'No Cause' in Damage Suit Found by Jury

A jury of 10 men and two women brought in a verdict of "no cause for action" in a \$25,000 damage suit heard before Judge Herman Dehnke in Isosco County Circuit Court Tuesday. The jury deliberated nearly five hours before reaching a decision. Damages were sought by Sanford Richardson of Tawas Township against Lawrence Grezeszak and Leonard Grezeszak of Whittemore. Richardson was struck by the Grezeszak car on April 7, 1956, while he was walking along M-65 south of Whittemore. Taking of testimony was concluded Tuesday morning and Judge Dehnke charged the jury shortly before noon. The jury was out from 1 to 4:45 o'clock before reaching its decision. Each jurist was polled by Judge Dehnke and a unanimous decision was brought in favor of no cause.

Baldwin Lodge to Sponsor Annual UN Pilgrimage

Annual United Nations Pilgrimage for Youth program for students of the Tawas area will again be sponsored by Baldwin Lodge, IOOF, Chairman Vernon Hughes has announced. Eligible in the competition are boys and girls 16 or 17 years of age and sophomores or juniors. Each candidate must prepare and deliver a five-minute talk on "What the United Nations Means to Me and My Community." Previous contests featured essays written by the contestants. Both a boy and a girl have been sent to the United Nations in recent years by the lodge, aided by contributions from other civic and fraternal organizations of this area.

Court of Honor to be Held April 11 by Boy Scouts

More than 50 awards will be presented at a court of honor to be held by East Tawas Troop 111, Boy Scouts of America, at the East Tawas Community Building Friday, April 11. Awards include: 32 Tenderfoot, 11 Second Class, eight First Class, two Star and one Life. Merit badges will also be awarded. The local scout committee will be assisted by James Atkins of West Branch, field representative of the Northland District. Scoutmaster is Carl Eckman. All parents are urged to attend and the public is invited.

PROGRESS ON a new meter pit being built by Tawas City near the Feather-Lite Plant is inspected here by Reginald Bublitz, superintendent of public works for Tawas City, and Arthur Dillon, superintendent at East Tawas. The pit will house meters which will measure the amount of water which Tawas City purchases from East Tawas when the new water plan goes into effect.—Tawas Herald Photo.

THREE FORMER Tawas City councilmen, a former mayor and city attorney were on hand for bond burning ceremonies at the Tawas City Hall Monday. Standing at left holding the bonds is former mayor, John A. Brugger. Seated around the table are

Matthew Pfeiffer, Ernest Burtzloff and William J. Leslie. Standing in back are Supt. of Public Works Reginald Bublitz, Mayor George Tuttle and City Attorney H. Read Smith. The city retired is 1936 water revenue bond issue.—Tawas Herald Photo.

Tawas City Retired Last of Its 1936 Water Revenue Bond Issue Monday

"I never thought I'd live to see the day when those bonds would be paid off." This was the sentiment expressed by a former Tawas City councilman during special ceremonies at the city hall Monday afternoon.

Former city officials of the late 1930s were on hand Monday to witness the burning of the last bonds of the original 1936 water revenue bond issue. The bonds, although not due until 1960, were called in recently by the city for payment. On hand for the occasion were John A. Brugger, who was mayor in 1936; William Leslie, Matthew Pfeiffer and Ernest Burtzloff, council members at that time, and H. Read Smith, city attorney. Other council members in 1936 were Michael Coyle, now living in Bay City; Frank Moore and William Rouiller, both deceased. The bonds were signed by the late Charles Duffy, city treasurer, and the late William Davidson, clerk.

This particular issue, sold August 11, 1936, was for \$17,500. This money, along with a city voted \$15,000 general obligation bond issue, helped finance construction of the city's municipal

water system during PWA days. Construction of the original water system was at a time when the national government used its Public Works Administration as a means of providing work for unemployed men during the "big" depression. On projects such as this, the government would match locally-raised funds. Earlier, the city had taken advantage of this opportunity by constructing its sanitary sewer system.

All of these original bonds have now been retired by the city. When the 1937 bonds were sold, Tawas City's bonded indebtedness reached its limit. Additional funds needed to complete the construction were borrowed locally, something which could not be done today because of new state laws.

George Tuttle, present mayor of Tawas City, showed figures that the entire water system had cost \$131,538.49. This included the original project and extensions of recent years. Cost of the sewer system over the years was \$185,789.30. Assessed valuation of Tawas City in 1936 was \$462,000. Only two weeks ago, the board of review set the 1958 assessed valuation of the city at \$2,064,300. Today, the city has outgrown the water production furnished by deep wells which were constructed in 1936-37. The city will soon purchase water from the new East Tawas water filtration plant which uses water from Tawas Bay.

