

County Budget Set at \$185,798; \$13,200 Increase Over 1958

A budget of \$185,798.50 for fiscal year 1959 was adopted by the Iosco County Board of Supervisors at the start of the October session this week. This was a \$13,200.50 increase over the budget of last year.

Of this county budget, \$170,798.50 is to be raised by taxation and the remainder by \$15,000 in anticipated fees received through the county offices.

The board approved the recommendation of its officers salary committee for a five percent salary increase for the county treasurer, county clerk, register of deeds and sheriff.

Also granted was a \$15 per month salary increase for the deputy clerks, clerks, janitor, Deputy Sheriffs Gene Ballinger and Leon Putnam. The salary of prosecuting attorney was in-

creased to \$4,600. Schedule for county officers' salaries is as follows: Treasurer \$4,557; county clerk \$4,620; register of deeds \$4,557; prosecuting attorney \$4,600; sheriff \$5,280; probate judge \$5,000; agricultural agent \$215 per month; board of education clerk \$190 per month; court house custodian \$3,980.

The 1959 budget set up the following expenditures for county offices, county funds and appropriations: County treasurer—wages \$10,017, department expense \$1,550; county clerk—wages \$9,900, expense \$1,950; register of deeds—wages \$7,940, expense \$1,900; prosecuting attorney—wages \$6,830, expense \$1,200; sheriff's department—wages \$13,000, expense \$12,500; probate judge—wages \$7,280, expense \$1,200;

board of education—wages \$3,700, expense \$2,000; drain commissioner—wages \$1,200, expense \$200, clerk \$300; agricultural agent—wages \$2,500, expense \$2,500; County building—\$3,980, court house and grounds \$9,000; circuit court—wages \$5,993.50, expense \$1,650, jurors and transcripts \$3,100; county library \$6,000; board of supervisors \$8,000; district health \$9,000; justice court \$750; tax allocation \$300; bee inspection \$150; Iosco Agricultural Association \$500; East Michigan Tourist Association \$500; Silver Valley \$500; county advertising \$730; bonds and insurance \$2,500; elections \$2,750; state institutions \$10,000; social welfare \$15,000; direct welfare \$7,500; emergency appropriation \$9,188; Addressograph \$600; veterans \$300.

In other business, Mrs. Jane Vedmore of the Huron Rest Home appeared before the board Monday and told of plans for constructing a \$49,000, 28-bed rest home. She asked for, and was given, the moral support of the board in this undertaking.

Bagwell Schedules Stop Here on Campaign Swing

Paul Bagwell, Republican nominee for governor, will be in Iosco County Friday, October 17, on his current campaign swing through Michigan.

Friday's tour of the county will be highlighted by a fish dinner to be held at the Eagles Hall in East Tawas from 7:00 to 8:00 p. m. Mr. Bagwell will be the principal speaker following the dinner.

Other events in his schedule include: Visiting Oscoda and Wurtsmith Air Force Base from 3:45 to 4:00, and a 15-minute interview over radio station WIOS, Tawas City-East Tawas, from 5:15 to 5:30.

Elmer R. Werth, Iosco County Republican Committee chairman, urges county residents to attend the fish dinner and make their acquaintance with the Republican gubernatorial candidate.

Bagwell is currently in a hot debate with Governor G. Mennen Williams during the campaign tours of the two men throughout the state.

Principal dispute between the two political parties has centered on the question of whether or not Michigan is losing industry. Republicans criticize the present administration for the state's loss of jobs and industry; the Democrats have replied that "Republicans are trying to cover up their party's responsibility for the national recession by downgrading their own state."

During past weeks numerous candidates from both parties have visited the county, as time draws near for the November 4 general election.

B. F. Coggan Speaks at EMTA Meeting

B. F. Coggan, vice president and San Diego, California, manager of Convar, division of General Dynamics Corporation, will be the featured speaker at the noon luncheon during the 48th annual meeting of the East Michigan Tourist Association today in Bay City.

Coggan, a former East Tawas resident, will address EMTA members and friends in a joint luncheon meeting with the Bay City service clubs and the Greater Bay City Chamber of Commerce in the ballroom of the Wenhonah Hotel.

Known among his Michigan friends as "Sandy," Coggan has been with Convar since 1932. As assistant to Convar's vice president and general manager, he created and produced projects involving navy and air force missiles, navy seaplanes, jet interceptor and jet transport airliners.

He also helped to organize the Pomona, California, Division of Convar, a navy facility for development and production of guided missiles.

Coggan attended East Tawas High School and was a 1939 graduate of Michigan State University with a degree in electrical engineering. He was associated with General Motors Corporation for 13 years prior to joining Convar.

Coggan was honored in 1957 with a banquet at the Holland Hotel at East Tawas when delivery was made on the first 102 jet interceptors, manufactured by Convar, to Wurtsmith Air Force Base.

Ebb Warren's 'African Adventure' to be Here Oct. 22

Ebb Warren, nationally known adventure photographer and big game hunter, will show his latest color movie, "African Adventure," at the Tawas Area High School auditorium on the evening of Tuesday, October 21, at 8 o'clock under the sponsorship of the Tawas Chamber of Commerce.

Hailed by Detroit travel bureaus as one of the finest travel-hunting films they have ever seen, "African Adventure" takes the audience through numerous European cities including London, Brussels, Paris, Madrid and Rome.

There are spectacular shots of a bull fight in Spain, changing of the guard at Buckingham Palace, a visit to the artist colony at the Montmartre in Paris, the making of Belgian lace in Brussels, a helicopter flight over northern France and historic sites in Rome.

Included also are visits to Johannesburg and Kruger Park in South Africa and a stopover at Cairo in Egypt, where the party takes a camel-back ride to the Sphinx and Pyramids of Giza.

A large part of the film records the hunting safari of Louis Zimmerman and Arnell Engstrom, well known Northern Michigan big game hunters of Traverse City, while on their 30-day trek in British East Africa last summer.

The Zimmerman-Engstrom safari was conducted by Russell Douglas of Tanganyika Tours and Safaris in Arusha. It was personally handled by white hunters Pat Hemingway, son of the famous writer, Ernest Hemingway, and Anton Allen, son of the veteran Kenya white hunter, Bunny Allen.

The hunt was considered one of the most successful safaris to take place in Tanganyika during the past season, both sportsmen (See MOVIE, page 12.)

Three TA Students in Auto Wreck Near Pinconning

Three Tawas Area High School students received minor injuries in an auto accident two miles south of Pinconning late Sunday afternoon.

During a rainstorm, a car driven by Harry Woolhiser of East Tawas smashed into the rear end of a car which had stopped to make a left turn.

As a result of the collision, Woolhiser received minor lacerations and bruises to the knees. Two passengers in the car, Barbara Skinner and Armin Stump, both of East Tawas, received minor lacerations and bruises. Stump suffered a slight concussion.

The car driven by Woolhiser was a total wreck. The car which had stopped to make the turn was driven into the opposite lane where it collided with another car.

Both Woolhiser and Stump are members of Tawas Area High School's varsity football team and, although not seriously injured, will probably miss the Tawas-Oscoda game Friday night.

Sewer Bond Proposal is Called Off

Hale Lions Club Received Its Charter

Hale Lions Club received its charter at a banquet held Monday night at the Hale Area School. Attending were international, district and zone officers. Receiving the charter for the 42 members was L. Dale Bush, president of the new club.

Howard Gowing, president of the Rose City club, sponsor of the Hale group, opened the meeting. E. C. Eddy, international counselor, was toastmaster.

Officers of the new club, in addition to President Bush, are: J. Morley Stevenson, first vice president; Herman E. Maas, second vice president; Earl Bielby, third vice president; Ernest Herzog, secretary; Charles Dane, treasurer; Ira Scofield, lion tamer; Meritt F. Schiack, tail twister, and Walter Hall, D. D. Pearsall, Leslie Sobczak and E. D. Strickler, directors.

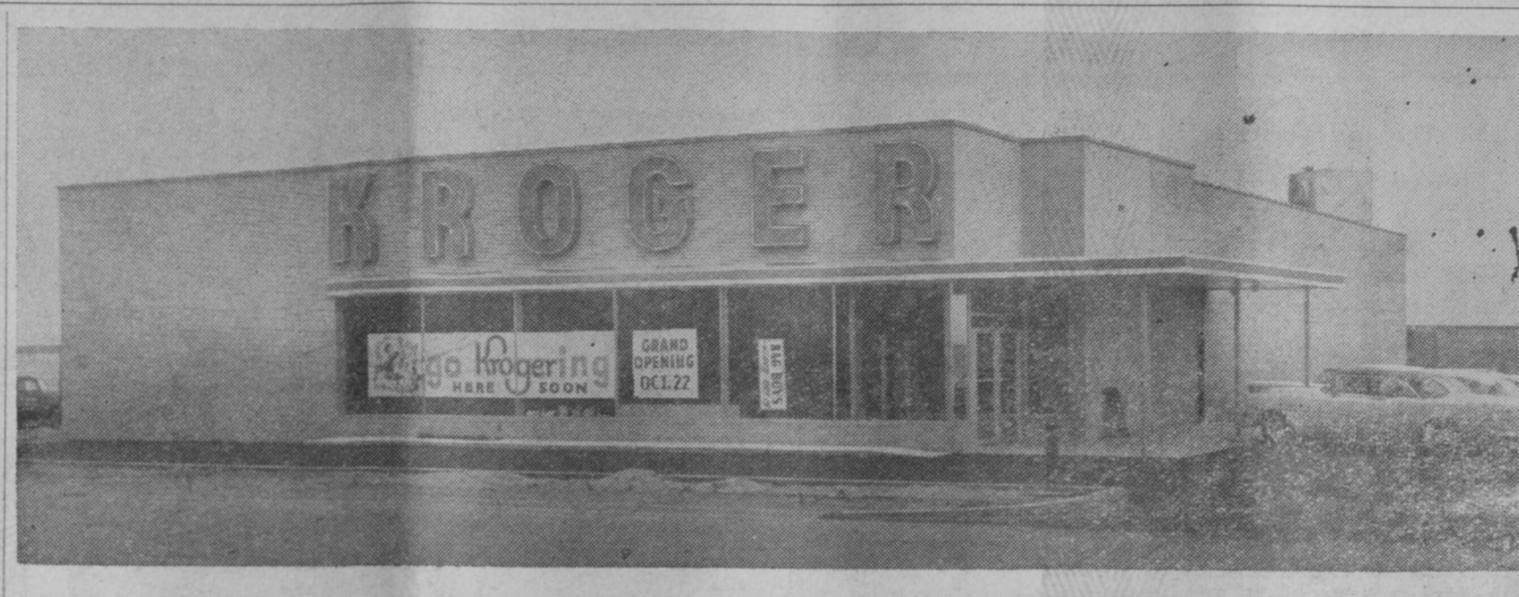

Charter members, in addition to the above, include: Carl Adams, Russell H. Anthony, Berkeley Bernard, Lyle Bielby, Dennis B. Chrivia, Donald W. Daly, Ronald C. Dane, Larry Davis, Alvin C. Forshee, Charles B. Gallagher, Fred Holzheuer, R. M. Hunt, D. E. Hutchins, Leo Kocher, James A. Mann, C. S. Mason, Marvin Morgan, John Morrison, John A. Mortenson, F. W. Morton, Charles J. Neff, Joseph N. Ormerod, Richard E. Parkinson, Daniel O. Pearsall, Vernon E. Ranger, E. H. Taubert, Dan Thayer, LeRoy Vinneedge, William G. Weryley Jr., Wayne D. Wilson and G. T. Wyatt.

Senator Swainson Visits Tawas

Senator John B. Swainson, Democratic candidate for lieutenant governor, visited the Tawas Saturday. Mr. Swainson spoke at a luncheon in his honor at the Barnes Hotel.

Senator Swainson suggested new legislation to help small business firms; spoke of the need for better educational facilities in Michigan, and declared the state government must consider the problems of the aging.

After visiting some of the business places in Tawas City and East Tawas, he made a short stop in Oscoda, then went on to Alpena where he spoke to a large group of business and professional people.

Kroger Company's New Tawas City Store Set for Grand Opening Oct. 22

Grand opening for one of Northern Michigan's newest and most modern Kroger Stores will take place October 22 when the company's new Tawas City store opens its doors for business.

The new store is located in a modern brick and concrete block building, leased from Dr. J. D. LeClair, which was constructed on US-23 west of the M-55 intersection during the past year.

Containing some 10,000 square feet of floor space, the 80 by 125 foot building is equipped with the latest word in merchandise handling, display and storage equipment. An important feature of the new store is a 78-car parking lot with black-top surface and flood lighting.

Manager of the new store will be William Colling, 25, who has been with the Kroger Company for 7½ years. A native of Caro, Colling started with the company

there as a grocery clerk and advanced to co-manager for one year and store manager for 1½ years. Coming to Tawas City from Vassar, Colling and his wife, Myrna Jo, have four children, two boys and two girls.

Customers will see and use an innovation which is new to this area when entering the building on the west side. Electric-eye doors will open automatically for patrons and this should prove to be a handy convenience for those carrying purchases.

