18 School Bands Set for District Festival Saturday

Eighteen high school bands and some 800 bandmen will take part in the District Nine band festival which will be held at the Tawas Area School auditorium Saturday, February 22. The festival is open to the public.

This will be the first time in the history of the school that the festival will be held here. District Nine is affiliated with the Michigan School Band and Orchestra Association.

Edward Rima, band director at Tawas Area School, sends an invitation to everyone in the area to attend the festival. He points out, however, that no one may enter or leave the auditorium while an event is in progress. "Doors will be kept closed during each band's participation and spectators must be in their seats prior to the event," he stated. Tawas Area's 76-piece band

will lead off the festival at 8:20 a. m. It will be followed by Pinconning, Gladwin and Clare, all class B schools. Each band's participation will last about 25 minutes.

Other schools in the county which will participate in this meet are Hale, Whittemore-Prescott Area and Osceola.

The more than 800 bandmen will have a hot lunch at the Tawas Area School cafeteria at noon. This is expected to take about 1½ hours. There will be four judges for the festival, three for concert playing and one for sight reading; Judges are: Norman Dietz, band director at Central Michigan College; Edgar Kirk, woodwind instructor at Michigan State University; Clyde Carpenter and Glenn Smith, both brass instrument instructors at the University of Michigan.

'Port Gypsum' Trial in Third Day

The National Gypsum Company dock trial starts its third day in Isoco County Circuit Court Thursday before Judge Herman Dehnke. Its purpose is to determine whether National Gypsum Company's lake shore loading operation would be carried on in such a fashion as to constitute a serious annoyance to adjacent property owners and produce serious destruction of property values.

Also entered in the lawsuit as an intervenor is the state conservation department, which claims that the structure would be injurious to the public interest.

The state is being represented by Nicholas Olds, assistant attorney general.

A petition of intervention in the suit asked by Attorney Harold L. Glassen for the Michigan United Conservation Clubs was denied Tuesday by Judge Dehnke. The MUCC was allowed to file its brief, however.

The petition filed by Attorney Glassen stated that the MUCC was interested in preserving the integrity of the public domain.

Judge Dehnke said he would hesitate to go as far as allowing the petitioner to become a party

to the suit. "This is an important case," he said, "but I don't think we need to make a world war out of it and invite everybody in. It seems to me that so far as the interests of this petitioner are concerned, that the attorney general's office is representing the same interests."

"I have a little question in my mind," said Judge Dehnke. "If we continue to admit everybody who applies to be admitted, we might have the board of supervisors asking to be made a party, and township boards, school district boards, city councils and chambers of commerce. I think all the conflicting interests are so far represented."

At the start of Tuesday's hearing, Judge Dehnke allowed six more property owners adjacent to the lake loading installation to join the cause with the original plaintiffs, Dr. Malvern Obrecht, Arthur Johnson and the Rev. Fr. Robert Neuman. These new plaintiffs were Earl Clark, Elmer and Gertrude Slaven, Thomas Shively, Maurice Brown and Howard Davis. Heard Tuesday morning were Dr. Carl F. Braner, professor of

hydraulic engineering at the University of Michigan, on behalf of the plaintiffs, and Roy I. Jones, director of the industrial engineering division of Giffels and Vallet, Incorporated, architects of the dock.

Tuesday afternoon's session was taken up mostly with hearing testimony from property owners in the vicinity of the installation. Testifying were Walter Heltenberg, Mr. Slaven, Mr. Shively, Mr. Johnson, Mr. Clark, Dr. Obrecht and Fr. Neuman.

A number of witnesses for National Gypsum were delayed in attending the opening of the hearing on Tuesday because of flying conditions out of Buffalo, New York. John Watkins, attorney for National Gypsum Company, stated that planes were running 12 to 15 hours behind schedule because of the weather.

Mayor Werth Returned; Seifert Defeats Fernetto

Mayor Elmer Werth and all but one incumbent councilman were successful candidates on the Republican ticket in Tuesday's primary election at East Tawas. A surprisingly large number of voters turned out at the polls, despite the cold weather.

Werth defeated his opponent for the Republican candidacy as mayor, John Mielock, by a 334-219 margin. The vote was as follows: First Ward, Werth 101, Mielock 33; Second Ward, Werth 119, Mielock 85; Third Ward, Werth 114, Mielock 101.

Edward Seifert Jr. was the lone candidate opposing an incumbent officer who won in the election. He defeated Joseph Fernetto for Third Ward alderman, 123-86.

Frank Wilkusi, unopposed as First Ward alderman, received 112 votes; Blaine Christensen, incumbent Second Ward alderman, defeated Edward Martin of Tawas Lake, 130-71.

The other two elective positions were unopposed. Fred Lomas, city clerk, received 488 votes; Georgena Bergeron, city treasurer, received 485 votes.

Appreciate Contributions

The March of Dimes committee will appreciate any further contributions from organizations or individuals. The committee would like to close the campaign before March 1. Receipts to date amount to \$2,023.17.

Tawas School Gets U of M Accreditation

The University of Michigan has recently renewed accreditation of 30 high schools in its annual accreditation program, according to Kent W. Leach, director of the U of M Bureau of Schools Service.

Included in this list of schools was Tawas Area High School. In a letter to Supt. Reynold E. Mick, Mr. Leach stated: "We wish to inform you that the Tawas Area High School has been placed on the list of secondary schools accredited by the University of Michigan for a two-year period beginning July 1, 1958, and ending June 30, 1960."

Graduates of accredited high schools may enroll at the U of M without taking admission tests, providing they have maintained a satisfactory academic record and have their principal's recommendation. Graduates of non-accredited schools must pass U of M admissions tests regardless of their high school academic record.

WORLD DAY OF PRAYER

Eleven Tawas area churches will participate at 1:30 tomorrow (Friday) afternoon in World Day of Prayer services at the Tawas City Methodist Church.

Sponsored by the World Council of Churches, the World Day of Prayer program this year was prepared by women of the Australian council and was written around four prayers of Australian aborigine tribeswomen. The service in which this program will be used has been timed so that there will be a continuous 24-hour prayer vigil around the world.

While this impressive prayer program is the work and under the leadership of the women of all participating churches, men are welcome and are urged to attend.

The offering taken will go to home and foreign missionary work.

DISCUSSING THE REQUEST for a traffic light on US-23 in Tawas City are, left to right, Hugo Keiser, Tawas City businessman; F. I. Eggen, district traffic engineer of the state highway department, and W. L. Marvin, traffic operations engineer. The two highway department representatives met with the Tawas City Businessmen's Association at its noon luncheon last Thursday.—Tawas Herald Photo.

It's Doubtful If Stop and Go Signal Will be Installed Here

At last Thursday's meeting of the Tawas City Businessmen's Association, representatives of the Michigan Highway Department gave their reasons why a stop and go traffic light would probably not be feasible in Tawas City.

The department had received numerous requests from the city for installation of a traffic signal

at the corner of US-23 and Mathews Street. The reason, as one businessman put it, was to give a slight break in traffic during the peak traffic months to allow pedestrian crossing and for cars trying to enter US-23.

"Installation of a traffic signal at this location is not the thing to do," stated F. I. Eggen, district traffic engineer. He cited various reasons for this, but indicated that another traffic survey would be made here.

Probably the most important reason was that a survey taken

by the highway department in 1956 indicated that traffic entering the intersection, both US-23 and from Mathews Street, was not heavy enough to warrant the signal.

"The highway department puts in all of its traffic control devices on the basis of some definite warrant," stated Eggen. "In this particular instance, when talking about a stop and go traffic signal, we are talking about something which requires a volume warrant."

(See TRAFFIC SIGNAL, page 8.)

Tax Sale to be Held in Isoco May 6

Taxes for 1955 have not been paid on 432 parcels of land in Isoco County. Those not paid will be offered in the May 6 tax sale.

Included in the total number of descriptions are many on which the back taxes have been paid since County Treasurer Grace Miller compiled the list. These parcels will not be offered at the sale.

The treasurer expects that before May 6, taxes on all but a few descriptions will be paid.

Herriman Family Escapes from Burning Home Sunday

Fire, believed to have started in a chimney, destroyed the farm home of Mr. and Mrs. Allen Herriman in Grant Township, eight miles west of Tawas City, at 10:30 o'clock Sunday evening.

The blaze was discovered by the Herrimans in time to arouse their four sleeping children. All escaped safely from the burning house into the sub-zero temperatures.

The children are: Kenneth, 13; James, 11; Joy, eight, and Donna, five.

