

MARKING THEIR 10th and most important win of the season Sunday were Steve Kolonich and Larry Kindell who crossed the finish line first at Oscoda to win the 12th annual Michigan International Canoe Marathon. In picture No. 1, the winners are

shown paddling across the finish line to the applause of some 5,000 persons who were on hand to witness the event. Picture No. 2 shows Kolonich whispering congratulations in the ear of his 16-year-old son, Gary, who, with partner, Ed Wojahn of Ta-

was City, finished in sixth place. Picture No. 3 shows the second place team of Ralph Sawyer and Tom Gildersleeve of Oscoda pulling in at the finish line. The new canoe champions, who have raced together three times in this event, are pictured in

No. 4. Mort Neff of state television fame interviews Kolonich and Kindell in picture No. 5. Kolonich has raced 11 of the 12 years that the marathon has been held. Kolonich is 38 years old while his partner, Kindell, is 24 years old.—Tawas Herald Photos.

Win AuSable Marathon--

Kolonich-Kindell Set New Record

Steve Kolonich and Larry Kindell of Tawas and National City were crowned champions of the 12th annual Michigan International Canoe Marathon at Oscoda Sunday.

The new champs set a canoe record to win this coveted event among canoe paddlers. The champs ran the 240-mile course from Grayling to Oscoda in an elapsed time of 16 hours, 41 minutes. This time was 10 1/4 minutes faster than the course record set in 1956 by Ralph Sawyer and Tom Gildersleeve of Oscoda.

The Kolonich-Kindell duo drew the pole position and were never headed down the winding AuSable River. A total of 41 teams raced, the largest number since the first year of the event when 46 teams were entered.

In second place were the dethroned champions, Sawyer and Gildersleeve, who drew the 26th position and finished in an elapsed time of 17 hours, eight minutes.

The Oscoda duo could not overcome the pace set by Kolonich and Kindell, who had gained four minutes at Stephan Bridge, increased it by one minute at Parmelee Bridge and added a little bit more to their lead at every check point.

Finishing in third place, five minutes behind Sawyer and Gildersleeve, were Al and LeRoy Widing of Holly. Fourth place went to Marvin Bielski and Dale Rhodes of Grayling. In fifth place was the Oscoda team of Dave Skillman and Tom Halero of Oscoda.

Resting after the long grind at the finish line, Kolonich and Kindell reported that heavy rain storms struck several times during the night. A manually-operated bailer kept the champions' canoe dry.

Strong winds in mid-morning caught many canoes on the backwaters of Foote Dam and made the normally easy crossing rough and dangerous.

Prize money was presented at a program at the Oscoda athletic field Sunday night by Lt. Col. E. J. Duceck of Wurtsmith Air Force Base.

P-TA Officers to Hold First Fall Meeting

William O. LaCourse, president of the Tawas Area Parent-Teacher Association, announced this week that the first fall meeting for officers would be held at the school library Thursday, September 4, for purposes of planning the coming year's program. The meeting will start at 8 o'clock.

Committee appointments by President LaCourse for the coming year are as follows:

Publicity—Mrs. Gordon Brigham, chairman.

Legislative—Russell Rollin, chairman; Charles Nash, Reynold Mick, Mrs. Emma Sloan.

P.T.A. Magazine—Mrs. Donald Deering, chairman; Mrs. Mark Defibaugh, Mrs. Arthur Evans.

Membership—Mrs. Howard Adams, chairman; Mrs. Ray Ledworth, Mrs. Walter Miller, Mrs. Albert Conklin.

Pre-School Clinic—Mrs. Nancy Pollard, chairman; Mrs. William Robey.

Hospitality—Mrs. Eva Foco, chairman.

Program—Mrs. Charles Mercer, chairman; Mrs. John Proctor, Harold Clark, Richard Ferguson.

Budget and Finance—Charles Fairfield, chairman; Joseph Fernet, Mrs. Jerry Whitney, Paul Sayles, Mrs. George Prescott.

Room Mothers—Mrs. Hugo Keiser, chairman; Mrs. Fred Look, Mrs. Darwin Minard, Mrs. Albert Vane.

Other officers are: The Rev. Ralph Edwards, father vice president; Mrs. Charles Fairfield, mother vice president; Thomas Flitkowski, teacher vice president; Mrs. Lester Klein, secretary; Mrs. Proctor, treasurer; Mrs. Reynold Mick, historian.

