Democrats Sweep State and Nation—

## Iosco Goes Traditionally Republican

While Democrats at the state level and across the nation were pulling in the political plums of Tuesday's general election, traditionally Republican Iosco County returned all of its GOP incumbent candidates by two to one margins over their Democratic opponents.

In one of the largest turn-outs of voters for an "off-year" election, some 4,624 Iosco County voters went to the polls to cast their ballots. According to files of The Tawas Herald, 5,985 votes were cast in the 1958 record-breaking presidential vote.

With three proposal ballots besides the general election ballot, election boards across the county were later than usual turning in final tabulations at the county clerk's office. It was not until 3:30 a. m. Wednesday when Clerk George Prescott and his deputy, Mrs. John Lansky, closed the office.

In the race for state senator of the 28th district, incumbent Republican Charles T. Prescott of Prescott defeated his Democratic opponent, Lawrence Raymond of Standish, 18,959 to 11,325.

James P. Mielock of Whittemore, incumbent Republican state representative, defeated his Democratic opponent, Henry Oates of Alabaster, 9,011 to 5,520.

Elford A. Cederberg, incumbent

Republican 10th district representative in congress, defeated Daniel E. Reed by a 54,252 to 34,551 margin.

Governor G. Mennen Williams and his entire slate of Democratic running mates at the state level were swept into office by a decisive margin. Williams polled some 1,211,805 votes as compared to his Republican opponent, Paul D. Bagwell, 1,072,260.

Iosco County voters gave a decisive "yes" vote to the two proposal ballots. On the ballot to amend the state constitution, the vote was 2,194 in favor and 1,792 against.

Voters of Iosco County indicated their wish to name county road commissioners, 2,912 voting yes and 1,393 voting no on the proposal. Road commissioners had been named by the county board of supervisors in the past.

In the proposal to authorize a 3½ mill tax levy to purchase fire fighting equipment, voters of

Sherman Township turned down the proposal by only one vote, 67 no to 66 yes. Records indicate that there were two spoiled ballots and four blank ballots. A fire protection agreement with the township and the City of Whittemore expired November 1.

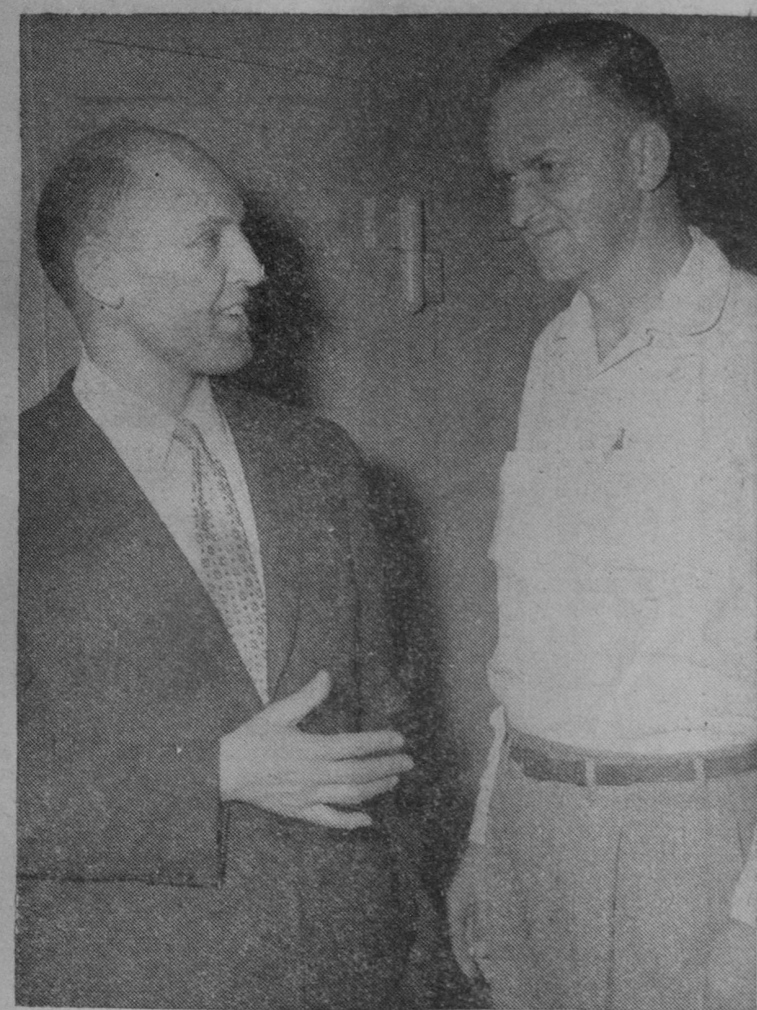

Iosco County Sheriff Ivan L. O'Farrell was the high vote-getter among the county candidates, setting the pace with 3,331 ballots cast in his favor. His Democratic opponent, J. D. Lehman, received 1,233 votes.

Although it could not be classified as an upset, as the final result was anticipated in most political quarters, Philip A. Hart defeated Republican Incumbent United States Senator Charles Potter, 121,597 to 1,043,566.

A complete tabulation of votes for offices of governor, United States senator, representative in congress, state senator, state representative and county officers, in which there were contests, is printed at right.

### Christmas Decorations, Police are Council Topics

Christmas street decorations and a request to have the city police chief attend council meetings were among the principal topics discussed and acted upon at Monday night's regular meeting of the Tawas City Council.

Plans for holiday street decorations in Tawas City were outlined in a report by Walter Champion and Nelson Thornton, representing the Tawas City Businessmen's Association.

According to the plans, the decorations are to be in place by Thanksgiving. This year the use of strings of lights over US-23 will be discontinued. The colored lights will be replaced with candles and "Santas" to be displayed on light poles at the side of the street.

A complete report on the association's plans for holiday decorations is to be made at the next meeting.

Sidney Brooks of Brooks Auto Parts was present and requested that the city lower a drain on Ninth Avenue to allow drainage of property in that area. He asked that a culvert be lowered and the ditch be cleaned of brush.

Treasurer Ruth Albertson, in her monthly report, stated that \$28,252.50 in tax money had been collected by the city. She said that this was about 80 percent of the tax money.

The council set the pay for members of the election board at \$18 each and \$6 for extra clerks. Tawas City is to be host to the spring meeting of Region Nine, Michigan Municipal League, in 1959. An invitation to hold the one-day session here was extended to that group by Councilman Earl Davis, who was chairman of the league last year. About 75 persons are expected to attend.

### State Jail Inspector Praises Sheriff's Dept.

In a letter to the Iosco County Sheriff's Department, William Nestle, state jail inspector, had high praise for the condition of the jail following a recent inspection. Nestle said that the jail was immaculately clean and well supervised, praising Sheriff Ivan L. O'Farrell's department for superior maintenance of the jail, as has been done in the past.

At the same time, he approved plans for a new security grille to be erected in the corridor, which was authorized last spring by the board of supervisors.

week. This was for a \$300 addition to the Vic and Zel Restaurant, 624 Lake Street, by Fuelgas Company. The cement block addition is for a rest room.

Supt. Reginald Bublitz was authorized to obtain crushed rock to surface Fourth, Third, Seventh and Eleventh Avenues. These streets were recently opened by the city.

A three-three dead-lock over whether or not the city chief of police should attend council meetings was broken when Mayor George Tuttle voted in favor of Councilman Howard Hatton's motion.

The vote was as follows: Yes: Hatton, Wegner, Cable; no: Brugger, Davis and Evril.

