County Alarmed Over Game Law Violators

Alarm over an increased volume of game law violations in this county was expressed by the Iosco County Board of Supervisors at the conclusion of its October session last week. In a letter to the Michigan Department of Conservation, the board stated that game law enforcement facilities in the county are "extremely unsatisfactory."

A report from the board's conservation committee, stated that it had only the highest respect for the work of Conservation Officer Arthur Leitz, but, the report added, "his work load is now such that if we are to have adequate enforcement at all, additional enforcement officers are needed and a suitable headquarters established to receive complaints on a 24-hour-a-day basis."

The board recommended that the conservation department establish a headquarters in this county, on land which it now owns on M-55, or elsewhere. The board recommended that the headquarters should be equipped with telephone service 24 hours a day.

Classes Set for Scout Leaders at TA School

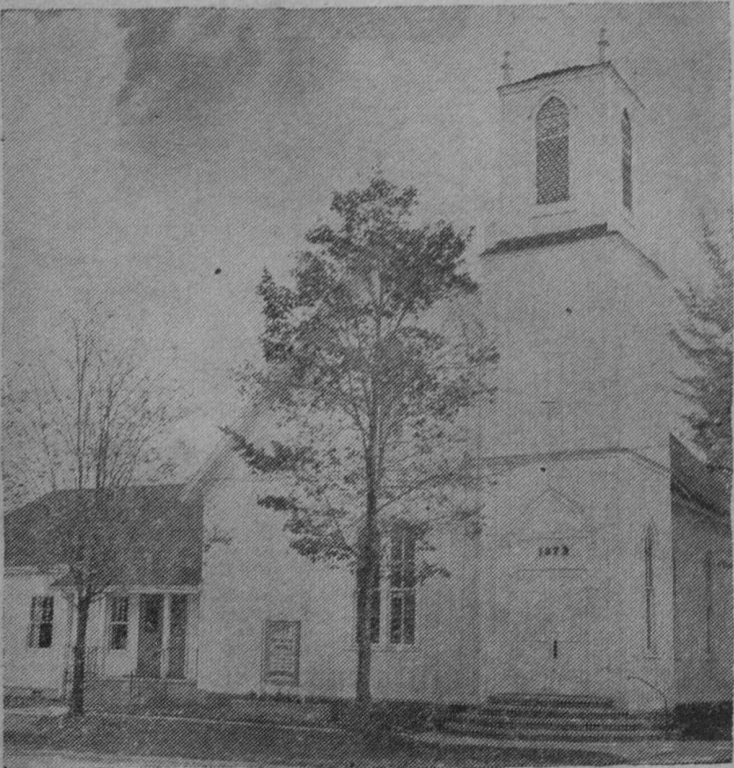

A meeting for boy scout and cub scout leaders from the Northland District of the Paul Bunyan Council will be held at Tawas Area High School October 26, November 4 and 11 for classes in scouting.

Classes in den and pack administration, troop organization and program planning will be included in the three, two-hour sessions.

Capt. Ralph Anderson of Wurtsmith Air Force Base, district leadership chairman, will be in charge of the classes. He will be assisted by Al Falles of Standish, assistant Northland District chairman.

WINNERS NAMED

Prize winners at Dobbie's Toy and Hobby Shop last week-end were as follows: Pegren Edgerdon, Clio, first prize; Pamela Jordan, East Tawas, second prize; Mary Humphrey, East Tawas, third prize; Kenneth Williams, Tawas City, fourth prize; Chester Jaroslowski, Tawas City, fifth prize; Frances Binder, Tawas City, sixth prize.

TAWAS CITY METHODIST CHURCH will observe its 90th anniversary Sunday and Monday, October 26 and 27, with a special two-day program. The church building, constructed in 1873, is pictured above. The dining hall is at left.—Tawas Herald Photo.

Tawas School May be Eligible for Federal Aid

The possibility of receiving federal funds for school operation aid is being investigated by the Tawas Area Board of Education, it was reported Monday by Supt. Reynold Mick.

"There is a possibility that Tawas Area School may come under Public Law No. 874, passed by the 81st congress," states Mr. Mick. Tawas Area would qualify on two counts of the five allowed under the act:

1. The school provides education for pupils whose parents are employed on federal property;
 2. There was an increase in the number of pupils in average daily attendance as a direct result of the activities of the United States.
- Coming under these two counts are the children of servicemen who are stationed at Wurtsmith Air Force Base and the United States Coast Guard Station at Tawas Point who attend Tawas Area School.

At the start of the fall term,

Tawas Area School had an enrollment increase of about 10 percent over last year. Part of the increase was due to the number of servicemen's families from Wurtsmith Air Force Base who are making their homes in this area.

To qualify for federal aid under the act, Tawas Area School would need in the neighborhood of 72 students enrolled whose parents are employed on federal property and about 144 such students to qualify for building aid.

Mr. Mick explained that there are several technical points in the act which would need investigating before application could be made. He is being assisted by Supt. Robert Richardson of Oscoda Area School, who has had experience with the federal act at Oscoda.

This new law is the one under which Oscoda Area School qualified for federal assistance. Oscoda has a large enrollment of government employee dependent chil-

dren, because of the nearness of Wurtsmith Air Force Base, and qualified for federal aid on construction of new classrooms.

"We do not appear to have enough pupils to aid in building, but if we qualify we will be in a position to receive aid for school operation," said Mr. Mick.

Survey sheets will be sent home with grade pupils and Tawas Area School asks the cooperation of parents in filling them out and returning them to the school.

Lost Boy Found by Pulpwood Cutters

Brian Dewhurst, a six-year-old Saginaw boy, was the object of a two-hour search Sunday when he wandered away from his parents near the Lumbermen's Monument at 12:30 p. m. He was found at about 2:45 p. m. by two men who were cutting pulpwood two miles from the point where he entered the woods. He was returned to his parents, Mr. and Mrs. Robert Dewhurst.

Brian had left his parents at the picnic grounds near the Monument. When he failed to return his parents started to look for him. They notified the Iosco County Sheriff's Department at 1:30 and the state police post at East Tawas was called for additional help. State police were enroute from West Branch and Bridgeport when the boy was found.

Submerged Lands Topic at US-23 Booster Meet

George Taack of the lands division of the Michigan Department of Conservation, was the principal speaker at a meeting of the US-23 Highway Boosters Association held recently at Ossie's Restaurant in East Tawas.

Topic of Mr. Taack's talk was submerged lands, their uses and the responsibility of the state and public.

Representatives from nine Northeastern Michigan communities attended a directors' meeting before the dinner, which was conducted by President Lew Kramer of Hubbard Lake.

Named to a budget committee by President Kramer were: Erwin J. Gross of Rogers City, Edward C. Sawyer of Au Gres, Paul E. Burkhardt of Cheboygan, Paul Domke of Ossineke, Stanley Godfrey and Walter Keenan of Alpena and Osman Ostrand of East Tawas.

The next regular meeting will be held November 5 at Rogers City.

Kroger's Jammed During Opening

A crowd of more than 300 persons lined up Wednesday morning, some before 8 o'clock, to pass through the "magic carpet doors" of the new Kroger Store in Tawas City. The long line of shoppers outside the store, waiting their turn for grand opening specials, did not diminish until after noon.

By 8 o'clock Wednesday evening, it was estimated that 1,500 customers had shopped in the new store, one of the Kroger Company's finest and most modern stores in Northern Michigan.

"The results of the first day of business are most gratifying," stated William Colling, store manager. "It was a wonderful welcome extended to the company by the people of the Tawas and surrounding area."

(Editor's note: A two-page color ad, with many of the special offers at the new store, may be found on pages 6 and 7 of this newspaper.)

Work on the new building was completed only this month and Mr. Colling and Kroger Company personnel have been busy during the past two weeks stocking the sales and storage area.

The new 80 by 125 foot store is located in Tawas City, west of the M-55 intersection. It contains 10,000 square feet of floor space and is equipped with the latest word in merchandise handling,

display and storage equipment. A 78-car parking lot with black-top surface and flood lighting is located at the west side entrance.

