Mr. and Mrs. John Gackstetter (See EAST TAWAS, page 8.)

Funeral Held Tuesday for Frank Dorsey

Funeral services were held Tuesday afternoon at the Hale Methodist Church for Frank Dorsey, 81, who was found dead Saturday, March 23, in a wooded area about 90 yards northwest of his Hale home.

Investigating sheriff's department and police officers said that he had been despondent and took his own life. A .22 caliber rifle slug was the cause of death. Born January 28, 1876, he came to Hale from Southern Michigan 48 years ago. He married the former Miss Edith Pratt July 3, 1900. She passed away December 1956.

He is survived by four sons, Gilbert and Willard of Hale, Melvin of Gladwin and Harold of Jackson; three daughters, Mrs. Helen Shaum and Mrs. Norma Steinhauer of Flint, and Mrs. Altona Chrivia of Hale; 23 grandchildren and 13 great grandchildren.

Officiating at funeral services was the Rev. R. R. Terwilliger. Burial was in Evergreen Cemetery. Graveside rites were conducted by the Hale Lodge, F and AM.

Make Plans to Build New St. Joseph Parish School

Plans for a drive for funds for construction of a new \$70,000 parish elementary school were made last Wednesday at a meeting of men of St. Joseph Parish, East Tawas.

The new four-classroom school will be erected on the grounds beside the new St. Joseph Church. It will be of similar construction and architecture.

Many Local Contests Appear in Iosco for Biennial Election

In spite of the usual tendency of voters to look on the "spring election" with only half-hearted interest, it is of utmost importance to local voters to pay particular attention to the biennial spring election on Monday, April 1.

This election, the outcome of which selects city and township officers for the next year, plus several state contests, has promise of being one of the "hottest" campaigns in years.

Tawas City voters will again find two tickets on their ballots, Republican and Democratic, with nearly every city office in contention. The same holds true in many townships of Iosco County with two sets of candidates on the ballot.

Citizens are urged to make their wishes known concerning local government, and the only way this can be achieved is through a good representative vote at the polls.

Regardless of the outcome of the election, Tawas City will see many new faces in city offices after the election.

Mayor George W. Myles declined renomination this year after serving in that capacity since 1949. Both Clerk Albert H. Buch and Treasurer John Hoshbach have been replaced on the Republican ticket. Alderman Roy Wright declined renomination on the Republican ticket in the First Ward.

Banner bearer for the Republican party in Tawas City is George Tuttle, candidate for mayor. A Third Ward businessman, he is currently serving as alderman.

Tuttle will be opposed by Donald Watson, Democratic candidate for mayor. A motel operator in the Third Ward, this is his second time as candidate for the office.

Rounding out the Republican slate here are: Walter Nelson, clerk; Ruth Albertson, treasurer; H. E. Friedman, justice of the peace; Clement Stephan, Fred Brabant and Clarence Everette, incumbent supervisors; John N. Brugger, Earl Davis and Cecil Cabbie, aldermen. Brugger replaces Alderman Wright on the slate.

Other Democratic candidates are: Theodore Olson and Clarence

Oates, supervisors; James Roach, Joseph Nagy and Alvin Cholger, aldermen.

Candidates in other cities and townships of the county are as follows:

EAST TAWAS
Republican—Elmer Werth, mayor; Fred B. Lomas, clerk; Georgia Bergeron, treasurer; Arthur Goulet, justice of the peace; Rex Kochenderfer, Wayne Pollard and Harry Cater, aldermen.

Democratic—Carl Eckman, alderman.

WHITTEMORE
Democratic—Russell Williams Jr., mayor; Henry Hasty, clerk; J. C. Munroe, treasurer; Edward Graham Jr., assessor; Octave St. James and Charles Bailey, aldermen; Lula Dahne, justice of the peace; David Mills and Lawrence Fortune, constables.

ALABASTER TOWNSHIP
Henry Oates, supervisor; Donna Craika, clerk; Leona Benson, treasurer; William Makinen and Ida Wellna, trustees; Claude Benson and Donald Deering, justices of the peace; Edward Smith, board of review; William Bessey, highway commissioner; Frank Misiko, Joseph Wemert, John Roiter and Frederick Oates, constables.

BURLEIGH TOWNSHIP
Theodore Bellville, supervisor; Gerald Bellen, clerk; William Sheffer, treasurer; Martin Siegrist and Richard Miller, trustees; Nelson Ostrander and Harold Siegrist, justices of the peace; Earl Partlo, board of review; Adolph Siegrist, Dornae Bellville, Beryl Ward and Leona Chippis, constables.

