JAMES A. GUEST

J. A. Guest is New Coach Co. Prexy

James A. Guest of Birmingham was named president of Anderson Coach Company, East Tawas, it was announced this week. He succeeds J. E. Jensen, who resigned this position effective February 28.

Other officers of the company are Blaine C. Christeson, vice president-engineering; Charles E. McCormick, vice president-purchasing; Orville Stiehl, vice president-production; Herbert Hertzler, secretary-treasurer.

All five of these officers compose the board of directors of the coach company.

Mr. Jensen's resignation was effective February 28, at which time the management changes were made. The former president is now associated with an Illinois firm.

Mr. Guest has been treasurer of the company since 1952 and has been associated with Anderson Coach since its founding in 1947.

The new president has been a frequent visitor in the Tawas area for a number of years, having spent his vacations at the summer home of his brother, Harry, located 10 miles north of East Tawas.

Mr. Guest and his wife, Mary, have two children, a daughter, Julie, age 17, and a son, James, age 13. His family will remain in Birmingham.

Mr. Guest has been associated with the firm of Guest, Wright and McKim, certified public accountants, at Detroit for the past 15 years.

Tawas Girl Scouts Presented Special Birthday Program

"You can count on her for service" is the theme for National Girl Scout Week, now in progress.

Twenty Tawas City Girl Scouts from Troop No. 3 presented a special birthday anniversary program for its sponsor, the Twentieth Century Club, at the Tawas Area Auditorium Wednesday night, March 5.

Seated in a Scout circle, the girls presented their program, as follows: A song, "Girl Scouts Together," by the troop; flag ceremony, Kathy Galliker, Pam Keiser, Terry Ross, Marsha Clayton and Pam Thomas; history of Girl Scouts, Judith Short.

Girl Scout laws, Sandra Clayton; world association and world pin, Jeri Lou Ruppert and Judith Lee; camp fire, Donna Kuerbitz and Susan Westcott; song, "The Ants Come Marching," by troop.

First aid, Caroline Rice, Ruth Ann Murphy and Marilyn Hoshbach; weather flags, JoAnn Grimes, Marsha Benish, Arlene Wilson, Pam Thomas, Joyce Grimes, Marsha Clayton and Terry Ross explained each; wild plant badge, Marsha Clayton.

Good times, consisting of "A Scouts Own," a hike, Christmas

Wurtsmith's Expansion to Have Impact on Economy

More than \$24,000,000 will be spent to improve and enlarge Wurtsmith Air Force Base, Oscoda, for the SAC bombers which are scheduled to operate from there within the next two years.

Runways, taxi strips and aprons will be increased about 125 percent, officer contingent on the base will increase by 170 percent, enlisted personnel will increase by 100 percent and civilian permanent employees will probably increase about 75 percent.

Annual payroll at the base already amounts to about \$6,000,000 annually. This figure will be more than doubled when the expansion is completed.

Housing at the base will be increased by 600 percent. The present base population is 1,850 men and a total of 2,200 persons including dependents.

Because of the predominance of older officers, airmen and dependents connected with SAC units, it is expected that future school building plans at Oscoda

will need to include more facilities for high school students.

In the past, the largest load of additional students created by Wurtsmith fell in the elementary school section and all building and expansion fell in that area.

Housing pressure in outlying areas, such as Tawas, Harrisville, Lincoln, is expected to be reduced when the new on-base facilities are completed. It is not expected to effect Oscoda, however, where much housing will still be needed.

Jackson Prison Inmate Had Hearing Thursday

Testimony was taken in Isoco County Circuit Court last Thursday on a motion by Harold Doran, an inmate at Jackson Prison, for a new trial. Briefs were submitted and Judge Herman Dehnke is to make his decision at a later date.

A jury found Doran and James W. LaFave of Oscoda guilty of breaking and entering in the nighttime. The two men had been identified with the robbery in which about \$300 was taken from the cash register of the Huron Drug Store on August 14, 1955.

Doran was sentenced to serve five to 15 years at Southern Michigan Prison, Jackson, by Judge Dehnke on December 8, 1955. LaFave, who plead nolo contendere, was placed on probation.

Doran had a record of a San Francisco robbery conviction in 1944, a motor vehicle larceny conviction also in 1944 and had served in the federal penitentiary at Atlanta from 1953 to 1955.

Doran seeks a writ of habeas corpus and prosequendum and joint motion for an order of de-

fault to inquire into the validity of his conviction and sentence.

He claims, among other things, that there was malicious suppression of evidence during his trial.

Doran, who acted as his own attorney, called numerous witnesses to the stand during Thursday's hearing. One witness was LaFave. Although he plead nolo contendere (unwilling to confess guilt, but does not wish to go to trial and declines to contest the charge) at the time of trial in 1955, LaFave testified Thursday that he had robbed the drug store and implicated Doran.

Others called by Doran were Prosecuting Attorney William R. Barber; Sheriff Ivan O'Farrell; Detective LeRoy McClure; County Clerk George Prescott; Sgt. Joseph Chaput, commander of the Michigan State Police post, East Tawas, at the time of his arrest, and other officers.

Judge Dehnke appointed Attorney Herbert Hertzler as friend of the court to assist Doran. The state was represented by the attorney general's office.

Whitfield is Democratic Candidate for Mayor

George Whitfield was named to head the Democratic ticket in Tawas City as its candidate for mayor at ward caucuses and city convention held last Friday night.

Other candidates named by the Democrats were Clarence Schneider, clerk, and Ella R. Schneider, treasurer.

Ward candidates were as follows: First Ward: Walter Schuhmacher, alderman. No supervisor was named.

Second Ward: Clarence Oates, alderman; Joseph Nagy, supervisor.

Third Ward: Kenneth Frank, alderman; Harold Peterson, supervisor.

Schuhmacher is the incumbent candidate for First Ward alderman.

PENDLETON SHOP TO OBSERVE 10th BIRTHDAY

McNally's Pendleton Shop will observe its 10th anniversary at East Tawas this week. McNally has stores located at Port Austin, Pontiac, East Tawas and Indian Rocks Beach, Florida. Joseph O'Connor is manager of the East Tawas store. Turn to another page of the Herald for announcement of the store-wide sale.

