

## Aulerich Named Road Commissioner---

# Long Defeats Everett for Chairmanship of County Board of Supervisors

At the spring reorganization of the Iosco County Board of Supervisors, Glenn Long of Tawas Township was elected chairman of the new board for 1958, defeating Clarence Everett, Tawas City Third Ward supervisor, by the narrowest of margins, 10-9.

Everett had served as chairman for the past two years. Both men were elected to the board in 1951 by their respective constituents and Long was chairman

pro-tem of the board last year. On the first ballot Tuesday, Everett received a vote of 10-9 to act as temporary chairman starting the April session. The next secret ballot for permanent chairman for the year found Long gaining a one vote edge.

Named by the board of supervisors as chairman pro-tem was Supervisor Henry Oates of Alabaster Township.

In another contested ballot, Ar-

thur Aulerich of Reno Township was appointed as a member of the Iosco County Road Commission to succeed the late Harold F. Black. The other candidate for this post was Arden Charters of Whittemore. Aulerich won by a 12-7 vote.

A change was made in the number of meetings to be held annually by the board of supervisors. Instead of the required four sessions each year, the board has

added eight one-day meetings to its schedule. As a result it will meet the third Wednesday of each month.

Chairman Long said that the auditing committee had been meeting once a month to handle county bills and that the extra meeting day each month which will be attended by the entire board will allow it to handle any business which may come up between sessions.

Two bills were introduced recently in the house of representatives by Cong. Elford Cederberg requesting that a special postage stamp and silver 50-cent coins be issued in honor of the nation's pioneer lumberjacks. The stamps and coins would bear a likeness of the Lumbermen's Monument in Huron National Forest.

Congressman Cederberg's

bill asked that 25,000 silver coins be issued, being legal tender to the amount of par value, and be issued only on a request of the Tawas Kiwanis Club upon the payment by it of the par value of the coins. Net proceeds from the coins would be used by the club to defray the necessary expenses incurred by the club.

The two bills were read at Wednesday's session.

The Rev. O. James Crews, director of the Indian Ceremonial at Chapel Lake, addressed the board Wednesday morning. He said that the project was proceeding ahead of schedule and would be completed in time for its June 30 opening. An Indian pow-wow is to be held there May 23, 24 and 25 at which time a cast is to be selected for the summer season.

In the only other business handled thus far, Chairman Long

named the following committees: Claims and Accounts No. 1—Merlin Jordan, George Webb, John O'Farrell, Harry Cater. Claims and Accounts No. 2—Clement Stephan, Charles Smith, Wayne Pollard, William White. Equalization—Smith, Webb, Jordan, Oates. Finance and Apportionment—L. S. Little, Everett, Edward Bur. ## Kopmeier Opens USG Ore Shipping Season

United States Gypsum Company's ore shipping season at Alabaster started Monday night at 11 o'clock with the arrival of the Norman J. Kopmeier of the Boland and Cornelius Line. By 7 o'clock Tuesday morning the huge lake carrier was loaded and was on its way to USG's East Chicago plant. Skipper of the ship was Capt. George Sweet.

Originally, the "United States Gypsum" was the ship scheduled to open the shipping season at Alabaster but a long encounter with the ice jam in Lake Huron forced the ship to return to home port for more fuel.

The end was in sight early Monday for the ice field which had blocked navigation in Lower Lake Huron near Port Huron for more than a week. Warm sunshine weakened the ice and freighters, escorted by the United States Coast Guard icebreaker Mackinaw, went through the 14-mile barrier.

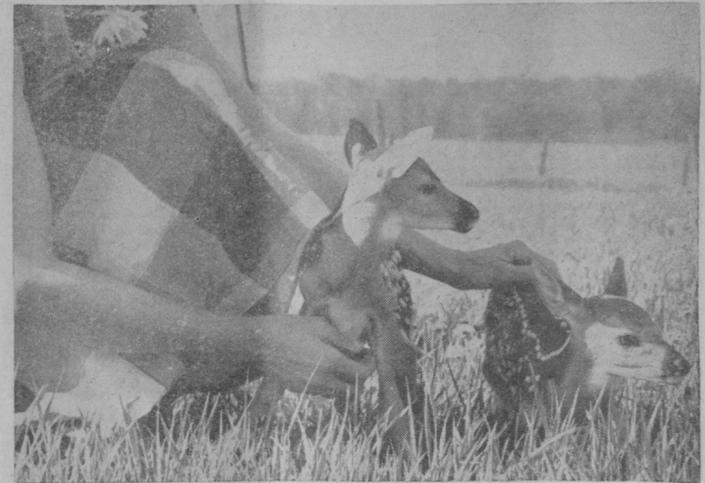

The Kopmeier, the largest freighter so far to enter the pack, made the slow trip through the ice Monday followed by three vessels.

Maynard VanOrnum, works manager at the USG plant at Alabaster, said Tuesday that a second ship is expected to dock at

the off-shore crib within the next two days.

The first ship was expected to dock at Alabaster to open navigation season here on April 2 but ice jams at Port Huron caused a delay of a number of days. In the meantime, the Alabaster quarry went into full production and soon had the crib in Saginaw Bay filled with rock.

Mr. VanOrnum said that the shipping season has opened several days later than in previous years. Last year the season opened April 8. The earliest loading was on a March 26 several years ago.

DON'T TOUCH—These are the words of wisdom that conservationists issue each year about this time to persons who find "lost" fawns along the back roads of Michigan's north country. In nine cases out of 10 these fawns are not "lost"—the doe's often only a short distance away. But here is where the trouble starts. Well-meaning persons pick up the fawns and either take them home (a breach of the law) or report finding a "lost fawn" to the closest conservation officer. The best advice that can be given, in most cases, is: "Do not touch any fawn—in fact move on about your business as quickly as possible." The picture above, never published before, was snapped several years ago by the Herald photographer. It proved to be a rather embarrassing situation when a carload of people stopped while photographs were being taken and, in spite of repeated warnings not to handle the fawns, did so anyway. As a consequence, the doe never returned to its brood.

## 200 Elementary Teachers Will Attend Meeting Here

Some 200 kindergarten through third grade teachers of Region Nine, Michigan Education Association, will attend a day-long early elementary institute at Tawas Area School April 18. Region Nine consists of the Counties of Roscommon, Ogemaw, Iosco, Clare, Gladwin, Arenac, Isabella, Midland and Bay.

Miss Clara Bolen, elementary supervisor at Tawas Area School, will have charge of the program. "We consider it quite an honor for Tawas to be chosen as the site for the spring session," said Miss Bolen. "It is the first time that an institute has ever been held here."

Following a coffee hour at the school cafeteria at 9:30 sponsored by the Tawas Area Parent-Teacher Association, the general session will be held in the auditorium.

Included in this part of the program will be music by the elementary school chorus, directed by Mrs. John Coyle; invocation by the Rev. Paul E. Sutton; R. E. Mick, superintendent of Tawas Area Schools, will welcome the teachers.