GRANT TOWNSHIP
Lloyd S. Little, supervisor; Jerry W. Whitney, clerk; Ona Lee Kindell, treasurer; Edna Anschutz and Olen Herriman, trustees.

Increase in Water Main Construction Noted Here

According to a report presented to the Tawas City Water Board Monday night, 1956 was another big year in construction of water and sewer mains, along with the expected jump in water consumption by Tawas City users.

A year-end report was presented to the board by Reginald Bulbitz, superintendent of public works. It included a comparison chart of the city's growth for the past seven years.

The report indicated that 4,099 feet of six-inch water main was constructed in the city last year, plus sewer construction amounting to 1,869 feet.

Tawas City now has 45,359 feet of water mains (8.6 miles) and 47,319 feet of sewer mains (8.96 miles).

Last year saw an increase in water consumption of nearly one million gallons over the previous

year. Actual pumpage was 58,093,770 gallons in 1956 as compared to 57,506,610 in 1955. Daily pumpage average was 159,161 gallons in 1956. In 1950 the total water consumption was 42,212,330 gallons.

The department of public works has 67 water meters in use at the present time with another 340 meters ready to be installed.

According to the report, there were 75 building permits issued by the city council in 1956 with construction amounting to \$267,835. Since 1950 there have been 59 homes constructed, 63 garages, 59 commercial permits, including public buildings, and 98 permits for alterations and additions.

The Detroit and Mackinac Railway women's bowling team will be in Flint this week-end for the state tournaments.

JUDY AGE-JUDY BARKMAN ARE TAWAS HONOR GRADS

JUDY BARKMAN

JUDY AGE

Principal Ernest Jordan of Tawas Area High School announced the top 10 scholars of the senior class last week.

With an average of 3.909, Miss Judith Ann Agee was named valedictorian of her class. Judy is the daughter of Mr. and Mrs. Arthur Thorne of Tawas City. She has been an active member of her class during her four years of high school. Her many offices include treasurer in both her junior and senior year, secretary of the French Club, point chairman of the Hi Dramatics Club and chairman of the make up committee for both the junior and senior play.

Coming a close second was Miss Judith Barkman, daughter of Mr. and Mrs. Milton Barkman of East Tawas. Judy scored a 3.8709 to be in the honor spot as salutatorian. She is an active member of the Hi Dramatics Club in the fields of acting and directing and had a major role in the junior play. She is serving as secretary of the student council and was president of her class during her junior year. Last summer she was awarded a trip to the United Nations in New York by the Odd Fellows.

With 3.733, Miss Nancy Birkenbach, daughter of Mr. and Mrs. Adam Birkenbach of East Tawas, took third place honors.

In fourth place was Carl Nemeth, son of Mr. and Mrs. Geza Nemeth of Tawas City. In fifth place was Miss Beverly Kobs, daughter of Mr. and Mrs. Otto Kobs of East Tawas.

Sixth place went to Miss Sharon Frank, daughter of Mr. and Mrs. Emerson Frank. Miss Patricia Brooks, daughter of Mr. and Mrs. Claude Brooks, placed seventh.

Miss Barbara Burt, daughter of Mr. and Mrs. Ralph Burt, took eighth place. Ninth on the list was Miss Laraine Hock, daughter of Mr. and Mrs. Leon Hock. Tenth place honor went to Miss Peggy White, daughter of Thomas White.

The standings have been figured on the students marks for their high school years with the highest average being four.

The honor students were commended on their high scholastic standing by Supt. Reynold Mick and Mr. Jordan.

ET Youth Held on Unarmed Robbery Count

An 18-year-old East Tawas youth faces a robbery-unarmed charge after admitting he beat a 59-year-old Tawas City man late Sunday night and robbed him of his billfold in a dark alley.

Arraigned before Justice A. J. Goulet Monday morning, Thomas H. Roughly of 202 Evans Street, demanded examination on the charge, which has been set for April 3.

Michigan State Police officers and city police officers took Roughly into custody at his home shortly before midnight Sunday. He was arrested later on the charge after he admitted to police he had robbed Charles E. Fortune.

He told officers he planned to go to Arizona Monday and needed money. He claimed that there was only \$1 in the billfold, although the victim said it had contained about \$30.

Mr. Fortune was treated at Tawas Hospital for a bruised and swollen eye and cuts on the forehead. He told officers his assailant had grabbed him by the shoulder, hit him in the eye with his fist and knocked him to the ground. Fragments from his glasses cut his forehead.

Roughly was apprehended only about two hours after the robbery by Cpl. Edsel Duvall of the state police and East Tawas police officers, George Duff and Richard Wilson.

