"THE RUN IS ON" is a familiar cry heard along the Tawas River and Whitney Drain these days. The annual run of smelt started Sunday night at the drain and by Tuesday morning the silvery fish were being taken from Tawas River by the tubs full during daylight hours. Pictured above are William Garcia, left, and Juan Valencia, both of Bay City, who had just started fishing Monday night at the drain. The men had netted two tubs full of smelt Sunday night and returned again the next night. Large crowds of down-staters will probably flood this area over the week-end in the quest for the little fish.—Tawas Herald Photo.

Burning Permit a Must, Warns Fire Chief Musolf

Tawas City residents were warned this week to obtain burning permits before they start fires to get rid of debris from annual spring house cleanings.

Fire Chief Fred Musolf said that lack of permits may lead to fines and other penalties under the state conservation laws. "The law requires residents to obtain a burning permit before they set fires, because they

days or during prolonged dry spells. It is emphasized that a permit does not relieve anyone from the responsibility for starting a fire should other property be damaged.

William B. Piper, Former Forest Supervisor, Dead

William B. Piper, prominent East Tawas resident, and one time supervisor of the Huron National Forest, died at his home Tuesday, April 14, after an illness of several months.

Mr. Piper was born November 21, 1880, at Cambridge, Massachusetts. He attended Cornell University and received his bachelor of arts degree at Harvard University and master's degree at Yale University. He spent some time in the United States Forest Service in Montana and 48 years ago came to the newly-established Huron National Forest. Mr. Piper was a pioneer in the work, having entered the field shortly after the establishment of the United States Forestry Service. On January 13, 1914, he married the former Miss Stella Mae Oakes. He was a member of Baldwin Lodge No. 274, F and AM.

He is survived by his widow, a daughter, Mrs. Anne Osgood of Detroit; two grandchildren; a brother, Ralph Piper of Concord, Massachusetts; and two sisters, Miss Elizabeth Piper of Cambridge and Mrs. Nancy Hale of Chevy Chase, Maryland. Funeral services will be held at 2 o'clock Friday afternoon at the Evans Funeral Home. The Rev. Paul Sutton of Christ Episcopal Church will officiate. Interment will be in Greenwood Cemetery.

TAWAS AREA CHOIR RECEIVED 1 AWARD

Tawas Area choir received an I award in the district choral festival held at Alpena Saturday. Tawas Area choir, numbering 48 persons, sang one required number and one selection of its own choice. Richard Ferguson is director.

TROOPER GAFFNEY GOES TO BAY CITY; CLARK RETURNS

Transfer of 26 troopers in Michigan, including one at East Tawas, was announced last week at state police headquarters, East Lansing. Effective date is May 15.

Trooper Charles J. Gaffney goes from the East Tawas post to the Bay City. Trooper Charles A. Clark Jr. goes from Bay City to East Tawas. At one time, Clark was stationed here.

In Danger of Losing Home Rule?

Municipal Officers from 11-County Area to Meet Here

Are cities and villages in Michigan in danger of losing home rule government? Municipal officials from an 11-county area will hear reports on the everyday concept of "home rule," areas of infringement and what can be done to preserve it, at the annual meeting of Region IX of the Michigan Municipal League to be held in Tawas City on April 23.

Attending will be mayors, village presidents, councilmen and

other elected and appointed officials from league member cities and villages from the following counties: Alpena, Alpena, Cheboygan, Crawford, Iosco, Montmorency, Ogemaw, Oscoda, Otsego, Presque Isle and Roscommon.

The first session of the afternoon, "Home Rule in Action," will be moderated by East Tawas Mayor Elmer Werth. This will be followed by a panel discussion on methods of disposing of refuse, including the use of sanitary landfills. Moderator of this panel will be Russell Carlson, city manager of Grayling.

A dinner session will be highlighted by a talk on "Current Legislation and the State Tax Problem—Its Effect on Cities and Villages," and will conclude

with the annual election of 1959-60 officers for Region IX.

Present Region IX officers are Grayling Councilmen Don Gothro, chairman; Prescott Village President James White, vice chairman, and Edward Seguin, city clerk of Alpena, secretary.

Regional officers serve as a liaison between the league headquarters and its regional member municipalities and play a great part in helping member officials realize and make use of their league services.

The Michigan Municipal League, organized in 1899, is made up of 415 cities and villages in Michigan and is dedicated to the advancement of home rule and to the improvement of municipal government through cooperative effort.

Champion Replaces Cabbie as Tawas C of C President

Walter Champion was named the new president of the Tawas Chamber of Commerce at last Wednesday night's meeting of the board of directors. Champion, former vice president, succeeds Cecil Cabbie, who resigned from the office.

At a special meeting last night (Wednesday), the board was to decide whether or not the board would hold the Rev. O. James Crews' membership campaign manager, "to the letter" of the contract signed between Crews and the board.

Last week, Crews offered the board two alternatives pertaining to his promotion, one, which it was said, would bring the drive to an early close, and the other, which would leave the agreement between Crews and the chamber intact and allow the campaign to run until June 1.

Under the first alternative, each member of the board would contact a list of prospective members given them by Crews at the rate of about one a day for about 10 days to get either definite approval and a signed pledge for support of the campaign or definite rejection.

With the help of the directors, Crews stated that the plan could be wrapped up by May 15 at the latest and by the first part of June the advertising program could be instituted.

Crews presented a proposed budget for 1959-60 of \$20,000. A breakdown showed that fixed expenses (general office expense and salary) amounted to \$3,500; semi-fixed (supplies, postage and travel), \$1,900; advertising (area promotion, signs and literature), \$3,000; proposed improvement factor (September 1 deadline), \$6,520. An additional \$2,500 (See CHAMBER, page 10.)

At the district meeting of the Methodist Youth Fellowship held in East Tawas last Sunday, the following officers were elected: President, Terry Carlson, Pinconning; vice president, Karen Hunter, East Tawas; secretary-treasurer, Carole Lenahan, Standish.

Commission chairmen elected were Christian faith, Susan Roughley of East Tawas; Christian outreach, Dorothy Schank of Rose City; Christian citizenship, Bill William of Rose City; Christian fellowship, Kathleen Reed of Standish; Christian witness, Diann Heierman of Whittemore.

Pastors attending were the Rev. Martin Seitz of Pinconning, Dr. A. Ray Noland of Oscoda, the Rev. Dwight Lawson of Whittemore, the Rev. Thomas Bevan of Au Gres and the Rev. Ralph Edwards, East Tawas.

MSU Professor—

Dr. Max Smith to be P-TA Speaker

Dr. Max S. Smith, professor of education and assistant to the vice president for off campus education at Michigan State University, will be principal speaker at the regular meeting of the Tawas Area Parent-Teacher Association meeting Monday, April 20.

Topic of Dr. Smith's talk will be "Trends to Higher Education." He is co-author of the book, "The Board of Education and Educational Policy Development," and has written many journal articles.

A former superintendent of Highland Park Schools, Dr. Smith had served a combined total of 18 years as superintendent of several Michigan public school systems. He joined the staff of MSU in July 1956.