Four Youths Hurt in US-23 Crash

Four Standish young people were injured Sunday when the car in which they were riding struck another car on US-23, just south of the Iosco-Arenac County line. Injured were Mary Jo Page, driver, 21; Kenneth Lyon, 17; Marilyn Mintrow, 20, and William Page, 15.

Miss Page was the third in a series of cars passing slower moving cars. The first two cars passed the vehicles and got back into the proper lane, but Miss Page met a car driven by John R. Lehrner, 27, Saginaw, who was coming in the opposite direction. The Saginaw man, who was traveling north, swerved to the right shoulder, but Miss Page swung to the left and the two cars collided. All were treated at AuGres hospital.

Traffic Heavy But Only Few Accidents in Area

Michigan State Police at East Tawas reported that there were eight highway traffic accidents in this area over the three-day Labor Day week-end. Three drivers were ticketed by police for drunk driving and one received a summons for reckless driving.

A 19-year-old Ohio man was treated at Wurtsmith Air Force Base Saturday for cuts and bruises when he was injured in a collision in Oscoda just south of the M-171 and US-23 junction. Ralph F. Riebold, the injured man, attempted to pull around a car and struck a vehicle driven by Myrto A. Olson of Flint.

Three persons were injured Saturday night when a driver ap-

REV. CARROLL SYMONS

Alabaster Pastor Ordained Recently

The Rev. Carroll Symons was formally set apart to the ministry by the Alabaster Community Church recently. The ordination service replaced the usual morning session of the annual district rally, Michigan district of the Bible Protestant Church.

Mr. Symons has served the Alabaster church as pastor for several years, and holds something of a record as a Sunday commuter. His home is in Owosso which is 25 miles straight west of Flint. The round trip is roughly 250 miles.

Mr. Symons left Monday night for Port Jervis, New York, for a week of conference meetings. He was accompanied by Mrs. Symons and Mrs. Norman Brown.

ELECTED SECRETARY OF STATE ASSOCIATION

County Clerk George Prescott was elected secretary of the State Association of County Clerks at the convention held Tuesday, Wednesday and Thursday at Escanaba.

Tawas City to Vote on Bonds for Sewer Disposal Expansion

Plans were made at Tuesday night's common council meeting to ask Tawas City voters to authorize a \$130,000 general obligation bond issue. This question will be voted upon at the November 4 general election.

This bond issue would finance the construction of additions and enlargements at the municipal sewage treatment plant located on Industrial Avenue.

The action taken Tuesday night by the council was made on the recommendations of the Tawas City Water Board which met last week. The water board has had this plan under consideration for the past several years.

Tawas City's sewage disposal plant was constructed in 1936 and there has been no major rejuvenation of the plant in the past 22 years.

The combined plant would include another Einhoff or sewage

Supt. of Public Works Reginald Bublitz told councilmen that the plant, which was constructed to handle a population of about 1,200 persons back in the 1930s is now overloaded.

The only factor which prevents the plant from becoming a hazard to the river or lake is the close maintenance and inspection by the department of public works. However, the "hold" period for effluent coming from the plant is much too short for safety's sake.

Plans, prepared by Spicer Engineering Company and already approved by the state health department, call for making additions to the old plant which would increase its capacity by three times.

The combined plant would include another Einhoff or sewage

collecting tank about two times larger than the old tank, a sludge-drying bed about four times the capacity of the old one, a pre-chlorination contact tank and a laboratory for running analysis of sewage leaving the plant.

At its meeting last week, the water board stated that any delay in making these additions to the plant may cause the state water resources commission to ask for a court order to force construction of the additions. Should this happen it would prove to be much more costly to taxpayers.

The recent survey of the state health department has not been received here as yet.

In other business, the council acted as an appeal board and approved a building application presented by Ernest and Leonard Mueller for additions on their

industrial building. The council allowed construction of an addition for a retail gasoline station. The building was constructed in 1939, but when the zoning ordinance was passed in 1947 the property was zoned residential A.

Building permits approved by the department of public works were: Howard C. Silverthorn, 1186 Bay Drive, roofing over 15 feet of back porch, estimated cost \$100; Henry Bronson, Elms Garden, 32 by 24 frame home, estimated cost \$4,000.

The council passed an ordinance which makes it mandatory for a motorist who is overtaking or meeting a school bus to bring his vehicle to a full stop at least 10 feet from the bus and not proceed until the bus resumes motion. Under the new state law, motorists were not required to stop for buses in incorporated cities, unless a city ordinance was passed to that effect.