JENSEN RESIGNS FROM ANDERSON COACH POST

John E. Jensen, president and general manager of Anderson Coach Company at East Tawas, announced his resignation last week. The resignation will become effective March 1 or shortly thereafter.

He has been associated with the coach company since 1949, being president and general manager when the firm was reorganized following the death of the late Ray H. Thompson five years ago.

In announcing his resignation, he said that he had no immediate plans for the future.

Cold Weather Closes Schools

Schools of Isoco County remained closed Wednesday because of snowdrifts which blocked east and west secondary roads. Isoco County Road Commission equipment has been in continuous operation, but drifting snow has slowed progress.

All schools were closed Tuesday because of low temperatures and blocked roads. Tawas Area School remained closed Wednesday because of drifting snow.

Announce Plans for New Tawas City Kroger Store

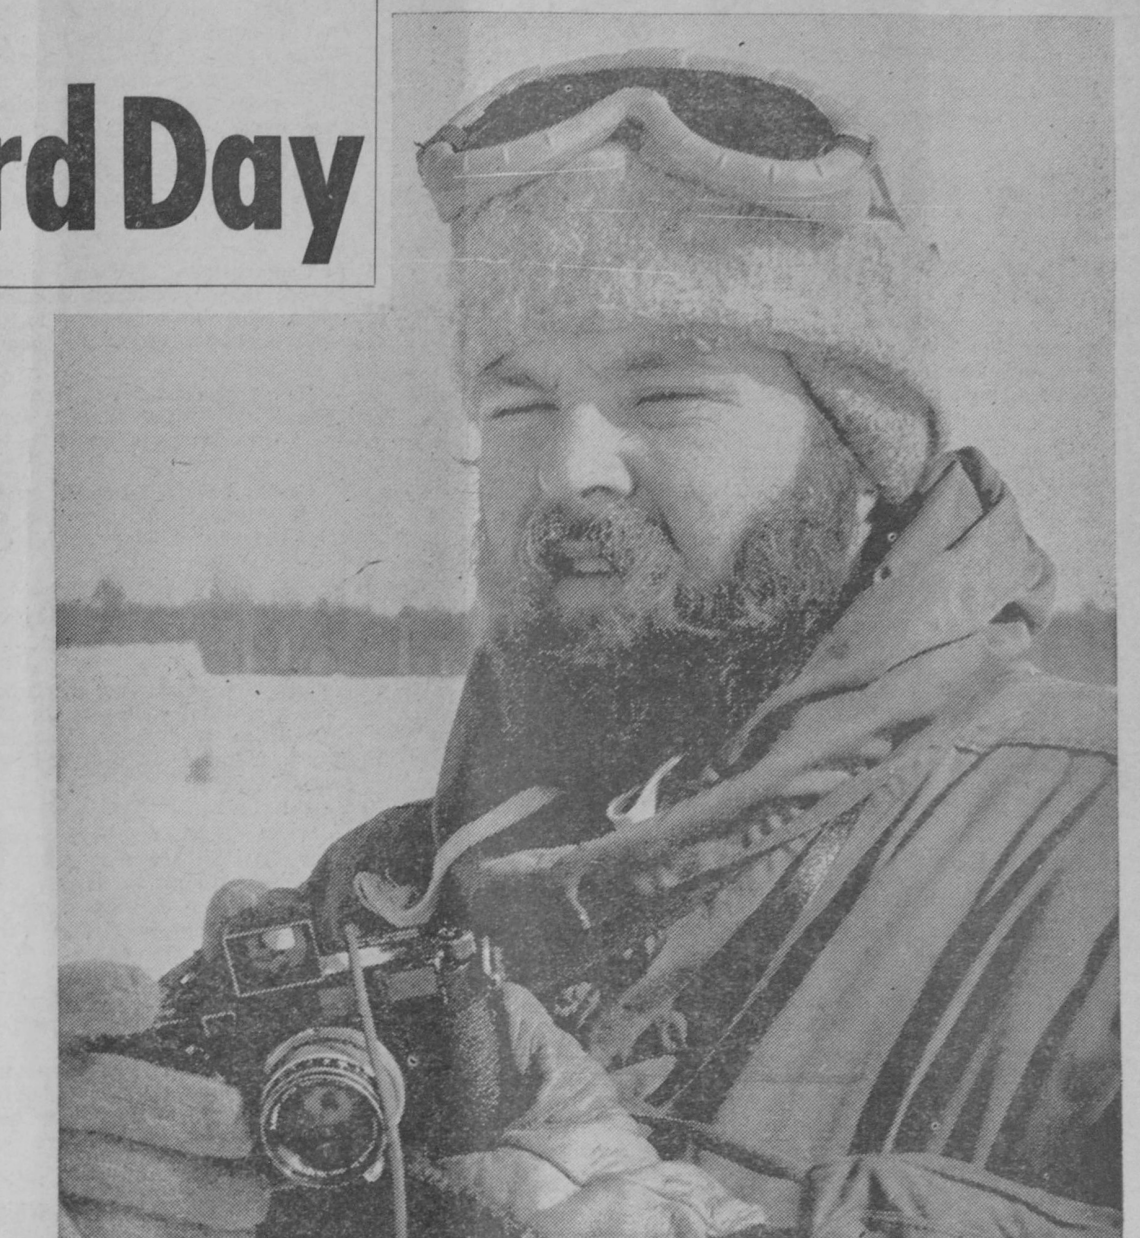

A building application submitted by Dr. John D. LeClair for construction of an 80 by 125 foot commercial building, to be located on US-23 just south of M-55 intersection on Tawas Bay frontage, was approved by the Tawas City Council Monday night.

This building is to be occupied by a new Kroger Store which will serve the Tawas area. It is to contain 10,000 square feet of floor space, with parking facilities for nearly 100 cars.

Dr. LeClair, associate real estate manager of the Kroger Company's Detroit office, said "Tuesday that architectural plans are now being drawn and it is hoped that construction will commence in early spring and that we will have a mid-summer opening."

"The Kroger Company looks forward with a great deal of pleasure toward serving the residents and tourists of the Tawas area," stated Mr. Barron.

The building, to be attractive and modern in every respect, will be leased to the Kroger Company by Dr. LeClair.

COLD WEATHER in this area seems to be rather mild for Photographer Tom Abercrombie of National Geographic Magazine. He was here this week to photograph activities at Perchville on the ice of Tawas Bay. On Tuesday and Wednesday of this week he donned skin diving equipment and went down into the frigid water to get a "fish eye view" of a shanty.—Tawas Herald Photo.

Weather Rather Mild Here, Says Geographic Lensman

Cold weather is nothing new for Tom Abercrombie, National Geographic Magazine photographer, who was here this week to shoot pictures of Perchville. His latest assignment for the Geographic was in Antarctica where he spent three months photographing United States scientists and navy men who are taking part in the International Geophysical Year.

Not to prove a point that the below zero weather is relatively mild here, but for purposes of obtaining suitable pictures for his coverage of Perchville, Abercrombie donned his skin diving equipment Tuesday and dived through a hole in the ice into frigid Tawas Bay. While underwater, he shot pictures looking up into a fish shanty.

"This angle could rival the picture taken by Joe Clark several years ago," said Abercrombie. To get his now famous underwater picture of a fish shanty, Clark sunk a water-tight camera apparatus to the bottom of Tawas Bay to get his "fish eye view."

Abercrombie, 27, is a good friend of Clark. At one time he considered working for the Detroit photographer as an under-

study, but took a job with the Milwaukee Journal, instead. He became a professional photographer at the age of 21 after graduation from college. He started his career with a newspaper at Fargo, South Dakota, later going to the Journal.

After spending three years at Milwaukee, Abercrombie was hired by the National Geographic Society. During his 1½ years with that magazine, foreign assignments have taken him to Lebanon and to the Antarctic, plus various others in the United States. All totaled, he has traveled more than 50,000 miles on assignment, which is quite a record for so short a time in this field.

Speaking of his photographic trip to Lebanon, Abercrombie said, "My blood was still thinned out from the semi-desert heat when I returned home to find that I was scheduled to go to the Antarctic in a few days."

At McMurdo Sound and the South Pole, thermometers showed minus 40, 50, sometimes even 80 degrees below zero.

"Perpetual daylight often brought nervous tension and sleeplessness to those spending their first days in the Antarctic,"

he stated. "Big Eye, the familiar antarctic malady, causes swollen and inflamed eyes. This is the result of watching the never-setting sun."

During his cold sojourn at the bottom of the world, Abercrombie became the first professional photographer to take pictures at the South Pole. Eight photographers had requested permission to fly to the pole, but there was only room for two extra passengers. Lots were drawn and Abercrombie won the coveted seat. As it turned out, however, his supposedly one-day stop turned into a three-week hop over when weather conditions and a balky plane prevented the party from leaving the Pole base.

