

Improvements to AuGres River Topic at Meeting

Edgar Shaffer, chairman of the Arenac County Board of Supervisors, reports that a meeting was held in Standish August 13, at which representatives of Arenac, Iosco and Ogemaw Counties were advised of the Corps of Engineers' plans for possible improvements to the AuGres River for improved drainage and flood control. Col. Urban W. Borech, Detroit deputy district engineer, stated that studies of the area, as indicated by congress, were nearing completion and that the purpose of the meeting was to acquaint those present with the general plan.

Colonel Borech and members of his staff explained that the plan of improvement considered most feasible consisted of channel deepening, widening and straightening. The improvement would extend from the mouth of the river at Lake Huron upstream a distance of about 11 miles to the Iosco-Arenac County line. The channel width would vary from 200 feet near the mouth of the river to 100 feet near the upper limit. Channel depths would be about four to six feet. Three bridges would require abutment reconstruction, and riprap scour protection would be required at other bridges. Work on the East Branch of the river would be limited to the construction of a weir in the culvert at Turner Road.

At the August session of the Iosco County Board of Supervisors last Wednesday, the board went on record as opposing the inclusion of Iosco County in this project. Members stated that this county's share of such a project would be too great for the amount of benefit received.

The total cost of the project is estimated at slightly over \$2,000,000 on present day price levels. Federal policy requires that about 34 percent of the cost of the channel improvement be shared by the residents of the area. This local sharing would include the cost of land acquisition, construction of new bridge abutments and a cash contribution. This does not include the cost of on-farm drainage improvements which would be necessary before full advantage of the channel improvement could be realized. Maintenance of the project after construction would be a local responsibility.

The United States Soil Conservation Service and Corps of Engineers have cooperated in analyzing the area's drainage needs. The project would pro-

vide agricultural drainage and flood control benefits to about 45,800 acres of land. This land is primarily located along the AuGres River between the mouth and the Detroit-Mackinac Railway bridge located just upstream of the Arenac-Iosco County line.

Colonel Borech stated that the Corps of Engineers was prepared to submit its report on the AuGres project to the Chief of Engineers, Washington, D. C., and eventually to the United States Congress for authorization. The report would have to include an indication of local interest in the proposed project and a statement that the area is willing to consider providing the local share of costs when the project is ready for construction. Boards of supervisors for Ogemaw, Iosco and Arenac Counties have been invited to comment on the project and local cost sharing.

Overall Water Use Up in Tawas City

During the first year of its water purchase contract with East Tawas, Tawas City has used 64,865,180 gallons of water. This is an average of 177,227 gallons consumed daily.

Supt. Reginald Bublitz reported to the water board Monday night that the peak period this summer was from June 22 to July 27 when average daily pumpage amounted to 254,980 gallons.

He said that this figure was somewhat lower than when Tawas City obtained its water supply from deep wells. As an example, he said that prior to hooking up with the East Tawas distribution system the highest daily average was 330,000 gallons.

This drop in consumption was anticipated because of the fact that water meters were installed in every residence and business place in the city. Lawn watering has also dropped this year because of adequate rain during the summer.

However, this overall consumption over the 12-month period was brought about through an increase in water customers. About 2½ miles of water main have been constructed in Tawas City in recent months.

Water shortages, which are a headache to city officials only last year, are today a thing of the past. East Tawas pumps its water directly from Tawas Bay and processes it in its new filtration plant and purification facilities. Because of booster pumps in the system, water pressure and available water has been such that the supply today exceeds the demand.

New Shoe Store to Open in Tawas City

Ivan Castagner announced Monday that his new shoe store in Tawas City would be open soon. Located in the building formerly occupied by Castagner's Restaurant, he said the store may possibly be open for business this week-end if merchandise arrives on schedule.

In any event, the grand opening of Ivan's Shoe Store will be held Thursday, Friday and Saturday, September 17, 18 and 19.

Following the recent closing of the building as a restaurant, Henry Oates, building contractor, went to work immediately with remodeling. A new brick and plate glass front was constructed. Shoe lines to be handled by the store include those of International and Peters Shoe Companies.

SCHOOL SUPERINTENDENTS TO MEET AT NEW SCHOOL

School superintendents from Arenac, Alcona and Iosco Counties are to meet at the Whittemore-Prescott Area School September 10. The meeting, at which school problems will be discussed, is being held there in honor of the opening of the new school.

POLICE RADIO KNOCKED OUT

A bolt of lightning knocked the Michigan State Police post's radio transmitter out of commission Sunday night at East Tawas. The radio equipment was repaired Monday morning.

BOWLERS TO ORGANIZE

Organizational meeting of East Tawas Friday Night Ladies Bowling League is scheduled for Friday, August 28, at 7:30 p. m. Anyone interested is welcome to attend the session at East Tawas Recreation.

Chamber's Drive for Members Moving in Record Fashion

According to a report this week by Mrs. Bertha Montgomery, office manager for the Tawas Chamber of Commerce, 148 members have paid dues of \$5.04 during the current membership drive. Included in the figure were 25 new members signed last week.

According to information on file at the chamber office, the 1959 membership campaign has surpassed that of last year. In 1958, 139 members paid dues of \$4,190.50.

As of last Saturday, dues collected were only \$928 short of the \$5,887 record collection established in 1954. That year there were 224 members.

Before the end of the membership campaign, the board of directors hopes to sign 200 or more members. A progress report was to have been made at last night's meeting.

Three Seek Damages Against Tawas City

A \$6,035 lawsuit has been filed in Iosco County Circuit Court against the City of Tawas City charging this municipality with neglect in its operation of the city-owned dump in Huron National Forest.

Wesley J. Parrott, his wife, Palara, and Amos Rebarge of East Tawas, owners of property adjacent to the dump in Baldwin Township, seek relief for damages sustained in a forest fire which allegedly started in the city dump.

The city was notified August 20 that a suit has been commenced and, if it desires, is to make its plea within 15 days.

On May 12, a forest fire burned over about 40 acres of land owned by the Parrotts and Mr. Rebarge, destroying standing timber, small trees, cut lumber and a saw mill.

In his declaration to the court, F. Duane Ross, counsel for the plaintiffs, charges that the city failed to exercise any control over the city dump to keep unauthorized members of the public from starting a fire. It was also charged that the city should have known that the weather had been unusually hot and dry and that it failed to have a guard or any equipment there to control or extinguish a fire which started.

Among the items listed in the plaintiff's bill of particulars was damage to small trees, estimated value of \$1,500; 16,000 feet of cut lumber, \$1,400; saw mill, \$1,000.

North Park Acres to Get 1,200 Feet of Water Extensions

Tawas City Water Board authorized construction of 1,200 feet of water mains in North Park Acres at its regular monthly meeting Monday night.

The city is to construct extensions to connect with existing mains. It will complete water service to 55 lots in the new subdivision. These lots are already served by sanitary sewer mains built by Elmer J. Burrell, owner, which connect with the municipal disposal system.

Supt. of Public Works Reginald Bublitz was authorized to obtain plans for the new extensions from Spicer Engineering, Saginaw. Dryer Brothers Construction Company, Midland, will be asked to bid on the project.

The board authorized purchase of a Willis Jeep from Lakeside Motor Sales for use by the department of public works and city.

Herm Nickels Crowned International Champion

Herm Nickels, 44-year-old boat builder of Fenton, won the International Lightning class sailing championship on Lake St. Clair last week. Nickels finishes were 2-14-2-11-2 to nose out Buffalo's Tom Allen, 239 points to 235.

Nickels is well known in the Tawas area, having competed for years in the annual Tawas Bay Regatta and the three district Lightning championships held on Tawas Bay.