The city treasurer reported that the police department is enforcing the hawk's ordinance within the city limits. The ordinance requires that a non-resident who peddles merchandise or goods from door to door or displays merchandise for sale must obtain a city license. The cost of the license is \$10 for three months, \$15 for six months and \$20 for 12 months, plus an additional \$1 per day for door-to-door peddlers.

However, this ordinance does not apply to Iosco County farmers who bring their produce into Tawas City to sell to residents.

The ordinance, passed in 1884, received its first legal test two weeks ago in justice court.

Braves Hold First Football Practice

Some 50 candidates turned out for the first fall football practice of the Tawas Area Braves, it was reported Tuesday by Head Coach Howard Adams.

Uniforms and equipment were issued to the squad two weeks ago. Much of the work during the remainder of the week will be in conditioning, said Adams.

Season opener for the Braves varsity will be at West Branch on September 19. First game to be played at the new Tawas Area football field will be between the West Branch and Tawas Area JV teams the night of Saturday, September 20.

Other games on the varsity schedule are as follows: September 26, Pincconing here; October 3, Tawas at Roscommon; October 10, Houghton Lake at Tawas; October 17, Tawas Area at Oscoda; October 24, Tawas Area at Standish; October 31, Gladwin at Tawas Area; November 7, Tawas Area at Beaverton.

Junior varsity games will be played on Thursday nights, the opponents being the school which play against the varsity on Friday night. The only exception is the first game against West Branch which is scheduled for Saturday night. Junior varsity games are played on the field opposite of the home game on Friday nights.

Wurtsmith Gets \$8,696,000 Under Bill

Wurtsmith Air Force Base at Oscoda will receive \$8,696,000 for operational, training, maintenance, supply, hospital and community facilities and utilities under a bill signed by President Eisenhower last week which appropriated \$1,354,000,000 for military construction.

The bill covered construction of continental and foreign posts in the fiscal year which started July 1.

School in Dither; Enrollment Increased Nearly 10 Percent

An enrollment increase of nearly 10 percent was noted Wednesday morning at Tawas Area High School by Supt. R. E. Mick. There are some 653 students registered in junior and senior high school this fall, as compared to 593 last year.

Enrollment figures were as follows: Seventh grade, 91; eighth grade, 90; ninth grade, 116; 10th grade, 126; 11th grade, 123; 12th grade, 107.

As an indication of the increase, the graduating class last June numbered 73 students.

"By this afternoon, the enrollment increase may reach the full 10 percent or a little above," said Mr. Mick. "More high school students are expected to register later in the day."

He said that facilities at the new school are adequate to handle the increase, although the classes may be a little cramped for a short time. "Looking around the building this morning, I would say the school was full," said the superintendent.

This increase has caught the school administration by surprise. It was first noted two weeks ago when students started to register, "but it definitely was not anticipated that this would happen," said Mr. Mick.

One contributing factor to the increase cited by the superintendent was the employment situation in the area. "Many youngsters who quit school to go to

work have now returned because of the scarcity of jobs—we are glad to see them come back."

Mr. Mick said that it would take a little time to learn of other factors which have contributed to the increase. He said that the elementary grades expect an increase, too, but final enrollment figures were not available at the time.

Little Boy Saved by Unknown Persons

Two unidentified persons were credited with saving the life of a 1 1/2-year-old boy who nearly drowned in Long Lake, Plainfield Township, Saturday afternoon.

Donald Spindler, father of Dale Spindler, told investigating officers that the boy had been out of his sight about two minutes. He noticed him laying face down in the water in front of his cottage and pulled him out of the water.

Two persons who were in a boat came to the scene and administered artificial respiration until the boy began to breathe. He was then taken to Hale where he was treated by a physician.

Undersheriff Leon Putnam, Michigan State Police Trooper William Ferguson and Coroner E. D. Jacques were called to the scene of the near drowning, but on arrival, the little boy had been taken to the doctor's office. No one knew the names of the two persons who applied the artificial respiration.

BACK TO SCHOOL NOTE

Please turn to page 5 for complete picture listing of all faculty members and school administrators of Tawas Area Schools.

MIDWEST RODEO PRODUCERS staged the first rodeo in the Tawas area in nearly 30 years at the old fairgrounds last week-end. The show attracted good crowds despite the cold weather during the three days. Performers who participated are pictured above during Monday's show. The rodeo furnished plenty of action and spills for spectators.—Tawas Herald Photo.

