

Tawas Area Will Dedicate Athletic Field Friday Night

Dedication of Tawas Area's new lighted athletic field will take place during halftime at Friday night's football game between Tawas Area School and Houghton Lake. The program is expected to last about 12 minutes.

Music for the program will be furnished by the Tawas Area School Band, under the direction of Edward Rima. Supt. Reynold Mick will be master of ceremonies.

The program will be conducted on the 50-yard line. Stuart White, president of the Tawas Area Board of Education, will "hand the field over" to Principal Ernest Jordan, who, in turn, will turn it over to Athletic Director Howard Adams and William Mick, president of the student council. The latter two will accept the field on behalf of the student body.

Speakers during the program will be President White, Mr. Mick, Mr. Jordan and William O. LaCourse, president of the Tawas Area Athletic Booster Club, an organization which actively supported the board of education in its quest for a new athletic field.

Members of the board of education, Mayors George Tuttle and Elmer Werth and Lester Howe, superintendent of the Houghton Lake School will be guests.

The new \$17,000 lighting system was installed by the district last fall under the supervision of John St. James, Tawas City electrical contractor. Through contributions of the community, original bids of \$22,000 for the complete system were reduced by about \$5,000.

The system includes 120 Appleton lamps in enclosed reflectors, each rated at 1,500 watts. Standards for the lights are 10 90-foot cedar poles, transported here by rail from Oregon. Ninety-six of the lights are used for the football field and the 24 additional lights are focused on the baseball diamond.

Initial plans for the new athletic field were formulated by the sports booster club and board of education at meetings held a year ago in July. Many contributions of clay, fill, labor, earth-moving equipment and trucks were received from local contractors and work got underway in August 1957 under the overall supervision of Mr. Mick. During that summer the field was tiled and work on preparing it for planting of grass seed was completed after school started.

Last November Consumers Power Company contributed labor and equipment to drill holes into the ground. A Saginaw contractor, using a huge dragline with a 90-foot boom, set the poles. Underground wiring was completed by St. James Electric in December.

During the past spring and summer several grass seedings

Blair was driving along Monument Road, unaware that the back of his truck was on fire, when the blaze was spotted by Trooper Carrol Harger of the Michigan State Police. Post-Harger, who had another motorist stopped along the road, flagged down Blair. He put out the blaze with a fire extinguisher carried in the patrol car.

UNWELCOME VISITOR—Frank S. Gogola of the Royal Motel, Tawas City, holds a "guest" which definitely did not register when it entered the motel last Friday morning. This picture was taken from the inside of the building looking through the double windows which this partridge shattered just as Mr. and Mrs. Gogola were eating breakfast. Although apparently uninjured, the bird was found in a dazed condition on the floor. By the time the Herald photographer arrived the bird had recovered—it knocked a table lamp off on the floor before it was finally captured. When released, the bird flew against another window, only this time the glass was not shattered. Mr. Gogola finally released the bird from a distance of about 100 feet from the motel.—Herald Photo.

Annual Homecoming Dance November 1

Annual homecoming dance at Tawas Area High School has been set for November 1 by the student council. Arrangements are being made to secure a band for this dance, to be held in the school gymnasium after the Tawas-Gladwin football game, which will be played October 31.

Homecoming was previously scheduled for October 17 and 18, the week-end of the Oscoda-Tawas game, but that game will be played at Oscoda.

were made by school custodians. The initial planting last fall did not progress as hoped and later plantings survived the dry summer only through the constant care of Fred Bublitz, school maintenance superintendent, and his assistants.

Later this fall delivery was received on two sets of collapsible bleachers, payment for which was received through the sale of booster club membership tickets.

"Everyone can take great pride in this accomplishment," stated Superintendent Mick this week. "It will be a place for year-round recreational activities as needed by the community served by the Tawas Area School District."

"We look to a time when soft-ball facilities will be included in the lighted part of the field for complete utilization of the lighting equipment," he said.

Two Hunters Injured in First Days of Season

Two persons were injured in Isosco County during the first days of hunting season. One was a gunshot victim and the other was wounded by his own arrow.

A Pontiac youth, James L. Stoglin, 19, was shot by an unknown hunter Saturday afternoon. Treated at Tawas Hospital, he was struck by 36 shotgun pellets in the back, back of the head, left arm and leg. Stoglin told investigating officers he was squirrel hunting. The shotgun was fired from a distance of between 50 and 100 yards.

A Saginaw archer, Lowell S. Smith, 23, was wounded by his own arrow while hunting in Plainfield Township Saturday morning. Smith told police that he was stalking deer and had several arrows stuck in his belt. When he stepped over a brush pile one of his feet went through the brush and an arrow was driven into his side when he fell. The wound was not serious. He was treated at Tawas Hospital.

John C. Tesmer, 74, of Mt. Clemens died of a heart attack which he suffered while hunting small game near Glennie Saturday afternoon. Tesmer was last seen alive by his three hunting companions about 9:30 a. m. His companions started to look for him when he did not return to their car at noon. He was found about 1 o'clock. Richard Gillies of Lincoln, coroner, ruled that death was due to a heart attack.

NUMBER 41

PRESENTING PAPERS appointing Paul Harvey, right, as assistant Isosco County prosecuting attorney, is incumbent prosecutor, William R. Barber, left. Looking on is Glenn Long, chairman of the board of supervisors, whose signature on the document made the appointment official. Mr. Harvey succeeds Alfred W. Mason, who was killed in an auto accident last Thursday.—Herald Photo.

Paul Harvey is Appointed Assistant Isosco Prosecutor

Because of the death of Alfred W. Mason, recently appointed assistant Isosco County prosecuting attorney, Attorney Paul Harvey was named to succeed him last Saturday by Prosecuting Attorney William R. Barber. The appointment was approved Saturday afternoon by Glenn Long, chairman of the Isosco County Board of Supervisors, and Mr. Harvey began his new duties Monday morning.

Appointment of Mr. Mason as assistant prosecuting attorney became necessary three weeks ago due to the illness of Mr. Barber, who only recently returned from a Detroit hospital.

Mr. Harvey was named the Republican candidate for prosecuting attorney in the November

general election, as provided by Michigan election laws, by Elmer Werth, chairman of the Isosco County Republican Committee, and officers of the committee.

Mr. Harvey's name will be printed on stickers and placed over the name of Mr. Mason on the November 4 election ballot.

Moving here from Bay City in June of this year, Mr. Harvey established his law office in the Docket building in Tawas City. He and his wife, Annabelle, and son, James, age nine, make their home at 613 Main Street, East Tawas.

Mr. Harvey had practiced law in Bay City since 1939, with four years out during World War II during which time he served as a

captain in the United States Army. He received his AB degree from the University of Michigan in 1936 and LLB degree from the University of Michigan Law School in 1939.

Active in Bay County politics for some years, Mr. Harvey had been mayor of Bay City from 1952 to 1954 and a member of the Bay County Board of Supervisors through 1956.

He was recently named as a trustee of the Tawas Kiwanis Club and is a member of the American Legion.

Ontario Burial Held Monday for Mason

Burial services for Alfred W. Mason, 33, Tawas City attorney and assistant prosecuting attorney for Isosco County, were held Monday at Wyoming, Ontario, Canada, his childhood home.

Mason was killed instantly shortly after 3 o'clock last Thursday morning when his car left US-23 about one mile south of Tawas City and skidded into a tree. The impact crushed the top of the car and then caught fire.

Burned beyond recognition in the flaming wreckage, Mason's body was not identified by state police or Coroner E. John Moffatt until a file check on the vehicle's license plates was received from third district headquarters at Bay City and through personal papers not destroyed by the flames.

Investigating officers said that Mason had been in Bay City Wednesday afternoon and was seen later in the day in Standish. He apparently fell asleep on his return to Tawas City. Tire marks on the shoulder of the road indicated that the car skidded 300 feet before hitting a cluster of maple trees.

A passing motorist saw the flaming car and notified the Michigan State Police Post at East Tawas. The Tawas City Fire Department was called and firemen extinguished the blaze using high pressure fog.

A native of Detroit, Mason attended Assumption College, Windsor, Ontario, and graduated from the Detroit College of Law. Employed for three years by the Lawyers Title Insurance Company in Detroit, in 1954 he moved to Standish to practice law.

Mason came to Tawas City in June of this year and was ap-

pointed city attorney. He won the Republican nomination for Isosco County prosecuting attorney in the August primary and two weeks ago was named assistant prosecuting attorney by Prosecuting Attorney William R. Barber.

Mason was a member of the Knights of Columbus, the Tawas Kiwanis Club, the Tawas City Businessmen's Association and was recently named a director of the Tawas Chamber of Commerce. He was unmarried.

His sole known survivor is his mother, Mrs. Johana C. Mason. Mrs. Mason had recently gone to Miami, Florida, for her health. She was notified of her son's death while in Florida.

ALFRED W. MASON

Scout Fund Drive Set for October 14

Paul Bunyan Council will open its finance campaign in Arenac, Crawford, Gladwin, Isosco, Ogemaw and Rosecommon Counties on October 14 for carrying on scouting in this area. It was announced today by Carl Thunberg and William LaCourse, who are campaign co-chairmen for the Tawas area.

A kick-off coffee break will be held at Kohlmann's Restaurant at 8:30 o'clock Tuesday morning, October 14, for captains and workers who will participate in the campaign.

Scouting is a movement organized and promoted for character building, citizenship training and physical fitness of the youth of America. Its programs are being used enthusiastically by churches, schools, community institutions, service clubs and others for the training of boys.

Last year, 90 boys participated in the cub and boy scout programs in the Tawas area. The boy scout movement is a good community force that merits your financial and moral support. Give now and generously to the boy scout fund drive.

SHOOT'S BUCK

After bow and arrow hunting for the last three years, Edward Zydowicz, son-in-law of the Frank Gogola, owners of the Royal Motel, finally got his deer Tuesday morning. The young buck, which weighed about 90 pounds, is the first one to be killed by anyone in the family in many years.

Five Building Applications OK'd During Past Week

Five building applications have been approved by the department of public works during the past week, it was reported at Monday night's council meeting. One permit was for construction of a new residence.

Permits which were approved included: Nita K. Grear, Fir Street between Beech and Oak, 24 by 30 home, estimated cost \$4,000; Don C. Huey, 114 Second Avenue, addition to garage, \$25; Clarence H. Froyd, 270 North Fifth Avenue, Harry Goldsmith Addition, 16 by 23 car port, \$350; Josie M. Klish, 221 Third Avenue, remodel upstairs of house and put on new roof which was destroyed in recent fire, \$3,500; Edward Bowsby, for Mrs. Pauline Nielson, repair floor in cabin, 1003 Lake Street, \$167.

In other business, the council reviewed a quarterly report and budget which was presented by City Treasurer Ruth Albertson.

Authorization was given to the department of public works to open the following streets: Fir Street between Oak and Beech; finish work on North Street; Third Avenue; Fourth Avenue; Seventh Avenue between First and North Streets, and Eighth Avenue.

The council granted permission to Emanuel Lutheran School to erect barricades on Second Street between Fourth and Fifth Avenues during recess and lunch periods, this area to be used for playground purposes.

Fire Destroyed Jordan Home Monday Morning
Fire destroyed the Matthias Jordan home on Turtle Road, Sherman Township, early Monday morning. Although the frame building was not leveled by flames, it was nearly a total loss.

Answering a call for assistance was the Whittemore Fire Department. When the blaze got out of control a call was made to the Isosco County Sheriff's Department in Tawas City and the Twining Fire Department was dispatched to the scene.

Investigating sheriff's department officers, who happened to be in the area when the call was received, said that the cause had not been determined as yet. The Jordan home is located two miles south and two miles east of the Melvor corner.