As an example of this increase in water usage, Tawas Plating Company purchases more than a million gallons of water every three months. This is about one third of the water supply used by the entire city during a like period in 1937.

Annual Easter Cantata to be Presented Sunday by RLDS Choir

Annual Easter Cantata of the RLDS Church Choir, Tawas City, will be presented at 8:00 p. m. Sunday, April 6, at the church. The program will be directed by Nyda Campbell Leslie. This year's program is entitled, "The Triumphant Hour," by Ellen Jane Lorenz. Members of the choir include: Myrtle Eckstein, Donna Farrand, Geneva Farrand, Laura Frank, Margaret McLean, Yvonne Russell, Charlotte Allen, Leona Long, Florence Ulman, Mabel Ulman, Agnes Wright. Clifford Allen, Jerry Cuny, Jack Farrand, Erwin Ulman, Roy Wright, Gerald Bowen, Mel Forney, Richard Frank and Clarence Greenwood. Pastor Elmer Norton will deliver the invocation.

Legion's Annual Beaver Dinner Next Tuesday

Jesse C. Hodder American Legion Post, Tawas City, will hold its annual beaver dinner at the Legion Hall Tuesday night, April 8. Tickets for this affair may be obtained from members of the post. Guests will include Mayor George Tuttle and Conservation Officers Arthur Leitz and Bert MacGregor. Movies will be shown by Neil Luedtke of East Tawas.

48 Quarry Workers Laid Off by National Gypsum

Because of a sufficient supply of uncovered rock being on hand at its old quarry, National Gypsum Company this week laid off 48 employees from its quarry stripping operations. A company spokesman said Tuesday that the lay-off has no effect on its production department at National City.

Rose Starts Work on New Oscoda Elementary School

Work started Wednesday on pouring footings for the new Whittemore elementary building at Oscoda. Olaf Rose Construction Company of Tawas City is contractor for the \$160,000 building.

No Issues Seen Next Monday at East Tawas

Races for nearly all city offices will be featured in next Monday's biennial spring election in Tawas City and Whittemore. A full slate of Republican candidates is unopposed at East Tawas. Tawas City ballots will lack but one contest from having two full slates of candidates from which voters will choose city officers for the coming year. Incumbent Mayor George Tuttle, city standard bearer for the Republicans, will be opposed by George Whitfield on the Democratic ticket. Tuttle is presently serving out his first term as mayor, having been elected to that office last year to succeed former mayor, George W. Myles. Two incumbent Republican officers, Walter C. Nelson as clerk and Ruth Albertson as treasurer, face opposition on the ballot. Democratic candidates for these offices are Clarence A. Schneider for clerk and Ella R. Schneider for treasurer.

Races in the three wards are as follows: First Ward: Incumbent Alderman Walter Schuhmacher, a Democrat, is opposed by Arthur Wegner; Republican Supervisor Clement Stephan is unopposed. Second Ward: Alderman Clyde Evril, a Republican incumbent candidate, is opposed by Clarence Oates; Supervisor Fred Brabant, Republican, is opposed by Joseph Nagy. Third Ward: Incumbent Alderman Howard Hatton on the Republican ticket is opposed by Kenneth Frank on the Democratic slate; Supervisor Clarence Everett, Republican incumbent, is opposed on the Democratic slate by Harold Peterson.

Mayor Elmer Werth and a full slate of Republican candidates will be unopposed in the election at East Tawas. Other candidates are: Fred Lomas, city clerk; Georgena Bergeron, city treasurer; Frank Wilkusi, First Ward alderman; Blaine Christenson, Second Ward alderman; Edward Seifert Jr., Third Ward alderman. Seifert is the only newcomer on the ticket. He defeated Joseph Fernette in the primary election.

The City of Whittemore lacks but two contests from having a full slate from both the Democratic and Republican parties. Incumbent Mayor Russell Williams Jr., Democrat, is opposed by John O'Farrell; Clerk Henry Hasty is running without opposition on the Democratic ticket; J. C. Munroe is opposed by Lelia Barrington, Republican, in the race for treasurer; L. M. Dahne is running on the Democratic ticket without opposition for justice of the peace; City Assessor Edward Graham Jr., Democrat, is opposed by Ida Dorsey.

