## Auburn Youth is Iosco County's 5th Drowning Victim

A 17-year-old Auburn youth, who dove off the Waterways Commission Dock at East Tawas Sunday night in an attempt to save a swimming companion, became Iosco County's fifth drowning victim of the summer.

Drowned was James Dennis Paeth, son of Mrs. Evelyn Paeth, 408 Wheeler Road, Auburn.

His companion, Lawrence L. McGray, 17, of Oscoda was able to reach safety unassisted, but nearly drowned again when he fainted and toppled into the water when Paeth's body was recovered by United States Coast Guardsmen from Tawas Point.

Two witnesses to the tragedy, Kenneth R. Taylor of Wurtsmith Air Force Base and Samuel H. Spencer of Route 2, Tawas City, told police that Paeth dove off the east end of the pier in an attempt to save McGray, who called for help.

Paeth failed to surface and it is believed that the youth struck his head on piling or on some other underwater object. The coast guard estimated that the depth of water at the point of his dive was approximately 12 to 15 feet.

The Auburn youth's body was recovered by the coast guard using grappling hooks at 7:30 o'clock, with the assistance of state police and sheriff's department rescue boats.

After McGray fell into the

water and nearly drowned a second time, he was brought to safety by two unidentified persons. Artificial respiration was applied successfully and he was removed by ambulance to Tawas Hospital where he was treated for shock.

## 'Operation Tin Can' is Set Today

"Operation Tin Can," the clean-up of the Tawas River, will be held this afternoon starting at 2 o'clock. Anyone who is able to participate in this campaign is urged by the Tawas City Businessmen's Association to be at the First Street bridge where the project will commence.

Chairman James Dillon said this week that he was very pleased with the comments heard about the project. He said that the success of the project depends upon the number of volunteers who offer their assistance.

This campaign is being jointly sponsored by the businessmen and the City of Tawas City, in cooperation with Conservation Officer Arthur Leitz. The river is presently at its lowest level in years and offers a good opportunity to clean out the river bottom.

It is not expected to complete the campaign in one day. Piling under the bridge will be removed at a later date. Dillon said that it was the first big step in the right direction toward improving the Tawas River.

## Name Candidates for General Election--

# Number of Contests in Primary Next Week

Next Tuesday, August 5, will be the date of the Michigan primary election. At this election, voters will select candidates whose names will appear on the November general election ballot.

Promises of several interesting races are in prospect for this area. Many offices on both sides of the primary ballot have contests.

Although only one incumbent Republican county officer is opposed on his own ticket, nearly all the offices will be opposed at the November general election by a slate of Democratic candidates.

The lone contest on the Republican side of the ballot, as far as county officers are concerned, is for prosecuting attorney, William R. Barber, incumbent, is opposed by Alfred W. Mason, a newcomer to politics in this area.

County officers who are unopposed on the Republican ticket are: Ivan L. O'Farrell, sheriff;

George A. Prescott, county clerk; Grace L. Miller, treasurer; Albert H. Buch, register of deeds; E. H. Stickney, drain commissioner; E. John Moffatt and E. D. Jacques, coroners; Carl R. Small, surveyor.

Opposition furnished by the Democrats are: J. D. Lehman, sheriff; Wilbur C. Roach, county clerk; John T. Austin, treasurer; William J. Zanoni Jr., register of deeds; Harold Peterson, drain commissioner.

In the state legislature, Charles T. Prescott, incumbent state senator for the 28th district, is opposed on the Republican ticket by LaVern Boman. James P. Mielock, incumbent representative in the state legislature for the Alpena District, is opposed by the G. Douglas Taipalus.

The Democratic side of the ballot finds Lawrence J. Raymond and Earl T. Miller as candidates for the state senator post.

Although no name appears on

the Democratic ballot for the representative in the state legislature, Henry Oates, building contractor of Alabaster Township, has announced that he will run for nomination to this post on stickers.

All Republican state officers are unopposed. They are: Paul D. Bagwell, governor; Donald A. Brown, lieutenant governor; Charles E. Potter, United States senator; Elford A. Cederberg, representative in congress for the 10th District.

Several races are in prospect for these positions on the Democratic ballot. G. Mennen Williams is opposed by William L. Johnson for governorship; John B. Swainson is opposed by Michael T. Mohardt for lieutenant governor; Homer Martin opposes Phillip A. Hart, present lieutenant governor, for United States senator, and three candidates seek the nomination for representative in the 10th District. They are: Daniel E. Reed, Richard K. Cronk and William L. Hellerman.

Voters are reminded that they cannot split their ticket; that is, one side of the ballot must remain un-marked or it will be rejected.

Voters will also have the opportunity to select delegates to the county convention by writing in the name of their candidate in a space provided for that purpose on the ballot.

## Four Persons Injured in US-23 Head-On Crash

Four persons were injured, three seriously, in a head-on collision of two autos on US-23 near the Iosco-Arenac County line Sunday morning.

In serious condition at Tawas Hospital is William L. Fiebertz, 63, Flint, lacerated head, fractured ribs; his wife, Irah, 66, both arms broken, a broken leg and lacerated head.

The driver and passenger in the other car involved were Douglas D. Venable, 21, of Flint, minor cuts and bruises, and his wife, Betty Lou, 19, a fractured right leg and bruises.

Police said that Fiebertz, traveling south, attempted to pass another car and when he was unable to get back in his own lane he pulled off the pavement to the left, striking Venable's north-bound car directly head-on.

Venable told officers that when he saw Fiebertz coming in his lane he swung off the road to

his right to avoid the impending collision.

