

SANTA CLAUS made his first visit to the community last Saturday when he arrived at East Tawas aboard a fire truck. He is shown above visiting with Terese Brunelle, 2 1/2-year-old daughter of S-Sgt. and Mrs. Pierce Brunelle of Wurtsmith Air Force Base, Oscoda. Santa Claus is scheduled to make his first visit in Tawas City this Friday and Saturday when he will be in the business district from 2:00 to 4:00 p. m.—Tawas Herald Photo.

Start Third Big Week in Tawas City Bonus Days

Third big week in the Bonus Days Coupon Contest sponsored by Tawas City merchants starts today. A complete list of winners from last Saturday night is printed below.

Merchandise prizes are awarded each week to coupon contest winners at each of the 13 participating stores. Each coupon clipped from advertisements in The Tawas Herald and entered at various stores during the four-week promotion entitles the contestant to a chance on one of six 14-pound hams, compliments of the Herald, to be awarded December 22.

Prize winners last Saturday were as follows: Mrs. Fred Bublitz was the winner at Raymond's Department Store; Carol Harger won a gun set at Dobie's Toy and Hobby Shop; Ethel Ulman, a three-pound ham at G and M Market; Evelyn Anschuetz, a Hal-lite fry pan at Cabbie Hardware; Mrs. Alpha Martin, a hanging planter at Keiser's Drug Store.

Mrs. Jeanette Gingerich won a pair of lady's driving gloves at Whitfield's Department Store; Mrs. Carl Krumm, a 16-piece set of dishes at Tuttle Hardware; Mrs. Elizabeth Holland, a merchandise gift certificate at Dillon's 5c to \$1 Store. Ben Brewer won a throw rug at Barkman Outfitting Company; Lyndon W. Lee, a pair of lady's leather driving gloves at Sally's; Edward Pfeiffer, a canned ham at Brugger's Market; Mrs. Fred Ulman, three pairs of men's socks at Ivan's Shoe Store; Harvey Miller, a case of peaches at the Kroger Store.

Returned to Iosco to Face Charges

Edward W. Haessler Jr., 27, of Saginaw was returned to Iosco County last week by Michigan State Police to face a charge of larceny by conversion. He entered a plea of not guilty in justice court, waived examination and was bound over to circuit court. Police said that Stanley Lane Jr., turned a sports car over to him to enter in a show at Charleston, West Virginia. When the vehicle was not returned to him within five days, Lane signed a complaint. Haessler was apprehended in Lansing.

Parking Prohibited on Beach Road

Michigan State Police warned motorists and fishermen last week that parking was prohibited along Tawas Beach Road. Eight parking tickets were issued to violators on Thursday and three were written Friday. Last year, cars owned by fishermen which were parked along the shoulder of Tawas Beach Road caused a serious traffic hazard. "No parking" signs were placed along the entire length of the road.

During the past summer, the Iosco County Road Commission constructed a new parking lot north of Jerry's Fishing Resort which is capable of holding more than 200 cars. The lot was provided expressly for those who fish through the ice on Tawas Bay. A spokesman for the state police said Friday that the no parking zone along Tawas Beach Road would be rigidly enforced. "Last year, many complaints were received about this traffic hazard. We are taking every precaution to prevent any such recurrence this year," the police warned.

NURSERY OPERATOR TO BE PRINCIPAL SPEAKER

V. B. Shull, nursery operator from Harrisville and manager of AusSable Forest Products, will be present as a resource person for the December 14 adult tree growers course meeting. The discussion topic for this month's meeting is "The production of Evergreen Tree Seedlings." The adult education course on tree farm management was organized in November and the class will meet once each month throughout the following year. This month's class will be held in room 10 of Tawas Area High School at 8:00 p. m.

SMOKE DAMAGED

Faulty wiring in a television set was blamed for causing a fire at the Clarence Voll residence south of Oscoda last Thursday morning, report police. A considerable amount of smoke damage was caused by the time the Oscoda-AusSable Fire Department arrived.

To Inspect Progress on Sewer Plant for Fed. Aid

According to a report read during Monday night's meeting of the Tawas City Council, 70.9 percent of the addition to the municipal sewage treatment plant has been completed by Sargent Construction Company. Representatives of the federal government, state water resources commission and state health department are to make an inspection on progress at the plant December 17 for part payment of the federal grant. Approximately \$23,000 will be received at this stage of construction.

In other business, the council approved installation of seven 2,500 lumen street lights along First Avenue and one 6,000 lumen light at the M-55 and First Avenue intersection. Gordon Huck of Consumers Power Company appeared before the council and presented plans for the lighting.

A request was made to Consumers Power Company to make a survey for street lights on Bay Drive and Fifth Avenue north to M-55 and on North Street and Second Avenue to Fifth Avenue.

City Attorney Allan C. Miller reported that ordinance revisions and new ordinances were about completed. The proposed new ordinances are now ready for study by the council's committee. After study by the committee, the ordinances will be returned to the council for action.

Lapeer Supervisors Visit County Building

Members of the Lapeer County Board of Supervisors visited Tawas City Friday and made an inspection of the county building and jail. Official greeter for the county was Glenn Long, chairman of the Iosco County Board of Supervisors. Purpose of the visit was to inspect this county's governmental facilities with the possibility of incorporating structural ideas used here into a proposed new county building and jail for Lapeer County.

Heading the group from Lapeer was Lyle Stewart, county clerk. The group, which numbered between 20 and 25 persons, made the trip here by chartered bus.

MORE THAN 200 PERSONS attended the second annual Christmas concert presented by the Tawas Community Chorus Sunday evening, December 6, at Tawas Area High School. Part of the crowd which attended is shown in the foreground. The chorus is shown in the background under the direction of Richard Ferguson presenting the finale. Mrs. James Martin and Mrs. Dan Cater were soloists. Mrs. Cater was accompanied by Miss Barbara Mercer on the flute and Miss Lois Vane, pianist. Mrs. Alden Phelps was pianist for the chorus. The program met with a fine response from the audience.—Herald Photo.

Russian Roulette?

It wasn't too long ago when the cry around the Tawas was this—when is somebody going to do something about attracting industry to this community so we can keep our young people here. (You can still hear this same question.)

But, what many residents do not know is this. Today, Tawas faces the possibility of losing one of its most important industries—Anderson Coach Company, an industry which was attracted to the area in 1947, mainly through the efforts of a few local residents.

Why? An 18-week-old strike by the workers has closed the company's two plants in East Tawas. Each side has made concessions during contract talks, but are still at loggerheads. Each side feels that it has the other over a barrel.

After learning a few facts Monday, our only conclusion is this: The workers may not realize it, but they are the ones who are over the barrel—along with the entire community! There is no doubt in our mind that company officials mean it when they say they will move out of East Tawas if the men do not return to work under the company's latest offer. The company would suffer a loss in any move, but they say that economically it is not feasible to meet the union's demands, pointing to the recession of two years ago when the company was forced to layoff about 50 percent of its help because of the lack of orders. Many men will recall the days spent in the unemployment office. Production has been in spurts since that time.

Actually, when one looks at a map of Michigan, it can readily be seen that this area is not an ideal one for such type of manufacturing. All raw materials must be shipped in—all finished products must be shipped out.

We have said it before and we will say it again—a strike for this length of time is ridiculous. There can be no "winner"—the men have lost wages that can never be regained—the company has lost orders and, perhaps, even prestige in a very competitive field. Can this ever be regained?

What is even worse is this. Even if the men decide to accept the offer, can there ever again be a feeling of confidence, a feeling of mutual understanding and trust between union and management.

One thing that bothers us is the affect this strike will have on attracting any future industry to the community. If Anderson moves out, would another company risk establishing a plant here after such a recent history of labor difficulty. We doubt it.

Other factors keep popping up in this strike—allegations by the union that there is a deficiency in company supervision, which they say affects production—countercharges by management that when there is more supervision, the men walk out.

We think it is poor diplomacy when one side or the other is backed into a corner during an argument with no means of escape. Few arguments are successfully settled this way, whether in labor relations or between nations.

These are but a few of the problems which face this community today. We wish we had the answers, but we do not have them. We have listened to both sides of the question and not with a jaundiced eye. Frankly, many questions in our own minds concerning this dispute have remained unanswered.

The next few days will be important ones for the 90 or more Anderson Coach workers. We want to impress them with this fact—they are now playing a one-sided form of "Russian roulette" at this stage of the strike. They are holding a fully loaded "gun" at their temples.

Concessions have been made by the company and, if the men decided to return to work, it would not be a matter of "losing face" for the negotiating team. Let's face the facts, wages paid by Anderson Coach Company are the highest in the community—a base hourly rate of \$1.95-\$2.20-\$1.50, plus many fringe benefits and a bonus which system could work to everyone's advantage once production increases.

