vacation to Tucson, Arizona, with the latter's mother. They were accompanied as far as Mercury, Nevada, by Norman Dorcy, who has employment there.

Aaron Manwaring spent the week-end in Perry. His wife and infant son accompanied him home Sunday.

William Fuerst spent Thursday in Saginaw.

Robert Bero left Sunday for Ann Arbor where he will take a two-week course in driver's training. Mrs. Helen Sturtevant is substitute teacher in his absence.

Mrs. Irene Duengel, who has been a patient in Tawas Hospital since November 16, was able to return to her home in Flint last Sunday. She will be confined in bed there for six to eight weeks due to her leg being in a cast.

Word from John Higgins in Florida states he is still improving. Although very weak, he is able to be up a little each day.

Mr. and Mrs. Virgil Bellville of Midland spent the week-end here with relatives.

Sgt. and Mrs. Dale O'Farrell and baby of Oscoda spent Sunday in town.

## ALUMINUM CRAFT PROJECT GIVEN MONDAY EVENING

A project lesson on aluminum craft was given at the Monday evening meeting of the Whittemore Home Demonstration Group. Oblong bread trays and various sizes of round cake or sandwich plates were engraved or etched by members of the club.

The ladies will meet on Monday, January 28, for a special workshop at the home of Mrs. Lulu Dahne. A short business meeting was held with chairman, Mrs. Merrill Burnside in charge.

Plans were made to give the lesson on "Property Rights" at the home of Mrs. Arthur Zemke on February 11. Mrs. Leo Sylvester will give a special lesson on cake decorating at her home on February 25.

A dainty lunch was served by the hostesses, Mrs. Stanley Partlo and Mrs. Burnside.

At a meeting of the Knights of Columbus recently, Richard Kleon was honored. He had served as financial secretary of the Tawas Council No. 2709. Knights of Columbus, for 20 years and had missed only three meetings during that time.

He was presented with a brief case as a memento of the occasion. District Deputy Edward Nelkie made the presentation.

# WEDDINGS

## Schnepf-Herriman

Miss Doris Herriman, daughter of Mr. and Mrs. Victor Herriman, became the bride of Norman Schnepf at a candlelight ceremony Saturday evening at the Tawas City Baptist Church. The Rev. Charles E. Mercer officiated at the ceremony. Baskets of white chrysanthemums and white snapdragons decorated the church.

The bride wore a white nylon lace dress, ballerina length. The dress featured a Peter Pan collar and long sleeves. Her fingertip veil of illusion was held in place by a crown of pearls and lace. She carried a colonial bouquet of white carnations and white roses.

Mrs. Beverly Montgomery of East Tawas was the bride's only attendant. She was attired in a blue gown and carried a colonial bouquet of yellow daffodils.

The groom is the son of Mr. and Mrs. Gilbert Dumsore of Flint. Robert Service of Flint assisted the groom.

A reception for nearly 100 guests was held in the church parlors following the ceremony.

They left on a short wedding trip before going to Norfolk, Virginia, where the groom is in service with the United States Navy.

Out of town relatives were present from Flint.

## Parish-Winchell

Before 100 guests Sunday afternoon, December 23, Phyllis Ione Winchell became the bride of Pvt. Philip Earl Parish in a double ring ceremony at 2 o'clock at the Halbrook Church of God, Flint.

The bride, formerly of Melvor, now of Mt. Morris, is the daughter of Mr. and Mrs. Elmer Winchell, Private Parish, son of Mr. and Mrs. C. E. Parish of Mt. Morris, is stationed at Fort Devan, Massachusetts.

The bride, given in marriage by a great uncle of Flint, chose a full length gown of white lace and net. The bodice was fashioned with a portrait neckline and cap sleeves. She wore a fingertip veil of net with border of lace, caught to a silver tiara. She carried a bouquet of white carnations circling a corsage of red rosebuds.

Carolyn Roth, Mt. Morris, was maid of honor, gowned in blue taffeta with overskirt of net and lace ruffles. She carried a bouquet of yellow chrysanthemums. Joyce Winchell of Melvor, sister of the bride, and Carol Sampson, Clio, were bridesmaids. Their gowns were of pink taffeta, with overskirt of lace and net. They carried bouquets of white chrysanthemums. Janet Heton, Flint, was flower girl, gowned in pink taffeta. She carried a basket of sweet peas and snapdragons. All the bride's attendants wore matching headbands of roses trimmed with white lace.