An address, "Meeting the Mental Health Needs of Young Children," will be given by Harold Telfer of Central Michigan College.

"Parents or members of the P-TA are invited to attend the morning session to hear Mr. Telfer talk on mental health problems," said Miss Bolen.

Lunch will be served to the elementary teachers at the school cafeteria.

A program on elementary social science will start the afternoon session. Mrs. Austin McGuire is chairman. It will include: "How a European Trip May be Used to Motivate Unit of Social Studies," by Miss Mabel Myles, Tawas Area Schools; "How A Unit Evolved," Mrs. Mark Defibaugh, Tawas Area (See TEACHERS, page 8.)

## East Tawas Plans Open House at Filtration Plant

Plans are now being made by the East Tawas City Council to hold open house at its new water filtration plant which will go into operation soon. Date for this event, which will be open to all residents, is to be set next Monday night at the council's regular meeting.

### Many Windows Damaged by B-B Gun Pellets

A representative of the Michigan State Health Department is to take laboratory tests of the water produced at the new plant next Monday night. Equipment at the plant is now being readied for a final inspection.

Mayor Elmer Werth said Tuesday that the new \$400,000 water filtration plant is about ready to go into production. "It should be all set by the end of next week, hinging on whether all equipment functions properly," he said.

Werth said that the grounds around the new plant would be landscaped after it goes into operation. Leonard Goss is the operator.

Work is now underway on construction of water mains which will tie in Tawas City with the East Tawas water distribution system. It is not expected that this work will be completed by the time the plant goes into operation.

Michigan State Police and sheriff's department officers are investigating the recent malicious destruction by a car-load of unidentified persons who damaged 16 windows in the Tawas area with B-B guns.

Police said that the first report of destruction came from Howard Dietzel of North US-23, East Tawas, on April 2. He said that a pane of glass in his home was hit by a B-B pellet and when he looked out the door a car was speeding north on US-23.

Similar reports on April 4 and April 6 came from 14 others in the Tawas area, including damage to plate glass windows in eight business places.

**PLAN FIREWORKS**  
At last Wednesday night's board of directors meeting of the Tawas Chamber of Commerce, authorization was given for the purchase of \$300 worth of fireworks for this year's Fourth of July celebration. The fireworks display will take place at the Waterways Commission Dock at East Tawas this year.

## W. H. Mills to Speak at P-TA Meeting April 21

William H. Mills of the University of Michigan will be speaking on "Parent and Family Life Education" at the regular Tawas Area Parent-Teacher Association meeting on Monday night, April 21, at 8 o'clock. He has BS and MS degrees in education from the University of Michigan, and is presently working on his doctoral degree in the field of elementary education.

Mr. Mills has taught in the sixth grade of the University of Michigan Elementary School and at present is assistant to the director and coordinator of directed teaching in the elementary school. Currently Mr. Mills is teaching courses in methods for elementary school teachers. Previous to that, he was in the army and taught in the school for medical department technicians at the army camp of El Paso, Texas.

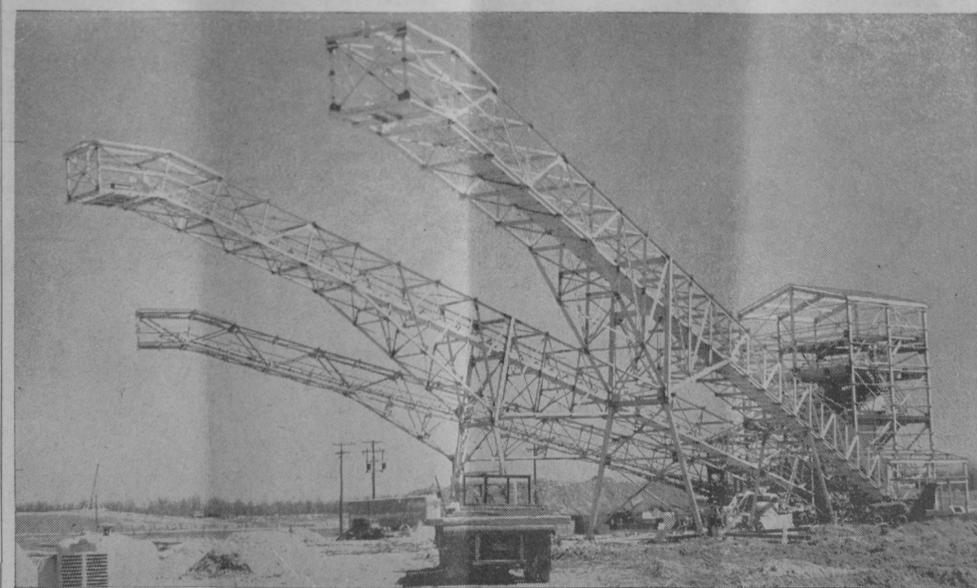

Mr. Mills has done Boy Scout work in Detroit and Toledo.

The high school art classes composed of students from grades nine, 10, 11 and 12 will exhibit their work. The exhibit will include charcoal drawings, poster designs, wood carvings, textile designs, copper sculpture, leather works, fashion designs, linoleum block printing, ceramic sculpture and water colors.

### Polio Inoculations

Approximately 80 polio shots in the second series will be given by Dr. E. A. Hasty, director of the district health unit, and County Nurse Irene Wight preceding the next regular P-TA meeting April 21, at 7 o'clock at the Tawas Area High School library.

This visit will be the last by Dr. Hasty until next fall when he will return to give third and final shots in this series.

SCREENING "HOUSE" AT SITE OF NATIONAL GYPSUM'S NEW QUARRY ON SAND LAKE ROAD

## National Quarry Ready by Summer

Work on National Gypsum Company's new quarry on Sand Lake Road south of M-55 is progressing on schedule. "Construction is moving along in very good shape and indications are that work will be completed in the next three or four months," stated Charles H. Hill, plant manager at National City, Tuesday.

Pictured above is the huge screening "house," located on the west side of Sand Lake Road, which will be used to separate the various grades of rock.

After the raw gypsum rock goes

through the primary and secondary crushers on the east side of the road, the rock will be moved over Sand Lake Road to the screening house by means of a conveyor belt.

There the rock will be separated into three classifications, gypsum for manufactured products, fines and cement rock. The three "arms" extending out from the structure will contain conveyor belts which will separate the different types of gypsum into three piles.

Facilities at this point will al-

low the different types of gypsum to be blended for various uses. From there the rock will be transported underground by conveyor belt to the rail car loading installation where it will then be moved either to the National City plant or to the lake loading site south of Tawas City.

Construction on the primary and secondary crusher installation has been underway for the past few weeks. An excavation about 60 feet deep will contain this equipment.

### Kotcher to Open New Restaurant About May 1

Milton Kotcher announced Tuesday that his new restaurant, The Driftwood Steak House, will open about May 1. The restaurant is located south of the Mathews Street intersection blinker light on US-23.

Contractor for remodeling the building was Kindell and Butzen of Tawas. George Rose, well-known Michigan restaurateur, will be chef.