The Fenton sailor has been a challenger in the international for some 15 years. His best previous finishes had been fifth places in 1947 and 1956.

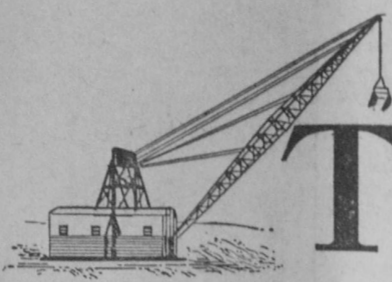

The victory earned Nickels the right to represent the United States in the Pan-American Games August 28-September 3 at Chicago. Seven races will be sailed on Lake Michigan with 21 countries competing in Lightnings.

But for a sudden wind shift during the first race of the second round of the internationals, Tawas would have had a boat up among the top leaders.

Wes Wiedrick of Detroit and Ed and Bill McKinley of Tawas Bay Yacht Club were leading the field of 33 boats when the Crescent Sail Yacht Club race committee called off the race.

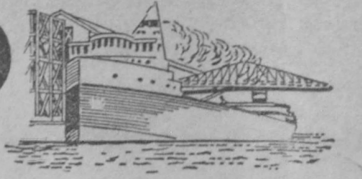

International rules demand the race be run against the wind on the first leg. The committee ruled the wind shifted before the first leg was completed. The McKinleys, who won the district race on Tawas Bay, finished in 15th place. Crewing on this boat was William Mallon.

THE B. H. SARGENT crew is shown setting steel forms Monday morning as preparations were being made to pour concrete. Rain last week-end caused a 1½-day delay as water had to be removed from the pit. Additions to Sewer Disposal Plant Under Construction

A report on the progress of construction on additions to Tawas City's municipal sewage disposal system was made at Monday night's meeting of the water board.

Supt. of Public Works Reginald Bublitz stated that B. H. Sargent, Incorporated, contractor, is moving along according to schedule on the project. However, rain last week-end prevented pouring concrete for the new Emhoff tank.

Work is scheduled for completion, according to the contract, 180 days from signing. However, provisions were made for allowance of extra time, if needed, when construction takes place in cold weather.

This work is being financed by

a \$130,000 general obligation bond issue which voters approved in an election last February. The city will also receive approximately \$30,000 in assistance from the federal government when the project is completed.

Included in the new installation will be a new Emhoff tank, sludge drying beds and laboratory. A new chlorinator, which was authorized in the proposition, is now in use in the present disposal facilities.

Registrations at Tawas Area High School are about as anticipated earlier this year by school administrators. Supt. Reynold Mick said Monday that the start of the fall term will see a slight increase in enrollment, "but it does not appear that we will have the flood of new students which we had last year at this time."

There will be a full day of school Wednesday. Lunches will be served at the high school and the Alabaster unit Wednesday. The same rate will prevail for lunches as was used last year. The cost will be \$1.25 per week or 30 cents for individual meals.

Bus routes will be essentially the same as last year. Changes that will be made on preliminary runs are as follows: Bus No. 8 will only pick up pupils on US-23, east of East Tawas.

Bus No. 1 will pick up all the pupils in the point area, including those near Butterfield's Store.

Bus No. 4 will pick up those pupils on the McArdle Road from M-55 to the Meadow Road and those on the Meadow Road

between McArdle Road and the Chambers Road in addition to last year's route. Bus No. 16 will pick up on the Chambers Road from Townline Road to M-55. This bus will pick up all pupils from McArdle Store to the Lorenz Road and in addition.

Buses No. 5 and No. 14 will pick up at Sand Lake. These routes will be the same but it is

Back to School Time at Stores

It will soon be back to school time for hundreds of Iosco County youngsters. This week's issue of The Tawas Herald contains a number of advertisements by local merchants which will be of interest to parents of school-age youngsters.

In the advertising columns of the Herald, parents may find a wide variety of merchandise which will help to get "junior" ready for school. From ready-to-wear to school supplies, you will find everything necessary for the start of another school year at these local stores.

Advertisers include: Mathews 5c to \$5 Store, East Tawas; Sally's, Tawas City; Raymond's Department Store, Tawas City; Keiser Drug Store, Tawas City; Barrett's Youth Center, East Tawas; Nash Shoe Store, East Tawas; W. A. Evans Furniture Company, East Tawas.

Band Director Ill; Concert Canceled

A band concert scheduled by Tawas Area Summer Band tonight (Thursday) has been canceled. Band Director Edward J. Rima entered Tawas Hospital Wednesday for a surgical operation.

INVESTIGATE DAMAGE OF PLATE GLASS WINDOW

Damage to a plate glass window by B-B shot in the home of Robert LaVoy, Tawas Beach Road, East Tawas, is being investigated by Iosco County Sheriff's Department officers. Damage to the window is estimated at \$100.

No Progress Yet in Strike Settlement

Anderson Coach Company officials and striking union workers met with government mediators last Thursday at the Iosco County Building in an effort to end the 23-day strike at the company's two plants. No progress on a settlement was reached.

It is expected that the government mediators will call another meeting shortly to resume talks on a settlement.

Some 94 workers, members of Millmen Local Union 2539, Carpenters and Joiners of America, AFL-CIO, walked out of the company's two mobile home plants at East Tawas August 4 in a dispute over wages. They had been working under terms of the old contract which had expired June 30.

It's Back to School Time

After three months of summer vacation, grade and high school students will return to classrooms as the fall term gets under way.

First day of school for Hale Area students will be Monday, August 31. Whittemore-Prescott Area students will start school September 1. The remaining public schools in the county, Tawas Area and Oscoda Area, will open a week later, Tuesday, September 8.

Opening of Tawas Lutheran School will be September 8, coinciding with the opening of public schools. Tuesday will see one-half day sessions with registration from 9:00 to 10:00 a. m. Church service will be held at Emanuel Lutheran Church at 10:00. Full day sessions will start September 9.

The two other parochial schools in the Tawas, Immaculate Heart of Mary School and St. Joseph's School, also will open for the fall term September

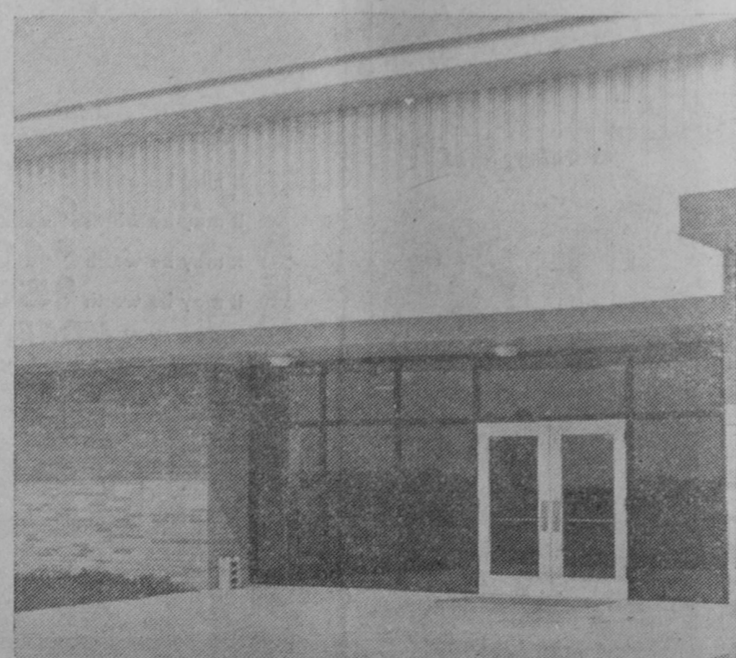

8. Immaculate Heart of Mary School will have a new principal this fall, Sister Winifred, who comes here from Bay City.

Russell A. Rollin, Iosco County superintendent of schools, reported Wednesday that there would be more than 4,000 school students in Iosco this year. He said that the figure shows a slight increase over last year. A more accurate enrollment count will be released after the first week of school.