TWO LUTHER LEAGUES TO MEET AT OSCODA

Next Sunday evening the Luther League of Grace and Hope Lutheran Churches will meet at the parish hall in Oscoda at 7 o'clock. The program to be taken up at this meeting will be "Are You A Lutheran?"

Misses Barbara Hester and Christine Moehring, who represented the league at the Luther League Camp at Bass Lake recently, gave interesting accounts of their experiences at Grace Lutheran Church at the morning service last Sunday. Their talks were entitled "What Luther League Camp Meant to Me."

ALTAR SOCIETY HELD POT-LUCK DINNER

Immaculate Heart of Mary Altar Society held a pot-luck dinner August 24 at the Al Jerome summer home.

Members and their guests enjoyed the delicious dinner and social evening.

PAST MATRONS' LUNCHEON HELD AT MRS. EVANS' HOME

A pot-luck luncheon was held by the Past Matrons Club of Isoco Chapter, Order of Eastern Star, at the home of Mrs. Kate Evans last Thursday afternoon.

The business meeting following was led by the vice president, Mrs. Ada Freeland. She welcomed Mrs. James Cook, the former Mrs. Margie Parker, who was visiting East Tawas. She is a member of Newberry Chapter, O.E.S. Mrs. Cook gave appropriate remarks. An invitation was extended to the club to meet at the home of Mrs. Blanche Carlson on September 18.

CHRISTIAN SCIENCE

Man's fundamental right to freedom from all kinds of bondage will be explained in the lesson-sermon entitled "Man" at Christian Science services Sunday.

Scriptural selections will include this passage from Romans: "For as many as are led by the Spirit of God, they are the sons of God. For ye have not received the spirit of bondage again to fear; but ye have received the Spirit of adoption, whereby we cry, Abba, Father" (8:14,15).

Citations from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will include the following (228:11-15): "The enslavement of man is not legitimate. It will cease when man enters into his heritage of freedom, his God-given dominion over the material senses. Mortals will some day assert their freedom in the name of Almighty God."

Next time you're talking "from the shoulder" try a bit higher up.

Demonology is the study of evil spirits.

HALE FIREMEN COMPLETE SIX-WEEK COURSE

FORREST STREETER, Plainfield Township treasurer, presents a certificate to Carl Slosser, fire chief, for completion of 18 hours of instruction in fire-fighting. Second from left is Wallace Gannon of the University of Michigan. The two men at right are James Heistand, assistant chief of the Lupton Fire Department, and Sherman Peters, South Branch fire chief.—Tawas Herald Photos.

FIREMEN WHO RECEIVED CERTIFICATES from the University of Michigan Friday night are pictured above, back row: Wallace Gannon, instructor; James Slosser, Richard Parkinson, Ted McClellan, Earl Slosser and Chief Carl Slosser; second row: James Ryland, Sherman Peters, Gene Spearman, James Mann, Harold Funk and Forrest Streeter, township treasurer; front row: Robert Hendrickson, James Schroeder, James Heistand, Harold McKenzie and Ronald Dane. Missing from the picture are Lloyd Springsteen, Perry Shellenbarger, Jack Slosser and William Slosser.

Looking Backward—

1,800 People Attend Labor Day Program at Park

September 6, 1958—About 1,800 people attended the Labor Day celebration at Tawas Beach held Monday under the auspices of the East Tawas Board of Commerce. The speakers were H. C. Haller of Bay City, C. A. Pinkerton and the Rev. L. G. MacAndrew. The program included a parade, baseball game and dancing.

A letter from Louis Pfeiffer states that he is now overseas.

Mr. and Mrs. John Webster of Flint arrived Saturday for a visit with relatives.

Mr. and Mrs. Lloyd VanHorn left Monday for a visit in Detroit.

James MacRae of Flint is visiting friends and relatives here this week.

Mr. and Mrs. Frank Klinger spent the week-end in Bay City.

Mr. and Mrs. Arthur Bartlett of Detroit are visiting their parents at East Tawas.

Miss Harriet Schill has entered Battle Creek Business College.

Mr. and Mrs. J. A. Turner and daughters, Nellie and Ruth, autoed to Alpena last Saturday, returning Monday.

Henry Hanson is spending a few days at Mt. Clemens.

Reno Gaul left Tuesday morning for New York after a visit with relatives here.

Miss Mina McCardell has returned to Bay City after spending a few days at the Watts home.

