

TAWAS CITY

The children of Mr. and Mrs. Fred Rempert, Mr. and Mrs. Karl Fiedler and Mr. and Mrs. William Dettmer dropped in on Tuesday evening to help Mr. and Mrs. Rempert celebrate their 47th wedding anniversary.

Louis Frank is a patient at the AuGres hospital.

Mrs. Harry Rollin visited at the home of Mr. and Mrs. Harry Rollin Jr. in Alpena Sunday and saw their baby daughter, Linda Darlene.

Ben Brewer and William and Rollie Gackstetter crossed the new bridge at the straits Friday on their way to Newberry where they went rabbit hunting over the weekend.

Mrs. Edward Roll, Mrs. John Newberry and John Schreiber have returned from a week-end visit with relatives in Wisconsin.

Mr. and Mrs. Otto Look are spending two weeks in Port Huron with their daughter, Mrs. Ruth Zink. Miss Esther Look accompanied them, returning home on Sunday.

Misses Sharon Staebler and Sharon Willis of Bay City spent the week-end at their homes. They were accompanied by Miss Dorothy Leng, also of Bay City.

Mr. and Mrs. Phillip Collins and children of Cadillac visited over the week-end with her father, Fred Buch.

Born to Mr. and Mrs. Donald Sebold, a son, Michael, on Saturday, November 2, at St. Luke's Hospital, Saginaw. Mr. Sebold is a teacher in the Lutheran Schools.

Mrs. John Werkhaven and son returned Wednesday to their home in Cleveland, Ohio, after several days visit with her parents, Mr. and Mrs. O. J. Westcott.

Mrs. William Wendt left last week for several weeks visit with her daughter, Mrs. H. J. (Edna) Bowland, and family at Sanford.

Mr. and Mrs. Charles Brooks returned Monday to their home in Pontiac after a few days visit with Mrs. Ira Horton.

(See TAWAS CITY, page 10.)

EAST TAWAS

Mr. and Mrs. Larry Lixey of Detroit visited over the week-end with Edward Lixey, Larry's father.

Mr. and Mrs. Delmer Healy and daughter, Diane, arrived from Tulsa, Oklahoma, the fore part of the week due to the death and funeral of Mrs. Healy's father, William Sedgeman.

Mr. and Mrs. Thomas I. Misener of San Diego, California, announce the birth of a daughter, Dawn Elizabeth, on October 26. Mr. Misener is the son of Mr. and Mrs. Ivan Misener of Pontiac and the grandson of Mr. and Mrs. Joseph Misener of East Tawas.

Attending the child welfare meeting of the fourth zone of the American Legion at Cadillac Sunday will be Mrs. Gertrude McGuire and Mr. and Mrs. Robert Harmon of East Tawas.

Mrs. Ella Cleaver and Fred Sedgeman of Saginaw were here this week to attend the funeral of their brother, William Sedgeman.

Herbert Boldt of Detroit spent the week-end with his brother, Wallace Boldt.

Wallace Grant, commander of the 11th district VFW, attended the district meeting at Shepherd last Sunday.

Mrs. R. S. Newton of Hopkins and daughter, Mrs. John Sorenson of Allegan, were recent visitors of Mr. and Mrs. Percy Scott. Mrs. Newton and Mrs. Scott are sisters.

Mrs. Newton is the former Miss Ruth St. Martin.

Emil Franks of Detroit has been visiting with his sister, Mrs. Edward Spring, the past two weeks.

NUMBER 45

## Toboggans Will Operate; Perchville Still in Question

The toboggan slides will operate at Silver Valley this winter. This was the final decision reached at a special meeting of the Tawas Chamber of Commerce held Monday night, called for the purpose of determining whether or not these facilities could be operated again at the popular winter sports area or if they should be dropped.

Considerable interest in continuing the operation of the slides has been shown in the past few weeks after members of the winter sports committee had suggested that they be discontinued this year because of the lack of sufficient funds. Some 25 persons attended Monday night's meeting.

As a result of this meeting, Harold Klump was named supervisor of the winter sports area, responsible only to the decisions of the winter sports committee. Klump, who was unable to attend the meeting, accepted the appointment when notified of the action by telephone.

Although a definite decision to operate the toboggans as well as the ski area was made, a special four-man committee was appointed by Osman Ostrander, president of the chamber of commerce, to get information from sources willing to operate the toboggans. Named to the committee were Joseph O'Connor, Gordon Huck, James Campbell and Ralph Meyers. They will report at the next meeting, scheduled for Monday, November 11.

A letter is to be written to the United States Forest Service requesting some minor changes in the use permit agreement for the federal-owned property as drawn up between the department and the chamber of commerce.

During the meeting, President Ostrander said, "In my estimation Silver Valley has made very good progress in past years. It is now in the best condition to open and operate. One good season with ideal weather will clear up any financial difficulties."

Ostrander noted that Michigan now has some 54 winter sports areas competing for the winter sports business. He said that the toboggan slides are the main financial support of the local winter sports area to date and urged that they be included in plans for this year.

Conrad Carlson, United States forest ranger, stated that the forestry service would be willing to plant several rows of trees cutting the saddle hill down, eliminating the hazardous use by a few children from starting at the top of the hill. In the past, snow fences had been strung across in an attempt to cut down the height of this hill but did not work out successfully.

Membership of the Silver Valley Committee this year will include: George Baldwin, Robert Donley, James Campbell, Emery Sylvester, Russell Meyers, Sgt. John Smith, Robert LaVoy, Carl Eklund, Dale Butterfield, Osman Ostrander, Del Collier, Ralph Meyers, Donald Watson, Joseph O'Connor, W. D. Nunn, L. G. McKay, Gordon Huck, Joseph Allen, John Pinter, Edward Seifert, Jr., Conrad Carlson, Neil Thornton and Mr. and Mrs. R. W. Powers.

At the next meeting a Silver Valley chairman will be selected. Anyone interested in the winter sports area is urged to attend the weekly meetings of the group, held every Monday night at the chamber of commerce office.

Also coming in for discussion at the meeting was the situation at Perchville. It was reported last week by the chamber of commerce that the project would be dropped unless a little more interest was shown locally.

Mrs. Bertha Montgomery, chamber office manager, stated that 12 replies had been received out of 325 appeals sent to local businessmen. She said that of the 12 received, none offered to build new shanties, although a few who already had shanties offered to repair them.

Mr. Ostrander stated that an attempt would be made to get the businessmen's associations of Tawas City and East Tawas interested in the project.

FOUR FORMER CHAIRMEN of the Silver Valley Winter Sports Committee are shown with Conrad Carlson, United States forest ranger, and Osman Ostrander, president of the Tawas Chamber of Commerce, at the special meeting Monday night. Standing are: George Baldwin, Dale Butterfield and W. D. Nunn. Seated are: John Pinter, Mr. Carlson and Mr. Ostrander.—Tawas Herald Photo.

## Pep Rally, Game, Queen and Dance Feature Homecoming

A pep rally at the Tawas City school annex tonight (Thursday) will be the official start of the three-day annual homecoming event for Tawas Area School. Besides the pep rally, program for the homecoming will include the traditional football game against Oscoda, selection of a homecoming queen and dance.

On Friday night, the Tawas Area Braves will meet Oscoda under the lights at Furtaw Field in Oscoda. This is a Tawas home game. In past encounters, the Braves have gone down to defeat against Oscoda for three years in succession.

The Braves, although winning against West Branch last week, still have not lived up to pre-season expectations. In nearly every game this year in the North-eastern Michigan Conference, the Braves have out-rushed and out-passed the opposition, only to lose on fumbles and the lack of a little extra punch in the pinch.

Coach Howard Adams' charges may have gained the extra confidence needed to win in their brilliant victory last Friday and will be primed up for this year's meeting against Oscoda, ever mindful of the game last year in which the

Braves lost to the Owls in the last few minutes of play on an intercepted pass.

Homecoming week will come to a climax Saturday night with the dance at the new auditorium. Jim Hatch and his band of Saginaw will provide music for dancing. The program will be from 8 to 12 o'clock midnight. The public is invited.

Selection of a homecoming queen will be made by the student council from a bevy of high school beauties. Two girls from each high school grade will compete for the honor.

Queen candidates are: Senior class—Carol Strauer, Tammy Bell; junior class—Dorcas Simmons, Kaye Whitford, sophomore class, JoAnn Legg, Jannette Werth; freshman class—Mary Jane Jacques, Virginia Clute.

The 1958 homecoming queen will be crowned in ceremonies Saturday night by the captain of the football team, who is to be selected by his teammates.

Because of the homecoming festivities, the Tawas Area Youth Canteen at the East Tawas Community Building will not operate this week. It will resume its schedule the following Saturday.

### Tawas Children Enjoy Halloween Parties

More than 100 children attended the Halloween party sponsored by the Twentieth Century Club and Tawas City Businessmen's Association last Thursday night at the Tawas City unit gymnasium.

Prizes were awarded to winners of costume contests and the youngsters enjoyed games and treats.

Area youngsters also enjoyed a Halloween dance held at the East Tawas Community Building sponsored by the Tawas Area Junior Chamber of Commerce.

### Small Number of Voters Go to Polls---

## School Board Authorized to Dispose of Property

Only a token number of voters turned out at last week's special election to vote on the proposition of property disposal as presented by the Tawas Area School Board of Education. A total of 220 ballots were cast and approval to dispose of excess property named was given on the eight propositions.

Superintendent Reynold Mick said this week that the board of education would make plans for disposal of the various parcels of land at next week's regular meeting. He said that the board would complete arrangements with the state highway department which holds options on the Greenwood and Watts school property for widening M-55.

Totals on the voting was as follows: Watts school, 187 yes, 21 no; Greenwood school, 191 yes, 19 no; Stevens school, 189 yes, 21 no; Upper Townline school, 188 yes, 28 no; Vine school, 190 yes, 19 no; East Tawas athletic field, 145 yes,

65 no; Lower Townline school, 189 yes, 17 no; house formerly belonging to the Alabaster school district, 183 yes, 23 no.

The property to be disposed was declared as surplus as a result of the consolidation of school districts in 1952.

### CIRCUIT COURT CASES—

Two criminal causes were disposed of in Isosco County Circuit Court this week by Judge Herman Dehnke. A third cause was returned to justice court for examination.

Roy Stephenson was found guilty of larceny from a building and was referred to the probation officer for pre-sentence investigation.

Edward Fraser of East Tawas, who appeared in court Wednesday on an alleged indecent liberties charge, was found not guilty by the jury and was acquitted.

## Two Airmen Killed Friday in T-33 Crash

Two air force officers were found dead in the wreckage of their T-33 jet trainer which exploded shortly after takeoff from Wurtsmith Air Force Base, Oscoda, last Friday. The crash occurred about two miles south of Wurtsmith where it apparently exploded and went down in a wooded area.

Found dead were Captain William F. Mudge, 37, of Milledgeville, Georgia, and Captain R. N. Allyn of Connecticut.

The plane was on a routine training flight from New York when the accident occurred. The men were bound for Milwaukee. The plane had taken off at 4:30 o'clock Friday morning in a heavy fog and cleared the field. It was not reported missing until 11:30 o'clock Friday morning when the plane did not arrive at Milwaukee on schedule.

An airman hunting in the woods near the base discovered the wreckage and notified Wurtsmith authorities. It sheared off the tops of several trees and apparently disintegrated before it struck the ground.

### Thank Contributors to Football Uniform Fund

In addition to the merchants contributing five percent of the day's receipts on October 26 to the football uniform fund at Whittemore-Prescott Area School, donations were received from other interested people and firms in the area.

The additional contributions were: The Tawas Herald, Isosco County News, Ogemaw Herald, Arenac County Independent, Whittemore Hotel, Peoples State Bank, Dr. C. H. Turner and H. E. Jackson and Son Dairy, West Branch. The Cardinal Athletic Club wishes to express its gratitude on behalf of the school for the response to this day.

Officers were elected to the Cardinal Athletic Club at its meeting in Prescott on Tuesday, October 29. President is William Fuerst; vice president, Ralph DeGessie; secretary, William Gibson. The school will act as treasurer for the club, much as it does for the classes and other organizations in school.

JAIL DOCKET NO. FOUR was retired this week by the Isosco County Sheriff's Department. Sheriff Ivan O'Farrell is shown holding the new docket. Deputy Gene Ballinger is at right. Dockets one, two and three contain a complete list of prisoners and their offenses since January 8, 1883. As of Tuesday, the next person booked would have been No. 12,196.—Tawas Herald Photo.

