Iosco County Airport—Focal Point of Controversy at East Tawas

Iosco Airport Still Under Fire from East Tawas Petitioners

This aerial photo shows part of the east-west runway at the Iosco County Airport in East Tawas. The white line running across the top of the picture is the road which separates the airport from the Matt Loffman property.

The airport has been the focal point of a controversy in East Tawas for the past few weeks. A group of petitioners, who maintain the airport is not suitably located, asked for the support of the East Tawas City Council for taking steps to have the airport relocated, but were refused by a 3-2 vote.

After personal investigation this week, Mayor Elmer Werth said that according to the title which the city gave the county for 80 acres of land several years ago, the property would revert back to the city in case it is not used as an airport.

Other parcels of land have been added to the airport through purchase by the county and by East Tawas businessmen.

Spokesman for the committee said Monday night after the council meeting that they were investigating costs of relocating the airport on government land.

At present, the federal government has allocated funds for expansion of the present airport, to be matched by the state and county governments.

Mayor Werth stated last week that he now felt the county should go ahead and expand and improve the airport on the property already owned, in view of the \$18,000 price tag set by a jury in condemnation proceedings against the Loffman property. This property had been sought by the county to lengthen the east-west runway.

Tawas Kiwanis Club Awarded Bronze Plaque

For its contribution and support in the conservation program, the Tawas Kiwanis Club was awarded a bronze plaque Tuesday noon by the district soil conservation district.

Making the presentation to the club was State Representative James Mielock, who represented the Iosco County district. The award was received by Cecil Cable, in behalf of the club.

Some 14 members of the Regional Six Soil Conservation District were guests of the local Kiwanis Club at the luncheon.

Program Chairman Marvin Davenport introduced Dean Gordon of Cheboygan, area conservationist, who spoke on the importance of forestry and water conservation to the area and the state.

Gordon said that of the 38 million acres in Michigan, 19 million acres should be planted to forest trees. He said that 75 percent of this tree area is privately owned and in small parcels.

The conservationist said that it would take 100 years to plant enough trees at the present rate. About 50,000 are planted each year.

Russell Hill, executive secretary of the state conservation committee, also spoke to the group.

Iosco Chapter Starts Drive to Raise Funds

"On the Job When It Counts"—This slogan for the 1957 campaign is one that holds true throughout the entire year as far as Red Cross is concerned.

The Iosco County Chapter campaign began March 1 and all areas will be covered through the volunteer aid of the women and businessmen in the county. Letters have already been sent to various industries and business places in the area over Mrs. John Jensen's signature as drive chairman and it was decided that there will be no plant or industry solicitation. In view of this, the house to house canvass should be most successful since each household will know there will be no duplication of contact of the woman of the house and the man at his place of work.

The Boy Scouts, under the leadership of Carl Eckman, have (See RED CROSS, page 8.)

John Smith Promoted to Maintenance Foreman

According to an announcement made Monday by Charles H. Hill, plant manager of the National Gypsum Company at National City, John L. Smith, who has held the position of personnel and safety supervisor at the National City plant since May 25, 1953, was promoted to the position of maintenance foreman, formerly held by the late Albert Birkenbach.

Smith is a resident of East Tawas, married and the father of one child. He is a graduate of Flint Northern High School and attended General Motors Tech for one year, after which he entered the armed services and served overseas in World War II.

Family of 11 Routed from Burning Home

A family of 11 persons was routed from their home in Tawas City this week when fire caused smoke damage to the interior Sunday and a flare-up again Monday noon nearly gutted the back portion of the building and caused extensive damage to the remainder.

The Tawas City Fire Department quickly responded to a call at the home of Mr. and Mrs. Paul Grimes near the Tawas City Cemetery Sunday evening. The Grimes have eight children, ranging in ages from 11 years to four months. Also living with them at the time was Mrs. Grimes' uncle, Elmer Bradley.

The children are: Joyce, 11; John, 10; JoAnn, nine; Janet, eight; Jerry, six; James, four; Jean, two, and Joey, four months. The first five named attend school.

Fire first broke out in the rear portion of the old frame residence and firemen poured large quantities of water on old magazines and other combustible material stored near an oil heater. The building was built by Thomas Bradley in the early 1890s.

Furniture, clothing and other household items of the Grimes were removed from the building by neighbors. Much of the clothing was damaged by smoke and water during the fire. Furniture is stored at the Anderson Coach Company warehouse, where Mr. Grimes is employed.

At 11:15 a. m. Monday the fire department was again called. As was sometimes the custom in constructing buildings in early days, the side walls were filled with sawdust as insulation.

Firemen quickly brought the (See FIRE, page 8.)

Reorganization Proposal Wins by 920 to 167 Ballot

New Board to be Appointed Next Monday

With an 84 percent "yes" vote, or nearly a six to one margin, electors of the Whittemore-Prescott area voted Tuesday to consolidate eight school districts into one at a special school election. Total vote cast was 1,092.

County School Superintendent Russell A. Rollin revealed Wednesday, after a canvass of ballots, that 920 persons voted for the proposition and 167 voted against it. There were five spoiled ballots.

Formation of the new district took effect Tuesday after the election was successful. Superintendent Rollin said that the three county boards of education, Iosco, Arenac and Ogemaw, will meet next Monday night to appoint a new school board for the combined districts. The new board will hold office until the July election.

Break down of the voting by precincts is as follows: Whittemore, 320 yes, 31 no; Sherman, 63 yes, four no; Mills, 73 yes, 68 no; Reno, 49 yes, three no; Richland-Prescott, 415 yes, 61 no.

It is expected that the new board will submit plans for a new school to electors of the district this summer or early next fall. The combined valuation of the eight districts is \$7,200,000. The school would have an enrollment of 830 students.

A NEW BUSINESS ENTERPRISE began last week in Tawas City with the opening of Gramlich's Pizza Carry Out, located in the former Tastee Freez building across from Fletcher's Service. Pictured above at the oven are Harold Gramlich of Royal Oak and Robert Trail of Clawson. The owners stated that hours for the establishment will be 4:00 p. m. to midnight Tuesday through Saturday and 4:00 to 10:00 p. m. Sunday. The business will be closed on Mondays. Gramlich and Trail also own a similar business at Clawson.—Tawas Herald Photo.

Tawas City GOP Make Changes on Spring Slate

Tawas City Republicans made several changes on their ticket for the coming spring election at ward caucuses and the city convention last Wednesday night.

Named to replace George W. Myles as candidate for mayor was George Tuttle, who presently serves as alderman.

Mayor Myles, who has served in that capacity since 1949, declined renomination on this year's ticket prior to the convention. He has taken an active part in Tawas City affairs since 1932, when he was elected supervisor. He later served as superintendent of public works and on the board of education.

Other changes on the Republican ticket was the nomination of Walter Nelson, who replaces Albert H. Buch, incumbent, as candidate for clerk, and Mrs. Ruth Albertson as candidate for treasurer, replacing John Hosbach, incumbent.

Candidates for aldermen and supervisors in the three wards are as follows:

First Ward: Clement Stephan, supervisor; John N. Brugger, alderman.

Second Ward: Fred Brabant, supervisor; Earl Davis, alderman.

Third Ward: Clarence Everett, (See CHANGES, page 8.)

Easements Accepted for New Alley in Business District

Easements giving public alley right-of-way behind six Tawas City business places on the bay side of US-23 were accepted by the Tawas City Council at its regular session Monday night. Construction on the project will start "as soon as practical with regard to other city work."

This is the first step in a long sought after plan which not only would provide access to rear entrances of buildings in the affected downtown district, but would provide future off-street parking as well.

Speaking for the businessmen was Hugo Keiser Jr., former councilman who resigned early last month to fill a vacancy on the Tawas Area Board of Education. Other businessmen who represented the group were James Dillon and Howard Hatton.

Keiser presented the signed easements for an 18-foot wide alley starting at the Ransom Building and ending at the Castagnier Restaurant. Entrance to this alley will be over a 30-foot roadway on the Gauthier property, next to Dillon's store, now under contract by six Tawas City businessmen.

