OLD MAN GLOOM, above, is the subject of an intensive manhunt being conducted by the winter sports committee.—Herald Photo.

Sheriff's 'Posse' on Trail of Mr. Gloom

A man-hunt is currently being conducted in this area by the Silver Valley Winter Sports Committee. Wanted—alive and unharmed—is Old Man Gloom, who was seen carrying a slanderous banner on the streets of Tawas last week-end.

Old Man Gloom's billboard proclaimed: "Deer hunting, Perchville, winter sports, Silver Valley, ice fishing; phooey, bah, humbug!"

"Now to loyal Silver Valley boosters, this was a real knife in the back," states General Chairman John Pinter. "We believe Old Man Gloom may have been engaged by our competitors to knock, discourage and make persons unhappy, so that they will not attend and enjoy themselves at the Tawas-Silver Valley Winter Sports Carnival, February 6, 7 and 8."

A special posse was organized last Monday night by Sheriff Ivan L. O'Farrell to apprehend and rid the Tawas area of this unwanted character. Special "wanted" posters will be on display this week-end.

Actually, the hunt for Old Man Gloom is a promotional activity of the winter sports committee. "What we want to do is to get rid of the current pessimistic, gloomy attitude toward business in general," states Ray Stecker, promotional director for the winter sports committee.

"From now on out you are going to see one of the biggest promotions ever to hit this area," he told committeemen Monday night.

The deputized winter sports committee members will be tracking down Old Man Gloom during the next two weeks and the word is that he will be apprehended November 22.

Plan Anniversary Sale at Sally's

An eighth anniversary sale November 14-15 is planned by Mr. and Mrs. Charles Kurtzrock, owners of Sally's Shop, Tawas City.

During the sale, Sally's will feature skirts, sweaters, dresses, blouses and infants wear at bargain prices in appreciation of eight years of pleasant association with the residents of the Tawas trading area.

Draws \$50 Fine in Hallowe'en Incident

Edward Parker of Spartan Road, Tawas Township, was found guilty of reckless use of firearms and fined \$50 and court costs of \$15 by Justice A. J. Goulet Monday.

The charge resulted over a shooting incident which took place Hallowe'en eve. Parker fired a .22 caliber rifle as a warning to a carload of teenagers. Parker claimed the youngsters were molesting a pile of his tires, but the youths said that they had only stopped to remove them from the road.

Parker fired several shots into the air as the youths fled and then fired at the car, the bullet striking the fender. State Police Trooper William Ferguson testified that a second bullet hole was found later in the car.

Parker, a dealer in war surplus goods, followed the car to the athletic field at Tawas Area High School and fired several more shots. He was apprehended there by police.

He reports that several tires turned up missing after Hallowe'en.

Bait Shop Burglarized at East Tawas Nov. 7

Burglars made off with more than \$300 worth of fishing tackle and equipment from Hank's Bait Shop, 110 Alice Street, East Tawas, some time during the night of November 7.

Entry to the building was gained by breaking a window on the south side. A screen was forced off and the stolen property was later taken out the same way.

Joseph H. Greenwood, owner, said that he was at his place of business until 6 o'clock that evening. The break-in was noticed by an East Tawas resident the next morning when he went down to the bay to remove his boat.

HUNTERS WELCOME

A hunters ham dinner will be served at the East Tawas Legion Hall Saturday, November 22, from 5:00 to 8:00 p. m.

Tawas Area Proceeds With Filing for Federal Assistance

At Monday night's meeting of the Tawas Area Board of Education, Supt. Reynold E. Mick was authorized to proceed with filing application with the federal government for federal assistance.

"It would appear that we have enough students whose parents are employed on federal property to qualify for assistance," Superintendent Mick stated Wednesday.

Under Public Law 874, passed by the 81st congress, Tawas Area School may qualify under two of five points: 1. The school provides education for pupils whose parents are employed on federal property; 2. There was an increase in the number of pupils in average daily attendance as a direct result of the activities of the United States.

Superintendent Mick said the school has 91 such students enrolled. This is a little more than the five percent of the total enrollment of all grades necessary

to qualify. Tawas Area has a total enrollment of 1,425 students. Coming under the act are the children of servicemen who are stationed at Wurtsmith Air Force Base and the United States Coast Guard Station at Tawas Point who attend Tawas Area School.

Should Tawas Area qualify, it would receive approximately \$150 per student for those who qualify, based on state or national averages. Enrollment figures would be audited by the United States Office of Education.

In other business, the board of education authorized purchase of 117 lockers from Barkman Outfitting Company, the low bidder. The lockers are to be placed on the north side of the main corridor. Some 301 lockers were installed when the building was constructed and the additional lockers would provide facilities for the maximum number of students which the building can handle.

'Red Coats' Migrate to North Country Friday

More than 400,000 hunters will open Michigan's firearm deer season on November 15. By season's end, conservation department officials estimate 450,000 hunters will have been afield.

The opener this year falls on Saturday, which should intensify the usually heavy hunting on the front end of the season.

Conservation Officer Arthur Leitz of Wilber Township reports that tallies taken in the deer area here have indicated that there are more bucks and with larger racks.

Leitz said that this was due mainly to the open winter of last year.

He said that 76 deer have been killed on the area highways this year. Poaching has taken its toll, too. Hunting deer out of season has increased throughout the state. This area has been particularly hard hit by poachers and arrests for illegal possession of venison have been the highest in history.

Several special officers from conservation department headquarters will be assigned to this area during the season.

Michigan State Police are gearing for a rush of motorists to the north country for the opening day of hunting. All posts will be at full manpower strength.

Of prime interest will be the state-wide concurrent special seasons. The department has issued special permits to 55,601 licensed hunters, each of whom may hunt

the entire 16-day season in their properly permitted area, and take a buck, doe or fawn, as they choose.

This is the first year all special seasons have run concurrently with the regular 16-day buck season. Experience with these concurrent seasons has shown them popular with hunters. Also, some deer that might otherwise be wasted are recovered by permit holders.

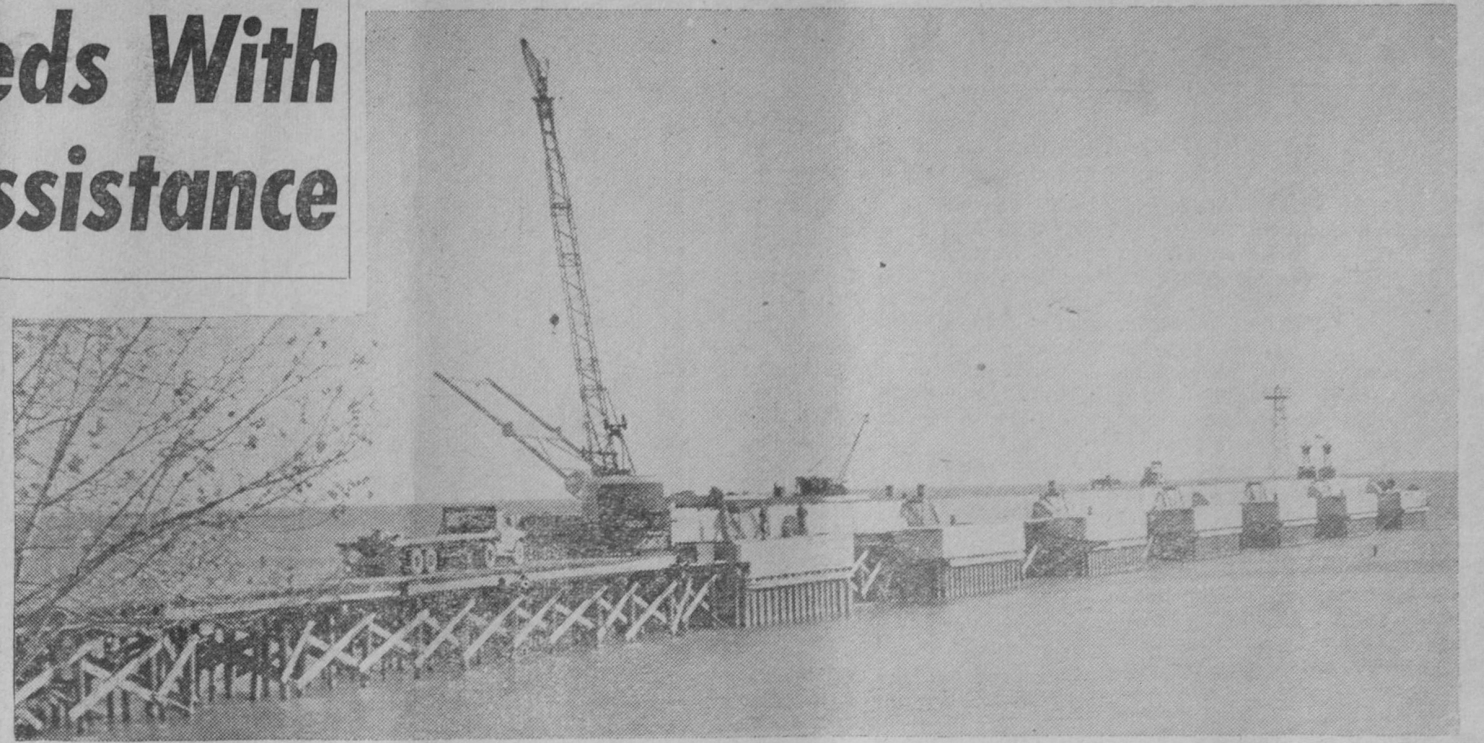

Again this year, the department will operate deer checking stations along principal north-south highways where hunters may, if they like, have their deer checked for age, weight and physical development. Information gathered at these stations helps state biologists with deer management programs.

Also, highway counts of deer on cars will be made and the figures statistically calculated to determine total deer kill.

In past years, this method has given quick and rather accurate estimates of the kill.

Tawas Area Faculty to Hold Monthly Meetings

Beginning November 19, informal gatherings of faculty members of Tawas Area High School will be held in the teachers' room at 8:00 p. m. To be held monthly, topics for discussion at these meetings will include academic standards, school policies, discipline and other items of interest to teachers.

Last Pour of Concrete Made on National Gypsum's Pier

Last pour of concrete on National Gypsum Company's new lake carrier loading dock south of Tawas City was made a week ago Thursday by Sorensen-Gross Construction Company, contractors for the pier's construction.