Miss Anna Kelly of Hale left Monday for Onaway where she will remain for the winter.

Miss Helen Nichols, who has been visiting at Holland and Battle Creek, returned Saturday to her home at Hale.

Miles Main arrived home this week from Lebanon, Pennsylvania, having finished his season in baseball.

Mr. and Mrs. Claude Hinkley of Sherman Township left Tuesday for a visit at Detroit and Toledo, Ohio.

Mr. and Mrs. Harrison Frank of Calcite are guests of relatives on the Townline Road.

September 8, 1933—H. J. Jacques of Whittemore was named chairman of the relief for Isoco County Relief Advisory Board at a meeting held Wednesday. Other officers elected are C. L. McLean, vice chairman, and H. E. Hanson, secretary.

Mr. and Mrs. M. C. Musolf and

17 Awarded Certificates by U of M Extension

Some 17 members of the Plainfield Township Fire Department received certificates from the extension service of the University of Michigan for completing an 18-hour course in fire-fighting.

This course, held six nights last week, was completed Friday night and certificates were awarded to the firemen. Wallace Gannon, former Muskegon fire chief, had charge of instruction.

Some of the subjects taught during the sessions were ladder evolution, rescue work, proper ventilation of burning buildings, principals of low-pressure fog fire-fighting and short cuts in fire-fighting tactics.

Much of the field work was in the low-pressure fog fire-fighting. Chief Carl Slosser and his men filled a trench with 300 gallons of transformer oil and then touched it off with a match. The department was broken down into crews and each had the opportunity to put out the blaze with the fog. The best record by a team was seven seconds, using only 14 gallons of water.

Mr. Gannon has instructed volunteer and paid departments throughout the state using new methods. During his nine years with the university, he has given instruction to more than 7,000 firemen.

He said that volunteer firemen in Michigan outnumber paid firemen five to one. There are 850 volunteer departments and 17,000 volunteer firemen.

"The Plainfield group has done an outstanding job during these sessions and the men were quite proficient in the low-pressure fog methods prior to the classes," said Gannon.

Miss Clara Zollweg left Tuesday for Detroit.

Mr. and Mrs. Hosea Funk of Detroit spent Labor Day in the Tawas.

Harry Lixey, Edward Klenow and Deloise Durant are attending the state fair.

Miss Janice Bircow is visiting Miss Jennie Burgeson at Ososco.

Oramel O'Farrell, Emery Hall and Jack Miller of Whittemore are in Newberry.

Miss Grace Anderson of Alabaster left Saturday for Saginaw.

September 10, 1948—Mrs. Lyman Britting and son, Leland, of Angola, New York, are spending a few days in the city with friends.

Mr. and Mrs. Francis Schloff of Detroit are here for a visit with her parents, Mr. and Mrs. Joseph Stepanki.

C. E. Price of Seattle, Washington, is a guest at the home of his brother, W. H. Price.

Mr. and Mrs. Dewey King of Midland have been visiting relatives here during the past week.

Mr. and Mrs. Fred Bethel of Omaha, Nebraska, are spending a few days at the home of her parents, Mr. and Mrs. Silas Thornton, in Sherman Township.

Only way to get along with some people is to get along without them.

The best kind of salesmanship is in filling needs.

Farm Attractions at Saginaw Fair

FARM MACHINERY ROW—Farm Machinery Row has been moved to provide more space for the display of some one-million dollars worth of farm equipment. It is located on the old track site with new roads and trees providing an avenue-like exhibit area.

LIVESTOCK DIVISION—San Francisco is not the only city with a "Cow Palace." Saginaw boasts the original, illustrated above, one of the feature attractions in the livestock division of the annual Saginaw Fair, September 7-13.

HORSE SHOW—The old cry, "get a horse!" will ring out again September 7-13, as the 45th annual Saginaw Fair presents grand champions in all classes in one of the greatest horse shows ever staged in the Midwest.

Will Attend County Agent Meeting

Mrs. Maori F. Kurtzrock, county agent of probate court and juvenile court in Iosco County, is planning to attend the annual convention of the Michigan Association of County Agents for Probate Courts at Traverse City for three days commencing September 10.

Some 100 juvenile agents and their assistants are expected to discuss juvenile delinquency and other juvenile court matters at the meeting at the Park Place Hotel, according to William Blackmore, president of the association.