City Attorney Allan C. Miller was authorized to revamp or discontinue a number of out-dated city ordinances. Some of the ordinances will be brought up to date, while several new ones are to be added.

### Only 100 Attend Hallowe'en Party

The Hallowe'en party sponsored by the Twentieth Century Club and the Tawas City Businessmen's Association was attended by more than 100 children of all ages. The party was held in the Tawas City unit gymnasium.

Prizes were awarded to Jeffrey Krueger, Bruce Champion, Timothy Burch, Katherine Kopsinski, Beth Baldwin, Chris Moeller, Susan Kopsinski, Nana Ropert, Earl Hoag, Dale Mercer, Teri Lu Ruppert and Marjorie Richards.

Walter Champion was master of ceremonies, assisted by E. D. Jacques, C. L. McLean and Kenneth Williams.

The youth committee of the Twentieth Century Club, with Mrs. Walter Wiedbrauk as chairman, arranged the party. She was assisted by Mrs. William Ulman, Miss Arlene Leslie, Mrs. Donald MacDonald, Mrs. William Fox, Mrs. William Gregory, Mrs. George Rice and Mrs. P. N. Thornton.

### SPEAKS TO KIWANIS

Dr. John E. Tirrell, general secretary of the University of Michigan Alumni Association, was guest speaker at Tuesday's meeting of the Tawas Kiwanis Club. In his talk, Dr. Tirrell outlined the development of colleges in Michigan over the years. He expressed the hope that people of the state would not sit back and wait for a cure to come along for problems of the higher education, due mainly to the rapidly increasing enrollment.

### Cancer Society Training School Held Last Week

Ten of the 12 counties in the seventh district were represented at the sixth annual training school of the American Cancer Society. The all day affair, attended by 125 people, was held Wednesday, October 29, at the New Holland Hotel, East Tawas.

Mrs. Herbert Hertzler, chairman of volunteer activities in Iosco County, and Mrs. Russell Hughes, chairman of Alcona County unit, were co-chairmen.

Presiding as co-ordinator of the morning session was Dr. Emil Pfister from Central Michigan College.

Local doctors attending were Dr. Lawrence LaPorte of East Tawas, Iosco County medical chairman; Dr. D. E. Wagoner and Dr.

W. F. Blake Kutsche, both of Oscoda, and Dr. Harvey Brinkman of East Tawas.

### Injured When Car Ran Into Ditch

One person was injured Saturday when a car ran into a ditch at the intersection of M-55 and Chambers Road in Tawas Township. Injured was Emma E. Albright of Royal Oak, who suffered bruises and cuts to the neck and back.

Driver of the car, Wanda R. Green, told investigating officers that she mis-judged the speed of her vehicle and the distance when she attempted to go around a highway barricade. As a result, she lost control of the car and it hit a ditch, turning over.

### Hearing Next Monday on Hallowe'en Shooting

A 47-year-old Route 1, Tawas City man, who fired a .22 caliber rifle as a warning to some teenagers Hallowe'en night, will appear in justice court next Monday. One of the rifle slugs struck the car in which the youths were riding.

To appear before Justice A. J. Goulet is Edward Parker, who deals in army surplus goods at his home on Spartan Road, Baldwin Township. A charge of careless use of firearms resulted after Parker fired the rifle to warn a car-load of Tawas youths, whom he said were molesting a pile of his tires.

Paul Harvey, assistant county prosecutor, authorized issuance of the charge, a misdemeanor, after a complaint was signed Saturday by Howard E. Bischoff, 18, of Baldwin Township, driver of the car involved.

Parker pleaded not guilty when arraigned before Justice Goulet Saturday and bond was set at \$100, which was furnished.

### Would Organize Scouts

A meeting for the purpose of organizing a boy scout troop in Tawas City will be held at the American Legion Hall tonight (Thursday) at 7:30 o'clock.

Jesse Hodder post is sponsoring the organization and will name a committee to organize and supervise the new troop.

Parents of boys between 11 and 14 years of age are invited to attend if they are interested in this type of activity in the community.

### Three Injured

Three persons were injured last Friday morning in a two-car collision at the intersection of M-65 and M-55. Injured were John D. Ramsay, 58, Whitmore Lake, numerous lacerations; his wife, Emma, 66, fractured left arm and rib; Robert Waters, 21, Whitmore, cuts and bruises.

### Safe-and-Sane Hallowe'en Eve

Iosco County Sheriff's Department, Michigan State Police and local city police report a comparatively "safe-and-sane" Hallowe'en night last Friday.

Although pranksters were at work in a few places in the county, damage was considerably lower than in other years, the police report.

At Whittemore, pranksters blocked M-65 and side streets with refuse for some time, but Sheriff Ivan L. O'Farrell and Deputy Gene Ballinger "recruited" about 35 volunteers to clean up the town before morning.

Tawas area had the usual soaped and waxed windows following Hallowe'en eve, although Tawas City's amounted to less than last year. However, city police report that several fire hydrants were turned on during the night.

In other areas, a straw stack was set afire near National City. All was quiet at Oscoda, where police report that only a few windows were soaped.

### TEACHERS ASSOCIATION HOST AT POT-LUCK DINNER

A pot-luck dinner was held Wednesday night (last night) at the Tawas Area School cafeteria. Attending were members of the school faculty, their wives and husbands; school administrators and members of the board of education. The dinner was sponsored by the newly-formed Tawas Area Teachers Association. Mrs. Ruth Hess was in charge of the committee which made arrangements.

### KROGER ADDS EQUIPMENT

An additional quick-check out counter is to be installed at the new Kroger Store this week, reports store manager, William Colling. "The reason for this is the tremendous volume of business which the store has enjoyed since opening," he stated.

### Korean Orphan is Thankful for Help

Work by the Christian Children's Fund, Incorporated, Richmond, Virginia, in the field of assistance to the world's needy children was brought into focus locally this week with a letter received by Mrs. Frances Bigelow of 411 Church Street, East Tawas.

Through CCF, Mrs. Bigelow adopted a foster son in Korea during the past year and is helping the youth finish his schooling through her financial aid.

Suh Dai Sil, who was orphaned during the late conflict and now resides at the Bo Yang Won Orphanage at Yungsanpo, writes:

"I was made happy by your kindly sent letter and your affectionate words that you were happy to adopt me as your son made me happier. I believe it's not the will of a man but God's rich blessing upon me that I could have a mother and thank God with all my heart, and a hope of Christ's love that tightened you and me together seems more precious to me now.

"I am well and growing every day and on Sundays go to the Sunday School and study the Bible lessons. I have always prayed to God for my sponsor but from now on I am happy to pray for my mother. I wish you every happiness, too. Thanks a lot for the letter."

The letter to Mrs. Bigelow, written in Korean along with a translation, came by way of Dr. J. Calvitt Clarke, founder and international director of CCF. Wrote Dr. Clarke, "We are sure you will be pleased thus to hear from the child you are so kindly helping us to provide for. Please accept our warmest thanks for your faithful interest. Without such help we could literally do nothing for the

more than 22,000 children now in our care around the world."

The Christian Children's Fund, an international, interdenominational missionary association, operates or assists orphanages in administering to the physical, mental and spiritual needs of children of all races and creeds.

CCF is one of 79 member agencies constituting the foreign missions division of the National Council of Churches of Christ in the United States.

### Reese Boy Admits Five Cabin B-E's

An 11-year-old Reese boy was turned over to probate court authorities this week after he admitted to police that he had broken into five cabins on Ottawas Beach and was responsible for damage done to them.