First Ward: Democrat Archie Graham is opposed by Dan Miller for alderman; David Mills is opposed by Kenneth Bronson, a Republican, for constable. Second Ward: Opposing Alderman George Blust, Democrat, is Horace Dillon; for constable, Democrat Lawrence Fortune is opposed by Robert Dorsey.

Woods are Tinder-Dry--- You Must Have a Permit Before Burning Grass!

The arrival of spring in Michigan is the signal for forest fire prevention measures as the state enters its most critical fire period. Isosco County residents were warned this week by Conservation Officer Arthur Leitz that a permit must be obtained before setting fire to grass land, regardless of whether it is located inside city limits or in rural areas. Mr. Leitz stated that the state law requires a permit to burn when the ground is not snow covered, to start or have an open fire, except for domestic purposes, or to protect persons or property in case of fire without written permission. "Isosco residents have been very cooperative thus far and we have had few reports of grass fires getting out of control," Leitz stated. He asks that this cooperation be continued. Early springtime creates serious hazards because foliage is still dormant and fires spread rapidly during "green-up" time. High winds during this season of the year also mean trouble—often causing small fires to rage out of control. More than 90 percent of spring fires are caused by persons burning debris from spring clean-up operations—particularly in rural areas. Precautions are necessary to prevent these small fires from spreading to nearby vegetation and wooded areas. Some safety recommendations are: Never set a fire when winds are high; do not set fires during the day—wait until late afternoon or evening when humidity is high and winds are down; always have hand tools and assistance available for stopping a fire. Fire permits may be obtained from the following Michigan Department of Conservation offices: Fire Officer Bert MacGregor, telephone FO 2-2313; Conservation Officers Leitz, telephone FO 2-3996, East Tawas; Jack LaFare, telephone SE 9-5371, Oscoda; the Hale Fire Tower, N. O. Sibley, telephone RA 8-2826; Seven Mile Hill Fire Tower, telephone SE 9-7874. Conservation Department key men are: Carl Slosser, fire chief, Hale, telephone RA 8-2591; William Fuerst, Whittemore, telephone 19-R2; Howard Hofacer, Oscoda fire chief, telephone SE 9-3341. Permits may also be obtained from the United States Forest Service district office at East Tawas, telephone FO 2-3941; all United States Forest Service fire towers and wardens in the Huron National Forest, and permits to burn in the cities and towns will be issued by fire chiefs and fire marshals.

AIRMEN LEARN ABOUT FOREST FIRE FIGHTING

A forest fire training meeting was held at Wurtsmith Air Force Base, Oscoda, last Thursday. The day-long session for enlisted and officer personnel was under the direction of William Stewart, base fire chief. Instruction movies were shown and all types of fire equipment and chemical fire fighting materials were demonstrated. Taking part in the program were Conservation Officers Arthur Leitz of Tawas and Jack LaFare of Oscoda; Fire Warden Bert MacGregor; District Ranger Conrad W. Carlson and his assistants, James List and Edwin Young of the United States Forest Service. Wurtsmith recently obtained 311 additional acres from the state for its expansion. Much of this land is part of the state forest and fire protection is an important problem in such a wooded area.

Lucke Promoted at Alabaster Plant Wednesday by USG

Edward Lucke has been promoted to plant engineer superintendent in charge of all maintenance and engineering work at the United States Gypsum Company plant at Alabaster. This announcement was made Wednesday afternoon by Maynard VanOrnum, plant manager. Mr. Lucke replaces Clayton Sieh, who has been transferred to USG's East Chicago plant. He will be the mill superintendent there.

Sacred Concert Tonight

Dr. Martin Luther Choir of New Ulm, Minnesota, will present a sacred concert at the Tawas Area High School Auditorium tonight, Thursday, April 3. The choir, numbering 67 voices, is a select group of scholars who are training to be teachers in the synod's parochial schools.

Rev. Robt. Nelson to Preach Last Sermon Here Easter Sunday

The Rev. Robert E. Nelson, pastor of the Grace Lutheran Church, East Tawas, and the Hope Lutheran Church, Oscoda, will preach his last sermon to these congregations on Easter Sunday, April 6. His sermon title will be "Christ Lives Today." Pastor Nelson has served this parish for the past seven years, since June 1951. During this time a new church was built in East Tawas and a parsonage purchased. The confirmed membership has increased from 146 to 229. The church at Oscoda was completely remodeled and a parish house erected. Starting with 22 adults and three children, the confirmed membership is now 132 and there are 100 enrolled in the Sunday School. Shortly after Easter, Pastor Nelson and his family will move to northwest Flint. There, Pastor Nelson will serve as a board missionary in developing a new mission.

