

New Buick Model Cars Go on Display Tomorrow

Buick's New Styling Is Sleek And Low

Sleek and low describes Buick's new styling for 1959. The model shown is the luxurious two-door Electra hardtop which measures less than 55 inches in height yet retains approximately the same headroom as last year's Buick. The "delta-wing" styling of the rear fenders that flare out to a point, and twin headlights that are set on an angle give the new Buick a look that is light and jaunty. Compound windshields that curve back into the roof and eliminate wind noise are a feature on all 1959 Buicks. The Electra is powered by a 401-cubic inch V-8 engine with 10.5-to-1 compression ratio. Twin turbine Dynaflo and power steering are standard on all models in the Electra series.

Wm. Look & Sons Invite Public to See Beautiful Cars

Buick will start the 1959 model parade in showrooms across the nation Friday. In this area the new models will be shown at the William Look and Sons Garage in East Tawas.

Prices, which all the industry has indicated will be up some, were to be announced for new Buicks Wednesday. New price labels, required by federal law by October 1 or whenever 1959 selling starts, were to be sent to dealers for posting on the new cars.

Buick has broken completely with the past and has created a light, fleet look that is rich in simplicity and classic design.

Even the new Buick models have new names: LeSabre, the lowest-priced line; the Invicta, middle-priced, and the Electra, a luxury series replacing the Roadmaster and the Limited.

Features of the new Buicks include windshields that curve back into the roof and four-door hardtops that have a curved "picture window" in the rear; outflaring "delta-wing" rear fenders; twin headlights that are set at an angle.

The new basic engines are said to be the most powerful and efficient in Buick history. The LeSabre will have a 364-cubic-inch displacement engine and 250 horsepower. The Invicta and Electra have a 401-cubic-inch unit, with 325 horsepower, an increase from 300 in comparable models last year.

The new styling, the Buick people say, was created for beauty of form and only enough chrome added to accentuate the lines.

If you keep your ear to the ground, you can pick up a lot of dirt.

U of M Invites Hunters to Visit Duck Exhibit

Michigan nimrods planning to scout the skies for ducks beginning October 1 have been asked to join the current nation-wide campaign, "Know Your Ducks." It is sponsored by the United States Fish and Wildlife Service through the state game agencies like the Michigan Department of Conservation.

To do its part in the campaign, the University of Michigan Exhibit Museum has invited duck hunters to visit a display of "Michigan Ducks," mounted specimens of the 25-30 ducks found here, on the museum's third floor.

New conservation department duck hunting regulations this year affect three species of ducks. Shooting more than the limit is unlawful.

Previously, there had been no bag limit (other than the regular four-a-day overall limit) on red-head and canvasback ducks.

This year, hunters will be allowed only two redheads or two canvasbacks, or a combination of one each, per day. The season is closed entirely on wood ducks.

Besides the four-a-day limit, a hunter is not allowed to keep more than eight ducks in his possession at any one time. In other words, no "stockpiling" is allowed.

Duck hunters may browse among the life-like ducks at the museum any weekday and Saturday from 8:00 a. m. to 5:00 p. m. or on Sundays and holidays from 2:00 to 5:00 p. m.

The exhibit museum is located on the corner of North University and Washtenaw Avenues, Ann Arbor.

To get your prospect lukewarm, you have to get yourself red hot.

Edison invented the flash light in 1914.

Capitola McCormick

Mrs. Capitola McCormick, well known resident of this city, died Wednesday, September 10, at Saginaw General Hospital following an illness of seven weeks.

Born in Maine, Mrs. McCormick had been a resident of Tawas City for many years. She was a life member of Tawas City Chapter, Order of Eastern Star; a past matron of the chapter; a member of Christ Episcopal Church and the church guild. She married John T. McCormick September 28, 1957, at Saginaw.

She is survived by her husband and a sister, Mrs. Ora Phillips of Midland.

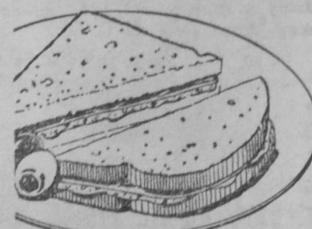

Services were held at 1 o'clock Saturday afternoon at the Jacques Funeral Home. Following the rites here, the body was taken to the Coleman Cemetery for interment. The Rev. Paul Sutton officiated at the services.

Many Changes Made in Social Security Act

The 1958 amendments to the Social Security Act made many changes which will benefit disabled workers and their dependents. A previous article told that payments are now possible to dependents of disabled workers now receiving disability payments. This includes wives 62 or over and wives of any age with children under 18. Payments can also be made on behalf of the children under 18 or disabled. In addition disability payments received from other federal agencies and under workman's compensation laws will no longer reduce or prevent disability payments from social security. Full payment will also be possible to disabled children from both agencies. These adjustments will be automatic in most cases so people affected by this change need not apply for payments. No contact should be made until at least November regarding this adjustment.