Keiser also stated that the group was interested in improving property along the lake shore to be used as a parking area.

According to the plan, the city would develop and maintain the alley as a public thoroughway. The parking area would be financed by the businessmen.

Keiser pointed out that the city has no access to its sanitary sewer line running parallel with US-23 behind these buildings and the alley would provide an entrance. At present both the Castagnier Restaurant and Bronson Motor Sales do not have access to rear entrances.

Plans are already underway to provide a privately owned parking lot at the rear of the Keiser building.

"All business places need a rear entrance for unloading stock and this has been a problem here for many years," stated Keiser. Police Chief George Ruth stated that the proposed alley would help to eliminate the unloading of trucks in the downtown area on US-23.

In other business transacted, Howard Hatton was appointed to fill a vacancy on the Tawas City water board created by the resignation of Randall Fox.

As the result of council action, salaries of two elected city officials will be raised during the next fiscal year. City mayor will receive \$100 annually, instead of \$2 per meeting attended. During a discussion by members, it was pointed out that the mayor spends much more than this on telephone calls and other city business, which heretofore, has never been reimbursed.

Salary of the city clerk was raised to \$600 annually, an in-

crease of \$400, after the abolishment of the hired city clerk position. Last year the council voted to hire an extra clerk in the city hall to cut the work load of the elected official, at the same time reducing the latter's salary to \$200 per year. A full-time clerk has not been on the payroll since last fall, the work being absorbed again by the elected official.

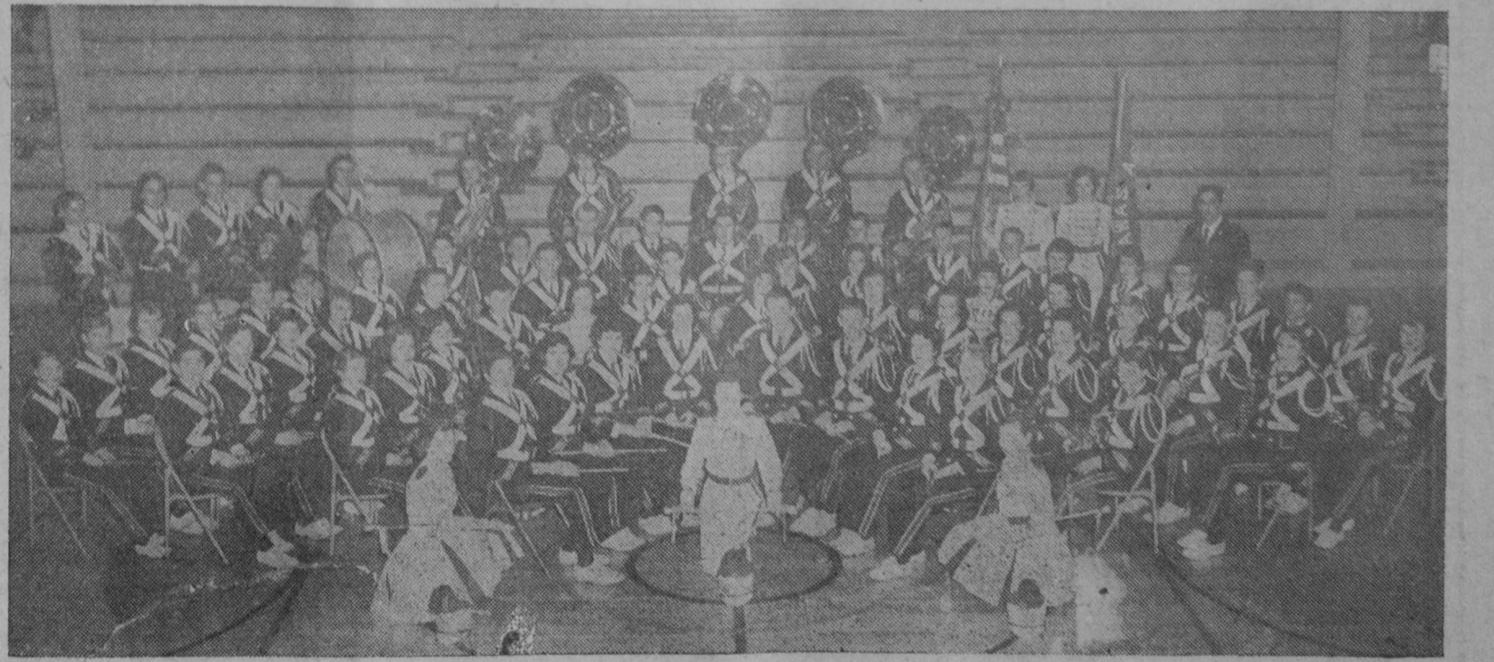

City treasurer's salary was set at \$100 annually with a one percent collection fee on taxes. Last year the salary was \$200, plus the fee. Wages of aldermen will remain at \$2 per meeting attended and the fire chief's salary remains at \$50 per year.

Dogs Again Run Wild in Iosco County

The Iosco County Sheriff's department reported Tuesday that a pack of dogs is running at large in Sherman and Burleigh Townships killing sheep, hogs and molesting cattle.

Deputy Sheriff Leon Putnam advised this week that the department is currently conducting a campaign to rid the area of the roving pack and warns owners to keep their dogs tied up.

Twelve of the marauding dogs were destroyed Tuesday by the department.

The Tawas Area High School Band received a "T" rating at the District Nine Festival at Roscommon February 28. Bands from Oscoda and Standish were the only others to receive "T" ratings.

They are both class C schools. Tawas Area is class B.

This rating enables the Tawas Area Band to participate in the festival at Ann Arbor on Saturday, April 27. Bands from the other eight districts of the state which received "T" ratings will be at Ann Arbor.

At Roscommon, the band played for three judges and sight read for one other adjudicator. The rating was "T" from each of

the four judges.

In all, 15 bands participated. There were seven class C bands, four class D bands and four class B bands. The district festival will be held at the Tawas Area High School next year.

Mrs. Bergeron Named to Head Altar Society

The monthly meeting of the Immaculate Heart of Mary Altar Society was held in the parish hall in Tawas City during the past week.

The first order of business was the election of a president for the group. Mary Bergeron was named to head the altar society. A report on the last bake sale was read and its success noted. Del Homburg and Florence Allard were named as co-chairmen for the next bake sale.

Dorothy Crown informed the ladies that the recent card party which was held aboard the SS Western States netted the amount of \$43. She further told the ladies what a good time everyone had at the party.

Lillian Lasky reported on the stationery which the group was considering as a money-making project; following this, a motion was presented and passed which stipulated that a certain quantity of the stationery be ordered. This stationery features a picture of the new IHM Church thereon.

The altar society was given an electric roaster for the kitchen which was the chapel in the school.

The roaster was donated by Ann Hosbach. The women were informed they may use the chapel, no longer used as such, to put on dinners, if they so desire. A committee of three, Miss Mayme LaComb, Minnie Pfeiffer and Dorothy Crown, were selected to look into the possibilities of such meals.

A letter was read from the music boosters club of the Tawas Area School. This committee told of the community calendar sales of the club and wondered if the ladies wanted their meetings listed on the calendars.

The refreshment committee was composed of these three members: Muriel Dodson, Viola Groff and Dolly Grise.

East Tawas WSCS Met Last Week

The WSCS of the East Tawas Methodist Church met at the church parlors last week for its regular meeting with the president, Mrs. Glenn Hughes, in charge.

Devotionals were led by Mrs. Ann McGee, and Mrs. McGee and Mrs. Irma Brunet were in charge of the program. They gave articles on the topic, "Whom Shall I Send." A film strip entitled "Adventures in Service" was presented by Mrs. Ralph Edwards.

During the business session of the World Day of Prayer, which will take place March 8 at the Methodist Church, was discussed. Plans were also made to serve a supper for 125 district young people who will meet Sunday, March 17, in East Tawas. An invitation was extended to AuGres to attend the March 26 meeting of the WSCS.

