**BRIEFS—**

**TAWAS CITY**

Mr. and Mrs. Eric J. Mullen will arrive June 1 to make their permanent home. They will reside at 1150 Lake Street.

Mr. and Mrs. Harold St. Martin, Mrs. Gordon Carey and children of Detroit spent the week-end with Mrs. James Brown.

Mr. and Mrs. Norman Anschutz and three children of South Bend, Indiana, spent the week-end with Mr. and Mrs. Walter Schumacher.

Mrs. Clarence Bariger, Miss Darlene Bariger and David Bariger attended the bowling tournament in Flint on Saturday and Sunday.

James Robinson arrived home Saturday from Kissimmee, Florida, where he spent the past five months with his sister, Mrs. Charles Beardslee.

Mrs. Lyle Groff was a business visitor in Standish Tuesday.

Miss Edna MacDonald of Reese spent the week-end with her parents, Mr. and Mrs. Donald MacDonald.

Mrs. Nellie Bell of Flint is visiting her sister, Mrs. George McGuire, for a few days.

J. A. Brugger spent Wednesday with his brother, Charles Brugger, and family at Boyne City.

Mr. and Mrs. Edward McClean of Detroit were Saturday and Sunday guests of her parents, Mr. and Mrs. Harry Rapson.

Mrs. Walter Schenkel of Loveland, Colorado, is visiting her mother, Mrs. James H. Brown. (See TAWAS CITY, page 12.)

**EAST TAWAS**

Week-end guests at the George Estes home were their daughter and son-in-law, Mr. and Mrs. Edward Moore of Ypsilanti.

Robert W. Ford of Flint, son of Mrs. Luella B. Ford, having been a rate clerk for the Grand Trunk Railroad for some time, has been promoted to chief clerk and will be located in Saginaw.

Archdeacon Ralph Park of Detroit, representative of Episcopal Missions, supplied the pulpit of Christ Episcopal Church last Sunday morning.

Mr. and Mrs. Clyde Ashley of Battle Creek spent Mother's Day with their son, Robert Harmon, and family. Mrs. Harmon's daughter, Joyce Russell of Highland Park, also spent Mother's Day at the Harmon home.

Mrs. Rose Christeson has returned home after spending nearly six months at Bradenton, Florida.

Mr. and Mrs. Norman Rathbun and family of Bay City visited in East Tawas for a few days. The family is moving to Midland.

Mr. and Mrs. Jack Parker and two sons, William and Philip, of Saginaw spent Mother's Day with Jack's mother, Mrs. W. H. Parker.

Mr. and Mrs. Robert McDonald of Detroit visited for a week with Misses Cora and Denise LaBerge, sisters of Mrs. McDonald. (See EAST TAWAS, page 12.)

**Sgt. Roti Invites Residents to Visit State Police Post**

A special invitation to the public to visit the East Tawas post of the Michigan State Police during the observance of Michigan Week, May 19-25, has been issued by Sgt. Frank Roti, commander.

"While the public is welcome to visit a state police post at any time, Michigan Week is a very appropriate occasion to do it," Sergeant Roti said. "The best hours will be from 10:00 a. m. to 4:00 p. m. each day."

Officers will show visitors through the post and answer questions about state police operations.

"We will be happy to have anyone call on us who is interested," Roti said. "This open house has been arranged to better acquaint the people with their state police and to inform them on our numerous activities to protect their security. Many persons believe the state police are strictly a highway patrol, when actually we do general law enforcement and much of our time is spent on criminal investigations and other matters not having anything to do with the highways. Michigan Week will afford an opportunity to find out just how broad a field we cover."

Open house will be held at every state police post during the week.

Wurtsmith Airmen Joined the Fight to Stop the Blaze

**Believe Fire Last Week Was Caused By Careless Use of Campfire Near Oscoda**

One moment of carelessness and the fruits of man's labor (and the growth of nature) went up in smoke. Forestry department officials, who viewed the charred remains of what was once the start of a productive forest near Oscoda, said this week that last Wednesday's fire may have been started by someone who left a rubbish fire unattended.

It is believed by these expert foresters that some unknown person started a small fire to burn some papers and other rubbish. The remains of such a fire were found in the area where this devastating blaze started Wednesday noon, 10 miles west of Oscoda.

Before it was finally brought under control Thursday morning by an "army" of 600 persons, it had blackened some 750 acres, including 200 acres of 30-year-old red pine trees in a Huron National Forest plantation.

For a time it was feared that the fire might reach inhabited areas, but it swung to within two

miles away from the tiny village of Footsle and 1½ miles from Old Orchard Park.

A dense pall of smoke hung over Wurtsmith Air Force Base, which was in the path of the blaze at one time. It veered away and did not come within a number of miles of the installation.

Most of the land burned over was owned by Consumers Power Company. Fire destroyed two buildings at the AuSable Ski Bowl, which were purchased by the Silver Valley winter sports committee last winter.

The red pine trees, planted by man's labor are gone—the charred stumps which remain are thought to be "mancaused."

**CANCER CAMPAIGN MOVES ALONG 'SATISFACTORILY'**

Mrs. Herbert Hertzler advises that collections for this year's cancer campaign fund in Iosco County are moving along satisfactorily.

According to records of last year, 23 church and fraternal organizations in the county gave a total of \$114.81. Any that care to contribute this year and have not already done so can mail their remittance to Mrs. Hertzler or Nathan Barkman at East Tawas.

Iosco's quota has been raised over last year and funds are needed to continue the fight against cancer.

**WOULD ORGANIZE OUTBOARD CLUB HERE**

This Sunday, May 19, an organizational meeting of a new outboard club will be held at the Tawas Chamber of Commerce Office. It will start at 2:00 p. m. Anyone interested is invited to attend.

**Mich. Week Starts Monday of Next Week**

Start of Michigan Week will be observed in Iosco County next Monday with the exchange of mayors day.

Mayor George Tuttle of Tawas City will go to Owosso in exchange for Mayor George Rubelman. Mayor Rubelman will arrive here by plane at 10:30 a. m. and will be whisked off on a tour of the community.

He will be guest of honor at the Tawas City Businessmen's Association noon luncheon at the Vic and Zel Restaurant. He will be accompanied here by George Vanep, city clerk of Owosso.

Plans for entertaining the visiting mayor were made by the businessmen's association and city council. George W. Myles will be in charge of the program.