## Tuttle Names Members of New Water Board

Appointment of three men to serve on a joint East Tawas-Tawas City water commission by Mayor George Tuttle was approved by the Tawas City Council at its regular meeting Monday night. The new three-man commission, to act independently of each city's water board, was organized solely for the purpose of handling all matters arising out of the operation of the new water contract between East Tawas and Tawas City.

Named by Mayor Tuttle to serve on the commission were Carl Schaaf, three-year term; Howard Hatton, two-year term, and William Mallon, one-year term. All three men are members of the Tawas City Water Board.

The new contract between East Tawas and Tawas City will take effect next spring when the East Tawas water filtration plant is completed. At that time Tawas City will discontinue the use of its deep wells which have served as a municipal water supply since the late 1930s, to tie in with the new system which will use water from Tawas Bay.

In other business, the council approved two building permits. These were: Frank Norton, 24 by 22 frame garage, Bay Drive, estimated cost \$1,500; Clarence Earl, 10 by 24 patio, Bay Drive, estimated cost \$600.

No objections were heard for rezoning Lot 7, the north half of Lot 8 and north half of Lot 9, Block 12 of Wheeler's Second Addition. This will be rezoned from residential A to commercial to allow construction of a 36 by 90 concrete block building by Steven Ezo.

The council authorized the department of public works to purchase 10 rail car loads of gravel for use on city streets. The department is to start making major repairs on a number of streets before winter.

The Tawas City post office will be open from 8:00 a. m. to 10:00 a. m. on Monday, November 11, Veterans' Day.

TROOPER Caroll W. Harger of the Michigan State Police (right) wears one of the new red jackets issued for field use during the coming deer season. Conservation Officer Jack LaFear is at left.

READY FOR ITS first trip as a "trailer tote" is this 1½-ton cab forward chassis International AC 152 truck cut down to a 100-inch wheelbase by Ottawa Equipment Company, Tawas City. Shown at the wheel is Leo Docherty, East Tawas, owner and driver, who hauled a 1958 Anderson Coach, manufactured in East Tawas, to Phoenix, Arizona. Talking with Docherty is Eugene Spica of Ottawa Equipment Company. This modified truck is one of a very few in the country which meets the specifications of certain southern states for hauling trailer coaches and meets new law changes in Arizona, New Mexico and Idaho. Docherty works for a trailer sales company in Salt Lake City, Utah. The truck is pictured at the Ottawa Equipment service entrance.—Tawas Herald Photo.

## Talk Given on Work of Mission Sisters

The monthly meeting of the Immaculate Heart of Mary Altar Society was held during the past week in the parish hall. The meeting was presided over by Mary Bergeron.

An informative talk on the work of the Mission Sisters of the Holy Ghost was presented by Sister Pauline and Sister Agnes, who are located in Oscoda.

The vanilla and pepper which had been ordered by the ladies has arrived, reported Mary Nemeth. The receipts for the sale of these items will be utilized for the needs of the group.

Georgine Klinger gave an account of her experience in attending the retreat in Saginaw recently. The Rev. Fr. Joseph Castanier

spoke about the released time from the Tawas Area School for religious training.

The altar society is making plans to have a "Hunter's Smorgasbord" during the hunting season. Georgine Klinger will direct this enterprise.

Helen Bouchard was welcomed as a new member of the group. A delicious lunch was served on tables decorated in a Halloween motif. Gladys Pavelock and Minnie Pfeiffer were on the lunch committee.

## RLDS Women Will Meet Thursday

The Women's Department of the RLDS Church will meet at the church Thursday (today). A party will be given for the winning team of the penny bank by the losing team following the meeting.

## To Present Movie 'The Conversion of Paul'

The Alabaster Community Church will present a film entitled "The Conversion of Paul" on Sunday, November 10, at 7:30 p. m. This is the second of a series of films portraying the life of Paul.

## Nine New Members Join Baptist Church

Sunday morning, November 3, a group of nine people were welcomed into the membership of the Tawas City Baptist Church. They are Mr. and Mrs. Melbourne Metcalf, George Philpot, Mr. and Mrs. Earl Richards and their daughter, Marjorie. Some of the above group came by transfer of church membership and others by baptism.

It doesn't take a super-man to stand on the corner and throw mud at someone who is trying to do something.

## 40 YEARS AGO—

### Dwight Arthur Resigns as Hale Bank Cashier

November 9, 1917—Dwight Arthur, for a number of years cashier of Hale Exchange Bank of Bell, Niggeman and Company, announced this week that he had resigned. Arthur plans to go to Detroit. The Hale Exchange Bank was established by S. B. Yawger and Company in 1905 and some years later purchased by the present owners.

Robert Wingrove returned home this week from an extended visit at Cadillac.

Miss Lillian Wicklund was a week-end guest of Sherman Township relatives.

Edgar Louks of Whittemore has installed an electric light system for his hardware store and residence.

A large number of farmers attended the Michigan Agricultural College demonstration train during its visit at Hale last Saturday.

William Kobs of Detroit is spending a few days at his home in Laidlawville.

Will Waters of Whittemore is attending a Sunday School convention at Detroit.

Miss Kate Ballotman is spending a few days at Bay City.

Fred and Harry Neumann were business visitors at Bay City this week.

Mr. and Mrs. P. O. Colby are guests of relatives at Imlay City.

Mrs. Charles Frost of East Tawas is spending a few days at Hale.

Miss Olive McArdle spent a few days with her sister, Miss Mina McArdle, at Bay City.

Leslie Smith left Monday for St. Johns where he has employment.

The Rev. Harry Howard is at Detroit this week as representative of the Tawas City Methodist Episcopal Church.

The Youth's Companion will make an ideal Christmas gift for the whole family. It is worth everything to keep in mental company with Alexander Graham Bell, Franklin C. Lane, John Burroughs, Walter Camp and other great contributors to the Companion.

Mrs. Janet Grant has returned home after a visit with relatives at Jackson.

See the new Maxwell, the best motor car investment today. Frank Berzhinski Jr., East Tawas.

Ira Horton, who has been employed in Detroit, visited friends and relatives at Whittemore over the week-end.

Thomas Robinson of Reno Township has moved to the Peter Latham farm on the Hemlock Road.

Howard Braden has been appointed First Ward alderman to succeed Wilton L. Finley, who resigned to go to Lansing.

Mr. and Mrs. Edward O. Putnam of Hale are spending the week at Toledo and Dayton, Ohio.

Mr. and Mrs. Emil Wagner are making a 25th wedding anniversary trip to Niagara Falls.

Ruckle Brothers shredded 1,000 bushels of corn for George Grabow of Burleigh Township this week.

November 7, 1947—A large number of VanEtan Lake residents are protesting the VanEtan Lake dam special assessment roll.

Albert Buch has been appointed member of the Tawas City Board of Education to succeed G. A. Prescott Jr., who has resigned.

The Rev. and Mrs. William Byler of Curtisville were guests Sunday at Bert Spencer's home at Hale.

## Baptist Church Notes

The Missionary Society of the Tawas City Baptist Church will hold its regular meeting Thursday, November 14, at 2:00 p. m. in the church. The ladies of the Hemlock Road Baptist Church will be guests. A book review, "Ten Against the Storm," will be given by Mrs. Archie Ruckle.

The Dorcas Society of the Tawas City Baptist Church will meet Tuesday, November 12, at 8:00 p. m. in the church. Mrs. Paul Sayles will have charge of the program.

## How Christian Science Heals—

"A GROWTH HEALED THROUGH PRAYER"

WATZ 1450 kc Nov. 10, 12:15 PM

**FRENCH FINANCE EXPERT—**  
Felix Gaillard, above, has been asked by President Rene Coty to try to form a new French government. The 37-year-old finance expert, who favors austerity measures to save France from bankruptcy, would become the youngest premier in modern French history, if he succeeds.

**CHRISTIAN SCIENCE—**  
Man's perfect, sinless nature as the spiritual child of God will be emphasized in the lesson-sermon entitled "Adam and Fallen Man" at Christian Science services Sunday.

Keynoting the Scriptural readings is the following passage to be read from Genesis (1:27): "So God created man in his own image, in the image of God created he him; male and female created he them."

A correlative passage which refers to this record of creation will be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy (516:27-29): "To emphasize this momentous thought, it is repeated that God made man in His own image, to reflect the divine Spirit."

The Golden Text is from Psalms (112:4): Unto the upright there ariseth light in the darkness."

The world is populated with people willing to tell everybody how important they are.

 East Tawas

### Entertains Girl Scouts with Movie

The East Tawas Girl Scout Troop was entertained at the regular meeting last Tuesday with a film. The projector was run by Miss Leonora Haas, director of the regional library.  
 The girls continue the work of "Good Grooming" badge requirements.  
 Mrs. T. M. O'Loughlin, Mrs. Clayton Wood and Mrs. Carlton Merschel were guests of the troop.  
 The meeting was closed with the friendship circle.

### Stanley Burmeister Here

Wednesday, November 13  
 Stanley J. Burmeister, American veterans counselor from Saginaw, will be in the county school superintendent's office in the Isesco County Building on November 13 from 1:00 to 4:00 p. m.

# 1958 Dodge Trucks Feature More Power

## Right Model for Every Trucking Need, Says Bronson

Increased power, unique styling, greater load capacities, added driver comfort, larger brakes and new automatic transmission are among the outstanding features of 1958 Dodge trucks.  
 Arnold Bronson of Bronson Motor Sales, local Dodge dealer, said the new "L" Series line offers the right model for virtually every trucking need. Specific hauling requirements of individual truck owners are met by the greatest variety of transmissions, axles, springs, frames and other components in Dodge history.  
 Many features that improve driver comfort and increase economy, safety and dependability have been built into the new models.  
**Wide Choice Of Engines**  
 The new truck line offers engines with 10 different horsepower ratings ranging from 113 to 234. Maximum gross vehicle weights on the 1958 models range from 5,100 to 46,000 pounds and gross combination weights up to 65,000 pounds.  
 Light and medium-duty trucks are stylistically different in appearance from heavy-duty models. This has been accomplished by introducing two new grille designs. Available for a distinctive touch is a bright-metal chrome trim package.  
 A full-width alligator hood, heavy-duty bumpers and twin headlights, which provide greater visibility for night driving, are among exciting changes in appearance.  
 The alligator hood, opened upright to a full 90 degrees by Dodge engineers last year, now is full-width for the first time, ensuring easy accessibility to the engine for routine maintenance.  
**Cabs More Comfortable**  
 Cabs have been made more comfortable and more attractive. Doors open 15 percent wider than on previous models to provide easy entrance and exit. New breathable vinyl or saran seat coverings enhance the beauty and comfort of the easy-chair seats.  
 A new transistor radio has been suspended from the ceiling of the cab between the sun visors for better reception. Far removed from engine and road noises, it is easy to dial and convenient to service.  
 Push-button driving controls again are available on all low-tonnage models and the P400 forward-control model.  
**Nine New Colors Offered**  
 Color options have been increased in keeping with the trend toward high styling in trucks. The new models are offered in 13 dramatic colors—nine of them new—and 12 additional two-tone combinations.  
 A new six-speed Torqmatic transmission brings automatic shifting to medium and high-tonnage models. An outstanding feature of the new transmission is the hill retarder, a safety device that assists downhill braking to lengthen brake life.  
 New and more effective hydraulic brakes add increased stopping power to medium and high-tonnage models. Power brakes again are standard or available on all Dodge trucks.  
 Increased road clearance on the low-tonnage trucks aids off-highway driving and is of particular value on secondary or rutted roads and to farmers and ranchers in field operations.  
 Low-tonnage models, featuring the high-style look, are paced by the sleek Sweptside 100 pick-up, while high-tonnage models offer modern lines and a massiveness that emphasizes power.  
**Minivan Saves Space**  
 The most recent addition to the Dodge forward-control family—the Minivan, popular door-to-door delivery model introduced in 1957—is only 169 inches from bumper to bumper and conserves space at loading docks and in garages. Its controls are modified for stand-up driving, and the Dodge LoadFlite push-button transmission is standard equipment.  
 The Dodge Town Wagon, a low-cost station wagon which seats up to eight passengers, or six passengers and 90 cubic feet of cargo, is offered with the 120-horsepower, six-cylinder engine, or with the 204-horsepower, V-8 engine. Exceptional road clearance makes it ideal for farm and ranch use.  
**New Four-Wheel Drive Model**  
 The W300 Power-Wagon adds another four-wheel drive model to Dodge's extensive line of four-wheel drive trucks. The W300 is available in pick-up, stake, chassis and cab, and chassis and cowl models. A panel truck has been added to the existing W100 line.  
 A "Full-Traction" differential, offered for the rear axle of all D-100 models, gives better traction on slippery surfaces. It also is available for front and rear axles of W100 models.  
 A new engine—the 207-horsepower "Super Power Giant 313"—is standard on the C600 cab-over-engine model. This high-powered, double-rocker-shaft V-8 engine, designed for long-term service, is available on all other medium-tonnage models except the P400 forward-control chassis.  
 Gross combination weights have been increased as much as 10,000 pounds on tandem models.