He is a member of the American Association of School Administrators and other education groups. He is a past president of the Highland Park Rotary Club and the chamber of commerce, served on the board of directors of Children's Center of Metropolitan Detroit and of the Northern YMCA. He was a director of the United Foundation and director of the United Community Services.

DR. MAX SMITH

During the business session April 20, the P-TA will hold an election of officers and vote on an amendment to its by-laws.

In charge of refreshments will be third grade mothers. A door prize will be furnished by Proctor Home Heating.

Tawas Faculty Has Three Openings

Three openings in Tawas Area School's faculty for next year remained to be filled as of Tuesday. These included instructors for girls physical education, junior high science and commercial.

New teachers hired by the board of education thus far include Herbert Escott, junior high, formerly of Vermontville; John Alexander, junior high mathematics, formerly of Oscoda, and Steven Sventko, commercial, formerly of Merrill.

SCS Committee to Study Tawas Lake Watershed

A technical review committee from the United States Soil Conservation Service will be in the Tawas area Friday, May 1, to look over the Tawas River and Tawas Lake watershed.

The committee will hold a meeting at 8:00 a. m. at the Federal Building in East Tawas to seek information in regard to flooding in this area during past years. After the meeting the group will look over the watershed, itself.

This committee will determine if the Tawas watershed could receive federal funds under PL-566, the watershed protection and flood prevention act. The act authorizes the secretary of agriculture to give technical and financial aid to local organizations in planning and carrying out watershed projects for flood prevention; the agricultural phases of water management, and other

purposes, such as, municipal and industrial water supplies.

The committee is to be sent here by the state soil conservation committee, which, in turn, received a request from Iosco Soil Conservation District.

Included among the technical specialists from SCS will be representatives from the Michigan Department of Conservation and the United States Fish and Wildlife Service.

New Air Division to be Activated at Wurtsmith

The Strategic Air Command, United States Air Force, will activate a new 40th Air Division at Wurtsmith Air Force Base in July, it was announced last week from Washington by Rep. Elford A. Cederberg (R), Bay City.

The division headquarters will include 10 officers, 12 airmen and three civilians.

It will be charged initially with the responsibility for preparing for arrival of units of the 4026 Strategic Wing-SAC and their B-52 bombers and KC-135 tankers sometime in the summer of 1960. SAC will assume command of Wurtsmith then from the Air Defense Command.

The Oscoda base will become headquarters for a new SAC air division, presumably with command responsibility over other SAC units to be assigned to Selfridge Air Force Base, K. I. Sawyer Air Force Base and Kinross Air Force Base.

Home and Sport Show Set for May 8-10

Annual Iosco County Home and Sport Show, to be sponsored by the Tawas Area Junior Chamber of Commerce, will be held May 8-10 in the Tawas Area School Auditorium.

Space in the show for boats is still available, according to Paul Sayles, Jaycee president.

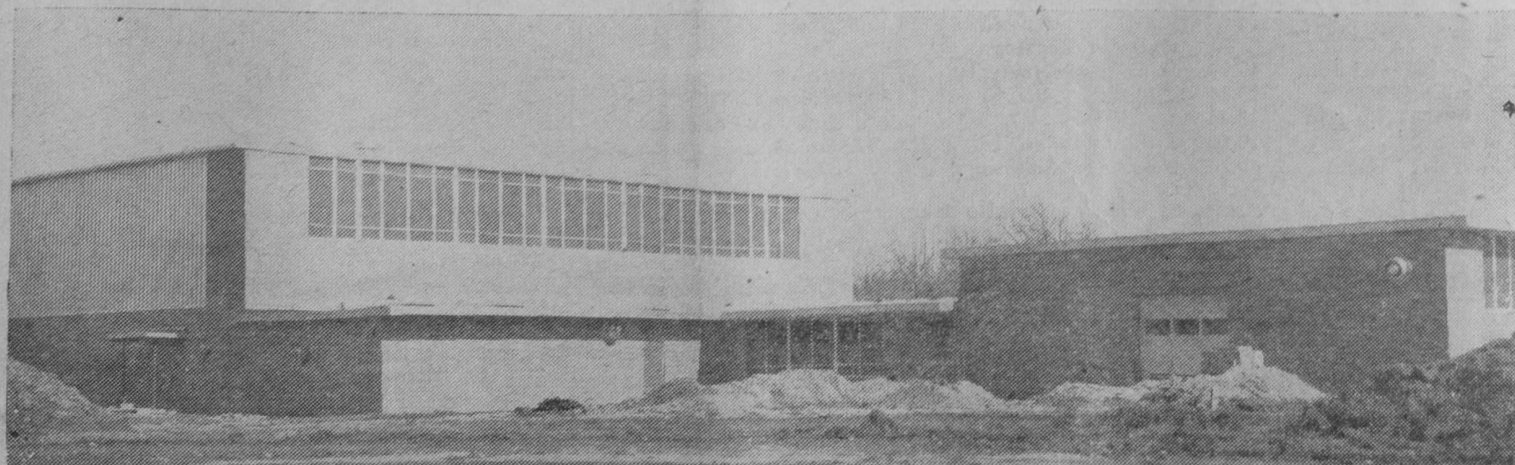

Representatives of the sponsoring organization have been calling on businessmen for the past few days to make arrangements for exhibits.

Search for Copper Ends—

Julius Roth Died Wednesday Morning

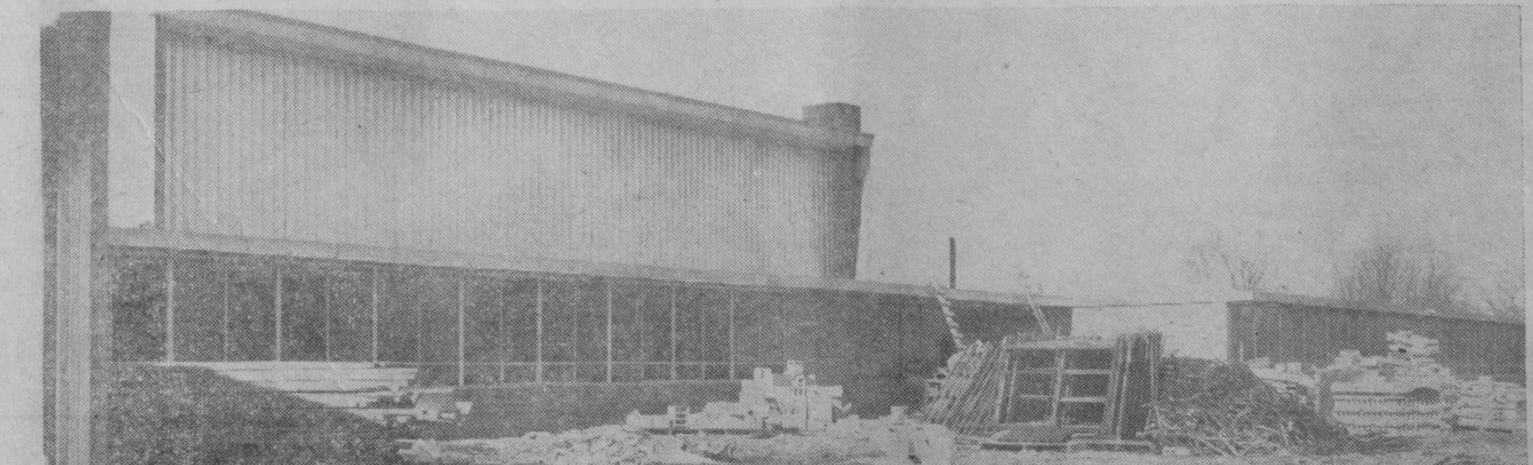

Julius Roth, who at one time sought unsuccessfully to locate a fabled sunken ship loaded with copper ingots in Tawas Bay, died Wednesday morning at Huron Convalescent Home. Funeral arrangements are incomplete. The body is at Moffatt Funeral Home.