All that remains now on completing Port Gypsum is the steel work which is to extend from the lake shore transfer house out to the pier. On the pier will be located the huge ship loading facilities.

Construction by Sorensen-Gross on this project began in October 1957. During the winter months, a temporary wooden pier was built out over the ice to facilitate construction of seven huge steel cells, which were later filled with concrete.

The seven, 52-foot square concrete cells support a slab of reinforced concrete some 1,100 feet in length. This structure will form the base to support the steel frame work of the ship-loading facilities.

More than 3,391 yards of concrete went into building the dock. Another 175 tons of reinforcing steel went into the structure.

A spokesman for Sorensen-Gross said Tuesday that construction on the project is expected to be completed in January 1959.

While construction on the dock project was underway, National Gypsum Company's shore facilities were being completed by the contractors. This included construction of a stock pile area, rail spur leading from the new quarry and a conveyor system which leads from the north side of US-23, under the pavement to the shore transfer house.

Daniel "Doc" Calvin, superintendent of dock construction for Sorensen-Gross Construction Company, was honored at a surprise party last Thursday night at the Alibi Inn. The occasion marked the last pour of concrete on the

DANIEL "DOC" CALVIN new dock which was made that afternoon. Attending the buffet-style luncheon were employees of the contracting company, Mrs. Calvin and the couple's two sons. Also honored was Joseph Whalen, project engineer for National.

BELL REPLACES TOLL LINE WITH CABLE

The old 40-wire toll line, which has paralleled US-23 for years, is being removed from the Tawas City Park by the Michigan Bell Telephone Company. The line has been replaced by cable over most of the route.

This stretch of telephone wire was replaced with a cable which runs along Court Street. Poles and wires were removed from the park last Saturday.

Tawas Lake Level Meeting Nov. 20

A public discussion on the establishment of the legal level of Tawas Lake will be led by Hathaway J. Hanes of the Michigan Department of Conservation Thursday, November 20. The meeting is set for 7:30 p. m. at the East Tawas Community Building.

Mr. Hanes is in charge of engineering and architecture for the conservation department.

29 4-H Leaders Were Honored Monday Night

Tenth annual 4-H Club leaders' recognition banquet was held at the Holland Hotel in East Tawas Monday night. Twenty-nine 4-H Club leaders and three junior leaders were recognized for their volunteer service for youth.

First year leaders' pins were awarded to Mrs. Harold Adams, Mrs. Henry Wilson, Gilbert Dorsey, Mrs. Ernest Herzog and Mrs. Elwood McMurray, all of the Hale Happy Hustlers 4-H Club.

First year pins were awarded to Mr. and Mrs. Peter Bassi, Warren Britt and Mrs. Donald Schuster, all of the Sherman Sharpies 4-H Club.

Mrs. Arthur Spafford was the recipient of the only first year leader's pin awarded to the Peaceful Valley 4-H Club.

Second year pins were awarded Mrs. John Cobb and Mrs. John Papple of Reno Topnotchers 4-H Club; Melvin Tressler of Sherman Sharpies 4-H Club; John Wehrman of Peaceful Valley 4-H Club, and Mrs. Stanley Shellenbarger of Hale Happy Hustlers 4-H Club.

Third year pin awards were granted to Mr. and Mrs. William Sugden of Reno Topnotchers and Mrs. Steven Kolonich of Ottawas 4-H Club.

Fourth year pin awards were to two Reno Topnotchers 4-H Club leaders, Mrs. Earl Daugharty and Mrs. James Sturtevant.

Fifth year pins and certificates were presented to Mrs. Howard Mott of Reno Topnotchers 4-H Club and Mrs. Ira Scofield and Mrs. Genevieve Jacobs of Hale Happy Hustlers 4-H Club.

Mrs. Orville Lyke and Mrs. George Waters of 4-H Clubs in Hale and Reno received sixth year leader awards, bronze paperweight.

The Ottawas 4-H Club leader, Mrs. Marvin Davenport, received the only seventh year leader award, a 4-H Club automatic pencil.

John Webb and Mrs. Blanche Douglass of Hale Happy Hustlers 4-H Club received awards for nine years of leadership in the

form of clothes brushes. Norman Sibley, veteran Iosco County 4-H Club leader, was recognized for his work in Taft community for 24 years.

Three junior leaders, Jerri Finley, Charlotte Webb and Robert Waters, were recipients of the Junior Leader 4-H Club pins.

This recognition banquet is sponsored by Anderson Coach Company, Consumers Power Company, National Gypsum Company, Ottawa Equipment Company, Detroit and Mackinac Railway Company, Prescott Elevator and the Cooperative Extension Service.

Their representatives, acting as hosts, included Mr. and Mrs. Louis Awalt of National Gypsum Company, Mr. and Mrs. Wil-

Fire Caused Damage to House Sunday

Fire caused extensive damage to a house owned by Oliver W. Rowley at 409 Smith Street, East Tawas, Sunday afternoon. The house was unoccupied.

Exact cause of the fire is unknown. Police said that it appeared to have started at the rear of the house. The main floor and second floor were damaged considerably.

A neighbor told East Tawas firemen and state police officers that she had been at the back of her home about 15 minutes before the blaze started. She saw no smoke at the time.

The Rowleys now live at Vanderbilt.

CCC Camp Was Reserve Training Site

Huron National Forest's old CCC camp site, located northwest of Tawas on Monument Road, was the scene Sunday of a military training program, staged by officers and men of this area's army reserve unit.

This site, carved out of the jack pine in the Huron, once was "home" to hundreds of C's, who were responsible for making the national forest the playground it is today.

Now only a vacant clearing, with but a few concrete foundations here and there to remind one of the 1930 depression days, the M-1 carrying men of Company K found that the area was an

ideal location for military maneuvers.

Under supervision of 1-Lt. William Mooney of East Tawas, company commander, the drizzly afternoon was spent in learning infantry tactics; namely, attack in the woods and tactical marches.

To most of the men, the day's lessons were "old hat," having once been learned on similar training grounds during their military service days. But, as Lieutenant Mooney put it, "What is learned today will not have to be covered during summer camp next year."

Assisting Mooney were Capt. Richard Scanlon of Au Gres; 1-Lt.

L. C. Falkenhagen of Alabaster and 2-Lt. Richard Wight of Whittemore, all reserve officers attached to Company K. Both Scanlon and Falkenhagen saw action during World War II and later in Korea.

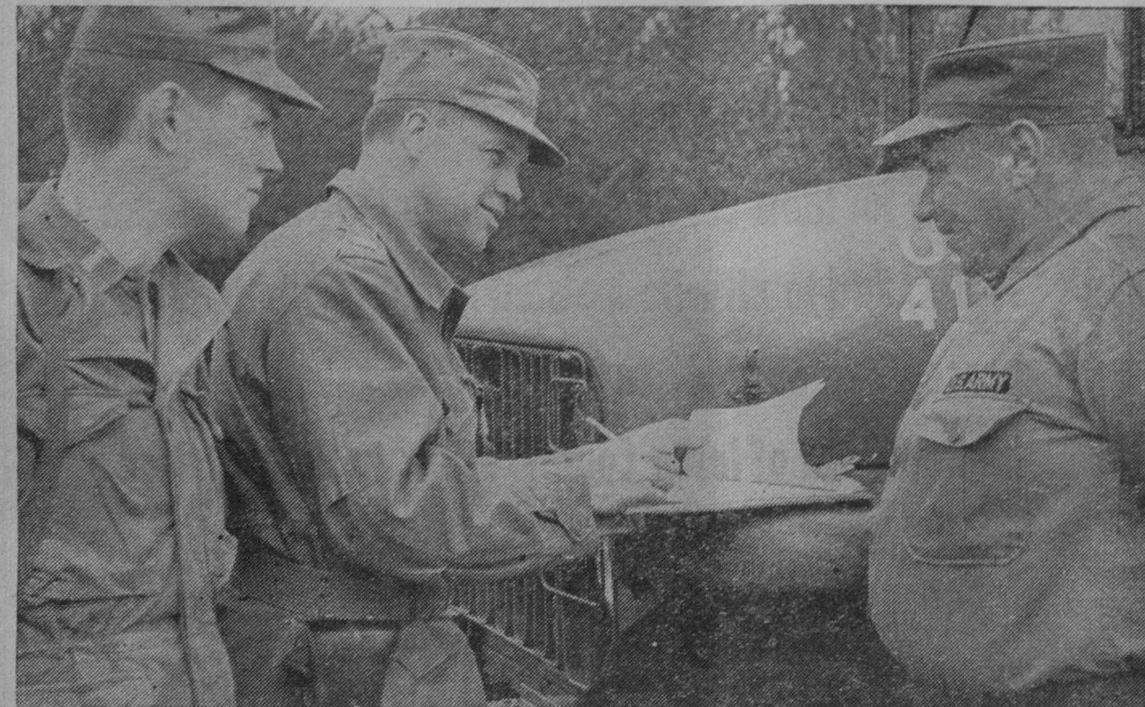

This eight-hour exercise is a new policy recently established for army reservists. Conducted as a multiple drill, reservists will participate in a similar exercise every three months.

Official title for the Tawas unit is Company K, Third Battalion, 3330 Infantry Regiment, 70th Infantry Division. Men of other third battalion units in Michigan participated in similar exercises

Sunday. It is expected that a joint one-day maneuver of all the units will be held in the near future.

Sunday's exercise was conducted "dry," the term not applying to the weather. Mooney said that the use of blank ammunition was dispensed with because of the nearing deer hunting season. "State police and conservation officers probably would have received all sorts of poaching reports had we used ammunition," he said.

Battalion headquarters at Bay City furnished a 2½-ton truck, a field stove and, naturally, C-rations to make the exercise more realistic.

MAKING PLANS for the exercise are, left to right, 2-Lt. Richard Wight, 1-Lt. William Mooney and 1-Lt. L. C. Falkenhagen. Mooney is Company K's commander.—Tawas Herald Photos.

SUNDAY AFTERNOON dinner, a can of warmed-up pork and beans, C-ration style, for Sgt. Donald McKenzie of East Tawas.

MEN OF COMPANY K receive instructions prior to an attack in the woods, part of Sunday's training program. Orientating the men at center is Lieutenant Wight. Other officers acted as observers.