The building is leased from Dr. J. D. LeClair, Tawas City dentist, Olaf Rose Builders, Incorporated, was the general contractor.

Building Permit is Denied by Council

Action taken at Monday night's meeting of the Tawas City Council included denial of a building application, appointment of a new city attorney, hearing a request for re-zoning property and submission of two building applications approved by the department of public works.

Acting as an appeal board under the city's zoning ordinance, the council denied, for the time being, a building application presented by Brooks Auto Parts for new construction at their yard on Eighth Avenue.

Presented by B. W. and Sidney Brooks at the last council meeting, the application was for construction of a new 40 by 60 foot concrete block building. The property on which the business is located was zoned residential when the ordinance was passed in 1947.

The scrap metal yard, established here about 1937, was allowed to continue by law when the ordinance was passed. Such property is considered under a non-conforming clause.

Present at the meeting Monday night were 10 neighbors of the Brooks who protested against allowing the construction. The city zoning ordinance allows for such a hearing when new construction is to be made on non-conforming property.

The neighbors' protest was based on what they termed a "nuisance condition caused by the appearance of the property." They also protested against the burning of old junker cars and 30-foot piles of scrap.

A motion denying the application, passed unanimously, was as follows: "Permit to be denied until such time that the owners will appear before the council and show that the nuisance problem

will be taken care of. Permit may be re-submitted for consideration at that time."

Sidney Brooks, who was present at the meeting, told the council that the proposed new building was to be used for storage of parts. He stated that the estimated cost of the structure was \$8,000.

Mr. Brooks told the council that the new building would block the neighbors' view of the scrap yard on the south side. He said that the suggestion of the council for erection of a board fence around the property would be considered.

In other business, Allen Miller, former Tawas resident, now of Detroit, was appointed city attorney by Mayor George Tuttle. Miller succeeded Alfred W. Mason, who was killed in an auto wreck recently.

Mr. Miller, son of Mrs. Grace Miller of East Tawas and the late Charles Miller, is a University of Michigan Law School graduate and has practiced law in Detroit for a number of years. He and his family will soon move to the Tawas area. Mr. Miller will occupy an office in the city hall.

Mrs. Ella Schneider of the Third Ward requested permission from the council to start action on changing the zoning of her property from residential to commercial. She told councilmen that she desires to operate a teen-age canteen in her garage.

Building applications approved by the city during the past week were as follows: Emma Dettmer, 1000 Fourth Avenue, re-side house, \$750; Detroit and Mackinac Railway Company, construction of 44 by 20 wood working and equipment storage shop at Huron Wood Preserving plant, estimated cost \$4,000.

DISCUSSING POLITICS last Friday afternoon with Paul D. Bagwell, Republican gubernatorial candidate, second from right, are Lewis Besancon of East Tawas, Bagwell campaign chairman for Iosco County; State Representative James P. Mielock; Bagwell, and Mayor Elmer Werth of East Tawas, chairman of the Iosco County Republican Committee.—Tawas Herald Photo.

Bagwell Tells State's GOP 'This is the Year!'

Paul D. Bagwell, Republican candidate for governor, stopped in Tawas Friday on a whirlwind tour of Northeastern Michigan counties. Flying into Rogers City Friday morning, he traveled by motorcade to Alpena, Harrisville, Oscoda and the Tawas.

At Tawas, Mr. Bagwell was guest of honor at a fish fry held Friday night at the Eagles Hall in East Tawas. Earlier in the afternoon, he was heard over radio station WIOS, Tawas City-East Tawas.

Attending the fish fry were some 185 backers from all sections of Iosco County. Bagwell was introduced by Mayor Elmer Werth of East Tawas, who is chairman of the Iosco County Republican Committee. Lewis Besancon of East Tawas is Bagwell's campaign chairman for Iosco County.

Following the dinner, Bagwell told the group, "I know we're going to win because there is a resurgence in the Republican Party, the like of which veterans haven't

seen in many a year. I'll be a full-time governor and give no more favor to one group than another."

Bagwell and incumbent Governor G. Mennen Williams are currently in verbal knock-down battle for votes as the general election approaches.

Bagwell has expressed concern over loss of 200,000 factory jobs in the state and has blasted the CIO for its all-democratic endorsement of candidates. He claims, "My opponent is resorting to gimmickry to an extent I would almost label dishonest politics."

Accompanying Bagwell on his swing through Northeastern Michigan were five press representatives: Detroit Times, Detroit News, Detroit Free Press, Associated Press and Booth Newspapers.

Cancer Society to Hold Work Shop

District VII of the American Cancer Society comprising 22 counties, will hold an all-day workshop meeting Wednesday, October 29, at the Holland Hotel, East Tawas. Registration is scheduled for 9:30-10:00 a. m.

Area chairmen, workers and friends of the society are urged to attend. Doctors representing Iosco County are Dr. Lawrence LaPorte and Dr. Rudolph Kutsche. Among the state and district officers of the society attending will be Executive Director Arthur L. Crampton; Mrs. Joyce Witwer, chairman of volunteer activities, and Mrs. Bernard Sargent, field representative.

Luncheon will be served at noon and dinner at 6 o'clock. Reservations should be made by calling either Mrs. Herbert Hertzler, Forest 2-2265, or Mrs. W. A. Evans, Forest 2-2871, by Monday October 27.

Mrs. Hooker Meets Republican Women

Mrs. Rae Hooker, national committee woman of the Republican Party, is in Iosco County Thursday and Friday of this week meeting with the women to inform them of the pressing issues facing the state and why the people should be aroused at this time to work for the Republican Party.

Schedule of stops: Thursday, October 23: 10:00 a. m., Harbor Lights Restaurant; 1:00 p. m., Oscoda; 6:00 p. m., Vic and Zel's Restaurant; Friday, October 24: 1:00 p. m., Whittemore Restaurant; 3:30 p. m., Northern Grill at Hale.

On the other hand, Governor Williams, in his speech-making, is asking the question, "Did Ohio industrialists contribute any money to the Republican 'smear Michigan' campaign?" He charges that Bagwell visited Ohio in July, returned to Michigan and drew a picture of how much better Ohio was for business.

Accompanying Bagwell on his swing through Northeastern Michigan were five press representatives: Detroit Times, Detroit News, Detroit Free Press, Associated Press and Booth Newspapers.

Tawas Kiwanis Names Rollin New President

In an election held recently members of the Tawas Kiwanis Club elected Russell Rollin, Iosco County superintendent of schools, as the new president; Serge Thomsson, first vice president, and Walter Champion, second vice president.

At the meeting held Tuesday, October 21, at the Holland Hotel three new members were accepted into club membership. They are F. Duane Ross, John Skinner and Dr. James Jacques.

Richard Stock, driver training instructor at Tawas Area High School talked about the driver training program in the school. Mr. Stock stated, "In the past few years the number of students taking driver's training has raised from between 15 and 20 to 70."

The state requires a minimum of 30 hours class time and six hours driving time. Tawas Area students receive about 36 hours of class time.

Gordon Huck, out-going president, is making plans for the annual meeting to be held in January.

TREE FARMERS

Among 43 landowners to receive Michigan tree farm certificates at ceremonies held last week at Engel Wood Plantations near Lake City were Elmer Anschuetz and Cecil W. Cabbie, both of Tawas City.

BRUGGER'S MARKET in Tawas City completed its new 35-car parking lot Monday. In the above picture, John N. Brugger is shown with Howard Hilderbrand while the lot was being black-topped. Hilderbrand of Oscoda was contractor for the work.—Tawas Herald Photo.

Literary Club Meets in Remodeled Club Building

The Ladies Literary Club met Wednesday evening, October 15, at its newly-remodeled club building for its opening business meeting. Guests present were Mrs. Allen Boyle and Mrs. Paul Harvey.

Mrs. Lottie O'Loughlin, president, led the business meeting. Reports of work since last spring were given by the recording and

financial secretaries, the treasurer and by the chairman of trustees, Mrs. L. G. McKay Sr.

Mrs. McKay was commended for her work on the building project. A report of plans for the county club meeting and banquet was given by the county president, Miss Helen Applin. Final plans were made by the club as the hostess club. The banquet will be held at the Masonic Temple November 5 at 7:00 p. m.