Investigation started last Saturday after it was reported that a cottage owned by B. F. Crocker had been vandalized. Two mattresses were slashed with a knife, dishes broken and articles scattered on the floor.

Upon further investigation police learned that the Schmitz, McFadyn, Sinosan and Peppel cottages in that area had been entered. Approximately \$148 damage was done to the latter cottage.

Police said the boy could give no reason for the damage that he had done or why he had gone into the cottages.

AREA SUPERVISOR Carl Eklund of the Silver Valley Winter Sports Committee chats with the driver of a bulldozer at Sunday's work bee. Officers of the winter sports committee expressed disappointment this week because only a handful of persons showed up to help in cleaning up the winter sports park for the coming season. The bulldozer and a truck were furnished by Ari Grabow and J. D. Lehman of Whittemore. There were about 12 volunteers on hand.—Tawas Herald Photo.

## TB Stamp Sales Start Next Week

Tuberculosis-fighting Christmas Seals next week will arrive in Iosco County homes.

The annual drive for funds by TB associations throughout the state and nation will open November 14. More than a million Michigan families will receive letters seeking public support of the volunteer tuberculosis movement.

County, city and state TB associations hope to raise at least one million dollars during the Christmas Seal sale. The annual seal sale is the only drive for funds conducted by the Michigan Tuberculosis Association and its local affiliates.

"Tuberculosis still is a serious disease," Judge Herman Dehnke of Harrisville, member of the Michigan Tuberculosis Association board of trustees, warned. "During the first nine months 4,486 new TB cases were reported. This is 658 more than last year during the same time period."

"The need for Christmas Seal money is as great today as it has

ever been," the TB association official said. "Because of lack of funds, some research projects have not been started."

The one million dollars set as a goal is needed by TB associations to conduct a minimum program, he explained. Christmas Seal money will finance year-round work in health education, case finding and research.

This year companion Christmas Seals are being used. One portrays a boy and the other a girl writing "Christmas Greetings" on blackboards. The seals are designed so that the two seals will be used together.

The general passenger department of the Detroit and Mackinac Railway has been moved to Detroit and consolidated with the corresponding department of the Pere Marquette Railway.

Elmer Woieszchke of Saginaw is spending a few days at his home here.

L. W. Ross and Sherman Huff of Reno Township were business visitors in the city Wednesday.

Mr. and Mrs. David Ulman of the Townline Road are moving to Bay City.

George Mount of Essexville spent the week-end at his home here.

A letter from Pvt. Albert Gardner of Hale, now somewhere in France, gives a detailed description of farming in that country. He says that a 150-pound hog sells for \$125.

Fred Lorenz of Flint is visiting his parents, Mr. and Mrs. Carl Lorenz.

Mrs. Charles Washburn of Petoskey is visiting her mother, Mrs. Henry Poppleton.

Charles Kane returned Saturday from an extended trip to Flint, Detroit and Toledo.

H. E. Henke, formerly of this city, states that he has the largest garage and automobile sales and service in Milwaukee, Wisconsin. The garage has a capacity of 75 cars.

November 1, 1933—Enumerators are now taking a census for the new Michigan old-age pension. The census card will contain information relative to age, birthplace and occupation and a record of the individual's head-tax payments. The card will be filed in the office of the county clerk.

Miss Muriel Kelly left Sunday for a visit of two weeks in Flint.

Mrs. H. N. Butler returned Monday from a visit at Milwaukee.

E. Irving Steinhurst has been appointed district distributor for the International Oil Heating Company of St. Louis, Missouri.

Edward Seifert will leave Monday on a hunting trip in the Upper Peninsula.

Mrs. R. D. Keith of Detroit is spending a few days with Hale relatives.

Mr. and Mrs. Lee Force of Detroit and Mr. and Mrs. Frank Kessler of Flint are spending a few days on the Hemlock Road.

Delbert Albertson and Lamont Sherman were at Detroit Monday with a truck load of lambs.

November 12, 1948—L. D. McGregor, president of the Michigan United Conservation Clubs, was guest speaker at the Iosco Sportsmen's banquet held Saturday evening.

## LETTERS to the EDITOR

October 29, 1958

Hon. G. Mennen Williams, Governor, State of Michigan, Lansing, Michigan.

Dear Sir:

Today I received a letter from the MUCC along with stamps asking me to send a dollar or more as a donation to support their fight, along with the conservation department, against the organization that has asked the conservation commission for a permit to explore and mine on 900 acres in the heart of the Porcupine Mountain State Park.

They say that "with the mining will go roads, powerlines, towns and docks."

It would certainly be no disgrace to have mining on 900 acres of the 58,000-acre state park, along with town and docks; especially the docks with the St. Lawrence Seaway. The conservation department, along with the other state offices, should promote water transportation and docks in Michigan and not fight progress as it has done so well here in Tawas City and Iosco County.

They say that "there will be no place left where the solitude seeker may go."

The solitude seeker, if you will check your Official Michigan Highway map, can certainly find a quiet place somewhere north of M-55 which is about 75 percent national forest, state parks and what have you.

They say "who can say that in the long run a wilderness park may not bring more revenue to the Upper Peninsula than a copper mine?"

I, for one, don't believe that if you permitted mining on 1-60th of the park that it would hinder in the least any revenue the upper part of Michigan is getting, if any, which is non-taxable now with possibly maintenance expenses.

If there were mining, there would be some employment for many families, who would spend money to build homes, buy food, clothing, oil, yes, automobiles and other things which could be measured by the pay-roll of the mining company. It would in no way hinder any income from the park which they are now getting.

They say: "Your contribution—tax deductible." I would like to know if the mining company fighting the state and the MUCC can deduct its legal expenses and cost of non-productive time and all the pay roll that will be lost in this typical conservation department project? It is certainly a poor way to spend my money and my friends' money by stopping industry, jobs and progress here in Michigan.

Very truly yours,

The Tawas Herald, Tawas City, Michigan.

On behalf of the congregation of the Methodist Church in Tawas City, I would like to express our appreciation for the excellent coverage given to our recent 90th anniversary celebration.

All of the articles and the pictures were very fine and have elicited praise from many of the members.

We were especially pleased with the anniversary covers which added greatly to the significance of the occasion.

Sincerely yours,

## TO FURNISH CURTAINS FOR PARISH HALL

The Altar Society of Immaculate Heart of Mary Church held its monthly meeting in the parish hall during the past week. A new member, Mrs. Jean Stevens, was welcomed by the group.

It was decided by the members to furnish the parish hall with new curtains and lamp shades. The proceeds of the next bake sale will be used for this project.

This sale, which is to be held on Saturday, November 8, at the G and M Market, will be supervised by Mrs. Joseph Stepanski and Mrs. Harold Grise.

The November meeting will be held on November 19 instead of the last Wednesday of the month.

Mrs. James McArdle, Mrs. Elgin Hill and Mrs. Matthew Pfeiffer, who comprised the refreshment committee, tastefully decorated the serving table in a Hal-lowe'en motif.

## EVANGELIST WILL SPEAK AT BAPTIST CHAPEL

Vernon C. Wickliffe will be the evangelistic speaker at revival services to be held by the East Tawas Baptist Chapel beginning November 10 through November 16. Mr. Wickliffe is pastor of Central Baptist Church of Flint which sponsors the East Tawas chapel. Revival meetings will begin at 7:30 p. m. at the American Legion Hall, East Tawas.

Evangelistic song services, special music and the gospel message will make up the program. Since its establishment in September, the chapel has built its membership to 14 regular members and 25 Sunday School students.