MRS. ELDER ENTERTAINS PRESBYTERIAN LADIES

Mrs. William Elder entertained the Presbyterian Ladies Aid at her home Thursday afternoon, November 6, with a 1 o'clock luncheon. The table centerpiece was an arrangement of pink chrysanthemums. Each lady wore a card with her name and the insignia of the Presbyterian Women's organization.

After dinner a religious program, arranged by Mrs. Elder, was given, including Scripture reading, songs and prayer.

The discussion was on the Book of Job. Mrs. Blanche Carlson assisted with the readings and Mrs. Elder was organist for the song session.

Attending the meeting were: Mrs. Ida Gagner, Mrs. Violet Grant, Mrs. Etta Goupil, Mrs. Adda Deckett, Miss Edna Otis, Mrs. Jessie Bennington, Mrs. Carlson and Miss Helen Applin.

The next meeting was announced as a luncheon Wednesday, November 12, at 1:30 p. m. to be held at Harbor Lights Restaurant.

Mr. and Mrs. Elder are members of the Presbyterian Church at Ann Arbor. The other ladies were members of the East Tawas Presbyterian Church and Ladies Aid.

GIVES REPORT ON UNITED NATIONS PILGRIMAGE

The Woman's Society of Christian Service of the Tawas City Methodist Church enjoyed its annual pot-luck birthday dinner, Thursday evening, November 6, in memorial hall. A birthday cake, beautifully decorated in yellow and white, was made by Mrs. J. F. Mark and a beautiful tiered cake for the birthday money was made by Mrs. Charles Anson. The tables were decorated with white chrysanthemums and yellow candles.

A meeting followed the dinner. Mrs. Matthew Hoag was in charge of devotions. The theme for the evening was "Universal Declaration of Human Rights."

The speaker of the evening was David Barkman, who gave a fine report on the United Nations Youth Pilgrimage.

Harrisville WSCS will entertain the Tawas City WSCS, Thursday evening, November 13.

Hostesses for the evening were Mrs. Mark Sedgeman, Mrs. Paul Blazewick and Mrs. Wendell Rhue.

Looking Backward—

Armistice Terms Signed; Kaiser Flees to Holland

November 15, 1918—At 6 o'clock Washington time, Monday, armistice terms were signed by the German commission and the war is over. Kaiser Wilhelm abdicated the throne Saturday and he and his family fled to Holland.

Schools, stores and business places closed for the day. At 8 o'clock church bells rang, whistles blew and the streets of the Tawas were filled with shouting and cheering people. Then a huge bonfire was lighted on the beach. Material for this was secured from the old Bay Side Hotel which was razed to the ground for the purpose.

CHRISTIAN SCIENCE

How spiritualization of thought brings man enlarged ability and opportunity will be set forth Sunday at Christian Science services in the lesson-sermon entitled "Mortals and Immortals."

Highlighting the Bible passages to be read is the story in Genesis of Jacob and Esau.

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy will be read the following (254:10): "When we wait patiently on God and seek Truth righteously, He directs our path. Imperfect mortals grasp the ultimate of spiritual perfection slowly; but to begin aright and to continue the strife of demonstrating the great problem of being, is doing much."

The Golden Text is from Romans (8:5): "They that are after the flesh do mind the things of the flesh; and they that are after the Spirit the things of the Spirit."

Braves Defeat Beaverton; Win Season's Final Game

By HARRY CRAWFORD

Last Friday night under the lights at Beaverton, Tom LeClair and Frank Brigham teamed up to save the final game of the year for the Tawas Area Braves by stealing the ball on their own five-yard line, with only seconds to go, as the Braves eked out a 7-0 decision over Beaverton.

Tawas Area kicked off to Beaverton to begin the game, and it looked as though the Braves were on the warpath as Den Ledsworth intercepted a pass on the first play, and romped into the end zone. The play was nullified, however, when a Tawas guard was off sides. Beaverton could not move the ball and had to punt on fourth down.

After the ball had exchanged hands twice, Beaverton began the first sustained drive of the game. They moved the ball from their own 30 to the 20 of the Braves where they fumbled. John Cybula recovered for Tawas as the quarter ended.

Early in the second quarter, Beaverton moved the ball into Tawas territory, but lost it on downs. Tawas Area then began to move. On third down and two yards to go for a first down, Ledsworth took

the ball on a trap play, and galloped 52 yards into the end zone for the only touchdown of the game. Pete Bolen ran around end to score the extra point and the Braves led 7-0.

The Braves kicked off to Beaverton, who moved the ball to the 45-yard line of Tawas. They lost the ball on their second fumble of the game. Jim Zalewski recovered this one for the Braves. Bolen then proceeded to hit Terry Miller with a pass play that covered about 30 yards to the 17-yard line of Beaverton. A pushing penalty put the ball back on the 35-yard line and Tawas was not able to move into scoring position as the first half ended. Score: Tawas Area, 7; Beaverton, 0.

In the third quarter neither team was able to get an offense going. Tawas Area received the kickoff and picked up two quick first downs, but Beaverton's defense held and the Braves had to kick out of trouble.

Beaverton started drives twice but was plagued with fumbles as Miller and Dick Wandoff recovered for the Braves to keep them out of trouble.

Beaverton did, however, get a

drive going late in the final stanza, receiving an Ulman punt on about their own 40-yard line and moved all the way to the five of the Braves.

This is the point at which Brigham and LeClair turned in their heroics to save the day for the Braves. As LeClair tackled a Beaverton back, Brigham snatched the ball out of his hands to give the Braves possession on their own seven-yard line. Tawas then ran out the clock to squeeze by Beaverton, 7-0.

The outstanding players offensively for the Braves were Ledsworth, who gained 95 yards and scored the game's only touchdown, and Harry Woolhiser, who played a fine game and gained 35 yards. Bolen called a good game offensively.

Defensively the whole team did a fine job. Cybula, Zalewski, Miller and Wandoff recovered Beaverton fumbles. Then, of course, LeClair and Brigham teamed up to steal the ball when the Braves were in trouble.

This game gave the Braves a record for the season of two wins, four losses and one tie. The Braves scored 49 points while their opponents were mustering 82 points.

1959 Mercury on Display Tomorrow

20th Anniversary Models Shown at Leslie Garage

A brilliant combination of interior spaciousness for passenger comfort, mechanical excellence, advanced design and superior performance and economy is presented by Mercury in its totally new cars for 1959—Mercury's 20th anniversary models. The models go on display Friday at Orville Leslie and Sons.

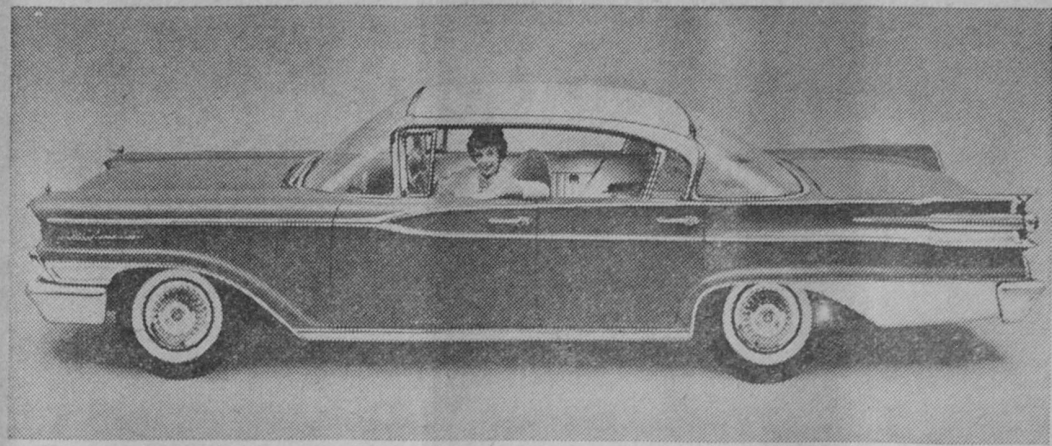

"This new Mercury is the only medium-priced car designed specifically and exclusively for the medium-priced field—every other medium-priced car for 1959 shares its body shell with a low-priced car make," said Ben D. Mills, general manager of the M-E-L Division and a vice president of Ford Motor Company.

"The Mercury for 1959 is a big car—it has size for a purpose—its space-planned bodies provide a totally new experience in passenger comfort in both front and back seats," Mr. Mills declared. "And that's for three people in both seats," he emphasized.

The entire front seat and instrument panel area are redesigned to make it spacious. Major engineering developments result in cutting almost in half the volume of space taken up by the transmission tunnel hump down the center of the car. This reduction of the tunnel gives Mercury another industry "first" in passenger comfort by greatly increasing the leg room for those sitting in the middle of the front seat and by improving cushioning in both front and rear seats.

The instrument panel is moved well forward, providing six inches more knee-room and 10 inches more distance from the seat back. Vision is improved both by lowering the hood 2½ inches and by the huge, compound windshield which is more than 60 percent larger than previous models.

Entrance to the front seat is improved by redesigning the windshield post, which provides 2½ inches more knee clearance

Space-planned bodies which provide a totally new experience in passenger comfort in both front and back seats are presented by Mercury in its entirely new cars for 1959. In its 20th anniversary models, Mercury offers a brilliant combination of advanced design, mechanical excellence and superior performance and economy. Designed exclusively for the medium-price field, the new Mercury has 15 models in four series, including the only two-door station wagon in the medium-price range. New compound curved windshield and rear window increase glass area more than 60 per cent at the front and 46 per cent at the rear. Mercury's high-compression V-8 engines provide an exact blending of the most desirable features of economy and power. Pictured is the Park Lane four-door Cruiser.

and by making the front doors up to four inches wider.

Rear seat entrance and passenger comfort are improved, too. More interior foot room is obtained by widening the rear foot wells 4½ inches and simultaneously narrowing the door sills.

Mercury is introducing windshield wipers which operate in tandem, both blades going in the same directional sweep at the same time, thus giving full-width

cleaning with no center blind spot. Blades are longer and clean 43 percent more area than previous wipers, and they clean the center portion of the windshield for the first time on American-made cars. Wipers are electrically operated.

For maximum economy, Mercury's engines include a 312-cubic inch displacement V-8 with two-barrel carburetor in the Monterey series. It saves both on initial cost and by operating on regular grade gasoline.

