

City Guarantees First Year Payment on GO Bond Issue

At a joint meeting of the Tawas City Council and water board Monday night, the council adopted a water board resolution outlining the method of financing the first year of a 30-year \$130,000 general obligation bond issue for sewer construction.

As a result of this action, the 1959 payment will be raised by a two mill tax levy and through a transfer of \$3,500 from the sewer department general fund to the bond and interest account. The two additional mills will raise about \$4,200 on Tawas City's \$2,118,900 valuation.

The council learned late last week from its bonding attorneys, Miller, Canfield, Paddock and Stone, of Detroit, that it would be necessary to raise \$7,500 the first year to pay the principal and interest on the general obligation bond issue.

City Attorney Allan Miller stated that it had been hoped to raise the necessary amount through a raise in sewer rates, but water meters have been in use for less than one year and it would be necessary to obtain an average consumption over a 12-

month period before using this system.

The extra two mills would approximate a \$2 increase per thousand valuation on summer taxes. Two weeks ago, the council adopted 17 mills to raise the necessary amount of money to finance city operation for 1959.

Take Steps to Eliminate Possible Fire Hazard

In compliance with state regulations, all built-in cupboards under stairwells at the East Tawas unit of Tawas Area Schools were removed last week.

Supt. Reynold Mick stated Monday that a storage cabinet which had been constructed under one stairway had been removed. Storage rooms were rearranged and given a thorough cleaning to eliminate unnecessary combustible materials.

This work was the first step in a plan to carry out recommendations of the state fire marshal, Michigan Office of Civilian Defense and the department of public instruction.

District Scout Leaders to Undergo Basic Training

Northland District of the Paul Bunyan Council will hold basic training courses April 7 and April 14 at the Tawas Area High School from 7 to 10 o'clock each evening.

Six-hour courses in boy scouting and cub scouting will give each person attending the fundamental knowledge needed to carry out the purposes and objectives of the scout movement. Every scout within the three-county area of Arenac, Iosco and Ogemaw Counties, are urged to attend and participate in this important training event.

Capt. Ralph J. Anderson of Wurtsmith Air Force Base, chairman of the Northland District training committee, will handle the cub scout phase along with Cecil Hyde, chairman of Cub Pack 71 of West Branch. In the boy scouting phase, Dan G. Miller, scoutmaster of Troop 55, Whittemore, and James Atkins, district executive for the Northland District, will carry out the instructors assignments.

All cubmasters and their assistants, pack committeemen, den mothers, scoutmasters, assistants and troop committeemen should attend.

Officers Named for New Lions Club

A meeting will be held Tuesday, April 14, to elect the rest of the charter officers for the new Lions Club which was formed recently at East Tawas. The new group has been officially recognized by Lions International.

Dr. Raymond L. Sutton was elected charter president at a recent meeting. Other charter officers are Will Peters, charter secretary, and Raymond LeViere, charter treasurer.

To be named April 14 are three vice presidents, a Lion tamer and a tail twister. The meeting will be held at Kohlmann's Restaurant.

Plans were made at this week's meeting for the charter night banquet which will be held May 9 at the Holland Hotel. The Harrisville club will sponsor the East Tawas group.

Music Boosters Meet

Five members of the executive board of Tawas Area Music Boosters Club and two parents attended the March 19 meeting of the club at Tawas Area High School library. The group decided to purchase a string bass, a stereophonic record player and choir music folders for the music department.

A committee was named by the president to investigate prices on the type of record player desired. The Rev. Charles Mercer was appointed chairman; Mrs. Cecil Cabbie, Arthur Wendt, Edward Rima and Richard Ferguson, committee members.

Chosen to serve on the nominating committee were Mrs. Archie Ruckle, chairman; Mrs. Earl Weaver, Mrs. Arthur Wendt, Charles Nash and John Proctor, committee members. The next meeting will be Thursday, May 21.

To Dine on Beaver— Legion Plans Annual Dinner April 14

Annual beaver dinner of Jesse C. Hodder Post, American Legion, will be held Tuesday, April 14, at the Tawas City Legion Hall.

A committee in charge of the event, appointed by Commander William Murray, includes: Joseph St. Aubin, ticket sales; Clyde Evril, chef; Irwin Ruppert, beaver.

The program will include a film shown by Conservation Officer Arthur Leitz.