Fortune told officers that he had stopped at Wickert's Restaurant to get a cup of coffee. Finding it closed he was met by a stranger who told him he would "take him where he could get a cup." Fortune told officers he and the youth walked toward Marlon's Dairy Bar, but he was struck down in the alley.

After being taken into custody, Roughly pointed out an ash can where he had thrown the billfold.

TROOPER ROBERT STEINHURST, formerly of Tawas City, has plenty of reasons to smile after winning a number of trophies in national pistol tournaments in Florida. He is a member of the Michigan State Police pistol team.

Trooper Steinhurst Stands With the Best in National Pistol Meet

Robert Steinhurst's interest in pistol shooting dates back only five years—to be exact April 1952—when he donned the blues of the Michigan State Police. Since that time he has gained state-wide recognition as an expert marksman, and only recently achieved national-wide honors in national pistol meets in Florida.

Steinhurst, son of Mr. and Mrs. Julius Steinhurst of Tawas City and a graduate of Tawas City High School, walked off the firing range in Florida this month with two plaques and four trophies.

Add these to his collection of medals and trophies won during the past three years in Michigan and Mid-West pistol shoots and he will have to build a new trophy case at his home in Prudenville.

At the national mid-winter matches at Tampa, Florida, sponsored by the National Rifle Association, Steinhurst came through with a first place trophy in .22 caliber pistol competition by firing a score of 198 out of 200 and then added a first masters trophy with a 287 out of 300 score.

Competition in this event included 570 of the top marksmen from nearly every state in the union, having entries from all the

military services, state and city police and border patrol.

At the Flamingo Open Pistol Tournament, March 12-15, Coral Gables, Florida, the former Tawas City man was match winner in .38 caliber with a score of 297 out of a 300 possible. He also won trophies with a 199 out of 200, fourth place, and fourth masters trophy with a 290 out of 300 in .38 caliber. In .22 caliber he won a second masters trophy with a score of 195 out of 200.

Steinhurst was high scorer for the five-man team entered in these two meets by the Michigan State Police.

His third year as a member of the state police pistol team, he competes in various tournaments during the summer months. Last year he won 55 medals in open competition.

Stationed at the Houghton Lake post, he has installed a firing range in the basement of his home. While visiting Tawas City Friday, he said he prepared for the national meets by "dry-firing" on the range for about a month.

He is married to the former Joyce Brussel of Baldwin Township and they have one son.

C of C Starts Drive for 1957 Members

Announcing its program of action this spring, the Tawas Chamber of Commerce started its annual membership drive this week.

A spokesman for the membership committee said that plans are to enroll all members within a period of one week, if possible. One reason for this is to cut down the amount of time the solicitors will have to devote to this job.

Individuals and firms of good standing and interested in the purpose of the organization are eligible for membership. The regular membership fee is regulated according to the size of business.

The chamber is a cooperative, non-profit, membership organization whose purpose is to advertise and publicize in an unbiased manner the recreational and tourist attractions of the Tawas.

Governing body of the chamber is the board of directors, consisting of 15 directors and the heads of the various divisions of the chamber, plus one paid office attendant.

Directors are elected from the membership for a two-year term without salary and pay their own personal expenses while engaged in promotional activities, both at home and away from home.

Through a vigorous advertising

and publicity program the chamber has, directly and indirectly, been responsible for the increase in the number of tourist and vacation travelers coming to this section of Michigan.

Each year the chamber distributes three types of brochures, printed in lots of 10,000 each. With the assistance of the two city councils, a full page advertisement is placed each year in the "Playtime Guidebook" published by the East Michigan Tourist Association.

News bulletins, headed "News from the Tawas," are sent to 157 newspapers, radio and television stations. A high percentage of this material is used. Another promotion is the chamber's booth at the Detroit Sport and Travel Show.

Nearly all types of business in the Tawas area receive benefit from tourist expenditures. Each year, tourist dollars pass through the hands of practically every businessman in the community which illustrates the important role that tourist travel plays in the total economy of the area served by the chamber.

Mr. and Mrs. Roy Bergeron spent Sunday visiting in Saginaw.

REQUESTS HAVE POURED IN for cancellations of envelopes using Iosco County's centennial cancellation die, now in use at the Tawas City post office. Tawas City Post Office Swamped With Cancellation Requests

Requests for impressions of the Iosco County centennial cancellation have poured into the Tawas City post office from stamp collectors throughout the entire United States during the past week.

Postmaster Martin Kasischke said that the largest number of requests, 200, were received and processed Monday.

Dies for the canceling machine, purchased and donated by Joseph Barkman, have been in use at the Tawas City post office since March 1.