RAYMOND GUYETTE TO RACE CROSS COUNTRY

The Alma College Cross Country team is made up of four freshmen and two upper classmen. Captain Dick Vinciguerra, Auburn, New York, and William Colvin, Detroit, are senior and sophomore respectively.

Freshmen are Ray Guyette, East Tawas; Dennis Ellis, Saginaw; Gordon Bredvik, South Lyon, and Ronnie Aitkenhead, Yonkers, New York.

To date, the squad has a win-two, lose-three record, but Saturday's dual meet with Calvin should change that.

Guyette is the son of Mr. and Mrs. Clifford Guyette, 200 Green Road, East Tawas.

Houghton Lake Takes League Title 2nd Year

NEM CONFERENCE FINAL STANDINGS

	W	L	T
Houghton Lake	7	0	0
Arenac Central	6	1	0
Roscommon	5	2	0
Pinconning	4	2	1
West Branch	3	3	1
Tawas Area	2	4	1
Beaverton	1	5	1
Gladwin	1	5	1
Arenac Eastern	0	7	0

By EARL HAIGHT

Houghton Lake exploded for 21 points in the first quarter and went on to take its second consecutive NEM Conference football title by trimming winless Arenac Eastern, 39-0, last Friday night. Despite losses in key players throughout the season due to injuries, Coach Tom Weede's charges had what it takes to be champions and go through their second undefeated season. Arenac Central downed Gladwin, 13-6, to take the runner-up spot, with Roscommon moving into the third position with a 25-0 win at West Branch, while Tawas Area was edging Beaverton, 7-0, and Pinconning lost to Mt. Pleasant, in a non-league affair, 33-6.

The Lakers grabbed a 7-0 lead in the opening minute of play after they recovered an Eagle fumble on the initial kickoff. After two plays, Quarterback Pat Marts went 20 yards and then tossed to Buddy Morton for the PAT. The second and third touchdowns also came as a result of Eastern miscues. TD number two came on a pass of 35 yards from Marts to Halfback Dick Morton. Halfback Dick Rochon converted on a run through the middle for a 14-0 bulge. Rochon notched the third counter of the opening period, after the Bobcats picked up the losers' third fumble, on a 20-yard dash around end. Marts booted the extra point.

Single touchdowns resulted in the second, third and fourth quarters as the winners romped to their second title. Halfback Ron Hines went 20 yards in the second period on a crossback to give the Lakers a 27-0 intermission lead. In the third canto, Marts tossed to

Hines on a play covering 60 yards and Fran Staley, fullback, went over from the one for the fifth six-pointer. A pass, off a triple reverse, Marts to Rochon, covering 70 yards, brought a finish to the scoring for the night.

Arenac Central nailed down second place in the standings with its close win over the Flying Gs. After a scoreless first period, the Panthers broke Doug Dudley loose on a 70-yard scoring play as Quarterback Ken Hribeck tossed a 10-yard pass to the halfback, who completed the jaunt to the end zone. The counter gave the winners a 6-0 intermission margin.

Central counted in the third period on a one-yard plunge by Halfback Robert Potts after a downfield drive put the ball in scoring position. Tackle Gene Gillette scored the extra point on a fake conversion kick.

After losing a TD in the third period on a penalty, Gladwin tallied in the final stanza when Quarterback Ron Kigar tossed to Halfback Adrian Maynard, who went 27 yards for the score.

Roscommon scored three times in the opening period against the Orioles, but had two called back to give them a 6-0 first quarter lead. Fullback Barry Hubbard went four yards through the middle for the counter. Hubbard picked up the second quarter touchdown on a six-yard smash with End Jerry Hulce booting the extra point to give the Bucks a 13-0 halftime bulge.

West Branch made its best showing in the third stanza, getting to the winners' four where a fumble stopped the attack. Roscommon moved to two touchdowns in the last period. A 40-yard scoring play on a pass, Quarterback Jim Papefus to Hulce, picked up the first score and Hubbard crashed over from the seven for the final tally to give the Bucks third place in the NEM standings.

Pinconning found that Mt. Pleasant had too much Tom Kirkconnell as the Oilers built up a 27-0 intermission lead and used reserves to finish the contest. The winners' halfback scored all the touchdowns on long twisting runs while the Spartans' single TD came on a 65-yard end run by Halfback Lee King in the third period.

Approximately \$385,000 will be available this year for grants to University of Michigan Graduate School faculty members.

The University of Michigan's 85-foot wide steerable radio telescope is nearing completion.

Junior Varsity Picks Up Its 14th Victory

By HARRY CRAWFORD

The Tawas Area Junior Varsity picked up its 14 victory last Thursday night at the Tawas Area Athletic Field with a 64-7 win over Beaverton. This extended its streak to 16 without tasting defeat.

In the first quarter, Tawas jumped off to an 18-point lead with Campbell returning the opening kickoff 72 yards for a touchdown. After the ball exchanged hands again, Humphrey scored on a quarterback sneak from the two-yard line. Late in the opening period, Campbell scored again, taking a quick pass over the middle from Humphrey. None of the extra points were good, and at the end of the first quarter, Tawas Area led 18-0.

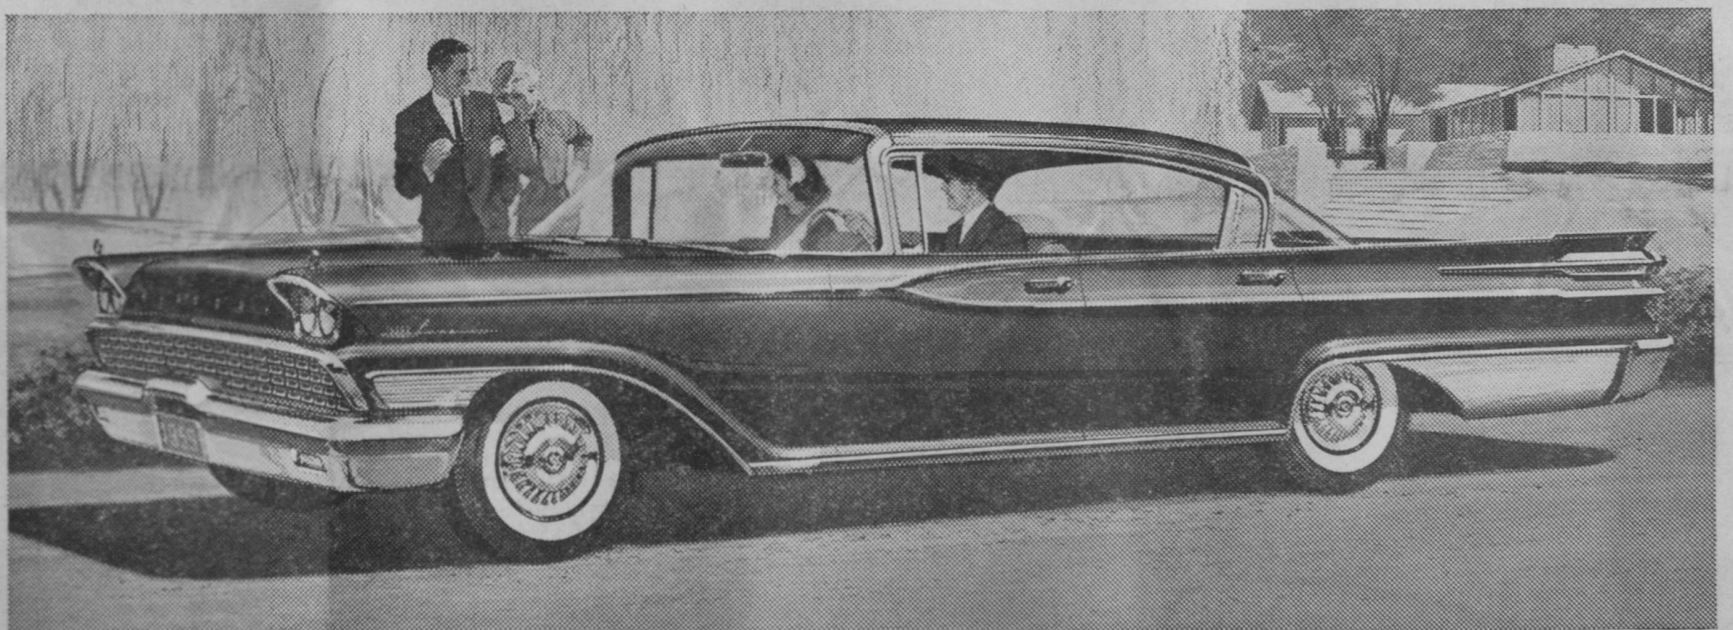

In the second period, Rollin scored on a 27-yard sweep of the left end. Campbell scored his third TD of the game on a 47-yard pass from Humphrey. The score at the end of the first half was Tawas JV, 30; Beaverton JV, 0.

In the third quarter, Brooks scored from seven yards out on a dive play. He also scored the extra point on a dive. Rollin went off tackle for 35 yards and a touchdown. Brooks, again, made the extra point on a dive. Al Moore scored on an end around run good for 45 yards. The extra point was good, making the score at the end of the third quarter, 50-0.

The final period saw Werth break into the scoring on a 55-yard pass play from Humphrey. Brooks made the extra point on a dive. Al Moore finished the scoring for the Junior Braves taking a pass from Humphrey, and going into the end zone, the play covered 60 yards. Mike Sass grabbed a pass from Humphrey for the extra point.

Beaverton JV scored a touchdown in the final quarter. The game ended Tawas Area JV, 64; Beaverton JV, 7.

The totals for the 1958 season were: Tawas Area JV, 304 points; opponents, 68 points. This sums up the season with seven wins, one tie. Over a two-year period the JV squads have run up a string of 16 games without a defeat; 14 wins and two ties.

Ladies Literary Club Hostess—

Iosco Federated Women's Clubs Hold Annual Banquet

The annual County Federated Women's Clubs banquet and meeting was held at the Masonic Temple Wednesday evening, November 5. Miss Helen Applin, county president, acted as toastmaster.

A large centerpiece arrangement of white chrysanthemums graced the speaker's table and all honored guests and past presidents wore corsages of pink and white carnations and chrysanthemums in Ladies Literary Club colors.

Mrs. Kate Evans gave the invocation and greetings were extended by the county president and Mrs.