Best man for his brother was Lawrence E. Parish, Flint; ushers were Burton Jones, Mt. Morris, and Charles Rommel, Seattle, Washington. The Rev. C. E. Dyer performed the ceremony, after which the newlyweds and their parents greeted guests in the church parlor. After the reception, the bride changed into a steel gray suit, complemented by a corsage of red rosebuds, for her wedding trip.

The bride's mother wore a black sheath dress with white hat and gloves.

The groom's mother wore a turquoise dress with white accessories. Both mothers wore corsages of red rosebuds.

# Hale News...

Elite Shellenbarger fell off the davenport onto a metal toy and was cut just above the eye. He was taken to a doctor at West Branch where four stitches were required to close the wound.

Fire destroyed the home of Orval Armstead located one-fourth mile west of Hale. It was the former Frank Carroll home.

The pedro parties have started at the Love Hall with a good crowd as well as a good time. A change has been made with the "Goose" by keeping a record of losers, too, which is deducted from winners.

This is creating more interest to those working for high scores.

Hale Grange, No 1063, held its regular meeting Tuesday evening with the new officers presiding. There was a good attendance. Plans were made to raise funds for the treasury. E. W. Lackie was elected to the office of treasurer.

## Cancer Society Announces Michigan Division Leader

Russell E. Bowers, president of the Michigan Division of the American Cancer Society, announced today the appointment of Arthur H. Sarvis, Flint industrialist and banker, as division campaign chairman for the society's 1957 independent fund-raising drive.

Sarvis will lead more than 30,000 volunteers during the month of April, national Cancer Month, in the 80 counties which make up the Michigan division. Goal for 1957 is \$677,400.

Taking over the helm of the drive, Sarvis said, "This crusade offers us all an opportunity to strike back at cancer. It is far more than a fund-raising campaign. Trained volunteers will call on their neighbors offering them life-saving facts about cancer. New cancer patients will be found who can use the society's services. More than 25 percent of the money raised will broaden the attack through research, which seeks cancer's cause and cure, while 50 percent of the money will be used where it was raised, fighting cancer through education and service."

Friends were sorry to hear of the death of Frank Stevens, who died at West Branch last week. He was well known here.

Mr. and Mrs. Arthur Zemke were at Standish on business Thursday.

Mrs. Joseph Jaglin and Mrs. Orville Bellor were at West Branch Tuesday.

Clifford St. James, Charles Corrigan, Frank Bernard and A. B. Schneider attended Mass at Hale Sunday.

Victor St. James and Arthur Zemke took a truck load of cattle to West Branch Friday.

Mr. and Mrs. William Bamberger and children visited at the home of her parents here Friday.

A number from here attended the auction sale of Mrs. Dorothy Lickfeldt at Prescott Saturday.

Patrick Corrigan and brother, Charles, were at Hale Tuesday where the former was taken for medical treatment.

## Emanuel Ladies Aid Society Holds Interesting Meeting

The Ladies Aid Society of the Emanuel Lutheran Church held its January meeting last Thursday evening.

The Rev. Leonard Newman opened the meeting with prayer and then presented a paper dealing with methods of preserving Christian-like youth activities.

An interesting film was shown the assembly, pertaining to mission work being carried on by the Wisconsin Synod in Northern Rhodasia.

This territory was explored several years ago as to mission possibilities. The two men chosen for that work were Michigan pastors, the Rev. Arthur Wacker and the Rev. Edgar Hoenicke.

The mission was formally begun in 1953. Pastor Wacker has recently been sent as interim missionary due to the illness of the

original pastor. Mrs. Wacker is a registered nurse and does much to alleviate suffering among the natives. It has been found to be almost impossible to minister to the souls of these people without also ministering to the body, as their medicine man has also been their so-called religious adviser for generations.

The film depicted the great needs of these people which are almost unbelievable.

During the business portion of the meeting, Mrs. William Neumann was taken up as a new member and the society voted to support the March of Dimes.

A new project, a "traveling basket," was decided upon by the ladies. The proceeds from this project will be used to support the work of the missionary endeavors of the Wisconsin Synod in Northern Rhodasia.