Another change in the disability provisions eliminates the requirement relating to coverage in the years immediately before the disability began. Previously the law provided that half the time in the three years before the disability began had to be in work covered by social security. This was eliminated. The requirement is unchanged that five out of the 10 years before the disability began had to be in covered work. Disabled workers affected by this change should contact the Social Security office as soon as possible.

Representatives from the Bay City Social Security office will be in the Federal Building, East Tawas, Thursday, September 25, at 10:30 a. m. Anyone wanting information about social security or wanting to apply for payments should contact them.

Handy, thrifty... and oh, so good!

Extra special pickle relishes in a creamy dressing. Made by KRAFT.

Miracle Sandwich Spread

Lower Hemlock

Mrs. John Gallagher of Ottawas Beach was a Sunday visitor at the home of Mr. and Mrs. Andrew Anshuetz.

Mr. and Mrs. Raymond Stine of North Branch spent the past week-end with her brother, Paul Anshuetz.

Mrs. Alva Wood and Mrs. Jane Vedmore visited relatives at Mio Sunday afternoon.

Mrs. Wilfred Youngs and son, Dale, called on the William Olsens of Wilber Township Wednesday evening.

Mrs. Stella Campbell and Mrs. Olive Hansen of Gaylord and Mr. and Mrs. Joseph McCardell of Hazel Park visited with Mrs. Rose Watts over the week-end.

Mr. and Mrs. Victor Bouchard spent the week-end at Traverse City, Crystal Lake and Beulah.

Mrs. Jane Vedmore entertained her daughter and family of Vermontville over the week-end. James Curry left Sunday for Alma where he will attend college.

Mr. and Mrs. George Overholt and daughter, Faye, and Mr. and Mrs. Ronald Overholt of Bay City, Mrs. Roy Harris and Mrs. Marie Mulkey of Alpena were Sunday visitors of the Clayton Ulman family.

Mr. and Mrs. Clayton Ulman left Tuesday morning for the Upper Peninsula where they will spend several days.

Mr. and Mrs. Anthony Gehl of Detroit were guests at the Clarence Lang home last week.

SHERMAN NEWS

Mrs. Lawrence Jordan and Mrs. Elmer Dedrick were callers in Saginaw Monday.

Mr. and Mrs. Sterling Cataline of Whittemore called at the Elbridge Cataline home Sunday.

Mr. and Mrs. Ray Balchitis and daughter of Muskegon spent the week-end with his mother.

Mrs. Joseph Ecker attended the Nickell-Head wedding in Flint Saturday and remained over the week-end.

Mr. and Mrs. Harvey Smith spent Thursday evening with Mrs. Charles Lambert and son.

Mr. and Mrs. Jack Thornton and family spent Sunday with his parents, Mr. and Mrs. Silas Thornton.

Gwen Jordan, who is attending school in Detroit, spent the week-end with her parents.

Mr. and Mrs. Floyd Smith and daughter of South Branch spent Saturday with his parents.

Mrs. Josephine Brigham was on the sick list for a couple of days.

More salt is present in the Atlantic than in the Pacific.

At least 10 countries use the eagle as the symbol of supremacy.

HALE HEALTH COUNCIL MET AT GRANGE HALL

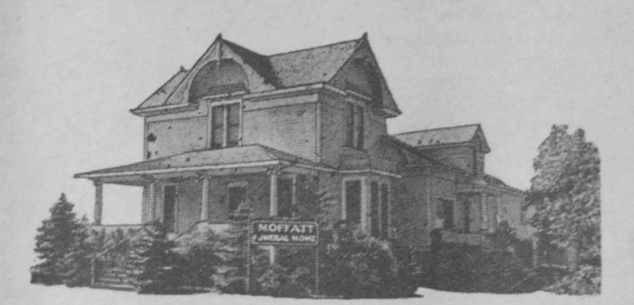

The Hale Chapter of the Michigan Health Council met Tuesday, September 9, at the Grange Hall. Plans for the coming months were discussed; namely, how to re-establish supplies lost in the Hale Community Building fire and ways and means of raising funds to further the activities of this group which covers all of Isosco County.

At present there are several "gypsy baskets" being circulated

in the area as a fund raising project. Everyone's help is needed in this project.

Election of officers for the coming year was held with the following people elected: Chairman, Mrs. John Dooley; vice chairman, Mrs. James Hicks; recording secretary, Mrs. Arthur Peters; corresponding secretary, Mrs. Edwin Sharp; treasurer, Mrs. Guest; finance officer, Mrs. Addie Scofield. The group will meet October 14 at the home of Mrs. Hicks at Long Lake.