Features of the interior include three quick-check check-out counters and one "express" counter for purchases of six items or less; 25-foot dairy food case; 32-foot double sided frozen food case; 12-foot ice cream case; 44-foot meat case; 16-foot fish and poultry case; six-foot magazine rack.

Produce and meats will be pre-

packaged, although Colling states, "The butchers will be happy to give customers individual service on any cuts of meat they choose from the walk-in cooler."

Among other features of the store, it is equipped with its own public address system to provide music and for the announcement of specials, a garbage disposal unit large enough to handle the needs of the entire store, an ice-making machine, inter-phone system, Saran-wrap cheese wrapper and a lounge for employees.

The store is equipped with four walk-in coolers for storage of produce, eggs, meats and frozen foods. The building is entirely air conditioned.

Modern facilities for unloading and storage have been provided at the rear of the store with the installation of an automatic conveyor system. The meat department has its own special door at

the rear of the building, equipped with overhead conveyor system which will transport bulk meat directly from trucks to the storage area.

Mr. Colling said that it may be interesting to know that it would require five 35-foot trailer loads of merchandise to stock the store, along with a trailer load of meat and a trailer load of frozen food.

At the start of business, the Kroger Company will employ 24 persons in its Tawas City store. This number includes four persons in the meat department, four bag boys, two each in the produce and dairy departments, seven checkers and five persons in the grocery department.

Silver Valley Made Ready for Season

According to a report from Carl Eklund, supervisor of the Silver Valley winter sports area, with three or more good days every thing will be in readiness for the coming season.

At Monday night's meeting of the winter sports committee, Eklund said that a new foot bridge over Silver Creek was presently under construction. All poles on the ski tow have been removed and replaced with new treated poles.

Eklund said that the new poles have been painted red and would improve the appearance of the area when it opens for the season.

Next meeting of the group will be held October 27. The usual Monday night meeting next week has been canceled because of the opening of bird season.

Vote Was to Have Been Held Nov. 4

Because of the lack of necessary time to comply with Michigan election laws, the City of Tawas City has postponed its plan to submit a ballot asking voters of this community to approve the sale of general obligation bonds to finance construction of additions and enlargement of the municipal sewer disposal plant.

To have been held at the general election November 4, city officials learned last Wednesday that necessary legal work to hold the election had not been completed in time.

This notification came from Miller, Canfield, Paddock and Stone, Detroit bonding attorneys, retained by the city.

Mayor George Tuttle said Monday of this week that the Detroit firm had notified him last week that ballots must be printed and in the hands of the city clerk 45 days prior to election and proper election notice must be given in advance.

Tuttle said that when the proposed bonding election was taken up by the council several weeks ago, it was already too late to hold the election November 4, according to Michigan law.

No meeting has been held as yet by the council or the water board to discuss setting a new date for the election. "We won't be able to do a thing on it until we receive the proper forms from the Detroit attorneys," said Mayor Tuttle.

The mayor indicated Monday that the question probably would be put to voters at a special election after the first of the year.

Mayor Tuttle said that the city would have to submit the question to voters as soon as possible in order that the city might be in a better position to obtain federal aid on the project. Application has already been made for government assistance, but it is not known as yet whether Tawas City's request will be considered at this time.

Plans for enlarging and modernizing the sewage treatment plant have been under consideration for the past several years. After it was learned that the plans had been approved by the state health department, the water department recommended that the city council submit to voters the question of financing the project through the sale of general obligation bonds. The entire project would have cost \$130,000.

An on-the-spot survey of the sewage treatment facilities taken (See VOTE, page 12.)

Brrrr---It Was a Cold Night for Dedication (Likewise for Braves)

Please Turn to Page 10

FIELD DEDICATION NIGHT—The reader can judge for himself just what kind of a night it was for the dedication of Tawas Area's new field. The

speakers' "platform" at left is wind-swept, not to mention the fans. In the center picture, Coach Howard Adams and William Mick accept the field on

behalf of the students. Don't be fooled by the picture of Tawas Area's band—it was snapped at Friday afternoon's rehearsal—Tawas Herald Photos.

P. N. THORNTON and SONS, PUBLISHERS

EACH OF US — A COMMUNITY SALESMAN

Each of us is a salesman for our town. Our attitude toward industry, our town and our people could determine whether our community will get additional jobs.

All of us can be readily contacted by a "stranger" in town as we walk in the business district, shop or stop at a lunch counter.

Assurance that our town will receive full and careful evaluation as a plant site can be gained if we form the habit of "talking up" our good points.

Necessity for the positive approach on the part of all of us is stressed in the series of advertisements being run in The Tawas Herald and 300 other Michigan newspapers in a campaign sponsored by the Michigan Press Association and the Michigan Department of Economic Development.

Looking Backward— John R. Rood Retires From U of M Faculty

October 18, 1918—John R. Rood, member of the law faculty of the University of Michigan for the past 25 years, has retired from the university and will engage in the practice of law at Detroit.

Mr. Rood is well known here, having owned and operated a large cattle ranch at Mark's Station for a number of years.

Mr. Peter St. Martin is visiting relatives at Lorraine, Ohio.

Miss Ruth King, teacher in the Reno Township school, spent the week-end at her home here.

Mr. and Mrs. William Kohn returned to Flint after spending a few days with Sherman Township relatives.

Edgar Louks of Whittemore is carrying a full page advertisement this week announcing the sale of his hardware to Joseph Collins.

Frank Ulman of Flint came home Saturday to spend a few days with his family on the Townline Road.

Walter Moeller is spending a few days at Bay City.

Charles Corrigan and friend, J. A. McPherson, of Detroit are visiting friends here.

Mrs. Charles Conklin left Wednesday for Emmet where she will visit with relatives.

Miss Isabelle Cowie, who attends school at Saginaw, is spending a few days at her home in Hale.

John H. Robinson returned to the Great Lakes Training Station Wednesday after spending a few days on leave at his home in Alabaster.

Russell Williams of Bay City was a guest last week at the Henry Thompson home in Reno Township.

Earl Kaufman has secured the position of operator at Loud Dam.

For automobile insurance see John Corrigan, Tawas City.

Charles Harsch was successful in capturing a bear which had been killing his sheep.

Frank Fields, station agent at McVor, spent a few days last week at Greenbush.

Miss Nyda Campbell is a guest of her aunt, Mrs. Fred Mills, at Whittemore.

Daniel Kennedy of Flint is spending a few days with relatives on the Hemlock Road.

Albert Fahselt is the new bookkeeper at the Tawas Butter Company plant.

Thomas Gillespie has moved his family from Flint to Emery Junction. They have been at Flint for the past five years.

October 30, 1933—Charles W. Curry, former Isoco County sheriff, died early Sunday morning.

County Clerk Frank E. Dease is spending a few days with his brother, William Dease, at Duluth, Minnesota.

Mrs. J. K. VonSmuda of Newark, New Jersey, is a guest of relatives here.

Mrs. Harriet Grant returned Monday from Chicago where she had spent the past week.

Mrs. Robert Richards of Los Angeles, California, is spending a few days at the Richards home in East Tawas.

Miss Kathryn Jordan of Flint is visiting at her home in Sherman Township.

Mr. and Mrs. John Follette returned to Detroit Monday after visiting a few days with Hale relatives.

Oren Sherman is constructing a new store and gas station near the Reno Township Hall.

The Buesch and Wolfe families of Reno Township are attending a family reunion at Toledo, Ohio.

Mrs. Charles Taulker of Detroit is a guest of Hale relatives this week.

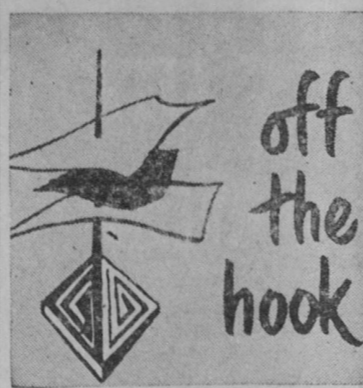

October 22, 1948—County Clerk Russell McKenzie was honored last Wednesday with the appointment of grand herald of Michigan Odd Fellows. The appointment was made by Francis M. Dodge, grand master.

Mr. and Mrs. Joseph Lubaway of Wyandotte are spending a few days in the city.

Miss Emma Whipple spent a few days last week with her sister at Saginaw.

The Gardners are building a new house east of Hale.

Mr. and Mrs. Karl Bublitz are spending a few weeks in South Dakota.

ATTENDS MICHIGAN TREE FARM DEDICATION

Cecil Cable of Tawas City attended the Michigan Tree Farm dedication Wednesday (yesterday) at the Englewood Plantation near Houghton Lake.

Members of the Tawas Area School Glee Club and High School Choir elected officers for the 1958-59 school year recently.

The devotional theme was "Love Thy Neighbor." Mrs. Vaughan read the Scripture and articles on the theme.

A food sale was planned for the month of November.

The aid made plans for the purchase of toys for the nursery school and for added supervisors.

Refreshments were served after the meeting by the committee, Mrs. William Lindholm, chairman; Mrs. Herman Moehring; Mrs. Nash, and Mrs. Ella Meyers.

Table decorations were a centerpiece arrangement of a cornucopia filled with leaves and chrysanthemums in fall colors and yellow candles.

GOOD CROWD AT FIELD DEDICATION FRIDAY

Friday night's game between Tawas Area and Houghton Lake saw a large crowd in attendance. In spite of cold, windy weather, an impressive halftime ceremony was held, with music by the high school band.

The Herald has used "existing light photography" with 35mm cameras and telephoto equipment for its sport coverage during the past four years and to date has obtained its best results under Tawas Area's new lighting set-up.

Webster's definition of sportsmanship—"Conduct becoming to a sportsman, involving honest rivalry, courteous relations and graceful acceptance of results."

Without intent of rubbing salt into anyone's wounded pride, we sincerely hope that the sort of thing witnessed by all at last Friday night's football game is quickly nipped in the bud.

Tawas Area athletes have long enjoyed a name for being good sportsmen, whether in a winning or losing role.

By now, the players who were involved should have learned a lesson. It will take time for the school and the community to overcome the wounds resulting from the game, not referring to the physical injuries either, of which there were several.

Today's demand for practical application of the spiritual truths taught and practiced by Christ Jesus will be emphasized at Christian Science services this Sunday.

The topic of the lesson-sermon is "Doctrine of Atonement."

The Apostle Peter's directive, "But as he which hath called you is holy, so be ye holy in all manner of conversation; Because it is written, Be ye holy; for I am holy" (1 Peter 1:15, 16) will be included in the Bible readings.

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy the following will be read (37:16-17, 22-25): "When will Jesus' professed followers learn to emulate him in all his ways and to imitate his mighty works? . . . It is possible,—yea, it is the duty and privilege of every child, man and woman,—to follow in some degree the example of the Master by the demonstration of Truth and Life, of health and holiness."

Will Observe 90th Anniversary with 2-Day Celebration

On Sunday and Monday, October 26 and 27, the Tawas City Methodist Church will celebrate its 90th anniversary.

The two-day celebration will include the regular Sunday morning worship service with the possibility of a guest speaker; a special musical program in the evening presented by the choir, augmented by vocal solos and organ solos.

On Monday evening, a planned pot-luck dinner will be held. It is hoped that former pastors and members now living out of town will be able to return for this part of the program.

Committee chairmen are: Mrs. Muriel Horton, history; Mr. and Mrs. George Myles, housing; Mrs. J. F. Mark, music.

Members of the Tawas Area School Glee Club and High School Choir elected officers for the 1958-59 school year recently.

The devotional theme was "Love Thy Neighbor." Mrs. Vaughan read the Scripture and articles on the theme.

A food sale was planned for the month of November.

Refreshments were served after the meeting by the committee, Mrs. William Lindholm, chairman; Mrs. Herman Moehring; Mrs. Nash, and Mrs. Ella Meyers.

Table decorations were a centerpiece arrangement of a cornucopia filled with leaves and chrysanthemums in fall colors and yellow candles.

BALDWIN

Mrs. Andrew Brussel and Mrs. Julius Steinhurst of Tawas City visited recently with the Robert Steinhurst family in Lansing.

Louis Granger of Owosso spent the week-end with Mr. and Mrs. Ray Coleman and family.

Week-end visitors at the Ronald Green home were his father, George, and Ernest and Leonard Mueller of Tawas City.

Mr. and Mrs. Harry Cross of Tawas City spent Sunday with their son, Ray, and family.

Kenneth Alstrom spent last Saturday in Bay City.

Mr. and Mrs. A. J. Neering of Pigeon spent the week-end with Mr. and Mrs. Arthur Leitz.

Rudolph Anderson was a week-end guest of relatives in the Detroit area.

Miss Ruth Alstrom visited with her mother, Mrs. Oscar Alstrom, last week-end.

Edward Frisinger of Ann Arbor is spending the week at his cottage.

Mr. and Mrs. William Laur and family of Bay City were guests of her parents, Mr. and Mrs. Arthur Leitz, last week-end.

Mrs. Edwin Anderson visited her sister who is a patient at General Hospital in Bay City last Thursday.