Personally, we would be glad to see a deep freeze deep enough to hold the cold war.

By EARL HAIGHT

With the 1956-57 basketball schedule half completed in the Northeastern Michigan Conference, Roscommon and Standish still cling to the lead with Tawas Area and West Branch in striking distance. In last Friday's encounters, Roscommon took care of Gladwin, 52-36; Standish edged out Houghton Lake in an overtime battle, 52-51; Tawas handled Pinconning, 64-54; West Branch dumped Arenac Eastern, 53-43, and Sterling won its second ball game of the year, beating hapless Beaverton, 51-43.

Games on tap for this Friday night include Beaverton at Standish, Roscommon at Sterling, Tawas at Gladwin, Eastern at Pinconning and Houghton Lake at West Branch.

Top man in the point department last week was Joe Rieger, husky West Branch forward, who dropped in 27 points on 13 field goals and one free throw. Not too far behind, in second place, was Jim Wells, Pinconning forward, with 24 on seven from the field and 10 from the gift line. Two other players hit above the 20 mark: Dick Lanski, Tawas forward, with 22, and Dennis O'Keefe, Standish forward, with an even 20.

Roscommon had little trouble in disposing of Gladwin, piling up a big first half margin and then coasting through after the intermission. An 18-6 first period count followed by a 19-11 second quarter score, gave the Bucks a commanding 37-17 bulge at half time. Gladwin took both the third and fourth quarter scoring honors, but could not get enough to overcome the first half edge.

Jim Granlund, Roscommon guard, was high man for the ball game with 17 points on seven and three. Ken Heath, Gladwin center, had 14 on four and six for second spot. Jim Papenfus, Buck forward, and Darwin Shirey, also a Roscommon forward, had 13 and 10 in a winning cause while Doug Hall, Gladwin front line man, had 10 for the losers. Roscommon also won the reserve contest, their second of the year, 40-31.

The real thriller of the scheduled contests took place at Houghton Lake. The Lakers jumped off to a 15-4 lead in the first period and held a 27-19 bulge at half-time. The Golden Arrows of Standish, with the help of O'Keefe's shooting eye, came back after the intermission with a 16-6 third quarter tally which tied up the ball game, and put the winners a point ahead at the start of the final period. At the end of regulation time, the two teams were in a stalemate at 48-48. In the overtime period, Standish picked up four big points while the Bobcats were getting but three. The winners marked the first time in the last seven occasions that Coach Greenhoe's crew has taken the verdict in an overtime decision. To make the evening complete, the Standish

JVs handed the Laker reserves its second defeat in a row, 45-37.

Top man of the ball game was O'Keefe with his 20 markers. Also scoring in double figures for the Arrows were Dean Converse, center, and Dick Treichel, guard, with 10 each. For the Houghton Lake Bobcats, Dave Lee, guard, was high scorer with 15 while Howard Hol-loway and Phil Kemp, both forwards, had 13 and 11, respectively. The last two points scored by Treichel proved to be the big ones as they were the deciding points in ball game, coming with 15 seconds to go in the overtime period.

West Branch and Eastern went down to the third period in a nip and tuck affair before the Orioles took over and won going away in the final period. Eastern took the scoring in the first quarter with a 12-7 count while West Branch took the second with a 10-9 tally which gave the losers a 21-17 edge at half-time. With a 14-9 third quarter score, West Branch moved back on top to hold a one point spread at 31-30 at the start of the last period. In the fourth quarter, the Orioles hit for 22 while Eastern could muster but 13. The West Branch reserves also won, taking the Eastern JV five, 58-20.

Rieger topped both squads with his effort from the field. Gene Steward, Eagle forward, led his school with 15 on seven and one while Bill McCormick, center, held down second spot with 11. Don Finerty, Oriole center, was second best for the winners with 10.

Sterling held the upper hand all the way in its game with winless Beaverton, taking a 14-12 first quarter count, a 17-13 second period tally, knotted an 8-8 mark in the third canto and came through in the final stanza with a 14-8 bulge.

Scott Allen, forward, and Ed Scannell, center, topped the Hawks with 11 each, while Dave Fasset, just brought up from the reserve squad, was best for the losers with 10. Sterling made a sweep of the night's play by taking the preliminary contest, 44-41.