I teach now, but I remember how I felt the day I took our little boy to school and left him there. I was wistful at the thought that someone else would be his daytime mother now, and oh, I hoped so many things that mothers always do. Right today, with bigger sizes on him, I find I feel the same.

I hope she will be pleasant, that she will make herself attractive and her room inviting so that he will feel an eagerness to go to school each day.

I hope that George will come to know her as a person, as well as an authority. If perhaps he sees her push a supermarket buggy down a thoroughfare of tile enclosed by food in tin, glass or cellophane, he will view her in a different light, for she will be away from walls on which one dares to write with chalk.

I hope that she will guide, instead of drive—that she will discipline with wisdom and teach our son control of self and thoughtful ways toward others—that when she punishes, she does not bruise his mind or body, but that she somehow makes him see he is not the object of dislike—it is the deed that he has done.

I hope when he comes rushing up, enthusiastic at discovering a fact of which he had never dreamed, that she will take the necessary minute or two to share with him, and thus increase his overflowing wonder.

I hope he will not confine her lessons to a stated page when eager trails of learning lead beyond.

I hope, too, she will have him feel the satisfaction coming from achievement at his level, whatever it is—that she will have respect for individual differences.

I hope so much she gives him consciousness of beauty, that she awakens him to those details which he might otherwise not notice. Like walking by a tree each day and seeing it as merely that—a tree and not a house or car. Instead, that he will come to see the beauty of its sweeping branches, the ruggedness of bark and gnarl, its majesty and blending of fall-time leaves with sunset colors.

And finally, I hope that she will take time, in spite of all her many chores, to know us, too, for we are the parents of this child, and all of us play major parts in shaping him.

Charles Mercer.

CHRISTIAN SCIENCE
Christ Jesus' triumph over material laws of limitation established the supremacy of God's unchangeable law.

This is a theme to be set forth at Christian Science services Sunday in the lesson-sermon entitled "Christ Jesus." Included in the Bible references to be read is the account in John (6) of Jesus' feeding of five thousand men with five loaves and two fishes.

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy the following will be read (273:21-26): "God never ordained a material law to annul the spiritual law. If there were such a material law, it would oppose the supremacy of Spirit, God, and impugn the wisdom of the creator. Jesus walked on the waves, fed the multitude, healed the sick, and raised the dead in direct opposition to material laws."

The Golden Text is from John (3:16): "God so loved the world that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life."

Two Championship Duos—1958-1957

Canoe Teams Flexing Muscles for AuSable River Championship Event

Michigan canoe racing teams are flexing their muscles during practice trials this week as preparations are being made to run the world's championship canoe race down the AuSable River over the Labor Day week-end.

This year's race holds promise of being one of the best in its 13-year history. An estimated 41 teams will start at Grayling Saturday night, September 5, and will run the course down the mighty AuSable to the finish line at Oscoda.

Two of the top teams competing again this year will be Larry Kindell and Steve Kolonich of National City and Tawas and Ralph Sawyer and Jerry Wagner, both of Oscoda.

Both of these teams are former champions of the race, the first such meeting between two former champions in the history of the marathon. Kolonich and Kindell will be defending their world's title which they won in 1958 in the record time of 16 hours, 41 minutes.

Sawyer and Wagner won the 240-mile marathon in 1957. Sawyer holds the distinction of being a two-time winner. Racing with Tom Gildersleeve in 1956, the Oscoda team set a course record of 16 hours and 51 minutes, which stood until last year.

Another team which bears watching in the annual event is the Widig Brothers, Al and LeRoy, of Holly. They were the third place winners last year.

Kolonich and Kindell are leaders this year insofar as "preliminary" races in Michigan are concerned. The defending world champions have won four out of eight races in which they have competed.

The Oscoda duo of Sawyer and

Wagner has won three Michigan races and were champions of a race in British Columbia. The Widigs have won two Michigan races this year.

Like the old saying goes in baseball, the game is not over until the last man is out—the same holds true in the AuSable River Marathon. The winner does not get the money until he crosses the finish line first. There is a lot of water between Grayling and Oscoda and anything can happen along the way.

Prescott and Worth Win NEM Play-offs

Prescott of the National Division and the American's Worth nine earned the right to meet for the overall Northeastern Michigan Baseball League crown with play-off victories last Sunday.

Prescott topped Sterling, 9-6, and Worth bounced Pinconning, 12-11.

Ken Fegan led the Prescott team to its first divisional crown, although he gave up nine hits. His teammates could collect only six bingles, but two of them were homers. A big second inning when seven Prescott batters paraded across the plate gave Fegan a cushion to work on.

MEMBERSHIP INCREASE SHOWN IN REGION 12 MEA

Region 12 of the Michigan Education Association showed an increase in both MEA and National Education Association memberships for 1958-59, according to figures just released by Mrs. Marjorie Guy, membership secretary.

At the close of the June 30 fiscal year, Region 12, Bay, Midland, Isabella, Clare, Gladwin, Arenac, Iosco, Ogemaw and Roscommon Counties, had memberships of 2,318 and 1,107 for both associations. This figure compares with 2,244 and 1,024 registered in the corresponding period one year ago.

At the close of the last fiscal year, the MEA reported 53,392 members, an increase of 2,986 compared to last year's figure.

The state showed an increase of 2,223 NEA members which numbers 20,427, Mrs. Guy said.

Needlecraft News by Nancy Baxter

A beautiful experience is one of the most precious gifts of life. In this ever-mysterious world there are endless adventures to be had, but they are available to different persons in varying degrees. You, the creative woman, for example, have a feeling for beauty that is many-sided. When you witness a beautiful scene, you do so with added sensitivity—and then you take that beauty away with you so that it becomes part of your reservoir of creative ideas.

GOLDEN WHEAT

Do you remember the first time you saw the blazing miracle of harvest time? Each season has its own summit of beauty, it's true. But I believe there is no parallel to autumn's glory just when she is about to make her grand offering to the reaper's scythe. If you have ever seen a wheat field, ready for threshing, you'll understand what I mean. Silvers of gold dancing to the wind's tune are a sight never to be forgotten—and for you, the artist, a scene to be incorporated into one of your creations.

DESIGN AND SYMBOL

Featured today is our translation of the "wheat" scene into a crochet pattern. Shown here as a runner, it's importance in your home is twofold: First, from the point of view of pure fashion, the originality of design makes it a "final touch" to an imaginative decorating scheme. Second, its theme of abundance is an important symbol in a home noted for warmth and generosity. If you would like free instructions, send a stamped, self-addressed envelope to the Needlework Department of this newspaper and ask for RIPE WHEAT RUNNER, Leaflet No. S-815.

Conscientious Objectors Require Special Procedure

The draft has been extended for four years, until July 1, 1963. This means that the young men of the country must continue to expect to serve in the military forces. This is the fifth article in a series which outlines the basic responsibilities and rights of young men under the draft law.

The draft law provides special procedures for persons claiming to be conscientiously opposed by religious training and belief to combatant duty or to all duty.

If a registrant establishes conscientious objection to combatant duty only, and is otherwise available and acceptable, he is classified in class I-A-O and may be inducted for noncombatant duty.

If a registrant establishes conscientious objection to all duty, he will be classified in class I-O and then is liable to perform civilian work in the national health, safety or interest for two years in lieu of service in the armed forces.

Special procedures to evaluate claims of conscientious objection and for assignment to civilian work are provided and are too complex and detailed to discuss here.