Musical selections were presented by Mrs. Rex Kochenderfer and Miss Judy Miller. A piano duet was given on variations of "The Glow Worm" and Mrs. Kochenderfer played an arrangement of "Autumn Leaves."

Mrs. Earl Wight was guest speaker. As county nurse she gave an instructive talk on how the public health service functions. She stated that District Health Unit No. 2 comprises four counties, Iosco, Oscoda, Arenac and Ogemaw, she explained her work for the year in connection with schools, clinics, rest homes, hospitals and service to the public. She told of cases that come under public health service and those that must be handled by physicians and hospitals. She gave information on diseases, care and prevention in connection with her work. A question-answer period followed.

Refreshments were served after the meeting by the following committee, Mrs. Glenn Hughes, chairman; Mrs. J. S. Harrington; Mrs. H. E. Hanson, and Mrs. E. T. Pierson. Table decorations were red candles and a centerpiece arrangement of red leaves and yellow flowers.

Mrs. Paul Sutton presided at the serving table. Assorted homemade cookies, nuts, candies and tea were served.

IN LESS THAN one-half hour Sunday morning, a large 36 by 86 barn was leveled by flames on the Charles Simons Jr. farm, located west of Tawas City on M-55. Cause of the fire was undetermined, but it was thought to have started in faulty wiring.

The blaze was discovered by Kim Simons, who ran over to the

home of his grandfather, Charles Simons Sr., and told him the barn was on fire. When Mr. Simons opened the door bales of hay were burn to his head. The Tawas City Fire Department was called but the blaze leveled the barn in a very short time.—Tawas Herald Photo.

TODAY'S CHILDREN LEARN

about the value of the telephone almost before they can walk. Here's a story of a six-year-old daughter who knew exactly what to do when she heard a man trying to break into the house. She ran to the phone and got the police. The fact that the intruder turned out to be her father (he had lost his keys) takes nothing away from her prompt action in a crisis.

THE TELEPHONE COMPANY has a special way of recognizing noteworthy deeds by telephone employees in time of crisis. Telephone folks have a long tradition of service to the public; but each year the company makes a practice of giving medals, cash and citations to employees for some particularly outstanding deed beyond the call of duty. This year, for instance, awards were given to a Pontiac telephone man credited with saving the life of an auto accident victim, and to an Ann Arbor repairman who rescued a man from fire.

A SMALL BOY called the Information Operator to ask for a local number. After she had supplied it, the operator suggested to the small boy that he would find it in the telephone directory. "I know," he agreed, "but I can't do that 'cause I'm standing on the directory to reach the telephone."

DO YOU HAVE TROUBLE reaching your phone? Do you sometimes find yourself upstairs when it rings downstairs? Did you know that you can save yourself and family any amount of rushing about? And very inexpensively, too. All you need is a bedroom extension phone. More and more people are discovering the wonderful convenience and extra fun of having extension phones. How about calling our Business Office about it today?

PARTING SHOT: Psychiatrist: "Do you have trouble making up your mind?" Patient: "Well... yes and no."

Braves Lose Hard-Fought Decision

By HARRY CRAWFORD

The Oscoda Owls won a hard-fought, 13-12 decision over Tawas Area Friday night under the lights at Oscoda to run its streak to five consecutive wins over the Braves in as many years.

This game was a "cliff hanger" throughout and both teams were "up" for the annual meeting of the two schools on the gridiron. The Braves, playing as a team, turned in their best game of the season. The difference in scoring came by the closest of margins—Tawas missed both of its points-after-touchdowns.

Oscoda opened the scoring in the first quarter when it recovered a fumble by Quarterback Butch Loy on the 45-yard line of Tawas. The Owls then began a sustained drive which was climaxed with Alverson carrying over from the four-yard line. Kit Silver attempted to run the extra point and was caught short by Don Heenan. Oscoda led early in the first quarter, 6-0.

After the ball had exchanged hands twice, Tawas Area began a drive with a fine interception of a Silver pass by Ray Moore. Moore returned the ball 24 yards to the 24-yard line of Oscoda. Ledworth went off tackle for one yard. Loy's pass to LeClair was incomplete. Loy then hit Bolen, who was playing end, with a pass good for 23 yards and a touchdown. Brigham attempted to kick the extra point and missed.

Neither team was able to get an offense moving in the second quarter, as the defensive teams dominated play. The half ended with the score tied at 6-6.

During the halftime, hands of Tawas Area High School and Oscoda High School combined to present a fine program. Oscoda came back to dominate play in the third quarter, leading in first downs with five, to one for Tawas Area. All Tawas could muster in the third period were four plays from scrimmage.

The kickoff after the half was low and short. Oscoda returned it to the 28-yard line of Tawas. There, Oscoda began its second sustained drive of the evening and, in nine plays, carried the ball to the 15-yard line of Tawas.

At this point Oscoda got the

"break" of the game. On first down the Owls were thrown for a four-yard loss to the 19. On second down Tawas recovered a fumble, but a holding penalty was assessed against Tawas and Oscoda retained possession of the ball. The penalty moved the ball to the Tawas five where the Owls moved in for the TD. Silver went over from the one for the score. Dick Schorffhaar then kicked the extra point which proved to be the margin of the game.

In the final period Tawas bounced back with LeClair breaking through the weak side of Oscoda's line for 32 yards to the Oscoda 40. LeClair again carried on the same play for 11 yards and a five-yard penalty was assessed against Oscoda. LeClair, for the third straight time, carried for five yards to the 10 of Oscoda. Ledworth picked up one yard and LeClair moved for another seven yards. Bolen, who had taken over the quarterback slot, carried over for the TD on a sneak. Brigham, attempting to tie the game, missed the PAT, the ball going under the cross bar.

Tawas then kicked off to Oscoda and the Owls ran out the clock for a well-deserved, 13-12 win.

Success on two conversion attempts put Houghton Lake on top of Northeastern Michigan Conference football race last Friday night, as it celebrated its homecoming with a 20-18 win over previously unbeaten Arenac Central. West Branch kept its grip on third place, defeating Arenac Eastern, 26-7; Pinconning outscored Beaverton, 28-20; Roscommon took the measure of Gladwin, 13-0; Tawas Area lost its traditional battle with Oscoda, in a non-league affair, 13-12.

This Friday, October 24, Houghton Lake travels to Gladwin; Pinconning hosts Arenac Eastern; Tawas Area plays at Arenac Central; Beaverton entertains Roscommon; West Branch will tangle with Whittemore-Prescott in a non-conference contest.

Arenac Central counted in the first quarter for a lead the Panthers held until intermission, when all-conference back, Doug Dudley, broke loose from scrimmage and scampered 70 yards for the touchdown. The all-important conversion kick was blocked. The teams left the field after a scoreless second period with the Standish-Sterling combo on top, 6-0.

On the second play following the kickoff of the second half, Halfback Dick Rochon almost duplicated Dudley's feat. Breaking through the line, Rochon went 70 yards to the four where he was knocked out of bounds. Halfback Ed Barnes went off tackle for the score to put the Bobcats back in the ball game. The PAT was missed but the score was knotted at 6-6.

Dudley came right back to put his outfit ahead. This time he broke loose for a dash of 35 yards, but his kick for the extra point was blocked. Not to be outdone, Rochon went 31 yards to knot the score at 12-12 and when Quarterback Pat Marts hit End Lyle Carrick with a pass, good for the extra point, the winners went ahead for the first time in the ball game at 13-12. To finish out the high scoring third period, Dudley counted on a one-yard plunge

The above pictures are portions of sequence shots taken by the Herald cameraman Friday night. At left, Dwayne Ulman of the Braves leaps and misses a pass from Quarterback Butch Loy. The next three pictures show Ray Moore, No. 22, intercepting an Oscoda pass. He returned the ball 24 yards and set up a Tawas touchdown. Other Tawas players in the pictures are Jim Zaleski, No. 40, and Pete Bolen, No. 21. Guarding Ulman at left is Oscoda's Leroy Purcell, No. 66—Herald Photos.

swept right end for the touchdown and Halfback Herb Wendling went through the middle to make the nights conversion attempts four out of four.