Harrison Jackson, pastor, extends an invitation to everyone to attend these special services.

## CHRISTIAN SCIENCE

Man's God-given dominion over sin and limitation will be brought out at Christian Science services Sunday. Scriptural readings in the lesson-sermon on the subject "Adam and Fallen Man" will include this verse from Genesis (1:27): "So God created man in his own image, in the image of God created he them; male and female created he them."

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy will be read the following (516:19): "Man, made in his likeness, possesses and reflects God's dominion over all the earth. Man and woman as coexistent and eternal with God forever reflect, in glorified quality, the infinite Father-Mother God."

The Golden Text is from I Corinthians (15:22): "As in Adam all die, even so in Christ shall all be made alive."

Tawas City REALTOR

Highlighting action in last Friday night's homecoming celebration game between Tawas Area and Gladwin was the play of the two central figures shown in the pictures at left and top right.

The action photo at left shows End Jim Wilkuski, No. 37, snaring one of the six passes which he caught during the game. On this particular play, the ball bounded out of Wilkuski's outstretched arms and he finally pulled it in on a spectacular catch. Quarterback Pete Bolen, whose aim was near perfect all night, is shown between the two Gladwin defenders. Watching the play at right are Frank Brigham, No. 36, and Bud St. James, No. 26, both of Tawas Area.

In the photo at top right, Den Ledworth, No. 28, breaks through the Gladwin secondary and scores without a hand touching him. This TD tied the score at 6-6 and the deadlock was not broken until Bolen hit Wilkuski with a pass late in the game. Other Tawas players are Miller, Evans, Wilkuski and Woolhiser.

The picture at bottom right shows the line of fathers and their player-sons during the half-time ceremonies which honored the dads of Tawas Area. Intermission activities included a spectacular-type program which featured the precision marching of Tawas Area's junior and senior bands and the Gladwin band.—Tawas Herald Photos.

# Braves Celebrate Homecoming With Rousing 12-6 Victory Over Gladwin

By HARRY CRAWFORD

The Tawas Area Braves celebrated their homecoming with a rousing 12-6 win over the Flying Gs of Gladwin last Friday night under the lights at Tawas Area's athletic field.

From the opening kickoff, the large homecoming crowd saw heads-up football. After a scoreless first quarter, the Flying Gs broke into the scoring column early in the second period. They moved from their own 40 yard line to the two yard line of Tawas in 10 plays, with Don Hale carrying over for the score. The try for the extra point was no good and Gladwin led 6-0.

The Braves fought right back,

with Den Ledworth returning the kickoff to the 24 yard line. In 10 plays, highlighted by a 17-yard pass play from Bolen to Wilkuski, the Braves moved the ball to the 24 yard line of Gladwin, where Ledworth caught the secondary of Gladwin napping on a reverse and rambled unmolested into the end zone for the score. Brigham missed the try for the extra point, and the game was all tied up at 6-6 at the half.

During halftime the spectators were introduced to the dads of the players of the Braves team. Then the combined junior and senior bands of Tawas Area, along with the Gladwin High School Band, presented a very spectacular program. The bands deserve a great deal of credit in presenting the fine halftime shows at the home games this year. Band members have been doing a great deal of work, and do a great job in executing their precision drills.

In the third quarter, the two teams battled to a standstill with the defensive units turning in a fine show.

In the fourth quarter, Dwayne Ulman went back to his own 35-yard line to punt. He saw that he could not get his kick away, and ran for the first down on the 40

of Gladwin. On this play the fans saw some of the finest downfield blocking that has been seen all year with Miller, Wilkuski and Ledworth cutting down would be tacklers. This drive stalled on the eight-yard line, when Kigar intercepted a Bolen pass. The Braves got the ball right back, however, when Kigar fumbled on the 40 yard line. Brigham picked up the ball and sped to the nine yard line of the Flying Gs before he was caught. On the next play, Quarterback Pete Bolen hit Wilkuski in the end zone for the TD. The try for the extra point was again missed, and the game ended with Tawas Area coming out on top, 12-6.

This game was without a doubt a team effort on the part of all the Braves. The blocking was much better, and the defense played a fine game. If a player could be singled out as being outstanding, it would almost have to be "Big" Jim Wilkuski. He played a fine defensive game but more important was his pass receiving. He caught six passes good for 60 yards and a touchdown. Two of these catches were sensational with him picking them off when it looked as though he was covered completely.

## Undefeated JV Team Takes Gladwin to Task, 57-13

By HARRY CRAWFORD

Undefeated and tied only twice in the past 15 games, the Tawas Area Junior Varsity rang up a 57-13 victory over Gladwin Thursday night, a team which had been scored against only once during the season.

After a comparatively slow start, scoring only one touchdown in the first quarter, the Junior Braves exploded for 19 points in the second quarter, 19 points in the third quarter and 13 points in

the fourth quarter. Gladwin scored its 13 points in the second quarter to stay within reach at the half, but were out-distanced in the long run.

Scoring for the Tawas team was as follows: Quarterback Don Humphrey, on a two-yard sneak, scored in the first quarter; John Sass pulled in a reverse pass from Herman Rollin and went 60 yards to score; Rollin, on an eight-yard dive through the line, scored the third TD; Jim Brooks, on a single-sweep, went 10 yards for a TD. This ended scoring in the first half, one extra point being converted by Humphrey.

In the second half, Al Moore gathered in a pass from Humphrey, playing from the single-wing, and went 15 yards for the TD; Brooks, on a double reverse pass from Sass, went 27 yards to score; Dick Herman intercepted a pass and raced 36 yards to score. Larry Jordan swept right end and scored from 16 yards out; Dick Zaharias scored the last TD when he sailed into the end zone from five yards out, dragging two Gladwin defenders with him.

Top defensive players for Tawas were Jim Campbell, who intercepted three passes, and Sass.

The Junior Braves will finish out the season tonight (Thursday), meeting Beaverton at the Tawas Area Athletic Field. Game time is 7:30 o'clock.

Secondary schools accredited by The University of Michigan for 1958-59 totaled 873, including 520 public and 153 non-public institutions.

By EARL HAIGHT

Houghton Lake moved to within one game of its second undefeated season and second successive NEM football crown with a 26-21 win over surprising Beaverton last Friday night. Pinconning moved ahead of West Branch, playing on Thursday night, with a 19-13 victory, while Roscommon was taking the measure of Arenac Eastern, 34-0, and Tawas Area was getting its first win of the 1958 season, edging Gladwin's young eleven, 12-6.

This Friday night marks the closing of the 1958 Northeastern Michigan Conference football schedule and has Arenac Central at Gladwin, Houghton Lake at Arenac Eastern, Tawas Area at Beaverton, Roscommon at West Branch and Pinconning going outside the league in hosting Mt. Pleasant.

The Lakers scored right after the opening kickoff to take a lead they held to the game's end. After Fran Staley, fullback, returned the opening boot 46 yards, Quarterback Pat Marts tossed to End Harold Morton for 22 yards and then went into the end zone on a sneak through the middle. The conversion failed but the Bobcats had a 6-0 first quarter margin.

In the second quarter, after Beaverton had moved from its one to the winner's 20, Houghton Lake recovered a fumble and moved downfield with Marts going the final six yards around end. Beaverton countered with a touchdown when Quarterback Merlin Spencer swept right end for 15 yards. Halfback Jack Eddy added the extra point to cut the margin to 12-7. The champs came back to boost their bulge with a one-yard smash by Marts and made it 20-7 when the quarterback passed to Morton for the PAT.