### Rifle Slug Narrowly Misses Baldwin Woman

A Baldwin Township woman narrowly escaped injury Sunday morning while rowing a boat on Lake Huron. Mrs. Alice Walters told police that a .22 caliber slug went through the side of the boat and fell at her feet.

Police are now checking the stories of two youths who were seen in that area Sunday morning with a .22 caliber rifle.

A ballistics test is now being made at Michigan State Police headquarters, East Lansing, on the rifle which was in the possession of the boys to compare it with the slug found in the boat.

## Rollin Urges Parents to Support Scout Program

In a letter to parents of the area this week, County School Superintendent Russell A. Rollin called on the parents of teenage youngsters to attend a special meeting on Boy Scout organization April 23.

"We wish to draw your attention to some of the comments which we have been reading and hearing about our teen-agers," said Mr. Rollin. "Many news comments are made by parents of these same teen-agers without realizing that they are really discussing their own children."

"Our office often receives telephone calls and comments about the teen-age problem (if there is one) and many of these adults make a direct statement or question, 'Why don't they do something about it?' We immediately inform these people that THEY are the folks to whom they, themselves, are referring."

"One of the fields in which we all can do something to help a major portion of our boys is through a good, strong program of Boy Scouts. It is in regard to the possible information of such a program that you are being contacted. Most of you now have children and you should be interested in supporting and promoting a Boy Scout program."

"Will you please attend a community meeting to be held at Tawas Area High School at 8 o'clock Wednesday night, April 23. Will you assist in setting up such a program or will you be one of those who, in the next generation, will hear 'Why didn't THEY do something?'"

## School Pupils Are Guests at Wurtsmith

Third and fourth grade students at the East Tawas unit were guests of Col. Thomas N. Wilson at Wurtsmith Air Force Base Wednesday morning. Recently the youngsters participated in an experimental "rocket launching" in their school studies. This came to the attention of the base commander, who invited the children to Wurtsmith for a first-hand view of the air force's installation there.

The pupils heard a talk by Lieutenant Bergman of Wurtsmith, who explained the workings of air-to-air rockets now in use on Wurtsmith-based jet interceptors.

Among the adults who accompanied the group were Miss L. McLean, Mrs. Francis Dorey, the Rev. Ralph Edwards, Richard Powers, W. C. VanWormer and Mrs. Alice Defibaugh, teacher.

### PIGGY BANK ROBBER HELD AT IOSCO JAIL

A 23-year-old Burleigh Township man, Jack Griffith, who confessed last week that he had broken into the James Belson home in Burleigh Township and stole a piggy bank, was bound over to circuit court and is being held at the county jail. He admitted two other breaking and entering in the same area.

Griffith entered the Belson home by way of a garage window while the family was away. Trying to find money he thought to be there, he searched the home. He confessed the theft of money from the piggy bank after being confronted by sheriff's department officers.

## Park Board OK's Equipment Purchase

Monday night the Tawas City Park Board authorized Reginald Bublitz, superintendent of public works, to purchase additional playground equipment for the city park.

The new equipment will include teeter-totters, a merry-go-round, etc. Walter Champion was authorized to paint lines on the shuffle board courts and local hardware stores are to carry equipment for use on the courts.

Five picnic stoves will be placed in the park, plus new park benches.

Superintendent Bublitz said that the beach and park will be soon be ready for the summer season.

The Ann Arbor Sports Car Club will stop May 17 in East Tawas on a scheduled run to Mackinaw City for gas and lunch in the state park.

### Alabaster Township Has Installed Road Signs

Alabaster Township has completed the installation of road-naming signs at nearly all intersections within the township, it was announced Tuesday by Supervisor Henry Oates.

Oates said that some 22 signs had been installed. Signs were manufactured by Michigan State Industries at Southern Michigan Prison.

### TAWAS DRIVE IN OPENS

Reopening for the week-ends of April 18, 19, 20 and April 25, 26 and 27 will be the Tawas Drive In Theatre, located on US-23 north of East Tawas. The Tawas will re-open for the season May 2.

## Entertained with Dinner at IOOF Temple

The Past Noble Grands, their husbands and friends of Irene Rebekah Lodge and the Past Noble Grands and wives of the Baldwin Lodge, IOOF, met at the Odd Fellows Temple last Thursday evening for a 6:30 dinner. The invocation was given by Russell McKenzie. Master of ceremonies was Byron Brooks, who gave the welcome. He introduced Mrs. Muriel Davidson, president of the Past Noble Grands Club, who gave remarks. Also responding to introductions were Eugene

Hanson, past grand master, and Mr. McKenzie, past grand master and grand treasurer of IOOF Grand Lodge of Michigan.

After separate meetings, the members and guests enjoyed color films presented by Charles Martin on a trip to Florida last December and Arthur Evans on a trip to Western States last summer.

The evening's entertainment also featured a variety of games with prizes.

The span of life is too short for any man to learn enough to brag about.

## Fire Fighters Ready

Conservation Department crews get fire fighting equipment into condition for distribution to "keymen," 1,000 private citizens throughout the state who aid the Department in discovering and controlling forest and grassland fires. This group, coupled with the Department's full-time force of fire fighters and mechanized equipment, keeps fire losses to a minimum.

### 40 YEARS AGO—

## Guild Purchases Hangings for Lectern

St. Mary's Guild of Christ Episcopal Church met Tuesday, April 8, in the parish hall for its regular luncheon meeting. Devotions were given by Mrs. Paul Sutton followed by the business meeting in charge of Mrs. Arthur Buckman, president.

Hangings for the lectern and pulpit have been purchased by the guild and are being made by Mrs. Richard Jennings, the former rector's wife. Tentative plans were made for a bake sale, rummage sale and card party. Mrs. George Gifford presented the program, "Our Anglican Sisters." Hostesses were Mrs. George Rice and Miss Margaret Fitzhugh. The luncheon table was centered with pink geraniums and pink candles.

On Monday, April 21, in the parish hall of Christ Episcopal Church at 6:30 p. m. there will be a farewell party in honor of Mr. and Mrs. Conrad Carlson. The dinner is a planned pot-luck with everyone bringing a passing dish and his own table service. Everyone in the parish is welcome to attend.

## PLANS MADE FOR ANNUAL MOTHER-DAUGHTER BANQUET

Grace Lutheran Ladies Aid met at the church last Thursday evening with President Betty Vaughan in charge. The president led the devotionals with Mrs. Patience Nash at the piano. Appropriate hymns to the devotional theme were used. At the business session, plans were made for a mother-daughter banquet to be served on Thursday, May 8. Plans were begun for a summer bazaar, the sewing group to meet at the home of Mrs. Vaughan on Monday, April 28, at 8:00 p. m.

The aid planned to purchase red paramounts for the altar and pulpit. The violet set was purchased recently so the ladies have the complete set of four paramounts amounting to over \$500.

After the meeting, refreshments were served by Helen Nash, Thelma Montgomery and Audrey Lee. The table centerpiece was an arrangement of colored Easter eggs and bunnies. Pink candles were used. Fruit salad, assorted crackers and coffee were served.