The workers of Anderson Coach Company should be the ones who make the final decision on this question, not out-of-town advisors. Each one should give careful consideration to the problems facing himself, the company and the town.

Four Building Applications OK'd by Tawas City DPW

Four building applications were approved by the Tawas City Department of Public Works during the past week. They were as follows:

George E. Baldwin, 17 foot by 23 foot block building on Lot 2, Block 11, Scheffler Addition, at the intersection of US-23 and M-55. Estimated cost \$2,500.

Dwight R. Gadd, 429 Spruce Street, 22 by 22 foot garage and home repair, estimated cost \$1,500.

Edward Sterling, 319 Fifth Avenue, replace porch and install new siding, estimated cost \$900.

Detroit and Mackinac Railway Company, 60 by 170 foot warehouse, estimated cost \$25,000.

Confirm Tawas as Site for Clerk's Convention

Selection of Tawas as the site for the 1960 convention of the Michigan County Clerk's Association was confirmed at the mid-winter meeting of the Michigan Assembly of County Government held last Tuesday and Wednesday in Grand Rapids.

Iosco County Clerk George A. Prescott proposed Tawas as the site of the 1960 convention at the annual meeting of county clerks held last Friday at Houghton. Dates for the 1960 confab have been set for August 16, 17 and 18.

There are some 83 county clerks in the state and Mr. Prescott said Friday that approximately 160 persons are expected to attend.

Attending the mid-winter conference of the assembly were county clerks, treasurers, registers of deeds, prosecuting attorneys, sheriffs and county school superintendents from the entire state.

County officers from Iosco who attended, besides Mr. Prescott, were Register of Deeds Albert H. Buch and Sheriff Ivan L. O'Farrell.

Each division of local government held separate meetings. Mr. Prescott was secretary of the county clerk's division and Mr. Buch gave a report on legal forms before the register of deeds' division.

Report Perch Are Biting in Tawas Bay

Ice fishermen reported good success on Tawas Bay during the past week. Many fine catches of perch were taken, most of the fish being in the 10-12 inch class.

Fishermen reported that ice in the "bight" of Tawas Bay was between five and six inches thick and best success was reported in from 10 to 12 feet of water.

ESCAPED INJURY

A 35-year-old Flint man, Joseph N. Gentlemen, escaped injury Monday morning when his car skidded on US-23 south of Tawas City and rolled over. The driver told investigating state police officers that he ran off the road, skidded around on the shoulder and then across the road to the left shoulder.

SKIDDED INTO DITCH

One person was injured when a car skidded on M-65 in Burleigh Township and rolled over into a ditch. Injured was Mrs. Shirley Robinson of Whittemore. Robert M. Robinson of Route 2, Whittemore, told investigating officers that both he and Mrs. Robinson were thrown from the car when it rolled. She sustained possible back injuries. The car was a total wreck.

George Myles Appointed Census Supervisor for 10th

George W. Myles of Tawas City has been named district supervisor for the 1960 federal population census in the 10th Congressional District, Congressman Elford A. Cederberg has announced. Mr. Myles will assume his duties in mid-January.

The census of the United States is taken every 10 years under provisions of the constitution and federal laws.

Tenth Congressional District will be divided into census areas with a crew leader in charge of each area. Enumerators, who will be required to take an examination, will work under the direction of the crew leaders and are expected to cover their respective territory in a period of from one to two weeks, depending on the size of the district. The salary for the period will be determined by the number of enumerations in the district.

Because no office facilities will be provided and final details will not be known until mid-January, persons interested in being named enumerators are urged to withhold applications until after January 1.

Following a brief training period when he enters duty, Mr. Myles will establish a census field office for the 10th Congressional District in the Federal Building, Bay City. In addition to his duties there, he will have overall charge of enumerators taking the census in the field.

The district director will make a complete tour of the 14-county area of his responsibility, acquainting authorities in the various counties with the bureau's manpower need for the 1960 census of population and housing.

Busy folks are counselors, those listeners and adjusters in the junior highs and high schools. Indeed, I often wonder that they do not grow greater ears from all their listening to problems that overflow from boys, girls and big folks, too.

Solomon's wisdom is needed here—and a professional silence as to matters strictly confidential. On gaining information, a counselor relays it only if knowledge of the situation makes for better atmosphere; thus understanding is established, replacing puzzlement or irritation.

A counselor seems at times a Mother Goose or Father Gander with goslings all in tow—or at one's heels. He has Kleenex for their tears and handshakes for successes. He even seems to serve as a curriculum magician, recommending changes to facilitate the needs of boys and girls; he lessens scheduling conflicts whenever it is possible.

Now homeroom teachers and classroom teachers counsel, too, but sometimes problems come in bigger sizes that call for more intensive solving in areas where there is privacy established for that purpose.

The problems they encounter go on and on, like taxes. Alice flounders in a college course because her family insists. Tommy cannot see why he is an exile from the room when all he did was write the same words Jane had written when she was sitting next to him.

John takes only easy courses. In spite of what his teachers say; Marie is close to tears because her mother does not let her go with Tim. Harold is victimized by family pressuring that shouts for A's when D's are indicated by his mental tests.

Agnes passes by the course de-

signed to bring improvement to her feeble reading because there is no academic credit for it. Jim is sullen with insistence that he was not impudent to Mrs. Deal; he merely answered her the way he always does his folks at home. Tom says openly he plans to run away because of all the arguing he hears. Delores cannot do her homework chores because the television blares.

Mrs. Thomas is all upset because of methods Mr. Smith is using, yet parentally she dares not voice a protest to him lest he take it out on Phyllis in demanding more of her in other ways. Jerry's mad clear through at being sent out; he merely said a word he hears; his uncle say each day.

Mary has a date with Bill but they are doubling with a couple that parks and Mary is sick with worry. Lois has her first big date but she, like Cinderella, must be back at home by 12 and what will Henry think when all the others stay much later?

Betty Lou is fond of band but tensions rise at home at practice time because the house is small, the sounds are big and tooting time away from school must be an hour long.

Jimmy knew he could not go out all week if he brought home that bad mark and so he curved the E lines into a bulging B. Mrs. Wakefield feels that Linda's mark in English is unfair and wishes an appointment with the teacher.

So the problems go—and through it all the telephone is indispensable; dedicated both to voice and ear, it sits on desk, the way a teacher never should and carries messages between the world of here and there. For like the counselor, it is truly helpful as an agency in meeting needs.

Today's MEDITATION

The Upper Room

Read Luke 1:76-79

Unto you that fear my name shall the Sun of righteousness arise with healing in his wings. (Malachi 4:2)

In the northern part of Norway during the winter, the sun for some time does not rise over the horizon. Later, the people begin to look for it to become visible again. They see day by day how the sunshine on the mountain peaks comes farther and farther down. Then, one day they say, "Today the sun is coming!" They walk up the nearest hill to meet it and have the first beams of the sun to shine directly upon them.

The prophet, Malachi, told his people of the coming Messiah. Like a rising sun, He would bring hope and salvation. Malachi encouraged them not to lose heart. The time of darkness seemed long but God would keep His promise to send a Saviour.

At times we may lose heart when we realize the darkness of evil. But also to us comes the message of hope and light. Christ, the rising sun of righteousness, has healing power for all the wounds of sin and sorrow. At Christmastime, we can rejoice and say that Christ our Saviour has come and we can feel the warmth of His radiant love.

PRAYER

"Our Father, grant us to look forward to Christmas. It reminds us of the coming of our Saviour. We thank Thee for the promises of His coming as foretold by Thy prophets, and for the fulfillment of those promises in Jesus our Lord. In His name we pray. Amen."

PROGRAM ON NATIVITY SCENES GIVEN

A program on Nativity scenes in different countries was given by Mrs. Charles Anson at the December 3 meeting of Tawas City Methodist W.S.C. The program followed a pot-luck dinner and birthday bank, which is in observance of the birth of Christ.

Mrs. George Liske, president, had charge of the business session. Devotions were given by Mrs. Reynolds Mick.

Mrs. Robert Dakin and Mrs. James Ewer were hostesses.

Hanson Book Store at East Tawas has been discontinued. Mrs. Hanson plans to spend the winter with her son, Eugene, at Jackson.

Clark Kerr of the Taft school has been elected president of the Michigan Rural Teachers Association.

December 9, 1949—The Detroit and Mackinac Railway has petitioned for the abandonment of the two remaining passenger trains on the road.

Mr. and Mrs. Arnold Kuerbitz were week-end visitors at Bay City.

Mr. and Mrs. Earl Davis were Saturday and Sunday visitors at Saginaw.

Frank Goodrow of Hale is hauling Christmas trees to Detroit.

Mr. and Mrs. Fred Morin of Whittemore are at Tampa, Florida.