After the intermission, Houghton Lake racked up its fourth touchdown on a four-yard dash by Marts. The conversion was scored by Halfback Dick Rochon. A pass play, Marts to Halfback Ed Barnes, of 35 yards brought the ball into scoring position.

Beaverton bounced back in the last quarter to hit pay dirt twice. Spencer notched the first on an end run of five yards with Eddy converting off tackle. Halfback Larry Greenacre ended the TD scoring with a seven-yard burst and End Dave Fassett caught Spencer's pass for the extra point.

Pinconning ended its league season with its win over the Orioles, closing their regular season this Friday with a non-league affair entertaining Mt. Pleasant. The Branchers broke Fullback Doug Fritz loose for 60 yards on the third play following the kickoff to give the losers a 6-0 lead. The Spartans followed up with a drive culminating on an eight-yard dash by Halfback Lee King.

Fritz repeated his first quarter's run in the second period, sweeping end for 60 yards. The extra

point was also scored by Fritz to give the losers a 13-6 intermission lead.

Penny knotted the count on the third play of the second half when King dashed 50 yards to the end zone and Quarterback Gary Kinsey went through the middle on a sneak for the extra point. The winners added the clincher near the end of the quarter when Halfback Dick Marter broke through the middle and went 25 yards to score.

Roscommon had little trouble in handing Arenac Eastern its fifth loss of the season. Using the air-ways, the Bucks counted four of their five TDs by passes, taking a 28-0 intermission lead. Taking the ball on the kickoff, the winners moved into the end zone; the scoring play, a pass from Quarterback Jim Papenfus to End Jerry Hulce of 12 yards. Halfback Tom McCutcheon booted the extra point. Roscommon came back after getting the ball on a punt with Papenfus hitting End Wally Johnson with a TD pass of 34 yards. McCutcheon kicked the conversion to give the Bucks a 14-0 first quarter bulge.

In the second period, McCutcheon tossed to Halfback Tom McBeath in the end zone for the third touchdown, the play covering 23 yards. Hulce kicked the extra point. Papenfus tossed a

short two-yarder to McBeath for the fourth counter and Hulce again booted the extra point for a 28-0 halftime margin.

The third period was scoreless but in the fourth quarter, Papenfus, after hitting End Jack McNeil with a 40-yard pass, went four yards through the middle to end the scoring.

## Exhibit New Fall Titles in Observance of Book Week

In observance of National Book Week the branches of the Iosco-Arenac Regional Library at East Tawas, Tawas City, Hale, Oscoda, Au Gres and Whittemore will have special exhibits of new fall books for children on display from November 2 to 9.

Standish Branch Library will have an exhibit after the opening of its new quarters in the near future.

Longer evenings with more time for reading are here again and among the new titles for children from eight years and up is "Bascombe," a funny story of a sleepy basset hound and two sharp rabbits. "Small One" by Gay

is about a baby cottontail rabbit who got into trouble when his mother was away. Dr. Seuss' new book, "Yertle the Turtle," tells of the throne that King Turtle built by stacking up 5,607 turtles to sit on and how Mack the little turtle on the bottom of the pile got out of that situation. "Little Bear" by Minarik is a creative story for first graders, one they can read themselves. Children will love Little Bear's trip to the moon, his birthday party and his adventures. "Elf Owl" by Buff is a beautifully illustrated story of the busy life of the desert.

Older boys and girls will like "On the Oregon Trail," one of the new "We Were There" series. Colby's "Firearms by Winchester" tells about a gun that talks fast in any language, how it is manufactured, tested for accuracy, etc., a book that boys will find interesting. Betty Crocker's "Cook Book for Boys and Girls" has recipes for good things young people can make for parties and just for fun; cakes, extra special drinks, sloppy joes, to name just a few. "Magic and Magicians" by Severn is a history of magic; how it began in ancient temples, how tricks were used to make superstitious people believe they were miracles and on up to the present time when magic is a hobby and a highly skilled

art. This is a book for the whole family.

"Bewitching Betsy Bonaparte" by Desmond is a true story of a Baltimore belle who almost became a queen. "The Wooden Horse" by Williams is also a true story, and tells of the heroism and courage of two British officers who escaped from a German prison camp in 1943. "Magic in my Shoes" by Savery is a mystery that young readers will find hard to lay down until they have discovered how Josset worked out his problems. "Bedknob and Broomstick" by Mary Norton tells of the Wilson children and their discovery that their neighbor was studying to become a witch. These are magic adventures with kindness and common sense.

Visit your branch library during book week to see these books and many more on display for boys and girls of all ages.

## GIVEN SPECIAL RECOGNITION AT HONORS CONVOCATION

## Science Teachers from 47 Counties to Attend Radioactivity Institute

High school science teachers from 27 counties will attend an institute on radioactivity at Mt. Pleasant's Central Michigan College November 6 and 7.

The institute, sponsored by the Michigan Office of Civil Defense, the Michigan Department of Public Instruction and Region IV of the Office of Civil and Defense Mobilization, is the third of a series to be held throughout the state at colleges and universities.

In announcing the program, state Civil Defense Director Ralph M. Sheehan said, "This is just the beginning of a nation-wide plan to train one million students in the use of radiological measuring instruments—an ability which could be of critical importance in this nuclear age. During this month, 237 radiological instrument kits are being shipped to as many high schools in the state, and these institutes are an intense training course for the teachers."

Counties represented are Antrim, Arenac, Bay, Charlevoix, Cheboygan, Crawford, Emmet, Gladwin, Grand Traverse, Iosco, Isabella, Kalkaska, Lake, Leelanau, Manistee, Mason, Mecosta, Missaukee, Montmorency, Newaygo, Oceana, Ogemaw, Osceola, Otsego, Presque Isle, Roscommon and Wexford.

Iosco County high schools participating in the program are

Osceola and Tawas Area. Attending from the latter will be Ronald Butterfield.

Valued at \$450 each, the kits contain such devices as Geiger counters, survey meters and dosimeters and are "on loan" to each of the high schools for an indefinite period.

Both Sheehan and Dr. Lynn Bartlett, superintendent of the Michigan Department of Public Instruction, stressed the fact that this initial shipment is just the beginning and that before 1960 all state high schools meeting requirements will have the kits. In the meantime, some of the school districts are integrating their programs so that each science class will have the benefit of their use.

Director of the regional institute at Central Michigan is Dr. Malcolm Filson, head of the science department. The highly specialized course will feature such background material as nuclear weapons effects, the principles of radioactive decay, the formula for dose calculations and the medical effects of nuclear radiation.

Approximately 40 percent of the students studying for the MD degree at The University of Michigan are married.

## Six Attend District VFW Auxiliary Meet

Six members of the VFW Auxiliary No. 5678 attended the 11th district meeting Sunday, November 2, at Pinconning. ## TWENTIETH CENTURY CLUB HOLDS GUEST NIGHT PROGRAM

The Rev. Ralph Edwards, speaker at Twentieth Century Club guest night program, talked on tolerance and shared with the group his collection of color slides of churches and altars which he has taken on various occasions.

A turkey dinner was served to 120 members and their guests in Tawas Area School cafeteria Wednesday, October 29. The tables were attractively decorated with fall flowers and candies in cornucopias.

Following dinner each member introduced her guest. Mrs. Charles VanHorn, president, gave a talk on tolerance, the club's theme for the year.