Tuesday, January 29, games: Roscommon at Beaverton; Sterling at Tawas; Gladwin at Eastern; Pinconning at Houghton Lake; West Branch at Standish.

#### THURSDAY IS FINAL NIGHT OF WINTER BAND CONCERT

The Tawas Area Band, under the direction of Edward Rima, is presenting the final program of its winter band concert tonight (Thursday). The first program of the two-day concert was held Wednesday.

Popular marches, overtures and sketches for band make up the program. Nancy Allen is clarinet soloist with Lois Vane, accompanist.

The program is varied enough to appeal to everyone.

#### 25 PEOPLE ATTEND FIRST MEETING OF BAND BOOSTERS

Some 25 people attended the first meeting of a newly organized Band Booster's Club. The following officers were elected: The Rev. Charles Mercer, president; Alice Proctor, vice president; Marion Teeple, secretary; Charles Nash, treasurer, and Harold Clark, publicity director.

Next meeting will be Wednesday, January 30, at 8:00 p. m. at the Tawas City unit. Everyone who is interested in the band is invited to attend.

**POSTS OWN REWARD—**Marie McDonald posted a \$5,000 cash reward with the City National Bank of Beverly Hills, California, for information leading to the arrest and or conviction of the two men she claims kidnapped and beat her. Miss McDonald has turned down a police request to take a lie detector test, on the advice of her attorney, Jerry Giesler. A grand jury is investigating her kidnapping story.

## Tawas Area Braves Bounce Back with 64-54 Win Friday

Bouncing back after a 54-45 defeat at the hands of West Branch a week ago Tuesday, the Tawas Area Braves utilized a big first quarter score to down Pinconning Friday night, 64-54. The Braves JV squad made the evening complete for Tawas Area in the preliminary by dropping Pinconning's reserves, 54-18.

After Pinconning led during the first three minutes of the game, Tawas Area caught fire and was never headed. The losers came back with a 14-10 edge in the second stanza but the Braves held a commanding 32-21 lead at half-time.

In the third quarter Pinconning pulled to within three points of tying the score but the Braves rallied and held an 18-15 edge at the end of that canto. Pinconning's 18-14 margin in the fourth quarter was not enough to catch up with the winners.

With Tawas leading by 20 points, Coach McIntosh ran in his second string for the last four minutes of the game.

As was the case in the first half of the Houghton Lake game, Tawas Area was very effective in controlling the defensive backboards.

Leading his mates with Tawas Area's highest scoring effort thus far this season was Dick Lanski, forward, with 22 points. Lanski had two other players who hit in double figures, Forward Ray Guyette, with 16, and Center Ken Bublitz, 13.

High point man of the night was Jim Wells of Pinconning with 24. Guske was the only other Piny player to reach double figures, meshing 10 points.

Led by high-scoring Bob Watt with 15 points, the Tawas Area JVs easily downed Pinconning, 58-18. Tawas Area led in every quarter, taking a 19-4 lead in the first and a commanding 33-9 margin at the half. Pinconning made but one field goal during the game.

Games on tap this week include Tawas at Gladwin Friday night and Sterling at Tawas Tuesday night, January 29.

4-H Clubs

By Dorothy Scott Home Demonstration Agent

Six new members were initiated to membership in Reno Topnotchers 4-H Club at its meeting in Reno Township Hall on January 10.

Special recognition awards were presented to 23 members for 1956 4-H Club achievements by Mrs. George Waters.

William Redmond, Neva Daugharty and Janice Sturtevant received dairy award pins from Larro Company; Debora Nichols and Neva Daugharty qualified for the Allis Chalmers garden award; the Montgomery Ward pin in home economics projects was presented to Neva Daugharty and Janice Sturtevant; a clothing award went to Jean Sugden from Coats and Clark.

Kelvinator's food preparation award was received by Martha Smith and Mary Alice Waters; the knitting pin to Neva Daugharty; a 4-H Club Girl award to Janice Sturtevant, who was also given a covered cake pan for food preparation project work.

Would you like to hear what 4-H Club member, William Laidlaw, told members of the board of supervisors during their January meeting to explain 4-H Clubs and its organization as well as opportunities for recognition?

Laidlaw joined with Mrs. Donald MacDonald and Waldo J. Curry to assist your county extension agents make the annual report about extension work in Iosco County. If you would like to hear it, too, arrangements can be made.