Missionary to Korea Will Speak Friday Evening

The Rev. Lyle Phillips, missionary to Korea, will speak at the local Assembly of God Church, 7:30 p. m., Friday, December 11.

Mr. Phillips has recently been appointed by the Assembly of God Churches to serve as a missionary in Korea. He will be an instructor in the national worker's training center located in the capital city of Seoul and will also be engaged in an evangelistic ministry.

Assembly of God missionaries first went to Korea in 1952. Today, there are 25 organized churches, a number of preaching points and a church membership of 2,400. The Sunday schools have an enrollment of 4,000.

The training center at Seoul was one of the first major projects of the young church. There are currently 35 students enrolled in the school where Mr. Phillips will be ministering.

Both Mr. and Mrs. Phillips attended Central Bible Institute, Springfield, Missouri. They have also been engaged in evangelistic and pastoral ministry in Michigan. Mr. Phillips served as an official in the Assembly youth organization.

They will be leaving for Korea in a few months accompanied by their 10-year-old daughter, Linda.

The Rev. George Krish, pastor of the East Tawas Assembly of God Church, cordially invites the public to hear the challenge of the Far East.

EPISCOPAL CHURCHWOMEN NAME OFFICERS

Nominating committee of Episcopal Churchwomen's Organization, East Tawas, presented a slate of officers for the coming year at the regular monthly meeting of the organization Monday, November 30. Named and approved were Mrs. L. G. McKay Jr., president; Mrs. John Dunnill, vice president; Mrs. Elwood Heriman, secretary; Mrs. Norman Merschel, treasurer.

Mrs. McKay had charge of the business session. Devotions were given by Mrs. C. B. Cox.

Refreshments were served after the meeting by hostesses, Mrs. George Rose, Mrs. Steven Peterson and Mrs. Paul Sutton. Mrs. John Watkins presided at the tea table which was decorated in the Christmas motif.

The meeting was held at Christ Episcopal Church rectory.

CHRISTIAN SCIENCE

Man's God-given safety and protection will be stressed at Christian Science services this Sunday.

Keynoting the lesson-sermon on the subject, "God the Preserver of Man," is the Golden Text from the King James Version of the Bible: "The Lord is good, a strong hold in the day of trouble; and he knoweth them that trust in him" (Nahum 1:7).

Citations to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include (387:27): "The history of Christianity furnishes sublime proofs of the supporting influence and protecting power bestowed on man by his heavenly Father, omnipotent Mind, who gives man faith and understanding whereby to defend himself, not only from temptation, but from bodily suffering."

33 Americans Die Every 24 Hours in Liquor-Auto Accidents

Every 24 hours 33 Americans die on the highway as a result of drinking and driving.

Every 30 hours in Michigan, one dies and 15 are injured in accidents involving a driver who had been drinking.

These are the known statistics on drinking drivers. They are considered to be the minimum indications of the problem posed by drinking and driving. They are minimum because of the inadequacies of reporting, the difficulties of identification and the problems of conviction involved in "drinking and driving" situations.

That is why the Michigan Association of Chiefs of Police in their "Unwanted Driver" program are calling attention to the drinkard as third on their list of problem drivers. The known record of the drinkard in Michigan last year was 291 killed, 4,428 injured. The unknown record of the drinkard may be 10 times greater.

Fifteen thousand police posters devoted to the drinkard went up recently all over Michigan.

Police Chief George Ruth of Tawas City pointed out that the

problem with the drinkard is one of degree.

"We are not so concerned about the pie-eyed, saturated drunk as with the 'drinking driver' who has only had a few shots, a few bottles of beer. Reliable studies indicate that in at least 50 percent of the fatal traffic accidents, one or more drivers had been drinking.

"The so-called drunks are fairly easy to spot," the chief pointed out. "It is the social drinker, the man or woman who has had only a few drinks and doesn't think it has had much affect, that is the real problem.

"Such a driver doesn't know that alcohol in any quantity begins to affect judgment, attitude, perception and reaction in traffic situations—even though his manipulative skill seems unimpaired."

That is why traffic safety authorities have named the drinking driver as the greatest menace on the highway.

At least 37 hunters died during deer hunting season, 24 of heart attack, eight from gunshot wounds and five from asphyxiation.

Former University Professor of Music and Art Dies at Hale

Ira Mansfield Pember of Hale, former professor of art and music at Valparaiso University, Valparaiso, Indiana, died Monday, November 30, at the Huff Rest Home after a long illness.

Ranch owner at Londo Lake since 1916 when he purchased the Oviatt Ranch, Mr. Pember was born February 21, 1878, at Bradner, Ohio. Mr. Pember had been a member of the faculty of Valparaiso University for 20 years before going to Hale.

Surviving are a son, Robert Pember of Londo Lake, and six grandchildren.

Funeral services were held Wednesday at the Forshoe Funeral Chapel, Hale. The Rev. Robert Marsh officiated. Interment was in Evergreen Cemetery.

Traverse City State Hospital Asks for Gifts

The call is going out again from Traverse City State Hospital for assistance in its Christmas program. Many of the 3,000 patients at this state hospital are entirely forgotten by relatives or friends. They will receive no gifts whatsoever unless those gifts come from interested groups or individuals.

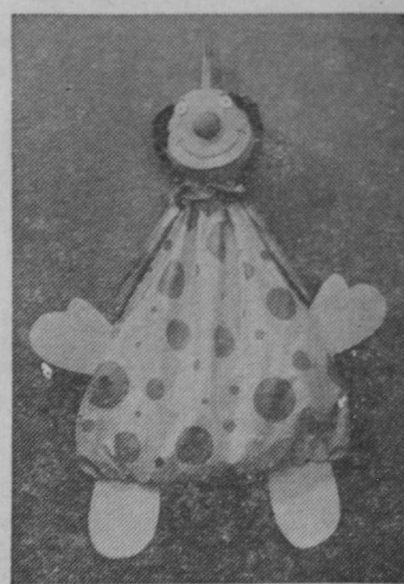

The hospital is asking for gifts for men and women which should be sent to the hospital as early as possible. They should reach the institution no later than December 15. Gifts such as items of clothing, gloves, mittens, scarves, cosmetics, jewelry, billfolds, purses, bedroom slippers and many, many other types are acceptable. Cigarettes, smoking tobacco, pipes, fruit, nuts and candy are always most welcome. All Christmas gifts should be new.

All items sent should be addressed to O. J. Curtiss or the Community Relations Department, Traverse City State Hospital. The sender's name and address should be plainly written on the package.

"Curiouser and curiouser," said Alice on one of her adventures in Wonderland. Alice, as we know, gave us the all important key for appealing to a child's imagination. She taught us that the delightful way around, more often, is the shortest route to follow, when teaching a very young child.

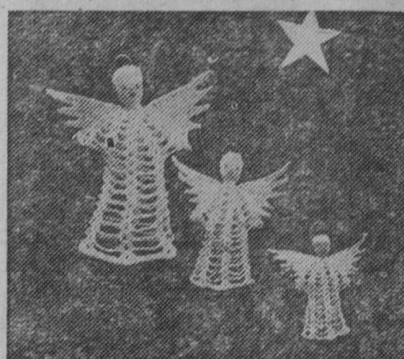

A CLOWN LAUNDRY BAG

This clown laundry bag is of a child's world. He's made from the fun in Wonderland. But, while your youngster is enjoying his clown's playful company, he'll be developing good habits in neatness. I think he'll love stuffing soiled clothes through the opening along the clown's side. All through the week, he'll watch the clown's polka dotted tummy becoming bigger and bigger until one day, laundry day, when soiled clothes become clean and new again.

THE FAMILIAR PARTS OF THE CLOWN

His suit is made of chintz, just like your kitchen curtains, or the curtains your child has seen at a friend's home. The pink broadcloth that you use for his head is like the pink cotton dresses you might wear in summer. His cherry red nose looks the way every child's nose becomes when it's very cold out-of-doors in the winter. His white button eyes are exactly like the buttons on any child's suits or dresses. His green fringe hair is very like the cotton yarn that's used in your own bathroom rug. And the scraps of orange or red cotton for his hands and his feet, are simply left overs in your sewing basket. I think it will be a wonderful treat for your youngster to have this personalized pouch, hanging on a hook in the bathroom. To receive the free instructions, just send a stamped, self-addressed envelope to the Needlework Department of this newspaper, and ask for CLOWN LAUNDRY BAG, Leaflet No. PPE-615.

Take it from the top this year and fashion, first, a demure little angel for the loftiest branch of your Christmas tree. These celestial charmers are practically guaranteed to induce an early holiday mood and inspire you with all kinds of heavenly ideas for home-made gifts—gifts that will convince everyone on your shopping list that you're an angel too!