Construction Progresses on New Whittemore-Prescott School

CONSTRUCTION work on Whittemore-Prescott Area School District's new high school building has progressed rapidly during the past winter. Clifford Morgan, superintendent for Vollmer Construction Company, contractors, said Monday that the build-

ing would be ready by the July 1 completion date. The pictures above show two views of the main structure, the one at right looking toward the northeast and the picture at left looking east from the rear of the building. Finishing work on the interior of

the building is now underway. The structure includes a large gymnasium and a smaller auditorium with stage and facilities for band instruction. It is interesting to note that the old school building in Whittemore is slightly smaller than the new gymna-

sium, giving an approximation of the size of the new building. The new school building contains 43,750 feet of floor space and will have 17 teaching stations as well as cafeteria, library and two shop areas.—Tawas Herald Photos.

Tawas Area High School Band

Pre-Festival Concert Tonight

Tawas Area High School Senior Band will present its pre-festival concert tonight (Thursday) at the Tawas Area School Auditorium. This concert is open to the public free of charge.

Tonight's program will be a warm-up for the state band festival which will be held Saturday, April 18, at Jackson. Tawas Area will be one of 150 bands which will take part in the festival.

Senior awards will be presented at the concert. Those who will receive the award are Carolyn Evans, Karen Bergeron, Edward

Nagy, Frank Clark, Darrell Lomas, Ronald McCormick, David Barkman and Sherill Frank.

The John Philip Sousa Award will be presented by Mrs. John J. Proctor, president of the Tawas Area Music Boosters Club, to the outstanding senior bandsman.

Edward J. Rima, band director, announces the following program for the pre-festival concert:

"The Star-Spangled Banner;" "The Trombone King," march, by Karl King.

The following three numbers from an English folk song suite by Vaughan Williams are the

selections to be played at the state festival by Tawas Area: "Seventeen Come Sunday," "My Bonny Boy," "Folk Songs from Somerset."

Also included in the program will be an American folk rhapsody by Clare E. Grundman: "My Little Mohee," "Shantymen's Life," "Sourwood Mountain," "Sweet Betsy from Pike."

Sherill Frank and Judy Miller, who received 1 rating at the state festival, will present a piano duet.

Rounding out the program by the band will be the "National Emblem," march by E. E. Bagley;

"Seventy-Six Trombones," from the "Music Man," by Willson-Lang; "American Patrol," a patriotic selection, by F. W. Meacham; "Emblem of Unity," concert march, by J. J. Richards. The program will close with the traditional march by John Philip Sousa, "The Stars and Stripes Forever."

Also featured on the program will be a bassoon duet by Wendy Holder and Christine Moehring. This duet won an 1 rating at the state festival. Carolyn Evans will be soloist for "Concertino," a clarinet solo with band accompaniment by C. M. Von Weber, Opus 26.

Says Some Have Not Received Checks Due Them

Many retired people are not receiving some of the social security checks due them for 1958. These people are the ones who have returned to work after filing for their social security benefits. Paul M. Ellifritz, district manager of the Bay City Social Security Office, said today that some of these retired workers who made over \$1,200 last year may still receive some social security payments.

Ellifritz said that most beneficiaries had no trouble remembering the \$1,200 amount, and the fact that benefits can be paid if 72 or older regardless of earnings. However, he explained, the social security law provides for some social security payments to workers between retirement age and 72, even though the part-time employment earnings went over \$1,200.

For those people who were past retirement age for the entire year and have filed for their social security benefits, payments can be made to them for some months if they did not earn over \$2,000 in 1958. The number of checks due depends on the amount of the earnings over \$1,200.

One check is lost for each \$80, or part of \$80, over the \$1,200 amount. For example, if total yearly earnings were just \$2,080, one check would be due. A special annual report of earnings must be filed with the social security office to get this payment. This applies to people who operate their own business or work for someone else.

Ellifritz said that another part of the law provides that a beneficiary may receive payments for any month his wages did not go over \$80 in 1958 and some years before. (In 1959 a benefit can be paid for any month the earnings do not go over \$100 in the month.) The yearly wages do not matter. For example, many school employees do not work in some of the summer months—usually July and August. If these people have reached retirement age, they can be paid for these two months, no matter what they earned in other months.

A similar provision takes care of the self-employed. They can receive payments, regardless of total yearly earnings, if there were months in which they did not spend much time on the business. For example, many resort businesses close sometime in the fall and do not open until the following spring. For those who have reached retirement age, some payments could be made for the period the business was closed, no matter what the yearly earnings were.

Ellifritz added that his staff will be glad to assist people, who have filed for social security, in preparing their 1958 annual earnings report. These were due

'Favorable Climate' Important Part in Community's Growth

When a young man starts out on his first job, he usually starts at the bottom of the ladder. The success he attains comes through a gradual growth based on training and experience. As his stature grows, so does the potential contribution he may make to his community.

The favorable "climate" he finds in his community plays an important part in how much he grows.

Industry is much the same as the individual. Most industries start on a small scale. Take the automobile, for example. Ford, Olds and others, who became greats in this industry, were very small at first.

But like the great oaks that rise from tiny acorns, the little shops that produced the first au-

tomobiles, grew and grew into great industries.

Who knows, the little industry that may be operating today in our midst, or one that can be brought to the community through a good community selling effort, may grow to become a mighty big concern in a few years. This would mean jobs for many people.

The important thing for a community is to provide a healthy climate for every single existing industry, no matter how small, to encourage it and let it know residents appreciate what it is doing for the people.

Let us let industry know that

here in this community it will find a warm welcome and the encouraging climate that is good for growing.

Then, like the little acorn, as they grow they will help build a bigger and better community that will benefit all who live here.

"Great oaks from little acorns grow" is the theme of an advertisement in today's Tawas Herald. It is another in a year-long series of public service advertisements sponsored by the Michigan Press Association and Michigan Economic Development Department. The advertisements are designed to stimulate local industrial development programs.

The good old days was that period when people were referring to another time as the good old days.