Kasischke said that among the requests received Monday was one from Devon, England, and one from Alaska. Stamp collectors from 34 states have sent requests.

Impressions of the slogan can be had by addressing stamped envelopes having three cents postage and a containing a stuffer. Addressed two cent postal cards may be sent to the postmaster with a request for slogan impression.

Kasischke said the cards or letters to be canceled must have a return address with proper postage.

AT WURTSMITH AIR FORCE BASE—

Season's First Formal Dress Parade

First formal full dress parade of the year was held Wednesday at Wurtsmith Air Force Base, Oscoda, when the Eastern Air Defense Command presented an "A" award to the 445th Fighter Interceptor Squadron and the 754th Aircraft Control and Warning Squadron, Port Austin.

Making the presentation was Brigadier General J. W. McCauley, vice commander of EADEF. The award was accepted on behalf of both organizations by Lt. Col. Weston M. Lennox, 445th commander.

Leading the parade was the Selfridge Air Force Base band, followed by members of the 445th 31st, the colors, materiel and air base.

Lt. Col. John Patton, 31st FIS commander, was troop commander of the parade. Major Frank Nicholia was parade project officer.

The "A" awards are presented by the air defense command to the fighter squadron, aircraft control and warning systems that pass stringent tactical evaluation tests with outstanding results.

LEGISLATIVE

From the Desk of JAMES P. MIELOCK State House of Representatives

News Letter

The matter of the revised rules previously mentioned is still a sore spot with minority members. True to their word when they found their slowdown tactics unavailing in forcing their will upon the majority, they have dropped into the legislative hopper a joint resolution. This resolution, if adopted by a two-thirds vote of both the house and senate, would ask the people to change the constitution to require a member to vote on any question before the body if said member's vote was demanded by another member. It is highly questionable whether such a resolution could muster a two-thirds vote of the members-elect in either the house or the senate, much less of both bodies.

Although members of the minority party have ceased their objections to having considered read, each bill as it comes before the house, individual minority party members are highly critical of accepted practices in the house and are asking rulings of the chair. One custom in particular was for a member to speak under a point of personal privilege, with his remarks printed in the Journal, to state how he would have voted on a particular bill or bills had he been present when the vote was taken.

The speaker had to rule that a member could not speak under personal privilege for such a purpose, but that a member having unanimous consent, could state how he would have voted on specific bills had he been present when the vote was taken, and that failure on the part of any member to object to printing such explanations in the Journal would be interpreted as unanimous consent being given.

Members absent because of sickness, attending a committee meeting, or being called to the telephone, or for any reason whatsoever, may still, upon their return to the chamber during that or a subsequent legislative day, may still have the right to explain how they would have voted had they been present unless a member objects. It is quite unlikely there will be very many objections to such requests.

A touchy spot with many of the members of both parties has been the case with which immediate effect has been given to many bills down through the years. Highly critical of this practice, it is no wonder that a resolution has been introduced to amend rule 65. The amendment would require a record vote of all questions of giving immediate effect to bills. Normally a bill that has passed both senate and house, ordered enrolled and is approved by the governor, becomes a law 90 days after adjournment of the legislature. By giving a bill immediate effect, it becomes law as soon as it is signed by the governor. Of course the constitution permits ordering immediate effect on any bill that is necessary for the preservation of the public health, peace or safety. Proponents of the amendment feel abuses have crept in and many a bill receiving immediate effect does not fall within the category set forth in the constitution, and these abuses have been tolerated or permitted because a record vote was not required. The resolution has bipartisan sponsorship.

People who are interested in county fairs will be happy to note that the house passed a bill 90-3 permitting county fairs to award premiums for products from outside the state if the other state involved considers Michigan products in judging at their county fairs.

Now that house bill No. 90, outlawing the sale of near beer to minors, is out of the house, constituents' mail is picking up on the fiscal problems, which as yet remain unsolved. More and more letters are being received from economy-minded people back home, requesting that expenditures be kept within estimated revenues and demanding no additional tax burden, but the volume of such letters has nowhere reached the volume received on the near beer bill and although such mail is on the increase, it actually, taking the state's population as a whole, is only a small proportion, but it is a healthy sign to see such a movement is on the upgrade.

Methodist Church Choir Initiates New Robes

Choir members of the Tawas City Methodist Church initiated their new red choir robes on Sunday at the morning service.

Christian Science

God's infinite goodness will be brought out in the lesson-sermon entitled "Reality" at Christian Science services Sunday.

Scriptural selections will include the following from the Gospel of John (1:1-3): "In the beginning was the Word, and the Word was with God, and the Word was God. . . . All things were made by him; and without him was not any thing made that was made."