MORE ANGELS

Endowed with winning ways, it's almost certain these angelic cuties will not be content with a treetop perch alone. For there's nothing aloof about them—despite the stuffed heads and brass ring halos. So why not crochet several—perhaps a whole heavenly band to lend a lovely decorative touch to your holiday table. They'll remain upright, thanks to a coating of heavy starch or sugar

and are sure to attract attention, from appetizer through dessert. And they'll make a marvelous holiday memento, once dinner is over, for the "littlest angel" of your own.

GOOD FOR GIFTS

First angel you make is yours—that's agreed. But, if you start in time you could crochet several for "before Christmas" gifts—shell, chain and double crochet are the stitches involved. And the easy free instructions are yours if you send a stamped, self-addressed envelope to the Needlecraft Department of this newspaper. Request CROCHETED ANGELS, Leaflet PC-9465.

Slow Start, but Braves Win, 54-45

HERMAN ROLLIN (No. 30) of the Tawas Area Braves goes in for a lay-up in the photo above. Blocking his way to the basket is Ehinger of West Branch.—Tawas Herald Photo.

After a shaky start in the first period, the Tawas Area Braves bounced back to win their home opener against John Janisch's West Branch Orioles Friday night, 54-45.

West Branch, with a good first period passing attack and accurate shooting, sported a 13-8 bulge at the end of the first quarter. On the other hand, Tawas was unable to solve the all-court press used by the Branchers until late in the period.

The Orioles, seeking revenge for twin defeats at the hands of the Braves last season, gave their followers plenty to cheer about as Keith connected on two shots from the floor and Pappas added two field goals and two foul shots.

Before the initial quarter ended, Tawas Area closed the gap somewhat and finally broke loose with what was to be its best scoring drive of the night in the second stanza.

Before intermission, Tawas Area captured the lead, mainly on an amazing display of one-hand set shots by Guard Herman Rollin. The sophomore guard, who could not find the range in the opening period, hooped five field goals, four of them coming in quick succession. His fellow guard, Dwayne Ulman, also caught fire and hit three times from the floor and added two charity tosses.

The West Branch team cooled off during the second period and Tawas Area held a 29-22 lead at the half.

The third quarter was another big one for the McIntoshmen as they meshed 19 points to West Branch's 15. Scoring during this period was well distributed among Tawas players, with Pete Bolen hitting for seven, Stump added five, Ulman flipped in four and Moore contributed three.

West Branch stayed in the game as Ehinger hooped six points and Johnson, five. The quarter ended with the Braves holding a 48-37 scoring bulge.

Both teams changed their pace in the final quarter, using a rather deliberate passing attack in order to make sure that the ball was not lost to the other team unnecessarily. West Branch showed a slight edge in scoring, 8-6, but could not overcome Tawas Area's two big scoring periods.

Tawas Area showed a well-balanced scoring attack in the season opener with four men in double figures. The Braves were topped by Ulman with 16 points on five from the floor and six out of seven charity tosses.

Rollin was next with six field goals and a foul shot for 13 points. Pete Bolen, who kept Tawas in the thick of it in the opening quarter, followed with five field goals and a foul shot for 11 points and Arnie Stump had 10 points on four and two.

Ehinger, rangy "beanstalk" center for the Orioles, was the leading scorer of the night with 17 points on six field goals and five charity tosses. The other scores were evenly distributed among his teammates.

Only starter for Tawas Area who did not reach the scoring column was Center Larry "Doc" Anschuetz. Despite this fact, however, he showed his mettle under the defensive basket with some fine rebounding.

This Friday night will be another home game for Tawas Area when they entertain the Arenac Central Panthers from Standish-Sterling.

Junior Braves Defeat West Branch, 54-24

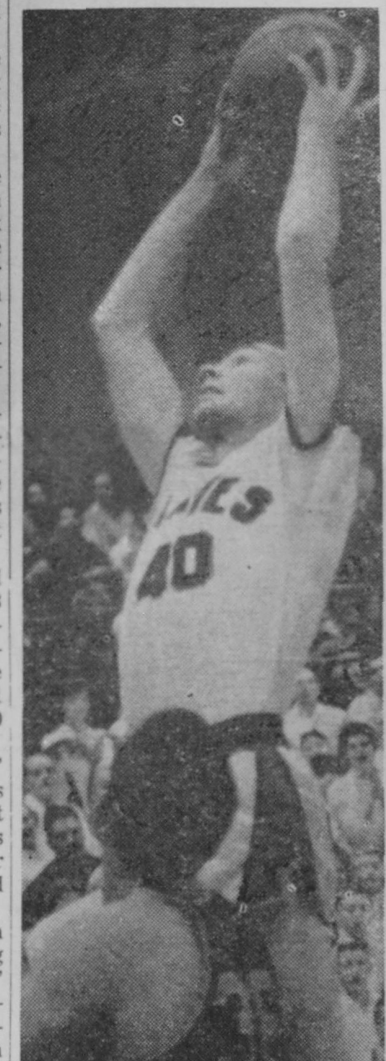

Tawas Area Junior Braves rolled to a 54-24 win over the West Branch reserves in the home opener Friday night. Tawas scored in double figures in all four quarters.

Top scorers for the winners were Mick with 14 points and Brown with eight. Keith topped the West Branch squad with 10 points.

Tawas Area took a 14-6 lead in the first quarter and was never headed, adding 13-6, 17-8 and 10-4 margins in the remaining three periods.

ATTEND LIBRARY COUNCIL MEETING

Miss Leonora Hass, director of Iosco-Arenac Regional Library, and Mrs. Clarence McMullen, staff member, attended the annual council meeting of the Michigan Library Association of which they are section and district chairmen at Michigan State University, Lansing, December 4.

PEAK ACTION in last Friday night's season opening basketball game is captured in the picture above. Two Tawas players battle with a West Branch player for a rebound, which eluded these four players and went into the hands of a player at right. The two Tawas players are Larry "Doc" Anschuetz (50) and Arnie Stump. No. 65 is Ehinger of West Branch.—Tawas Herald Photo.

DEADLINE FOR CHURCH EMPLOYEES SOCIAL SECURITY

After December 1959, churches, charitable agencies and other non-profit organizations who are not now covered by social security will not be able to obtain coverage for their employees for the year 1956.

If such organizations have been considering coverage, they should contact the Social Security Administration regarding this option. After the end of the year, coverage can only go back to the first of the year in which the election is made. To get this coverage, these agencies should also write the District Director of Internal Revenue, Detroit, for Forms 15 and 15 (A) which are required to obtain coverage.

EDUCATIONAL SECRETARIES MET AT HALE SCHOOL

The Iosco Association of Educational Secretaries held its monthly meeting December 1 at Hale with eight members present. Mrs. Dorothy Blood, secretary of Hale Area School, was hostess.

Annual Christmas party of the organization was held with exchange of gifts. Mrs. Lee Cater, secretary at Tawas Area School, reported on the recent national association meeting which was held in Detroit.

Next meeting of the organization will be January 5 at Oscoda.

Water for The Future-A Challenge

By 1984—the generation of these youngsters' children—Michigan's population is expected to number almost 14,000,000, nearly twice the present figure. It follows that this rapid growth will increase the various demands for water, both in scope and volume. How will the state's water supply meet this test? Many resource leaders feel the answer lies in legislation to develop a new code of water rights. Stepped-up efforts in land management measures such as watershed improvement, reforestation, and soil conservation are frequently mentioned. Any approach to this challenge, whether it be through legislation, actual land practices, or both, must weigh all of man's various needs in light of nature's limitations.

WOMEN'S CLUB MET WITH MRS. ARTHUR ZEMKE

Fifteen members and one guest, Mrs. A. Belson, attended Whittemore Women's Club meeting at the home of Mrs. Arthur Zemke Wednesday evening. Assisting hostesses were Mrs. Edith Cataline and Mrs. Mary McLean. Mrs. August Lange, vice president, presided at the meeting in the absence of President Marie Bellville. Harold Pfeiffer of Tawas Flower Shop, East Tawas, was present and gave a demonstration on making winter floral arrangements, wreaths and corsages which were later given as prizes to Mrs. Cataline, Mrs. William Ross, Mrs. Zemke and Mrs. Charles McKenzie.

The December 16 meeting will be the Christmas party at the home of Mrs. Robert Curtis. A tasty lunch was served by the hostesses.

PLAN NEW YEAR'S PARTY FOR JANUARY 7 MEETING

Whittemore Chapter, OES, held its regular meeting Thursday night with a good attendance. Worthy Matron Muriel Fitzpatrick announced that a school of instruction will be held January 8. A Christmas and New Year's party will be enjoyed at the regular meeting January 7. Exchange of gifts and a pot-luck lunch are planned.