All of the injured were taken to Tawas Hospital for treatment. Both cars were total wrecks.

## Bagwell Here--

### Not Campaigning-- Just A Vacation

Paul D. Bagwell, Republican candidate for governor, is vacationing in the Tawas area for a few days this week in a brief respite before hitting the "campaign trail" prior to the election.

A telephone call to the Herald from Elmer Werth, county Republican chairman, explains that Mr. Bagwell is not campaigning during this visit. "He is just spending a few days here with his family at Green Bay's resort."

Werth said that the Republican gubernatorial candidate would return to the Tawas and Iosco County area when he starts his campaign swing into Northeastern Michigan.

## Final Plans Made for Cemetery Fund Drive

Final plans were completed Tuesday evening for the cemetery improvement fund drive to be held Tuesday, Wednesday and Thursday, August 5, 6 and 7.

The arrangements were made at a joint meeting of Audie Johnson Post, American Legion, and Auxiliary committee members.

A kick-off breakfast will be held Tuesday morning for workers in the drive.

Legion post workers will contact the business district, while members of the auxiliary will make a house to house canvass of the city's three wards.

As soon as the drive for funds is over, plans have been made to finish the work at the cemetery and complete the water system.

## Fair Board Sends 'Thank-You' for Aid

The Iosco County Fair opened as planned Wednesday, July 23, in spite of the loss of the Plainfield Township Community Building by fire on Tuesday. This building had always been used for exhibit space and evening programs during the fair.

The Iosco County Agricultural Society expressed its sincere thanks to the Iosco County Road Commission for cleaning and for the use of the county garage at Hale for housing exhibits and programs during the four days.

The board also thanked the Hale Volunteer Fire Department for its great effort in trying to save the building and for protecting the surrounding area; also the Whittemore and Lupton Fire Departments for their assistance.

Among others who lent valuable assistance to the board were Dan Thayer, for the use of his water truck at the race track; Hale Area School, Love Hall and Whittemore organizations for the use of tables for exhibits.

Gerald Bellen, president of the Iosco County Agricultural Society, extended his thanks "to all who helped in any way to the success of the 1958 Iosco County Fair."

## Plainfield Firemen Set for Annual Barbecue

Plainfield Township Fire Department will hold its third annual barbecue Sunday, August 3, at the Rollways beginning at 2:00 p. m. A 12-foot aluminum boat will be given away.

A street dance will be held at 9:00 p. m. on Main Street in Hale August 2.

THE CROSS ATOP Zion Lutheran Church's spire, long a landmark for sailors and airplane pilots, was taken down this week by Ed LaDuc, steeple-jack of Cheboygan. Zion Lutheran Church was constructed in 1890 and the slender spire has since become deteriorated. At one time the cross was struck by lightning and repaired. LaDuc climbed to the top of the spire, cut the cross off at its base and lowered it to the ground. The spire will be removed down as far as the belfry and the copper-covered wooden cross, still in sound condition, may be replaced at that point. In the picture above, LaDuc is shown talking with Pastor E. E. Bickel at left, after the cross was removed. At right is Jerry LaDuc, the steeple-jack's son and assistant. The picture at left shows the spire as LaDuc made preparations to take the cross down. At top center, this telephoto shot shows the cross as it broke away from the base, and at right, as it was lowered by block and tackle. Although the cross at the top of the spire was some 150 feet above the ground, it was only another day's work for the Cheboygan man, who worked for three years on the Mackinac Bridge. He has followed this trade since he was 17 years old.—Tawas Herald Photos.

## Search for Lost Boy Ended Saturday in Dead AuSable

The body of Mark Soulliere, four-year-old child who was the subject of a 19-hour search by more than 200 police and volunteers last Friday and Saturday, was found dead Saturday morning in the swampy wasteland of the Dead AuSable, about three miles south of Oscoda.

The body was located at 11:15 o'clock Saturday morning by Dick Hoenke, 15, of East Tawas and Bill Roggman, 16, of Oscoda. Both boys had joined the volunteers and were using a canoe to search the swampy area.

About 500 yards off US-23 and about a quarter mile south of the Soulliere home, the two youths found the body of the little boy in some four feet of water and in the middle of a tangle of weeds.

Little Mark had been the subject of one of the most intense hunts for a lost person in Northeastern Michigan history. In the search were: Iosco County Sheriff's Department; Michigan State Police officers from posts at East Tawas, Alpena, West Branch, Bay City, Bridgeport, Flint and Houghton Lake; men from Wurtsmith Air Force Base; many residents of Oscoda and Tawas areas, and neighbors of the Soullieres.

Mark was the son of S-Sgt. Zane and Mrs. Florence Soulliere. He was born at Harrisville December 2, 1953. He is survived by his parents; five brothers, Michael, 11, David, eight, Steve, three, Bruce, two, and Peter, one.

The boy vanished from the yard of his home shortly after 3 o'clock Friday afternoon. His disappearance was reported about an

hour later after his mother and brothers were unable to locate him.

When he disappeared, he was wearing only a pair of underwear shorts and no shoes.

Mark had been lost in the wooded area behind his home at least twice during the past several months. Each time he got out by himself after becoming lost.

Assisting in the search was a helicopter from Wurtsmith and a bloodhound from Fairview. Portable radio transmitters were carried on the backs of searching crews for communications.

Leading the search were Iosco County Sheriff Ivan L. O'Farrell; Captain Vincent F. Neering of Bay City, commander of the third district, Michigan State Police; Chief

Howard Hofacer of the Oscoda Volunteer Fire Department; State Police Detective Leroy McClure of East Tawas.