Seek Establishment of 'Tawas Centre' District

Twenty businessmen and property owners have banded together in an effort to establish the name of Tawas Centre for the area on US-23 from the north city limits of East Tawas to the Tawas Drive in Theatre. This area comprises about 1.4 miles.

Although no official organization has been established as yet, the group hopes to present its idea to the Baldwin Township Board in order that the latter group might take action. Some 20 businessmen and property owners

attended a meeting three weeks ago to formulate plans. This area has seen considerable business expansion in the past few years and two new business places will hold grand openings there during the next few weeks.

Harold Clark, who was appointed chairman of the organization three weeks ago, said Tuesday that results thus far look encouraging. He said that a special committee is to work with the township board in an effort to establish signs designating the area as Tawas Centre at the boundaries.

Mr. Clark said that street lighting had been approved as far as the Anderson Coach Company final finish plant.

"We had numerous suggestions for a possible name for the area, including Tawas Heights, Tawas Bend, North East Tawas, Northland, to name a few, but the committee was in full accord with the final selection," said Mr. Clark.

Silver Valley Kick-Off Is Set for Saturday

A kick-off luncheon to signify the start of the winter sports season will be held Saturday, October 11, at the Holland Hotel, East Tawas. Attending will be Silver Valley queen candidates for the 1958-59 season and members of the winter sports committee.

Upton Named to Succeed Christeson on E. Tawas Council

Appointment of Floyd A. Upton as Second Ward alderman to succeed Alderman Blaine Christeson, who turned in his resignation because his work will take him to Logan, Utah, for some time, was approved by the East Tawas Council Monday night.

Appointed by Mayor Elmer Werth, Mr. Upton resides on Maple Street in the Tawas Lake area. He came to this community several years ago after retiring from a Detroit automobile manufacturing company.

In other business, the council took action on closing alleys in the Alice Dimmick Subdivision. A hearing is to be held at a future date.

By council action, the boulevard area between Bay and Lake Streets (US-23) has been designated as the East Tawas Memorial Park. This park will remain under the care of the East Tawas Garden Club, which has done much to beautify it during recent years.

CHARGE AMENDED IN CIRCUIT COURT

Rodney K. Sedgeman of Tawas City paid a fine of \$25 and court costs of \$20 in Isosco County Circuit Court on Monday when appearing before Judge Herman Dehnke. He had appealed a justice court conviction for reckless driving to the higher court.

On March 10, Justice A. J. Goulet of East Tawas set Sedgeman's fine at \$25, court costs of \$20 and sentenced him to serve five days in jail. He had been arrested by Officer George Duff.

The complaint was amended in circuit court, to which he pleaded guilty, and paid the fine and costs.

STATE POLICE and Coroner E. John Moffatt prepare to remove the body of Alfred W. Mason from the wreckage of his car after it left the road south of Tawas City last Thursday morning. This picture was taken shortly after the flames were put out by the fire department.—Herald Photo.

SIX PERSONS INJURED WHEN TWO CARS COLLIDED ON DEAD END ROAD SUNDAY

Six persons, including three Isosco County youths, were injured in a two-car collision Sunday night when the cars ran off a dead end on the National City Road at the Isosco-Arenac County line.

Investigating officers said that a car, owned by Wilbur Runyan of Hale and driven by Carl L. Rein-

hardt, 20, of Flint, was following another car and could not stop for the end of the road. The car skidded into a guard rail and a car struck from behind by a car driven by Gerald A. Servis, 19, also of Flint. The two cars slid into a ditch.

Reinhardt received a blow to the head and was taken to the hospital. Servis received a blow to the head and was taken to the hospital. The other four persons were injured but not seriously.

Here's Proof---A Skunk Was Picked Up by Tail!

A Michigan State Police trooper and two City of East Tawas employees proved that an oft-talked-of, but seldom performed trick really works. The trick was this: They picked a skunk up by the tail so that it could not use its defensive powers.

Now the reason for this masterful, but evidently dangerous, trick could be called "in the line of police work." Mrs. Richard Boyle of 211 East Bay Street, East Tawas, telephoned the post to report that there was a skunk running around her yard which had its head trapped in a jelly jar.

Trooper Carrol Harger went to the rescue. When he arrived at the Boyle home he probably thought to himself that the complaint could have been closed much easier had the skunk backed into the jar. But such was not the case.

Two city employees, Ed Lixey and Bill Grossmeyer, who were working nearby, offered their assistance to Harger, who was considering the possibility of dispatching the helpless animal by shooting it. Harger ruled out this method, however, after he con-

sidered what the consequences would be in a populated neighborhood.

Lixey, remembering a story he once heard in his youth, suggested that the complicated affair might be solved by picking the skunk up by its tail to facilitate removal of the jar. Harger, not one to turn a deaf ear to advice, readily agreed—that is, if Lixey would carry out his own idea.

Lixey, ever mindful that he had never seen the trick pulled before, took after the skunk and finally ran it down. He snatched the animal up by its tail and motioned the other two men to come to his assistance. Seeing that Harger was unable to pull the jar off the squirming skunk's head, Grossmeyer pulled out his jack-knife and shattered the jar with a sharp blow.

A successful conclusion to the feat was now up to Lixey. He wound up and released the skunk like a bowling ball. The polecat skittered across the lawn in one direction, and the three men ran in the opposite direction. Police are happy to report that the neighborhood did not suffer from this episode.

ANOTHER TAWAS AREA ACCOMPLISHMENT

This newspaper echoes the sentiments expressed by Superintendent Reynold Mick this week when he said that everyone can take great pride in the school district's most recent accomplishment—completion of the new lighted athletic field. All residents of the Tawas Area School District should make every possible effort to attend the dedication ceremony planned for Friday night—not only to view the new athletic field and lighting system, but to lend their support to the Braves who will tangle with the top contender for the conference football crown—Houghton Lake.

It would be impossible to name all of the persons who have contributed their time and efforts to assist the school in realizing the fulfillment of a long-standing dream. But, perhaps the proof of the pudding is in the eating, and those who have worked on the project during the past year and a half will be justly rewarded by seeing the enjoyment which the field has brought.

It should be noted here that the Tawas Area Board of Education is to be complimented on its planning for the new athletic field. Modern in every respect, it is one of the finest lighted fields in Northern Michigan and will serve the district and the people of the community for a long time to come.

Naturally, in a span of only a year and a half, all of the details in the plans made in July 1957 have not been completed. Still to be considered are permanent bleachers, plans for which will probably be considered before the end of 1958.

Again, we urge everyone to be on hand for the dedication of the new field Friday night.

TAWAS CITY METHODIST CHURCH TO CELEBRATE 90th ANNIVERSARY

Plans are being made by a special church committee for a two-day program to commemorate the 90th anniversary of Tawas City Methodist Church on October 26-27. The Rev. Ralph Edwards, pastor of Tawas City and East Tawas Methodist Churches, said Monday that the two-day birthday anniversary of the Tawas City church would include a special musical program Sunday night, October 26, and a homecoming supper in the church dining hall Monday night, October 27. According to church records, Tawas City Methodist Church was established in October 1868 and services were held for five years above the old Whittemore Store building. The congregation built its church building in 1873 and it is still in use, although being remodeled many times and a new church dining hall was added in recent years.

Looking Backward— Spanish Influenza Epidemic Closes Schools in State

October 11, 1918—Schools have been closed and public meetings have been abandoned throughout the country on account of the Spanish influenza epidemic. The schools at Tawas City and East Tawas were closed the first of the week. Military draft calls have been canceled. As many as 24 deaths a day have been reported at Camp Custer as a result of the disease.

Mrs. Henry Kane returned to her home here after a visit with relatives at Fort Wayne, Indiana.

Mrs. J. M. Wuggazer is spending a few days with friends at Grand Rapids.

Miss Ida Loffman returned to Detroit after spending a few weeks with relatives at East Tawas.

Fire whistles were blown, church bells were rung and everybody was joyfully excited last Sunday. But it was a false report. The Kaiser was only putting on a "peace offensive" and the war is still on with troops at deadly grips in the Meuse-Argonne.

A telegram from the war department states that Jesse C. Hodder was killed in action on August 26 at Dravigny near the Vesle River. He had previously been reported missing. He was in an infantry company under the command of Capt. Edmund Connor.

Mr. and Mrs. James Hamilton are spending the week in Bay City.

Harry Westcott of Baldwin Township is in training at the aviation camp at Fort Worth, Texas.

Mrs. Charles Strong of Hale has joined her husband at Flint where they will reside in the future.

Mrs. Felix Hartman of Detroit is visiting friends in the city this week.

The Twentieth Century Club held its first meeting of the season at the home of Miss Effie Graham. The principal part of the program was a paper on the history, legends and traditions of Michigan, prepared and read by Miss Mamie Waterbury.

Miss Mavis Vosburg of Long Lake is spending a few weeks at Toledo, Ohio.

Edgar Louks has sold his hardware store at Whittemore to Joseph Collins. Mr. Collins will take charge about January 1.

Arthur Tottingham and a party of friends from Detroit are spending a few days at Hale.

October 13, 1933—Mr. and Mrs. Orville Leslie of Prescott are the new owners of the Ford Sales and Service here. The purchase was made this week with immediate possession.

The Tawas City Improvement Association is sponsoring a banquet Friday night honoring the Tawas City Independents, champions of the Northeastern Michigan Baseball League.

A. P. Krueger announced today that he will have a display of the new Continental cars Friday at his garage and salesroom on Lake Street.

Clarence Fowler is a business visitor at Bay City.

Mr. and Mrs. William Hinman of Hastings are guests of Mr. and Mrs. M. C. Musolf.

Dr. and Mrs. S. E. Sommers are spending a few days at Chicago attending the fair.

Mrs. Roy McMurray of Saginaw is a guest of East Tawas relatives.

October 15, 1948—Dr. Charles V. Crane of Grand Rapids, a former Tawas City physician, died Sunday. A lieutenant colonel in the medical corps during World War 1, Dr. Crane was one of Michigan's outstanding physicians.

Elmer Britt was re-elected member of the Iosco County Road Commission at the October session of the board of supervisors.

William Groff has purchased the Moeller Food Market. He took possession Monday morning.

Miss Maxine McIvor of Port Huron is spending a few days at the Chelsea McIvor home.

Mr. and Mrs. Martin Fahselt spent the week-end at Big Rapids.

What became of the young man who started to live his life according to unselfish principles?

WATZ 1450 kc.—12:45 PM

Michigan K of C to Commemorate Patron

Michigan's Knights of Columbus, state-wide, will commemorate their patron, Christopher Columbus, and the anniversary date of his discovery of America on October 12, 1492, states Joseph J. Mainolfi, state deputy of the society. Donald Abler, Oak Park, state council activities chairman, is coordinating the united celebrations by the state's 60,000 knights and their families, composing 149 council units throughout the Upper and Lower Peninsulas.

Exercises of the Tawas Council will be climaxed by a dinner dance to be held at Tawas Country Club on Monday, October 13. Members who have not already been contacted are urged to contact Grand Knight Robert Deloria or Deputy Grand Knight Robert Toska no later than Saturday, October 11, for reservations for the affair.

Christopher Columbus, born Cristoforo Colombo (Italian) in or near Genoa, Italy, in 1446, firmly believed that the earth was round; and that, by sailing due west, one would reach the shores—and the riches—of Asia and the Orient.

It was only through the intercession of the Franciscan Fr. Juan Perez, prior of LaRabina, Palos, Spain, confessor to Queen Isabella of Spain, together with Fr. Antonio de Marchena, that the three tiny ships with their combined crews of but 120 non-descript men, and the pitifully meager necessities were made available for their first voyage to leave Spain on August 3, 1492.

Columbus never forgot Fr. Perez' help; nor did he fail in his determination to bring the word of God to the pagan savages he discovered in this new land.