Local boards have a special responsibility with respect to members of the standby reserve, whether these reservists have served on active duty or not.

Standby reservists are subject to orders to active duty in the event of war or national emergency declared by congress, but only after their availability has been determined by selective service. To make that determination, local boards must obtain information from standby reservists. The boards must keep this determination current.

The next article discusses the doctor draft.

Home-canned peaches should be yellow in color—but sometimes they turn brown. It is an enzyme action and happens when peaches are not processed correctly.

Browning may occur on the surface of the pack. This is a sign there was not enough heat to destroy the fruit enzymes or the heating process was too slow.

You will seldom see this surface browning on peaches that have been hot-packed and processed correctly in a boiling water bath. The quick heating before peaches go into the jar does the trick.

If the entire jar of peaches discolors soon after canning, perhaps the peaches were over-processed. This is not likely to occur. However, it may happen when you handle too many peaches at one time, so that some are overcooked.

The case of the "disappearing socks" is your clue to action. If your child's socks disappear into his shoes as he walks, he needs larger socks.

Correct size is determined by measuring the length of your child's foot while he is standing. Add one-half inch to this measurement to get the size he needs.

For instance, if his foot measures five inches, add one-half inch. You have size 6 1/2—the size to buy.

Socks too short or socks too long can cause foot troubles. Short ones tend to bind his feet and long ones form bulky ridges inside his shoes.

Stretch hoses have become popular in recent years. Be sure it does not have to stretch too much to cover the foot. A stretch sock can bind the foot and be uncomfortable if it is too small. For this reason, stretch socks sometimes are not recommended for very young children who are growing rapidly.

When the weatherman says the day will be hot, he is warning you to be careful of what you put into lunch boxes. For very hot days, consider packing sandwiches of cured cheese, such as cheddar. It takes the heat better than meat or chopped mixtures. The use of sour pickles (really sour) and vinegar or lem-

Milk production dropped sharply in most areas of Michigan during July, according to the monthly market report of Michigan Milk Producers Association.

In the Detroit market, production during July was 17-million pounds below June. It was two-million pounds below July of 1958, marking the first time in eight years that production has fallen below the same month of a year before.

Class 1 sales, meanwhile, strengthened considerably, showing a five percent increase over last July and accounting for 66 percent of the total deliveries. The effect of lower production and higher class 1 (drinking milk) sales raised the price of base milk to \$3.99, 10 cents above June and three cents above last year in July. The average price paid for all milk delivered by dairy farmers in the

Detroit market was \$3.90. This is 15 cents above June and 10 cents above July 1958.

These prices are based on agreements negotiated by MMPA, under which the price dairies must pay for drinking milk (class 1), was \$4.363 or 65 cents more than the price specified by the federal milk marketing order. These negotiations added a total of \$674,000 to Detroit market dairy farmers' milk income.

Average income per farmer in the market, based on daily shipments of 474 pounds of milk per day, was \$551. This is \$40 lower than June because average shipments were down 67 pounds a day from a month ago but \$30 higher than last July.

Production was also off sharply in most outstate markets, with the sharpest drops occurring in Grand Rapids, Jackson and the Valley (Saginaw, Bay City, Midland and Mt. Pleasant). Upstate markets had the highest average price with \$4.44. Prices in outstate markets were: Sault Ste. Marie, \$4.35; Marquette, \$4.33; Ludington, \$4.27; Jackson, \$4.25; Muskegon and Holland-Zeeland, \$4.24; valley markets, \$4.23; Ironwood, \$4.22; Battle Creek, \$4.09; Grand Rapids, \$3.96, and Iron Mountain, \$3.62.

The number of bank checks drawn each year has increased 10 percent a year for more than a decade and by 1970, it is predicted, 22 billion checks will be processed a year.

VFW AUXILIARY PLANS MEMBERSHIP DRIVE

At the August 24 meeting of the VFW Auxiliary held at the VFW Hall, Membership Chairman Flora Roberts announced that the state was 100 percent in membership on June 30. She is starting a local project for 100 percent membership by December 31, which comprises a plan for each member to draw a name for dues by the set date.

A bake sale for September 5 at Look's Garage was discussed by Chairman Betty Shedenhelm.

The mystery package was won by Mrs. Margaret Meyers.

Lunch was served by Mrs. Shedenhelm. The next meeting of the auxiliary will be held September 14.

HONORED WITH BRIDAL SHOWER

Mrs. Gary Whitford was hostess at a bridal shower at her home last Thursday evening honoring her sister, Miss Jean Charters. Miss Charters will become the bride of Lt. Joseph Petkash at Wurtsmith Air Force Base Chapel Saturday, August 29.

Miss Charters opened many lovely gifts.

The hostess served refreshments after the social time and gift opening.

FAREWELL PARTY GIVEN DEPARTING MEMBER

Mrs. Blanche Carlson and Miss Helen Applin were hostesses Tuesday afternoon at a farewell party for Mrs. Betty Smith. Officers of Isoco Chapter, Order of Eastern Star, several friends and relatives of Mrs. Smith were present.

The guests were entertained by writing their favorite recipes which were presented to Mrs. Smith in a cedar chest recipe holder.

Refreshments were served on the lawn by the hostesses. A gift was presented to Mrs. Smith.

CLUB 13 MET WITH MRS. WALDO LESLIE

Mrs. Waldo Leslie was hostess to Club 13 at her home Thursday, August 20. Games were played and a lunch served by the hostess. Prizes were awarded to Mrs. Carl Libka, high; Mrs. Fred Landon, second; Mrs. Albert Conklin, low, and Mrs. Geraldine Smith, house prize.

IOSCO CHAPTER HONORS MR. AND MRS. JOHN SMITH

Isoco Chapter, Order of Eastern Star, held a 6:30 dinner August 20 at the Masonic Temple as a farewell for John and Betty Smith, past patron and past matron of Isoco Chapter. The Smiths are moving to Buffalo, New York.

The table seating Mr. and Mrs. Smith and their immediate relatives was centered with a pink floral arrangement in a silver bowl.

Mrs. Jane Blake, worthy matron, gave a farewell talk for the Smiths and presented them with a gift from the chapter. Mrs. Ellen Evans, with a tribute in verse, presented Mrs. Smith with a gift from the Past Matrons Club.

Robert Brookbank, master of Baldwin Lodge, presented Mr. Smith with a gift from the lodge.

Mrs. Smith also received a gift from her secret pal, Mrs. Genevieve Lomas. Mr. and Mrs. Smith responded to the tributes and presentations.

Mrs. Mary Westfall, associate matron of Tawas City Chapter, brought greetings from her chapter and wished them well in their new venture.

The Smiths have resided at East Tawas 13 years. Mr. Smith is connected with National Gypsum Company.

MR. AND MRS. LESTER KLEIN OBSERVE 25th ANNIVERSARY

The 25th wedding anniversary of Mr. and Mrs. Lester Klein of Tawas City was celebrated with a surprise party Sunday, August 23, at their home. Thirty friends and relatives from West Branch, Alpena and the Tawasess were present to help honor them. The Kleins were married August 25, 1934.

The couple was presented a service of Rogers silverware by their children and received many other gifts from their guests.

A pot-luck dinner was served in the afternoon. The table was centered with a three-tiered cake, decorated for the occasion.

Mr. and Mrs. Klein have three daughters, Patricia and Sally at home and Mrs. David Mielock of East Tawas, and a grandson, David Mielock Jr.

Married Recently at Zion Lutheran Church

The wedding of Miss Nancy Sanders of Tawas City and Roy Pfund of Bay City took place August 8 at Zion Lutheran Church, Tawas City. Parents of the couple are Mr. and Mrs. Arthur Wuggazer of Tawas City and Mr. and Mrs. Oscar Pfund of Bay City. They are making their home at Hickory, North Carolina, where both are teachers at St. Stevens Lutheran School.