Visitors at the home of Mrs. Nellie Pierson over the week-end were Mr. and Mrs. Robert Anderson and family, Mrs. Florence McKay and Mrs. Margaret Tenny and son, Roy, of Bay City.

Miss Clara Holmes, a recent patient in Mercy Hospital, Bay City, is spending some time with relatives in Flint.

New Plymouths on Display at Dealers in Iosco County

New bumper-to-bumper and road-to-roof styling, new power plants with unprecedented traffic agility which operate 10 percent more economically, and a new top-of-the-line series of luxury models head the list of innovations for the 1959 Plymouth. The cars will go on display in dealer showrooms October 16 (today).

The 29 models offered include the new Sport Fury series, which for the first time in the low-priced field provides swivel front seats as standard equipment. The swivel seats are optional on four other models.

In addition to the Sport Fury in the revised model line up, Plymouth also offers the Fury, the Belvedere and the Savoy series. For the first time, Plymouth has two convertibles, one in each of the Sport Fury and the Belvedere line.

The many changes in styling and engineering and the addition of the new models result from Plymouth's marketing philosophy, according to Harry E. Cheesbrough, manager of Plymouth.

"We are convinced that the American economy is at a point where value is the most important single factor in the purchase of a new car," he said. "Everything we have done to our 1959 line of cars reflect this belief."

Among the "value" features are several which contribute to a total of some 10 percent greater economy of operation. There is a new three-stage carburetor, standard on all V-8s, which with new manifolding reduces gas consumption in the middle speed ranges, where most driving is done. A new rear axle gear ratio of 2.93:1 is available at no extra cost with the Torque-Flite transmission.

Plymouth dealers in Iosco County are Arnold Bronson Motor Sales, Tawas City; Cowan Motor Sales, Tawas City, and Edward Graham and Son, Whittemore.

A new Sport Deck and slender, outward-canted tail fins capped with chrome are rear-view focal points in the all-new styling of the 1959 Plymouth. This Fury 2-door hardtop, like all 1959 Plymouths, has new styling from bumper to bumper and road to roof. Smart new interiors are color keyed to body colors, and new super enamel assures longer life for the body finish. All Plymouth models have improvements which reduce operating costs and at the same time improve performance.

Need Positive Steps to Aid Best Land Use

The United States needs positive programs to promote the orderly and efficient use of land, a Michigan State University agricultural economist believes.

Raleigh Barlowe, writing in the 1958 Yearbook of Agriculture, declared that such programs can keep non-farm needs for land from having more than a minor effect on agricultural economy.

The land-use authority pointed out that around 10 percent of the surface area of the United States is now used for non-agricultural purposes. He predicted that by the year 2000, about 12 percent of the surface land will be needed for non-farm purposes.

Much more land could shift to non-farm uses if no effort is made to discourage undesirable developments, Barlowe charged. If the land is used properly, foreseeable demands for food and fiber for a growing population will be met, the writer felt.

Copies of the book entitled "Land" are available from the Superintendent of Documents, Government Printing Office, Washington 25, D. C.

To be a balanced citizen you must spend some time each day trying to keep up with the national and international news, even though you are more interested in the local scandal.

Steinhurst Member of Winning Pistol Team

Trooper Lester Doubleday, a member of the Michigan State Police No. 1 pistol team, set a new national police record for 45 caliber rapid fire at the Indiana State Championship pistol shoot at South Bend when he shot a perfect 200 score with 11 dead center bullseye hits.

Members of the state police No. 1 team won nine of the 16 individual matches and as a team won all four team events. Members of the team are Cpl. Roman Sonsara and Troopers Robert Steinhurst and Doubleday of East Lansing and Trooper Neil Bement of Jackson. Steinhurst is the son of Mr. and Mrs. Julius Steinhurst of Tawas City.

In winning the team competition, the Michigan State Police shot a total of 3,360 out of a possible 3,600 in the three events in .22, .38 and 45 caliber matches.

Despite high winds, three state police shooters swept the field in the three caliber grand aggregate, competing against 115 other police officers. Trooper Steinhurst led the scoring with 2,534 out of a possible 2,700, followed by Doubleday, 2,532, and Sonsara, 2,519.

Sharp Increase in the Alewife in Lakes Michigan and Huron

The sharp increase in the alewife in Lakes Michigan and Huron prompts the question: Is this the rumbling of a biological explosion?

Four years ago no mention was made of the alewife in Michigan records. In 1957, 33,625 pounds of this so-called nuisance fish were taken from Lake Michigan and an additional 1,868 pounds from Lake Huron, according to conservation department reports.

A member of the herring family, the alewife came to the Great Lakes from salt water. To date it has little commercial value and its alarming increase in Michigan's waters is causing considerable concern among fishermen and conservationists.

Not only is the fish a nuisance in the nets of the fishermen, but it seems to be taking the place of the valuable lake herring. As the alewife increases, the herring seems to decrease in almost the same proportion.

Concern is also being expressed over the presence in Lake Huron of the gizzard shad, another salt water newcomer and member of the herring family. Although the increase of the shad is not spectacular, its presence troubles fish biologists.

REAL ESTATE TRANSFERS—

Where is Best Place to Mountain Climb in Michigan?

Where is the best place to practice mountain-climbing in Michigan?

"That is difficult to say," says University of Michigan geographer, Charles M. Davis (Ph.D.), "because there are not any mountains, as such, in glaciated areas such as Michigan."

Nevertheless, Davis, chairman of the U of M Department of Geography, and his colleagues are asked questions like this daily. "It is a part of our job as professors to answer these questions but sometimes it can be difficult," he says.

In this case a young man wanted to know where he and his friends might practice with ropes and other gear for steep ledge climbing in preparation for "some real mountain climbing." "I told him the only place I could suggest within driving distance of Ann Arbor would be the rock piles off Pointe Aux Barques on the tip of the thumb," says Davis.

Probably most frequent of all queries come from school children whose teachers give them "do-it-yourself" geographic problems.

"In most cases the kids pass the buck to us and we end up either doing the problem for them, if it can be done with minimum effort, or suggesting how they might go about tackling the problem themselves," says Professor Davis.

Most requests are found to contain a bit of humor. One, which Davis received the other day, went like this:

"Dear Professor Davis: In our course in geography we have to learn the geography of Michigan—the law says so!"

Another one stated simply: "I have to write a school paper on the rocks of Michigan. Will you please send me some rocks?"

Some letters have much thought behind them. One pupil wrote asking Davis a question about a booklet the professor had written concerning the hunger that prevailed among the crew during Magellan's 92-day ocean voyage.

"Why couldn't those aboard throw a line in and catch fish to eat?" The writer intelligently asked.

"This stumped me for a minute because I had not given much thought about fish as food. But it soon occurred to me that the fish which Magellan's 20-man crew might have caught during a day on the high seas would hardly have been enough for all of them," Davis explains.

As the geographer reached into his memory for further tales of unusual requests forwarded to his department a young pastor approached the geography office secretary.

"Do you have a detailed map of the Near East," he asked. "I want to scrutinize the Holy Land in preparation for next Sunday's service." He got his map.

Rainbow Farm Bureau Group Holds Meeting

An increase in membership dues was discussed at the October meeting of the Rainbow Farm Bureau Group which was held at the Sherman school.

Officers for the coming year were elected in September. They are: Warren Britt, director; Mrs. Robert Wrathell, discussion leader; Mrs. Claude Harder, assistant discussion leader; Peter Bassi, minute man; Joseph White, chairman; Clark Hinkley, vice chairman; Howard Britt, Farm Bureau package reporter; Ella Britt, secretary and news reporter; June Hinkley, member of county women's committee and recreation leader; Wilma Britt, song leader.

You can have double-quick sweet rolls for a breakfast treat, points out Roberta Hershey, extension specialist in foods at Michigan State University. Just make three deep cuts in the top of brown-and-serve dinner rolls, stuff with raisins, and drizzle with equal parts of butter and brown sugar—melted together. Bake at 400 degrees for 10 minutes or until glazed and golden.

'59 Chevrolet Models on Display Today at McKay's

A complete styling transformation, along with more safety, comfort and performance, was announced today for the 1959 Chevrolet passenger car line.

The cars, which will be displayed at nation-wide dealer showings on Thursday, October 16 (today), represent one of the most imaginative designs ever to come from the automobile industry. The new models go on display locally at McKay Sales Company, Tawas City.

In shape, and in detail, the new styling reflects the influence of a space-conscious age. Lines sweep rearward in a virtually level plane. Tops are flatter and visibility is dramatically increased.

Appreciably lower, the overall appearance of fleetness is further conveyed by an adroitly sculptured front area. At the rear, horizontal wings branch out from the center of the deck in a simulation of mobility that might have been conceived on the sands of Cape Canaveral.

While the unusual appearance will draw instant admiration, Chevrolet has not neglected other phases of engineering in its bid to continue the sales popularity registered by the company in 1958.

Here are some of the 1959 mechanical highlights: A new six-cylinder engine, named the Hi-Thrift because of added economy through re-design in valving and carburetion, gives up to 10 percent more mileage, plus more usable horsepower at normal driving speeds.

Fundamental improvements in coil spring suspension, incorporating specialized controls. Refinements in the optional Level Air suspension to acquire softer, quieter operation.

One angle cannot show the complete styling changes which have been made in the 1959 Chevrolet. Lowered headlamps set into the freshly styled grille, and functional air intakes accent the beauty of the front view of the Impala convertible (below). Smart and original is the bold sculptured treatment given the rear quarters and trunk deck of the Impala sport sedan (above).

Larger braking surfaces, benefiting further by flanged drums and 27 percent more lining area provide surer stops, longer life. Tires improved for durability and reduced in rolling resistance through newly developed cords, which run cooler, offer a softer ride and last longer. A Turboglide transmission of advanced design. One of two

automatic transmissions in the 1959 line, the quality of Turboglide has been raised to a new peak.

Easier steering and the inclusion of a second, shock-resistant universal joint. A radiator increased in cooling area. A simplified, more productive electrical system.

Farm Events

By MARVIN DAVENPORT
Iosco Agricultural Agent

Calendar:

- Thursday, October 16—Hereford Calf Association sale at railroad yards in West Branch, noon until 4:30 p. m.
- Wednesday, October 22—Beef marketing, Dr. Hugh Henderson, all day.
- Thursday, October 23—ACP practices for Iosco County in 1959, 10:00 a. m., Federal Building conference room.
- Monday, October 27—Planning the Northeastern Michigan Hereford Calf Association meeting for Wednesday, January 15, 1959.
- Monday, October 27—Iosco DHIA at Martin Siegrist's home, 8:00 p. m.
- Tuesday, October 28—Lamb pool at West Branch, 9:00 a. m. until 2:00 p. m. All sheep raisers are welcome.

Iosco County farmers, especially those who have hay and pasture land, might well consider a 20-beef cow or a 40-brood ewe unit to add to their income. The beef cow unit is planned for farms where buildings, equipment, pasture and hay are available, but are now not being used to full capacity. The beef cow program is well suited to the farmer who is employed off the farm either full or part time. It is well suited for retired persons living upon smaller farms where limited labor is available yet additional income is desired.

A unit of 40 brood ewes is well suited under much the same conditions and is especially suited for older farmers. Both beef cows and ewes can be made to fit in well with other farm enterprises like poultry and small fruits.

The fall of the year is the best time to get started in either the beef or sheep programs. The beef cow program may be started by:

1. Buying healthy mature bred cows in the fall of the year, that are known to be free from brucellosis and tuberculosis. The first calf crop will be marketed the following fall, or
2. Buying bred heifers in the fall of the year. The initial cost will be higher, however, they have their entire life to produce on your farm. The first calf crop will be marketed the following fall, or
3. Buying heifer calves, that were produced in the area, from one of the well established herds. If bred to calve as two-year-olds, they will need to be well fed and cared for the first two winters.

a. The heifers should be wintered separate from the mature cows.

b. Full feed the heifers good quality legume hay plus one pound of oats per day for each 100 pounds of body weight.

c. If well wintered as calves and if weighing some 600 pounds by June 1, heifers should be bred to freshen as two-year-olds.

d. Two-year-old heifers may require special attention and assistance at calving time.

e. If heifers are bred to freshen for the first time as three-year-olds, they may be wintered entirely on hay and other roughage. They usually may remain with the cow herd through the entire year. Heifer calves require a smaller investment, even though it is two to three years before their first calf crop is marketed.

The sheep program can be started now by buying either native or western ewes and, of course, a good ram to go along with them. Lambs will be ready for market next fall.

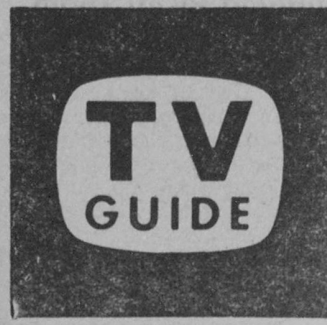

If you are interested in adding to your income by using hay, pasture, buildings and equipment which you now have, I will be glad to talk this program over with you. Two new animal husbandry department mimeographs on opportunities for additional income with a commercial beef cow herd or a commercial ewe flock are available for the asking.