Col. Wilson Unhurt In F-102 Jet Crash

The difference between life and death often can be measured in a matter of a few feet or inches. It was that way Monday afternoon for Colonel Thomas N. Wilson, commander of Wurtsmith Air Force Base, Oscoda.

While on a routine intercept training flight with other planes from Wurtsmith, Colonel Wilson's F-102 jet interceptor experienced an in-the-air explosion at 4:30 o'clock while flying over Presque Isle County.

With fire lights blinking on

the control panel in front of him, Colonel Wilson brought his plane around and headed south in the hope of reaching Collins Field, Alpena, before further mechanical difficulty set in. But, because of undercast weather at Alpena, he did not risk a pass at the field.

Pilots in other jet interceptors in the flight radioed Wilson that his trouble lay in the plane's aft section. With the jet still under full power he decided to bail out.

After going through the standard check-out for bail-out, Colonel Wilson blew off the plane's canopy. The next step was to actuate the seat ejector mechanism. This is powered by a small explosive charge which propels the seat and pilot out of the plane.

However, this mechanical device did not operate and the only alternative was for the colonel to ride the plane down.

Wilson picked out a cleared field south of Rogers City and landed. The snow on the ground cushioned the initial impact of the big ship, which is larger than the famed World War II B-17 bomber.

Traveling at about 100 knots, the plane moved across the field at a speed much too great for the required landing distance. However, when crossing a gully the undercarriage was sheared off and greatly reduced the speed. The plane then veered and came to a stop only a short distance from a road. On the other side was a farm house and deep gully.

Colonel Wilson called on all of the flying skill learned in combat missions in the China-Burma-India and Italian theaters during World War II to bring the super-

COLONEL WILSON

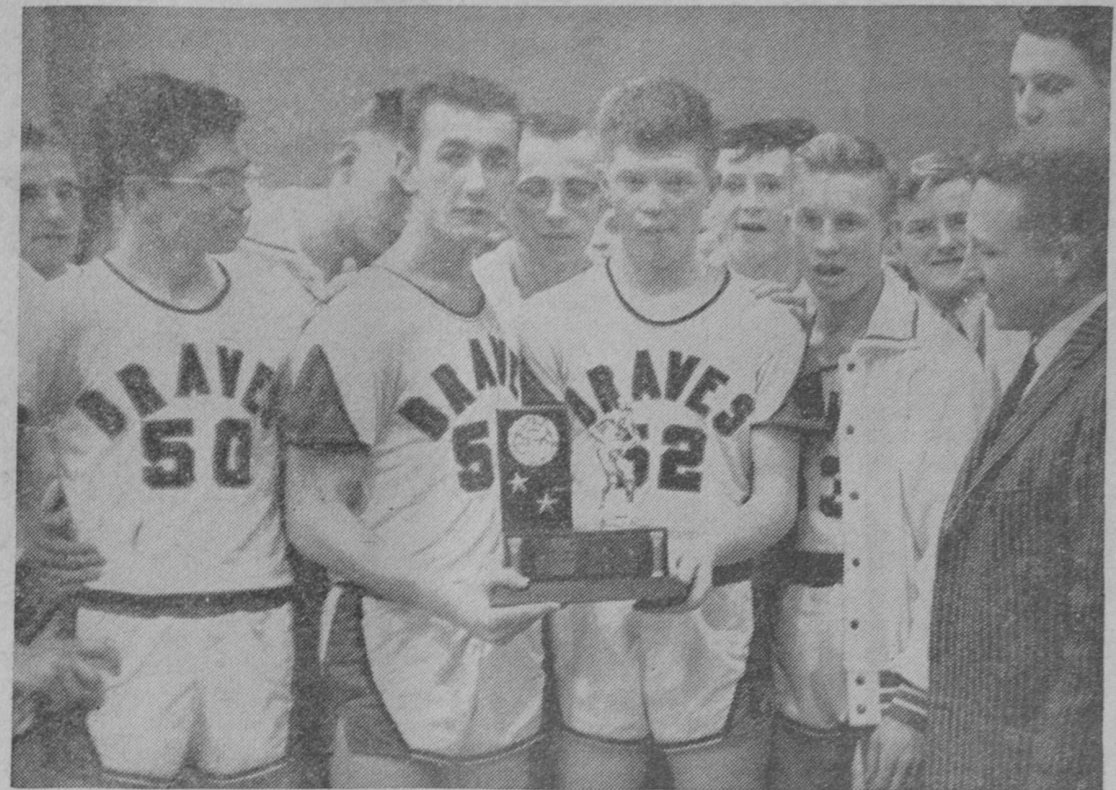

sonic jet down. All in all the ship traveled about 1,700 feet on the ground.

While his fellow officers circled the farm field and watched below, unable to lend any assistance, Colonel Wilson climbed out of the plane unscathed. An H-19 helicopter dispatched earlier from Wurtsmith, with a doctor aboard, picked him up and returned to the base. There, he was examined at the base hospital and miraculously was not injured in the landing nor did he receive a scratch.

Later, Colonel Wilson stated that it was probably the best landing he had ever made. The other officers who witnessed the landing chimed in saying that it was the greatest feat of piloting they had ever seen under such extremely hazardous conditions.

Colonel Wilson was at work Tuesday morning, none the worse for his experience.

A board of officers from division level is to be appointed by the air force to determine the exact cause of the mishap.

IOSCO TEAMS WIN

Three schoolboy basketball teams will represent Isoco County schools in regional basketball tournaments around the state this week. The teams are: Tawas Area Braves, class B winner Saturday night at Pinconning; Whittemore-Prescott Area Cardinals, winner of the class D tournament at Au Gres; Hale Area Eagles, class D winner at Rose City. For complete box scores and details, turn to page 5.

Students' Rocket Off to Moon Friday Afternoon

In this day and age of space travel talk, third and fourth grade students at the East Tawas unit will launch a rocket for a trip to the moon Friday afternoon. Launching time is 1:30 o'clock.

Details have been released on the type of rocket to be used, its mode of propulsion or if it has been cleared with Washington. The space ship will contain one passenger, a boy.

The grade is now studying the planets and stars. Mothers of the youngsters in these two grades will observe the launching. Later, children will give short talks on the stars and planets. Mrs. Alice Deibaugh is their teacher.