THE NEW Sweptside 100 Dodge truck for 1958 has the style to do double duty as a passenger car. Its bold new styling is emphasized by twin headlights, liberal chrome trim and massive chrome bumpers. It is powered by a 204-horsepower V-8 engine. It can carry 1,675 pounds.

## \$1,242,422 Goes to Michigan for Game Restoration

Michigan will receive \$1,242,422 in federal matching funds for game and fish restoration projects during the 1957-58 fiscal year, according to the United States Department of Interior.  
 The federal funds include \$956,500 for game work under the Pittman-Robertson program and \$285,922 for fish projects under the Dingell-Johnson program.  
 In order to use these funds, Michigan must provide one dollar for every three dollars in federal aid.  
 The federal apportionment to Michigan shows an increase over the \$811,800 in game funds and \$241,300 in fish funds allotted for projects during the last fiscal year.  
 These federal funds result from

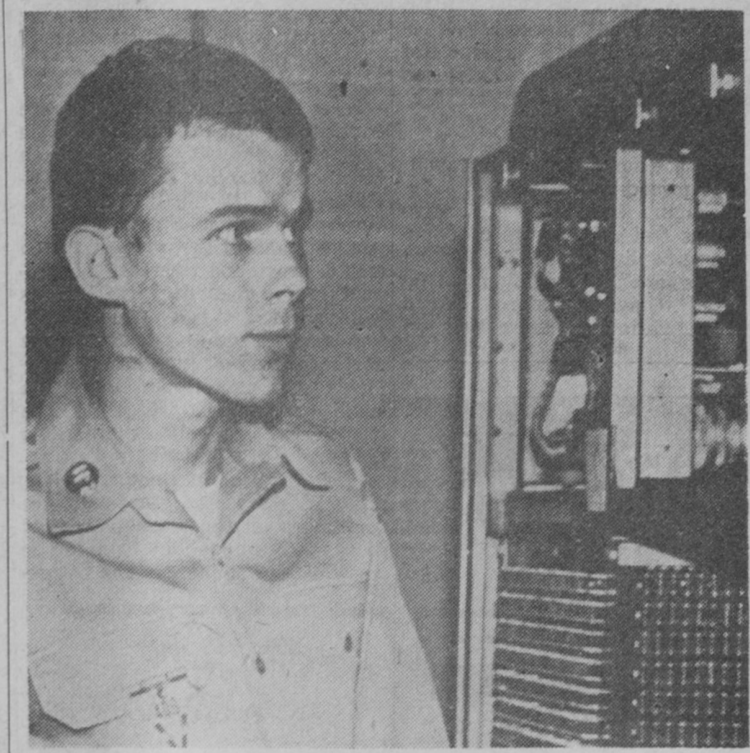

an 11 percent excise tax on sporting firearms and ammunition and a 10 percent tax on sport fishing equipment.  
 The money raised by these taxes is apportioned to the individual states on the basis of land area and hunting and fishing license sales.  
 Michigan will again receive the maximum allotment for game restoration purposes, along with Texas. Only two states, California and Minnesota, will receive more in fish funds.  
 Altogether, the federal government will apportion \$19,130,000 to the states for game restoration work and \$6,000,000 for fish projects. The \$25,000,000 total is some \$4,000,000 over the previous record total in effect during the last fiscal year.  
 Under federal law, these funds may be used only for purchase of public hunting lands and public fishing sites, wildlife habitat improvement programs, research and similar activities.

## Florist Adds New Equipment to Enlarge Services

Ann Wagner recently expanded her floral business to include funeral and wedding arrangements and a large variety of potted plants. The addition of a large walk-in cooler has made it possible to have a supply of cut flowers on hand at all times.  
 A formal open house date will be set soon with valuable door prizes being awarded.  
 The public is cordially invited to visit the shop, located one and three-tenths miles south of the Singing Bridge, to see the large variety of flowers and plants. Both the flower shop and greenhouse are open evenings and Sundays.  
 A good friend is one who doesn't care how much money you have.

## 4-H Clubs

By DOROTHY SCOTT  
 Sherman Township 4-H Club is just about set to go ahead with regular project and community meetings. Gun safety and food preparation have been selected as first projects for the year. Peter Bassi will be the community 4-H Club leader, Kenneth Kressler is to help with gun safety and may have to have another leader to take part of the members. Mrs.

ARMY MATH GENIUS—Private Ernest Shult, a mathematical genius who had previously been assigned to a clerk-typist job by the army, looks over a Digital Computer. The young soldier-scientist has been reassigned to a job more fitting his qualifications at the Army Chemical Center at the Edgewood Arsenal in Baltimore, Maryland.

# JUST ARRIVED!

## All-new '58 DODGE Power Giants

## 4-WAY LEADERS OF THE LOW-PRICED 3!

Here—for you to drive now—are the first trucks ever built that lead the low-priced three *all four ways!*  
**Styling, power, payload, economy**—Dodge for '58 is definitely way out front.  
**New economy-engineered V-8's and Sixes** give super performance, more miles per gallon (on regular gas).  
**New Full-Traction Drive** makes "getting stuck" in mud, snow or sand almost impossible.  
**Check the 4-way leader** before you buy—and get your Dodge dealer's special 40th-anniversary deal!  
**Drive a DODGE Power Giant today!**

MARVIN DAVENPORT SAYS—

Good Market for Pulpwood Exists in State

A good market for pulpwood exists in Michigan at present and it promises to get even better as new mills become active.

Here are some more facts about the pulpwood industry: Packaging industry grew five times as fast as the rate of population growth since 1939.

the average every man, woman and child in the country spent \$88 for packaging in 1956. Expect 14 billion paper milk cartons in 1957 continuing the growth from one billion units in 1939 to 13 billion in 1956.

State agricultural leaders are considering the possibility of a vegetable industry in Northern Michigan. Stanley K. Ries, horticulturist at Michigan State University, says that a new and bigger vegetable industry in that area would provide a diversity of production for present growers as well as a new source of income.

With the season they are planning, Ries says that they can get vegetables on the market cheaper than those shipped in from other parts of the country. The vegetable industry in the northern part of the Lower Peninsula and the Upper Peninsula could provide vegetables for the local area as well as markets throughout the Midwest.

tables considered for this new development include cauliflower, broccoli, carrots, sweet Spanish onions and lettuce. At present most cauliflower and broccoli comes from Colorado and California, sweet Spanish onions from Texas and Colorado, most carrots from Texas and California.

A recent study shows that the so-called "average" cow barely repays the farmer for his expenses in keeping her. According to the figures compiled, a herd of 24 average cows would produce an income of only slightly more than \$1,200 a year.

Calendar: Thursday, November 7—ABA Board of Directors meeting at El Hacendado, 8:00 p. m. Tuesday, November 12—Lamb Pool at West Branch.

Christmas Seals Go on Sale Next Week

Christmas Seals next week will be mailed to more than 1,600 homes in Iosco County when the nationwide drive against tuberculosis opens November 15.

"If these sheets of Christmas Seals were laid end to end, they would reach across the state from Monroe to Copper Harbor," Judge Herman Dehnke of Harrisville, a member of the Michigan Tuberculosis Association Board of Trustees, said.

"Alone each Christmas Seal represents a small contribution in the fight against TB, but when thousands of contributions are added together, they build a formidable line of defense against tuberculosis."

This year's Christmas Seals are gleaming red and silver Christmas tree ornaments reflecting the happy faces of a little girl and Santa Claus. The seals were designed by G. Clinton Bradley, a Philadelphia artist.

"A child's version of Christmas"—that is the way Bradley describes the 1957 Christmas Seal. "In designing the Christmas Seals I wanted them to express the true spirit of the holiday which centers on home and family—the home and family we help protect when we buy Christmas Seals," he said.

Miss Haas Elected Regional Vice Chairman

Miss Leonora Haas, director of the Iosco-Arenac Regional Library, attended the annual meeting of the Michigan Library Association October 23 to 26 at the Detroit-Leland Hotel in Detroit at which she was elected vice chairman of the county and regional section and appointed to memberships in the legislative and nominating committees of the association.

Highlights of the meeting were talks by Edgar Snow, world traveler and author now at the University of Michigan, who gave an up-to-date assessment of the changing divided world and drew a comparison of education in the United States and Russia's progress in science, and a talk by Alden Dow titled "As I See It, A Library Does This" in which he explained his philosophy of living and how setting a peaceful pattern of life can be found through reading.

The Rev. Charles McKenzie, a member of the Mt. Pleasant library board, spoke to the trustees on the duties and responsibilities of board members.

Clifford Wightman, director of Muskegon-Hackley Public Library, was elected to be the new chairman of the Michigan Library Association.

NEWS ABOUT IOSCO SERVICEMEN

According to an announcement by Alice R. Dimmick, clerk, Michigan Local Board No. 36, Selective Service System, there is no physical examination call for the month of December for Iosco County.

One man, Clarence P. Nickell of Whittemore, has been ordered to report for induction on December 4.

Notice has been received that it is no longer necessary for volunteers to make a separate trip for their armed forces physical examination before they will now be ordered for induction only. They will, of course, receive a physical examination, but if they pass it, they will be inducted immediately with no chance to return home as formerly.

Winter Sports Council Begins 15th Year

The East Michigan Winter Sports Council will begin its 15th year of advertising and publicizing winter tourist activities in eastern and central Michigan at an organizational meeting in West Branch on Thursday (today).

Roy Trudgen, council president from Grayling, has announced that election of officers will be held and that reports from the advertising and finance committees will be adopted at the meeting. The meeting will be held at the West Branch Country Club at 12:00 noon.

Advertising committee chairman, Jack Parker of Saginaw, said that his committee will propose a \$9,000 promotion program for the council, largest in the history of the organization. It will include several new promotion ideas.

## Whittemore News

### WOMEN'S CLUB HELD MEETING AT SAND LAKE

Thirty members of the Whittemore Women's Club drove to Sand Lake Wednesday evening where they held their Halloween party at the home of Mrs. Arthur Spafford.

Mrs. George Jackson, president, presided over the business meeting and at the close of the meeting informed the club she would be leaving for the winter and announced that the vice president, Mrs. Marie Bellville, would fill her office until she returned in the spring.

Miss Ruth of East Tawas presented several of her dancing pupils who entertained the group with dances and singing which was very much enjoyed. Refreshments were served later.

The program committee for the next P-TA meeting on Tuesday, November 12, is planning a very interesting program and would appreciate a good attendance.

Mrs. John Barrington returned by plane Wednesday night from a month's visit in San Lorenzo, California, with her son and wife, Mr. and Mrs. Robert Barrington, and three children. Her son, Robert, left October 18 for Guam where he will be stationed for a year.

Miss Arlene Dorsey of Saginaw spent the week-end here at her home.

Born to Mr. and Mrs. Edward Dudo Saturday at Tolfree Hospital, West Branch, a daughter.

Mrs. Harrison Snyder and Mrs. John O'Farrell were callers in Prescott Saturday forenoon.

Mr. and Mrs. Arthur Ziehl and son of Tawas City were callers in town Saturday afternoon.

Mr. and Mrs. Charles Dorsey entertained a number of friends at their home Saturday evening.

Mr. and Mrs. Joseph Lomason

left Tuesday for Tampa, Florida, to spend the winter.

Mrs. Alma Pake and Mr. and Mrs. E. Bishop and daughter of Flint spent the week-end here with relatives.

Mrs. Celia Smith and Mrs. John Bowen spent several days the past week in Addison with Mrs. Smith's daughter and husband, Dr. and Mrs. Bert Richie.