Marriage Vows Solemnized at Washington, D. C.

Miss Jeanne Frances Bergeron, daughter of Mrs. Georgena Bergeron of East Tawas, was married to Bernard F. Bonchowsky recently in Washington, D. C.

The ceremony was performed in Our Lady Queen of Peace Church.

The bride was given in marriage by her uncle, James R. Hughes of Mason. She wore a rose lace gown with matching hat and carried a bridal bouquet of roses and carnations.

The bride's sister, Mrs. John B. Dakin Jr., was matron of honor. She was gowned in a natural lace dress complemented by a blue petal hat and a bouquet of pink roses and carnations.

Capt. John Dakin Jr., who is serving with the air force at Mather Air Force Base, Sacramento, California, was best man. Relatives at the wedding were from Grosse Pointe, Mason and East Tawas.

Vows Spoken at Afternoon Ceremony

Married at Jefferson Avenue Methodist Church, Saginaw, Saturday, August 15, were Miss Carole Ann Pinkerton and Harold Vincent Moldenhauer Jr. The Rev. Carl G. Adams performed the afternoon ceremony before 400 guests.

Parents of the couple are Mr. and Mrs. C. Earl Pinkerton of Saginaw, former residents of Tawas City, and Mr. and Mrs. Harold V. Moldenhauer, also of Saginaw.

The bride chose a gown of embroidered tulle over taffeta, fashioned with a scalloped stand-up collar and a fitted bodice. A full sweeping skirt flowed into a chapel length train. Her veil of silk illusion was secured with a coronet and she carried pink sweetheart roses on a white Bible.

Attending the bride were Miss Santa Reul of Lansing, maid of honor; Misses Jolynn Brozak of Grand Rapids, June Metzger of Saginaw and Joyce Towne of Midland, bridesmaids. They wore dresses of pink lace over taffeta styled with princess lines, complemented by matching accessories and bouquets of pink and white roses. Barbara Passolt was flower girl.

Gary Moldenhauer was best man for his brother. Ushers were John Hungerman and Ronald Prescott, both of Detroit, and Gerald Roethlisberger of Saginaw. Ring bearer was Mark A. Nisbet, nephew of the bride.

Mrs. Stephen Nisbet of Lowell and Miss Jean Pinkerton, sisters of the bride; Misses Nancy Grubaugh, Sharon Hartsell and Carol Domoney were assisting hostesses at the reception which followed the ceremony in the church parlors.

Upon their return from New York, the couple will reside at 625 Owen, Saginaw. The bride is a June graduate of Michigan State University and will teach at a Saginaw school this fall.

GARDEN CLUB TO MEET WITH MRS. PAUL KOEPEKE

JOHN BUSSINEAU

John Bussineau, son of Henry and Ruth Nordstrom Bussineau, formerly of East Tawas, died at Detroit last week-end. The funeral service was held Tuesday afternoon at Ferndale.

John Melvin Bussineau was born at Detroit in 1929 and was 30 years old. He was married to the former Miss Pauline Romeo in 1952. They resided at Redford and spent part of the summer seasons in East Tawas.

Surviving are his widow; two children, John Mark and Cheryl Lynn; his parents, Mr. and Mrs. Bussineau of Ferndale; two brothers, Joseph Marvin of Flat Rock and Mervin of Ferndale.

Mr. Bussineau served in the United States Marine Corps.

Dillon-Klee Wedding Held Saturday

Following a wedding trip in Northern Michigan, Mr. and Mrs. Thomas Dillon, who were married Saturday, August 22, will reside at East Tawas. The former Miss Sharon Klee of Flint and Mr. Dillon of East Tawas exchanged wedding vows in a 10 o'clock, double ring ceremony at St. Agnes Catholic Church, Flint.

Mr. and Mrs. Lester Klee of Flint are parents of the bride and the bridegroom is the son of Arthur Dillon Sr. of East Tawas and the late Mrs. Dillon.

Escorted to the altar by her father, the bride chose a floor length gown of white organza over taffeta with accents of lace. A cap of seed pearls held her veil and she carried a prayer book, topped with a white orchid and stephanotis.

Matron of honor was Mrs. Willard Dillon of Tawas City. The bride's sister, Miss Linda Klee of Flint, and Miss Joan Kontyko, also of Flint, were bridesmaids. Their dresses were of blue organza with matching picture hats, complemented by bouquets of yellow and white carnations.

Willard Dillon of Tawas City, brother of the bridegroom, was best man. Groomsman were Donald Hester and Gale Wojahn, both of East Tawas.

A reception was held at the American Legion Hall, Flint, in the evening.

Out-of-town guests attended from Detroit, Pontiac, Bay City, Mt. Pleasant and the Tawasess.

Married at First Baptist Church, Lapeer

MR. AND MRS. SAMUEL REDMOND

In an afternoon service at First Baptist Church, Lapeer, August 15, Miss Mona Kaye Klauka of Flint and Samuel Redmond of East Gary, Indiana, were united in marriage. The Rev. Louis Redmond of Cass Methodist Church, Detroit, uncle of the bridegroom, performed the ceremony. Soloist Darrel Burget of Ypsilanti was accompanied by Lawrence Westin of Flint, organist.

The bride is the daughter of Mr. and Mrs. Edward Klauka of Lapeer and Mr. and Mrs. Walter Redmond of Whittemore are parents of the bridegroom.

Given in marriage by her father, the bride was gowned in a dress of nylon over white taffeta, fashioned and made by herself. It featured short sleeves

and embroidered bodice with a scalloped Sabrina neckline. The floor length skirt was embroidered and scalloped at the bottom. Her ballerina length veil was held by a halo type headpiece of small pearls. She carried a white orchid on a white Bible and wore small pearl earrings, a gift of the bridegroom.

The bride's sister, Mrs. Donald Storey of Flint, was matron of honor. Bridesmaids were Mrs. Darrel Burget of Ypsilanti; Mrs. Lloyd Hutchison of Saginaw, sister of the bridegroom, and Miss Deanna Redmond of Mt. Pleasant, cousin of the bridegroom.

They were attired in street length dresses of blue taffeta, also made by the bride, styled with short sleeves and rounded necklines that formed a V in the

back. White gloves, gifts of the bride, and headbands of white velvet trimmed with blue flow-ers and short blue veils completed their outfits. They carried bouquets of blue and white carnations.

Attending the bridegroom were his brothers, Edward, Russel, William and James Jr., all of Whittemore.

For her daughter's wedding, Mrs. Klauka wore a navy blue lace dress with white accessories. Mrs. Redmond chose a pink linen dress with white accessories. Their corsages were of pink and white carnations.

Following a trip in Western Michigan and Indiana, Mr. and Mrs. Redmond are making their home at 736 Thompson Street, Flint.

Four Injured in Car Accident

Four persons were injured early Sunday morning when the car in which they were riding rolled over on River Road, six miles north of Foote Site village.

Injured were Thomas S. Castle, 18, East Tawas; Martin Berg, 15; William L. Westbarger, 16, both of Flint, and Elizabeth Clem, 15, of Greenbush.

Castle, the driver, suffered numerous abrasions and shock; Berg sustained a possible skull fracture and abrasions; Westbarger was treated for abrasions and contusions; Miss Clem sustained multiple contusions and possible internal injuries.

All were treated at Tawas Hospital. The accident was investigated by the Isoco County Sheriff's Department.

Alcona Community schools will meet at Oscoda. Drivers from Whittemore-Prescott Area and Arenac County schools will meet in Whittemore September 10-11.