Beaverton broke loose in the fourth period to get two touchdowns, passes playing a big part

in the scoring. Quarterback Marlin Spencer tagged End Dave Fasset with a 20-yarder in the end zone for the first score and found Eddy open for the second TD. Eddy kicked the second of three tries following the second touchdown. Roscommon made its home-

coming celebration a huge success and moved into the 500 class with its win over the Flying Gs. The winners counted early in the first quarter after Quarterback Jim Papenfus intercepted a Gladwin pass on the 40 and went to the 14, where Fullback Barry Hubbard

circled end for the touchdown. The try for extra point failed and the winners had a 6-0 lead at the end of the first quarter. The Bucks waited until almost halftime to get their second score. After getting the ball on a punt, Roscommon worked the ball to the three

where Halfback Tom McCutcheon swept right end to the end zone. McCutcheon kicked the extra point which gave the winners a 13-0 intermission bulge, which also proved to be the margin at the final whistle.

Junior Varsity Rings Up 5th Straight Win

By HARRY CRAWFORD

Last Thursday night at Oscoda Tawas Area's Junior Varsity rang up its fifth consecutive game of the season by defeating Oscoda's JV, 40-6.

Leading all the way, Tawas scored twice in the first quarter, the first coming on a pass from Quarterback Don Humphrey to End John Sess, and the second on a three-yard dive by Herman Rollin.

Oscoda tightened its defense in the second quarter and Tawas was unable to score until just before the half ended, when Jim Brooks, on a "bell-right" pitch, went over for the TD.

Brooks scored again in the third quarter on a seven-yard dive, and in the fourth quarter showed his heels to Oscoda defenders on two occasions when he scored twice on end-around plays.

Humphrey, who has quarterbacked the team in the past three games since Loy moved up to the varsity, made good on four out of six kicks for the point-after-touchdown.

Defensive stand-outs for the Tawas team were Neil Mochty, Neil Johnson, Ken Herriman, Brooks and Jim Campbell.

Tonight, the Junior Braves meet Arenac Central's Junior Varsity on Tawas Area's athletic field at 7:30 o'clock. Since both of these teams are undefeated this season, this game will be a battle for the conference junior varsity title.

This game has been set aside as "Dad's Night" as the junior varsity meets its toughest test of the year.

through the middle after a long drive downfield. The touchdown put the losers back in front at 13-13, at the end of the third quarter.

The Lakers scored the winning touchdown past the half-way mark in the final stanza when Marts scored from a yard out on a quarterback sneak. His pass to End Dick McCoy ended the scoring. Central still had time to score, but fumbled on the kickoff, Houghton Lake recovered and maintained possession to the final whistle.

West Branch scored in every period to chalk their third victory against one loss and a tie. The Orioles first counter came on a 37-yard run by Halfback Gene Hutchins and Fullback Doug Fritz hit the middle for the extra point. The winners added a second six-pointer in the second period, using the same combination, with Hutchins going 40 yards to the two and Fritz plunging over. Hutchins ran for the extra point to give the winners a 14-0 lead.