THE CAR

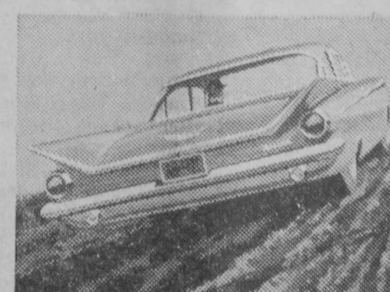

ELECTRA 225 IN THE EYE-STOPPING NEW 4-DOOR HARDTOP

Here it is . . . and now you know! Know why we have called this *THE CAR*. Know that a new generation of great Buicks is truly now here. From just this one view you can see that here is not just new design . . . but splendidly *right* design for this day and age. A car that is lean and clean and stunningly low . . . and at the same time great in headroom and legroom, easy to get into or out of. And when you see your Buick dealer and walk the whole wonderful

way around this Buick, you'll know still more how *right* all this is. From anywhere you look, here is a classic modern concept that is Buick speaking a new language of today. A language of fine cars priced within the reach of almost anyone. A language of quality and comfort and quiet pride of ownership. And when you see your quality Buick dealer and get behind the wheel, the car will speak to you in a language of *performance satisfactions* without equal.

THE LOOK. A clean, lean, new kind of fine-car look. The look of the best-engineered, best-manufactured Buick ever built . . . and the most excitingly beautiful design in Buick's nearly 60 proud years.

THE ACTION. Get the feel of thrifty new Wildcat engines. New Equipoise ride. New fin-cooled rear brakes and aluminum front brakes. New Twin-turbine and Triple-turbine transmissions.*

THE QUALITY. Buick quality to the core, new super-quiet bodies by Fisher. New Magic-Mirror finish retains its beauty longer. New interior décor throughout. Safety-Plate Glass everywhere. Magnificent new quietness, new comfort, the feel of fine-car quality everywhere! Yours to test, yours to savor—the magnificent new Buick for 1959.

*Optional at extra cost on certain models.

Marriage Solemnized at Mt. Pleasant

Large white chrysanthemums decorated the First Methodist Church, Mt. Pleasant, Saturday, September 6, for the marriage of Miss Charlene Kay Sargent and Gordon E. Kobs. The Rev. Robert C. Smith officiated at the 4:00 p. m. double ring ceremony.

Hope Conaway, vocalist, was accompanied by Mrs. Harriet Collins, organist.

Miss Sargent is the daughter of Mr. and Mrs. Verco F. Sargent of Mt. Pleasant, and Mr. Kobs is the son of Mr. and Mrs. Karl Kobs of Tawas City.

Escorted to the altar by her father, the bride chose a full length gown of Couplon silk styled with a molded bodice and a V-shaped neckline, trimmed with lace. The billowing shirred skirt was sprinkled with large lace medallions, and the brush train was accented by a huge draped sash in the back. Her veil of French silk illu-

sion floated from a narrow pillbox crown trimmed with sequins and pearls. She carried a colonial bouquet of white snow drift chrysanthemums with ivy streamers.

Miss Judy Lynn Sargent, sister of the bride, was maid of honor. Miss Kay Knight, cousin of the bride, and Miss Barbara Saller, both of Mt. Pleasant, were bridesmaids. The attendants wore identical ballerina length gowns of pure silk organza in tones of green. Elongated torsos with scoop necklines and tiny cap sleeves topped swirling skirts of Nile green, accented at the back by tiers of deep mint green organza. Their matching hats were trimmed with rhinestones and circular veils. They carried colonial bouquets of bronze chrysanthemums with ivy streamers.

Herbert Kobs of Tawas City acted as best man for his brother. Ushers were Donald Kobs of

Onaway, brother of the bridegroom. Harold Nichols of Mt. Pleasant and Ralph Wolfe of Saginaw.

Mrs. Sargent chose a royal blue peau de soie sheath with a shaded blue hat and metallic gray shoes for her daughter's wedding. The bridegroom's mother wore a moss green suit of silk faille, accented by gold jewelry and a black feather hat.

After a wedding trip to Niagara Falls, the couple will reside at 607 East Chippewa, Mt. Pleasant.

A member of Pi Kappa Sigma, the bride has attended Mt. Pleasant High School and Central Michigan College. Mr. Kobs graduated from Tawas City High School and attended Central Michigan College.

Out-of-town guests were present for the wedding from Lansing, Holland, Saginaw, Jackson and Tawas City.