NEM Baseball League Organizes for 1959

Fred Jones of Prescott, a strong booster for baseball, was elected 1959 president of the Northeastern Michigan Baseball League last Thursday evening by the directors of the league. Charles Lambert of Crump, another strong worker for ana-

teur baseball, was placed in the office of vice president. F. E. Perlberg of Standish was again elected secretary-treasurer. The meeting was held in Standish.

The NEM, one of the strongest amateur organizations of the state, increased its membership from 14 as of last year to 16 for the 1959 season. Rhodes, out of the league last year through a misunderstanding in their local setup, made application to be re-admitted into the league and was accepted. The team will be made up of Rhodes and Bentley players. Tawas City, another former member of NEM, also asked for re-admission and was voted in by the directors.

One important change made in the setup of the two circuits for the approaching season, set to get underway May 10, was a new grouping of the communities in the American and National Divisions. This change was created to bring about more interest in the communities by placing competitive towns together and also to save travel distance.

In the American Division, the eight clubs will consist of Crump, Pinconning, Worth, Estey, Rhodes, Beaverton, Wooden Shoe and Sterling. The National group will be made up of clubs from the communities of East Tawas, Tawas City, Hale, West Branch, Turner, Prescott, Melita and AuGres. There is a possible change in the National in event AuGres does not enter the league. Sterling is also listed in this division, but if AuGres comes in, which the team is expected to do, Sterling will definitely be in the American Division. If not, a club which has already expressed a desire to join the league and is located in northern Bay County, will replace Sterling in the American and the Arenac team will be listed in the National. This

will be decided before or at the next meeting which will be held at the courthouse in Standish April 23.

Vern Seltz extended an invitation to the league to hold its all-star game, scheduled for July 5, at Wooden Shoe. The offer was accepted.

Jones and Perlberg were named as a committee to present a schedule for the 1959 season. This will be placed before the directors for approval April 23. The list of players, umpires, directors and officers of each club will be presented for approval at the April 23 meeting.

Meeting Set to Prepare Season's Baseball Program

Coaches and managers of the Tawas Little League will meet Friday night, April 17, at the East Tawas Legion Hall. Purpose of the meeting, which starts at 8 o'clock, will be to determine the starting date for this summer's baseball program.

It has been suggested that league play start the last two weeks in May this year to allow completion of the schedule before July 4.

It is hoped that two teams may be added to the six team circuit this year so that more youngsters will have the opportunity to participate. Any men interested in coaching or assisting the league are welcome at Friday night's meeting.

To an experienced politician, the election of 1960 is underway.

Action Begins in Tawas Area Athletics

Annual spring exodus to the great outdoors begins in earnest this week when performers in three spring sports at Tawas Area School begin action in baseball, track and tennis.

First action in an eight-game schedule for the Braves baseball team starts Friday when Tawas goes to Whittemore to tangle with the Cardinal line.

After the opener, the spring baseball schedule is as follows: April 21, Pinconning at Tawas; April 24, Tawas at Arenac East; April 28, Tawas at Pinconning; May 1, Arenac Eastern at Tawas; May 8, Standish at Tawas; May 15, Tawas at Standish; May 18, Whittemore at Tawas. The Northeastern Michigan Conference championship game will be played May 22.

In tennis, Tawas Area School was defeated in its first encounter with West Branch. The remainder of the schedule is as follows: April 16, Gladwin here; April 24, at Standish; April 30, West Branch here; May 8, at Gladwin; May 15, Standish here.

Although no track meets will be held here this year, due to the lack of such facilities, Tawas thinclads will participate in two meets. On April 16 (today), Tawas will take part in the Houghton Lake track meet. On April 30, the Braves will participate in a triangular meet at Oscoda. The three schools competing will be Oscoda, Alpena Catholic Central and Tawas.

Attends Principal-Freshman Conference

Principal Ernest Jordan of Tawas Area School attended the principal-freshman conference held at Central Michigan College Tuesday, April 7. Eight Tawas Area graduates, class of 1958, are studying there, including Kenneth Myles, Shirley Nunn, Esther Klinger, Charles Martin, Kenneth Lixey, Neil Gottleber, David Roach and Carol Westerlund.

Farm Events

By MARVIN DAVENPORT
Iosco Agricultural Agent

Calendar:
Thursday, April 16—Iosco Fair Association meeting at Hale, 8:30 p. m.
Monday, April 27—MABC regional meeting at the Holland Hotel, East Tawas, 7:30 p. m.
Tuesday, April 28—DHIA meeting at Charles Timreck's, meeting in Tawas Township, 8:00 p. m.
Wednesday, April 29—Iosco Farm Bureau Board of Directors meeting, Tawas Township Hall.

Our recent beef tour revealed some interesting things. This year calf problems have been widespread. Wilton Finley, Michigan State University animal husbandry specialist, pointed out ways to overcome some of these calf problems, like scours and the pneumonia that follows.

Catching the symptoms early is important. Giving the calf one of the antibiotics, such as Aureomycin, at the proper time can be the difference of saving or losing the calf.

Tour stops at Earl Daugharty's and Neil Ranger's farms pointed out techniques to control parasites in cattle and produce high quality steer calves for fall sale. Daugharty has been cooperating with the extension service and Dow Chemical Company in the use of dusts, sprays and systemic treatment in the control of internal and external parasites.

The last stop was at the Warren Huff ranch. Here Mr. Huff told the 75 people on the tour his plans for the ranch. Of particular interest to beef raisers were "the 25 performance-tested bulls" recently purchased by Mr. Huff. His plans for 1,000 cows on the ranch will be increased to nearly 2,000 as conditions warrant.

Wayne Servant, herdsman, explained to visitors the value of a good quarter horse. He demonstrated briefly the handling and performance of his stud recently purchased. He explained limited stud service will be available.

If those of you who plan sowing oats this spring have not already purchased seed, it would be well to get it. I have already been asked about oat varieties recommended for Iosco County. Some farmers have found a variety they like and one that gives them what they want in yield. Yet new disease resistant varieties are being developed. Might I suggest that each year you try a few acres or a field of a new oat to compare with the one you have been growing?

Here are a few recommended for Iosco County:
Garry is a stiff strawed late white oat with an excellent yield. This oat is susceptible to damage by heat which means it likes low degree night temperatures. It is an excellent oat for this area. It is susceptible to drought and leaf rust.

Eaton is a white oat which is susceptible to race 202 or leaf rust but is resistant to the prevalent race seven of stem rust.
Simcoe is a mid-season white oat with adaptation. This oat prefers low degree night temperatures but has some ability to withstand higher temperatures than Garry. Simcoe carries an excellent yield record. It is susceptible to leaf rust but is moderately resistant to stem rust in Michigan. Simcoe is moderately susceptible to lodging.

Rose enthusiasts will find answers to controlling two important rose diseases in two new extension folders just received.
Black spot, the most important disease of roses out-of-doors, and powdery mildew are the subjects

Forestry Conducts Cooperative Fire Organization Meet

Ranger Joseph Blake, United States Forest Service, conducted a fire organization and cooperative session Monday, April 6, at the Federal Building, East Tawas. Main topic was a cooperative plan for crew organization and control of large forest fires in and near the Huron National Forest.