On his assignment here and in Minneapolis, Abercrombie brought some of the special clothing which he wore in the Antarctic, including boots, gloves and parka.

He was accompanied here by his pretty wife, Marilyn. She is also a photographer, but said that she is a housewife, first. When their two children are a little older, they hope to operate as a team on photographic assignments.

Tawas Kiwanis Club Members Guests at Quota Club Meeting

Members of the Tawas Kiwanis Club were guests at the regular meeting of Quota Club. There were 12 Kiwanians, 26 Quota members and two guests present.

Miss Dorothy Scott, president, welcomed them and explained the purpose of Quota, and then called on several members to describe the different aspects which Quota represents.

Mrs. Dorothy Fricke discussed clubs and conventions.

Miss Leonora Hass spoke on eligibility and membership. She described the classifications under which the membership is chosen and pointed out that several classifications are open to membership.

Miss Edna Otis spoke on what Quota means to her personally and the pleasure it gives to be able to assist those in need of help.

Others spoke on International Fellowship Fund and its meaning. Several world service projects were mentioned which are aid to those less fortunate in foreign countries. Local services were pointed out, listing Girl Scouts, USO and Golden Agers.

Mrs. Martha Schreck described the International Quota project of aid to the hard of hearing, adopted as a special project by Quotarians at International Convention in 1947.

In Michigan there is the Michigan Association for Hard of Hearing in Lansing supported by several funds including United Campaign Funds. This unit stands ready and willing to give aid to anyone asking for it. In 1956 Quota sponsored the mobile unit to come to Iosco County. This service determines extent of loss and catalogues the different types of hearing difficulties for future assistance. The mobile unit was stationed in Oscoda, Hale, Whittemore, Tawas City and East Tawas for a five-day period. Two hundred eighty-six persons took the screening test; 102 failed. Of these 98 reported for followup tests; 83 needed lip reading aids; 23 needed hearing aids.

Following these findings, Quota

sponsored a lip reading class in the East Tawas school. During the fall of 1956, 10 persons started the class, six finished. In spring of 1957, eight started and six completed the course. The cost was \$2 per person, per series; the cost to the club was \$98 to \$100.

In the fall of 1957 the class was offered once again and by personal contact, generosity of local newspapers and by telephone, it was found not enough persons were sufficiently interested to warrant starting another class. Quotarians were most fortunate to have found a very capable instructor in lip reading, Mrs. Francis Flanders from Oscoda. National Hearing Week is an annual event.

The local club also wishes to develop a program that will recognize and aid the community needs in visual and dental care, working with and through individuals, service clubs and county health agencies.

Gordon Huck, president of Kiwanis, spoke on the similarity of the two clubs and thought learning about Quota would help the two clubs to work more closely together, as some Kiwanis projects are of the same type as Quota.

Grace Lutheran Church Board Elects Officers

Wednesday evening, February 12, the following officers of Grace Lutheran Church Board were elected: Vice chairman of the board, Charles Nash; secretary, Richard Harwood, financial secretary, Richard Lee; treasurer, Claude Nash.

At the Eastern Michigan District meeting last week at Pontiac the following were elected: President, the Rev. Leuben Norling of Detroit; vice president, the Rev. Modern Equipment Being Installed at TC Creamery

February 22, 1918—Carl Fahselt and Charles Moeller are installing a large amount of new butter making machinery at the Tawas Butter Company plant in this city. They purchased the equipment while in attendance last week at the Saginaw convention of butter makers. The plant will be closed three days each week until the machines are installed.

Congressman Gilbert Currie states that hereafter government seeds will be sent only to citizens making requests for them.

Mrs. Charles VanHorn of Ithaca arrived Wednesday for a visit with relatives here.

Frank Siefloff returned to Detroit Monday after spending several days at his home in this city.

Orlo McMurray of Detroit is spending a few days in the city with relatives.

James MacGillivray of Oscoda was a pleasant visitor at the Herald office Wednesday. MacGillivray is a former Detroit News editorial writer.

Walter Sylvester, Bert Smalley and Charles Johnson, with the Canadian troops at Hants, England, write that they expect to be at the front in France within a few weeks.

Frank Binder of Lansing was in the city a few days last week.

Neil McDonald has assumed charge of the Bank of Lupton. Mr. and Mrs. McDonald have been spending a few weeks here with friends and relatives.

Miss Annie Leslie of Whittemore is spending a few days in Flint.

Ernest Self of Hale returned Tuesday from a short visit at Owosso.

Mr. and Mrs. Earl Kaufman, formerly of Hale, are now residing in Cleveland, Ohio.

Mr. and Mrs. Neil McDougald have moved from Flint to their home in Reno Township.

Superintendent Travers Ousterhout of the Alabaster High School was at Saginaw Saturday.

The Jolly Touring Club of Reno Township gathered Sunday at the home of Mr. and Mrs. T. J. Spooner at Whittemore to help Mr. Spooner celebrate his birthday.

Mrs. E. C. Glendenin, registered nurse, of Hale has been called to the Rose City Hospital on professional duties.

February 20, 1948—According to an announcement received here today, President Harry Truman has appointed Richard Price postmaster at East Tawas. The appointment is awaiting approval of congress.

Mr. and Mrs. Ferdinand Anschuetz of Berkley are visitors here this week.

Max Walters of Northville was a week-end guest at the Ernest Mielock home.

Arthur Wuggazer is attending a cleaner and dyer convention at Jackson.

Bert Crandall of Lake City, former Tawas City boy, has been appointed maintenance superintendent of the Michigan State Highway Department.

Alton Durant of Grant Township is at Grand Rapids.

Mr. and Mrs. Albert Thompson are spending a few days in Detroit.

Wilfred Buck, who is employed in Grand Rapids, has been spending a few days at his home in Hale.

CHRISTIAN SCIENCE
The fact that all things are possible to God will be brought out at Christian Science services Sunday.

Scriptural passages in the lesson-sermon on "Mind" will include the following from Isaiah (40:28): "Hast thou not known? hast thou not heard, that the everlasting God, the Lord, the Creator of the ends of the earth, fainteth not, neither is weary? there is no searching of his understanding."

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy will be read the following (180:25): "When man is governed by God, the ever-present Mind who understands all things, man knows that with God all things are possible. The only way to this living Truth, which heals the sick, is found in the Science of divine Mind as taught and demonstrated by Christ Jesus."

The Golden Text is from Job (36:5): "Behold, God is mighty, and despiseth not any; he is mighty in strength and wisdom."

Put Out That Fire!

Missionaries from Japan to Hold Meetings at Hale Baptist Church

Missionaries from Japan, the Rev. and Mrs. William Duncan, will be at the Hale Baptist Church for four days beginning Sunday, February 23. They will speak at the 11:15 morning worship hour and at 8:00 p. m. on Sunday. At 8 o'clock each evening, Monday through Wednesday, the Duncanes will speak.

Mrs. Duncan will be meeting with the ladies at a noon coffee and doughnut meeting each day in homes throughout the community to which all are invited.

Mrs. Duncan is home on a regular furlough while Mr. Duncan is home on a sick leave. They met during their furloughs and were married last December at the headquarters of the Conservative Baptist Foreign Mission Society in Chicago, under which board they are serving in Japan.

Mr. Duncan was graduated from Northwestern Bible School in Minneapolis and Northern Baptist Seminary in Chicago, while Mrs. Duncan studied at the Philadelphia School of the Bible and at Gordon College in Boston.

Thursday through the following Sunday the Duncanes will be at the Whittemore Baptist Church each night, and on Sunday morning at 9:45.

The Rev. James B. Duthie is pastor of both participating churches.

Ladies Aid Votes \$600 for Church Fund

Grace Lutheran Ladies Aid met at the church last Thursday evening with the president, Mrs. Betty Vaughan, leading the devotional and business session. The theme, "Christian Love," was carried out in readings, prayer and song.

Mrs. Charles Nash, chairman, announced the World Day of Prayer at Tawas City Methodist Church Friday afternoon, February 21.

The aid voted to donate \$600 to the church fund.

Plans were made to have Sister Marion Anderson, deaconess at Immanuel Deaconess Institute at Omaha, Nebraska, as a speaker at the March 13 meeting.

She will be on a tour speaking at churches in the eastern district on March 10 through 22. On March 18, she will be the speaker at the District Women's Missionary Society at Pontiac.