CAROLYN EVANS

SHARON KENDALL

Honor Students are Named at Tawas

Two girls were named honor students of the 1959 graduating class at Tawas Area High School, it was announced Tuesday by Principal Ernest Jordan. They are Carolyn Evans, valedictorian, and Sharon Kendall, salutatorian.

Carolyn is the daughter of Mr. and Mrs. D. Arthur Evans of East Tawas. She has maintained a 3.966 honor point rate throughout her high school years.

Miss Evans has been active in band, vocal and ensemble festivals, language and debate clubs, forensics, junior and senior plays and has been active in Methodist Church activities.

She has received special hon-

ors as "Betty Crocker Homemaker of Tomorrow," won a trip to the United Nations, was named to the Central Michigan College honor band and is a member of the Tawas Area Chapter of the National Honor Society.

Sharon is the daughter of Mr. and Mrs. Alvin R. Kendall of Tawas City. She has maintained an honor point ratio of 3.866 throughout her high school years.

Miss Kendall has been active in student council, National Honor Society, Girls Athletic Association and the junior and senior plays. She received special recognition as Tawas Area homecoming queen of 1958-59.

SEVENTY-FIFTH YEAR Two Dollars Per Year TAWAS CITY, MICHIGAN, THURSDAY, APRIL 2, 1959 Five Cents Per Copy NUMBER 14

MONDAY, APRIL 6, IS ELECTION DAY

Monday, April 6, is a red-letter day for Iosco County voters. That is the date of the biennial spring election.

This election is important in that it is the time when voters name a new circuit judge, name city and township officers, name supreme court judges, vote on several state referendums and select regents and members of governing boards of the state universities.

Although in past years the spring election has oftentimes offered few races, this year is the exception. Voters will receive a "first-full" of ballots when they march up to the polling booths.

First on the list of four ballots which voters will receive here is the non-partisan ballot.

ALLAN C. MILLER

J. RUSSELL HUGHES

Voters to Decide Circuit Judge Race

Of greatest interest to local voters in next Monday's election is the two-way race between Allan C. Miller of Iosco County and J. Russell Hughes of Alcona County for circuit judge of the 23rd judicial circuit.

The successful candidate who emerges from the election will succeed Judge Herman N. Dehnke, who retires at the end of this year.

This race for the 23rd judicial circuit bench has held the attention of this area for nearly five months. Five candidates entered the picture last November, with Miller and Hughes being selected in the February primary to oppose each other on the spring ballot.

Miller, 37, a native of Iosco County, was born in Tawas City and was graduated from East Tawas High School. A University of Michigan law graduate, he practiced law in Detroit 12 years before returning to this area. He is city attorney for Tawas City.

Hughes, 51, has practiced in Alcona County for the past 15 years and previously practiced in Arenac County.

Good Attendance at Pram Instruction Class

Many youngsters and interested adults attended the first class in pram sailing instruction offered in this area by the Tawas Bay Yacht Club. The class was conducted last night (Wednesday) at Tawas Area High School.

With instruction being given in the fundamentals of sailing, the course will emphasize safety rules on the water, regulations of sailing. Those attending the class were registered by age groups.

The next class will be held Friday, April 10. Learning the nomenclature of boats will be studied at the next meeting.

Two Iosco Students are on CMC Honor Roll

A total of 516 students of Central Michigan College received an average of B or better last semester, according to information released by the personnel division.

Of this total, 391 students were enrolled in 11 or more semester hours work. Eleven students received a straight A average on the honors list.

Included on the honor list were two students from Iosco County, Brenda H. Buchner of Oscoda, a junior, and Rosalie J. Lambert of East Tawas, a senior.

Iosco-Ogemaw Beef Tour Set for Next Tuesday

Date of the annual Iosco-Ogemaw beef tour has been rescheduled from April 10 to Tuesday, April 7, it was announced this week by County Agent Marvin Davenport.

Wilton Finley, former county agent here and now a beef specialist at Michigan State University, will conduct the tour.

The annual beef tour is scheduled to start at 9 o'clock next Tuesday morning at the Harold and Howard Hodgins farm, located four miles east of M-33 on the old State Road in Ogemaw County and one-quarter mile north. There, the touring beef cattle raisers will see 35 Hereford cows which are now calving, along with 30 feeder calves purchased at last year's calf sale.