Ranger Blake pointed out that those present, as national forest fire wardens, have authority to hire men and equipment in event of a forest fire. It was stressed that during a forest fire the safety of men's lives from injury or possible death is first and most important. Next comes protection of personal property and then the forest.

A short United States Forest Service film on the proper use of water in fire was shown. William Stewart, Wurtsmith Air Force Base fire chief, completed the session with a film showing control of oil and jet fuel fires mobile United States Air Force mobile foam trucks and various techniques of fighting these difficult fires.

Those participating in the planning and discussion were Mr. Stewart, Howard Hofacer, chief, Oscoda Fire Department; Irwin Lepper, South Branch Fire Department; Joseph Bannister and Carl Slosser, Hale Fire Department; Joseph Oldeck and Clint Long, Foote Site; Arthur Leitz, Bert MacGregor and Roy Milnes, Michigan State Conservation Department; Louis Pittman, Roll-away Resort operator; Edwin Young, Vernon Blust, Floyd Hall, and Roy Shedenhelm of the United States Forest Service.

3rd STRAIGHT YEAR! PLYMOUTH V-8 WINS ITS CLASS IN MOBILGAS ECONOMY RUN!

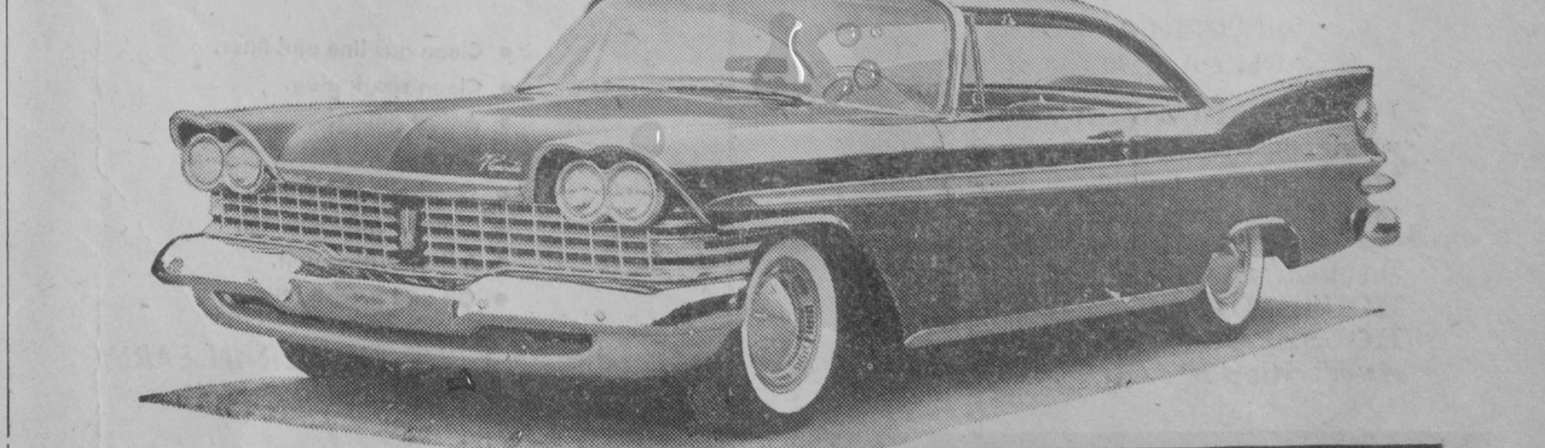

OTHERS TALK ECONOMY—PLYMOUTH DELIVERS IT!

Other cars have talked economy this year. But a Plymouth V-8 has just proved it can give better gas mileage than Ford or Chevrolet V-8s. Plymouth did it by winning its class for the 3rd straight year in America's recognized competitive test for economy. Plymouth's score: 21.15 miles per gallon.

HERE ARE MOBILGAS ECONOMY RUN FACTS: HERE ARE WHAT THESE FACTS MEAN TO YOU:

- A Plymouth V-8 has just won its class in the Mobilgas Economy Run for the third year in a row. Ford and Chevrolet both finished behind Plymouth.
- Plymouth scored 21.15 miles per gallon.
- Winning Plymouth was a Belvedere 2-door hardtop, equipped with standard Fury V-800 engine and automatic transmission.
- Run was sanctioned by United States Auto Club.
- As a Plymouth owner, you can expect economical operation in everyday driving.
- As a Plymouth owner, you're driving the car that gave better gas mileage than Ford or Chevrolet in the 1959 Mobilgas Economy Run.
- As a Plymouth owner, you can also expect top performance (Plymouth's winning V-8 is the biggest standard engine in its class).

Plymouth's low prices, low upkeep, high resale value and proven gas economy make it the year's best economy buy in its class. And Plymouth delivers the Big Difference in style, ride, performance, features and comfort, too! A "Two-Mile Try-Out" will prove it, so take yours today!

'COUNT ME' THEME OF CHURCH LOYALTY CAMPAIGN

"Count Me" is the theme of the 1959 loyalty campaign at Assembly of God Church, East Tawas. The purposes of the campaign are to build Sunday School attendance, emphasize the importance of consecutive Sunday School attendance and stress faithfulness in every phase of Christian living and service.

Special features of the campaign are to build Sunday School ends Pentecost Sunday, May 17, are Welcome Day, which was held last Sunday; C. A. Day, April 19, for youth and their needs; Baby Day, April 26, new babies of the past year will be given a cradle roll certificate in special ceremonies; Bring One Day, May 3, with special emphasis on guests.

Family Day, May 10, will mark the end of National Family Week. An invitation to families to attend Sunday School and worship services together is extended in hope that families will once again learn "togetherness" in the House of the Lord. Mothers will be honored on this day.

Honor Day, May 17, individuals

with 100 percent attendance during the loyalty campaign will be honored. This Sunday will conclude a week of special services at the church honoring Pentecost. The Rev. Cleon Winford of Cadillac is to be the evangelist for the Pentecost Crusade.

SOCIAL SECURITY AGENT HERE THURSDAY, APRIL 23

One of the recent changes in the Social Security Act now makes possible monthly checks for dependents of a person between 50 and 65 who is receiving disability insurance benefits, according to Paul M. Ellifritz, social security district manager at Bay City.

If the disabled person has a child under 18, a disabled child over 18 whose disability began before age 18, or a wife over 62, an application for social security benefits should be filed.

Mr. Ellifritz suggests that persons who may be affected by these changes get in touch with his office or call on a representative, who will be at the Federal Building, East Tawas, Thursday, April 23, 10:30 a. m.

Looking Backward—

Plant Trees Arbor Day to Honor Isoco County War Dead

April 18, 1919—Memorial trees will be planted today (Arbor Day) at the Silver Creek Ranger Station in the Huron National Forest and at the Beal Nursery in East Tawas in honor of the former forestry employees who lost their lives during the war. Trees will be planted along the streets of Tawas City and in the school yard in commemoration of Isoco County men who died in the conflict.