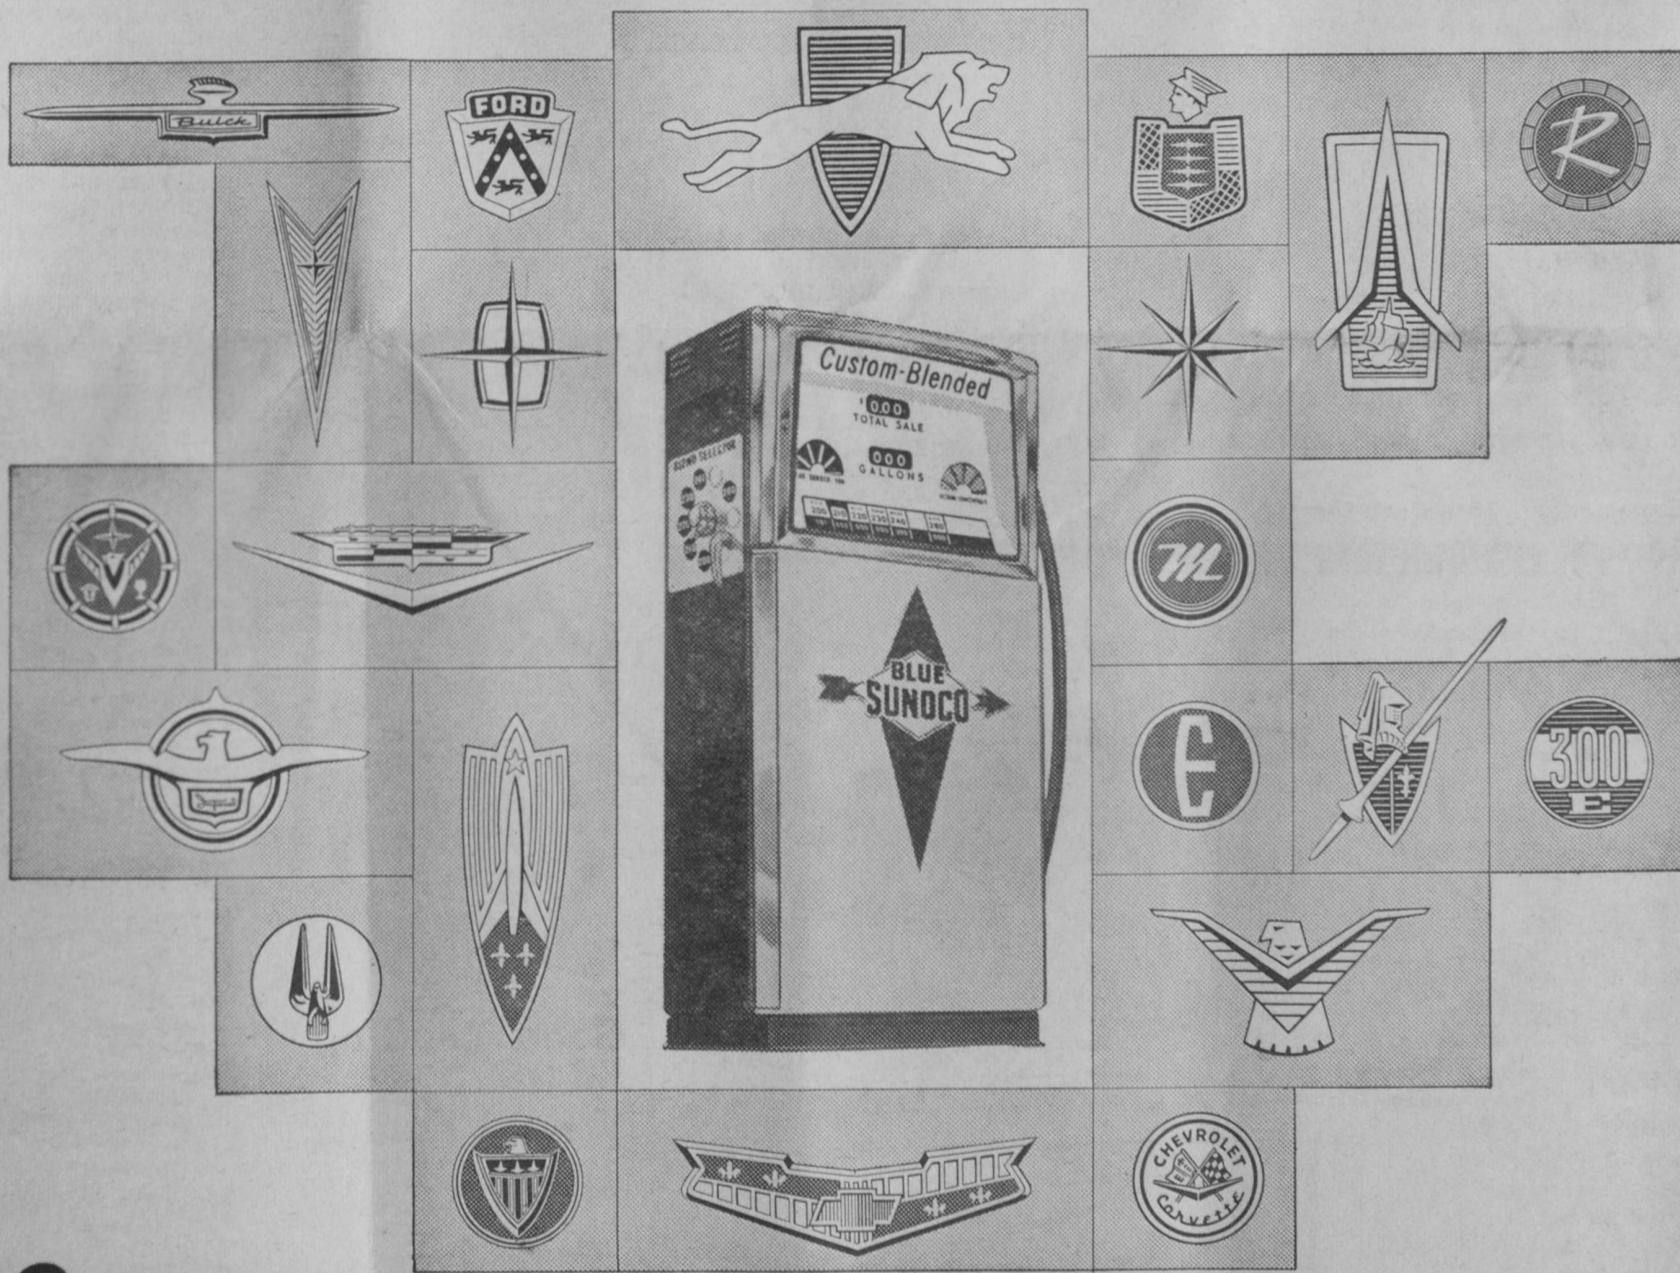

Pinconning built a 28-7 lead in the first three periods and then fought off a last quarter Beaver rally which tallied 13 points, to get their second win of the season. The Spartans scored first when Halfback Lee King went 60 yards around end and Quarterback Gary Kinsey got the extra point on a sneak. Beaverton knotted the count on the following kickoff as Halfback Larry Newman went 75 yards on a reverse and Halfback Jack Eddy booted the extra point.

The Spartans hit pay dirt twice in the second period to seemingly put the game beyond the Beavers' reach. Halfback Dick Marter went 65 yards on a reverse to the first touchdown and Kinsey passed to End Jerry Halloran for the extra point. Kinsey scored the second TD after a downfield march on a quarterback sneak. Louie Eils, fullback, scored the PAT to give the winners a 21-7 intermission margin.

An aerial set up Pinconning's third period counter. Kinsey hit Halloran on a play good for 30 yards to the Beaverton 10. Kinsey

Funeral Services for August W. Miller Held Saturday

August W. Miller, operator of the Paragon Feed Mills at Whittemore, died Wednesday evening, October 15, at the Tawas Hospital following a long illness.

Born July 30, 1893, at Detroit, he married the former Miss Ida Spietz on August 12, 1915, at Plymouth.

Previous to coming to Whittemore in 1948, Mr. Miller had operated grain and feed businesses at Detroit and Richmond. Coming to Whittemore, he purchased the Smith Brothers' grain elevator and organized the Paragon Feed Mills, Incorporated, heading the firm as president and general manager. Paragon brand stock and dairy feeds are sold in the Northeastern Michigan area.

Mr. Miller was a charter member of the Whittemore Chamber of Commerce and a member of Grace Lutheran Church, East Tawas.

Survivors are his widow; three sons, Adelbert of Richmond, Paul of Lincoln and Daniel of Whittemore; five daughters, Ellen of Whittemore, Mrs. Vivian Kaufman of Detroit, Mrs. Kathleen Engel of Minden City, Mrs. Mae Kopaczewski of Standish and Mrs. Shirley Stec of Peru, Indiana; 13 grandchildren; one brother, Carl Miller of Topinabee; three sisters, Mrs. Alvina Schultz of Detroit, Mrs. Hattie Miller of Royal Oak and Mrs. Elsie Staub of Utica.

Funeral services were held Saturday afternoon at the Grace Lutheran Church, East Tawas. The Rev. William C. Lindholm officiated. Interment was in the Saints Cemetery at Whittemore.

Eugene E. Lutes Succumbs to Long Illness

Funeral services were held Saturday afternoon at the East Tawas Methodist Church for Eugene E. Lutes of Tawas City. Mr. Lutes died Wednesday night after an illness of several months.

A cabinet maker for the Anderson Coach Company for several years, he had previously operated a television store in the Carlson Building at East Tawas. He had been a resident of East Tawas for 10 years prior to moving to Tawas City a short time before his death. Mr. Lutes was active in the formation of the union of Anderson Coach employees.

Mr. Lutes was born July 17, 1906, at West Branch. He married the former Helen Phillips on April 23, 1943, at Ypsilanti.

He is survived by his widow; two daughters, Connie and Terrie, both at home; three brothers, Byron of Memphis, James of Hollywood, California, and Myron of Detroit, and a sister, Mrs. Lena Doerr of Detroit.

The Rev. Ralph Edwards officiated at the services. Burial was in the Edwards Township Cemetery, Ogemaw County.

Mary makes things grow. A full generation ago she planted love in a young man's heart... nourished it... watched it bloom through shrill and quiet years alike.

And Alec knows—a love like this deserves security.

Blue Cross-Blue Shield health care helps provide it—even after retirement—and it'll never be canceled because of old age or long illness. What's more, Alec and Mary are protected against unexpected hospital or medical expenses.

But then, perhaps you and your family are protected by Blue Cross-Blue Shield, too. If not, ask about it... especially the new "M-75" medical plan.

tended an open house for the new store.

Managers of the various departments of the new store are as follows: Donald McAllister, dairy department; Lyle Felske, produce department; Ivor Dungey, meat department; Robert Weisend, grocery department. Shirley Clayton is head cashier.

Features of the new store include: Magic carpet, self-operating doors; three quick-check check-out counters and one "express counter;" modern display cases for frozen foods, meats, produce, fish and poultry; public address system; complete air conditioning.

Modern facilities for unloading and storage have been provided at the rear of the store with the installation of an automatic conveyor system. The meat department has its own special door at the rear of the building, equipped with overhead conveyor system.

At the start of business, the Kroger Company is employing 24 persons at the new store here.

W-P School Band Now Take Part at Football Games

The Whittemore-Prescott Area School Band is marching at football games for the first time this year; however, being new does not stop the band from doing a good job. The band has already shown many good marching formations, but it still has some good shows planned.

For the next game, which will be played at West Branch on October 24, the band plans to use the theme, "Calypso Holiday," for its show. The show will be based on a trip to the Caribbean. For the following game, which will be played on Halloween night, the band has planned a Halloween show which will feature square dancing done by the whole band.

The winter activities of the band include a solo and ensemble festival, a band festival and for some of the members of the band, playing in the all-star band at Tawas Area High School in December.

The band also plans a larger concert program this year under the direction of the new band leader, Henry VerBerkmoes. The band plans to give both winter and spring concerts, and has additional plans for concerts during the next summer vacation.

Mr. VerBerkmoes, music director, said that he thinks the band shows very good progress in its first year as a marching band and shows a lot of promise for future years. The band also has plans to improve its appearance by the addition of white gloves and white spats to its present costume.

CLUB OBSERVES PAST PRESIDENTS NIGHT

Past presidents night was observed at the Twentieth Century Club meeting last Wednesday evening at the Tawas Area School library. Mrs. R. E. Mick was chairman of the program.

Hills of memory or the high spots that are remembered by club members over the years were recalled by Mrs. Mick. Letters were read from past presidents, Mrs. Rebecca Osborne, Uiter, Mrs. Mae Smiley, Bay City; Mrs. Grace Mark, Saginaw; Mrs. William A. Davison, Midland; Miss Effie Graham, St. Petersburg, Florida, and Mrs. Albert Jerome of Bay City.

Mrs. Alfred Shaw of Fenwick, the former Margaret Worden, was present for the meeting. She gave an interesting account of the events in her first experiences of being a club member in 1915. She also recalled some of the highlights while she was president.