Hostesses were Mrs. J. A. Carlson, Mrs. Ronald Butterfield, Mrs. Floyd Dumml and Mrs. Luella Ford.

Table decorations were a pink floral centerpiece and white candles.

Hey, Uncle!

SHARE THE SPIRIT of WORLD DAY of PRAYER

Friday, March 8, is the World Day of Prayer. As you plan to attend the service in your beautiful church, and join in a well prepared program, listen to a good speaker and hear lovely music, ask yourself, "Am I really sharing in spirit with those who gather in thatched-roofed chapels, in factories, in fields, where migrants work, in small groups that have had to hide away to pray?"

Many who bow in prayer around the world have suffered so much in body and spirit that the Bible and prayer are very real to them. May we share with all these in spirit and in gifts.

A choir composed of members from all the churches taking part in the World Day of Prayer will be heard. The choir will be directed by Richard Ferguson, and will present "God So Loved The World" from the cantata "The Crucifixion" by Stainer. The World Day of Prayer will be held at 2 o'clock Friday at the East Tawas Methodist Church.

Austria-Hungary Relief Program Carried On

Anyone interested is requested to leave any clothing he wishes to contribute at the Merschel Hardware, or call Mrs. Arthur Buckman, phone F0rest 2-3110, East Tawas.

CHRISTIAN SCIENCE

Permanent health and happiness, gained through the spiritual understanding of man's true relationship to God, will be dealt with at Christian Science services Sunday.

Keynoting the lesson-sermon on "Man" is the Golden Text from Romans (8:16): "The Spirit itself beareth witness with our spirit, that we are the children of God."

Selections to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include the following (243: 32-3): "Inasmuch as God is good and the fount of all being, He does not produce moral or physical deformity; therefore such deformity is not real, but is illusion, the mirage of error."

Matthew's account of Christ Jesus' healing of the man "sick of the palsy, lying on a bed" (Matthew 9:2-8) will be included in the readings from the King James Version of the Bible.

Old Paddletail

Michigan's beaver trapping season opens in one area of the upper peninsula on March 15 and continues on various other streams until April 15. Michigan has long been a leading state for production of beaver pelts and in 1935, the state even produced more pelts than Alaska, the traditional North American continental leader.

Beaver Had Better be Wary!

Beaver and otter had better be wary comes March 15 when trapping operations get under way in designated areas. The first beaver and otter trapping season of the year opens on that date in two small areas in southern Marquette County.

Trapping operations in four other areas also will begin soon, including:

Area A (the remainder of the Upper Peninsula open to trapping) April 1-15.

Area C (northern Emmet, Cheboygan and Presque Isle Counties; eastern Ogemaw County and western Isoc County): March 25-April 12.

Area D (northeastern Lower Peninsula counties: Osceola, Mecosta and Clare Counties, and two townships in Gladwin County): March 25-April 5.

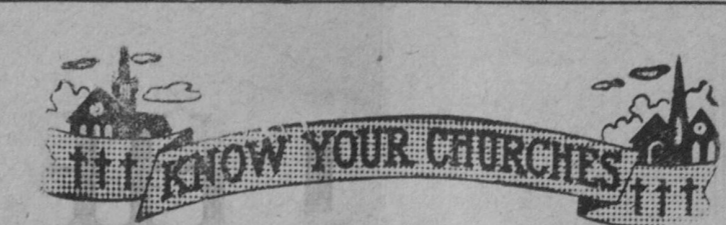

Area E (the remainder of the Lower Peninsula open to trapping): March 20-31.

Season bag limits of six beaver and three otter in the UP remain unchanged from last year. In the Lower Peninsula, trappers can take four beaver and two otter—one less than last year.

Conservation department field workers report a slightly lower population, but a better distribution of beaver than last year, particularly in the UP.

During the 1936 trapping season, 13,350 beaver were bagged while the other take totaled 863. The modern record total for beaver was set in 1933 when about 17,500 were taken by trappers—topping the annual total for Alaska, which usually leads the continent in trapping.

The number of trappers declined from about 4,700 in 1935 to about 4,500 last year, but the 1936 take of both beaver and otter was higher than the 10-year average for the state.

Thursday, March 7—ABA board of directors meeting, Federal Building, East Tawas.

There is little profit in the average dairy cow in Michigan. She does not produce enough milk to pay her owner decent wages, and on top of that she adds to the surplus of milk.

This seeming paradox was pointed out by Extension Dairyman Donald Murray when he compiled some figures on differences in dairy income during 1955.

Figuring income from 20 average Michigan cows and comparing it with the return from 20 average cows in Michigan dairy herd improvement associations, Murray came up with this: The 20 average Michigan cows would have brought their owner \$2,580 above feed costs for the year, or an average of \$129 per head. They would have produced only 6,800 pounds of milk apiece.

The 20 average DHIA cows would have returned their owner \$4,460 above feed costs, an average of \$223 per head. These cows would have produced 9,576 pounds of milk each.

The 20 DHIA cows would have produced 183,000 pounds of milk during the year. To bring as much return for a dairyman, 34 average cows would have been needed, and they would have produced 232,000 pounds of milk to do it.

That would add 49,000 pounds of milk to the surplus without putting anything in the farmer's pocket for his hard work.

Those figures, concluded Murray, are more convincing evidence that testing cows and record keeping in the dairy business pays off. Farmers not under the DHIA or owner-sampler testing programs have an unique opportunity to find the loafers in their herds through the "weigh-a-day-a-month" plan now offered through our office. The cost is very reasonable (five cents per cow per month) and will save you dollar bills. Ask me about it.

Use a spade or trowel to take the samples. Force the shovel vertically to plow depth and bring out the soil—then throw it away. The sample should be a thin shaving or scraping from the vertical face you have just made. Put the sample in a clean pail and repeat the operation as many times as necessary.

Send your completed samples to my office along with information on the past management of the area and your plans for its future. Make sure the origin of your sample is clearly identified. The laboratory fee is 50 cents per sample.

Three promising new strawberry varieties have been announced by the United States Department of Agriculture. They are Redglow, Earldawn and Surecrop.

Although tested in several states, they have not been grown as far north as Michigan.

Harry Bell, Michigan State University extension fruits specialist, states that they will be tried this year at several places in the state.

Earldawn is the earliest, ripening about five days sooner than Premier. Berries are large, but the plants are not resistant to red stele root rot. This variety rates high for the frozen package trade, and produced well in Ohio.

Surecrop is resistant to the common race of red stele and to two other races. It ripens in mid season, along with Fairland, and is suitable for frozen pack.

Redglow ripens about the same time as Premier and maintains a large size throughout the season. It is moderately resistant to red stele root rot.

The senate has approved and sent to the White House an emergency bill increasing the loan authority of the Small Business Administration, from the present 150 million dollars to 230 million dollars, and also extends the life of the agency from June 30 to July 30.

Soil testing is a very exacting science. The methods of soil testing and the chemical processes used are very highly developed. In fact, they are so highly developed that the biggest variable in the soil test is the soil sample itself.

Edward Longnecker, soil scientist at Michigan State University, says that the soil sample consists of about a pound of dirt. But, there are about two million pounds of dirt in each acre of topsoil on your farm! That means that you are getting a pretty small part of the actual dirt, and makes it more difficult to get a representative sample.

You will have to use your own judgment on how much area a sample would represent. Take into account differences in texture, topography, drainage, past management and major production differences. Sample any special areas separately. Generally, a sample for testing should be made up of eight to 10 individual samplings. Mix these thoroughly for the final sample of about one pint for the final sample.

SENIOR WOMEN'S CLUB MET LAST WEDNESDAY

The Whittemore Senior Women's Club entertained the Rural Ladies Club and the Junior League at its regular meeting held last Wednesday evening at the Whittemore school. A short business meeting was held with Mrs. August Miller, president, in charge. The annual meeting will be March 13 at the home of Mrs. Charles Dorcey. The program will precede the business meeting to allow club members to attend Lenten services if they wish. Election of officers will be held.