Correlative passages to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include the following (47:24-26): "All reality is in God and His creation, harmonious and eternal. That which He creates is good, and He makes all that is made."

The Golden Text is from Psalms (18:32): "It is God that girdeth me with strength, and maketh my way perfect."

Special Prayers Offered by 7-Day Adventist Church

Special prayers will be offered and a day of fasting observed Saturday, March 30, by Tawas Seventh-day Adventists for Christians who are being persecuted for their religious convictions in Columbia, South America.

Pastor D. E. Howe of the Tawas Seventh-day Adventist Church, said special prayers would be offered at 3:30 worship services Saturday afternoon "for fellow Christians who are passing through a very critical time."

Pastor Howe said the special service results from an appeal by Adventist World President R. R. Figuhr, Washington, D. C., stating that in Columbia 10 Seventh-day Adventists alone died in 1956 because they would not recant their religious convictions.

"Church members have been beaten to death, beheaded and shot in their own backyards. Homes have been destroyed, churches burned and scores imprisoned."

The message received by the local church said that while persecution has been evident in Columbia for a number of years, "in recent months it has been increasing in severity." The message also called for prayer for Christians in other countries where religious restriction is common.

Pastor Howe said despite unprecedented persecution Christian activity grows in Columbia. Adventist membership in the South American country had quadrupled in the past few years with more than 1,000 baptisms in 1955, he said.

Will Dedicate School in May

Formal dedication of the new Tawas Area Junior and Senior High School on M-55 will be held sometime in May, it was announced this week by Superintendent Reynolds Mick.

Mr. Mick said that a program for the event is now being planned by the board of education and faculty members.

Constructed at a cost of nearly \$800,000, work on the new school was only recently completed. General contractor was Davison-Rose Builders, Tawas City; Northern Plumbing of East Tawas, the plumbing and heating contractor, and Krown Electric of Saginaw, electrical contractor. Architect was H. E. Beyster and Associates, Detroit and Lansing.

Work on the structure started in February 1956 when foundations were poured. Mr. Mick said Tuesday that many visitors had been particularly impressed with the emphasis on educational value placed in constructing the new building. Of the many new features incorporated in its design, one noticed by visitors is the reduction of noise during changes of classes through use of acoustical steel deck ceilings.

The picture at top shows a portion of the cafeteria-study hall which seats 150 students. Fluorescent lighting is augmented by large north windows and plastic dome sky lights.

The next picture shows a gym class in the new auditorium. It has a seating capacity of 1,400 persons at a basketball game with a 50 by 84 foot playing floor.

The bottom picture shows a class in session in the science department.—Tawas Herald Photos.

East Tawas Girl Scouts Pick Wild Rose for Crest

The East Tawas Girl Scout Troop met Tuesday at the East Tawas Methodist Church. There were 10 scouts and two guests present.

After the opening ceremonies the girls sang several Girl Scout songs.

During the business meeting conducted by their leader, Mrs. John Proctor, it was decided to use the wild rose for the troop crest. Brynn Proctor was elected as secretary-treasurer of the troop.

A date for the investiture was discussed and it was decided to invite parents of the girls to the affair.

Sponsor of the troop is the Tawas Women's League.

Mrs. Howard Staebler will act as club representative on the troop committee and Mrs. T. M. O'Loughlin and Mrs. Charles Nash will also act on the committee.

Plans were made to go on a short hike next week to complete the Tenderfoot requirements of some of the girls.

Guests present were Mrs. Marie Hennigar, Mrs. Frieda Morteson and Mrs. Floyd Upton.

NEW COMET—

In late April and early May, a bright new comet will be visible to the naked eye at zero magnitude—one of the most brilliant objects in the sky at that time. Comet Arend-Roland, first discovered on November 8, 1956, will be seen in the Southern Hemisphere before dawn during the first half of April but persons in the Northern Hemisphere will not be able to see it until the end of April and the beginning of May, after sunset. During the last part of April it will appear very low in the northwest after sunset.

Haglund-Patterson

In a quiet ceremony at Grace Lutheran Church last Saturday afternoon, March 23, at 3:30 o'clock, Miss Lorraine Patterson of East Tawas exchanged vows with Edward Haglund. The bride is the daughter of Mr. and Mrs. H. B. Patterson of East Tawas and the groom is the son of Mrs. Helen Truesdale of US-23, Oscoda, and the late Edward Haglund. The double ring ceremony was performed by the Rev. Robert E. Nelson before the immediate family and a few friends.

The bride wore a light beige wool suit with white accessories. Her only attendant was Mrs. Joseph Lixey of Tawas City, who was attired in a light gray suit with pink accessories.