Seek Queen to Represent Isosco at Bridge Dedication

Who will be Miss Isosco County during dedication ceremonies for the Straits of Mackinac Bridge June 27-28? This question will be answered May 3 when a panel of judges will select Isosco County's queen at the Tawas Area Youth Canteen, located at the Community Building, East Tawas.

Girls from Isosco County who wish to become candidates in the contest may do so now by filling out the entry blank below and returning it to the contest chairman by April 28. Only rules in the contest are that a candidate must be a resident of the county; 17 years of age and single. A snapshot of the candidate should be included with the entry blank. Sponsoring the selection of Isosco County's queen is the Tawas Area Junior Chamber of Commerce. Heading up the Jaycee's queen committee is Ben Brewer of Tawas City. Brewer said Tuesday that the queen will be provided with transportation, lodging and food during her stay at the Straits, to be

furnished by the committee. She will be accompanied by a chaperon. Ceremonies for the formal dedication of the new Straits of Mackinac Bridge are expected to be one of the highlights of the summer season in Michigan. Further details will be announced later.

"We hope to see a good field of candidates from all sections of Isosco County in order that the final selection may be representative of the entire county-wide area," stated Brewer. "Girls who wish to enter should return their entry blanks as soon as possible." Judges for the contest have not been named as yet.

TESTING OUT East Tawas' new fire reporting system are, left to right, Robert Donley of Michigan Bell Telephone; Ray Klingner, East Tawas fire chief; Jack Chatel, sales engineer for Michigan Bell at East Tawas, and Mayor Elmer Werth. Testing of the new system took place Tuesday. A special phone like the one Chief Klingner is holding has been installed in the homes of five volunteer firemen, along with phones at the city hall and fire barn. A switch to start the fire alarm is located next to the phone.—Tawas Herald Photo.

Another Polio Warning

The polio season is fast-approaching again. It is nice to report that paralytic polio has been reduced by some 85 percent, as a result of the Salk vaccine, and that a relatively small number of Americans will be stricken with it this year.

The point of this editorial, however, is to point out that there are still millions of Americans who refuse to take the necessary precautions to protect themselves against the polio threat. The latest figure showed that about 46 million Americans were still risking infantile paralysis. This is a surprisingly large number.

These are the citizens who refuse to have shots of the Salk vaccine, although this vaccine—in two years—has reduced the number of paralytic polio cases by some 85 percent.

Those citizens who should take advantage of the Salk vaccine without delay are those younger than 40 years of age. They are more susceptible to polio than are older persons. While there were mistakes, and some tragic ones, in the development and use of this vaccine, the over-all results prove that paralytic polio has been dealt a staggering blow by this vaccine.

We urge all those below the age of 40, and especially all children, to make immediate use of the vaccine. We sincerely believe it is in their best interests to do so.

Who gave the party for Mary?

Her parents, of course. And they had the help of hundreds of other people—men and women that Mary's parents don't even know.

These people helped Mother bake the cake and cook the party food. They helped freeze the ice cream, sew Mary's dress, and wash and iron it. They helped heat, light and clean the house for the party.

These busy people are the men and women who supply electric service for Mary's house. It's hard to imagine life without the electricity they provide—for everyone depends on electricity for dozens of jobs all over the house.

If you stop to count all the ways you put electricity to work, you'll be surprised. Can you think of anything else that gives so much value, day in and day out, for so little cost?

U of M Lecturer Will Speak Here Next Thursday

Mrs. Belle Farley Murray, lecturer and consultant in parent education for the University of Michigan Extension Service, will be guest speaker on Thursday, April 10, at 2:00 p. m. in the First Baptist Church, Tawas City. She will be speaking on "Christian Family Life." This meeting, sponsored by the Baptist Women's Missionary Society, is an open meeting and the public is urged and invited to attend.

Mrs. Murray has been lecturer and consultant in family life for the University of Michigan Extension Service since 1941. She is well known throughout the state for her work with groups, including classes, lectures and discussions given through the extension service of the university.

Prior to her connection with the University of Michigan, Mrs. Murray had taught in both junior and senior high schools, had given courses on the family at Wayne University, was director of religious education at Christ Church, Cranbrook, for four years and was on the staff of the Merrill-Palmer School in Detroit as a specialist in parent education.