Mrs. Bess Latham, Mrs. Ethel Neiderstadt and Mrs. Thomas McMillan left Tuesday for Bradenton, Florida, where they will spend the winter.

Sgt. and Mrs. Dale O'Farrell and daughter of Oscoda spent Saturday here with relatives.

Mr. and Mrs. Charles Bailey Sr. of Houghton Lake were callers in town Friday enroute to Flint.

Mrs. Charles McKenzie of East Tawas is spending several weeks with Mrs. Celia Smith.

Mrs. Marie Bellon of Tawas City spent the week-end here at her home.

Mr. and Mrs. George Jackson left Saturday for Lansing where they will spend the winter.

### Will Discuss Game Land Purchase

The Michigan Conservation Commission, scheduled to meet November 7-8 in Lansing, will consider land acquisitions which would make an additional 151 acres available for public hunting.

The commission also will discuss acquisition of land for a public fishing site on Canfield Lake, Manistee County.

The proposed game land purchases, to be financed under the state-federal cooperative Pittman-Robertson program, include 40 acres at Backus Creek state game area, Roscommon County; 40 acres at Barry County; 40 acres at Murphy Lake state game area, Tuscola County; 48 acres at Shiawassee River state game area, Saginaw County, and two and one-half acres at Betsie River state game area, Benzie County.

The Canfield Lake fishing site would include 270 feet of frontage on the lake, which has a reputation for good bass and bluegill fishing.

Conscience is what makes easy money-getters uneasy.

## SHERMAN NEWS

Mrs. Lawrence Jordan and daughter, Gwen, Mrs. Elmer Dedrick and Mrs. Hartwick were West Branch callers Sunday.

Mr. and Mrs. Warren Hughes and family of Flint spent the week-end with Mr. and Mrs. Theodore Freel.

Mr. and Mrs. Fred Pierson and Mrs. Wilma Brigham called on Mrs. Charles Lambert and son, Elon, in Whittemore Saturday evening.

Robert Dorsey of Whittemore called at the Edward Gerard home Saturday.

Mr. and Mrs. Stanley Fessler of Vassar spent the week-end at Sportsman's Rest.

Mrs. Robert Stoner was at Bay City Monday.

Friends are sorry to hear that Kay Winchell is in the Tawas Hospital and wish her a speedy recovery.

Lawrence Jordan and Elmer Dedrick spent Wednesday in Reese doing some hunting.

Mr. and Mrs. George Smith and daughter, Jean, were callers in Mio Sunday.

Mrs. Myrinda Brown of Turner visited Mrs. Jennie Ferns Saturday.

Mrs. Fred Roberts and daughter, Dorothy, are spending a couple weeks in California.

Mr. and Mrs. Ross Butler of Sand Lake called on friends here Sunday before leaving for Florida on Wednesday.

Mr. and Mrs. Theodore Anschuetz of Tawas Township were callers at the home of their daughter Friday.

Mr. and Mrs. Frank Smith entertained the following at Sunday dinner in honor of Evelyn's birthday: Mrs. Walter Smith and family; Mr. and Mrs. Harvey Smith and Mr. and Mrs. Stephen Lewicki and daughter.

Mrs. Jack Stoner and daughter of Colorado are spending a couple weeks at the home of his parents.

Several families from here attended the funeral of Joseph Jaglein in Twining Wednesday. Sympathy is extended to the family.

It is always well to remember that big words do not always convey big thoughts.

The nation pays a tribute of about 70 dead a day to the idea that speed is necessary on the highways.

LAST OFFICIAL WELCOME—Russia's Marshal Georgi Zhukov, right, who has recently been the object of Soviet Party Chief Nikita S. Khrushchev's firing tactics, is shown during his recent visit to Albania. Performing one of his last official goodwill acts, the marshal is being welcomed by Albanian Communist Party Chief Enver Hoxha.

### Late Hunting Prospects Good

Prospects for some late season pheasant shooting appear good, before southern Michigan small game hunters turn their efforts toward rabbits.

The considerable amount of standing corn remaining throughout the state provides good escape cover and should help to spread the pheasant harvest, leaving many birds for the latter part of the season, according to Victor S. Janson, Michigan Conservation Department pheasant specialist.

Janson also said reports from hunters indicate pheasants are more abundant than last year in most pheasant range. Hunter success through the first week of the season appeared better than last year.

Meanwhile, rabbit hunting activity got an earlier start than usual this year—particularly at the conservation department's Rose Lake wildlife experiment station. The rabbit kill at the station, which has more than 3,000

## Mclvor News

Mr. and Mrs. George Kohn and daughter and Mrs. Martin Ekdstein went to Flint to visit relatives. Mrs. Kohn will stay for a week and will also visit in Detroit.

Mr. and Mrs. Charles Thornton are spending a few days visiting relatives in Muskegon.

Elbridge Cataline spent the week-end with his family.

Mr. and Mrs. Herbert Schroeder and daughter, Linda, visited the John Ulman family Saturday evening.

Mr. and Mrs. Carl Norris visited Mr. and Mrs. Earl Spiker Sunday.

Miss Judy and Miss Virginia Pierson spent the week-end with their sister, Mrs. Michael Jordan.

Mr. and Mrs. Charles Koepke of Tawas Township visited her sister, Mrs. John Jordan, and family Thursday.

Miss Beverly Thornton is visiting Miss Carol Strauer for a few days.

Mrs. Charles Groff and Mrs. Amboy of Tawas City visited their sister, Mrs. Edith Pierson, Wednesday.

Mrs. Herbert Schroeder visited Mrs. Nellie Schroeder and Mrs. Walter Anschuetz Thursday.

Mr. and Mrs. Clyde Wood were callers in the Tawas Wednesday.

Mr. and Mrs. Austin Allen were in Harrisville Sunday.

Mr. and Mrs. Patrick O'Neil and family of Bay City spent the week-end with her parents, Mr. and Mrs. Harold Parent.

Pvt. Ronald Schroeder has returned to his base after visiting a few days with his parents, Mr. and Mrs. Herbert Schroeder, and friends. From there, he will be sent to Hawaii where he will be stationed.

Mrs. Ida Kohn visited Mrs. Nellie Schroeder of Tawas City Monday evening.

The union men honored Austin Allen with a retirement party at the Union Hall Friday evening. A gift of \$60 was presented to him.

Gerry Jordan and Carl Pierson have returned home after a two-month stay in Erie. They were helping with the harvest of apples on the Curtis Perry farm.

Mr. and Mrs. Klienert of Flint spent the week-end with their

grandmother, Mrs. Edith Pierson, and uncle, Floyd Pierson.

Mr. and Mrs. Michael Jordan and son visited her parents, Mr. and Mrs. Harry Pierson, and family Sunday evening.

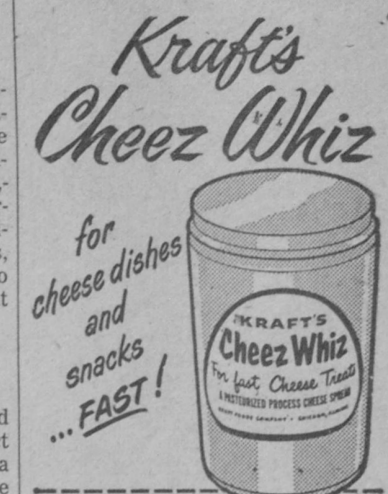

### DUPONT AND G. M.

The federal government, acting under a supreme court ruling, has submitted a plan for the release by E. I. duPont, de Nemours and Company of its 63,000,000 shares of General Motors Corporation. The plan calls for turning the shares over to trustees, who would then be empowered to distribute the stock to DuPont stockholders.

### PROJECT FARSIDE

The air force has announced the recent firing of two Project Farside high-altitude rockets, a Thor intermediate ballistic missile and a Bomarc anti-aircraft missile. The altitude reached by one of the Farside rockets, launched at Eniwetok, may have been 2,000 miles, greater than that reached previously by any man-made device.

Any enterprise which has no clear division of responsibility and authority will more than likely fail.

# B-58 BUICK

When better automobiles are built Buick will build them

**Born of more Aircraft Principles than any other car yet built**

HERE—coming to you from the freshest blueprints in years—is a car built to make your driving as modern as your thinking.

This one's built with more aviation principles throughout than any car before.

There's a greater use of airweight aluminum in its form and structure—in its engine—in its styling—even in its quick-cooling brakes.

There's an air-borne feeling of flight in its performance with Buick's B-12000 engine and with Flight Pitch Dynaflo\* that can switch the pitch a million ways.

And everywhere you go—you travel in new

skyway comfort with Buick's Miracle Ride plus Air-Poise Suspension.\*

So this is a car of truly exciting ideas for 1958—the Air Born B-58 Buick. And you should see it and drive it at your Buick dealer's soon. Come on in today.

### NEVER SO MUCH SO NEW

- ★ Fresh bold styling with the Dynastar Grille.
- ★ The Miracle Ride plus Buick Air-Poise Suspension.\*
- ★ Flight Pitch Dynaflo\* with the instant flexibility of a million switches of pitch.
- ★ B-12000 Engine with 12,000 pounds of thrust behind every piston's power stroke.
- ★ Air-Cooled Aluminum Brakes\* with smoother, surer control and longer life.
- ★ "Velvet Wall" Sound Silencing.

\* All built to exacting quality standards.

## Nesgoda-Harris Wedding

PHOTO BY WATSON

MR. AND MRS. RICHARD NESGODA

At a simple wedding ceremony Saturday, November 2, at St. Joseph Rectory, Miss Joan Harris of East Tawas and Richard Nesgoda of Oscoda were united in marriage. The bride is the daughter of Mr. and Mrs. Thomas Harris of East Tawas and the bridegroom's parents are Mr. and Mrs. Raymond Nesgoda of Oscoda.

The Rev. Fr. Robert Neuman officiated at the single ring ceremony. For her wedding, the bride wore a light blue waltz length dress of princess style with matching accessories. A crown head-dress held her illusion veil and she carried a cascade bouquet of white chrysanthemums and pink roses.

Miss Connie Clayton of East Tawas, bridesmaid, wore a pink waltz length dress styled similarly to the bride's with pearl accessories and a pink headband. She carried a cascade bouquet of yellow chrysanthemums and bronze Hibbard roses.

Best man was Joseph Oldeck of Oscoda. A breakfast for the wedding party and immediate families was

## Mastroianni-Pierson

On November 4 in Lady Chapel of St. Patrick's Cathedral, New York, Dr. Elaine Pierson and Dr. Luigi Mastroianni Jr. were united in marriage. The bride is the daughter of Mr. and Mrs. Edd T. Pierson of East Tawas and the sister of James E. Pierson of Hermosa Beach, California. The bridegroom is the son of Dr. Luigi Mastroianni and Dr. Marion Dallas Mastroianni of New Haven, Connecticut.

Miss Ann Mastroianni, sister of the bridegroom, was the maid of honor and the best man was Dr. John Rock of Boston, Massachusetts.

The bride is a graduate of East Tawas High School and the University of Michigan where she received a Ph. D. degree in anatomy. She was a teaching fellow and instructor in zoology, and in 1956 received an M. D. degree from the University of Michigan. Following her internship at University Hospital in Cleveland, Ohio, she is now assistant resident physician in obstetrics and gynecology at the Grace-New Haven Community Hospital in New Haven, Connecticut.

The bridegroom received his M. D. degree from Boston University School of Medicine in 1950. He interned at the Metropolitan Hospital in New York City where he also completed residency training in obstetrics and gynecology. At present, he is an assistant professor in this field at the Yale University School of Medicine. The newlyweds will reside in New Haven where both will continue their professional work.

## Engagement Announced

Mr. and Mrs. Reno Krumm of Tawas City announce the engagement of their daughter, Mildred, to James Quigley, son of Mr. and Mrs. Fred Quigley of South Branch. A July wedding is being planned.

## BALDWIN

Mr. and Mrs. Melvin Timreck and mother, Mrs. Edwin Zaharias, visited in West Branch last Wednesday evening.

William Anderson of Mt. Pleasant spent the week-end with his parents, Mr. and Mrs. Edwin Anderson.

Mr. and Mrs. Theron Myers have moved into their new house on the Wilber Road.

Herbert Leitz of Sault Ste. Marie is here for a few days visiting and hunting with his brother, Arthur Leitz.

Mr. and Mrs. Edward Davis of Detroit visited Mr. and Mrs. Edwin Zaharias last week-end. Mr. Zaharias and Mrs. Davis are brother and sister.