What is leptospirosis? Donald McWade, veterinary pathology research specialist at Michigan State University, says it is an infectious disease of farm animals caused by a microscopic organism called Leptospira species.

This disease has infected rats, dogs, cattle, swine, horses, sheep and man. The symptoms of leptospirosis vary in severity from a mild condition to an acute disease which may result in abortion, jaundice, an unusual type of mastitis and death. All animals go through an acute fever phase five to seven days after exposure.

McWade says the exact diagnosis of leptospirosis is often a difficult task. The most practical method today is a blood test similar to that used to detect brucellosis or Bang's disease.

There are vaccines available which have proved quite effective in the treatment of leptospirosis. It is considered that vaccines protect a negative animal about six months at which time it is wise to re-vaccinate. Swine may be vaccinated at weaning age but should be re-vaccinated a week or two before breeding.

Mr. and Mrs. James Leslie Celebrate Golden Wedding

TAWAS HERALD PHOTO

MR. AND MRS. JAMES H. LESLIE

Celebrating their golden wedding anniversary Sunday were Mr. and Mrs. James H. Leslie of Tawas City. They were entertained by their children at an open house for friends and relatives, at the Leslie home on Lake Street. A family dinner was enjoyed on their anniversary day, Tuesday, October 14, at the Leslie cottage at Silver Creek.

Mr. Leslie and the former Lillian Gillespie were married October 14, 1908, at the home of Mr. Leslie's parents, the late Mr. and Mrs. Thomas Leslie, in Whittemore. They were united in marriage by the Rev. E. A. Smith. Their attendants were Mr. Leslie's brother, George, and Agnes Kiser.

Mr. and Mrs. Leslie have lived in Iosco County all their lives. They came to Tawas City 36 years ago. Both have been very active in church, civic and business affairs of this community.

The Leslies have two sons and two daughters, eight grandchildren and two great grandchildren. Their children present to help them celebrate were Mr. and Mrs. George B. Robinson (Alta), daughter, Jacquelyn, and son, George Leslie, from St. Petersburg, Florida; Lt. Commander and Mrs. M. J. (Bud) Leslie, daughters, Michaelene "J" and Marney, and twin sons, Michael James and Eric George, of San Rafael, California; Mr. and Mrs. Dwayne Dale Leslie and son, Kirk Dale, of Bradenton, Florida, and Mr. and Mrs. A. Don Anderson (Delta) of East Tawas. Relatives and friends were present from San Francisco, California; Bradenton, Florida; Detroit, Flint, Bad Axe, Lansing, West Branch, St. Charles, Saginaw, Bay City, Whittemore, Hale, Mio, Gladwin, Grand Rapids and the Tawas.

Hart-Hill

Miss Carolyn Hill and A-1c Chester Hart were united in marriage Saturday, October 4, at 2 o'clock. The Rev. William MacFarlane performed the single ring ceremony at the Assembly of God parsonage.

The bride, daughter of Mr. and Mrs. Thomas Hill of Tawas City, chose a light blue taffeta street length dress with a fitted bodice and full skirt. Her outfit was complemented by a white lace hat and a corsage of white baby chrysanthemums and pink rose buds.

Miss Christina Norris was the bride's only attendant. She wore a light blue taffeta dress, similar to that of the bride's, accented by a yellow flower headband and a corsage of white baby chrysanthemums and pink rose buds.

A-2c James Ellis attended the bridegroom.

Following a wedding trip to Wisconsin, the couple will reside in Tawas City.

REASNER SPEAKS AT GARDEN CLUB MEET

The East Tawas Garden Club met at the Ladies Literary Club rooms Monday evening, October 13. The speaker of the evening was Robert Reasner, teacher of vocational agriculture at Tawas Area High School.

He presented an educational talk on landscaping, illustrated with a flannel board design of a house with miniature evergreens in different sizes. Refreshments were served after the meeting from a table covered with a cloth designed with autumn leaves and fruits. The centerpiece of vegetables and fruits was arranged by Mrs. F. E. Kunze. Orange candles in a beautiful design were used.

Hostesses were Mrs. Glen Ettinger, Mrs. Glenn Middleditch and Mrs. Kunze. Mrs. Floyd Upton presided at the serving table. Refreshments of doughnuts and cider were served in keeping with October festivities.

DISTRICT OFFICERS HERE FOR AUXILIARY INSPECTION

The VFW Auxiliary met Monday evening, October 13, at the VFW Hall.

The 11th district president, Mrs. Clema Meyers of Midland; 11th district senior vice president, Mrs. Adele Neil of Harrisville; Mrs. Irene Langworthy, district secretary, and Mrs. Bernice Whipple, treasurer, both of Midland, were present for auxiliary inspection. Other guests present were Mrs. Ann Ling and Mrs. Stella Holder of Oscoda.

The auxiliary initiated two new members, Mrs. Fanny Walstead and Mrs. Beatrice Ellsworth. A masquerade party and box social will be held November 1 at 6:00 p. m.

Fun night was planned for October 16 and a special fun night on October 23.

Ten-year continuous membership pins were presented to Mrs. Inez Birkenbach and Mrs. Marvel Binder. The presentation was made by the membership chairman, Mrs. Flora Roberts.

Mrs. Frances Erickson won the mystery package. Henry Oates and Frank Misko gave donations to the auxiliary for their auxiliary sign.

Refreshments were served by the following committee, Mrs. Naomi Bennett, Mrs. Clara Wilder and Mrs. Ruth Gauthier. The next meeting will be held Monday evening, October 27.

About PEOPLE YOU KNOW

TAWAS CITY

Mr. and Mrs. Ray Ledworth and children, Doreen and Dennis, and Jack Jacques attended the Northern Michigan College football game at Holland Saturday, October 4. They met their son, Donald, at the game. Donald is student manager of the Northern Michigan football team. Dennis and Jack also attended the MSU-U of M football game in East Lansing.

Mr. and Mrs. Fred Landon returned last week following a two-week trip through the mid-Western States. They visited relatives in Minneapolis, Minnesota, and their son, Dale, and family in St. Joseph, Missouri. They returned through Indiana and Illinois.

Mr. and Mrs. Richard King of Urbana, Ohio, visited with her parents, Mr. and Mrs. William Cholger, last week-end.

Mr. and Mrs. Edward Anderson of Escanaba visited friends and relatives in the Tawas this week.

Mrs. Rose Watts will be hostess to the Baptist Missionary Society Thursday, October 16 (tonight), at 8:00 p. m.

Visitors at the home of Mrs. Ernest Ross over the week-end were her son, Harold, and family of Saginaw and Mr. and Mrs. Clarence Curvin of Rogers City.

Mr. and Mrs. Arthur Allen left Sunday on a two-week trip to Southern Michigan, Ohio and Wisconsin. They plan to visit their daughters and Mrs. Allen's brother.

Mr. and Mrs. Walter Becker and family were week-end guests at the Earl Metz home in Boyne City.

Miss Helen Philpot, a Central Michigan College freshman, visited her parents, Mr. and Mrs. George Philpot, last week-end.

Donald Roach of East Lansing spent the week-end with his mother, Mrs. Elsie Roach, and family. He is a student at MSU.

Mr. and Mrs. Levi Ulman, Mrs. Elva Ulman and son, Philip, Mrs. William Ulman and the Vernon Ecksteins are attending the general conference of the Reorganized Church of Jesus Christ of Latter Day Saints at Independence, Missouri. They will visit Mrs. Elva Ulman's daughter, Mrs. Gene Adkins, and other relatives in Independence.

Mrs. Frank Mueller was taken to St. Luke's Hospital, Saginaw, on Monday for medical treatment. Her daughter, Mrs. Otto Burghardt of Grand Rapids, accompanied her.

Reginald Boulder of Cadillac is spending a few days with his mother, Mrs. Fred Boulder.

Miss Bette Mercer of Lansing spent the week-end with her parents, the Rev. and Mrs. C. E. Mercer.

Mr. and Mrs. A. W. Colby are attending Grand Chapter sessions of the Order of Eastern Star this week at Grand Rapids.

Mr. and Mrs. Wallace Leslie and two children of Capac visited his parents, Mr. and Mrs. William Leslie, and attended the golden wedding celebration of their uncle and aunt, the James Leslies.

Mrs. Olga Kasischek has returned from a two-week visit with her daughter, Miss Irma Kasischek of Muskegon. Miss Kasischek and friend, Miss Helen Jane Mienhartie, spent the week-end here.

Mr. and Mrs. George Wolf of River Rouge and the latter's sister, Mrs. Lloyd VanHorn of Lansing, were here for a few days last week at the Wolf home.

Mr. and Mrs. Franklin Phillips of Pontiac spent the week-end with their parents, Mr. and Mrs. Stanley Phillips and Mr. and Mrs. Ernest Mueller. Mrs. Phillips is the former Jean Mueller.

Mr. and Mrs. Arthur Wendt and children returned Monday after spending the week-end with Mr. and Mrs. Walter Burcon of New Era.

Mr. and Mrs. Otto Burghardt of Grand Rapids, Mrs. Dean Roeseke of Greenbush, Mr. and Mrs. Howard Kohn of Detroit spent the week-end with their mother, Mrs. Frank Mueller, who is very ill.

Rudolph Heumann of Ypsilanti is spending the week with his mother, Mrs. Chris Wresche, and enjoying a few days hunting.

Mr. and Mrs. George Wajohn spent Sunday with their daughter, Mrs. James Gosnell Jr., and husband at Mio.

Mrs. Frank Metcalf returned Saturday from an eight-week visit at Battle Creek; Elmhurst, Illinois, and Paris, Kentucky, with her daughters.

The Rev. and Mrs. Carl Miller of Saginaw were visitors at the Christ Hosbach home Tuesday afternoon. Mrs. Fred Gottleber of Bay City also visited on Tuesday with the Hosbachs.

MR. AND MRS. HESTER VISIT IN ILLINOIS-INDIANA

Mr. and Mrs. Earl Hester and children, Barbara and William, have been visiting friends in Farmer City, Illinois, and Leesburg, Indiana.

At Farmer City Mr. and Mrs. Hester visited with Mr. and Mrs. Lyle Niklaus and at Leesburg with Mr. and Mrs. Albert Trestrail, former residents of East Tawas. Mr. Trestrail was musical director and band leader on the East Tawas High School faculty.

The Russian Communists want peace unless they can get more by aggression.

EAST TAWAS

Calvin Niemi and daughter, Nancy, spent several days in East Tawas because of the serious illness of Mr. Niemi's father, Nester Niemi, a patient at Tawas Hospital.

Mrs. Temple Tait has been visiting for two weeks with her sisters at Trenton and Ferndale.

Mrs. Ida Niemi, who visited her brother, Nester Niemi, returned to her home in Detroit Tuesday morning. She was accompanied by Margaret Niemi, a niece of Mr. Niemi.

Mrs. Gladys Prather of Lapeer visited over last week-end with Mr. and Mrs. Roy Appin.

William Anderson, who attends college at Central Michigan College, Mt. Pleasant, spent the week-end with his parents.

Mrs. Nyda Bronson and Mrs. Ethel Hoopes were in Bay City Wednesday, October 8. They visited Terry Bronson, son of Mrs. Bronson, who is attending college in Bay City.

Billy Hester, son of Mr. and Mrs. Earl Hester, celebrated his fourth birthday with a party at his home Tuesday afternoon, October 14. He entertained several of his little friends. Games were played and lunch was served, including ice cream and a birthday cake on a cake tray which played "Happy Birthday" for the children. The color scheme was in pink with pink candles, cake and flowers.

Open installation of officers will be held at a special meeting of Iosco Chapter, Order of Eastern Star, Friday evening, October 24, at 8 o'clock. Installing officer will be Miss Helen Appin, past matron.

Recent visitors at the home of Mr. and Mrs. Don Bennett were Mr. and Mrs. Clifford Smith and son, Marvin, of Au Gres; Mr. and Mrs. A. C. Locke of Fenton; Miss Jerry Cornell of Au Gres; Mrs. Oscar Christeson and Mr. and Mrs. Earl Hester of East Tawas.

Mr. and Mrs. Clyde Ashley of Battle Creek spent the week-end with their son, Robert Harmon, and family.

Mr. and Mrs. Arvid Sedestrom of Detroit spent the week-end with Mrs. Nester Niemi, sister of Mr. Sedestrom.

Mrs. Harvey McMurray has been a patient at Mercy Hospital, Bay City, the past two weeks. While there, she had a heart operation.

Delegates attending Grand Chapter of the Order of Eastern Star held at Grand Rapids this week are Worthy Matron Betty Smith, newly elected worthy matron and associate matron, Jane Blake and Marian Rose.

Mr. and Mrs. William Hoopes, who have visited the past several weeks with Mrs. Nyda Bronson, daughter of Mrs. Hoopes, returned Tuesday to their home at Palmetto, Florida. Enroute they will visit with relatives in Ohio.

Mrs. Dorothy Harmon leaves Thursday (today) for Lansing where she will attend the fall conference of the American Legion Auxiliary for three days as child welfare chairman of the local unit.