A clarinet solo given by Nancy Allen, accompanied by Richard Ferguson, and a duet by Miss Allen and Julie White provided entertainment for the group.

Mrs. Ray Clark was program chairman.

Hostesses for the evening were Mrs. George Liske, Mrs. VanHorn, Mrs. R. E. Mick, Mrs. J. F. Mark, Miss Fernie Mark, Mrs. Ira Horton and Mrs. Edward Rols.

The Thanksgiving meeting will be held November 12 with Miss Dorothy Scott as guest speaker.

Mr. and Mrs. William Irish and daughter, Karen, and Melvin Groff, all of Flint, visited their parents, Mr. and Mrs. Charles Groff, and other relatives over the week-end.

## INITIATION RITES GIVEN BY TAWAS CITY OES

Tawas City Chapter, OES, held initiation Friday evening at the Masonic Temple. Two new members, Mrs. Lyman Willis and Miss Sharon Willis, were taken into the order. Mrs. Nyda Bronson is worthy matron.

Lunch of ice cream and cake was served by the committee.

## HONORED AT AFTERNOON COCKTAIL PARTY

New and prospective members of the Tawas Women's League were honored at an afternoon cocktail party at the home of Mrs. Stanley R. Lane Sr., president, Sunday, November 2. They were presented corsages from the league.

Hostesses for the afternoon were Mrs. Edward Lucke, Mrs. John Braun, Mrs. Gordon Clute and Mrs. Hugh Langford.

November 10 the league members will hold a work meeting at the Pot-Pourri Shop.

## CHRISTMAS GIFT IDEAS SUBJECT OF TALK

"Christmas Gift Ideas" will be the subject of a talk to be given by Miss Dorothy Scott at the East Tawas Garden Club meeting Monday, November 10, at 8:00 p. m.

Members are requested to bring pine cones to the meeting, which will be held in the Ladies Literary Club rooms. Hostesses will be Mrs. George Hosbach, Mrs. H. Eugene Hanson and Miss Emma Whipple.

## Marriage Rites Solemnized at Glad Tidings Church, Flint

MR. AND MRS. STANLEY LANE JR.

White flowers in tiffany baskets, palms and candles decorated Glad Tidings Church, Flint, for the marriage of Miss JoAnn Daggett of Flint to Stanley R. Lane Jr. of Tawas City. The Rev. V. Bowlin performed the double ring ceremony Monday, October 13. Vocalist was Mrs. James Crawford of Flint. Miss Betty Whitford was organist.

Parents of the couple are Mr. and Mrs. Arlo Daggett of Flint and Mr. and Mrs. Stanley R. Lane Sr. of Tawas City.

Given in marriage by her father, the bride chose a white lace gown with a scalloped neckline and three-quarter length sleeves. The ballerina length skirt featured ruffles falling from the waist to the hemline in the back. Her shoulder length veil was secured by a seed pearl tiara. The bridal bouquet was of pink rosebuds and white shattered carnations centered with an orchid.

Mrs. Hugh Langford of Oscoda, sister of the bridegroom, was matron of honor. Her gown was of beige chiffon trimmed with gold kid. She carried a bouquet of bronze, brown and yellow chrysanthemums.

Rodney Sedgeman of Tawas

City attended the bridegroom. Ushers were Garth Daggett, brother of the bride, and Lt. Hugh Langford, brother-in-law of the bridegroom.

A reception for 100 guests immediately followed the ceremony at Kinney Hall, Flint, with a private reception later in the evening for the immediate families at the home of the bride's parents.

The bride's mother wore an electric blue wool jersey dress complemented by a corsage of pink shattered carnations. Mrs. Lane was attired in a black wool lace dress with a white carnation corsage.

Following the reception, the couple left for a week in Louisville, Kentucky. While there, they attended Alumnus Day at Kentucky Military Institute, the bridegroom's alma mater.

The newlyweds are residing at 808 Bay Street, East Tawas.

The bride attended Flint Central High School. The bridegroom is a graduate of Kentucky Military Institute and attended General Motors Institute.

Guests were present for the wedding from Tawas City, Oscoda, Saginaw and Detroit.

## REPORT GIVEN ON 10th DISTRICT MEETING

The American Legion Auxiliary, Audie Johnson Unit, met at the Legion Hall Monday evening with President Mary Lixey in charge.

The president appointed her committees for the year. Mrs. Mary P. Blake was welcomed on transfer from Watersmeet. Final plans were made for a rummage sale Saturday, November 8.

Mrs. Dorothy Harmon, child welfare chairman, gave a report of the fall conference held at Lansing recently.

Miss Helen Applin gave a report of the 10th district meeting held at Blanchard last Sunday.

Announcement was made of the child welfare school of instruction at Grayling Sunday, November 9. Plans for gift shop at Saginaw Veterans Hospital December 9, 10 and 11 were discussed. Selection of gifts will be made by Mrs. Gertrude Kunze, rehabilitation chairman, before November 25.

After the meeting, the members enjoyed refreshments of muffins, pie, ice cream and coffee. The table was centered with a bouquet of yellow and lavender chrysanthemums.

Mr. and Mrs. Clarence Earl left Monday morning for a month's vacation in California. They will visit with their daughter, Mrs. Harry Gibson, and husband of Los Angeles. Enroute they are spending some time with Mr. Earl's brother who lives in Broken Arrow, Oklahoma.

## Click-Wemert Wedding Held at Grace Church

Miss Patricia Jane Wemert of Tawas City became the bride of A-2c Maurice Click of Wurtsmith Air Force Base, Oscoda, Saturday, October 18. The Rev. William C. Lindholm officiated at the double ring ceremony, performed in Grace Lutheran Church, East Tawas.

The bride is the daughter of Mrs. Herman Hosbach of Tawas City and the late Edward F. Wemert. The bridegroom is the son of Mr. and Mrs. S. Ray Click of Scireville, Indiana.

Charles Nash of East Tawas sang, "Because." He was accompanied by organist, Mrs. Charles Nash.

The bride, escorted to the altar by her brother, Joseph Wemert, chose a street length gown of nylon and acetate lace over taffeta. The long molded bodice featured a scalloped square neckline in back and a butterfly bow at the waist. She wore a fingertip veil and carried a bouquet of white carnations.

Attending the bride were her sisters, Mrs. Richard Keim, matron of honor, and Miss Marie Wemert, bridesmaid. They were dressed in identical gowns of peach pink and aqua blue acetate and nylon. Their bouquets were arranged of yellow and orchid chrysanthemums.

Glenn Click of Frankfort, Indiana, served as his cousin's best man. Bert Taylor of Oscoda also attended the bridegroom. Paul Salters of Oscoda seated the guests.

A reception at Alabaster Township Hall followed the ceremony. For her daughter's wedding, Mrs. Hosbach was attired in a navy and pink suit with pink accessories and a corsage of pink carnations.

Out-of-town guests were present for the wedding from Dearborn, Bay City, Detroit, Oquoc, Au Gres, Oscoda, Pinconning, Frankfort and Scireville, Indiana.

The couple is residing in East Tawas. The bride was honored at two pre-nuptial showers. Hostesses were her sisters, Mrs. Keim, Miss Wemert and Mrs. Pearl Bessey; Mrs. Paul Ropert, Mrs. William Wendt and Mrs. Donald Hurler.