T. M. O'Loughlin of East Tawas, president of the hostess club.

Richard Ferguson presented musical numbers by students of Tawas Area Schools. Miss Lynda Wight, at the piano, and the Tawas Area School Chorus, in their new, colorful robes of red and white, gave several numbers. An instrumental trio was given by Sue White, Andrea Proctor and Elaine Erickson, with piano accompaniment by Julie White.

Mrs. Warner Forsyth of Oscoda was the speaker of the evening. Her topic was on group organizations and individuals in a group. She brought out the thought that the success of a group and its projects depends on each individual giving his very best efforts to accomplish the goal. She brought in groups in society, church and government.

Ivan Misener

Word was received by Mr. and Mrs. Joseph Misener of East Tawas that their son, Ivan, who visited them three weeks ago, died at his home in Pontiac last Wednesday night. He had recently been released from the hospital. Death was due to a heart condition.

Ivan Misener was born in East Tawas February 12, 1898, and was a resident of East Tawas until manhood. He later was employed in Detroit as a draftsman and for years operated the Misener Engineering Company in Detroit. The past several years he lived in Pontiac. He was married to Miss Marge Gooch in Flint on October 21, 1933.

Survivors are his widow of Pontiac; three daughters, Mrs. Sally Crypers of San Diego, California, and Sue and Polly Misener at home; two sons, Thomas of San Diego, California, and Michael at home, one granddaughter; his parents, one sister, Mrs. Fedora Nelem of East Tawas.

The body was taken to the Donelson-Johns Funeral Home in Pontiac. Funeral services were held at the Central Methodist Church in Pontiac with Dr. Milton Banks officiating. Burial was in the Otawas Park Cemetery at Waterford Hill.

Attending the funeral from East Tawas were Mr. and Mrs. Joseph Misener and Mrs. Fedora Nelem.

Needlecraft News

by Nancy Baxter

I was looking back over the history of needlework in America the other day, and an interesting thought occurred to me. Even during earliest colonial times, when settlers were surrounded by very real and immediate dangers and the tools of daily life were primitive in every other way, busy pioneer wives and mothers were creating objects of original beauty and delicate craftsmanship in needlework. This points up several things about needlework we all know in other ways—that needlework has played a unique role in our country's heritage since its very beginnings . . . that women have a fundamental sense of art, a need to create and a desire to express their femininity.

NEEDLEWORK AND THE NEW LEISURE

It's amazing to think that the first American women could find any time at all for decorative needlework. Yet little girls started to develop their skills in the art as soon as they were old enough to master the simplest household chores. Today, the picture has changed. Leisure has become a common factor in every area of American life. In fact, social commentators devote pages of articles in newspapers and magazines to the problem of ways people are finding to use this new-found spare time. Seen in this light, it's no wonder that knitting and crocheting have reached a new peak during the past few years.

A BEGINNER'S PROJECT WITH AN EXPERT LOOK

Luckily, the wonderful idea of teaching the feminine arts to girls while they're still of grammar school age has also been handed down through generations of American womanhood. Nowadays, with the accent on simplicity of line, many of the designs that are easiest for a novice to crochet also fit best into a streamlined modern decor. The doily pattern I'm suggesting today follows this happy formula. A straightforward American classic which will look beautiful in your home, it's an easy project for any member of your family to work. Stitches are clusters and long shells, in size #30 crochet cotton. If you'd like to receive the free instructions, just send a stamped, self-addressed envelope to the Needlework Department of this newspaper and ask for Leaflet No. S-393, RIPE WHEAT DOILY.

New 25-Cent Savings Stamp Goes on Sale November 18

Postmaster Martin Kasischke announced today that the new 25-cent United States Savings Stamp will go on sale in the Tawas City post office on November 18. It will be available in gift books of \$2.50 and \$5 value, in addition to the customary sheet form.

The new red, white and blue issue marks the first time that savings stamps have been printed in more than one color, according to the postmaster. It will continue to feature the Minute Man, as on the old green stamp, but the American flag has been added to the background.

"The gift books will be especially appropriate as the Christmas season approaches," Mr. Kasischke pointed out. "The \$2.50 book contains ten 25-cent savings stamps, the \$5 book, 20 stamps—and there is no extra charge for the book, itself," he added.

Only the 25-cent denomination will appear in the patriotic three-color theme. However, all other savings stamps will continue to be sold: The 10-cent stamp in red, the 50-cent in blue, the \$1 grey and the \$5 brown.

For those who hold the old 25-cent green stamps, in albums or otherwise, the postmaster offers reassurance. "Don't worry about their losing value," Mr. Kasischke said, "they are just as good as the day you bought them."

Try These Easy-to-Make Magic Holiday Candies

THE FESTIVE SPIRIT of any holiday calls for candies. These easy-to-make sweets are simple enough for junior cooks to concoct and delicious enough to serve on any special occasion. They're wonderful for gifts to your sweet-tooth friends, too. Sweetened condensed milk makes them both smooth and creamy.

NUT OR RAISIN CLUSTERS

1/2 pound sweet chocolate
1/2 cup (1 1/2-oz. can) sweetened condensed milk
1 cup nuts or raisins

Melt chocolate in top of double boiler over boiling water. Remove from heat. Add sweetened condensed milk and nuts or raisins and mix well. Drop by teaspoonfuls on buttered baking sheet or plate. Chill for several hours before serving.

APRICOT COCONUT BALLS

1 1/2 cups dried apricots, ground
2 cups shredded coconut
1/2 cup (1 1/2-oz. can) sweetened condensed milk
Confectioner's sugar

Combine apricots and coconut. Add sweetened condensed milk and blend well. Shape into small balls and roll in confectioner's sugar, if desired. Let stand until firm.

"a red hot value"...

"at a real cool price!"

"That's E-e-e-lectricity!
Nothing else does so much for so little!"

"It's the most... for the least, man. Crazy! The price of electric service stays low-down, while the price of everything else has been really jumping, man. I mean those prices are really up there!"

No matter what lingo you talk, electricity is the biggest bargain in your budget. Maybe your bill is higher, but that's because you use so much more. The men and women at your electric company are always working to keep electricity your best buy.

CONSUMERS POWER COMPANY

Tillage studies on the Michigan Agricultural Experiment Station farms at East Lansing show that crops yield the highest when on soil that was plowed but tilled the least.

Most Michigan farmers probably will not find deep plowing a paying proposition. Higher tillage costs are not offset by bigger yields, say Michigan State University soil scientists.

1959 EDSEL

Above: Corsair 4-door hardtop

The car you hoped for—at the price!

Makes history by making sense

Exciting new kind of car! A full, six-passenger beauty. Roomy without useless length. Solidly built. Powered to save. Priced with the most popular three!

This is a new breed of car. A car with looks, features, power and price that make sense. It's styled with beauty and grace you usually find only in expensive cars. It's soundly engineered. Edsel's compact 120-inch wheelbase makes parking a pleasure. Yet there's room for six adults to ride comfortably. You get your choice of four new Edsel engines including a thrifty six and a new economy V-8 that uses regular gas. Plus luxuriously appointed interiors, super-smooth ride, self-adjusting brakes. And the 1959 Edsel is actually priced with the most popular three—Ford, Plymouth and Chevrolet! See it. At your Edsel Dealer now.

Whittemore News

\$42 COLLECTED IN HALLOWEEN PROGRAM

The citizens of Whittemore can be proud of their efforts to help "all the world's children" in the recent Halloween program for UNICEF, the United Nations Children's Fund. Forty-two dollars and two cents was collected to help purchase life-saving medicine and food for the millions of sick and hungry children in UNICEF-assisted countries.

Over 100 children demonstrated their friendship for their less fortunate contemporaries. Chairman, Mrs. Dwight A. Lawson, wishes to extend deep appreciation to all citizens, adults and children alike, for both their material support and spirit of interest, understanding and cooperation it represents.

JANICE RAULEIGH

Friends were grieved Sunday morning when word came that Janice Rauleigh, age 17, had died very suddenly about 5 o'clock. She was the daughter of Mr. and Mrs. William Rauleigh of Fenton, who have a home behind the John O'Farrell home.

The family had come to spend the week-end here although her health was poor. Her death came as a shock to their many friends here. The body was returned to Fenton for funeral services.

Dornace Bellville, who has been working near Caro, is spending a few days at his home here before being transferred to Midland where the highway department is opening a new office.

Whittemore Chapter, OES, held its regular meeting Thursday night with the new officers in charge.

Donna Mills had the misfortune to fall while playing Thursday afternoon and suffered a broken left arm above the wrist. She was taken to West Branch where the arm was set and remained in the hospital until Friday afternoon.

Mr. and Mrs. John Pavlik and family of Milwaukee, Wisconsin, spent the week-end here and attended the wedding of their son on Saturday.

Gunnar Brevik of Dallas, Texas, was in Detroit over the week-end

and family were called to Zurich, Ontario, on Sunday because of the death of Mrs. Aulerich's mother.

Mr. and Mrs. Mark Nickel and Mrs. Jennie B. Grove of Hillman visited Mrs. Dornace Bellville and family on Saturday evening.

GIVES INTERESTING HISTORY OF EYE GLASSES

The Whittemore Grange met on Monday evening for its regular meeting with Master Seth Thompson in charge. Mrs. Marguerite Aulerich gave an interesting health report on the development of eye glasses through the ages.

December 5 was set as the date for the joint Whittemore and Hale installation of officers.

Lecturer, Mrs. Anna Thompson, read the history of the Tory and Whig parties during the program. Mrs. Aulerich read an article "You're Voting." Mrs. Blanche Cobb read a poem, "Vote." "Running for Office" and "Hoops My Dear" were read by Mrs. Charlotte Black and Mrs. Edith Catalina, respectively. Mr. Thompson read a humorous version of the "Function of an Executive." An election quiz completed the program.

Pot-luck lunch was served at the close of the evening.

GERALD BELLEN ELECTED POMONA GRANGE MASTER

Gerald Bellen was elected master of the Iosco-Alcona Pomona Grange at a meeting held recently at Hale. Officers elected to serve with Mr. Bellen are: Overseer, Albert Smayn; lecturer, Mrs. Joy Bellen; steward, Guy Rickle; assistant steward, John Dooley; chaplain, Mrs. Ethel Bellville; treasurer, Theodore Bellville; secretary, Frank Gardner; assistant secretary, Mrs. Effie Garrett; gatekeeper, Andrew Matthews; Ceres, Edna Garrett; Pomona, Mrs. Winifred Rickle; Flora, Mrs. Blanche Cobb; lady assistant steward, Mrs. Florence Dooley, and executive committee, six-year term, Alex Robinson.