Mayor Elmer Werth of East Tawas will exchange with Donald Olsen of Inkster, who is to attend a perch fry at the Holland Hotel at noon. Later he will visit the site of the new water filtration plant and tour the Anderson Coach Company.

The two visiting mayors, civic officials and businessmen from both communities will attend a concert to be presented by the Tawas Area High School Band at the new auditorium Monday morning.

Whittemore will not participate in the mayors exchange this year.

**JUNE 30 DEADLINE—**

**Terms of Two Trustees to Expire Soon**

Terms of two members of the Tawas Area Board of Education, William Look and Hugo Keiser Jr., will expire on June 30.

Candidates for these positions who wish to have their names appear on the ballot at the annual school election on July 8, must file nomination petitions with the secretary of the board of education, Walter H. Niles, not later than 4:00 p. m., 30 days prior to the election.

Each petition must be signed by not less than 50 registered school electors of the district. No elector may sign the petition for more candidates than are to be elected.

The two trustees elected will be for a term of three years, July 1, 1957, to June 30, 1960.

Nomination petitions may be secured from Mr. Niles, or from the office of the superintendent in East Tawas.

**Nisbet to be Speaker---**

**New Tawas Area School to be Dedicated Sunday, May 19**

A public ceremony of dedication for the new Tawas Area High School will be held in the new auditorium at 2:00 p. m. Sunday, May 19. The dedication will mark completion of a high school building program that has given the Tawas Area School District a school plant valued at nearly one million dollars, and rated as one of the finest in Northern Michigan.

Everyone is invited to attend the dedication and to remain for the open house which will follow. Every department of the school will be open, with the teachers on hand.

Refreshments will be served in the new cafeteria during open house.

Principal speaker at the dedication will be Stephen S. Nisbet of Fremont, long associated with education in Michigan and a former resident of Tawas City. Now director of public relations for Gerber Products Corporation, he was formerly superintendent of schools at Fremont for 25 years. At one time he was president of the Michigan Education Association.

Among the honored guests at the dedication will be C. J. Creaser and A. E. Giddings, former superintendents of schools of East Tawas and Tawas City, respectively; during the time of reorganization; Randall Fox and Harold Gould, former board of education presidents; Ronald Butterfield, former principal, who is still with the school system, and chairmen of various committees who helped to bring about the reorganization of the districts and made a study of needs for the building program. History of the Tawas Area

A COMMERCIAL DEPARTMENT class is in progress in the picture shown here. Windows of this classroom face north-west giving the maximum amount of natural daylight, along with supplementary lighting.—Tawas Herald Photo.

School District started in the fall of 1952 when voters of the several districts chose to reorganize into one consolidated district. This was followed by formation of study groups to make plans for the new building and subsequent approval of the plan by the taxpayers.

First actual work on the new building was started in February

1956 when the general contractors, Davison-Rose Builders, incorporated, of Tawas City, started to pour foundations.

A year and one month later, March 1957, classes were moved from the old buildings to the new school.

Architects of the new school are H. E. Beyster and Associates, Detroit. Other contractors besides

Davison-Rose are Northern Plumbing and Heating, East Tawas, mechanical, and Crown Electric, Saginaw, electrical.

Contractual cost of the building totals \$780,917.36. Of this amount \$550,994.63 was the general contractor's share; \$129,399.50, mechanical; \$63,421, electrical. The architect's fee was \$37,190.05.

**Canoe Race to Feature Centennial Program at Oscoda**

A canoe race will be one of the features of the Iosco County Centennial celebration to be held in June.

On "Oscoda Day," June 26, a canoe race will be run from the Footsle Lake landing down the AuSable River to the finish line just upstream from the US-23 bridge.

E. H. "Bert" Stickney of the centennial committee said that the event is to be a two-section stock canoe race. Senior division, 18 years and up; junior division, up to and including 17 years.

Rules and entry blanks may be obtained by writing Secretary, AuSable-Oscoda Chamber of Commerce, Oscoda, Michigan. This organization is sponsor of the event.

**Submerged Land Sale Sees Approval in State Senate**

House Bill 558, which would permit the sale of lake bottom in Tawas Bay to National Gypsum Company, was reported out of the senate state affairs committee before the Thursday deadline on new bills last week.

Bill to allow the sale of this property was introduced by State Representative James P. Mielock of Whittemore. It was passed by the house and needs only passage of the senate to become effective.

The Mielock bill to let the conservation department sell a strip of submerged land to National Gypsum Company was passed by the senate Wednesday by a vote of 25 to five. It was immediately returned to the house for concurrence in the amendment made by the senate. A move Tuesday to send the house-approved measure back to the committee to die was beaten 14 to 7 in the senate on a show of hands.

The property in question is an

area of lake bottom in front of the property acquired by National Gypsum Company south of Tawas City. Approximately 600 feet by 800 feet, it is the proposed site of the company's new loading dock, to be included with the expansion of facilities in Iosco County.

Originally, the company made application with the United States Army Corps of Engineers for a 7,000-foot aerial tramway. The aerial tramway was abandoned due to engineering obstacles and the company asked permission to construct an 800-foot loading dock with turn-around basin close to shore.

Objections to the loading dock facilities have been raised by property owners in the immediate area, who have claimed the installation would harm property value and would result in an inconvenience and nuisance.

A number of the property own-

ers attended the special hearing last Thursday in Lansing. Also, there were representatives of the company and a delegation of Tawas businessmen and interested citizens.

Iosco County is included in a huge multi-million dollar expansion program of National Gypsum Company facilities. Work has already started on a new gypsum quarry on Sand Lake Road. Total expenditure here is expected to be 21 million dollars. In addition to its present 300 men employed at National City, the new quarry and loading facilities would require employment of an additional 300 men.

Located in Alabaster Township, site of the new loading dock was zoned "industrial" by a recent zoning ordinance of the township board. A letter of approval of the project by Mayor George Tuttle was read at the hearing.

**Huron Shore Baseball League to Open 1957 Schedule With Three Games Sunday**

Opening day in the Huron Shore Baseball League will find three games on tap this Sunday, May 19.

Tawas City will play at Oscoda, Wurtsmith at Hale and Lincoln at Mikado. East Tawas will have an open day in the schedule.

With an abundance of baseball players, the Tawasites will have two teams in the league this year. Tawas City, under Manager Olen Herriman, is a charter member of the league. The East Tawas entry was formed this spring. William McIntosh is manager of this team.