Mrs. Gus Youngberg and her students presented a musical program of piano selections and vocal music.

A delicious pot-luck lunch was served by the hostesses to about 90 club members and their guests. The tables were centered with beautiful musical decorations made by Mrs. Laurel Lave, a member of the women's club.

The Tolfree Memorial Hospital has been a very busy place recently as far as the people of Whittemore are concerned. Raymond Gay, Mrs. Merrill Burnside and John Aulerich, who were recent patients, have returned to their homes. John Barrington, Mrs. Gerald Bellen and Mrs. John Dickey are patients at the hospital at the present time. Friends wish them all a speedy recovery.

Sympathy is extended to the family of Henry W. Snyder, who passed away Saturday at the Tolfree Memorial Hospital.

Mr. and Mrs. Earl Partlo and Mr. and Mrs. Ellis Partlo spent Saturday in Standish. Mr. and Mrs. Earl Cousino of Royal Oak spent the week-end with her parents, Mr. and Mrs. Theodore Bellville, and family.

Henry W. Snyder

Henry W. Snyder, 74, of Whittemore, retired grain elevator operator, died Saturday evening at his home following a long illness. A heart attack caused death.

He operated a grain elevator for 18 years at Turner and had also operated elevators for the Saginaw Milling Company at Saginaw and the Burroughs Elevator Company at Flint. He retired 15 years ago.

Mr. Snyder was born May 7, 1882, in Saginaw. He married the former Miss Rhoda Viele at Omer on June 6, 1907.

He was a member of the Whittemore Grange and the Omer Masonic Lodge. He had resided at Whittemore for the past 15 years.

Surviving are his widow; a son, George Harrison Snyder of Whittemore; a daughter, Mrs. Jane Burnside of Whittemore; two grandchildren, and a sister, Mrs. Mildred Rainsberger.

Funeral services were held Wednesday afternoon at the Forshue Funeral Home in Twining. The Rev. R. R. Terwilliger officiated and burial was in the Cedar Valley Cemetery, Twining.

Members of the Masonic Lodge were in charge of services at the grave.

Religious Books Available at Library

Now that the Lenten season is here, many people will be doing extra reading for inspiration and meditation. More religious books are read today because of the ability of writers to relate religion to present day problems.

Iosco-Arenac Regional Library lists the following titles for devotional reading during Lent:

Non-fiction worthy of consideration are "Seven Storey Mountain," "Ascent to Truth" and "Waters of Siloe" by Thomas Merton; "Nun's Story" by Hulme; "Theresa, Saint of the Little Way" by Francis Parkinson Keyes; "Life is Worth Living" by Bishop Sheen; "Three Minutes a Day" by James Keller; "Mr. Jones Meets the Master" and "Prayers of Peter Marshall" by Peter Marshall.

"Art of Real Happiness" by Norman Vincent Peale, "A Way to Power and Poise" by E. Stanley Jones, "Life of Jesus" by Goodspeed, "Voyage to Lourdes" by Alexis Carrel, "Stories of the Life of Jesus," "Greatest Book Ever Written," "The Greatest Story Ever Told" and "The Greatest Faith Ever Known" by Fulton Oursler; H. C. Marton's "Women of the Bible" and "The Interpreter's Bible."

In adult fiction there are "The Prophet," "Moses," "The Nazarene" and "Mary" by Scholem Asch; "Green Light" and "Magnificent Obsession" by Lloyd C. Douglas; "The Golden Thread" and "The Restless Flames" by De-Wohl Lewis.

Religious reading for children includes "The Little Child" by Jessie Orton Jones, "Prayer for a Child" by Rachel Field, "The Child Jesus," "One God" and "Their Search for God" by Florence Mary Fitch; Petersham's "Story of Jesus" and "Jesus, the Children's Friend" by Edna Mary Lloyd.

Patrons will find these titles excellent for private reading or group study.

United States consumer prices rose again for the fifth consecutive month, and the bureau of labor statistics said the outlook was for a continued upward creep.

Hemlock News...

PAUL BROWN HONORED ON 90th BIRTHDAY

About 75 relatives and friends attended a party Friday evening, March 1, at Grant Township Hall in honor of Paul Brown's 90th birthday. The evening was spent playing cards and visiting. A pot-luck lunch was served.

Mr. Brown was presented with a purse of money and some nice gifts. All returned home wishing him many more happy birthdays.

The county officials of Farm Township held a meeting at Grant Township Hall last week Wednesday. The ladies aid of the Hemlock Road Baptist Church served the noon meal.

Ronald Melvor took his father, Harvey, to an eye specialist in Bay City Wednesday of last week.

Roy Coates is still very ill in Tawas Hospital. All hope for a speedy recovery.

Mr. and Mrs. Earl Herriman are spending a week in Canada.

Mr. and Mrs. Victor Herriman attended the funeral of Ross Kitchen at Sterling recently.

Mr. and Mrs. Robert Umphrey spent last Friday in Bay City.

Mrs. Ethel Biggs visited last Friday in Sterling with her sister.

Mr. and Mrs. Harry Flynn spent Tuesday afternoon of last week with Mrs. Clara Smith and Harvey Melvor.

There was a family night supper at the Hemlock Baptist Church Tuesday of last week. The Rev. Charles Mercer showed slides which were greatly enjoyed by all.

Mr. and Mrs. Lloyd Little of Sand Lake spent Sunday in Alger with his parents. Mr. and Mrs. Vera Papple and son of Alger had supper with Mr. and Mrs. Lester Biggs before attending a birthday party for her father, Paul Brown, at Grant Township Hall.

Mrs. Vivian McArdle is able to be home from Tawas Hospital and feeling some better. Friends are sorry to hear Henry Durant is not feeling so well at the Huron Rest Home.

A bridal shower was held at Grant Township Hall Saturday evening for Rita Guano, a bride-elect of this month. A nice crowd attended. She opened many lovely gifts. A nice lunch was served by the hostesses.

Mr. and Mrs. Ralph Burt spent Sunday evening with Harvey Melvor and mother, Mrs. Clara Smith.

Mr. and Mrs. Charles Brown spent Sunday afternoon in Reno Township with her sister.

Mr. and Mrs. Donald Webb of Bay City spent the week-end with her parents, Mr. and Mrs. Fred Pfahl.

Attend Association Meeting at Flint March 1

Miss Leonora Hass, director of the Iosco-Arenac Regional Library, attended the annual winter meeting of the county and regional section of the Michigan Library Association at the Genesee County Library in Flint on March 1.

Also attending were Mrs. Annette White, Miss Arlene Leslie, Mrs. Dorine McMullen and Mrs. Georgena Johnson, members of the regional library staff.

Registered Guernsey Bull Sold Recently at Hale

Muriel Graves and Henry and Karl Luitje, Hale, sold the registered Guernsey bull, Plainfield G. Lucius, according to the American Guernsey Cattle Club.

The purchaser was Leonard J. F. Baur, Bay Port. This bull is out of the fine Guernsey cow, Plainfield D. Lynda, that has an official production record of 9,199 pounds of milk and 427 pounds of fat, made on two times daily milking in 305 days. He was sired by Plainfield D. Gary.

Bay City Plans Big St. Patrick's Day Parade

The biggest St. Patrick's Day parade west of New York's Fifth Avenue is the goal of Bay City's St. Patrick's Day Parade Association, sponsoring its third annual event, Sunday, March 17.

Current indications are that the goal will be reached when the paraders start down Center Avenue that afternoon at 2 o'clock.

Braves and Squaws Hold Annual Banquet

The Sunday night mixed bowling league of Tawas City, the Braves and Squaws, held its banquet of the year aboard the SS Western States.

A delicious chicken dinner was served to about 60 members and guests.

Donald Penman, toastmaster for the evening, presented an enjoyable program, after which everyone enjoyed dancing.

Mrs. Wellna Honored at Shower Thursday

Mrs. Harry Wellna was honored with a shower by Mrs. Clifford Lumsden (nee Shirley Wellna) at the home of Mrs. John Wellna Thursday evening. Games were played, then the honoree opened many lovely gifts. Lunch was served by Mrs. Niel Kemppi and Mrs. Lumsden.