William Martin, who is attending Central Michigan College at Mt. Pleasant, spent the week-end with his parents, Mr. and Mrs. Charles Martin.

Mr. and Mrs. Leo Hildebrandt of Bay City spent Sunday with Mr. and Mrs. E. R. Harmon.

Vast Kroger Company Outgrowth Of Small Store

The growth from one small store on Cincinnati's busy riverfront in 1893 to more than 1,400 modern stores in 20 Middlewestern and Southern States is the story of the development of Kroger.

Founded by the late B. H. Kroger in 1893, the company's growth during the early years was relatively slow and conservative, increasing store by store in Cincinnati and a few surrounding towns. By 1903, however, there were 58 Kroger stores in Ohio and Kentucky communities.

Today Kroger stores are accepted members of approximately 1,000 communities throughout the Midwest and South. Under the direction of a general office in Cincinnati, the territory is divided into 27 divisions, each with its own group of retail operations. These division offices are located in important trading centers from Houston, Texas, to Madison, Wisconsin, and from Kansas City, Missouri, to Pittsburgh, Pennsylvania.

Manufacturing, too, plays an important role in the Kroger Company. The company operates a general factory at Cincinnati, as well as 14 bread and cake bakeries and two cracker and cookie bakeries throughout the Kroger area. Three dairies, a milk evaporating plant, two coffee roasting plants, an instant coffee plant, four egg processing plants and a cheese plant complete.

More than 40,000 men and women work full time for Kroger and nearly a third as many more work part time. An extensive personnel setup is responsible for hiring and training employees, keeping records of their progress and promoting many projects for their benefit.

LITTLE TODD DIAMOND, pictured here in his mother's arms, was the 2,000th baby born at Tawas Hospital since its opening in June 1953. Born October 2 to Mr. and Mrs. Norman Diamond, Todd weighed five pounds, 5 1/4 ounces at birth. Mrs. Diamond is the former Mary Bertsch of Tawas City, daughter of Mr. and Mrs. Frank Bertsch. The Diamonds now live in Mt. Morris. At the left is Sister Mary Brendan.—Tawas Herald Photo.

Named College Student Football Manager

DONALD LEDSWORTH

Donald Ledsworth, son of Mr. and Mrs. Ray Ledsworth of Tawas City, is the student manager of Northern Michigan College football team at Marquette. He is a sophomore majoring in a pre-mortuary curriculum. Ledsworth played football at Tawas Area High School from 1954 to 1957 and earned a letter in all three years.

YACHT CLUB AWARDS SEASONAL TROPHIES

Award of seasonal racing trophies by the Tawas Bay Yacht Club took place at the club house on Coast Guard Road last Saturday night. A family night affair, there were more than 100 persons in attendance.

Commodore Charles Schreck introduced his board of directors and flag officers. He thanked all the committees for their work in making the past summer the club's top sailing year.

Three major regattas were held on Tawas Bay last summer for the entertainment of outstate sailors. These events included the Michigan Lightning District, Great Lakes National One Design Championship, the club's own invitational regatta and a special meeting of the Saginaw Bay Power Squadron.

Season winners who received trophies were: Bill and Ed McKinley, Lightning fleet, first place; "Trio," second place; Tom Dillon, first place in National design; and Dick Haglund, a close second.

Commodore Schreck introduced Marvin Mallon, who was in charge of the pram racing during the summer. Trophies were presented to "Sandy" McKay, first; Charles Busch, second; Gary Mallon, third; Hal Richardson, fourth; and William Ezo, fifth.

Club members are pleased that the younger generation is taking an interest in sailing, feeling that Tawas Bay has much potential for younger sailors and that pram sailing is one way to get them started in the right direction.

You will get about three to four servings from a 10-ounce package of frozen fruits or vegetables, according to foods specialist at Michigan State University.

Hale Area News...

DR. KELKER BIBLE CLASS ELECTS OFFICERS

The Dr. Kelker Bible Class met Monday night of last week. There were 14 members present and they elected the officers for the next year. The new officers are: Glen Shedenhelm, president; William Watson, vice president; Alma Durham, secretary-treasurer. Entertainment chairman is Doris Thayer.

The meeting was held at the YWCA Camp with Mr. and Mrs. William Watson, hosts. Marshmallows were roasted in the huge fireplace in the dining room at the camp. Their project for the coming year was tabled until the next meeting.

Mr. and Mrs. Byron Love of Grand Rapids are the parents of a baby boy born recently. Byron, a graduate of Hale school, is a teacher in the Grand Rapids schools and his wife was a teacher there, also.

Mr. and Mrs. Byrl Owens of Freeland were recent overnight guests of Mrs. Mary Graves. Mrs. Owens is the former Vera Munroe.

Mrs. Marian Love, who has been visiting for a week at the home of her mother, Mrs. Mary Graves, has returned to Midland.

Mr. and Mrs. Loren Adams and family of Flint brought Mrs. Ella Anderson back to Hale last Saturday. Mrs. Anderson had been visiting them for a few weeks. Mr. and Mrs. Adams have a new baby daughter.

Gerald Slosser and Bud Stine were home from Mt. Pleasant over the week-end.

The Dorcas missionary society met at the home of Mrs. Helen Garver Thursday, October 9. Bandages were rolled for missions and a delicious lunch was served by the hostess. Mrs. Watson led the devotions. The October meeting will be at the home of Mrs. Herbert Durham.

Mr. and Mrs. Robert Ringle-spough returned to Chicago last Sunday after a few days visit here at the Glenwood Streeter home.

Mr. and Mrs. Cedarberg from Bay City were week-end visitors of the William Watsons. Mrs. Cedarberg is a daughter of the Watsons.

Among the relatives from out-of-town who attended the Edward Heckman funeral last week were: Mr. and Mrs. Lawrence Healy of Saginaw; Robert Healy, Myron Healy, Mr. and Mrs. Norman Healy of Flint; Mr. and Mrs. Leonard Sheldon, Mrs. Mary Farley of Crosswell; Mr. and Mrs. Walter Buck of Saginaw, and Mrs. Mary Herron of Alpena.

Mrs. Edith Nunn spent a couple of days with Mrs. Mary Herron at Alpena.

Mr. and Mrs. Bruce Shattuck were Thursday afternoon guests of Mr. and Mrs. Hugh Slosser.

Mr. and Mrs. Richard Webb of Garden City called on Mrs. Mary Graves last week.

Robert Healy of Flint and Mr. and Mrs. Lawrence Healy were Wednesday dinner guests of Mr. and Mrs. Hugh Slosser.

Mr. and Mrs. Stanley Hudzinski, Mrs. Pearl Huber and Barbara Reimer went to Saginaw Sunday to see Mr. and Mrs. Emerson Wickett.

A baby was born recently to Mr. and Mrs. Robert Dillon of Whittemore. Mrs. Dillon is the former Faye Huber of Hale. The baby was named Gregory Paul.

Albert Humphrey of Drummond Island had the misfortune of having his right arm mangled in an accident at the Dolomite quarry where he worked. Mrs. Humphrey is a daughter of Mr. and Mrs. Sutton of Hale. The Humphreys have cabins on Drummond Island.

The trouble with human beings is not that they lack horse sense, but that they lack human intelligence.

Sort clothes for laundry on a table, suggests Lucile Ketchum, home management specialist at Michigan State University. It's easier—and less tiring—than sorting them on the floor.

Women Will Love Dodge Swivel Seats

Women will welcome the swivel front seats available on a wide variety of 1959 Dodge models. The new seats swing out 40 degrees and eliminate awkward movements associated with getting in and out of cars. It's as graceful and wrinkle-free as arising from a chair to welcome a guest.

Telephone Service to Be Expanded

Work is underway to expand and improve telephone service in the north and west sections of East Tawas. Thomas C. Maher, Michigan Bell Telephone Company manager, announced today.

The \$44,000 project consists of placing aerial and buried cable in these areas. The work will enable the company to fill new orders for service and satisfy requests for better grade of service. The job is scheduled for completion by the end of this year.

Maher said that the cable relief was necessary to meet current demands and anticipated growth in the Wilber, Sherman and Esmond Road sections, and in the northwest along Monument and Galion Roads as far north as Whispering Pines subdivision and also to meet the growing development along M-55.

NEWS ABOUT ISOSCO SERVICEMEN

The November 5 induction call from Isosco County will be filled with the following men: Jack K. Slosser, Eilert J. Barnes, James M. LaForge (volunteer), Frank Couch (volunteer), Carl B. Babcock Jr. (volunteer).

The November 21 preinduction physical examination from Isosco County is for 13 men as follows: Joseph F. Oldeek, Domenico Abbinante, Ronald G. Fasbender, Charles A. Lorenz, John R. Hendrickson, Robert N. Freel, Robert C. Clayton, Ervin L. Biggs, Charles L. Landon, Frederick L. Revord, Gordon E. Dodder, Darell G. Bessey, Haldon G. Charters.

The two men on the October 21 preinduction call have both transferred to the local boards where they are now living, and they will go with the groups from there, according to an announcement by Clerk Alice R. Dimmick, Michigan Local Board No. 36, Selective Service System.

WEAR WHITE AFTER DARK

As winter approaches and nights grow longer, the job of the motorist becomes even tougher. During increased hours of darkness it becomes even more important that pedestrians wear a white article of clothing after dark to help drivers see them. Automobile Club of Michigan urges anyone walking on rural roads or dimly lit city streets to always make certain he has something white with him—even if it is only a handkerchief. To bring this advice to the state's children, Auto Club has distributed posters to all elementary schools in Michigan.

Whittemore News

PROCLAMATION

Mayor John O'Farrell signed an official proclamation today declaring October 31 at UNICEF Day. He urged that all citizens of Whittemore cooperate fully with the UNICEF spooks and goblins who will be sharing their Halloween with sick and hungry children all over the world. Mayor O'Farrell's proclamation states:

WHEREAS: October 31, Halloween, is a holiday especially for children; and

WHEREAS: Millions of American youngsters share the holiday each year by trick or treating for UNICEF and "all the world's children"; and

WHEREAS: Trick or Treat for UNICEF is a constructive expression of American children's concern and friendship for their less fortunate contemporaries; and

WHEREAS: UNICEF, the United Nations International Children's Emergency Fund, is helping over 50,000,000 children and mothers to better health in over 100 countries and territories by assisting governments in programs of disease control, nutrition, and maternal and child welfare; and

WHEREAS: Each coin collected by trick and treaters will mean medicine or food for the sick and hungry children of the world;

I, John O'Farrell, mayor of the City of Whittemore, do hereby proclaim October 31 as UNICEF Day, and urge every citizen (old and young alike) to participate in Trick or Treat for UNICEF and to welcome the properly identified trick or treaters at the door.

In witness whereof, I have set my hand and seal of the City of Whittemore, on this 15th day of October 1958.

class reunion. Mrs. Kasischke is a member of the 1939 class.

Mr. and Mrs. Harvard Webster of Owosso spent the week-end here and with relatives in Rose City. They attended the class reunion Saturday evening.

Mrs. Henry Hasty, who spent two days in Tolfree Hospital, West Branch, last week for a medical check-up, was taken to the University Hospital, Ann Arbor, Monday where she will receive more treatment. Dr. Earl Hasty accompanied them to Ann Arbor.

William Fuerst and Dr. Earl Hasty attended the annual dad's day at Sigma-Phi-Epsilon Fraternity at Central Michigan College, Mt. Pleasant, Saturday. Their sons, Orval and James, are members.

Mrs. John Barrington, Mrs. Lulu Dahne, Mrs. H. Heierman and Mrs. Helen Gallant attended the Northeastern District Convention of Women's Clubs in Bay City Tuesday.

Mrs. Bess Latham left last Thursday for a two-week visit in Detroit with her sons.

Leonard Bowen of Bay City spent Tuesday night here due to his father's illness.

John Dickey and father, Edward Dickey, who accompanied two friends from Unionville on a vacation through the Upper Peninsula two weeks ago, were delayed on their trip due to an accident near the Porcupine Mountains. Another car crashed into their car. John came home by bus for his own car and went back for the other members of the party. Donald Freel accompanied him back on the trip. They arrived home Friday evening.

75 ATTEND WHITTEMORE SCHOOL REUNION. About 75 former pupils of the classes of 1938, 1939 and 1940 of Whittemore High School gathered at the Methodist Parish House Saturday evening for their annual banquet and class reunion. The WSCS ladies served the banquet. The invocation was given by Warren Britt. The business session was presided over by Mavis Caverly. Toastmaster was E. J. Williams.

A duet was presented by Michael Avram and Lawrence Jordan. An original poem about several of the class members was given by Rowena Crenshaw. Roll call was by Eunice Springsteen.

Orval Jagger of Belding, a former principal of Whittemore High School, and Mrs. Jagger were present. Mr. Jagger spoke briefly to the group.

The reunion closed with every-one looking forward to next year's reunion to renew old times again.

Mr. and Mrs. Edd Palarski and two daughters of Manistee spent the week-end here with Mr. and Mrs. John O'Farrell. Mr. Palarski formerly taught school here. They visited Miss Ellen Miller and also visited Mr. and Mrs. Elton Smith in Standish on Saturday.