Sergeant Soulliere, who is stationed with the air force at Little Rock Air Force Base, Little Rock, Arkansas, had started for home in his automobile to spend a leave with his family before the tragedy was reported. He arrived shortly after midnight Sunday.

He was formerly stationed in Germany and at Wurtsmith Air Force Base. The family had resided in Oscoda and Harrisville for the past several years.

Funeral services were held at 2 o'clock Monday afternoon at Greenbush Union Church at Harrisville. Burial was in the Springsport Cemetery at Harrisville.

## Receives Assistantship in Research and Engineering

Richard G. Hertzler, a 1954 graduate of Tawas Area Schools and a recent graduate of Michigan State University, has been notified that at the recommendation of his professors for outstanding scholarship, leadership and initiative he has received an assistantship in research in engineering at the University of Illinois.

This award provides a stipend, free tuition and an opportunity to work in research and earn a master's degree.

During his junior year, Richard was the president of the MSU Chapter of the American Society of Civil Engineers and in his senior year was co-chairman of the National Conclave of ASCE held at Kellogg Center, East Lansing. Last year he was assistant to a professor at the MSU Summer Camp for Engineers, near Sault Ste. Marie.

Richard is the son of Mr. and Mrs. Herbert Hertzler of East Tawas.

## Sharon Czaika to Graduate as Nurse

Miss Sharon Czaika, daughter of Mr. and Mrs. Joseph Czaika of Route No. 2, Tawas City, will be a member of the 60th graduating class when the Saginaw General Hospital School of Nursing holds commencement exercises Sunday, August 3, 3:00 p. m., in the First Presbyterian Church.

Graduates will receive diplomas and school pins, and will recite the Nightingale Pledge in unison. Following the graduation a reception will be held in the church parlors for parents, graduates, friends and faculty members.

## Tawas Bay Was Site of Largest Lightning Meet

Largest one-design sail boat regatta ever held in Michigan was sailed on Tawas Bay last Friday, Saturday and Sunday with 50 Lightnings entered in the district regatta.

Henry Cawthra of Crescent Sail Yacht Club, Detroit, successfully defended his 1957 title and won the 1958 championship by sailing to four straight victories before dropping to a third place in the final heat Sunday morning.

Cawthra, who is a former national champion in the class, had a point total of 247 out of a possible 250.

In second place was Mack Goodwin of Pontiac Yacht Club. Third place went to Ed and Bill McKinley of Tawas Bay Yacht Club. Fourth place was won by Herm Nickels of Lake Fenton and fifth by Alec Allardice of Crescent Sail Yacht Club.

Winners of the first five places will go to the international championships.

During the three days of racing there were more than 300 persons here directly connected with the regatta, either as skippers, crews

or their families. Fifteen of the skippers and their families had spent the week here in preparation for the races.

The Lightning fleet had perfect sailing weather for all heats except the final one Sunday. Boats went around the triangular course twice in each heat.

The Lightning skippers all commented to race officials about how Tawas Bay is one of the finest pieces of water in the state for sailing this type of craft. All had only high praise for the manner in which the race was run, the weather and the course.

Lightning association regulations require that each leg of the course be 1 1/2 miles in length with the boats starting into the wind.

It was noted at the race that many more young people are becoming interested in sail boating which, as one of the older sailors put it, "makes us all very happy." The Tawas Bay Yacht Club recently organized a group of pram boats to interest more young people in the sport.

A CEREMONY was held at the National City plant of National Gypsum Company last week when C. H. Hill (right), plant manager, presented Adam Birkenbach, quarry superintendent, with an outstanding safety award. The award, the certificate of honor of the Joseph A. Holmes Safety Association sponsored by the United States Bureau of Mines, was presented to the management and employees of the National City plant's quarry. "For operating 1,129,409 man-hours without a lost-time injury from August 1, 1938, to January 28, 1958." This is the highest award given by the association and given only in recognition of the most outstanding achievements in the field of safety. The presentation was made during the regular monthly safety committee meeting at the plant. Mr. Birkenbach receives the award in the above picture.—Tawas Herald Photo.

## WHO HAS THE WHIP?

The opinion was voiced last week that the Michigan Department of Conservation was being made a "whipping post" by those who disagree with methods used by it toward stopping the Port Gypsum development of National Gypsum Company. This may be someone else's opinion, and should be respected as such . . . but to the publishers of this newspaper it is pure bunk when the department is called a "whipping post."

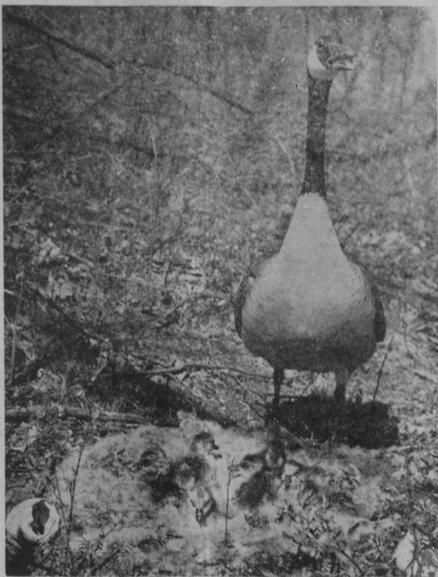

We know of no other state agency which is so all powerful when it comes to passing a bill favorable to its thinking through the state legislature (or killing one which it does not like); likewise, we know of no other state agency, private group, corporation or what have you, which has the knack of reaching the public through news releases published in Michigan's daily press, apparently without any questions asked.