Serving refreshments were hostesses, Inez Lixey, Senia Phillips, Leona Seifert and Marian Kaiser. The table was decorated in St. Valentine motif with red azalea and red candles. Refreshments were sandwiches in valentine designs, red and white candies and coffee.

Men's Club Sponsors Father-Son Banquet
The annual father and son banquet sponsored by the Methodist Men's Club was held in the church parlors Wednesday evening, February 12. The banquet was served by the WSCS with Mrs. Joseph Dibley as chairman. Tables were beautifully decorated suggestive of Lincoln's birthday. About 90 people attended.

The Rev. Ralph Edwards acted as toastmaster and gave the invocation and greeting.

Vocal duets, "Whispering Hope" and "The Old Lamplighter," were given by Miss Cherry Powers and Miss Roberta Brookbank. Mrs. Robert Brookbank accompanied at the piano.

Community singing was led by Mr. Edwards. Douglas Evans gave the toast to the fathers in well chosen remarks. His father, D. A. Evans, responded with a "Tribute to Our Sons."

The speaker of the evening was Dr. Ray Noland of the Oscoda Methodist Church. His topic was on "Father and Son Relationship." He touched on incidents in Lincoln's life and compared modern family relationship with that of the time of Lincoln.

The program closed with the benediction by Mr. Edwards.

Mrs. McCall Hostess to WSCS Hope Circle
Mrs. Elwyn McCall was hostess to the Hope Circle of the WSCS at her home Tuesday, February 11. In charge of devotionals was Miss Bernestyne Cozadd. Her topic was "A Challenge of the Space Age." She reviewed the topic as it dealt with the Christian life.

Mrs. McCall, the Hope Circle president, led the business meeting. Plans were discussed to help needy families of the church.

Assisting hostesses who served refreshments were Mrs. John Moffatt, Miss Edna Otis, Mrs. Edward Doak and Mrs. Luella Ford. The serving table was centered with an arrangement of red roses and decorated white candles. A large heart and valentines were also used. The strawberry short cake served fitted in with the red and white color scheme.

St. Anne's Fellowship Meets February 24
St. Anne's Fellowship of the Christ Episcopal Church will meet Monday, February 24, at 8:00 p. m. in the parish hall.

M-Sgt. A. J. Mercure Takes Over Duties in Nuclear Research

Master Sergeant Alphonse J. Mercure, USAF, of Marquette, husband of the former Miss Mary Louise Cunniff of Tawas City, has arrived at Kirtland Air Force Base, New Mexico, for management analysis duties in the air force program of nuclear research and development.

The Air Force Special Weapons Center at Kirtland (part of Air Research and Development Command) coordinates research, development and testing to provide nuclear-carrying capability for USAF bombers, fighters, rockets and missiles. Largely through the center's work, nearly all front-line USAF air vehicles can deliver nuclear weapons to defend the United States against aggression.

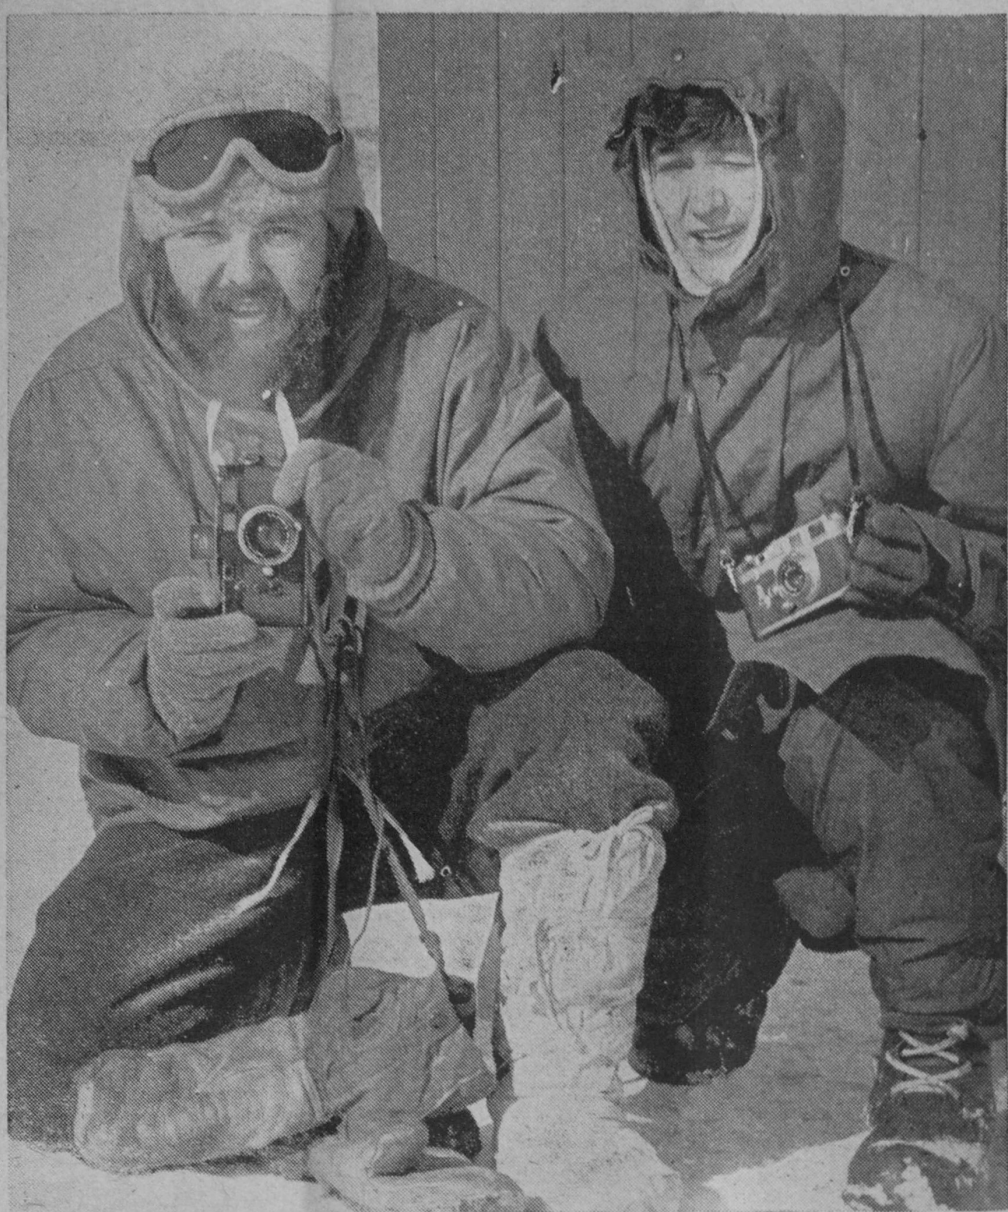

AFSWC also evaluates personnel hazards involved in development, test and use of nuclear weapons, and it provides support to the Atomic Energy Commission in continental and overseas nuclear tests.

Sergeant Mercure will be management analysis technician with the 4925th Test Group (Atomic), which conducts tests, fly-arounds and drops to determine ideal nuclear weapons shapes and compatibility of special weapons with air force delivery systems. This group also provides aircraft and crews for support missions during nuclear tests.

He reenlisted in the air force December 28, 1955, after prior service dating back to 1940. During World War II he was a first sergeant with various units in the European Theater of Operations. Later he completed the budget and fiscal and cost analysis schools at Lowry AFB, Colorado.

He has been NCO in charge of management analysis at Eglin AFB, Florida, and he recently completed a foreign duty assignment at Johnson AFB, Japan. He is a graduate of Gravarant High School in Marquette.

The Mercures have a son, Martin Louis, seven.

SHOWN at PERCHVILLE on Tawas Bay are Tom Abercrombie, lensman for National Geographic Magazine, of Washington, D. C. and his wife, Marilyn. He is considered to be one of the country's leading 35mm photographers.—Tawas Herald Photo.

Highway Money Being Distributed to Counties

Michigan State Highway Department has begun the distribution of motor vehicle fund collections for the fourth quarter of 1957 to counties and incorporated cities and villages of the state, as provided for by Acts 153 and 262 of the 1957 legislature, which combined Act 51 of 1951 and Act 87 of 1955.

Net receipts of the motor vehicle highway fund for the fourth quarter of calendar year 1957 amounted to \$41,534,661, an increase of \$570,058.21 over receipts for the fourth quarter of 1956.

A breakdown of the report showed that Isoco County collected \$73,892.53 from the motor vehicle highway fund collection. Tawas City received \$3,516.87; East Tawas, \$5,589.73; Whittemore, \$1,088.38.