Acting Master Smayn had charge of the business session. Tentative plans were made to install the Pomona officers at the Whittemore-Hale joint installation ceremony in December.

Pot-luck lunch completed the evening.

W-P JUNIORS HOLD ANNUAL HUNTERS BALL

The Junior Class of Whittemore-Prentiss High School will hold its annual hunters ball Saturday evening, November 15. There will be dancing at the Whittemore Community Building from 8:00 p. m. until midnight.

Purchasers of tickets, which are now on sale, need not be present to win one of several door prizes. The door prizes consist of a 16-gauge Remington shotgun, an RCA-Victor radio, a box of shells and insulated underwear.

Everyone is invited to attend this hunters ball.

GIVES DEMONSTRATION ON CHRISTMAS DECORATIONS

The East Tawas Garden Club met at the Ladies Literary Club rooms Monday evening, November 10. The room was decorated with fall flowers. An arrangement of fruit flowers and figurines by Mrs. F. E. Kunze was in keeping with Veterans Day. There were also arrangements of small American flags.

Miss Dorothy Scott gave demonstrations on making Christmas wreaths of various sized pine cones which members had brought. Several beautiful wreaths were on display.

Hostesses serving refreshments were Mrs. George Hoshach, Mrs. H. E. Hanson and Miss Emma Whipple. The table was decorated with a centerpiece of yellow and white chrysanthemums. Mrs. George Rose presided at the serving table.

The next meeting will be an all day session of work on Christmas greens at the home of Mrs. George Sedgeman December 8.

LITERARY CLUB ENTERTAINS AT BIRTHDAY DINNER

The Ladies Birthday Club entertained at a birthday dinner last Monday evening at the Lakeside Restaurant honoring Miss Ethel Schramm. The menu included roast beef and a special angel pie.

The honoree was presented with a gift from the group.

Cook-Fisher Vows Exchanged Saturday at Candlelight Service

Photo by Russell Greene

MR. AND MRS. BRUCE E. COOK

In a candlelight service Saturday, November 8, Miss Jean Anne Fisher, daughter of Mr. and Mrs. Fay B. Fisher of Tawas City, and Bruce E. Cook, son of Mr. and Mrs. Donald Cook of Scott City, Kansas, were united in marriage. The Rev. William MacFarlane performed the 7 o'clock, double ring ceremony at the Assembly of God Church, which was decorated with baskets of flowers, palms and candelabra.

Paul Fisher, brother of the bride, was vocalist. He sang "I Love You Truly," "Because" and "The Lord's Prayer." Mrs. Paul Fisher, sister-in-law of the bride, was organist.

Escorted to the altar by her father, the bride was gowned in nylon marquisette over satin. The dress featured a portrait neckline of Chantilly lace and a chapel length train. Her fingertip veil of illusion was secured by a crown of Alencon lace covered with pearls. The bridal bouquet was of white chrysanthemums centered with a lavender orchid.

Mrs. Anthony Kusey, matron of honor, and Mrs. Terrance Dodge, bridesmaid, wore identical gowns of mint green and pink nylon organza.

Flower girls were Kathleen Fisher, niece of the bride, and Carol Kusey. Dean Kusey was ringbearer.

Attending the bridegroom were Frank Hill of Wurtsmith Air Force Base and Robert Quantz, also of Wurtsmith. Ushers were Fay Fisher, brother of the bride, and Anthony Kusey.

Eighty-five guests attended the reception in the Tawas City Baptist Church parlor, immediately following the ceremony.

For her daughter's wedding, Mrs. Fisher chose a navy blue nylon sheer dress with a fur cape. Her corsage was of yellow roses and chrysanthemums.

Following a wedding trip to Toronto, Canada, the couple will reside in Tawas City.

The bride is a graduate of Flint Central High School and is employed at Tawas St. Joseph Hos-

pital. The bridegroom graduated from Scott City High School. He is now with the United States Air Force stationed at Wurtsmith Air Force Base, Osceola.

Out-of-town guests were present for the wedding from Port Huron, Boyne City, Harbor Springs, Flint, Davison, Osceola and Burlington, Iowa.

Pre-nuptial showers were given for the bride by Mrs. William MacFarlane and Mrs. Leeta Schlaack.

Plan December Wedding

Mr. and Mrs. George W. Philpot of Tawas City announce the engagement of their daughter, Helen Lucille, to Dale Strauer, son of Mr. and Mrs. Orville Strauer of National City, A. December 20 wedding is being planned.

Engagement Announced

Mr. and Mrs. Forrest Ellsworth of Whittemore announce the engagement of their daughter, Brenda Kaye, to Clark Hinkley of Hale. The wedding will take place November 22.

MRS. PROVOAST HOSTESS TO FARM BUREAU WOMEN

Mrs. Clarence Provoast of Whittemore was hostess to the Farm Bureau Women's Committee of Iosco County Thursday, November 6, for the regular meeting.

Following the business session, a discussion was held on the next meeting which is to be a Christmas party. It was decided to have a pot-luck luncheon at 12:30 p. m., followed by the exchange of gifts. Each member is requested to bring a gift for the convalescent home, also. The meeting will be held at the new Tawas Township Hall Thursday, December 4.

ORGANIZE CHURCH BASKETBALL LEAGUE

A church basketball league, consisting of two divisions, a junior league for boys in grades four through eight and a senior league for high school students and those out of high school, was organized Monday evening.

The junior league will play its games in the Tawas City Unit Gymnasium on Saturday afternoons. The first game will be held Saturday, December 6, at 2:00 p. m., followed by a second game at 3:15 p. m.

The senior league games will be played on Tuesday and Thursday evenings at the Tawas City Unit Gymnasium. The first game is Tuesday, December 2, at 7:45 p. m. The second game is at 9:00 p. m.

The complete schedule of games will be announced as soon as plans are completed.

Any church interested in participating in either the junior or senior league should contact the Rev. Charles Mercer, Tawas City Baptist Church, phone FOrest 2-3175.

DEER WIDOWS CARD PARTY NOVEMBER 19

Annual Deer Widows Card Party, sponsored by Tawas Hospital Auxiliary, is planned for Wednesday, November 19, at Tawas Area High School cafeteria. Prizes and dessert will be furnished at the party, which is to begin at 8:00 p. m.

Co-chairmen, Mrs. Charles Schreck and Mrs. Truman Barbier, are assisted by Mrs. Clarence Everett, Mrs. Joseph Homberg and Mrs. Lawrence LaPorte.

'59 Lincoln Showing Friday at Dealers

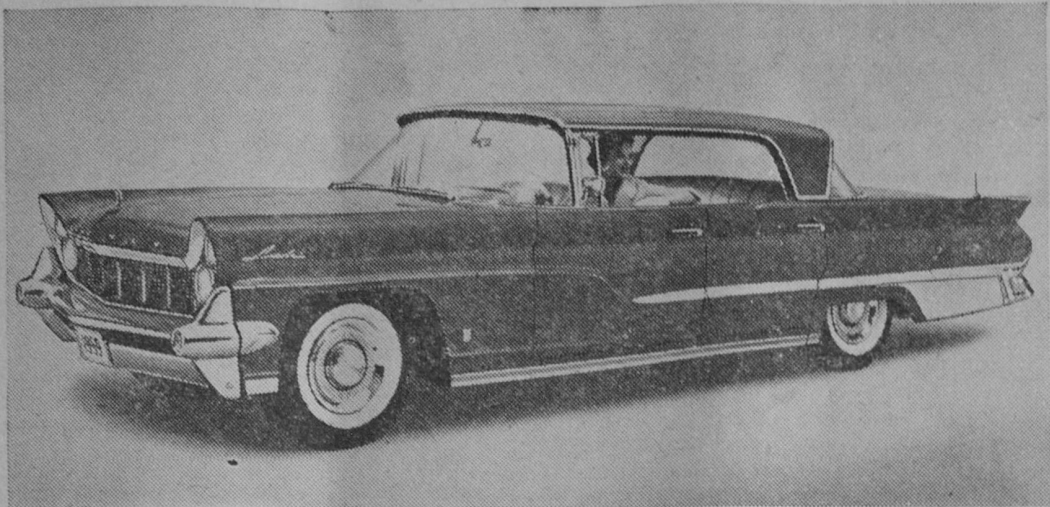

Classic Styling Emphasized in New Lincoln Models

Classic styling refinements marked with conservative and clean lines enhance the appearance of the 1959 Lincoln and the Mark IV Continental. The new models go on display in dealer showrooms Friday.

Front and rear grilles are restyled and more steel sculpture has been added to the profile. Continental has added two new models—a Limousine and a Town Car.

Lincoln has continued with its unitized construction for 1959 in a plant at Wixom, Michigan, especially designed for this type of automotive manufacturing. The plant began operations 14 months ago.

Lincoln and Continental are the only cars in the fine car field to use the integrated body construction method. This permits tighter fitting doors, roomier interiors and greater torsional rigidity or resistance to body twisting effects. Body rust proofing, both inside

The 1959 Lincoln reveals its classic design consistency by retaining its clean, long, low sweeping lines. Styling refinements include an enlarged sculptured steel scallop that extends into the front door, an aluminum applique at the rear quarter, and a new front grille that extends into the headlamp area. A new wraparound bumper encloses the grille. Overall length has been reduced two inches. Lincolns will have an improved all welded unitized body that provides added strength and eliminates squeaks and rattles.

and out, is done by immersing the whole body nearly 18 inches in a paint tank.

The new Lincoln profile is almost two inches shorter than last year's but remains big in appearance. Clean, long, low lines are accentuated in the front by a sculptured steel design extending from the front wheel area into the front door. The sweep of line is continued by a chrome spear along the side. A tasteful applique brightens the rear quarter panel. A new front wrap-around bumper protects a new one-piece grille. The rear view continues to be impressive in size but the lines merge quietly into a restrained bright metal trim on which the word Lincoln is printed. The rear bumper and lower deck molding form an oval shape and enclose the textured grille that houses integrated running and stop lights at either end. Rectangular back-up lights are placed at the inner side of the taillights. The fuel opening is blended into the center of the grille.