Nuptial Vows Recited at Candlelight Service

MR. AND MRS. PAUL A. FISHER

In a 7 o'clock candlelight service August 23, Miss Erlene June Miller became the bride of Paul A. Fisher. The double ring ceremony, held in Assembly of God Church, Fort Madison, Iowa, was performed by the Rev. F. R. Gottwald. The Rev. William MacFarlane of East Tawas read the Scripture and offered prayer. Candelabra and bouquets of mixed flowers and palms decorated the church.

Miss Janet Sheppard of Minneapolis, Minnesota, sang "The Lord's Prayer," "Because" and "I Love You." During the ceremony, the bridegroom sang "Always." Mrs. Grover Senfin accompanied the vocalists.

Parents of the couple are Mr. and Mrs. Cecil S. Miller of Fort Madison, Iowa, and Mr. and Mrs. Fay B. Fisher of Tawas City.

Escorted to the altar by her father, the bride wore a gown of peau satin and imported Alencon lace with a scalloped bateau neckline accented by a pearl studded lace inset, long fitted sleeves and a Basque bodice. A satin hip band circled a full, gathered floor

length skirt which floated into a chapel length train. Her fingertip veil of imported illusion was secured to a crown of imported Alencon lace covered with small pearls.

Matron of honor was Mrs. Eugene Miller of Burlington, Iowa, sister-in-law of the bride. Bridesmaids were Miss Lavinda Miller, cousin of the bride, and Miss Jean Fisher of Tawas City, sister of the bridegroom. The attendants were gowned in identical dresses of green, pink and blue taffeta, with matching crownless picture hats and baskets of flowers.

Fay Fisher of Flint, brother of the bridegroom, was best man. Eugene Miller of Burlington, Iowa, and Everett Miller of Fort Madison, Iowa, brothers of the bride, were ushers.

Nancy Senf, flower girl, wore a miniature bride's dress and carried a basket of rose petals. Ronald Miller, nephew of the bride, served as ring bearer. Miss Joyce Tillman and Robert Tillman were candlelighters.

A reception in the church parlor for 200 guests was held immediately after the ceremony. The bridegroom's parents gave a reception for the couple at their home in Tawas City August 30.

Mrs. Miller chose a dress of gray lace over salmon taffeta, with salmon and white accessories and flowers for her daughter's wedding. The bridegroom's mother wore a navy blue dress accented by white accessories and flowers.

The couple will reside at 603 Summer Street, Burlington, Iowa. Guests were present for the wedding from Tawas City; East Tawas; Flint; Canadian, Texas; Davenport, Iowa, and Minneapolis, Minnesota.

Steinhurst Wins in Michigan Pistol Shoot

State Police Trooper Robert Steinhurst, East Lansing, won the superintendent's trophy for high individual score at the 21st annual Michigan police shoot held in Jackson last week. Steinhurst, former Tawas Cityan, shot 292 out of a possible 300 to take the trophy. There were 120 teams and 407 shooters representing 64 Michigan police and sheriff's departments.

An added highlight of the state shoot was the presentation of a .45 caliber pistol to Governor G. Mennen Williams in appreciation of his interest and support of the annual police event over the past 10 years. Commissioner Joseph A. Childs made the presentation in behalf of all police officers of Michigan.

A time to think is as important as time to work.

AMBULANCE SERVICE
FOrest 2-2991 Tawas City

By DOROTHY SCOTT, Home Demonstration Agent

Calendar:
Wednesday, October 1—Landscape visits and meeting.

Friday, October 3—District Home Economics Extension Rally.

Burleigh Gadabouts, Laidlawville, Wilber E-Z-Do-It and Reno home economics extension groups have begun fall meeting activities. Flower arrangement is the subject for study and practice this month.

An organizational meeting was held in Hale last week and flower arrangement was included as a part of their afternoon program. Mrs. Hugh Slosser was hostess and the women invite anyone interested in joining their group to let them know they want to come.

Next month's group meeting topic is "Broiler Meals." Group leaders are to have a training school in preparation for teaching this lesson. Miss Roberta Hershey, Michigan State University foods specialist, will be the instructor. In addition to finding ways to make better use of the broilers, leaders will figure out their riboflavin rating to see whether or not they are being cheated.

Additional group meeting subjects and special workshop activities are among the plans for this year's extension program for women. These are available to women enrolled as members of the organized home economics extension groups and also to women belonging to other organizations if they wish to include one or more extension lessons in their program for the year. Your

request for meeting assistance is invited.

We are learning to remember the use of a new name these days. Have you noticed my using the term, home economics extension groups rather than home demonstration groups? This change in name was made official during the annual meeting of the Michigan Home Economics Extension Council at Homemakers Conference in July.