Standish	12	4
Houghton Lake	11	5
West Branch	11	5
Gladwin	6	10
Pinconning	5	11
Arenac Eastern	4	12
Sterling	4	12
Beaverton	0	16

By EARL HAIGHT

All conference basketball activity in the Northeastern Michigan League came to an end last Friday night with Roscommon turning back Pinconning, 75-40; Tawas Area took over sole ownership of second place by edging West Branch, 54-52, in the former's new gym; Standish occupied third place by downing Sterling, 57-41; Houghton Lake knotted with the Orioles for fourth spot in league standings by outscoring Arenac Eastern, 79-61, and Gladwin kept Beaverton in the basement with a close 53-51 win.

Phil Kemp, Houghton Lake forward, had high scoring honors for the night's play, getting 13 field goals and two free throws for 28 points. Four points behind, in second place, was Bob Fassett, Beaverton forward, with 24 points on an 11 and two court, while Wally DeWald and Jim Papefus, forwards for Eastern and Roscommon, respectively, tied for the third spot with 22 each.

In an effort not to have a repeat of their previous encounter, Roscommon started with a rush, building up a 22-6 advantage in the first quarter and holding a 38-17 margin at half-time. A doubled count of 22-11 in the third period added to the bulge and the Buck reserves added a 15-12 count in the final stanza to give Roscommon its best record since 1941, when the team of that year was undefeated.

Papefus led both squads in scoring with 20 points and DeWald, winner's center, a step behind with 20 on seven and six. Jim Wells, Pinny's high scoring forward, led the losers with 14 on five field goals and four free throws. Also scoring in double figures for the Bucks was Rick Fradl, sophomore forward, with 10. Pinconning tied with the Bucks in reserve ball

standings at five and 11 by taking the preliminary contest, 50-35, as Halloran had 16 to pace the winners.

With Laurie LaMont getting back into the lineup after a mid-season injury had sidelined the star guard, Standish gained a 37-24 lead at intermission time and picked up three more points in the second half to gain its 16 point victory over the Hawks on the Sterling floor. The win put the Golden Arrows in third place in final league standings.

Dennis O'Keefe, Standish's high scoring forward, led the scoring with 20 points on eight field goals and four free throws. Nelson Eddy, Sterling forward, had second place with 14 on seven from the field while Dean Converse, winner's center, had 12 for third place. The Standish reserve five took second place in JV standings with a 39-37 win.

Houghton Lake powered to a 42-23 first half lead by taking a 22-15 first quarter count and a 21-8 second period tally. Eastern played an even terms with the Lakers in the second half by taking one point nods in both the third and fourth quarters but were unable to tear down the first half advantage of the Bobcats.

Kemp was top man for both fives at 28 points and DeWald had 22 for second place. Dave Lee, guard, and Dick Rochon, forward, both of the winners, had 18 and 12, while Jim DeWald, Eagle guard, had 10. Houghton Lake stayed in a tie with Tawas Area in reserve standings by downing Eastern reserves, 42-21, as Don Lance had 13 for the winners and John Stamm, 10, for the losers.

Gladwin made use of the foul route with 30 seconds to go in its ball game to get a two point victory over winless Beaverton. Stone and Switzer proved to be heroes as each hit on free throws to erase the tie. Gladwin held a 11-10 lead at the end of the first period and picked up a 14-11 count in the second quarter to hold a 25-21 margin at half-time. The Beavers took the lead in the third quarter by taking a 19-11 nod in that period. Gladwin came through to knot the score and go ahead with less than a minute to go, winning with its fourth quarter play.

Fassett led with 24 points and was the only Beaver in double figures. Gladwin came up with one player over 10 in Ken Heath, forward, who had 19 on eight field goals and three free throws. Beaverton's JV five took the measure of Gladwin, 39-30.

All conference teams are scheduled for tournament activity this week with Tawas Area, West Branch and Pinconning playing at Pinconning; Standish, Sterling and Eastern competing at Au Gres; Beaverton and Houghton Lake on the Lakers floor; Gladwin going to Mt. Pleasant, and Roscommon going to Grayling.

Tawas Area School

EXTENSION COURSE OFFERED IN TAWAS

This Saturday at 10:00 a. m. in the library of the Tawas Area High School, Dr. Ludlow from the University of Michigan will open a 10-week course on testing and measurement of aptitudes. The course is open to graduate and under graduate students and gives them two hours of college credit.

The class outline is excellent and each week a different professor from the university will speak on his special field.

Dr. Steffek, the university representative from Saginaw, has stressed that this course would also be valuable to persons in industry, particularly in personnel work.

It is important that there is a good turn out so that these classes will be offered again next year.

DRAMATICS CLUB PRESENTS PLAY FOR SERVICE CLUB

Members of the Hi Dramatics Club will present their one-act play, "The Valliant," before the service club at Wurtsmith Air Force Base Thursday, March 14. Jerold and Mary McEwen have been working with the service club hostess, Miss Toni Dalton, to organize a dramatic group on the base. Their first dramatic venture will be a one-act play by Jay Tobias entitled "Mama's Getting Married." Members of the Tawas Hi Dramatics Club will take some of the roles which cannot be filled by air force personnel.

The McEwens will direct the first plays until the club gains sufficient experience and organization.

DRAMATICS CLUB PRESENTS TELEVISION PLAY

Tuesday the Hi Dramatics Club of Tawas Area School presented a one-act play entitled "Twinkle Peppermint Mountain" over WJEM-TV. The play, a children's fairy tale, was written and directed by Jerold and Mary McEwen.

The cast was as follows: Tyler Braddock, "King Blusty;" Paula Davison, "Queen Henrietta;" Peggy White, "Princess Twinkle;" Robert Cabbie, "Prince Bravo;" Arnold Gilfix, "Prime Minister;" Allen Prescott, "Ex Prime Minister;" Rick Niles, "Palace Guard;" Judy Agee, Edward Martin and Robert Donley were the make up crew.

FRENCH CLUB TO HOLD ST. PATRICK'S DAY DANCE

The French Club of Tawas Area High School is holding a St. Patrick's Day dance at the cafeteria of the new school Saturday, March 16, from 8:00 to 12:00 p. m. Admission is 35 cents stag, 60 cents drag. The public is cordially invited to attend.

Cadillac

Relaxing... Across America!

Behind them are the majestic mountain roadways of Southern California and the picturesque desert drive through Arizona.

And ahead lie the broad highways of Texas... the scenic roads that wind through Oklahoma and Missouri... and the great Midwestern turnpikes that lead to the Eastern Seaboard.

What's it like to spend the better part of a week in a 1957 Cadillac?

Well, first of all, there is the restfulness a Cadillac provides. The car is so incredibly smooth and quiet and comfortable that even the longest journey is an occasion for glorious relaxation.

And for the lucky gentleman in the driver's seat, there is the added reward of Cadillac's brilliant new performance.

In fact, the car is so nimble and eager, so responsive and alert that day's end will usually find them well beyond their morning's destination!

And then there will be the many other Cadillac virtues to enhance the pleasure of their journey... its vast areas of vision to give them the full panorama of America's great beauty and grandeur... its extraordinary safety and dependability to add to their contentment and peace of mind... and its remarkable operating economy to remind them how practical their odyssey is.

So there they are—seeing our wonderful land from the finest vantage point on the American road: through the windshield of a 1957 Cadillac!

Of course, you don't have to travel 3,000 miles in this newest "car of cars" to realize why its owners call it "the greatest of all Cadillacs".

The evidence is in our showroom now—and an hour at the wheel will tell you the whole story.

4-H Clubs

By Dorothy Scott
Home Demonstration Agent

Food preparation, food preservation, conservation (including gun safety) and garden project leaders, now or to be this year, may have their work made easier by attending the leader-training school in Harrisville on March 7.