Claus Gordon of Pontiac was a caller in town Friday evening enroute to Curtisville for the week-end.

Mr. and Mrs. Clifford Freeman and daughter of Clio were called here the past week due to the illness of Mrs. Freeman's father, John Bowen.

Mrs. Julia Chipps of Prescott spent Tuesday with Mr. and Mrs. Stanley Partlo.

Mr. and Mrs. Martin Kasischke of Tawas City spent Saturday evening in town and attended the

Mr. and Mrs. Robert Bingle and two children have arrived here from Virginia where they have spent the past two years. After a short furlough, Mr. Bingle will leave for overseas. Mrs. Bingle, the former Lillian Dorsey, will remain here with her parents, Mr. and Mrs. Albert Dorsey.

JUNIOR GRANGE ELECTS OFFICERS

The Whittemore Juvenile Grange met on Friday evening for its regular monthly meeting with Master Terry Bellville in charge of the business session.

Richard Ostrander was elected master for the coming year. Other officers elected were: Overseer, James Smith; lecturer, Ann Bellville; steward, Bruce Hall; assistant steward, Roy Page; treasurer, Marsha Bellville; secretary, Diann Ostrander; gatekeeper, David Hall; Ceres, JoAnn Currie; Pomona, Beverly Bellville; Flora, Susan Bellville; lady assistant steward, Linda Runyan, and chaplain, Vicki Bellville.

A film strip explaining the work of the UNICEF (United Nations International Children's Emergency Fund) was shown. The Grange children plan to collect for this worthwhile cause at Halloween.

A pretty Christmas card display was set up for booster night. Pot-luck lunch was served.

GRANGE HOLDS BOOSTER NIGHT PROGRAM

The Whittemore Grange held its annual booster night program on Saturday evening with a flower show presented by Lloyd Thompson, Flint florist. Mr. Thompson demonstrated making corsages of roses, orchids and carnations. Floral displays using both fresh and dried flowers and weeds in

beautiful fall colors were also demonstrated at the meeting. Halloween and its spooks and the Christmas sleigh were special holiday treats.

The program opened with a prayer by Grange chaplain, Mrs. Ethel Bellville, and the salute to the flag. A welcome address was given by Master Seth Thompson.

Members of the Whittemore Juvenile Grange sang their opening song. Arthur Aulerich read the message sent from National Grange Master Herschel D. Newson.

A clarinet quartet composed of Linda Runyan, Diann Ostrander, Marsha Bellville and Ann Bellville, all Juvenile members, presented "Alleluia and Choral."

Juvenile Master Terry Bellville told about the history of the Juvenile Grange. Whittemore Juvenile Grange was organized on November 26, 1948. Two of the original charter members, Paul Edie and Brian Bellville, are now subordinate members.

"America" was sung by the entire group with Mrs. Marguerite Aulerich at the piano.

Refreshments were served at the close of the program.

SETH THOMPSON RE-ELECTED MASTER OF GRANGE

Seth Thompson was re-elected master of the Whittemore Grange at its annual election on Monday evening. Officers who will assist Master Thompson are: Overseer, John Cobb; lecturer, Mrs. Marguerite Aulerich; steward, Arthur Aulerich; assistant steward, Gerald Bellville; chaplain, Mrs. Ethel Bellville; secretary, Sterling Cataline; treasurer, Mrs. Marie Bellville; assistant secretary, Mrs. Edith Cataline; gatekeeper, Brian Bellville; Ceres, Mrs. Sarah Beardslee; Pomona, Mrs. Blanche Cobb; Flora, Mrs. Caroline Siegrist; lady assistant steward, Mrs. Joy Bellen; executive committee, Leo Sylvester; home economics committee, three-year term, Mrs. Mina Bellville, and two-year term, Mrs. Blanche Cobb; organist, Mrs. Marguerite Aulerich.

Final plans were made for the annual booster night program.

Pot-luck lunch completed the evening.

You have to take people like you find them if you expect people to take you like you are.

East Tawas

By DOROTHY SCOTT
County Extension Agent

Calendar:

Wednesday, October 22—Swedish embroidery training class.
Thursday, October 23—Meeting at Charles Bielby home.

There must have been at least 200 women at the district rally in Mio last week. This annual event

is sponsored by the District Home Economics Extension Council as a way for extension group women to become better acquainted while they enjoy a good program together.

Ten group members were there from Iosco County. When you have an opportunity to do so, talk with them about the event. You will surely want to plan on going yourself next year. Talk with Lois Sayles, Idella Wood, Blanche Cobb, Sybil Siegrist, Helen Siegrist, Eva Siegrist, Mabel Colvin, Sophie MacDonald, Doris Niles, Ella Gabler, Georgina Klinger or Frieda Ross.

Swedish embroidery is one of the lesson topics offered in our family living program this year. Two representatives of any interested women's club are invited to attend the training school on Wednesday, October 22.

The meeting place will be the Cooperative Extension Service offices, located in the Federal Building, East Tawas, and the time is 7:30 p. m.

When the women selected this lesson topic last spring, they asked to have it taught early enough in the fall so Christmas gifts can be made. This is one made-it-myself gift suggestion for the very special persons on your Christmas list.

Mrs. Charles Bielby will be hostess on Thursday, October 23, when women in the surrounding area north of Hale get together for a second meeting. We are going to discuss and demonstrate "Broiler Meals," October's lesson for the month.

Fall and winter fashions for women have a relaxed look, some like it, others do not. While you are looking note these characteristics.

Most popular silhouettes for suits and coats are the trapeze, almond and cocoon. Front lines have a gentle shaping for easy fit. The back view shows an unfitted line either straight or with fullness.

The relaxed line in dresses appears in the blouse, barrel-back, trapeze, midy chemise and the easy fitting version of the sheath. One and two-piece classics, the shirtwaist and slim coat dresses are popular, too.

This fall the jumper "takes a new lease on life," usually with collar interest in the blouse. Three part outfits—weskit, skirt and blouse—are important in fashions this fall, too.

Separates are also taking on the "easy fit." Overblouses are favored. Long straight sweaters are being shown and bulky sweaters are featured.

Fabrics go along with the relaxed look. You will see jersey and whisper-weight worsteds in the soft dress styles. Tweeds, corduroys, flannels, velvet and velveteens are also being shown.

WITH THE IOSCO

4-H Clubs

By DOROTHY SCOTT
County Extension Agent

Calendar:

Friday, October 24—Sherman Sharpies Community 4-H Club meeting.

We will be glad to place the meetings of other clubs on the calendar if the reporters tell us when, where and at what time.

Six communities were represented at the 4-H Club Leaders' Council meeting on October 6 at Reno Township Hall. Present were Mrs. John Webb, Mrs. Ira Scofield, Mrs. George Waters, Mrs. Marvin Davenport, Mrs. William Sugden, John Wehrman, Warren Britt, Norman Sibley and John Sugden.

Mr. Wehrman and Mrs. Davenport shared information they learned at the district council meeting in Standish.

Council officers elected are: Mr. Wehrman, president; Diana Lyke, vice chairman; Wilma Britt, secretary.

Special arrangements are possible for 4-H Clubs to attend a football game at Michigan State University. They must go as a group.

Junior Leadership School is November 4, 5, 6 this year. Delegates selected must be 15 years old. One girl and one boy have been named for Iosco County. They are Verna Kay Wehrman, Peaceful Valley 4-H Club, and William Wilson, Hale Happy Hustlers 4-H Club. Alternates are Lorna Mae Mott, Reno Topnotchers 4-H Club; Kenneth Davenport, Ottawas 4-H Club.

Tawas Area Hosts Regional FHA Groups

The Tawas Area Chapter of the Future Homemakers of America will be host chapter to 15 other school chapters for the FHA regional meeting Saturday, October 25. The all day session will be held in the high school gymnasium.

Regional officers will be elected and installed during the business meeting. Guest speaker, Mrs. Mae Lance of Houghton Lake, will talk on "Looking Ahead to Marriage." Skits, singing and relaxers will complete the program. Lunch will be served at noon in the cafeteria.

Between 400 and 500 girls from Houghton Lake, West Branch, Midland, Mt. Pleasant, Beaverton, Shepherd, Pinconning, Standish, Gladwin, Coleman, Weidman, Blanchard, Roscommon, Bay City and Farwell are expected to attend the meeting.

SURVIVAL STOCKPILE

ODCM Has Vast Supplies In 'Bank' If U. S. Is Hit

One of the nation's largest "bank accounts" against the possibility of enemy attack is the Office of Defense and Civilian Mobilization's stockpile of strategic materials.

Stored away in 43 ODCM warehouses across the United States are about \$225,000,000 worth of medical and engineering supplies—enough to aid millions of Americans after an attack.

MEDICAL STOCKPILES include 1,932 civil defense emergency hospital units and back-up supplies estimated sufficient for the emergency medical care of 4 1/2 million persons for three weeks.

In the engineering stockpiles are approximately 25,000 tons of equipment and supplies. They contain material essential to restoration of public facilities—water

pumps, generators, purifiers, storage tanks, pipe and similar items.

To assure that this survival "hardware" will be located where it would be most needed after an attack, ODCM has chosen warehouse sites convenient to but outside the nation's 82 critical targets.

Among these storage sites are three "general reserve" warehouses with stockpiles designed to supply any section of the country. Most unusual of these reserve storage areas is the vast underground warehouse in a converted limestone mine near Neosho, Mo.

IN THIS HUGE privately-owned cave, shared by ODCM with the stockpiles of industrial concerns, is 14 acres of space served by special automatic sprinkling and ventilating equipment.

Sewing Easier When Planned

You will sew faster and more easily if you organize your sewing before you begin, says Bernetta Kahabka, extension specialist in clothing at Michigan State University.

Make sure your equipment is in good condition and comfortable to use. Frequent removal of dust and lint from your sewing machine, along with an occasional oiling, will keep it working well. Your machine and chair should be of the right height to prevent strain and fatigue. Usually a machine 28 inches high and a chair 16 inches high are comfortable. Furniture cups may be used to raise the machine to your best height.

Cutting is easy if you use a firm, flat surface which is at a comfortable height—usually about 36 inches high. A surface at least 56 inches long is best for cutting and may be made by placing a plywood board on top of your ironing board.

Since you will be pressing often while you sew, you should have a large ironing board handy. However, a small one will do especially for such things as collars, cuffs and pockets.

As far as supplies are concerned, a sharp scissors, shears, pins and thimble are necessary, along with the correct sized needles and thread for the job at hand. Marking equipment, including a gauge, ruler, tape measure, dressmaker's tracing paper and chalk, are also needed. You will find a skirt marker comes in handy, too.

Rebekahs Discuss Meeting Night Change

At a meeting of Irene Rebekah Lodge Wednesday evening, October 8, plans were discussed to meet every other Wednesday evening. Announcement of dates will be made in the near future.

A donation of clothing was made at this meeting for the hospital auxiliary to be used for local work.

Miss Edith Davey, program chairman, was in charge of games with prizes.

Refreshments were served in the dining hall by co-chairmen, Mrs. Martha DePotty and Mrs. Naomi Bennett, assisted by Mrs. Carrie Swales. Table decorations were in pink and green.

Stage Book Fair at Tawas P-TA Meeting

Iosco-Arenac Regional Library will present a "book fair" at the Tawas Area Parent-Teacher Association meeting Monday, October 20, in the high school cafeteria. Grade mothers will serve refreshments following the 8:00 p. m. meeting.

The man who works the longest hours is not necessarily the man who gets the long green.

These supplies are most convenient kept in a drawer or box which has sections. This will save time in getting supplies out and putting them away. Keep the box or drawer in easy reach of your sewing area. You will find a system for filing patterns and fabric pieces is also a time-saver.

18,000 Beneficiaries to Receive Increases

About 18,000 social security beneficiaries in the 11 counties in Northeastern Michigan, serviced by the Bay City District Office of the Social Security Administration, will receive increased federal old-age, survivors and disability insurance payments in 1959, it was announced today by Paul M. Ellifritz, district manager.

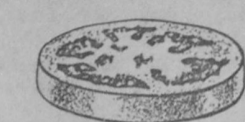

These larger payments, representing an increase of about seven percent, will be effective January 1959 and will be mailed early next February, Mr. Ellifritz explained. Any one now receiving these social security payments does not have to apply for the increase, since these higher payments will automatically be mailed to all beneficiaries.

Retired workers 65 or over now receive monthly benefits ranging from \$30 to \$108.50, Mr. Ellifritz explained. Under the new law, signed by President Eisenhower on August 28, 1958, the lowest

monthly payment to retired insured workers 65 or over will be \$33 and the highest will be \$116. A retired worker and his wife over 65 whose combined benefits were \$162.80 will receive \$174 in 1959 and the maximum payments to eligible families will be increased from \$200 to \$254 monthly.