Mr. and Mrs. John Higgins received word from their daughter, Mrs. Joann Snyder, and three children, who sailed November 9 from New York for Germany to join her husband, Capt. William Snyder, that they had arrived on Thanksgiving Day. They had a good trip and were aboard ship for eight days. They will spend the next three years in Germany.

The chamber of commerce has again made the city attractive with colored lights and a large tree will be lighted this week.

Mr. and Mrs. John Halbert and family were recent visitors at Midland.

Mrs. August Miller entertained all her family for Thanksgiving except one daughter, Shirley, and family of Peru, Indiana. She had 25 for dinner from Detroit, Minden City, Richmond, Standish and Lincoln.

Word from Mr. and Mrs. Joseph Lomason and Mrs. Julia Morin states they have arrived safely at Tampa, Florida, where they will spend the winter.

Mr. and Mrs. Colin Perry have moved to Oscoda where they have recently completed a new house. Mrs. Perry is a teacher at Oscoda High School.

Mr. and Mrs. Arden Charters and Mr. and Mrs. Henry Jackson attended the funeral of Mrs. Jackson's brother-in-law, Glen McLaughlin, at Lowell Wednesday.

Mr. and Mrs. Allen Hoekersmith and two sons have returned to Flint after a two-week vacation here due to the steel strike.

Mr. and Mrs. Henry Hasty were in Ann Arbor last Tuesday where Mrs. Hasty received a check-up at University Hospital.

The Ogden-Prescott ABA held its annual Christmas party and monthly meeting at the home of Mr. and Mrs. Martin Siegrist.

Mrs. Walter Bell of Sterling, who teaches in the Sherman school, is rooming at the William Ross home during the week.

Mr. and Mrs. George Jackson of Holt and Mr. and Mrs. Leslie Cataline of Bay City attended open house for the golden wedding of Mr. and Mrs. Roy Leslie November 29.

Jack McKenna of Pontiac spent the week-end here with relatives.

Mrs. J. C. Munroe accompanied her daughter, Nellie, and husband to Mt. Vernon, Illinois, for the Thanksgiving holiday.

Mrs. Elva Lee Freeland and two daughters and mother, Mrs. Helen Ruckle, spent Monday evening in West Branch.

Mr. and Mrs. Dornace Bellville and daughter, Ann, Mrs. Theodore Bellville and Diann Heierman spent Monday evening at Hale. Ann was initiated into Job's Daughters.

Mr. and Mrs. Dornis Chipps and daughters, Gloria and Penny, were at Standish Saturday.

Harlan Bero, who has been a patient the past week at Tolfree Memorial Hospital, West Branch, returned home Thursday.

FARM BUREAU GROUP HOLDS ANNUAL CHRISTMAS PARTY

Members and guests of Farm Bureau Women's Committee enjoyed a pot-luck luncheon at the annual Christmas party held at Grant Township Hall December 1. After the luncheon, Mrs. Clark Hinkley led the group in instructive and enjoyable games. Prize winners were Mrs. Carl Ulman, Mrs. John Cobb, Mrs. Norman Howarth and Mrs. Clarence Lang. Mrs. Lewis Rodman received the door prize.

Mrs. August Lorenz, chairman, called the business session to order. A report on the American flag was given by Mrs. Cobb, citizenship chairman. There was a discussion of the program for the coming year. It will be taken up again at the next regular meeting which will be at the home of Mrs. Lorenz January 5 at 1:30 p. m.

EXTENSION CLUB MET AT HOME OF MRS. HATFIELD

Whittemore Extension Club met December 1 at the home of Mrs. Lucian Hatfield with Mrs. Chester Robarts, assisting hostess. A lesson on candlemaking was presented by Mrs. August Miller and Mrs. Theodore Bellville.

An impressive installation ceremony was conducted by Mrs. Miller. Officers installed were Mrs. Arthur Zemke, chairman; Mrs. Nelson Ostrander, vice chairman; Mrs. Hatfield, secretary-treasurer, and Mrs. Dornace Bellville, reporter.

Plans were made to hold the casserole cookery lesson December 15 at the Zemke home.

Dainty German pastries with coffee or tea were served by the hostesses.

IOSCO CHAPTER, OES HOLDS FAMILY DINNER

Iosco Chapter, Order of Eastern Star, celebrated Christmas with a pot-luck family dinner Friday evening, December 4, at 6 o'clock. The hall was beautifully decorated with colored lights, tiny Christmas figures, wreaths, evergreen and a lighted Christmas tree. Tables were centered with candles and Christmas centerpieces.

Invocation was given by the Rev. Paul Sutton.

After the dinner, Mrs. Helen Hertzler played Christmas carols for group singing.

Miss Roberta Brookbank sang "Winter Wonderland;" Miss Nancy Hennigar played "Jingle Bells," and Miss Ruby Evans sang "And There were Shepherds." Mrs. Hertzler accompanied the vocalists.

The regular chapter meeting followed with Mrs. Marian Rose, worthy matron, presiding. Visitors were present from Harrisville, Farmington, Saginaw, Bay City, Tawas City, Omer, Lansing and Port Dodge, Iowa.

Christmas donations were given to Starr Commonwealth for Boys, Michigan Tuberculosis Association, Traverse City Hospital, Eastern Star Villa, Masonic Home, Alma, and Eastern Star relief.

Honorary guests presented were Grand Committeewoman Nyda Bronson; Grand Grand Martha Ruby Evans; Grand Representative Blanche Carlson; C. V. Miller, AIA vice president and worthy patron of Grace Chapter, Omer; Mary and Roy Westfall, worthy matron and patron of Tawas City Chapter.

An obligation ceremony by the officers was given with Worthy Patron Elmer Freeland leading. A closing talk on obligations of the Eastern Star by Miss Evans and a Christmas message by the worthy matron ended the meeting which was followed by an exchange of gifts and revealing of secret pals.

CAMP FIRE GIRLS PLAN CHRISTMAS PARTY

Plans for a Christmas party and their second annual white gifts project are being made by members of O-Ta-Ku-Ye Camp Fire Girls. For the white gifts project, the girls bring canned goods and good used clothing from their homes to be wrapped in white tissue paper. The articles are then given to Tawas Kiwanis Club for distribution to needy families at Christmas time.

The group has learned two required campfire songs and is working on ceramics to be given for Christmas gifts.

Mrs. Walter Moeller, Mr. and Mrs. Ernest Moeller were business visitors at Bay City Wednesday.

Engagements Announced

CAROLYN SUE WATTS

Mr. and Mrs. Clarence Watts of East Tawas announce the engagement of their daughter, Carolyn Sue, to Arthur Anschutz Jr., son of Mr. and Mrs. Arthur Anschutz Sr. of Tawas City. A February 20 wedding is planned.

MARGARET ANN PAVELOCK

The engagement of Miss Margaret Ann Pavelock to Willard J. Small is announced by her parents, Mr. and Mrs. John Pavelock of Tawas City. Mr. Small is the son of Mrs. Carl Small of East Tawas and the late Mr. Small. Wedding plans are indefinite.

GUEST SPEAKER TALKS ON 'THE NETHERLANDS'

"The Netherlands" was the subject of guest speaker, Miss Tineke Feddema, at the Twentieth Century Club meeting Wednesday, December 2. Miss Feddema, exchange student from Holland, showed color slides of her homeland and gave an interesting account of life in the Netherlands.

Meditation was given by Miss Arlene Leslie.

Plans were made for the Christmas meeting December 16. There will be a 50-cent gift exchange. The social committee will have charge of gifts for shut-ins.

Guest speaker will be Miss Dorothy Scott, who will give a lesson on candlemaking.

Hostesses were Mrs. H. Read Smith, Mrs. A. J. Sevenser and Mrs. Robert Dakin.

ENTERTAINED BY THE RICHARD ZOLLWEG FAMILY

The Richard T. Zollweg family of Garden Grove, California, entertained Mrs. Hazel Hogaboam; Norman Hogaboam and sons, Thomas, Gary and Robert; Miss Donna Hill, and Mr. and Mrs. B. M. Over (Norma Zollweg) at dinner Thanksgiving Day.

Dinner was served on the patio, as the weather was excellent with the temperature at 82 degrees. Games were played in the evening.

MRS. DODSON ENTERTAINS BIRTHDAY CLUB

Mrs. John Dodson entertained Birthday Club December 1 honoring Mrs. Irwin Ruppert. She received a group gift and several individual gifts.

Games were played with Mrs. Ruppert receiving high, Mrs. Richard Rose, low, and Mrs. Carl Libka, house prize.

The hostess served lunch at the close of the evening.

TAWAS HOSPITAL was recipient this week of an Isolette infant incubator, funds for which were contributed jointly by the Tawas Women's League and Tawas Hospital Auxiliary.