A new food preparation bulletin, "Let's Learn to Cook," reached my desk this past week. Undoubtedly planning a project using this bulletin will be part of the food preparation leaders meeting. It looks like an interesting new approach to a foods project. I am sure leaders and 4-H Club members will want to know more about it.

Ottawas 4-H Club members have completed first and second foods projects and will begin knitting projects very soon.

At the community club meeting on February 25, plans were discussed for a skating party. A date for it had to be canceled because of the warm weather.

Friendship 4-H Club members will exhibit some finished project articles and put up posters about National 4-H Club Week, March 2 through 9. These will be on display at Herriman's, McArdle's and Harten's grocery stores.

A bake sale is being planned for a later date.

The February 20 meeting was held at the Anschuetz home with nine members and two visitors present. Demonstrations in gun safety were given by Kenneth Herriman and Irvin Durant, followed by project reports.

Reporter Irvin Durant wrote the meeting information for our news column.

Beverages and desserts, a good combination for the first and second projects meeting in food preparation held at the Finley home on February 20 and reported by Verna Kay Wehrman.

Window holders are finished by boys in the Peaceful Valley 4-H Club. Breadboards and shadow boxes are next articles to be made and the members are giving thought to wood finishing methods says Reporter David Finley.

LEGISLATIVE

News Letter

From the Desk of JAMES P. MIELOCK
State House of Representatives

The day when the house can be hamstrung and tied up for hours when an absent member's vote is demanded, is now past with the adoption of the revised rules.

Section 15 of Article 5 of the state constitution gives each house (senate and house of representatives) full authority to determine the rules of its proceedings.

In the light of past experience when the right to demand votes was employed at times as a device to indulge in dilatory practice, a majority of the rules and resolutions committee (whose duty it is to recommend revision of the rules of the house for greater efficiency and smoother operation of proceedings) felt that provision should be deleted. Accordingly they offered amendment No. one, striking out that right.

Now as everyone knows in a two party case as ours, the rules by which a body operates, are not a partisan matter. Yet to listen to the debate one would think it was a strictly party matter. The minority lined up solidly in denouncing the proposed change as an attempt to defeat representative government in the long floor fight which ensued on amendments No. one and No. two.

A search of the records has shown that in 1956 when the right to demand votes existed, it did not serve any useful purpose; one member failed to vote on 424 issues, another failed to vote on 260, while still a third member failed to vote on 178 rolls calls. The right to demand votes was not exercised then.

However, on the other hand, abuse of the right to demand a vote has at a crucial time held up proceedings for an hour or two hours and even longer while an absent member whose vote was demanded was located in another city and forcibly returned to his desk in the capitol to vote. Particularly reprehensible was the practice when the absent member's vote did not or could not in any way effect either the passage or the defeat of the issue. It was argued if a member's vote had to be forced on vital issues, he should not be here in the first place, and it would not take long before his bad voting record would catch up with him back in his own district.

Amendment No. two will take care of a situation that has been particularly aggravating to members. This amendment would eliminate having the journal show the record of the "present and not voting" members. It is the experience of the house that at times members of major committees are, with consent of the house, in committee meetings working hard to get their bills prepared and out to the floor for full house action. This is especially true of the ways and means committee, which meets all morning long and most of the afternoon, and on into the evening. To show members tied up in committee as "present and not voting" is unfair and has been a sore spot over the years, particularly if that record of non-voting is used against the member in a campaign.