Ernest Mueller of Detroit came home Saturday to spend a few days with his parents, Mr. and Mrs. Frank Mueller.

Mrs. George Webster is spending a few days at Clio with her sister.

James E. Dillon left Monday for Washington, D. C. While there he will attend a meeting of Alexandria Lodge F and AM.

Misses Florence Graves and Wilma Koehler are visiting their parents at Hale.

LeRoy Alford has returned to his studies at the University of Michigan.

Mrs. Hattie Grant has purchased the Ash home on State Street in East Tawas.

Berthold Cholcher of Saginaw came home on the Friday midnight train for a visit with his parents.

Members of the McIvor Ball Club are enthusiastic over their player line-up for the coming season.

April 13, 1934—Ground was broken Monday for the Tawas Post Works near the Detroit and Mackinac Railway shops. The plant will be owned and operated by Gerald Mallon and Carl Babcock.

Small catches of smelt are being made in Tawas River. This is the first year that these fish have been reported in this locality.

Elmer Britt of Burleigh Township was named chairman at the April meeting of the board of supervisors.

Misses Sophia Fisher of Detroit and Henrietta Fisher of Toledo, Ohio, are visiting their parents.

Mr. and Mrs. N. C. Neilson have returned from a visit in Muskegon.

April 15, 1949—Pids will be opened Thursday for 20 miles of blacktop road between Hale and Glennie.

Adventists Hold Day of Fasting

Saturday, April 18, has been designated as a day of fasting and prayer in all Seventh-Day Adventist Churches, according to word received by Herbert Alexander, pastor of the local church.

Special prayers will be offered for Christian work in Communist China. Though Adventist mission work has been forbidden there for many years, native pastors have been active. In recent months, however, according to reports reaching the International offices of the church in Washington, D. C., severe curtailment of religious services and activities has taken place.

The official proclamation called for prayers for "continued peace in a turbulent world." The Berlin crisis, uprisings in Central Africa and unrest in the Middle East, were also mentioned as foretokens of troublous and trying days ahead.

As far as possible, all Adventists will abstain from food between sunset Friday night and sunset Saturday night, in accordance with the suggestion.

MISSIONARY SOCIETY SETS PLANS FOR SPRING TEA

Plans for a spring tea May 7 were discussed at the regular meeting of Baptist Missionary Society Thursday, April 9. The group continued its study on the Middle East.

Co-hostesses, Mrs. Earl Richards and Mrs. Frank Metcalf, served a lunch following the meeting.

BAPTIZED IN CEREMONY AT ZION LUTHERAN CHURCH

Kathryn Elizabeth Gross, infant daughter of A-2c and Mrs. Gene A. Gross, Tawas City, was baptized Wednesday, April 8, at Zion Lutheran Church. The Rev. E. E. Bickel officiated. Sponsors were Mr. and Mrs. Arthur Morgan of Walloon Lake.

Mr. and Mrs. Ralph Taylor, Kathryn's grandparents, entertained several guests at their home in East Tawas after the baptism.

CHRISTIAN SCIENCE

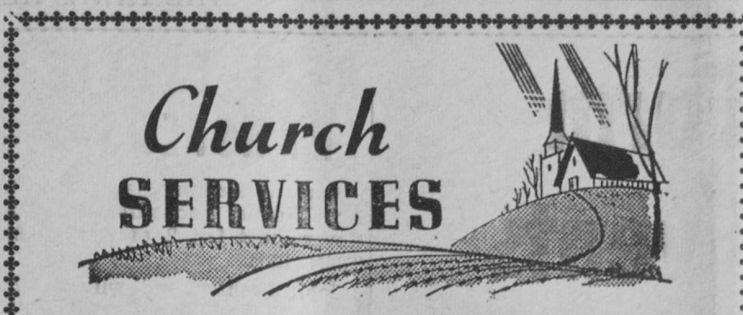

The spiritual relationship of God and man will be set forth Sunday at Christian Science services.

Selections to be read from the Bible, in the lesson-sermon entitled "Doctrine of Atonement," include this from I John (4:15, 16): "Whoever shall confess that Jesus is the Son of God, God dwelleth in him, and he in God. And we have known and believed the love that God hath to us, God is love; and he that dwelleth in love dwelleth in God, and God in him."

Correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will include (18: 1-5): "Atonement is the exemplification of man's unity with God, whereby man reflects divine Truth, Life, and Love. Jesus of Nazareth taught and demonstrated man's oneness with the Father, and for this we owe him endless homage."

Sgt. Frank Walker of the Michigan State Police will retire May 1. Sergeant Walker has been here since July 1, 1945.

Henry Klenow, mayor of East Tawas, has been named chairman of the board of supervisors.

TRY TODAY'S HOUSEPOWER PHOTOTEST

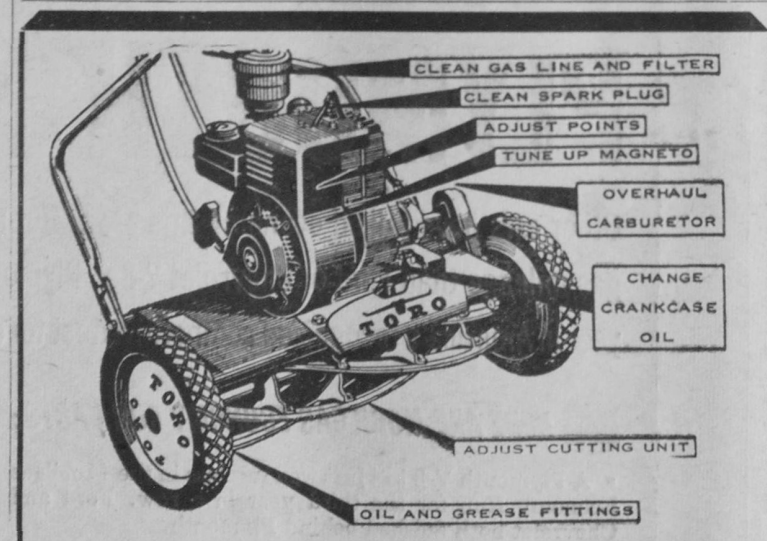

Too many faucets on the same pipe result in a mere trickle; wires that are too small provide your appliances with only a "trickle" of electricity. That's low HOUSEPOWER, still found in

- (a) 9 out of 10 homes
- (b) 4 out of 5 homes
- (c) 2 out of 3 homes
- (d) 1 out of 50 homes

Full HOUSEPOWER means enough wiring, outlets and switches in the home to operate your lighting and appliances efficiently. If you check (b), you're right—4 out of 5 homes need their wiring checked. Make sure your home's HOUSEPOWER is up-to-date. Get a HOUSEPOWER Rating. It's easy. As advertised in LOOK . . .

150,000 FAMILIES HAVE ALREADY MADE THE MAGNIFICENT CHANGE TO THE CLEAN WINGED STYLE OF BUICK '59!

Next time you look through your windshield at the unmistakably clean, sleek tail of a Buick '59 . . . take a moment to envy its owner . . .