Two teams, Harrisville and Black River, dropped out of the

circuit this year. This move probably will strengthen the northern teams in the loop, with Lincoln and Mikado absorbing the better players of the other teams.

The 1956 pennant was won by Hale in a photo-finish race with Lincoln and Black River. A play-off at the end of the regular schedule determined the winner.

The remainder of the season is as follows: May 26—Hale at East Tawas, Mikado at Wurtsmith, Oscoda at Lincoln, Tawas City open. June 2—Wurtsmith at Oscoda, Tawas City at Hale, Mikado at (See BASEBALL, page 12.)

DISPLAYS IN THE second annual Tawas Home and Sports Show are pictured above. Sponsored by the East Tawas Businessmen's Association, it was held at the new Tawas Area High School Auditorium last week-end, Friday, Saturday and Sunday.—Herald Photo.

## Loading Dock Important to County---

The passage of House Bill 558 would mean a great boon to Iosco County—in plain dollars and cents it would open the door for a 21 million dollar project here by National Gypsum Company.

It also would mean an increase in the area's labor force, estimated by the company to be 300 men, in addition to the 300 persons presently employed at National City.

Objections have been raised by property owners in the vicinity of the new loading dock proposed by National Gypsum Company. This is very often the case in the progress of any area or community, whether it is constructing or widening a new highway, loading dock or what have you.

The important question that all should remember, however, is this: **Of what importance will the project be to the community and Michigan as a whole?** We believe the 21 million dollar "shot-in-the-arm" and additional employment speak for themselves. This "shot," may or may not, be painful to a few, but on the whole it can only be beneficial to the greater number of people.

We prefer to take the latter view. For instance, one need only visualize the impact of huge ships pulled in close to shore near Tawas to realize what an attraction this would be to the tourist industry. On a small scale it could be compared to the Straits of Mackinac Bridge!

We also prefer to go along with Charles Hill, plant manager at National City, who has repeatedly stated that the company would do everything in its power to eliminate any possible nuisance of noise or dust to near-by property owners.

Consider this obvious fact—the proposed National Gypsum Company installation would have a great bearing on the tax structure of the county. As one solon from another county put it at last week's hearing, he would be more than happy to "dig a ditch" to his community to bring in ore ships, if they had the gypsum rock.

## LEGISLATIVE

From the Desk of JAMES P. MIELOCK, State House of Representatives

### News Letter

The house during this past week adopted several resolutions, among them being resolutions setting up interim study committees, to:

(a) Study the commitment procedures involving the mentally ill, the epileptic, the mentally retarded and feeble-minded;

(b) Study the metropolitan court plan and to make recommendations thereto;

(c) Provide for a continuance of the special committee of the legislature created to study the problems relative to the physically handicapped persons of all ages.

In other resolutions adopted by the house, one would request the attorney general to reconsider certain opinions he handed down limiting the payment of pensions to state employees and teachers. The reason for this is that on July 13, 1956, in opinion No. 2472, the present attorney general ruled, "The present laws of the State of Michigan do not permit, and the constitution of the State of Michigan specifically forbids the payment of increases in pensions to retired employees of the State of Michigan who are no longer in the employ of the state."

On December 18, 1956, in opinion No. 2810, the same attorney general ruled with reference to retired judges, as follows:

... it is my ruling that the provisions of section 14 of act 224, Public Acts of 1956, establishing a sliding scale for retirement pensions and making same applicable to all pensioners including those already retired, is not in violation of the provisions of Article XVI, Section 3 of the Michigan Constitution.

By these opinions you say to retired state employees and teachers that their yearly minimum pensions cannot be raised, in the case of teachers receiving from \$750 to \$1,200 per year as provided by law, but that, under the same constitution, the pensions of retired circuit judges can be raised from \$1,800 per year as provided in the original Pension Act of 1948, to one-half of the current pay, or \$6,260 as provided in the 1956 act.

It is difficult to understand why the constitution would stand in the way of a very much needed increase in the extremely meager pension of retired school teachers and state employees, when it does not in the case of the high paid circuit judges.

The house in its resolution requests the attorney general, Thomas Kavanagh, to reconsider these two inconsistent opinions so that retired state employees and teachers may receive such well earned and badly needed pension increases that the legislature has provided.

The resolution has now gone to the senate where it is hoped it will be given favorable consideration promptly.

Another resolution would memorialize the congress of the United States to enact legislation which was introduced in the congress by three Republican congressmen from Michigan, to allow a person to use the cost of transportation to and from work in computing his income tax.

In still another resolution the indiscriminate destruction of shade trees in the course of highway construction is noted with alarm, and because of the heavy protest from various citizens, the legislature has asked in the resolution that the state and local agencies re-examine their policies in this connection in order that as many as possible of the trees may be spared.

## Hold Final Examination for Confirmation Class

The final examination of the confirmation class of Grace Lutheran and Hope Lutheran Church of Osceola was held Sunday evening, May 12, at Grace Church, East Tawas. There are 19 members in the class. After the examination, assorted cakes and coffee were served by church mothers.

Confirmation will take place in both churches next Sunday morning and their first Communion will be celebrated the following Sunday, May 26.

Members of the class are Jeanette Werth, Barbara Hester, Christine Moehring, Carl Westlund, Harold Birkenbach, Marilyn Krebs, Sonda VanPatten, Paul Lake, Bonnie Frank, Gale Button, Marilyn Holmes, Judy Brown, Joanne Andrew, all of East Tawas, and Roger Floyd, Richard Hoemkey, Bonnie Ball, Marilyn Huff, Helen Johnson and Linda Mills, all of Osceola.

At the morning worship service at Grace Church, Mother's Day was observed with a special number, "Mother's Day Prayer," by the junior choir and a sermon, "A Mother's Love," by Pastor Robert Nelson.

Miss Helen Applin gave a report of the Illinois Conference held at Rockford, Illinois, recently.

Humanity's need of spiritual growth and progress will be brought out at Christian Science services this Sunday.

Keynoting the lesson-sermon entitled "Mortals and Immortals" is the Golden Text from I Corinthians (15:53): "This corruptible must put on incorruption, and this mortal must put on immortality."

Readings from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will include the following (265:5): "Mortals must gravitate Godward, their affections and aims grow spiritual,—they must near the broader interpretations of being, and gain some proper sense of the infinite—in order that sin and mortality may be put off."