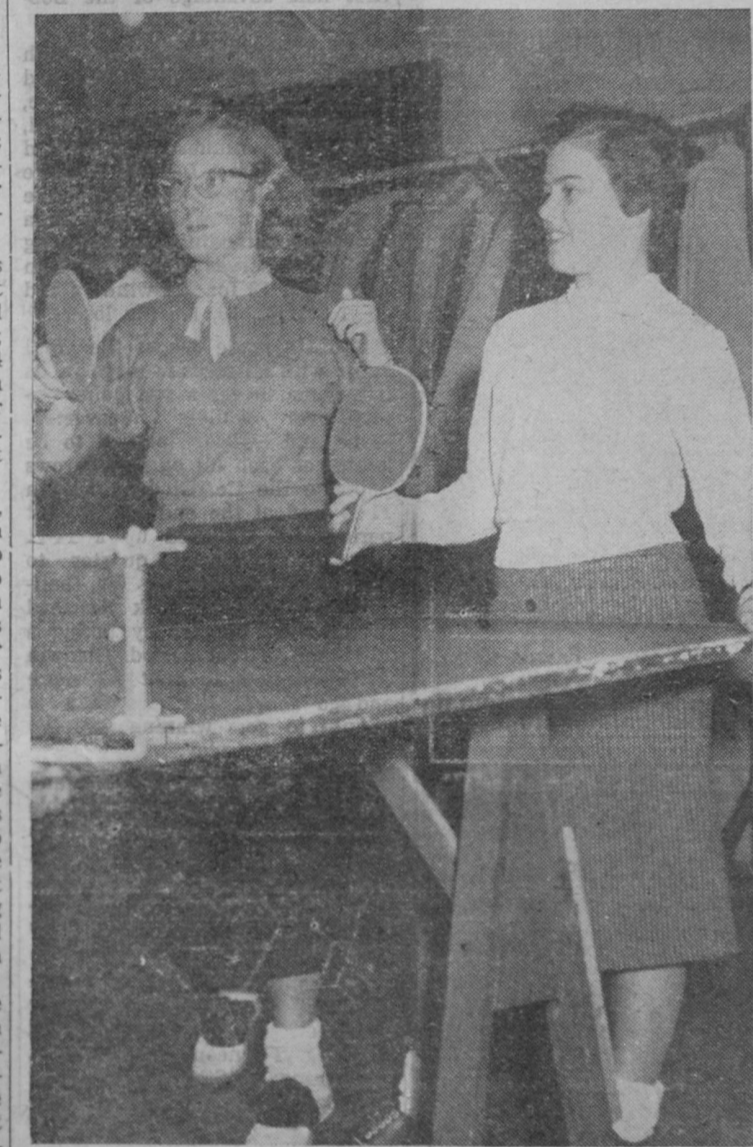

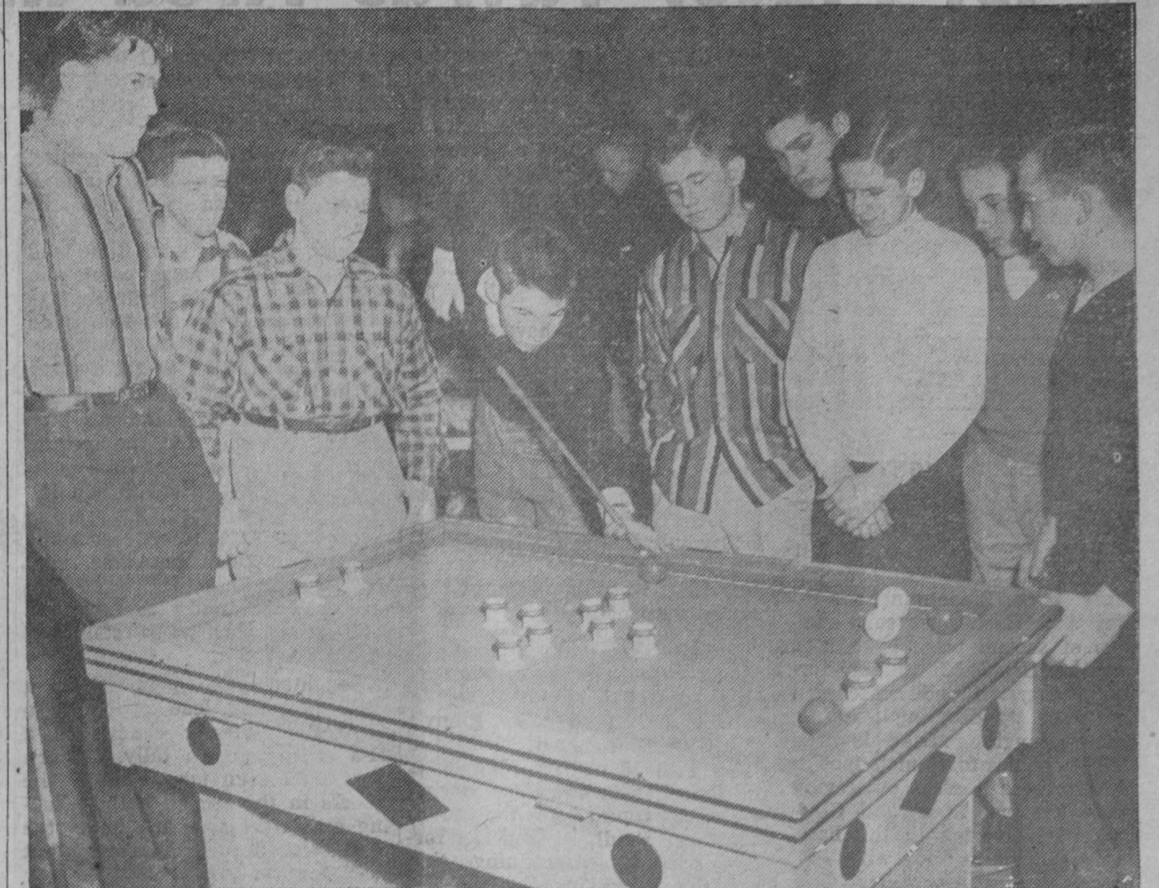

The house delayed adjournment of its daily session on February 27 long enough to invite the senate to meet with it in informal joint session. The purpose was to extend to Bishop Loreo Rugambwa of Tutabo, Tanganyika in British East Africa, the courtesy of briefly addressing the legislature. The bishop is in this country on an extended tour seeking not only help for his people, but also to observe our ways and learn all that he can which will be helpful to his program. His district comprises 4,000 square miles with a population of 126,000 people. It is his opinion that opening up more schools and especially training centers or trade schools will do a lot to uplift his people and give them a thorough foundation for their future life. There are 25 priests and 100 teachers in his diocese and the program calls for opening a hospital, a high school, a junior high, a girls' training center and trade schools.

A new plan coming out of the Republican caucus has been inaugurated, namely a suggestion system for interchange of ideas among legislators. The suggestions are placed in an idea box and subsequently submitted to the caucus for discussion.

We are still being visited daily by students from the various schools throughout the state, and as of this time, over 9,000 students have sat in on our sessions.

Fewer factory workers quit and fewer were hired in January than in December, according to the United States Bureau of Labor Statistics. Hirings went down from 30 to 22 per 1,000 and the quit rate from 13 to 10, while layoffs remained substantially unchanged.

Fun at Youth Canteen ...

Since opening in January, the Tawas Youth Canteen in the Community Building, East Tawas, has provided much needed entertainment for youth of the area and response to the project has been excellent.

The canteen operates each Saturday night from 7 to 11:30 o'clock. Actual operation of the canteen, as well as its policies, is directly under the young people of the Tawas, with the assistance of two students from each of the four high school grades.

Plans for the canteen were originated by the Ladies Literary Club of East Tawas. Establishment of this activity meant considerable work and effort on the part of the youth canteen committee headed by Mrs. Cecil Gable.

Activities at the canteen include ping pong, bumper pool, cards, games and dancing. A reading lounge is also provided. Young people of the area from grade eight to 12 may attend.

A snack bar is operated by the students as a non-profit venture where sandwiches and soft drinks may be purchased.

COUNCIL PROCEEDINGS
Regular meeting of the common council held on February 18, 1957.

The meeting was called to order by Mayor George W. Myles. The following aldermen were present: Davis, Evril, Cabbie, Tuttle and Wright.

The minutes of the previous meeting were approved as read.

RESOLUTION
Be It Resolved that the City of Tawas City, Michigan, hereby agrees to furnish fire service to Tawas Area Schools, it being expressly understood and agreed that such fire department response is binding upon the City of Tawas City at all times except in the event that the fire department is unable to respond for reasons beyond its control;

And Be It Further Resolved that the City of Tawas City shall provide for response to fire calls to Tawas Area Schools with the same fire apparatus and men as if the aforementioned property were located within the city limits and that the fire department will respond to such fire calls without delay and in the same condition as to fire alarms within the city limits.

And Be It Further Resolved that inasmuch as a reduction in fire insurance rates on this property under hydrant protection but outside the incorporate limits is recognized in connection with and on account of the above described response to fire calls, that should this resolution be rescinded, the city (of Tawas City) clerk is hereby instructed to notify the Michigan Inspection Bureau.

It was moved by Evril and seconded by Cabbie that the resolution be adopted. Roll call: Yeas: Cabbie, Davis, Evril, Tuttle and Wright. Nays: None. The motion carried.

RESOLUTION

Whereas, in consideration of the benefits to the city of securing additional business in the city and the expansion by Paul P. Chevis of his plating business, in accordance with the commitment made by the council in previous council action:

Resolved: That the following described parcel of land, viz: Part of Outlot Two (2) of John W. King's First Addition to Tawas City as partially vacated and modified by court order recorded in Liber 50, page 461, described as follows:

Commencing 150 feet south of the Southwest corner of Lot Seven (7), thence West, parallel to the South line of said Lot 7, 122.66 feet, thence South 30 feet, thence East 122.66 feet, thence North 30 feet to the point of beginning, in the City of Tawas City, Iosco County, Michigan;

be conveyed to Paul P. Chevis of Tawas City, Michigan, d-b-a Tawas Plating Company for One Dollar and that the mayor and clerk of the city are hereby authorized to execute and deliver a deed of conveyance accordingly.

It was moved by Evril and seconded by Wright that the resolution be adopted. Roll call: Yeas: Cabbie, Davis, Evril, Tuttle and Wright. Nays: None. The motion carried.

It was moved by Cabbie and seconded by Evril that the chief of police be authorized to attend the traffic law enforcement conference at the Kellogg Center, East Lansing.

Roll Call: Yeas: Cabbie, Davis, Evril, Tuttle and Wright. Nays: None. The motion carried.

The following building permits were presented for approval: Frank Chartier, move garage; Paul Chevis, home, 44 by 30; George Baldwin, filling station, 28 by 48.

It was moved by Wright and seconded by Tuttle that the permits be approved. The motion carried.

It was moved, seconded and carried to adjourn.
Albert H. Buch, Clerk.
George W. Myles, Mayor. 10-1b

Wednesday, March 13—"The Art of Gracious Living" leader-training meeting for home demonstration groups.

A slight and unexpected change has been made in the arrangements for this leader-training meeting. Mrs. Lennah Backus, Michigan State University family life specialist, who will assist with this lesson, found it impossible to come for Thursday evening as originally planned.

Hash, most people agree, is a tasty way to combine foods into a good main dish. "The Art of Gracious Living" promises to be like hash in that it is a combination of ideas for being well groomed, well dressed, well mannered and at ease in conversation as well as at the dining table. The ideas are adaptable to every member of the family.

Plain baked custard is easy to make, bakes in about one-half hour in a slow oven, needs no watching and is a dessert for all ages.

Better flavored custards are made with higher grade eggs than are oftentimes used in foods to be cooked. Grade AA and A eggs and large size eggs are plentiful so make the custard more generous as well as more tasty.

Custard is mostly eggs resulting in an unusually high protein dessert. Variety is introduced by putting raisins in the bottom of a cup before filling it with custard mixture. Try also, chocolate chips, fruit jelly, ham, honey, thick maple syrup, shredded coconut, dried apricot, or canned peach half. Grease the cups to make apricots and peaches stay in place.

Dress up plain baked custard with frozen strawberry sauce,

whipped cream, chocolate sauce or a fruit whip (sweetened fruit puree whipped into stiffly beaten egg whites).

Four to five servings in custard cups, depending on egg size and trimming added, can be made from this recipe: One-quarter cup sugar, one-quarter teaspoon salt, three eggs, beaten. Slowly add two cups hot milk and one teaspoon vanilla. Pour into custard cups and set in a pan of water. Bake at 325 degrees until the custard is set (30 to 40 minutes).