SAFE DRIVING RECORD

Allen Brown, veteran employee of the Isoco County Road Commission, has just completed 30 years of safe driving for the county without an accident. He is the operator of the road commission's stone quarry.

Power Co. Employees Still Strike

Supervisory employees have manned Consumers Power Company gas and electric plants since last Thursday when some 5,400 workers went on strike shortly before midnight Wednesday.

So far, no interruptions in service have been reported locally. Last Thursday there was no prospect of resuming negotiations in the immediate future.

More than a million of Consumers home and business customers are served in 64 of the 68 lower Michigan counties.

Peaceful picketing was started Thursday by the strikers, who are members of the Michigan Utility Workers Council, AFL-CIO. Picketing has continued through the week.

The negotiations which broke down Wednesday night began early in January. The contract expired February 28, but both sides then agreed to a five-day extension.

A company spokesman at Jackson, President D. E. Karn, said that by the time negotiations broke off, most of the 64 demands by the workers had been resolved down to two. The first concerned the right of the company to put into effect new methods of operation and the second concerned wages.

Albert C. Duquette of East Tawas, vice president of Local 144, said that about 12 items remained unresolved at midnight March 5. Four of the principal issues were wages, shift differentials, contract duration and job evaluation.

The union is demanding a 25 cent-an-hour wage increase. The company offered an increase of (See STRIKE, page 8.)

Braves Win, 61-56, Over Orioles; Play in Regional Tonight

In a nip-and-tuck affair, the Tawas Area Braves carved out a 61-56 win over the West Branch Orioles in the class B district final at Pinconning last Saturday night.

The win gave the Braves a berth in the regional cage tournament this week at Cadillac. Tawas Area will take on the host Cadillac Vikings tonight (Thursday) at 8 o'clock.

Tawas Area, using only five players, saved its best offensive and defensive game of the season to throw at the Orioles, a team which won over the Braves in last year's district final.

One of the major factors which enabled the Braves to pull the chestnuts out of the fire Saturday night was a minor pre-game change in its offensive pattern.

Coach Bill McIntosh instructed his charges to "feed" Guard Ray Moore at every opportunity, hoping that if the junior set shot specialist was "on" it would pull the taller Oriole defense away from the bucket.

The move proved fruitful as Moore came through with seven buckets during the game. West Branch did not "sucker out," however, until the second half. This was probably brought on by final at Pinconning last Saturday night.

When the Orioles moved their defense out to meet Moore in the second half, the way was paved for Ray Guyette, Ken Bublitz and Dick Lanski to cross and shoot from the slot. The set shot, however, still proved to be an effective tool for Tawas when Guard Bill Mick flipped in two more valuable baskets.

During all of this strategy by Tawas, however, the West Branch quint was matching the Braves nearly basket for basket to give fans at jam-packed Pinny auditorium the chance to watch one of the most exciting and well played games on record.

Three points advantage in the first and third periods were the deciding factors in the close tilt. Tawas taking over 19-16 in a hot first period, and again 14-11 for its other cushion in the third frame.

Honor Grads for 1958--

Win Honors at Tawas Area

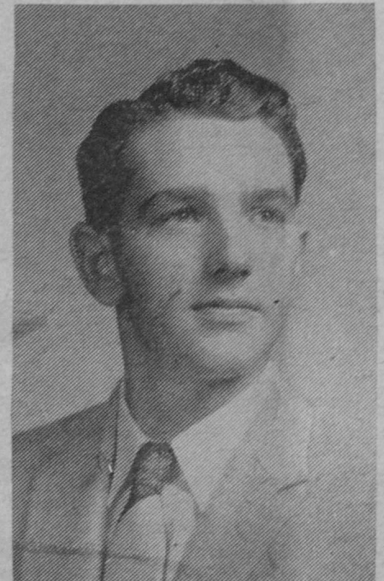

CAROL A. WESTERLUND
Co-Valedictorian

Principal Ernest Jordan announced Monday that Carol A. Westerlund, 17, daughter of Mrs. Mary E. Westerlund of 200 Evans Street, East Tawas, and James D. Curry, 17, son of Mr. and Mrs. Waldo J. Curry, Route 1, Tawas City, have been named co-valedictorians of the 1958 graduating class of Tawas Area High School.

Tamara E. Bell, 17, daughter of Mr. and Mrs. Fred Bell, 520 River Street, Tawas City, was named salutatorian.

Both Carol and James have honor point averages of 3.39 out of a possible four. Tamara has an honor point average of 3.28.

JAMES D. CURRY
Co-Valedictorian

Carol has spent her entire four years of high school at Tawas Area. Her school activities include dramatics club, junior and senior plays, student librarian and senior class treasurer. Her college plans are indefinite, although she hopes to attend college to become a teacher.

James has also spent his entire four years at Tawas Area. His student activities include student council, Varsity Club and vice president of the senior class. In sports he has participated in football, basketball and baseball. He plans to attend Alma College.

Tamara transferred here from

TAMARA E. BELL
Salutatorian

Oscoda High School during her junior year. School activities include the Girls Athletic Association and art. Her college plans are indefinite, although she will probably enter nurses training.

The other top students, rated scholastically, of the 73 members of the graduating class, are as follows: Marti Westcott, Lillian Binder, Paul Simons, Shirley Nunn, Helen Philpot, Esther Klingler, Sheridan Martin, Gerald Pomerantz and John Prough.

LEFT FOR FLORIDA

Mr. and Mrs. Elwood Bronson left Wednesday for a vacation in Florida.

Judge Appoints Tax Allocation Board

Probate Judge H. Read Smith this week made his appointment of members of the Isoco County Tax Allocation Board. The three members appointed are: Dennis Chrivia, Hale, member of board of education; Arden Charters, Whittemore, resident of municipality; James E. Dillon, Tawas City, as member at large.

Three members are part of the allocation board by virtue of their office as set up by statute. They are: Grace L. Miller, county treasurer; Lloyd S. Little, chairman of finance and apportionment committee, board of supervisors, and Russell A. Rollin, county superintendent of schools.

County Schools OK'd for Tuition Collection

Isoco County's four area school districts have been approved by the Michigan Department of Public Instruction for the collection of tuition for non-resident pupils, according to County School Superintendent Russell Rollin.

The superintendent of schools in each of the districts was notified of the decision this week by Edgar L. Grim, deputy superintendent of public instruction. The districts are: Oscoda, Tawas, Hale and Whittemore-Prescott.