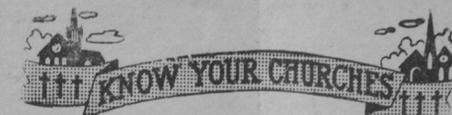

Scriptural selections to be read include the following from Psalms (89:15): "Blessed is the people that know the joyful sound; they shall walk, O Lord, in the light of thy countenance."

### MARVIN DAVENPORT SAYS— Virus Strawberry Strains Are New Developments in Michigan Agriculture

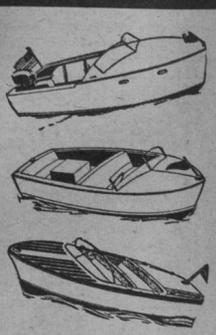

Heading the list of new developments in the strawberry world are the new virus-free strains. Horticulturist Harry Bell of Michigan State University says that a number of private growers are selling the new virus-free berries this year. They are available in the Marshall, Catskill and Robinson varieties. The virus-free plants must be labeled as Michigan certified virus-free strawberries to be sold as such. They will probably yield at least half again as many berries as the non-certified types.

There are two brand new varieties that are drawing the attention of both commercial and home gardeners. One of these is the Pochontas, which is about the same size as the Premier. The other is the Jerseybelle, a very large type of berry. Some of these get as big as golf balls.

Bell reports that his department has been receiving a great many requests for information on starter solutions for strawberries. He says you should be very careful in using these, as damage can result under some conditions. In tests when full-strength starter solutions were used on light soils and the application was followed by a period of hot weather, a lot of damage was done to the plants. However, no damage was found when the solutions were used on heavier soils. Watering or irrigating plants after the starter was applied prevented damage even on light soils.

You can buy commercial starter solutions, or make your own by mixing a high phosphate fertilizer such as 10-50-10 in water.

**U. S. GOLD—**  
While the United States is officially off the gold standard, at last count the earmarked gold in the vaults totaled \$6,299,000,000. Foreign nations at home or in other strongholds had \$7,805,000,000 more. The United States owns about \$22,396,000,000, which makes the total free supply of gold about \$36.5 billions, excluding international institutions.

If you are transplanting trees this spring, here are some tips that will be useful to you. Keith Hudson, Michigan State University forestry specialist, says that many newly-planted trees die every year because they are improperly handled.

A primary cause of death among these trees is improper handling after the trees are received from the nursery. The essential thing is never to let the roots of the little trees become dry. Trees are sent out from the nursery in moist packing that will protect the roots, but they must be planted or heeled-in soon after you receive them. Otherwise, they may dry out, or leaving them in the packing may cause mold and death of roots.

The heeling-in practice that Hudson mentions consists of removing the trees from the packing and placing them in a cool, shaded place. The roots are placed in a trench and covered with soil, and the trees are kept watered while they are there. You can keep trees safely for about two weeks in this way.

Shrubs, the beautifying ornamental plants we use in our home landscaping design, represent an investment that encourages thoughtful choice. Shrub buying is all too often an accidental, or haphazard, arrangement.

Unless we know something about the plants we plan to use as an ornamental, we might achieve the wrong effect in home yard landscape design.

We have a booklet that is available without charge. This booklet covers many aspects of ornamental shrubs that are adapted to the four zones in Michigan. It describes shrubs and plants listed in alphabetical order, and it also

### Annual Mother-Daughter Banquet Held Last Week

The annual mother-daughter banquet, sponsored by Grace Lutheran Ladies Aid, was held at the church Thursday evening, May 9. Tables were beautifully decorated in yellow with bouquets of yellow spring flowers. Mrs. Charles Nash was the chairman of the dinner.

Program chairman, Miss Helen Applin, acted as toastmaster. Mrs. Robert Nelson gave the invocation. Mrs. W. D. Nunn, president of the Ladies Aid, gave the greeting.

Piano duets were given by Misses Jeannette Werth and Barbara Hester.

Miss Hester gave a tribute to mothers which was responded to by Mrs. Earl Hester with a tribute to daughters. Mrs. Hester used as part of her talk Kipling's advice to girls.

Mrs. Nyda Campbell Leslie gave a group of solos, appropriate for Mother's Day, with Mrs. A. E. Giddings at the piano.

The speaker of the evening was Mrs. Charles Mercer of Tawas City, who gave an inspiring talk on "The Christian Home," bringing out thoughts on what makes a true Christian home. She discussed the four points of purpose, people, praise and power.

Miss Applin gave a tribute to the dads who served the banquet in a "Daughter's Tribute to Dad."

Corsages were presented to the speaker, Mrs. Mercer; to the youngest mother, Mrs. Laurence Clement; to the oldest mother, Mrs. Emma Lomas, and the mothers with the most daughters, Mrs. Ervin Kuenzli and Mrs. Jasper Davidson.

Mrs. Nunn thanked all who had taken part and her committees for their work. About 130 attended the banquet. The benediction was pronounced by Mrs. Nelson.

### ET Girl Scouts Start Second Class Requirements

The East Tawas Girl Scout Troop No. 1 started the second class requirements at its meeting last Tuesday at the Methodist Church.

Second class requirements cover the 11 fields of Girl Scouting. They are arts and crafts, literature and dramatics, music and dancing, community life, international friendship, nature, out of doors, sports and games, agriculture, homemaking and health and safety.

Plans and dates were set for a hike and outdoor cookout to complete one phase of the badge work and Mrs. Mischa Krumm will talk to the girls in the near future about the country she came from and its traditions to complete the field of international friendship.

Court of awards date is set for Tuesday, June 11, at 7:00 p. m. at the Methodist Church. The girls having completed the second class requirements at that time will receive a badge.

### New Italian Rayon Fabrics Now Finding Their Way on American Markets

By Dorothy Scott Home Demonstration Agent

I saw the word, "Fiocco" on a garment label in a local store just the other day. It sent me to the clothing file in our office, for I remembered seeing the word in some recent material about fabrics.

Sure enough, and it says "Fiocco" is the name of a rayon fabric developed, treated and prepared in Italy (just as you might suspect from the word).

This fabric is being used in skirts and dresses, and has a soft, brushed-wool appearance. Quite a lot is said about choosing clothes for women; yes, and for children. Not so much is said about selecting for men; yet we do know that there are pointers to assure wearing quality, appearance and fit.