The groom's attendant was Joseph Lixey. The couple left on a short wedding trip and on their return will reside in East Tawas.

The groom is employed by the National Gypsum Company and the bride has been employed at the Detroit and Mackinac Railway office for several years.

THE MAN WHO OWNED MOBY DICK

It was actually a too-big car. At gas pumps, it drank like a fish. So he called it "Moby Dick."

It even had fins like a fish. Parking it was like trying to squeeze a whale into a goldfish bowl.

He thought about trading "Moby" for an economical little foreign car. It was too little for 5 kids.

So he bought Rambler, only car with room for six-footers, plus European car economy, handling ease.

Tawas Area Students Receive 'I' Ratings at Ann Arbor and Gladwin Festivals

Several Tawas Area students received "I" ratings in vocal and instrumental festivals held last week at Ann Arbor and Gladwin.

At the state solo-ensemble festival, Ann Arbor, Saturday, March 23, Nancy Allen and Carolyn Evans received "I" ratings for clarinet solos, while Arthur Abbott, Barbara Mercer and Lois Vane received an "I" rating as a flute trio.

This is the highest rating that an instrumentalist can receive in any festival. In order to be eligible for this festival they had to receive an "I" rating in the district festival which was held at Houghton Lake.

Joellen Fernette, bass clarinet, and Julie White, piano, received "I" ratings. Julie White, Marilyn Curry and Lois Vane served as accompanists for the solo groups.

Thursday, March 28—ABA annual meeting, Michigan State University, East Lansing.

Thursday, April 4—Isoco-Tawas ABA meeting, Federal Building, East Tawas, at 8:00 p. m.

Friday, April 5—Northeastern Michigan Sheep and Lamb Marketing Board of Directors meeting, Reno Township Hall, 8:00 p. m.

Livestock raisers should keep a watchful eye on their sheep flocks, beef and dairy cattle. Last year's hay crop for the most part was not of the highest quality. Much of the needed food nutrients was lost by rains, late cutting, etc. This lack of quality feed can rear its ugly head in weaker lambs and calves.

I have already heard from some sheep raisers who have seen signs of pregnancy disease. This trouble usually affects ewes just before lambing. The cause is the failure of ewe to secure enough nourishment to feed the unborn lamb or lambs.

Older lambs carrying twins or triplets are most likely to be affected, but younger ewes receiving poor quality roughage may also develop the disease. In the early stages of the disease, affected ewes are less active than the rest of the flock and walk very slowly. Later, they become weaker and have difficulty getting up and down. They frequently walk in a circle and stand with their head against an object. As the trouble progresses, the ewe cannot rise and lies with the head turned around to the side. Other symptoms are rapid breathing, blindness and grinding of the teeth.

Prevention lies in removing the cause. Check the flock carefully for condition of all ewes. Increase quality and quantity of roughage as ewes get nearer lambing. Feed from one-half to one pound of grain daily one month before lambing. Separate ewes that are not gaining in weight and feed these more liberally.

Treatment, if given promptly, may be helpful. Affected ewes should be drenched with a cup of cane molasses twice daily. Diluting the molasses with warm water makes it easier to give. Sugar solutions can be injected into the blood stream by a veterinarian to hasten recovery in severe cases.

The ewes should be offered choice feeds. After the lambs are born, the ewes usually make complete recovery.

Farmers who buy Vernal alfalfa seed, now, will be able to plant it this year—those who do not might find no seed at planting time. Only 30 percent of needed seed will be available.

This tip from Leyton Nelson of Michigan State University farm crops department points out the shortness of Vernal seed supply. And with anything in short supply prices are somewhat higher.

Vernal is now selling from \$10 to \$12 higher per bushel than is Ranger, an inferior variety by comparison.

Though the price is up, the improved practice of band seeding at one bushel of seed per 10 acres will raise the cost by \$1 per acre.

Under average growing conditions, Vernal will yield a half-ton of extra hay for each acre the first year. And, a half-ton of hay is worth 10 times the \$1 extra seeding cost, claims Nelson.

Vernal will give higher returns in the first two years and should be used by farmers who want their alfalfa growing for more than two years.

Vernal is a long-life, winter-hardy, wilt-resistant, high yielding, good-appearing, well adapted alfalfa.

It has a 14 percent yield advantage over Ranger and shows a high percentage of yellow flowers. Yellow flowers indicate to farmers that it has good winter hardiness.

Vernal has a great deal of resistance to leaf spot disease and farmers will not have anywhere as much leaf drop on the second cutting. This also adds up to higher yield.