It would seem, if the AP and UP-I releases coming from Lansing were all taken as a matter of fact, that the conservation department's fight against the port installation here is something "new."

Last week's releases were a good example. No mention was made of the fact that National Gypsum Company had twice received permission from the court to proceed with the construction under the interpretation of the old law; naturally, no mention was made of the fact that Judge Dehnke had expressed disappointment at last week's hearing because his decision of last April had not been taken to the supreme court. Instead, the department chose to push a new act which became law July 1 . . . nearly three months after the decision.

The department is being set up as the protector of the peoples' rights . . . just what people are they protecting? In fact they may give so much protection that it may be impossible for navigation in Michigan waters, other than for pleasure boating. The way we look at it, the state holds a pretty "big stick" under this new law. As was said in court last week, mothers had better keep a close watch over their children while at the beach—under the court's interpretation, the youngsters may be in violation if they dig in the lake bottom too deeply in making sand castles.

## Stand Back!

A CANADA GOOSE warns conservation department photographer, Robert Harrington, not to come any closer to this nest of newly hatched goslings at a Southeastern Michigan recreation area. The young birds had just emerged from their eggs when the photo was taken. Canada geese are raised at the department's game farm and released in suitable areas in order to establish resident breeding populations.

## Looking Backward Iosco County Chautauqua Opens Next Tuesday

August 2, 1918—The "big top" will be erected next week for the annual Chautauqua season. Among the speakers on the five-day program will be Samuel Cranston Benson, Andrew H. Harnly and Dean R. G. McCutcheon. Fischer's Pan American Exposition Orchestra will appear here during the second day's programs.

Miss Fanny Meyers returned to New York City after a visit with East Tawas relatives.

Gordon Lloyd leaves Monday for Washington where he will be employed in timber operations.

William Wolzschke left Saturday for Detroit where he has employment.

Will Waterbury of Detroit is spending the week with his parents, Mr. and Mrs. John M. Waterbury.

Mrs. Moses Kehoe left Wednesday for a few weeks visit at Flint and Montrose.

Laverne Frappier writes that he expects to leave for France within the next few weeks.

Miss Frieda Bucholz returned to Saginaw Monday after a visit with her parents, Mr. and Mrs. Julius Bucholz.

Mrs. Frank Wolfson of Long Lake is a guest of relatives in Cleveland, Ohio.

Louis Lobdell of Muir came Monday for a visit with his father at Hale.

John Bully, who has been employed in Flint, is spending a few days in Wilber Township.

Henry Ballard of Long Lake is at Bay City on business.

## CHRISTIAN SCIENCE

How strength and freedom are gained through understanding God, divine Love, will be a topic dealt with at Christian Science services Sunday.

One of the selections from the Bible in the lesson-sermon entitled "Love" is this from Matthew: "And Jesus went about all Galilee, teaching in their synagogues, and preaching the gospel of the kingdom, and healing all manner of sickness and all manner of disease among the people." (4:23)

Correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include the following (454:18-23): "Love inspires, illumines, designates, and leads the way. Right motives give pinions to thought, and strength and freedom to speech and action. Love is priestess at the altar of Truth. Wait patiently for divine Love to move upon the waters of mortal mind, and form the perfect concept."

## 'HYMN SING' AT RENO CHURCH NEXT SUNDAY

The Reno Baptist Church, Towerline Road, Whittemore, will have its regular monthly "hymn sing" Sunday, August 3, at 2:30 p. m. Everyone is welcome. Special numbers and musical selections from all denominations are also welcome.

ited Reno Township relatives during the past week.

Mr. and Mrs. Jesse Chase of Whittemore motored to Lansing Wednesday.

August 4, 1933—A meeting of the newly organized Tawas City Improvement Association was held Monday evening. Fred T. Luedtke, president of the association, appointed the following as members of the executive committee: H. Read Smith, Eugene Bing, Alfred Boomer, Ray Smith and Ernest Burtzloff.

A special discount sale is being held at Hanson's Bazaar and Book Store.

William Leslie, freshman at Hillsdale College, has been awarded a scholarship.

Frederick Lincoln, who is attending the United States Naval Academy, is home for a few days.

Misses Winnifred Herman and Genevieve Deckett are attending the Chicago World's Fair.

Charles Birney of Jackson was a Sunday visitor in the city.

Hiram Ulman of Mt. Clemens called on Townline relatives during the past week.

Frank Schneider has constructed a new home at National City.

Mr. and Mrs. William Curtis of Whittemore are spending a few days at Sault Ste. Marie.

Mr. and Mrs. John Mortenson of Long Lake were business visitors here Monday.

July 31, 1948—National Gypsum Company employees have pledged about \$10,000 toward the proposed Tawas Hospital.

Thorald Curry left Monday for Savannah, Georgia, after spending several weeks with relatives here.

Mr. and Mrs. Jesse Sloan have returned from a vacation trip to Chicago.

A free barbecue will be held Tuesday noon at the Hale Live-stock Sales Yards.

Roy Coates of the Hemlock Road was a business visitor at Bay City this week.

## HOW MANY HOMEOWNERS ARE GAMBLERS?

A home built in 1943 for \$10,000 would cost at least \$21,000 to replace today. Building costs have more than doubled since 1943!

Why not find out now how much it would cost you to replace your home at today's costs? We'll gladly sit down and go over your policies with you . . . tell you how much insurance protection your home should have. There's no obligation for this service, and it may give you a new slant on the value of your home. Come in today, for your own peace of mind.