## MRS. JOSEPH DIMMICK HOSTESS TO HOPE CIRCLE

Mrs. Joseph Dimmick was hostess to the Hope Circle of the East Tawas WSCS on April 8. In charge of devotionals and program was Mrs. Ralph Edwards. Her topic was "Easter is Behind the Cross." The business meeting was conducted by Mrs. Elwyn McCall, chairman of the circle. The serving committee was composed of Mrs. Dimmick, Mrs. Mildred Patterson and Mrs. George Knickerbocker. The table decorations were in the Easter motif. The hostesses served angel food cake with whipped cream and coffee.

## Cancer Society Needs Volunteer Workers

Volunteer workers are urgently needed for the Tawas City Cancer Crusade which begins Thursday, April 17. Anyone interested is requested to contact Mrs. E. A. Rolls, Tawas City.

## APPREHENDED FOR DESTRUCTION OF PROPERTY

Two East Tawas youths, aged 11 and 12 years, were turned over to their parents after having been apprehended on a malicious destruction of property charge. The two youths admitted breaking into 58 windows in a cottage north of East Tawas owned by Genevieve Bye of Midland. Restitution is to be made by the parents.

## Northland Films to be Presented at St. Mark's Mission

St. Mark's Episcopal Mission at Hale will sponsor a benefit movie presentation at Hale Community Building, Thursday, May 1, to raise funds for mission activities.

Dale Bush, Hale superintendent of schools, is in charge of arrangements.

Bert Stoll of East Tawas, Northland Films outdoor writer for the Detroit Free Press and Midland Daily News, will present his two latest Canadian movie films in color. "Gunnar Progress" film, filmed and produced by Stoll and his son, Peter, of Clawson, depicts operations at Gunnar uranium mine on the rugged north shore of Lake Athabaska in far northern Saskatchewan in the Canadian north country.

Besides showing uranium mining operations in the world's first "open pit" uranium mine, the film also shows life in a far northern mining community.

Stoll's second film includes Arctic graying fishing on Fond du Lac River in the Stony Rapids area of far northern Saskatchewan, bush flying in the Cassiar mountains in northern British Columbia, and wilderness travel in the Canadian Northwest including glimpses of life with primitive Indians at Bear Lake with their 25-foot dugout canoes made from poplar tree trunks.

Films will be presented at 8 o'clock May 1. Tickets for the mission benefit will be 50 cents for adults and 25 cents for students and children.

## Faith Circle Meets with Mrs. Hughes

The East Tawas WSCS Faith Circle met at the home of Mrs. Glenn Hughes Tuesday evening, April 8.

Devotionals and program was in charge of Mrs. Elmer Durant. She carried out the theme, "Feed My Lambs," in prayer, Scripture and discourse. Appropriate hymns were used. Mrs. Clyde Baube, president of the circle, led the business session.

Hostesses serving refreshments were Mrs. Hughes, Mrs. Baube and Mrs. Robert Harmon. The serving table was centered with pussy willows and dogwood blossoms. Yellow candles were used.

## St. Mary's Guild to Meet April 22

St. Mary's Guild will meet Tuesday, April 22, at 1:00 p. m. in the parish hall of Christ Episcopal Church. Members are requested to bring a sandwich.

## CHRISTIAN SCIENCE—

The spiritual relationship of God and man will be brought out at Christian Science services Sunday in the lesson-sermon entitled "Doctrine of Atonement."

Scriptural selections to be read include the following from John (17:1, 20, 21): "These words spake Jesus, and lifted up his eyes to heaven, and said, Father, the hour is come; glorify thy Son, that they also may glorify thee: Neither pray I for these alone, but for them also which shall believe on me through their words; That they all may be one; as thou, Father, art in me, and I in thee, that they also may be one in us; that the world may believe that thou hast sent me."

Readings from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will include the following (336:25-26): "God, the divine Principle of man, and man in God's likeness are inseparable, harmonious, and eternal."

### Smelt Dipping Time

Smelt spawning runs are a sure sign of spring in Michigan as thousands of persons line streams to dip these tasty little fish each year. Dip nets, not more than five feet in circumference, may be used to take smelt from designated Michigan streams during the March 1-May 31 season. A list of these streams can be obtained from Conservation Department district offices.

### Only a Few Days to Apply for Wool Incentive Payments

By MARVIN DAVENPORT  
Iosco Agricultural Agent

Iosco County sheepmen have only a few more days in which to apply for incentive payments on wool sold prior to April 1, 1958. April 30 is the deadline.

The county agricultural stabilization and conservation office at the Federal Building, East Tawas, has application forms.

The application will cover wool sold during the period, April 1, 1957, to March 31, 1958.

Graydon Blank, extension sheep specialist at Michigan State University, has reported that ASC records indicate that many sheepmen are not making application for payments on the wool produced by lambs they sold.

Payments are available for the production of unshorn wool and is based on the amount of weight that the producer puts on the lambs during the period that he owns them. To be eligible for this payment, the individual must have owned the lambs for at least 30 days.

Black rot, a common grape disease in Michigan, has been a problem for backyard gardeners in Iosco County.

Plant disease control specialists at Michigan State University say that the disease reaches epidemic proportions in at least one out of every three years.

The final disease of the fruit is a mummified black berry, its surface studded with small, black, pipe-like bodies of the fungus. Grape growers who were hit by the disease last year may recall these dried up berries on the vines.

Both management and spray programs are needed to control the disease. A new Michigan State University folder describes the disease and tells how to control it. Copies of the folder F-256 are now available free of charge at the Extension Service in the Federal Building, East Tawas.

Overplanting is the most common error made by amateur "landscapers," believes Joseph T. Cox, extension specialist in landscape architecture at Michigan State University.

A natural impatience to fill empty spots quickly—before proper size plants have a chance to mature—may cause people to plant too much and choose materials that grow too fast, without taking into account their ultimate size.

Cox points out that a foundation can either add or detract from the value of a house. To help owners of new homes that need to be landscaped and for those who want to redesign their landscape plan, Cox offers this general guide.

Draw two lines, beginning at the middle of the front doorstep. Run one line to each front corner of the house ending at a height halfway between the eaves and the ground. Foundation plants, when they are full grown, should fall within these lines.

If the door is in the center of

### STRICTLY BUSINESS by McFeatters

"A space salesman to see you, sir!"

the house, the lines may be symmetrical; if the door is to the side, one line will rise more steeply to the corner, indicating that taller plants on that side will help achieve a balanced effect.

Cox says the important thing is that the plantings be balanced visually. But this does not mean that you need to use exactly the same plants on each side. It is a matter of balancing mass rather than form.

If you would like your house to appear wider, place plants beyond the corners of the house that will grow to a height within a continuation of the lines from the door step.

Cox says that although there seems to be a preference for evergreens these days, the twig coloring and winter effects of many deciduous shrubs are equally interesting. But if evergreens are used, plant species like yew, juniper and holly. These plants offer varieties that will grow only to the height you desire.