Much of Mrs. Murray's activity between 1954 and 1957 has been in connection with the parent education leadership training projects that have been conducted jointly by the extension service and the Michigan Congress of Parents and Teachers. During the same period, Mrs. Murray has also served as a consultant to the Michigan Child Study Association and other groups of parents. She also prepares the material for "Parents' Exchange" and the "Life in the Family" leaflets published by the extension service.

A graduate of Michigan State University, where she majored in home economics, Mrs. Murray has also done both undergraduate and graduate work in child development and parent education at the Merrill-Palmer School. Of even greater interest to most groups than her professional training and work is the fact that Mrs. Murray has the down-to-earth experience and practical point of view of a wife and mother.

Tea will be served in the church parlors following the meeting.

Youth Group Guests at Proctor Cottage

Fifteen members of the Methodist Youth Fellowship and two guests spent Sunday afternoon at the Proctor cottage on AuSable Lake. The young people took a hike through the woods and played softball in the afternoon. Lunch was served at 5:30 with Bryn Proctor, Louise Anderson and Karen Hunter as hostesses.

During the business meeting, final plans for the Easter breakfast were discussed. The following officers were elected for the coming year: President, Edward Nagy; first vice president, William Mick; secretary-treasurer, Louise Anderson. Program area chairmen are: Faith, Nancy Allen; fellowship, Andrea Proctor; witness, Arnie Stump; citizenship, Mary Nagy; outreach, Barbara Schauf; pianist, Karen Hunter, and district representative, William Mick.

The members of the Oscoda MYF will be guests of the group on April 27 for a fellowship supper.

Plans were also made for a program with their parents as guests to be held on Friday night, May 16.

The group returned to the church to view a slide of camping and to register for summer church camp.

WCS Meet Stresses Foreign Missions

A meeting stressing foreign missions was held by the East Tawas WCS of the Methodist Church Tuesday evening, March 25, at the church.

Mrs. Edna Coxzad was in charge of the devotions, using the foreign mission theme. Mrs. Ralph Edwards, program chairman, presented an interesting playlet which dealt with the foreign missionary movement. Assisting her were Mrs. Elwyn McCall and Mrs. Glenn Middleitch.

Hostesses were Mrs. Blanche Carlson, chairman; Mrs. William Deckert; Mrs. Eugene Hanson, and Mrs. Sadie Harrington. The table was decorated in an Easter setting.

IOSCO COUNTY School NOTES

WHITTEMORE-PRESCOTT AREA

The Whittemore-Prescott Area Schools held a book fair at the Prescott school on March 26 and 27.

Most of the books used were from the Whittemore-Prescott Area Schools, but 150 were acquired from the Michigan State Library in Lansing.

Several books were reviewed by the school librarian, Mrs. Fuerst, and assistant high school librarians, Muriel Moulton, David Sturtevant and Robert Miracle.

Among the reviews were science fiction, teenage fiction, several elementary books and poetry. Of particular interest was David Sturtevant's review of Coomb's "Skyrocketing into the Unknown," which he illustrated on the blackboard.

The receptive attitude of the children was, indeed, good, but the success of the book exhibition was greatly due to Mr. Donnelly and his staff. It was very nice of Mrs. Henry Hasty to take pictures of the display.

On March 24 and 25 David Smith and Jerry Koehn, accompanied by Richard Wight, FFA advisor, attended the state FFA convention in East Lansing. Altogether there were 400 delegates from 200 chapters.

New officers for the state organization were elected by the delegates, official business carried on and new ideas heard.

The highlight of the convention was a banquet at which Governor G. Mennen Williams spoke on the opportunities of agriculture.

On April 10, 11 and 12 the new-

ly-elected officers of the FFA chapter will attend a leadership training camp at Higgins Lake. The new officers are: Robert Miracle, president; Jerry Koehn, vice president; Brian Bellville, secretary; James Smith, treasurer; Herbert Morgan, reporter, and William Morgan, sentinel.

The local chapter of the FFA is conducting a pest hunt. The members have divided into two teams and they receive their points according to what kind and number of pests they bring. These points will count toward FFA awards.

The chairman of one team is Brian Bellville and of the other team, William Clark.

The FFA has started its sale of Farm Bureau garden seeds, which is to end in three weeks. Brian Bellville again leads all the others with \$100 worth of seeds for last year and \$80 in only three days this year.

The Hale Area School will be closed Friday afternoon for Good Friday services.