# Low Water . . .

DO YOU REMEMBER when the picture at left was snapped? It was taken in the fall of 1952 when waters of Tawas Bay were washing away the shoreline, endangering US-23 at the intersection of M-55 in Tawas City. The City of Tawas City, with Martin Kasischke as superintendent of public works, installed a temporary break-wall to protect the shore from erosion in that area. The picture above shows this same area today. Since 1952, the water level of Lake Huron has dropped nearly four feet, leaving exposed rocks and long expanses of beach. Although local residents will tell you that the lake is at its lowest level in history, lake survey reports of army corps of engineers indicates that the lowest level was in 1934, when it was about a foot lower. However, this old record has probably been broken because the figures used here were in the September report. Highest recorded level was in 1876 when the water reached an elevation of 583.42 feet above the mean tide of New York, or .42 of an inch above the 1952 level.—Tawas Herald Photos.

## Has 8 Million Beneficiaries

Over six million retired worker and survivor families comprising some eight million beneficiaries received monthly social security insurance benefits, according to the last annual report of the board of trustees of the Federal Old-Age and Survivors Insurance and Disability Insurance Trust Funds. There were about 1 1/2 million survivor families with 2 1/4 million beneficiaries, mostly young widows and children.

These figures were cited by Paul M. Ellifritz, district manager of the Bay City Social Security office, to emphasize the importance of social security planning for family security.

Mr. Ellifritz says that nine out of 10 of the young mothers and children in the country have survivorship protection—that is, they would be able to draw monthly benefits today, so that they could remain at home if the

family breadwinner were to die. This life insurance protection for a family with two children under three years of age where the father earns about \$250 a month is worth \$25,000, in many cases the largest single asset which these young families have.

As early as 1935 in the social security program, Mr. Ellifritz says that advisory councils set up by congress said: "It must not for a moment be forgotten that the core of any social plan must be the child. Every proposition we make must adhere to this core. Old-age pensions—retirement benefits—are in a real sense measures in behalf of children."

A representative of the Bay City district office will be at the Federal Building, East Tawas, Thursday, November 13, at 10:30 a. m. Anyone seeking information or desiring to file for benefits may call on him.

County Extension Agent

### Calendar:

Friday, November 7—Holiday foods meeting for everyone.  
Monday, November 10—4-H Club leaders' recognition event.

"Holiday Foods" will be subject for conversation at the Friday, November 7, meeting to be held in the new Tawas Township Hall (Vine School), corner by Mc-Ardle's store on M-55 at 1:30 p. m.

Have you a favorite recipe for a holiday food to share with all of us? Bring it along. It would also be nice if we could see a sample. And, do you have a recipe for French meat pie, grandmother's pudding or the red glaze for apples? Requests have been received for these.

Mrs. Ruth Hunsberger, Michigan State University marketing agent, has planned a variety of interesting holiday foods for us. She will be featuring ideas for these seasonal delicacies that use our own Michigan products.

Remember, you are invited to come. 4-H Club leaders will be guests at a recognition banquet on Monday, November 10. This occasion is planned annually to honor the volunteer women and men who do so much to help young people with their 4-H Club projects and other activities.

It is all in the game—the fun of hunting and the flavor of good eating. If your hunter's game is deer, it is time to remind him to take care of that deer while it is on the way to your cooking pot. Be sure the animal is thoroughly bled and dressed immediately after it is shot. Then the carcass should be chilled, hung up and chilled over night, in fact. That is how it is done—shoot the deer, then bleed and chill it. For more complete information, request your copy of the bulletin, "Venison."

Comfort, health and easy care are important things to keep in mind when selecting clothes for infants. Good planning, comparing prices and knowing what to look for can save you money. It is better to buy often rather than too much at a time when your children are young. Children grow out of garments quickly. If you buy only a minimum quantity of a size, you can buy the next size as it is needed—without waste.

You always do well to compare prices before buying. Some stores offer a size range from one to four at the same price, while others put a higher price on the larger garments.

In purchasing infant clothing, look for good workmanship. Be careful to avoid raw seams in nighties and sleepers that might chafe baby's tender skin. Also, the fabric, itself, should have a smooth finish. Adjustable knit cuffs which are about four inches long are a good feature to look for in sleepers. They can be turned down as extra length is needed. Gripper closures give four point support—back, front and sides.

Sleeves should be deep cut and roomy for comfort. Many sleepers have plastic soles on the bottom of the feet to prevent skidding and elastic around the ankle to hold the foot of the sleeper in place.

Training pants should have "two-way stretch" and be double throughout, with a triple thick-

## Scout Leadership Training Open to Interested Adults

Announcement of plans for the Fourth Annual University of Scouting conducted by the Paul Bunyan Council, Boy Scouts of America, was made this week by T. Melville Hess, chairman of leadership training. Enrollment in the school is open to all adults in the seven-county area of the council. There is a special program for den mothers.

The training is held at the Higgins Lake Conservation Training School beginning at 7 o'clock Friday evening, November 7, and continuing through until 7:30 Saturday, November 8. Excellent dormitory sleeping accommodations are provided and all meals served in the central dining room.

Featured on this year's program will be the new explorer program which results from a nation-wide study made four years ago by the University of Michigan Institute for Social Research. The program for high school age boys have been rewritten including new manuals, training and handbooks and audiovisual aids. The six-hour basic course is required of all explorer posts leaders.

The explorer training will be given under the direction of Frank Simons, chairman of explorer training, who has been making a special study of this program for the past six months. Assisting him will be Ed Rodden of Roseomon, Vern Fauver of Midland and the professional staff of the council who recently took a two-day National Training Course for professionals at Grand Rapids, Michigan.

The commissioner basic training course will be directed by Dr. Frederick W. Dow, council commissioner, assisted by William D. Lyon of Standish and R. Paul Schreiber of Midland.

Advance training for troop leaders will cover courses in advancement leadership, troop committee, junior leader training and the outdoor program. The instructors will be Dr. Kenneth Olson assisted by Oscar Daniels, William Laypein and Bruno Bonk. Cub scout leader courses include program planning, the den meeting, the pack meeting, pack administration and den mother-den chief relationships. This will be under the leadership of Mark Wolf assisted by Richard Mabius and Don West.

Seven women and two high school girls gathered at the home of Mrs. Charles Bielby, north of Hale, on Friday evening to learn about Swedish embroidery and to make further plans for a home economics extension group in their community.

They have planned another meeting to work on Swedish embroidery. Each of those present will bring an article she has finished or has in progress. They will show other women who could not be there Friday evening how it is done.

Mrs. Stanley Durham will be hostess. She lives three miles north of Hale on Kokosing Road. The date is Monday, November 10, at 1:30 p. m. Women in the community north of Hale are invited to be present.

### ELECTRIC BLANKET

- Controlled Comfort** Just set the dial for the warmth you like and you enjoy it all night . . . automatically! Your electric blanket outsmarts the weatherman . . . adjusts itself to keep you snug through any sudden change in temperature.
- Light Weight Comfort** No mountain of heavy blankets to weight you down! You can turn over and change position freely and without disturbing your sleep. You sleep relaxed . . . wake in the morning completely rested.
- Healthful Comfort** An electric blanket helps guard you against those factors that lead to common colds . . . chilling, changes of body and room temperatures, lack of sleep, physical fatigue and nervous tension.

The building permit of Byron Brooks was discussed by the board of appeal as to granting the permit. A motion by Cabbie and supported by Davis that the permit be denied until such a time that the said owners of said business will appear and show that the nuisance problem will be taken care of and then permit to be re-submitted for consideration of council for approval. Roll call: Brugger, Cabbie, Davis, Evril, Hatton, Wegner.