With Columbus on his second trip to America, in his 17 ships that left Spain on September 25, 1493, were some 1,500 men, including Fr. Perez and several other priests.

The first Mass in America was celebrated on the island of Haiti (Hispanola), December 8, 1493, by Fr. Perez. The first convent was established in Santo Domingo, Haiti, with Fr. Perez as its guardian.

Columbus built the first white man's fort "LaNavidad" in 1492 before he sailed home from his first voyage—leaving 40 of his scanty crew to garrison it. He

built the first white settlement or town—Isabela, Haiti, in December 1493.

Christopher Columbus died on May 20 or 21, 1506, in Valladolid, Spain, in the second year after his return from his fourth and last voyage to America, possessed of the belief that he had reached Asia.

He died destitute and broken, divested of his honors and dignities, the victim of jealousies, intrigue and greed.

But the world of today, 466 years after he first set foot on American soil at San Salvador, recognizes his true status—of which the Knights of Columbus are proud.

Woman's Society Holds Meeting

Members of the Woman's Society of Christian Service of the Tawas City Methodist Church met in memorial hall Thursday evening, October 2. Mrs. R. E. Mick was in charge of the devotions and Mrs. George Liske of the business meeting.

Members of the AuGrès WSCS were guests. Plans were made for Quiet Day, October 24, with the spiritual life leader in charge.

Miss Ruby Evans gave a fine report of her trip to the Fifth Assembly of the Woman's Society of Christian Service held in St. Louis, Missouri.

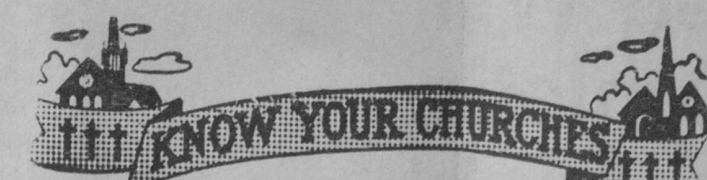

Hostesses serving refreshments were Mrs. Frank Walker, Mrs. George Myles, Mrs. Liske and Miss Ferne S. Mark.

WILL ATTEND DISTRICT PASTORS' MEETING

The Rev. Ralph Edwards, pastor of Methodist Churches of the Tawas, will attend a meeting of Saginaw Bay District Methodist Ministers at Harrisville on Thursday and Friday of this week. The meeting will be highlighted by a talk, "Religion Under the Red Star," by the Rev. Norbert Smith of Durand, who spent several weeks in Russia the past summer.

ALTHOUGH IT MAY APPEAR as though Ray Moore, Tawas Area halfback, right, is about to fumble the ball, partially hidden but for his arm is a Roscommon defender who attempted to tackle the Tawas speedster. On this play, Tawas hopes were high as Moore went for 45 yards on a brilliant kick-off return. Other Tawas players are giving him good blocking.—Tawas Herald Photo.

Braves Lose to Roscommon

By HARRY CRAWFORD

In the second quarter, Tawas fought back with a 65-yard drive highlighted by a fine 26-yard run around end by Halfback Den Ledwith, and climaxed by a one-yard plunge by Fullback Tom LeClair for a touchdown. Brigham attempted to kick the extra point, but it was blocked. Roscommon led at the half, 7-6.

The two teams battled to a standstill throughout the third quarter with the defensive units dominating play. Neither team was able to get any semblance of a drive going.

Roscommon came back strong in the final stanza to dominate play. The Bucks were helped along by some costly penalties being assessed against Tawas. In 15 plays the Bucks traveled 60 yards, the final play being Papefus' second touchdown pass of the evening, going to Johnson, good for 20 yards. Roscommon then tried to pass for the extra

point. It was good and the Bucks led 14-6.

In the dying minutes of play, Tawas began another drive, but another 15-yard penalty proved to be too much of a handicap to overcome. The game ended with the final score reading Roscommon, 14; Tawas Area, 6.

Tawas' defensive team looked good with some fine line play by Don Heenan, Bud St. James and Dick Wandoff. Tom LeClair played an outstanding game both offensively and defensively. Coach Howard Adams was pleased with the way the defensive team played as a unit. However, he felt there was something to be desired in the pass defense, with some missed assignments.

Offensively, the Braves looked much improved over last week in tying Pinconning. However, on two or three occasions one more good block could have sprung runners loose for gains that could have broken the game wide open.

Ledwith was the leading ground gainer for the Braves with 106 yards rushing. The blocking of the offensive unit was much improved over what it was in the first two games.

The Braves are now looking forward to Friday night when they meet last year's conference champions, Houghton Lake, under the lights at Tawas Area's new athletic field. The coaching staff feels that the Braves have a good chance to upset the strong "Lakers" in what could be the game of the year.

mon scored twice as Tawas coaches, McIntosh and Pinkowski, cleared the bench. All 42 of the boys who were dressed for the game had a chance to see action. The final score was Tawas Area, 33; Roscommon, 20.

Outstanding players offensively for the "Papooses" were Rollin, White, Sass, Humphrey and Brooks. Humphrey looked very good in his first start at quarterback. Brooks continued his tremendous blocking, racking up would-be tacklers to spring his mates loose on long gains.

Defensive players who impressed Coach McIntosh were Brooks, Johnson, Sass, Herriman, Herman, White and Campbell.

The "Papooses" travel to Houghton Lake Thursday night to meet the junior varsity of the Lakers.

Arenac Central Takes Over NEM League Lead

STANDINGS	W	L	T
Arenac Central	3	0	0
Houghton Lake	2	0	0
Beaverton	1	0	1
Gladwin	1	0	1
West Branch	1	1	1
Roscommon	1	1	0
Pinconning	0	2	1
Tawas Area	0	2	1
Arenac Eastern	0	3	0

By EARL HAIGHT

With Houghton Lake idle, Arenac Central took over the top spot in the Northeastern Michigan Conference by spoiling Pinconning's homecoming, 13-6. Beaverton moved into the win column by handing Arenac Eastern its third loss, 14-7. Gladwin and West Branch played to a 0-0 tie, and Roscommon won its first game of the league schedule, dropping Tawas Area, 14-6.

This Friday, Pinconning plays at Gladwin, Arenac Eastern plays outside the football conference, meeting Whittemore - Prescott, Houghton Lake travels to Tawas Area, Arenac Central plays host to Roscommon and Beaverton entertains West Branch.

The Panthers of Arenac Central scored in the first and third periods to notch their third straight win in league play. Lavon Crowl, halfback, went off guard for 11 yards to chalk up

the first TD for the winners. A pass from Quarterback Ken Rehriber to Fullback Tom Dowler was good for the conversion point, giving the winners a 7-0 first quarter lead.

Pinconning scored in the second quarter after Halfback Dick Marter went 45 yards on a reverse to the Central one-yard line. Quarterback Gary Kinsey scored on a sneak, and when the conversion failed, the Panthers held a 7-6 intermission lead.

Arenac Central broke Halfback Doug Dudley loose in the third quarter. A 65-yard gallop by the halfback put the winners ahead, 13-6, and ended the scoring for the night.

Arenac Eastern hoped of winning its first league game after holding a 7-0 intermission margin but a second half drive by the Beavers turned the tide in favor of Beaverton.

After a scoreless first period, which saw the Eagles get to the one-foot line, only to lose their scoring chance on a fumble, the losers took the lead in the second quarter when, after a 30-yard drive, Fullback Jim Biddle swept around left end for eight yards and the TD. Biddle scored the PATD by running the opposite end.

Beaverton took advantage of an Eagle miscue in the third period as they recovered a fumble on the loser's 20. Fullback Les Atchey went off tackle and converted on a similar play to knot the score at 7-7 at the end of the third quarter.

The Beavers went ahead to stay in the final period as Halfback Jack Eddy, on a reverse, went 20 yards into the end zone. Atchey scored the extra point which gave the home club a 14-7 win.

West Branch and Gladwin played terrific defensive ball but could not make any offensive movements pay off and settled for a scoreless tie. The Orioles picked up seven first downs to the Flying Gs one in the first half but could not get to pay dirt. Both elevens picked up four first downs in the second half.

We sometimes wonder what cats and dogs think of people.

American Cancer Society Holds Meeting

Mrs. Bernard Sargent of West Branch, field representative for the Seventh District of the American Cancer Society, met with a committee at the home of Mrs. Herbert Hertzler on Monday afternoon to assist in planning the fall training school to be held in the new Holland Hotel October 29.

Mrs. J. R. Hughes of Harrisville, chairman of volunteer activities for Alcona County, will act as chairman, and Mrs. Herbert Hertzler, chairman of reservations.

An interesting program is planned with luncheon at noon and dinner at 6 o'clock.

Extends Winning Streak to 11 Straight Victories

By HARRY CRAWFORD

Tawas Area's Junior Varsity had an easy time extending its winning streak to 11 straight by defeating a larger, but slower, Roscommon squad, 33-20.

Tawas received the opening kickoff and returned the ball to its own 27-yard line. Two successive penalties set them back to the seven, where Herman Rollin started them rolling with a pass to John Sass, good for 30 yards. This drive stalled on the Roscommon seven-yard line.

Roscommon kicked on fourth down and Tawas then moved in for its first touchdown of the game. This six-pointer was set up by a fine punt return by Campbell. Rollin scored on a dive off tackle good for seven yards. Don Humphrey, starting his first game at quarterback, missed the kick for the extra point. Tawas led 6-0.

Tawas scored again in the first quarter when Ken Herriman went through the center of Roscommon's line for six yards. Humphrey then kicked the extra point. Score: Tawas, 13; Roscommon, 0.

In the second quarter, Jim Brooks rambled around end on a 65-yard gallop for Tawas' third TD. Brooks was also playing his first game of the year at halfback, having spent the first part of the season at guard. Humphrey again made good the conversion and the half ended with Tawas leading 20-0.

On the third play of the third quarter, Roscommon scored on a 60-yard touchdown run by McCutcheon. The try for the extra point was good.

Tawas bounded back with Rollin sprinting right through the middle of the line for 60 yards and a touchdown. Humphrey proceeded to kick his third straight point and Tawas led 27-7.

Tawas scored again as John Sass took the ball on a double reverse and scampered 12 yards into the end zone unopposed for Tawas' final touchdown of the evening. Humphrey missed the extra point, and the score at this point was 33-7.

In the fourth quarter, Roscom-

Beautiful 1959 Cadillac Now Being Shown at McKay's

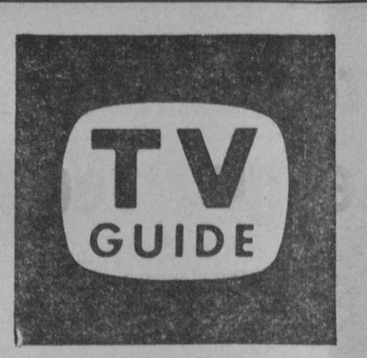

The sweeping elegance of the newly created silhouette of the 1959 Cadillac Series Sixty-Two six-window Sedan is more than matched by a powerful new engine. The popular six-window Sedan features all of the advanced engineering and design characteristics of the new models.

Complete New Concept in Cars

Completely new concepts of traditional Cadillac engineering and design were emphasized by L. G. McKay Jr. of McKay Sales Company, Tawas City, as he announced that 1959 models were now on display locally. "Extensive changes throughout the entire line of new Cadillac cars brings together majestic new styling and brilliant performance to exceed even further the standards for which Cadillac has been soon renowned," he stated. In appearance, these new Cadillacs—from the exquisitely wrought grille and hood to the beautifully sculptured rear fins—will set a new style note, McKay predicts. The 1959 Cadillac line of 12 models includes an additional sedan not available last year. Offering the most complete array of hardtop styling ever produced by Cadillac, the new models went on display in dealers' showrooms last week.