Among the speakers who will participate in the program will be Paul Adams, attorney general for the State of Michigan; Frank S. Szymanski, auditor general of the State of Michigan; Willard J. Maxey, director of Michigan State Department of Social Welfare; Dr. Schoendeust Goetz, a chemist of Luxemburg; Honorable Gerald Meehan, judge of probate, Oceana County; Charles L. Brown, judge of circuit court, Grand Traverse County, and James Bellgrade, friend of the court, Muskegon County.

No matter how tough the problem, do something—then try again!

Men who give in if wrong are wise; men who give in if right—are married.

REAL ESTATE TRANSFERS

James F. Miller and wife to Ira T. Scofield and wife, Lot 5 of The Palisades.

James F. Miller and wife to Ira T. Scofield and wife, Lots 24, 26 and 37 of The Palisades.

Eugene L. Deacon and wife to Richard L. Biggers and wife, Lot 10 of Northern Woods and Lakes Subdivision.

Johanna Karus Muslof to William C. Karus and wife et al, Undivided 1/2 Interest in North Fractional 1/2 of NW 1/4 of Section 19, T23N R7E.

George Estes and wife to Ray Maxhimer and wife, NE 1/4 of SW 1/4 of Section 23, T24N R5E.

James K. A. Sabin and wife to Ray E. Maxhimer and wife, Parcel in Section 23, T24N R5E.

NEWS ABOUT IOSCO SERVICEMEN

The address of: Pvt. William A. Hill R.A. 16603965 Company "C" 7th Battalion 3rd Training Infantry Regiment U. S. Training Center, Armor Fort Knox, Kentucky. He is the youngest son of Mr. and Mrs. Elgin Hill of this city.

Jerry Kendall, seaman, USN, of 514 Ninth Avenue, Tawas City, returned August 26 aboard the heavy cruiser, USS Bremerton, to Long Beach, California, after a seven-month tour of duty in the Far East.

During her overseas cruise, the Bremerton visited Singapore, Auckland, New Zealand; Manila, Philippine Islands; Hong Kong; Yokosuka, Japan, and Keelung, Formosa.

Flagship for Cruiser Division One, the Bremerton took part in extensive fleet maneuvers during the summer.

Jerry G. Jordan, son of Mr. and Mrs. James R. Jordan, National City, graduated from recruit training August 23 at the Naval Training Center, Great Lakes, Illinois.

The graduation exercises, marking the end of nine weeks of "boot camp," included a full dress parade and review before military officials and civilian dignitaries.

In nine weeks of instruction, the "raw recruit" is developed into a navy bluejacket, ready for duty with the fleet.

Army Pvt. Keith R. Gordon, 18, son of Mr. and Mrs. Waldo W. Gordon, East Tawas, recently participated in an air-mobility exercise during which he was transported with members of the 101st Airborne Division's 327th Infantry from Fort Campbell, Kentucky, to Lowry Air Force Base, Colorado.

Gordon is regularly stationed at Fort Campbell as a rifleman in Company E of the 327th.

The 1957 Tawas Area High School graduate entered the army in June of last year and received basic combat training at Fort Carson, Colorado.

Farm Events

BY MARVIN DAVENPORT Iosco Agricultural Agent

I have found hay available in other parts of the state. It is my hope before orders are placed, I will hear from all those who need hay. Our FFA supervisor, Lowell Shaeffer of Standish, is working with us in trying to get emergency money to help folks buy their hay. Whatever hay you may need for this coming winter, you had best buy now. It could cost you much more later in the winter.

Wheat farmers are cautioned about jumping the gun to get their crops of winter wheat in early.

Entomologists and farm crops specialists at Michigan State University warn that the Hessian fly problem is still with us and that it is asking for trouble to plant before the "fly-free" date for the area.

The fly-free date is the time after which there is little likelihood of damage from the fall brood of the Hessian fly. The fly feeds at the base of the plant, and depending on how heavy the infestation is, damage may be slight or plants killed.

In soft red winter wheat areas, a variety with considerable resistance to the Hessian fly can be grown. Dual is the first variety recommended in Michigan which has any "fly" resistance.

Michigan State University entomologists are working with several new systemic insecticides which will protect wheat plants from larvae of the fly. These materials are absorbed and kept in the plant fluids. Larvae biting into the plant get a dose of the insecticide and are killed.

These insecticides are not available for this use yet. If approved they will allow farmers to plant ahead of the traditional fly-free date.

Until these insecticides are available, farmers will still have to depend upon planting after the fly-free date to avoid damage from the fly.