Schools Should Cultivate Individual Differences in Pupils

Schools should cultivate individual differences in children, says Willard C. Olson, dean of The University of Michigan School of Education. "Unfortunately, differences among children have sometimes been looked on as a nuisance in educational programs since they prevent uniformity in classification, curriculum, methods and results," he says.

He points out, "Consistent differences between the sexes are regularly found in many school achievements. The difference in reading age, for example, is about six months or one-half grade in favor of the girls at each age in the growing period. This makes a sufficient difference to load clinics and remedial classes with four or five times as many boys as girls."

He states that extreme views

are held as to the origin of the individual differences found in children. "Some people believe all the variation among children is attributable to the environment, on the one hand, or is all due to heredity, on the other. The truth probably lies between. Science does not have a perfect answer to this problem," he says.

"This makes for a broader curriculum," says the dean. Education becomes a nourishing rather than a punishing process, with the accent on developing each child to the level of his ability.

"Letting children take part in planning becomes more useful. Mechanical assignments give way to allowing children to seek, select and create their own solutions."

"Children should occupy various roles in a group, have interests which differ, and try to find a place in a society which is healthy just because individuals fit into its varied needs," he concludes.

Will Organize Class in Landscaping

On Monday, March 17, the organizational meeting for the adult education course on landscaping will be held at 8:00 p. m. in the vocational agriculture room in the Tawas Area High School.

On Tuesday, March 18, the organizational meeting for the adult course on gardening will be held in the agriculture room at 8:00 p. m.

These organizational meetings are for the purpose of determining the course content and the scheduling of meeting dates. Those wishing to enroll are encouraged to attend the organizational meeting so that they may express their desires in determining the course outline.

Telephone Lines of the Tawas

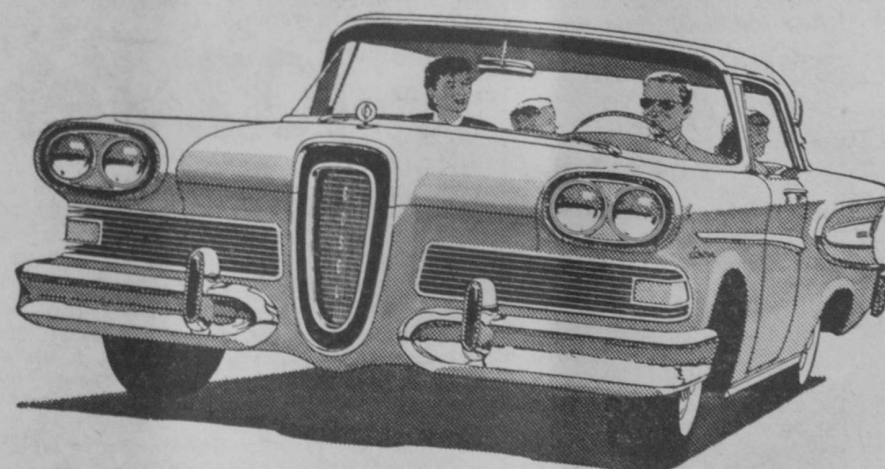

CHET MAHER
Michigan Bell Manager

WINTER always reminds us of the famous picture called "Spirit of Service," showing a telephone line-man walking on snowshoes through a blizzard. It may come as a surprise to the folks who mostly see our men riding by in heated cab trucks, but in many Michigan areas our men still must use snowshoes occasionally to reach lines in open country. And those fellows still get a kick out of it because they know they're making it possible for you to phone anyone, any place, any time.

IF HE COULD LIVE THAT LONG, a fellow could expect to work in Michigan Bell's plant department—building lines, installing and repairing phones, and so on—for about 900 years without an injury that would keep him off his job. That's just another way of saying our company's Safety Report for 1957 shows that only 1 fellow out of 900 didn't show up for work because of an accident. Of course, we'd rather have a record of none out of 900... that's our goal. And that's why our Safety Supervisors keep reminding: "make sure the pole's safe before you climb it"; "lift with your legs, not your backs"; "get out of your car on the sidewalk side—not on the side where you'll step into traffic."

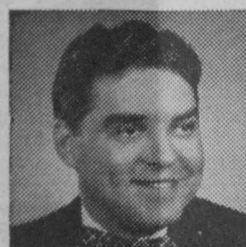

HAVE YOU NOTICED

how much steeper those stairs get when you're tired? How many miles do you travel each year up and down stairs—or from one end of the house to the other—to answer the phone? Nowadays this is an unnecessary waste of energy and time. You can have an additional phone anywhere in your home for about one dollar a month. Last year Michigan Bell installed 66,000 telephones in homes which already had at least one phone. Join the families who have discovered how much pleasanter life is with extension phones. To order yours just call our Business Office.

"A dairy project was started Tuesday evening at the home of Roger Britt. Marvin Davenport was present and explained the project. The boys chose to raise Holstein heifers with Warren Britt as leader. Mrs. Britt served refreshments." Peter Bassi Jr., project reporter.

Foods projects are nearly completed and a clothing project will soon be underway. These are goals of girls in the 4-H Club of Tawas Area whose project leaders are Mrs. Marvin Davenport and Mrs. Steven Kolonich.

Hale Happy Hustlers 4-H Club had a monthly meeting on March 4. Featured was the safety film, "Miracle in Paradise Valley." The members were sorry the

Reno Topnotchers Club could not join them for this meeting.

Next time you have a glass of milk, stop and think for a minute. This milk has been transported from cow to you, strained and cooled, tested and inspected, pasteurized for safe keeping and made into a variety of kinds to suit your likes (homogenized, Vitamin D added, whole milk, buttermilk and skim milk).

It has been sealed into sterilized containers in a size to fit your needs—half-gallon, quart, pint and cup sizes. It is delivered quickly and cold to your store, home or vending machine.

And, let us never forget, it is loaded with the food values making milk nature's most perfect food. Milk is good to drink and good for you.

Five of the Reno Topnotcher girls made good use of the days school could not be held. They cut out garments for their clothing projects and began making seams.