WHITTEMORE-PRESCOTT AREA SCHOOLS

Aaron L. Manwaring, principal of the Whittemore-Prescott High School, attended a meeting of the Northern Secondary School Principals Association on February 12 at Alpena.

The Whittemore-Prescott seniors have conducted a very successful sale of yearbook ads for the Cardinals. They are now engaged in the sale of Curtis Publications with which they hope to have equal success.

GOOD TURN TODAY!

Have you done your good turn today? ... Boy Scouts, as you probably know, pledge to do a good turn every day—and right now, throughout the land, the Scouts are conducting a National Safety Good Turn. The Spring phase of the program will stress traffic safety and you'll be encountering Scouts at service stations throughout Michigan in the weeks ahead. They'll be distributing literature on safe driving, doing their bit to help reduce traffic accidents ... Michigan's trucking industry salutes the Boy Scouts of this great state and pledges all-out support of the Scouts' safety program. Professional truck drivers are thoroughly trained in safe driving practices and many of them operate hundreds of thousands—even millions—of miles without an accident. They are happy to join the Scouts in urging Michigan's motorists to Drive Carefully!

Social Security Tax Must be Paid After 65

Many people are surprised to learn that Social Security tax must be paid on their earnings after they have become 65 years old.

Paul M. Ellifritz, manager of the Bay City office of the Social Security Administration, pointed out that people who did not earn enough in 1957 to pay income tax, may still be required to pay a Social Security tax on their earnings. For example, a self-employed farmer, whose net earnings in 1957 were, say, \$500 would have no income tax to pay, but the 3% percent self-employment tax or \$16.88 would be due. Any person who earned \$400 or more in 1957 in covered self-employment must file a standard income tax return which shows the amount of earnings and provides a space for computing the self-employment tax, even though no income tax is due.

There is no exemption from Social Security tax because of age or because the worker is receiving Social Security benefit payments. As long as a worker has earnings, the tax will be due.

A representative of the Bay City Social Security office will be in East Tawas February 27 at the Federal Building from 10:30 a. m. to 12:00 noon.

Davison-McFarlin Wedding

The main post chapel at Ft. Benning, Georgia, was the scene of the wedding January 29 of Miss Mary Virginia McFarlin, daughter of Mr. and Mrs. R. R. McFarlin of Columbus, Georgia, to Lt. Edward S. Davison Jr., Lieutenant Davison is the son of Mr. and Mrs. Edward S. Davison Sr. of East Tawas, and is a graduate of Tawas Area High School.

The chapel was decorated with twin arrangements of white gladioli, stock, carnations and chrysanthemums banking the altar, alternating with seven-branched silver candelabra. Greenery and fern banded the rostrum and pews were marked with white tapers tied with white satin ribbon.

Chaplain Talmadge McNabb officiated at the evening ceremony. Miss Mary Jo Pierce was organist and accompanied Miss Jane Page, who sang "Because," "I Love You Truly" and "The Lord's Prayer."

Given in marriage by her father, the bride wore a ballerina length gown of white lace and taffeta. Scalloped lace formed the neckline and edged the hem of the bouffant lace skirt. Her fingertip veil was of imported illusion and fell from a half-crown of satin encrusted with sequins and seed pearls. She carried a bouquet of white orchids showered with ranunculus and valley lilies.

Miss Paula Davison, sister of the bridegroom, was the bride's only attendant. She wore a bouffant dress of pink silk, fashioned with a waist length skirt of unpressed pleats gathered at the waist by a crushed cummerbund of matching material. The Sabrina neckline extended into tiny cap sleeves and the back of the dress featured a small bow fastened at the neckline which fell to the hem. Her halo veil was attached to a crown of

pink silk and she carried a bouquet of white orchids.

Larry McFarlin, brother of the bride, was best man.

The bride's mother was gowned in a beige silk dress with brown accessories. A white orchid corsage was pinned at her shoulder.

Mrs. Davison, mother of the bridegroom, wore a navy blue dress with navy and white accessories, complemented by an orchid corsage.

Guests were registered in the bride's book by Miss Nancy Hall.

A wedding dinner was served at the Coco Club in Columbus, after which the newlyweds left for a trip to Florida. For traveling the bride chose a white tweed suit with black accessories and a shoulder bouquet of white orchids.

They will reside on Eighteenth Street, Columbus, upon their return.

Donahue-Hurney

On Saturday, February 15, Miss Angelina Jean Hurney, daughter of Mr. and Mrs. Norman Davis of Saginaw, became the bride of Gerald Robert Donahue, son of Mr. and Mrs. Fred Donahue of Tawas City. The 4 o'clock double ring ceremony was performed at the home of Dr. Hugh S. Townley, pastor of the Ames Methodist Church, Saginaw.

For her wedding Miss Hurney chose a gown of Chantilly lace crystallette over satin. The fitted jacket had a mandarin collar and dolman sleeves. The full flared ballerina length skirt featured a bustle back. A veil of silk illusion was secured to a crown headpiece of coronet pearls and iridescent sequins, and she carried a French colonial arrangement of red roses and white carnations.

The bride's only attendant was Miss Betty Hamilton of Saginaw, who wore a ballerina length gown of pink nylon and tulle with a lace jacket and a crown headpiece. She carried white carnations and pink roses.

The bridegroom was attended by his brother, Wallace F. Donahue of Saginaw.

For her daughter's wedding, Mrs. Hurney wore a navy blue taffeta dress with pale blue accessories and a corsage of red roses and white carnations. The bridegroom's mother chose a powder blue dress with black accessories. She wore a corsage of pink roses and white carnations.

A wedding dinner was served after the ceremony at the Michigan House, Bay City, for the wedding party and parents. Later that evening a reception was held at the home of the bride's parents for 75 guests.

Mrs. Edward Dickey died Saturday night at her home in Whittemore. She was the mother of John Dickey, postmaster at Whittemore.

Born April 6, 1884, at Akron, the former Maggie Luxton married Mr. Dickey on July 27, 1904. Surviving besides her husband and son are two granddaughters; two brothers, Erwin Luxton of Horton and T. Joyce Luxton of Whittemore, and two sisters, Mrs. Luella Derr of Turner and Mrs. Lorena Bendall of Jackson.

Funeral services were held Tuesday afternoon at the Whittemore Methodist Church with the Rev. Dwight Lawson officiating. Interment was in the Saint's Cemetery at Whittemore.

time to go, meaning expenses are being arranged by sponsors.

We shall be very pleased to hear from both men and women leaders saying they would like to go, or perhaps asking for more information before deciding for sure.

All 4-H Clubs are reminded that the first week in March is designated as National 4-H Club Week. During this time there will be displays and programs all over the country calling attention to the work and fun accomplishments of 4-H Clubs and their members.

To assist with arranging displays, posters are provided the clubs. Copies of these posters are at the Cooperative Extension Service office. They can make a most attractive contribution to the display your club makes at the corner store, or wherever you arrange for it.

May we hear about your club's plans? Tell us what the display will include, where and when to look for it, etc.

Linda Shellenbarger, reporter from the Hale Happy Hustlers 4-H Club, writes about their community 4-H club meeting on February 3. She says project reports were given explaining what is being done in meetings by each of the first, second and third foods projects, first aid and third baking projects.

Special awards were given to Linda Wyatt, Darlene Scofield, Charlotte Webb and Nathaniel Jacobs. These awards were to recognize extra special accomplishments in projects completed during 1957.

Leaders of 4-H Clubs are reminded about the 4-H Leadership at Michigan State University on March 1 and 2. It is an opportunity for you to meet and visit with leaders from every other Michigan county. Last year's event was given a top billing in success by all the leaders who attended. All an interested leader needs is the

Roscommon moved into a tie for the lead in the Northeastern Michigan Conference basketball race by handing the Tawas Braves their second loss of the season last Friday night, on the Buck's floor, 53-45. Houghton Lake stayed on the heels of the leaders with a 62-29 win over Sterling, while Gladwin was taking an overtime decision from West Branch, 67-65, and Standish was dropping Pinconning, 60-49, as Beaverton took a free scoring contest from Eastern, 73-53.

Dennis O'Keefe, Standish guard, moved within one point of Dave Lee, Houghton Lake guard, 278-277, for the league scoring lead, as he poured in 25 points on 11 field goals and three free throws. Marlin Spencer, Beaverton forward, had runner-up scoring honors for the night, a point behind O'Keefe, with 24 on nine and six. In the third spot was Guard John Walsh of West Branch with 21 on a nine and three count.