## Paul Bunyan Council Scouts to Hold Picnic Today

Once each summer the Northland District, Paul Bunyan Council, Boy Scouts of America, has a picnic and get-together. This year the picnic is to be held at East Tawas State Park, Thursday, July 31, at 7:00 p. m.

This is a chance to have fun and also to meet some of the Scouters from all over the district. Everyone is urged to come as the commissioner's staff will pass out fall program kits. This contains important material for leaders of the units. In these folders will be the information on the coming events along with helps for pack or troop programs for the 1958-59 program year.

Scouts are requested to bring a picnic supper, table service and beverage.

Along with the picnic and round-table, there is to be a very brief district meeting. Marion Richmond has made arrangements for a short film from the conservation department for a special feature.

"Remember this is important to you and your local Scouters. Make the game of Scouting easier by getting the know-how first hand," stated James E. Atkins, district executive.

## Mrs. Ernest Buckner

Mrs. Ernest J. Buckner, resident of Butterfield Subdivision, East Tawas, died at her home late Saturday night. Her death was not discovered until Sunday afternoon.

Mr. Buckner, suffering from a heart condition, was at the Tawas Hospital. Not hearing from her during the day, he became worried and had neighbors go to his home. They found her on a couch in the living room. Coroner E. John Moffatt said that death was due to natural causes.

Born May 29, 1892, at Port Huron, she married Mr. Buckner in October 1922.

She is survived by her husband; 11 children; 47 grandchildren; 11 great grandchildren; two sisters, and a brother.

At the Moffatt Funeral Home until Tuesday, the body was taken to the Howe-Peterson Funeral Home, Dearborn, where funeral services will be held at 3 o'clock Thursday afternoon. Interment will be in the Cadillac Memorial Cemetery, Garden City.

## New Postage Rates Go Into Effect Friday, August 1

A last-minute warning that new postage rates will go into effect tomorrow, August 1, was issued today by Postmaster Martin Kasischke of Tawas City. Mr. Kasischke cautioned that regular first-class letters will require four cents postage an ounce, air mail letters seven cents an ounce, air mail postal cards five cents each and regular postal cards three cents each.

Where mail users still have on hand supplies of three-cent stamps, two-cent postal cards, four-cent air mail postal cards and six-cent air mail stamps, they may be used by the addition of an ordinary one-cent stamp.

Plenty of these are on hand at the local post office, plus large supplies of new four-cent stamps, seven-cent air mail stamps, five-cent air mail postal cards and three-cent regular postal cards.

Stamped envelopes are also in good supply in the needed denominations of four cents for regular first-class letters and seven-cent air mail letters.

## Mrs. Marion J. Schmalz

Funeral services were held Saturday morning at the Immaculate Heart of Mary Church for Mrs. Marion Julia Schmalz of Tawas Township. The Rev. Fr. Joseph Castanier officiated. Burial was in the Tawas City Cemetery. Mrs. Schmalz died Wednesday morning, July 23, at the home of her daughter, Mrs. Richard Roemer.

Born November 28, 1894, at Detroit, she had been a resident of this community for 22 years. She was the widow of Ferdinand Schmalz, who died in 1953.

Surviving are the daughter, Mrs. Roemer; a son, Erwin Smith of Jackson; nine grandchildren; one great grandchild; two sisters, Mrs. Leola Blank of Birmingham and Mrs. Frances Loos of Detroit, and two brothers, Harry Rescoe of Tawas City and Herbert Rescoe of Pontiac.

## Mrs. Adam Rettig

Mrs. Emmeline Rettig of Tawas Township died Sunday afternoon at her home following a lingering illness. Funeral services were held Wednesday at Zion Lutheran Church, Tawas City, with the Rev. E. E. Bickel officiating. Interment was in Zion Lutheran Cemetery.

Born in Germany January 25, 1895, she came to the United States in 1925. Returning to Germany for a visit, she married Adam Rettig there on March 15, 1928.

Surviving are her husband; two sons, Harry of Lincoln Park and Bruno of Ypsilanti; one grandchild; a brother, and two sisters in Germany.

Calendar:  
August 12 and 13—District Homemakers' Camp, Hardwood Lake.

It is time for Iosco County women to decide on attending the fourth district camp for homemakers. Place your reservation with me by August 1.

Begun four years ago, this camp for homemakers is short to make it easier for more of you to go. Many times you can arrange to be away one night but cannot be gone for as many as three or four days.

The program is planned by county home demonstration council chairmen and the home demonstration agents. It includes fun and fellowship as well as craft type activities and lots to eat.

Copper bracelet making, mosaic tile, square dancing, a cook-out with your own equipment, a chicken barbecue, a talent show with you as the actors and mystery feature are among the activities for Wednesday and Thursday, August 12 and 13.

Will we have you with us?

Let us move outdoors and cook the meat. What meat you barbecue is your choice—and it is not limited.

You can start with naturally tender beef. That means young, high grade meat from the loin section. It boils to tender eating with no extra help from you.

Choose U. S. Choice grade sirloin steak, about \$1.19 a pound, or U. S. Choice porterhouse steak, \$1.35 a pound. Just put the meat

on the grill and cook it rare, medium or well-done.

Or start with a less tender cut of meat; such as, U. S. Choice round steak, 99 cents to \$1.09 a pound, or U. S. Choice blade steak, 65 to 69 cents a pound. These cuts do not need extra help before they go on the barbecue pit.