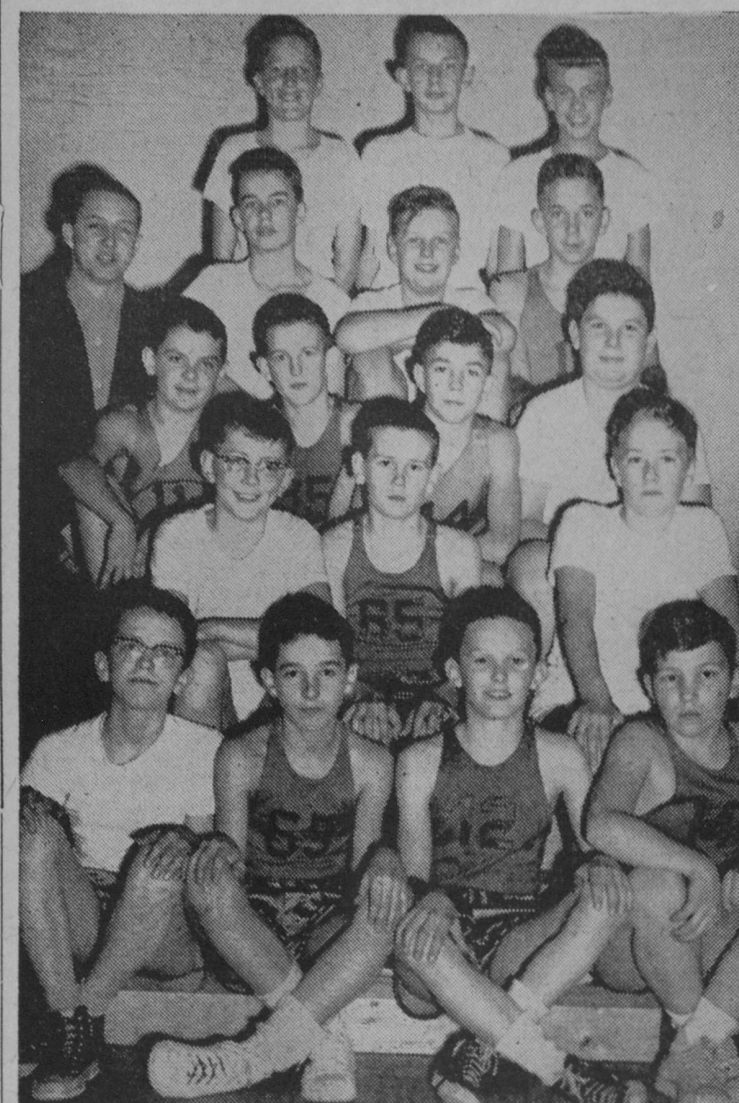

Social Security Agent Here Mar. 27

Sometime after the ceremony, when it becomes clear that the world is going on its way in spite of your new status, your new wife will want her new name entered in the records of her Social Security account. Ask the county clerk for the form when you pick up the license.

For those young men who are receiving Social Security benefits and considering marriage, the advice depends on your age. If you are under 18 years old, remember that getting married will stop your benefits, and you will be expected to notify the Social Security Administration. If you are over 65, you should remember that when you have been married three years, your wife will be entitled to benefits on your account, if she will be at least 62 at that time.

A representative of the Bay City Social Security Office will be in the Federal Building, East Tawas, on March 27 from 10:30 a. m. to noon.

A question and answer period followed the very educational demonstration, which won the boys first place honors at the district meet in Gladwin and second place at the regionals in Tawas. FFA Advisor Richard Wight and Mrs. Wight were guests at the meeting.

WHAT LOOKS to be damage left in the wake of a tornado in this picture is really the destruction left by vandals who have broken into an unoccupied house owned by Mr. and Mrs. Victor Zaharias on Fifth Avenue, Tawas City, at least eight times during the past three months. Mrs. Zaharias has used the house to store much of her furniture, clothing, pictures and keepsakes which she collected over a number of years. Most of these materials, which were packed away in boxes, have been ruined and scattered about the building. Many items have been stolen. Investigation of the vandalism is being carried on by Police Chief George Ruth.—Tawas Herald Photo.

Air Force Defense Officer Speaks at Club Meeting

Lt. Robert Reeves of the Air Force Defense School at Wurtsmith Air Force Base was the speaker at the meeting of the Ladies Literary Club Wednesday, March 5, which was held at the club room. Lieutenant Reeves gave an interesting and informative talk.

The musical selections were piano duets by Mary Lou Stump and Linda Teeple, and a woodwind trio composed of Carolyn Evans, Christine Moehring and Lynda Wight, who played two selections from Mozart.

The following officers were elected for the coming year: Mrs. T. M. O'Loughlin, president; Mrs. Roy Griffin, second vice president; Mrs. Glenn Middleitch, recording secretary; Mrs. Eugene Deacon, treasurer, and Mrs. Ben Wilson, financial secretary. Mrs. John Moffatt was elected a new trustee.

Mrs. O'Loughlin was nominated to be sent to the state convention at Kellogg Center at Lansing. Mrs. Russell McKenzie is the alternate.

The next meeting will be held March 19 in the Methodist Church parlors at 8:00 p. m. with the Camp Fire Girls acting as hostesses.

Open Discussion Meeting at Hale Area School

Monday, March 17, at 8:00 p. m. there will be an open discussion meeting at the Hale Area High School sponsored by the curriculum study group of the school.

The topic will include the following questions: Does the agricultural program, in our school, fill the needs of the area? Does the state vocational agricultural program fit our area? Are we getting our money's worth? Should we introduce forestry as a part of our agricultural program?

A cordial invitation is extended to all persons who are interested in agricultural, conservation and forestry programs. Refreshments will be served.

BALDWIN

Mr. and Mrs. Kenneth Anderson of Ferndale spent Sunday here. Carl Anderson accompanied them home.

Mr. and Mrs. Arthur Leitz have returned from a 10-day visit in Toledo, Detroit and Bay City.

Mr. and Mrs. Edward Samolewski and children were Saturday visitors with Mrs. Nellie Pierson and sons.

Electricity can save you from carrying 2½ tons of wet laundry 40 miles to the clothesline!

In a year's time, a leading magazine tells us, the average housewife of a family of four washes 2½ tons of wet clothes, and walks 40 miles in hanging them up on the line.

We're glad electric dryers and automatic washers make this big job a little one. And, of course, this is just one of the many jobs electricity helps you with each day.