Explaining some of the features of the new incubator is Sister Brendan, left, OB supervisor at Tawas Hospital. Watching from left to right are Mother Superior Olivia, hospital administrator; Mrs. Norman McNeil, president of the Tawas Hospital Auxiliary; Mrs. Stanley Lane Sr., who was president of the Tawas Women's League when the project was first undertaken, and Mrs. William Krumm, president of the Tawas Women's League.

Cost of the infant incubator was \$795,

shared equally by the two contributing organizations. The Tawas Women's League raised its share through receipts from its thrift shop in Tawas City while the hospital auxiliary raised money through a number of projects; namely, license plate application services, pictures of newborn babies, the deer widows' card party and an Easter card party.

Mother Superior Olivia said that Tawas Hospital now has two Isolette infant incubators, in addition to several standard incubators, in its nursery. She extends her thanks to members of the two organizations who made the contribution possible.

43 FEWER PERSONS KILLED IN NOVEMBER

Despite the early arrival of winter and hazardous driving conditions, 43 fewer persons were killed in Michigan traffic in November than in the same month a year ago, according to a provisional report issued by Michigan State Police.

But even with the unusual reduction, 121 deaths compared with 164 in November last year, it is expected the year will end with more fatalities than in 1958.

November was the fifth month this year in which there were fewer fatalities than in the corresponding month of the previous year.

At the end of 11 months, the provisional death toll stands at 1,284 or 51 more than at this time a year ago and a four percent increase.

Based on past records, the death toll for 1959 will be between 1,425 and 1,450 or 50 to 75 more than the 1,375 persons who died in 1958. This would be an increase of between three and five percent.

Final figures for October showed 125 deaths, 13 more than in that month a year ago or a 12 percent increase. There were 6,269 persons injured in 17,766 accidents, also increases of 36 and 26 percent, respectively.

Estimated travel for the first nine months, the latest figure available, was 23.2 billion miles, up five percent over the same period a year ago. The death rate of 4.5 percent per 100 million miles of travel was five percent higher.

Outdoors WITH EMERY

Perch fishing has been real good for the past week on Tawas Bay near the Coast Guard boat-house. Minnows and Russian hooks fished in about 15 feet of water have resulted in limit catches. The ice is only four to six inches thick and fishermen are cautioned while moving about the ice at this time of the year.

The road commission has improved the road from Tawas Beach Road to Tawas Bay and graveled the parking area for

cars parking at the waters edge. This will help to eliminate traffic and parking hazards along the beach road that has been steadily increasing in the past several years. All cars that are illegally or improperly parked will be towed away at the owners expense by local enforcement agencies.

signed number from the secretary of state's office. Under the new Michigan law (Act 245, PA 1959) motorboats shall be registered every three years. The previously assigned numbers of the registration are changed and will start with the prefix MC which is for the State of Michigan.

Geese are pretty much at a standstill on the local scene and after talking to several local enthusiasts they believe the geese are heading to their winter feeding grounds early this year. The season on geese ends on December 15 closing out the 1959 migratory bird hunting season.

The Strike at the Coach Company Where Does It Go From Here?

Union employees of the Anderson Coach Company have been on strike since August 4th—126 days. The management has had 18 meetings with the Union, many times with State and Federal mediators present, in an effort to reach an agreement acceptable to the Union.

At a meeting on November 24th, the Company made additional economic concessions with the understanding that an agreement would then be reached. However the Union leaders, who appear to dominate the thinking of many of the men, refused to recommend the Company's offer to them. No further meetings with the Union are scheduled.

Anderson Coach Company started here in 1947 and has had several years of successful operation. During such years, Anderson employees were exceptionally well paid. A large part of the good earnings were the result of a bonus system, whereby wages were geared to sales and production. In the past two years sales have declined sharply—over 50%—with the result that the bonus has also declined.

Our sales drop can be attributed to two causes: A reduced demand for the quality of product we manufacture, and increased competition from new manufacturers operating in locations having freight advantages over East Tawas.

The management has been trying to combat the decline in sales by doubling its advertising, improving models and introducing a lower priced line. The success of this program is essential to the Company's welfare and will restore the bonus earnings formerly enjoyed by the employees.

Nevertheless, even without the bonus earnings, Anderson employees are among the highest paid in this area. Our lowest paid production man receives in base rate and employee benefits (vacation, holiday pay and insurance) \$2.19 per hour.

The Union leaders refuse to believe that the Company cannot afford any further increase in labor costs. Eight representatives from Battle Creek, Muskegon, and other parts of the state were called in last week-end to counsel the men to hold out, that the Company is about to break.

As a matter of fact the Company has already offered more than it can afford and cannot make any better offer.

Unless operations can be resumed within a short period of time, through our old crew returning to work or the employment of new men, the Company will have no choice but to proceed with negotiations to re-locate its plant in an area closer to its established markets.

One of the Conservation Department's latest habitat-improvement tools for game—a D-7 tractor equipped with an 11-foot cutting blade—will begin thrusting its way through snow, brush and timber in food-shortage areas of northern Michigan this month. The 20-ton machine will again be tested on non-merchandise stands of aspen to furnish browse for deer, stimulate sprout regeneration for their post-winter food supply, and provide cover and vegetation for small game. Under normal winter conditions, the crawler-type tractor levels two to three acres per hour. Department game men report the machine's test cuttings last winter were successful.

Mastitis picks the average dairy farmer's pocket for more than \$1,000 a year.

"This disease costs almost 250 million dollars each year in America," estimates Veterinary Pathologist Glen Reed of Michigan State University. Ruined cows are not the only losses. Lower production, condemned carcasses and poor milk add up in the millions.

Few people realize how mastitis can foil a herd-improvement program. Here is how Donald Murray, Michigan State University dairy specialist, figures:

1. Mastitis keeps many cows hitting only two or three quarters. Partly because of this, the average dairyman must cull about 15 percent of his low producers each year to maintain or improve herd production.

2. The disease KO's about 10 percent of all heifers before they get far along in their productive life. A 50-cow herd produces only about 25 heifers annually, so each one is valuable.

Udder irritation leads the way to mastitis. Cows will soon be spending most of their time indoors. They do not need cushion chairs. They do need some real modern comforts to prevent stress:

A light, airy, pleasant stable. A clean bed of a base of sawdust, shavings, ground cobs or some other moisture-absorbent material. A layer of chopped straw might go over the top and in the gutter.

Enough room to lay down comfortably, get the kinks out and chew one's cud in peace.

Protection from mean cows, dogs, horses and kids.

Freedom from sharp corners that dig into a cow's udder when she lies down. Pressure on one

SEWING CIRCLE MEETS WITH MRS. COTTRELL

Mrs. Shirley Cottrell was hostess to the Ladies Sewing Circle December 3. Twelve members attended and enjoyed a pot-luck dinner. The group surprised Mrs. Cottrell with a birthday gift.

The business session was conducted by Mrs. Walter Rakestraw, president, and Mrs. Dorothy Koehn gave devotions. Officers' reports were read by Mrs. Martin Ekstein and Mrs. Koehn. A reading, given by Mrs. Russell Vance of East Tawas, was heard by the group.

Members voted to donate to the Turner Fire Department's drive for muscular dystrophy.

A pot-luck dinner is among plans for the Christmas party, set for December 15 at the home of Mrs. Vance.

The next regular meeting will be January 7 at the home of Mrs. Koehn in Turner.

Mr. and Mrs. Fred Pierson brought their twins, Fred and Cathy, home from the hospital recently.

Mrs. William Nickel and son visited Mrs. Shirley Cottrell last Wednesday.

Mr. and Mrs. Lloyd Brigham spent Monday at the Tawas.

Miss Sheryl Rakestraw attended the showing of a teen film at Hale Area School Tuesday evening of last week.

Mr. and Mrs. John Eimers were at Saginaw last week-end where they visited their daughter and attended the wedding of Lawrence Koehn, son of Mr. and Mrs. Edward Koehn of Saginaw.

spot cuts circulation in much of the udder.

Reed says he cannot over emphasize the need to sanitize udders and milking machines both night and morning. Careful choice of purchased replacements and regular herd examinations are other important steps.

Clear-cut physical symptoms show only one case in every 100. That includes swollen udders, sick appearance and abnormal milk.

Dr. Reed has high praise for the new California mastitis test—a technique that shows even slight udder inflammation. A high score can be the signal for laboratory tests.

Clarence Carpenter, DHIA tester, sends his report for October as follows:

Monday, December 14—Casseroles cookery, leaders meeting.

Sixteen ladies met with Mrs. William Colling December 1 to exchange Christmas ideas and organize a new group. They were assisted by three members of Huron Shores Group and elected a chairman, program chairman, secretary and reporter. These officers will meet with me soon to discuss their officer jobs.