On Friday, October 3, some of us shall be making a beautiful fall color drive (we hope) to Mio and back. We will be going to attend the district rally of home economics extension group women. This occasion has come to be anticipated by the women in our seven-county district as a time to greet new found friends and enjoy together a special program.

A barbecue luncheon meal is being planned and the cooks want to know how many will be coming. Reservations can be made with me until September 26.

A power failure and you will be worried about the food stored in your freezer, after a summer's effort to put it there.

Let us use our head and not waste the cold we already have in the freezer. Remember that food in a full freezer will not thaw for two days; a half-full freezer should keep well for a day.

Check to find out how long the electricity is likely to be off; then, if an emergency might arise, find out the nearest place to get dry ice.

A 50-pound chunk sawed into smaller pieces and set on cardboard on top of the frozen food packages is effective.

If you handle dry ice, wear gloves to keep it from touching your skin.

Another possibility is to transfer freezer contents to the local locker plants. Probably this kind of an emergency will not happen.

Leaves and lawn clippings can become valuable fertilizer by pile of a compost pile. Build the pile in layers with a few handfuls of fertilizer scattered over each new

supply of organic matter (leaves) added. Use a 12-6-6, 10-6-4, 10-10-10 or 8-8-8 analysis at the rate of 100 pounds for a pile containing 125 cubic feet. Also needed is about 25 pounds of finely ground lime, mixed with the fertilizer or applied separately.

The addition of a little garden soil in each layer will inoculate the pile with decay organisms. Keep the pile moist, but not wet enough to cause drainage. When the top of the pile is saucer shaped, it will catch rain or water from a sprinkler.

The Isoco families who began landscape projects last spring will get together with Joseph Cox, landscape specialist from Michigan State University, on October 1 for further assistance in the development of their own individual landscaping projects.

A second kind of landscape project is in the planning stage with families in Reno Township who want to beautify the grounds around their township hall. This will continue their program of community meeting place improvement.

Braves Open Season Friday Night

Tawas Area Braves will open the 1958 football season Friday night when they meet the West Branch Orioles under the lights at the latter's home field. The big question of how well this year's crop of "rookies" fill the gaps left by last spring's graduation will be answered for Tawas Coach Howard Adams and Coach Bob Barkman Outfitting ... 3 5

Individual High Series: John N. Klenow, 722; J. Smith, 714.
Individual High Games: John Klenow, 301 (267 actual); Fred Pettibone, 271 (233 actual); C. Brooks, 238; J. Smith, 263; R. Beaubien, 244; G. Klenow, 238.

Clair at full back and Den Ledsworth at right half. Woolhiser was the speedster who led the JV scoring attack last year. LeClair and Ledsworth are veterans of last year's varsity. The biggest question mark will be in the offensive line. Lone returning regular from last year's line will be Don Heenan, the hard-driving left tackle. At the other tackle will be Jim Zalewski, husky letter winner of last year who came up to the varsity about mid-way during the season. Newcomers to starting assignments on the offensive line will be Gary VanOrnum and Dick Wandoff, right and left guards, respectively; Lowell Long, center; Dwayne Uiman at left end and Jim Wilkusi will probably get the starting nod at right end.

Long, VanOrnum and Wilkusi are all up from last year's JV, while Uiman was a sub on last year's varsity and Wandoff is a transfer to this school. Tentative starters for Tawas Area's defensive line are John Cybula at middle guard, Ken Blust and Zalewski at tackles and LeClair and Frank Brigham, a hard runner who will also see action in the offensive backfield, at ends. Line backers will probably be Heenan, Wandoff or Bud St. James, VanOrnum and Ledsworth. In the backfield will be Bolen and Ray Moore.

The Braves have had their share of injuries this year. Ken Pitts, a "somer" as an end, was shelved for the season by a rib injury. Others who have been injured, but who will be back in the line-up, are St. James, Duane Sanders, Doug Evans and Woolhiser. Gary Brackenbury, who was expected to be a regular in the offensive backfield, is out for good because of a leg injury sustained while roller skating several months ago. The team broke with tradition this week by electing Ledsworth and Heenan as co-captains for the coming season. In the past, captains were named for each game and honorary captains were selected by the squad at the end of the season.