Mr. and Mrs. Edward Samolewski and children and mother, Mrs. Mary Samolewski of Bay City visited Sunday with Mrs. Nellie Pierson.

Clarence Pierson spent the week-end in Bay City.

Mr. and Mrs. Donald Leitz and children have returned home from Grand Rapids. Mr. Leitz has been employed by the Lewis Frisinger Construction Company and is here for a few days prior to going to Florida where he will work this winter.

# New Fords Shown at Leslie's Today

The 1958 Ford car line featuring major styling changes, the most efficient engines in the car's history, a new automatic transmission and new optional air suspension, will go on display at Ford dealerships November 7. J. O. Wright, Ford Motor Company vice president and Ford Division general manager, announced today. The new Fords will be shown locally at Orville Leslie and Sons, Tawas City.

"At a cost of \$185,000,000 we have developed a new Ford that incorporates some of the most extensive changes ever made in the car," Mr. Wright said.

Historically, auto companies have made basic changes in their cars every three years, he pointed out.

"But in its 1958 models, Ford has actually created fundamental design and engineering changes just one year after its completely new 1957 model," he said.

Demonstrating this change are 21 models on two separate wheelbases: the Fairlane and Fairlane 500, with an overall length of 207 inches, and the Custom, Custom 300 and the station wagon, measuring 202 inches.

The external appearance of the new car features Ford's sculptured-in-metal treatment in which styling lines are molded into the sheet metal itself.

The new distinctive styling is emphasized in a front view of the massive wrap-around one-piece bumper with anodized aluminum "jet intake" grille, dual headlights and Power Flow hood. New sheet metal treatment incorporates redesigned front fenders, new roof with seven front-to-rear flutes or grooves, and trunk lid and rear quarter panel innovations. From the rear, the 1958 Ford is distinctive with a "V" sculptured trunk lid flaring into twin safety oval taillights.

Ford introduces the newest and most modern V-8 overhead valve engines in its 1958 line, the 332 and 352 cubic inch displacement engines. The result of more than 25 years' sales and engineering leadership in V-8 engines, these engines combine new highs of efficiency, durability and economy with the added time and cost savings of quick service accessibility.

The new 332 cubic inch engine, which will be standard on the Fairlane, Fairlane 500 and station wagon series, is available as an extra cost option in the Custom and Custom 300 series. The 352 cubic inch engine is an extra high performance option on the Fair-

SWEPTING STYLING CHANGES ARE APPARENT in the 1958 Ford car line, now on display at the Orville Leslie and Sons showroom, Tawas City. The Fairlane 500 Town Victoria (right) and Fairlane Club Victoria (left) share with all new Fords such dramatic changes as new safety dual headlights, corrosion-proof anodized aluminum grille, power flow hood, slip stream roof and many others.

lane, Fairlane 500 and the station wagon series. The economical "Mileage Maker" six is available for most models and the 292 cubic inch V-8 engine is standard on the Custom and Custom 300 series.

The new engines feature completely machined, wedge-type combustion chambers, larger, cooler running valves, new carburetion and exhaust porting and direct flow intake for peak performance at all engine speeds. Each engine is electronically mass balanced while running at operating speed and temperature under its own power.

Cruise-O-Matic, an automatic transmission combining instantaneous "solid" response with nearly imperceptible up-shifting, is new for 1958. Coupled with the four-Venturi 332 and 352 cubic inch engines and a low rear axle ratio, Cruise-O-Matic provides a new power train that combines overdrive economy with automatic transmission convenience, first such combination in the industry. The new transmission introduces a new drive position for solid feel take-off or all-out acceleration through all three gear ranges. An improved Fordomatic transmission also is available.

Also new will be air suspension, optional for Ford Fairlanes, Fairlane 500s and station wagons with V-8 engines and automatic transmissions in 1958.

Exterior trim and interior fabrics and color treatments will be new for 1958 as will distinctive two-tone combinations of new colors. Optional equipment includ-

es a full line of power assists, two models of transistorized radios, two models of air conditioning units and two types of heaters.

Mrs. Lena Rouiller left by plane from Detroit for Covina, California, recently where she will spend the winter with her son, Roy, and family.

# Wm. Look and Sons Display New Pontiacs

## 16 Models Presented In Pontiac's Golden Jubilee Year

Sixteen all-new models in four series—headed by a "dream car" series of two family sports-type cars—are presented by Pontiac in 1958. General Motors' Golden Jubilee year. The new Pontiac will go on display November 9 at William Look and Sons showroom, East Tawas.

A new body, new chassis, new "Tempest 395" V-8 engine, new optional equipment and a new Bonneville series of family size "dream cars" mark what the division calls the "boldest advance in 50 years."

"These bold new cars are both a tribute to GM's Golden Jubilee and our own 50th anniversary," S. E. Knudsen, GM vice president and general manager of Pontiac Motor Division, said in announcing the new cars.

In addition to the top-of-the-line Bonneville convertible and sport coupe, Pontiac offers other new innovations for 1958. Among them are a convertible in the lowest priced Chieftain line, air ride suspension as an option on all models, along with improved fuel injection, introduced by Pontiac last year.

Pontiac engineers list 88 new features in the 1958 models and 135 separate safety features.

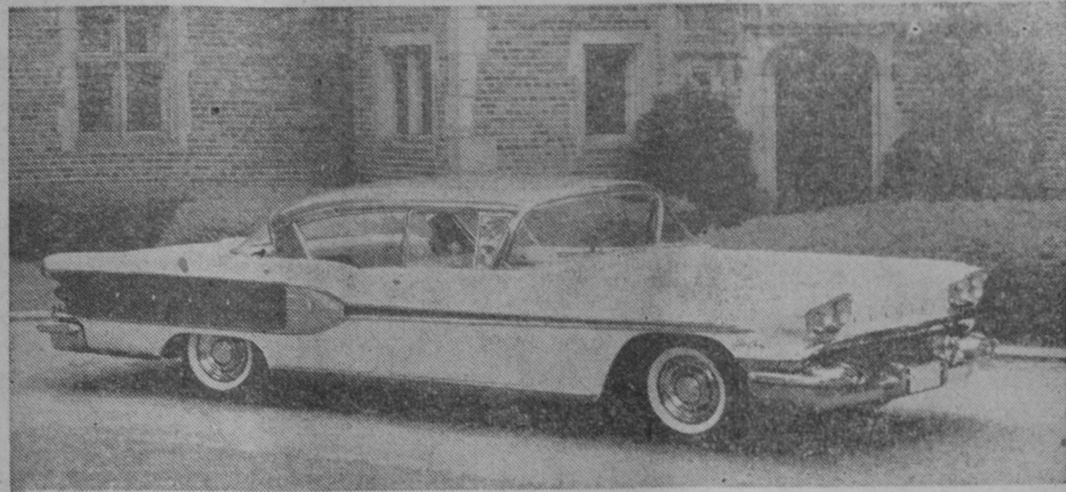

Striking "new direction" styling accentuates the car's longer, lower, wider look. The low, horizontal grille is topped by dual twin lamps and rises above the heavy bumper, which incorporates massive parking and signal lamps. A new gold, rectangular crest featuring a "V" on a grooved background above the name, Pontiac, in block-style lettering, is positioned in the left side of the grille. Delta wing ornaments ride atop each fender with twin wind-splitter continuing along the fender.

From the rear, the 1958 Pontiacs will be immediately recognizable by dual twin tail lamps above oval, chromed, back-up lamp ports, and the simply styled trunk lid bears chrome handles on each side of the superbly fashioned name plate.

In addition to the five-passenger Bonneville convertible and sport coupe, Pontiac has for 1958, the Star Chief series consisting of two and four-door Catalinas, a four-door sedan with slim center pillar, and a custom Safari station wagon. The Super Chief line includes two and four-door Catalinas and a slim pillar, four-door sedan. The Chieftain series is led by the convertible, new in this line; two and four-door Catalinas, two and four-door slim pillar sedans, and a two-seat and a three-seat, four-door station wagon.

Supt. Reynold Mick of Tawas Area Schools attended a meeting of the Michigan Education Association's executive council at East Lansing October 31.

Robert Binder and Raymond Guyette were Saturday visitors at Central Michigan College.

PONTIAC'S PERENNIAL FAVORITE is this big luxurious and exquisitely styled Star Chief, four door Catalina designed to make the heart of every motorist beat faster. Solidly built on a 124-inch wheelbase, the Star Chief Catalina goes on display Saturday, November 9, at William Look and Sons showroom, East Tawas.

## Perfect Season Gives Houghton Lake Northeastern Title

	W	L	T
Houghton Lake	7	0	0
Standish	5	1	0
Tawas Area	4	2	0
Pinconning	4	3	0
West Branch	4	3	0
Roscommon	3	3	0
Gladwin	2	3	1
Eastern	2	4	1
Beaverton	1	6	0
Sterling	0	7	0

By Earl Haight, Conference Secretary

Houghton Lake claimed its first Northeastern football title by ending the season in a perfect fashion by running rough shod over Eastern, 51-7, last Friday night. Other games in the league play saw Standish roll over Pinconning, 26-6; Tawas Area edge West Branch by virtue of its second half play, 14-13; Roscommon squeaked by Gladwin and Beaverton won from Sterling.

Friday night's play ended the regular season's play. Three of the conference teams will tangle with outside competition this Friday as Beaverton takes on Coleman, Gladwin meets Clare and Tawas Area will carry on its rivalry with Osoda.

The undefeated Bobcats started with the first play of the game and continued to pound the end zone until the final moments of the last quarter. Dave Lee, senior wingman for Coach Tom Weede ended his high school football in a blaze of glory as he counted five times, each time on a pass from Quarterback Pat Marts.

Lee scored the first time the winners had the ball when Marts completed a pass good for 35 yards. Carl Peterson, guard, kicked the extra point and the Lakers were off and running. The Marts to Lee combination worked again the next occasion the Bobcats had the ball, this play good for 70 yards and the TD. Chuck Schindtz, fullback, scored the third counter of the initial period on a four-yard off tackle smash. Peterson again connected on his try for the extra point.

Twelve more points were added to the total in the second quarter as Marts hit Lee again, and the quarterback ran 84 yards on an option play. Both tries for the extra point failed and the Bobcats held a 32-0 lead at the intermission.

Coach Weede played an all-senior outfit in the third quarter with Left Halfback Dale Geise going over for the winner's only score on a three-yard plunge through the line. Lee crossed into the end zone twice in the final quarter, the first play of 14 yards and the second on a play covering 60 yards. Lee also counted the extra point on the final TD on a run.

Eastern scored its sole counter in the fourth quarter when Left Half Jim Biddle passed to End Elmer Hollenbeck. Biddle also counted the extra point on a run.

Doug Dudley, Standish's star halfback, had a big hand in the scoring of three of the Golden Arrow's four touchdowns, scoring two and passing for the third. His first counter came in the first quarter when he scooped up a partially blocked Pinconning punt and scampered 20 yards to score. Dudley also kicked the extra point to give the winners a 7-0 first period lead. The halfback went 10 yards off tackle in the second stanza but had his try for extra point blocked. Dudley continued in the scoring column by tossing a pass to End Jerry Mahoney, the whole play covering 30 yards. Pinconning blocked Dudley's try for the extra point. Mahoney counted the final touchdown for the winners when he fell on a blocked punt in the end zone and Quarterback Dennis O'Keefe ran the extra point which gave his team a 26-0 three quarter lead.

The losers scored in the final period when Quarterback Gary Kinsey, climaxing a downfield drive featuring the hard running of Fullback Larry Sope, went through the middle for two yards.

In a strong defensive battle at Roscommon, the Bucks moved into the "500" bracket with their victory over the Flying G's of Gladwin. A Gladwin miscue in the first quarter led to the only counter of the contest. A fumble on the loser's 38, recovered by End Jerry Hulce, gave the Bucks their opportunity. A pass to Hulce took

the ball to the 12 and another pass, Quarterback Jim Papeufus to End Wally Johnson, brought the score. The kick for the extra point was blocked. Gladwin reached the Roscommon 12 and seven but lost the ball on downs on both occasions.

Judy Austin, Phyllis Herriman, Bette Mercer, Beverly Kobs and Carol Kyser, students at Michigan State University, East Lansing, were home over the week-end.

Mrs. Vernon Alda of Lansing and Mr. and Mrs. Clyde Stewart of Port Huron spent the week-end with Mr. and Mrs. Abram Frank.