Candlemaking was demonstrated by North Hale group leaders at the prospective group meeting at Hale Area School December 2. The eight women present decided to form a group at a January 7 meeting at which time they expect several more to be present.

I counted up the candlemaking activity as best I could and find we shall have used at least 80 sheets of honeycomb wax and 375 pounds of Glowax plus the paraffin wax used for "frosting."

This means there will be quite a number of created-it-myself candles for the holiday season in Iosco County this year. Some will be used by the girls who make them and others will be received as gifts. From all I hear, the candlemakers are having lots of fun doing them, too.

Other personally-made gifts may be stuffed toys, aprons and the like—if you enjoy sewing. Those who prefer to cook can please a friend or relative with a baked specialty—cake, cookies, candy, home preserved fruit, jelly or jam.

For those who bake their own holiday foods, take note that dried fruits and nuts are in bountiful supply. Bulk dates, almonds and filberts are among the more plentiful ones this year. Store your dried fruits in a tightly covered container.

To make or buy the holiday fruitcake may be the question. If you make your own a six-pound standard recipe will cost about \$4.50. You can find a fruitcake well filled with fruit and nuts for about \$4 for a five-pound cake. Regardless of the small cost difference, there is a certain amount of pride and satisfaction in making your own. Your time schedule is another factor in the decision.

This recipe makes an easy and inexpensive fruitcake. Make a batter consisting of: One egg, one cup sugar, one-half cup shortening, one-fourth

cup molasses, two-thirds cup thick applesauce, one-fourth teaspoon soda, one-half teaspoon salt, one-half teaspoon each cloves, allspice, nutmeg and cinnamon, two and one-third cups flour.

Add to this: One cup seedless raisins, one cup nuts plus dates, candied pineapple and candied cherries to equal one pound (use portions to suit your own preference).

Bake 2½ hours at 275 degrees Fahrenheit.

Old, Old Carols Still Ring Out At Yuletide

Christmas season—clear, crisp nights, stars and sparkling lights... and Christmas carols ringing across the scene!

Many of the carols we hear "his Christmas have been handed down generation to generation, century by century.

Changes have been made in words and music, according to the changing times, but most of the Christmas songs will be just as you might have heard them hundreds of years ago.

According to the Bible story of Christmas, the first carol was sung by a chorus of angels—the "Gloria in Excelsis Deo," "Glory to God in the Highest."

The early settlers in America brought many of the old European carols to this country, thus giving Americans a heritage of songs as no other country in the world enjoys.

"Adeste Fidelis" which we also sing with the words "Come All Ye Faithful," long a traditional hymn, has an unknown origin. "Away in a Manger," Luther's hymn, came to us from Germany. "God Rest Ye, Merry Gentlemen" from England and the lovely "O, Holy Night" from France. From Austria came "Silent Night, Holy Night."

Americans, too, have contributed to our rich heritage of Christmas songs. The Unitarian minister, Edmund H. Sears, composed "It Came Upon a Midnight Clear."

Perhaps the best known and most beloved of all American carols, "O Little Town of Bethlehem" was written in 1863 by Phillips Brooks, a young Episcopalian minister.

The gay holiday song, "Jingle Bells," has been popular for almost a century and was com-

posed by another American churchman, John Pierpont. Our big selection of Christmas songs, hymns and carols express the friendly, joyful spirit of the season... and are loved by all!

Michigan was one of the leading states in the country in the amount of trunkline highway construction during 1958-1959, according to the United States Bureau of Public Roads.

First Volunteer TB Contributions Received Last Week

First voluntary contributions in the 1959 Christmas Seal sale were received last week by the Michigan Tuberculosis Association from residents of Tawas City.

"Christmas Seals, which have been fighting TB since 1907, are working even harder today to increase the effectiveness of Michigan's TB control program," said Dr. C. J. Stringer, president of the Christmas Seal association. "While advances have been made in the reduction of the death rate from TB, the number of new cases reported each year (around 5,500) remains fairly constant. This means that tuberculosis is still not licked."

Dr. Stringer urged all local residents to mail their Christmas Seal contributions early. According to the MTA office records, the first 10 Tawas City residents to mail in Christmas Seal gifts this year are as follows: Nelson Fisk, James Boomer, William McCready, Arthur Freil, Chris Reinke, Mrs. Thomas Branch, Miss Beatrice Lane, Albert Buch, Edward Burtzloff, Miss Ferne Mark.

"Christmas Seal gifts this year will be used for research, education and rehabilitation," Dr. Stringer explained. "They will work all year long to promote programs of tuberculin testing, X-ray and good health throughout Michigan."

Lack of a vaccine for general public use is still a major handicap in halting the spread of tuberculosis, he said. Christmas Seal research projects all over the nation are seeking to solve this problem.

"Today good health practices are the best protection a person has against TB," Dr. Stringer said. "That is why teaching people the facts about tuberculosis and how to follow good health practices is a major activity of your TB association."

POSTMASTER KASISCHKE LOOKS FOR RECORD MAIL

Postmaster Martin Kasischke said today, "This certainly looks like a record breaking year for Christmas mail. Between December 1 and 25 last year, we handled a total of 97,864 pieces of mail."

The postmaster states that the present flow of Christmas cards is running about the same as last year but the mailing of Christmas gifts is lagging somewhat. He suggests that all gift parcels to most distant points now be sent by air parcel post.

Speaking about Christmas gift packages, the postmaster said, "I cannot emphasize too strongly the vital need for packing and wrapping your Christmas gifts securely. Pack all your gifts in sturdy cartons, wrap them with heavy paper and tie them securely with strong cord. It is sometimes hard to understand why people will be so careless about putting valuable Christmas gifts into the mails in flimsy boxes and loosely wrapped packages. Many of these poorly wrapped gifts simply cannot stand the necessary handling and thus cause much delay and disappointment all around."

The postmaster further suggests that it is best to print the recipient's full name, street address, city, zone number and state on all mailing labels, making sure to include an extra label inside your gift packages.

If you will send all your Christmas cards by first class mail and include your name and address on the envelopes, you will help your friends to keep their mailing lists up-to-date. Further, you are assured that any cards that cannot be delivered will be returned to you for corrected addresses.

If you wish to enclose your Christmas card or letter in your gift package, merely add the appropriate letter postage to the postage for the package itself and indicate the presence of a letter or Christmas card inside the package.

Use complete addresses—including street number, rural route or post office box number. Be sure that the name of the street is complete with avenue, parkway or drive. Avoid abbreviation of street and state names. Use zone numbers wherever possible and be sure to include your own zone number in your return address. And most important of all—mail your cards and gifts now!

ARE YOU SUFFERING FROM SHIVERNITUS?

SYMPTOMS—Violent shaking and shivering during night... victim is very cold... feet are especially hard to keep warm.

CAUSE—Ordinary covers are inadequate for warmth as temperature drops during night. Patient suffers in cold rather than getting up to get more covers.

GET AN ELECTRIC BLANKET OR SHEET

An electric blanket will cure "shivernitus." You can select the heat you want. Thermostatic control will maintain that temperature in the blanket all night long. An electric sheet and one ordinary blanket will give the same fine results. You can relax and sleep.

Christmas is Gift Time In All Christian Lands

The giving of gifts has been an important part of the holiday season ever since the Wise Men and shepherds brought gifts to the Holy Child in Bethlehem. Gifts expressing love and goodwill are given all over the world at this time, but the bearer of these differs from country to country.

After the Christmas Eve feast in Poland, Mother Star, who is dressed like an angel in a white robe and veil, distributes the gifts after Father Star, who is a bit to be feared, listens to the children's prayers and catechism. In Norway, they remember the birds and animals with seed and choice sheaves of grain tied to trees and roof tops; extra fodder is provided for the cattle.

Candles shine from every window in Bavaria to light the Kristkind on her way from home to home. She is the messenger of the Infant Jesus and Bavarian children believe that she brings them their gifts. She wears a white robe and has golden wings.

In Holland, Dutch children wait anxiously for the arrival of St. Nicholas. Dressed in traditional bishop's robes, he carries a crozier and wears a mitre. He brings gifts for the children which he places in their shoes standing in the chimney corner. Gifts are given to the Swiss children by a radiant angel who

UNWANTED IN MICHIGAN

Drinkard

DESCRIPTION

Might be anyone, any age, either sex. Generally poses as responsible adult who insists that "a few drinks never hurt anyone, even when driving." Seldom gets drunk but often takes a few drinks to help relax, overcome fatigue, for social reasons, no reason.

METHODS OF OPERATION

- Specializes in head-on and run-off-roadway collisions
- Drives when mental faculties are slowed or dulled by narcotic effects of alcohol
- Drives erratically; sometimes too slow, usually too fast; often weaves
- Does not operate car smoothly in stop-and-go driving; makes sudden starts and stops
- Drives blissfully ignorant of hazards and his/her lessened ability

RECORD

DRINKARD is known to be involved in accidents killing 291 and injuring 4,428 people last year in Michigan. DRINKARD often escapes detection so complete record is unknown.