These courses are sponsored by Central Michigan University. To be conducted by William Jakad and Charles Owens, the courses are designed to provide bus drivers with opportunity for self-improvement.

Douglas B. McDonald of Wurtsmith Air Force Base was sentenced to 90 days in the county jail, with credit for 70 days already served, for uttering and publishing.

Thomas J. Sergeant of Hazel Park was sentenced to not less than two years nor more than 15 in the State Prison of Southern Michigan for breaking and entering in the nighttime.

Given a 30-day jail sentence in the county jail was Daniel Nedwash. He was discharged from probation without improvement for failure to provide.

Several Sentenced During Term of Isoco Circuit Court

Lawrence Brockwell entered a plea of guilty to a no account check charge when arraigned before Judge Herman Dehnke in Isoco County Circuit Court. The case was referred to the probation officer for pre-sentence report.

Gene Bassi and Gerald Boger of Whittemore were placed on probation for one year for mal-

icious destruction of property. They were ordered to pay restitution to Northern Telephone Company.

ENGLE BOUND OVER TO CIRCUIT COURT

Sherwood Engle, 28, of Tawas City was bound over to circuit court when arraigned before Justice A. J. Goulet Monday. He faces charges of statutory rape and is being held under \$15,000 bond at the Isoco County Jail.

THESE "JIFFY BREADS" ARE GOOD!

It's summertime, and the living is as easy as your meal-planning ingenuity permits. Hot-weather menus including such favorites as cold fried chicken or a hearty salad will seem twice as good with the addition of quick-fix "jiffy breads." Start with quick-rised, yeast-raised bread or rolls, add a zesty spread and pop them under the broiler or into the oven.

Onion Rolls: Melt margarine or butter. Add minced green onions and saute until soft. Cut enriched, yeast-raised frankfurter rolls in half. Spoon the onion butter over them and broil until golden.

Easy-Cheesy Loaf: Cut a loaf of unsliced yeast-raised whole wheat bread in half, lengthwise. Cut each half loaf, crosswise almost through to the bottom crust, into 12 slices. Melt 3 tablespoons margarine or butter and brush it over the top of the cut halves. Combine 1 1/2 cups grated cheddar cheese, 1/2 cup chopped stuffed olives, 3 tablespoons chopped chives or onions, 1/2 cup margarine or soft butter and 1 tablespoon prepared mustard. Spread cheese mixture between each slice of bread. Place on a cookie sheet and bake until piping hot and crusty.

Zesty Slices: Cut loaf of French bread into diagonal slices, but not all the way through to bottom. Add 1/4 teaspoon seasoned salt and a pinch of garlic salt to 2 tablespoons margarine or softened butter and 2 tablespoons cream cheese. Stir in 1 tablespoon chopped parsley. Spread between slices and bake in oven until heated through.

GIVES REPORT ON TRIP TO WOLVERINE GIRLS STATE

Glen Staley Unit, No. 422, American Legion Auxiliary, held its regular meeting at the American Legion Hall, Hale, August 19. Miss Lorene Bielby gave an interesting report of her trip to Wolverine Girls State which she attended in June at Ann Arbor.

Mrs. Edward Sharp reported on the Michigan Department Convention of the American Legion Auxiliary held at Grand Rapids July 16-19. She stated that a campaign is being put on for new members for both posts and auxiliaries. The American Legion is the largest veterans organization in the United States and is influential in obtaining veterans benefits and benefits for widows and orphans of veterans of World Wars I and II and the Korean conflict. Only by membership strength can these benefits be maintained and made secure.

The next district meeting of the organization will be held September 3 at St. Helen. The regular meeting of the auxiliary will be held September 16 at the American Legion Hall, Hale.

Mr. and Mrs. Ralph Graves and family and Mrs. Amy Graves went to Pellston last Sunday afternoon to visit at the home of their brother and son, Leon Buck, and family.

The Rev. Robert Hill filled the pulpit at Hale Baptist Church Sunday morning.

Gerald Slosser returned home last Sunday from his trip to Washington, D. C. The boys enjoyed their trip very much.

Mrs. Helen Garver underwent an appendectomy at Tolfree Hospital, West Branch, last week. Her father and mother, the Rev. and Mrs. John Kerr of Bath, visited her at the hospital last Wednesday. Her mother stayed at the Garver home for a few days to care for the children.

Wesley Runyan had a heart attack last Sunday and is in Mio hospital.

Mrs. James Duthie returned from the West Branch hospital last Friday and is gaining nicely.

Mrs. Hugh Slosser was ill for a few days but is much improved. Carl Webber of Detroit, who had been at his cottage at Long Lake recently, died at the Standish hospital of a heart attack.

The Rev. James Duthie, his daughter, Joan, and Mr. and Mrs. Glenwood Streier were Friday night dinner guests at the Emil Wagner home in honor of Mr. Duthie's birthday.

Mrs. Belle Sturgis has sold her home at Long Lake and intends to make her home at Flint.

Mrs. Leona Beek and children of Bay City and Mrs. Fred Hubbs and son of Flint were visitors here last week.

Mr. and Mrs. Melvin Kupke and daughters of Bay City were visitors of Mrs. Vine Slosser last week.

Mr. and Mrs. Bruce Shattuck were Saturday evening callers at the Hugh Slosser home.

Mr. and Mrs. Charles Young and children and Mrs. Ella Anderson returned home Monday from Clawson where they had attended the wedding of their brother and son, Hugh Anderson.

Mrs. Ruth Bowers and Bonnie were at Bay City Monday.

Mr. and Mrs. Lloyd Guest received word from their son, Duane, that he is much better. He had an appendectomy a short time ago.

Friends of Glen Shultz, who died recently at Bay City, were sorry to hear of his death. He had been in the hospital due to an auto accident. He lived in Ohio, but had a cabin on M-65 and had been a summer visitor here for many years.

her children, Mrs. Cyrille Valliere and Bud Newwine of Merrill and Mrs. Ray Borchard of Caro, and their families. The Bud Newwine family brought her home and enjoyed the week-end here.

Mr. and Mrs. Robert Winchell of Dearborn spent the week-end at their cabin here.

The Clyde Wood family and Mr. and Mrs. Mark Wood of Tawas spent last week touring the Midwestern States. They were unable to view Yellowstone National Park because of the earthquake.

Mrs. John Jordan and children, Lyle and Marilee, visited Mr. and Mrs. Charles Koepke Sunday.

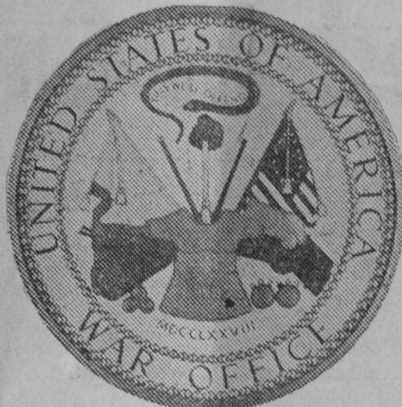

Mr. and Mrs. Charles St. James of Tawas visited her parents, the Merlin Jordans, Sunday.

Mrs. Orville Strauer and daughter, Carol, took her two grandchildren home to Pennsylvania. The Strauers' daughter, Mrs. Rassie Carswell, had a baby son recently.