He owns THE Car . . . "hottest" thing on wheels today. He owns THE style that's farthest ahead both in public notice and in future trade-in worth.

He commands the most efficient automobile power plant in America today. (Buick's new Wildcat engines not only deliver an important increase in actual miles per gallon . . . but when you take car weight and performance into account, they get more out of each gallon of gas than any others.)

He stops with Buick's exclusive braking system. (Fin-cooled, front and rear, aluminum drums in front.)

When he wants to speed up or slow down, he feels the quick answers of the smoothest transmissions of all . . . (only Buick combines Twin Turbine* or Triple Turbine* transmission smoothness with Wildcat getaway).

But why not find out for yourself? This car's quietness of motion. Its comfort of roominess and ride. Its willingness to do exactly what you wish of it.

You'll live so much better in a Buick '59. Let your Quality Buick Dealer show you why . . . and how easily the man in the Buick could be . . . YOU!

Visit your Quality Buick Dealer soon. He's anxious to show you why your family belongs in the NEXT 150,000 to make the magnificent change to Buick '59!

*Optional at extra cost on some models.

TO OWNERS OF CARS IN "THE LEADING LOW-PRICED 3" . . . You'll be surprised how easily you can own a Buick Le Sabre instead! Be sure to ask your Buick dealer about "THE MOST IMPORTANT \$200 IN THE AUTOMOBILE WORLD!"

OTTO FUERST HONORED ON 81st BIRTHDAY

Otto Fuerst was pleasantly surprised Friday evening when his nieces and nephews arrived to remind him of his 81st birthday anniversary. They enjoyed birthday cake and ice cream later.

Those present for the occasion were: Mr. and Mrs. William Fogelsinger of Harrisville; Mr. and Mrs. Charles Chipps of Prescott; Mr. and Mrs. Charles Fuerst, Mr. and Mrs. William Fuerst and Mr. and Mrs. Earl Schneider, all of Whittemore, and Mrs. Lester McLean and two sons of Flint.

GRANGERS HEAR REPORT ON 'SUBSTITUTE' CROPS

The Whittemore Grange met on Monday evening with Master Seth Thompson in charge of the business session. Dornace Bellville reported on prospective crops which might be planted to replace crops in surplus.

Bamboo, castorbeans, sesame and safflower are some of the products to be raised by the farmer of the future. Sesame and safflower yield oils that are in demand and bamboo pulp could be used for high quality paper and the wood for furniture. Lack of the proper harvesting equipment and disease are two of the main holdups for these new crops at the present time.

Health chairman, Mrs. Edith Cataline, reported that \$49.78 was collected for the Red Cross in Burleigh Township by the members of the Grange.

Mrs. Mamie Schneider, Mrs. Joy Bellen and Mrs. Ethel Spafford were the winners of the prizes offered by the Grange recently. Mrs. Mable Stoner won the basket of groceries and the galloping prize. Other prizes were awarded to Mrs. Orilla Trudell, Mrs. Rachel Pagel, Arthur Aulerich and Leo Sylvester.

A discussion on rubber was conducted by lecturer, Mrs. Marguerite Aulerich.

Pot-luck lunch completed the evening.

JUVENILE GRANGE WILL AID ITALIAN TEAM

The Whittemore Juvenile Grange met on Saturday evening with Master Richard Ostrander in charge.

Rodney Daniels was elected to membership in the order.

Wallace Daniels was elected to the office of assistant steward to fill a vacancy.

Work done by the Juvenile Grangers all over the United States to help the Greek team, Wim and Jo Blankers of Holland, carry out their worthwhile work in Greece, was explained by Mrs. Marie Belleville, matron.

For the next two years the Juveniles will help support an Italian team. Team members are like county and home demonstration agents working in foreign countries to help improve work opportunities, productivity, sanitation, health, homemaking and farming. All team members believe in Christian brotherhood and this self-help approach to world understanding.

Falerna, in the extreme south of Italy, is the location for the work to be carried on by the Italian team.

Facts about Italy and its people were discussed by the children in order to better understand the people of Italy. Two games, "Cencio Mollo" (wet handkerchief) and "Il Cucuzaro" (the pumpkin planter), were played with Lecturer Ann Belleville in charge.

The poem, "Sharing my new Bicycle," was read by David Hall and Linda Runyan read "Early Robin."

Each child will plant and care for either flowers or vegetables which they will display at a meeting in the fall or late summer. Those wishing to enter the Michigan State Grange contest are requested to plant squash.

Bring out the Best in a BETTER Engine!

Put a Wisconsin Heavy-Duty Air-Cooled Engine on the job and leave it there! Year after year it will deliver the goods. However, as you know, fine equipment does require servicing, whether cars, watches, or engines, and Wisconsin Engines need periodic cleanings . . . worn parts must sometimes be replaced.

So, bring out the BEST in a BETTER ENGINE by assigning our mechanics to your Wisconsin Engine servicing problems. Our mechanics take a Wisconsin Engine apart, piece by piece. Each worn part is either repaired or replaced with ORIGINAL FACTORY PARTS. Then, the engine is assembled, checked and re-checked until it passes every test with a grade of 100%.

Call on us for any servicing problems.

Calendar:
Tuesday, May 5—Achievement program.

Home economics extension groups will have their annual achievement program on the evening of May 5. They extend an invitation to all of you to come. Speaker will be Mrs. Richard Schroeder of Clare. Her most interesting talk is about Pakistan where she and her husband lived two years. She will bring a variety of "souvenirs" to illustrate her discussion.

Mrs. Paul Sayles, home economics council chairman, and I worked with women from other counties in this district this week to make plans for our summer Homemakers' Camp.

This overnight event will take place earlier this year—quite a lot earlier, in fact. It will be in a different place, too, one we believe will provide even more opportunity for fun and fellowship than we have had before. And we are hoping all you homemakers will join in and help make this the largest and best camp yet. Be watching for more information, soon.

Laying out the pattern, pinning and cutting are three of the most important steps in making a garment and all should be done with care. This women learned in the cotton dress construction workshops this spring.

Before laying out a pattern, you may need to straighten uneven ends by drawing a crosswise thread and cutting along that line. If a garment is to hang well, it must be cut on the grain of the fabric. This means that the grainline on the pattern pieces must follow the lengthwise (or crosswise, if specified) threads or yarns of the fabric.

Watch out if the fabric is napped or has an "up and down" pattern. All pattern pieces must face the same way. Two class members learned how difficult matching stripes or plaids can be. This is done by carefully checking their placement at notches on the main seamlines. When all the pattern is placed on the fabric, make sure all points on the pattern piece measure the same distance from the selvage or the side edge.

Pins are placed at right angles to the edges of the pattern. Pins at each notch on the pattern edge will remind you to cut them outward.

Cut out your garment with plain shears, using long, even strokes. Cut from the wide to the narrow part of each piece whenever possible. It is best to cut those notches outward rather than into the seam allowance. Extra notches

We have a new kind of activity to offer girls this year. It is called "Waitress Training." Girls who plan to work as a waitress this summer will find this special program very helpful because they will know so much more about what to do and how to do it.