Four other past presidents, Mrs. J. F. Mark, Mrs. Ira Horton, Mrs. William Leslie and Mrs. George Liske, were present.

An interesting report of the Northeastern District Convention at Bay City October 7 and 8 was given by Mrs. John Proctor.

Meditation was given by Mrs. William Gregory.

The county federation of women's clubs meeting will be held November 5 at the Tawas Masonic Temple. The Ladies Literary Club of East Tawas will be the hostess club.

Guest night, an annual event, will be held October 29 at the Tawas Area School cafeteria. A 6:30 dinner will be served, followed by the program.

MRS. REINKE PRINCIPAL OF BANGOR LINCOLN SCHOOL

Friends of Mrs. Martin Reinke, the former Miss Ernestine Cecil, will be interested to know that she is now principal of Bangor Lincoln School of Bay City. Her school was awarded several medals for educational purposes by the Bangor Boosters Club.

She is a former resident of East Tawas for many years and the daughter of Ernest Cecil and the late Olive Cecil.

Wed at Evening Ceremony in East Tawas Methodist Church

MR. AND MRS. WALTER GROGIN

In an evening ceremony Saturday, October 18, at the First Methodist Church, East Tawas, Miss Sandra Jane Hunter of East Tawas, daughter of Mr. and Mrs. Clyde Hunter, and Walter Jay Grosin of New York, son of Mr. and Mrs. Joseph Grosin, were united in marriage. The Rev. Ralph Edwards officiated at the 7 o'clock, double ring service.

The church was decorated with white fuji chrysanthemums, white pompons, carnations and palms. Mrs. William Mooney played organ music preceding the ceremony and accompanied Mrs. Herbert Look as she sang "The Lord's Prayer" and "The Wedding Prayer."

The bride chose a sweeping floor length gown of imported Chantilly lace and tulle. It was fashioned with a portrait neckline, fitted Dior bodice and brief sleeves with matching gauntlets. Tiny seed pearls and iridescents complemented the dress.

A matching Swedish crown secured her hand-rolled fingertip veil of bridal illusion. She wore a single strand of pearls, a gift of the bridegroom. She carried a bouquet of white lilies and stephanotis, accented with sweetheart roses.

Miss Karen Hunter, sister of the bride, served as maid of honor and Mrs. Paul Ramus, cousin of the bride, was bridesmaid. They wore identical gowns of

shrimp and turquoise nylon over taffeta. Their bouquets were yellow and bronze roses.

Jeanne Sue Grimes, flower girl, wore a candy pink party frock of pure silk with a velvet ribbon at the waist and a short puffed skirt. A chemise hair band and face veil completed her attire. She carried a pink basket of white and pink pompons and maline netting.

David Grosin of New York, brother of the bridegroom, served as best man and Dean Marcopoulos of New York was groomsman. Ushers were Frank Bowman of East Tawas and Jack Beaubien of Tawas City.

Following the ceremony, a reception was held in the church parlors for 150 guests. The bride's table was centered with a three-tiered white cake with the traditional bride and bridegroom

Robert Butts

McClure Methodist Church, Deposit, New York, was the scene Sunday, October 5, of the marriage of Miss Alta Mae Butts of Deposit and Ronald L. Robert of New London, Connecticut. The Rev. Frank Abbot performed the 2 o'clock, double ring ceremony.

Mrs. John Mallory was organist. Parents of the couple are Mr. and Mrs. Alton P. Butts of Deposit and Mr. and Mrs. Arthur E. Robert of Tawas City.

Escorted to the altar by her father, the bride was attired in a dark blue suit with powder blue accessories and a white orchid.

The bride's sister, Mrs. Norman Chapman of Johnson City, New York, was her only attendant. She wore a beige suit with white accessories and a lilac orchid.

Daniel Robert of Tawas City was best man for his brother.

Mrs. Butts chose a lavender dress with white accessories for her daughter's wedding. Mrs. Robert wore a light blue suit with white accessories. Their ensembles were complemented by corsages of white carnations and yellow rosebuds.

A reception for the immediate families was held in the church basement following the ceremony. The couple will reside at 25 Boswell Avenue, Norwich, Connecticut.

The bride graduated from Deposit Central High School in 1957. The bridegroom attended Hale High School and is presently with the United States Navy.

Out-of-town guests attended the wedding from Tawas City; Masonville and Hancock, New York.

placed on a large mirror and white gardenias circled the mirror. Double candelabra held white bouquets and white candles. The serving table was centered with a floral piece of bronze and yellow flowers.

For her daughter's wedding, Mrs. Hunter chose a dress of royal blue taffeta and a corsage of rose carnations glittered with silver. The bridegroom's mother wore a brocaded blue satin gown and a corsage of white pompons, accented with gold.

For traveling, the bride wore a blue silk chemise dress with black accessories and a white corsage from her bouquet.

The couple is spending a two-week honeymoon trip through the Southern States.

Out-of-town guests were from Detroit and Bloomfield Hills; New York City, New York, and Chicago, Illinois.

Pfahl-Kaake Wedding

MRS. LESLIE F. PFAHL

Baskets of white gladioli and pink roses decorated the altar of the First Congregational Church, Imlay City, for the marriage of Miss Rose Mary Kaake and Leslie F. Pfahl Friday evening, October 10. The Rev. John H. Balfour performed the ceremony. Mrs. Kathleen Zulkie, accompanied by Mrs. William Owens, organist, sang "Because" and "The Lord's Prayer."

The bride is the daughter of Mr. and Mrs. C. A. Kaake of Imlay City and Mr. Pfahl is the son of Mr. and Mrs. F. C. Pfahl of Tawas City.

Given in marriage by her father, the bride chose a gown of white silk taffeta which featured long sleeves and a bodice of embroidered lace. Tiny taffeta bows were scattered on the floor length bouffant skirt that fell into a full chapel train. A fingertip veil of French illusion was secured by a crown of rhinestones. She carried white cymbidium orchids and pink rosebuds arranged on a prayer book.

Mrs. Howard Tietz Jr., sister of the bride, was matron of honor. She wore a Ming blue silk organza gown with a ballerina length skirt, accented by a cascade bouquet of white carnations

The Ford Custom Ranchero, first prestige pickup of its kind in the industry, is completely restyled for 1959. The Custom Ranchero has the same clean, tasteful styling of the 1959 Ford station wagons and a new, longer 118-inch wheelbase. The nominal body length of seven feet means a bigger loadspace for cargo of all sorts. The Ranchero has the same luxurious interior as the 1959 Ford Country Sedan.

New 1959 Model Ford Trucks on Display at Leslie's

Ford's 1959 line of trucks, designed and built to the highest quality standards, introduces new economy, durability, styling and driver comfort features in a full range of 371 models, which this year includes a new tilt cab tandem model and a Ford-built four-wheel drive.

The new Ford trucks are now on display at Ford dealerships

throughout the nation. They are on display locally at Orville Leslie and Sons, Tawas City.

Ford's new four-wheel drive models, which will be available soon in the F-100 and F-250 series, will cruise along the highway in two-wheel drive, or pull through deep mud, snow or sand when shifted into four-wheel drive. Equipped with the optional 292 V-8 engine, the new four-wheel drive trucks in the F-250 series will climb grades of more than 60 percent.

Another new truck model Ford introduces this year is the tilt cab tandem. Ford sold more tilt cab models in 1958 than any of its competitors. The new model combines the serviceability advantages of the tilt cab with the proven features of the powerful tandem axle and chassis.

New front-end styling of the 1959 Ford trucks includes a new hood on lights and mediums, new "floating type" grille with a horizontal design, new rectangular parking lights mounted in the grille area under the safety twin headlights, and on the light trucks, a new contoured integral bumper with a center recess area that protects the license plate. A new Ford nameplate is superimposed on a broad anodized aluminum strip across the front of the hood of light and medium trucks.

A new tractor package for heavy duty Ford trucks includes ICC-approved air brake and electrical connections, hand-control valve, tractor protection valve and dash control, clearance lights, trailer circuit breaker and relay, emergency stop light switch and turn signals.

