Football Activity is Sure Sign That Fall is Near

sure sign that the season of fall is near was noted this week when Coach Howard Adams of Tawas Area High School announced dates for the start of football practice.

Physical examinations will be given to football candidates at 9:00 a. m. Tuesday, August 18. All squad candidates, both varsity and junior varsity, are to be at the high school auditorium at this time for free physicals.

However, Adams urges all football players to get their examinations from their family physicians, if possible. "The famly doctor should be more familiar with any individual physical history," he said. This is a recommended policy of authorities in health education.

Football shoes and other special protective equipment may be ordered at this time from William Tracy, athletic director.

In the evening of the same day at 7 o'clock, there will be an orientation meeting of all varsity candidates who have received letters through the mail recently from Coach Adams. This meeting will be held in room 10 of the high school.

by CHET MAHER, Manager

THE LABOR DAY WEEK END is almost here and so is a chance to get away for that final summer fling. It may be a bit crowded at hotels, motels and lodges so it's a good idea to think ahead and call ahead for

reservations. It's so easy to do. And it can save you so much trouble, too-unless you enjoy riding around until late in the day to find a vacancy sign. So remember that resolution you made last summer and phone ahead now.

HUNTING FOR THAT SPECIAL ITEM? Here's a shopping tip that will help you find your quarry and save you mileage and frayed nerves, too. Let the Yellow Pages be your guide. This handy telephone directory can help you find just who has what you want-in the right size and color and at the right price-before you even leave your house. The Yellow Pages steer you in the right direction. So keep them handy and consult them often.

THE 1960 WINTER OLYMPICS don't open until February but telephone men have been on the job at Squaw Valley, Calif., since July of last year. More than 1,200 telephones will be in service there to accommodate some 35,000 visitors a day. There's also the complex job of providing communications for press and TV coverage. Whether it's a special event like the Olympics, your everyday service or our defense needs, the telephone company works constantly to bring you the best in modern communications.

Women can never be as successful as men because they have no wives to advise them. -authoress unknown

Out-Hit by Hale but Win 14 to 7

Although out-hit 12-11 Sunday, Tawas City swamped Hale, 14-7, on the losers' home diamond. The game featured a home run, two triples and three doubles.

the first inning and gained a lead which it did not lose the Pitching Duel rest of the game, although Hale was still within striking dis-93 innings.

In the fourth inning, Tawas down and lost to Mikado, 4-3. City pushed four runs across the plate to lead, 8-3, at the end of In one of the season's best