At 10:30 o'clock the caravan will move into Iosco County, stopping at the Earl Daugharty farm, located one-half mile north of the M-65-M-55 junction on M-65. Daugharty has been working with the extension service and Dow Chemical Company on an external parasite control program.

Between 11:30 and 12:30 o'clock, 4-H Club Leaders Council will serve a luncheon at the Reno Township Hall, with proceeds going to send 4-H Club members to camp this summer.

A 15-minute commentary on the beef industry in Michigan will be presented at 12:30 by Mr. Finley.

The touring beef raisers will take to the road again at 1:30 o'clock, this time stopping at the Neil Ranger farm, located one mile west of the M-65-M-55 junction on M-55. There, Finley will conduct de-horning and castration demonstrations.

Highlight of the tour will come at 2:30 o'clock when the group visits the Warren Huff Ranch, formerly the Prescott Ranch, located six miles west of Whittemore on the Whittemore-PreScott Road. Huff has 450 beef cows and 200 heifers at his ranch. He plans to have about 1,000 beef cows there this summer and will talk on this operation. He presently owns 35 registered bulls, which he recently purchased in Texas, Oklahoma and Colorado. Those attending will see both Angus and Hereford cattle.

"Our beef operations in Iosco County are changing and you must change with it," Davenport commented this week in a message to beef raisers. "The purpose of the tour is to bring you up to date on some of these changes. Come and be informed."

No Contest Seen for City Offices

Republican nominees for city offices in Tawas City and East Tawas apparently have no opposition in this year's spring election.

This is the first time in a number of years that the ballot does not include a Democratic ticket in Tawas City, although after the February deadline for party caucuses it was reported that Democratic candidates may run on stickers.

Candidates are as follows:

Tawas City (Republican Party)
—George Tuttle, mayor; Walter Nelson, clerk; Ruth Albertson, treasurer; Clement Stephan, First Ward supervisor; Fred Brabant, Second Ward supervisor; Clarence Everett, Third Ward supervisor; John N. Brugger, First Ward alderman; Earl B. Davis, Second Ward alderman; Cecil Cabbie, Third Ward alderman.

East Tawas (Republican Party)
—Elmer Werth, mayor; Fred B. Lomas, clerk; Georgena Bergeron, treasurer; Rex Koehenderfer, First Ward alderman; Floyd Upton, Second Ward alderman; Clarence McKenzie, Third Ward alderman; John Bolen Sr., justice of the peace.

Races between Republican and Democratic candidates at Whittemore and Plainfield Township will feature Iosco County's election for local offices. There may be some write-in and sticker candidates in scattered sections of the county.

Whittemore, always active in political affairs, will lack only one contest from having a complete slate on both the Republican and Democratic tickets.

Republican incumbent mayor, John O'Farrell, is opposed by Democrat George Blust; Democrat Henry Hasty is unopposed in his bid for another term as clerk; Democrat J. C. Munroe, incumbent city treasurer; Democrat Edward Graham Jr., incumbent city assessor, will go against former Republican mayor, Edward Dickey.

In ward races, Lucien Hatfield, Democrat, opposes Alfred Fortune, Republican, for First Ward alderman; Democrat David Mills opposes Ezra Vize, Republican, for First Ward constable; Charles Bailey, Democrat, opposes Horace Dillon, Republican, for Second Ward alderman; Harold Hess, Democrat, opposes Robert T. Dorsey, Republican, for Second Ward constable.

In Plainfield Township, veteran supervisor, George Webb, P publican, is unopposed for this position. All other township offices feature races.

Republican—Gilbert Follette, clerk; Forrest S. Streeter, treasurer; Carl Slosser, trustee; John D. Webb Sr., justice of the peace; Thurman Scofield, board of review; Joseph Bannister, Vernon Ranger, Harold Funk and Earl

DISCUSSING PLANS for re-designing crusher equipment at United States Gypsum Company's installation at Alabaster are Claude DeLosh, left, master mechanic, and Maynard VanOrnum, right, plant superintendent.—Tawas Herald Photo.

45-Year Veteran is Tramline Expert

"I am still in pretty good health and hope to go on working for a long time." These were the sentiments of Claude DeLosh, master mechanic at United States Gypsum Company's installation at Alabaster, who observed his 45th year of employment there last Thursday.