It is a good rule to buy from a merchant who frankly admits he is making a reasonable profit.

The will of the people may be erroneous and unwise, but it is this that makes a democracy live.

There is nothing you can do to make an individual believe something that he does not want to believe.

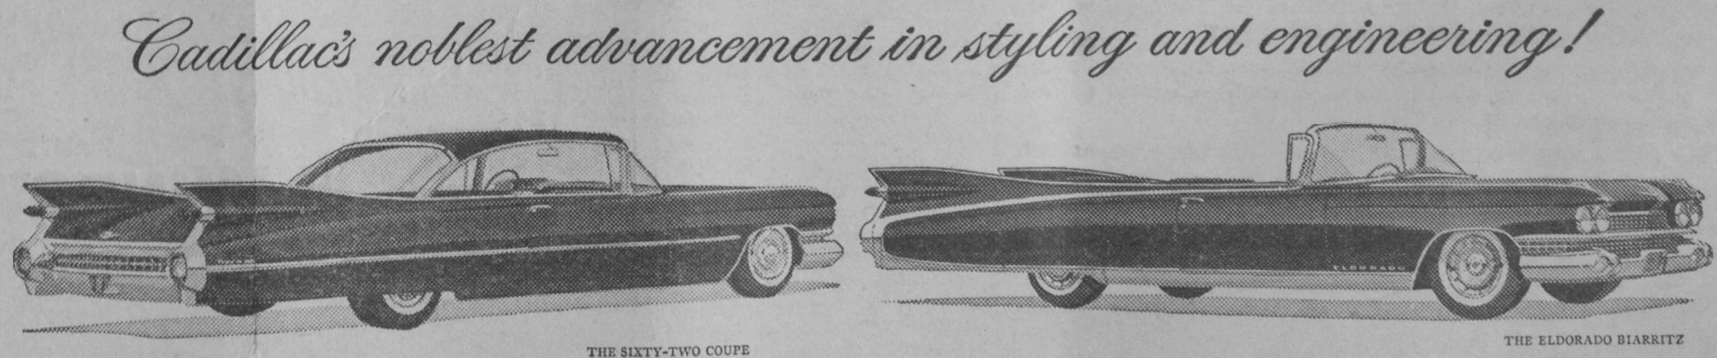

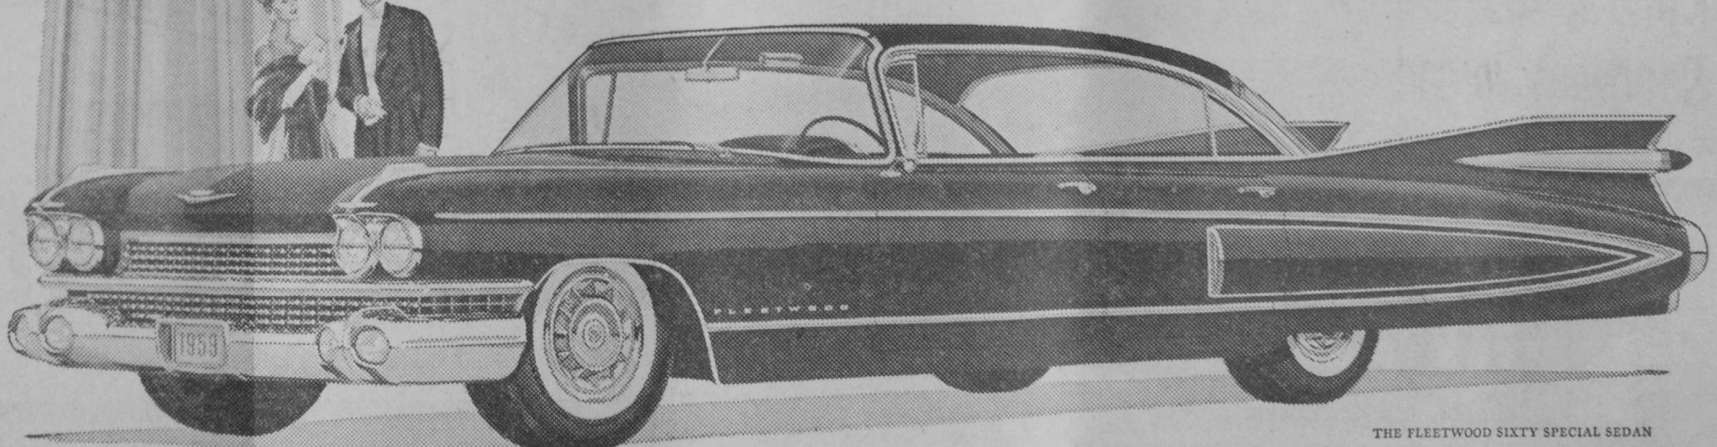

Cadillac

PROUDLY PRESENTS FOR 1959 A DRAMATIC NEW REALM OF

Motoring Majesty

A single glance tells you, beyond any question, that these are the newest and most magnificent Cadillac cars ever created. Dazzling in their beauty, enchanting in their grace and elegance, and inspiring in their Fleetwood luxury and appointments—they introduce a new realm of motoring majesty. ¶ And a single journey at the wheel will reveal another unquestionable fact—that these are the finest performing Cadillacs ever produced. With a spectacular new engine, with a more responsive Hydra-Matic drive, and with improved qualities of ride and handling, they provide a totally new sense of mastery over time and distance. ¶ This brilliant new Cadillac beauty and performance are offered in thirteen individual body styles. To see and drive any of them is to recognize a new dimension in automotive quality and goodness. Why not do both—soon? Your Cadillac dealer invites you to visit his showroom at your earliest opportunity.

By appointment to the world's most discriminating motorists!

Bridge might not be such a waste of time if the players would stop talking about the hands they played last week.

The modern puzzle is how the old folks managed to raise their children without about a dozen books on child care.

1959 Pontiac Models Now at Look Garage

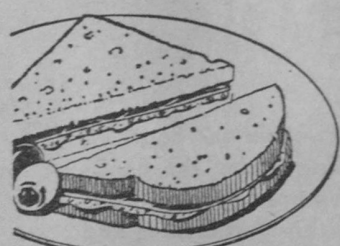

REPRESENTING THE MOST progressive change in Pontiac Motor Division's 51-year history is the Catalina Vista. The beautifully contoured Vista-Panoramic windshield and large, wrap-around rear window provide unparalleled vision for driving safety. Absolute simplicity in styling is achieved with the twin "air scoop" grille housing dual headlamps and a low, cleanly styled body, topped by a slim-line roof. Vista models are also featured in the Bonneville and Star Chief series.

Have Dramatically New Appearance

"Pontiac has broken all bonds of traditional styling and engineering in 1959 with the most progressive change in our division's 51-year history," S. E. Knudsen, GM vice president and general manager of Pontiac Motor Division, said in announcing the company's new line of cars.

The Pontiacs go on display locally Thursday (today) at William Look and Sons, East Tawas. "We are confident that the public will hail the 1959 Pontiac as one of America's really new cars," said Knudsen. "From every angle the car reflects ultra-modern design. Unprecedented styling innovations, resulting in a lower, wider car, give the 1959 Pontiac a dramatically new appearance."

An all new body, a tread nearly five inches wider to increase handling ease and safety, a new high-performance 389 cubic inch Tempest 420 V-8 engine, new, heavier, true-contour brakes and a completely redesigned chassis frame are among the 65 brand new features.

Handy, thrifty... and oh, so good!

Extraspecial pickle relishes in a creamy dressing. Made by KRAFT.

NEWS ABOUT IOSCO SERVICEMEN

M-Sgt. Robert W. Burdick, United States Air Force recruiter, announces the following schedule of hours for the East Tawas recruiting office, located in the Federal Building: Mondays and Fridays from 8:00 a. m. to 5:00 p. m.

On Tuesdays and Thursdays, Sergeant Burdick is at the enlistment office at Wurtsmith Air Force Base. On Wednesdays he is at the old post office building in Alpena and at Rogers City.

On first and third Thursdays of each month, he visits Harrisville and Lincoln post offices, and on second and fourth Thursdays of each month he visits post offices at Onaway, Atlanta, Mio, Rose City and Whittemore.

Pvt. Gary W. Shellenbarger, whose wife, Sandra, lives in Hale, recently arrived in Germany and is now a member of the Third Armored Division.

Shellenbarger, a driver in Battery B of the division's 27th Artillery, entered the army in March of this year and received basic training at Fort Hood, Texas.

The 23-year-old soldier, attended Oscoda High School. His parents, Mr. and Mrs. Guy L. Shellenbarger, live in Oscoda.

Civil Air Patrol Plans Projects for Year

Air force ranks, airplanes and projects for the year were discussed by the 35 high school students who attended the Civil Air Patrol meeting held Tuesday, September 30.

Under the direction of Albert Parkhurst, the meetings will be every Tuesday evening at Tawas Area High School.

All Tawas Area High School students are welcome to attend.

Good advice: Losers should never bet.

Lower Hemlock

Mr. and Mrs. Martin Musolf of Bay City visited their daughter, Mrs. Charles Kobs, and family during the week-end.

Mr. and Mrs. Carl Grabow are the parents of a baby daughter, born October 3 at Tolfree Hospital, West Branch.

Mrs. Charles Simons returned to her home Saturday from Tawas Hospital where she was a patient for a week.

Mr. and Mrs. Victor Bouchard were Sunday visitors to their daughter, Mrs. Richard Reinke, and family of Bay City.

Mrs. Louise McArdle and Mrs. Ruth Albertson were Friday afternoon callers of Mr. and Mrs. Harry Price at the Winnie Latham home.

James Pomerantz and friend of Saginaw were week-end visitors of his parents, Mr. and Mrs. Arnold Pomerantz, and family.

Mr. and Mrs. John McMurray and five children of Saginaw spent the week-end with her mother, Mrs. Winnie Latham.

John McArdle Sr. entertained Carl Grabow and children and Mr. and Mrs. Charles Simons and Kim at Sunday evening dinner.

Mrs. John Katterman spent Sunday with her mother, Mrs. Louise McArdle of Tawas City.

Accident Reduction Shown Last Month

September was the ninth consecutive month this year to show a reduction in traffic deaths under the same month of last year, according to provisional figures reported by the Michigan State Police.

There were 117 fatalities, a reduction of five or four percent under 122 in September of 1957. It was the 15th consecutive month in which reductions were reported.

Delayed reports of deaths, however, may add to the number for September, but it will still be an excellent record in comparison with the monthly average of 173 fatalities in September during the five-year period from 1952 to 1956. The latter year was the turning point in the improvement record.

For the first nine months of the year the total now stands at 941 deaths as compared at 1,104 in the same period last year. This is a saving of 163 lives or 14.8 percent.

It is the lowest recorded since 1945, when 739 died during the same period. This was a war year when gas rationing reduced travel.

Since 1945, miles traveled has increased by 17 billion, or 60 percent, to 29.3 billion in 1957. The number of cars has increased from 1 1/2 million to 3 1/2 million in the same period.

The death rate for the first seven months of 1958 is 4.1 per 100 million miles traveled compared to 9.1 in 1945.

The final figures for August included 144 persons killed and 5,376 injured in 13,630 accidents. Compared with the same month last year, deaths decreased five percent, injuries dropped three percent and accidents were reduced 11 percent.

"Michigan motorists can be proud of their driving performance for the first nine months of this year," said Commissioner Joseph A. Childs, "but it should be pointed out that the real test will begin this month.

"October is the worst month for traffic fatalities, November is second worst and December is tied with August for third. We are well ahead of last year in reducing deaths, but drivers are reminded that extra caution will be required during the remainder of the year to save more lives."