Avoid full-sized trees, such as hemlocks and pines. Except for small flowering species like dogwood and the flowering crab which may produce a pleasant effect at the corner of a house, trees have no proper place in foundation planting.

In general, with modern houses foundation plants should be low and spreading. Low plants are especially desirable at doorways and under windows, unless the house has a high foundation.

### Rainbow Group Discusses Michigan Tax Problem

The Rainbow Farm Bureau Group met April 10 for its regular meeting. The discussion for the evening centered around the topic, "Are Taxes Driving Industry Out of Michigan?"

A meeting in Standish, April 24, on "Civil Defense for the Home" was announced. The district meeting of the women is to be held at Hale April 25 at 10:00 a. m. at which a pot-luck dinner will be served. Anyone interested is welcome.

### Price Appointed Public Health Regional Director

Melville H. Hosch, regional director of the Department of Health, Education and Welfare Regional Office in Chicago, announced the appointment effective July 1, 1958, of Dr. Arthur B. Price as regional medical director for the Public Health Service, Region V, which serves the States of Illinois, Indiana, Michigan, Ohio and Wisconsin. Dr. Price will replace Dr. Harold M. Graning, who is transferring to the same position in the New York region of the department.

This is a double "homecoming" for Dr. Price, who was regional medical director in the Cleveland regional office of the department from 1949 to 1951 and the department regional director in Chicago from 1951 to 1953. His most recent position was chief medical consultant to the Division of Disability Operations, Bureau of Old-Age and Survivors Insurance, Social Security Administration, in Baltimore, Maryland, where he developed medical standards used in the evaluation of disability conditions. In this position, he worked closely with the American Medical Association and State Medical Societies, and prepared several articles for medical publications informing physicians of their role in supplying medical evidence needed in evaluation of physical impairments under the disability provisions of the Social Security Act.

Dr. Price received his MD from Northwestern University School of Medicine in 1932 and his MPH from Johns Hopkins in 1939. After entering the Public Health Service in 1934, Dr. Price had hospital duty (mainly surgical) in PHS Hospitals in Seattle, San Francisco, Norfolk, and in the United States Coast Guard Academy Hospital in New London; also periods of duty as venereal disease control officer in Arkansas and Louisiana; service with the Office of Defense Mobilization, and in quarantine and immigration duty at Terminal Island, California.

## Mrs. Lane President of Tawas Women's League

Election of officers was held at the meeting of the Tawas Women's League Monday, April 14, at the home of Mrs. Will Peters in East Tawas. Mrs. Leon Hock and Mrs. Louis Gorham assisted the hostess.

Officers elected were: Mrs. Stanley Lane, president; Mrs. Eil Minard, vice president; Mrs. Lee McGee, recording secretary; Mrs. Robert Richter, corresponding secretary, and Mrs. Edward Rima, treasurer.

Final plans for the annual dinner dance were made. The affair will be held June 7 at the Wabun. The Aris Woodward orchestra of Saginaw will furnish music and entertainment. Reservations for members and guests may be made by calling Mrs. Peters.

The next meeting will be held April 28 at the Barnes Hotel. It will be a social and fun night.

## Attend District Garden Club Meeting

The East Tawas Garden Club meeting of April 14 was canceled due to the annual district six meeting held at the Bancroft Hotel last Monday. Attending from the local club were: Mrs. Harvey Watson, president; Mrs. L. G. McKay Sr.; Mrs. Herbert Hertzler; Mrs. Frank Wilkusi, and Mrs. Lewis Besancon. After the coffee hour in the industrial room, the annual business meeting was presided over by the district president, Mrs. Rex Gunnell.

Luncheon was served at noon in the Crystal Ball Room. Decorations were sweet peas in pastel shades in cyclone lamps. In the afternoon Mrs. J. B. Otto of Ohio presented a program on "Flower Arrangements" and "Blueprint of Spring."

The next meeting of the East Tawas Garden Club will be held in the newly-remodeled Literary Club rooms on the evening of May 12.

## Juniors to Present Three-Act Comedy

Juniors of Tawas Area High School are presenting a three-act comedy April 24 and 25 in the Tawas Area gymnasium at 8:00 p. m. The name of this rollicking comedy is "Rest Assured." The play begins in the living room of the Morlock home where Mr. Morlock, a self-centered "old goat" who is interested in nothing but money, will not give Joe, a poor-meat cutter's son, permission to marry his daughter, Luigi, Joe's father, who died because of a fight with Mr. Morlock, gets permission to come back to earth as a spirit and haunt Mr. Morlock until he gives his permission for the wedding. This all adds up to a hilarious but interesting play.

## Engagement Announced

Of interest to East Tawas residents is the announcement of the engagement of James Teare Reid of Bay City and Miss Dona Mae Rodgers of Saginaw. Mr. Reid is the son of Mrs. Thomas Reid, the former Miss Kate Teare of East Tawas. The bride-elect is the daughter of Mr. and Mrs. Lewis Rodgers of Saginaw. A June wedding is planned.

## Tawas School Chorus Entertains Quota Club

Fifty members of the Tawas Area School Chorus entertained members of the Iosco Quota Club Monday noon at the Barnes Hotel. Several selections were presented which were enjoyed by the club members.

There is only one way to make an honest dollar.

## Pontiac Church Scene of Double Ring Ceremony

MRS. CHARLES R. BINDER

In a candlelight ceremony Saturday evening, March 29, Miss Jean Martha McLeod of Pontiac and Charles R. Binder of Tawas City exchanged wedding vows. The Rev. Milton H. Bank performed the double ring ceremony in Central Methodist Church in Pontiac before 200 guests.

Parents of the bride are Mr. and Mrs. Gordon M. McLeod of Pontiac and the bridegroom is the son of Mr. and Mrs. Russell W. Binder of Tawas City.

The bride wore a gown of Chantilly lace and tulle over white satin which her twin sister, Mrs. Robert Hutton Jr., also wore for her wedding. It featured a portrait neckline, long, pointed sleeves and a bouffant skirt accented with side panels of lace. Her headpiece of matching silk and lace secured a fingertip veil of silk illusion and she carried a lace-covered Bible with a white orchid and hyacinth petals.

Mrs. Jack Harrigan of Mt. Pleasant was matron of honor and Miss Sally Strawvine of Corunna was maid of honor. Both wore gowns of white dotted organza over maize taffeta with full skirts featuring bands of maize. Taffeta bandeaux held tiny nose veils. They carried star-shaped arrangements of white hyacinth and miniature yellow roses.

Serving as his brother's best man was Robert Binder of Tawas City. Kenneth Rollin of Tawas City, Charles Wilson of Okemos and John Engstrom of East Lansing seated the guests.

For a reception in the church parlors, Mrs. McLeod chose an ice blue embroidered silk organza sheath dress with matching satin trim, blue accessories and a white cymbidium orchid corsage.

The bridegroom's mother wore a navy silk dress with white trim, matching accessories and a corsage of white cymbidium orchids.