## Braves Win From West Branch in 'Story Book' Finish

Led by the pinpoint passing of Quarterback Ray Guyette, the Tawas Area Braves came up with their own version of a "story book" finish Friday night, defeating the hard-charging West Branch Orioles, 14-13. During the second half of the game the West Branch field was blanketed with fog and at one time it was so thick on the field that it was impossible for fans to see the player's numbers at midfield.

This encounter was nearly a carbon copy of the game against Standish a week ago in which the Golden Arrows won in the last few minutes on a pass play. The main difference, however, was that the Braves clicked on both offense and defense in the second half against West Branch.

The first half saw Tawas start out just like it had in a number of games this year with the opposing team taking advantage of numerous fumbles. Two first quarter fumbles by the Braves set up two West Branch touchdowns and at the end of the first quarter, with West Branch leading, 13-0, it looked like another game in which Tawas would fumble away any chance of victory.

In the second half, however, Tawas settled down and took charge of the game. The two touchdowns came on passes of

seven and 10 yards. The third period toss was from Guyette to End Dick Lanski and the fourth period pass was to End Ken Bublitz.

Gary Brackenbury, who has had tough luck with his PAT kicks all year, kicked both points perfectly to enable Tawas to pick off a one-point victory.

Halfback Roger Gordon was the workhorse for the Braves as he carried 23 times for 89 yards. Halfback Denny Ledsworth ran for 58 yards in 13 carries.

The whole center of the Tawas line played a fine defensive game and gave the backfield the protection it needed to click on the two TDs and the all important extra points.

With the exception of the five fumbles, Tawas played a sound game both offensively and defensively to gain a well deserved win.

Early in the first quarter Tawas was unable to capitalize on its first break of the game, a fumble on the first play from scrimmage by West Branch. Tawas reached the 21-yard line but a 15-yard penalty put the ball back on the 35 where West Branch took over on downs.

After getting only five yards on the ground West Branch punted from its 40. Erickson took the punt on the Tawas 30, cut across the field and handed off to Ledsworth who was stopped immediately. Ledsworth picked up a first down when he hit right tackle to the Tawas 46. On the next play from scrimmage, Tawas fumbled and a West Branch lineman grabbed the ball in the air and raced 46 yards for the first touchdown. The extra point kick was wide.

Another golden opportunity was handed West Branch shortly before the start of the second

quarter when Tawas fumbled on the first play from scrimmage after West Branch's kick off. Seven running plays carried the Orioles to the Tawas 20 where after tightening the Tawas defense, Walsh passed to the Tawas seven and then on the next play Walsh hit his right end for a TD. For the extra point play, West Branch used a fake kick formation and Walsh again passed to score.

Tawas penetrated West Branch territory twice during the second quarter but lost the ball once on a fumble and the clock ran out with Tawas on the West Branch 38 at the half.

To start the second half West Branch kicked off to Tawas and LeClair returned the ball but his fumble was nullified as Tawas was offside and West Branch kicked again. Ledsworth faked a hand off to Erickson and ran the ball out to the Tawas 24. Tawas then drove 76 yards for a touchdown in 15 plays. Guyette combined the running of Gordon and Ledsworth with two passes to Bublitz to carry Tawas to the West Branch seven. Guyette then faded back and hit Lanski standing in the end zone for the touchdown.

Brackenbury, who has had trouble getting enough protection from the line on his kicks all year, booted the point perfectly as the Tawas line held firm and the West Branch lead was cut to 13-7.

In the fourth quarter Tawas got a break which set up the winning touchdown. With one yard to go for a first down on their own 40, the Orioles elected to play safe and punted. The kick was high and carried to the Tawas 40 where it took a backward bounce and rolled back across the 50-yard line and finally came to rest on the West Branch 43.

In four running plays the Tawas line opened up big holes in the West Branch defense enabling

Gordon and Ledsworth to carry the ball to the West Branch 15. Guyette, seeing that West Branch's defense was tight to stop his line thrusts, faded back and hit Bublitz in the end zone for a touchdown. Brackenbury split the uprights with a perfect boot and Tawas took the lead, 14-13.

The Orioles electrified the crowd by marching downfield in a determined touchdown drive. West Branch drove to the Tawas 38 in eight plays, one being an eight-yard fourth down pass play. West Branch hit left tackle and reached the Tawas six-inch line but the Orioles were called for illegal procedure which nullified the fine run and put them back on the Tawas 35. Heenan and Zelewski threw the ball carrier back to the 39 on the next play. West Branch then threw a pass complete and the ball carrier was dropped on the Tawas 30 by Roney Roach. The next play was an incomplete pass and Tawas took over on downs.

Tawas took over the ball on T33 but could get nowhere as the result of two penalties. With 50 seconds to play Guyette dropped back in punt formation on his own 24. He took a high pass from center and got the kick away with two West Branch players almost on him. The kick sailed high and over the heads of the double safety set up by West Branch. When the Oriole halfback picked up the ball it was on the West Branch five-yard line, 71 yards from where it had been kicked. Considering that the Tawas punt average has been about 29 yards, this was by far the longest and most timely kick of the year.

Guyette's kick put West Branch deep in its own territory and with only 43 seconds to play the Orioles threw four long passes, the last one was bobbed and caught by Roney Roach as he fell on the Tawas 30 as the game ended.

# A NEW KIND OF CAR IS BORN!

At **WM. LOOK & SONS**

200 Newman Street—East Tawas

# BOLDEST ADVANCE IN 50 YEARS!

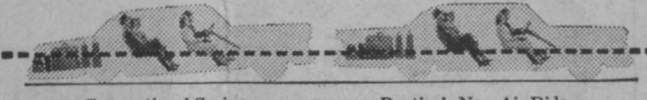

THE GOLDEN JUBILEE CAR!

It's a revolution on wheels—boldly planned from the very beginning as a Golden Anniversary showpiece for Pontiac and General Motors.

This one you really must see—here is a car unlike any you have ever known! This Golden Jubilee Pontiac is actually an all-new breed of cars—in four brilliant series and 16 sleek models covering virtually every price bracket.

In all of them you'll find engineering advances so daringly different yet so basically sound that they will trigger the next big change in automobile design. You'll find a few of these ideas illustrated here, but even they can't begin to tell the full story.

Why not be among the first to discover the newest. When you meet this bold new Pontiac, you're in for a driving thrill that is impossible to duplicate in cars of conventional design. So make it a point to see your Pontiac dealer soon and prove to yourself that no car in history ever left yesterday so far behind!

### Ever-Level Air Ride\*

The most perfect suspension system ever designed—and Pontiac's revolutionary Aero-Frame is specifically designed for it! Air cushions on all four wheels literally float you over the bumps... keep the car perfectly level regardless of load or road!

\*An extra-cost option.

### Aero-Frame STABILITY

Here is the biggest basic construction change since the early days of motoring. Pontiac's revolutionary new frame design is lighter, stronger, more stable than the conventional box type used on other cars.

### Quadra-Poise ROADABILITY

Only the wheels know where the bumps are! Pontiac's new suspension geometry ends dive, sway and bounce to bring you the smoothest ride, easiest handling you've ever known!

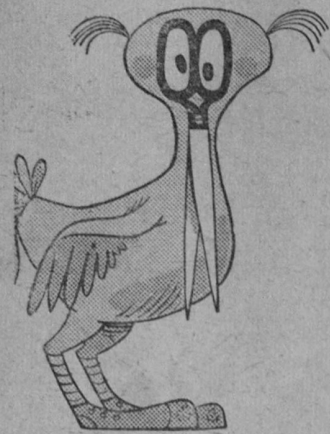

### Circles-of-Steel SAFETY

Pontiac's completely new body construction surrounds you with girder steel protection—above, below, fore and aft. Now you can drive with wonderful new peace of mind!

### Tempest 395 PERFORMANCE

Try Pontiac's new jeweled-action response! Scores of exclusive engineering innovations make Pontiac's hefty power plant a miracle of smoothness... and you can choose from four horsepower ratings including Tri-Power Carburetion\* and Fuel Injection\*.

The trouble with most people, and nations, is that they want advantages without giving anything in return.

**"Soapy" Most Controversial Figure in Politics**

In the nine years since G. Mennen Williams was first elected governor of Michigan, he has developed into one of the most formidable figures on the American political scene, says the current (November 9) issue of The Saturday Evening Post.

An article entitled "Soapy, the Boy Wonder" by Beverly Smith Jr. relates that he has also become one of the most controversial figures in politics.

Conservative Michigan Republicans are said to regard him with mingled bitterness and dread as a "Machiavelli," as a "phony idealist whose every move is calculated for his own advancement," "a stooge of the CIO" and as a man whose tax policies and pro-labor bias are driving industry out of the state.

Admirers, on the other hand, are said to see him as a dedicated liberal and friend of the underdog; as one who combines a scholar's knowledge of government with a rare gift for practical politics, and as "another F. D. R." who, as presidential nominee, could carry the Democrats to victory in 1960.

"There is little doubt that Williams, himself, has his eye fixed on the presidential nomination, and will make his big try for it in 1960," Smith comments. "As of now, in the winter book, he is ranked as a medium long-shot, but changing events may turn certain of his liabilities into assets."

"They underestimated his brains, his shrewdness, his endurance, his tenacity and his ambition," Smith writes. "He is now in his fifth term as Democratic governor of a traditionally Republican state where no governor ever served more than three terms before. In 1956, when Eisenhower was sweeping Michigan by 350,000, Williams was reversing the tide to win by nearly 300,000."

Smith's analysis of Williams' chances in 1960 includes the statement that "if the Democratic leadership is hell-bent on capturing the crucial industrial states, Williams might be the choice—even though it meant cutting loose the Deep South and risking conservative losses in the North. Certainly he will be a man to watch."

Smith recalls that when Williams at 37 was first elected governor, most Republicans thought him an amiable sophomore who would cause little trouble and could easily be ousted after one two-year term.

By DOROTHY SCOTT

Lamp and lampshade making have been selected as the special emphasis workshop project for this year. This has been planned as a follow-up for the group lesson in which we studied principles of lamp selection and how to achieve the best possible lighting arrangements in the home.

A lamp can be made from "scratch" being created by our own individual design. Another project is to remodel a lamp now on hand so that it will do a better lighting job. Still a third possibility is to convert a suitable object to a lamp—might be a kerosene lamp, a well designed bottle, jar, jug, vase, etc.

Lampshades can be made to recover a frame you have, or frames can be obtained for covering. Our special lampshade material is polystyrene in plain or simple design. Often it is white, although there are a number of delicate tints that can be very attractive.

Women who want to make a lamp, a shade or both are asked to register for these workshops. This can be done at a group meeting with the secretary reporting names of those interested.

The important thing is to do it now. This is because we shall need to get together and discuss your plans, figure out what lamp and shade parts will be needed and arrange the purchase of materials needed. If this can be done in November, workshops will begin right after the first of the year.

Let me hear from you, the sooner the better.

The hunting seasons are here once more. And, once more we bring you a reminder about the two excellent bulletins available at your Cooperative Extension Service office. One is called, "Good Eating from Woods and Fields," and the other is titled "Venison." Tips on dressing and care of the game and a variety of recipes make these bulletins most helpful to the person who prepares the feast from game brought home by the proud hunter.

A word to the wise hunter—how you handle the freshly killed game can spell the difference between success and failure for the cook. This means both hunter and cook should read the dressing and care tips.

A home burns to the ground. A barn is struck by lightning. A neighbor has an auto accident, injuring several persons. These are examples of hazards that can mean financial ruin to families, comments Lucile Ketchum, who is a Michigan State University extension specialist in home management. Few of us are able to meet the obligations that follow such tragedies. So most of us gain peace of mind by including an insurance premium in the year's expenses. It is also a matter of good business.

To own all kinds of insurance would be too costly and probably unnecessary for most of us. We should choose the kinds that provide the protection we need most. These three questions will help us to decide on the kinds and amounts of insurance protection to get. First, what are the chances of this loss happening to me? What will be the financial consequences if it does happen? How much will insurance cost?

Our every day activities bring all of us in contact with many hazards around the home and with traffic dangers while driving the family car. Therefore, a free leaflet has been prepared which discusses kinds of protection that are important to owners (and renters) of homes and to owners of automobiles.

If you would like to have a free copy of the leaflet, ask for "Home and Automobile Insurance" at your Cooperative Extension Service office, Federal Building, East Tawas.