Street corner opinions are usually based upon street corner information.

Sports and Travel Show Opens March 9

Expected to draw the largest crowds in its history is the 1957 Detroit Sports and Travel Show, to be held at the Michigan State Fairgrounds, Detroit, March 9 through 17.

Again this year, as in the past, the Tawas Chamber of Commerce will sponsor a booth at this annual event for distributing information on the Tawas and surrounding area to prospective visitors.

Those from here who will operate the booth include Gordon Penman, Dale Butterfield, Anthony DeFilippi, Robert LaVoy, Wilmer Weber, Sherman Rosen, C. V. Miller, James Martin, Del Collier, Mrs. Jack Prough, O. E. Ostrander and Floyd Schaff. The members will alternate on the various days.

Mrs. Bertha Montgomery, chamber secretary-manager, said this week that more people are needed to help man the booth.

More than 100 exhibitors will display the latest fishing, hunting, archery, golfing and camping gear and equipment in the coliseum.

Has Narrow Escape as Car Goes Through Lake Ice

Climbing through the window of her car as it settled in about five feet of water, an Alabaster woman had a narrow escape from drowning when her car plunged through thin ice on Tawas Lake Sunday noon.

Returning to shore after taking her son out on the ice to fish, Mrs. Charles Stuart was following a path across the ice when the accident occurred.

Unable to get the door of the car open, she rolled down the window and crawled out. She could not get on solid ice and crawled on top of the car, where she was rescued by a passing fisherman. About eight inches of the car top remained out of water.

After helping her back to safety, the fishermen notified the Michigan State Police at East Tawas who took her home, soaked but unharmed.

The car was removed by the Cowan Garage wrecker Monday.

Braves Initiate New Gym With Twin Victory

Tawas Area School's new auditorium was initiated in a tie game last Friday night when the Braves won two exciting games from the West Branch Orioles. The Braves varsity edged the Branchers, 54-52, in the final seconds of play while the Tawas Area JV quint edged the West Branch reserves, 46-45, in an overtime game.

By winning from the Orioles, the Braves ended their league season in sole ownership of second place. The local reserve team ended its season in a tie for first place with Houghton Lake in league standings.

Tawas made good use of a fine third period scoring stint to eke out its win in the varsity game. Scoring in the first half was led by the losers, holding a close 16-15 lead in the first period and added to its margin with a 15-11 second frame to have a 31-26 intermission bulge.

Tawas Area will meet Pinconning High School Friday night at 9 o'clock in the district tournament at Pinconning. The game will be preceded by the West Branch-Bay City St. Stanislaus clash. All games are in class B. District finals will be held Saturday night.

The third quarter found Tawas Area ringing up 15 points while holding West Branch to only three markers. West Branch rebounded with an 18-point scoring stint in the final quarter, but with only seconds to go, Dave Featheringill made good on a set shot and Bulbitz tipped a rebound through the rim for a two pointer.

Not ready to be counted out of the game before the final buzzer, West Branch cut the margin to two points. With about three seconds remaining in the game, West Branch intentionally missed a free throw hoping for a possible tip in for two points. Coach William McIntosh of Tawas called on his two tallest players from the bench, Fred Teeple and Larry Frank, and stationed them under the net to take the rebound.

West Branch had four men in the double figures while Tawas countered with two, but had stronger supporting fire power. Ray Guyette, Tawas forward, was high with 19 on nine and one, while Nelson Galinas, Orioles' center, held down second place with 17 on a seven and three count. For Tawas, Dave Featheringill, guard, had 14, while Joe Reiger, substituting for the injured Finerty at center, had 11, and Ken Huey and Lyle Lobsinger, also of the Orioles, had 10 each.

Local and professional talent from surrounding areas will provide a night of hilarious entertainment for both young and old. Admission is adults 75 cents and children 35 cents.

Services Held Sunday for Mrs. Barkman

Mrs. Clara L. Barkman, lifelong resident of East Tawas, passed away early Saturday morning, March 2, at Tawas Hospital where she had been taken two weeks previous for treatment. She had been in poor health the past year.

The body was taken to Bay City and funeral services were held Sunday afternoon at the Vallerden-Penzien Funeral Home, Rabbi Albert L. Raab officiated and George Sternberg was cantor. Burial was in the Jewish Community Cemetery, Bay City. Pallbearers were Percy Thornton and Hymie Friedman of Tawas City, Earl McElherson and Arthur Dillon of East Tawas, Paul Perper and Nathan Goldstein of Flint.

Mrs. Barkman, the former Clara Myers, was born in East Tawas April 27, 1881, and was 75 years, 10 months of age. She was the daughter of the late Abraham and Regina Myers, who were pioneer residents of East Tawas and in the mercantile business.

She was married January 29, 1902, to Abraham Barkman, who died in May 1941.

She was a member of Iosco Chapter, Order of Eastern Stars; an honorary member of the Ladies Literary Club of East Tawas; a charter member, life member and past president of the Johnson Unit 211, American Legion Auxiliary; a member and past department officer of the Forty and Eight Salon of the American Legion Auxiliary, Department of Michigan. She was also a member of the New York Annie Harris Society for the Blind and the Sisterhood of Temple Anshe-Chesed of New York.

Mrs. Barkman was active in community affairs in East Tawas and in drives for charitable purposes. Her time and means was spent wherever there was anyone destitute or where needed. She was instrumental in securing the present American Legion Hall.

Surviving are six sons: Joseph, Nathan, Harry and Milton of East Tawas; Aaron of Chicago; and Julius of New York City; two daughters, Miss Helena and Miss Regina Barkman of New York City with whom she spent the winter season for the past 10 years.

She also leaves six grandchildren; two brothers, Maurice Myers of Tower and Samuel Myers of Alpena; four sisters, Mrs. Fanny Abrams of Flushing, New York; Mrs. Belle Brin of Los Angeles, California; Miss Libbie Myers of Flushing, New York, and Mrs. Amelia Rosenberg of Los Angeles.

Legion Auxiliary Holds Memorial Services

Audie Johnson Unit, American Legion Auxiliary, met at the East Tawas Legion Hall Monday evening. Mrs. Ada Freeland, first vice president, presided. A memorial service was held for Clara Barkman, a charter and life member.

During the business session donations were voted to the American Red Cross, the Crusade for Freedom, the Tawas Area School calendar project for the band and to the American Cancer Society as a memorial to Mrs. Barkman.

Plans were made to celebrate the 38th birthday of the post on Sunday, March 17, with a dinner for post and auxiliary members and their wives and husbands.

Mrs. Gertrude Kunze spoke on "Community Service" and explained how the auxiliary could help in service for both youth and elderly people of the community. She also spoke on parent counseling.

Mrs. Dorothy Harmon talked on conditions and discipline of the children at Otter Lake where she attended the 10th district birthday.

Legion Auxiliary Makes Contributions to Charity

The regular meeting of the American Legion Auxiliary, Jesse C. Hodder Post Unit 189, was held at the Legion Hall Monday, March 4.

There were 15 members present. They voted to contribute \$10 to the March of Dimes and \$5 to the Red Cross. It was voted that 1,000 poppies and some collection canisters be ordered.

Mrs. Joseph Homberg brought a mystery gift which was won by President Marinda Shower. She will bring a gift for the next meeting.

distributed Red Cross posters to call attention to the fact that the campaign is on for funds during the month of March.

Quota for Iosco County has been set in excess of the 1956 quota since the national quota has

been increased by approximately \$10,000,000 more than was actually raised in the 1956 campaign.

The disaster in Kentucky, Virginia and West Virginia has been termed the worst flood in the history of this section of the country. The Red Cross estimated that 18,000 families have been left homeless; nearly 13,000 families will apply for long-range Red Cross assistance; 878 homes have been destroyed, and about 20,000 other homes and buildings damaged. Relief expenditures for this one job will reach or exceed \$5,000,000.

"Please give generously when your volunteer worker calls so that Iosco County can again meet its quota and possibly exceed it," Mrs. Jensen commented.