Before leaving for Northern Michigan, the bride changed to a powder blue wool sheath dress with navy accessories and the orchid from her bridal bouquet.

The new Mrs. Binder attended Central Michigan College and the bridegroom attends Lawrence Institute of Technology.

Mr. and Mrs. Daniel McGuire, who have been vacationing in Florida during the winter, have returned home.

The Luther League District Convention will be held in Lansing next Sunday afternoon.

Leaguers from here will attend services in Bay City on their way. Mrs. O. Christeson left Wednesday for Detroit where she will visit with her son, Norman, and his family.

Mrs. Sara Graves, who was vacationing in Florida, suffered a fall which resulted in a complicated broken hip and other injuries. She will be at the Miami Hospital for several weeks.

Robert Jones left last Thursday for Fort Sam Houston, Texas, where he will be stationed for 16 months. He was on a furlough after being in army basic training at Fort Leonard Wood, Missouri. Robert is the son of Mr. and Mrs. Edgar Jones of East Tawas.

William Turnbull of Detroit was a guest of his sister, Mrs. Arthur Evans, and family during the past week.

Mrs. Martha Flint is suffering from a broken limb sustained in a fall at her home on West State Street.

Mrs. Grace Miller has returned from a week's visit with her sons, Allan, Charles and Kenneth, in Detroit.

The Rev. Philip Nelson, pastor of Messiah Lutheran Church of Bay City, will occupy the pulpit at Grace Lutheran Church next Sunday morning at 11:15.

Word was received recently by Robert Wilder that his niece, Mrs. Lucille Smith, teacher at Alma, was killed in an auto accident near her home on Newark Road at Lapeer Saturday, April 5, while on her way to do her shopping at Lapeer.

## Mrs. Metcalf Honored in 'This is Your Life' Program

TAWAS HERALD PHOTO

Shown receiving a corsage is Mrs. Frank Metcalf of Tawas City, right, who was honored in a "This is Your Life" program last week by the Twentieth Century Club. Pinning the corsage is Mrs. Archie Ruckle, chairman of the program.

The Twentieth Century Club enjoyed a "This is Your Life" program last Wednesday night. The meeting was held in the Tawas Area School library with 41 members and guests present.

Mrs. Frank Metcalf was the surprised honored guest and Mrs. Archie Ruckle was chairman and master of ceremonies for the program.

Friends and neighbors of Mrs. Metcalf were present for the program, also her son, Melbourne Metcalf, and his wife.

A life history, sent by Mrs. Metcalf's children, was read and many interesting stories were told with witty additions from Mrs. Metcalf. The family came here in 1927 from Illinois where the late Rev. Frank Metcalf was called to be pastor of the Tawas

City Baptist Church. The family enjoyed a "This is Your Life" program last Wednesday night. The meeting was held in the Tawas Area School library with 41 members and guests present.

At the business meeting, the following officers were elected for the ensuing year: President, Mrs. Charles VanHorn; first vice president, Mrs. R. E. Mick; second vice president, Mrs. Elizabeth Holland; secretary, Mrs. George Rice; treasurer, Mrs. C. L. McLean.

It was voted to raise the club dues to \$3 a year. A social hour was held with refreshments served by the hostesses, Mrs. George Myles, Mrs. William Gregory and Mrs. P. N. Thornton.

## BUILDING FOR THE FUTURE... YOUR Job, Too!

For 48 years the Boy Scouts of America has been working to prepare our young men for the future . . . to build better citizens. The Boy Scouts of today are the leaders of tomorrow . . . a large part of our country's security rests with them. We salute them for their outstanding work.

Almost every boy wants to be a Scout . . . they can't in the Tawas and Iosco County because the facilities just are not available! Scouting here is up to YOU! If you are a father of boys of Scout age, community minded citizens, or just interested in seeing the boys get a break, ATTEND an important Scouting meeting at the Tawas Area High School, next Wednesday, April 23, at 8:00 p. m.

# Tawas Thinclads Lose to Oscoda in Dual Meet

Tawas Area thinclads came out second best in their first meeting with Oscoda in a dual meet held at Furtaw Field, Oscoda, Saturday afternoon. The winners totaled 87 and two-thirds points to the losers' 42 and one-third.

Piling up points in the running events, Oscoda overcame an edge held mid-way in the meet by Tawas.

Scoring was as follows:

Tawas dominated the 120-yard high hurdles with Dwayne Ulman winning first with a time of 17.9 seconds; Richard Huck and Peter Bolen, both of Tawas, with time of 18.8 and 20.2 seconds respectively.

Oscoda won the medley relay with an elapsed time of two minutes, 52.3 seconds.

The 100-yard dash was won by Doby of Oscoda with a time of 10.7 seconds, followed by team-mate, Crooks, with 11.2. Woolhiser of Tawas was third with 11.5.

Oscoda completely dominated the one mile run and the brilliant run by Parsons in five minutes, 7.7 seconds was one of the afternoon's features. In second place was Kit Silver of Oscoda with a time of five minutes, 23 seconds. Dan Ropert was third with five minutes, 37.8 seconds.

Mayer of Oscoda won the 440-yard dash with a time of 60.7 seconds. He was followed by Guyette of Tawas, who ran in 61.4 seconds and Silver of Oscoda, 62.4.

The 180-yard low hurdles was won by Dwayne Ulman with a time of 14.5 seconds. Woolhiser and Huck, both of Tawas, placed second and third with times of 14.7 and 14.8 seconds, respectively.

Crooks of Oscoda was the winner of the 220-yard dash with a time of 24.9 seconds. Hohman of Oscoda was second with 25.7 and Moore of Tawas, 27 seconds.

The 880-yard run was dominated by Oscoda, Richardson crossing the finish line first in two minutes, 23.7 seconds. Schorhaar was second with two minutes, 27 seconds and Huggard third, two minutes, 33.7 seconds.

Tawas won the 880-yard relay by default.

In field events, Secosky of Oscoda won the shot put with a heave of 40 feet, 7 1/2 inches. Wilkiski and Cybula of Tawas were tied for second with 35 feet.

Dwayne Ulman won the high jump with a distance of four feet, nine inches. Ray Guyette of Tawas, Hohman and Heinz, both of Oscoda, were tied with four feet, six inches.

Oscoda took two places in the broad jump. Rose in first with 18 feet and Richardson second with 17 feet. Peter Bolen of Tawas was third with 16 feet, 9 1/2 inches.

The pole vault was won by Hohman of Oscoda with a jump of nine feet, three inches. Guyette of Tawas and Silver of Oscoda were tied at nine feet.

**GET READY FOR CLEAN-UP DAYS**

April 29 and 30 are clean-up days in Tawas City. Reginald Bublitz, superintendent of public works, urges all home owners to have their yards and gardens cleaned up prior to those days so that city trucks may haul all rubbish away. Rubbish should be placed in a spot easily accessible to trucks on April 28.