New Enactment Changes Veterans' Pension Payments

Lloyd H. Jameson, manager of the Veterans Administration Regional Office, Detroit, said today that a recently enacted law permits the full payment of Social Security disability insurance payments to a veteran even though non-service connected disability pension payments are being made by the Veterans Administration to the same veteran. Those veterans who have in the past elected to receive service connected compensation at a lesser rate than they would receive for non-service connected disability pension payments from the Veterans Administration now have the right to re-elect and receive the greater non-service disability pension payments from the Veterans Administration without offset of Social Security benefits.

Mr. Jameson stated that those veterans who had previously made an election should immediately contact the Veterans Administration so that they may receive the greater benefit by electing to resume the non-service connected disability payments. The effective date of an award reinstating such disability pension payments will be the date of receipt in the Veterans Administration of the veteran's letter for re-election.

News is not always what happens; it is what you happen to read or hear.

1,500 Items on Sale At Police Auction

Need a Geiger counter or maybe a new hat?

They will be on sale along with more than 1,500 other items Friday, October 10, at the annual state police auction of stolen and recovered property for which owners could not be found.

The all-day affair is held at Michigan State Police headquarters, East Lansing, and starts at 9:30 a. m. More than 400 lots of merchandise, some containing as many as a half dozen or more items, will go to highest bidders. Glenn Casey of Williamston will be auctioneer.

Bargain hunters will find about 50 bicycles, many cameras, different types of luggage, automobile tires and hub caps, tools, including electrically operated ones, fans and a variety of sporting goods among the items.

At least 200 persons are expected to take advantage of bargains offered. The auction will continue until all items have been sold.

Some additional articles have been made available this year as a result of legislation which directs the state police to sell articles abandoned at state parks and belongings of persons who have died in state institutions without leaving heirs. Included in the latter category are watches and rings which are many years old and should be of value to antique collectors.

Proceeds from the sale are turned over to the state treasury after the auctioneer's commission and the cost of advertising the sale have been deducted. Last year the sale netted \$3,494.85.

Local Student In Scholastic Semifinals

Principal Ernest Jordan of Tawas Area School today announced that one local student has been named semifinalist in the 1958-59 National Merit Scholarship competition. He is David Barkman, son of Mr. and Mrs. Milton Barkman.

The local student is among 10,000 of the highest scorers on the National Merit Scholarship Qualifying Test, the nation-wide test of educational development given in over 14,000 high schools on April 29.

The semifinalist named today outscored over 479,000 classmates, and thus moved a step closer to an estimated five million dollars in merit scholarships to be awarded in the 1958-59 program. The group of 10,000 semifinalists is composed of the highest scorers in each state, prorated according to state population.

The semifinalist now faces another rigorous three-hour examination, the Scholastic Aptitude Test of the College Entrance Examination Board, which will further substantiate their high scores on the NMSQT. This second test will be given in testing centers throughout the United States on December 6. Those who repeat their high scores on this second test will become finalists in the competition.

No two cooks make the same kind of broth.

CHRISTIAN SCIENCE

"Are Sin, Disease, and Death Real?" will be the subject of the lesson-sermon at Christian Science services Sunday.

Keynoting the lesson-sermon is this Golden Text: "Salvation belongeth unto the Lord; thy blessing is upon thy people" (Psalms 3:8).

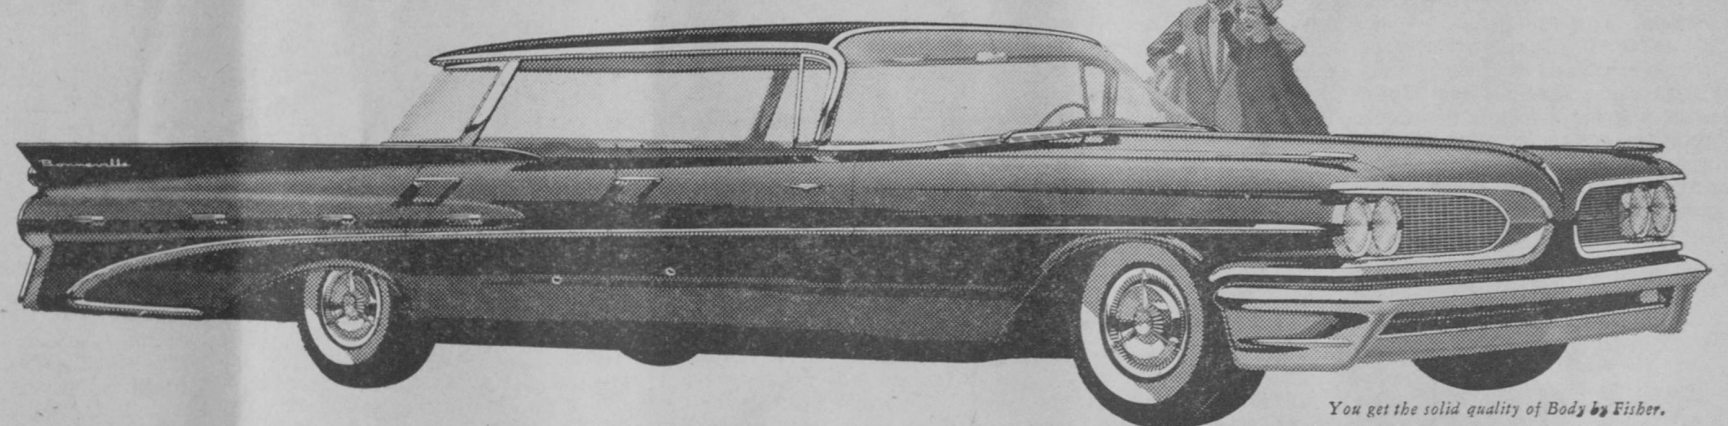

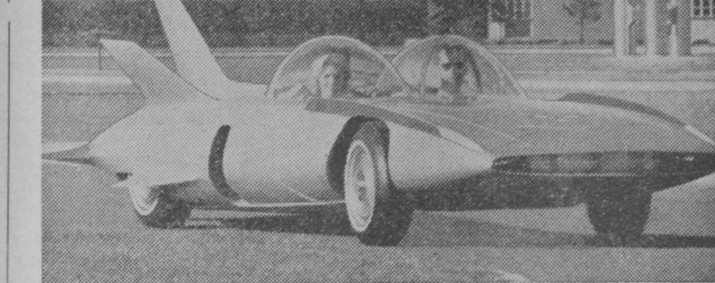

Selections to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include the following (206:26-28): "Instead of God sending sickness and death, He destroys them, and brings to light immortality."

From the King James Version of the Bible, the following will be read: "For God hath not given us the spirit of fear; but of power, and of love, and of a sound mind" (II Timothy 1:7).

Space Age Car Stars In Motorama

DETROIT—Firebird III makes a final test run at the General Motors Technical Center before leaving for New York and Boston to star in GM Motorama of 1959. GM's newest experimental gas turbine car is guided by a single stick located between the two passengers which takes the place of conventional steering wheel, brake pedal and accelerator.

Missile-like in appearance, it has two engines and uses space age electronics and transistors. It will team with GM's 1959 cars in the Motorama to show the public the latest in automobiles of today and tomorrow.

You get the solid quality of Body by Fisher.

Who in the world built this beauty...
the only car with wide-track wheels?

EXCLUSIVELY YOURS—WIDE-TRACK WHEELS

Wheels moved out 5 inches for the widest, steadiest stance in America—better cooling for engine and brakes—lower center of gravity for better grip on the road, safer cornering, smoother ride, easier handling. You get the most beautiful roadability you've ever known—in America's Number 1 Road Car!

PONTIAC! America's Number 1 Road Car!

Those exclusive Wide-Track Wheels sparked a chain reaction of wonderful new ideas: You can see the trim, tailored new look... it's inches lower without sacrificing roominess or road clearance. The first time you drive it, you'll discover this beauty handles city corners and clings to country curves in a way the conventional narrow-gauge cars can't hope to imitate. And the ride... the miraculous freedom from sway, dive and bounce... this is an experience in buoyant travel that you won't believe—until you try it.

But there's still more to the new Pontiac
to stamp it as the big change for '59:

Vista-lounge interiors with full 360-degree visibility... seats actually wider than a sofa... Air-Cooled True-Contour Brakes for smooth, effortless control, stop after stop after stop.

The industry's most advanced V-8, Pontiac's Tempest 420, gives you spectacular new responsiveness. And there's a new companion power plant, the Tempest 420E, that delivers phenomenal extra mileage—and does it on regular octane gas!

Come see why no other car can possibly be so new as the new Pontiac—three series: magnificent Bonneville, dramatic Star Chief and brilliant new Catalina.

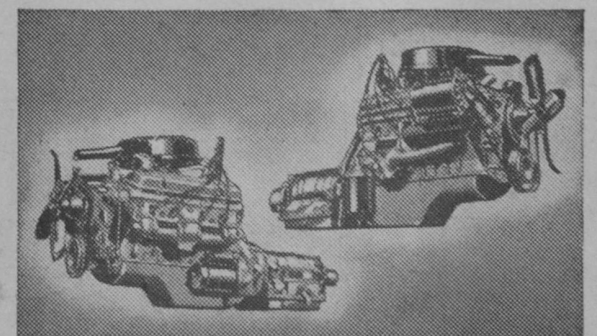

See Ginger Rogers on the Pontiac Star Parade, Wednesday, Oct. 15th, CBS-TV.

THE TAWAS HERALD Social

Twentieth Century Club Opens 52nd Year

The Twentieth Century Club opened its 52nd year last Wednesday evening at the home of Mrs. Ray Clark. After a delicious pot-luck dinner, the business meeting and program were enjoyed.

Mrs. Charles VanHorn, president, addressed the club and used the club's theme, tolerance, as her subject. The club program for the year was reviewed by Mrs. Clark, program chairman.

Officers for the year are Mrs. VanHorn, president; Mrs. R. E. Mick, first vice president; Mrs. Elizabeth Holland, second vice president; Mrs. George Rice, secretary; Mrs. Charles McLean, treasurer.

Meditation was given by Mrs. Charles Anson.

Past presidents night will be observed on October 15 at the Tawas Area School in the library room. Mrs. Mick is chairman for the meeting.

Hostesses at the first meeting were Mrs. H. J. Keiser Sr., Mrs. Elizabeth Holland and Mrs. Albert Conklin.

Two More Windows Broken at School

Investigation of two new window breakings at the Tawas City unit school is being conducted by police this week. Supt. Reynold Mick said Monday that one window was broken in the second grade class room by a rock and a window in the third grade room was punctured with BB shot. Six windows were broken in the building last summer.

Former Tawas City Couple Married 50 Years

MR. and MRS. G. J. WAACK

Mr. and Mrs. G. J. Waack of Lansing observed their golden wedding anniversary Sunday, September 23, with an open house at the home of their daughter, Mrs. Alton Powell, at Okemos.

Both natives of Tawas City, Mr. and Mrs. Waack were married in September 1908 at Emanuel Lutheran Church by the Rev. C. C. Henning. They have made their home in Lansing since 1918.

Mrs. Waack is the former Minnie Luedtke, daughter of the late Mr. and Mrs. August Luedtke. Mr. Waack is the son of the late Mr. and Mrs. Herman Waack.

Assisting Mrs. Powell with the open house observance was the Waack's son, Alfred. The Waacks have two grandchildren.

Candidates Wives Meet With County Women

Honored guests at a meeting of the Iosco County Democratic Women, Monday evening, October 6, were Mrs. Paul Adams, wife of the state attorney general, and Mrs. Sanford Brown, wife of the state treasurer.

The ladies are touring Michigan on a campaign for their husbands. Also present were: Mrs. Margaret Price, national congressional committee woman, who is campaigning for Philip Hart, candidate for United States senator; Mrs. Gwen Starling, county vice chairman; Henry Oates, Democratic candidate for state representative, Alpena district, and Mrs. Oates.