For Iosco County, the fly free date is September 7.

Band seeding refers to localized placement of seed and fertilizer with a drill. The fertilizer is banded about 1 1/2 to two inches deep. The seed is dropped directly over this band in the depression left by the disc opener.

Milo Tesar of the farm crops department, Michigan State University, says the success of band seeding depends largely on the placement of the band of fertilizer directly beneath the seed.

The rapid seedling growth of band seedlings is due to the same principle of starter fertilization of crops like corn. The seedling plants can obtain sufficient nutrients for maximum seedling growth when there is a localized concentration of plant nutrients.

Now's the time for you to get full HOUSEPOWER

Do you have low HOUSEPOWER—not enough wiring, outlets and switches? The chances are 4 out of 5 that you do.

Here's why: The average home today uses 3 times as much electricity as it did 15 years ago. Modern, labor-saving electric appliances just can't run at full efficiency unless they get the current they need.

How's your HOUSEPOWER? Noticed any of these low HOUSEPOWER signs in your home?

- Appliances slow heating up—pokoey toaster, sluggish vacuum cleaner, lazy washing machine?
- Flickering TV picture or dimming lights when refrigerator or another appliance starts?
- Fuses blow from time to time?
- Octopus outlets or ugly extension cords?

Get a HOUSEPOWER Rating now. Find out what appliances your home's wiring system can carry . . . and what wiring you need to operate the appliances you want to add.

Call your electric equipment dealer, electrical contractor or Consumers Power Company for a HOUSEPOWER Rating.

HOUSEPOWER as advertised in **Reader's Digest**

Hear the HOUSEPOWER story on NBC Radio—Tune in **MONITOR** weekends of Sept. 6 and 13

KRAFT'S amazing pasteurized process cheese spread for dozens of fast cheese treats

Spoon it! into hot foods
Heat it! for cheese sauce
Spread it! for snacks

Tuesday Night Golf League Champions

TWO PROMISING young golfers of the Tawas Golf League, Eugene Curry, 16, left, and Paul Simons, 17, right, are pictured above. This duo won the Tuesday night league doubles championship during the recently completed season. Eugene is the son of Mr. and Mrs. Clarence Curry and Paul is the son of Mr. and Mrs. Charles Simons.—Tawas Herald Photo.

Signup Time for Soil Bank Program

The signup in Iosco County for the 1959 Conservation Reserve of the Soil Bank is now open at the county Agricultural Stabilization and Conservation Office in East Tawas, Chairman Earl M. Parto announced today.

The first step in the signup is for the farmer who is interested in the program to come to the county office and request that annual rental payment rates be established for his farm. At the same time, the farmer should bring with him information to be used by the county ASC committee in establishing rates for his farm. The chief facts needed are acreages and yields of the three principal crops on the farm for the past two years and acreages for other land use on the farm.

The conservation reserve is the only soil bank program available for 1959. Under the program, farmers retire land from general crops for up to 10 years and devote the reserved acreage to land, water or wildlife conservation practices.

The average rental payment rate for conservation reserve land in Iosco County in the 1959 program is \$9.50 per acre. Maximum payment rates will be higher for the most productive farms and lower for less productive farms.

For farmers who request it, the county committee will figure two sets of maximum annual rates. One will apply if only part of the eligible acreage on the farm is placed in the reserve. Another rate, 10 percent higher, will be available if all eligible land on the farm is put in the reserve for at least five years.

After maximum rates have been determined for a farm, the farmer will have two weeks in which to decide on participation, designate land for the reserve and apply for a contract. Land may be offered at less than the established maximum to increase the acceptance in case there are insufficient funds to cover all offers.

The signup phase of the program closes October 10 and all requests for establishing farm rates must be received by that date. The deadline for applying for contracts is October 24.

TAWAS HOSPITAL BIRTHS—

Born to Mr. and Mrs. James A. Grant, Oscoda, August 29, a boy, Thomas Richard, weight eight pounds, four ounces.

Born to S-Sgt. and Mrs. Bill Wettstein, Oscoda, August 29, a girl, Janice, weight seven pounds, 6 1/2 ounces.

Born to Mr. and Mrs. Marvin E. Curry, Tawas City, August 28, a girl, Tamara Lee, weight seven pounds, nine ounces.

With Iosco County 4-H Clubs

BY DOROTHY SCOTT Home Demonstration Agent

Iosco County 4-H Club members brought home their share of blue ribbons for demonstration and exhibit activities at this year's State 4-H Club Show. The event, held on the Michigan State University Campus August 26-29, was the 45th state-wide event for 4-H Club members.