Adams had a good opportunity to watch his 1958 Braves in action last Saturday afternoon in a pre-season scrimmage with the Alpena Catholic Central Varsity. Although Tawas Area was "shut-out," 6-0, Adams was impressed with the development of his charges during the past two weeks. "On a couple of occasions both the line and the backfield pulled costly mistakes which meant the calling back of touchdowns, but we hope to iron these out before the game Friday night," said the Tawas mentor. Pete Bolen, who was the regular quarterback on last year's undefeated JV squad, will be the varsity's offensive signal caller this year. The five foot, 11 inch junior is rapidly developing at the position after being hampered by a slight leg injury during the first week of practice. Other tentative starters in the offensive backfield include Harry Woolhiser at left half, Tom Le-

Clair at full back and Den Ledsworth at right half. Woolhiser was the speedster who led the JV scoring attack last year. LeClair and Ledsworth are veterans of last year's varsity. The biggest question mark will be in the offensive line. Lone returning regular from last year's line will be Don Heenan, the hard-driving left tackle. At the other tackle will be Jim Zalewski, husky letter winner of last year who came up to the varsity about mid-way during the season. Newcomers to starting assignments on the offensive line will be Gary VanOrnum and Dick Wandoff, right and left guards, respectively; Lowell Long, center; Dwayne Uiman at left end and Jim Wilkusi will probably get the starting nod at right end.

Long, VanOrnum and Wilkusi are all up from last year's JV, while Uiman was a sub on last year's varsity and Wandoff is a transfer to this school. Tentative starters for Tawas Area's defensive line are John Cybula at middle guard, Ken Blust and Zalewski at tackles and LeClair and Frank Brigham, a hard runner who will also see action in the offensive backfield, at ends. Line backers will probably be Heenan, Wandoff or Bud St. James, VanOrnum and Ledsworth. In the backfield will be Bolen and Ray Moore.

Joseph Jakesch

Joseph Jakesch, a life time resident of East Tawas, died suddenly of a heart attack Saturday, September 13, while at Trudell's Gasoline Station and Body Shop. The body was taken to the Moffatt Funeral Home where services were held Tuesday afternoon. The Rev. Paul Sutton of Christ Episcopal Church officiated. Burial was in the Alabaster Cemetery.

Joseph Jakesch was born in East Tawas on April 14, 1888, and was 70 years of age. He resided in the old Jakesch family home on Main and Westover Streets. Surviving are two nephews, James Alfred of Mackinac Island and Harold Alfred of Buffalo, New York.

P.T.A. Sets Membership Month

They'll Knock On Igloo Doors In Newest State

When more than eleven million P.T.A. members open their annual Membership Enrollment month this October, they will be urged to "knock on every door" to find new members interested in advancing the welfare of children.

Some of those doors may open to the oldest dwellings in the Western hemisphere—stone igloo homes in Alaska, scheduled soon to become the nation's 49th state.

Here, as throughout the U.S., the National Congress of Parents and Teachers will seek to add some half-million new "parents, teachers or friends of children" to what is already the nation's largest voluntary service organization.

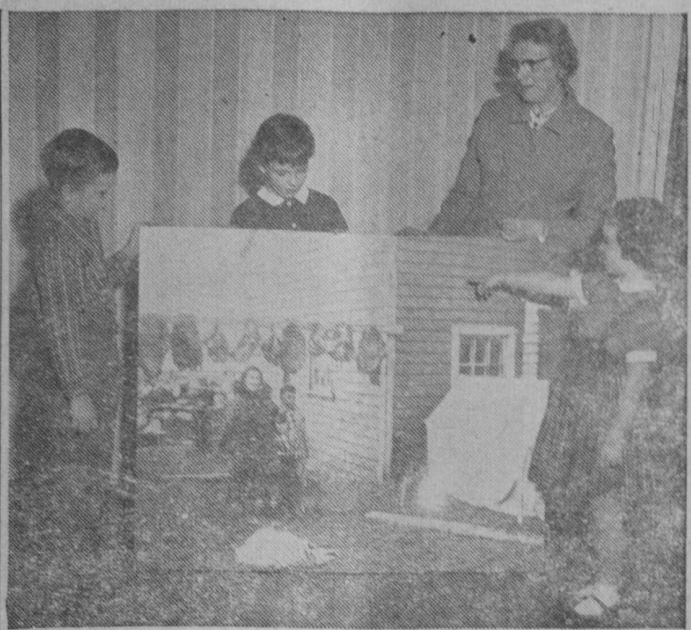

Mrs. James C. Parker, of Grand Rapids, Mich., president of the National Congress, cites "the dynamic potential of Alaska, our newest state," as "comparable to the spirit which has enabled Parent-Teacher associations to contribute so much to the welfare of children."

The variety and scope of P.T.A. activities in the 61-year history of the National Congress are reflected today, Mrs. Parker noted, in the everyday life of Alaskans which ranges in spirit from the quite sophisticated to the "truly frontier."

Alaska's Congress of Parents and Teachers, which became part of the national organization in 1957, today faces problems which can be compared, Mrs. Parker pointed out, with those recorded over the years in tiny American communities or in its largest cities. For it is a land where . . .

School youngsters may ride for miles in a dog sled to a crowded, poorly-heated quonset hut, or walk across the street to a modern, several story building.