Wise suit buying choices are made when facts are known about the various fibers used in suitings, about the kinds of suitings for different wear purposes, about how suits of different grades are made, and about material and workmanship as they affect values, about getting a good fit.

An illustrated bulletin is now available here at the Extension Service Office titled, "Men's Suits, How to Judge Quality." If the man in your life is soon to invest in a suit, he could make good use of the information it contains.

not be the most important way to measure meat values.

"Two of every nine people in this community change their addresses each year. How are people and families affected by such mobility?"

There is a lot not known about the subject. Experience has brought a number of facts to light which can be shared. Most are agreed that how the parents behave will determine to a large extent how the children react.

Parents who are generally confident and optimistic find their children taking positive attitudes. When adults see nothing but stress in the situation, children reflect their anxiety.

Suggestions offered by Michigan State University family life specialists include: Telling children about the move and reasons for it ahead of time, letting children share in moving plans so they do not feel "left out." Some of them can pack their own belongings.

School-age children send their own change-of-address cards to friends. If possible, show the new house to children before moving into it. Pictures may help if visiting is not possible.

After the move encourage the children to ask new acquaintances to visit. Make new friends yourself by joining a club or group.

### Members and Parents to Learn About Planting Trees Through Demonstrations

By Dorothy Scott Home Demonstration Agent

Friday, May 17—Special 4-H Club Council meeting, Plainfield Township Hall.

Monday, May 20—Recreational Training School, Plainfield Township Hall.

4-H Club members and parents will learn about plantings of trees that can be made on their property. Trees will actually be planted on the school grounds. Demonstrated will be shearing and shaping evergreen for Christmas trees.

Mr. Davenport and Harold Peterson will be there to help with planting and demonstration. Beginning at 7 o'clock, the meeting will be finished by 8:30.

A special attraction at the countywide funfest will be a dress revue presented by girls enrolled in clothing and knitting projects. Junior leader girls are to plan the revue.

From 8:00 to 9:00 p. m. Friday, May 17, 4-H Club leaders, junior leaders and parents will gather for discussion of a new idea that can be helpful to 4-H Clubs. The program committee, chaired by Mrs. Ira Scofield, has studied the project and prepared a report for consideration.

Let us all be there to hear and suggest.

Older 4-H Club members will do planning and practicing to supervise a recreation program for all 4-H Club members and families to be held in June. This they will do at Plainfield Township Hall in Hale on Monday, May 20, beginning at 7:30 p. m.

A special attraction at the countywide funfest will be a dress revue presented by girls enrolled in clothing and knitting projects. Junior leader girls are to plan the revue.

Sherman 4-H leader, Melvin, Tressler, has finished a big leadership job with 23 young people enrolled in a first electrical project. Their open house exhibit made on May 3 revealed work well done by each project member, and reports by members and leader have made easy recording of completed projects for all.

Six clothing projects were displayed by girls who worked with Mrs. Henry Chapman and her leader reports provide needed information for agents. The girls will send their project reports soon.

### Bay City YMCA Anticipates Busy Summer Season at Sand Lake Camp

The Bay City YMCA, anticipating its busiest summer season yet, completed plans for summer program with announcement of a family camp program which will be added to the regular schedule of summer club and camping for boys.

The family camp will be conducted from August 9 through August 19 at Camp Iroquois. The camp is located on Sand Lake, approximately 15 miles northwest of Tawas, and has facilities for a variety of programs including swimming, boating, canoeing, sailing, fishing, tennis, archery, riflery and handicraft.

The schedule has been arranged so that families may choose a variety of vacation periods at Iroquois, ranging from the complete 10-day period downward to a week-end.

The regular Camp Iroquois camping program for boys will begin on Monday, June 24, and continue through August 5. Registrations for boys are running ahead of last year, with the second period (July 8-22) already filled and only a limited number of openings remaining in the first (June 24-July 8) and third (July 22-August 5) periods.

All camp operations will be directed by Paul Grein, Bay City Central High School instructor and coach.

The summer club program at the Bay City YMCA will begin on Monday, June 24, and continue through August 16, providing boys with a well-rounded program, including softball, recreational and instructional swimming, archery, handicraft and gymnastics. Members of the summer club program will also be eligible for a series of trips and tours.

Expected highlights of this series are a trip to Wurtsmith Air Force Base, Oscoda, and a trip to see the Detroit Tigers play the New York Yankees at Briggs Stadium.

The summer club program will be directed by physical director, Claude Huard, and boys' secretary, Eddie Hecker of the YMCA.

Anyone desiring further information about any phase of the summer program should write or call the Bay City YMCA, 111 North Madison Avenue, (TWIN-BROOK 5-8597).

Water supply now ranks with labor and transportation as a key factor in determining plant location. One-third of the nation's total plant spending for new construction in the past five years has been concentrated in the Great Lakes area.

### 100 Attend WSCS Mother-Daughter Banquet Tuesday

The East Tawas WSCS sponsored the annual mother-daughter banquet Tuesday evening at the church. About 100 people attended.

Tables were decorated with bouquets of tulips and forsythia and favors were little girls in lace dresses at each place. The men of the church served the dinner.

Mrs. Dorothy Sarki, toastmaster, was program chairman. The invocation was the singing of the "Doxology."

Corsages of carnations were presented to the oldest mother, Mrs. Emma Huff of Whittemore, mother of Mrs. Upton; the youngest mother, Mrs. Donald McKenzie, and the mother with the most

children, Mrs. Charles Baker of Vassar, mother of Mrs. John Proctor.

The greeting was given by Mrs. Glenn Hughes, president of the WSCS.

Mrs. Ralph Burt gave the toast to the daughters. Her talk was on what a daughter means to me. The toast was responded to by Miss Barbara Burt with a tribute to mother.

A clarinet solo was given by Miss Nancy Allen with Miss Lois Vane at the piano.

Songs appropriate to mother were sung by a trio composed of Misses Brynn Proctor, Sharon Staebler and Peggy White. Accompanist was Bette Mercer. Their numbers were "Sweetest as the Years Go By" and "Mother."

Mrs. Joseph Dibley, speaker of the evening, was introduced by Mrs. Sarki. She spoke on the beauty of motherhood. She began by giving a tribute to mothers and daughters but also gave a dramatization on mothers in the family and family pets. She entitled her talk, "Unpack Your Suitcase and Live."