Most of us already know that poison ivy is a very harmful plant in the spring and summer but John Andresen, forester at Michigan State University, says that poison ivy is active throughout the year. More people are active outdoors when the weather is warm and so more people are exposed to it than in the late fall or winter.

It is common to gather the colorful autumn leaves for interior decoration of the home, but our enemy, poison ivy, is also colorful. It has brilliant scarlet and gold foliage before its leaves drop. Often the ivy is gathered along with the maple, oak and ash leaves.

It may save you much trouble if you learn to recognize poison ivy. The leaf consists of three egg-shaped leaflets. The margins or edges of these leaflets are variable even on the same leaf. Its edges may be toothed or lobed. This is one good characteristic that separates it from most other trees, shrubs or vines. Fall and winter mature poison ivy often is festooned with very attractive white berries that hang in clusters, but they may not always be present. Poison ivy vines are also covered with slender aerial rootlets, which at times give the vines a distinct hairy look. The buds are light brown and without bud scales.

Your skin must come in contact with oils in the plant to contract the poison ivy rash. This contact can either be direct or indirect. Sometimes the oil droplets can adhere to smoke particles of a nearby fire and can spread for quite a large area.

there are two good rules to follow. "Leaflets three let it be, leaflets three, quickly flee."

Vernal alfalfa continues to be the number one favorite of the many new varieties that are becoming available to Michigan farmers.

While all of the newer alfalfas have some excellent qualities, many lack one thing—bacterial wilt resistance.

S. T. Dexter, forage crops scientist at the Michigan Agricultural Experiment Station, believes that Vernal is the bonus variety. It yields as well as the best for the first two years and stays on in wilty soils long after Grimm and Narragansett are badly damaged.

Vernal is a finer-stemmed variety than the old standard Ranger. It outyields Ranger regularly by 10 to 15 percent in Michigan. Vernal can take frequent cutting or other hard treatment better than the other varieties, although it will show injury that would be expected from abuse. Dexter likes this toughness characteristic; weather and other factors often force farmers to handle alfalfa other than as they might wish.

Narragansett is a good yielding variety before the wilt gets to it. Another new variety, Atlantic, is also a good yielder but is susceptible to wilt.

In general, the additional hay from the Vernal makes it the best buy even though seed may cost a little more. Farm crops authorities recommend it and say it is especially needed where stands are to be kept more than two years.

Trucks are the only commercial vehicles which serve all of Michigan — bringing merchandise and materials from every part of the world to every Michigan household, farm and business concern.

In fact, for hundreds of Michigan communities motor vehicles are the sole means of transportation — autos and buses for passengers, trucks for freight. These communities are not served by any other transportation system.

So, you see, because trucks can and do go wherever there are roads, ample supplies of food, furniture, medical supplies, tools and machinery — necessities and luxuries from everywhere — are available anytime to people in all of Michigan.

Those in small out-of-the-way communities are as well fed, well housed and well clothed as the people of Michigan's largest metropolitan centers — thanks to trucks.

THIS IS A "WORDY BIRD" and it's always out of season, because it's made of telephone cable. Here, a Michigan Bell Telephone Company lineman urges the hunter to use care during pheasant season so that he'll bag the bird instead of cutting the cable. Michigan Bell points out that considerable inconvenience can be caused rural phone users and whole towns could be isolated through cable damage caused by careless shotgun blasts.

"Can I GUARANTEE THE LOAN? See this sweepstakes ticket?"

By DOROTHY SCOTT County Extension Agent

Calendar: Thursday, October 23—"Broiler Meals" at Charles Bielby home. Saturday, October 25—Arts, Crafts, Home Industry Show, Grayling.

Women in the neighborhood north of Hale are invited to Mrs. Bielby's home at 7:30 p. m. when we shall have a demonstration and discussion about "Broiler Meals" and talk further about organizing a women's extension group.

Why not plan to come yourself?

"Holiday Foods" is to be our Christmas meeting this year. Everyone is invited to attend the demonstration meeting. Mrs. Ruth Hunsberger, Michigan State University marketing information agent, is coming to our county for this occasion. There will be more information about it soon. Be sure mark your calendar and save the date.

Workshops are being started in two places this week. On Monday, women in the Tawas area met in the conference room, Federal Building. On Tuesday, another center was started at Reno Township Hall.

There will be several days of work in connection with refinishing and upholstery projects in each center, the projects completed by November 15.

Grayling High School Auditorium will host the Arts, Crafts and Home Industries Show on Saturday, October 25. Expected is a large display of handcrafted articles from the whole 33-county Northern Michigan area.

Fact is, if you have a specialty item you make and would like to display at this event, it can be arranged. Get in touch with me for more information.

The afternoon program features as speaker, Miss Isadora Williams, a marketing specialist with the University of Tennessee for many years. She has done much to improve standards and marketing practices among the people of Tennessee.

In addition there will be instruction classes in the following: Indian arts, ceramics, water colors, local organizations, marketing, oil painting general design, food products and weaving.

Iosco County is as interested as other counties in seeing arts, crafts and home industries become a profitable business. We can use information about these projects and their development as well as marketing for the best prices.

Would you like to attend the show at Grayling on October 25? We could "pool" a carload of riders. Let me hear from you.

Home is the hunter... and he brought the big limit of ducks. Now what will you do?

First pluck off the feathers. You need not scald the duck before plucking—the long feathers come off easily. Rub off the down with the heel of your hand and pick out the pin feathers. Use tweezers for pin feather plucking or go after them with a knife blade and your thumb. Singe the duck over a blaze and remove the oil gland just in front of the tail. Now you are ready for washing the duck and hunting out your favorite recipe for cooking it or ask us for a copy of "Good Eating from Woods and Fields."

So you are going to bake a cake! You ask, should you make it from scratch or use a cake mix? What about the cost of each—is one more expensive than the other?

Actually, baking the same kinds of cakes, not including icing, a homemade cake will be less than one cent cheaper than a cake mix, according to information released by Michigan State University consumer marketing agents.

There are other factors to consider besides cost which will no doubt influence your decision. Which kind of cake does your family prefer? If they object to cakes from mixes and prefer homemade, then it looks as though the "die is cast."

As much as one-half to three-fourths time can be saved by using mixes. Is your time schedule heavy and complicated? Are you working full or part time besides running your home? The answers to these questions may be the deciding factor.

Is it more convenient for you to use a cake mix and your own individual ideas for variations; such as, the kind of icing, or perhaps you would like to change the flavor of a plain cake with grated orange or lemon rind? Cake mixes can be used as the base for fruit cakes, too.

Something else which may be important to remember—a cake mix is made under very exacting directions and conditions and if you follow the directions, you should have success every time.

Appointed Secretary Dairyland Creamery

GIL VAUGHAN

Gil Vaughan, sales manager since 1952, has been appointed secretary-manager of Dairyland Cooperative Creamery Company at Carson City, succeeding the late Fred Walker, who had served

32 consecutive years. Announcement was made by Mark R. Westbrook, president of the farmer-owned cooperative's board of directors. Sales of Dairyland's Valley Lea milk and butter have expanded materially under Mr. Vaughan's guidance and now are distributed in Tawas City and vicinity by Nelkie's Dairy, and throughout 40 of Michigan's Lower Peninsula counties.

42 BOYS AND GIRLS ATTEND TEEN-AGE PARTY

Forty-two boys and girls from the seventh, eighth and ninth grades attended the VFW Auxiliary teen-age party October 17 at the VFW Hall. Mrs. Louis Klish of Ruth's School of Dancing gave instructions on dancing to the group.

A lunch of cookies and punch was served by the boys present and the auxiliary members. Chairmen for the evening's program were Hope Rescoe, Marvel Binder and Opal Kysler. The next teen-age party will be held at the VFW Hall November 21 at 7:00 p. m.

4-H Clubs

By DOROTHY SCOTT County Extension Agent

Calendar: October 24—Sherman Sharpies Community 4-H Club meeting. November 4—Hale Happy Hustlers Community 4-H Club meeting.

November 10—4-H Leaders recognition event.

From Roger Britt, Sherman Sharpies 4-H Club reporter, we have this news of their first fall meeting, delayed a bit because Roger was ill.