Mrs. Walter Schuhmacher, hostess, and Mrs. Starling served a lunch.

Mrs. Adams and Mrs. Brown stayed at the Sunset Motel and resumed their tour Tuesday.

Gives Report on 10th District Meeting

Audie Johnson Unit, American Legion Auxiliary, met Monday evening at the Legion Hall with the president, Mrs. Mary Lixey, in charge.

Mrs. Dorothy Harmon gave a report of the 10th district meeting held at Midland last Sunday. The next meeting will be held at Blanchard November 2.

Plans were made at this meeting for a rummage sale and a dinner to be held in November.

Mrs. Mary P. Blake was received as a new member transferred from Watersmeet, Upper Peninsula.

Mrs. Harmon, as child welfare chairman, was delegated to attend the fall conference of department auxiliary to be held in Lansing October 17, 18 and 19.

Refreshments were served after the meeting by President Lixey and Junior Past President Ada Freeland.

Table decorations were a centerpiece arrangement of orange autumn flowers and orange candles in Hallowe'en motif. Birthdays gifts were presented to Mrs. Carrie Swales, Mrs. Ann Porter, Mrs. Grace Misener and Mrs. Mildred Gardner.

The banquet will be held at the Barnes Hotel, Saturday, October 11, at 7:00 p. m. Members of the Tawas Women's League, their husbands and guests are invited.

CIVIL AIR PATROL MET TUESDAY NIGHT

At its regular weekly meeting Tuesday night, held at the Tawas Area School, the Civil Air Patrol discussed and looked at several maps which included information pertaining to air force bases, signals used by pilots of airplanes in distress and identification of planes in danger area.

The patrol was organized this year and this was its third meeting. Albert Parkhurst had charge.

WILL HOLD FIRST MEETING WEDNESDAY

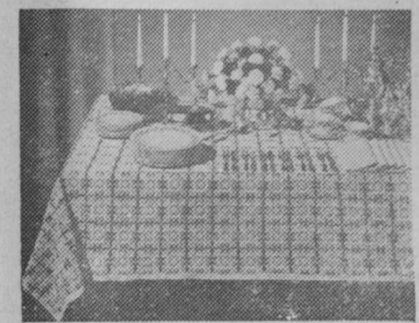

The Ladies Literary Club will hold its opening meeting of the fall season Wednesday evening, October 15, at the Literary Club rooms at 8 o'clock.

NURSES' ASSOCIATION TO MEET AT TAWAS HOSPITAL

All registered nurses are invited to attend the district meeting of the Osceola-Oscoda Nurses Association Tuesday, October 14, at 8:00 p. m. in the Tawas Hospital cafeteria.

Needlecraft News by Nancy Baxter

The difference between a house and a home is an intangible thing, as every woman knows. Spontaneous family good times are a part of it... and the special, long-planned occasions and the friends who drop in. A real home is a comfortable place where you can work hard, when needed be, and wholeheartedly relax. And through the years it develops a sort of aura of gracious living—a mood that mirrors the charm and femininity of its wife and mother, homemaker and hostess, you.

FOR THE HOLIDAYS

Of all times of year, Thanksgiving and the Christmas season center most around the home. That's why, about now, your lovely household appointments take on an even greater importance. When people come to call—including many, undoubtedly, who live too far away to visit you often—I know you want every room to look particularly nice. And I'm sure you'll be paying special attention to your dining room, that soon-to-be scene of family feasting and gatherings around the wassail bowl. In keeping with the mood of the Fall season, our needlework suggestion today is a truly beautiful crocheted tablecloth your family will cherish for generations as a mark of your ability and personality.

AN AMERICAN THEME

As much a part of our national heritage as Thanksgiving turkey and the tinselled Christmas tree is the popcorn-stitch motif which makes up this lovely tablecloth. Worked from size #30 mercerized crochet cotton, the squares measure 3 1/4 inches apiece and can be combined as you please to fit the shape and dimensions of your own table. The instructions are offered in Leaflet No. S-861, POPCORN RINGS, if you'd like to obtain them, free, by sending your request and a stamped, self-addressed envelope to the Needlework Department of this newspaper.

REPORT OF CONDITION OF PEOPLES STATE BANK

of East Tawas of East Tawas, Michigan, at the close of business Sept. 24, 1958, a State banking institution organized and operating under the banking laws of this State and a member of the Federal Reserve System. Published in accordance with a call made by the State Banking Authorities and by the Federal Reserve Bank of this District.

Financial statement table showing Assets (Cash, deposits, etc.), Liabilities (Demand deposits, etc.), and Capital Accounts (Capital, Surplus, etc.).

I, G. N. Shattuck, Vice President and Cashier of the above-named bank, hereby certify that the above statement is true to the best of my knowledge and belief.

G. N. SHATTUCK, State of Michigan, County of Iosco ss: Sworn to and subscribed before me this 2nd day of October, 1958. Wayne A. Pollard, Notary Public. My commission expires June 4, 1961.

STRICTLY BUSINESS by McFeatters

"Before Professor Klaxon speaks, he's going to pass among you with copies of his latest book, on which—as he quaintly puts it—he hopes to make a fast buck!"

DUV Meeting Held Wednesday

Mrs. Hazel Deering was hostess for the regular business meeting of Mary Jane Goodale Tent No. 50 of the DUV, held Wednesday, October 8, at the Deering home.

Eighteen were present for the last home card party at the home of Mrs. Netra Benson. High prize was won by Mrs. Harry Goodale, low by Harriet Gogran and door prize by Mrs. Ethel Featheringill.

There will be no social meeting for October due to the district conference October 25 in Saginaw. The conference will be held at First Christian Church, corner of Genesee and Burt Streets. Registration will begin at 9:00 a. m. Dinner costs will be \$1.50 per plate. Anyone interested in reservations call FOr 2-2158.

Democratic Women to Meet Wednesday

The regular meeting of Iosco County Democratic Women will be at 8:00 p. m. Wednesday, October 15, at the Iosco County Building. All interested persons are asked to attend.

Whittemore News

Band Boosters' Club Adopt By-Laws
The Whittemore-Prescott Band Boosters' Club met Monday evening, September 29, for a special meeting.

Music Director Henry Verberkmoes explained how a marching demonstration such as those seen at football games comes to a reality after much diagramming, hard work and practice by the members of the band.

The constitution and by-laws were adopted during the business session. President Ernest Tripp appointed Mrs. Dwight Lawson as program chairman and Mrs. Dornace Bellville, publicity director.

Community calendars will be sold by the organization as its first money making venture. Committees for this project will be appointed at the next regular meeting which will be held Monday, October 13.

Lunch was served after the meeting.

Mrs. Gallant Gives AIA Meeting Report
Whittemore Chapter, OES, held its regular meeting Thursday night and election of officers. Twenty-eight members were present.

Mrs. Helen Gallant gave a complete report of the AIA Association which met in Whittemore September 19.

Mrs. Ida Rahl of Turner was a guest.

The following officers were elected for the coming year: Worthy Matron Valdean Musk, Worthy Patron Laurel Lawe, Associate Matron Muriel Fitzpatrick, Associate Patron Walter Sageman, Secretary Lelia Barrington, Treasurer Lilly Ross, Conductress Alice Umphrey, Associate Conductress Adel Wood.

Women's Club Meets With Mrs. Dahne
The Whittemore Women's Club met Wednesday evening at the home of Mrs. Lulu Dahne with Mrs. J. Higgins, Mrs. C. Dorsey and Mrs. M. Earhart assisting hostesses. Mystery sisters were revealed and new names drawn for the coming year.

Mrs. Dornace Bellville, vice president, conducted the meeting. Due to Mrs. George Jackson resigning as president, a new president and vice president were elected. Mrs. Dornace Bellville was elected president and Mrs. H. Heierman, vice president.

Mrs. Sara Brooks gave a book review entitled "The Robe."

The next club meeting will be with Mrs. Sterling Cataline.

Mrs. Olive Davison left Friday for Waukegan, Illinois, to spend two weeks with her daughter, Mrs. Howard McKenzie, and family.

School News

Whittemore Area Hold First Meeting
The Whittemore-Prescott Area High School Student Council held its first meeting of the year on Wednesday, October 1. At this meeting officers were elected for the 1958-59 school year.

The officers are President Ruth Thompson, Vice President Daniel Gitchell, Secretary Thelma Eldred and Treasurer Diann Heierman.

The student council is planning activities, the first of which is to be held with the beginning of the basketball season. The student council sponsor is Mrs. Nancy Hoak.

Camera Club Elects Officers
The Cardinal Camera Club has elected its officers for the 1958-59 school year. The officers are President Dennis Fuerst, Vice President David Goupil, Secretary Karen Pickens and Treasurer Dorothy Burke.

The Camera Club's first project was to draw up a club constitution. The constitution committee was composed of the four officers and four other members including Diann Heierman, Karen

Schneider, Daniel Gitchell and John Kulhavi. The sponsor of the Cardinal Camera Club is James Hoak.

Magazine Sales Ended
Wednesday, October 1, marked the end of the Whittemore-Prescott Senior Class magazine sales campaign. The campaign was considered a great success as well over \$1,000 worth of magazines were sold during the two-week campaign. Over one-third of this is profit for the class.

Prizes were presented to the top magazine salesmen Wednesday afternoon. Each winner was given a choice of several prizes. First prize was won by Ruth Thompson of Skidway Lake, who chose a complete flash camera outfit and a stuffed elephant as her prizes.

Other top salesmen, in order of sales, were Jean Runyan, who was absent and will choose her prize at a later date; Robert Miracle, who chose a Kodak Brownie Camera, and Mary Ann Osinski, who chose a music-playing, long-haired, stuffed kitten. Fifth and sixth places went to Jack Graham and Marlene Thomas, who were also awarded prizes.

The class was divided into four teams during the magazine campaign. The team captains were Muriel Moulton, Linda Erickson, Thelma Eldred and Pauline DeGiesie. The team selling the most magazines was given a stuffed animal. The winner was determined by choosing numbers. Gloria Siegrist won the animal.

Numbers were chosen by the whole class for another prize which was won by Ray St. John.

ROBERT REASNER WILL SPEAK AT GARDEN CLUB
Robert Reasner, vocational agriculture instructor at Tawas Area High School, will speak on landscaping at the October meeting of the East Tawas Garden Club.

The meeting will be held Monday, October 13, at 8:00 p. m. in the Ladies Literary Club room.

Will Hold Democratic Reception at Bay City
Honored guests at the Democratic congressional reception will be Mrs. Ann Hare, wife of secretary of state, James Hare, and Mrs. Jane Hart, wife of Philip Hart, who is the Democratic candidate for United States senator.

The reception will be held at the Wenonah Hotel, Bay City, October 27, from 8:00 p. m. until 10:00 p. m. All Democrats are welcome to attend.

Arnold Bronson Motor Sales Displays New Dodge Cars

The tail fins of 1959 Dodge cars, like this Custom Royal four-door Lancer, have softer, more flaring lines. A new high-contour roof provides more headroom and allows easier entry and exit. New engines and advanced torsionaire suspension provide greater gas and tire economies.

Feature Comfort and Convenience

Driver comfort, convenience and control features—including swing-out, swivel seats—highlight the 1959 Dodge automobiles which are now on display at Arnold Bronson Motor Sales, Tawas City.

The swivel-type front seats, an instrument panel concentrated more closely around a new "easier-to-get-by" steering wheel, plus pushbutton control of vir-

tually all driver operations, head the list of 1959 advancements inside the new cars.

New styling treatment of both front and rear, side and roof, and sharply defined, canted rear fins introduce a dramatically new concept of styling.