She said take time to live and do the little things in life. To the young folks she said, "Pack your suitcase to live." This was dramatized and acted out with a little girl. The suitcase for camp was acted out with Miss Carolyn Evans. She ended with the thought, "Put first things first, The Kingdom of God." She reviewed the mothers of the Bible and mothers of fame and their sacrifice and love.

Benediction was given by Mrs. Ralph Edwards.

**JUVENILE GRANGERS TOLD ABOUT PETS AT MEETING**

Whittemore Juvenile Grangers met Friday evening for their regular monthly meeting with Master Terry Bellville in charge. A cleanup session was held before the business meeting.

Ann Bellville read the poem, "Wondering." Animal guessing game was played and each child told about his pets.

Lunch was served.

### Whittemore-Prescott STUDENTS ATTEND SCIENCE FAIR

The Whittemore-Prescott Area High School physics class was honored by being extended an invitation to the annual science fair held at Central Michigan College, Mt. Pleasant.

The attending group of two teachers and 13 students made the trip on May 7. Since the trip was started shortly after school was dismissed for the day, supper was in the form of a picnic. It was enjoyed in a roadside park outside of Clare.

In the college science building there were interesting displays in biology, physics and chemistry. Guided tours were conducted throughout the building. The group was fortunate in being able to view the stars through a special telescope on the roof of the science building.

### FIELD DAY HELD AT WHITTEMORE-PRESCOTT AREA

Last Thursday, May 9, a field day was had for the seventh, eighth and ninth grades of the Whittemore-Prescott Area Schools. Morning activities for the group included pre-registration for next fall and observation of the exhibits displayed by the physics, shop and home economics classes.

Chemistry and physics experiments were exhibited in the music room. In the home economics classes sewing projects were shown. Wood projects were displayed by this year's shop class. Free hot lunch was distributed to the students at noon.

Afternoon found the students participating in a track meet. The morning saw fair weather but only six races could be held before it began to rain. The rest of the track meet was postponed to a later date and better weather.

### Tawas Area School TAWAS TO COMPETE IN REGIONAL TENNIS TOURNAMENT

## Public Invited to Wurtsmith Air Base Saturday

Everything from needle nosed supersonic jets to saw tooth German shepherd sentry dogs will be featured at this year's Armed Forces Day Open House at Wurtsmith Air Force Base near Oscoda, Saturday, May 18.

Gates will open to an expected crowd of more than 10,000 civilians at 10:00 a. m. Saturday. The show lasts until 3:00 p. m.

Actual training intercept mission by Convair F-102As and F-89 "Scorpions" will be witnessed by visitors for the first time at the open house.

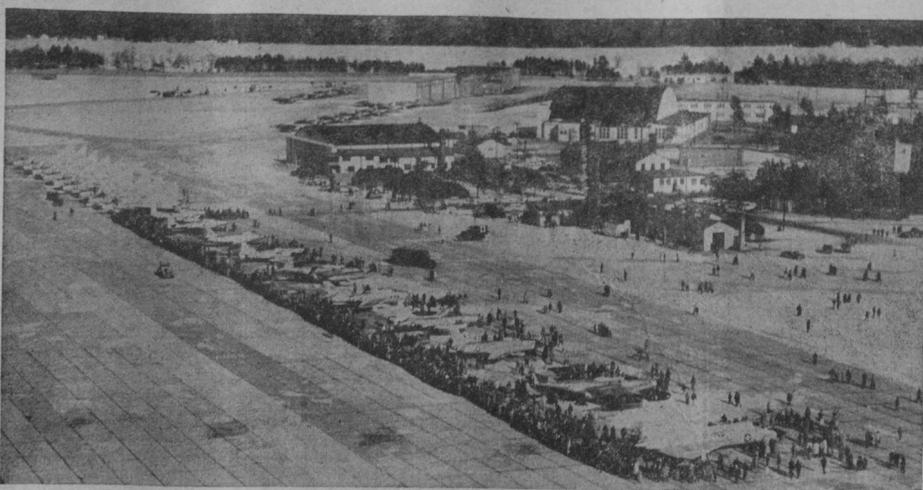

A special "hookup" between a public address system and the radar controllers that direct the fighters will enable visitors to hear as well as see the simulated intercept.

The F-89 is the twin engine, two-place fighter interceptor which moves at near sonic speeds while the F-102, a one-place interceptor, moves easily through the speed of sound.

### SENTRY DOGS

Nine, plus-80-pound German shepherds that stand guard at Wurtsmith will perform for the crowd. They will run through an obstacle course of hurdles, windows, ladders and plank walls. This will be another first-time event.

A large fire will be ignited and

a simulated crash rescue performed by firemen and the base medics.

As in previous years a simulated rescue of a downed airman by the H-19 helicopter will be set up. The "chopper" will hover over the "downed" airman and lift

him to safety via the sling carried by the "chopper."

### CANADIAN JETS

Giving the flying performance an international flavor will be three Canadian CF-100s from the 443rd Squadron, North Bay, Ontario. They will make a special

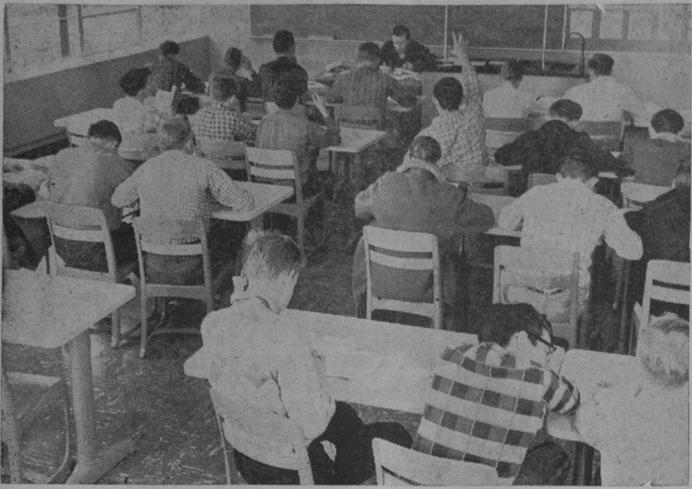

formation fly-by.

The CF-100 is a twin engine, two-place Canadian jet, comparable to this country's F-89.

On static display for close inspection will be the F-102, TF-102, F-89, T-33, F-86D, C-119, B-25 and H-19.

Also, various personnel equipment, the falcon missile and rocket armament used on the F-102 and F-89 will be on view in one of the huge hangars.