REMARKS

DRINKARD refuses to believe his/her judgment, perception, alertness and physical coordination are impaired by alcohol. Michigan citizens are warned against riding with this Unwanted Driver who is ten times more likely to have an accident than a non-drinker. Citizens are urged to call police to accident scene when DRINKARD is involved.

The next victim of DRINKARD is unknown.

1959 Buck Derby Saw 90 Entries at Whittemore

Whittemore Chamber of Commerce has completed its 1959 buck derby with 90 bucks having been registered.

Richard Gallagher, Wyandotte, with his 218-pound buck which was shot near Glennie, received the prize for the heaviest buck weighed.

Don A. Fredericks, Flint, with his 206-pound buck, shot near the Iosco-Ogemaw County line south of M-55, was a close second in the weight division but did not gain a prize as there was only one prize given for weight of deer.

At the drawing of registration cards for bucks entered, the following were winners: James Page, Standish, received first prize; Arden Charters of Whittemore, Burrell Weir of Saginaw and John Abbotts of Allen Park received second, third and fourth prizes, respectively.

It was noticed by the buck derby committee, while checking the register cards, that, although there were a few less registered than last year, the weights, condition of deer and the racks were better than last year.

Since the start of the buck derby in 1952, a marked increase of registrations has been noted through the years. The 1958 derby had the largest registration with 108. The largest buck, 197 pounds, in one of the recent derbies, was the top weight until this year's 190 to 218-pound bucks were weighed in. In previous years, 150 to 150 pounds seemed to be the general run of deer weighed. In this year's derby, 140 to 160 pounds was the average weight.

All who entered this year's derby are being notified by mail of the results of the event, reports John A. Dickey, secretary of Whittemore Chamber of Commerce.

MRS. JENNIE WILKINS

Mrs. Jennie Wilkins, formerly of East Tawas, died at St. Petersburg, Florida, Monday, November 30.

The body was shipped to Bay City, arriving December 5 and funeral services were held Monday afternoon, December 7, at the Washter-Hauser Funeral Home, Alpena. Burial was at Alpena.

Mrs. Wilkins, the former Jennie Brown of East Tawas, was born February 6, 1880. She married Fred Wilkins at East Tawas in 1898. Mrs. Wilkins lived at East Tawas about 40 years before the family moved to Alpena in 1920. For several years, Mrs. Wilkins has resided at St. Petersburg, Florida. Mr. Wilkins died 25 years ago.

BROOKBANK NAMED MASTER OF BALDWIN LODGE

Robert Brookbank was elected worshipful master of Baldwin Lodge No. 274, F and AM, East Tawas, at the annual meeting December 1.

Named to serve with Mr. Brookbank were W. T. Immers, senior warden; Duane Streeter, junior warden; A. Glenn Hughes, treasurer; Donald A. Evans, secretary; Emmett Cecil, senior deacon, and Leamon McGee, junior deacon.

Appointive officers are George Erwin, chaplain; Clifford Guyette, marshal; Peter Lichtfusz and Louis Awalt, stewards.

Installation will be Thursday, December 17, 8:00 p. m., at the Tawas Masonic Temple. At this meeting, five members will be awarded life membership certificates and nine members will be presented with life membership lapel pins.

An interesting program is planned for the night. Byron Brooks will be the installing officer. A buffet luncheon will be served after the program.

ATTEND CAPITAL BUSINESS SERVICE SEMINAR

Stanley Hager and Howard Herriman recently attended Capital Business Service midwestern regional seminar held at Lansing. As the local Capital Business Service accountants, they were thoroughly briefed on small business tax applications, together with new and improved ways in which the Capital Business Service electronic accounting and tax records can better service the small businessmen of the Lansing area. Mr. Hager and Mr. Herriman were told by representatives of Capital's home office in Lansing of new electronic systems and equipment which will further assure their clients of complete and error-free accounting records.

The local Capital Business Service office is located at 514 Lake Street, Tawas City.

WEST ELECTED PRESIDENT IOSCO TABLE TOP CONGRESS

Theodore West of East Tawas was named president of the Iosco Unit of Michigan Table Top Congress at the organization's regular meeting held December 1 at Cornell's in AuGres.

Other officers elected were John Pinter, first vice president; Fred Roberts, second vice president; Carl Peters, third vice president; Ellen West, secretary, and Julia Mauer, treasurer.

Gordon Welcome was reappointed chairman of the legislative committee and the other various committee appointments were being considered. Civic projects were discussed and referred to committee for study.

Beautiful for Holiday Wearing

One of the most beautiful fabrics for holiday wearing is velvet. Mrs. Tomi Cheng, instructor in clothing at Michigan State University, offers a few points to follow if you plan to fashion a velvet dress at home.

Always remember that velvet has a nap and the nap must run in the same direction on all pattern pieces. Mrs. Cheng notes that the fabric has a richer look if the nap runs upward. Smooth your hand along the pile to determine the direction of the nap.

Choose a pattern design with few seam lines and with simple details. Several layers of velvet can be bulky, so Mrs. Cheng suggests using loops, snaps or hooks and eyes instead of buttonholes.

'Missile Will Never Replace the Pilot,' Says Gen. Thorne

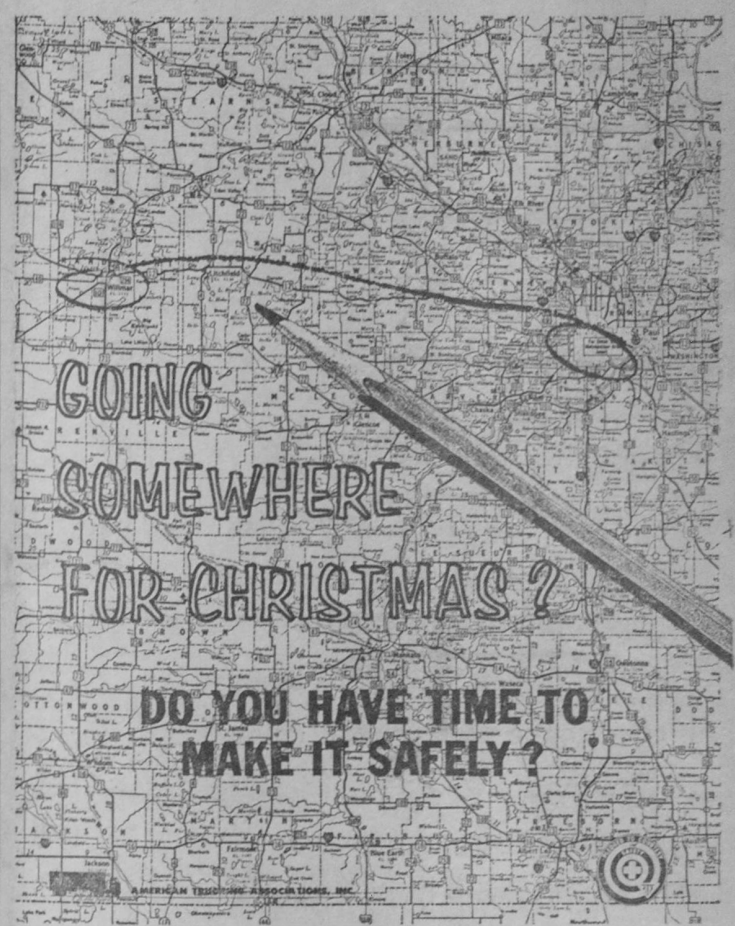

"The air force pilot will never be replaced by guided missiles," said Brigadier General Henry G. Thorne, in charge of the United States Air Force Recruiting Service. "At least not in the foreseeable future. The missile will not replace the pilot, it will only aid him in the event that we are attacked."

General Thorne readily admits that the air force has an increasing need for pilots and navigators because many of the lying personnel now on active duty are World War II veterans and will be retiring within the next five years.

The majority of air force pilots come from the aviation cadet program. This program enables qualified young men who have graduated from an accredited high school to receive a commission and to become either a pilot or navigator.

A second lieutenant on flying status, single and living off the base receives \$436.58 a month; if married, \$455.78. In addition, free medical care is furnished and an annual 30-day paid vacation.

The retirement benefits are also worth investigating. Air force personnel retiring after 20 years of service receive 50 percent of their base pay and after 30 years

of service, 75 percent of their base pay. Pilot classes begin every six weeks and navigator classes begin every two weeks. Any young men between the ages of 19 and 26 1/2 interested in the aviation cadet program should contact local air force recruiting representative, M-Sgt. Robert W. Burdick at 313 Federal Building, Bay City.