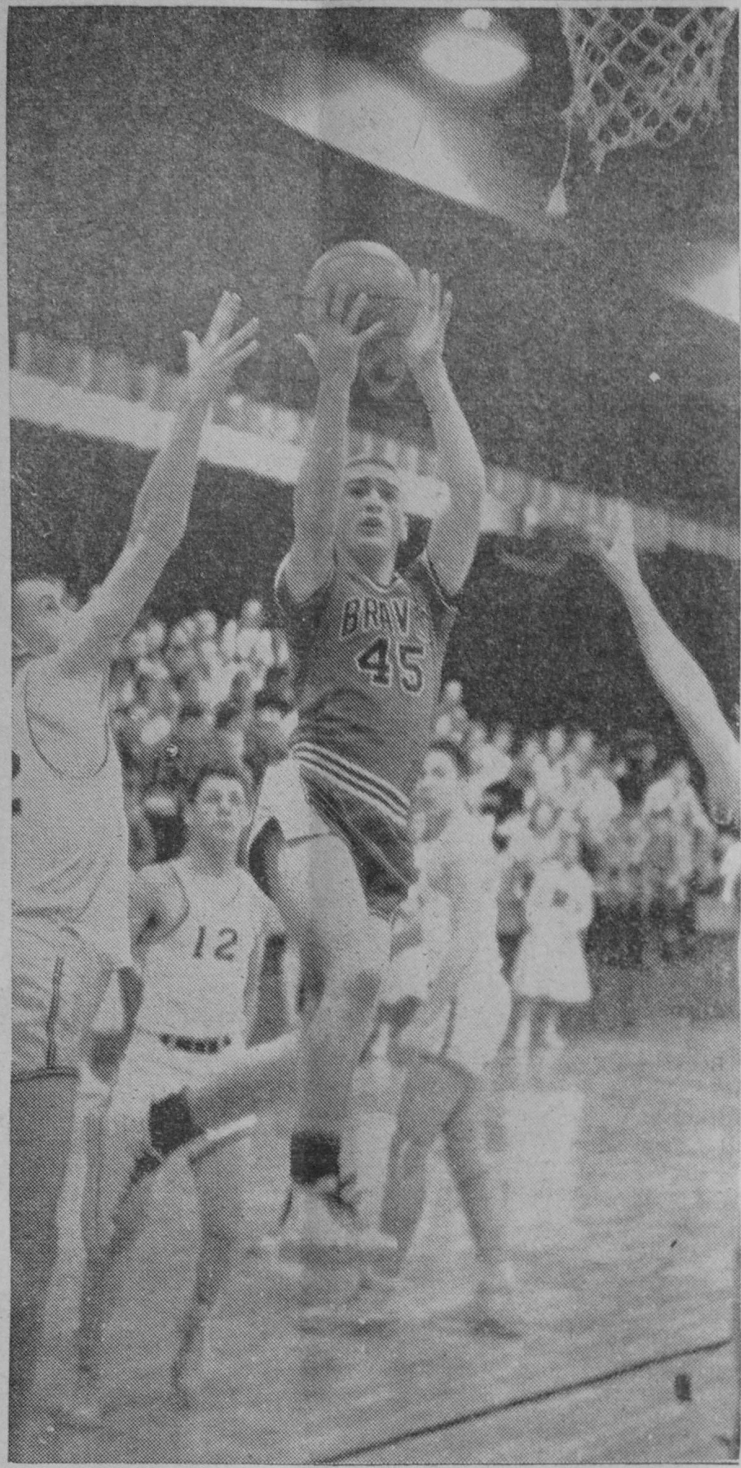

Games scheduled for Friday night include Beaverton at Houghton Lake, Roscommon at Eastern, Standish at Tawas Area, West Branch at Sterling and Gladwin at Pinconning.

Houghton Lake cleared their bench in stopping winless Sterling as they opened with a slow 14-10 first quarter, stepped up the pace in the second period with a 16-2 tally and blew the game wide open with a 16-6 third stanza count. A 16-11 score in the final quarter increased the Laker's winning margin.

Sterling's Forward Ken Thomas and Laker's Guard Pat Marts led the scoring with 12 points each with Dave Lee hitting for 11. Standish held a 10-point edge over O'Keefe, runner-up for the league scoring leadership. Houghton Lake's JV five stayed unbeaten with a 38-11 win over the Sterling reserves in the preliminary contest.

Gladwin and West Branch battled to the intermission whistle with a 13-13 first quarter score and a second period 18-18 count. Gladwin moved ahead in the third quarter with a 22-11 tally but had their bulge disappear as the Orioles crept up in the final stanza to finally knot the score 65-65 when John Walsh tossed in a field goal with 15 seconds left in the ball game. In the extra three minutes, Rod Kigar assumed the hero's role when he dropped two gift shots to give the Flying G's its two point spread.

Both teams had three men in the double figures with Walsh on top with his 21 points. Forwards Ken Heath and Dick Stone of the winners took the runner-up spots with 19 and 18 points each, the former on eight and three and the latter on five and eight. Next best for the Orioles was Nelson Gelinax, guard, with 17 on eight and one. Also scoring in double figures were Joe Reiger of the losers with 11 and Guard Larry Lennon of the winners with 10. Gladwin swept the evening's play with a 44-36 win in the opening contest as Steuernal hit for 20 for

Braves Meet Standish Arrows This Friday Night

The Tawas Area Braves were forced to share their top rung in the Northeastern Michigan Conference last Friday night after losing to the Roscommon Bucks, 53-45.

Playing on their home court, the Bucks were not to be denied in this one after trailing at the end of the first quarter, 13-9, and knotting the score at 25 all at half-time.

Roscommon picked up a five point margin in the third stanza, 13-8, and added to its bulge with a 15-12 tally in the final quarter. During the final two or three minutes of the game, Roscommon played it cagey by making every shot count and not taking any unnecessary chances with long shots.

This move prevented the Braves from gaining possession of the ball and the Bucks built up an eight point lead in the meantime. When baskets were missed by Tawas, Center Jim Papenfus of Roscommon proved to be the deciding factor as he picked off defensive rebounds at will.

Both teams played good defensive ball, with Roscommon coming out a little ahead of Tawas by bottling up Forward Ray Guyette, who was the mainstay of the Braves attack in the last meeting between the two teams.

This win proved to be the equalizer in games thus far this season between the two schools. Earlier in the season the Braves won on their home court, 47-40.

Forward Keith Hanna of the winners topped the scorers with 17 points on seven and three with Papenfus in the second slot with seven and two for 16.

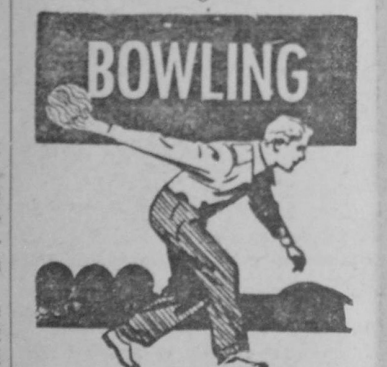

Guard Ray Moore was high man for the losers with 14 on six and two. Forward Dick Lanski was a step behind with 13.

Forward Rick Fradl of the Bucks and Center Ken Bulbitz of the Braves each counted 10 on identical scoring of four and two.

Tawas Area took the preliminary contest, 46-36, as Brackenbury had 19 points for the winners.

ANNUAL TAX SALE

SCHEDULE "A"

STATE OF MICHIGAN, IN THE CIRCUIT COURT FOR THE COUNTY OF IOSCO IN CHANCERY

In the Matter of the Petition of Frank S. Szymanski, Auditor General of the State of Michigan, for and in behalf of said State, for the sale of certain lands for taxes assessed thereon.

On reading and filing the petition of the Auditor General of the State of Michigan praying for a decree in favor of the State of Michigan against each parcel of land therein described, for the amounts therein specified, claimed to be due for taxes, interest and charges on each such parcel of land, and that such lands be sold for the amounts so claimed by the State of Michigan.