Special movies will be shown in the hangars and kids will receive rides on the crash-fire trucks.

THIS IS a typical academic classroom. Adequate natural light is provided by spacious windows and skydomes. Regulated heat and good acoustical construction add to excellent atmosphere for learning in all classrooms.—Tawas Herald Photo.

## BURLEIGH NEWS

### BURLEIGH RURAL LADIES CLUB MET THURSDAY

The Burleigh Rural Ladies Club met with Mrs. Mabel Colvin Thursday afternoon with 22 members and one guest, Mrs. Louella Derr, present. Mrs. Joy Bellen received a plant for being the youngest grandmother present.

The program hour was spent in singing the songs that mothers used to sing.

The next meeting will be at the home of Mrs. Louise Sylvester, at which time plants will be placed on the graves of deceased members.

Mr. and Mrs. Kyle Higgins of Tawas were Tuesday afternoon callers at the Orville Beller home.

Mr. and Mrs. Clarence Killey and family of Flint spent the week-end with their mother here. Mr. and Mrs. George Stoutenberg and family of Flint spent the Mother's Day week-end at the Colvin home.

The William Dunham family of Saginaw were week-end guests of the Cecil Ruckle family. Nelson Ostrander was taken to the hospital at West Branch for medical treatment last week.

Victor St. James and Orville Beller were at Standish and Twining Friday.

Junior St. James and A. B. Schneider were at West Branch Tuesday.

A number from here attended the funeral services at the St. James Church at Whittemore Tuesday for Walter Smith of Sherman Township.

Charles and Patrick Corrigan were at Hale one day last week, where the later was taken for medical treatment.

Clifford St. James of Holly spent the week-end at his home here.

**the Snapshot Guild**

The simplest activities offer wonderful footage for the movies that will be the history of family life.

**Make Movies of History in the Making**

When it comes to recording "family history" in the making, there's really nothing quite like a home movie camera. And more and more families are finding out how much shared fun and pleasure home movies provide—both in the taking and in the showing that proudly follows.

These, in our opinion, are reasons enough for this popular trend. But we keep feeling that two other factors may also have had something to do with making home movies "better than ever". First, there are the marvelous new easy-to-operate movie cameras now available so inexpensively—and secondly, many home movie makers are becoming aware that even the best movies are improved by a little editing.

To return to the new cameras for a moment—we'd like to tell you about two of them we're quite impressed with. One is considered by many movie enthusiasts the best little camera-for-the-money now on the market. It's a quality camera—a maker of really fine 8mm movies—that won't strain the family budget because it costs just under \$30. With its fast pre-set lens, this camera makes movie taking as easy as snapshotting. There's only one simple setting according to the built-in exposure guide—and you're ready to aim and shoot. Easy, isn't it?

Another wonderful new 8mm movie camera combines fixed-focus simplicity with the extra convenience of magazine loading. It's compact enough to fit into pocket or purse, and so light in weight it's an ideal traveling companion wherever you go. Again, it offers 8mm film economy, but the film comes in pre-threaded magazines that permit the easiest, fastest loading possible. Though this model has all the versatility of more elaborate equipment, it's priced just below the \$100-mark.

Taking advantage of the lower prices on cameras like these, many families have made home movies a regular part of their leisure-time activities. They shoot the youngsters playing out in the backyard, a happy birthday party, a swim in the bright sunshine, Junior's first day at school, a trip to a museum, a sandlot baseball session, a romp with Rover. Whenever and wherever the family's doing things they enjoy, Dad or Mother catches the story on film from start to finish—the complete story in full action.

# Supervisors' Proceedings

## APRIL SESSION

Pursuant to statute the Iosco County Board of Supervisors was called to order in April session by the clerk, who ordered roll call. The following supervisors were present: Ayes: Bellville, Brabant, Burgess, Christeson, Everett, Jordan, Little, Long, Monroe, Oates, Rodman, Stephan, Webb, Werth, White, Wilkusi, Williams. Absent: None.

The clerk read the following communication addressed to Harry C. Cater and signed by the East Tawas city clerk: Alderman H. Cater: This letter gives you authority to act on the board of supervisors April 1957 session in the absence of Alderman J. Fernette.

Your truly, F. B. Lomas, City Clerk.

Upon motion by Burgess supported by Brabant, Mr. Cater was unanimously voted a seat in place of Mr. Fernette for the 1957 session.

The clerk called for nominations for temporary chairman of the board.

It was moved by Little supported by Wilkusi that Clarence Everett be named temporary chairman.

It was then moved by Werth supported by Long that the nominations be closed and Mr. Everett be named temporary chairman by acclamation. Carried unanimously.

Temporary Chairman Everett took over the chair and called for nominations for permanent chairman. Mr. Bellville nominated Mr. Everett as permanent chairman.

It was moved by Werth supported by Stephan that the nominations be closed and the entire ballot be cast for Mr. Everett for permanent chairman. Carried unanimously.

The chair called for nominations for chairman pro tem. Mr. Burgess nominated Mr. Long. It was moved by Werth supported by Little that the nominations be closed and the entire ballot be cast for Mr. Long. Carried unanimously and Mr. Long was named chairman pro tem.

The chair ordered the membership to be at ease until 1:30 p. m. at which time committee appointments would be announced.

Miss Otis gave a progress report on the operation of the centennial committee. At her request the following proclamation was unanimously accepted and adopted:

WHEREAS, Iosco County is observing its 100th anniversary this year, and  
WHEREAS, It is customary to prepare for centennial celebrations by conforming to customs and dress of previous generations; now, therefore,

I, Clarence S. Everett, chairman of the Board of Supervisors of Iosco County, do hereby declare, as of this date, that all male citizens of the county shall commence the growing of a beard, (unless they have received special permission to shave, by reason of wearing the badge approved by the centennial committee); and I also urge all women to wear such gowns as their grandmothers wore, in order that all our people may enter into the spirit of this gala occasion.

Given under my hand and the seal of the County of Iosco, this 9th day of April, A. D., 1957, in Tawas City, Michigan.

Clarence S. Everett, Chairman of the Board of Supervisors.  
Attest: George A. Prescott, County Clerk.