Anyone seeking additional information on these changes in the social security law, are urged to contact a representative of the Bay City District Office of the Social Security Administration, who will be in East Tawas at the Post Office, Thursday, October 23, at 10:30 a. m.

| Pinconning | 1 | 2 | 1 |
| Roscommon | 1 | 2 | 0 |
| Tawas Area | 0 | 3 | 1 |
| Arenac Eastern | 0 | 3 | 0 |

By EARL HAIGHT

At the half-way mark in the Northeastern Michigan football race, Arenac Central held its top spot with a last quarter spurge to defeat Roscommon, 25-13. Houghton Lake, despite the loss of a star halfback, ran roughshod over Tawas Area, 31-0, to keep its second place in the standings. West Branch dropped Beaverton with a second half rally, 20-6; Pinconning won its first league game by turning back Gladwin, 20-7, while Arenac Eastern went outside the conference to stop Whittemore-Prescott, 19-6.

Roscommon had an upset in their hands until the final five minutes of their battle at Standish, when the Panthers scored twice to keep their record intact. The Bucks counted first in the opening minutes of the initial period after an intercepted pass gave the losers possession of the ball on their own 48. Line plays with Fullback Barry Hubbard doing most of the heavy work, carried the ball to the Central two, where Hubbard went over. The fullback also counted the extra point on a line plunge.

The Panthers came back on the following kickoff to move into pay dirt with LaVon Crowl, halfback, going the final two yards. Featuring the attack were two runs by Halfback Doug Dudley, a 40-yard kickoff return and a 20-yard run from scrimmage.

Midway in the second period, Roscommon counted on a 70-yard gallop by Hubbard but a penalty nullified the play and the Bucks lost the ball when Dudley intercepted a forward pass. Crowl carried to the three and Fullback Tom Dowler hit the end zone. The try for extra point was no good.

The losers came back shortly before the half ended to score when Hubbard went the last three yards after a pass carried the oval to the 17. At the intermission Roscommon held a close 13-12 margin.

After a scoreless third period, Dudley put on a one man running show in the final quarter to take the ball to the Buck four where Crowl went into the end zone. Crowl also scored the extra point on a plunge to put the Panthers ahead, 19-13. The winners scored their final TD with seconds remaining when Jeff Reed, guard, picked up a Roscommon fumble and went 40 yards.

West Branch moved into third place with its victory at Beaverton, using a second half rally to pull the game out of the Beavers' grasp. The losers scored in the first quarter when Fullback Les Athey

crashed through the final three yards after they had worked the ball down field. The try for extra point failed but the losers had a 6-0 lead at the quarter mark.

Neither team threatened in the second period with Beaverton holding the slim 6-0 lead at intermission. The Orioles exploded for 14 points in the third quarter to take the lead and tossed in the clincher in the last period.

West Branch tried an on side kick to start the second half, the attempt being successful. Picking up yardage down the field, the Orioles doubled the Beavers' ground yardage, the winners went into the lead when Fullback Doug Fritz went one yard through the line and also scored the conversion. Beaverton fumbled after the kickoff with the Branchers re-

covering and Fritz again going the final distance, five yards, for the score. Halfback Ken Hutchins notched the extra point on a line plunge. Fritz also scored the final TD on a three-yard plunge with the try for extra point no good.

Pinconning scored single touchdowns in the first, second and fourth quarters while holding the Flying Gs to a lone counter in the fourth period to notch its first conference win.

Halfback Lee King got the first counter on a one-yard plunge after the Spartans moved the ball down field. A pass from Quarterback Gary Kinsey to End Jerry Halloran was good for the extra point to give the winners a 7-0 first quarter margin. The score in the second stanza came as a result of a pass interception. King

picked off a Gladwin aerial and skipped 70 yards to the end zone. Dick Marter, fullback, scored the extra point on a plunge.

Both teams scored in the fourth stanza after a scoreless third quarter. Piny took advantage of a Gladwin miscue as they recovered a Flying G fumble on the three. Marter went into the end zone on a plunge and the try for extra point was no good.

Gladwin got into the scoring column when Halfback Irvin Hayward moved one yard to pay dirt after a four-yard drive put the ball in scoring position. A kick by Guard Larry Hall scored the extra point for the losers.

Arenac Eastern won its first game of the season by defeating Whittemore-Prescott in a non-conference contest. The Eagles

scored in the second quarter to take the lead and added insurance counters in the fourth period. Halfback Leonard Forro went off tackle for 12 yards with Fullback Jim Biddle counting the extra point to give the winners a 7-0 intermission lead.

The losers made the most of a break in the third period when the Eagles fumbled on their own three. Halfback Keith Charters circled end on an attempted pass play for score, and when the try for extra point failed, the Eagles held a 7-6 third quarter lead.

Biddle scored the Eagles' first touchdown of the final period on a 10-yard run around his own right end, and End Terry Bowen got the second on a pass play covering 20 yards, the toss coming from Quarterback Dave Robinson.

Braves Lose to Bobcats

By HARRY CRAWFORD

Friday night at Tawas Area's athletic field, the Braves were defeated by a very good Houghton Lake team, 31-0, in a game that saw evidence of poor sportsmanship on the part of some Tawas boys.

Houghton Lake received the opening kickoff, and on the third play from scrimmage Marts, Houghton Lake quarterback, ran 60 yards for the first of the three touchdowns Houghton Lake was to get in the first quarter. The extra point try was no good and with the game only seconds old, Houghton Lake led 6-0.

The second six-pointer for the Bobcats came seconds later, when Tawas Area fumbled the kickoff. Houghton Lake recovered on the Tawas 30 and proceeded to push right in for the score. Marts scored from the two-yard line on a quarterback sneak. The attempt for conversion was broken up and Houghton Lake led 12-0.

Tawas Area again received the kickoff and returned to its own 35-yard line. On fourth down, with about a yard and a half to go for a first down, they elected to gamble and lost. For the third time in the first quarter, Houghton Lake had the ball and for the third time moved in for a TD. Barnes carried the ball over this time from the two-yard line. The try for the extra point was missed, and with the game only minutes old, Houghton Lake led 18-0.

Early in the second quarter, Barnes again went off tackle for 11 yards and a touchdown. The try for point was again no good and the score was 24-0.

Tawas could not get any kind of an offense going, which proved to

be the pattern all evening. The Braves could move the ball, but every time they gained five yards, it seemed that they were penalized 15. All that saved the game from being a rout was the fact that the defense began to jell and contained the Houghton Lake offense.

After a very impressive dedication ceremony at halftime, the two teams again came on the field. All during the third quarter, play was contained in Tawas territory. Houghton Lake could not reach pay dirt, however, and the third quarter ended 24-0.

In the final stanza, penalties became the rule instead of the exception. Tawas Area was continually kept in trouble by penalties, the result of poor sportsmanship shown by some of the players. Several fine runs and one fine pass play from Loy to Stump were called back, keeping the Braves deep in their own territory.

In the dying minutes of play, Houghton Lake scored its final touchdown of the evening on a gift. The drive started on about the 40-yard line of Houghton Lake and again penalties hurt Tawas. These were personal fouls and two members of the Tawas team were kicked out of the game for unsportsmanlike conduct. There were other penalties assessed against Tawas in this drive enabling Houghton Lake to move in for the score with Barnes going into the end zone on a dive play. The extra point was good and the final score was Houghton Lake, 31; Tawas Area, 0.

The only opportunity for the Tawas fans to cheer came as Rudy Bielby, reserve halfback,

broke loose on a fine 71-yard run before being caught from behind on the four-yard line of Houghton Lake. Time ran out and the game ended before the teams could line up again.

There were injuries on both teams as play was very rough. Tawas lost the services of Quarterback Pete Bolen in the second quarter. Bolen suffered a sprained knee.

Houghton Lake had several injuries. One boy suffered a broken collar bone.

There were some bright spots in the game for Tawas, however. Butch Loy, who took over for the injured Bolen in the second quarter, looked very good in his first taste of varsity ball. Reserves Rudy Bielby and Chuck Noel both played well.

High Flying Tawas Area JV Team Easily Defeats 'Little' Cats

By HARRY CRAWFORD

Last Thursday night at Houghton Lake the high flying Tawas Area Junior Varsity defeated Houghton Lake, 25-0.

Tawas Area kicked off to Houghton Lake, who returned the ball to its own 40-yard line. After three attempts to crack the Juniors' defense, they were forced to kick. Tawas Area returned to its own 35-yard line. Brooks then swept around right end for 15 yards. Hollis picked up 30 yards on a reverse and John Sass took the ball on a double reverse for 20 yards and a touchdown. Humphrey then attempted to kick the extra point and missed.

This ended the scoring in the first half. Tawas Junior Varsity had several scoring opportunities but had long runs called back because of clipping penalties. One run in particular was a 99-yard run on a reverse by Sass.

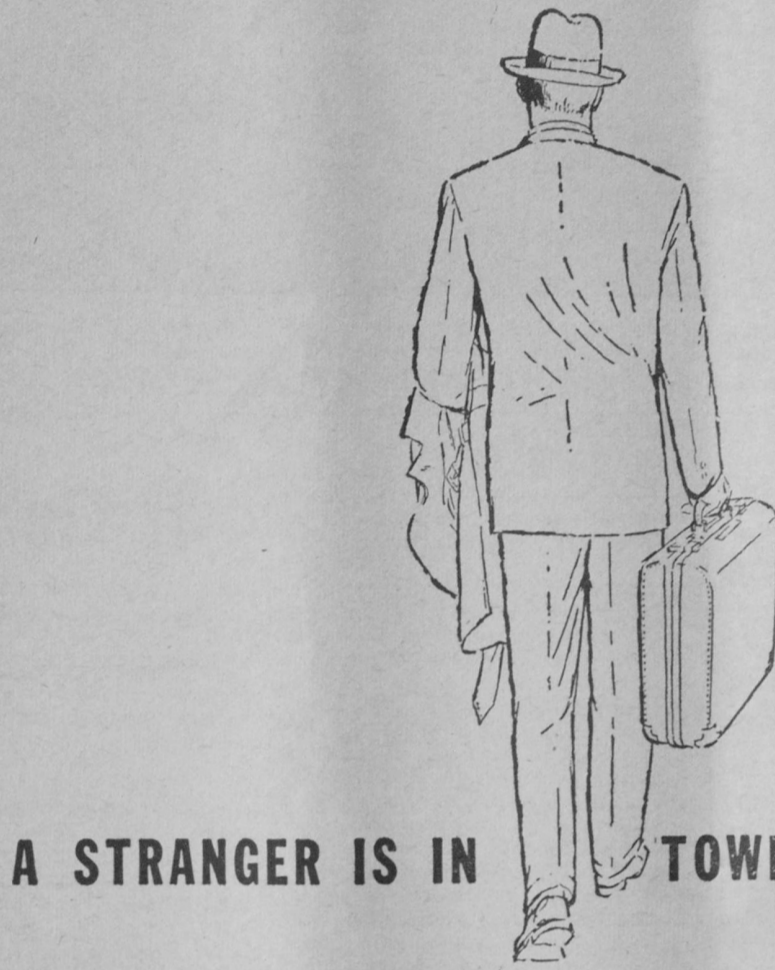

In the second half, Tawas scored three times. The first came on a quarterback sneak by Humphrey, good for 11 yards. This play worked very effectively according to Coach McIntosh, because Houghton Lake was shooting its middle line backer into Tawas' backfield before the boys could carry out their assignments. Humphrey missed the extra point and Tawas led 12-0.

Tawas Junior Braves' third TD came on another quarterback sneak by Humphrey. This play traveled six yards. This time the kick for extra point was good and Tawas Area led 19-0.

The final score of the evening came when Humphrey hit Sass with an 11-yard pass play. The point was missed and the game ended with Tawas Area JV winning 25-0.

There were some heartbreaking plays in this game as penalties nullified some brilliant runs. One of these was a 65-yard touchdown run by Jim Brooks. Brooks made this run through the whole Houghton Lake team without a hand touching him.

Tonight the JV will meet Oscoda at the Oscoda Athletic Field. Tawas Area will be shooting for its fifth straight victory this year. The game was to be played here, but due to schedule difficulty, the game site was changed.

A STRANGER IS IN TOWN

He is representing a company considering your town and several other towns as a place to put a manufacturing plant. But he isn't talking about that. He isn't even calling on the chamber of commerce or the town officials; not today, maybe never. They may never know he was here.

He came just to talk to people along the street and get an impression of the town. It may be a good impression or it may not be. That depends on the people he meets. At least he will know what they think of their town.

He will be influenced perhaps by a merchant, a cab

driver, a barber, a service station attendant, a banker — perhaps by you.