A striking exterior design is keynoted by arched headlight "eye-brows" which curve inward and downward to the front grille. New taillights—patterned after jet-tubes—and new rear-end "control surfaces" on the fins provide a fleet, futuristic image.

Farm Events

By MARVIN DAVENPORT
Iosco Agricultural Agent

Calendar:

Friday, October 10—"Property Rights," 8:00 p. m., Reno Township Hall, under the direction of Dorothy Scott, county extension agent, in home economics.

Tuesday, October 14—Iosco County Farm Bureau annual meeting.

Thursday, October 16—Hereford calf sale at West Branch.

It is getting close to sale time. We are given to understand that feeder cattle will be in strong demand this fall and our Hereford Calf Association sale will average higher than last year.

If this is true then you as feeder cattle producers have a responsibility to help the feed lot operators get a high quality product. Weaned calves, taught to eat hay and grain will move to feed lots with less shock and less shrink.

Here are a few suggestions: Wean your calves seven to 10 days before the sale! Put them in a clean well bedded part of the barn. Open the doors and windows for plenty of fresh air. Clean the mangers and give a light feed of whole oats, add a small quantity of good bright hay. After eating the hay they will find oats and will learn to eat grain in less than three days. One to 1½ pounds of oats per head per day increased to two or three pounds per day by the end of the week should be satisfactory. Be sure that plenty of clean fresh water is available. They need salt and bone meal, too. Take the cows as far from the barn as possible. Short pasture is better than good pasture the first 10 days after weaning the calves. Be sure that all male calves have been castrated. If you have missed doing some of your bull calves keep them at home, sell only the calves you can guarantee as steers. Bring your cattle to the Hereford yard early to give more time for sorting. The cattle rest, start eating and look better on sale day. If your calves will not come to the yard in one load, separate the steers and heifers three or four days before the sale and bring the heifers on the first load.

Heifers over 12 months of age will need a certificate of health. If they were calfhood vaccinated, get the permit for movement from the Michigan Department of Agriculture, Division of Livestock Disease Control, Lansing 13, Michigan. If not vaccinated, they should be tested for Bang's disease.

Watch for pink eye. If the cattle have damp streaks on the sides of their faces below the eyes, treat them at once. Talk with your veterinarian or consult a dependable druggist. They may suggest a zinc sulfate ointment. The antibiotic ointments, powders and solutions, such as, Chloromycetin, Terramycin and penicillin, have all given good results. The important thing is to do something right away.

I am sure your calves will sell well this fall. People like these good Michigan calves. Let us do everything we can to offer the right kind of feeder cattle. Calves that are properly weaned, dehorned, castrated and taught to eat dry feed will be better liked by the feed lot operators.

This may not be the year to cull brood cows from the beef herd even though home-grown feed supplies may be short.

Wilton Finley, extension beef specialist at Michigan State University, says it will pay to keep the cows in the herd another year to produce calves rather than replacing some of them with heifers.

The heifers will not be in production for at least two years. Besides, they will be eating valuable feed that could be going to maintain a cow with a calf.

Here is another advantage of keeping mature cattle around when feed supplies are short.

Older animals can be safely wintered on a low quality ration and still wean a normal calf. Where feed is short, ground corn cobs, wheat or oat straw or other low quality roughage can make up half the ration. Topping these feeds with a little molasses will make them more tasty. The other half of the ration would be hay.

If roughage of any type is short, oats or protein supplemented along with some hay, will tide the cows over the winter. Cattle may go a little hungry but as long as they get enough nutrients, they will come through in good shape.

Control quackgrass with dalapon this fall and avoid temporary chemical residue problems next spring. Apply about 10 pounds of dalapon per acre during the last half of October or before the quackgrass stops growing. Plowing one to two weeks after spraying helps improve the kill.

Do not plant anything on the field this fall. Spring spraying is all right for some crops. However, never spray in the spring if corn or beans are to follow immediately. Residue will damage the crop and set it back.

Yellow rocket can be controlled in new and established red clover fields and established alfalfa fields with a spray of MCP amine the last part of October or first part of November. Use one-half pound per acre of the MCP amine.

Do not use this material on new seedings of alfalfa. It will damage the plants.

Field pepper grass and mustard can be controlled this fall with a spray of MCP amine at one-half pound per acre. This

same treatment will also control yellow rocket.

On non-crop land and along fence rows where wild carrot is a problem, spray with one pound of 2-4-D per acre for control.

Clean up permanent bluegrass pastures of bull thistles, dandelions and other weeds with a fall spray of 2-4-D at one pound per acre. If only a limited area is sprayed, do not pasture for a few days. If the pasture area is big, no delay is necessary when sprayed at the recommended rate.

By DOROTHY SCOTT
County Extension Agent

Friday, October 10—"Property Rights" meeting at Reno Township Hall.

October—Workshops in refinishing and upholstery.

By special arrangement members of Hope Creek, Leaders, Burleigh, Towerline and Loon Farm Bureaus will meet together at Reno Township Hall, beginning at 8 o'clock.

The joint meeting has been planned to discuss the way Michigan law provides for the property rights of persons. This is done according to their position

in the family—husbands, wives, widows, children, minors.

In addition, ways will be pointed out by which property can be transferred to best promote the welfare and happiness of each individual family.

We want to begin refinishing of furniture and upholstery workshops next week. You are invited to bring your chair or other article of furniture and come along to take part in these do-it-yourself get togethers. There will be several days of work, depending upon the project you select to do.

Right now, while you are thinking about it, why not call me (Forest 2-3751) and find out more about what, when, where and how to join the workshop class.

If fire strikes your home, in what room will it start? The most likely place is either the kitchen or living room. Statistics show these rooms are where one out of every two fires start. Bedrooms and basements are the next most likely starting place.

When you buy hosiery, buy to suit the occasion and buy the correct size. For street or casual occasions, right choice will be the service weight, 51 gauge 30 denier or 51 gauge 15 denier.

For dress-up wear, choose the sheer weights such as 61 or 66 gauge, 12 or 15 denier.

There are even more sheer hose for those special occasions. These are the 66 to 75 gauge, seven to 10 denier nylons—and very fragile.

Say, now that we started talking about home fires, let us do a little fire hazards checking today—this is National Fire Prevention

Week, a time set aside for giving a little extra thought to these important matters.

Are your attic, basement, closets and garage free of clutter and rubbish? This is a good time to clean them out before winter sets in and fires are needed in the house to provide heat.

Well, are the furnaces and stoves themselves in good repair and placed away from combustible walls and ceilings? Better look to them.

Are frayed electric cords replaced promptly? Are gasoline and other flammable liquids stored safely?

Mix together carefully—convenience, work simplification, companionship and livability. This is part of the recipe for a family kitchen given by home

economists at Michigan State University.

Family kitchens are becoming rooms to live in, no longer a place of exile for the homemaker while she gets her work done.

In planning a kitchen allow for a lounging chair, children's play area, business center, hobby space or fireplace, depending on your family's interests.

You can keep its efficiency by concentrating the work area at one end of the step-saving U or L shaped kitchen. With the children playing at the other end of the room or somewhere else within sight, you know what they are doing.

If you have a floor-level fireplace and small children, be sure to put on glass doors as a screen to assure safety for the small ones.

"ME?
I'm doing
the wash!"

Nothing very surprising about that. Her electric washer and dryer are doing the job automatically. And at the same time her automatic electric range is cooking dinner . . . and her electric dishwasher is doing the lunch dishes.

The price for electricity to do these jobs? Just a few cents.

What else can you think of in your budget that does so much for so little?

CONSUMERS POWER COMPANY

NOW ON DISPLAY! New Swing-Out Swivel Seats invite you to discover the newness and greatness of the '59 Dodge, the first all-pushbutton car.

The Newest of Everything Great!

The Greatest of Everything New! New things, great things, reward you in this '59 Dodge. Seats swing out to invite you in. New HC-HE engines—high compression, high economy—deliver more thrust, use less gas. Orderly rows of buttons on a gleaming panel welcome you to the first all-pushbutton car, with fingertip control of driving and weather. New Level-Flite Torsion-Aire introduces you to three dimensional comfort—ride

control, road control, load control. Outside mirrors adjust from inside. Inside mirrors adjust themselves electronically to banish glare. A new Lustre-Bond Hi-Baked enamel finish keeps its sheen up to twice as long. Its Swept-Wing beauty sets the trend for other '59 cars. All this is great. But the final reward is the greatness built into this Dodge. It is deep down, through and through, and thoroughly satisfying.

COUNCIL PROCEEDINGS Meeting of the council held at the City Hall, Tawas City, September 15, 1958. Meeting called to order by Mayor George Tuttle. Roll call: Brugger, Cabbie, Davis, Evril, Hatton, Wegner. Minutes of the previous meeting were read and approved. City Attorney Alfred Mason made up a new ordinance No. 144 in regard to the passing of school buses by vehicles in the City of Tawas City. Motion by Evril and supported by Cabbie that Ordinance No. 144 be adopted. Roll Call: Yeas: Brugger, Cabbie, Davis, Evril, Hatton, Wegner. Fred Wright was present and made a request for some signs to be placed on North and Court Streets to slow down the traffic on these streets. It was suggested that signs be erected to take care of this situation. The following building permits were approved by the superintendent of public works: Gene LaChapelle, utility room at 313 Fourth Street at an estimated cost of \$50; Iosco Hotel, remodel hotel rooms at an estimated cost of \$2,000; Walter Anschuetz, seven by 20 foot garage addition at 429 Second Street, cost \$200. Minutes of the park board were read by Reginald Bublitz held September 4, 1958. Motion by Hatton and supported by Cabbie that the minutes of the board be accepted as read. Roll Call: Yeas: Brugger, Cabbie, Davis, Evril, Hatton, Wegner. Minutes of the special meeting of the water board held September 15, 1958, were read by Bublitz and it was moved by Davis that the minutes be approved as read. Roll call: Yeas: Brugger, Cabbie, Davis, Evril, Hatton, Wegner. A request for a new SDM License for the Kroger Company Store located at 215 West Lake Street, Tawas City, was presented for approval. Motion by Davis and seconded by Wegner that the permit be approved. Roll call: Yeas: Brugger, Cabbie, Davis, Evril, Hatton, Wegner. It was moved and supported to adjourn. WALTER C. NELSON, Clerk George Tuttle, Mayor 41-1b

STATE OF MICHIGAN The Probate Court for the County of Iosco In the Matter of the Estate of Otto Berg, Deceased. At a session of said Court, held on September 18, 1958. Present, Honorable H. Read Smith, Judge of Probate. Notice is hereby given, That all creditors of said deceased are required to present their claims in writing and under oath, to said Court, and to serve a copy thereof upon Herbert Hertzler of Tawas City, Michigan, fiduciary of said estate, and that such claims will be heard by said Court at the Probate Office on Monday, December 1, 1958, at 10:00 a. m. It is ordered, That notice thereof be given by publication of a copy hereof for three weeks consecutively previous to said day of hearing, in The Tawas Herald, and that the fiduciary cause a copy of this notice to be served upon each known party in interest at his last known address by registered mail, return receipt demanded, at least fourteen (14) days prior to such hearing, or by personal service at least five (5) days prior to such hearing. Would Expand U of M Landscape Architecture Work

In the past, landscape architecture has been for the wealthy and most lay people have had very little benefit from the profession," according to Walter L. Chambers, newly appointed chairman of the department of landscape architecture, University of Michigan. Chambers also serves as professor of landscape architecture and director of Nichols Arboretum. "I hope to make the Arboretum serve teaching purposes to a greater extent than it has in the past. But above all, I want it to be used for the benefit of people. "In the past, the low income group has benefited through housing and recreation efforts of the architectural profession, but has

been neglected in the area of landscape architecture," he says. Chambers would like to see the Arboretum used for experimental plots: "The students might design experimental gardens and terraces given over to plants not native to this region to see whether they will thrive in this climate. The people of Michigan would also benefit from this." Professor Chambers taught landscape architecture at Harvard University for the past 25 years, beginning as an instructor there in 1933. In 1939 he was made an assistant professor; in 1942, an associate professor; and in 1955, full professor. He was acting chairman of the department of landscape architecture, 1940-41, and chairman since 1956. At Harvard, he had full responsibility and teaching of courses in professional practice, advanced landscape construction, landscape construction and site engineering design.