You may use a commercial tenderizer. Most directions say to puncture the meat with a fork so the tenderizer can get inside. Action takes place only where tenderizer contacts the meat tissue.

Take time to read the directions for using the tenderizer. Do not let the meat stand too long during the "waiting" period. If the instructions say to cut down on cooking time, cut it down.

Just remember meat that is "tenderized" will not have the same uniform tenderness you find in naturally tender beef.

There is another way to tenderize meat... use a marinade—a mixture you can put together at home. Use one part oil to one part food acid; such as, lemon juice, vinegar or tomato juice. Add spices if you like. Food acid does the work here. French dressing or a barbecue sauce can also be used.

Lower grades of beef—in the economy class—can be given a tenderizing treatment. It insures tender eating in sirloin steak at 99 cents or \$1.02 a pound. It will help tenderize the round steak that sells for 95 to 99 cents a pound or the blade cut chuck priced at 59 to 63 cents a pound.

Of course, there is always hamburger—tender and economical, all at once. You will pay about 59 cents a pound for top grade hamburger.

### Large Crowd Saw Knot Hole League All-Stars Perform

Sunday's all-star game at East Tawas proved to be no pitchers' duel between the American and National teams of the Knot Hole League, the former winning by a 20-9 score. This was the first such game in the league's history.

Before a large crowd of spectators, the Americans exploded in the sixth inning to score 14 runs. Up to that time, the game was played on even terms, the Americans scoring three runs in the first and fourth innings, and the Nationals taking the lead with four runs in the fifth and five in the sixth.

In the bottom of the sixth inning, the Americans batted around twice to put the game completely out of reach. The inning was highlighted by a grand-slam home run by Jerry Youngs.

Tyler Cholger started on the mound for the Americans and did not allow a hit until the fourth inning. He was opposed by G. Goss, who started for the losers and was in trouble only in the initial frame.

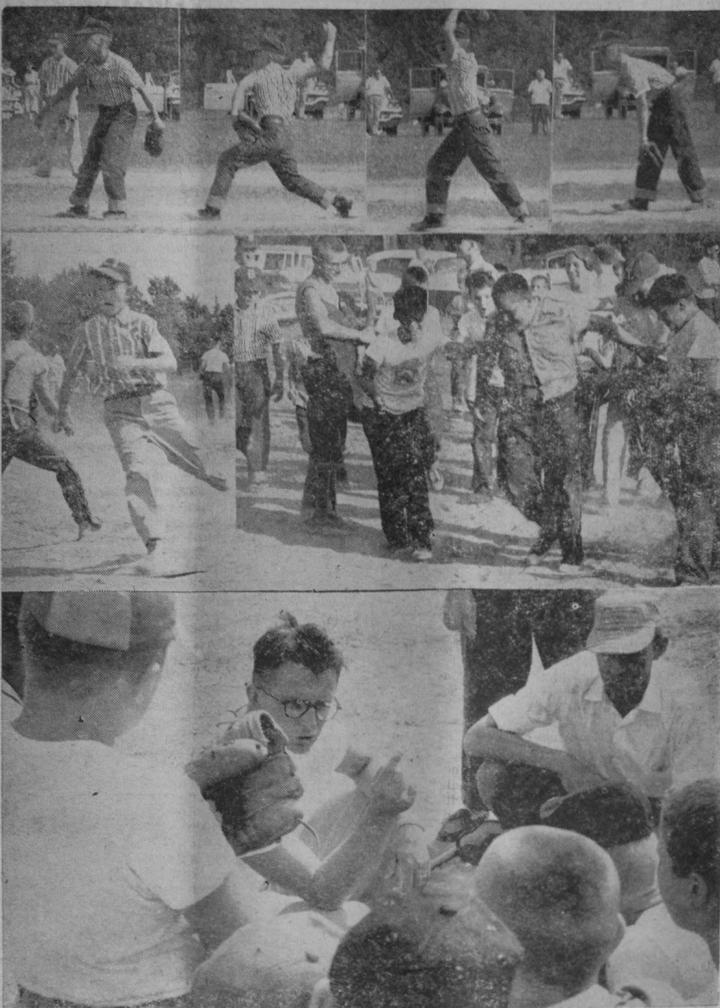

After the exit of Goss from the mound in the fourth, the score-keeper was unable to keep track of all pitchers who saw service during the game. A few called to mind include C. Anschuetz, D. Goss, P. Ouellette and Busha for the Nationals, and Colburn, J. Dates and Herman for the Americans.

Dates was the leading slugger of the day with three hits, one a ringing double off the centerfield fence. Youngs, with his home run over the centerfield fence and a single to boot, and Rose, with two singles, were next in line.

Pat Ouellette and Gilfix led the Nationals with two hits apiece. Proceeds from the game will be used to purchase uniforms for the league next year. All players, managers and coaches cooperated in the ticket sales.

After the game, Deloise "Dewey" Durant, who represents the Audie Johnson American Legion Post as league "commissioner," presented the most valuable player award trophy to Tyler Cholger of the Americans. He was selected for this honor by a vote of team managers and coaches. The trophy was contributed by Felix Ouellette. The league championship trophy, contributed by Chum's Bar, was presented to Edward Siefhoff, manager of the Braves, who accepted the award on behalf of his players.

### East Tawas Still in Tie for First After 12-Inning Victory

Three fast double plays afield and timely extra-base hits gave East Tawas a 7-4 nod over Pinconning Sunday, in a 12-inning ball game played on the losers' home field.