What else do you use that helps so much to do so many things—yet costs so little?

Iosco Quota Club Members Guests of Kiwanis Club

Sixteen Iosco Quota Club members met with the Tawas Kiwanis Club at its regular meeting Tuesday. After the luncheon, the Kiwanis president, Gordon Huck, introduced the Quota Club president, Dorothy Scott. Other Kiwanians introduced Quota Club members at their tables.

Kiwanis work was explained and its many worthy projects were touched on briefly.

As both Kiwanis and Quota Clubs are interested and sponsor Girl Scouts, a very interesting program was given by the Tawas City Girl Scout troop, directed by leaders, Mrs. George Myles and Mrs. George Rice.

Work of the Girl Scouts and its many projects were explained by the girls. Included in the program was presentation of a birthday cake to Ernest Jordan as a representative of those having birthdays in March.

Quota President Scott thanked the Kiwanis members for letting them join that group at one of their meetings and hoped that the Quota Club could work some of its projects out together, as both of the clubs aims and ideals are about the same.

Girl Scouts in Drive for Old Eye Glasses

On Saturday, March 22, Girl Scout Troop No. 1, sponsored by the Immaculate Heart of Mary Parish, will sponsor a drive for old eye glasses. The glasses will be sent to an organization known as "New Eyes for the Needy." Watch next week's Herald for information as to workers' names, time of pick-up and the way in which old glasses will be used.

W-P Cardinals Take 4th District Tourney

Whittemore-Prescott Area Cardinals of the Huron Shore League won their fourth straight district championship by defeating AuGres on their home court, 53-40, Saturday night.

Starting off fast, St. John and Graham put the Cards ahead three to nothing before AuGres made its first basket. Charters and St. John, with a bucket each, put the Cards into a 7-2 lead and were leading by a nine point margin at the end of the first quarter.

The Cards played Manton in the Mt. Pleasant field-house last night at 8:30. The winner of this game will play Hale Thursday night.

Dave Goupil held Bill Woods, the Wolverines' top scoring threat, to one field goal in the first half.

The Cards held a 10-point lead at halftime. The Wolverines took the third quarter, 14-10, to cut the Cards lead to six points. The Card defense tightened up in the last quarter to hold a comfortable margin the rest of the way.

Ray St. John and Jack Graham each scored 17 points for the winners. Goupil scored 10 points, although he was guarded by two players all the way.

Woods topped the losers with 14 points.

GIRL SCOUTS PRESENT MINSTREL SHOW

The East Tawas Girl Scout Troop under the leadership of Mrs. John Proctor presented a minstrel show for their parents at a meeting and dinner at the Methodist Church Sunday evening. Mrs. Carlton Merschel was pianist. The girls gave a dinner and program for their parents in observance of National Girl Scout week. The troop has 15 members and was organized 14 months ago. They will celebrate their first birthday on April 1.

Marked Changes at Half-Way Point

There were changes in the team event and doubles and singles as the Tawas City 15th annual open bowling tournament reached the half way point over the last week-end. Lamont Dairy Charters, rolled into first place with a total of 3105, G. Miller and H. Hickey of Fairgrove lead in doubles with 1301. Wayne Pol-

Hale Eagles Win From Thunderbirds

Hale Area Eagles of the Huron Shore League took a close, 32-29, victory over the Mio Thunderbolts in the district tourney at Rose City Saturday night.

Mio took an 8-3 lead in a slow first period, but Hale came back

There is a possibility that two Iosco County schools will meet in the regionals at Mt. Pleasant. The Hale Eagles drew a bye Wednesday night. They will meet Wednesday night's winner of the Whittemore-Prescott game on Thursday night at 8:30 o'clock.

with 9-6 in the second frame to trail, 14-12, at the half.

Two more points picked up in the third quarter and three in the last gave the decision to Hale. Arnold McKenzie paced the Hale quint with nine points on 3-3. Jack Owen was Mio's top man, hitting 11 points on 4-3.

Hale Area earned its berth in the district finals by defeating host team, Rose City, Wednesday night, 58-53. McKenzie garnered 21 points to lead the winners.

Braves Win

(Continued from Page 1)
West Branch held the scoring edge in the second frame, 15-14, and tied the Braves 14-14 in the final period.

Both teams took no unnecessary chances at losing possession of the ball because of poor positioned shots. Tawas hit on 25 out of 51 shots for 49 percent and West Branch trailed only slightly behind with 25 out of 56 shots for 44 percent. Tawas made good on 11 of 18 free throws.

Tawas had four players who hit double figures, Moore leading the attack with 17 points, followed by Bublit with 14 and Dick Lanski and Ray Guyette with 13 each.

Gary Hughey and Jim Reiger, with 14 points each, paced West Branch, with John Walsh contributing 12.

Will Participate in North Star League

Effective as of the 1958-59 school year, the Hale Area athletic teams will be participating in the North Star League rather than the Huron Shore League.

Acceptance of Hale into the league was voted by league members, composed of Rose City, Mio, Atlanta, Fairview, Onaway and Hillman.

The move assures Hale of a strong league affiliation with these schools, rather than acting as an independent unit.

Clifford St. James, A. B. Schneider and Philip Partlo were at West Branch Tuesday.

Mr. and Mrs. William Bamberger of Sherman Township visited at the home of her parents Sunday.

Fines for Overdue Books Established

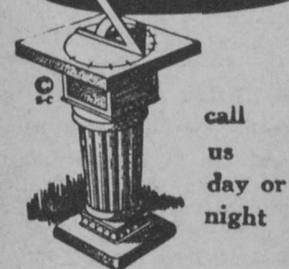

The Iosco-Arenac Regional Library announced that because so many books particularly those in popular demand are not returned on the date due, a new policy on fines for overdue books has been established.

Branch patrons will be charged two cents a day for each day a book is overdue and Bookmobile patrons will pay five cents per week on each overdue.

Overdue notices will be sent to patrons if a book is not returned within a week of the due date, and if still not returned after receiving notice, the case will be turned over to the prosecuting attorney for collection of book and fee.

Circumstances may prevent prompt book returns and so branch library patrons may renew books by sending a postcard to the branch giving author, title, due date and asking for an extension of time. Bookmobile patrons may also renew books by sending a card to Iosco-Arenac Regional Library Headquarters, Tawas City, giving the same information plus name of Bookmobile stop.

three percent (average 7.2 cents per hour), effective March 1, 1958; an increase of five cents per hour effective March 1, 1959; an increase in shift differentials; and a sum of \$100,000 to correct any claimed inequities.

