

PICTORAL REVIEW OF 1957-The new Tawas Area School was dediated on Sunday, May 19, and part of the crowd which attended s shown here; costumes of the gay 90s were the order of the dy during losco County's centennial celebration in June; th new Tawas Junior Chamber of Commerce was or-

ganized in June and officers of the organization are pictured here receiving the club's charter; the new Tawas Area Athletic Booster Club was organized in June and plans were made for building the new athletic field. Members of the board of education are pictured here during one of the meetings.

PICTORIAL REVIEW OF 1957-Scheduled to be completed in May 1958 is the new East Tawas water filtration plant; National Gypsum Company received federal approval in November for construction of its lake loading facilities, as the result of a hearing held here in September; L. G. McKay and G. N.

Shattuck, executive officers of Peoples State Bank, are shown looking at the bank's new 30-year charter which was received in June; the belfry of the old Tawas City school toppled to the ground when the school was razed in May; the centennial parade will long be remembered by losco County residents.

Agriculture Secretary Ezra Taft Benson revealed a broad new program to take farmland out of production and sow it with trees and grass instead of surplus-producing crops. Farmers in four states
—Illinois, Maine, Nebraska and
Tennessee—would put their entire farms under the soil bank conservation program, and receive between \$5,000 and \$10, 000 yearly payments.

A nation at peace quickly forgets those who gave their lives in time of emergency.