—Where accountant, school

"Home is the child's first school," explains Mrs. James C. Parker, president of the National Congress of Parents and Teachers, whether it's in Point Barrow, Alaska, or the continental U.S. Here, Chicago school children examine picture of Eskimo family standing under strips of caribou meat outside their far north home. In proclaiming October as P.T.A. Membership Enrollment month, Mrs. Parker points out that development of P.T.A.'s in Alaska, soon to become the nation's 49th state, parallels the organization's pioneering days in this country.

teachers and government workers regularly make trips "back in the bush" to hunt and fish for food for their families—and store it in modern freezers.

—Where the airplane is the accepted means of travel between cities, but where the number of sled dogs is increasing.

—Where teachers in schools with large Eskimo or Indian populations must teach a second language—English—to many of their charges, while other schools, especially those on U.S. army bases, maintain typically American libraries, theaters and bowling alleys as part of their recreation program.

—Aims of the National Congress membership month will apply

equally well in this dynamic new state, Mrs. Parker pointed out, as in its member organizations throughout the continental United States, in Hawaii and on American military bases in Europe.

"For the primary purpose of the P.T.A.," she explained, "is to safeguard children, to build for the future in such a way that in every community the lights of home may always shine out."

In designating October as the period for membership enrollment, she called upon "every parent-teacher member to knock once more on the door, and at the heart, of every American, so that all of us, working together, may make America the best possible home for all our children."

Tawas JV Awaits Opening Whistle At School's New Football Field

First game ever to be held on Tawas Area School's new lighted football field will be played Saturday night, September 20, when the Braves JV team meets the West Branch JV at 7:30 o'clock.

Work on the new field was started during the summer of 1957 and the lighting installation was made later in the fall. The new lighting set-up is one of the best in Northeastern Michigan. At present, four sets of collapsible bleachers will be used for reserved seats. Permanent bleachers are expected to be installed by next year.

For the opener, Coach Bill McIntosh will have a "powerhouse" squad to tangle with the

West Branch JV, composed mostly of sophomores, with a sprinkling of freshmen and only two juniors.

The 1958 JV team will be trying to equal the undefeated record of last year's team. Members of the coaching staff believe that this year's team will be better balanced than last, being strong in both the backfield and in the line.

Tentative starting line-up for the offensive team will have "Butch" Loy, a bullet passer, in the quarterback slot; Jerry Miller and Herman Rollin as halfbacks, and Ken Herriman as fullback. All of these boys are sophomores, with the exception of Rollin, who is a freshman.

The team will be strong on offensive ends, with John Sass, an excellent blocker, and Bill Martin. Sass is a sophomore and Martin, who transferred here this year, a junior.

The offensive line will be small but speedy with Neil Mochty at right tackle, Bob Frank at right guard, Jim Brooks at left guard, Jim White at center and Bob Curry at left tackle.

The defensive alignment will be big and strong with Ken Davenport, who will beef up the line with his 200 pounds, at middle guard; White, a 175 pounder, and Jim Tarnosky, 170 pounds, at tackle positions, and Terry Johnson, 140 pounds, as the other

guard. Sass will play at one defensive end position and Pat Bolen at the other. Herriman, Jim Brooks and Martin will be line-backers and Jim Campbell and Al Moore as defensive backs.

Other players who will see much action during the game will be Louis Werth, Ron Deering, Don Humphrey, Dick Zaharias, Harold Birkenbach, Paul Roach, Ken Murphy, Charles Mercer, Herb Galliker, Don Brown and Paul LaPorte.

Coach McIntosh is assisted by William Tracy and Tom Pinkowski.

Tawas Area School Band will play during the halftime. Formal dedication of the new field will be held on September 26.

Tawas Legion Posts to Hold Dinner Meeting
There will be a joint dinner meeting of Jesse Hodder Post 189 and Audie Johnson Post 211 at the American Legion Hall in Tawas City Tuesday night, September 23. Serving will start at 7 o'clock. Tickets for this dinner may be purchased from Legion members.

"SERVES YOU FIRST"

THE TAWASES

by CHET MAHER, Manager

DO YOU SOMETIMES feel that it takes hours to cook a meal but only a few minutes for your family to eat it? If you do, count your blessings. There are some people who'd keep you busy cooking all day and night. Take the Belgian who once ate 44 boiled eggs in 30 minutes . . . the man from Chicago who put away 77 hamburgers at a sitting . . . the Australian who swallowed his way through a mound of 460 oysters in the hour.

YOUR HUSBAND and the children eat a great deal less than some, you see. Even so, to feed them well, you need to spend a lot of time over your pots and pans. That's why a handy extension phone in the kitchen is such a big help. It lets you answer the phone without leaving your cooking—or young children—to chance. The space-saving, wall type extension is most popular for kitchens. It comes in a choice of colors and costs only \$1.10 a month, plus tax.