Roger Britt, member of Sherman Sharpies dairy project, topped the junior demonstrations in this division.

Verna Kay Wehrman and Kathy Dodson, members of Peaceful Valley 4-H Club, presented a life saving demonstration as a part of the first aid project work this year. They placed second in this division and are in the blue ribbon demonstration group.

Charlotte Webb, Hale Happy Hustlers 4-H Club member, also placed in the blue ribbon demonstrations division with her entomology demonstration.

Eight exhibits were entered and placed as follows: Photography III, Charlotte Webb, A; entomology I, Marlene Wilson, A; complete costume (sixth clothing project), Janice Sturtevant, A; foods II (cookies), Katherine Kolonich, A; foods III (cupcakes), Diane VanAllen, B; baking I (bread), James Sturtevant, A; baking II (pie), Debora Nichols, C; baking III (coffee cake), Darlene Scofield, B.

Demonstration contestants in the senior division were awarded state show trips for the entire week and attended with me. These young people are Charlotte Webb, Verna Kay Wehrman,

Floyd E. Dunnill Promoted by Consumers

Floyd E. Dunnill has been promoted to the position of line crew foreman, West Branch area, effective September 1, according to an announcement made today by Louis A. Vaupre, division manager, Consumers Power Company, Bay City Division.

Mr. Dunnill joined Consumers in 1945 as a lineman in the Tawas area and in 1948 became an electric serviceman. He served in the army air force for 3 1/2 years during World War II.

He and his wife, Lela, and sons, Richard, nine, and John, four, will make their new home at 210 North Burgess Street, West Branch.

COMMERCIAL LEAGUE TO MEET TONIGHT

Tawas City Commercial Bowling League will meet at the Tawas City Recreation Thursday, September 4, at 7:30 p. m.

All interested bowlers are urged to attend. Kathy Dodson and Kenneth Davenport, Roger Britt and his mother were there for Tuesday and returned home with Mr. Davenport.

Exhibitors and other 4-H Club members made an over-night trip to the State 4-H Club Show for Thursday and Friday, accompanied by leaders. Mrs. George Waters and Robert Waters, Mr. and Mrs. Donald Schuster and Serge Thomsson provided transportation for the group which included: Martha Smith, Patricia Davenport, Faye Rice, Kathryn Schuster, Diane VanAllen, Marlene Wilson, Debora Nichols, Katherine Kolonich, Mary Alice Waters, Janice Sturtevant, Lynn Waters, Lorna Mott, David Jacobs, James Sturtevant, Roger Mott and William Wilson.

Mr. and Mrs. Carl Pierson Celebrate Golden Wedding

Mrs. Florence Bachi of 315 Hastings Street, Alma, entertained at a reception Tuesday evening, August 26, for her parents, Mr. and Mrs. Carl Pierson of 714 Pine Avenue, the occasion being their 50th wedding anniversary. Guests, numbering between 50 and 60, were relatives, neighbors and close friends. Assisting Mrs. Bachi in receiving were her sons, Michael and William.

The couple was married at the home of her parents, Mr. and Mrs. H. B. Stuckey of River Avenue, Cadillac, at 6 o'clock in the evening August 26, 1908. The officiating clergyman was the late Rev. Robert H. Brady, pastor of the First Methodist Church at Cadillac, of which both were members. They have lived nearly 48 years of their married life at their present home on Pine Avenue. Mr. Pierson is a decorator at the Michigan Masonic Home in Alma.

Wedding cake and punch were served from a table centered with a large arrangement of gold chrysanthemums and flanked at either side by decorated gold tapers. Assisting in serving were their granddaughters, the Misses Suzanne and Camilla Bachi; a sister-in-law, Mrs. W. M. Stuckey; Miss Ethelyn Adams, Mrs. Dwight Gay, all of Alma, and a niece, Mrs. Dorothy Shaver of Lansing. In addition to those already mentioned were guests from East Tawas, Bay City, Lansing, Alma and Sheridan.

Of the guests present at the wedding 50 years ago, only two of those now living could be present for the Tuesday evening occasion, a sister, Mrs. Myron Potter, and a brother, Merrill Stuckey. It is getting so that the successful author and writer requires adjectives, not intelligence. Hard work and no play is bad, but not nearly as bad as no hard work and too much play.