Mrs. Ella Schneider was present and requested permission for opening a teen-age canteen in their garage for the purpose of entertaining the teen-age children. The council advised Mrs. Schneider that she should contact an attorney and get the information in regard to re-zoning.

Mayor Tuttle suggested that Allan Miller be appointed acting city attorney to fill the vacancy of Mr. Mason. The city attorney will use the room in the city hall used by the former city attorney. It was decided by the council that Allan Miller be accepted for the office.

It was moved by Alderman Brugger and supported by Evril that the mayor be authorized to sign the 1958-1959 Michigan State Highway maintenance contract between the City of Tawas City and the Michigan State Highway Department. Roll call: Yeas: Brugger, Cabbie, Davis, Evril, Hatton, Wegner.

The following building permits were approved by the department of public works; Emma Dettmer, 1000 Fourth Street, re-side home, \$750; Detroit and Mackinac Railway Company, 44 by 60 cement block building, \$4,000.

Motion by Davis and supported by Wegner that 11th Avenue be opened for one block. Roll call: Yeas: Brugger, Cabbie, Davis, Evril, Hatton, Wegner.

As there was no other business, the meeting adjourned.

### Tawas Area Music Boosters Club Elects Officers

Election of officers highlighted the business session at the November 4 meeting of the Tawas Area Music Boosters Club.

The following slate was presented by the nominating committee and elected for the coming year: Mrs. John Proctor, president; Joseph Fernetto, vice president; Mrs. Earl Hester, secretary; Arthur Wendt, treasurer; Mrs. Archie Ruckle, publicity.

The Rev. Charles Mercer, outgoing president, thanked the group for the wonderful cooperation given in the past on sales of the community calendar. Mr. Rima, in behalf of the music department, thanked the members for the many things that had been purchased for the department. He also announced the Tawas Area Band members would be hosts to the district nine all star band concert to be held here December 9.

According to the new president, Mrs. Proctor, the ground work for the sale of the community calendar will be started soon, and hoped that it would be a success as it had in the past.

### Future Homemakers Elect Officers

Future Homemakers of America at Whittemore-Prescott Area Schools recently elected officers for the coming year. They are: Diann Heierman, president; Jane Rose, vice president; Barbara Brown, treasurer, and Lorna Mott, secretary. There are now seven members in the organization and an increase in membership is desired.

This organization has several purposes, to get to know each other better, meet with other homemakers of the state and to work for degrees through projects which are centered around homemaking.

This year members of FHA are using their own ideas. During the year, they plan to have candy sales, make quilts to give away as gifts or to use as doorprizes and to have a membership drive sometime after Christmas.

The FHA meets four times a year. The meetings are held during the noon hour with each member bringing her own lunch. The next meeting will be held December 2.

### Legion Sponsors Silver Valley Kick-Off Dinner

Jesse C. Hodder Post 189 will sponsor a Silver Valley kick-off dinner Tuesday, November 11, at the Tawas City American Legion Hall. Legionnaires and auxiliary members are invited to attend the pot-luck meal which is to begin at 6:30 p. m. They will be notified what to bring.

### TC Legion Auxiliary to Initiate New Members

Initiation of new members will be the purpose of the November 10 meeting of Jesse C. Hodder Post 189, Ladies Auxiliary. The meeting is to be at the American Legion Hall, Tawas City, at 8:00 p. m.

### W-P Seniors Present Class Play Friday

Friday night, November 7, the Senior Class of the Whittemore-Prescott School will present its play, "Aunt Cathie's Cat," a mystery-comedy, at the Whittemore Community Building with the curtain rising promptly at 8 o'clock. The seniors have been practicing for several weeks and the play promises to be a real success.

As Aunt Cathie purchases a house from a young man she figures that something funny is going on in the house. Then she finds several things that leads to make her believe she is right. Do not miss this thrilling play as Aunt Cathie tries to prove she is correct.

Miss Byrnn Proctor of Central Michigan College spent the weekend with her parents, Mr. and Mrs. John Proctor, and sister, Andrea. The family and Larry Brown spent Saturday evening and Sunday with Mr. Proctor's brother and wife at their cabin near Harrison to do some "Pat" hunting.

### Public Service Ad Emphasized in 'Selling Message'

Every community has a "selling message," advantages a town has to offer cannot be appreciated by industries seeking new sites unless they are made known. This is emphasized in an industrial development advertisement, carrying the caption, "Silence isn't Golden," which appears today in The Tawas Herald.

A community which seeks to attract industry needs the assistance of every resident and every organization to give its message wide circulation.

How this message can be carried to industry is illustrated by one Western Michigan community where a "chemical empire" has been built because one man decided to be a salesman for his town.

Knowing that an eastern company was seeking a Michigan site, this man took soundings, obtained samples and provided the company with information he had obtained. The company was sufficiently impressed to give the area further study and make its own tests. The result was a multi-million dollar installation in an area which had not received attention originally.

That is only a part of the story. Allied industries followed and the original investment of the first company has been multiplied many times because of its expansion beyond first plans and the location of other industries.

Obtaining a new, large industry for a community is an exception. To most towns, a small industry is just as important and more likely to be attracted. But, once it is there and providing employment for local residents, it has a growth potential that may add many more workers as the years go by. No industry is too small to deserve attention of towns engaged in an industrial development program. Several smaller manufacturers could provide greater diversification which might have a combined potential equal to a single large industry.

The fact there is no such thing as "silent sell" is stressed in the latest of a series of industrial development advertisements appearing this week in The Tawas Herald and 300 other Michigan newspapers in a campaign sponsored by the Michigan Press Association and the Michigan Economic Development Department.

### Demonstrate Before Civil Air Patrol

Four air force cadets from Detroit demonstrated basic military drills to local civil air patrol cadets Sunday, November 2, at the Isoco County Airport. The group was addressed by Major LaForge of Detroit.

### Four Rehabilitated Into Paying Jobs

Four Isoco County people were rehabilitated into paying jobs during the last fiscal year, reports Miss Anne Gray, "Rehab" counselor in this county for the Division of Vocational Rehabilitation, Department of Public Instruction.

Miss Gray reported that 26 disabled persons here received service aimed at preparing them to hold jobs. These services cost \$1,627 in Isoco County during the year.

The DVR expenditures in Isoco County, Miss Gray explained, were for the following services: Medical examinations and diagnoses, \$212; treatments, including medical and surgical services, \$173; appliances, such as artificial limbs, braces and hearing aids, \$53; training, in school or on-the-job, \$731; other services including tools and transportation, \$460.

### Donald Deering Given Certificate of Achievement

Donald Deering, an employee of the United States Gypsum Company at Alabaster, is one of 89 men who work in water treatment plants in various parts of Michigan who were recently honored by the Michigan Department of Health. Deering was awarded a certificate of achievement by the state after passing a written examination and meeting certain other requirements.

State law requires every water treatment plant in Michigan to be supervised by an operator who is certified by the Michigan Department of Health. Each plant is classified by the department according to the degree of treatment and the population served. The plant's chief operator must hold a certificate equal to or above the plant's classification.

To win certification, an operator must meet education and experience standards set by the state health department and must possess good moral character. In addition, he must pass a written examination given annually by the state health department.

LAUNCH EXPLORER PROGRAM  
On November 8 the Paul Bunyan Council will join the other 536 councils across the nation in launching the new Explorer Program of the Boy Scouts of America.

A basic training course for all explorer advisors to be held in conjunction with the University of Scouting at the Michigan Conservation Department Training School at Higgins Lake.

Locally, the explorer post leader is John Hoshbach. The unit consists of about 20 members.