Mrs. Jerry Wyatt taught the second grade class last week while Mrs. Amy Buck was in the hospital.

Johnny Meno and Craig Pollett tended the pet turtle this week.

Mrs. Wyatt is reading the students "The Adventures of Bobbie Coon."

The kindergarten children are coloring eggs for Easter decorations this week.

The glee club made a trip to AuGres Thursday, March 27, to hear the Michigan State Singers.

The senior class took a trip to Lansing Wednesday, March 26. They visited Civil Service Commission, the legislature and the Michigan State campus.

Never underestimate your own ability; other people will do it for you.

Half Million Trees to be Planted by Private Owners

By MARVIN DAVENPORT
Iosco Agricultural Agent

I would estimate that nearly one-half million trees will be planted by private land owners this spring. Scotch Pine heads the list as a potential Christmas tree crop. It is unfortunate that one-third to one-half of them will never be harvested for Christmas trees. Why? Because too little effort on the part of people is put forth to learn how to do the job right. Scotch Pine, particularly, are not just planted and grow like "Topsy." They must have proper care. Shearing and shaping must be done for at least three years of the potential Christmas tree's life.

Spraying to control insects must be done at the proper time. And even more important the right site and soil should be selected in planting Scotch Pine for Christmas trees.

Consider these as a farmer does a crop of corn. Some of the more successful growers prepare the land—removing stumps, debris, filling pot holes, spraying with chemicals (before planting to control grasses and weeds), etc.

I believe the Iosco County Tree Growers Association and its board of directors has taken the real leadership in helping tree growers in Northeastern Michigan. They have excellent leaders in Dan Thayer, Earl Bieby, William LaForge, Elmer Anschuetz, Harold Peterson, Edward Burgen, Harold Wagner and Robert Reamer. All they need is the support of the tree growers.

They have prepared an educational program including tour, demonstrations and short talks to keep tree growers informed. I would strongly advise you folks to take advantage of it. No one can help you if you are not willing to help yourself a little. Plan to see and hear their various activities as they are conducted in 1958.

A one-shot dose of 2, 4-D will help boost the amount of forage you can get from native pastures. The forage yield is reduced because cows will eat only so close to a bull thistle. All forage near and under the thistle is wasted.

In April, spray with 2, 4-D amine at one pound per acre. This will control bull thistles as well as many other weeds.

Do not use this material on alfalfa-brome pastures. The 2, 4-D will damage the alfalfa.

Peach Leaf Curl.

Generally in 1957 this disease was not a problem in orchards. However, this disease is unpredictable from season to season; therefore, a dormant spray must be applied each year.

If a spray was not applied last fall a dormant spray of one of the following materials is suggested this spring: Bordeaux 64-100 or Pearbam 1 1/2 to two pounds per 100 gallons of spray or lime sulfur five gallons per 100 gallons of spray; stress thorough coverage and timing.

Dual Purpose Cutting

A logger fells an aspen in one of Michigan's state forests and serves a double purpose. Revenue from the sale of state forest timber products goes to the public treasury and is used for reforestation programs. In addition, winter forest cuttings supply food for Michigan's large deer herd. White-tails feed on tree tops left by cutting operations and on new growth which springs up when mature trees are removed.

Mrs. Barbier Hostess at Meeting Monday

Mrs. Truman Barbier Jr. was hostess to the Camp Fire Girls and Blue Bird Association executive committee meeting Monday, March 31.

Plans were made for committees to form local policies on membership, leadership and finance.

The previous Camp Fire meeting was held in the Federal Building with a large group of sponsors and leaders attending.

A leader recruit picture was shown entitled, "Wanted, Leading Ladies." This film is available at the Iosco-Arenac Regional Library.

Items were shown for making a bed roll, a tin can stove using a "Buddy Burner" and a demonstration was given on the proper use of a knife.

Keep Michigan Green this Spring--Not Black, Denuded

The pall of smoke noticed in the western sky April 1 was the result of one farmer burning up his supply of organic matter on 20 acres of pasture land. The huge blaze brought visitors from several miles away. The fire did not succeed in getting out of the field since all his neighbors helped prevent its spread to nearby fields.

United States Soil Conservation Service soil scientist, Stan Alfred, was one of the visitors who stopped by to see what was "cooking" on that warm spring afternoon. Surveying the blackened field, Alfred said: "What a shame! It will take this summer and many more summers to replace all the nitrogen and organic matter that was burned today. You not only lost a lot of valuable plant food today, you lost 500 young pine trees by the fence. It takes dollars to replace those."