"The Sherman Sharpies held their first fall meeting on September 26 at the Sherman school under the guidance of Miss Scott and Mr. Davenport.

"We elected officers who are: President, Diane Britt; vice president, Janice Britt; secretary, Lynn Bamberger; reporter, Roger Britt.

"We will report later on the projects and the leaders, but we plan to learn sewing, cooking and will carry on with our dairy project."

Twice heard from this week is Peaceful Valley 4-H Club. They have had a monthly community club meeting and a gun safety project meeting recently.

Gretchen Stensrud, gun safety project reporter, tells about their meeting at John Wehrman's home.

"We discussed gun safety and what causes hunting accidents. We have three new members as follows: Vicky Wright, Ronald Wright and John Warner, making 26 permanent members.

"The next project meeting will be held October 13 at the Wehrman home."

"The Peaceful Valley 4-H Club had its once-a-month meeting at Philip Ahearn's home on October 7. We planned to have a public square dance to raise money, but have not decided when or where.

"We also planned a Halloween party for the 4-H Club. It will be October 29 at Dodson's cabin on Sand Lake. Costumes are to be worn and we will have games and treats." Sheila Dodson, reporter.

Cheryl Lyke is this month's 4-H Club reporter for Hale Happy Hustlers and tells us about their first fall meeting.

"Hale Happy Hustlers met with Mr. and Mrs. John Webb at their cottage on Loon Lake Tuesday evening for a combination wiener roast and get together to decide on fall 4-H projects. Sixteen boys and girls were present to select projects and elect officers. They are: President, William Wilson; vice president, David Bernard; secretary, Sandra Ranger; treasurer, Charlotte Webb; song leaders, Diane and Brenda Shortt; rec-

reation leaders, Cheryl and Christine Lyke.

"Projects chosen include: Clothing, photography, conservation, handicraft, entomology, tractor maintenance, gardening and foods."

Reno Topnotchers took advantage of a day home from school to get together and begin plans for their 4-H Club year. We hope to hear more details about these plans from the reporter for next week.

This club presented \$12 to help raise funds for the overnight State 4-H Club Show trip.

Scene The Nelson home Time A Saturday evening

The case of the crumpled letter!

1 The desk where Mr. Nelson opened his bills and wrote a letter to the electric company, protesting against their advertising that electricity gives more value for every dollar than any other item in the family budget.

2 Where Mr. Nelson looked at the electric clock to see if he had time to mail his letter before dinner.

3 The hi-fi set he turned off as he left the room.

4 Where Mr. N. paused to check the furnace thermostat and turn on the porch light to guide the dinner guests.

5 His daughter's bedroom where he watched her drying her hair with the electric hair dryer and admired the dress she had just ironed for her date.

6 The TV, with Junior riding herd.

7 The electric coffeemaker and the toaster, ready to do dinner duty.

8 The all-electric kitchen, where dinner was cooking and Mrs. Nelson was taking ice cubes from the refrigerator—and where the electric dishwasher and clotheswasher and dryer were waiting to do the chores ahead.

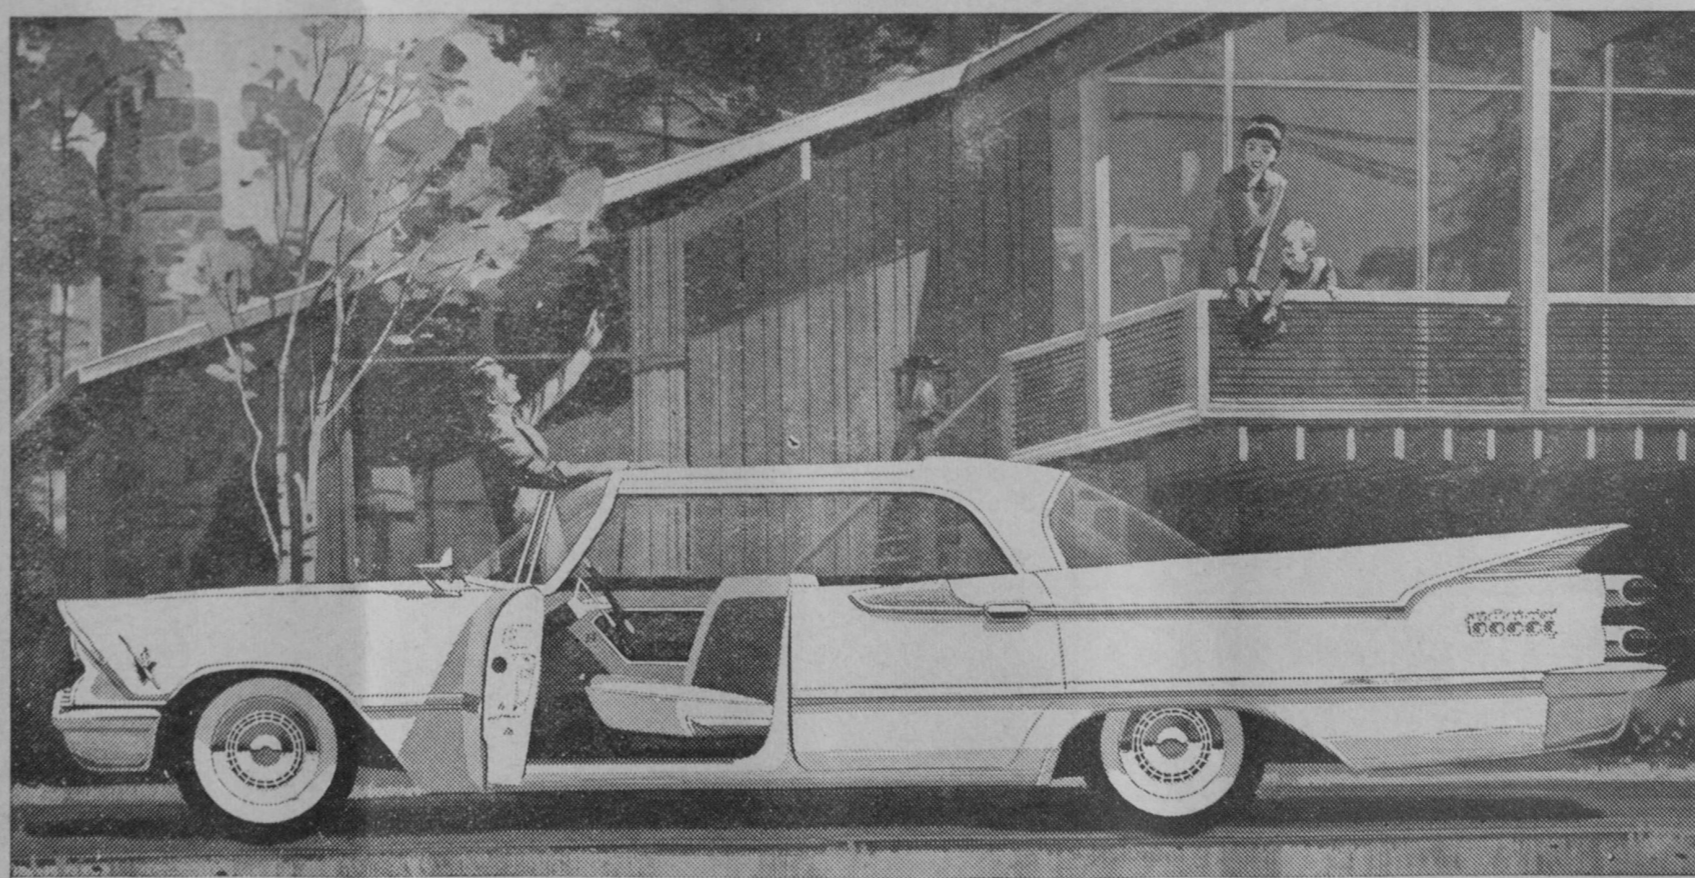

9 The back porch, where Mr. N. paused to think—realizing that his family was putting electricity to work in dozens of ways all over the house... ways he often forgot. So maybe the electric company was right about the value of his service.

10 The trash can into which he tossed his crumpled letter.
