STATE OF MICHIGAN DEPARTMENT OF AGRICULTURE BUREAU OF ANIMAL INDUSTRY LANSING, MICHIGAN

Department of Agriculture Regulation No. 133
Regulation Relating to the Public Exhibition of Poultry
By virtue of the authority provided by Act 181, Public Acts of 1919, as amended, the following rules and regulations are hereby established:

1. Feed and water containers provided for exhibition coops shall be new or properly cleaned.
2. Feed or water containers from which birds have eaten or drunk must be refilled so as not to contaminate the common supply of feed or water. Feed or water containers may not be removed from exhibition coops except for the purpose of cleaning.
3. Exhibition coops must be constructed and placed as to provide adequate light for proper and inspection of poultry for evidence of transmissible diseases.
4. Litter for exhibition coops must be of clean material and renewed daily or oftener as needed.
5. Shipping crates used in shipment of birds by common carrier may not be used as exhibition coop. Shipping crates shall be cleaned and disinfected after birds have been removed for exhibition and before being used again.

IN WITNESS WHEREOF, I have hereunto set my hand and affixed the official seal of the Department of Agriculture this 3rd day of May, 1949.

MICHIGAN DEPARTMENT OF AGRICULTURE
by:
G. S. MCINTYRE, DIRECTOR

—RULES—

Exhibitors are requested to read carefully rules and regulations covering exhibition of poultry.

All exhibits shall be (a) purebred; (b) cross bred from purebred parents.

All birds showing any general disqualifications according to the Standard of Perfection shall receive no award.

Provided the birds are typical of the breeds which they represent, the placing of awards shall depend upon the following:

- A. Pullets:
 1. Rapidity of growth.
 2. Depth of pigment.
 3. Uniformity of shape and size.
 4. Promise of egg production.
 5. Absence of defects and disqualifications.
- B. Mature Birds (Hens):
 1. Degree of bleaching.
 2. Condition of abdomen (spread and pliability).
 3. Absence of new primary wing feathers.
 4. Alertness of head and eyes.
 5. Body weight, conformation and fitness.
 6. Absence of defects and disqualifications.

It is suggested, especially for fairs held late in September and October that all birds exhibited go directly from the Fair to market for slaughter so that none of them will be taken back to the farm. The reason for this precaution is that the birds may take back some disease to the farmer and injure his egg production of his farm flock, if such disease is infections and of the type which will lower his egg production.

A pen entry shall consist of two females and one male.

(Classifications: Cock, Cockerel, Hen, Pullet.)

STATE OF MICHIGAN
OFFICE OF THE GOVERNOR
LANSING

G. MENNEN WILLIAMS
Governor

TO THE OFFICIALS AND PATRONS OF COUNTY FAIRS

The county fair is an important and colorful part of our American tradition. Generations of Americans have come to love and eagerly look forward each year to its coming.

The county fair is much more than entertainment, however. It serves an important educational function in many ways. It further is a valuable competitive spur to farmers young and old to do their utmost in raising the quality of our already excellent farm produce.

Today the county fair is of great interest to city dwellers as well as to farmers. Michigan's growing cities have provided a growing market for the farmers produce. The county fair, therefore, has become a meeting place between our state's city and rural dwellers. It is indeed an important event in the lives of all the people of Michigan.

To all fair visitors, officials and exhibitors, let me extend my personal good wishes. 1958 will be the best year ever for Michigan county fairs.

Sincerely,
G. Mennen Williams
Governor

STATE OF MICHIGAN
DEPARTMENT OF AGRICULTURE
LANSING
January 10, 1958

To Patrons, Exhibitors, Officials
of Michigan's Fairs:

The purpose of a good fair is to inform, to educate, and to entertain. It should be considered as an adequate "bridge" which to increase a fair, to increase Michigan's fairs long have served well that state without gaining valuable information of one type or another.

The exhibitor, whether they be commercial or non-commercial, are highly educational, giving us facts we may apply to our work or daily living and thus make our lives more productive or pleasant.

The fair always offers entertainment, and honest attempts are made to diversify this. In so doing there is amusement for the young or those past the meridian of middle age. There is fun for all.

The fair is one of our finest institutions, and it is steeped in wholesome American tradition. Long may our fair continue, each becoming finer than the last.

Yours very truly,
W. M. McINTYRE