Four new clothing project members met with Reno Topnotchers girls for their meeting at the Mott home. They are Sharon Brindley, Joan Brindley, Doris Shortt and Betty St. Johns.

Reporter Lorna Mott goes on to tell us, "At a previous meeting we had our patterns fitted. Some of us have our garments cut out and partly put together. Skirts, blouses, slacks, dresses and suits are being made."

Ideas for different 4-H Club projects were explained to leaders at the 4-H Leaders' Council meeting Monday evening, January 14, by Miss Amalie Vasold, assistant state 4-H Club leader.

The 4-H Leaders' Council officers will be: President, Mrs. Albert Conklin; vice president, Mrs. Steve Kolonich; secretary, Mrs. James McLean.

Interest was keen, discussion lively, at the property rights training class for leaders of home demonstration groups on January 17. Miss Lucile Ketchum, home management specialist at Michigan State University, taught the lesson for leaders of 12 groups.

Following discussion, a skit was presented by Hilda and Annice Howarth to illustrate many of the points which had been discussed; then questions raised by the leaders were discussed with the assistance of Herbert Hertzler, a local attorney.

Miss Ketchum suggested groups may want to borrow an idea from groups in other counties by inviting husbands to share this lesson with them. Sounds like an excellent idea to me—why not try it?

Extra flavor is assured when most cheese is served at room temperature. It is a good idea to take the amount to be served from the refrigerator 30 to 60 minutes ahead of time.

From family relations to fashions and electronic cooking—that is the program planned for women at the 1957 Farmers' Week event, January 28-February 1 on the Michigan State University campus.

There will be a repeat of the favorite fashion show program on Thursday afternoon in the auditorium at 1:30. There will be fashions for the whole family in this program arranged by the 75 home economics students majoring in retailing as a home economic career.

Debut of the home engineering laboratory in the agricultural engineering building is a feature no woman, or man, will want to miss.

Visitors will see a complete kitchen and all brands of laundry equipment. In the kitchen are a sit-down sink, two types of dishwashers, an electronic range, a variety of storage facilities and up-to-date refrigerator and range features.

A laundry display tells the hard water story. Bring a sample of your water for testing if you want to know just how hard it is.

On Tuesday there is a planned program of speakers on subjects of home mechanization.

Wednesday and Friday programs are scheduled, too. The first home-makers' luncheon program during a Farmers' Week takes place on Wednesday with the new dean of home economics presenting members of the home economics staff.

Health, both physical and mental, is subject for Friday programs.

Mrs. Hertzler Hosts East Tawas Garden Club

The East Tawas Garden Club met at the home of Mrs. Herbert Hertzler last Monday evening.

Mrs. Arthur Leitz gave a report on the club's project of exterminating the litter bug. She had contacted several P-TA's in the vicinity on this project.

Mrs. E. J. Butler was made an honorary member of the club. Guest of the club for the evening was Mrs. W. A. Gregory of Tawas City.

The speaker of the evening was the Rev. W. A. Gregory. His topic was "Gardens in the Bible Times." This was supplemented by colored pictures shown in a magazine from London, England, on flowers of the Bible.

The theme of the program was carried out in the refreshments. Fruits and spices raised in the Holy Land were used in breads and cookies. The table centerpiece was fashioned of Oriental pink roses.

Hostesses were Mrs. Hertzler, Mrs. E. L. Deacon and Mrs. Frank Clark. Mrs. E. T. Pierson presided at the serving table.

Sheriff's Department Investigates Cabin B and E

Investigation of the breaking and entering of a cottage owned by Martin Dolan of Center Line is being investigated by the Iosco County Sheriff's Department and Michigan State Police.

The Dolan cottage, located in Plainfield Township north of Hale, was found broken into by John Marzion of Royal Oak, a friend of Dolan. Articles taken were two rifles and a shot gun, an outboard motor and a power hand saw.

Crocheters have much to look forward to in 1957. First, it is National Crochet Week, January 19-26, that promises seven exciting shopping days in the needlework departments and shops throughout the country.

Second on the list of important events in 1957 for the crocheter is the introduction of the 16th Nationwide Crochet Contest—a Contest of bigger and better prizes than offered in any preceding year.

The announcement of this 1957 Crochet Contest coincides with Crochet Week to allow contestants plenty of time to finish their entries for submission to the preliminary judgments at participating state, county or local fairs.