The chief point of dispute and the one on which most of the negotiating time was spent concerned the right of the company to take advantage of any new methods of operation that might be developed. The company feels that it is management's responsibility to develop and adopt new and improved methods.

The union has taken the position that no change of methods can be made if any employee is adversely affected in any way, unless the union consents to the change. The union conclusion was that if it signed a contract calling for certain wages for certain jobs for certain duties, this must remain intact. "If the company can change jobs a month after we sign the agreement, then indeed what did we get in the first place," it states.

The company feels that if a change is made in good faith to effect an economy or to improve service to the customer, the company must have the right to adopt the change. "The company was willing to negotiate with the union and even arbitrate, if necessary, ways and means of minimizing the adverse effects, if any, resulting from such change. Only in this way can we keep up with progress," stated Mr. Karn.

Girl Scouts

party, skating party, cook-outs, Korean pictures and a hay ride were reviewed by Pam Jordan.

Services of the troop were explained by Joyce Grimes. These include making cakes for the people of rest homes once a month to cover all birthdays, centerpieces and tray favors for Tawas Hospital; packing the Goodfellow's candy, sending valentines to patients and May baskets to shut-ins.

The program concluded with a song, "Jacobs Ladder," by the troop; Girl Scout promise, by the troop; and "Taps" by Joyce Grimes and Pam Thomas.

The Girl Scouts presented a short program Tuesday noon at the joint meeting of the Tawas Kiwanis Club and Iosco Quota Club.

Leaders of the troop are Mrs. George Myles and Mrs. George Rice.

Mrs. Harmon Endorsed as Auxiliary Dept. President

At the 10th district meeting of the American Legion Auxiliary held at Bay City Sunday, March 9, the 10th district went on record as endorsing Mrs. Robert Harmon of East Tawas as department president at the department convention in Detroit this summer. Mrs. Harmon has been the state membership chairman this year.

Distinguished guests at the Legion meeting in Bay City were L. Alexander, department adjutant, and Jack Cary of the sixth district, who has been endorsed for department commander.

Road Commissioner Harold F. Black Died Last Monday

Harold F. Black, prominent resident of Reno Township and member of the Iosco County Road Commission, died Monday afternoon at Tolfree Memorial Hospital, West Branch. Mr. Black had been in poor health for the past year and a patient at the hospital for several days.

In addition to operating a farm in Reno Township for more than 42 years, Mr. Black had served as township clerk from 1920 to 1932 and had been a member of the board of supervisors from 1932 until 1953 when he resigned to accept an appointment as member of the road commission. He also served 20 years on the board of education of his district. He was an active member of the Grange.

Born November 29, 1883, in Tuscola County, he married the former Miss Charlotte Parlo on April 24, 1912, at Caro.

Surviving are his wife; two sons, Melvin of West Branch and Calvin of Akron, Ohio; five daughters, Mrs. Vida Benson of Jackson, Mrs. Vera Burt of East Tawas, Mrs. Alfreda Steelman of West Branch, Mrs. Shirley Stone of Flint and Mrs. Edith Escue of Hazel Park; 22 grandchildren; five great grandchildren, and two sisters, Miss Myrtle Black of Tuscola County and Mrs. Sylvia Sellers of Phoenix, Arizona.

The body was taken to the Moffatt Funeral Home, East Tawas. Funeral services will be held at 2 o'clock this afternoon (Thursday) at the Whittemore Methodist Church. The Rev. Dwight Lawson will officiate. Interment will be in the Saints Cemetery, Whittemore.

"Dad's Night" P-TA Program Monday

An all dad's night will be the program for the Tawas Area Parent-Teacher Association Monday at 8:00 p. m. in the Tawas Area Auditorium. Mothers and all attending will have the privilege of just relaxing and enjoying the program Harold Clark, program chairman, has planned for their pleasure.

The science class directed by Ronald Butterfield will give a demonstration entitled, "Exploring the Mysteries of Science." Guest speaker for the evening will be Herr Von Glockenspiel Von Stuck, psychologist, and his subject is "Abnormal Psychology." A male quartet and possibly a band will furnish the surprise entertainment. A record attendance is expected for this unusual program.

The third and fourth grade fathers will furnish the refreshments.

Tri-County Gasoline Dealers Hold Meeting

A meeting of the Tri-County Gasoline Dealers Association was attended Monday night by some 30 members. After dinner, the meeting was opened by temporary chairman, Joseph Heenan, who introduced Thomas Nicholson, local representative of the state association.

Board chairman of the group is Dick Killmaster of Oscoda. Carl Eklund of East Tawas is the acting secretary.

A telegram was sent to Senator Charles T. Prescott regarding Senate Bill No. 1241, the business practices act, urging his support.

Most of the meeting was taken up with discussions on back room service to the customer.

An election of officers was tabled until the next meeting to be held March 24 at AuSable Inn, Oscoda.

Polio Shots to be Given March 17 at School

Polio shots will be given Monday night, March 17, at 7 o'clock in the Tawas Area High School library. These shots will be sponsored by the Tawas Area Parent-Teacher Association. Dr. E. A. Hasty of West Branch will be in charge.

Any person who missed his first shot, given last month, may receive it Monday night. Any of the series of shots can be given at that time.

Students from 15 to 19 years of age will receive their shots free. The charge for adults is \$1.

The P-TA requests the cooperation of individuals planning to have polio shots administered at this meeting by notifying the principal's office before March 14, stating the number of persons in the family to be present for shots on March 17.

Insurance Agent Goes South for Conference

William O. LaCourse of Tawas will attend the Prudential Insurance Company's 1958 Business Conference for Leaders March 19-22 at the Roosevelt Hotel, New Orleans, Louisiana.

Mr. LaCourse, an agent in the company's Traverse City District, earned his attendance at the business conference on the basis of his outstanding sales accomplishments during the year 1957 in the Tawas-Oscoda area. In 1957 Mr. LaCourse joined Prudential's 500 Club and is one of a group of more than 750 leading Prudential representatives who have qualified to attend the meetings.