**YOUNG FARMERS LAUDED BY AG SECRETARY**

"It was quite an inspiration for me to have your group of young Michigan farmers here in Washington," stated Charles Figy, assistant to the secretary of agriculture, in a letter to Marvin Davenport this week.

"I know that Secretary Benson enjoyed them very much, too. As a county agent you can be proud of the work you have done with a group of young people like this. If we had more of this type of work with young people who have an open mind and are trying to make an unbiased approach, I am sure the country would benefit," stated Mr. Figy.

Davenport said that the compliments go to the young farmers like Charles Timrock of Tawas Township, "who certainly impressed Vice President Nixon, Secretary Benson and other dignitaries in our federal government."

# INTERCEPTED LETTER

Dear Mort Neff,

After watching your program last Thursday night, this writer is of the opinion that the legislature acted a little hasty when it allowed the "pay as you shoot plan" for Michigan hunters. That was a massacre.

It is too bad those tame Hungarian quail, or what ever they were, don't come equipped with machine guns. In the eyes of this writer that little foray was disgusting—about the same as the fisherman who follows conservation department tank trucks and snags liver-fed trout the minute they hit the water, or the hunter who baits deer in the fall.

You called those hunters sportsmen ... phooey!

Disgusted.

Most of us would be better off if we worked less, made less and spent less.

### New Food Boosts Trout

It's feeding time at the Conservation Department's Wolf Lake fish hatchery as some hungry trout get a serving of dry food pellets. Development of this pelleted fish food has doubled fish plantings because the new food produces faster growth at less expense than former methods. During 1957, some 2,560,000 hatchery trout were released in Michigan lakes and streams.

### Checks Outcome of 1957-58 Winter Sports Season

Michigan Tourist Council officials this week took time out from summer vacation promotion to check the outcome of the state's 1957-58 winter sports season.

"They found that state-wide winter vacation travel at least equaled that of last year. And some areas, notably those in the Upper Peninsula, reported attendance increases up to 50 percent."

"But in this business, where success so often hinges on a shift in the wind, increases usually are spotty," said Robert J. Furlong, council executive secretary. "While a number of Upper Peninsula ski centers reported the volume of visitor skiing the best in their recreational history, some areas south of the Mackinac Bridge suffered from a lack of snow despite their location in the heart of Michigan's snow belt."

"All things considered, however, the end-of-season census adds up to another successful winter travel year for Michigan."

His conclusion is based on reports from the state's four regional tourist associations and individual winter resort operators.

Factors responsible for the success of this year's winter sports business, according to Furlong, were a longer season—Caberface reported 13 week-ends of skiing—more consistently good skiing made possible by the use of snow-making machines at six Michigan ski centers, a wider range of facilities appealing to winter sports enthusiasts other than skiers and more intensified promotion of their winter vacation offerings by both local and regional groups.

He also pointed out that while the rate of increase in the number of Michigan winter sports areas (there were 64 in operation this year) is expected to level off somewhat, resort operators now have their sights set on a seven-day ski week and are gearing expansion program for next year accordingly.

SWEDISH-STYLE TREAT—Hamburgers prepared from a Smorgs-bord meat-ball recipe is something different and so very delicious. Simple to prepare and tasty, too!

### Enjoy 'Swedish-Flavored' Easy-to-Fix 'Burger Dish

With summer comes the mass movement toward outdoor living... playing, working and eating in the open air! Treats that fit perfectly into outdoor menus are "Swedish Burgers." Good ol' American hamburgers take on an international flavor with the seasonings used in smorgasbord meatballs. This recipe, developed in Carnation Company's test kitchens, boasts an interesting and unusual flavor. Blended with smooth evaporated milk, these hamburgers are firm-textured, stay moist and juicy. So try them for your next patio or backyard picnic.

**SWEDISH BUNBURGERS** (Makes six servings)  
Two-thirds cup (small can) undiluted evaporated milk  
1 egg  
1 1/2 pounds ground beef  
1/2 cup fine cracker crumbs  
1/2 teaspoon salt  
1/4 teaspoon pepper  
1/2 teaspoon nutmeg  
1/2 teaspoon cloves  
1 tablespoon finely chopped onion  
1/4 cup finely chopped parsley

1/4 cup finely chopped celery  
6 hamburger buns, split in half  
Combine evaporated milk, eggs, beef, cracker crumbs, salt, pepper, nutmeg, cloves, onion, parsley and celery. Blend together until well mixed.  
Form meat mixture into 12 thin patties (about one-third cup each). Place each patty on hamburger bun half, covering completely. Place hamburgers on broiler pan. Broil five-seven inches from heat for five to seven minutes (or to taste).

If your family fancies meat loaf, try this same meat mixture baked in a loaf pan.  
Add one cup grated carrots to ground beef along with the celery, parsley and onion. Cut a medium-sized green pepper in strips and place in bottom of wax paper-lined 8 1/2 x 4 1/2 x 2 1/2 inch loaf pan. Sprinkle with one tablespoon brown sugar.

Press meat mixture into pan over green pepper. Bake in moderate oven (350 degrees) about one hour. Let loaf stand in pan 10 minutes. Turn out on serving platter and slice.

## 4-H Clubs

By DOROTHY SCOTT Home Demonstration Agent

The unusually fine weather in March resulted in an urge to begin vegetable and flower gardening activities. 4-H Club members have not been an exception. Bulletins and record cards have been provided Mrs. John Webb, who will be project leader for girls and boys in Hale.

Selection of seeds, preparation of soil and planting are first project activities. Soon there will be insects and diseases to control. Far-sighted club members and leaders will be prepared with suitable sprays or dusts. If they "pool" their needs, sizeable savings in the cost of these materials can be made.

will be out with nets to capture specimens for their collections.

Spring is the time, too, to begin extra attention with the animals in livestock projects. It will not be long until fair time and all boys and girls in these projects will want to exhibit their animals. To win blue ribbons the animals must be well behaved, well fed, well groomed and the owner must be able to "manage" it in the show ring.

Parents can often prevent accidents in the home and save their children by thinking ahead and removing attractive, dangerous gadgets.

It should be remembered that the United States can sell its goods to other nations only if it is willing to buy something in return.

### Social Security Agent Here Thursday, April 24

People receiving social security benefits are permitted to earn up to \$1,200 a year and still draw all their monthly checks, according to Paul M. Ellifritz, manager of the Bay City Social Security office. They can earn between \$1,200 and \$2,080 and still receive payments for some months in the year, he said.

For those beneficiaries who earn more than \$1,200 there is a form especially prepared for them to use in reporting their earnings to the Social Security Administration. This report must be filed before April 15 of the year following that in which the beneficiary earned over \$1,200. For those who make their tax reports on other than a calendar year basis, the deadline for reporting is three months and 15 days after the end of the taxable year. This annual earnings report is not necessary for any year after the year in which a recipient of social security benefits reaches age 72, Mr. Ellifritz added.

Representatives from the Bay City Social Security office will be at the Federal Building in East Tawas, Thursday, April 24, at 10:30 a. m. Anyone desiring information about social security or wishing to apply for benefits may contact them.