A Grand National Champion will be named at the close of the Contest and awarded a trip for two to New York and Bermuda, plus \$1000 in cash.

One of the most exquisite designs created with a crochet hook is this filigree bedspread worked in square motifs and edged with knotted fringe. Each block features eight raised petals surrounded by dainty openwork.

Lip Reading Class Completes 10 Classes

Six lip reading class students have just completed a series of 10 lessons taught by Mrs. Francis Flanders of Osceola.

Lip reading has been one of the adult education classes taught at Tawas Area High School this winter. The high school provided classroom space; Quota Club of Iosco County promoted and financed the hearing test program conducted in May and June of last year.

A second series of 10 lessons will begin in mid-March. This was decided by Quota Club at its January 16 meeting.

It will be possible for new students to begin lip reading class work at that time. Quotarians and the six present students would like to hear from anyone interested in joining the class.

Call or write Quota secretary, Dorothy Scott, Federal Building, East Tawas. Do it right away, lest you forget.

Future meetings of Quota Club will be second and fourth Monday nights at Hotel Barnes. Next meeting is February 11.

Mrs. William Dillon Honored at Shower

A party was given on Monday evening in honor of Mrs. William Dillon at the home of Mrs. Douglas Ferguson. Hostesses were Mrs. Gerald Klenow, daughter of Mrs. Ferguson, and Miss Donna Groff of Tawas City.

Decorations were in pink and blue with dolls, umbrellas and storks in evidence. Fancy nut cups were also used on the table. The hostesses served a dessert salad, angel food cake and coffee.

Mrs. Dillon was the recipient of many lovely gifts. No matter how much money some men make, they always want to make more.

**"New Tablet Relieves 'Hot Flashes', Irritation From Change-Of-Life Without Costly Shots!"**

"Shots I took gave no relief," says W. W., Chicago. "But with Pinkham's Tablets—no hot flashes—no 'sorry for myself' spells!"

Model Photo  
Science offers women new freedom from much misery of change-of-life, thanks to an amazing tablet developed especially to relieve such emotional disorders. Doctors report sensational results using this home treatment alone—and no costly injections!

Relief for 8 out of 10 tested! Irritability was calmed. Dizziness relieved. Hot flashes subsided. Here's why: This new tablet is a unique combination of special medicines. Acts directly on the cause of these troubles to relieve tense feelings, physical distress that bring unhappiness to so many. Clinical tests prove this.

Don't let change-of-life rob you of joy! Ask for "Lydia Pinkham's Tablets", now at drugstores without prescription. Contains blood-building iron. (Also liquid Lydia E. Pinkham's Vegetable Compound.)

A visit to a highway construction project prompted this sandbox activity which mother recorded for the family album.

**Family Album—Modern Style**

In recent years we've heard much about documentaries—dramatic stories based on actual events, people and places. But we wonder how many of you snapshoters realize that you're producing documentaries. Every time you add a new batch of snapshots to your album you're actually "documenting" a chapter in your own family history.

With regular additions to keep it complete and up to date, your snapshot record can really be a true documentary of life as it's lived at your house—a living history told in pictures that cannot suffer the all-too-human failings of memory.

A case in point is an article that appeared a few issues ago in the magazine, LIVING FOR YOUNG HOMEOWNERS. Entitled "Family Album: Twelve Years of Happy Life," this picture story borrows its material directly from the snapshot record compiled by Anna and Verne Simril of Williamsville, New York.

The Simril "documentary" opens with a snapshot of the newlyweds and a "homey" shot of their first meal together in their new house. On the Simrils' second anniversary, Baby Christopher made his appearance and thirteen days later he debuts in

the family album—obviously unconcerned that he would be playing a leading role in the story ever after.

New chapters of "history" unfold when Scotty and Mark arrive on the scene. And from then on, the brothers Simril are a sturdy triumvirate sharing high jinks on the front lawn, birthdays, Christmases, visits to Grandfather's Missouri farm, model planes bought with lawn-mowing allowances.

Pictured for the record, too, is Christopher's friend—Barbara Richards, with whom he has shared everything from sandboxes to clarinets. And, of course, there's a shot of the whole neighborhood "gang" enjoying the hospitality of the Simril ice-cream freezer on the front steps. But even more "historic" is the wonderful sequence showing the Simrils moving into their very own house, hanging out the family shingle, and beginning the arduous labors of landscaping overgrown evergreens.