21 Attend Quota Club March Meeting

Iosco Quota Club held its regular meeting Monday at the Barnes Hotel. There were 17 members and four guests present.

It was announced that the board of directors will meet at the home of Helen Jordan, Oscoda, March 20.

Volunteers were called for scouting and to help with Braille work for the blind.

County Clerk George Prescott spoke to the group on citizenship. He explained the different steps to become a naturalized citizen of the United States and the many phases this involves.

A discussion was held later on the possibilities of working out some ceremony for the persons receiving citizenship papers.

Mrs. McMahon Hosts East Tawas Garden Club

The East Tawas Garden Club met on Monday evening at the home of Mrs. Thomas McMahon at Ottawas Beach.

In charge of the business session was Mrs. Harvey Watson, president of the club. Announcement was made of the meeting of district six at the Wenonah Hotel, Bay City, on April 14.

Several from the East Tawas Garden Club plan to attend.

The program chairman was Mrs. George Rose, who gave an interesting and instructive talk on growing orchids and the care and culture of orchids. She had several lovely varieties of orchids on display.

Hostesses assisting Mrs. McMahon were Mrs. George Herman and Mrs. Elmer Freeland. The serving table was beautifully decorated in St. Patrick motif with a center arrangement of green and white carnations and candles. Mrs. L. G. McKay Sr. presided at the serving table.

Irene Rebekahs to Hold Rummage Sale

At a meeting of Irene Rebekah Lodge last Wednesday evening, final plans were made for a three-day rummage sale.

Elected to membership were Alice Fahselt and Esther Smith.

A welcome home party had been arranged by the Noble Grand Trixie Colburn for Pearl Wickert, who had returned from North Hollywood, California, after spending several months with her daughter, Mrs. Norma Lutes.

Lunch was served in the dining hall followed by games with prizes.

The Rebekahs had packed boxes of food and clothing for needy families of the community during the week.

Reorganization of Scout Committee is Announced

Reorganization of the East Tawas Boy Scout Troop Committee, No. 111, was announced this week.

Members of the sponsoring committee are: Charles Anson, sponsoring institutional representative; Gordon Huck, chairman; Norman Merschel, secretary-treasurer; Dr. L. A. LaPorte, first aid; Walter Zalewski, transportation; Carl Woolhiser, outdoor activities; Joseph Dimmick, publicity; Felix Ouellette, advancement; and Maurice Lorenz, family relationships.

The committee has been assisted with its meetings by the field executive of the Paul Bunyan Council, James Atkins of West Branch.

Scoutmaster is Carl Eckman and assistant scoutmaster is Gene Ballinger.

The committee has been meeting each Tuesday and conducting a board of review in preparation for a court of honor to be held in the East Tawas Community Building April 11.

The court of honor will include a large number of awards because there has not been one held in over a year. The public is invited and the committee urges that all parents of Scouts plan to attend.

Winners were: A. J. Sevens, Tawas City, water skier; Arnold D. Drumm, East Tawas, life preserver cushion; W. F. Roseberry Jr., Saginaw, marine distress signal kit; Jerold McEwen, Saginaw, water ski tow rope; M-Sgt. T. M. English, Wurtsmith Air Force Base, step pads.

TC Legion Auxiliary Plans for Poppy Sale

An informal discussion, led by Mrs. Mildred Champion, vice president, was held at the March 10 meeting of Jesse C. Hodder Unit 189, American Legion Auxiliary, due to the small number of members in attendance.

The auxiliary made a \$5 contribution to the American Red Cross and decided to order the usual number of poppies to sell on Poppy Day. Mrs. Grace Miller volunteered to be the legislative chairman.

One new member, Mrs. Marie Bellon, mother of Mrs. Opal Mallon, joined the auxiliary.

Mrs. Champion served cake and coffee.

Currys to Host Farm Electricity Tour Friday

This is a chance for men and women in the area to see and hear how electricity is used on the farm and in the home. Mr. and Mrs. Waldo J. Curry are hosting this public tour Friday, March 14, from 12:30 to 2:30 p. m.

Consumers Power Company and the Cooperative Extension Service have worked with the Currys in conducting a "year around" cost study on electrical appliances for the farm and home.

Washer and dryer, water heater, television, electric oven, deep freeze and home refrigeration are just some of the items to be seen on the tour.

For the men interested in farm business, cattle waterers and milking parlor equipment will be exhibited and the total yearly costs will be discussed.

Announce Boat Show Prize Winners

Prize winners of the all-family boat show held last week-end at Jerry's Boats, Coast Guard Road, Tawas Point, were announced Tuesday by Del Collier, owner.

Winners were: A. J. Sevens, Tawas City, water skier; Arnold D. Drumm, East Tawas, life preserver cushion; W. F. Roseberry Jr., Saginaw, marine distress signal kit; Jerold McEwen, Saginaw, water ski tow rope; M-Sgt. T. M. English, Wurtsmith Air Force Base, step pads.

Bidding on Surplus School Property Active

Bidding for surplus school buildings and property was active at Monday night's meeting of the Tawas Area Board of Education.

A bid of \$510 was successful for George Lapere on the Lower Townline building; the Stevens School in Wilber Township, which drew 13 bids, went to Harry Krueger for \$900, and Charles Stuart was high bidder on the Upper Townline school at \$1,005. His was one of six bids.

Supt. Reynold Mick stated that the board was pleased with the response of the people to the bidding and that it was happy to see that the buildings and property can be put to use by the community.

Iosco Library Week Proclamation Made by Chairman Everett

Whereas, the attention of the country is being focused on the reward of reading during the comprehensive educational campaign which will come to a climax during National Library Week, March 16-22, 1958.

Whereas, this drive is the first united effort by all media—newspapers, magazines, radio and television—to dramatize the role of libraries as an important resource of education.

Whereas, newspapers and magazines are essential for well-informed citizens.

Whereas, books are the conservers, transmitters and disseminators of the world's wisdom and knowledge.

Whereas, the freedom to read is one of democracy's most cherished liberties.

Whereas, the development of lifetime reading habits is vital to the continuation of our society.

Therefore, I, C. S. Everett, chairman of Iosco Board of Supervisors, call upon the citizens of this county to participate in this significant endeavor by helping to inform their neighbors and friends of the pleasures and rewards of reading, with the purpose of developing a "better read, better-informed America."