The win gives East Tawas a record of seven wins as against two losses in Northeastern Michigan League play and enabled them to remain in a tie with Sterling for first place. Sterling won over Crump, 27-11.

With both teams playing nearly air-tight baseball, East Tawas pushed three runs across the plate in the 12th inning to break a 4-4 deadlock. A tie game had resulted in the ninth inning when the winners scored one run.

Pinconning took the lead early in the game, scoring three runs in the initial inning. With Zuchnik breezing along on the mound for Pinny, it looked as though the local team's four-game winning streak was going to be put to a test. Before the game ended, the Pinconning pitcher fanned 14 East Tawas batters.

In the fifth inning East Tawas broke the ice to score one run, this one coming on the first of three singles by "Chummy" Lorenz to score Jordan from second. However, Pinconning bounced right back in the bottom half of the inning with another run, which was to be its final tally of the game.

The sixth inning found East Tawas continuing to peck away at Pinny's lead, counting two more runs, and the game was tied in the ninth when McMurray doubled to score Frank.

The 12th inning found Lorenz connecting with his third single to lead off. H. Rollin struck out. DeLosh doubled. J. Erickson doubled to score both Lorenz and DeLosh. Gracik popped out. Leopard struck out, but Erickson scored on a wild pitch.

Gerald Potts started on the mound for the winners and pitched 10 innings. During that time he walked three and struck out three. In the 11th inning he ran into trouble when Pinny put two men on base with no one out. Herman Rollin, young portsideer, then took over and retired the side, his mates giving him assistance by turning in the second of three double plays during the game. The third double play came in the 12th inning.

A crop rotation program for northern lower Michigan built around potato production will be featured at a soils field day on August 12. This event will take place on the Earl Streiffert farm, eight miles west of Gaylord on the Gaylord-Alba blacktop on the Antrim-Otsego County line.

According to Edward Longnecker, extension soils specialist at Michigan State University, visitors will see rotation research involving potatoes, oats, legumes, grasses and various legume-grass combinations. There will also be plots showing the effects of high and low rates of fertilization in both three and four-year rotations.

Raising alfalfa in Northern Michigan is also under study on the Streiffert farm. Plots of alfalfa showing various fertilizer and lime treatments and pH (soil acidity) levels will be seen.

Research to date on the 25 acres of plots on typical loamy sand soil indicates that benefits from added applications of fertilizer are tied closely with moisture conditions in the soil, Longnecker says.

Orchard grass may be the match for quackgrass, work on the farm shows. Seeded alone, orchard grass is getting the best of quackgrass and is crowding it out.

Problems of handling forage in a rotation where livestock is not kept on a farm are also being studied on the Streiffert farm. Visitors will see the results of rotation management where all forage is taken off, some taken off and where all is plowed down.

Tours over the test plots start at 10:00 a. m. and 1:30 p. m.

Nearly 278,000 Michigan dairy cows were bred artificially last year. This is about one-third of all dairy cows in the state and is a slight increase over last year.

Nationally, more than 6,055,900 cows in an estimated 946,000 herds were bred artificially in 1957. This is the largest number of cows serviced in any one year since the beginning of artificial breeding in this country.

### SIGNS RIVERS MEASURE

President Eisenhower has signed a \$1,620,000,000 rivers and harbors authorization bill. He praised congress for eliminating projects that had led him to veto two previous measures.

The measure was the result of a negotiated agreement between the president and the budget bureau on one hand and congress on the other. It ended a dispute that had been going on since 1956.

### Use Constitutional Privilege, Says Hart

Every eligible Michigan citizen should use his constitutional privilege to vote in the state-wide primary elections Tuesday, August 5, Acting Governor Philip A. Hart emphasized today.

"The primaries offer the opportunity for each citizen to select the best candidates representing the party of his choice and to name the delegates to county and state party conventions who will shape the policies and platforms for the general elections in November," Hart said.

"An estimated 3,500,000 Michigan citizens are registered and eligible to vote August 5 and it could be construed as disinterest in democracy unless all of us show how much we value the voting privilege—a freedom of choice denied so many millions in other parts of the world."

Lieutenant Governor Hart, who is acting governor during the absence of Gov. G. Mennen Williams, reminded citizens who, due to vacations or business, may be away from home precincts August 5 that absent voters' ballots may be obtained from local clerks up until 2:00 p. m. Saturday, August 2.

### Tawas Golf League Moves into 'Home Stretch'

The Tawas Golf Association is moving into the "home stretch" this week with youngsters, Paul Simons and Gene Curry, a sure thing to carry off the honors in the Tuesday night league, but it is still anybody's league in Wednesday night play.

Last week found a tie for team net low with Keith Charters and Jack Graham tying Al Wehrsdorfer and Lloyd Soucie with a team score of 72. Low individual net was also a tie with Soucie and Charters both posting 34s.

Behind Simons and Curry in league play up to date are Edward Sieloff and Don Seymour.

Leading the pack on Wednesday night with a slim lead of one point are "Buck" Leslie and Leroy McClure. Last week also saw ties in the low individual and team scores. M. Kelley and Emmett Cecil tied for low individual, both carding 32s. John Austin and Cecil tied with Herbert Hertzler and Howard Durant for low team net scores with both teams coming in with a score of 70.

With only two more weeks of play, the Wednesday night league will be a fight right up to the last game, due to such close scores in this league.

### Express Gratitude to Residents for Snacks

Many of the volunteers who assisted in the search for Mark Souliere Friday night expressed their gratitude for the way neighbors assisted in the search by contributing sandwiches and hot coffee to those at the scene.