Anna, the family historian, has taken pictures of all this in the best tradition—catching the Simrils in the midst of activities they enjoy or special projects they're interested in. From her twelve-year record, it's clear she always has her camera loaded and ready for action.

### Plainfield Township Had Low Fire Loss Last Year

A report from the Plainfield Township Fire Department, Hale, revealed this week that fire loss in the area served by that department had dropped considerably this year over the record of the previous year.

"We feel we have had an excellent record for 1956 due to good cooperation from the people from our area in observing fire prevention practices the year around and also in the good work by men of this department," states Fire Chief Carl L. Slosser.

In 1956 the department was called to 10 fires, of which two were in neighboring communities; three grass fires and the other five were building fires. Building loss amounted to \$3,300 and contents, \$1,350.

In addition, the department made three rescue runs with no deaths. One man, however, died in a house fire which was out of control on the department's arrival.

Comparing the record of the previous year, Plainfield Township's fire department was called to 20 fires, including one out of town, seven forest fires, one school bus, six grass fires, one grandstand fire at the fairgrounds and four building fires. Building loss was \$14,000; contents loss, \$9,000. Two rescue runs were made with two deaths due to drowning.

### Mr. and Mrs. John Furst Observe 50th Wedding Anniversary Saturday

Fifty years of married life was celebrated Saturday, January 19, by Mr. and Mrs. John Furst of Alabaster, long-time residents of Iosco County.

Six children were born to the couple: Walter and Leonard of Alabaster, Mrs. Alex (Lorena) Klish and Mrs. Melvin (Elna) Brown of Tawas City, Mrs. Norman (Helen) Argle of Saginaw and Mrs. Richard (Inez) McCue of Niagara Falls, New York. They have nine grandchildren and one great grandchild.

A family dinner was held at the Melvin Brown home Saturday afternoon. Those from out of town who attended were Mrs. McCue of Niagara Falls, New York, and Mr. and Mrs. Argle of Saginaw.

### 'Solid Gold Cadillac' Glides Into AuGres

The "Solid Gold Cadillac," the satirical comedy about a little stockholder in a big corporation, will glide into AuGres for two performances on Thursday, January 31, at 1:00 and 8:15 p. m. at AuGres-Sims High School. A highlight of the play, as far as AuGres area residents are concerned, is that Ralph Baum, AuGres-Sims graduate of 1956, is a member of the cast of 16.

The play, sponsored by the AuGres Lions Club, will be presented by the Michigan State University Players, one of the 16 student and faculty educational and cultural entertainment groups at MSU.

This is the fourth in a series of plays offered by the "Cap and Gown Series." Tickets for the play are available from all Lions Club members and will be sold at the door. Adult admission is \$1 while student admission is 50 cents.

A special matinee performance will be held for Tawas, Whittemore, Standish, Sterling, Arenac Eastern and AuGres-Sims schools. Some 800 students are expected to witness the matinee performance.

### New Vestrymen Elected by Christ Episcopal Church

At the annual meeting of Christ Episcopal Church, held Wednesday evening, January 16, in the parish hall, four new vestrymen were elected. They are: Mrs. Charles Lemon, Clarence R. McMullen, Joseph Hennigar and Harry Cater.

The Rev. Richard P. Jennings, who presided, announced to some 50 or more members present that a substantial gift had been received from Mrs. Lynn McNaughton of Tawas Beach and Gros Pointe Park.

St. Joseph's Altar Society met at St. Joseph's Social Center last Thursday evening. Mrs. Verna McEltheron, president, was in charge of the business session. Plans were made for the Saturday bake sale and also to hold a pre-Lenten pot-luck parish dinner.

Mrs. Rosemary Klenow, program chairman, presented for entertainment color slides of a trip taken through New Mexico by Miss Phyllis Klenow of San Diego, California. Scenery in the Black Hills was also shown. Mrs. Paul Klenow was the narrator.

Social chairman was Mrs. Val Fallu. Assisting hostesses were Mrs. Cecil Nelkie and Mrs. Grace Klenow. The committee served angel food cake with strawberry whipped cream topping and coffee.