DeLosh, who has lived nearly all his life at Alabaster, recalled last week that it was on March 25, 1914, when he first went to work for USG. Born in Breckenridge and later moving to Arenac County, he was 22 years old when he got his first job as laying track in the quarry.

Later, he was assigned a job as an oiler in the plaster mill, but actually never went to work there. When he reported to work in the mill, he was assigned as a maintenance man to work under E. J. Musoff, then the chief engineer. His first job was to help change calcinating kettles for the manufacture of plaster.

In 1922, after working three years as a blacksmith, he became the master mechanic, a position which he has held for the past 35 years.

DeLosh recalls that there have been many changes at Alabaster since he first went to work there in 1914. Charles Miller was superintendent at that time.

"I guess about the biggest change came in 1928 when work started on constructing a new crusher building, marine bin and tramline for shipments of gypsum rock by water," recalled DeLosh. "The first boat to go out on July 9, 1929, took 36 hours to load . . . now it takes about 10 hours."

"He worked on all of the new installations and today is considered to be an expert on tramlines. The Alabaster tramline, 6,800 feet in length, is the longest over-water tram in the United States. He is often consulted by the American Steel Wire Corporation for advice on such installations," stated Maynard VanOrnum, plant superintendent.

One of the many experiences which come to mind is the time, not too long ago, when he and several other workers were marooned on the marine bin for three days.

"Lake Huron kicked up an awful storm when we were out there making some repairs," he said. "The water was so rough that the company launch could not leave shore, so we had to sit out the storm." The bin is equipped with beds and always has a supply of food in case of such emergencies.

Another time, DeLosh was left stranded on the bin during a storm without lights. "Because of the severe weather, someone pulled the master switch back on shore to cut off the power in the quarry. They forgot all about us out on the lake."

One of the biggest jobs that he recalls is the time the traction cable snapped on the tramline and 18 buckets fell into Lake Huron. "Naturally, this kind of trouble always comes in the fall of the year—it couldn't be warm weather when something like that happens," he said. The buckets were fished out of the lake with grappling hooks.

DeLosh is remembered by area residents as an avid baseball fan, lending his vocal support to the company-sponsored team in the Northeastern Michigan League. In his playing days, he was a catcher and a "pretty fair hitter," playing baseball for Alabaster until he was 42 years old.

He recalls that one year the Alabaster team went down to (See DeLOSH, page 8.)

Motor Tax Increases \$16,006.56 in Iosco During Year of 1958

Motor vehicle tax collections in Iosco County increased from \$149,886.54 in 1957 to \$165,893.10 in 1958.

According to an annual report issued by James M. Hare, secretary of state, the total registrations of all motor vehicles in Iosco County increased from 8,311 in 1957 to 8,841 in 1958.

An Iosco County breakdown by types of vehicles registered in 1958 shows 6,156 passenger cars, 1,149 commercial, 130 farm vehicles, 1,142 trailers, 74 trailer coaches, 66 motorcycles and 124 municipal or local government owned cars.

The total number of registrations of all types of vehicles in the 83 counties fell 83,485 below that of last year. The 1957 figures show 3,578,656 registrations compared with a total of 3,495,171 for the 1958 plate sale year.

"This decrease is less than three percent," Hare pointed out. "Normally, registrations increase each year. The downward dip reflects the state of business we had in 1958."

MRS. JAMES SHEEHAN of East Tawas grabbed the spotlight in the Women's Michigan State Bowling Tournament at Grand Rapids Sunday, March 21, when she hit games of 252, 170 and 169 for an actual score of 591. Her league average of 141 gave her a handicap of 105 pins and a 696 total vaulted her to the top spot on the board. The tournament started January 31 and will run through May 30. Mrs. Sheehan's series is bound to win her a good slice of the prize money, as the same total in last year's tournament took second place. She bowled on the Detroit and Mackinac Railway team as a substitute. Some eight teams from the Tawas area were entered.—Tawas Herald Photo.

Smear Campaign!

The old question of veterans' preference has been thrust in to the middle of the campaign for circuit judge by J. Russell Hughes, who in his own advertising, has listed his military service at length and then has pointedly asked about his opponent's lack of service.

It is not our purpose to editorialize on the bad taste and lack of propriety in such a presentation. That is evident. However, it does suggest a review of the whole problem of veterans' preference in public office.

It is an established part of our federal civil service, and we believe justly so. Military service frequently interrupted educations and youthful careers just long enough so that not a few veterans returned home and found that marriage and family prevented the completion of an education or apprenticeship. Others found promotions going to younger men and themselves out of step or left behind in the competitive conditions of their fields of work. Veterans' preference properly applied is fair compensation for this.

The public, however, is still entitled to protection and good service. No man should expect to gain office solely on the strength of military service.

In World War II, particularly, Uncle Sam took those whom he wished. Few persons of military age had any choice. And once in uniform, there were again few choices whether one was to stay in this country or go overseas to collect battle stars and purple hearts.

This being the case, military service should be regarded as only one of the minor qualifications of any candidate for office—as the 10 percent credit in civil service examinations. Which is about the same as saying, "When all other things are equal, the veteran should be preferred."

But all other things are seldom equal, and the voter should inquire into the general background, judgment and ability of those who seek their favor—especially for an office as important as that of circuit judge.

In view of the fact that one candidate has questioned the other candidate's record of military service in advertisements appearing in other publications, the publishers feel that the public should know the truth. Because of a polio-type hip injury which caused him to wear a hip and leg cast from age five through 11, Allan Miller was not accepted for military service. We feel that such statements questioning a candidate's qualifications on the grounds of military service are not consistent with the high course of conduct and high obligations of the profession, particularly for that of a prospective circuit judge.

Time for Positive Action

After the resignation last week of Cecil Cabbles as president of the Tawas Chamber of Commerce, publishers of this newspaper believe it is time for the board of directors to take positive action on this year's program—before it is too late.

We feel that immediate steps should be taken by the board to present a detailed promotional plan and 1959 program for the Tawas area—one that is workable and the budget needed to carry it out.

There have been many ideas presented during past weeks to be incorporated in a proposed expansion of promotional activities of the chamber of commerce. To our knowledge, no detailed plan has been set forth outlining these new ideas, nor has there been a detailed budget presented to finance such a program.

We feel that the board of directors should meet immediately and study all the proposals and then come up with some workable plan. If the board finds that it cannot incorporate all of these ideas into a workable program, an opinion held by many individuals, that group should pick out the best ideas and budget them accordingly for this year. Perhaps a three-year (or more) plan, with a full bill of particulars, could be outlined incorporating other ideas.

Time is running short. The summer season will soon be here, along with an important convention which has already been scheduled and the many other activities of the organization. The Tawas Chamber of Commerce needs a unity of purpose.

Missionary from India to Speak in Iosco Churches

What could sufferers from leprosy, or Hansen's disease, have to share with anyone? Miss Ruth Lee, missionary nurse, found that some of the patients from the Kothara Leprosy Hospital in India had a vital Christian faith which they shared eagerly with the people in nearby villages.

Miss Lee will tell of her experiences and show color sound film or color slides at a number of churches in the area. Wednesday evening she will be at the Hale Baptist Church; Thursday afternoon, Curtisville Baptist Church; Thursday evening, Whittemore Baptist Church; Friday evening, Lott Baptist Church, Glennie; Saturday evening with the women of the Whittemore Baptist Church, and on Sunday morning, Miss Lee will speak at both the Whittemore and Hale Baptist Churches.

Before becoming patients, many of the sufferers from Hansen's disease have known much ostracism because of their illness. Through the work of Miss Lee and her associates, these receive at Kothara not only medical help but are also introduced to the joy and hope of the Christian faith. Many accept it and participate actively in the life of the Kothara church.

Modern medical science is often able to arrest Hansen's disease and many patients return to their former homes. This is not true, however, of everyone, Miss Lee discovered. Some women have no home to which they may return. They cannot live alone for this is contrary to Indian custom. The problem of finding a place for them is often a difficult one to solve. This is also true of arrested patients who have been so crippled by Hansen's disease that they are unable to support themselves.

Before beginning her missionary service with the Conservative Baptist Foreign Mission Society of Wheaton, Illinois, Miss Lee was graduated from Wheaton College, Wheaton, and the Presbyterian Hospital, Chicago. She will return to the Kothara Leprosy Hospital after a year's furlough in the United States.

HALE SCHOOL GLEE CLUB PRESENTS EASTER CANTATA

The Easter cantata, "The Seven Last Words of Christ," presented by the Hale Area School Glee Club, and guest soloists: Mrs. Marcia Smith, soprano; Coral H. Combs, tenor; G. Fred Heisman, baritone, and piano accompanist, Mrs. Lorraine Knasel, was a success Sunday afternoon, March 22. Music director, Jerry Moore, did a fine job of arranging the music and directing the girls. The band will present its "Festival Concert," April 9, at 8:00 p. m. in the Hale Area School gymnasium.

ADVENTISTS TO HOLD COMMUNION SERVICE

The local Seventh-Day Adventist Church will hold communion service Saturday afternoon, April 4, at East Tawas. Sabbath school will begin at 2:30 p. m. and the ordinances will follow.

Adventists do not hold a "closed" communion. All who confess Christ may attend and visitors are always welcome. Pastor Herbert Alexander will officiate at the service.

CHRISTIAN SCIENCE

The importance of spiritual perception in making decisions will be emphasized at Christian Science services Sunday.

"Unreality" is the topic of the lesson-sermon. Included in the responsive reading are these verses from Matthew (7:19,20): "Every tree that bringeth not forth good fruit is hewn down, and cast into the fire. Wherefore by their fruits ye shall know them."

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy, this selection will be read: "Everything good or worthy, God made. Whatever is valueless or baneful, He did not make,—hence its unreality" (325:20-22).

The Golden Text is from Psalms (119:65,104): "Thou hast dealt well with thy servant, O Lord, according unto thy word . . . Through thy precepts I get understanding; therefore I hate every false way."

MY STATEMENT

My opponent has asked about my war record. I was not accepted for military service because of a polio-type hip injury which caused me to wear a hip and leg cast from age 5 thru age 11. I served as best I could by working night shifts in war factories and continued in school part time.

My appointment to the Federal Court Committee of the Bar Association was a result of having considerable experience in the Federal Courts. I also gained a variety of experience in the Circuit and other courts and boards of the State.

I believe you will find that MY RECORD and MY CAMPAIGN evidence that I have the experience, temperament, character, patience and training to best serve you as your Circuit Judge.

My family and I are happy to be back home. I will be pleased to serve as judge or attorney, as you may decide, to the best of my ability.

Sincerely,
ALLAN C. MILLER

To Reside in Illinois After Southern Honeymoon

MRS. NORVAL DAWSON

A beautiful church wedding was solemnized in Detroit Saturday, March 21, when Miss Donna Marie Applin exchanged marriage vows with Norval Dawson of Chicago. The bride is the daughter of Mr. and Mrs. Ernest R. Applin of Detroit, formerly of the Tawasites. The bridegroom's parents are Mr. and Mrs. Stanley Dawson Sr. of Chicago and East Tawas.

The double ring candlelight service took place at the Outer Drive Faith Lutheran Church in Detroit at 4:30 p. m. with the Rev. Theodore Daniel officiating. Large baskets of white gladioli and palms graced the altar.

The organist was the bride's aunt, Mrs. Harmon E. Boice of Ann Arbor.

The bride, given in marriage by her father, was attired in a ballerina length gown of Chantilly lace over white satin, fashioned with a scoop neckline, Empire waist and three-quarter length sleeves. Her headpiece was a band of pearls with iridescent beads which held a veil of French illusion with a scalloped edging. She carried a crescent-shaped bouquet of white roses, carnations and stephanotis with white satin ribbons.

The bride's sister, Mrs. Stanley Dawson Jr. of Oak Lawn, Illinois, was matron of honor. She wore a gown of blossom pink taffeta with scoop neckline. The overskirt was in a bouffant petal effect. She wore a headdress to match and carried a bouquet of pink-edged white carnations.

The bridesmaid was Mrs. Joseph Carver of Dell City, Texas, sister of the bridegroom. Her gown was of mint green taffeta, similar in style to that of the matron of honor. Her flowers were pale green-edged carnations.

Stanley Dawson Jr. of Oak Lawn, brother of the bridegroom, was best man. Also attending the bridegroom and seating guests were Richard and Lawrence Applin, brothers of the bride.

After the ceremony, a reception and dinner were served for about 200 guests in the church fellowship hall. The serving table was centered with an arrangement of pink and white carnations, chrysanthemums, gladioli and pink candles. The bride's table was decorated with tall white candles in candelabra and a white tiered wedding cake.

For her daughter's wedding, Mrs. Applin wore golden toast-colored lace over taffeta with white accessories, complemented by a white orchid pinned to a white beaded bag. The bridegroom's mother chose a mauve lace and chiffon gown. She also carried a beaded bag with a white orchid.

After a three-week trip to Washington, D. C., Eastern States and Florida where they will visit their grandparents, Mr. and Mrs. Clyde Collier, they will reside in Evergreen Park, Illinois.

Guests at the wedding were from Marine City, Saginaw, Flint, Bay City, Rochester, Owosso, East Tawas, Tawas City, Ann Arbor; Chicago, Oak Lawn and Evergreen Park, Illinois, and Dell City, Texas.

Tawas Herald Wants Wedding Pictures

In order to increase its coverage of area weddings, publishers of The Tawas Herald announced this week that, in the case where a photograph of the bride and bridegroom is not available, it will assign its photographer to take such pictures.

Arrangements for pictures must be made well in advance of the wedding, due to possible conflicts in times. Where conflicts in dates and times do exist, final arrangements will be left to the discretion of this newspaper.

It is emphasized that The Tawas Herald is not entering the commercial photography business. No pictures will be offered for sale. Several commercial photographers offer their services in this area and prints are usually made available to newspapers.

The reason for this new policy is due to the large number of small (often postage-stamp-size) snapshots of newlyweds which are received by this newspaper. This type of picture does not print well.

Naturally, such a free service would come on a "first come, first served" basis. In cases where dates conflict, a picture may be taken prior to the day of the wedding ceremony.

Mrs. Dibley Hostess to Group 23

Seasonal salads and program planning will be discussed at the Tuesday, April 7, meeting of Extension Group 23. Mrs. Joseph Dibley will be hostess for the meeting and 1:15 p. m. luncheon at her home, 512 Bay Street, East Tawas.

Needlecraft News by Nancy Baxter

Most little girls cherish a secret desire to be the best ballerina in the world. The glamor of the footlights . . . the thought of an applauding audience . . . the romantic costume . . . these form the fabric of many a happy young dream. Of course as adults we know there's much more to dancing a ballet than we ever imagined. But I think most of us still have a warm spot in our hearts for the old dream, and the sight of a frilly tutu is forever a symbol of romance. Perhaps this is one of the many reasons for the year-in, year-out popularity of the ruffled dolly.

AURA OF ROMANCE

The lacy dolly I'm suggesting today is designed to express the spirit and excitement of the ballet and that sentimental feeling we all have for dainty frills and ruffles—even more feminine when a woman creates them with her own hands. A variety of interesting but easy stitches comes into play to follow this beautifully geometric rose pattern. Crochet, shells, and clusters. Lover's knots—always great favorites with crocheters—make up the rest of the dolly proper, and the ruffle is in chain loops. Both are edged with a pretty shell border.

A POINTER FOR PERFECT RUFFLES

Sometimes your finishing touches are just as important as your actual crochet work. To make your ruffle stand in proud arabesque, for instance, you'll want to starch it slightly. Here's the best way to do it: starch the entire dolly with cold water elastic starch, using starch at medium strength as directed on package. Pin center of dolly out to size and press dry on wrong side; remove dolly from ironing board and press ruffle almost dry on a turkish towel; pin dolly back on board, form ruffle with hands, then pin ruffle in place and leave on board to dry. If you'd like free instructions for today's pattern, just send a stamped, self-addressed envelope to the Needlework Department of this newspaper and ask for CROCHETED DOLLY, Leaflet No. PC-9096.

THE PERCH were hitting on Tawas Bay last week-end, as was evidenced by the large number of fishermen who crowded favorite spots off-shore from the Tawas Beach Club property. Roy J. McMurray and James Lixey, at left, caught 42 perch in a matter of about two hours. Edward Lixey and his son, Thomas "Vince," speared two great northern pike, one weighing 10 pounds and the other seven pounds. Fishermen report that the ice is more than 30 inches thick and last week-end it was covered with about a foot of slush. "Nearly everyone had good luck and the fish were real dandies," said McMurray.—Tawas Herald Photo.

Library Week to be Observed by Area Library

Five thousand communities throughout the United States will be celebrating National Library Week from April 12 to 18. Posters bearing this year's slogan, "Wake Up And Read," with special exhibits of new books will be displayed at the Iosco-Arenac Regional Library's branches in Standish, Au Gres, Whittemore, Hale, Oscoda, Tawas City and East Tawas.

This program is devoted to the importance of reading in American life and to the importance of libraries. In this atomic age of missiles and rockets, it is more important than ever for people to read. Librarians are aware of the increased concern over the changing American scene by the kind of books patrons are requesting. The library can be a vital center of ideas and information for everyone and as people read more, it also is becoming a part of everyone's life. Children and adult patrons of the regional library have doubled the total circulation in 1958 and are tying their interests to the library and its services and are finding knowledge and pleasure through the printed page.

Visit the library during National Library Week and "Wake Up And Read" the new books on display. Become a part of a better informed America.

NORMAN HACKETT, WELL-KNOWN ACTOR, DEAD

Norman Hackett, well-known actor and lecturer, died recently in Detroit at the age of 84. He was a relative of Edward J. Hill of Oak Glen, East Tawas, and Detroit and of Blain and Norman Hill (his name sake) of Avalon Beach, East Tawas, and Detroit.

Norman Hackett, born in Ontario, Canada, was an actor all his life until a few years ago when he became a stage lecturer. He played in support of Louis James and Frederick Warde and with Kathryn Kidder. With these greats, he toured the United States. He made the grand tours with E. H. Sothern and Julia Marlowe. He also acted with the famous Jessie Bonstelle.

Funeral services were held at the William R. Hamilton Funeral Home and burial was in Woodmere Cemetery.

1,000 ATTEND EMANUEL HOLY WEEK SERVICES

Pastor L. W. Newman of Emanuel Lutheran Church, Tawas City, reports that for the three services of Holy Week, Maundy Thursday, Good Friday and Easter Sunday, almost 1,000 persons had attended church. This figure is by far the best attendance figure for Holy Week. Pastor Newman attributes the good attendance to the steady growth of the congregation and the renewed interest in religion in America.

Commended for Participation in Unique Program

The Michigan Legislature has commended The Tawas Herald and more than 300 other Michigan newspapers for participating in a unique industrial development advertising program.

The resolution, adopted unanimously by members of both the house and senate, paid tribute to the newspapers for publishing a year-long series of industrial development advertisements sponsored by the Michigan Press Association and Michigan Economic Development Department.

Calling it "an outstanding example of public service," the resolution said the advertisements have made Michigan residents "aware of the need for effective local industrial development programs."

"These advertisements have brought to millions of newspaper readers a better concept and understanding of industrial development and the need for participation in such local undertakings," the resolution said.

"This understanding seems certain to lead to stronger industrial development programs, to attract new industry to our state and to encourage Michigan industry to expand within our boundaries."

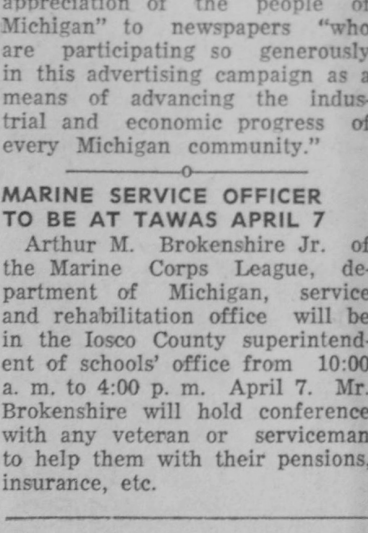

The advertising campaign will help "assure continuing progress and a greater Michigan" the resolution said.

The resolution extended "the appreciation of the people of Michigan" to newspapers "who are participating so generously in this advertising campaign as a means of advancing the industrial and economic progress of every Michigan community."

MARINE SERVICE OFFICER TO BE AT TAWAS APRIL 7

Arthur M. Brokenshire Jr. of the Marine Corps League, department of Michigan, service and rehabilitation office will be in the Iosco County superintendent of schools' office from 10:00 a. m. to 4:00 p. m. April 7. Mr. Brokenshire will hold conference with any veteran or serviceman to help them with their pensions, insurance, etc.

Smelt-Time Smiles

Fishermen and women, equipped with dip nets, dish pans, wash tubs and lanterns will soon be making their once-a-year mass migration to many of Michigan's streams and rivers. Cause for the excitement are the annual smelt runs which normally reach their peak during the frosty nights of late March or early April. In 1958 the commercial smelt catch was more than 6,000,000 pounds. The season runs from March 1 to May 31 in waters designated by the Department.