It is ordered that said petition will be brought on for hearing and decree at the March term of this Court, to be held at Tawas City in the County of Iosco State of Michigan, on the 25th day of March A. D. 1938, at the opening of the Court on that day, and that all persons interested in such lands or any part thereof, desiring to contest the lien claimed by the State of Michigan, for such taxes, interest and charges, or any part thereof, shall appear in said court and file with the clerk thereof their objections thereto on or before the first day of the term of this Court above mentioned, and that in default thereof the same will be taken as confessed and a decree will be taken and entered as prayed for in said petition. And it is further ordered that in pursuance of said decree the lands described in said petition for which a decree of sale shall be made, will be sold for the several taxes, interest and charges thereon, as determined by the Auditor General of the State of Michigan, on the first Tuesday in May thereafter, beginning at 10 o'clock a. m. on said day, or on the day or days subsequent thereto as may be necessary to complete the sale of said lands and of each and every parcel thereof, at the office of the County Treasurer, or at such convenient place as shall be selected by the County Treasurer, desiring to bid for the same, and that the sale then and there made will be a public sale, and each parcel described in the decree will be sold for the full amount of the total taxes, interest and charges, and the sale shall be made to the person paying the full amount charged against same, and the same cannot be sold for less than the smallest undivided fee simple interest therein, or if no person will pay the taxes and charges and take a conveyance of the same, then the whole parcel shall be offered and sold, if any parcel of land cannot be sold for taxes, interest and charges, such parcel shall be sold for the full amount of the taxes, interest and charges, and before the close of the sale, be reoffered, and if, on such second offering, or during such sale, the full amount charged against the amount aforesaid, the County Treasurer shall bid off the same in the name of the State.

Witness the Hon. Herman Dehnke, Circuit Judge, and the seal of said Circuit Court of Iosco County this 16th day of January A. D. 1938.

HERMAN DEHNKE, Circuit Judge.

Countersigned, George A. Prescott, Clerk.

STATE OF MICHIGAN

IN THE CIRCUIT COURT FOR THE COUNTY OF IOSCO IN CHANCERY

In the Matter of the Petition of Frank S. Szymanski, Auditor General of the State of Michigan, for and in behalf of said State, for the sale of certain lands for taxes assessed thereon.

To the Circuit Court for the County of Iosco, in Chancery: Frank S. Szymanski, Auditor General of the State of Michigan, respectfully shows unto the Court:

1. That he is the Auditor General of the State of Michigan and makes and files this petition under, by virtue of and pursuant to the provisions of Act No. 206 of the Public Acts of 1933, as amended, and Act No. 125 of the Public Acts of 1933, as amended;

2. That Schedule A annexed hereto is the tax record required by the act first above mentioned and contains the description of all lands in the aforesaid county upon which taxes were assessed for the year 1937, and which, as mentioned therein, have remained unpaid for more than one year after they were returned as delinquent, the description of all lands in the aforesaid county upon which taxes were assessed subsequent to the year 1937, and which have remained unpaid for more than one year after they were returned as delinquent, and the description of all lands in said county which have remained unpaid for more than one year after they were returned as delinquent, and the description of all lands in said county under the provisions of the act last above mentioned;

3. That extended separately in said schedule against each description of said lands therein contained are (a) the total amount of delinquent taxes upon said description for the non-payment of which the same may lawfully be sold at the next annual tax sale, (b) interest computed thereon as provided by law to the first day of May, next ensuing, (c) a collection fee of four per cent and (d) \$1.50 for expenses, all in accordance with the provisions of the act first above mentioned;

4. That all of the aforesaid taxes, interest and charges are valid and unpaid and have remained delinquent and unpaid for sufficient time to authorize and require, as provided by the foregoing acts, the sale of the said lands and parcels of land against which they were assessed and are extended in said schedule at the next annual tax sale for the non-payment thereof, and that the said taxes, interest, collection fees and expenses so extended in said schedule against each parcel of land therein described constitute a valid lien upon each of the said several parcels of land described in said schedule as therein and against which extended in favor of the people of the State of Michigan, the payment of which lien this court may enforce as a preferred or first claim upon such lands by the sale thereof.

Wherefore your petitioner prays: A. That within the time provided by law this court may determine and decree that the aforesaid taxes, interest, collection fees and charges are valid and constitute a valid lien upon each of the said several parcels of land described in said schedule as therein extended;

B. That within the time provided by law this court make a final decree in favor of the State of Michigan against each parcel of said lands for the payment of the several amounts of taxes, interest, collection fees and expenses, and extended in said schedule against the several parcels of land therein contained;

C. That said decree provide that in default of the payment so ordered of the said several sums computed and extended against said lands in said schedule, the said several parcels of land, or such interest therein as may be necessary to satisfy the amount decreed against the same, shall severally be sold as the law provides;

D. That your petitioner may have such other and further relief in the premises as to this court may seem just and equitable.

And your petitioner will ever pray, etc.

Dated: January 13, 1938.

FRANK S. SZYMANSKI, Auditor General of the State of Michigan, for and in behalf of said State.

Traffic Signal

(Continued from Page 1.)
 "The State of Michigan follows very much the standard used nationally, based on experiences and thinking of people nationwide. In an incorporated city we require that we have a total of 750 vehicles entering an intersection from all directions per hour for an eight-hour period.
 "When we took the survey here in 1956, traffic did not come anywhere near this volume. When we took that count on a Wednesday and Thursday in August for a 24-hour period, the volume we found using the streets was something like 4,700 on US-23 to the north, slightly less to the south and 290 coming out of Mathews Street.

"There is a possibility that in your minds there are several reasons why we should install the traffic signal here. I am sure I am quite aware what you folks think would be a requirement to meet this condition here. But, there are so many things which would enter into it that it would make the signal a nuisance and a detriment to all hands."
 George Myles, former mayor of Tawas City, said that on numerous occasions the city council had received requests for a traffic light at the intersection. He said that most of these requests came during the two heavy traffic months in July and August, when the park opposite the county building was being used by most of the children of the community.

He suggested that if a survey was made on a week-end during July or August when traffic was heavy, it might show up figures which warrant the light.
 Hugo Keiser, Tawas City businessman, stated that when the

survey was made in 1956 the day turned out to be cold, foggy and wet and so it turned out that traffic count was not high. "I feel that a survey taken during July or August would more than double the count which shows on the report," he stated.

Mr. Keiser asked Eggan if there was a possibility of putting in a light on a trial basis during the two heaviest traffic months. Eggan's reply was that if it was required on a trial basis it would be required on a permanent one.

Among the reasons for not installing a traffic signal, said Eggan, was that a stop at the intersection would not give access to gasoline stations south of Mathews Street on US-23. He said that traffic would back up so far on the main thoroughfare it would be impossible to get into some of these driveways.

He emphasized that at least three traffic lanes were necessary to have a traffic light, in order to allow cars making the turn at Mathews Street.

"We can not get any additional width through widening the street because it would cost too much," he stated. "The only way we can get more space is by cutting off some of the curbing. If that happens it would eliminate much parking space.

He commended Tawas City businessmen for providing additional off-street parking on the new lot between the Hatton Barber Shop and Dillon's 5c to \$1 Store. He urged that more off-street parking be provided to relieve the congestion.

"About all I can do is say we can take another study of the traffic count here," stated Mr. Eggan. "I will recommend that it be made at a more suitable time than the last one. We will try to get it scheduled for a time of year when it is apparent the peak would be greatest."

WOMEN'S LEAGUE TO MEET FEBRUARY 24

The regular meeting of the Tawas Women's League will be held on Monday, February 24, at 8:00 p. m. at the home of Mrs. William LaCourse. All members are urged to be present. The women's league will hold a George Washington bake sale on Saturday, February 22, at Tuttle's Hardware beginning at 10:30 a. m. There will be many treats on sale featuring cherries.

When the city council president at Dover, Ohio, cast his first deciding vote in about five years recently, he did it with a bang. Someone had fastened some caps to his gavel.

"APRIL LOVE"

ANNOUNCEMENT WAS MADE Tuesday by John N. Brugger that work would start as soon as weather permits on a new store front at Brugger's IGA Market in Tawas City. The front will be constructed of Tennessee rubble and corrugated aluminum facing. Doors will be moved to the corner of the building and the double entrance will be on the First Street side. A marquee will extend out about five feet on the front and at the side of the building. The IGA emblem in the open pylon will revolve and will be lighted. Brugger's Market was completely modernized and enlarged in June of 1956. Mr. Brugger said that a parking lot at the rear of the store would be completed. Additional parking space is located on the west side. Architectural work was done by the IGA engineering department.

Hospital Auxiliary Observes Ninth Year of Service

The Tawas Hospital Auxiliary, embarking on its ninth year of service to the hospital as well as to the community, celebrated the occasion with a meeting held at the home of Mrs. Cecil Cabbie February 4. The meeting was reminiscent of early days of the organization in as much as it was presided over by Mrs. L. G. McKay Sr., who was the first president of the auxiliary. Also attending was Mrs. Joseph Homberg, who served as the first chairman. The majority of the charter members of the organization were present, as well as many newer members.

The officers elected for the year were: President, Mrs. Joseph Allen; vice president, Mrs. Milton Kotcher; recording secretary, Mrs. Hugo Keiser; corresponding secretary, Mrs. Gordon Penman; treasurer, Mrs. Joseph O'Connor, and publicity, Mrs. George Baldwin.