Smoke from burning pastures and cropland is an all too common sight in Northern Michigan in the spring, as many farmers set fire to their shaggy pastures on warm days. Why is this annual burning of farm land? "It makes seed bed preparation easier," says one farmer. "I get earlier and stronger pasture when I burn it as early as possible," says another.

According to Richard Rose, the United States Soil Conservation Service farm planner here, much irreplaceable plant food and organic matter has been lost forever from this land. Burned fields do not actually produce better pasture; it just seems that way.

Perhaps the cows like to eat fresh green grass unmixed with the old, dry grass, but they will eat it and all that nitrogen and organic matter which is the very life blood of sandier soils here in the north country has not been and fertility to replace that which went up in smoke on this one field would cost \$25 to \$40 per acre.

A most profitable motto might be: "Let's keep Michigan green and fertile in the spring--not black and denuded."

ON SELECTIVE SERVICE

Selective service officials announced recently that physically fit and "unencumbered" young single men still face a "100 percent certainty" of being drafted by the time they are about 23.

By "unencumbered," they said they referred to those who did not enter critical occupation, the National Guard, the reserves or other fields in which they might gain deferment or exemption.

TROOPER BARKER HONORED AT BANQUET MONDAY NIGHT

Trooper Jack Barker of the Michigan State Police Post at East Tawas was the honored guest at a farewell dinner Monday night at Eagles Hall. Barker left Tuesday for his new assignment at the Flint post.

BAND CONCERT LAST WEEK DESCRIBED AS 'BEST YET'

Last week's band concert presented by the Tawas Area Junior and Senior High School bands was described by many as the best ever held here. After the program, Director Edward Rima said that the entire band seemed to be up for this concert.

One Person Injured in 4-Car Accident

One person was injured in a four-car accident at the Newman Street and US-23 traffic light in East Tawas late Sunday afternoon.

Injured slightly was Gerald E. Blakely, 20, of Saginaw. He was treated at Tawas Hospital for a lacerated forehead.

Police said that Blakely pulled out of the state park entrance with his car and rammed into the side of a car headed west on US-23, driven by Sidney E. Weathers of Saginaw.

Weathers' car then crashed into a vehicle driven east in the second lane of US-23 by Thelma A. Jacques of Lincoln. The Weathers' car then skidded, turned completely around and was struck in the east-bound lane by a car driven by Marilyn D. Mills of Windsor, Canada.

Damage to Weathers' car was estimated at \$800.

'Neat' Thief Broke Into Cabin Near East Tawas

Breaking and entering of a cabin on Martindale Road near East Tawas is being investigated by Michigan State Police and the Iosco County Sheriff's Department.

Mrs. Mable Bachaud, owner of the cabin, told officers that when the cabin was checked Sunday it was discovered that a door had not been forced open. The cabin had not been used since deer season.

Police said that apparently the person who had broken into the building had stayed there for some time. A sack of coal and some groceries were found.

Although the cabin had been well-cleaned by the burglar before leaving, items listed stolen included six blankets, two pillows and some silverware.

MEMO TO C OF C: ICE LEFT TAWAS BAY LAST SATURDAY

Saturday, March 29, saw the ice leave Tawas Bay. Conservation Officer Arthur Leitz said that fisherman had reported good success at the bight of the bay right up until the time the ice moved off. "Most of the ice has been blown up on the shore south of Alabaster," he stated.

ROACH IS JEFFERSON-JACKSON TICKET CHAIRMAN

Wilbur Roach of Tawas City has been named Iosco County ticket chairman for the Democrats' annual Jefferson-Jackson Day Dinner, according to an announcement by William P. Hull, general dinner chairman.

Dean Acheson, secretary of state under President Truman, will be the guest speaker for the fund-raising dinner. The affair will be held Saturday, May 3, beginning at 6:30 p. m., in the Detroit Light Guard Armory.

RECALLS HOW WIND BLEW CHECK OUT OF HIS POCKET

Overheard at the city hall Monday afternoon was a story told by former mayor, John A. Brugger, retired Tawas City merchant and former mayor.

Back in the PWA days, in 1936-37, Mr. Brugger once lost a \$25,000 PWA check made out to the city. "I picked up the check at the post office in the morning mail and then went out delivering groceries. I didn't realize until returning to the store that the check was missing."

Enlisting the help of his daughter, Doris, the two retraced his delivery route and the check was finally found under the front porch of the Martin Musolf residence on First Avenue. "As I recall there was a pretty strong wind blowing that day and it must have blown the check out of my pocket," he said.