**Calendar:**  
Tuesday, April 15—Lamp shade workshop at Reno Township Hall.  
Monday, April 28—Home Demonstration Achievement Program.

"Freeze yourself some spare time" is the program theme for this year's annual county-wide home demonstration get-together. You are invited to participate in this learn-how event, whether or not you are a member of a group, and most especially if you have a home freezer.  
Ruth Crapper, Consumer Power Company home service advisor, will present the demonstration and arrange a display of freezing materials and supplies.  
Each of you is asked to write out special questions or problems and put them in the question box. A discussion period will be included.  
Save Monday, April 28. That is

the date for the program. Come to the Consumer Power Company office in Tawas City by 8:00 p. m. Surprise packages will be awarded several "lucky numbers."

Remodeled or converted lamps and lamp shades will be a second program feature. These projects have been completed by women enrolled in special workshops. Pointers on getting the most light from lamps are to be given by Harold Hammond and Miss Crapper, both of Consumers Power Company.

Home demonstration groups will be hostesses, arrange the lamps display and serve refreshments. Remember, you are invited. We hope you will come.

Next meetings of home demonstration groups will give emphasis to the subject of understanding young children. Leaders considered the topic at their training meeting with a Michigan State University family life specialist, Ben Ard, last week.

Leaders for these groups were present: Bureleigh Gadabouts, Eva Ruckle, Vera Gay; Tawas Homemakers, Barbara Adams, Nancy Hackborn; Wilber E-Z-Do-It, Ida Olson; East Tawas Arts and Crafts, Billy Botsford; Laidlawville, Johanna McLeod, Sophie Proudfoot; Reno, Marion Daugharty, Lillie Ranger, Marjorie O'Dell.

Many intelligent, physically fit drivers have accidents—the records show this to be true. None of these people actually want accidents, but they get trapped by their attitudes.

Are you annoyed when an oncoming car fails to dim the lights, when a car cuts in ahead or when a car is traveling too slow? Do you blame accidents on physical things, such as speed, alcohol or on others?  
Are you honest with yourself? Really, now, everyone who drives contributes to the traffic problem—some more than others. We can all make a good start in solving many of our traffic problems by improving courtesy, lawfulness, alertness and responsibilities in our own driving.

Blankets, wool or synthetic, can be machine washed if conditions are carefully controlled. Most labels and washing equipment direction books give needed information. In general, these points are emphasized: Reduce agitation to a minimum, one minute or less; better yet, soak the blanket in a large amount of water, turning it once or twice by hand.  
Use warm, not hot water (100 degrees Fahrenheit). Use a mild soap or synthetic detergent. Rinse completely. Do not wring blankets, it causes wrinkling.  
Blankets are dried by hanging across two lines to distribute weight, or may be dried in the automatic dryer using the lowest heat and a short drying period. Brushing the clean, dry blanket makes it softer, raises the nap for greater warmth.

Salvage an old door—a flat one with no moldings. Cut it to size and refinish it as a new coffee table. Legs of various shapes and sizes are available.  
Not every man who studied Latin knows much about it.

### Needlecraft News by Nancy Baxter

Dolls, like toy trains, seem to delight youngsters of all ages. Long before trains were ever thought of, however, dolls had found a permanent place in feminine hearts. Long after their own doll-playing years, women have found a fascination in making dolls and doll clothes for their own children, as gifts to others, and building doll collections. Books have been written on the subject of doll collecting as a valuable hobby, but suffice it to say that it is a "fun" hobby and that its appeal is universal.

THE COSTUME'S THE THING  
Costume dolls are a delight to the collector. Many people specialize in collecting doll costumes of a particular country or historical period. Certainly the variety is great and all are very colorful. Department stores report that more fabric is sold for doll clothes now than in any recent year. There is also a greater variety of dolls available now—in regard to sizes and features. For the woman or girl who does crochet work, there are many interesting patterns from which to choose.

One of the prize-winning entries in the 1957 Nationwide Crochet Contest was a beautiful set of ten doll outfits crocheted by a 17 year old girl from Rhode Island. She had great fun making them and plans to continue to add to her collection in the months ahead.  
SOUTHERN BELLE  
Meet petite Miss New Orleans, pictured here in a colorful crocheted outfit. Her bouffant skirt is red and white striped and the blouse is pale green. A bright red hat tops her black hair, and a little yellow flower basket hangs from her arm. The apron is black, pink and green. The instructions for crocheting these clothes for an 8-inch doll may be obtained by sending a stamped, self-addressed envelope to the Needlework Department of this paper with your request for MISS NEW ORLEANS, Leaflet No. S-223.

**Two Injured in Early Morning Auto Crash**

Two men were injured early last Thursday morning when the car in which they were riding crashed into a car stopped on US-23 near the M-55 intersection.

Injured and treated at Tawas Hospital were Jack LaFear, 40, conservation department officer at Oscoda, and Richter Lixey, 52, East Tawas groceryman. LaFear received face lacerations and a knee injury and Lixey received fractured ribs.

Investigating officers said that Robert W. LaVoy of East Tawas had stopped his car to clear his windshield of frost, but stopped in the center of the north-bound lane. LaFear attempted to pass the car but collided, the impact driving LaVoy's car into the guard rails.

A little success goes a long way with most people.

**EPISCOPAL YOUNG PEOPLE OBSERVE YOUTH SUNDAY**

The Young People's Fellowship of Christ Episcopal Church, East Tawas, participated in a Youth Sunday, April 13. Members of the group took part in the reading of the morning prayer service.

The regular business meeting was held Sunday night at which projects were discussed and a party planned. YPF meets every Sunday at 6:30 p. m. and all young people of the church are urged to attend.

**HOLD PLAYDAY WITH WEST BRANCH GROUP**

The girls physical education students and the members of the Girls Athletic Association held a playday in the Tawas gym with a group from West Branch school. Teams taking part were the Red Mau Maus, Yellow Dogs, Brown Derbys, Green Devils and the Blue Babies. At basketball the Blue Babies defeated the Brown Derbys in the playoff, 12-5. At volleyball the Blue Babies again were winners. In table tennis, the following girls won their team championships: Martha Westcott, Carol Youngs, Judy Freel and Carol Miller.

The home economics students with the help of Mrs. Harold Clark put on a delicious lunch for all the girls taking part.

**Lieutenant Colonel Herbert O. Derr, Hg 412th Fighter Group, is shown receiving his command pilot wings from his son, Bobby, 8 1/2, who in return is receiving his bobcat badge as a new Cub Scout from his dad, as Mrs. Montez Derr looks on approvingly.**

Colonel Derr is a 17-year service veteran, having logged most of his flying time in multi-engine type aircraft.

Command pilot wings add to an already impressive display on the colonel's chest; namely, three silver stars, four air medals, a Distinguished Flying Cross and a commendation ribbon.

The colonel's combat decorations are of World War II origin when he was commander of the 63rd Heavy Bomb Squadron in New Guinea, logging 400 combat hours in a total of 56 combat missions.