Mrs. Norman McNeil gave a report on the leathercraft club which is now available at the hospital.

Seek to Organize Sportsmen's Club

A meeting will be held at the Whittemore-Prescott elementary school building Wednesday, February 26, at 8:00 p. m. for the purpose of organizing a Whittemore Sportsmen's Club. The meeting is being called by Arthur Ellico, Whittemore businessman.

Charles Welch of the conservation department will be present to speak on subjects related to the organization and will bring movies that will be of interest to everyone interested in hunting and fishing.

Arthur Ziembo of Twining, who is an officer of the Arenac Eastern Sportsmen's Club and a member of the M.U.C.C. board of directors, will be present.

Discuss Maintaining Flower Gardens

Mrs. Gerald Klenow was accepted as a new member at the monthly meeting of the Tawas Homemakers, Wednesday, February 12, at the home of Mrs. Robert Elliott Jr. After a short business meeting, Mrs. Howard Adams and Mrs. Ronald Hackborn gave the group some interesting facts about growing and maintaining a flower garden.

Refreshments were served by the hostess from a table decorated in a valentine theme.

The next meeting will be held Wednesday, March 19, at 7:45 p. m. at the home of Mrs. Howard Adams.

Legion to Honor World War I Veterans at Dinner

Tuesday night, February 25, the American Legion of Tawas City is sponsoring a sausage and pancake supper honoring the World War I veterans of the Jesse Hodder Post. It will begin at 6 o'clock.

 Mrs. George Tuttle and baby daughter, Barbara Louise, arrived Sunday from Charleston, South Carolina, where she has been visiting for several months. George Tuttle and daughter, Terry, met their plane at Willow Run.

TALES of TWO CITIES

A German shepherd dog, formerly owned by Jack Bronson of Tawas City, is now a leader dog as the result of three months of training at the Leader Dogs for the Blind at Rochester. "Frosty" is shown above with his new master, John W. Danielson of Wisconsin.

Before returning to active duty with the United States Army, Bronson gave his dog to John W. Searle of East Tawas. Mr. Searle heard of the Rochester school's need for dogs recently and contributed "Frosty."

The dog has trained at the famous school for three months. Danielson became acquainted with the dog three days after its arrival at school and since that time the two have not been separated.

Henry F. McDonald, son of Mr. and Mrs. O. E. McDonald of this city, just can't stay away from the water. A chief boatswain's mate, McDonald began his life of leisure New Year's Eve with a double celebration after he retired with 23½ years in the coast guard service. Following a short vacation in Tawas City, he will join the tugboat service on the Great Lakes.

McDonald's career began with the old lighthouse service, aboard the tender, Marigold, in March 1934. His family consists of his wife, Ann, 41, and his children, Ida, 21; Barbara, 18; Carol, 14, and David, three. They reside at 6780 Mansfield, Detroit.

When he returns to service he will be with the Becket Tug Company.

"The weather out here is in the 70s," so stated John A. Brugger, who is wintering in Arizona. Mr. Brugger, visiting with his daughter, Madge, and family, was in a three-way radio-telephone conversation Sunday with his wife, who remained in Tawas City, C. Warren Wagner and the Rev. C. H. Symons.

Mr. Wagner, a ham radio enthusiast, arranged the conference over the airwaves with another ham operator in Arizona. Mr. Brugger's voice, speaking over the telephone, was picked up by the radio operator in Arizona and relayed to Wagner's set here.

Mrs. Brugger listened to her husband's voice by means of telephone from her home on Wheeler Street. It was a one-way conversation with her, however. Her voice could not be picked up from the telephone by Mr. Wagner's set and relayed to Arizona.

At least 2,931 deer were killed by automobiles and trucks last year on Michigan highways—the second highest total on record.

Services for Mrs. Mary Prescott Held Saturday

Funeral services for Mrs. Mary Fitzhugh Prescott, wife of State Senator Charles T. Prescott, were held Saturday afternoon at Christ Episcopal Church, East Tawas. Mrs. Prescott died the previous Wednesday at University Hospital, Ann Arbor, six days after she had been admitted for observation. She had undergone surgery 15 months ago and had since been in failing health.

Born March 21, 1886, at Bay City, Mrs. Prescott was the daughter of the late Daniel and Eleanor Fitzhugh. She married Charles T. Prescott October 3, 1906, at Trinity Episcopal Church, Bay City. With the exception of 12 years spent in Cleveland, Mr. and Mrs. Prescott have always resided in Tawas City and at their ranch at Prescott.

State dignitaries paid final tribute to the wife of a colleague by the attendance of representatives of the house and senate at the funeral. Last Thursday the senate adopted a message of condolence which said:

"Members of the Senate were saddened to learn of the death of Mrs. Prescott, beloved wife of Senator Prescott. Each member hereby expresses his deepest sympathy to his colleague in his greatest hour of sorrow."

Surviving are her husband; four sons, Allen of Cleveland, Charles T. Jr. and William of Prescott and Fitzhugh of Farmington; a daughter, Mrs. Mary Lou Wilson of East Tawas; 12 grandchildren; a sister, Miss Margaret Fitzhugh of Tawas City, and one nephew, Robert Fitzhugh of Los Alamitos, New Mexico.

Officiating clergyman at the funeral services was the Rev. Paul Sutton. Interment was in the Tawas City Cemetery.

The pallbearers were: Marvin and William Mallon, Howard Hatton, L. G. McKay Jr., Robert Fitzhugh and Arden Charters.

Will Hold Crusade Meeting at Mio

On Wednesday, February 26, from 10:30 a. m. to 3:00 p. m., the American Cancer Society will hold a district crusade meeting at the American Legion Hall, Mio. This meeting is being planned for key crusade workers in the various county units. It is hoped everyone will participate in an exchange of ideas and discussion of problems.

John M. Maynard, Michigan crusade chairman, will conduct the meeting and luncheon is to be served by the Comins Church Missions.

Reservations must be made by Monday, February 24. Contact either Mrs. Herbert Hertler, phone FOREST 2-2285, or Mrs. Nathan Barkman, FOREST 2-3535.

The way to get rid of a friend who wants to borrow some money is to lend him the money; you won't see him again for a long time.

P-TA Prepares to Make Scholastic Award

The regular meeting of the Tawas Area P-TA was held at the Tawas Area High School Monday, February 17. A committee was formed to choose a recipient of the all-student scholastic award. Mrs. Cecil Cabbie is chairman and serving on the committee are Steven Ezzo, Mrs. Charles Mercer, Thomas Pintkowski, Ernest Jordan and William Tracey.

Polio shots were given and the next shots will be administered March 17 at the P-TA meeting. Those who did not receive their first shots can get them then.

The nominations for new officers were made and are as follows:
 President—William LaCourse, Mrs. George Prescott; father vice president—Ray Cross, the Rev. Ralph Edwards; mother vice president—Mrs. Charles Fairfield, Mrs. William McCoy; teacher vice president—Thomas Pintkowski, Mrs. Harold Clark; secretary—Mrs. Leslev Klein, Mrs. John Roter; treasurer—Mrs. John Proctor, Mrs. Richard Nelson; historian—Mrs. Reynold Mick.

Miss Clara Bolen showed a movie on brotherhood week, and what would happen if overnight the world would shrink and Americans found the people of foreign shores as our neighbors.

Harold Clark announced that the next meeting will be dad's night. The men will take over the meeting completely, and the women will relax.

The military preparedness of the United States should not fluctuate with public alarm.

Michigan Intangible Tax Due March 31

Robert Curtis of Whittemore, representing the Michigan Department of Revenue, states that he will assist any taxpayer in the preparation of his intangible tax returns. These returns are due not later than March 31.

Starts New Year With Saving in Lives

Michigan started out the new year with another substantial saving in lives lost in traffic accidents.

A state police report shows that in January 83 persons were killed as compared to 121 in the same month a year ago, a reduction of 38. While these figures are provisional and the death toll is expected to be added to with the receipt of delayed reports, the month will nevertheless wind up with a fine net on the credit side.

The 1958 goal has been set at a saving of 10 percent under the death total of 1,519 in 1957, or 152 lives.

The January death toll was the lowest for that month since 1952, when 81 were killed. It was the 20th month of the last 22 in which there have been reductions in death compared with the same month the preceding year.

Michigan's death toll for 1957 now stands at 13 percent under a year ago, whereas the national saving is three percent. The national death toll is estimated at 38,500.

THANK YOU

I wish to thank the voters of the Third Ward, East Tawas, for their confidence and support in the recent primary election.