SCHOOL DAYS are here again, and with them comes the chore of outfitting the kids for fall and winter. Always reminds us of how much the youngsters grow from year to year (especially boys' feet). At a time like this remember there's no quicker, simpler way of buying things than to look in your phone book Yellow Pages to find the nearest dealer. And when you're in doubt, you can use your phone and call to make sure who's got what. Do your searching in the Yellow Pages and save time and shoe leather.

IF YOUR CHILDREN WILL be away at college, keep in touch by Long Distance. If they have a busy schedule, they might not be in when you call—but that's an easy problem to solve. Just have them call you "collect" one evening each week. It costs very little. And that familiar voice on the telephone will be the best cure for the blues ever invented.

PARTING SHOT: Coroner's verdict on the lion tamer: something he disagreed with ate him.

STATE PARKS HAVE RECORD ATTENDANCE

Michigan's state parks and recreation areas were bursting at the seams through late August as attendance totals ran well ahead of last year's level.

Through August 31, some 15,488,000 persons jammed into the 59 state parks and recreation areas—an increase of about two percent over the heavy use recorded during the same period last year.

Camping, meanwhile, continued its tremendous increase in popularity, with 128,100 camp permits issued through the month of August. This total represents an increase of more than 16 percent in camp use over the same period in 1957. In fact, camping attendance in state parks to date tops the 116,119 permits issued throughout 1957—the record year for camp use.

New Bus Law Means Breaking Old Habit

When the new school bus law went into effect September 13, it meant breaking an old habit and forming a new one for Michigan motorists.

The old habit was stopping only from the rear when a bus was stopped to receive or discharge passengers. Now motorists have to remember to also stop from the front.

Unless drivers exercise care, the additional stop may increase

4-H Clubs

BY DOROTHY SCOTT
Home Demonstration Agent

Peaceful Valley 4-H Club members, leaders and parents made plans for their 4-H Club activities for the coming year at a meeting on Friday evening, September 12, in the John Wehrman home.

We do not have information yet as to what they have decided to do; however, an early fall meeting is an excellent idea.

Is your 4-H Club going to have a similar planning meeting with members leaders and parents all taking part together? Soon? Let us hear about it.

Mrs. Marvin Davenport and John Wehrman were among the 4-H Club leaders from the seven counties in our district who met together at Standish on Tuesday, September 16. They shared ideas and experiences to help make 4-H Club programs better and bigger in all our counties.

This is the very best time of the year for new 4-H Clubs to make a start. Would you like to be a 4-H Club member? Is there a 4-H Club in your community?

If not, we can do something about it if you want one organized. Let us hear from you.

EKLUND'S STANDARD SERVICE
Expert Wheel Alignment and Balancing
Phone FOrrest 2-5211

rear end collisions, the state police warn. Such accidents had been increasing, they said, when only one stop was required.

The advice of state police is that motorists start slowing down as soon as they spot the red lights flashing on the front and rear of the school bus. The flashing lights indicate the bus is preparing to stop or has stopped to receive or discharge passengers.

It was pointed out, however, that motorists must nevertheless stop even if the red lights are not flashing, but the bus is stopped.

Breaking old habits and forming new ones is not always easy, the state police concede, but they said the success of the new law in reducing deaths and injuries to school children or in associated accidents depends upon motorists remembering and observing the regulation.

The Michigan law now conforms with all states but Utah in requiring stopping from both directions.

Old Bank Building to Soon Become 'Pot-Pourri' Shop

The old bank building in Tawas City will soon become a "Pot-Pourri" shop. Operated by the Tawas Women's League, the shop will be open for business October 1. Each week it will be open Thursday and Friday afternoons and all day Saturday.
Residents of the Tawas and surrounding areas are asked to bring any rummage to the store September 24-26, between 1:00 and 4:00 p. m. If anyone is unable to take his contributions to the building, call Forest 2-5240 or Forest 2-2389 for pick-up service or additional information. Pick-up service will be available in the Tawas and immediate area only.

David Jewel

David Jewel, son of Mr. and Mrs. Robert Jewel, formerly of East Tawas, was found dead in his parked car in an Arenac County woods Tuesday afternoon. He was enrolled as a student at Michigan State University. The body was found by Emerson James of Standish, who notified Michigan State Police.
David Jewel was born in Detroit February 27, 1937. He is survived by his parents, Mr. and Mrs. Robert Jewel, and one brother, Michael, of Pinconning, and his grandmothers, Mrs. James Foster of Ludington and Mrs. Eckfield of Marysville.