Mulling over further plans, Professor Chambers said he hopes to see the department of landscape architecture become a highly developed professional unit. He is particularly interested in developing a program of graduate work for the department. "Personally, I feel this is important because many universities often have great difficulty in employing instructors and also in advancing them in rank because of the lack of higher degrees in the profession," Professor Chambers says. "My wife and I have three FM sets and they go with us wherever we go," he said. "They are on from morning to night. I think best to music. I would like to see music introduced into the drafting room. I think it would help the boys work."

"A TIME TO LOVE"

John A. Herman

John A. Herman of this city died Wednesday evening, October 1, following a heart attack while in front of the post office on Lake Street. He was dead on admittance to the Tawas Hospital.

Funeral services were held Sunday afternoon at the Jacques Funeral Home with the Rev. Leonard Newman officiating. Interment was in the Tawas City Cemetery.

Born February 13, 1897, at East Tawas, on January 30, 1917, he married the former Miss Katherine Huntley at Flint.

He is survived by his widow; six daughters, Mrs. Albertin Ziehl of Saginaw, Mrs. Vera Unkel, Mrs. Thelma Long, Mrs. Hazel Miller and Mrs. Elma Coates of Tawas City and Mrs. Amelia McCarry of Interlochen; three brothers, William of Tawas City, Paul of Jackson and Henry of Seattle, Washington; a sister, Mrs. Amelia Dunbar of West Branch; 27 grandchildren, and one great grandchild.

Edward Heckman

Edward Heckman of Whittemore, National Gypsum Company employee for the past 27 years, suffered a fatal heart attack while driving his automobile Saturday evening near his home.

Mr. Heckman was born at Sebawaing September 30, 1904, and was married to the former Miss Lucille Buck of Hale. They had resided in the county since their marriage.

Surviving are his widow; four daughters, Mrs. Raymond Whitney of Saginaw, Mrs. Maxine Porter of Flint, Mrs. Shirley Kelly of Flint and Miss Rose Heckman, at home; two sons, James, in Omaha, Nebraska, and Norman, at home; nine grandchildren; three sisters, Mrs. Marie Lepard of Tawas City, Mrs. Margaret McQuaid of Rose City and Mrs. Rose McQuaid of Saginaw; four brothers, Paul and Leonard of Tawas City and August and Leonard of Saginaw.

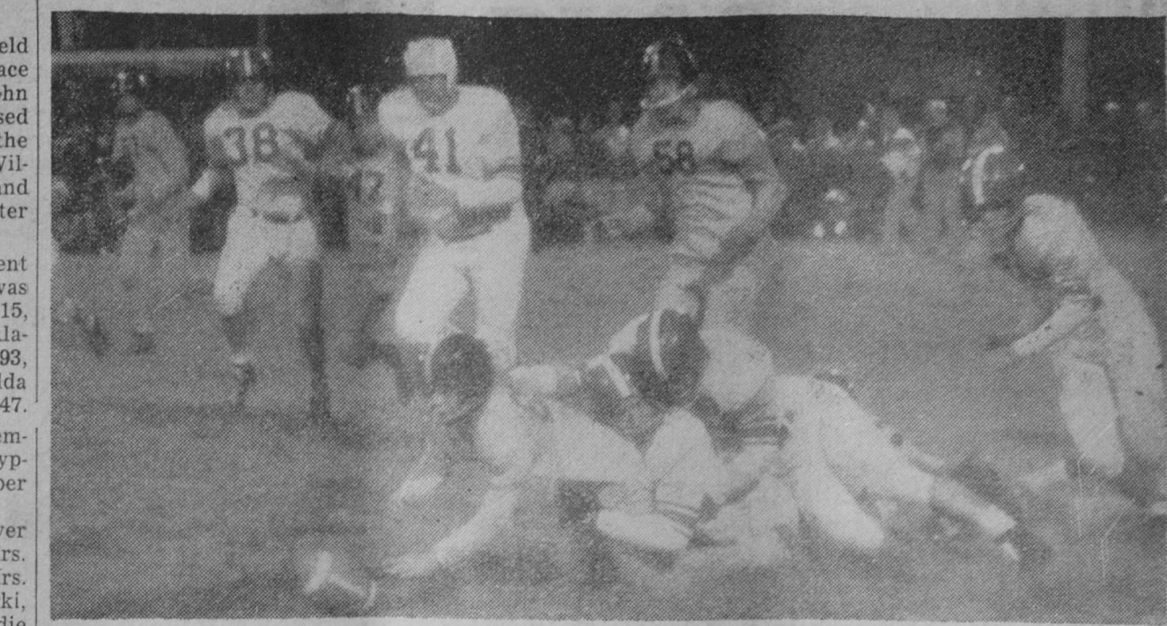

Funeral services were held Wednesday afternoon at the Whittemore Methodist Church. The Rev. Dwight Lawson officiated. Burial was in the Evergreen Cemetery at Hale.

Alfred J. Johnson

Funeral services were held Tuesday afternoon at Grace Lutheran Church for Alfred Johnson of Alabaster, who passed away Sunday, October 5, at the Huron Rest Home. The Rev. William C. Lindholm officiated and interment was in the Alabaster Cemetery.

Alfred John Johnson, a resident of Alabaster for 66 years, was born in Finland, February 15, 1872. In 1892 he came to Alabaster and on December 12, 1893, he married the former Miss Elda Oster. Mrs. Johnson died in 1947.

Mr. Johnson was a retired employee of the United States Gypsum Company. He was a member of Grace Lutheran Church. Surviving are one son, Oliver of Sterling; six daughters, Mrs. Esther Trainor of Alabaster, Mrs. Hilda Curtis, Mrs. Helen Sarki, Mrs. Edith Gustafson, Mrs. Sadie Bessey, all of Tawas City, and Mrs. Anna Salonen of East Tawas; 15 grandchildren; 12 great grandchildren, and two great great grandchildren.

"THE BALL CARRIER was tackled by LeClair and Zaleski." These words were heard many times in last Friday night's Tawas-Roscommon game. Here, the two Braves jar a ball out of the grasp of a Buck ball carrier. Others in the picture are Cybala, No. 41; Wandoff, No. 38 and Ledworth, at right. Turn to page 3 for picture and news coverage of last week's game.—Tawas Herald Photo.

Democratic Candidate Here Saturday

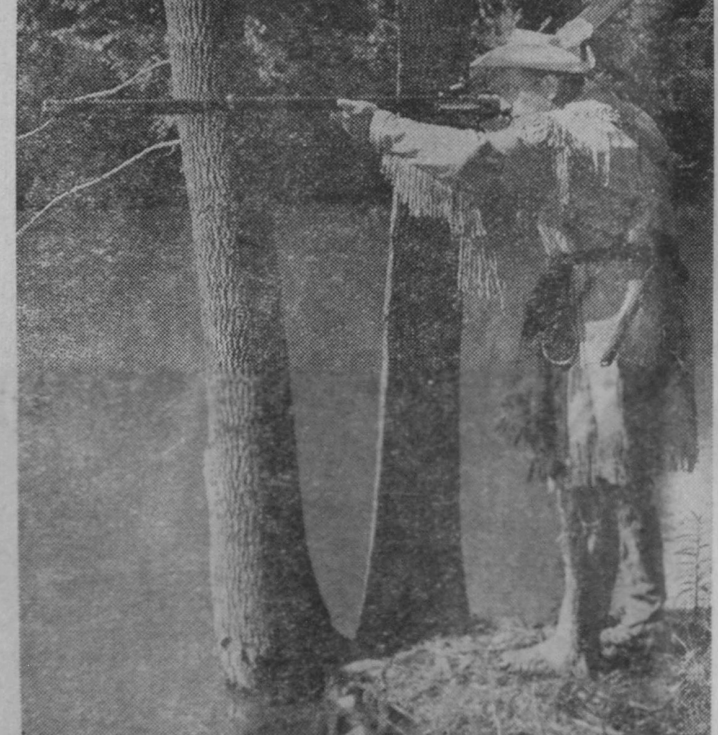

John Swainson, Democratic candidate for lieutenant governor, will be in the Tawas area Saturday, October 11. He will be at the Barnes Hotel from 12 noon until 1:40 p. m.

A luncheon, open to the public, will be served at 12:30 p. m. A fee of \$1.25 will be charged per person.

Mr. Swainson will stop for a brief visit in Oscoda enroute to Alpena.

When you touch the pocketbook nerve, you bring some people to life.

Get that Turkey!

Come October 11 and 12 and Flint Warren (above), of Detroit, will move from this history-book setting and do his shooting at the Fourth Annual Midwest Muzzle Loaders Turkey Shoot at Greenfield Village, Dearborn, Mich. Warren, attired in authentic pre-Revolutionary war buckskins, is a member of the Wyandotte, Mich., Muzzle Loader club and Potawatami Valley Muzzle Loaders, Plymouth, Mich., two of the dozen oldtime firearms clubs in the Shoot. In addition to frontiersmen like Warren, the two-day meet will include 10 Civil war military teams both Union and Confederate, with more than 150 shooters in all. Individual contests and men's costume judging will be held Saturday with military matches and judging of women's and children's costumes on Sunday. Besides simulated turkeys, the sharpshooters will use breakable targets. The Greenfield Village Shoot is patterned after those of Colonial times sponsored by local innkeepers around Thanksgiving.

Farm Loan Group Meet at Standish

The first annual meeting of the Northeastern National Farm Loan Association was held Wednesday, October 1, at Standish. The organization is a consolidation of three associations covering Arenac, Gladwin, Ogemaw and Isoc counties.

The following officers and directors were elected: Fred C. Lattor of Isoc, president; Earl Rau of Gladwin, vice president; Clarence LaLonde of Arenac, Fern Chippis of Gladwin, Charles Noeske and Andrew Kopazewski of Arenac and Edwin Miller of Ogemaw, directors.

The association recently moved into a new office at 1600 Garfield Avenue, Bay City.

Mrs. Anna Wesling

Mrs. Anna Wesling, who resided with her daughter, Mrs. Charles Schalm, on M-55 in Grant Township, died Saturday, October 4, at Tawas Hospital. Mrs. Wesling had suffered a broken hip the previous Wednesday.

Born November 18, 1875, at Ray's Center, she married Charles A. Wesling on April 8, 1901. Mr. Wesling died July 25, 1955. Mrs. Wesling had previously resided at Detroit, New Haven and Mt. Clemens.

Mrs. Wesling is survived by the daughter, Mrs. Schalm; a son, Arnold Wesling of Mt. Clemens; six grandchildren and 16 great grandchildren.

Memorial service for the family was held at the Evans

Funeral Home Sunday evening. The Rev. Leonard Newman officiated. The body was taken to Mt. Clemens for funeral services and burial was in the Meade Cemetery at Meade.

Collision

(Continued from Page 1)
The left knee and back and Servis had a bruised forehead, lacerated knee and abrasions to the hand. A passenger in the Servis car, Joanne Kingsley, 22, of Bancroft received scalp lacerations and injured her right leg. Passengers in the Reinhardt car injured were: Jean Runyan, 17, Whittemore, facial and skull injuries; Dale Runyan, 13, cuts on face, front teeth knocked out; Linda Runyan, 12, sprained left ankle.