Michigan TB Seals Go on Sale

Michigan's sparkling Christmas Seal children brings to life the 1958 tuberculosis Christmas Seal. Mike, 12, and 10-year-old Margo Kantner of Lansing symbolize the many children whose health can be safeguarded when Michigan residents buy Christmas Seals.

Tuberculosis Christmas Seals portraying two children writing their Christmas greetings on a blackboard will be delivered this week to homes in Iosco County.

Across the nation the annual drive for funds by the volunteer tuberculosis movement will open Friday, November 14. Letters asking for donations are being sent to Michigan families in an effort to raise more than one million dollars.

"Much remains to be accomplished in Michigan's tuberculosis control program," Dr. C. J. Stringer, president of the Michigan Tuberculosis Association, said. "By buying Christmas Seals, everyone can take an active part in fighting this disease."

Last year 5,011 new cases of tuberculosis were reported in Michigan. For the state as a whole figures for the first 10 months indicate more cases will be found this year than in 1957.

In Iosco County one new case has been reported in the first 10 months. Last year one new case was discovered during the full 12-month period.

The 1958 double Christmas Seal shows a little boy dressed in a green coat and cap writing "Christmas" on a blackboard. On the adjoining seal, a little girl dressed in red has written "Greetings" on the blackboard.

The stamps are designed so that the two Christmas Seals will be used together. The blackboard and chalk symbolize the work of the Christmas Seal, Artist Alfred Guerra, who designed the seals, explained.

From kindergarten through college, the blackboard is a basic classroom tool. Christmas Seals support the tuberculosis association sponsored study of TB from kindergarten to the research laboratory.

Christmas Seal dollars make possible a state-wide health education program aimed at protecting people of all ages from TB. Seal money helps finance research projects seeking more knowledge about TB.

"The sight of children happily working at a blackboard reminds us all of our responsibility to fight for their right to grow up strong, intelligent and healthy," Guerra explained in describing the Christmas Seal design.

He spoke from boyhood memories of his sister, who died from tuberculosis. A native of Mexico, Guerra moved to San Antonio, Texas, at an early age. He started his artistic career in Breckenridge High School there, and he studied at the San Antonio art school.

Art director of a New York advertising agency, Guerra has won prizes in water color, oil painting and poster competition. In industrial art, he has designed stainless steel tableware and gift articles.

The University of Michigan offered more than 30 courses in real estate in 21 Michigan cities this fall.

NEWS ABOUT IOSCO SERVICEMEN

Elmer H. Wilhite, machinist's mate first class, USN, son of Mr. and Mrs. H. E. Wilhite of Oscoda aboard the dock landing ship, USS Gunston Hall, took part in exercise "Rocky Shoals," the largest combined army-navy maneuver conducted in the United States since World War II.

The exercise, held during the first week of November on the coast of California, was a large scale over-water movement followed by the assault landing on November 5, of an army corps near San Simeon, California.

A total of 25,000 sailors and soldiers participated in the maneuver.

"Maybe we should take off tomorrow and do some work on our farms."

Senior Play Presented Tonight

"The Boarding House Reach," Tawas Area High School senior play, reaches into the lives of its various characters to produce a hilarious comedy. The play will be held Thursday (tonight) and Friday, November 13 and 14, in the Tawas Area Auditorium. Curtain time is 8:00 p. m.

When Wilbur Maxwell's parents leave town on a business trip, Wilbur, played by Robert Cabbie, turns their peaceful home into a boarding house where "people in the best circles get three squares."

Some of the odd characters who become boarders are Lucy Burns, played by Carolyn Evans, who knows all, sees all and tells all; Mrs. Mott, played by Jane Bischoff, who never says a word, and the bank robbers.

What happens to this menagerie when Wilbur's parents unexpectedly come home and Mr. Maxwell, played by Frank Clark, is falsely arrested for robbing the bank?

University of Michigan students receiving degrees at the end of the 1958 summer session numbered 1,080, the office of registration and records announced. Of this total, 637 received degrees for graduate work.

TAWAS AREA MUSIC BOOSTERS MEET NOVEMBER 20

Tawas Music Booster's Club will have its regular meeting in the library of the Tawas Area High School on Thursday, November 20, at 7:30 p. m.

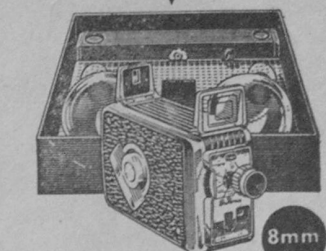

Plans will be made for the annual calendar sale to raise funds for this year's project.

Anyone interested in the work of the music department of the school is welcome to attend this meeting. Parents of students in the music classes are especially urged to be present.

Juveniles Records Now Kept Separate

The Michigan State Police are now separating juveniles from adults in their apprehension record files to give youthful offenders a new start.
Previously one form had been used in reporting both alike and were filed together. Now juveniles between seven and 17 years of age are covered in a new separate form.
The new form asks for different information than is recorded for adults, and is a different color to prevent mis-filing with adult records.
Separation of the records is in keeping with current trends recommended by juvenile authorities. Most juvenile apprehension records will be destroyed when the person reaches 21, giving him a clean slate with which to start his adult years.
Only records of youths involved in serious crimes and those of repeated offenders and incorrigibles will be kept for reference purposes.
Generally, juveniles are turned over to the custody of their parents or legal guardians when apprehended, with the promise that the offenders will appear in probate court on a designated date. If, however, a juvenile requires immediate detention for a specific reason he is turned over to probate custody, but it is not permissible to put him in jail.
Two copies of the state police juvenile apprehension reports are prepared. One is kept at the post and the other goes to headquarters in East Lansing. The reports are confidential to police departments and probate courts.

Baby-sitter?
No sooner said than done..
by telephone

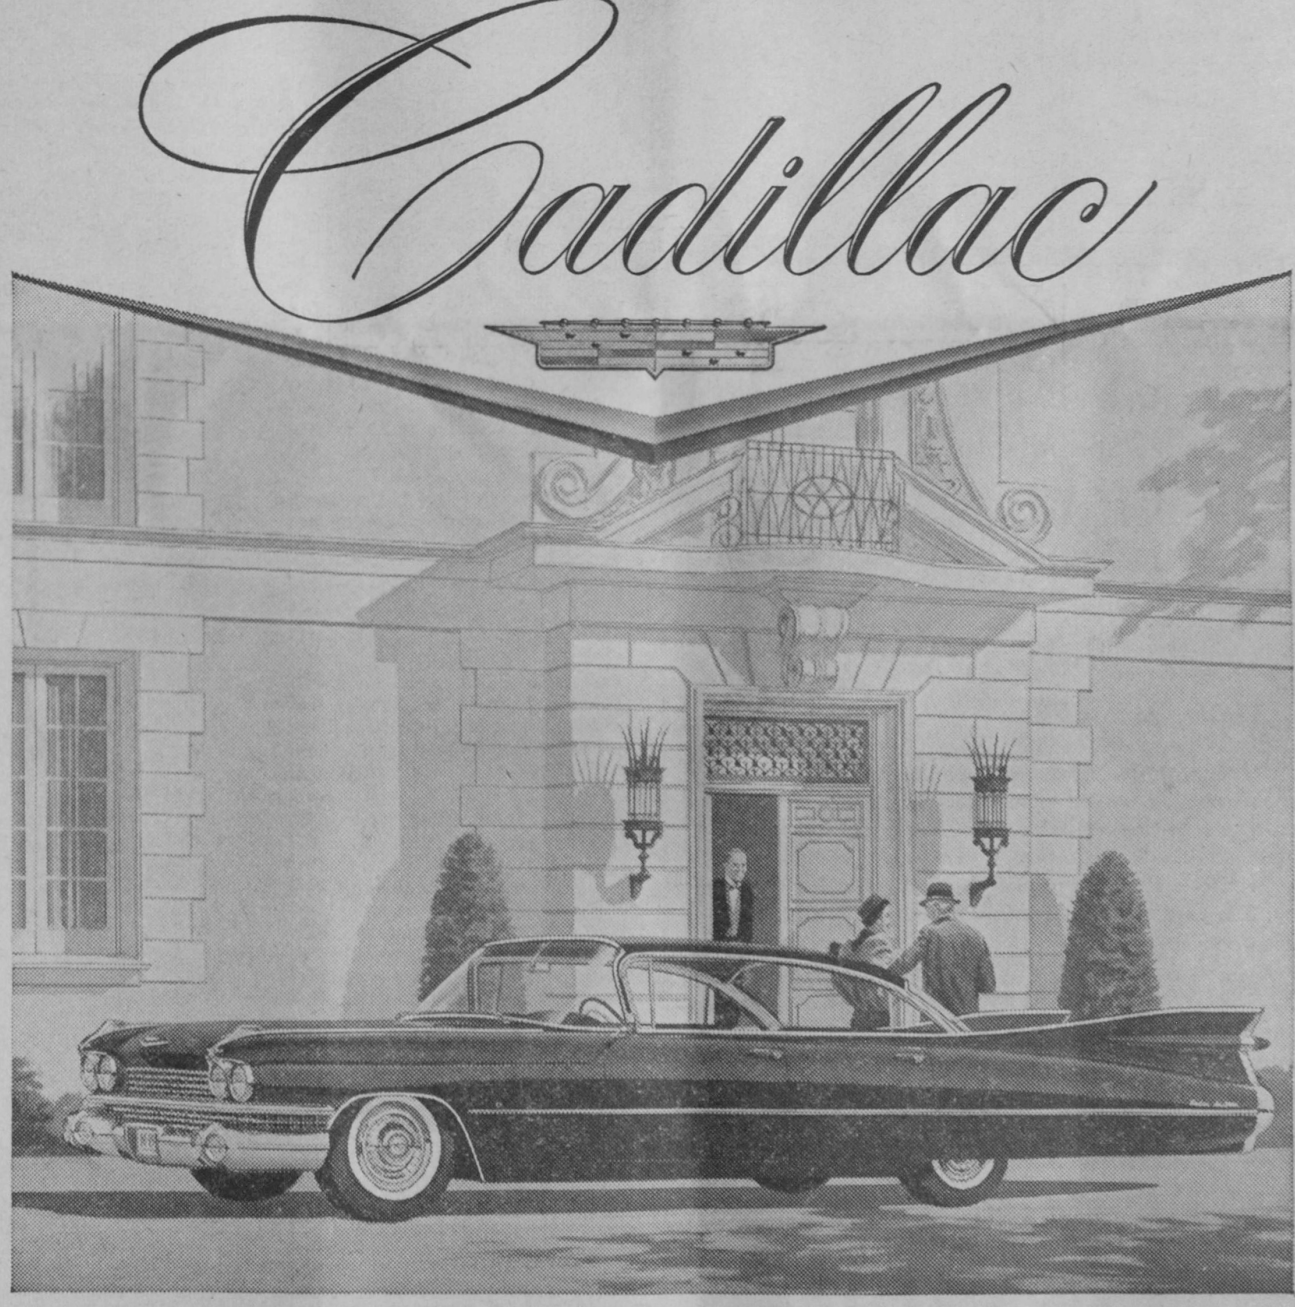

"We'd love to come," you said. "Let me phone a baby-sitter." And soon you were off for a relaxing evening of fun with friends.