**U. S. CRIME**

Based on figures for the first six months, the United States is headed for another record number of crimes this year. FBI Director J. Edgar Hoover has estimated that 1,399,670 major crimes were committed through June 30, or one for each 122 persons in the nation. The figure was 8.4 percent above that for the first six months of 1956, and 24.4 percent over the average for the previous five years.

**CITRUS DOWN**

The 1956-57 season's production of citrus fruits had a producer value of \$367,575,000, about 11 percent less than the previous season's crop, according to the agriculture department. Oranges brought in \$275,591,000; grapefruit, \$13,718,000; lemons, \$38,595,000, and limes, \$1,668,000.

**GROSS NATIONAL PRODUCT**

The gross national product rose in dollar value because of price increases, but remained static in actual volume during the third quarter, according to an announcement by the president's council of economic advisers.

**THESE WOMEN!**

By d'Alessio

"It looks wonderful on you, dear! Go right ahead and take it and let them worry about getting the money out of me!"

**Burleigh News**

Clifford St. James was at Hale on business Saturday.

Wallace and Albert Ross of Flint visited with friends and relatives here Sunday.

Mr. and Mrs. Ernest Bellen were at Ann Arbor last week where they visited their daughter who is in the St. Joseph Hospital.

Ben Webb and family of Roseville visited at the home of Mr. and Mrs. Orville Bellen over the week-end.

Mrs. George Smith of Sherman Township was a caller here Saturday.

Mr. and Mrs. Roy Haske and children of Lansing spent the week-end at the home of her parents, Mr. and Mrs. Victor St. James.

Mr. and Mrs. Gerald Bellen were called to Ann Arbor Sunday by the illness of his sister.

Mr. and Mrs. George Lang of Detroit, Mrs. Mary O'Rourke, Mrs.

Margaret Berden, Mrs. Agnes Carpenter of Port Huron, Vernon Schneider and Jack Bellor of Flint, Glen Schneider of Bay City and Gene Bellor of Virginia were called here last week by the death of Joseph Jaglein.

**COST OF LIVING**

The Bureau of Labor Statistics has reported that the consumer price index rose one-tenth of one percent to another record high of 121.1. The small September rise was the 18th in the last 19 months. Since the current consumer price inflation began, the increase in consumer prices has been 5.7 percent, meaning that the dollar worth 100 cents early in 1956 is now worth 94.3 cents.

**PRIZE WINNER**

Niels Bohr, Danish physicist, received the first atoms-for-peace award for his work in unlocking the secrets of the atom and attempting to channel them toward peace. He called for "that worldwide cooperation which has manifested itself through the ages in the development of science."

**Lower Hemlock...**

Mrs. Samuel Ginsberg returned home after a two-week vacation with relatives and friends from out of town.

Friends of Mrs. Lloyd Katterman are sorry to hear of her accident at her home on Friday and wish her a speedy recovery.

Mrs. William Struthers accompanied Mr. and Mrs. C. E. Earl to Flint Thursday evening where Mr. Earl attended a meeting.

Mrs. Louise McArdle of Tawas City spent Tuesday of last week at the Grabow and McArdle homes.

On Friday evening Mr. and Mrs. Clarence Earl of Tawas City entertained Mrs. William Struthers, Mr. and Mrs. Glen McLeod, Mr. and Mrs. Arthur Kobs, Mr. and Mrs. Andrew Anschutz, Mr. and Mrs. John Katterman Sr.; Mr. and Mrs. Herman Fahselt and Mrs. Clare Earl of Tawas City, and Mr. and Mrs. Roy Sims of Wilber at a Hallowe'en party. The evening was spent visiting and playing cards. Prizes were given to those having high and low scores after which dinner was served to the group by the hostess, Mrs. Earl.

Mr. and Mrs. Fletcher and family have moved from Tawas City to the John Rapp farm on the Meadow Road.

On Saturday evening, Mr. and Mrs. Herman Fahselt of Tawas City, Mr. and Mrs. Don Huey, Mr. and Mrs. Andrew Anschutz, Mr. and Mrs. Arthur Kobs and Mr. and Mrs. John Katterman Sr. were entertained at the Glen McLeod home in Laidlawville.

The Arthur Kobs were Sunday dinner visitors of the Leslie Frasers in East Tawas.

Mr. and Mrs. Irvin Biggs moved into their home on M-55 after living the past year with his parents, Mr. and Mrs. George Biggs.

Mr. and Mrs. Billie Biggs and

son, Terry, of Bay City, Ted Winchell of the Townline Road and Mr. and Mrs. George Biggs were Sunday dinner guests of Mr. and Mrs. Wayne Biggs.

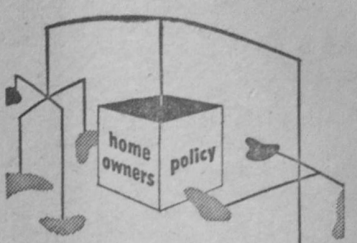

Miss Helen Ulman, daughter of Mr. and Mrs. John Ulman of East Tawas, was a Sunday visitor of Miss Debbie Katterman.

**CORN PLANTING**

The government's 1958 control program for corn will call for further reductions in grower planting allotments. This year's record-breaking production of livestock feed grains promises to increase surplus and will require another cut in corn allotments.

If you are making an honest living for your family, you are one of the best assets to be found in Isosco County.

LEGAL NOTICE

STATE OF MICHIGAN In the Circuit Court for the County of Isosco.

IN CHANCERY

Charles S. Hennigar and Charlotte K. Hennigar, his wife, Plaintiffs,

vs. James W. Daly or his unknown devisees, legatees, heirs and assigns, Defendants.

ORDER FOR PUBLICATION At a session of said Court held at the County Building in the City of Tawas City in said County on the 16th day of October, 1957.

Present: Hon. Herman Dehnke, Circuit Judge.

On reading and filing the bill of complaint in said cause and the affidavit of Herbert Hertzler attached thereto, from which it satisfactorily appears to the Court that the defendant above named, or his unknown heirs, devisees, legatees and assigns, are proper and necessary parties defendant in the above entitled cause, and

It further appearing that after diligent search and inquiry it cannot be ascertained, and it is not known whether or not said defendant is living or dead, or where he may reside if living, and, if dead, whether he has personal representatives or heirs living or where they or some of them may reside, and further that the present whereabouts of said defendant is unknown, and that the names of the persons who are included therein without being named, but who are embraced therein under the title of unknown heirs, devisees, legatees and assigns, cannot be ascertained after diligent search and inquiry.

On motion of Herbert Hertzler, attorney for plaintiffs, it is ordered that said defendant and his unknown heirs, devisees, legatees and assigns, cause their appearance to be entered in this cause within three months from the date of this order, and in default thereof that said bill of complaint be taken as confessed by the said defendant, his unknown heirs, devisees, legatees and assigns.

It is further ordered that within forty days plaintiffs cause a copy of this order to be published in the Tawas Herald, a newspaper printed, published and circulated in said County, such publication to be continued therein once in each week for six weeks in succession.

HERMAN DEHNKE Circuit Judge

Countersigned: GEORGE A. PRESCOTT Clerk of Circuit Court

TAKE NOTICE, that this suit, in which the foregoing order was duly made, involves and is brought to quiet title to the following described piece or parcel of land, situate and being in the Township of Oscoda, County of Isosco and State of Michigan, described as follows, to-wit:

Lots G and H in Daly's Addition to Oscoda, a subdivision in said Township of Oscoda, plat of which was recorded in the office of the Register of Deeds on September 28, 1889, and appears in Liber 1 of Plats on page 12.

COUNCIL PROCEEDINGS Meeting of the council held at the Tawas City Hall on October 21, 1957.

Roll Call: Brugger, Cabbie, Evril, Hutton, Schuhmacher.

The minutes of the last meeting were read by the clerk and approved as read.

The following building permits were read for approval: Tawas Industries, addition to barn in rear of present building. Estimated cost \$400.00.

Steven Ezo, building 36x90 cement block construction. Estimated cost \$15,000.

Motion by Cabbie and supported by Hutton that the permit made by the Tawas Industries be turned over to the fire committee for further investigation in regard to the structure of the building.

Motion by Brugger and seconded by Hutton that the building site on which Steven Ezo made the request to put his building be published in the local paper for rezoning. This property consists of Lot 7, N½ of Lot 8 and N½ of Lot 9, Block 12, Wheeler's Second Addition to Tawas City, in the City of Tawas City, from Residential A to Commercial.

Yeas: Cabbie, Brugger, Evril, Hutton, Schuhmacher.

George Ruth read the report on the activities of the police department for the month of September; Moved by Evril and supported by Cabbie that the report be accepted as read. Motion carried.

Minutes of the water board were read by Superintendent Reginald Bublitz. Meeting was held October 14, 1957 at the City Hall, Tawas City.

Motion by Hutton and supported by Evril that the minutes of the water department be accepted as read.

Yeas: Brugger, Cabbie, Evril, Hutton, Schuhmacher.

A letter was received from the Michigan State Highway Department in regard to a three cornered piece of land which they cannot use and inquired as to whether the City would be interested in purchasing. Joseph Barkman at one time donated this parcel to the State and in as much as this parcel is now up for sale he is very interested in obtaining it again.

Motion by Evril and supported by Schuhmacher that the previous owner, Mr. Barkman, be given the chance to negotiate for this parcel of land.

Yeas: Brugger, Cabbie, Evril, Hutton, Schuhmacher. Motion carried.

Motion by Cabbie and supported by Schuhmacher that the superintendent of public works, Reginald Bublitz, be authorized to go ahead and see that the street on First Street from US-23 be black-topped as soon as possible.

Yeas: Brugger, Cabbie, Evril, Hutton, Schuhmacher.

Motion by Evril and supported that the meeting adjourn. Meeting adjourned.

GEORGE W. TUTTLE, Mayor WALTER C. NELSON, City Clerk

ORDINANCE NO. 141

An ordinance creating, on behalf of the City of Tawas City, a Board of six (6) members (three (3) only to be appointed by authority of this ordinance) for the purpose of supplementing and carrying out the terms of the contract between the City of East Tawas and the City of Tawas City, executed the 2nd day of May, 1957, between the two cities for the purpose of supplying filtered water to the City of Tawas City.

1. For the purpose of carrying out the terms of the contract dated the 2nd day of May, 1957, by and between the City of East Tawas, a municipal corporation, and the City of Tawas City, a municipal corporation, a Board consisting of three (3) members from the City of East Tawas, and three (3) members from the City of Tawas City, is hereby created.

2. The Mayor shall appoint, subject to confirmation by the City Council, each of the three members above mentioned, for a term of three (3) years, excepting that the first Board members who shall be appointed by the Mayor, shall serve; one for three (3) years; one to serve two (2) years and one (1) to serve one (1) year.

3. Duties of the Board: (a) To organize and elect a chairman and secretary or clerk. (b) To meet at least semi-annually, and such other times as the Board may determine. (c) To audit and approve the annual cost to be accepted as "Exhibit A."

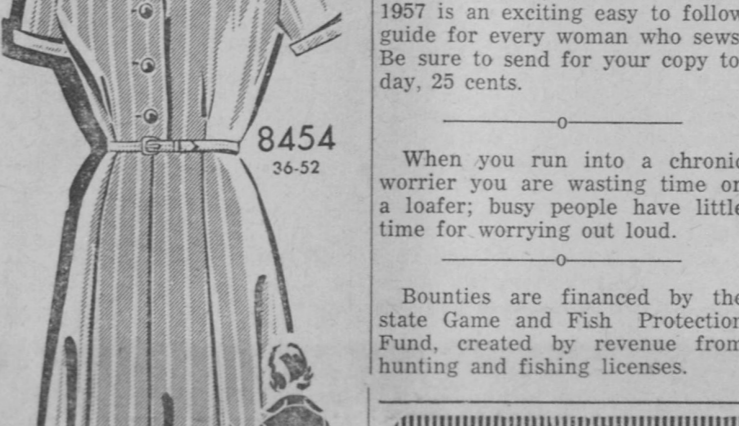

(d) To hear and adjust complaints and differences arising out of matters pertaining to the water supply, and the terms and conditions of the contract, and when decided by a majority of the whole (6 members) Board shall be final.

4. The purpose of this Ordinance is solely for the purpose of creating a joint Board for the purpose of handling all matters arising out of the operation of the contract referred to herein as it may affect

### Make Plans for Deer Widow Card Party

The Tawas Hospital Auxiliary met at the hospital Tuesday, November 5, with Mrs. Gordon Huck presiding.