### Annual Bowling Tournament Starts Here February 16

Announcement of the opening of the annual open bowling tournament, starting February 16 at the Tawas City Recreation, was made this week by Edward Sieloff, tournament manager. Last year's entry of 94 teams, 168 doubles, 327 singles and 261 all events set an all time high record with the prize list totaling more than \$2,500.

This tournament, using a 75 percent handicap from 200, is open to all members of and is sanctioned by the American Bowling Congress. The tournament will run for six consecutive week-ends, ending March 24. Entry fee is \$2 per man per event.

Entry blanks are still available at local bowling alleys. Entries close February 10. Further information may be obtained by calling the Tawas City Recreation or by contacting Edward Sieloff, Box 16, Tawas City, Forest 2-2760.

### Development of Children Topic at P-TA Meeting

A discussion on general development of today's children followed a talk by Dr. Wallace Watt at the Tawas Area P-TA meeting Monday night at Alabaster.

Dr. Watt attributes the difference in children to modern medicine and methods of prenatal care. Contrary to belief, families are not only larger in numbers but in body, stronger mentally and because of modern teaching, earlier developed. "Believing that the age is different and not our children will help to meet our problems much better," he pointed out.

There will be a meeting February 18 at the East Tawas Community Building. March 18 will be open house at the new Tawas Area Junior and Senior High School building.

### Front Porch of Home Damaged by Fire

About \$200 damage was done to the front porch flooring of a house owned by Evelyn Lindahl, 500 West Franklin, East Tawas, when fire broke out early Monday morning.

Flames destroyed an overstuffed chair on the porch, burned the floor and damaged asbestos siding on the building. After the owner discovered the fire, a roomer in one of the apartments threw a pail of water on the chair and the East Tawas Fire Department extinguished the remaining flames under the floor.

### Attends Convention---

Will Peters of Merschel Cleaners, East Tawas, attended the 43rd annual Michigan Institute of Dry Cleaning convention held at the Hotel Leland, Detroit.

The topic of discussion was "The Cleaning and Refinishing of Leather and Suedes."

This new cleaning procedure and service is now obtainable at Merschel Cleaners.

Dr. and Mrs. Robin Gregory and three children of Ann Arbor are expected today (Thursday) for several days visit with his parents, the Rev. and Mrs. W. A. Gregory.

### Home Fire

(Continued from page 1.)

The house had 14 rooms besides four hall ways and two closets. It was built around 1890 and the J. W. Applin family purchased it in 1899, residing there 53 years. Additions had been built on the home and remodeling done during the occupancy by the Applin family.

The home was operated by Miss Janet Mitchell as the Mitchell Nursing Home for the past three years. It was discontinued as a nursing home last summer.

The house was occupied in the 1890s by the Wager family and the Wicken family, both musicians. During the time the Applin family resided there, all city orchestra rehearsals were held in the home as well as church choir rehearsals.

### Too Cold for Construction; No Permits Received

For the first time in a number of months, no building permits were submitted to the Tawas City Council at its regular meeting Monday night. Councilmen said that new construction would probably not make much headway until the spring break-up, due to cold weather of recent weeks.

In business transacted, the council authorized deeding a 30-foot strip of city-owned land to Paul Chevris of Tawas Plating Company. The property is for an addition to the plant and landscaping.

Authorization was made for two members of the council to attend a meeting of the Great Lakes Harbor Association at Detroit, January 29-30. Selection of representatives has not been made as yet.

County: Mills Township School District No. 2, Palmer School District No. 5, Logan Township, and Prescott Junior High School District No. 7, all of Ogemaw County; Reno Township School District No. 2, Sherman Township School District No. 4 and Whittemore Area School District No. 1, Iosco and Arenac Counties.

Superintendent Halbert, who has worked with the committee on re-organization, said that a date for the election had not been set as yet, but it will probably be determined sometime this week-end.

The steering committee will hold a meeting as soon as the date of the election is set. Pre-election information pertaining to the proposal will be distributed at that time.

Approval for re-organization as a fourth class district was given late in November by State Superintendent of Public Instruction Clair Taylor.

Should the re-organization prove successful, the new district would be one of the largest inland districts between Bay City and Alpena in valuation. Total combined valuation of the districts is estimated at \$7,000,000 and the school would have an enrollment of about 850 students.