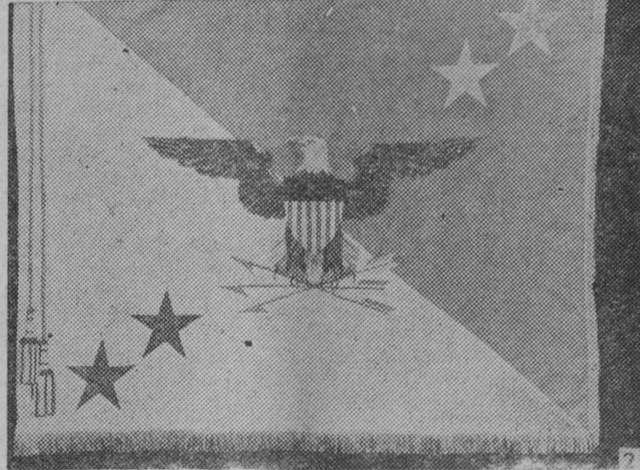

Mr. and Mrs. Matthias Jordan and daughter, Mary, of Mt. Morris visited his father, Matthias Jordan, and his brother, Michael, and family for a few days last week.

Harold Horton of Flint visited at the home of his sister, Mrs. Herbert Schroeder, Sunday evening.

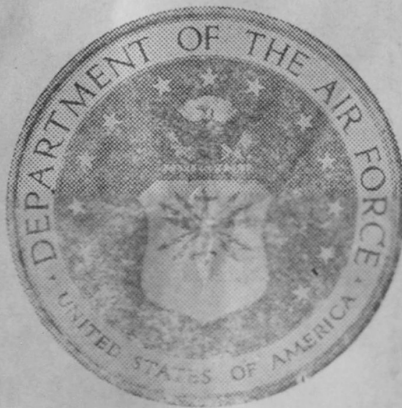

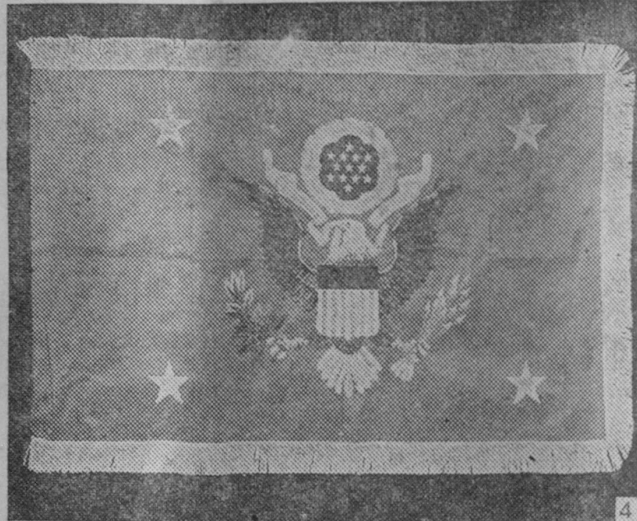

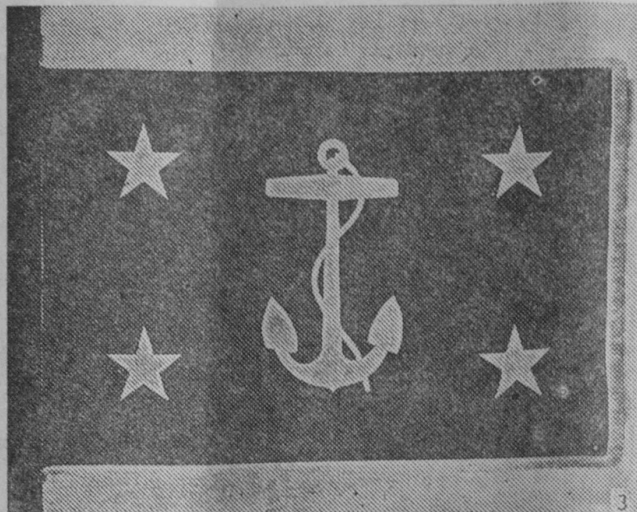

Mr. and Mrs. Ronald Grattopp and son of Standish visited her parents, Mr. and Mrs. Kenneth Pringle, and her sister, Mrs. Earl Spiker, and family Thursday evening.

U. S. HAS MANY COLORFUL FLAGS

The word flag is derived from the Anglo-Saxon "flegan," meaning "to float in the wind." Few flags that float in the wind these days are more colorful than the personal standards authorized for top military and government officials.

Some of the most colorful—and least known—of these flags are shown here. If you have been in service, you are probably familiar with a few of them. See how many you can identify without looking at the answers below. Shown in the corners are the seals of four major services.

A flag is also called a color or jack. The term standard usually applies to flags carried by mounted, mechanized and motorized troops, the word colors to the flags carried at the head of dismounted or foot troops. A jack is a small flag flown from the jack staff at the bow of a vessel.

Warships with a fleet commander aboard fly the commander's flag, and are known as flagships.

Long before flags, there were other kinds of national symbols, such as figures carved in wood, stone, or metal, mounted at the top of a pole or spear. Such standards were carried into battle by Egyptians, Hebrews, Persians, Assyrians and Romans. Flags of woven material lying free from a vertical staff are believed to have been used first by the Saracens, during the Middle Ages.

In the early months of the Revolutionary War, when our country was not yet well organized, various groups in the Continental Army displayed their own flags. One of these, unfurled in Taunton, Mass., in 1774, bore the British

jack of the same design that had been flown from the mainmast of the Mayflower, and was inscribed "Liberty and Union."

Another showed a coiled rattlesnake above the warning, "Don't Tread On Me." It was carried by the famous Minutemen in 1775. At the Battle of Bunker Hill, American troops were inspired by the Pine Tree flag, symbol of the Massachusetts Bay Colony.

The first flag representing the united colonies in revolution, with thirteen alternate red and white stripes, was raised by John Paul Jones from the deck of the ship Alfred, December 3, 1775. George Washington liked this and named it the Grand Union flag. But on the blue field, in the upper left-hand corner, instead of stars, were the crosses of Saint Andrew and Saint George.

The colonists felt a need for a national flag to symbolize their unity and independence after July 4, 1776, and so Congress passed a resolution calling for a flag of thirteen stripes, and also thirteen stars, white on a blue field. A lady of Philadelphia is credited with having suggested that the stars be five-pointed, and with having made the first flag, with the stars arranged in a circle. Her name was Betsy Ross.

ANSWERS:

- 1) Official flag, Sec. of Defense; 2) flag of Chairman, Joint Chiefs of Staff; 3) flag of Sec. of Navy; 4) flag of Sec. of Army; 5) U. S. Air Force flag; 6) flag of Chief of Staff, USAF; 7) flag of Chief of Naval Operations; 8) flag of Chief of Staff, Army.

Change of Publication Day

Beginning the first week in September, publication day of The Tawas Herald will be Wednesday morning instead of Thursday. This change is being made to facilitate week-end advertising promotions.

Your cooperation in preparing advertising and news copy early will be greatly appreciated so that the Herald may serve area residents and businessmen effectively.

To accomplish this purpose, the Herald staff and individuals who supply news items for clubs, churches and civic organizations are urged to send in information well in advance of a forthcoming event and immediately following its happening in order to bring the story to the Herald's subscribers while the item is newsworthy.

Your past assistance and cooperation has been invaluable to the Herald. Your help in this matter will be appreciated.

12 CANDIDATES GIVEN JUVENILE GRANGE DEGREES

Twelve candidates were given their degree work at the August meeting of the Whittemore Juvenile Grange. The children initiated include Joan and Suzanne Halbert, Lynn and Rodney Daniels, JoAnn Peters, James Currie, Kathy and James Bellville, Diann Ostrander, Shelly and David Siegrist and Gregory Hall.

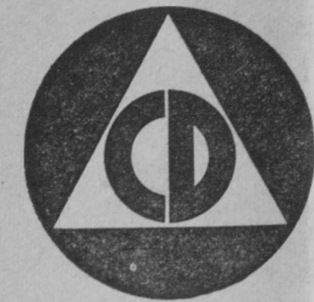

Honored guests at the meeting were subordinate home eco-

nomics committee members, Mrs. Joy Bellen, Mrs. Mina Bellville and Mrs. Blanche Cobb. Refreshments were served by the juvenile home economics committee with Chairman Marsha Bellville in charge.