"As I look back, I shouldn't have been too worried. Payment could have been stopped on the check and a new one would have been issued to the city. But that thought never came to mind at the time," he said.

JUNE 30 IS IMPORTANT DATE FOR DISABLED PERSONS

June 30 is an important date for disabled persons who have worked long enough under social security to be eligible to have their rights to future benefits protected.

Anyone who is now disabled for work and has not worked since September 1955 will lose his disability rights under the social security law if he does not apply by June 30, 1958.

Trinklein Completes Training Course

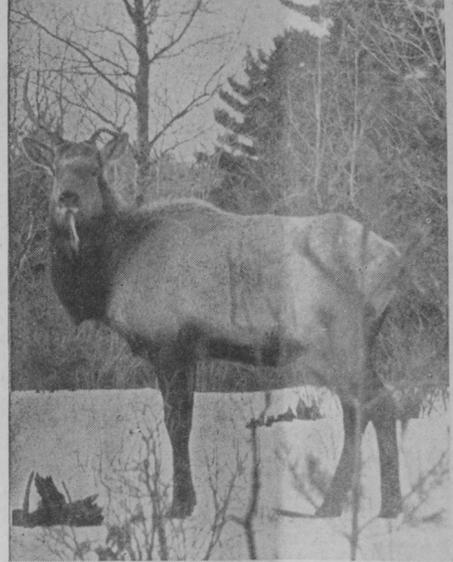

L. J. Trinklein of Trinklein Marine Service, 1197 Lake Street, Tawas City, has completed an advanced training course in outboard motor servicing at the Beaver Dam, Wisconsin, service school of the Kiekhaefer Corporation, manufacturer of Mercury outboard motors.

The course included daily instruction periods, supplemented by actual bench practice, blackboard sessions, group discussions and examinations. Subjects covered in addition to 1958 model features were recommended disassembly and re-assembly methods on the 22, 45 and 70-horsepower Mercurys which are new in the line for 1958.

Special emphasis in the course is given to the latest techniques developed in servicing customer motors and to information on the revolutionary new safety and engineering features for 1958, such as, the automatic transmission for outboards, single lever remote controls, hydraulic Dynashock absorbers, fixed jet carburetion.

Trinklein's attendance at the service school was in anticipation of a substantial increase in purchases of outboard motors in this area during the 1958 boating season.

This member of northern Michigan's elk herd stopped a moment for the Conservation Department cameraman before trotting back into his Pigeon River state forest home. The herd is located northeast of Atlanta and numbers 600-700 animals.

AUXILIARY HELD MEETING AT HOME OF MRS. BELLVILLE

The Women's Auxiliary of St. Mark's Episcopal Mission held its meeting at the home of Mrs. Clayton Felville Monday evening. Devotions were given by Mrs. Howard followed by reports from the different chairmen.

Mrs. R. H. McKenzie of East Tawas will be invited to the April meeting to speak on the United Thank offering. A silver tea will be held at the home of Mrs. George Olmstead of Five Channels during the summer at which the members of St. John's Church, AuSable, and Christ Church, East Tawas, will be invited.

A rummage sale is planned for fair time. Anyone who has discards may contact Mrs. Irma Bellville of Whittemore or Mrs. Howard at Hale.

WHITTEMORE-PRESCOTT IS ACCEPTED BY NEM

It was announced last week that applications for entry of Whittemore-Prescott Area Schools into the Northeastern Michigan Conference was accepted by league officials.

Although Whittemore-Prescott will not participate in the conference's football or basketball schedule until 1960, the school will take part in other sports starting next year. Schedules for these two sports have already been set.

Way for the acceptance of Whittemore-Prescott School was made by the consolidation of the Standish-Sterling School District last year.

Esmond HD Group Met With Mrs. Nunn

The Esmond Home Demonstration Group met at the home of Mrs. Edith Nunn on Friday morning for a lesson in "Managing the Family Dollar." The lesson was given by leader, Mrs. Charles Attwell. Following the meeting the ladies enjoyed a nice lunch served by the hostess.

The April meeting, which will be held at the home of Mrs. Attwell, will be given by Iosco home demonstration agent, Miss Dorothy Scott. It will be "Accessories in the Home."

The group discussed plans for an arts and crafts class to meet once a week in the community building. Lessons in textile painting, basket weaving, rug making or any crafts that are desired will be planned.
