The first action of the local club will be to undertake an activity to pay for football uniforms. Football has just been started at Whittemore-Prescott High School and a completely new outfit has been purchased for each boy. The club is planning to sponsor a local business football day on Saturday, October 26. On that I day, five percent of the gross receipts at each of the participating businesses will be given to the football uniform fund. The theme for the day will be "Support your businesses; they support your school." Businesses which are participating will have a sign in their window to that effect.

Featured speaker was Mrs. Benjamin Mukkula, an Upper Peninsula homemaker. She is one of the two women who represented the Michigan Home Demonstration Council at the Associated Country Women of the World Conference in Ceylon during July. Her talk was slide illustrated and told of the people, their homes and their problems in the Holy Land, Syria, Pakistan, India, Egypt and Ceylon. 'Promoting better understanding between homemakers of the world will help bring better understanding of world problems," said Mrs. Mukkula.

Another feature of the rally vas an outdoor chicken barbecue dinner at noon.

The morning session included eports of county activities by each of the county home demonstration chairmen. Edna Sommerfeld, district extension supervisor n home economics, discussed the ever widening scope of the home demonstration program.