You could relax because the children were in good hands and because you knew the telephone was right at hand for the baby-sitter to phone you if necessary.

Yes, your telephone is always ready to help. Let it run your day-to-day errands for you, plan good times, keep you in touch with friends and loved ones. There's just no end to its usefulness.

Motorism's New Measurement of Greatness!

The American motorist has long since adopted his own technique for judging the year's automotive offerings. He simply looks to the new Cadillac car to discover motorism's fullest measure of all that is new and good and wonderful.
And never before has Cadillac placed such a high standard on the world's motor cars as it has for 1959.
For the new "car of cars" has introduced a whole new concept of what an automobile can do and be... and how it should look and act.
To the eye alone, it is a revelation. Elegant, majestic, substantial, poised—it has brought a new magic and splendor to the world of motion.
Its Fleetwood interiors are miracles of advanced design.

Appointments are beautiful beyond imagination... and its fabrics and leathers are unbelievably luxurious.
The 1959 Cadillac is equally inspiring from behind the wheel. Its spectacular new engine, its advanced transmission and its new ease of ride and handling make every journey the most glorious distance between any two points.
These Cadillac advancements have been interpreted in thirteen body styles—including a new Eldorado Brougham.
So if you contemplate the purchase of any motor car in the coming year, you owe yourself an early visit with this newest of Cadillacs.
Sixty minutes in the showroom and on the highway will give you a full understanding of the new way to measure greatness in a motor car.

The majestic new Cadillac for 1959 is now on display—inspect and drive it today!

LEGAL NOTICE

City of Whittemore Whittemore, Michigan November 5, 1958

To the Residents of Sherman Township: As of November 5, 1958, no fire calls from Sherman Township will be answered by the Whittemore Fire Department.

We regret that this action is necessary because of the large area already being served by a single engine, and since the Sherman Township proposal to purchase fire equipment was defeated in the November 4 election, our limited equipment forces us to service only the fire engine owners; namely, Burleigh and Reno Townships, plus the City of Whittemore.

Signed: HENRY K. HASTY City Clerk 46-2b

STATE OF MICHIGAN In the Probate Court for the County of Isco

At a session of said Court, held at the Probate Office, in the City of Tawas City, in said County on the 24th day of October A. D. 1958.

Present: Hon. H. Read Smith, Judge of Probate.

In the Matter of the Estate of Karl W. Bublitz, deceased. Harold G. Bublitz having filed in said Court his petition praying that the administration of said estate be granted to Harold G. Bublitz, or to some other suitable person, and that the Court determine who were, at the time of his death, the heirs-at-law of said deceased.

It is Ordered, That Monday, the 24th day of November A. D. 1958, at ten o'clock in the forenoon, at said probate office, be and is hereby appointed for hearing said petition.

It is Further Ordered, That public notice thereof be given by publication of a copy of this order, for three successive weeks previous to said day of hearing, in The Tawas Herald, a newspaper printed and circulated in said county, and that copies of this Order for Publication be mailed by registered mail, with return receipt demanded, at least 14 days prior to the time appointed therein for hearing, to all persons having an interest in said estate, at their respective last known addresses.

H. READ SMITH, Judge of Probate. Certified: A true copy. Mabel Kobs, Register of Probate. 44-3b

Why You Should Read The Herald

- 1. BECAUSE The Herald carries pictures and reports of what's going on in your community, county and other vital state and national news that affects the readers locally. 2. BECAUSE it is a legal medium through which your city, township and county notices, regarding things which affect your pocketbook, are published. 3. BECAUSE it keeps you posted on all official actions by your board of education, school administration; it reports plans of official bodies which have the authority to levy taxes against your home, business or industry. 4. BECAUSE The Herald is your Shopping Guide, carrying the merchandising messages of bargains offered by your local stores, which saves you time and money by providing you an opportunity to prepare your shopping list in advance. 5. BECAUSE it provides a common meeting place for every reader in your shopping area where community affairs can be discussed and ideas exchanged to benefit all. 6. BECAUSE it sponsors, supports and boosts every worthwhile community project, including those of charitable nature giving to community leaders the aid and support which they must have in order to keep the community abreast of the times in carrying out the responsibilities of a collective or social nature. ANY MEMBER OF A COMMUNITY who does not read the local newspaper is sadly uninformed on: CHURCH AFFAIRS, SOCIAL EVENTS, SCHOOLS, TAXES, GOVERNMENT, POLITICS, and ALL Co-operative Community Projects.

Last - - But Not Least

The Tawas Herald carries THE NEWS about your neighbors and friends, their social activities, their happiness and their sorrow, their successes, their marriages, births and deaths, their history in the making and their dreams of happiness and success to come.

Mrs. Russell Alda and Mrs. Robert Alda were at Saginaw General Hospital last Saturday, where they visited Mrs. Francis Dorey of East Tawas, who has been a patient there the past two weeks. On Monday Mrs. Dorey was taken to Lansing where she will be cared for at the home of Henry Dorey while receiving treatment at Sparrow Hospital.

Mr. and Mrs. Alexander McClellan of Royal Oak spent the week-end with their daughter, Mrs. Alden Phelps, and family. Mr. McClellan returned home on Monday, but Mrs. McClellan remained for a few days visit.

Iosco Tree Growers Developing Outstate Christmas Tree Market

Iosco County Tree Growers Association is developing an outstate Christmas tree market for its members. A truck load of Christmas trees will be fulfilling a need for some outstate buyers. Scotch pine, balsam and spruce will be included in the first shipment.

The association, composed of some 54 Iosco tree growers, was organized this year. It is the hope of the organization that some contracts can be made for the increased harvest of Christmas trees that is expected each year.

More than 300,000 seedling trees were planted during the year in this county and adjoining areas. These trees will be marketable in six to eight years. Each tree going out of Iosco County will be marked with a special tag furnished by the association.

Officers of the organization are Dan Thayer, president; Earl Bielby, vice president, and Robert Reasner, secretary-treasurer.

"Michigan's Christmas tree industry is big business, but it can get a lot bigger and more profitable to growers and merchandisers in the state if they can counteract some of the advantages seen by buyers in importing trees from Canada," states County Agent Marvin Davenport.

A Michigan State University bulletin giving a vivid picture of Michigan's Christmas tree industry and containing suggestions designed to increase the home state market is available to growers from the extension office in the Federal Building.

When requesting the booklet, ask for special bulletin 419, "Re-survey of Christmas Tree Marketing in Michigan." It was prepared by Lee M. James, associate professor of forestry, MSU.

Michigan's current annual output of Christmas trees is about 1,140,000. A rapid shift is taking place from wild balsam fir and spruce to plantation trees, predominantly Scotch pine, states Davenport. Annual plantings have risen rapidly from 1951 through this year.

Exports of yule trees from Michigan totaled 212,000 trees in 1956. Imports into the state, principally from Canada, totaled 672,000. "Our northern neighbors export role is emphasized by an annual flow of more than three million trees through our state enroute to other states," said the county agent.

James found that many Michigan tree buyers look to Canada for their supplies rather than their home state because Canadian trees frequently can be delivered to Michigan markets cheaper than similar domestically produced trees.

Without Power to Pay Student Injury Bills

"A school district in the absence of statutory authority is without power to pay the hospital bill of a student for injuries incurred while participating in the school's athletic program," ruled Attorney General Paul L. Adams recently.

Adams continued, "... nor is there statutory authority for a school board to adjust, settle or pay claims against the district based on tort." (Tort is a civil wrong.)

The attorney general stated that his conclusion "is based on the assumption that the fact situations ... do not involve any negligence on the part of a school district's employees or agents. When such negligence is found, the prevailing rule is that a school district is still not liable for the negligence of its employees or agents engaged in the promotion of athletic events, the conduct of such events being a governmental function. The non-liability of the school district is based on the doctrine of governmental immunity."

It was noted in the ruling, however, that the trend toward the doctrine of governmental immunity is changing. The case of Richards vs. Birmingham School District, 348 Michigan 490, was cited by Adams.

He asserted that "... consideration must be given to the vigorous dissenting opinion of Justice Edwards in the Richards case, which is indicative of a trend towards the amelioration of the harshness of the governmental immunity doctrine."

Adams noted that "it is probable that in some future case ... the defense of governmental immunity by a school district will not be upheld ..."

Critical Financially, but Primary School Money is Available

When dinner is set for a definite hour, wise homemakers will start their Thanksgiving turkey 20 to 30 minutes ahead of schedule to avoid delay should the turkey take longer to cook than estimated.

This also allows time to make gravy, remove trussing cords, and arrange the bird attractively on the platter, point out extension home economists at Michigan State University.

Approximately 16 1/2 million dollars will be available for the primary school interest fund payment which falls due November 15. At that time, warrants will be processed and school districts can expect payment soon after the 15th.

Although the state is still in critical condition financially, primary moneys come from funds earmarked for this purpose in the constitution.

While the primary payment

will be made, the state will have considerable difficulty in meeting all of its obligations—particularly those which are designated by legislative appropriation; such as state aid payment.

In August and October only three-fourths of the state aid money was available for distribution and the same situation will probably prevail in December unless there is considerable improvement in the collection of the sales, cigarette and liquor taxes.