Final arrangements for the annual Deer Widows Card Party, to be held Thursday, November 14, at the high school cafeteria, were completed.

Among the prizes being awarded is a dual control electric blanket donated by Consumers Power Company.

The December meeting is to be the annual meeting and election of officers. The nominating committee is: Mrs. Gordon Penman, Mrs. Cecil Cable and Mrs. Stuart White.

### OES INSTALLATION

Installation of officers will be held Friday evening, November 8, by Tawas City Chapter, OES, at the Masonic Temple. The open meeting will begin at 8 o'clock.

THESE FOUR TAWAS SPORTSMEN are shown with the trophies of a two-week hunting trip to Montana and South Dakota. From left to right are Larry Leslie, Arthur Ropert, Donald Gingerich

and Orville "Buck" Leslie. Each of the men came home with a mule deer, antelope and their limit in pheasants. The deer shot by Gingerich was the largest at 223 pounds.—Herald Photo.

### Return Friday from Successful Hunting Trip to Montana

Four Tawas sportsmen returned last Friday from a successful two-week hunting trip to Montana and South Dakota with their licenses filled. Making the trip by station wagon were Donald Gingerich, Orville "Buck" Leslie and Arthur Ropert, all of Tawas City, and Larry Leslie of East Tawas.

Each of the four men brought back a mule deer, antelope and their limit in pheasants. During their stay in Montana, they hunted for mule deer at the Fred Yankee Ranch at Quietus for two days and for antelope at Broadus for one day. They spent five days at Westington Springs, South Dakota, hunting pheasants.

Gingerich was the first to fill his mule deer license. He downed one weighing 223 pounds with a seven-point rack. Larry Leslie shot a nine-pointer weighing 215 pounds, "Buck" Leslie shot a 10-pointer weighing 210 pounds and Arthur Ropert shot a nine-pointer weighing 200 pounds.

The deer were shot at an altitude of about 7,000 feet in the mountains. While at Broadus they met Earl Weaver of East Tawas, who also had a successful hunting trip. This was the second such hunting trip for the Leslie brothers and Gingerich. They each filled their antelope licenses in Montana last year.

Joseph Siller of Detroit spent the week-end with his sister, Mrs. George Ruth.

An interesting color movie on the St. Lawrence Seaway was presented by Neil Luedtke of Gould's Rexall Drug Store, East Tawas.

### Purchases Gramlick's Pizza Carry Out

Announcement was made this week of the purchase of Gramlick's Pizza Carry Out by Mr. and Mrs. Albert Parsons of East Tawas. The new owners took over operation immediately. The business will now be known as Al's Pizza Carry Out.

In addition to pizza pies, Al's will serve hamburgers and cheeseburgers.

### William Sedgeman Funeral Services Held Wednesday

William Sedgeman of US-23, Tawas City, died at his home last Sunday afternoon, November 3, at 5 o'clock as a result of a heart attack suffered the week previous. He had been in poor health for the past 10 years.

William Henry Sedgeman was born in East Tawas October 16, 1886, and was 71 years of age. He was the son of the late Henry and Priscilla Sedgeman. He had lived in East Tawas all his life, moving several years ago to the family home on US-23, Tawas City.

He was employed by the Detroit and Mackinac Railway Company most of his life. He was active in the work of the Presbyterian Church for many years. At his death he was a member of the East Tawas Methodist Church. He was married in Alabaster to the former Miss Effie Wilson on June 21, 1909.

Surviving, besides his widow, are: Three daughters, Mrs. Marian Paschen at home, Mrs. Lillian Martin of East Tawas, Mrs. Dorothy Healy of Tulsa, Oklahoma; one son, Mark Sedgeman of Tawas City; three brothers, Frank of Oberlin, Ohio, George of East Tawas, Fred of Saginaw; three sisters, Mrs. Clara Vaughan and Mrs. Ada Reimer, both of Flint, and Mrs. Ella Cleaver of Saginaw.

He also leaves eight grandchildren. Funeral services were held at the Moffatt Funeral Home Wednesday afternoon at 2 o'clock with the Rev. Ralph Edwards of the Methodist Church officiating. Interment was in Greenwood Cemetery.

### Two Auxiliary Units Honor Mrs. Harmon

At the regular meeting of the American Legion Auxiliary Monday evening, with members of Jesse Hodder Unit, Tawas City, as guests, the two units honored Dorothy Harmon, department membership chairman and 10th district president the past year.

Mrs. Mary Lixey, first vice president, had charge of the meeting. Honored guests were Mrs. Harmon, Mrs. Gertrude McGuire, fourth zone vice president, and Mrs. Muriel Dodson, president of Jesse C. Hodder Unit.

Reports of the fall conference held at Lansing were given by Mrs. Ann Porter and Mrs. Harmon. Mrs. Harmon also explained her work as department membership chairman.

At the close of the meeting, Mrs. Harmon was brought to the front and in fitting remarks about her career and work in the American Legion and Auxiliary, Mrs. Grace Miller presented her with a package of beautiful gifts from the Tawas City and East Tawas units. Mrs. Harmon then gave an interesting and picturesque report of the national convention held at Atlantic City in September. She had on display her history books of the district and the national convention. While in Atlantic City, she served on the national resolutions committee.

After the meeting refreshments were served by the following committee, Mrs. Porter, Mrs. Lixey, Mrs. Ada Freeland and Mrs. Mildred Gardner. Table decorations were a centerpiece of yellow and white chrysanthemums and yellow candles in crystal holders.

Birthday gifts were presented to all who had November birthdays. Prizes were given out by numbers drawn to others present.

### GIVE OES GRAND CHAPTER REPORT

At the regular meeting of Iosco Chapter, OES, last Friday evening, a fine report of the Grand Chapter meeting held at Grand Rapids was given by the delegate, Mrs. Marie Hennigar. Reports were also given by Worthy Matron Betty Smith and Mrs. Marian Rose.

Plans were made to serve a dinner at the East Tawas Methodist Church Saturday evening, November 9, for the Baldwin Lodge, F and AM and their Masonic guests from Detroit.

Initiation will be held November 22 and school of instruction on December 5.

### Mrs. Sofia Anderson

Mrs. Sofia Anderson, a former resident of East Tawas for many years, died at her home in Detroit Sunday, November 3. She was 95 years old.

Funeral services were held Tuesday evening at the Neeley Funeral Home in Detroit. The body was brought to East Tawas Wednesday morning and burial was in Greenwood Cemetery.

The former Miss Sofia Nelson was born in Finland and came to this country when a girl. She was married to John Anderson, who died in East Tawas in 1894. The family moved to Detroit in 1910.

Surviving are three sons, John, Alex and Arvid, all of Detroit.

### 'Ten Commandments' Held Another Week

Held over one more week at the Lake Theatre, Oscoda, is the Technicolor motion picture, "The Ten Commandments." This Cecil B. DeMille production is described as "the greatest event in motion picture history." Tickets are available every night at the box office.

The film, four years in the making, stars Charlton Heston, Yul Brynner, Anne Baxter, Edward G. Robinson, Yvonne DeCarlo, Debra Paget, John Derek, Sir Cedric Hardwicke, Nina Foch, Martha Scott, Judith Anderson and Vincent Price.

The film will be shown at the Lake Theatre until Saturday, November 16. There is one showing each evening starting at 7:30 o'clock.

Mr. and Mrs. Fred Pfahl spent the week-end in Jackson.

William Herriman is on the sick list. Mrs. Clarence Herriman returned home Saturday evening from Kalamazoo where she was called by the illness of her son, Arthur. Mr. and Mrs. Floyd Dinzler of Midland called on Mrs. Clara Smith and Harvey McVoy recently.

### TA Junior Varsity Won 6th Victory Last Wednesday

The Tawas Area Junior Varsity football team won its sixth consecutive victory last Wednesday night by dropping the West Branch JVs, 38-0. The high-flying Junior Braves will finish out the season tonight (Thursday) with a game at Pinconning.

In running up their perfect record thus far this season, the Junior Braves have scored a total of 260 points while limiting the opposing teams to 19.

In Wednesday night's game, West Branch kicked off to Tawas and the Junior Braves returned the ball to the 28. On the first play from scrimmage Tawas fumbled and West Branch recovered. On the Branchers first play Tawas recovered a fumble.

With a first down on the Tawas 30, quarterback Peter Bolen went five yards on a sneak. "Scatback" Harry Woolhiser then went around end on the next play for 65 yards and a Tawas touchdown.

In the second quarter Tawas scored on a six-yard pass from Bolen to Wilkusi and picked up the extra point on a quarterback sneak. Tawas picked up its third TD on a double reverse with Huck going over for the score. Tawas held a 19-0 lead at the half.

Woolhiser went for 55 yards around end in the third quarter for the Tawas JVs' fourth touchdown. A pass to Wilkusi from Bolen in the fourth quarter, good for 19 yards, accounted for another touchdown. The final score came on a reverse with Huck going over from the 12-yard line. Bolen passed to Wilkusi for the extra point.

### Tawas City

(Continued from page 1.)

Among the ladies from the Tawas attended the County federation meetings at Whittemore on Tuesday were: Mrs. John Proctor, Mrs. Howard Staebler, Mrs. James Mark, Mrs. T. M. O'Loughlin, Mrs. Charles VanHorn, Mrs. Muriel Horton, Mrs. Freda Mortenson, Mrs. Herbert Hertzler, Mrs. Robert Elliott Sr., Mrs. Arvid Carlsson, Mrs. Stanley Lane, Mrs. Robert Richter, Mrs. George Hoshbach, Mrs. R. J. Cooke, Mrs. Thomas McMahon, Miss Helen Applin and Mrs. Russell McKenzie.

Mr. and Mrs. Earl McCullough of Milwaukee spent the week-end with Mr. and Mrs. Edwin Roeske and sons. Mrs. Roeske is the daughter of the McCulloughs.

Mr. and Mrs. Arthur Lepard were at Central Michigan College, Mt. Pleasant, Saturday, November 2. Mr. Lepard attended a banquet honoring fathers, and Mrs. Lepard dined with the other women. Their son, Darwood, is a freshman and an active player on the football

team. The Lepards attended the football game on Saturday. Mrs. Ray Kendall of Sand Lake spent two days recently with her daughter, Sister Marjorie Ann, at St. Thomas Convent, Grand Rapids.

Visitors at the home of Mr. and Mrs. Laurence Clements who attended the Clements-Barnes wedding on Saturday were: Mr. and Mrs. Eugene Clements and daughter, Mrs. Charles Clements and daughter, Mr. and Mrs. Aaron Archbold and daughter and Mr. and Mrs. Lee Shephard, all of Detroit; Mr. and Mrs. Walter Kosicky and daughter and Marvin Clements of Cleveland, Ohio, and Mrs. Harold Drake of Flint.

Mr. and Mrs. Walter Hellenberg and mother returned home from Detroit after being called there by the death of Mr. Hellenberg's brother.

Mr. and Mrs. Sanford LeClair attended the 50th wedding anniversary of her parents, Mr. and Mrs. J. F. Laver, at Manchester last week-end.

Last Saturday evening a 45th wedding anniversary dinner was held in honor of Mr. and Mrs. Harry Rollin at the cottage of Mr. and Mrs. Harry Eckinger in Wilber Township. Those present were: Mr. and Mrs. Alton Abbott and son,

Richard, and Mr. and Mrs. Arnold Rollin and children. Mr. and Mrs. Rollin received many useful and lovely gifts.

### East Tawas

(Continued from page 1.)  
Mr. and Mrs. E. R. Harmon visited in Detroit the fore part of last week with their son, Donald, and his wife and with their new granddaughter, Deborah Ann. Their son, who was on leave from overseas, has returned to Augsburg, Germany.

Attending the 10th district meeting of the American Legion and Auxiliary at Midland last Sunday from East Tawas were: Robert Harmon, 10th district commander; Dorothy Harmon, department membership chairman; Gertrude B. McGuire, fourth zone vice president; Miss Helen Applin and Mrs. Mildred Jarovetz, representing the local unit. Prominent speakers of the day were Andy Templeton of Detroit, department membership and Americanism chairman, and Mayor Tanner of Bay City.

Arvid Sedstrom, Aksel Hill and Martin Tanka of Detroit were here Sunday at their hunting cabin to get ready for deer season.