An antique buggy of an 1899 fire chief was recently featured in the lobby of a New York Bank. Receptionists became so intrigued they dressed in costume to fit the period.

HOW TO SURVIVE—IF NUCLEAR WAR COMES

Substantial protection for families from radioactive fallout can now be developed through construction of simple home shelters. All of the illustrations used on this page are from "The Family Fallout Shelter," a publication of the Office of Civil and Defense Mobilization. Free copies of the booklet may be obtained by writing: Box Home Shelter, Battle Creek, Mich.

Hoegh Says Every Family Needs A Fallout Shelter

Civil and Defense Mobilization Director Leo A. Hoegh says "everyone, even those far from a likely target, would need shel-

LEO A. HOEGH ... most could be saved

ter from fallout" in the event of an enemy attack.

In the introduction to "The Family Fallout Shelter," a publication of the Office of Civil and Defense Mobilization, Mr. Hoegh says: "In an atomic war, blast, heat and initial radiation could kill millions close to ground zero of nuclear bursts. Many more millions—everybody else—could be threatened by radioactive fallout. But most of these could be saved."

Mr. Hoegh pointed out that the Federal shelter policy is based on the knowledge that most of those beyond the range of blast and heat will survive if they have adequate protection from fallout.

The OCDM booklet contains building plans for five basic fallout shelters. One is a do-it-yourself project with solid concrete blocks. Cost of the shelters ranges from \$150 to \$1500.

Copies of "The Family Fallout Shelter" may be obtained from local civil defense offices or by writing: Box Home Shelter, Battle Creek, Mich.

BANK ROBBED OF \$15

Thieves made a clean get-away last week-end after breaking into a bank in Tawas City. Missing from a glass piggy bank at the home of John Ellis, 102 Tenth Avenue, is \$15 in bills and a

quantity of small change. Iosco County Sheriff's Department is investigating.

Entrance to the Ellis home was made by prying a screen off a window. A step ladder was used to climb through the window.

FERTILIZE LAWNS NOW

The perfect lawn does not just happen and there is no such thing as self maintenance. Starting with a good seed bed and a high quality permanent grass, the grass must be fed liberally two to three times a year. There is a constant leaching of plant food, more on sandy soils and in rainy seasons.

Fertilizing now will restore a deep green color and cause roots to grow deeper and wider making the lawn thicker and crowd-

ing out weeds. Best results are obtained by applying both organic and chemical fertilizers. The best buys are the high analysis fertilizers like a 12-12-12 (36%) or 12-6-6 (24%).

The Clark Farm Store of East Tawas carries a complete line of fertilizers including 12-12-12, 12-6-6, cattle manure, sheep manure, Milorganite and peat moss. They will give fertilizer recommendations for your specific lawn conditions.

MRS. ROSE WATTS

Mrs. Rose Watts, well-known Tawas City resident, died Tuesday, August 25, at the home of her daughter, Mrs. Rollie Gackstetter.

Daughter of the late George and Elmira Culham, she was born September 19, 1873, at Galt, Ontario, Canada. In 1892, she married Joseph McCardell. Mr. McCardell died in 1905. In 1912, she married Joseph M. Watts, who preceded her in death.

Mrs. Watts was a member of the Tawas City Baptist Church, the Baptist Missionary Society and the Twentieth Century Club.

She is survived by eight children, George and Archie McCardell, Harold Watts and Mrs. Hazel Johnson, of Hazel Park, Mrs. Stella Campbell and Mrs. Olive Hansen of Gaylord, Mrs. Mina Welcome of Thousand Palms, California, and Mrs. Rose Gackstetter of Tawas City; 31 grandchildren; 46 great grandchildren; two brothers, Allen Culham of Battrum, Saskatchewan, Canada, and Leo Culham of Lethbridge, Saskatchewan; two sisters, Mrs. Ada Fahselt of Cabri, Saskatchewan, and Mrs. May Laidlaw of Tawas Township.

Funeral services will be held Friday afternoon, 1:30 o'clock at the Jacques Funeral Home and 2 o'clock at the Tawas City Baptist Church. The Rev. Charles Mercer will officiate. Interment will be in the Tawas City Cemetery.

Admit Breaking Into Several Buses at Whittemore

Two Detroit area men and a Hale man were arrested Saturday in connection with breaking into several school buses at Whittemore-PreScott Area School. A quantity of gasoline was stolen along with fire extinguishers, first aid kit and flare boxes. All but the gasoline was recovered.

Arrested were Allen H. Boughner, 22, Hale; Valere R. Ostyn, 19, and Robert C. Wilson, 21, both of Wayne.

Clarence Bellville, school custodian, found the buses had been tampered with Friday afternoon and informed police. A nearby resident reported that at about 3 o'clock Friday morning, his dog began to bark and he went out into the yard to see what was going on. He saw a car come from behind the garage and buses and headed toward M-55.

With this information, police learned that one of the night patrols from East Tawas had stopped a car at the M-65-M-55 junction early Friday morning. This car fit the description of the car which was seen at the school.

The three men were apprehended in Hale Saturday night by Iosco County sheriff's deputies and held for questioning by state police.

After questioning, the trio admitted the break-in. They are held at the Iosco County Jail.

Weather Helped to Make Exciting Races

Doubtful weather last Saturday caused one of the season's most thrilling nights of racing at the Whittemore Speedway. A very good field of fast cars gave the crowd plenty of exciting moments throughout the evening.

Because of such fast track conditions, many of the cars were uncontrollable directly in front of the grand stand where the large concrete retainer wall protects the public. The wall was well polished by the cars.

Saturday night, August 29, will once again bring a special event of the foreign built racing motorcycles at the Whittemore Speedway. Plenty of thrills will be in store as motorcycles from both Michigan and Ohio will be running along with the regular Saturday racing program of cars.

Heat events of last week were taken by Richard Backelder, West Branch; Keith Trinklein, Saginaw; Rick Zettle, West Branch. The Australian pursuit was won by Dale Barber, West Branch. Barber also won the feature race.

An added attraction of the powder puff derby of women drivers was won by Mrs. Rick Zettle of West Branch. Racing is held each Saturday evening, weather permitting. Time trials start at 7:30 p. m. and racing at 8:30 o'clock.

suggested that parents consult Henry Gage or Nathan Vincent, bus drivers in that area, for transportation information.

Bus No. 7 will start picking up pupils at the road west of Port Gypsum tramway and pick up all pupils to Tawas City.

Bus No. 12 will take fifth and sixth grade pupils from Bus No. 16 at the intersection of Chambers and Townline Roads. In addition, this bus will take fifth and sixth grade students at Ed Ulmans, Arthur Bensons, William Besseys, L. Washburns and deliver them to the Alabaster unit in the mornings. These pupils will use their regular bus run at night.

Bus No. 2 in addition to last year's route will pick up Grabows, Simons and Bischoffs on M-55.

All buses will have approximately the same time schedule as last year.

All families moving into Tawas Area School District are urged to contact the school immediately so provisions can be made for them, both in classrooms and for transportation.

CANCER FILM TO BE SHOWN AT AUXILIARY MEETING

The film, "Time and Two Women," presented by the American Cancer Society, will be shown at the next meeting of Audie Johnson Unit, American Legion Auxiliary, to be held Monday, September 7, at 8:00 p. m. Mrs. W. A. Evans has charge of the program. A physician will be present to conduct a question and answer period following the showing of the film. Women of the community are invited to attend.

The auxiliary business meeting will be held after the program. Members of Tawas City unit will be guests.