Nelson feels the state's farmers should plant Vernal to the limit of the seed supply this year—they will gain the advantage of higher yields. Higher yields during a two-year period runs to 2,400 more pounds of hay when it has been grown side-by-side with Ranger.

Applicants Must File By April 30 to be Eligible for Payment

Wool and unshorn lambs marketed not later than March 31 will be eligible for payments to be made this summer under the 1956 wool incentive program, according to the statement made by the Isoco County Agricultural Stabilization and Conservation Committee. Marketings after March will be eligible for the 1957 wool program, which runs through March 1958.

Applications for payment under the 1956 program must be filed not later than April 30 at the county ASC office. The 1956 program year begins April 1, 1956, and ends March 31, 1957. Payment rates for the 1956 program will be announced this summer when the average price received for shorn wool during the 1956 marketing year is known.

Payments to producers will follow the determination of payment rates.

Producers are advised to be sure that the sales documents they receive when selling wool provide all the information required under the wool program. Sales documents should show the true net sales proceeds including deductions made for freight and other marketing charges. In other words, any marketing charges must be deducted before determining the net sales proceeds from wool for figuring the payment. County ASC offices have the authority to adjust the sales proceeds where charges are not shown. Further, both the producer and the wool buyer are subject to severe penalties if false information is filed.

Payments are made under the National Wool Act of 1954 to stimulate wool production toward a 300-million-pound goal. Payments on shorn wool are a direct incentive to increase production. Payments on unshorn lambs at a rate based on the shorn wool payment are made to encourage the normal marketing of lambs with the wool on and avoid unusual shearing to get the shorn wool incentive payment. Payments to producers under the first year's operation for the 1955 clip amounted to 57 million dollars for the nation, which included shorn wool and lamb payments. Producers in Isoco County received \$3,631.83 in incentive payment on 18,030 pounds of shorn wool and \$785.07 on pulled wool, making a total of \$4,416.90. There were 66 applicants on shorn wool and 46 applicants on pulled wool.

Sheep producers are again reminded to bring the original sales slip on shorn wool and the certified copy of unshorn lamb sales to the Isoco County ASC office, Federal Building, East Tawas, by April 30. Applications are available at this office and may be filed immediately.

It's never too late, if you are still alive, to be careful on highways.

Christina Ann Donahue

Funeral services for Mrs. Christina Ann Donahue, who died Thursday, March 21, at St. Mary Hospital, Saginaw, after an illness of three years, were held Saturday morning at the St. Joseph Church, Saginaw.

Tourist and Resort Institute at MSU in April

"Competing successfully for tomorrow's guests" is the theme of the Fifth Annual Tourist and Resort Institute to be held at Michigan State University April 8, 9 and 10.

New and improved management techniques will be discussed for resort, motel and food service owners and managers. This institute is being planned to help operators keep pace with the rapid growth of this important travel industry. Lectures, discussions and demonstrations will be given by outstanding leaders—so that operators may be better prepared to obtain a larger share of tomorrow's tourist and resort business.

Of interest to all will be sessions on advertising, selection of furnishings, floor maintenance and guest hospitality. Special sessions will be offered in the resort, motel, cottage, as well as food service field.

Resort, motel and cottage operators will have an opportunity for professional instruction in landscaping and outdoor lighting, heating, innkeeper's laws, planning new motels and resorts, guest entertainment, boat laws, better fishing, reservations and deposits.

Restaurant and resort operators interested in food service will be offered ideas for better and more profitable use of dried milk, improved and attractive vegetable preparation, and also, how to decrease losses and increase profits in meat cookery. A full evening demonstration is being given by Proctor and Gamble on baked and deep fat fried foods. The very important problem of menu planning will be discussed, emphasizing the importance of food presentation. Workshop sessions for resorts and restaurant operators will allow time to discuss individual problems in menu planning.

Although this institute has been planned primarily for Michigan operators, inquiries have already been received from Ohio, Indiana, Iowa, Illinois, Massachusetts, New York, New Jersey, Maine, California, Tennessee, Missouri, Montana, Oklahoma and Canada.

Anyone interested in attending the institute should write or call Marvin Davenport or Dorothy Scott, extension agents in the Federal Building, East Tawas, phone F0rest 2-3751.

Urges Taxpayers to Finish Income Tax Returns

James F. Deane, assistant district director, Internal Revenue Service, again today urged Michigan taxpayers to complete the filing of their 1956 federal income tax returns as quickly as possible.

"Right now, before the filing season enters into its last two weeks, we can assist taxpayers with the problems they have encountered in working on their returns, without undue delay," Mr. Deane said.