There is a first time for everything, it is said. There is going to be a "first" district 4-H Leader-meet program for 4-H Club leaders in Iosco, Ogemaw, Alcona, Oscoda, Arenac, Gladwin and Clare Counties. It will take place on Saturday, May 9, at Wabun. The event begins in the morning, includes luncheon and continues through mid-afternoon. There will be inspiration, recreational and get-acquainted activities throughout the day. All 4-H leaders, their husbands or wives are invited to request an invitation. Again, the sooner the better.

From Vicki Wright, Peaceful Valley 4-H Club member, we have this news about their clothing project. She says they usually meet on Tuesday, but the last meeting was on Thursday. They practiced sewing straight lines on an old pillow case. Each of the girls had her turn on the machine. Mrs. Dodson was unable to work with the girls but they had help from Mrs. Wright.

Funeral Services Held Friday for Harold S. Morrison

Funeral services were held Friday afternoon for Harold S. Morrison, who died Tuesday, April 7, at his home in East Tawas. Mr. Morrison had been ill for several months.

A graduate engineer of Tri-State College, Angola, Indiana, Mr. Morrison was employed by the National Gypsum Company at Rochester, New York. About 20 years ago, he was transferred to National City. During the war the Corps of Engineers requested his services for Wurtsmith Air Force Base, Oscoda, where he had charge of electrical installation and maintenance. Mr. and Mrs. Morrison resided at Tawas City for three years, later establishing at East Tawas. He was highly esteemed by his friends and associates.

Mr. Morrison was born August 31, 1906, at Rushford, New York. He was a member of Baldwin Lodge, No. 274, F and AM.

He is survived by his wife, the former Mary Neil Colville; a son, Neil, and three sisters, Mrs. Nelson Biden and Mrs. Raymond Wakefield of Rochester, New York, and Mrs. Thelma Kelleher of Los Angeles, California.

The Rev. Ralph Edwards officiated at the funeral service. Interment was in the Greenwood Cemetery, East Tawas.

THOUSANDS OF WHITETAILS STARVE DURING WINTER

PICTURED HERE are just 30 of the thousands of deer which have starved or were killed by dogs in Northeastern Michigan during the past winter. These deer were found in Alabaster Township and were given a thorough examination by conservation department field men. At left is Conservation Officer Arthur Leitz. "Autopsies" on many of the deer showed the tell-tale sign of starvation, marrow in the bones which had turned to a red, jelly-like substance.—Tawas Herald Photo.

Mr. and Mrs. Clarence Herriman and the Jerry Whitney family returned home following a three-week vacation in the Western States.

Mr. and Mrs. Fred Pfahl spent a few days recently in Ann Arbor, Jackson, Bellville and Bay City.

Mr. and Mrs. Donald Herriman and children of Royal Oak were week-end guests of his mother, Mrs. William Herriman.

Mr. and Mrs. James LaBerge of East Tawas visited at the Elmer Anschuetz home Sunday.

Mr. and Mrs. Robert McComisky and Mrs. Earl Herriman were visitors at the home of Mr. and Mrs. Charles Brown last week.

Mr. and Mrs. Phillip Watts visited his brother, Cecil, who is a patient in an Alpena hospital.

Sunday guests at the home of Harvey McIvor and mother, Mrs. Clara Smith, were Mr. and Mrs. John Wehrman and Ted McArdle. Ronald Pringle and sister, Carol, spent last week-end with their grandparents, Mr. and Mrs. Harry Flynn, at Sand Lake.

Gale Durant, Miss Sandra Ulman, Ronald Whitford, Miss Janet Nelkie and Richard Hughey enjoyed Sunday evening at the Alton Durant home.

at both the center front and center back of the neckline and waistline, at the center back of the collar and at the top of the sleeve cap will aid you in centering one section on another.

One inch seam allowances for side and shoulder seams give stability to the garment. The women in our classes also found these wide seams a help when it was time to put in the zippers.

Do you enjoy discovering something new? Children do, too. They especially like "excursions" to places like the zoo, a walk in the woods or a visit to a fire station.

When we and the children go on such trips, we widen our horizons for there are many new things to learn. There is, too, the companionship, the listening, looking, feeling and discovering together. Children get to feel closer to their parents and to each other as a result of doing things together.

It is coming spring... a wonderful time for adventuring out from home. Have fun doing this together, as a family.

Patience is the art of solving problems by letting them alone.

GREAT OAKS FROM LITTLE ACORNS GROW

Just as great oak trees grow from little acorns, so do fine, big industrial plants have humble beginnings.

As with that sturdy oak, many things happen before a small plant becomes a large one.

The oak tree depends on favorable soil and weather during its early years. Our town, if it is to have good industrial payrolls, must provide a good climate for industry.

Climate for industry boils down to how present industry is treated. Good climate for industry makes our town grow stronger.

Good industrial climate helps small industry, like good climate helps the oak tree. And it attracts new industry.

Join hands with your local industrial development organization and the Michigan Economic Development Department to help your community prosper.

District Eagles Met Sunday at Tawas Bay Aerie

Tawas Bay Aerie, No. 2588, Fraternal Order of Eagles, and Auxiliary hosted the Eagles of the district Sunday afternoon, April 12. Visitors at the men's district meeting were from Vassar, Saginaw, Midland, Bay City, Whittemore, Oscoda and Tawas City. The women's auxiliary visitors were from Saginaw, Midland, Bay City, Whittemore, Oscoda and Tawas City.

Meetings were held at the local Eagles Hall. About 160 persons attended.

At the auxiliary meeting, the district officers present were: President, Mrs. Margaret Lechrome of Saginaw; vice president, Mrs. Trixie Colburn, East Tawas; secretary, Mrs. Elizabeth Wilker, Bay City; treasurer, Mrs. Lottie Woods, Saginaw.

The local auxiliary with Mrs. Betty Jones, president, opened and closed the meeting. The president of the district received a telephone call as she opened the meeting informing her that the Lechrome Apartment Building in Saginaw was being destroyed by fire. She and her husband, Charles, returned to Saginaw immediately.

Mrs. Colburn presided as district president. The Saginaw auxiliary won the membership trophy. The men's district officers are: John Applin, district chairman, East Tawas; Norman Bishop, district vice chairman, Bay City; Irving Buckley, secretary and state outside guard, Vassar; Tony Wilker, treasurer and state past president, Bay City.

After the district business session, the following new members were initiated: Joseph K. Wilson, Harold Thompson, Fred Lepard, Clarence Curry, George Piggott and Edgar Schlickeer.

A chicken dinner was served in the dining hall after the meetings.

The next district meeting will be held at Midland Sunday, May 17.

JUST FOR EXCITEMENT

To stir up some excitement, Larry Standish, 17, of Kalamazoo called the fire department, an ambulance, a taxi, an undertaker and a wrecker. He was sentenced to 10 days in jail. The judge said Standish could "wash the police cars for excitement."