Throughout the night, cars drove up in front of the Souliere home on US-23 and unloaded boxes containing sandwiches and pots of hot coffee. Many a man who tramped through the thick underbrush during the futile night-time search was given a fresh start with a hot cup of coffee and a sandwich.

Officers who had charge of the search wish to take this means to thank all who assisted in the search and those who contributed the food for the searchers.

### 'Operation Tin Can' Starts This Afternoon

Residents of Tawas City are reminded that today (Thursday) is the start of "Operation Tin Can," the clean-up campaign for the Tawas River. It will start at 2:00 p. m.

The more volunteers who show up at the First Street bridge, the better, because the project is sure to be a big one.

It may not be completed in one day, reports Chairman James Dillon, but the interest shown thus far points to a continuance of the campaign until it is completed.

When the water level in the river is high enough for passage of small craft, there is no more beautiful stretch of water in the area. Residents should take pride in that fact by not throwing refuse or debris in the stream.

### Selected to Model in State Fair Dress Revue

Ida Gae Frosh, daughter of Mr. and Mrs. Milton Frosh, has been chosen by state officials of the Future Homemakers of America as one of 25 girls from Michigan to participate as a model in the 1958 Michigan State Fair dress revue in Detroit.

Each girl will model a costume which she has sewn for herself. Ida Gae will wear a two-piece suit that she made in the sophomore class of homemaking in the Tawas Area High School. It is lined with material to match the blouse that she made as a home project. The ensemble of antique gold flannel is completed by a hat made of matching material. Accessories are white and brown.

The girls will be entertained at the Tuller Hotel while in Detroit. The dress revue will be held in the band shell of the state fair grounds the evening of August 29.

Water supply now ranks with labor and transportation as a key factor in determining plant location. One-third of the nation's total plant spending for new construction in the past five years has been concentrated in the Great Lakes area.

### WCSA Seminar Held Tuesday at East Tawas

The first of five summer seminars of the Woman's Society of Christian Service, Saginaw Bay District, was held Tuesday at the East Tawas Methodist Church. Other seminars will be held at Indian River, St. Charles, Caro and Bay City.

Taking part in the morning session were: Mrs. Floyd Stacy, Mrs. Charles Witkovsky, Mrs. Howard C. Smith, Mrs. Alfred Brink, Mrs. G. Melvin Maier, Mrs. Glen Stowits, Mrs. Arnold Smith and Mrs. Daniel Cater. Those participating in the afternoon were: Mrs. Alden Phelps, Miss Ruby Evans, Mrs. Paul Jarvis, Mrs. Howard C. Smith, and Mrs. Mary Bradley.

The USS Enterprise should be preserved as a memorial, according to the views expressed by Representative Steven B. Derounian, Republican. The aircraft carrier, which earned 20 battle stars, was sold for scrap for \$571,000 to Lipssett, Incorporated, of New York. Mr. Derounian introduced a bill which would authorize a \$1,000,000 appropriation to buy the ship back.

### No Decision Expected Until Later--

# National Dock Hearing Held Yesterday at State Capitol

A hearing to air opinions on both sides of the Port Gypsum development of National Gypsum Company started at 2 o'clock Wednesday afternoon (yesterday) before Gerald E. Eddy, state conservation director, in the house chambers of the state capitol at Lansing.

The hearing was for the purpose of giving interested persons an opportunity to express their opinions for and against a dredging operation which would create a shipping channel and turning basin.

Word from the state capitol at 5 o'clock last evening was that testimony in favor of National Gypsum Company had been concluded at 4:30. After a short recess, those who oppose the project were to have their say before Director Eddy. It was expected that 15 persons would testify in opposition.

A bus-load of some 35 persons representing eastern and western Isoco County left Tawas City at 9:30 o'clock Wednesday morning to attend the hearing. Included were members of the Isoco County Board of Supervisors, Tawas Chamber of Commerce, City of Tawas City, other civic officials and representatives of various organizations.

Among those testifying in Na-

tional Gypsum's behalf Wednesday afternoon were Representatives James Mielock of Whittemore and Walter Nakkula of Gladwin.

Information received from the state capitol yesterday was that National Gypsum Company had made application to the department of conservation for permission to construct port facilities under the new law which went into effect July 1.

It was doubtful whether any final decision would be made last night on the outcome of the hearing.

The state attorney general's office announced last week that it would appeal to the supreme court Judge Herman Dehnke's decision of last week which denied the state a temporary work injunction against National.

### Otto Kasischke Died Wednesday Morning

Otto August Kasischke, well known resident, died late Wednesday morning at his home in this city. Funeral services will be held at 2:30 Saturday afternoon at Zion Lutheran Church and at 2 o'clock at Jacques Funeral Home. Burial will be in the Zion Lutheran Cemetery.

### How To Enjoy An Outdoor Summer

WHETHER YOU'RE SUMMERING AT HOME, at beach or camp, one sure way to enjoy the hot days is to arrange as many outdoor activities as you can for yourself and the children. For this, big terry outdoor or beach towels are a wonderful help.

Spread a colorful terry towel on grass, sand, roof or floor, suggests the Cannon Homemaking Institute and you have the start of a wonderful picnic, barbecue or just relaxed fun.

Smart homemakers keep a generous supply of outdoor towels on hand for family, guests and children. They save many a laundering of clothes, when you provide children with an outdoor towel to sit on. This goes for adults, too, relaxing on grass, beach or terrace.

Remember to use these big terry outdoor towels to save your car. They're just the right size to spread over seats and protect them from sand and dampness.