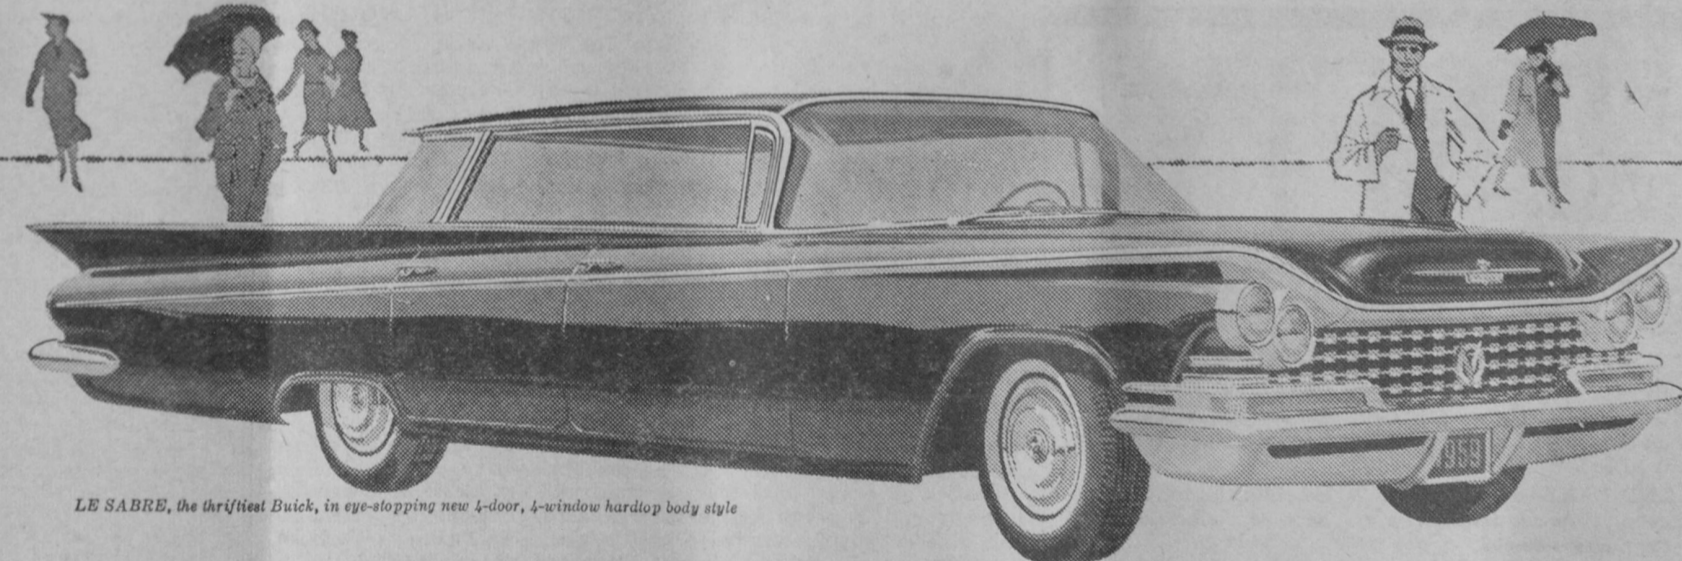

Every citizen is a spokesman for his community, a good spokesman or a poor one. Your enthusiasm for your town can attract industry and put money in your pocket. Your lack of enthusiasm will send industry searching elsewhere.

It's just plain good sense to talk up your town, always.

Join hands with your local industrial-development organization and the Michigan Economic Development Department to help your community prosper.

This ad is published as a public service by this newspaper in cooperation with the Michigan Press Association and the Michigan Economic Development Department.

LE SABRE, the thriftest Buick, in eye-stopping new 4-door, 4-window hardtop body style

Why You Should Read The Herald

- 1. BECAUSE The Herald carries pictures and reports of what's going on in your community, county and other vital state and national news that affects the readers locally. 2. BECAUSE it is a legal medium through which your city, township and county notices, regarding things which affect your pocketbook, are published. 3. BECAUSE it keeps you posted on all official actions by your board of education, school administration; it reports plans of official bodies which have the authority to levy taxes against your home, business or industry. 4. BECAUSE The Herald is your Shopping Guide, carrying the merchandising messages of bargains offered by your local stores, which saves you time and money by providing you an opportunity to prepare your shopping list in advance. 5. BECAUSE it provides a common meeting place for every reader in your shopping area where community affairs can be discussed and ideas exchanged to benefit all. 6. BECAUSE it sponsors, supports and boosts every worthwhile community project, including those of charitable nature giving to community leaders the aid and support which they must have in order to keep the community abreast of the times in carrying out the responsibilities of a collective or social nature. ANY MEMBER OF A COMMUNITY who does not read the local newspaper is sadly uninformed on: CHURCH AFFAIRS, SOCIAL EVENTS, SCHOOLS, TAXES, GOVERNMENT, POLITICS, and ALL Co-operative Community Projects.

Last - - But Not Least

The Tawas Herald carries THE NEWS about your neighbors and friends, their social activities, their happiness and their sorrow, their successes, their marriages, births and deaths, their history in the making and their dreams of happiness and success to come.

MR. AND MRS. D. D. PEARSALL and son, Daniel, are pictured above in their store at Hale as they made plans for the big three-day observance of the Pearsall family's 50th anniversary in Iosco County. The Pearsall name was established there in 1908 by D. I. Pearsall.—Tawas Herald Photo.

Pearsall (Continued from Page 1) Yawger and Frank Bernard, well known Hale residents, and William Williamson of Pontiac. In 1949, Mr. Pearsall passed away at 80 years of age. In 1925, Deuell Pearsall, his son, married Olive Lake and in 1927 he became interested in the Danin Company. This company had stores in Rose City, Hale,

Glennie, Whittemore, Turner and Sterling. Deuell was in the Hale store for Danin Company until 1939 when he and Charles Danin bought out the Danin Company Store at Hale and at that time the D. D. Pearsall Company was organized. In 1945, the present IGA market was built and Daniel O. Pearsall, who had returned home from service in China during World

War II, went into business with his father as the third generation member of Pearsall businessmen in Hale. He married the former Miss Rose Marie Steinhauer of West Branch. Said the senior Mr. Pearsall this week, "The gifts and special prices are being given during these three days in appreciation for the fine support which the customers have given the Pearsalls over the years."

Movie (Continued from Page 1) accounting for the Big Five in African game—elephant, rhino, buffalo, leopard and lion. Other trophies taken were gerenuk, oryx, impala, kongoni, wildebeest, Grant's gazelle and Thompson's gazelle. Warren's movie not only covers the hunting of these animals in professional style, but also shows the work sportsmen and their white hunters live on a safari, amazing close-ups of African wildlife, beautiful scenery, including snow-capped Mt. Kilimanjaro on the equator, and interesting dances of the colorful Masai natives.

PRESENT FIREARM SAFETY PROGRAM A firearm safety program was presented at the Hale Area School last Thursday by Trooper Warner Palmer of the Michigan State Police Post, East Tawas. A demonstration was given using several types of firearms.

Ordinance Forbids Use of Firearms Within City Limits. George Ruth, Tawas City police chief, warned residents this week that it is unlawful to hunt or pursue wild game within the city limits. He cites the following sections of Ordinance No. 135, adopted by the city council November 3, 1952:

Section 1. It shall be unlawful for any person to hunt or pursue wild game within the City of Tawas City.

Section 2. It shall be unlawful for any person to carry, draw, handle, flourish a gun or firearm, unless such gun or other firearm shall be unloaded in both barrel and magazine.

Section 3. It shall be unlawful for any person to intentionally fire or discharge a gun or firearm within the City of Tawas City. Said Chief Ruth, "We are giving residents warning at this time in order that there will be no misunderstanding when arrests are made for non-compliance with the ordinance."

MR. AND MRS. WM. DeLOSH MARRIED 25 YEARS. Friends and relatives of Mr. and Mrs. William DeLosh gathered at their home Sunday evening to celebrate their 25th wedding anniversary. Guests were present from Detroit, Flint, Bay City, National City, Oscoda, Sand Lake and Tawas. The DeLoshes received many nice gifts.

Vote (Continued from Page 1) by the state health department last summer indicated the urgency for constructing the additions to the plant. In its report, the health department said that it would not approve any new sewer extensions in the city because of the already over loaded conditions at the treatment plant.

Needlecraft News by Nancy Baxter. It's so much more fun to do your everyday household tasks in pleasant surroundings. I know many homemakers who devote lots of energy to making their kitchens gay and attractive. But what about the desk where you pay your bills, answer your invitations, write all of your correspondence? A CHEERY DESK. Good-looking desk accessories brighten your work load, there's no doubt about it! They make letter-writing more fun, too. Here's our suggestion, for a start: a pretty little letter holder in a thick, quick crochet cotton. It even has a metallic gleam, to add that extra spark. And it couldn't be easier to make: grace a simple base of single crochet stitches with pearl-centered flowers, and there you are! As these new cottons come in a wide variety of colors, you're sure to hit on just the combination for your den or living room. A SHOWER GIFT. If you're looking for something fresh and different in the way of a shower gift—or if you'd like to make something personal for a special bride—this hearts and flowers letter holder may be the perfect answer. With a long list of thank-you notes keeping her at her writing table for extra hours every week, she'll be particularly pleased at your thoughtfulness. To make the letter holder for a gift, for your own use, or for a bridge prize or church bazaar, write the Needlework Department of this newspaper for your free instructions. Just enclose a stamped, self-addressed envelope and ask for Leaflet No. S-914.

GRAND OPENING for Dobie's Toy and Hobby Shop will be held this Thursday, Friday and Saturday. The new store is located in the Buch Building, Tawas City. Prizes and merchandise certificate will be given away during the three days.—Tawas Herald Photo.

Graphoanalyst Here Next Monday. Tawas Women's League invites the public to attend an address by Mrs. Vera Johnson, certified graphoanalyst, at the Barnes Hotel, Monday, October 20, at 8:00 p. m. Mrs. Johnson is a veteran lecturer to many P-T-A, church and women's groups. She appeared for nearly two years on WNEM-TV as an interpreter of handwriting specimens and the difference in letter formations.

70 Attend Women's League Banquet. The annual fall banquet of the Tawas Women's League, held Saturday, October 11, at the Barnes Hotel, was attended by approximately 70 members, their husbands and guests. Dancing followed the program, "Crazy Capers," which was directed by Mrs. Gordon Clute and Mrs. William Krumm.

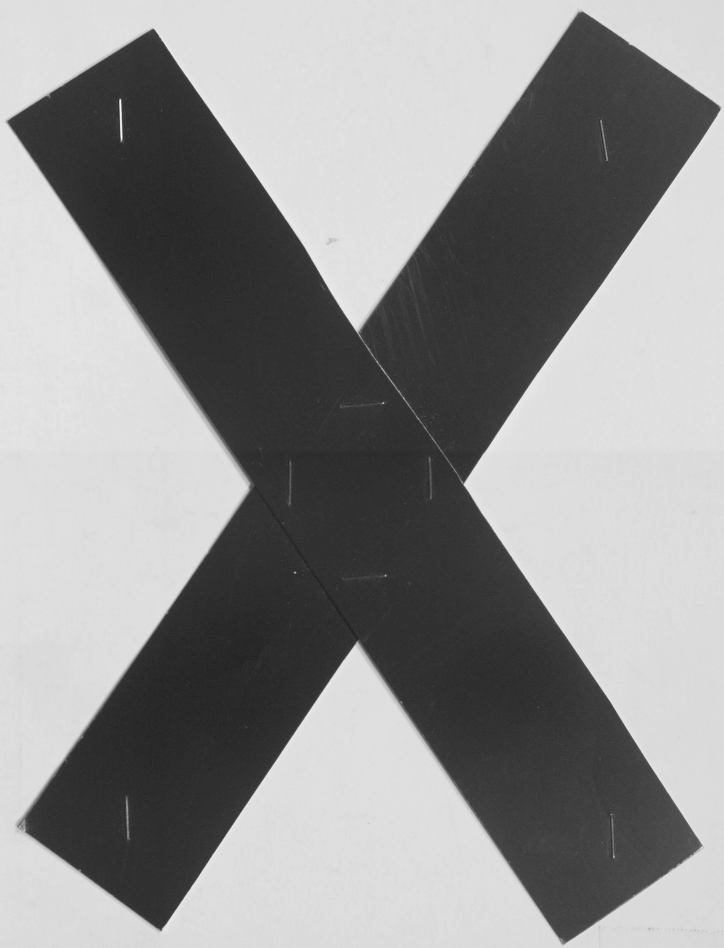

Model Home Given Enthusiastic Welcome—Open This Week-end. Again this week, "open house" will be held at the new model home located at 316 Bridge Street, East Tawas. "The new three-bedroom, colonial type home was enthusiastically received by all who viewed it last week-end," states A. Don Anderson, realtor. It will be open from 1:00 to 6:00 p. m. Saturday and Sunday to accommodate further viewers. Engineered by Place Homes, Incorporated, the "Nantucket" model home was built by Henry A. Oates, contractor, and is being offered by Mr. Anderson. The home was completely furnished by Barkman Outfitting.

DIES WEDNESDAY MORNING. Eugene Lutes died Wednesday morning. Funeral services will be held at 1:30 Saturday afternoon at the East Tawas Methodist Church. Burial will be in Edwards Cemetery, Ogemaw County. Mr. Lutes recently moved to Tawas City from East Tawas.

EMTA SPEAKER. B. F. COGGAN. Handy, thrifty... and oh, so good! Extra special pickle relishes in a creamy dressing. Made by KRAFT. Miracle Sandwich Spread.