Mr. Oates read the following resolution for the aeronautics committee:

Whereas, a condemnation petition was filed by the prosecuting attorney of Iosco County, Michigan, in the Circuit Court for the said County of Iosco, praying that a jury be summoned and impaneled to ascertain and determine whether it is necessary to make such public improvements as is described in said petition to the South half of the Southwest quarter of Section 16, Township 22 North, Range Eight East, in Baldwin Township, Iosco County, Michigan, and whether it is necessary to take such private property for the use and benefit of the public and to ascertain and determine the just compensation to be made therefor, and said petitioner prays for any other or further relief to which said county may be entitled under the objects of Act 124 of the Public Acts of 1883 as amended, (M.S.A. 8.41 et seq) and

Whereas, on February 20, 1957, a trial was had in the Circuit Court of Iosco County, Michigan, before a jury, a verdict of said jury was rendered:

**JURY VERDICT**  
1. We find that it is necessary to take the private property described in the petition in this cause, for the use and benefit of the public, for the proposed public improvement.

2. The just compensation to be paid for such private property was ascertained and determined, and hereby awarded, in the sum of eight thousand dollars, and

Whereas it is the determination of this board that the sum of eighteen thousand dollars as compensation to be paid for such private property is far in excess of what it believes the value of the property is.

Now therefore resolved by this board that the prosecuting attorney be instructed to proceed to secure an order of discontinuance of the suit brought by him on the condemnation petition filed by the prosecuting attorney on November 28, 1956. Before the verdict of the jury herein mentioned be affirmed or confirmed by the court.

The aeronautics committee recommends that this resolution be adopted.

Signed:  
Henry Oates, Chairman  
Blaine Christeson  
Edward Burgess

### FACTORY WORKERS' PAY

The labor department has reported that average weekly earnings of factory workers in March, after deduction of federal taxes, dropped a little more than 30 cents, to \$74.65 for a worker with three dependents, and \$67.25 for a single worker. Factory workers buying power also declined, reflecting shorter working hours as well as higher living costs.

### Noted Doctor Dies at Detroit

Dr. Claude Behn, noted Detroit dermatologist, died suddenly Sunday at the Madison-Lennox Hotel where he had been residing. Dr. Behn spent a portion of his younger years in this community. His father was the late William Behn, one time Detroit and Mackinac Railway conductor.

Born November 4, 1893, he was graduated from the University of Michigan and for several years was on the staff of Mayo Brothers clinic. His office in Detroit was in the David Whitney building.

Author of two textbooks used in medical schools, he retired from practice last December after having suffered a stroke. For years he made his home in Birmingham.

His survivors are a daughter, Mrs. Alan Young, Austin, Texas; a son, the Rev. Claude W. Behn Jr., Seeley, Texas; a brother, Dr. Glenn Bean, Alpena, and a nephew, Glenn Bean Jr., Alpena.

Funeral services were held Wednesday at Birmingham.

### Mrs. Rose Wilkinson

Funeral services were held in Caro Sunday afternoon for Mrs. Rose Wilkinson, 86, of East Tawas, who died at Tawas Hospital Friday morning following the birth of a son, David.

The services were held from the Collon Funeral Home in Caro. Burial was in the Ellington Cemetery. The Rev. Lynn Latham, pastor of the First Presbyterian Church of Caro, officiated.

Mrs. Wilkinson, the former Rose Nagy, was born February 27, 1921, at Caro. She was married to Clifford Wilkinson June 8, 1946, at Vassar.

For the past two years the couple had lived at East Tawas, where Mr. Wilkinson is employed by the Michigan Bell Telephone Company.

Survivors include her husband; three sons, Brian, Mark and infant, David; her father, Balaf Nagy of Caro, and one sister, Mrs. Andrew Guryko of Caro.

### Altar Society Holds Mother-Daughter Banquet

The mother-daughter banquet of the St. Joseph Altar Society was held Tuesday evening, May 14, at the parish hall with the men of the parish serving a delicious turkey dinner to the 155 mothers and daughters in attendance. Each guest received a wrist corsage on arrival at the hall. Centerpieces for the tables were made of baby iris surrounding the Madonna.

Following the dinner, Mrs. Earl McElhannon, president, opened the program and introduced the program chairman, Mrs. Rosemary Klenow.

Under the direction of Mrs. R. J. Klenow, a chorus of seven young ladies gave several fine musical selections. Solos were sung by Nancy Elliott and Miss Sara Prescott. Joan Elliott presented a ballet dance and Mrs. John Sasse gave several interesting readings pertaining to mother and the family.

The guest speaker for the evening, the Rev. Fr. Robert Smith, gave a very enlightening talk on the closeness of mother-daughter relationship. Father Smith is formerly of St. Joseph parish.

For variation this year, prizes were awarded to the mothers with the most sons and the youngest baby. Mrs. Frank Nollie and Mrs. L. A. LaPorte, both with eight sons, received prizes. Mrs. Raymond Klingner, mother of the youngest baby, also received a prize.

The Rev. Fr. Robert Neuman gave a talk and presented each lady with a plaque of the new church before closing the program with a prayer.

**BROWNIES MET FRIDAY NIGHT AT LEGION HALL**

Last Friday evening Brownie Troop No. 2 met at the American Legion Hall for an investiture ceremony and birthday party. Mrs. Vernon Beaubien, leader, and Mrs. Edwin Habermehl, co-leader, were in charge of the program. Three girls "flew-up" to the Girl Scouts and were welcomed by Mrs. George Myles into her troop. The girls were Caroline Rice, Jeri Lu Ruppert and Judy Lee.

Four girls, Marty Long, Terry Brown, Carol Libka and Brenda Brugger, were accepted into the Brownie Troop. Mary Roach was absent.

Year pins were presented to JoAnn Grimes, Cheryl Reckman, Bonnie Libka, Jan Grimes, Maryfrances Beaubien, Phyllis Bouchard, Lois Mallon, Debra Mark, Cheryl Ruppert and Donna LaBelle. Kathy Roach was absent.

Mrs. William Mallon and Mrs. Habermehl were presented pins as committee member and co-leader. Mrs. W. C. Roach, who was absent, will also receive a pin.

The troop is sponsored by the Veterans of Foreign Wars Auxiliary.

### Investigate Possibilities of New City Hall

A special committee to investigate the possible construction of a new city hall was named last week by East Tawas Mayor Elmer Werth.

Mayor Werth told the East Tawas Council last week that he believed the city could build a new city hall without any additional taxes.

The city has several thousand dollars now available for a building fund. Mayor Werth said that careful use of this money and other funds it would be possible to set aside a sufficient amount each year to make possible the construction without a bond issue and special tax.