"We are continuing to concentrate a larger staff of personnel to assist taxpayers on Mondays and Fridays, 8:00 a. m. to 4:00 p. m. at all our offices. In addition, assistance by telephone is offered to those taxpayers who have completed their returns except for a single item on which they need help."

"I wish to stress again, the importance of doing it now to avoid hasty and sometimes embarrassing errors. While I am greatly impressed by the number of returns filed to date, the number still to come leads me to say again, don't wait, do it now."

Library Lists Four Fine Films for Spring Showings

Iosco-Arenac Regional Library lists the following four outstanding films that would make unusually interesting additions to spring programs of church and civic organizations.

"Marian Anderson"—Black and white, runs 27 minutes. Glimpses of her life and a program of favorites.

"Williamsburg Restored"—Color, runs 44 minutes. Restoration of eighteenth century Williamsburg in precise detail and given added vitality through dramatization of historical scenes.

"Look to the Land"—Color, runs 20 minutes. Dependence of all Americans on our land and water resources. Shows results on lives of people; strong, hopeful note for future.

"Michigan: Water Wonderland"—Color, runs 28 minutes. A trip into Michigan's most popular vacation areas.

Iosco County Centennial---1857-1957

THIS WEEK'S ISSUE OF THE TAWAS HERALD marks the first in a series of old-time photographs which will appear each week for the next three months in observance of Iosco County's centennial celebration. Pictured above is a reproduction of a narrow gauge railroad train unloading logs at the Prescott mill during the 1880s. The forerunner of the Detroit and Mackinac Railway, it was known then as the Detroit, Bay City and Alpena Railroad. The photograph is from a group of pictures collected by this newspaper during Tawas City's centennial celebration in 1954. The publishers would like to obtain similar pictures of interest from other areas of the county. They will be copied and returned to the owner.

With spring here you may be thinking about new curtains or draperies for your home. Plan plenty of time for shopping to take best advantage of the many fabrics, textures, findings and fittings offered. Take special note of the new way about denims and ticking.

In the dress goods and drapery departments are dress gingham, chambray, sheeting and shantungs for pleasing, practical window coverings. Bamboo, wood slats, matchsticks and some magnificent fabrics are available in roll up window blinds that make curtains unnecessary. If blinds only are used, the window line will be more attractive softened a bit with large leaf plants.

Frozen cheese cake, simple to make and requiring no cooking, is a popular dessert with ladies whether the occasion be afternoon or evening. "Better than ice cream," is claimed for this moderate cost, something different food.

Would you like to try it? I will be glad to furnish a copy of the recipe.

Homemakers Can Still Register for Heart Classes

Homemakers in Iosco County can still register for the "Heart of the Home" classes of the Michigan Heart Association to be held in Hale according to Mrs. Ruth C. Kettunen of Michigan State University who conducts the classes. The opening class will be held April 2 and will meet at the home economics room of the Hale Area High School from 10:00 a. m. to 12:00 noon. There will be four classes, of two hours each, in the series.

Slides and diagrams will show homemakers how to save both time and energy in their home by putting into practice work-simplification techniques. Pictures and demonstration will show how kitchens are made easier to work in and how steps are saved when kitchen equipment is organized into work centers.

Instructions on improved methods for bed making, cleaning, dish-washing, meal preparation and other household tasks will also be given.

All homemakers are invited to attend the classes especially those with an ailment of the heart or blood vessels. Those interested are urged to register by calling Mrs. C. Attwell, Hale, RAndolph B-2135; Mrs. Merrill Burnside, Whittemore, SKyline 6-2463, or Miss Dorothy Scott, home demonstration agent, Federal Building, East Tawas, F0rest 2-3751, or come directly to the class on April 2.

The "Heart of the Home" classes in Iosco County are being co-sponsored by the Iosco County Cooperative Extension Service and are made possible by the Michigan Heart Association through funds received from the United Fund campaigns conducted in Michigan communities.

MRS. ELEANOR ROOSEVELT ENDORSES AMAZING NEW HEARING INVENTION

Mrs. Eleanor Roosevelt has now joined other prominent Americans and people from all walks of life in praising a revolutionary new hearing device called "The Listener." "It certainly heralds a new day for the hard of hearing," said Mrs. Roosevelt recently.

Continuing, she added: "If people only knew what a revelation and joy 'The Listener' is, they would not for a moment hesitate to wear one. This is the first hearing aid that exactly fits my needs. I didn't realize a hearing aid could be as good as this."

So widespread is the interest in this remarkable new electronic hearing achievement, the makers have prepared an illustrated booklet giving full details. Those interested may obtain a free copy from:
