

PAUL BROWN

Paul Brown May be Oldest Justice

When Paul Brown of Grant Township qualified for justice of the peace last week at the Iosco County Building, he became one of the oldest, if not the oldest, township board member in the State of Michigan.

The 92-year-old retired farmer was elected as justice of the peace in the April 6 spring election without opposition. His principal duty as a township officer will be to sit in on meetings of the board as there will be little activity for him as justice of the peace.

Holding a township office is nothing new for Mr. Brown. He was township highway commissioner for 10 or 12 years, although he described the job as only a "title" in his last terms. He will take over his new office in July.

The new JP was born in Germany and came to this country with his parents, Herman and Lena Brown, at the age of two years. The family settled in Rogers City, later moving to Grant Township when Paul was 12 years old.

During his early adult life, he worked in the lumber

woods for such well-known firms and lumbermen as Temple Emery, Keystone Lumber Company, S. G. M. Gates and C. H. Prescott and Sons.

Mr. Brown worked as a teamster during the lumbering days and finally settled on one of four farms which he owned during his life-time in Grant Township.

His lone absence from Iosco County came when he worked one winter as a teamster hauling logs out of the woods for the Michigan Central Railroad and another year when he worked at the C. H. Prescott farm.

Never one for "town life," Mr. Brown said he worked for about three weeks in the Emery mill at East Tawas as a cart driver. "That job was too confining for me and I returned to the woods," he declared.

At about 78 years of age, he retired from his farm. He now lives in a comfortable house trailer on Sand Lake Road, located adjacent to the residence of his sister, Mrs. Clara Smith. His brother, Charles Brown, lives on the old Brown homestead, only a short distance away.

City Finds Evidence of Septic Tank Pollution

Supt. Reginald Bublitz, in a report to the Tawas City Council Monday night, stated that an investigation on the bay side of the Tawas River mouth last week-end showed some evidence of contamination from a septic tank in that area.

Bublitz stated that he and Albert Renwick of the state health department, who acts as Tawas City's health officer, found some evidence of septic tank effluent along the shore. As yet, however, it could not be determined definitely where the drainage originated.

A request for further assistance from the state health department is to be sent to Lansing in the hope that a more intensive investigation may be made.

Numerous complaints were received in that area last summer during the hot weather.

A budget of \$55,675 for 1959-60 was read by the superintendent of public works and adopted by the council. The street committee is to meet with Bublitz to determine the amount of new street construction for this year.

The city is to advertise for bids on a new police car, in line with its past practice of replacing the police car each year. Chief George Ruth is to bring in specifications at the next meeting, subject to the approval of the purchasing committee.

Building applications approved by the department of public works during the past week were as follows:

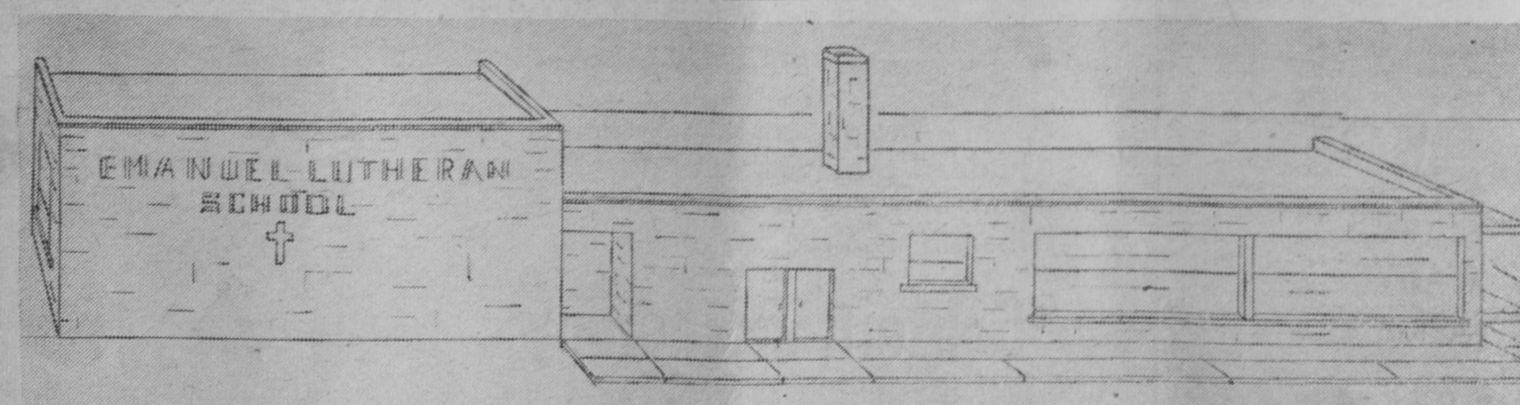

Joseph Palumbo, corner of Beech and Fir, construct new residence and garage, 31 by 85 feet, estimated cost \$12,000.

Leland Phillips, remove garage doors from a garage on West Lake Street, owned by Romie Lloyd, and replace with doors and windows for summer cottage use.

Clean-Up Days—

April 28, 29 and 30 were designated as clean-up days in Tawas City by Mayor George Tuttle and the city council. This is the time of year when the city puts all of its trucks into use as refuse collectors. All residents should take advantage of this opportunity to clean up all refuse and debris which has accumulated during the winter and dispose of it in this manner.

A request from Tawas Tube Products to erect a 12,000-gallon propane gas tank, according to state fire marshal specifications, was approved by the council.

Architect's drawing of new Emanuel Lutheran School to be constructed in Tawas City.

To Break Ground for Emanuel School

Ground will be broken Sunday, April 26, for the new Emanuel Lutheran elementary school to be located near First Avenue and North Avenue in Tawas City. A brief ceremony will be held at 11:15 following the regular Sunday morning church service.

At a meeting of the church board last week Tuesday, the low

bid of \$42,810 for general construction was accepted from Eckstein Construction Company, Tawas City.

Other bids were awarded to Frank Ahonen, heating and plumbing, \$9,100, and St. James Electric, electrical work, \$4,000. Total cost of the new school will be approximately \$59,000,

which would include painting and tile work.

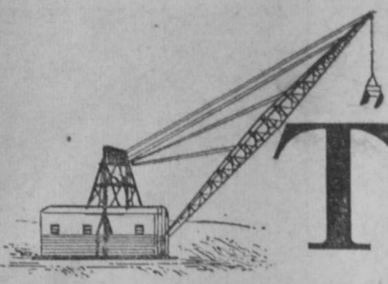

The Rev. Leonard Newman, pastor of Emanuel Lutheran Church, said Tuesday that construction work should start sometime next week.

The new school includes two class rooms, office, kitchen and large multi-purpose room to be used for young peoples meetings,

ladies aid, men's club and other congregational assemblies.

The exterior of the building is to be of brick with smooth block interior. It is hoped to complete the building for the fall term.

Members of the building committee are William Look Sr., Joseph Fox, John St. James, Frank Ahonen and Arnold Hoesbach. Mr. Look is chairman.

\$1,742,900 Increase Over Last Year—

Iosco's Valuation Set at \$22,516,980

Iosco County's new assessed valuation was set at \$22,516,980 by the board of supervisors at the conclusion of its April session Monday. This was an increase of \$1,742,900 over the valuation of last year.

Real property was set at \$18,478,555, while personal property was \$4,038,425.

Last order of business of the supervisors was the approval of its equalization committee's report. The state equalized figure for Iosco County is \$46,013,008.

State tax commission percentages for each taxing unit in the county gave an increase or "penalty" of \$23,496,028. This figure, plus the total county valuation which the supervisors brought in, results in the state equalized figure of \$46,013,008. This equalized figure is used as a base for determining taxes for school districts.

A preliminary budget of \$206,531 was adopted by the board during the session. Of this amount, \$20,000 is to be raised through fees from county offices and \$186,531 is to be raised through taxation.

Last year, a total of \$170,798 was collected through taxation. Largest proposed increase in expenditures is in direct relief which has been tentatively set at \$18,000. The 1959 allocation was \$10,000.

In other business taken up during the five-day session, the board went on record as favoring the promotion of Iosco County through the several boards of commerce in the county.

The board's finance committee recommended that if businesses in the area favor and support the proposals of the Rev. O. James Crews of the Tawas Chamber of Commerce, the board would extend financial help in advertising Iosco County in its 1960 budget.

As the result of the recommendations of the county health committee, further study is to be made on a proposed county infirmary for taking care of the aged, chronically ill and the aged senile persons.

Ausable Canoe Race May be Finished

Michigan's famous International Canoe Marathon race down the Ausable River some 240 miles from Grayling to Oscoda has been discontinued. A popular event for the past 12 years, the canoe race has attracted contestants and spectators from all points in the Midwest and Canada.

An announcement last week stated that the race was being dropped because of financial difficulties between the two sponsoring groups, the Crawford County Chamber of Commerce and Oscoda Chamber of Commerce.

Oscoda had requested that Grayling share equally in the race expense, which included \$3,050 prize money, instead of paying only one-third of the expense.

If a commercial sponsor could be found, or if a financial arrangement could be made with the two sponsors, the race would presumably be re-instated.

Resolution Sent to Senators—

Board Opposes State's Bid for Point Property

In a resolution sent to Senators Phillip Hart and Patrick McNamara, the Iosco County Board of Supervisors has gone on record as opposing any proposed acquisition of federally owned lands on Tawas Point by the Michigan Department of Conservation.

"It is the feeling of this board that with the great amount of state owned lands and the hundreds of thousands of acres owned by the federal government, including Wurtsmith Air Force Base and the present coast guard property, that this is enough non-taxable property within our county," the resolution declared.

"We feel that at least a portion of this property that is offered for sale by the United States Coast Guard should become a public picnic area and bathing

beach under supervision of the board of supervisors."

East Tawas Lions Club Names Slate of Charter Officers

The new East Tawas Lions Club elected its entire slate of charter officers at a meeting held last Tuesday night at Kohlmann's Restaurant.

Officers of the new organization are as follows: Dr. R. L. Sutton, president; Dr. Harold Jones, first vice president; Stanley Rodgers, second vice president; Wayne Pollard, third vice president; Will Peters, secretary; Raymond LeViere, treasurer.

Duane E. (Bud) Streeter, tall twister; Leonard McGee, Lion tamer; Dr. Harvey Brinkman, two-year director; Earl Hester, two-year director; William McCready, one-year director; Robert Delanora, charter presentation chairman.

Other charter members are Carlton Merschel, John Kohlmann, Robert Elliott Jr., Gerald Spencer, Gilbert "Gib" Barrett, James Campbell, John Loeffler, Arthur J. Goulet, Robert Burdick, Robert LaVoy, Clyde Gaylord, Joseph Blake.

A permanent meeting place has not been established as yet. The next regular meeting will be Tuesday, April 28, 7:30 p. m., at Kohlmann's Restaurant.

Police Investigate Three B & E's at East Tawas

Breakings and enterings of three East Tawas business places are being investigated by Michigan State Police and city officers. Entered sometime last Wednesday night were Twin Service Laundry, Marion's Dairy Bar and Nash Shoe Store. In each case, entry was made by breaking out a rear window. Money was stolen from all three stores.

Two new members were named to the water board. They are James Roach, whose term expires in 1962, and Harold Bublitz, 1960, Arthur Wendt, who had served on the board for a number of years, submitted his resignation.

Other members are Fred Musolf (ex officio as fire chief), Carl Schaefer, Cecil Cable and William Mallon.

One new member was named to the joint water commission with East Tawas. This was James Dillon, whose term expires in 1962. Other members are Howard Hatton and William Mallon.

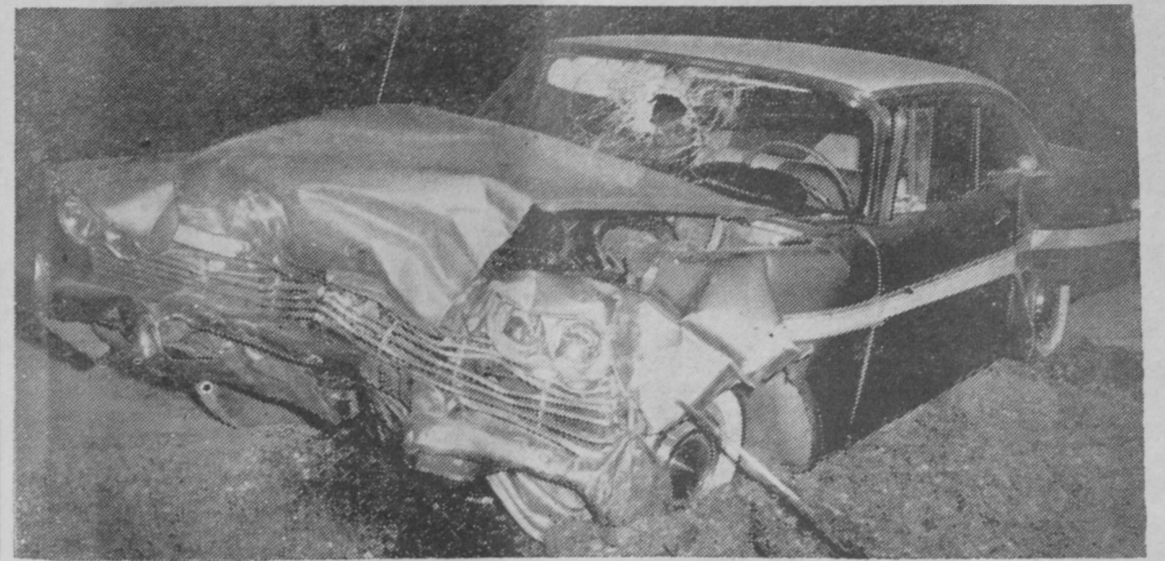

William Murray received an interim justice of the peace appointment, to fill that office until July 4 when the new justice, William McCready takes over office.

Herald Has New Flag

With this issue, The Tawas Herald has a new flag or nameplate at the top of the front page.

The new design incorporates two sketches emphasizing the importance of gypsum quarrying to Iosco County. At top left is a huge dragline at National Gypsum Company's new quarry. At right, a lake carrier is loaded at United States Gypsum Company's lake bin.

The sailboat on Tawas Bay signifies the area's important tourist and resort business.

Baby Dies from Injuries Received in US-23 Crash

A two-month-old baby girl, who was injured in a two-car collision on US-23 at the Tawas Point Road in Baldwin Township last Sunday evening, was dead on arrival at Mercy Hospital, Bay City, after being rushed there by ambulance. Four other persons were injured in the crash, including the baby's parents.

Dead is Debbie Johnson, who suffered a double skull fracture in the crash. In serious condition at Tawas Hospital is the baby's mother, Mrs. Oden Johnson, who received severe face lacerations and shock and was later released.

Also injured in the crash were Ella H. Button, Ottawas Beach, East Tawas, head lacerations, and Mrs. Gladys Butterfield, East Tawas, two fractured legs and a broken wrist.

One other person was injured as a result of the accident, although not until sometime after the crash. Raymond Langlois, 60, of B and H Service, East Tawas, was rushed to Tawas Hospital suffering from a broken arm. Mr. Langlois, who was underneath the wrecked cars attaching a chain to it in preparation for removal, was injured when another car smashed into the wreckage.

Mr. Johnson told investigating state police officers that he was headed north on US-23 when Mrs. Button, driving south, made a left turn in front of him to enter the Tawas Point Road. He said he

was unable to avoid the impending collision.

The baby was on the front seat between her parents and Mrs. Johnson was thrown against the windshield of the car on impact. Two ambulances rushed the injured victims to Tawas Hospital and the baby was taken to Bay City after receiving emergency treatment here. She died just before the ambulance reached Mercy Hospital.

Mrs. Butterfield, wife of Dale Butterfield, Baldwin Township clerk, is reported in fair condition at Tawas Hospital. Mrs. Button's injuries were not considered serious.

You Must Have Permit to Burn Grass—

Dangerous Time for Fires

Michigan State Conservation Department issued a warning this week to all residents of the county that a permit must be obtained before grass, rubbish and brush is burned.

"We have now approached the dangerous spring season for fires and your conservation department and United States Forest Service urges each and everyone to use the utmost care in the burning of rubbish, grass, brush or leaves," states Fire Officer Bert MacGregor.

"Of special concern is the commonly neglected back yard rubbish container," warns MacGregor. "Be sure it is in good condition and in safe surroundings. It is recommended that a steel oil drum be used with a wire screen covering. Discard that wire burner."

"Many bad fires can be prevented if, at first, we size up the conditions as to wind, weather and hazardous surroundings. Your conservation department asks the cooperation of all concerned to please restrict all burning after 5:00 p. m. where possible. Do not leave any fire unattended."

Fire permits are issued by: Fire Officer Bert MacGregor, phone FO 2-2313; Fire Officer Roy Milnes Jr., FO 2-5409; Conservation Officer A. G. Leitz, FO 2-3998; United States Forest Service office, FO 2-3941.

Tawas Band Gets I Rating in State Festival

Tawas Area Senior Band received an I division rating in class B at the State Band Festival at Jackson Saturday, April 18.

Judges were Charles Minelli, band director, Ohio University; Stanley Finn, Michigan State University; and David C. McCormick, Manchester College. Sight reading judge was Glenn Smith, University of Michigan. All four judges gave the band an I rating.

The I rating at a state festival is the highest honor that a band can receive. In order to enter the state festival, a band must receive an I rating at a district festival. There are 11 districts in Michigan. This is the third consecutive year that a Tawas band has qualified for the state festival. The two previous performances at state festivals were II ratings.

This year's rating was the result of excellent cooperation and lots of hard work on the part of each band member, under the supervision of Edward Rima, director.

SENIOR BAND MEMBERS at Tawas Area High School who were honored at the pre-festival concert last Thursday night are pictured above. From left to right are David Barkman, Ronald McCormick, Sherill Frank, Edward Nagy, Carolyn Evans, Frank Clark, Karen Bergeron and Darrell Lomas. All graduate this year.—Tawas Herald Photo.

Braves Open Season With 2-1 Win Over Whittemore

Tawas Area Braves opened the spring baseball season in the Northeastern Michigan Conference with a 2-0 win over Whittemore last Friday on the losers' home field.

Lefty Herman Rollin, starter

for the Braves, stifled the Cards on two hits through five innings before being replaced on the mound by Pete Bolen in the sixth inning. Rollin struck out six batters and Bolen set down two Card batters via the same route in his two innings.

Starting pitcher for Whittemore was Drzewiecki, who was charged with the defeat. He was lifted in the fourth inning in favor of Cliff.

Tawas Area batters rapped eight hits off the combined slants of the two Whittemore pitchers and were paced by Ledsworth with two singles.

Tawas scored its first run in the third inning. Bolen singled sharply to left. Rollin singled. Martin beat out a bunt for a single to load the bases. Blust struck out. Mick hit a sacrifice fly to the outfield. Bolen scoring after the catch. Rollin was nipped at third on the relay to end the inning.

In the fourth inning, Tawas scored after two men were out. Saxe walked. Ledsworth grounded out. Saxe was thrown out trying to steal second. Brackenbury singled. Sanders tripled to score Brackenbury. Bolen grounded out.

Only other threat by Tawas came in the fifth inning when both Mick and Ledsworth singled.

'Few People Need Extra Vitamins,' Says Heustis

Most healthy persons who eat adequate amounts of a variety of foods probably are wasting money and may not be helping their health when they buy supplementary vitamins and so-called food supplements, Michigan's state health commissioner said today.

Dr. Albert E. Heustis explained, "Only a few people in Michigan need more vitamins than their diets already supply. Just who these few people are is best determined by a physician.

"Indiscriminate use of extra vitamins may mask, or hide, pernicious anemia or certain other diseases, making them more difficult for the physician to diagnose and thus delaying start of treatment."

Dr. Heustis urged Michigan people to put their faith in a combination of adequate diet and regular checkups by a physician to produce good nutrition. This combination will produce better health at less cost, he said, because "people who rely on vitamin pills and food supplements may be only fooling themselves."

"The plain, unvarnished truth about nutrition and vitamins," he continued, "based on latest scientific findings, is that healthy persons get all the vitamins, minerals and other food essentials they need when they eat sufficient quantities of a good choice of foods."

"Most Michigan people already are eating sufficient quantities of a good choice of foods. So if they buy supplements, they may be wasting their money."

The following amounts of food eaten daily, plus other food used by most people in rounding out their meals, will provide all of the vitamins needed:

Milk—Children, three to four cups; teen-agers, four or more cups; adults, two or more cups; pregnant women, four or more cups; nursing mothers, six or more cups. Cheese, ice cream or other foods made from milk can replace part of the milk. Children, teen-agers and pregnant women should drink milk fortified with vitamin D.

Meat—Two or more servings of beef, veal, pork, lamb, poultry, fish or eggs, with dry beans, dry peas and nuts as alternates.

Vegetables and fruits—Four or more servings, including a citrus fruit or other fruit and vegetable that supply vitamin C. Other fruits and vegetables, including potatoes, also can be eaten. A dark green or deep yellow vegetable should be eaten every other day for vitamin A.

Breads and cereals—Four or more servings of whole grain, enriched or restored products.

Persons with physical or emotional illnesses may need different kinds and different amounts of food essentials and should consult their physician to determine what the kinds and amounts should be.

New Stamp Marks Miami University 150th Anniversary

The United States Post Office Department will issue a 12-cent Benjamin Harrison regular postage stamp, the 22nd in the Liberty series, through the Oxford, Ohio, post office on June 6. Benjamin Harrison, the 23rd president of the United States, was graduated from Miami University at Oxford and the stamp will be first placed on sale during the alumni day celebration of the 150th anniversary of the university.

This stamp is 0.75 by 0.87 of an inch in dimension, arranged vertically, printed by the rotary process, electric-ink perforated and issued in sheets of 100. The color of the stamp will be red.

The stamp will feature a likeness of Benjamin Harrison, reproduced from a photograph taken by Charles Parker. The name, Benjamin Harrison, in dark face Gothic is located to the left of the portrait while the denomination, 12c, and US Postage appear in the Gothic.

Collectors desiring first-day cancellations of the 12-cent Benjamin Harrison stamp may send addressed envelopes, together with remittance to cover the cost of the stamps to be affixed, to the Postmaster, Oxford, Ohio. An enclosure of medium weight should be placed in each envelope and the flap either turned in or sealed. Envelopes submitted should be of ordinary letter size and each must be properly addressed. An envelope must not be sent for return of first-day covers. The outside envelope to the postmaster should be endorsed "First Day Covers Benjamin Harrison stamp." Orders for covers must not include requests for uncanceled stamps.

For the benefit of collectors desiring stamps of selected quality for Philatelic use, the 12-cent Benjamin Harrison stamp will be available at the Philatelic Sales Agency, Post Office Department, Washington 25, D. C., on and after June 8. To insure prompt shipment, mail orders to the agency should include no other stamp issues. The Philatelic Sales Agency does not service first-day covers.

Entire action takes place in the lobby of the Bob Nickerson and Skid Werling Hotel and Healthatorium in Silver Springs, a summer resort in the Midwest. How the boys become involved in trying to pay off their mortgage on the hotel, try to run their love life and take care of the "Atomic Blonde" all at once turns into a full evening of fun and laughter.
The cast includes: Kenneth Lawrence, Bob Nickerson; Gloria Chippis, Oriole Byrd; Pat Sedore, Katinka Katzenpfeffer; David Goupil, Skid Werling; Dennis Fuerst, Parsimonius Jackson; John Kulhavi, Doogie Deane; Larry Gawne, Sylvester Butterfish; Johanne Snyder, Mrs. Philo Pratt; Janeen Lawson, Miss Willella Wyllie; Leonard Cole, Finchley St. John III; Jerome Drzewiecki, Gurney Maddox; Jean Abbott, Mrs. Adelaide Burkeleigh-Banks; Jane Fuerst, Doreen Burkeleigh-Banks; Leila Streeter, Betty Hartford; The Headless Haunt.
MRS. RICHARD BERTSCH HOST TO TAWAS HOME MAKERS
Mrs. Richard Bertsch was hostess to Tawas Homemakers extension group at her home Wednesday, April 15. Sixteen members and one guest were present for the open meeting.

MICHAEL MANDOCK of East Tawas is shown here with a female coyote and its eight pups which he trapped last week. He will receive \$150 in state bounty for trapping these predators. Mandock, an experienced trapper, said that it was a rare occasion when eight coyote pups were taken from the same den. He said that the male coyote made its escape from a fox trap which he had set. He states that as game animals are reduced in numbers, predators must be reduced accordingly.—Tawas Herald Photo.

Calendar:
Monday, April 27—Home Economics Extension Council meeting.
Tuesday, May 5—Home economics achievement program.
Wednesday, May 6—Landscape Workshop, Reno Township Hall.

Two items will be important on the agenda for our April 27 meeting of the home economics extension council. One is the summary of interests indicated by many of our extension group members. From among the list of interests suggested selections will be made for the 1959-60 program of activities. These include group meetings, workshops and special interest projects.
The second item is the May 5 achievement program. Planned for evening at Tawas Township Hall, this event in Iosco County is a part of the observance of National Home Demonstration Week, May 3-9. Finishing touches will be made for the occasion. Group members will arrange exhibits based on lessons, workshops and activities which have been a part of the home economics program here in Iosco County.
As a special treat, arrangements have been made to have Mrs. Richard Schroeder tell us with the aid of color slides and souvenirs about Pakistan where she lived for most of two years. She was there with her husband who was working with the point four program.
Iosco home economics groups are sponsoring this achievement event. They extend an invitation to all Iosco County homemakers and their husbands to attend.

Something new is being tried—a landscape workshop. If you are curious enough to want to see what it is and how it is done, just come along over to Reno Township Hall on Wednesday, May 6.
There you will find Reno home economics extension group members, 4-H members, members of the township board and anyone else they can line up to help. They will have on hand equipment and planting materials to carry out the "paper-plan" made with the assistance of Joseph Cox, landscape specialist at Michigan State University.
The workshop will teach the how-to-do-it of arranging and planting landscape materials. What all of us who attend and participate learn there, we can apply to improve the landscape

Spring and summer are just about the best seasons of the year to enjoy the company of your family and friends. There are so many things that you can do together—so many wonderful experiences to share. Picnics, hikes, lawn parties, outdoor barbecues are a few of the ways for everyone to have a really good time while storing up a host of beautiful memories until the next gathering.

FANCIFUL ACCESSORIES FOR SAFETY AND FOR FUN
The pot holders that you see are in the spirit of a party. They're the ideal accessories for taking hot pots of baked beans or french fries, for example, right from the barbecue nit without a worry in the world. The thickness of speed-crocheted mercerized cotton is your protection against singeing your skin. The closeness of the crochet work, in these patterns particularly, will assure even greater safety. I think it's such a comfort, especially when youngsters become enthusiastic about helping, to know that you've taken careful precautions against unhappy accidents.
TWO APPROACHES
The pot holder to the left is the traditional one that begins at the center and is worked out in rounds and rounds. I chose white, rose, green and black as my colors, because I think they suggest the tones and hues out-of-doors during the warm months. But, you can, of course, pick any shades that you like best, or experiment with colors that you've never used before. The mitt is a favorite with children, because it's easy to use. It's a project that youngsters would like very well to perfect their skillfulness at crochet. The large stitches mean that the mitt is fast working, a temptation to the most energetic child. And, the playfulness of the watermelon slices, designed with seeds and all, suggests there might be a special treat for dessert. To receive the free instructions, just send a stamped, self-addressed envelope to the Needlework Dept. of this newspaper, and ask for WATERMELON BARBECUE SET, Leaflet No. PC-9009.

One way to keep moths from making a meal on your wooleens is to use EQ-53. This chemical provides easy to use protection for all washable wooleens. Just add a few spoonfuls of EQ-53 solution to your wash or rinse water in the washing machine. This will protect your washed wooleens for a year or more if they are stored. Or, if in use, the protection will last until they are washed again or dry cleaned.
Kitchen clinics and laundry labs are being continued at Michigan State University. Families interested in remodeling or building can learn much about the selection and use of equipment by visiting either or both these events.

REAL ESTATE BROKERS SEEK NEW MEMBERS

Unaffiliated real estate brokers who meet the ethical and professional standards of the North-eastern Michigan Board of Realtors and the National Association of Real Estate Boards will receive a special invitation in April to join both groups. Mrs. Iva A. Cornelius of Spruce, chairman of the board's membership committee, said today.
By way of explanation, all real estate brokers are not members of the local real estate board, and hence, of NAREB. Possession of such dual membership entitles a broker to the designation of Realtor, the registered trademark of NAREB, and indicates that he has met the requirements of experience, competence and ethical conduct of the two organizations.
Ever since its founding in 1908, NAREB and its affiliated boards have sought to advance the real estate calling to professional status as a service to the public in the important field of buying and selling real property.
While this organization is constantly seeking to strengthen the ranks of professional real estate men and women by the admission of worthy brokers throughout the year, April has been designated as a month in which new membership is a matter of top priority. Other members of the membership committee who will assist Mrs. Cornelius in the campaign are: Clayton D. Graham, Mio; William Taylor, Alpena; George McCreery, Rogers City; Leo Lovely, Grayling.

DISTRICT DEPUTY Edward Nelkie of Tawas City, second from right, is shown being presented with a watch honoring him on his 25 years as a member of the Knights of Columbus. In the photo are, left to right: John Lahari, state advocate, St. Ignace; Lawrence Gallagher, grand knight, Ogemaw Council; the Rev. Fr. A. J. O'Toole, chaplain of the Ogemaw Council; Joseph Mainolfi, state deputy, Saginaw; Mr. Nelkie, and Alfred Lyons, state secretary, Kalamazoo.—Russell Greene Photo.

Edward Nelkie Honored by Knights of Columbus

Edward Nelkie of Tawas City was honored April 12 at day-long ceremonies in West Branch for his 25 years in the Knights of Columbus. More than 150 knights attended. Opening the program was initiation of 42 new members, a class which was designated Edward Nelkie class. They were from Pinconning, Standish, West Branch and Tawas councils. Nelkie joined the organization February 11, 1934, and was elected Grand Knight of the Tawas Council in 1949. He held that post for another term, in 1950. In 1951, he was named delegate to the National Convention and in the following year, 1952, was named district deputy, a post he has held since that time. Principal speaker at the meeting was the Rev. Fr. Aloysius O'Toole, chaplain of the Ogemaw Council, who paid tribute to Nelkie for his long years of outstanding contributions to the Knights of Columbus movement.

They served pecan pie, tea and coffee.

CHRISTIAN SCIENCE
 The ever-present light of the Christ, Truth, will be stressed at Christian Science services Sunday. Keynoting the lesson-sermon entitled "Probation After Death," is the Golden Text from Isaiah (9:2): "The people that walked in darkness have seen the great light; they that dwell in the land of the shadow of death, upon them hath the light shined." The power of this light is also brought out in selections to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy, including the following (215:12): "Whatever is governed by God, is never for an instant deprived of the light and might of intelligence and Life." Included in the Bible passages to be read is this verse from Matthew (5:16): "Let your light so shine before men, that they may see your good works, and glorify your Father which is in heaven."

20th CENTURY CLUB REVIEWS YEAR'S PROGRAM

A review of the year's program was given at a meeting of the Twentieth Century Club Wednesday, April 15. The book, "Who's Who in America," was displayed in the Tawas Area High School Library. It was presented to the library by the club in appreciation for use of the room for the past two years.

Honorary memberships were presented to Mrs. J. F. Mark and Miss Effie Graham of St. Petersburg, Florida.

The following officers were installed for the ensuing year: Mrs. R. E. Mick, president; Mrs. Elizabeth Holland, first vice president; Mrs. Walter Wiedbrauk, second vice president; Mrs. George Rice, secretary; Mrs. Harry Goodale, treasurer. Mrs. William Leslie acted as installing officer and reviewed the work of each officer. Each of the ladies was presented with a corsage.

Mrs. Mark and Mrs. Ira Horton sang an old favorite, "Sunset," accompanied by Mrs. George Leslie.

Plans were made for a pot-luck supper at the Harry Rollin cottage April 30.

BIRTHDAY CELEBRATED AT GRANDMOTHER'S HOME

Mary Lou Arp, five-year-old daughter of Mr. and Mrs. Howard Arp of Port Austin and Tawas City, celebrated her birthday at the home of her grandmother, Mrs. Louise Moeller, recently. Refreshments were served and favors presented to each guest.

Present were Dean Look, Timothy Staudacher, Sheila and Denise Wiedbrauk, Mary Catherine and Timothy Dillon, Beverly and Bubi Tucci, Dawn and Donya Rainsberger, Martin Straube, Mrs. Herbert Look, Mrs. George Staudacher, Mrs. James Dillon and Mrs. Walter Wiedbrauk.

EASTER SEAL RETURNS COMING IN SLOWLY

Reports from Isoco County Easter Seal chairman are that returns are coming in slowly. The Hale Health Council states that it is not too late to send in contributions. The council emphasizes the fact that 50 cents out of every dollar contributed is used in Isoco County. The other 50 cents goes to the national foundation for aid and research.

60 LAKE LADIES HOLD DEMONSTRATION PARTY

The ladies of 60 Lake Club and friends held a demonstration party at the clubhouse Tuesday evening, April 14. The event was successful.

Sixty Lake Club is sponsoring a mother-daughter banquet at the clubhouse on Long Lake Saturday, May 9. An entertaining program is in preparation for the event.

HALE HEALTH COUNCIL URGES POLIO VACCINE USE

The Hale Health Council urged area residents this week to protect their children and adults, as well, against paralytic polio with Salk vaccine shots.

Pointing out that Detroit had an epidemic of polio last year, the council said that studies have shown that more than half of the children under five years of age are not fully protected against polio. Three-fourths of the people 20 to 40 years old are not protected.

The health council, acting at the request of the United States Public Health Service and in cooperation with the American Medical Association and Polio Foundation, call upon residents of Isoco County to check their protection against this crippling disease.

MRS. PRISCILLA SALISBURY

Funeral services for Mrs. Priscilla Salisbury of Hale were held Thursday, April 16, at the Hale Baptist Church. Mrs. Salisbury died the previous Monday after an illness of several months.

Widow of the late Claude Salisbury, sawmill owner and operator and one-time Isoco County undersheriff, the former Miss Priscilla Humphrey was born December 14, 1886, in Saginaw. The family came to Plainfield Township from Iowa in a covered wagon 61 years ago. On April 20, 1907, she married Mr. Salisbury at Iowa.

With the exception of a few years spent at Iowa, Tawas City and Mio, they resided at Hale.

She was a member of Hale Chapter, Order of Eastern Star, and the Hale Baptist Church.

She is survived by a son, Kenneth Salisbury; a daughter, Mrs. Lloyd Springsteen, and five grandchildren, all of Hale.

The Rev. James Duthie and the Rev. Paul Sutton officiated at the funeral services. Interment was in the Evergreen Cemetery with services under the auspices of the Order of Eastern Star.

ATTEND DUV CONVENTION AT BAY CITY

How Your Family Can Survive

Listen to Conelrad, don't phone

Stockpile supplies for 14 days

Wrap, remove radioactive waste

Now is the time to prepare for disaster, not when the warning sounds. Many of the same preparedness measures would be helpful against natural disasters, like tornadoes, as well as enemy attack.

Warning of approaching natural disaster would come from newspapers, radio or television. Warning of an impending nuclear attack would be by sirens. After warning is sounded the Conelrad emergency broadcasting system comes into operation. Conelrad stations broadcast on low power on 640 and 1240 kilocycles to deny navigational aid to enemy pilots nearing our targets. Local civil defense instructions would be broadcast by Conelrad during the shutdown of regular radio and television.

THE "ALERT" signal, a steady siren or

whistle blast of three to five minutes, would mean that an attack is probable. In such emergencies, you would be expected to take action as directed by your local government. Thereupon Conelrad radio stations would broadcast local instructions.

A warbling siren tone or short whistle blasts means "Take Cover," an attack is imminent. You would be urged to seek the best available shelter, underground if possible, such as a basement, or an interior room on the ground floor. Otherwise, it would be best to lie flat on the floor wherever you are.

You can do many things to prepare for disaster:

- Use your "Handbook for Emergencies" which was prepared by the Office of Civil and Defense Mobilization and

delivered to your home last October by Boy Scouts.

- Build or improvise a home fallout shelter. An underground shelter covered by three feet of earth is excellent. A basement shelter of concrete blocks is relatively inexpensive, and would provide substantial protection except in heaviest fallout areas.
- Stock the shelter with a two-week supply of food and water. Extra, uncontaminated drinking liquids are normally available for emergencies in hot water heaters, ice cubes and bottled drinks, fresh fruits, and water-packed fruits and vegetables in cans. Most food should be cellophane-wrapped or in cans or bottles. Allow at least seven gallons of drinking liquids per person in covered containers.
- Equip your shelter with a first aid

kit, battery radio, flashlights, blankets and warm clothing. Desirable items are bunks, and longer-duration battery or hand-generator-operated lights.

- Learn basic first aid from Red Cross or civil defense training courses in your community. At least one member of each family should have this training.

THE FALLOUT danger which would follow a nuclear attack could inflict casualties in the most remote areas. Civilians should learn the facts of self-protection. Anyone exposed to radioactive dust must wash it away promptly. Food protected by cans, bottles and even cellophane would be safe to eat if the exterior were cleaned of fallout dust. Unpeeled fruit and vegetables like potatoes, if cleaned, could be eaten safely.

Why You Should Read The Herald

1. BECAUSE The Herald carries pictures and reports of what's going on in your community, county and other vital state and national news that affects the readers locally.
 2. BECAUSE it is a legal medium through which your city, township and county notices, regarding things which affect your pocketbook, are published.
 3. BECAUSE it keeps you posted on all official actions by your board of education, school administration; it reports plans of official bodies which have the authority to levy taxes against your home, business or industry.
 4. BECAUSE The Herald is your Shopping Guide, carrying the merchandising messages of bargains offered by your local stores, which saves you time and money by providing you an opportunity to prepare your shopping list in advance.
 5. BECAUSE it provides a common meeting place for every reader in your shopping area where community affairs can be discussed and ideas exchanged to benefit all.
 6. BECAUSE it sponsors, supports and boosts every worthwhile community project, including those of charitable nature giving to community leaders the aid and support which they must have in order to keep the community abreast of the times in carrying out the responsibilities of a collective or social nature.
- ANY MEMBER OF A COMMUNITY who does not read the local newspaper is sadly uninformed on: CHURCH AFFAIRS, SOCIAL EVENTS, SCHOOLS, TAXES, GOVERNMENT, POLITICS, and ALL Co-operative Community Projects.

Last - - But Not Least
The Tawas Herald carries THE NEWS about your neighbors and friends, their social activities, their happiness and their sorrow, their successes, their marriages, births and deaths, their history in the making and their dreams of happiness and success to come.

Mr. and Mrs. Dean Guest spent Sunday at the home of Mr. and Mrs. Clark Brindley.

Mrs. Edith Nunn returned last week after spending the winter in Florida. She accompanied Mr. and Mrs. Paul Labian on a trip to Mexico while she was gone and states that she thoroughly enjoyed the winter. Her daughter, Mrs. Labian, brought her home from Flint and attended the funeral of Mrs. Priscilla Salisbury.

Jack and Phyllis Slosser returned Wednesday of last week from Columbus, Georgia, where Jack has been stationed in the army. He returned on Wednesday and expects to be sent to Germany the first of May.

Mrs. Pearl Huber and son, William, went to Detroit Sunday to spend a few days with friends.

Mrs. Ruth Bowers and daughter, Bonnie, of Saginaw spent the week-end at their home here. Elaine Bowers of Bay City also spent a couple of days here.

Mrs. Pearl Wickert has been spending a few days at the Pearl Huber and Stanley Hudzinski homes. She returned on Sunday to the home of her son, William, in Tawas.

Out-of-town relatives and friends attending the funeral of Mrs. Priscilla Salisbury were Mr. and Mrs. Robert Hanline, Mr. and Mrs. Clark Holiday and Mr. and Mrs. George Patterson of Ionia; Mr. and Mrs. Clayton Cooper, Roger E. Mitchell, Mr. and Mrs. Henry Folek of Flint; Mrs. Wanda Runyan, Mrs. Agnes Johnson and Mrs. Edna Gitchell of Bay City.

The Forshee Funeral Chapel has been remodeled and enlarged. Jerry Wyatt has replaced the marquee on the front of his building which collapsed during the winter.

Mr. and Mrs. Charles Bunch of Jackson flew up for the Salisbury

funeral and spent the week-end with Mr. and Mrs. Harold Dorcey.

Mrs. Lloyd Guest and daughter, Donna, spent a few days at the Duane Guest home in Grand Rapids. Mrs. Beverly Lavrich accompanied them to Cedar Springs to spend the time with her parents, Mr. and Mrs. Badion. Mrs. Guest found her little grandson much improved. The little boy, son of Mr. and Mrs. Duane Guest, has been in and out of the hospital a good many times. Donna stayed with her brother for a visit and to help care for the baby.

A group of friends gathered at the John Harris home Friday night to extend greetings to him on his 78th birthday. The Rev. and Mrs. Dwight L. Knasel sang and played records and Mr. Harris recited "The Village Blacksmith." Mrs. Marge McClellan also recited a poem. The group sang several hymns and "Happy Birthday" to Mr. Harris. His daughter, Evelyn, had baked an attractively decorated birthday cake. Cake, ice cream and coffee were served.

Mr. and Mrs. Stanley Hudzinski and Mrs. Pearl Wickert were Thursday evening supper guests at the Arlon VanHouten home at Bass Lake.

Open house was held Saturday afternoon at the Hale branch library. The Legion ladies served coffee and cookies. About 50 adults and many children visited the library. Mrs. Bea Follette is the librarian.

Mr. and Mrs. Robert Ringle-spaugh of Chicago came Saturday to spend the week-end at the home of Mrs. Ringle-spaugh's parents, Mr. and Mrs. Glenwood Streeter.

Mrs. Donna Kupke and three daughters of Bay City came Saturday night and spent Sunday with her mother, Mrs. Vine Slosser.

The American Legion and Auxiliary met Wednesday night, April 15, with 13 members present. They voted to give the Plainfield firemen \$5 toward their aqua lung.

Emerson Wickert called his sister, Mrs. Pearl Huber, last week to tell her that his gas furnace exploded. It blew out the bathroom window and knocked the chimney off the house. He and his wife were not hurt.

Vernon Nye died recently in Florida and was buried there last Monday. He was a former resident of Rose City and his wife will be remembered as the former Victoria Nunn of Hale.

Farm Events

By **MARVIN DAVENPORT**
Iosco Agricultural Agent

Monday, April 27—Iosco, Ogemaw, Alpena and Oscoda Counties regional meeting at the Holland Hotel, East Tawas, 7:30 p. m.

Tuesday, April 28—Iosco DHIA meeting at the Charles Timreck home, 8:00 p. m.

Wednesday, April 29—Farm Bureau board of directors, Tawas Township Hall, 8:00 p. m.

Thursday April 30—Forest Festival committee meeting in the extension service conference room, East Tawas, 7:00 p. m.

Each spring the forestry department at Michigan State University receives many letters from people in the state asking about the proper way to select a small shade tree.

Karl Dressel of the Michigan State forestry department says there are two types of transplanting that you may want to do.

These are moving trees that have been growing on the property and the planting of a new tree just purchased.

The first and most important problem is the selection of a good species and a good healthy tree of that species. You should select a species that grows well in our own locality, lasts a long time and requires little yearly maintenance.

The so-called fast growing trees are usually short lived, break easily in storms and are subject to many maintenance problems. The slower growing trees take a little longer to produce shade but with good care they will often grow as fast as the so-called "fast growers."

We can transplant trees that lose their leaves in the fall any time after the frost leaves and up to the time the buds begin to leaf out.

April 30 is the deadline for applying for incentive payments on lambs and wool sold during the year ending March 31, 1959, reminds Graydon Blank, extension sheep specialist at Michigan State University.

Applications can be made at the Iosco County Agricultural Stabilization and Conservation office in East Tawas.

Sales slips on unshorn lambs and wool sold during the period April 1, 1958, through March 1, 1959, are needed when applying for the payments.

Sheepmen are urged to make application this year because payments on lambs may be as much as \$1 per hundredweight. Payment is made on lambs sold for slaughter and for feeders. Those farmers who have bought feeder lambs, however, still receive payment only on the gain put on while owned by them.

ASC records show that many farmers are failing to apply for payments on lambs although most have applied for wool payments.

In 1958, Mrs. Mary Byrd, ASC office manager, said only 57 sheepmen applied for payment. There are nearly 20 who did not.

Weed control and fertilizing your lawn go hand in hand. A dense, healthy vigorously growing turf is the most effective weed control measure for lawns.

Best way to find out just what kind of fertilizer your lawn needs for healthy growth is to have the soil tested. You can bring samples to my office and we will send it to the soils testing laboratory for a report on what kind of plant food your soil needs.

But if you fertilize your soil without testing the soil, then use a fertilizer such as: 12-6-3, 10-6-4 or 10-3-7. The amount to use depends on the kind of grass in the lawn. For red fescue, use five pounds per 1,000 square feet; for Kentucky bluegrass, use 10 pounds; for Merion bluegrass, use 20 pounds.

But even with a fertilizer program, broadleaved weeds and weed grasses may become established. In such lawns, you will need to get rid of the weed plants, then provide the seed, fertilizer, water and the care needed to produce a good turf.

4-H Clubs

By **DOROTHY SCOTT**
County Extension Agent

Calendar:

Thursday, April 23—Demonstrations Workshop.

Sunday, May 3—4-H Club Sunday.

Saturday, May 9—District 4-H Leadermete.

Here to help 4-H Club members with the plans for demonstrations will be Miss Amalie Vasold, assistant State 4-H Club leader from Michigan State University.

4-H Club members! Here is your opportunity to get ideas for a demonstration or, better still, bring the ideas and illustrative material you may now have and get suggestions about ways to use them most effectively.

It is a school night, so we want to begin early and finish early. Ask your mother or father and project leader to come with you. Come to the extension service office in the Federal Building, East Tawas. Try and be here at 7:30 p. m.

Is your 4-H Club going to observe 4-H Club Sunday on May 3? There are several ways to do it. One is for all the 4-H Club mem-

bers to attend a church service together. You can arrange ahead of time to have the minister mention you are there as a 4-H Club and why.

Another way is for members of your 4-H Club to take part in the service. We do have suggestions that can be a guide in doing this. Talk with us about them.

That 4-H "first"—a district 4-H Leadermete—is just around the corner. On Saturday, May 9, 4-H leaders and their husbands or wives will gather from seven counties—Iosco, Arenac, Gladwin, Clare, Ogemaw, Oscoda and Alcona. The place is the Wabun, near Oscoda. From 9:30 a. m. to late afternoon these folk will have fun together—getting acquainted, sharing ideas, recreation, 4-H experiences, hearing a speaker and enjoying the excellent food being planned.

Have leaders from your 4-H Club made reservations?

At 4-H Club Leaders' Council meeting last week, arrangements were made for the county achievement event on June 3 and 4. Maybe that sounds like it is quite a long way off, but it isn't really. Are you going to be ready to exhibit your projects? Will your reports be completed before that time? Will you be ready for the demonstrations and judging contests to take place as a part of the

two-day event?

Yes, indeed, there is much to be done. Do not put it off.

Dates for 4-H Club Camp are June 16-19. It is earlier than usual because we are going to a wonderful new camping place, right here in Iosco County.

What would you like to do at camp? Shoot archery, practice on the rifle range, play tennis, softball, volleyball, go hiking, learn to swim, make something in a class?

All this we can do at Camp Nissokone on VanEtan Lake where we shall be going to camp this year. You will meet 4-H Club members from Ogemaw, Oscoda and Alcona Counties; they will be camping with us.

Because camp is earlier this year, 4-H Club members will be eligible to attend if they have completed at least one project and exhibited it at the achievement event.

How about it—will you be there?

By now you have all seen the toothbrushes which 4-H Clubs are selling to earn money. The money will be used by the 4-H Leaders' Council to help with expenses of special activities, like 4-H Camp.

4-H leaders served lunch for the recent beef tour. In this way they earned money for 4-H Club activities.

Only Sunoco Custom-Blends 6 high octane gasolines to fit all cars with the exact octane they need to perform their best! 6 blends...6 prices mean savings up to 4¢ a gallon on premiums!

CUSTOM-BLENDED BLUE SUNOCO

The chart above shows how you can have snappy acceleration... instant passing power... smooth highway cruising... real premium performance without wasting your money for octane your car doesn't need.

No matter which of Sunoco's 6 great fuels fits your engine, your car will tell you, the moment you touch the pedal, that you've got a tankful of the smoothest running, finest quality fuel you've ever used!

Big power at "Regular" Price! Sunoco Custom Blend "200" means big new power for many "regular" users. It's proved higher octane than most "regular" buyers are getting anywhere else! It's higher quality... highest value!

Note Buried Tanks. From these, pump draws (A) premium quality Blue Sunoco "200", and (B) Sunoco Octane Concentrate (specially refined motor fuel). These are precisely blended by the pump to the exact blend number ordered. Approved by various governmental authorities.

Only Sunoco's 6 can fit all cars!

FEDERATED GARDEN CLUBS MET TUESDAY AT AUGRES

The seventh annual meeting of the Federated Garden Clubs of Michigan was held at the Au Gres-Sims High School Friday, April 17. "Splendor of Spring" was the theme of the meeting and was carried out in many arrangements of spring flowers, miniature hat boxes, pussy willows and forsythia. The state president, Mrs. Phyllis Evans, greeted the delegates at the morning session. Mrs. Rex Gunnell, district director, presided over the business meeting.

Reports were given by all garden clubs of district six. The noon lunch was a smorgasbord of all Swedish dishes. The menu was in the Swedish language. Following the luncheon, Mrs. Wendell Mullison, state horticultural chairman, talked on "What's New in Beautiful Flowers and Seeds Perfected." She urged all clubs to take up crab tree planting. She also stated that the apple blossom is the state flower and that the flowering beauty of apple blossoms add a great deal to the community.

Howard Knodel of the decorating staff of Fiegies Interiors of Saginaw, gave an interesting talk on new colors, fabrics and decorative furniture using many beautiful pieces of furniture, material and drapes.

Attending from East Tawas were Mrs. Lewis Besancon, Mrs. Harvey Watson, Mrs. Arthur Letz and Mrs. Frank Wilkusi.

Tri-County Eastern Star Met Friday at Harrisville

The Tri-County Association of the Arenac-Iscoco-Alcona Eastern Star Chapters was held in Harrisville Friday, April 17, with afternoon and evening sessions. Mrs. Lelia Barrington, association president of Whittemore, presided.

Mrs. Lois Giddings of Tawas City, past president, opened the meeting and Whittemore Chapter escorted the association officers. Presentation of flag was given by Grace Chapter, Omer, and the Bible presentation by Hale Chapter. Mrs. Barrington gave the president's greeting and Jean Bushy of Harrisville welcomed the guests. Marjorie Pennock of Standish responded.

Distinguished guests presented were Worthy Grand Matron Margaret Mathew of Belleaire; Associate Grand Matron Helen Gundry of Grand Blanc; Grand Representatives Blanche Carlson (to Minnesota) and Mrs. Barrington (to New Jersey); Past Grand Esther Trudy Davey of Alpena and Past Grand Martha Ruby Evans of East Tawas.

Musical selections given during the sessions were piano duets by Mrs. Giddings and Nellie Hanson of Harrisville; selections by a mixed chorus of Alcona Community High School, and a vocal duet by Bonnie Ball and Marilyn Hough, accompanied by Gloria Welton, all of Oscoda.

A skit was given by Lincoln Chapter. Mrs. Helen Hertler led community singing with Mrs. Nyda Bronson at the piano.

Dinner was served at the Methodist Church. At the evening session, the greeting was given by Vice President Milo Johnson of Harrisville. Past Grand Patron James F. Mark of Tawas City gave a tribute in memory of Florence Curtis, past president of the AIA, reviewing her life activities.

The worthy grand matron gave an address at the evening session and installed the newly-elected officers. Miss Evans was grand marshal and Minnie Roth of Lincoln was grand chaplain. Mrs. Charlotte Ashton of Oscoda was installed as AIA president. During her installation, members of Pine Tree Chapter in pastel colored gowns formed an archway of red roses which were presented to her. The worthy matron presented her with a gift from her chapter and the Rainbow Girls presented a basket of roses, as Mrs. Ashton is their mother advisor. Other officers installed are First Vice President Erna Atkins, Hale; Second Vice President C. V. Miller, Omer; Third Vice President Eleanor O'Brien, Standish; Secretary Veronica Potts, Harrisville; Treasurer Carrie Widener, Standish; Chaplain Theresa Schram, Lincoln; Marshal Frances Jackson, Whittemore, and Organist Betty Brookbank, East Tawas.
